AS YOUR DAY WINDS DOWN, HIS PERFORMANCE DOESN'T.

Sporting dog owners are constantly looking for ways to optimize their dog's training, strength, recovery and mental attitude. The performance power of Purina® Pro Plan® nutrition can help.

You'll want your dog's healthy body, sharp mind and amazing instincts to work with precision in the field—so you are a strong, successful team. And Pro Plan® can help your dog continue to work at high levels—even as your day winds down. That's because Purina® Pro Plan® Performance Formula:

- begins with high-quality protein sources including **real chicken as the #1 ingredient**
- **bolsters your dog's protective systems**—immune system, digestive system, and skin and coat, so he can best protect himself
- helps replace amino acids and carbohydrate used during exercise, **for rapid recovery**
- has an **optimal 30% protein to 20% fat ratio** to promote lean body mass and help maintain energy and endurance
- is **highly digestible** for maximum nutrient delivery
- **optimizes oxygen metabolism** so sporting dogs burn fat efficiently.

VOLUME LIX • NUMBER 10 • OCTOBER 2007

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittany's and to encourage higher standards in breeding, training and showing of Brittany's in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Brittanys...

Reprinted from the AKC Gazette Breed Column written by Dorothy Macdonald

Past and Present

Has the Brittany changed over the years? Yes, to some extent. But do we still have our excellent, moderate bird dog? Yes, most definitely.

Change for change's sake does not help any breed. The essential Brittany has not changed. He is still a nice, medium-sized, moderately coated bird dog. The Brittany is and should continue to be a dog without excesses, with one caveat – he is and should be sensational in his bird work. The Brittany is possessed by an overwhelming desire to hunt and an innate love of birds.

The Brittany is moderate in size, moderate in speed and moderate in coat. The Brittany is extreme in intelligence, extreme in independence and extreme in desire to hunt. The Brittany is a superb upland game dog. The Brittany is independent. He is both eager and amiable, working with you rather than for you. However, he is also both soft and stubborn – a difficult combination.

Over the past 40 years, I have seen the following changes:

Heads are better, with better planes and proportions. Eyes are less round than some years ago. Ears are still usually a little large, but are well set. Noses are good for a bird dog – full and open.

Shape is better than in years past, with fewer dogs that are too long and over-bodied. Today most Brittanys are square, with good, balanced angulation at the ends. This allows a dog to cover ground and yet be very agile on the turns. Shoulders (as in so many breeds) are still a problem but are improving. Better layback and better return of upper arm are still needed.

Tails are definitely worse. One sees far more 12 o'clock tails, and

this is further emphasized by the current bad handling habit of pushing the tail up.

Coats are for the most part good, although I have noticed a tendency in the show ring to take the topcoat down excessively. A Brittany's coat should have the integrity needed to protect him in the field and yet not be so excessive as to distort his outline. Texture is of supreme importance, and a woolly or cottony coat should be frowned upon as undesirable in the field. Color is relatively unimportant, other than that black is a disqualification.

All this good structure is designed to help our Brittanys in their appointed function. Remember, good structure does not make a dog run or hunt; it does make it easier for him to do it. A dog hunts because he wants to. This innate desire must be bred for with the same assiduity as all other desired characteristics. A good, properly built Brittany is born with the ability to hunt just waiting to be developed.

Is the Brittany a better hunter today than 40 years ago? While probably not better, he certainly is as good. Over the years, we do appear to have developed more style, particularly on birds. This is fine. Hunting and bird-finding must be the prime purpose of our dogs and of any field competition.

The Brittany should first and foremost be a home and hunting companion. Field trials, hunt tests – all competition should be secondary to this basic relationship between human and bird dog. After all, this relationship is why you got a Brittany in the first place. So by all means, nurture it and maintain the eternal vigilance that is necessary to protect the duality of the Brittany.

- Reflections -

Some things stay the same, some things change. The following article was written by Tommy Cox, a professional trainer. As we have mentioned before, much of the early development of the club was due to the work and direction of the professional handlers.

The message here is the same today. Some folks work really hard to make sure everything runs smoothly at a trial. Everything is in place! But, if someone is late (particularly the judge), no food is available and people have to leave the grounds to eat, people are slow getting their dogs to the line, etc., the best laid plans can fall apart. Each of us needs to do our part with not only the trials we are conducting, but the ones we attend. Success depends on all of us. While I've not fed people out of a hog barn, I have used the front part of a horse trailer with dogs underneath. As to differences, notice he says the field trial secretaries are "all a great bunch of fellows." Some things do change. I don't mean they are not a great bunch, I just mean there are more ladies doing this job now as well as the "fellows".

MUSINGS SPRING TRIALS

(Reprinted from *The American Brittany*,
Vol. 3 No.5, June 1952, pages 18-19)

By Tommy Cox

It was fun participating in the spring trials of the Brittany Regional Clubs this year – seeing the familiar faces and many new ones – many new young dogs – some of the older ones – some of them slipping a bit perhaps. Of course, the circuit was abbreviated, as it always is. A few clubs hold only fall events. In most places the field trial committees have the timing and the arrangements worked out to perfection. Take Illinois, for instance, they should set a pattern: for all the clubs. They even go 'so far as to furnish food to the handlers for three days. That is a mighty nice gesture.

What a job those field secretaries must have getting all the arrangements completed only to have them marred by the late arrival of the horses someone neglected to order in advance. At one of the locations a judge did not show up until 9:30. In most cases the handlers cooperate to: the fullest extent, but occasionally an individual forgets he is holding up all the proceedings. Probably that five-minute rule, which sometime is stretched to 25 or 30, should be enforced more rigidly. Remember when a man could quite often pick his spot. Fortunately, the drawing committees insist on the handler of the dog being on the job at the

time he is drawn. No excuses go. That is fairer to everyone. Those of us who have dogs belonging to numerous owners have a responsibility to every one of those owners, and feel that it is only fair that the trials be started on time, the judges on hand and the horses ready. It is up to the handlers to cooperate by being at the starting line promptly where their names are drawn.

Here's hoping the field trial secretaries, who are all a great bunch of fellows, get the cooperation this fall that in a few instance was not evident this spring. It's a great game – we have to love it to keep on pounding away at it – hard driving between points, some of the clubs not too careful about providing noontday meals. Can't help remember those days when we were forced to eat in very unsanitary cattle and hog barns – but that doesn't happen very often – and, happily, everyone took it in stride. Time to plan for the summer. Understand the regionals are getting their schedules ready for an enlarged circuit this fall, and all too soon we will be winding up the season down here at Carbondale with the Nationals. Hope I will get to knock on your cabin door at dawn come next December.

2007 American Brittany Club Chukar Classic/Championship

April 24-26, 2007 • Ritzville, WA

Hosted by the Washington Brittany Club

Submitted by Jerri Ford

TRACKER®

From left to right, first row: handler Jimmy Berneathy with Winner NFC/DC/AFC SHADY'S TIA MARIA, handler Paul Doiron with Runner-up FC SHADY'S THE PRICE IS RIGHT, scout Brandon Jones with third place winner FC GUNRUNNER'S LADY'S MAN, handler Tom White with fourth place winner DC/AFC T.J.'S SINGLE SHOT OF SCIPIO. Back row: Ed Tillson, Marilynne Little, Clem Little, Reporter Jerri Ford, Scout Peggy Doiron and Judges Frank Bright and Tom Milam.

The American Brittany Club Chukar Classic Championship was held on April 24th through the 26th 2007 at Goose Butte outside Ritzville, Washington. The Championship was hosted by the Washington Brittany Club and sponsored by Purina, Tri-Tronics and Tracker, and a big thank you to them for supporting this event.

The Champion performance this year was by NFC/DC/AFC/5xAmFid CH SHADY'S TIA MARIA, proudly owned and bred by Clem & Marilynne Little and handled by Jimmy Berneathy. Winning this Championship marked the third time Shady's Tia Maria has won the ABC Chukar Classic and she has set another record. During the history of the ABC Chukar Classic, only two other Brittanys have won the Championship twice. Our Runner-Up, placing 2nd, was FC/AmFid CH SHADY'S THE PRICE IS RIGHT, owned by Antoinette Fabre' & Rocky Dennis, and handled by Paul Doiron.

The morning of the 24th I woke to a chilly morning, stepped outside my RV and looked around camp. Anticipation permeated the camp as handlers, scouts and owners got their dogs ready, saddled their horses and grabbed a quick cup of coffee. Myself, I was a bit nervous, being an amateur at field trials and knowing I was going to be riding with the Judges and writing this report. My nerves were truly put-at-ease by the two Judges, (a Gentleman's Gentleman) from Idaho, Frank Bright, along with (a Charming Character) from Texas, Tom Milam. I felt truly honored to ride along with them and watch the handlers and their dogs run the course, and let's not

forget those scouts the Judges spoke highly of (yes, Brandon, even you).

The course was a wonderful and beautiful course to ride, we started atop a hill above camp and rode straight out through a gate to curve slightly to the left towards a second gate (the handlers were concerned about the second gate due to the fact the dogs wanted to run straight ahead or to the left and the handlers needed to bring their dogs sharp right and through some sage). We continued forward through the sage and worked our way down a hill towards the left, the dogs would run down towards Crab Creek and up a small bluff (a few of us named "Hank's Hill"). Many chukar were located there and the dogs did a great job finding and pointing them. Curving to the left, we crossed the creek and headed back towards camp, the first creek crossing marking the half way point of the hour.

We continued through some tall thick sage where it could have been very easy to miss a dog on point. The dogs could run ahead of us or above us on the cliffs, the scouts had their work cut out for them in this area. It was a beautiful area to ride through with the creek running fast in some spots and scaring up ducks to watch them circle us and settle again once we passed by and pushing cow calf pairs along the way.

The terrain was full of obstacles for horses dogs, up and down hills, rocky bluffs, steep cliffs for dogs to come down and maneuver if they ran up top. Scouts having to find a safe place to bring their horses & selves down, crossing the creek where the water was not running fast and high!

During one brace, several of us witnessed a pair of crows flying down upon a chukar in front of us, only to see a hawk swoop down and take it from them (hmm wonder why some dogs went birdless?). Not only did the dogs have their work cut out for them, battling the prey birds, but the wind got pretty nasty during several braces, at times the wind was so strong, I wondered if the dogs would be able to hear their handlers' calls and whistles. Another day, it tried to rain on us, but those gray clouds passed on by. All in all, the weather and temperature was pretty nice during the day. All riders stayed pretty comfortable, even the Mayor of Ritzville, who came out to the grounds and rode a brace with us!

At Goose Butte, Ritzville, WA – Judges Frank Bright and Tom Milam, handler Paul Doiron and scout Peggy Doiron.

The town of Ritzville is very charming and the business folks treated us very well. I'm looking forward to returning this fall for the fall field trials.

The Running Order...

The 2007 winning performance came from the ninth brace, NFC/DC/AFC/5xAmfLD CH SHADY'S TIA MARIA, owned by Marilynne & Clem Little and handled by Jimmy Berneathy. Tia did a classic all age run according to our Judges and they were excited about her performance. She was way out to the front and came on point at 24 minutes with the bird walking around out in front of her, with all manners in order, she was sent on. Judges said the handling on this dog was very good. Her 2nd find came at 32 minutes. Back on course, Tia hunted the wind very powerfully, crossing the creek, she had another nice find in the sage at 52. The Judges said, "she had a lot of style and intensity on her points and finished extremely strong to the front."

Runner-Up came from the first brace, FC/AmFid CH SHADY'S THE PRICE IS RIGHT, owned by Antoinette Fabre' and Rocky Dennis and handled by Paul Doiron. Steele's opening cast was big and to the right. His first point came at 15 minutes. Manners in order, he stayed out front and did a real nice job. Paul handled him very well calling him away from his brace mate on point, it's a learning experience for me to see a Pro handle his dog so well. Steele's 2nd find was at 25 minutes, just before crossing the creek and then finishing the brace well out to the front.

Third place also came from the first brace, FC/AmFid CH GUNRUNNER'S LADY'S MAN owned by Norm Ahl and handled by Jimmy Berneathy. 15 minutes out found Lootie doing a great job backing his bracemate, back on course he came on point at 30 minutes with no bird produced. He stayed out front running a "10-2" brace most of the time. At 40 minutes slammed on point again, this time producing a pair of Wild Huns. At time, came on point again, but Jimmy could not produce the bird.

The fourth place dog came from the 10th brace, DC/AFC TJ'S SINGLE SHOT OF SCIPIO, owned by Tom White & Margaret Horstmeyer and handled by Tom White. Nice breakaway, ran real good in the middle. Emme had a big cast on the bluff before the creek with her 1st piece of bird work at 34 at the rock cliffs. A stop-to-flush on the hillside under the bluffs and a very big finish.

FC GUNRUNNER'S LADY'S MAN/Berneathy & FC/AmFid CH SHADY'S THE PRICE IS RIGHT/Doiron 3rd Place and Runner-Up, see above.

FC SAWTOOTH SAM'S 4RUNNER MH/Tillson & FC BLUEWATER PINK/Down. Both dogs made a nice forward cast, 10 minutes out, Wayne called point, unfortunately when the Judges arrived both dogs were running under the bird and handlers picked their dogs up.

CHIEF'S GUNNER/Brandon Jones & DC/AFC AWARD'S GREENHILL RAMBEAU, MH/Green. Gunner is a very young dog, only two years old, and a very strong running dog. Both Judges liked this dog and said he will be

a good contender. Gunner shortened up and hunted the sage, made a big cast to the front and topped the hill where Brandon's scout found Gunner on point at 33 minutes out. Unfortunately, Gunner went with the flushing bird and was picked up. Beau stayed forward and had a find at 20 minutes and a stop-to-flush at 35. Beau toughly hunted the sage and finished the hour at moderate range.

FC TEQUILA JOKER'S JOSE CUERVO/Berneathy & REDINES TEQUILA MOON/Doiron. Jose & Taq both cast off fast and to the front, at 13 minutes Paul called point, unfortunately the birds nor the dogs stayed there.

FC/AFC MEGASMOKE

LIMITED EDITION/White & FC HIDEAWAY HANK/Borine. Ted took off to the front and was under a bird at 4 minutes. Hank casted off very nicely, this dog is a big runner. Hank's first find was at 20 minutes out, the Judges said Hank is a very responsive dog. He was atop a hill when Roger caught up to him with Hank taking out after the bird.

REDLINES TEQUILA TWIST/Doiron & DESERT ROSE IV/Berneathy. Twister ran out front and worked the area very nicely, opened up on the 2nd half of the hour with finds at 35, 42 and 53 minutes and stayed on course the entire time. Rosie had a real good first half, was picked up by the handler at 40 minutes out.

FC/AFC BLUEWATER GUNS-A-BLAZEN/Down & DC/AFC TERRA'S CABO WABO/White. Gunner casted off big and stayed out front. Had a find at 27 minutes (Gunner did a great job on this point - per the Judges), a couple of birds exploded in this dog's face and he stood flawless. Wayne cast Gunner off and lost him at 35. Sammy handled very well the 1st half with no finds, Tom elected to pick him up at 43.

ROCKING RM JOSE'S RED BALL/Doiron & ALMADEN'S RIVER OF SHADOWS/Tillson. Red did a nice moderate run and had finds at 5 and 35 minutes and a very nice back at 52. River trailed the bracemate for awhile, had two pieces of bird work and finished out front.

NFC/DC/AFC SHADY'S TIA MARIA/Berneathy & FC HIDEAWAY RED'S BESS BET/Borine. Winner, see above. Bess had a good 1st half, shortened up after the turn, hunted the area well, and finished to the front.

TJ'S PRAIRIE BLIZZARD/Tillson & DC/AFC TJ'S SINGLE SHOT OF SCIPIO/White. The Judges said, Blizzard had a short 1st half and really opened up on the 2nd half with a true all age find at 51 minutes. He had a long absence during the 2nd half, had two nice pieces of bird work and was a definite contender. 4th Place, see above.

FC/AFC TJ'S APACHE/Tillson & AmFid CH SHADY'S BEANSTALK/Berneathy. Bandit had one find, both dogs were gone for quite awhile, finally came back on course. Jack was picked up.

DC/AFC/2xAmFid CH REDLINES TEQUILA SMOKER/Doiron & FC LANE'S END JESS N TIME/Down. Smokey started out real good, but was picked up at 39. Per both Judges, "this dog (Jess) is a screaming machine!" Spectacular on breakaway, Jess wasn't seen for several minutes, then spotted on point through the 2nd gate. Unfortunately she jumped on the bird, both judges were disappointed they were unable to see this dog finish, said Wayne had a real nice contender there.

FC KOLICKO'S CUERVO JOKER/Berneathy. Running as a bye dog, CJ started out a little slow on the break away, then took off and was a tiny speck out front! Had a find at 30 minutes, then stayed at moderate range with one non productive at 56.

Now that I've gotten through all the braces, I'd like to finish this article with a couple of mental notes I kept in mind during this championship. I would like to give credit to those scouts out there Who all did a great job

watching the handlers' dogs, but one in particular come to mind. I want to say "KUDO's" to Peggy Doiron who was off by herself scouting for Paul and took a bad fall off her horse when it stumbled. Peggy was bruised & sore, but was back on her horse and continued to scout. Goes to show you, these scouts are irreplaceable and a true asset to the handlers. Hat's off to all you scouts!

Secondly, a BIG Thank You to those gals who stayed in camp all week keeping the coffee hot and flowing in the mornings and keeping up with the braces, pat yourselves on the back for a job well done (you know who you are). Lets not forget our bird planters, brace after brace, Great Job! A BIG CONGRATULATIONS to Tia Maria and to all the dogs, handlers, owners, trainers, scouts and volunteers, thank you for giving me something to write about.

Meet the 2007 American Brittany Club National Specialty Judges

Stud Dog, Brood Bitch, Brace & Team Classes

Lt. Col. Wayne B. Fessended

Lt Col Fessenden obtained his first Brittany in 1963 as a hunting dog. He joined the Stillwater Brittany Club (now the Indian Nations Brittany Club).

He bred his new champion, Ch Nedbalek's Ginger, to Fld CH Holliday' Britt's Ed, who later became the National Amateur Champion. From this breeding he kept 2 pups. One of them became Dual Ch Baron De Brentwood CD. The next breeding of Ginger to Dual CH Kaymore's Dapper Dan produced Ch Tuway's Kaymore Flash CD. Flash was the grandsire of Dual Ch, Ntl Ch Perry's Rustic Prince.

He became interested in judging and became a judge of pointing breed field trials and hunting tests, several conformation breeds, obedience and junior showmanship. He has judged numerous field trials, hunting tests, conformation shows and obedience trials throughout the USA. Wayne judged the Brittany National show in 1975 and the non regular classes and junior showmanship at other nationals. He has judged the Midwest and West Coast futurities as well the national runoff.

He served two terms as ABC Third Vice President. During his term he established Obedience competition and re-established Junior Showmanship at the Nationals. He has been on the ABC Breed Standards Committee and is presently a member of the Judge's Education Committee.

Wayne and his wife, Tula, established the TuWay Kennels. Numerous present day dogs can trace their ancestry to the TuWay Kennels. They were the breeders of Ch. Brought-Mar Jelibeau De Campo who was the foundation of the Jordean Kennels.

Wayne is a lifetime member of The American Brittany Club, Indian Nations Brittany Club, Oklahoma City Obedience Training Club and is a founding member of The Mid-Del-Tinker Kennel Club.

Sweepstakes & Junior Showmanship

Dr. Eric Liebes

Eric's first two dogs were a Komondor from his wife Nancy's first home bred litter and an Ibizan Hound. The Komondor still holds the breed's Best In Show record. The Ibizan Hound finished his championship and was one of the first CDX titled Ibizans.

In the '80's Nancy and Eric branched out to sighthounds and also tried their hands at obedience and performance competition. During the 1980's they finished championships on dogs of numerous breeds for themselves and others, and placed regularly in the Hound, Working and Herding groups throughout the Midwest. They have also won 8 Komondor National Specialties, 8 all-breed Bests-In-Show and finished CD's on five Komondors, two Ibizan Hounds and a Tibetan Terrier. Nancy & Eric have had a long co-breeding relationship with Sylvia Kerr of Nyircsaszari Vizslas. With Sylvia they have finished many Vizsla champions from the Bred-By Exhibitor class.

Eric was first approved to judge in 1992. He is approved to judge all Hound and Working breeds, 2 Herding breeds, Misc., Junior Showmanship, and BIS. He continues to study and learn more about all of the breeds. He is a breed mentor in Komondors, Greyhounds, Ibizan Hounds and Pulis. Judging a National Specialty Sweepstakes for Brittany's is both an honor and an opportunity to learn more about this great breed.

Eric & Nancy were primary organizers for the educational seminars that are offered each year in conjunction with the Astrohall Series of Dog shows (now Reliant). In addition to traveling around the country judging and presenting breed seminars, they have developed an Advanced Handling Seminar for the serious enthusiast. In judging Junior Showmanship Eric often uses his seminar experiences to offer suggestions to the competitors.

Nancy & Eric live outside of Houston with, 10 dogs, 2 cats, and two very gregarious parrots named Ernie and Ducky. During the week, Eric is a Research Geophysicist for Chevron.

JANE METZ: ARTIST

By Martha H. Greenlee

Jane Metz was commissioned to paint the first Nutro Brittany Open Shooting Dog Award portrait in 2004. This award recognizes the dog with most one-hour wins in specified Open Gun Dog/Shooting Dog stakes. The following year Tri-Tronics took the helm from Nutro, and Metz painted the 2005 and 2006 Tri-Tronics Brittany Open Shooting Dog Award portraits. These beautiful oil paintings pay tribute to the top winning gun dogs/shooting dogs in our breed for any given year. Dogs that have won this prestigious award include Renegade's Regal Wrigley owned by Gil and Jane Hopper, Shady's Koala-T owned by Ken Cherry and Art Cohen, and Barney's Hi-Proof RonRico owned by Chuck and Jill Schaefer.

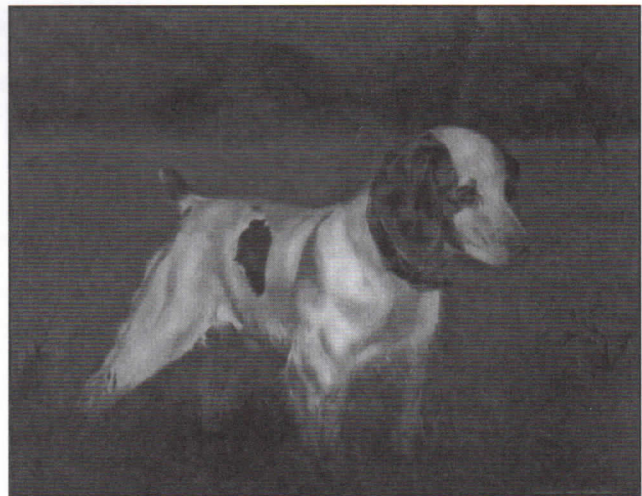

Metz is a native Texan and knows dogs from the inside out. Before her career as an artist, she was a professional show handler and evaluated, trained, and handled dogs in the show ring for 17 years. As a breeder she helped produce dual quality German Shorthair Pointers under the Vom Metz kennel name for show and field.

Metz's sporting dog paintings grace covers of sporting magazines and have been shown in numerous galleries. Her paintings can be seen on covers of the 2004 anniversary issue of Pointing Dog Journal, the 1999 anniversary issue of Retriever Journal, and the 1999 and 2004 fall issues of Field Trial Magazine. Her work has been represented by Holland & Holland Gallery in New York City; Beretta Galleries in New York City and Dallas, TX; Sportsman's Gallery in Atlanta, GA; Paderewski Fine Art in Beaver Creek, CO; Evelyn Siegel Gallery in Fort Worth, TX. Her commissions include the official portrait for the 2003 Iams Shooting Dog of the Year Award and the official portraits for the 2004, 2005, and 2006 Purina Open and Amateur Shooting Dog of the Year Awards,

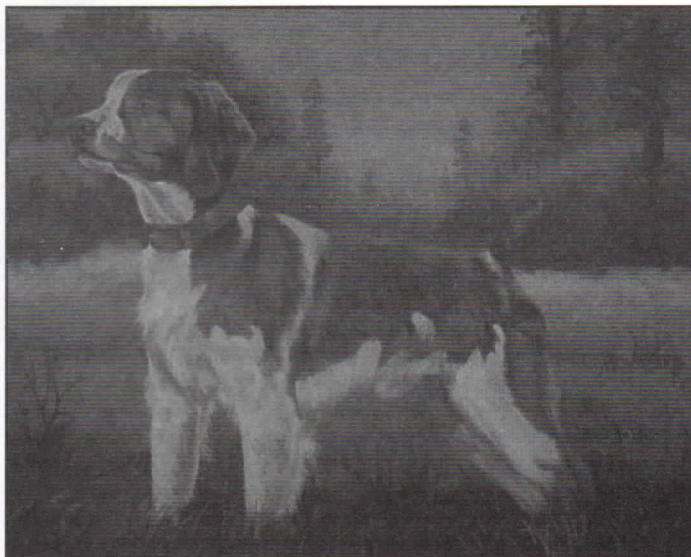

as well as the official portrait of Bozeann's Mosely on permanent collection in the Hall of Fame at the National Bird Dog Museum.

While Metz continues to work on many private commissions, she is most honored to paint dog of the year portraits. "So much time is invested in these dogs and that to me is what makes it such a privilege," Metz said.

2007 Nebraska Brittany Championship

April 16-19, 2007 • Raymond, NE

Submitted by Tom Maneely

The 2007 renewal of the Nebraska Brittany Championship was contested April 16th through April 19th at Branched Oak Dog Trial Area near Raymond, NE. 39 of the Midwest's best All Age Brittany's started this time honored event with the winner emerging in KINWASHKLY DAKOTA MOLESTER, owned and handled by Ken Seivert of Sheldon Iowa. The Runner-up title was bestowed on TJ'S PRAIRIE BLIZZARD, owned and handled by Ed Tillison of Albuquerque, NM.

The Branched Oak Dog Trial Area has been vastly improved in recent years. The cooperative efforts of the Nebraska Game and Parks and the Nebraska Field Trail Association has made a good place to run a dog into one of the best areas to show a dog in the Midwest. Fencing, controlled grazing, and tree thinning has improved visibility of dogs while making it safer to run dogs in this multi-use area. This type of cooperation is unique as few other states enjoy the support of the State Game and Parks Departments as we do in Nebraska. The increase in the use of the area has resulted in dramatic increases of revenue to local business. This arrangement should be an example to other states as to the benefits of field trials.

The Nebraska Brittany Championship had been passed to the Nebraska Brittany Club nearly 15 years ago. In that time Stan and Claudia Truksa have gone to great lengths to assure this is a quality event. Their efforts have not been in vain. This Championship is one of the best released bird trials, anywhere. Hospitality and quality dog work prevail. To assist the Truksa's in running this premier event they have recruited a small but faithful group consisting of Bill Cockrum and Tom Maneely. This group is all about running the best event possible to showcase the top Brittany's. I feel that we always meet that goal.

Judges for this event were Roscoe Staton and your scribe. Both judges are in demand by all breeds to officiate Championship stakes. It was a pleasure and an honor to ride with Mr. Staton. Both judges sought dogs that met the all age standard. The placements were top quality animals that were what we were looking for.

The Nebraska Brittany Championship enjoys the partnership of a pair of first rate corporate sponsors. As in the past, Purina has been the major sponsor of this event. Their assistance is a large part of bringing this event to the field each year. This year Jim Morehouse of Tri-Tronics was on hand for this event. He provided product discount certificates for the winners and gifts for the participants. Purina and Tri-Tronics are the top names in their fields. We appreciate that they joined us in hosting this event.

The winner, KINWASHKLY DAKOTA MOLESTER, a 5 year old male, owned

and handled by Ken Seivert, was released from Amateur Hill as the second brace of the third day. The conditions were cool with a light southerly breeze, under a nearly cloudless sky. From the first whistle Lester typified an all age effort. Fast and forward, he took lines to their conclusion and continued to the next logical objective. At 8 minutes he was pointed out on the big Gun Dog Bottom on a half mile cast. He was not seen again until his scout called point very near where he was last seen. His game was well located, his style and manners first rate. Released and across the concrete bridge he was right back to his strong tour of the area. At 20 minutes he was again found pointing on the edge near Hudkins Bottom. Again his style and manners were unquestionable. For the next 40 minutes he ate up course, putting on quite a show. His effort was strong throughout. As time was called he was using up country, with plenty of go left.

The runner up honors were bestowed on TJ'S PRAIRIE BLIZZARD, owned and handled by Ed Tillison. Blizzard appeared in the second brace on day 2. Under overcast skies that threatened rain, with temperatures in the 50's, Blizzard was away with a purpose. He covered ground with a smooth gait that allowed him to easily negotiate the course. At 33 minutes his scout found him buried in a plum thicket. He was high and tight on his game. Few dogs reached this objective and he was the only one to handle game there. At 41 he was again on game in the old fence line on the southern part of the course. From here he finished his time displaying his all age breeding and training. At time he was as fresh as at the first whistle.

The winners were pressed by third placed TJ'S THUNDER, owned by Ed Tillison, and handled by Jim John, and fourth placed STARLIGHT'S BLAZING SIRIUS, owned by Tom Thomas and handled by Bob Burchett. Their efforts are described below.

RUNNING

Brace 1) ALLMADENS RIVER OF SHADOW, Tillison & KOLICKO'S CUERVO JOKER, Berneathy. Both dogs were running well. At 22 Joker had a good find near the old road bed, River was excused for missing an opportunity to back at this point. Joker finished his hour forward.

Brace 2) TARS RISING STAR OF DESIRE, Garrow & WIMBERLY JIM DANDY, Johnson. This pair was away quickly with Jim having the slightly bigger race. Both dogs were into birds at 33 minutes without the desired results.

Brace 3) ROCKLAN'S KID ROWDY, Burchett & TEQUILA JACK II, John. Rowdy was fast on the ground, had a nonproductive at 48, and was up at 54 as he was not working with his handler. Jack ran a snappy race. He was missing for 8+ minutes early in the hour but showed to the front.

From then on he was seen off and on, always appearing forward. He had a nonproductive at 48, 25 yards from Rowdy's nonproductive and a find of a dead bird at 56 in the tree moot west of the fish camp.

Brace 4) TEQUILA JOKER'S JOSE CUERVO, Berneathy & THE FAR SIDE'S KID AMEE, Garrow. Both dogs spent the hour hunting wisely, covering a lot of ground in the quest for game. Amee impressed with her ability to finish lines. Jose had a find of a dead bird west of the fish camp, a nonproductive just east of Pinkerton's Crossing, and a nice find on Paula's Point at 42. Amee also carded a pair of nonproductives, one on the west fence line, at 38 minutes, that was likely a pheasant, and a second at 45 on the line east of the clubhouse. She finished with a very nice find near the rock crossing, east of the wood bridge. Both were forward at time.

Brace 5) JO-LOCKAPEX DARK ROUX GUMBO, Johnson & CHIEF'S GUNNER, Jones. This pair was to card only nonproductives and feather finds, despite a gallant effort by both. Both dogs went to the right places. Gunner was the stronger of the two. Both dogs finished the hour.

Brace 6) TJ'S APACHE, Tillison & GUNRUNNER'S LADY MAN, Berneathy. The last brace of day 1 was getting everyone's attention. They were eating up a lot of ground, and looking good doing it. At 30 minutes point was called for Apache north of the east side fish camp. This ended Man's day as he failed to back. A dead bird was all that could be found. 6 minutes later on the east fence line Apache's day also ended.

Brace 7) TC'S MATCH BOKS RACER, Downing & ROCKLAN'S WHIZZLE STOP, Burchett. It was a near perfect day to run dogs, overcast, the temperature in the lower 50's, a light southerly breeze. This pair started the second morning with well. Both dogs were fast and attractive. Point was called at 18 minutes for Racer on the old roadbed west of the fish camp, with all in order. His effort ended at 40 minutes. Whiz had a nonproductive at 33, a very nice find at 40 where his great style was displayed, and another find at time on the east plum thicket, all handled with manners. His ground coverage was good and he finished the hour.

Brace 8) TEE BONE, Johnson & TJ'S PRAIRIE BLIZZARD, Tillison. Blizzard's effort is detailed with the winners. Tee Bone was not on the same page as his handler and was up at 20.

Brace 9) SHADY'S BEANSTALK, Berneathy & ROUSTABOUT'S KID PARKER, Burchett. Bean had a nice effort with birdwork at 20 minutes. He was to also card a dead bird find and a feather pile find. He finished with plenty of drive. Kid did a nice job of touring the grounds but was not rewarded with any finds.

Brace 10) KID'S KID LONE RIVER MOOSE, Burchett & RAMBLIN MAN, Garrow. Randy was relieved early for exercising a bird. Moose ran the type of race an experienced campaigner should. He hunted the front and showed well. He was rewarded with a good find at 18 minutes. His style was nothing but class. Point was again called at 40, where a dead bird was produced. He finished his time to the front.

Brace 11) BRETON'S CASTLE ROCKET, John & BLUERIDGE MAJOR ADVENTURE, Downing. This was an attractive pair of dogs to watch. Both ran well and stayed to the front. Rocket had a find at 10 along the old road bed, and a nonproductive later in his hour. Major a good find at 12 minutes along Hudkins Bottom and a feather find at 35. Both dogs finished the hour.

Brace 12) TJ'S THUNDER, John & JAKE ACRES IN DISGUST, Garrow. Thunder and Jake were wasting no time. Both dogs ran an all age type race that was a pleasure to watch. Thunder logged a good find near Paula's Point, at the 30 minute mark. He also would card a nonproductive early and late in his hour. He finished as if he had not spent the hour tearing up the course. Jake also was strong throughout his hour. His effort brought him only a nonproductive.

Brace 13) STARLIGHT'S BLAZING SIRIUS, Burchett & SHADY'S TIA MARIA, Berneathy. Day three dawned clear with a light north wind, temperatures in the 50's. This pair was away quickly. Sirius struck first with a very pretty find on the edge of Hudkin's Bottom, this was backed naturally by Maria. Sirius followed this with a second find on the old fence line on the south side of the course; this again was backed naturally by Maria. Each of these finds seemed to get this pair more motivated to run. Maria's scout called point for her on the hill over the clubhouse at 36 minutes. This was a nice

find and she handled it well. For the next 20 minutes this pair hunted at the desired range with plenty of snap. At 56 minutes both dogs were found pointing again where it could only be recorded as a divided find. All in order, they were released to finish the hour.

Brace 14) KINWASHKLY DAKOTA MOLESTER, Sievert & KB'S SHADOW DANCER, John. Lester's hour has been previously detailed. Dancer is a dark liver roan dog that is very quick on the ground. He had one nice find on the line before the rock crossing and ran with determination, always showing to the front. His hour was finished well.

Brace 15) BRENS FUN ON THE RUN, Johnson & HI PROOF WHIZKI, Garrow. Released from just east of the wooden bridge (Pinkerton's Crossing), this pair went deep along the creek and lake edge. Fun on the Run was having fun but was seen only once before the tracker was called for at 30. Near the east property line, Whizki was back in the front after showing several times and rejoined the party for the duration of his hour. He had a nonproductive on what looked like a running pheasant, and a rabbit find, before encountering deer. It was not his day.

Brace 16) UPLAND ACRES PRAIRIE DA CHIEN, Burchett & STING, Garrow. The day had turned warm 65 degrees with no wind. Ed and Judy Graves were in the gallery to watch their fine dog Sting. Her race was impressive but a nonproductive and a dead bird find were not challenging the front runners and they threw in the towel. Chien also had a short day, carding a nonproductive and a shaky find he was up just east of Pinkerton's Crossing at 35.

Brace 17) ROCKLAN RED RIVER RUNNER, Burchett & CAROLINA SEA BISCUIT, Johnson. This also was a shortened brace. Runner had a good find in the tree lines before the concrete bridge, but was not pleasing his handler and was up shortly after. Biscuit and his handler started like minded but they seemed to grow apart until the tracker was called for at 25.

Brace 18) SMARTEYE'S JOKER, John & TEQUILA DYNAMITE, Burchett. This pair broke away well and was doing well early. Jordan was found pointing at 20 minutes. This find required relocation and the results were not what all that had been hoped for. Dynamite suffered a nonproductive in the same location that earlier contestants had, and then had a nice find on the hill south of the clubhouse. The heat of the day had begun to take its toll and he was up at 48.

Brace 19) TRU'S MAGIC BULLET, Burchett & Dr Block's Rebel Millie, Garrow. The final day of the Championship was begun with a shortened brace. At 10 minutes both dogs were observed under a bird and were relieved.

Brace 20) HAVAPAL'S RENEGADE BILLY BOY, Burchett - Bye. Billy spent his hour in a workman like manner. He stayed to the front and was rewarded with a nice find at 47 minutes. He looked to have come on to his birds quickly and was in an unbalanced stance. Manners were excellent. He finished the hour as he had begun.

2007 Mid American Brittany Championship

April 23-25, 2007 • Branched Oak Trial Area, Raymond, NE

Left to Right: Jim John with SMARTEYES JOKER, Chris Burchett, Bob Burchett with STARLIGHTS BLAZING SIRIUS, Al Gorrow with BRETON'S CASTLE ROCKET, Pam Baird with FARSIDES KID AMEE.

Weather: Mon, April 23. Sunny - perfect morning - breezy and warm in afternoon. Tuesday - heavy lightening, thunder, wind. Threatened tornados and large hail - shut down all day. Wednesday - misty all morning - windy and cool

Judges: George Langabeer and David Taylor are no strangers to the Brittany world, having judged this stake and the Prairie Chicken Classic in the past. Both remained very attentive and their decisions were well received.

Sponsor: This championship would not be possible without the monetary and product support from Nestle Purina. The Pro-Plan Performance dog food was especially well received.

Branched Oak Dog Trial Area has become a favorite venue of many dog enthusiasts and this was especially true this spring. The Mid American closely followed the Mo Valley Regional and Nebraska Brittany Championship and ten days of AKC Pointing Breed Championship. Over nine hundred quail and one hundred fifty chukars had been released prior to this trial. More coveys were added daily, plus the native pheasants added to the mix.

THE WINNERS:

SMART EYES JOKER owned by Steve Ralph and handled by Jim John took top honors. Jordan, as he is called, ran the first brace Wednesday morning in a light rain. The brace started from the clubhouse with Jordan and his bracemate, Kid's Kid Lone River Moose, taking the meadow edge past the keyhole and out of sight, headed south. When we next caught sight, Jordan was pointing next to the old road bed on Hudkins bottom with all in order. Jordan's next find was in the tree mott in the middle of the west course. Both dogs stayed forward working the edges as we rounded the west course and headed for Pinkerton's crossing. Just past the cul-de-sac on Area 9 Jordan had his third find in a wooded area. Moose pointed in the tree line in the south end of the meadow after the first crossing on Area 9 with Jordan backing. Moose couldn't resist the slow flying rain soaked quail when it was flushed and he made a retrieve ending any chance for a repeat of last years win. Jordan established his fourth find in some heavy bushes just past the second crossing on Area 9 with his hour ending near the old fish camp. Everyone knew the bar had been raised to a high level by this veteran campaigner

RUNNER-UP:

STARLIGHTS BLAZING SIRIUS, owned by Tom Thomas and handled by Bob Burchett, earned Runner-up honors coming from the 11th brace, starting from the clubhouse at 11:30 AM. Si sailed through the meadow and was only spotted occasionally until found pointing in the long draw towards the south end of the main course at 17. His next find was in Area 9 below the cul-de-sac. Si made an impressive cast which resulted in an unproductive above the old fish camp on Area 9. His race remained forward and strong throughout his hour.

Third Place: BRETON'S CASTLE ROCKET, male, owned by Barry Koepke and handled by Jim John, put together two finds with an excellent relocation on the second one. The judges were impressed by his intensity on game but his pattern was not as good as the two dogs placed above him.

Fourth Place: THE FAR SIDE'S KID AMEE, female, owned by Burton and Sara Wice and handled by Al Gorrow, covered a lot of ground with good speed but was not as forward as those already mentioned.

SAHUARO Tucson, AZ March 16, 2007

Sahuaro Brittany Club held its first Spring Independent Specialty Show on March 16, 2007, in conjunction with two all-breed shows, which just changed from their November date to March. Next year the all-breed club anticipates holding these shows the second weekend in March, which will avoid any conflict with the local agility trials. In addition, it is expected that obedience will be offered.

Although the temperatures were unseasonably warm, and the show was in the heat of the afternoon, there was plenty of shade available, which had been set up for the all-breed competition the next day. Also, the relatively small entry kept things moving, so no dogs had to work in the heat for too long without a break.

The Sweepstakes judge, Mrs. Marilyn Little, put some moving youngsters through their paces in the extra-large ring provided by the all-breed club, giving Best in Sweeps to the 6-9 month dog, which went on to take Best Puppy under the regular judge. After the puppies' work out, they got a break while Mrs. Marion Hodesson evaluated the junior handlers. Both handlers worked hard showing off their dogs, and in the end, the award went to the experienced Open Senior entry, ALEX FINDLAY.

The class dogs and bitches took to the ring, with Mrs. Hodesson ultimately awarding a three point major to Winner's Dog, giving him his third major and finishing his championship. Later, the Winner's Bitch took Best of Winners, giving her a third major also. As Mrs. Hodesson completed the breed judging, she complemented the exhibitors on the overall quality of the entry, with lots of quality to make up for the smaller quantity! BOB went to CH CASTLE'S TANGERINE DREAM, JH, who also took BOB and Group 3 both Saturday and Sunday. Please see the complete specialty results below.

Following the judging, exhibitors, judges and spectators all relaxed in the shade with some cool drinks before packing up until the next day. We are looking forward to our Fall Designated Specialty in November, as part of a three show weekend in Tucson.

TEXAS COASTAL Houston, TX March 16, 2007

The Houston Farm & Ranch facility in Houston, Texas was again the site for our spring specialty show. The weather couldn't have been better - nice breezes and spring weather throughout the weekend - no rain! We had a nice entry of 18 and were happy to see our out-of-town friends.

Dr. Jacklyn Hungerland judged all classes. Congratulations to Tom & Sandra Shrank whose dogs swept the show - their MY TREY'S WING MAN STKS taking Winners Dog, MY TREY'S PRINCESS TIERRA STKS Winners Bitch, Best of Winners and Best of Opposite Sex AND their special CH MY TRIPLE CREDIT STKS winning Best of Breed. They kept all the trophies "in the family"!

We sincerely thank all exhibitors who attended - Sandra & Tom Shrank, Sandy Bolin, Nancy Anderson, Michelle Langan, Nancy Clendenen, Steve Hintzel, Toby & Nicole Self, Nancy Crandall and Elaine Sistrunk and our president Fred Brooks. We thank you all for supporting our specialty show.

A big thank you to club members who generously donated trophies: Michelle Langan & Nancy Anderson, Steve Hintzel, Mike Godin, Fred & Betty Brooks and Jim & Mary Crawford.

WESTERN MICHIGAN

Ionia, Michigan

March 30, 2007

By Diana Kubitz

We were very please with our attendance this year at our specialty. Several people were entered in the futurity show, so it gave them an opportunity to go to a specialty as well. Our judge was Mrs. Elaine Lindhorst from St. Charles, Missouri. Elaine had attended one of my judge's education seminars and had recently been given Brittanys by AKC. We had many compliments on Mrs. Lindhorst's judging. She was especially good to the new handlers in the ring and to our puppy classes. She told one handler that since it was her puppies first time in the ring, it was very important that it be fun.

We began our evening with our traditionally chicken

dinner and homemade desserts. In Michigan we believe that everything goes better on a full stomach! I want to thank our club members that helped to make the show a success and some non-club members that pitched in to help. Special thanks to Ron Gulembo, Andre' Coulombe, Darlene Dow, and Brian and Helen Riggle for helping my husband Gary and me set-up the show site for the futurity and our show. Club members were busy running the futurity so I had to ask folks to help. You always ask the people that you know you can count on and they came through for me.

We had an extremely large Best of Breed class this year. The judge commented on the quality and asked if we could hand out Awards of Merit. I felt that since we had such a large number of entries for breed that this would be appropriate. (See these in the awards section.)

Our thanks to everyone for supporting our specialty show. It's become an event that everyone looks forward to. Western Michigan demonstrates their belief in the Brittany as a "dual dog" by having it's specialty in conjunction with its field trial. Unfortunately, for the first time in many years, we had no dual dog award. You can all come and try for that \$100 next year!

May 19, 2007

Submitted by Gail Craddock, Show Chairman

On May 19th we enjoyed nice cool weather for the NVBC Specialty show at the Prince William Fair Grounds in Manassas, VA. Sandra Selander did a fine job as our Sweeps Judge. We had an entry of 16 dogs and bitches combined in the regular class which was judged by Mr. Robert L. Boothe.

Thanks to all the members and participants who came to help and support this event. Congratulations to the winners!

See you next year!

**SAN DIEGO
Pomona, CA
May 26, 2007**

By Susan Kerns

Again this year the San Diego Brittany Club held it's Specialty Show at Pomona during the Mission Circuit over the Memorial Day weekend. The San Diego Brittany Club's thirty-third (33rd) Specialty Show was held for the second time on the Saturday of the four-

day circuit, this time it was in conjunction with the San Gabriel Valley Kennel Club. For the four-day circuit the weather was not bad, a little warm but that was not an issue because for the first time it was held in an air-conditioned building, as was the grooming areas. We had a garden theme for our trophies: wind spinners some with a likeness of a Brittany, tote bags with a Brittany in a garden and potted plants with a silhouette of a Brittany or a dog's paw print. The potluck was delicious.

Mrs. Marilyn Little a Labrador Retriever breeder, obedience and licensed retriever judge was the sweepstake judge. Mrs. Little is working toward judging Brittany's with plans to attend the ABC Nationals in November. For her Best in Sweepstakes, she chose from the puppy 6 to 9 month class, GOURLEY'S DIAMONDS AND RUST. Best of Opposite Sex to Best in Sweepstakes came from the 12 to 18 month class, CASTLE'S THE ONE AND ONLY. Best Veteran in Sweepstakes was CH BURFORD'S BRNZ DESERT ROMANCE.

Mr. Stanley S. Saltzman was our judge for the regular classes. Best of Breed was given to CH GOURLEY'S ONE HOT TICKET. Best of Opposite Sex to Best of Breed was given to CH CASTLE'S SLEEPING BEAUTY ZOEI, who was also BOS last year from the classes. Winners Dog and Best of Winners went to FC REDLINE'S SMOKIN GUN. Winners Bitch was awarded to the Bred by Exhibitor Bitch, CASTLE'S THE ONE AND ONLY. Reserve Winners Dog was given to TRU'S MAGIC BULLET and Reserve Winners Bitch was LONE OAK'S SINGLE CHIP.

The best Junior Handler showing a Brittany was KATELYN FORD, in the Open Senior Class, showing CH SWIFTRIVERS FLASHBACK N TIME. Katelyn also went on to earn Best Junior Handler in the show. Also placing first in her class was a newcomer HAILEY BICKETT from the Novice Junior Class showing her family's dog COPLEY'S BEACH PARTY CYUCOS.

Our gratitude to our two judges and all those who supported our show and congratulations to all the winners.

**HEART OF ILLINOIS
Bloomington, Illinois**

May 27, 2007

By Jane Huelsmeyer

The Heart of Illinois Brittany Club had their specialty show in conjunction with the Illinois Valley Kennel Club of Peoria. A big thank you goes to the show committee

of the Peoria club for their hard work and supplying our ring stewards. Our Brittany club appreciated all the Brittany people who came to support our show this year and congratulations to all of the winners.

Our judge for the sweepstakes was Mr. Forrest G. Johnson, a retired AKC Judge. He did a fine job of judging the small sweepstakes group of 8 dogs and bitches. Best of Sweepstakes was MELRIDGE NIGHT-HAWK HAWKEYE and Best of Opposite was MELRIDGE HEARTS A FIRE. We enjoyed having our one veteran DC RICOCHET MAGGIE'S JAC JH.

The well known judge Charles E. Trotter judged the regular classes for us. Our of 12 dogs entered, he chose MELRIDGE ADD'N INSULT TO INJURY for Winners Dog and Best of Winners. DOGWOOD HOLLOW ON THE RUN was given Reserve. Out of 13 bitches entered, he chose FALLS MOLLY OF MAVERICK JH from the Open Class for Winners and COUNTRY ROAD'S TICKET TO RIDE as Reserve from the 9-12 month class. Two field trial dogs showed and CH RICOCHET HEMI BARRACUDA JH won. The Best of Breed class was represented by six lovely specials. After careful consideration Mr. Trotter chose CH MILLETTE'S MERLOT TO GO as Best of Breed and Best of Opposite went to FALLS MOLLY OF MAVERICK JH.

HEART OF ILLINOIS March 23-25, 2007

Welcome to the Heart of Illinois spring testing area. The spring horseback trial turned into a series of trials for participants and the host club. The Open Limited Gun Dog folks were present on Friday to test the endurance of their horses through mud. They also tested their rain gear. Some found that theirs wasn't

quite waterproof. They also tested their ability to see through the raindrops. Everyone had the same result: difficult. A driving test was for the dog wagon driver; the ruts got deeper with each brace and the driving slicker as well. At the end of the day there was a test for a participant who tried to see how far on the course he could drive a truck starting at the breakaway. It did not travel very far as the truck quickly sunk in the mud. A tractor had to be commandeered to make a mud extraction the following morning. A test was present for the field trial chairman to redesign a course due to a newly plowed field which was now mud and a horse killer to cross. And this was only Friday!

Max Eldred and Jeff Wagoner appreciated the way the handlers were ready at the starting line in each brace. They were amazed at how smoothly things ran. At the end of the day they had selected the following dogs:

1st - COUNTRY ROAD'S NAVIGATOR, Burchett handler; 2nd - WRIGLEY'S FIRST DANCE - Burchett handler; 3rd - MATRIX GRAND ILLUSION - Fiorito handler; and SCOTTY'S SIERRA MIST was 4th handled by Oehl. We were told that Country Road's Navigator became a new Dual Champion for the owners Julianne and Karen Stout. Congratulations!

Saturday morning came early and more tests were waiting for members and participants. The addition of extra courses being run created a drawing test for the field trial committee. Could they get handlers, horses and dogs on the starting line without conflicts? You bet! The committee did a fantastic job on the drawing. They were concerned but it all worked out. The committee really appreciated the way the handlers cooperated with accomplishing this feat. Without their cooperation the plan might have had a few problems. The next big test came to handlers and scouts. Could they get their dogs around the course? Many had never been to our trial grounds before so it was definitely a challenge but they were up to the test.

The Amateur Gun Dog resulted in 4 different dogs and handlers acquiring placements. We do note that the 1st and 4th place dogs have the same sire but are not littermates.

1st - RICOCHET HEMI BARACUDA - Mickey Condron handler; 2nd - CLYDE'S DOUBLE TROUBLE - Kevin Remmers handler; 3rd - SANDY RIVER SUNSHINE - John Hancock handler; and 4th - RICOCHET MAGGIE'S SAM A'CLAUS - Mike Poehler handler.

Meanwhile the Open All Age was having a great time running. The stake was wide open as birds were difficult to find for some. At the conclusion only one dog managed to earn a placement. 2nd place went to OAK HILL'S TIME TO BURN, handled by Andy Lewandowski. All other placements were withheld.

The next test was for everyone who wanted to have lunch with the judges and crew. Could you actually enter the bus without bumping your head? Could you actually leave the bus with all your food and utensils and drink? Some of us had to go back a few times to get lost utensils etc. We thank the Crock Pot for bringing the bus and helping us with warm soup and sandwiches along with that little taste of sweet things to round out a good meal.

The Open Gun Dog started after lunch on Saturday and continued all day Sunday. Another test for our judges - can I really sit in the saddle that long? Harold Heather and Denny Sullivan did just that and gave their full attention to each brace set down. The results were: 1st - COUNTESS MON PETITE WHIZ, Kevin Stonehouse handler; 2nd - SWEETWATER BILLY TUCKER, Larry Bates handler; 3rd - MATRIX GRAND ILLUSION, Fiorito handler (double winner this weekend); 4th - RICOCHET MAGGIES JAC, Burchett, handler.

We even found time to run puppies. Always fun stakes to watch as the youngsters play, run after tweety birds, run, bark at the horses, etc. You never know what to expect. Littermates were happy to run and managed to place 3rd & 4th. Equally proud was

their mom who also placed 1st in the Open Gun Dog. Proud owners were pleased to accept the awards for these pups: 1st - NEVENE'S MOVIN' ON, Salmons handler; 2nd - JAGOUB'S ZYDEKOKO, Connell handler; 3rd - LIL MISS ISABELL, Marlatt handler; 4th - DOUBLE O'S GEE WHIZ, Roger Obrecht handler.

The Open Derby was judged by Kevin Remmers and Steve McClure. They decided the best that particular day was 1st - SNIKSOH SALLY, Burchett handler; 2nd - TRU'S POISE N IVY, Burchett handler; 3rd - JER & AMES SWEETWATER EXPRESS Sullivan handler; and 4th - ATTITUDES SECOND SCENARIO, Walsh, handler.

Our last stake was the Amateur All Age. We see that the 1st place dog got it done right on Sunday as he moved up to 1st place. Placers were 1st - OAK HILL'S TIME TO BURN, Lewandowski, handler; 2nd - PK'S BLUESMAN JAGOUB, Jagielski, handler; 3rd and 4th went to that ever-popular dog - Withheld.

Thanks to everyone who attended our trial whether you were a judge, participant, observer, worker or whatever capacity you fall into. We appreciate everyone who came. The Jim Edgar Panther Creek venue is really being developed and the grounds crew and Site Superintendent are helping us make it better each time we utilize the grounds. We hope to see you next fall.

IOWA

April 3-8, 2007

The Iowa Brittany Club held its spring field trial during the week of April 3-8, 2007. A total of 27 dogs competed in the one-hour Open Gun Dog stake held Tuesday through Thursday, and another 120 entries ran during the 3-day weekend. Thanks to all the judges for their rapt attention to the dogs in weather that kept most people inside. Lows in the teens, highs in the 30s, and wind chills of single digits made for some uncomfortable riding. The weather seemed to affect people more than dogs, however, as the judges all said they saw some excellent dog work during the trial.

Congratulations to Kenny Seivert, whose dog AFC KINWASHKLY DAKOTA MOLESTER, finished his FC by winning the OAA stake. Three dogs finished their AFC at this trial: DC SOVEREIGN'S WHO'S YA DADDY (owned by Dawn & Joe Droel), FC TJ'S THUNDER, (owned by Ed Tillson), and FC WRIGLEY'S FIRST DANCE (owned by Gil and Jane Hopper).

Finally, a big thanks to all who helped make this another successful trial. See you again this fall.

NEBRASKA

**Branched Oak, Raymond, NE
April 13-19, 2007**

The Nebraska Brittany Club held its Spring Field Trial on April 13-19, 2007 at Branched Oak in Raymond, NE. It was a beautiful week to run dogs. The weather was ideal, considering the weekend before everyone was dealing with snow. We had a total of 142 entries to run on the weekend and 40 to run in the Nebraska Brittany Championship which started on Monday.

The trial was a success due to the excellent help of our members. Thank you to all of you who worked so hard.

Special thanks goes to Jim Smith, a representative for Purina, who came to ride a couple of days of our Championship. We greatly appreciate their interest and generosity. Jim Morehouse, a consultant with Tri-Tronics, also gave gift certificates to the winner and the runner up.

We would also like to thank the many people who continue to support our trial with their entries. The professional trainers: Bob Burchett, Ed Tillson, David Downing, Jim John, Jimmy Berneathy, Scott Johnson, Ben Garcia and Al Gorrow. It is really hard not to have conflicts with this many pros in one trial but we always manage with their help. Last but not least we thank all the amateurs who support us. I would like to congratulate all the winners.

NORTHERN CALIFORNIA

Clear Creek Sports Club

Corning, CA

March 31-April 1, 2007

Beautiful spring weather, complete with the season's first California wildflowers, welcomed trialers to another great weekend at the Clear Creek Sports Club in Corning, California. The conditions were near perfect as 105 starters broke away on three different courses offering cover strips, tree lines, cool ponds, and plenty of tall spring grasses. The western hospitality was well received with hot lunches served daily, evening social hours, and a savory tri-tip barbecue cooked to perfection by Bill Landress. Northern California Brittany Club is growing in leaps and bounds with new members jumping in to volunteer to put on a very successful event. The highlight of our weekend came at the conclusion of the official trial as five junior field trialers aged 13-17 competed in a handling stake. Judges Jan Schmoltd and Gene Salmons awarded the first through fourth place ribbons to those juniors who had the proper equipment, showed attentiveness to their dog, and exhibited the most positive attitude and enthusiasm for the sport. Hats off to our winners in order of placement: KASARAH COYLE, KEVIN GREEN, JUSTIN URRUTIA, ASHLEY VITELLARO, and AUSTIN METZ. The future of our sport is depending on you!

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

THE AMERICAN BRITTANY CLUB, INC. is a member club of the American Kennel Club and is the recognized breed sponsor by the American Field.

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

BECOMING A MEMBER: Full membership in one of the Regional Clubs carries an automatic membership in the American Brittany Club. Full Membership cost is \$30.00 per year and \$3.00 per year for each Associate Member. Regional Clubs may charge higher dues. You may apply to join the Regional Club located nearest to you, or if there is none in your area, you may become a Member-at-Large of the American Brittany Club. Joining a Regional Club will afford you with the most opportunities for interaction with other Brittany owners.

GIVE A GIFT MEMBERSHIP: We are asking members to give a gift membership to a puppy purchaser, a friend or acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

Performance

Uninterrupted

It's no secret you'll pay more for Tri-Tronics. But ask avid hunters and winning handlers why they're willing to spend more on Tri-Tronics and they'll tell you ...

... superior performance.
