Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Brittanys...

This column originally appeared in the October 2001 issue of the AKC Gazette and is reprinted with permission. This Breed Column is written by Dorothy Macdonald.

THE UNCHANGING BRITTANY

One of the joys of our breed is its unchanging nature. The Brittany of today is the Brittany of the past. Then, now and tomorrow the Brittany is a bird dog and companion.

In 1908, Louis Lefournier, writing for *L'Eleveur*, describes the Brittanys as a "rustic dog who sets instinctively, tracks at a small gallop, is always in motion, ferrets everywhere and needs no urging." Lefournier goes on to say " [The Brittany] is very intelligent, he loves his master – his nose is good and the dog knows how to use it. One is surprised to see the results one may obtain with so small a dog. The Brittany dog, who is mostly a dog of the plains, excels in hunting the woodcock in the woods and the thickets. What may we say about his courage and endurance? He would not be a Breton if he did not have heart. He retrieves with pleasure and is an excellent retriever in the woods as well as in the marsh. When I tell you that by his very nature he is a faithful companion of his master and the friend of the children, I shall have depicted his good disposition."

This is in truth a description of the very same dog that we love and appreciate today.

Moving forward some 30 years, Col. Dommanget (the pseudonym of the noted French author Frederic) reported on a field trial in 1936 for the paper *L'Acclimatation*. He states

that in the preceding five years of the 137 prizes awarded at trials, 96 were won by the Breton. He continues: "Why have the Bretons advanced so much? Because they are put together uniquely from quality wed to quality. Because not being elegant, their right to exist consists merely in being good. Because in their standards, established after the observations of the best trailers, nothing can stop the realization of all the aptitudes of a dog... because the club, made up of people who utilize dogs, and not of lovers of furry animals, re-enacts the trials of the terrain, to let breeders know what is best."

Fast-forward to today. The Brittany is still wanted, loved and treasured for his performance in the field. Yes, we have standardized his looks somewhat, but not to the detriment of his performance. Yes, we have, in some instances, increased his range in order to handle the wideopen spaces that some of us hunt, but not to the detriment of his bird sense or his usefulness as a one-on-one hunting companion.

Today, as in the past, the Brittany is gauged and tested first and foremost on his ability to work and hunt successfully. The Brittany can go from couch potato to eager hunter in seconds. He is equally at home at doing either. Indeed he must be able to do both. The Brittany bonds and requires close human companionship; equally, the Brittany must have the chance to work and think for himself. Let's by all means keep him that way in the future.

Twenty Five Years Ago

By Lyle Johnson

Ahhh, yes I remember it well. Dr. David Kenney and his cousin Bill Templeton came to our Grouse Creek Kennel for a quail hunt. The quail were everywhere and we were never more than 2 1/2 miles from the kennel. We moved 21 coveys in a one day hunt, the limit was 8 a day each, plus you could have 8 more in your possession. We limited out in the morning and spent the rest of the day training dogs. Both Bill and Dave were excellent shots and enjoyed killing a bird for young dogs. The one dog Bill brought was a little white 7-month-old pup named Tammy, and she was unbelievable in how many birds she could find and hold at that age. She did not back and Bill was a little tough on correcting her, that is when I told Bill I could get him \$1200 for her. He said no and took her home, then later called back and said he would sell her. I got on the phone and called Dick Culbert and he said he would give \$900 for her. I called Bill back and he said okay if I would take him on a free quail hunt. We agreed and that was the start of Minnehaha's Tammy development.

We would take the hunters on wild bird hunts and provide cocktails, food, and lodging for a fee and the years quail hunting was down, the hunters would still come just to enjoy Marge's cooking. The first night Dave Kenney there, he came down in his sport coat and tie dressed for dinner, I sent him back upstairs and said he could not make us look bad and he came back down without the coat and tie. Dave was a real treat to have, as he always told some great jokes. He

enjoyed the tree, bushes, etc., and would comment on how beautiful they were. Dave really enjoyed God's creations and would make sure we noticed them.

Back to the main story. A week after they left, we had an ice storm hit and stayed on for ten days, without the sun. After that, we could hardly find any birds, and the ones we found were very weak and could not fly very far. We put the dogs on leads and put them in the kennel and did not hunt anymore that season.

Quail have not come back to the great numbers that we had that year. We are now moving about ten or twelve coveys, if you hunt hard all day long and mosly on horseback. I don't believe the quail will come back like they were. We were very fortunate to have those great years. It is not the hunters that have hurt the quail population, but the weather and the varmints that hurt them.

In the early 90's, we invited Dr. Bob Rankin up for a free horseback quail hunt at the Bill Oliver Ranch. We moved plenty of birds and Rankin proceeded to out-shoot Bill and me.

Rankin was the owner of Tammy, then and Bill owned Unique, they just took turns pointing birds and backing each other. It was a hunt to remember. After that, Rankin wanted to know why we did not invite him back. I told him "You outshot the guide and landowner, how in the world did you think we would invite you back!"

News from AKC...

Pointing Breed Field Trials Special Notice

Increase in Event Service Fees (November 2007)

The AKC Board of Directors at its August meeting voted unanimously to maintain the current Recording Fee for all sports and increase all Event Service Fees from \$1.50 per first entry to \$3.00 for all AKC licensed and member events held after January 1, 2008, with the exception of Field Trials and Hunting Tests. For Field Trials and Hunting Tests, the Event Service Fee for additional entries of the same dogs is to be \$1.50, effective January 1, 2008 and \$3.00 effective January 1, 2009.

Event Secretary forms for events held on or after January 1, 2008 have been revised to reflect this change.

AKC's Performance Events Department has ruled the use of electronic communication between handler and scout as unacceptable (September 2007)

Radio or cell phone use while handling or scouting a dog, is grounds for immediate disqualification of that dog. Such use will be considered double handling.

The use of radio or phone communication between **ANYONE**, with the purpose or result of relaying to the handler or scout the location of a dog under judgment, is strictly forbidden and will result in the dogs disqualification. This use shall be considered double scouting.

Willful disregard of these rulings is construed as misconduct and may result in severe disciplinary action.

The AKC's Position Regarding Club Events Held on Private Property (June 2007)

Event giving clubs often conduct their activities on private property. It is the joint responsibility of the Club and the land owner to reach a mutual understanding regarding the obligations of both parties and the conditions for use. Reaching a mutual understanding should be done in a timely manner to allow both parties an opportunity to modify their plans without an undue hardship, should this become necessary. Once a mutual understanding is reached, it is expected that both parties will not modify their agreement except in the most extreme and unusual circumstances.

Because the AKC has an overriding interest in sportsmanship and fairness, there remains an expectation that, notwithstanding the foregoing, clubs would not agree to any terms promulgated by a private landowner which would run contrary to the rules, regulations, and policies of the AKC.

The American Kennel Club, founded in 1884, is a not-for-profit organization which maintains the largest registry of purebred dogs in the world and oversees the sport of purebred dogs in the United States. The AKC is dedicated to upholding the integrity of its registry, promoting the sport of purebred dogs and breeding for type and function. Along with its nearly 5,000 licensed and member clubs and its affiliated organizations, the AKC advocates for the purebred dog as a family companion, advances canine health and well-being, works to protect the rights of all dog owners and promotes responsible dog ownership. More than 20,000 competitions for AKC-registered purebred dogs are held under AKC rules and regulations each year including conformation, agility, obedience, rally, tracking, herding, lure coursing, coonhound events, hunt tests, field and earthdog tests. Affiliate AKC organizations include the AKC Canine Health Foundation, AKC Companion Animal Recovery and the AKC Museum of the Dog. For more information, visit www.akc.org <<http://www.akc.org/>>.

On a crisp October morning, I'm mounted on my Paso Fino, Sparky, riding across course 1 toward Jack Hire's. The sun, rising ahead above the trees, breaking up the light early morning haze, highlights the two dogs cruising the fields. I hold Sparky back as the cool air and the rumbling of horses behind have him urging me to get to the front. An orange hat is raised and he is rewarded with a quick dash to see one of the dogs locked up on point. A shot signals that a bird is set to flight and, as the sun brightens the entire landscape and warms us, the mounted gallery and tractor and wagon fall in behind. Every morning of the open championship was much the same with slight variations in dogs and locations of bird work but the scene similar and equally spectacular. On those days when it is raining so hard that I can barely see my dog, I'm constantly wiping the mud off my face, I sink in water over my boots flushing, never producing a bird, and I wonder why I chase around after spotted dogs "gun dog nationals" in Ionia, Michigan comes to mind and I no longer have any doubt.

The main ingredients that fuel the production of an event like the National Open Gun Dog Championship are the volunteers. It begins with all the field trial committees that hold the trials at which the dog qualify for nationals. The first thanks go to all of those, across the country, that make regional trials happen every weekend. Then, of course, come those that bring the event itself together Delmar McCallister, fourth VP of the ABC, open chairman, Gil Hopper, secretary, Cheryl Orange and the entire field trial committee. Our special thanks go out to Delmar, as he turns the job over to a new

Vice President in 2008, for his dedication to the National Gun Dog Championships over the last few years. Next are the workers that bring each day's running together including stakes manager, Cindy Cropek, course marshal, Ron Gulembo, Chuck Langstaff who drove the dog wagon each day, and Jeff Currier, who was in charge of the bird planters. Planting birds, for three hour courses, is a huge job that requires some to ride out before dawn each morning. So many people helped that I will not attempt to list them all but on Wednesday the volunteers were from Oregon, Georgia, Illinois, Kansas and Pennsylvania! Kathy Byrne was again in charge of hospitality and provided wonderful lunches each day along with arranging for a great prime rib buffet at the welcome dinner on Monday evening and so many other things that made the trip to Ionia special for those attending. Thanks to Les Casselberry for running the Calcutta and all others who helped with dinners, the raffle, served as gallery marshals and so many other things that must be done during a five-day event. I wish I could list you all but please know that your efforts are sincerely appreciated!

Purina, Tri-Tronics and Tracker graciously agreed to sponsor the National Gun Dog Championships again this year. Please join me in thanking them. I am certain that some of the best thanks we can offer will be the purchase and promotion of their fine products.

Judges

The distinguished judging panel for this year's championship included *Bo Ackerman* of Georgia, *Dr. Ray Calkins* of Oregon and

John Hott from Illinois. Bo has been hunting over bird dogs since he was a boy. Since becoming involved in competition with Brittanys his dogs have won three national championships, the Purina Dog of the year award and American Field Championships and are approaching 500 field trial placements. He has had the good fortune of owning Lea's Running Jayhawk, Alley-Oop, Dakota Alleycat, Lightning's Bismark and, two-time national gun dog champion, Winchester of Hanging Jaze. Ray grew up hunting in Iowa with a Brittany. He received his degree in veterinary medicine from Iowa State University in 1972 and became involved with German Wirehaired Pointers in 1975, establishing "Cascade GWP's". Four of his dogs hold 9 national field championships, two are dual champions and Cascade sires are the #1 and #2 producers of field champions and hunt test title holders in the GWP breed. John got his first pointer at the age of 13 and competed in his American Field trial in 1973. John has worked for the State of Illinois Department of Natural resources since 1981 and is currently Site Superintendent over 10,000 acres including Middlefork Wildlife Area (one of the states premier field trial areas). All three have judged the national championships of many pointing breeds across the country. They enjoyed judging together and gave each dog their undivided attention, always looking for the best in each performance. It was my pleasure to ride with them for four days and watch great dogs. Be sure to ask John about the "pink" hat he received as a souvenir of the championship!

The Winners

When discussing the placing dogs with the judges, following the announcement of the winners, the word that I wrote in my notes was **STYLE**. All four of the placing dogs pointed their birds with exceptional style and intensity. The judges also commented about the difficulty of the courses. **HIT'S FOR PETE'S SAKE**, handled by Judy Kiracofe, was named the 2007 champion to finish his field championship! Petey had five finds and barely moved an eyelash as he stood on each bird with a high head and 12 o'clock tail. He broke away on the top and hit quickly at 5 along a hedgerow. At 16 he locked up on what proved to be a fresh hawk kill and was taken on to his next finds at 23 and at 32 where he froze on the wood edge. Judy couldn't find the birds and when relocated he dug into the woods and pinned the birds with intensity. Pete swept forward and worked all the objectives and scored at 46, remaining rigid as Mike came and circled him and then stole point. His last find was before the creek crossing at the bottom of Cardiac Hill at 55. He handled very kindly, which was often necessary in the tight portion of course three, and was always forward. This performance was the definition of a truly superior gun dog.

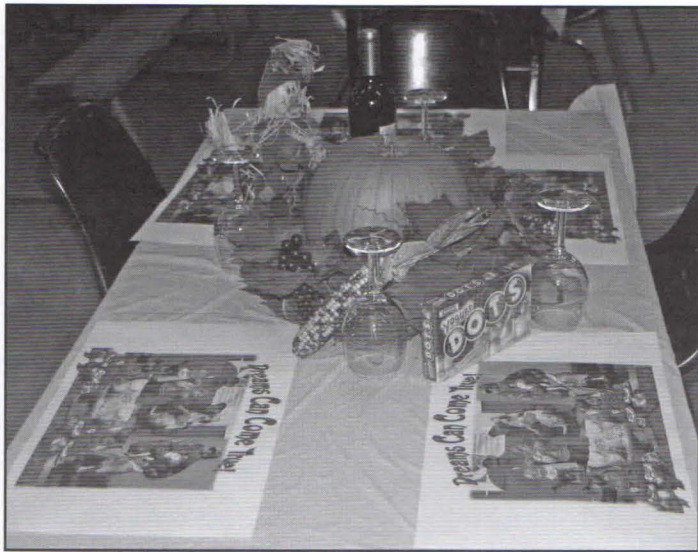

COUNTRY ROADS ROUGH RIDER, handled by Bob Burchett, was named runner-up champion. Cooper made excellent use of the big fields on course 2 making big sweeping moves forward but almost always in sight. Copper took off just past the parking lot along Riverside Drive and worked quickly to the orchard and his first find at 4 minutes. We lost sight of him only to find him standing tall on the treeline at the end of the orchard at 7. Bob put a couple quail in the air and released Cooper only to have him lock up as he started across the field at 8. A pheasant was put to flight over Cooper's stricken pose. After we crossed the gun range, Cooper hugged the left edge and executed an awesome cast around the edge of the big fields as we approached the dike. He continued forward and thorough as we climbed through the bowls, staying in touch with his handler. Cooper was on point as time was called but a bird was not produced.

Third place was awarded to **BEBOP N'AWLINS JAZZ** handled by Leslie Hunt who was the fourth place dog in last year's open championship. Her first find was at 17 in the corner of Shangri-la and Leslie had a difficult time finding the birds so Jazz was considerably behind the other dog when released. She disappeared as we road on and Leslie sent out her scout. The marshal signaled that Jazz was **WAY** ahead and handler (and the judge) galloped to catch up. They arrived forward only to find Jazz on point with BJ backing. As Leslie walked in to flush she discovered that in the mad dash she had lost her blank pistol but Bob Burchett offered his and birds were flushed and fired over. At 41 Jazz seemed to stand stylishly forever as her handler searched for her bird, which was finally located by the judge (with a little help from the reporter). She continued to hunt with classy finds at 53 and 58 and she was still running hard when time was called.

Keeping things in the family, Ralph Kiracofe handled **BOOTS CHIP OF CONJUROR BAY** to fourth place. Chip ran on course 1 and worked the wide edges on the top showing good range and speed. His first find was on the top at 21 and he scored again at 45. At 50, as we broke out onto the derby course, he shot forward and slammed on point on the rocky treeline ahead and Ralph flushed a small covey. One of the special moments of this championship, for me, was Chip's find at 55 in the field before the creek crossing. He was a picture beside a large clump of trees and when his handler walked in it exploded with a large covey of quail while Chip remained frozen. After crossing the creek Chip ducked into the swamp and finished forward beyond the road as time was called.

The Hospitality

Of course, we all come to Michigan to run and watch great gun dogs but much of what makes the event memorable are the social

times and the people we meet. Each evening during the open championship there was a dinner and gathering. On Monday we went to the Lamplighter Restaurant in Ionia for a delicious prime rib buffet, arranged by Kathy Byrne, and the calcutta. Les Casselberry auctioned the dogs and the stage was set for the beginning of the running on Tuesday morning. Tuesday evening Bob and Chris Burchett hosted the dinner to celebrate the winner of the 2006 Magnum's Masked Man Award winner, NAGDC/FC/AFC High Hopes Fly By Nite owned by Cindy and Al Cropek and handled by Al. Bob, who broke Zoey for Al, gave a heartfelt presentation and Chris coordinated a great fried chicken dinner. Wednesday we celebrated the winner of the Tri-tronics award, NGDC/FC/AFC High Hopes Tar's Dot Com, with a Chinese buffet provided by Tri-tronics. I did my best to hold back the tears as I presented the award to my dear friend Cindy Cropek, Dot's handler. What a year it was for the Cropeks! The celebration continued on Thursday with their party for Dot and Zoey, the 2006 National Open and National Amateur Gun Dog Champions. We feasted on turkey and ham and all the fixing for a wonderful Thanksgiving style dinner. There was also plenty of wine (in bottles etched with pictures of the dogs) and beer for toasting!

The Running

The rain, that had drenched the landscape the previous evening, cleared out just in time for the beginning of the running on Tuesday morning. As we gathered at the bottom of the hill, the sky was cloudy and the temperature about 50 degrees. A mounted gallery of about 40 headed out with the first brace of the day.

TOLKA-BELLE O KID RUSTY PRO (Rusty) – Bob Burchett & NGDC/FC/AFC BUCKS HIT THE ROAD JACK (Jack) – Ralph Kiracofe

The first brace got things started on a high note running fast and forward. Rusty was a picture on his first find along the treeline at 18. Jack showed the moves that made him a former champion, working every line on the top and scoring at 9 and 23. Rusty had another solid find at 30 and as he was released another bird lifted and he chased. Jack's next find was on the knoll to the left at 34 and, as he swept the fields ahead he locked up again at 46 finishing with another at 52 which lifted as Ralph walked in but was handled by well by Jack.

SIGBRIT-HOPES QTRBACK SNEAK (Boomer) – Tom Tighe & FC/AFC BEBOP FINNEGAN'S HOLIDAY (Holly) Bill Gorman

The second breakaway of the day was along Riverside Drive just past the parking lot. It remained very overcast with very little wind. The dogs shot forward and disappeared into the orchard. Point was called ahead, we thought on Boomer, but when we arrived on the scene it was Holly on point with Boomer backing. A covey was flushed with Holly and Boomer looking great. Following a discussion among the judges as to what occurred, there appeared to be no indiscretion and both dogs were taken on. Following this find, the dogs cast forward and were out of site as we arrived in the field before the dike. A scout located both dogs at 18 minutes on the left edge with Boomer standing and Holly backing. Holly had a find at 45 and then backed Boomer again at 49 as she came around a treeline to find him standing. There was no bird produced here.

HIT'S FOR PETE'S SAKE (Petey) – Judy Kiracofe & FC MICRO T (Mike) Scott Johnson

Pete's winning performance is described above. Mike was fast and forward on the ground. He had a find on a covey that flushed as his handler arrived which he stood and another at 41 along the fence. At about 45 he danced around Petey on point and was put on the wagon.

The sun came out on Tuesday afternoon and the beautiful weather brought out many to watch including a dog wagon bursting with people, including a number of children.

STEVIX BULLETPROOF JILL (Jill) – Jim Berneathy & DC/AFC SWEETWATER BILLY TUCKER

Tucker struck first with a find at 6 and then again at 9 along the treeline on the top. Larry had to move Tucker up on the second find to help locate the birds but eventually had a small covey in the air. Jill was eating up the course but didn't locate any birds until we reached the derby course where she was standing along the rocky treeline as we came through the cut at 45. Tucker was missing but just as Larry was turning to go and find him he showed to the front and went on to have a find at 56 and finish going away. Jill made a big swing around the field before the creek crossing and hit hard

along the hedgerow at 49, the birds were difficult to locate and upon relocation Jill bumped.

DC/AFC COUNTRY ROAD'S ROUGH RIDER (Cooper) – Bob Burchett & FC/AFC WRIGLEY'S CHIP MAKIN' HIS MARK (Chip) – Mike Poehler

Cooper's run is described above. Chip worked the course well, staying forward but at 45, having had no bird contact, his handler elected to pick up.

DC/AFC/CISCO KID DEL PRADO (Cisco) – Les Casselberry & POISON IVY III (Itchy) – Jim Wilkerson

Cisco was away quickly and out of sight. He had a classy find at 29 above the pond and another wide to the right at 31. Itchy also hit at 29 and had a non-productive at 33. She exhibited fine speed and good application but was up at about 45 when a bird lifted ahead and she failed to stop. Cisco was strong and fast throughout but not always forward or being a team player. He ducked deep into the woods below at 53 and was found standing, by his handler, and finished still looking fresh.

POSTED – TUESDAY

HIT'S FOR PETE'S SAKE – Judy Kiracofe

DC COUNTRY ROAD'S ROUGH RIDER – Bob Burchett

As we began the running on Wednesday morning at around 8:20 the sky was gray but the temperature hovered around 50 degrees.

CONJUROR BAYS WESTERN BOOTS (Tyler) – Judy Kiracofe & DC BARNEY'S HI PROOF RONRICO (Rico) – Bob Burchett

This brace woke everyone up as they flew the fields ahead. Rico locked up at 8 along the trees on the flat. As they tore up the course on the top, they carded a divided find at 13 in the corner just past Hires. Tyler hit again at 17 and Rico came in to back. Then it was Rico's turn at 20 forward by the horse camping area. Unfortunately, Tyler decided to turn his ears off and made a big back cast and Judy took him in at 30. Rico continued to fly the edges and had another stylish point at 46 and maintained his textbook pattern and strength through the hour.

PALE RIDER (Duke) – John Sala & FC RUMOR TOO (Rumor) – Jimmy Berneathy

At just three minutes we were treated to a "Kodak moment" with Rumor standing and Duke backing by the big oaks, breathtaking. Rumor shot ahead and was out of pocket for a bit but appeared in Shangri-la and was on point at 20. She then swept around the edge of Shangri-la and scored at 27, with Duke honoring, then worked a small covey at 32. Duke had a find at 19 and then ducked into the woods. At 45 a bird lifted in front of Rumor, and to our dismay, she failed to stop. John decided that Duke was not on his game and picked up once Rumor was done.

FC BROWN'S B.B.J. (BJ) – Jim House & DC/AFC BEBOP N'AWLINS JAZZ (Jazz) – Leslie Hunt

Jazz's run is described above. BJ carded her first in heavy cover at 10, handled well. She honored Jazz's point at 31 and had another find at about 45 heading back. She handled kindly and worked the ground thoroughly.

DC RICOCHET MAGGIES JAC (Jac) – Bob Burchett & DC/AFC PJ'S FRANCIS DRAKE (Drake) Dave Porter

As this brace was announced, Dave was greeted by the gallery with cries of "woo-hoo", his designated nickname. Following a speedy breakaway, Drake hit at 5. After the birds were flushed he took a few steps toward their flight and was back on the wagon. As Jac chewed up the ground on the top, he was rewarded with a find at 9 on the treeline toward Hires. He pined another at 20, which lifted as Bob approached. Jac was leashed at 30 when his handler was not pleased with his application.

FC JALO'S BIG WHEELS (Wheels) – Jim House & THE NEXT GENERATION (Jen) – Will Smeltz

Wheels demonstrated great speed as he attacked the course. He

lost touch with his handler briefly but made his way back and scored at 20. Jim had difficulty locating a bird and Wheels lost his focus and was done for the day. Jen zipped along the ground, wide and thoroughly using her nose well to find birds at 10, 13, 22, and 25. She disappeared into the cover at 32 and wasn't found until much later in the day.

DC MOKAN WILD MTN I'M JUSTA GIGOLO (Dutch) – Brian Riggle & FC/AFC SHADY'S BE SUMBUDDY (Buddy) – Delmar McCallister

Buddy and Dutch were to work quickly with finds at 7 and 8 respectively. This brace worked all the objectives thoroughly with Buddy scoring again at 13 and Dutch at 21. At 33 Buddy was standing with Dutch honoring him. Dutch had another find at about 45 and finished, hunting vigorously. Buddy continued to demonstrate his great nose with finds at 41, 56 and 59 displaying good intensity each time.

The next pairing would be the last of the day on Wednesday and, for the first time this week, would carry onto part of course 1.

FC DOUBLE O'S WIZARD (Ozzie) – Kevin Stonehouse & NGDC/FC/AFC HIGH HOPES TAR'S DOT COM (Dot) – Cindy Cropek

Dot was fast and furious, hugging the lines but often out of touch with her handler. At 35, having had no bird contact, Dottie was done for the day. Whiz hit at 10 as he worked the terrain in front. He pointed again at 50 near the barn on course 1 and at 53 but chased when the bird lifted and we were done for the day.

POSTED – WEDNESDAY

DC BARNEY'S HI PROOF RONRICO – Bob Burchett

DC/AFC BEBOP N'AWLINS JAZZ – Leslie Hunt

FC/AFC SHADY'S BE SUMBUDDY – Delmar McCallister

FC/AFC WRIGLEY'S FIRST DANCE (Jazz) – Gil Hopper & CASCO BAY JASPER (Jasper) – Peter Mazzaglia

As we began on Thursday morning, we were treated to another stunning pair darting across fields as the sun rose above the trees. We could see Jazz carving up the edges and occasionally Jasper appeared as a liver and white streak along a line. Jasper showed at 8 just in time to honor Jazz's point in the cover on the top and again at 17 to back Jazz. Both were mannerly each time. Jazz became sticky and was leashed at 30. Jasper disappeared and Peter brought out the Tracker to locate him.

FC DELANE SPEAK OF THE DEVIL (Charlie) – Dan Riedl & MAJESTIC'S SASSY LADY (Sassy) – Scott Johnson

On this special morning, a gorgeous buck appeared on the edge of the course 7 minutes into the second brace. Sassy was in the area but was pulled away by Scott and opened some eyes as she dashed forward. A bird lifted in front of Sassy as she was exiting the orchard and she chased and was up at 30. After we broke away at the top of Cardiac hill, Charlie worked left and was rewarded with his first at 3 coming down the hill. Charlie looked striking on this find and also on one at 16. He hit again at 33 in the orchard but this was a fresh hawk kill. The scout found Charlie standing in "bird alley" below the oaks for his last find at 46. Charlie's pace slowed at the end of the hour but his perfect bird work was not to be forgotten

FC RIMARADA'S REBEL JAKE (Jake) – Sebastian Ventura & NAGDC/DC/AFC CALISTAR DEL PRADO (Star) – Les Casselberry

As the sun rose high and lifted the temperature close to 50 degrees, the next brace of the morning set off. From the first whistle, Star showed why she is a two-time NAGDC flying around the extreme edge of Shangri-la. At 13 she and Jake were found standing on a line ahead and birds were flushed over both staunch dogs. Jake scored at 19 and 29 and was also eating up the ground but birds lifted in front of him at about 40 and he chased. Star backed Jake's find at 29 and at had her own at 34. At 47, as we were riding back through Shangri-la, Star was spotted in the corner locked-up with spectacular style. This magical moment sent chills

up my spine and the tingle remained as we broke through a cut at 53 to find her frozen again. Tragically, the spell was broken as Star released herself and grabbed the bird.

FC COUNTESS MON PETITE WHIZ (Whizzy) – Kevin Stonehouse & RU-JEM'S PRAIRIE WIN (Win) – Bob Burchett

This brace started out well but, unfortunately, ended early. Win had a solid find at 9 but at 12 was up as he bumped a bird which was in his path as he was released from the previous find. Whiz pointed at 18 and held up well through a difficult flushing attempt. She was standing at 23 but bumped the bird and was put on the wagon and we were heading in for lunch.

PETER GUN (Pete) – Jim Carter & FC FAR SIDES LUCKY GUN RUNNER (Lucky) – Al Regelbrugge

Thursday afternoon's session began at 1:45 under clear blue skies with a light breeze blowing. This was a pair that showed good manners, working together to cover the ground. At 10 Lucky was stopped and Pete honored. Pete had finds at 21 and 49 with Lucky backing at 49.

DC/AFC DUNCAN'S PLACE YOUR BET (Dealer) – Cheryl Orange & FC/AFC SUNNYVALE CINDY (Cindy) – John Henderson

Watching these two handsome dogs buzz the fields ahead brightened an already lovely afternoon. At 20, on the rim of the first bowl, Dealer skidded to a stop on a bird that lifted and Cindy stopped as well when she saw him. Dealer pointed at the top of the hill with Cindy honoring. Then it was Cindy's turn to hit as she was spied standing stylishly on the line at 38. Dealer scored at 52 and Cindy locked up at 58 but no bird was produced. They finished going away.

FC GAMBLERS EYE OF THE STORM (Stormy) – Mike Mikoff & FC W-HAVEN MOOSE AND DIXIE'S KIM (Kim) – Bob Burchett

As everyone held their breath, Kim slammed on point at 1 minute and Stormy backed. Stormy then took a wide sweep around a field to his next find at 4 where Kim went in front of Stormy to steal point and was leashed. Mike flushed a covey over Stormy who handled all the pressure with ease. He scored also at 26 and following a soft spot, turned on the afterburners, and showed some great moves working the back fields approaching the clubhouse where he had his final find at 58.

FC DELANE SPEAK OF THE DEVIL – Dan Riedl

DC/AFC DUNCAN'S PLACE YOUR BET – Cheryl Orange

FC/AFC SUNNYVALE CINDY – John Henderson

FC GAMBLER'S EYE OF THE STORM – Mike Mikoff

FC/AFC COLD MOUNTAIN (Tyke) – Chris Rider & BOOTS CHIP OF CONJUROR BAY (Chip) – Ralph Kiracofe

The last morning of the open championship was very cloudy but

the excitement created by the first brace got the day off with a bang.

This hour produced two of my favorite moments of this year's championship. The first was Tyke's cast taking the entire far line along Hires fields then making the turn and sweeping the far left edge then the treeline in front to hit point in the right corner at 15 minutes, high and tight. He continued strong but got a little bullish as we were coming through the last fields before coming down the hill. When we broke out onto the derby course Tyke was standing at 50 wide to the left on the treeline, then he cast deep into the left part of the course and had classy finds at 54 and up on the hill at 58. He finished coming down the hill just before the creek crossing still running hard. My second favorite moment, Chip's huge covey find, is described above along with the remainder of his placing performance.

STARLIGHT'S EPSILON LYRAE (Loni) – Kevin Remmers & DC SOVEREIGN COPLEY KISS MY CHIPS (Zelda) – Scott Johnson

We had barely caught our breath following the last exhilarating run when we discovered that this one was over! Zelda was whizzing through the orchard only to have a covey lift and she chased. Just a minute later, Loni, who had disappeared forward, brought back a live bird to Kevin. We'll look forward to better from these two young girls the next time.

BROOKS LITTLE PETE (Pete) – Jim Carter & NAGDC/FC/AFC HIGH HOPES FLY BY NITE – Bob Burchett

Pete was fast and constantly hunting but not always forward. He had finds at 30, 31 and 47. At 50 he was on point and Jim had difficulty locating the bird. When Jim moved him up he bumped the bird and was done for the day. The Crokek family had to return home due to the death of Cindy's mother and Bob Burchett, who broke Zoey, graciously stepped in to handle her in Al's absence. Zoey seemed a bit confused at first but she soon got down to doing what she does best, finding birds. She carded finds at 12, 29, 33, 35, 49 and a nail-biter at 50 just as she was released from the previous bird. She hit at 55 and was antsy on the last at 59. She held up well for the hour.

FC COVEY RISE'S RAMBO JR (JR) – Bob Burchett & FC/AFC THIS GAMBLER'S FLY'N (Ryder) – Jeff Currier

Unbelievably, and in the exact same spot as on Thursday, JR hit point at 1 minute and Ryder showed his excellent manners by honoring. JR ran wide and forward scoring at 5 and 15. Unfortunately, he pushed up a bird and chased at 25. Ryder was hunting diligently and was rewarded at 28 before the Boy Scout bridge. He was standing at 40 as we came around the corner. When Jeff flushed Ryder leaped for the bird and was leashed.

DC/AFC ZIPPITY-DO-DOT (Zip) – Patti Van De Coevering & FC/AFC RED HAired MARY (Mary) – Bill Gorman

Zip lived up to her name by zipping around the terrain with speed and purpose. She pointed stylishly with birds flushed with all in order at 12, 31, 37, 40, and 59 and had non-productive points at 27 and 50. She was still fresh as the hour concluded. Mary also hunted vigorously with finds at 7 and 14 and was up at about 25 for an indiscretion in her bird work.

FC MEGADOT (Dot) – Scott Johnson & WINDY HILLS IKE (Ike) – Delmar McCallister

Dot showed her experience by working the course diligently forward and scoring in the corner at 33 with style. She was missing at time. Ike took to the ground running to the right spots but at about 20 minutes he chased and was picked up.

DC COUNTRY ROAD'S NAVIGATOR (Andy) – Bob Burchett & MAPLE LANE'S ROBBING THE BANK (Jesse) – Kevin Byrne

Andy took to the ground with strength and fire, pointing hard at 17 and 25 with birds flushed while he displayed perfect manners. He scored again at 55 with all in order and finished the hour having

lost his drive before his last find. Jesse began running hard but at around 15 he came in for water and soon was back again. Kevin decided that it wasn't to be and put Jesses on the wagon and the championship was over for 2007.

In Conclusion

Could we have had any better weather for the National Open Gun Dog Championship this year?? It was barely warm enough anytime to impact any of the dogs' performances, there was no rain during the running and it was only cold enough a couple mornings to warrant lined pants and warm hats. There was barely a dog that did not have bird contact. AND we saw some wonderful performances including the placing dogs and some of those that didn't place, or even finish the hour, but had us sitting up in our saddles. For the second year in a row the iron dog was presented to a woman handler. I am so proud of the wonderful group of gals who show up with great dogs each year and guide them to wins and placements! Congratulations to everyone for the high caliber of this year's competition!

It seems fitting that I close with a line I came across that Bo Ackerman wrote which says so much about the love of dogs and hunting ...“a fire was lit and a passion for bird dogs and upland game birds was forever instilled in my soul”. I hope the fire and passion I saw over those four days in October continues to raise the bar higher in 2008 and beyond!

SHOWCASE

CH BBB'S FLASHY ROSE JH

(DC Chick's Blaze'n Sawtooth Sam JH x CH BBB's Flashlight)

"Roxie" came into our home in June 2005 after a quick trip to Dave and Faye Walker's Idaho plantation. Wanting a white and liver bitch to field trial and to show in conformation, Ms. Walker presented the puppy candidates. With her experienced advice and council, we made our choice were soon on our way home to Central Florida.

We could not have been more fortunate than to have Roxie as our first show dog! Trying to train and run in juvenile stakes at field trials

slowed her show schedule from the beginning. Roxie completed her Championship November 11, 2007 with her fourth major and 18 total points. All of her championship points were out of the Best of Breed class, which is a noteworthy accomplishment. She won three BOS, three BOW and one BOB on the way to her championship. In addition, we are very proud that Roxie was Reserve Winner Bitch at the 2007 ABC Summer Specialty in Perry, Georgia.

Roxie is OFA excellent and near the top of the Brittany breed standard for height and weight. She has a calm temperament and presents herself with style and class. In the end, Roxie is all business whether in the ring or field. In the field, she is a powerful, enthusiastic runner, and a true competitor with an excellent nose for finding birds.

We extend our thanks to everyone that has been involved in bringing Roxie to her full potential in the conformation ring. Huge thanks to all the great conformation coaches at the Orlando Dog Training Club. From her first class as a 10-week old puppy to her last class before winning her championship, the coaches and their advice have been great! Our gratitude goes to Chelsea Goss for handling Roxie to all of her championship points. We extend our appreciation to Cindy Allen and Dimi Morse for teaching us how to groom for the conformation ring. In addition, our deepest appreciation goes to Fay and Dave Walker for allowing Roxie to come live with in our home! Finally, we thank all of our Brittany world friends for their assistance, support and patience!

Roxie is our first champion and that makes her very special to us. We plan to continue her show career as a Special, and she will soon resume field trialing.

PURINA PARENT CLUB PARTNERSHIP PROGRAM

You Have a Great Opportunity to Enhance the Health and Well-Being of Your Breed.

Participate in the Purina Parent Club Partnership Program (PPCP). So far, more than \$1.2 million has been given for breed health studies, education efforts and/or rescue programs.

A great (and easy) opportunity to help your breed

Since 2002, breeders and enthusiasts like you have participated in the Purina Parent Club Partnership Program (PPCP), and have generated more than \$1.2 million for breed health studies and other programs. Because your National Parent Breed Club has elected to participate in this program, simply notify Purina that you want to participate as well.

WHY was the Purina Parent Club Partnership Program formed?

Purina formed the PPCP—a program for National Parent Breed Clubs—to help raise money to fund important canine health studies, education efforts and/or rescue programs. Because we all want to help dogs live longer and healthier lives.

HOW does the PPCP generate funds for your breed?

The PPCP works through Purina Pro Club®, a loyalty program dedicated to supporting dog breeders and enthusiasts with exceptional nutrition, savings and services.

Funds for your National Parent Breed Club come from two sources:

- 1) Simply participate in the Purina Pro Club and its weight circle program. Collect weight circles from participating Purina packages, and when you turn them in, Purina will make a donation to your National Parent Breed Club. The more weight circles you turn in, the greater your potential earnings for your National Parent Breed Club. Some clubs have already generated thousands of dollars for their breed's health studies.
- 2) Based on the Canine Health Foundation's guidelines, the PPCP-generated funds deposited in your National Parent Breed Club's CHF Donor-Advised Fund may be eligible for matching funds from the Canine Health Foundation. With money coming from two sources, even more funds can be used to study diseases affecting your breed.

NORTHERN NEW ENGLAND

The NNEBC Hunt Test on September 22 & 23, 2007 went extremely well, the weather on Saturday was cool and foggy in the early morning, and sunny and warm in the early afternoon. Sunday was cool and breezy. On Saturday, we had an entry of 30 dogs with 20 qualifying and on Sunday we had an entry of 28 dogs with 16 qualifying. Braces

were completed by 1:00 p.m. on Saturday and 12:00 p.m. on Sunday.

The hunt test committee would like to thank all judges and gunners for their participation during the weekend. Saturday, we had Bryan Clark and Mike Blondin judging Senior/Master; while David Hayes, Thomas Dwyer, Lou Gagnon and Steve Belletti judged Juniors. Gunners on Saturday were Ed Kunelius and Dan Aucoin. Sunday judges were Mike Howe and Dennis Duguay judging Senior/Master: while Richard Dwyer, Karen Thorne, Doug Phillips and Art Thorne judged Juniors. Gunners on Sunday were Steve Marcq and Steve Balletti.

George Dube and I would like to thank all the committee and club members who helped to make a successful event for NNEBC. Also, thanks to all those who assisted in getting handlers and dogs to the line, planting birds, grill duty and the many other tasks. Those who helped were; Kathy Drelick, Judy Dube, David and Joan Hayes, Angie Graham, and Chris Furnari.

We sincerely hope we did not miss naming

anyone, as it took a lot of effort and we want to be sure everyone is recognized. Thanks to all.

WHAT can you earn for your National Parent Breed Club?

When you participate in the PPCP, it doesn't impact your personal Pro Club earnings in any way. You just receive this PPCP benefit as a bonus!

As a Purina Pro Club member, you submit weight circles from purchased participating Purina® brand dog foods. Purina Points can then be redeemed for rebate checks and rewards.

Your National Parent Breed Club will earn 10% of the value of all points from your valid, qualifying weight circles credited to your Pro Club account.

- For example, for every \$100 worth of weight circles credited to your account, Purina will donate \$10 to your National Parent Breed Club.
- At least half of Purina's donation will go directly to your National Parent Breed Club's Canine Health Foundation Donor-Advised Fund.
- The remaining dollars will be sent to your National Parent Breed Club for health research, rescue or education efforts.

GREATER ST. LOUIS

The club held its second hunt test of the year at the Whetstone Creek Conservation Area near Williamsburg, Missouri on a warm but beautiful weekend. There were 19 pointing dogs run Saturday and 15 on Sunday in all three classes. Several were first-time entries or new members of the club.

The judicial saddles were occupied by Member Barb Shepard and Ed Delker on Saturday. On Sunday, Greg Darlington and Keo Keopine did the honors. Randolph Meyer chaired the event with Phil Corlew acting as Event Secretary. Our gunners were Larry Stewart and Greg Shepard. Ken Grace and Randy picked up and banded the birds and did most of the planting.

The Whetstone grounds had been hayed and were in good shape; we expanded the bird field. Under next years rules, back course birds will have to be planted which means we will need another planter with strong legs or another horse. Special thanks to Gunners Larry Stewart and Greg Shepard, and our intrepid bird planters Randy Meyer and Ken Grace, who also caught up and banded birds, as well as setting up the site beforehand.

Special thanks to Barb Shepard for donating the use of her horse for judging on Saturday and all the members who came to the trial and ran their dogs. Following are the BRITTANYS which received qualifying scores:

2007 American Brittany Club Chicken Classic/Championship

September 17-24, 2007 • Ted Morton Ranch – Bassett, Nebraska

Reported by Terry Maxwell

Marsha Luisi with Champion MARJO'S RED RUM, Tom Tracy with Runner-up CHANCEY JACKPOT LOTTO and Jim Berneathy with third place TEQUILA JOKER'S JOSE CUERVO. Standing, left to right: Joe Luisi, Jim and Janet Chase, Jerry McGee, Terry Maxwell, Ed Tillson, Janet Berneathy and Lisa Pollock. (Not available for photo was fourth place REBEL JAC'S A HAMMERIN DANDY.)

It was mid-September on the plains of Nebraska that warriors met from across the country to do battle. From New York to California and the farthest reaches of North Dakota and Texas, competitors marched to Bassett Nebraska to compete with the most extreme Brittany athletes in the country. It was the showing of the American Brittany Chicken Championship, drawing eighty-four entries, the largest cast in the long and prestigious history of the event. The weather was blustery, hot and humid, with temperatures ranging into the high 80's too frequently and wind gusts up to 35 miles per hour throughout the week. The environment was harsh, tough on both man and dog alike.

Throughout Canada and the Midwest, record numbers of sharptail and prairie chickens were reported. This was no different at the Ted Morton Ranch, gracious host of the 2007 event. As we all know, quality championships don't just happen and many gave generously of their time and energy to make this event a success. Retired pro Mary Karbiner and her able partner Bill Nadeau judged with persistent attention to detail throughout the trial. Their many years of experience proved invaluable on the tough calls that are an inevitable part of wild bird trials. Special appreciation is due to Jim and Janet Chase, Stan and Claudia Truska, Jerry McGee, Ed Tillson, Purina and Tri-Tronics for their many generous contributions.

THE PLACEMENTS:

Champion: MARJO'S RED RUM handled by Joe Luisi and owned by Marsha and Joe Luisi.

This Champion was forward throughout his race, consistently searching for game. His experience hunting the right spots in this country was apparent. Joe and able scout Marsha Luisi's hard work preparing this handsome male in South Dakota with its abundant bird crop this summer was evident. At 50 minutes Johnny going north and hard forward swapped ends into a southern wind, pointing a covey accurately and with intensity. The dog's deliberate and consistent game-searching race throughout the hour was rewarded with an impressive win over a field of 84 competitors, the largest in the history of the Championship.

Runner-up Champion: CHANCEY JACKPOT LOTTO handled by Tom Tracy and owned by Joyce Roberts and Vic Williams

The runner-up disappeared at the breakaway appearing to the front at 12 minutes. He continued to make strong forward moves throughout his race and was rewarded with a find at 18 minutes. This dog handled the ground with obvious experience and maturity as he consistently searched likely spots to find game. He finished as strong as he started, earning him the well deserved spot as Runner up Champion.

Third place: TEQUILA JOKER'S JOSE CUERVO handled by Jim Berneathy and owned by Clem and Marilynne Little.

This dog put on a bird-finding clinic on a hot and windy afternoon. The dog ran in tough conditions to score finds at 32, 35, 39, and 50 minutes.

Fourth place: REBEL JAC'S A HAMMERIN DANDY handled by Chad Holman and owned by Ron Harling.

Jac started strong, not being hindered by the strong gusty winds. He made numerous wide moves as the course changed directions. Birds were pointed at 51 minutes as the dog finished the hour strong and to the front.

Day One Weather: High temperature of 86, maximum humidity 77%, wind from the SSW with speeds up to 21mph and gusts to 30.

First brace: MARJO'S RED RUM'S race as Champion is described above. He was braced with LINVEL'S ACE OF DIAMONDS (Tracy). This dog ran at moderate range disappearing at 20 for a few minutes as a bolt of lightning appeared in the sky. At 52 an extended relocation effort went unrewarded. Ace went on to finish strong.

Second brace: CLYDE'S MICRO-BREEZE (Tracy) had a strong, forward, intelligent race searching likely spots for game. At 26 a covey of chickens was nicely pointed with a non-productive at 37. Bracemate JAYHAWKERS TEQUILA WITH A TWIST (Tillson) made numerous strong moves to the front with a strong finish but was not rewarded for her efforts.

Third brace: TJ'S APACHE (Tillson) ran in very hot humid weather and was leashed at 50 minutes. RU-JEM'S A TOUCH OF BOURBON (McGee) ran a forward race consistently searching for birds in wise locales. He had a non-productive at 32 and a find at 56. This dog finished powerfully to the front disappearing out of sight at time.

Fourth brace: HAVAPAL'S RENEGADE BILLY BOY (Burchett) was retired

early. ANNITIME SOON (Holman) handled kindly, stayed to the front and hunted at moderate range.

Fifth brace: GAMBLER'S GOOD DEAL (Holman) had a non-productive at 25 and a stylish find at 59. SNIKSOH CORKY (Burchett) had a non-productive at 15 and finished without bird contact.

Sixth brace: MAXWELL'S WHITE SPIRIT (Patterson) put on a show and hunted hard but was not rewarded for his efforts. CHEYENNE WILD DANCER (Tillson) was up early with an indiscretion on birds.

Day Two Weather: Considerably cooler, high of only 66 with wind speed of 21mph from the NW and gusts over 30.

Seventh brace: KINWASHKLY DAKOTA MOLESTER (John) performed well on the ground with a wide ranging performance, a stop to flush at 5, and an extended relocation effort at 56 with no birds produced. BRISCO'S MR. STUBB (Trimble) was retired early.

Eighth brace: ROCKLAN'S KID ROWDY (Burchett) made a huge move off the breakaway but was leashed early. SMARTEYES-JOKER (John) ran and hunted persistently but was ultimately not rewarded for his efforts.

Ninth brace: HI PROOF WHIZKI (Gorow) A strong breakaway, far ranging prairie race and strong finish was unfortunately not rewarded with birds. CHANCEY JACKPOT LOTTO (Tracy) is covered above as Runner-up Champion.

Tenth brace: MO DAN'S BELIEVER (Cross). This veteran canine ran a consistently forward ground-searching race. A beautiful limb find was a pleasure to watch as the handler flushed birds for this stylish animal. TRADEMARK'S ATM (Holman) finished the hour to the front with no bird contact.

Eleventh Brace: MEGABUCK'S HELL ON WHEELS (Tillson) and THE ROCK II (Tracy) both ran into cactus and were leashed.

Eighteenth Brace: GRAND JUNCTION JAKE (Holman) was retired early on a breach of manners. STARLIGHT'S BLAZING SIRIUS (Burchett) was not pleasing his handler and was picked up before the end of the hour.

Day Four Weather: High of 89, maximum humidity at 100%, wind speeds up to 28mph from the south and gusts to 34.

2007 American Brittany Club & New England Grouse & Woodcock Championship/Classic

September 29-30, 2007 • Kilkenny WMA – Berlin, NH

Submitted by Bill Gorman

The New England Brittany Championship Association held its annual Grouse and Woodcock Championship, September 29 and 30, 2007 at Kilkenny WMA in Berlin, New Hampshire. First of all, our thanks go to Purina for supporting this event. We had beautiful early fall weather, ideal for both dogs and handlers. Birds were plentiful and most of the 15 Brittanys had an opportunity to work wild birds. Getting these wily grouse and woodcock pointed takes an experienced dog. We appreciate all the work our chairman, Ray Gorman, and his committee put into the event. The judges, Jane Bjork and Craig Doherty gave close attention to each brace. Champion was COOS RIGLEE handled by Tom Ettinger, R/U Champion LOCAR'S EVER IN BLUE JEANS handled by Pat Carney Third was LR COOS COMMUN' ON STRONG handled by Larry Hilliard. A brace by brace report by judge Bjork follows.

Left to right: Tom Ettinger with Champion COOS RIGLEE, Judge Craig Doherty, Judge Jane Bjork, Pat Carney with Runner-up LOCAR'S EVER IN BLUE JEANS, Fran and Bill Gorman, and Larry Hilliard with third place winner LR COO'S COMMUN' ON STRONG.

1. SUEMAC'S BODACIOUS PRIDE - Roger McPherson & LITTLE GUY LEVI - Shan Wessels. Ammoonusuc Course.

Levi wasn't his usual self this morning so handler elected to pick him up at 5. Bo started with fire and ran at moderate range with his bell stopping periodically while he was deep in cover. He got hung up on the left at 26 in a likely woodcock hole at the newly named Ray's Blade corner where the course joins the Ammoonusuc River. Rejoining his handler, he ventured on and had two stop-to-flushes at 29 and 30 on woodcock just before the alder bottom stretch. At 34 his bell stopped in a thick, piney area on the right and he was found standing. A woodcock flushed to the front and handler elected to pick up as Bo's manner after the flush needed addressing.

2. COOS RYLEE - Ray Gorman & BEBOP FINNEGANS HOLIDAY - Fran Gorman. Moosehorn Course.

Holly ran her usual strong race but was birdless for her effort. A woodcock was walked up at 19. Rylee is a big runner in these woods. He had a stop-to-flush on a grouse at 20, and at 25, his bell stopped just past a small stream gully on the right of the course. He was found standing deep in the cover, and a flushing attempt was made by handler Ray Gorman. Rylee made a big relocation effort circle, and then seemed to move on as did this judge and Rylee's handler. Coming back up the hill, with Rylee having some distance from us, we realized we no longer had his bell. The effort to locate him was just not far enough in the right direction in this thick cover. Liver and white dogs standing rigid with fluorescent collars look like birch trees and fall foliage. His quarry, most likely

a grouse, got to contemplate its place in the food chain for about ten minutes being held in place by a skillful dog while his handler will regret his decisions regarding his champion dog for quite a while. Even this judge feels pangs of guilt. His bell was heard in the direction we should have gone and Rylee finished the hour strong but without an "official" find.

3. SUEMAC'S BLAZEN BIBI - Roger McPherson & LOCAR'S INEVITABLE - Pat Carney. Pancake Course.

Bea ran an ambitious, wide and fast race with a somewhat lateral pattern at times. Evita worked the cover with less range yet hit likely places. Both were birdless for their efforts.

4. COOS RIGLEE - Tom Ettinger & MR. P'STWINKIE - Johnny Poland. Deer Mountain Course.

This brace broke away fast with Riglee wasting no time and he hit the cover immediately and had a woodcock pointed on the right in less than a minute. He looked like a million bucks with a style that told this judge/reporter that the bird was under his command as handler Ettinger walked in front to flush. As Ettinger worked his bird, Twinkie had a stop to flush on another woodcock a short distance to the front. Riglee took about five minutes to find his pattern after this exciting find and then began making deep intelligent casts in a forward fashion with all the speed he could muster. Twinkie was running well himself, and had another suspected stop-to-flush (on a woodcock, read on) at 21. We did not see a bird, however, and Twinkie moved himself on. A short time later, Riglee cruised into the area ahead of where Twinkie had stopped and went on point. A woodcock got up wild and flew over his head and landed in front of Riglee. Ettinger fired and had to hustle to get to his dog. A couple of baby steps just before the collar grab made for a tense moment. When the course would open up, Twinkie would act birdy and slow up as if extra cautious, but this did not result in any birdwork. At 30, Twinkie's bell stopped in thick pines to the left. The effort by the handler to locate him was not far enough. Sound travels in odd ways in this hilly terrain, especially for ears dulled by shotguns and Rock n' Roll. Pat Carney was sent to scout, went in further and called POINT. The grouse left, Twinkie left and you can't judge what you can't see or hear. The brace ended with Riglee pushing the limits of his bell to set a standard that would not be beat.

5. CASCO BAY JASPER - McPherson. COO'S COMMUN' ON STRONG - Hilliard. Ammoonusuc Course.

Jasper ran a big race, probably bigger than the birds were hiding on this course. In the alder bottom along the stream, a dog can either take it short or swim and take it big and Jasper took it big, as we heard him to the front or on the other side of the river to the left and on the other side of the bog to the right. For all his effort, no birds were produced and he finished his hour birdless. Trace started moderately and finished strong and this young dog got his woodcock pointed just after Ray's Blade corner. At 50, two grouse were walked up with neither dog involved.

6. RED HAired MARY - Bill Gorman & LOCAR'S EVER IN BLUE JEANS - Pat Carney. Moosehorn Course.

Mary's race was not up to her usual performance. She had a stop-to-flush at 19 on a woodcock and some movement after the flush, and a non-productive at 35. Jeannie got herself into a brood of grouse at 15 with her stopping at the flush while Pat fired and the brood of five scattered one by one with Jeannie holding steady and stylish. At 20 she had another grouse find and at 25 yet another, this time she had to be scouted and was found standing tall. When Jeannie gets her hour race down we can all stay home. Another grouse was walked up at 51.

7. CAPEWINDS LITTLE TUCKERMAN - Wessels & SYLVIA'S BIG BIRTHDAY BASH - McPherson. Pancake Course.

Tucker needed some time to get going and his application was close until he came to grief on a grouse at 40. Basher was eating up the countryside at breakneck speed, at times using the path to gain the front but this diminished as the brace wore on. We all lost his bell at 47, until Wessels announced that he had been standing motionless right next to the place where Tucker had been captured after his grouse encounter. Basher was moving in another area

when Tucker took the grouse and could have been stopped on air scent of the flushing grouse whose trajectory was near where Basher was standing. A relocation effort proved barren. At 50, he was found standing to the right and a relocation effort was again not rewarded with a bird. A grouse left a high bush at 38 in this brace.

8. SUEMAC'S LIBERTY BELLE - McPherson. Deer Mountain Course.

Libby is one of those electric bitches; she is total intensity in application and enthusiasm and fun to watch. At 1 minute, she went on point just off the path and a relocation effort was not rewarded, but I do not recall seeing a faster dog work a relocation. She goes from 0 to 100 mph in one second flat. A grouse was walked up at 8, and Libby had a stop-to-flush on a grouse at 11. At 18, her bell stopped deep in a swamp and we found her standing. A relocation effort proved fruitless. This was repeated at 35 and handler picked up this in-season bitch at 50.

New England Brittany Open Derby Classic

The Derby Classic was held in conjunction with the New England Brittany Grouse-Woodcock Championship/Classic the weekend of September 29th and 30th up in Berlin NH. The Derby stake started around 11:30 am under beautiful early autumn weather. The temperatures were in the mid 60's as the dogs were called to the line on the Goldenrod course located on the north side of the loop road. There were a total of five starters for this Derby stake. The judges for the stake were Arthur Hembrough and Ryan Frame. The trial committee would like to thank Purina for their continued support and for supplying Pro Plan dog food to the winners for this enjoyable event held every fall in Northern Coos County NH.

The Derby stake runs 30 minutes over a single course. The course starts out on top of a ridge, and gradually works its way downward along the edge of an overgrown clear cut. The course then meanders along the bottom edge of the clear cut and continues horizontally into the woods. The course then moves onto a old skidder road. Several smaller openings appear along this road, which goes on for about a quarter mile. The course then turns 90 degrees and climbs up hill through a more mature tree stand, until coming to another skid road that takes the dogs uphill gradually back to the top of the clear cut, where the break away started.

Over the past several years the course has held several woodcock and a few grouse to give the derby dogs some bird work. We were hopeful this would be the case again for 2007.

Call back was required to establish bird work on quail at a nearby field. All three dogs called back had acceptable points and bird work.

Placements: Winner ROCK IT - Wessels, R/U BRADY - Blondin. Close to the winners was CHESTER - Pittman.

Brace (1) JETER III -M. Blondin & COOS BLUE- R. Gorman

Both dogs broke to the front with Jeter taking the lead as the group worked down the right side of clear cut. Jeter was making nice cast to the front of the group and Blue also working the edges. At eight minutes Jeter went on point at the bottom of clear cut. Handler made series of attempts for flush nothing produced. Jeter was pulled off and worked forward. Around ten minute mark Blue started making some bolder moves once group entered the woods. Blue made some nice casts to front being sung to by Gorman. A grouse lifted at the fifteen minute mark from the right side of trail, no dogs present. The gallery moved forward with another wild flush heard around the eighteen minute mark. Jeter was making a deep cast off to the bottom of the ridge. Blue was handling closer then Jeter in this wooded section. At twenty minute mark Grouse flushed in front of the gallery, but no bird work by dogs at the uphill corner as both dogs were out some. Blue seemed to get excited near where the bird took wing and may have heard the bird flush. Jeter and Blue continued

making casts to front in the final ten minutes with both handlers singing to the dogs maintaining enthusiasm.

Brace (2) GREEN MOUNTAIN BRADY - M. Blondin & LITTLE ROCK IT MAN - S. Wessels.

Both dogs broke away strong and to the front heading down along the end of the clear cut. The race for both dogs was very strong with some thrilling casts and handling work by both. Rock It worked toward the front through heavy cover down at the bottom of the clear cut entering into the skidder road at the bottom. A long cast of the right hand side leading downhill was performed by Brady with Blondin staying on the dog to pull him back up hill. Both dogs stayed just in bell range as the gallery moved uphill towards far corner of the skidder road course. At fourteen Brady came out up ahead of Blondin as dogs became separated on the skidder road. Dogs work ambitiously at the corner of the course where grouse had lifted in the earlier brace with Brady pointing on the right at seventeen. Blondin eagerly walked in as judge followed, after a few attempts for a flush with nothing produced Blondin moved Brady on. Wessels kept forward on the course with Rock It working the high side of the traversed ridge. Both dogs continued making long casts and moving nicely at the twenty three minute mark. Rock It worked nicely to the front handling smoothly for Wessels. Both Rock It and Brady finished strong at the end of thirty minutes.

Brace (3) RILEY'S MAGNUM WINCHESTER - Pittman.

Chester broke away with enthusiasm at the top of the clear cut making some nice moves as the gallery moved down the right side of the clear cut. Chester showed some nice bold moves pushing through some heavy brush down at the bottom of the clear cut. At the ten minute mark Chester made a nice cast up to the right side of ridge as the gallery entered the woods from the clear cut. Pittman worked his dog to the down hill side of the ridge into a birdy area, but nothing was produced. Chester continued to move to the front of handler and gallery as group made its way to the far corner of the course. At nineteen dog slowed to make game but no point was established while working woods area. Chester made series of nice casts to the front although the course. Dog and handler pushed through the course with Pittman working on maintaining contact with Chester some at the end. Course finished at the twenty four minute mark.

2007 Region 19 Amateur All-Age Brittany Championship

September 21-23, 2007 • Dave Tech Ranch – Bonesteel, SD

Hosted by the Ringneck Brittany Club

Submitted by Ken Seivert

Left to right: Joe Luisi, Paul Pollock, Lisa Pollock with Champion CLYDE'S MICRO BREEZE, Jerry McGee, Marsha Luisi, Jessica Carlson with Runner-up SMARTEYES JOKER.

The Ringneck Brittany Club held its fall trial and also hosted the Region 19 Amateur All-Age Brittany Championship on Sept. 21-23, 2007. Headquarters for the event were at the Dave Tech Ranch in Bonesteel, SD. The trial grounds are quite scenic as they border the Missouri River. Wild game is plentiful, and on any given brace, you could encounter prairie chickens, sharp-tail, pheasants, quail, and Hungarian partridges. This makes for a very exciting trial.

This year was the 10th year our club has held a trial here, and we really would like to thank the landowners Jim Selles, The Varlick Family, and Dave and Chris Tech (who own "Ringneck Haven Shooting Preserve") for allowing us to hold our trials on their grounds. Dave also supplies us with hay, birds, and an occasional towing if needed. Weather always plays a big part in the outcome of a field trial. And this year was no exception. We had to deal with strong winds, and dry conditions, which hurt scenting conditions. Bird work was at a premium in the Amateur Championship and also the Regional Trial.

Although the Ringneck Club is small in numbers, we have some very dedicated and hard working members. Thanks goes out to Leslie Andreas for marshalling the Puppy, Derby, and Gun Dog. Thanks to Randy and Ron Walth for driving the dog wagon, and keeping the dogs on line for the Amateur Championship. Our club has hosted sixteen Open All-Age Championships, and eight Amateur All-Age Championships in the last 10 years. Nestle Purina has been the sponsor for most of these events, and we would like to thank them for their support of the Region 19 Amateur and Dakota Prairie All-Age Championship.

The Region 19 Brittany Amateur All-Age Championship started on Friday this year with an entry of 34 Brittany's. Participants from all across the country came to South Dakota to compete on this challenging piece of prairie ground. Judges for the event were: George Hill from New Melle, MO and Mike Boydston from Stillwater, KS. Both men brought with them a wealth of knowledge about bird dogs. They were very attentive to all dogs

even though the winds blew quite hard at times. We thank them for all their hard work and hope they had a good time!

Winner of the event was CLYDE'S MICRO BREEZE. Owned by Paul and Lisa Pollock of Medford, NJ handler was Lisa Pollock. Breaking away from the camp lot in the first brace on Saturday morning, "Mike" ran a forward hunting pattern through the feed strips on the preserve. Reaching out as we crossed the ridge past Rodderman's barns and across Selles pasture, he was found on point at the top of the draw going back into Dave's meadow. "Mike" was relocated several times, and would eventually pin the bird in the middle of the prairie, where Lisa flushed it. Released again at time he was promptly picked up.

The Runner-Up honors went to SMARTEYES JOKER; owned by Steve Ralph of Forrest Lake, MN. "Jordan" ran in the 13th brace on Sunday morning. Breaking away from camp, "Jordan" ran out and promptly pointed a Pheasant at 5 min. at the end of a feed strip. Steve had the good fortune of the other handlers dog going in and helping him with the flushing. "Jordan" then ran a forward race to the end.

CENTRAL MAINE Maine Bird Dog Club Grounds Fryeburg, ME September 8-9, 2007

The weather was highly variable for the 2007 Central Maine Brittany Club trial with hot humid weather in the mid 90's on Saturday to a rainy downpour most of Sunday. The trial was held at the Maine Bird Dog Club grounds in Fryeburg, ME the weekend of September 8 and 9. The state of Maine had done some selective clearcutting and thinning of some of the more heavily forested areas so the course was more open than in the past. Mature hardy quail were liberated on both the juvenile and adult courses for the derby and gun dog stakes; most braces had birdwork as they went over the courses. A total of 85 entries ran in competition over the two days. We are grateful to Black Gold dog foods for their sponsorship of winners. Everyone present had an enjoyable time and looks forward to the next trial.

One of the highlights of the trial was the presentation of placements after the running on Saturday evening at a club-sponsored pasta dinner. The Founders Trophy is a new revolving trophy that will be presented to the winner of the amateur Gun Dog stake each year. The Founders Trophy honors Frank Pride, Harry Lisewski and Dwight "Pete" Jordan, the original founders of the Central Maine Brittany Club, for their continuous 29 years of service to the club and advancement of the Brittany.

IDAHO

Marsing, ID

September 29-30, 2007

The Idaho Brittany Club held its fall field trial on September 29 & 30, 2007. We would like to thank all of our judges: Tom White, Mark Shearman, Roger Borine, Joe Waitman, Dennis Leis, Ed Mayhew, Dave Amick, Ron Dunagan, Steve Ball and Larry Sandusky. Some of these judges had long days in the saddle. We would also like to thank all the volunteers that helped with the trial, without you the trial couldn't have been the success that it was.

The trial this fall had its share of gray clouds that hung over the trial but in the end they all became clear skies. On Saturday we woke up to snow on the hillside that lingered all day reminding us just how cold it was and then the wind decided that it couldn't be left out of the action. Mark Shearman's diesel truck had decided that starting wasn't in its future and Mark was dreading calling for a tow truck but after several suggestions from Frank Bright they got it started. We had three different occasions when we had horses come back to camp with no riders, fortunately nobody was hurt. The darkest cloud of all was when Jim House ran 10-year-old FC/AFC Jalo's Running Josephine. Jim said this was going to be her

last FT that he was going to retire her after this trial. Well, I guess Josephine decided that since it was her last one she was going to go out with a bang. At the break away she went to the front, around the rocky point continuing hard to the front when she went up and over the top of the hill not to be seen the rest of the brace. By the end of the day Josephine was still not found, many people looked for her till after dark with no luck finding her. Sunday came and went, still no Josephine; we called Ken Barber with Tracker asking him if he could bring out his big antenna receiver to see if he could locate her. Ken arrived, but unable to locate her Sunday or Monday. Jim went home late Monday with no Josephine, but three determined IBC members (Ron Dunagan, David Kirk and Larry Sandusky) continued to look for Josephine on Tuesday. Thankfully finding her at 1:00 p.m., other than being cold, hungry and having sore feet she was fine and we were able to call Jim and all the others that helped in looking for her with the good news that she had been found. Thank you again to everybody that came to our trial and to those that helped in many ways. We hope to see everybody in the spring.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

Congratulations

We-Be, Tom, Judy, Chad & Wade

from your friends

*It was almost over,
It was all but done.
But then came We-Be,
The last day to run.
He was looking just awesome,
He finished going away.
Chad couldn't help thinking,
Maybe it's We-Be's day!
And we are all happy,
That the judges knew too,
That their dog would be We-Be
A real dream come true!*
