Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Brittanys...

This column originally appeared in the January 2008 issue of the AKC Gazette and is reprinted with permission. This Breed Column is written by Dorothy Macdonald.

BRITTANYS TODAY

I really think that my pet dislike in a Brittany is an overangulated rear: By this, I mean a rear so angulated that it puts the hock joint far behind the dog. This is useless for a hunting dog. Good angulation is one thing – and very useful to a bird dog – but an extreme rear that is out of balance with the front is nothing but trouble. Balance is the most important characteristic for a good bird dog – and for a good Brittany. Perfect balance creates the best bird dogs. Of course, the desire to hunt is also very important, although I've never met a Brittany who didn't want to hunt. Heart and desire are also most important. After that, good structure is very important, although on its own it's not enough to make a great bird dog.

If you just follow the Brittany breed standard, you can't go too far wrong. It calls for 90-degree front angulation and well – bent stifles, although it cautions against allowing too much rear angulation that would place the hock joint far out behind the dog.

And since we have started looking at the standard, let's address a few other relevant points.

First, the feet: While a dog can run on flat or "paper" feet, they're not an asset. Good, tight, thick feet (a cross between a hare foot and a cat foot) are ideal, and certainly easier on the

dog. I see more thin or splayed feet than I would like.

Square shape, a good length of rib cage, and a short loin are also of great importance. The Brittany standard does a good job of emphasizing agility, ruggedness, and energy. While the majority of Brittany breeders give great care and thought to the true hunting Brittany when making breeding decisions, it's important to remember that any carelessness or deviation from these ideals results in less-than-ideal Brittany bird dogs.

Nose to the tail, I believe Brittanys are in pretty good shape. Noses are generally good and have correct, open nostrils. Tails, while they tend to get high, are not over 12 o'clock. Coats are also in good shape: We do not see long or profuse feathering – an anathema to a working animal.

In the field, the only questionable area is size. A few are too tall, but this is a relatively small proportion of our dogs, and I would very much dislike for us to have to start measuring our dogs before allowing them to run at the national. There is far too much time and work put into developing a great field dog to put him out of the running because he ends up a fraction too tall. Also, measuring can be very erratic and provides very little guarantee of correctness or real accuracy.

All told, our Brittanys are in good shape. Let's all work to keep them that way – the very best of dual champions.

- Reflections -

Summer brings about an influx of Bench Shows. Field trial dogs have a little rest from the field in June and early July prior to the beginning of trips to summer camp in Canada or the Northern parts of the USA. During this time, we see increased entries of our field trial dogs in the show ring. It has been rewarding the last few days to read of the new Champions and Dual Champions within the Brittany community and to read the article published in the Canine Chronicle giving praise to the Brittany folks for *Preserving The Standard* for our breed. As a result, the following article by S. Allen Truex, M.D. in a 1955's magazine caught my attention.

Dr. Truex presents a good case for breeders and owners always looking to The Standard to preserve our Dual Dogs. He does point out that, "Not every dog should be expected to do it all," and "Not every owner will train a

dog to do it all" but that we all need to be working toward the same goal. Over the years, I have found this to be an ongoing and important concept in the Brittany world that has made us the # 1 producer of Dual Champions in the AKC world. We need to always respect the fact that not all field trialers will enter their dogs in conformation events nor will all show folks enter their dogs in field trials, but we all need to be looking to The Standard to preserve what our forefathers developed into making the Brittany the greatest Dual Dog of all times and continue to be respectful of whatever venue one uses to enhance the life of the Brittany and its owners whether it be hunting, trialing, showing, agility, obedience, rally or any other of the many uses of this many faceted breed.

Is the Brittany A Dual-Purpose Dog?

(Reprinted from *The American Brittany*,

Vol. 6, No. 11, June 1955)

Guest Editorial

By S. Allen Truex, M.D.

My original interest in the Brittany Spaniel developed from an impression that they could do more things easier and quicker (with less training!) than any other breed. This early impression has proven to be a fact. During the post-war years we have enjoyed many a meal of quail, duck, goose, rabbit and dove, all secured with the help of the Brittany. One Brittany has become such an excellent guard dog for the children, that Barbara and I do not even enter their room at night without first calling the dog.

Whenever Brittany people gather, the discussion invariably includes "dual purpose dogs." The dictionary states that dual is, an adjective meaning, "composed or consisting of two parts; twofold." Then the dual purpose dog is one that is proficient at two different things. We are now the proud owners of the greatest "dual champion" of all times – she can eat more and sleep more than anything on four legs! However, this is not the twofold purpose we usually desire. Rather it is that the dog has the ability to perform well and also looks good. The dog's general appearance should appeal to the owner's eye for canine beauty. Not many of us would desire a sway back, bowlegged dog. Neither would the hunter knowingly purchase a blinking, trailing or gun shy dog. So the dual dog we desire is one that looks good, or has the proper conformation, and can also do a creditable job in any type of field work for which we wish to train him.

In order to test these two phases, different types of trials were devised. To test the dogs' hunting ability, put

him in the field and let him show what he can do. When field trials were originally started in this country, two dogs were run together and a winner selected. Then the next two were run and a winner selected. The winners were then placed against each other until eventually one dog emerged victorious. From this beginning our present field trial methods have developed.

Breeders soon noticed that the winners of these trials had many characteristics in common. Open nostrils were necessary for adequate inhalation. The chest should be large enough to permit the ventilation running demands but not so large that it interferes with movement of the forelegs. Well angulated hind legs aided propulsion. Naturally the breeding programs would then be directed toward the development of these desirable traits. These include both physical and mental characteristics. As the breed developed, only those animals that fulfilled the desired requirements would be used to propagate the species. Thus the breed becomes a pure breed – one that will reproduce its own kind. Soon some industrious individual undertook the gigantic task of putting in print these desirable features and after much discussion, correction and re-correction, a standard was developed. Now neophyte breeders can by simply reading a few pages, profit from the experiences of many breeders over a period of many decades.

How many breeders take the opposite view point in regard to this standard. If their dog doesn't shine brightly under the light of this standard, then the standard is wrong. How much better it would be if we re-validated our own attitude to accept and use the standard as a guide and aid rather than piece of paper on which we may hurl our criticisms. If each Brittany breeder and owner, realizing how our standard originated, would use this standard as desirable goal,

then two very pleasant results would immediately occur.

First, our bench shows would be filled with Brittany's. The owner would welcome the opportunity to officially compare his dog's characteristics with those of other dogs. In this way the owner will increase his knowledge of the breed and his broadened outlook will materially aid in his future breeding and purchases. Nothing could be more disastrous to the individual and the breed as those results obtained by the breeder who has that narrow "one dog" outlook; i.e., "since this dog points, all other dogs should be like him."

The second desirable result would be the elimination once and for all times of this ridiculous talk about "bench type" and "field type" dogs. These only exist in the mind of those owners whose dog competes in only one type of trial. If the dog cannot compete in both field and bench trials that does not mean he is a "field type" or "bench type." It means that somewhere along the way the breeding program has fallen down and the standard has been lost sight of. Let the breeder go back and instill more hunting instinct into the line of statue models or more conformation in those hard hitting, hard punching hunting dogs. It can be done without sacrificing the conformation or without sacrificing the hunting instinct. The result – a more nearly perfect Brittany – a truly dual purpose breed – a breed of puppies that any breeder can sell with the guarantee – show him in any bench show – he'll stand up with the best of them; or put him in any field trial, he'll give a hunt worth watching!

Not every dog should be expected to "do it all." Not

every owner will train a dog to do it all. But in the breeding program the potential dual-purpose ability should be there to be developed and trained according to the interests of the owner. The Brittany owner and breeder should forget the terms "bench type" and "field type", remembering there is only one standard, and work toward that goal – a perfect Brittany,

How do we know whether we are attaining that goal? By entering in competition – bench competition and field competition with other dogs whose breeders and owners are working toward the same goal. Only by taking advantage of every opportunity to compare, to compete, to obtain new impressions, new criticism from new and different judges, can we continue to grow and to improve. Only by taking advantage of the opportunity to look at our dog through the eyes of several impartial judges can we see that dog as it really is. In that way we crystallize our standard and keep the goal clearly in sight.

The bench show judge can only judge those dogs shown. Perhaps the judge would prefer a more *leggy* dog than the one he placed first, but there was none in the ring. Don't mark the judge as an individual who prefers short, cobby dog. Be fair – give him a chance by entering the dogs that you think should place. Remember, the owners and breeders determine the course a breed will take – not the judges of field or bench. We have one standard – one breed. Let's keep it that way by entering the same dogs in both bench and field competition, proving to one and all the dual abilities of the Brittany Spaniel.

SUBMISSION OF AGENDA ITEMS

DEADLINE FOR AGENDA ITEMS: SEPTEMBER 15, 2008

All Agenda Items, officer and committee reports for the ABC Board Meeting to be conducted at the AA National Championships in Booneville, AR, must be submitted by September 15, 2008, to be included in the Agenda Book and put up for consideration at the meeting as per policy book stipulations. Early submission allows us to put the topics for consideration on the website and to get books to the Directors in time for meaningful input from the general membership. Action items submitted late and not in writing should not be considered as they are often not well thought out causing many problems after the fact. Reports that cannot be completed such as the Treasurer's Financial Statement and Futurity Stats, may be submitted by bringing 20 copies to the meeting but any Action items from any officer or director, committee chair, etc. should be submitted by the deadline **Please include a copy of the current policy in the Policy Book along with suggested wording changes.**

Officers, Board Members, Committee Chairman, or Regional Clubs may submit agenda items. **Items from individual members must be supported by ten member signatures.**

We have always published Officer and Committee Reports in the ABC Magazine. This can be a very difficult task to accomplish since most of the reports have to be retyped. Please help us by sending your Agenda Reports in a **.doc or .rtf format** by email to: **ABC Agenda Chairman Margaret Saucerman, azbrittany@gmail.com, Phone: 520-721-4317.**

It would also expedite matters if you would also CC to: Mary Jo Trimble: trimnatchbritts@midamer.net (for compiling list for ABC Website before meeting) and **Dee Hempfield: ambritteditor@roadrunner.com** (for publication in the magazine), and **President Hank Hartnek. HankHartnek@gmail.com.** If you cannot send as a .doc or .rtf file, **Mail to: Margaret Saucerman, 963 N. Larry Place, Tucson, AZ 85710-2652.**

Your cooperation in writing your reports, meeting deadlines, sending them in .doc or .rtf formats will greatly help us have a more informed membership both before, during, and after the ABC Board Meeting.

Judging The Brittany

By: Diana Kubitz

American Brittany Club Judge's Education Coordinator

In an early article in *The American Brittany*, Vol 6, No. 11, June 1955, Dr. Allen Truex, M.D. stated:

"Whenever Brittany people gather, the discussion invariably includes "dual purpose dogs." The dictionary states that dual is, an adjective meaning, "composed or consisting of two parts; twofold." Then the dual purpose dog is one that is proficient at two different things. We are now the proud owners of the greatest "dual champion" of all times – she can eat more and sleep more than anything on four legs! However, this is not the twofold purpose we usually desire. Rather it is that the dog has the ability to perform well and also looks good. The dog's general appearance should appeal to the owner's eye for canine beauty. Not many of us would desire a sway back, bowlegged dog. Neither would the hunter knowingly purchase a blinking, trailing or gun shy dog. So the dual dog we desire is one that looks good, or has the proper conformation, and can also do a creditable job in any type of field work for which we wish to train him."

Today the discussion has not changed and when Brittany folks gather the question is still asked; "How do we keep our breed dual?" We have more dual champions than any other breed and we would like it to stay that way.

In September of 2007 I submitted my yearly report to the American Brittany Club's Board of Directors. In it I recommended that we tell AKC that we want judges to take our Brittany seminar at least every five years. It passed unanimously.

You might ask the reason for the recommendation and it is quite simple. Today, tomorrow and forever, The American Brittany Club wants the Brittany to be a "Dual Dog." Part of that is in the hands of the breeders who must adhere to the standard when breeding. After that it's in the hands of the judges, show and field.

In the field the dogs are asked to find birds, point them with style and as adult dogs to be "steady to wing and shot." So part of that process is in the handler's hands and is dependent on the quality of his training. The other portion is up to

the dog. If they point the bird and all is in order, the judges must then decide which of the dogs run that day should place.

Similarly in the show ring, the handler trains the dog and it's up to the dog to perform on a given day. In this article I will be discussing the standard and the show judge's responsibility in helping us keep our breed dual.

Our judge's education committee has come up with many new and innovative ways to explain what the Brittany is asked to do in the field and we would like to share this information with judges. Some of you may have received a CD in the mail asking you to watch it and give us your opinion. Hopefully many of you will be taking a seminar in the near future and will be able to see the field portions we have added to our presentation. Understanding what our dogs are asked to do in the field should make understanding the function of the dog as it applies in the ring easier.

When judging a Brittany you must never forget the "function" of the dog. It must move quickly over all types of terrain, through all types of cover in an efficient "ground covering" manner, seeking game. Every part of the Brittany standard is written with this in mind. The open nostrils to smell the game, the eyes well set to prevent eye injury in heavy cover, etc.

Too often, we see judges choosing a dog with a pretty coat over a dog with better structure and sound movement. Judges need to look past the coat color and coat condition, and look at the structure and soundness of the dog underneath. A coat can be trimmed to enhance the outline of a dog; therefore, you need to feel the dog to ensure that there is sufficient substance under the coat. Some judges see coat color, coat condition and head as "type and completely miss the dog's overall soundness and utility as opposed to simply considering how attractive the dog looks standing.

Our mantra about coat is "too little is preferable to too much." We repeat it often because we mean it. Profuse coat will never be seen in a dog that is worked in the field, because it would require

hours of grooming to pick out burrs and other debris. On the flip side, a Brittany should not be over groomed with a scissored outline, back-brushed legs, or a coat full of product.

Brittanys may not always show enthusiasm at a show, finding birds and playing with the family is more fun, but they should NEVER be timid or mean. A bird dog, while it can be gentle, must be bold and sound in mind and body.

Shoulders should be sloping and set correctly. Today we see straight shoulders set too far forward. It makes for a pretty Topline, but it is not correct. Similarly we are seeing feet too flat. We've come up with new ways to make comparisons with good and bad examples in our newest presentation for judges.

Our standard emphasizes side movement and the ability of the dog to cover ground efficiently; it does not mean that the down and back movement can be discarded. We are concerned because we see far too many hackney gaits or "flipping fronts" (caused by too short an upper arm), being put up over sounds dogs with proper movement. Our standard calls for "reach and drive." Reach is when the front foot moves well forward, not up. The upward motion is not efficient in the field and will even cause injury to the dog in some cases. At the very least the dog will not show the stamina a dog with correct movement will exhibit. We are looking for a well balanced dog that moves well. When you find that, you will find the "type" we look for in the Brittany world.

A friend and mentor of mine was a Standard Poodle breeder. Every time I visited her she would be "roading" her Poodles from her bicycle. One day I asked her why. She explained that conditioning was part of conformation and that no dog in the ring should be overweight or move with a rolling gait. She went further to say that since I owned a sporting dog, conditioning was even more important. Every time I see an overweight Brittany whose sides roll as they move, I cringe. I know the handler didn't do their homework and their dog is not in proper condition to show and could not perform the breed's function as it was meant to do. Judges please don't reward this lack of condition.

I would be remiss if I didn't make some mention of size. If you find a sound dog with good movement in your ring and you think it might be too small

or too tall, please measure it. Our standard for males and females is the same - 17½" to 20½". Far too many judges decide a dog is too big and do not use it. Again, please measure.

Brittanys come in a variety of colors, orange and white, liver and white, orange roan, liver roan and tri-color. No black is acceptable in nose or coat. Tri colors are acceptable, but **not** preferable. A Tri must exhibit classic orange markings specifically described in the standard; no less and no more. If you find a mis-marked Tri, you need to make a reference in your judges book that it is mis-marked and please do not use it.

Again Dr. Truex says: "So the dual dog we desire is one that looks good, or has the proper conformation, and can also do a creditable job in any type of field work for which we wish to train him." They may be asked to do that for six hours, 30 minutes, or anything in between.

I have only touched on a few examples of things we have tried to clarify in our new judge's education presentation. We look forward to meeting you and getting your opinions on what we have done. A judge's education program is always a work in progress for any breed, but technology has enabled us to do things not possible before. We look forward to many more improvements in the future, hence the "every five years" request. We'll try to make that as easy as possible for judges. Whenever we are asked to present at a judge's institute or do a presentation anywhere, we answer a resounding YES!

If you need information on finding a Brittany seminar, workshop or mentor, or would like a Brittany presentation done for your group, please contact me at (269) 962-2363 or renegade@voyager.net. Thank you for doing your part in keeping the Brittany "forever a dual dog."

A Field Trial Special

By Larry Bates

Oliver Harris walked through the door and strolled to the bar. He put his hand on the shoulder of his good friend Bud Rivers. Pulling up a stool, he called down the bar for a Field Trial Special. "Give me another too," Bud added. For years, they had enjoyed a Field Trial Special, while out to dinner on Saturday nights, traveling together on the weekend trial circuit. The bartender knew what they wanted, a glass of beer and a Bloody Mary.

The tradition had started years ago at their first summer camp in the Sand Hills, near Valentine, Nebraska. Saturday nights in Valentine were like stepping back into the past of an old western town with smoke filled bars full of cowboys and ranchers decked out in their finest with jewel studded flaps over their shirt pockets and big, shiny belt buckles, their hair all slicked back. You could see a line across their foreheads, the top as white as a baby's bottom and the face as bronze as the great Sitting Bull. This was the first time the boys had seen beer and tomato juice poured together in the same glass. The natives called them Red Draws and they were a local favorite.

The next fall, at a first trial in Michigan, they ordered Red Draws at the local restaurant. Their friends were skeptical but the boys assured them that beer and tomato juice tasted great together. The waitress had never heard of Red Draws. Something got lost in the translation and she brought them beers and Bloody Marys in separate glasses. Rather than make a fuss, they drank them. They decided they liked that better and a tradition had begun. They called them Field Trial Specials.

"Here you go boys." The bartender delivered their drinks. He didn't know bird dogs, he didn't understand field trialing but he was a good businessman. He knew his customers and he knew Ollie and Bud came in during the week after a good trial and celebrated victories with a Field Trial Special. He'd usually ask about the weekend but he could tell from the looks on their faces that this was a different kind of celebration. He moved off down the bar to fill an empty glass.

"Here's to the good ones and all those like them."

"Here's to the best one I'll ever have."

That morning, Bud had paced off the right number of steps from the kennel fence. He cut the sod into squares and laid it to the side, piling the rich, black soil next to it. He took care to shave the sides and trim the corners.

"You know Ollie, I think I'm getting old. Doc is buried about a foot higher than his sister."

They both sat quietly, knowing that if they tried to speak, their voices would betray them. They thought about Doc and all the other dogs that had past on before him. It never gets easy to say goodbye to a bird dog, a best friend whose death will well up the tears in the eyes of even the toughest.

After awhile, composure returned and they told stories of Doc's exploits on the field trial circuit, of his days as a pup and of the challenge of hunting with him in later years when his hearing had gone. Bud and Ollie usually limited themselves to one Field Trial Special and then they would walk over to the town square where they would find a park bench and spin yarns until it was safe to drive home. Tonight, they might have to sit a little longer.

At the park, the boys laughed about an old argument

they got into over Ollie's scouting for Doc. It was a trial in Indiana, on an over and back course. Bud had Doc running forward down a fire lane, which paralleled a gravel road. Doc had two nice finds on the card and all that was needed was a strong finish. Bud sent Ollie out with the instructions to "keep an eye on the road." Of course, Ollie knew what that meant. Bud wanted to see Doc cross far to the front, right at pick up and he wanted Ollie to make sure it happened. Bud kept riding forward but there was no Doc. "That's time," yelled one of the judges. Bud called for Doc, expecting to hear point called by Ollie. No Doc, no point. Finally, Doc came around the corner from the fire lane and sallied up to Bud for a less than stellar finish to an otherwise great performance. Ollie showed up after the judges had left and Bud was not very happy. "If I had a better scout, that dog would have come out across the front, long before I got there with the judges."

"I had to wait for him to finish eating the bird!"

Bud gave Ollie a dirty look. "That was probably a bird that your dog killed in the last brace."

Ollie shouted back with sarcasm, "Well, excuse me. If I had a better scout, he would have gotten his lazy rear end out of the saddle and picked the dead bird up. But he probably forgot that he had to run a dog in the next brace coming back." Ollie rode off to the parking lot with Bud and Doc walking behind. They tied their horses on opposite sides of the trailer and avoided each other for the rest of the afternoon. Doc didn't win the stake but he did place and Bud patched things up with Ollie. He bought him dinner on the ride home.

The two old friends sat on the park bench enjoying the cool, fall evening. A gentle breeze crackled the changing leaves. The chill in the air meant that the woodcock would soon come through. The trial season would give way to thoughts of double guns and garlic scented quail breasts, sauted in olive oil. Doc wouldn't be there this year, riding in the cab of the pick up but he'd be there in spirit. And his burning desire to find birds would be there, in the blood racing through the veins of his offspring.

There was a long pause in the conversation and then Bud asked, "You think that stuff about a Rainbow Bridge is true?"

"I don't know. It sure helps to think that all our old buddies are up there, chasing birds all over the place, doesn't it?"

"I suppose it does but you know what Doc will do. He'll break himself up there just like he did down here. He'll chase them until he realizes he can't catch them and then he'll go and point them. The bad thing is, I won't be there to flush them for him."

"I guess he'll just have to wait till you get there. Might be his longest point."

"Hey, I've been hanging around with you too long. I'll probably never get there?"

"Oh, you'll get there. They won't want you in the other place. You'd cause too much trouble"

"Well, I hope you're right Ollie, but promise me this. If you get there before I do, go flush those birds for him and when I join you little buddy, we'll celebrate the longest point in history with a couple of Field Trial Specials."

KENNEL CLUB™

To: All Pointing Breed Clubs

Subject: **NEW PEOPLE – NEW OPPORTUNITIES**

Pointing breed field events are some of the oldest sporting dog activities in the United States. However, there are long-term social trends that are making the time spent with our hunting companions in the field an unfamiliar activity to a growing percentage of the population. It is becoming increasingly common for new field event participants to not have been involved in actual hunting activities. Their interest is usually driven by consideration for their dog – they feel it should be allowed to participate in the activity it was bred to do. This is a very positive motivation; however, the transition into the sport can be difficult given the new owners' background.

All new participants need a helping hand to get started and this will become even more the case in the future. Good old fashion club fun days can help a new person become familiar with the general routine of field events. The next logical step is participation in the Hunting Test program. A field trial club that does not hold hunting tests should consider becoming licensed for these events. Field trials can be a bit intimidating due to the difficulty of observing the action and the presence of horses. Walking field trials, or walking stakes at horseback trials, can serve to ease the transition into the sport. A recent analysis showed 40% of the field trials in the Northeast include AWP / AWD stakes, while only 11% of the field trials on the West Coast hold these stakes.

The Juniors Program is designed to increase involvement of young people (ages 9 to 18). The Pointing Breed Hunting Test Regulations were recently modified to allow dogs with Master or Senior Hunter titles to enter the Junior Hunter level if they are handled by a junior handler. For more on the Juniors Program, contact Lisa Carroll, Manager of Performance Events, at LAC@akc.org.

New participation is required in order for pointing breed field events to remain strong over the long run. Please consider what your club can do to ease the transition for new participants.

Sincerely,

Doug Ljungren

AMERICAN FIELD/ABC/AKC CLASSIC/CHAMPIONSHIPS

These events must first be put on the list of ABC/AF/AKC Classics by the ABC Board of Directors. Clubs or Associations should have their dates approved by the Regional Dates Coordinator in order to be put on the ABC Dates Calendar

The current list includes: The Illinois Championships, The International Championships, The Prairie State Championships, The Michigan Championships, The Mid-South Championships, The Southern Open Brittany Championships, The New England Brittany Open Shooting Dog Championship, and The New England Brittany Grouse Woodcock Championship.

Please consult Guidelines for Hosting Regional Classic at <http://clubs.akc.org/brit/forms/> Premium Lists should also be sent to the ABC Webmaster Steve Ralph at blazin@pro-ns.net to be placed on the ABC Website.

HUNT TESTS

At this time, ABC approval is not necessary for hosting Hunt Tests. You should apply directly to AKC. After the event, copy the AKC Hunt Test Result forms and send a copy to ABC as well as AKC. Follow AKC guidelines on the Secretary's page for AKC fees. Send ABC Secretary \$2.00 per starter in each event along with the result forms. Please use white paper to record your results as blue forms do not scan or reproduce well enough to send to statisticians. Be sure to send AKC a premium at time of distribution to avoid a fine. Send the ABC Secretary a Premium at the time of distribution. These may be emailed. Premium Lists should also be sent to the ABC Webmaster Steve Ralph at blazin@pro-ns.net to be placed on the ABC Website.

SPECIALTY SHOWS

At AKC's request, ABC grants Blanket Approval for all ABC Regional Specialty Shows unless the Club is in arrears for fees or fines for other events. Make your application directly to AKC.

Please copy your Specialty Catalogue with marked winners and send to ABC along with \$2 per starter. If you wish to type the results, please email to ABC Secretary and mail check. Please note how many entries were in each class if you type results. No fees are charged for Sweeps as they do not carry AKC Championship points. This should be postmarked within ten (10) days after the event. Results must reach AKC within seven (7) days. Consult your AKC reporting form for AKC fees.

"Good Luck"

By Jeff Steele

Sportsmanlike handlers will say "Good Luck" to their fellow competitor. This is sometimes sincere and sometimes a matter of courtesy and sometimes out of habit.

What does good luck really mean?

To win you have to have a very good dog out of very good breeding.

The dog has to have had the socialization and care in its early stages of development.

The trainer had to know how to do to develop and train the dog.

Or, the owner has to find a good trainer to develop the dog and be willing to pay the price.

No matter the trainer, amateur or pro, the dog needs hundreds of hours of *productive* training.

The dog has to be physically and mentally conditioned.

The dog had to be exposed to all the variables and environmental conditions it would be exposed to in competition.

The handler has to be as much on top of his/her game as the dog(s) they are handling.

The judges have to see the competitor as they would like to see one and judge by the standards as written.

In many cases the dog and handler needs a good knowledgeable scout that can ride a horse with the best of them and know the dog's habits.

The birds have to be in the right places, e.g. where dogs would normally look for birds. In other words, the bird releaser/planter needs to know his/her job or the luck of wild bird Gods have to be with you.

Weather conditions have to be favorable along with time of day. Luck of the draw is very important.

The brace mate's influence can be mighty important or lack of a brace mate.

The competing handler and/or scout are sportsmen.

The grounds are compatible to the dog.

The handler's and scout's horses are cooperative. The foot handler is up to the task.

Lady Luck shines upon the event.

Your dog has to be better than the other good dogs on that given day.

Good luck!

2008 American Brittany Club Mid-South Classic/Championships

January 12-17, 2008 • Outland Rand – Broughton, IL

TRACKER®

(Editors Note: The photos/results are on page 32 of the June 2008 Issue. This report starts on page 18 of the July 2008 Issue.)

Continued from the July Issue.

MID-SOUTH DERBY CLASSIC

The Derby Classic started immediately at the finish of the Amateur All Age so as to utilize as much of the course as possible and to save deadheading back to camp. Ray Trimble of Cartersville, Ill. filled in for the advertised judge, Jim Chase, and joined Rob Richter of Harvard, Ill. to watch and evaluate 12 fine derby entries. PROMISCUOUS (Rings) owned by Mary Kay Hardy of Chelsea, AL and handled by Al Gorrow from Broughton, IL ran in the last brace of the day and came away the winner. She put down a solid performance and demonstrated a great deal of maturity in handling her birds. SASQUATSCH BUD, also handled by Al Gorrow garnered 2nd place with Bud's owner's husband, Bill Burton, in the gallery. We were sorry Lynette was not able to make the trip from Western Missouri to watch. Greg Roe from Chicago, IL handled his young charge, RANGE WEST'S AINT EZ TO FOOL, to a 3rd place finish. This was Greg's first American Field Championship event to attend and I'm sure we will see much more of him in the years to come.

ABC MID-SOUTH OPEN ALL AGE CLASSIC

Rhett Burris from Newman, IL and Stan Williamson from Longview, IL officiated at this years Open All Age Classic. They were extremely attentive throughout the competition and their decision was well received. Paul & Lisa Pollock came from Medford, NJ to watch Tom Tracy guide their LINVEL'S ACE OF DIAMONDS to victory. Veteran amateur, Ray Trimble of Cartersville, IL, ran BRISCO'S MR. STUB and earned second place. Third place went to last year's ABC National All Age Champion LANE'S END WE-BE CLEAN, owned by Judy & Tom Robin. Wade Haines came from Pataskala, OH, help scout his young dog SHAMROCK'S SIRIUS to a fourth place win. Both dogs were run by Chad Holman of Whittington, IL.

Brace 1) JENNY TWO SHOES MARJOS (Tom Tracy) came in season, thus moving RU-JEM'S STOP N WATCH (Jerry McGee) up from a later bye brace. Uplands Acres Prairie DuChain (Tom Burroughs) and "Quill" broke away at 8 a.m. Tuesday morning under sunny skies. After about 40 minutes, Jerry picked up Quill who had several extended deer chases. Tom lost Shane before making the first loop and was not returned to judgement.

Brace 2) RC'S RUFF RANGER (Rob Richter) and ACE'S PATCHWORK (Chad Holman) broke away about 9:15 just beyond Persimmon Valley. 7 minutes into the brace, Patch took off after two deer. As one of the buck's turned back, Chad was able to corral Patch and put him back on the wagon. Ranger was not pleasing Rob and he elected to pick up at 35.

Brace 3) SUNRISE DOT COM (Tom Tracy) and PERFECT TIMING (Chad Holman) put down at 10:12 a.m. Both dogs broke away strong and to the front. By the time we got to the oil well, Chad was unable to produce "Ty" and Tom elected to pick up "Bill" before the deer could lure him off course.

Brace 4) AJAX DIAMOND DYNA-MITE (Tom Robin) – ORTHO ACRES BOOKER T (Tom Tracy). Sunny skies continued to bless the gallery as this brace broke away at 1:00 p.m. Once again, the deer were too much for Booker and Tracy picked up Booker at 30. Dyna established point at 45 in a feed strip, but Tom was unable to produce a bird. She shortened up considerably the last five minutes of the hour which ended at the Persimmon Valley sign.

Brace 5) KT'S ARTIC GLADIATOR (Chad Holman) and RAMBLIN MAN (Al Gorrow) broke away at 2:20. Both dogs had trouble navigating the course and were picked up at 2:35.

Brace 6) THE ROCK II (Tom Tracy) and TRADEMARK'S ATM (Chad Holman). Given the deer population, Chad elected to scratch "Cash" and Tom ran Rock as a bye. Rock was not pleasing his handler and was picked up early. At the end of the day, no birds were seen at all and everyone was looking forward to a better day tomorrow.

Brace 7) HARLING'S BRETON SMITH (Chad Holman), HI PROOF WHIZKI (Al Gorrow). The first brace Wednesday morning provided us with our first covey find, unfortunately the gallery rode it up. Whiz had not been seen for about 12 minutes. Brett was to the front. At 45, Brett went on point in a likely spot on the right hand side of a wheat field. On a relocation, Brett established point again, but Chad was not able to produce a bird and was back on his horse empty handed in the meantime, Whiz made an appearance at the park but was then gone again for another 20 minutes. Brett was also lost as Chad elected to take out the tracker to end the brace.

Brace 8) Tom Tracy decided to scratch DAKOTA ALLEY CAT and owner Jim Chase

ran GAMBLER'S GOOD DEAL as Chad was still out looking for Brett. "Billie" was lost at 10 to bring this brace to an early end.

Brace 9) Al Gorrow elected to scratch BUFORD'S BADA BING as Tom Tracy ran LINVEL'S ACE OF DIAMONDS as a bye. Ace ran a nice all age race, staying out front as we dropped through the bottoms. As the course swung around to the left, the judge saw Ace on point at the edge of the open field to the right just a few minutes before the hour was up. Tom flushed a single quail with all in order. The dog was released at time, ending the third brace of the day.

Brace 10) GRAND JUNCTION JAKE (Chad Holman) and EARLY TIMES (Tom Tracy). "Earl" picked up a deer right off of breakaway as Tom took off to the left after him. Jake was to the front at a moderate rate. Earl came back in and established point in a small woods. Tom came in but was unable to produce a bird. We were 37 minutes into the brace as we approached Mr. Fornear's house with Chad at least 10 minutes ahead of the reporter. At the end of the brace, the judge reported that Jake had a find and a nonproductive finishing to the front.

Brace 11) SHAMROCK'S SIRIUS (Chad Holman), CLYDE'S MICRO-BREEZE (Tom Tracy). Breaking away at 1:15, "Sy" established point at 1:26 at the top of the open field on course 1. Chad was unable to produce a bird and sent his charge on. Meanwhile, "Mike" established point at the other end of the woods close to where Sy had pointed earlier. With a relocation, Tom could not produce a bird either. Both dogs continued strong to the front with Sy having a successful find at 55.

Brace 12) BRISCO'S MR. STUB (Ray Trimble) and RU-JEM'S A TOUCH OF BOURBON (Jerry McGee). Stub made a nice cast to the left of the breakaway and was rewarded with a covey find in a briar patch close to a feeder. As we approached Sycamore Valley, deer were spotted at the top of the hill. "Chug" was seen standing as he resisted the urge to follow them. Both dogs moved through the woods and continued to put down a solid race. At time, Jerry was hoping to find Chug on point but to no avail. Stub rimmed the bottom field and was still going strong at the end of the hour.

Brace 13) RU-JEM'S DIAMOND JIM (Jerry McGee) and THE FARMSIDE'S KID AMEE (Al Gorrow). As we approached the oil well, both dogs were running strong on the tree line to the left. At 14, as we came through the woods, "Jem" was pointing to the left with Ameer backing. As the handlers approached, Jem took a few steps, Ameer followed suit. Birds went up in the air with both dogs in hot pursuit, thus sending the gallery back to the barn for the day.

Brace 14) LANE'S END BOWTIE BLACKIE (Tom Robin) and TRUCKERS WILD RIDE (Ray Trimble). Thursday morning brought a light snow cover with temperatures around 30 degrees. Ground fog caused a slight delay. When we finally started, both dogs broke away confusing their handlers with Ray going with Blackie and Tom directing Rider. Blackie went on point at the tree line. Unfortunately, Rider came in and took out the birds. Blackie held for a couple of minutes, but could not resist the temptation with Tom some distance away.

Brace 15) BOUNCIN BETTY (Al Gorrow) and ODYSSEY'S ACE OF HEARTS (Chad Holman) turned loose at 9:15 at the top of the hill, eliminating the horseshoe bend. "Ace" knocked a covey of birds at the bottom of the hill, ending his run early. Betty was picked up at 48.

Brace 16) REBEL JAC'S HAMMERIN DANDY (Chad Holman) and JAKE ACRES IN DISQUISH (Al Gorrow). This brace put down at 10:48. At 12, Chad pulled out the tracker for Jac. Shortly thereafter, Al called for his tracker as well, making a very short brace.

Brace 17 on the running order was eliminated

Brace 18) COOPER'S OZARK TRAVELER (James Doherty) and TRADEMARK'S ICEMAN (Chad Holman). Both of these dogs ran a strong all age race but were not rewarded with any bird work.

Brace 19) MAXWELL'S WHITE SPIRIT (Kent Patterson) and LANE'S END WE-BE CLEAN (Chad Holman) Both dogs broke away strong. We-Be established point at the top of the ridge before Persimmon Valley, but Chad could not produce any birds. At 58, "Butch" had a nonproductive. Across the way, We-Be was also standing. After a relocation, Chad finally got birds in the air with We-Be standing tall.

Brace 20) MAXWELL'S GUNSMOKE (Kent Patterson) and SCAR'S LITTLE BEAR (Al Gorrow). The last brace of the championship ended in twenty minutes as both dogs had extended periods of absences and the handlers elected to pick up while they were in site.

Brittany Senior Retreat

Older Brittanys Deserve Dignity

We don't feel like we need to save them all!

We may want to save them all, but we know that some dogs have health problems or temperament problems that make it impossible for us to take them.

There aren't enough foster homes for the ones who deserve help.

Often we even have to let young, healthy dogs go because we don't have room. So if we find out about 3 dogs, but only 2 spaces are available, we have to take the ones who will be placed more quickly; opening a foster space for the next dog.

Too many times, it's the older dogs who lose out!

If you've ever had the pleasure of living with an older Brittany, you know what a joy they can be. Our dogs often live to be 15 years old. Many of them enjoy good health and a joy of life for years after they turn 8. And their "puppy smarts" have become the wisdom of age.

Help us create a special place for these special Brittanys

Help us build the ABR Senior Retreat, a place where up to 20 Brittanys aged 8 and older can come to for safety and comfort when there's no other place for them. When their owners have died, or they've been given up only because of their age, we want a place where they can be safe while they look for a permanent

home of their own. Many of them will be able to take Therapy Dog training. Some may spend the rest of their days at the Retreat. When it's time, we'll help them pass peacefully and feeling loved. But many of them will find new homes where they will enhance the lives of their new families. For more information go to

www.AmericanBrittanyRescue.org or call **1-866-274-8911** (toll free)

In Memoriam

Dean A. Brinkmeyer, 80, of Topeka, died peacefully in his sleep on Sunday, April 27, 2008 at his home. Dean was born on March 27, 1928 in Udall, KS, the son of William F. and Verna C. Mead Brinkmeyer.

Dean graduated from Belle Plaine High School in 1946. After graduation, he joined the Army and spent one year in Japan. After spending 18 months in the Army, he attended Southwestern College in Winfield, KS where he graduated in 1952. While attending college, he worked part time at two aircraft companies in Wichita. After graduation from college, he was employed at the Winfield State Hospital in the vocational rehabilitation department before transferring to the Topeka Vocational Rehab in 1964. In 1968, he was called back to active duty where he spent 1969 at the Army EVAC Hospital in Da Nang, Vietnam. Shortly after returning from Vietnam, he went to work full time for the Kansas Army National Guard where he retired in 1990.

Dean was a member of the Brittney Clubs of Kansas since 1962. After retirement, he volunteered at the Kansas National Guard Museum. Dean married Leona E. Larkin on September 14, 1952 in Greensburg, KS. She survives. Other survivors include one daughter, Denise Filkins (David) of Frederick, MD, two granddaughters, Elizabeth and Gwendolyn Filkins, one brother, William (Shirley) Brinkmeyer of Douglass, KS, one sister, MaryEtta Moore (D. Joe) of Greeley, CO, and several nieces, nephews, great-nieces and great-nephews. Dean was preceded in death by one brother, Loren Jay and one sister, Lydia Shaw.

Tom Fife, Johnny Pappan and Lyle Johnson were very instrumental in getting Dean into the Southern Kansas Brittany Club in 1962. Also, Mike & Beth Hammon with Neosho Valley Brittany Club.

Specialty Shows

GEORGIA Perry, GA April 13, 2008

The Georgia Brittany Club held their Spring Specialty on Sunday, April 13, 2008 in Perry, GA and we received a great entry, especially since this is only our second year since obtaining our licenses back after 15 years. This year's show appeared to be the year of the *Dual Dog*, all winners were either Dual Champions or puppies from Dual Champions.

Mrs. Jinny Rojas judged our Sweepstakes and she received an entry of 14 sweeps with 13 dogs showing. Robert & Victoria Howell received a sad call on Thursday that her mother was not doing well and the family had to call in hospice. They had to return home to Florida Thursday evening, we wish you and your family all the best. Mrs. Rojas started the specialty theme of Dual Dogs by awarding her Best in Sweeps & Best of Opposite Sex in Sweeps to two puppies with Dual Champion parents. What is great to see here is that both puppies have Dual champions as a parent, which shows we are trying to get back to the dual purpose of our breed.

Mrs. Rojas had 13 nice puppies to judge and stated after the show, she was very impressed with the quality of dogs that were presented to her. Mrs. Rojas chose as Best in Sweeps a 12-15 month old male, GINJAC ILLUSION OF BROOKEWOOD (DC Triumphant's to Hot To Handle, JH x CH Brookewood's Just an Illusion). Her Best of Opposite Sex in Sweeps was a 6-9 month old bitch, AMMO'S SOME LIKE IT HOT (CH Millette's Let The Games Begin x DC Ammo's Gone With The Wind, JH).

Mr. Thomas Bradley was our Specialty judge and he received 6 Juniors and an entry of 44 dogs, of which we had 16 specials. Mr. Bradley also continued the Dual Dog theme as his winners were either Dual Champions of get from Dual Champions. Mr. Bradley judged 37 dogs and gave the following awards: Best of Breed: DC TRIUMPHANT'S TO HOT TO HANDLE, JH; Best of Winners: AMMO'S NEARLY WILD ROSE, JH; Best of Opposite Sex: DC SOVEREIGN COPLEY KISS MY CHIPS; Winners Dog: GINJAC ILLUSION OF BROOKEWOOD; Winners Bitch: AMMO'S NEARLY WILD ROSE, JH; Best Junior: KAITLYN EMILY SANCHEZ with KABINA'S DON'T EAT YELLOW SNOW

Mr. Bradley also stated he was very impressed with the quality of Brittany's presented to him as well. The weather this year was better than last year's, there were NO tornado warning at all this year.

The Georgia Brittany Club and I would like to thank all those who supported us again this year and we look forward to bigger & better specialties in the future. Don't forget our Fall Specialty which will be held Thursday evening, September 18, 2008 in conjunction with the Georgia Classic in Atlanta, GA.

2008 ABC International Brittany Gun Dog & All Age Classic/Championships

March 18-29, 2008 • Jackson Hunting Range, Jackson, OH

Submitted by Lisa Pollock

The Tri State Brittany Championship Association held it's International Open Gun Dog Classic/Championship, and Amateur and Open All Age Classics/Championships on March 18th-29th, 2008 at the Jackson Hunting Range, in Jackson, OH. The new grounds are thanks to the efforts of Sam Borst and Jim Winnen. Although they were quite primitive, the grounds turned out to be a great place to show off big running gun dogs and all-age dogs alike. After some last minute modifications to the courses, we began the Gun Dog event on Tuesday morning, judges Ed Kerr and Jerry McGee in the saddle. Of course, Mother Nature had other plans. After 3 very soggy braces, we called it a day. The forecasted rains that produced flooding conditions throughout the Ohio River Valley, forced us to cancel Wednesday's running as well. The sun came out on Thursday, and we were able to run 9 braces. The stake concluded on Monday morning.

This year's winner was HYBRITTIN'S BJ BETTY. The white and orange female is owned by Art and Judy Cohen of Glen Rock, PA and handled by Kyle Merrill. Betty ran in the first brace Thursday morning. Her big run and impeccable style on birds caught the judge's attention early on. Second place went to RICOCHET MAGGIE'S JAC, owned by Julie and Mickey Condron, and handled by Bob Burchett. Third Place went to COUNTRY ROAD'S ROUGH RIDER, owned by Karen Stout, and handled by Bob Burchett. The fourth place dog was HITS TAILOR MADE, owned by Ralph and Judy Kiracofe, and handled by Judy. The judges commented that the 3rd and 4th place dogs did an excellent job, both having to put up with Tuesday's horrible weather conditions.

The International Amateur All Age Classic began Monday afternoon, shortly after lunch. The calm, partly sunny skies of the morning gave way to stiff winds and dark clouds. Within fifteen minutes of the breakaway, a snow squall erupted making conditions difficult for dogs, handlers, and the gallery. By the time the first brace was over, so was the storm. Other than occasional strong winds, weather conditions for the rest of the stake remained dry and clear. The judges for the event were Bill VanDeeweerd and Jim Cohen. Mr. Cohen hadn't seen Brittanys run since he judged the Nationals in the early nineties. A former Brittany competitor, now running Pointers and Setters, he commented that he was pleasantly surprised how our breed has progressed.

International Open Gun Dog Classic/Championship Winners, left to right: Kyle Merrill with Winner HYBRITTIN'S BJ BETTY, Judge Ed Kerr, Marvin Stout, Ben Lorenson, Bob Burchett with third place winner COUNTRY ROAD'S ROUGH RIDER, Chris Burchett, Karen Stout, Paul Pollock, Judy Kiracofe with fourth place winner HITS TAILOR MADE, and Judge Jerry McGee.

This year's winner was the ROCK II, owned by Paul and Lisa Pollock of Medford, NJ, and handled by Paul. Rock ran a quick forward race and carded 3 stylish finds for his handler. Second place went to RU-JEMS STOP N WATCH, owned by Ruth and Jerry McGee, and handled by Jerry. The 3rd place dog was EARLY TIMES, owned by Bo and Renae Ackerman, and handled by Bo. Fourth place went to HAVAPAL RENAGADE'S BILLY BOY, owned and handled by Tommy Thomas. This was not only Tommy's first time running "Billy", but also the first time he handled in a Championship. We look to a promising future for the team.

We would like to thank professional handlers Ben Lorenson, Tom Tracy and Jim Winnen, who volunteered to help marshal and plant birds for the Amateur stake. Their efforts took some of the pressure off the club's small committee.

The Open All Age Stake began Wednesday afternoon. Partly sunny skies, and temperatures in the fifties. Three braces went to the line, and only one of the six made it around. Despite heavy rains at night, conditions during the running remained fairly

dry. Judges Stan Williamson and Bill Landress looked at many fine dogs. In the end, EARLY TIMES was named the winner. "Earl" ran Thursday morning, and after he ran, everyone knew he was the dog to beat. Second place went to multi-National Champion, JUST CALL ME ROY, owned by Tom Ettinger, and handled by Ben Lorenson. THE ROCK II, owned by Paul and Lisa Pollock, and handled by Tom Tracy was third, and ROYAL REVEREND, owned by Keith Phillips and handled by Lorenson was 4th.

The Tri-State Brittany Championship Association would like to thank Purina for their sponsorship of the events. We'd also like to thank professional trainers Bob and Chris Burchett, Ben Lorenson, Kyle Merrill, Tom Tracy and Jim Winnen for supporting the events. Special thanks to Ed Kerr and Paul Pollock, who volunteered to cook lunch everyday! Thanks to Bill and Beverly Haynes, Brian Hendrickson, and the Kentucky Brittany Club, who trucked in water, and helped with the grounds. But most of all, thanks to Jack Alexander, who was inspired by Ron Zook, to revive these events.

**Dick Cross WMA, Boydton, VA
February 22-24, 2008**

Submitted by FT Secretary Bobbie L. Sigmund

The Tidewater Brittany Club had their Spring FT this past weekend at Dick Cross WMA in Boydton, VA (South Hill). Despite the rainy and cold Friday, the rest of the weekend was cool but dry. Few of the winning and placing dogs include MAXWELL'S WHITE SPIRIT which won the Open All Age stake handled by Ben Lorensen and owned by Kent Patterson. TOBACCO ROSE was third in the Open All Age handled by Ed Kerr, and Philip Bogdanovitch earned the third with ROVANS ROCK RIDGE RT ASCENT. Ben Lorensen also handled SHADY'S KOALA T, owned by Art Cohen/Ken Cherry, to first in the Open Gun Dog. RJA'S PAWS-Z-TAC, handled by owner Bob Anders, continues his winning way in the field this season this time with a first in the Am All Age. MUSTANG SALLY VII earned a fourth handled by owner Hans Borgmann in the Am All Age stake. Lynda Zartarian handled TBF'S FIST FULL OF ACES to a first placement in the Am Gun Dog. BOOTS CHIP OF CONJUROR, handled by the Kiracofes, not only placed second in the Am Gun Dog, but also with a second in the Am All Age too. Lisa and Paul Pollock not only won with DIAMOND HILL DO IT IN DIXIE for a first, but DIAMOND HILL DANGEROUS MAN took second, and DIAMOND HILL WHISKEY GIRL a fourth all in the Open Derby Stake. ADIOS CASHIER completed the placements in the Open Derby with a third. Open Puppy was won by SIGBRIT'S LOST GEM, handled by owner Bobbie L. Sigmund. Fourth in the Open Puppy was SIGBRIT'S JUST LIKE MY MOMMA also handled by Bobbie L. Sigmund. SIMPLY BROADZILLA earned the third in the Open Puppy handled by Yvonne McKeag. And RJA'S T-STORM'S FIRE N SMOKE took the second place in the Open Puppy stake. Thanks so much to all who helped this trial run as smoothly as it did to include bird planting, getting dogs to the line, and running of the dog wagon. Big thanks to all of our judges who had the opportunity to get to look at a lot of good dogs. Hugs to Spencer Hill, our president, Ed Rudzinski for our meals, and Don Tellock who without you things would not have went so well. *Congratulations to ALL placing dogs and their handlers.*

NORTHERN OKLAHOMA Lake Murray Field Trial Grounds Ardmore, OK February 7-10, 2008

The Northern Oklahoma Brittany Club held its spring trial at the above venue the past four days. The signature stake of the spring trial is "The Dub Emde Challenge". This was the seventh running of this Amateur All Age Championship. Don Kimble and Wayne Powers, who both hail from Kansas, occupied the judicial seats this year and did a fine job. Each contestant received their undivided attention. The full write up will follow.

The open stakes were judged by Bill Burton, Mike Boydston, Jack Murphy and Bob Rankin. All of their decisions were well accepted by the contestants.

Because our club is a small one, we could not put on a trial without help from our friends. I hope I don't leave anyone out. Special thank you to Joyce Miley, Mary Felt, La Denna Murphy, Gary Smith, Wes Felt, and last but not least Rick Conner.

Thanks to everyone for coming. I hope you had a good time. See you in the fall.

Region 8 Amateur All Age Brittany Championship Dub Emde Challenge February 9-10, 2008

The Region 8 Amateur All Age Brittany Championship, "The Dub Emde Challenge", was contested the last two days. The men didn't have a chance. Two lady handlers showed us how it was done. Laura Wilder handled TC'S MATCH BOX RACER to his first championship and Jessica Carlson was at the controls for Runner Up, TEQUILA WITH A TWIST. The judges were Don Kimble and Wayne Powers. Both hail from Kansas and have handled and judged many dogs through the years.

Purina's generous support of this championship and field trialing in general is greatly appreciated. Purina's Performance dog food contains the essentials and foundation that permits a dog to perform at its peak.

The winner, TC'S MATCH BOX RACER, was the top dog in the 6th brace and emerged as the top dog of the championship. Breakaway was on Camp 2 point as the first brace after lunch was up early. Racer displayed speed and endurance during his hour. After a big forward cast, he was found by his handler at 28, standing in Bear Trap meadow. Several birds were flushed with all in order. Racer continued his forward race for the rest of the hour finishing at Manck Crossing.

TEQUILA WITH A TWIST was in the 8th brace which was the first brace of the second day. She made a big move on the way to Roscoe's Pond and carried her forward race around the course. She had a find on the right before entering Cedar Point with the birds well located and with good manners. Another find was carded in a strip of brush after the Double Motts, with a single lifting as the handler rode to her. She finished as she started, to the front.

The Rest of the Field:

TEQUILA JACK II (Rankin)/CHIEF'S NUBBIN MY LIL LADY (Kitchen). Both of these dogs had plenty of ground speed. Jack was the bigger of the two and worked his handler and scout hard. On a divided find at Briar Point, Lady broke with the shot. Jack had a second find at Cedar Point displaying great intensity.

TEJAS IRON MAX (Nakamura)/SMART EYES JOKER (Sievert). Max was erratic in his application and Joker failed to display his normal sparkle. Both were up at 45.

WINDTUCK ROCKET'S RED GLARE (Milam)/KINWASHKLY DAKOTA MOLESTER (Sievert). Rocket blasted off at 24 and was not returned to judgment. Lester had early trouble manipulating some turns but got lined out and had a good find across Lem Roberts's road at the feeder on the left. His race improved the second half of the hour.

HILL COUNTRY RUNAWAY SARGE (Mantler)/BLUERIDGE MAJOR ADVENTURE (Wilder). After sparkling races and a clean find by Major, both dogs were seen under birds ending their bids.

DANI KAHLUA (Nakamura)/KB'S SHADOW DANCER (Rea). The dogs were not pleasing their handlers and were up early, Dani at 14 and Dancer at 18.

TC'S MATCH BOX RACER (Wilder)/HANGING JAZE HOWLALEWYA AMEN (Milam). Racer was reported above. Amen failed to back timely.

TJ'S PRAIRIE BLIZZARD (Carlson)/T'KALIS FEEL THE WIND (Wilder). Breakaway was on the west side of Manck Crossing. Wind took off for the timberline across the meadow to the west, she was found standing after the course turned south 10 minutes later. Blizzard made some good moves but tired and was up at 45. Wind finished the hour on Camp 2 point.

BOUNCIN BETTY (Burton)/TEQUILA WITH A TWIST (Carlson). Betty was reported earlier. Betty had a competitive race but was not rewarded with birds.

BELLE'S BEAU MAX (Nelson)/CHEYENNE WIND DANCER (Cross). Breakaway was at the Bear Trap. Max went left and after some time was found standing but settled during the flushing attempt. Dancer had a find at Bed Springs Corner and later a non productive. She

did not please her handler and was leashed.

DAKOTA LUKE (Mantler)/TJ'S THUNDER (Rankin). Both dogs had one find and each had a back. Luke self-released on his back and Rankin later picked Thunder up.

BRETON'S GOLD RUN RUFFIAN (Carlson)/ORION'S FLOJO (Smith). Flojo turned in a workman like hour and carded two finds. Her effort was hindered by two blown pads. She was more forward of the two. Ruffian was lateral several times.

TLM COMANCHE CHIEF (Milam)/PANCHAS PRINCE EDWARD (Cross). Prince was up early. Chief had a good forward race and was responsive to his handler. He had one find.

MO DAN BELIEVER (Cross)/T&W'S DIAMOND JIM (Nakamura). Jim had a breach of manners at 17. Up until then he and his handler were in sinc. Believer was forward at good range and hunted hard but was not rewarded.

BLUEBONNET

Lee Ranch, Brownwood, TX
February 23-26, 2008

Lee Ranch near Brownwood, Texas, provided a superb setting for the Bluebonnet Brittany Club's Spring Field Trial. Late February in Texas can be freezing cold, soaking wet, horribly dry, extremely hot, and pleasantly mild. Thankfully the freezing cold and soaking wet did not happen for this trial!

Kicking off with Open Gun Dog on one course and Amateur All Age on another course, the Bluebonnet Brittany Club Spring 2008 Field Trial was off and running. The beautiful late winter day, though a bit warmer than usual, provided a nice day for running and watching dogs. Both stakes were completed on Saturday. Congratulations to Open Gun Dog winner TEQUILA'S JOKER LIGHTNING, owned by Don DeWees and handled by Ed Wild, and Amateur All Age winner ALMADEN'S RIVER OF SHADOW, owned by F.G. & Sherry Larson and Jessica Carlson and handled by Jessica Carlson.

Amateur Gun Dog, Open Derby, and Open Puppy were completed on Sunday even though it was unseasonably warm. AGD was won by BLUERIDGE BLAZEN GEM, owned by Janeene Schneider and handled by Joe Schneider. Open Derby was won by a GSP and Open Puppy was won by SNIKSOH CHOCOLATE TRUFFLE, owned by Carl & Megan Bergland and handled by Ben Garcia.

The temperature kept climbing making Monday's braces in the hour-long Open All Age difficult for man, horse, and dog. A cold front moved in overnight and Tuesday's braces benefited from much cooler weather. Congratulations to Bluebonnet Brittany Club's Open All Age rotating trophy winner T&W'S DIAMOND JIM, owned by Ed Peace and handled by Ed Wild. Extra congratulations to Ed Wild for all 3 money placements in the Open All Age.

It is notable that 3 new titles were achieved (pending AKC certification). Amateur All Age winner ALMADEN'S RIVER OF SHADOW became a Field Champion. Amateur Gun Dog winner BLUERIDGE BLAZEN GEM completed her Amateur Field Champion. Also, the Open All Age winner T&W'S DIAMOND JIM completed his Field Champion. Congratulations to owners, breeders, and handlers.

We would also like to thank the judges for their long hours in the saddle. Due to the injury the previous weekend of scheduled judge Wesley Felt, many people stepped up to help fill his judging duties while still being able to run dogs in their own stakes. Mary Karbiner, Kirk Loftin, Jan Kilpatrick, Claude Kilpatrick, Terry Maxwell, Ben Garcia, Tom Longfellow and David Downing spent hours in the saddle watching many excellent braces.

The field trial could not have been completed without the hard work of Bluebonnet Brittany Club members and friends. From the food crew of Tom and Melody Longfellow to the bird planters to the marshals to the dog wagon drivers and wranglers, many people pitched in so that we could keep the two courses running on Saturday and Sunday and finish five stakes in the two days and the hour-long Open All Age on Monday and Tuesday. The help of club members Stan Matzke (dog wagon driver and wrangler), David Downing (bird planting and marshalling), Teresa Downing (dog wagon driver and wrangler), Tom Longfellow (chef extraordinaire), Melody Longfellow (also chef extraordinaire), was greatly appreciated by field trial chairman and secretary, Ken and Kaye Moore. Thanks also to all who helped in getting birds planted and dogs to the dog wagon.

Special thanks go to the professionals who brought their talented strings to the trial. As always, we appreciate your attendance and participation in our trial. And, finally, a huge thanks to Nancy Lee for the use of her beautiful ranch and clubhouse at Lee Ranch in Brownwood, Texas.

SAN DIEGO
Camp H, Castle Butte Wells
California City, CA
February 2-3, 2008

The San Diego Brittany Club held its spring trial at Camp H, Castle Butte Wells, California City, CA on February 2-3. With 100 entries we had a nice Open Gun Dog stake of 36 dogs entered as well as larger than normal Puppy and Derby. The weather started out to be beautiful on Saturday with sunny skies and cool breezes, but with rain and strong winds Saturday night, and Sunday brought less than desirable conditions to run our dogs. Not much of a treat for our friends from Washington and Idaho that thought they had left that kind of weather at home. We would like to thank our judges for their hard work and dedication to the sport as well as all the people that helped with food preparation, bird planting, setting and maintaining the courses and the tons of behind the scene work that had to be done to put this trial on.

Hunt Tests

CALIFORNIA & SAN DIEGO

The third annual jointly sponsored hunt tests, held by the California Brittany Club and the San Diego Brittany Club, in California City in Southern California was on an exceptionally beautiful early spring in late winter weekend. There was a definite chill in the air each morning with a light breeze. The afternoons had clear skies and were unseasonably warm. Each club held their hunt test adjacent to the other club's hunt test such that testers could test at four different events on one weekend. Some could even achieve a title if all tests had qualifying scores (as several did).

A new desert location in a remote location, away from the desert off roaders proved to be a plus. Very few distractions from motor vehicles were experienced. Delicious lunches were prepared and served daily by a dedicated crew led by Heather Skopik and assisted by Amber Harder, serving up epicurean delights as was the fantastic tri-tip dinner on Saturday evening. The raspberry cheesecake was a big hit. Time around the campfire with tales to share ended a wonderful day in the high desert.

A large entry of Brittans and several other pointing breeds was well managed by the very competent judges who spent long days in the saddle: Bill & Cindy Leffingwell, Lou D'Alessandro, Donald Barker, Sabrina Arney, Leslie Troncale, Carl Babbs and Darlene Anthony. The experienced gunners, Bob Woelm and Charlie Lucitra for California BC and Justin D'Alessandro and new gunner Guy Ward were consistently on the mark throughout the two days of tests. Justin's father, Saturday's judge, Lou D'Alessandro stood in for Justin on Sunday when he became ill. Sheri Harder was assigned as HT Marshall for both clubs to keep all in good order among the galleries. The Secretary's, Linda McDonald of CBC and Laurie Blanton of SDBC completed the necessary official details in record time. The chair persons, Sheri Harder of CBC and Mary Brown of SDBC performed their duties with aplomb. Those on the HT committees were hard working and diligent in meeting the needs of such an event. Special thanks to Greg and Sabrina Arney, Rozanne Woelm, Bev Bemis, Toni Avedissian, Rocky Dennis and Myra-Dawn Ellis for their help. The dogs of course enjoyed the weekend and are looking forward to next year's repeat performance.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
