Tracking Collars

As of August 1, 2009, the American Kennel Club Board of Directors updated the regulations for tracking collars at Pointing Breed Field Trials; Their use will be permitted at this trial, in all stakes. A list of approved tracking devices and regulations governing their use can be found at: <http://www.akc.org/trackingdevices/>

SPECIAL NOTE: GPS tracking collars manufactured by Garmin have been approved by AKC and will be allowed in all stakes

The handheld receiver shall be kept in the possession of the judges or the marshal only. The handheld locating receiver can only be used after the dog is determined to be out of judgment. The use of the tracking collar is elective and for no reason should the running of a stake be held up due to the lack of available equipment.

Any person using a locating receiver to locate a dog currently in judgment and prior to official authorization of its use by one of the judges, shall disqualify the dog in that stake and the offenders shall be disqualified from that field trial.

The Northern New England Brittany Club, it's Officers or Members accept no responsibility or liability for any loss or accidents on grounds or field trial areas during participation at this trial.
