VOLUME LX • NUMBER 7 • JULY 2008

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Brittanys...

This column originally appeared in the January 2008 issue of the AKC Gazette and is reprinted with permission. This Breed Column is written by Dorothy Macdonald.

*CO-OWNERSHIPS

A co-ownership agreement can be a very tricky thing—it can be very good and then again, it can be very bad.

On one hand, it is a good way to keep breeding rights to a dog and still not be overloaded with more dogs than you can really care for. Co-ownerships also can be an excellent way to obtain additional finances to campaign a dog, or simply another person to help handle the dog. For the dog, it often means a one-on-one relationship rather than being relegated to life in a pack. (This is especially good for Brittanys, who are *not* pack animals.)

But I received a sad letter a few weeks ago from a lady who told me about how she had lost her dog (she claimed that it was stolen from her). The breeder who had retained a co-ownership on the dog claimed the dog and refused to give him back. The lady who wrote the letter had cared for the dog for most of his life, and she was heartbroken. In this kind of scenario, it's impossible to evaluate who is correct: One feels bad for both parties.

Unfortunately, co-ownership can cause these situations to occur. Disagreements can arise over many situations – over

when a breeding should occur or over breeding choices, over how the dog is being cared for, over the competition a dog should be entered in, and so on. All these things can cause problems if they have not been spelled out in advance between the co-owners.

It's just not wise to enter into co-ownerships with people that you do not know. Of course in many co-ownership cases everything can and does work out very well; but if you don't know the person it's a gamble.

If you decide to co-own, get your agreement in writing, and make sure all the parties get a copy. A verbal agreement is just not good enough because two or more years down the road memories get blurred and without a written contract, there is no proof.

I don't want you to think that this is a plea to discontinue co-ownerships, because this is certainly not my intent. Rather, co-ownerships can be very useful tools, but please be careful! Our dogs mean so much to us that we don't need to see the taken away from us. Protect them and yourself. Know the co-owner you are signing up with, and do make sure that all owners sign a written agreement.

- Reflections -

This is the conclusion to the article started in the June issue. I'm sure most of the old timers in the club are well aware of the process and value of registering our dogs, but I hope this gives some more insight into the issues for those who are newer to the club as well as showing similarities and differences between the 1940's through this decade.

The integrity of the Stud Book until recent times depended on the integrity of the breeders submitting the documentation. With the advent of DNA, unscrupulous breeders were discovered and steps have been taken to use DNA to verify the integrity of the Stud Book. Dogs who are named Champions or Runner-Up Champions in American Field Events are now required to submit DNA samples if none are on record. Most likely, these will be the dogs most sought after for breeding purposes, thus the new ruling.

Another change, as mentioned last month, is that individual registrations are no longer published in

The American Field. If there were 2,000,000 registered dogs on file in the 1950's, I can only wonder how many are on file in 2008.

I know some of our members only register with the AKC. Dogs who compete in both AKC & American Field/AFTCA events need to be registered with the Field Dog Stud Book prior to winning in order for placements to be recorded. A derby or adult placement in American Field events gives a dog a win certificate which is needed to be entered and awarded an American Field or Amateur Field Trial Clubs of America Championship if he were to be so honored to win one someday in the future. If any of you have questions on registering with the FDSB, feel free to contact me for help or call The American Field at 1-312-663-9797 or email amfieldpub@att.net.

Brittanys In Field Trials

*(Reprinted from The American Brittany,
Vol. 6, #11, June 1955, pages 26, 28, 29)*

Part II

A Certified Pedigree, furnished by the FDSB from three to six generations, gives the genealogy of the registered dog. It is valuable to a fancier because reliable pedigree information is essential to the successful breeding of quality dogs.

In addition to registration of individual dogs and issuance of Certified Pedigrees, Field Dog Stud Book service also includes enrollment of litters and transfers of title to ownership. Enrollment of litter means simply that the mating of the sire and dam is entered in the permanent files of the stud book, giving date (or dates) of service, the time of whelping, the number and sex of the puppies in the litter, the color of each, the name and address of the owner of the stud dog, and the dam at the time of service.

Enrollment of a litter is desirable because it established a permanent record of the facts needed to register a puppy and actually simplifies the registration of each puppy, because no stud-dog-owner certification is required to register a puppy from a litter that has been enrolled, the certification signed by the breeder being sufficient.

To effect a transfer in the title to ownership of a registered dog, the registration certificate is endorsed on the back by the recorded owner, who signs a regular form appearing thereon transferring the title to the purchaser of the dog. The certificate thus endorsed is sent to the Field Dog Stud Book, CO American Field Publishing Company, 222 West Adams Street, Chicago 6, Illinois, the change in ownership is duly recorded and a new registration certificate is issued to the present owner.

The FDSB application for registration forms, enrollment, and breeding certificates are reproduced. Each application, when

submitted, is checked to see that all essential information is given and is correct. If the dog is not of solid color, it is required that the principal markings be indicated on the diagram, as shown. The form is printed in two colors so that no important detail may be overlooked.

Whenever an application is not in proper order, it is returned to the sender. If the papers are correct in every detail, the dog is registered, notice of the registration published in the American Field, and a certificate of registration issued to the owner of record.

The completeness of the FDSB system is indicated by the fact that (1) Original applications are kept in numerical order; (2) Individual registration cards are filed alphabetically according to breed; (3) Owner card files contain the names and addresses of all who have registered dogs with each registered by an owner given on the card; (4) Bound Yearly volumes of the FDSB available through 1947, and special issues up to date.

Field trial records are also maintained, kept in separate files from the registrations. Winners are listed under the names of the sire, with a cross index for dams, so that production records are segregated. In a relatively few moments, by reference to these files it may be determined how many times a dog has been placed in recognized competition, giving full record of individual placements, as well as the number of winners he may have produced, with the individual wins made by his progeny.

The FDSB has more than half-a-million sporting dogs registered individually and file records of over 2,000,000 pedigreed dogs. Breeders are cognizant of the authenticity of its records, aware of the sincerity of the management, the completeness of its system, and gladly manifest their confidence in its conduct by their continued patronage.

AKC Junior Recognition Program

Since the Junior Recognition Program began in January 1999, recognizing Juniors who obtain titles on dogs in the Companion and Performance Events, dozens of certificates have been issued to Juniors.

The majority of certificates have been issued for dogs with titles in Obedience and Agility. However, we have many Juniors participating and working towards titles in all of the events, including Hunt Tests and Field Trials, Earthdog, Lure Coursing and Herding.

The biggest shortfall we have encountered is that the completed Junior Handler certification forms are not being received in the AKC Event Records department and therefore, the dogs' records are not being updated to indicate that a Junior handled the dog. Many Juniors who have met the criteria to receive a certificate have not because of lost/misplaced paperwork. The AKC Event Record and Judges Education Departments now have the ability to update a dog's record to include the junior handler's number, even after the event has been closed out.

We strongly urge Juniors to keep records of their wins, titles, legs, etc., and to maintain their copy of the Junior Handler Certification forms. In the event that the original yellow form is not received by the AKC, we will accept a copy of the Junior's copy.

Title certificates for dogs are processed by the AKC's computer system. Junior Recognition certificates are processed manually, and therefore, will be issued after the dog's certificate has been issued. If you come across a Junior who has not received their certificate, please have them call us at (919) 816-3776. We will be happy to review the Junior's record and the dog's record to determine which forms are missing. Junior Handler Numbers can also be assigned immediately over the phone (during business hours) at the above phone number. Copies of missing or late Junior Handler Certification forms can be mailed to:

From AKC...

Getting Started in Junior Showmanship

The American Kennel Club licenses dogs shows (competitive exhibitions in which dogs are judged in accordance with an established standard of perfection for each breed) that test and evaluate the form and function of purebred dogs. In addition, at some shows the AKC offers classes which evaluate the abilities of the participant on the other end of the lead, the young handler.

AKC Junior Showmanship classes offer youngsters the opportunity to:

1. Develop their handling skills
2. Learn about good sportsmanship
3. Learn about dogs and dog shows.

Join the world of AKC Junior Showmanship!

Juniors are important to the future of the sport of dogs and responsible dog ownership, and the more they learn, the more valuable they become. The values, attitudes and responsibility learned through Junior Showmanship will serve youngsters well throughout their lives. By putting time and effort into learning about their dog and how to present it, juniors are rewarded with a win.

Who may participate

Junior Showmanship classes are open to children from 9 to 18 years old and are divided into Novice and Open classes: All participants in Junior Showmanship classes must have an AKC Junior Showmanship Handler Number. Novice classes are for those children who, at the time entries close, have not won three (3) first-place awards in a Novice class at a licensed or member show. To qualify as a win, more than one child must be in competition in a class. The Novice class gives those children who are beginners a chance to gain experience and confidence apart from the more seasoned youngsters. Open classes are for those children having three or more first-place wins; these are the more experienced Junior Handlers. A beginner can learn how to present their dog more effectively by watching these talented youngsters in the ring.

The classes may further be divided into:

- Junior: At least 9 years old but under 12 years old on the day of the show.
- Intermediate: At least 12 years old but under 15 years old on the day of the show.
- Senior: At least 15 years old but under 18 years old on the day of the show.

Judging criteria

Juniors are judged on their ability to present, or handle, their dogs within the same formats and guidelines as those who compete in the breed ring. The quality of their presentation, not the dog, is judged. Juniors are encouraged to develop their handling abilities, dress appropriately, conduct themselves in a proper manner, and present their dog in a well-groomed condition.

What about the dog?

Any dog entered must be eligible to compete in dog shows or obedience trials. The dog must be owned by the child, a member of the child's family or member of his household. Many times junior showmanship classes are free (if the dog is entered in regular classes) or are offered at the reduced rate.

How to get started

The best way for prospective junior handlers to see what is involved in junior handling is to watch the Junior Showmanship classes at a dog show. They will see how children take part at all levels of competition, how they have developed friendships and have learned to compete and accept their wins and losses in a gracious manner. Talk to these young participants in our sport. You will be impressed by their knowledge, attitudes and their willingness to share their experiences with someone new to the sport. Another way to learn the basics is at your local dog club. Many clubs offer weekly handling classes. These informal sessions are conducted in a relaxed atmosphere and afford both dog and handler an opportunity to practice in a setting similar to an actual show.

In order to receive Premium Lists (which detail date, location and judges of all classes at a particular show) for shows in your area, visit the Superintendent's office at any show. Or subscribe to the AKC Gazette and you will receive, as a part of your subscription, the Events Calendar, a monthly supplement which lists all the AKC events held throughout the country.

A Brief History of Junior Showmanship

Part of the mission of the American Kennel Club is to "Take whatever actions necessary to protect and assure the continuation of the sport of purebred dogs." The AKC's Junior Showmanship Program is just one example of the kennel club's commitment to fulfilling this portion of its charter statement.

In the late 1920's a group of dog show exhibitors led by Mr. Leonard Brumby, Sr., decided to develop a special competition for children. The purpose of the competition would be to introduce a new generation of fanciers to the sport and to give children the opportunity to measure their skills against those of their peers. The children would be judged by how well they presented their dogs with respect to the nuances of the breed being shown. The first Children's Handling class was held at the Westbury Kennel Association show of 1932, and quickly became a popular feature at other AKC events.

In 1949 the Professional Handlers Association donated a trophy in honor and memory of Mr. Brumby to the winner of the Children's Handling Classes at the Westminster Kennel Club show. This trophy is still awarded to the winner of the Junior Handler competition at Westminster and is the most sought-after prize in the sport.

Children's Handling classes were very informal when the program began. The judging of the classes would normally start whenever the first breed ring became available. The judges were usually professional handlers themselves, and the participants were allowed to use any dog that was available to them.

In 1951 the name of the competition was changed from Children's Handling to Junior Showmanship. Twenty years later, in 1971, the American Kennel Club recognized the virtues of Junior Handler competition and granted official recognition for these classes at AKC events.

The Junior Showmanship program has grown and changed in dramatic fashion since its humble beginnings in 1932. The AKC now has guidelines for participation and adjudication of this event. For example, juniors must be between 10 and 18 years of age to participate. They must win three first placements in the Novice class before advancing to the Open class. Judges must be approved by the AKC to judge Junior classes, and the dogs that the junior handlers exhibit must be owned by them, a member of their family, or a relative.

In 1999 the Junior Showmanship program was expanded to include performance events. Currently, a Junior Handler that handles a dog to a performance title will receive a certificate from the AKC acknowledging this accomplishment.

The American Kennel Club also awards Scholarships to deserving Junior Handlers to encourage them to continue on with their education. The AKC awarded 38 Junior Handler Scholarships in 2002. The Board of the American Kennel Club has just increased the Junior Scholarship Fund from \$60,000 to \$100,000. This can truly be seen as affirmation of the AKC's commitment to the youth of our sport.

Junior handlers become ineligible to compete in Junior Showmanship classes at the age of 18. In most cases, their participation in the sport of purebred dog does not cease once they have "aged out" of competition. From the ranks of Junior Handlers we find the future breeders, AKC Club Members, approved judges and Registered Handlers who will be the caretakers of our sport in the future. We see many of these kids go on to pursue careers as veterinarians. One former Junior is now the CEO of the Orthopedic Foundation for Animals; others have gone on to serve as Board Members of the American Kennel Club. Still others have gone on to make their contribution to the sport as AKC employees.

While the Junior Showmanship program itself has gone through changes, the concept and reasons for its implementation have remained the same: to encourage participation in the sport by young purebred dog enthusiasts; to teach good sportsmanship, win or lose; and to educate the next generation of the fancy. So the next time you find yourself at a show with a few moments to spare, stop by the Junior Showmanship ring to witness the AKC's commitment to its mission statement and the future of our sport.

The American Kennel Club, founded in 1884, is a not-for-profit organization which maintains the largest registry of purebred dogs in the world and oversees the sport of purebred dogs in the United States. The AKC is dedicated to upholding the integrity of its registry, promoting the sport of purebred dogs and breeding for type and function. Along with its nearly 5,000 licensed and member clubs and its affiliated organizations, the AKC advocates for the purebred dog as a family companion, advances canine health and well-being, works to protect the rights of all dog owners and promotes responsible dog ownership. More than 20,000 competitions for AKC-registered purebred dogs are held under AKC rules and regulations each year including conformation, agility, obedience, rally, tracking, herding, lure coursing, coonhound events, hunt tests, field and earthdog tests. Affiliate AKC organizations include the AKC Canine Health Foundation, AKC Companion Animal Recovery and the AKC Museum of the Dog. For more information, visit www.akc.org <<http://www.akc.org>>.

Youth Competes in 2008 AKC Pointing Breed Gun Dog Championship

Dakota Renfree, age 16, handles her Brittany in the Retrieving Championship

By Bonnie Hidalgo, AKC Executive Field Representative

(Reprint permission was given by AKC)

In an age where so much of the news is about troubled teens it is absolutely refreshing to meet one that is well grounded. Dakota Renfree could serve as a role model for young kids. This pretty young lady is excelling in a sport that is typically adult oriented. There are no breaks for Junior Handlers in Pointing Breed Field Trial competition.

At the recent AKC Pointing Breed Gun Dog Championship held at the Red Rock Area just out side of Reno, Nevada, Dakota competed against many of the top dogs and handlers in the Nation. While her dog did not place, it gave a respectable performance and this young lady was cool and collected in her handling ability. Dakota and her Brittany, Dakota's Booker T completed a nice find on Chukar. Dakota worked with the gunner to flush the bird in the best direction and then capably handled her dog through the retrieve. It was a very impressive performance especially considering that Dakota is only 16 years old.

Dakota's story begins long before this event. She began attending field trials with her Grandparents, Ed and Linda Dixon when she was a toddler while her mother was delivering her baby sister. At the tender age of 8 she ran a dog in field trial competition for the first time. She began riding at an early age and is an accomplished rider. At age 12, she competed in a local Rodeo against women on the pro-rodeo circuit and placed second in the Barrel Race. Dakota used her winnings to buy her first Brittany. When that dog didn't work out, the breeder gave her a replacement puppy in 2002. Dakota named him Dakota's Booker T.

Dakota lives near her Grandparents and is fortunate to be able to train dogs with Grandpa Ed, who with substantial help from Dakota taught Booker to be steady on his game. They described him as having been smart and easy to train. Dakota has placed Booker many times in large stakes of 32 or more entries. Booker has six points towards his Field Championship, including his Major; Dakota has handled him to four of them. Booker also holds the title of Junior Hunter. Dakota's parents are active with the California Brittany Club, as workers and as supporters of Dakota in both field trials and the shows. It is a three generation field trial family.

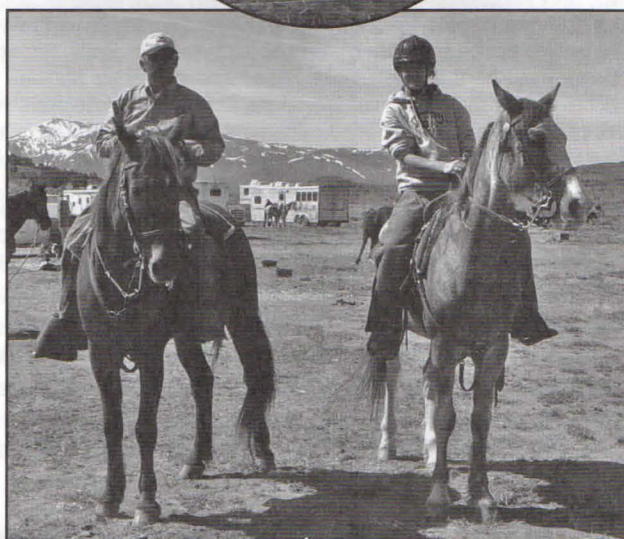

In addition to field work, Dakota and Booker have accomplished much in the show ring.

The combination of the two very different arenas has gained Dakota the title of California Brittany Club Dual Junior Handler for 2002, 2003, 2004 and 2005. In addition to being a great team in competition, Dakota and Booker are best of friends; Booker even sleeps in her bed.

Dakota's interests are varied. She is an active member of her Church Youth group.

She is home schooled and plays sports in the California Home School Sports Association. Varsity basketball and Varsity volleyball are her sports. Recently, she traveled with her basketball team from California to Oklahoma City for a tournament. The fact that she is home schooled allows her the freedom to travel to field trials. She gets top grades and can be found studying during down times at the trials.

Dakota retains her love of barrel racing and is currently training a filly to be her next barrel horse. With her love of animals, her ability to relate to them and her willingness to work, she will always be a success. This quiet, unassuming young lady is extremely well liked by her field trial peers of all ages. With more young people like Dakota Renfree, the sport of pointing dog field trials would have a secure place in the future. Hats off to this outstanding teenager!

Southern New England Brittany Club Youth Stake

By Bob Fleury

With a concern for the future of the sport of field trialing and the desire to draw families into the arena, Southern New England Brittany Club hosted a junior handler stake at their spring field trial held on March 21, 2008 at the John E. Flaherty field trial area in East Windsor, Connecticut. There had been much discussion in the past to host this event and the club finally made the commitment to include the youngsters in the sport. A lot of work and planing went into this inaugural event for the kids where everyone was a "winner" and the main goal was "to have fun".

Ten youngsters eagerly participated and ran their dogs under the watchful eyes of Dr. Leslie Hunt and Michele Sala. Prior to the stake an informational session took place. Outdoors, Fran Moore instructed these juniors on the proper use

of the blank pistol and allowed them to hold one if they desired. Next, Leslie Hunt took the kids inside the clubhouse for a mini classroom tutorial on the expectations of the stake. Her emphasis focused on the goal of having fun (both kids and dogs) while instructing the handlers to let their dogs run, hunt and find birds. The young handlers were encouraged to ask questions and even instructed to give a loud chant to boost the enthusiasm level. Each brace ran about 20 minutes on a short course in front of the clubhouse for all to see. Each participant successfully got their dogs through the course and they all had multiple finds. There were several club members handling the bird planting chores to make sure each handler had a chance to get their dogs into birds.

At the conclusion of the stake, the group gathered in the clubhouse for their "award ceremony". Each handler was given a ribbon along with a bag of goodies. Through the generosity of TBI (Trail Blazin Innovation), Gun Dog Supply and Cabela's, the kids were given caps, tee shirts, lanyards and gift certificates. Dr. Hunt commended the efforts of each handler, noting that both judges enjoyed watching

the dogs and the handlers performing. More importantly, she recognized that all the handlers seemed to thoroughly enjoy the experience. Success of this Junior Handler stake could have been measured by the smiles of the kids and the adults who watched. Today, participation in field trialing is dominated by an aging group. The club has planned to continue the youth stake on a continuing basis. It is hopeful that the club's efforts with the youth stake will help draw interest in the sport from a younger group of people.

To: All Pointing Breed Clubs

Subject: **“GETTING THERE IS HALF THE BATTLE”**

Pointing breed field events are facing some significant challenges. The price of fuel, increasing restrictions on land use, availability of horses, and limitations on the discharge of firearms are all impacting the future of field events. Since it is reasonable to assume these trends will not be reversed, consideration should be given to how our events can be structured in order to maximize opportunities for participation.

Today more than ever, getting there is half the battle. The following ideas may be helpful as clubs plan for future events. It is up to the judgment of the club to determine if it has the resources to make it work.

- Clustering of Events – Two clubs may be able to cluster their field trials, with one trial on Fri/Sat and another on Sun/Mon.
- Coordination With Neighboring Events – If there are two field events within reasonable driving distance, coordinating the order of the stakes may allow some participants to attend both trials.
- Holding a Hunt Test in Conjunction with a Field Trial – This could happen in a number of ways. It could be two clubs or perhaps the same club. The events could be on different days or perhaps the events could be run concurrently.

In all cases, respect for the land is of the utmost importance. All participants must be responsible for their own cleanup. Host clubs should appoint a committee to perform a final inspection.

Every Club and local situation is slightly different. If there is a unique situation that might work for your club, please feel free to contact the AKC Performance Events Department in order to discuss. The contact person is Lisa Carroll, Manager of Performance Events, LAC@akc.org.

Social and economic trends are changing the world around us. We need to consider how we might change to meet the new challenges while still preserving the core elements and rich heritage of our field events.

Sincerely,

Doug Ljungren

2008 ABC Southern Open & Amateur Brittany Classic/Championship

February 16, 2008 • Dick Cross Wildlife Management Area, Boydton, VA

Submitted by Yvonne McKeag

The Southern Open Brittany Club held their Annual ABC Southern Open and Amateur Brittany Championships and Derby Classic beginning on February 16th at Dick Cross Wildlife Management Area in Boydton, VA. They drew the ABC Southern Amateur Classic/Championship Friday evening in the club house while everyone present enjoyed a Chili dinner hosted by long time supporters of the event, Lynda Zartarian, Dennis Harkcom, and Cindy Manning. This year in the saddle was Allen Dahl of Clarksville, VA and Art Cohen of Glen Rock, PA. Both of these gentlemen gave each entry their undivided attention for their full hour. The weather this year was dry and mild. Everyone would also like to take the time to thank Purina for their generous support of this event.

CLYDE'S MICRO-BREEZE (known as Mike), a liver and white male owned and handled by Lisa Pollock was named First. This year's winner ran in the eighth brace and showed a consistent forward all-age race with two finds and one unproductive.

Placing second this year was JUST CALL ME ROY, owned and handled by Tom Ettinger. Roy is an orange and white male who ran in the third brace and had one nice find and good race. In third place was PINEY RUN DOT, owned and handled by Martha Greenlee. Dot is an orange and white female who ran in the fourth brace 2 stylish finds and nice ground race. Fourth place was Bass Mountain Reebok, owned and handled by Norman Melton. Reebok is an orange and white male who was braced in the sixth brace with 3 nice finds.

THE RUNNING OF THE ABC SOUTHERN AMATEUR ALL-AGE CHAMPIONSHIP

The first brace broke away at 9:00 am with a beautiful mild day. Leading the way were HOPE'S BOUREA (Tighe) and EARLY TIMES (Foley). Earl was wide open on breakaway and handler conceded to look for the dog shortly after crossing the road. Bourea worked with his handler until we headed for the river bottom when he went missing.

The second brace of the day TOBACCO ROSE II (Kerr) and MUSTANG SALLY VII (Borgmann). Point was called for Sally in the clearing before the river bottom with Rose coming in for a back. Sally had good style and manners as the bird was produced and shot fired. Rose was picked up at this time for not pleasing her handler and Sally was sent on. Sally started hunting after crossing the dam and her handler leashed her before going to the Bear Trap.

Next was the ROCK II (Pollock) and JUST CALL ME ROY (Ettinger). Both of these dogs covered the front course with style before heading into the woods before the river bottom. Point was called in the clearing before the river bottom field several yards apart. Both dogs showed great style and manners until temptation got the better of Rock ending his bid for the title. Roy maintained his composure for the flush and shot. Roy continued on course and time was called after crossing the bear trap and making a nice forward cast heading for the cedar row.

After Lunch it was RJA PAWS Z TRAC (Anders) and PINEY RUN DOT (Greenlee) on the line. Both of these dogs covered the course well showing to the front. Both dogs were found pointing in the clearing before the river bottom with style; bird was flushed with all in order. Point was then called for Trac mid way down the river bottom field. Anders then picked up what appeared to be a dead bird and shot. While handing the bird off it had a recovery and flew away. Crossing behind the silo Dot's Scout called point. Dot showed excellent style and manners was sent on. Both dogs went on to finish their hour.

The last brace of the day was HOPE'S QUARTERBACK SNEAK (Tighe) and LINVEL'S ACE OF DIAMONDS (Pollock). Sneak scored first in the second clearing before the river bottom, with all in order. Next Ace scored in the next clearing with Boomer coming in for a back. When Ace was relocated Boomer was sent on. Ace did not re-establish point and was sent on. Both dogs finished their hour shortly after crossing the bear trap.

Sunday morning started off mild and got colder as the day wore on with the wind increasing it made dog handling very tough.

First to the line was SAVING PRIVATE RYAN (Kerr) and BASS MOUNTAIN REEBOK (Melton). Ryan had his running shoes on and covered some ground but was not pleasing his handler and was collared before the river bottom field. Reebok scored his first find in the clearing before the river bottom showing his style and manners. Scout called point at the silo, with all in order. Entering the field after the road Reebok was found pointing, after a flushing attempt he was relocated. After giving him an opportunity to re establish point time was called and the brace was ended.

ROVAN'S DUST DEVIL DAN (Clark) and DIAMOND HILL SHE'S GONE (Lisa Pollock) were the seventh brace. Scouts were sent across the first pond in search of the dogs. The call of point was heard. Dan was found standing on point with all in order he was sent on. She's Gone rejoined her handler before crossing into the woods heading for

the river bottom. Dan scored again in the clearing before the river bottom with all in order. She's Gone was seen taking in the entire river bottom keeping her handler and scout busy. Dan went to hunting, and scored his last find behind the Silo with all in order. At time Cleo was found standing in the field before the Bear Trap and Dan came into back her.

After a short break the eighth brace of MARJOS RED RUM (Luisi) and CLYDE'S MICRO BREEZE (Lisa Pollock) were on the line. These dogs were ready to run. Mike's handler showed him taking in the fields far to the front as we topped the first hill. Scouts were sent across the pond when the dogs did not make the full casts across the field and Point was called for Mike. Handler found feathers and sent Mike on. Mike then pointed before the second pond with intensity and everything was in order. Red Rum was running a little rough and was lost on the river bottom. Mike's handler again pointed him out crossing the dam at the end of the river bottom. Mike's final find came before the bear trap with good style and manners. Mike finished his hour reaching for the fields after the cedar row.

The final brace of the stake was ROVAN'S ROCK RIDGE RT ASCEND (Bogdonavich) and JENNY TWO SHOES MARJOS (Quinn). Both dogs and handlers were fired up and ready to go. Jenny scored in the clearing before the river bottom with great style and exuberance with a hop at flush. She scored again at the end of the river bottom field again with style and exuberance. When sent on she decided to set her own course and became a handful for her handler. Ascend continued hunting for her handler and was rewarded in the field before the bear trap with all in order and time was called.

THE DERBY CLASSIC

Sunday Night at a Spaghetti and Meatball dinner, hosted by Secretary Lisa Pollock and her husband Paul, we drew for the ABC Derby Classic and the Southern Open Brittany Classic/Championship.

In the Saddle Monday morning for the Derby Classic were Gus Allimonos and Dennis Harkcom. CAMO owned by Joyce Roberts and Vic Williams handled by Tom Tracy took first. DIAMOND HILL GREEN MACHINE owned by Paul and Lisa Pollock and handled by Lisa Pollock in second. Third went to DIAMOND HILL DO IT IN DIXIE owned by Paul and Lisa Pollock and handled by Paul Pollock.

SOUTHERN OPEN BRITTANY CLASSIC/CHAMPIONSHIP

Tuesday morning started off mild but turned colder as the day went on as a cold front pushed in with light winds increasing to some rather strong gusts throughout the day helping to cool things down. The judges were Gus Allimonos and Dennis Harkcom. Tuesday night Vic and Joyce Williams the owners of last year's winner Chancey Jackpot Lotto hosted the dinner.

This year's winner of the ABC Southern Open Brittany Classic/Championship is MAXWELL'S WHITE SPIRIT, a white and orange male, owned by Kent Patterson and handled by Ben Lorensen, who ran in the third brace. He impressed the judges with his style and intensity on his two finds and how he made his way around the course look effortless always staying to the front without help. He ran in the third brace. In second place was JUST CALL ME ROY, white and orange male owned by Tom Ettinger and handled by Ben Lorensen who ran in the seventh brace. The judges also commented on Roy's strong race and manners on his bird. Third place went to DAKOTA ALLEYCAT owned by Bo Ackerman and handled by Tom Tracy, Jr. Alleycat ran in the fourth brace with three finds and a strong race. Fourth place with BASS MOUNTAIN REEBOK, owned and handled by Norman Melton. Reebok is an orange and white male who ran in the final brace with five finds and a nice forward race.

THE RUNNING

First to the line was CLYDE'S MICRO-BREEZE (Tracy) and ROYAL REVEREND (Lorenson). Both dogs had a nice breakaway covering the front fields. Point was called for Luke shortly after crossing the road before the pond, and was collared for a misdeed. Mike went on to the river bottom and scored a find in the clearing before breaking into the river bottom. Mike displayed excellent manners and was taken on. After covering the river bottom his handler raised his hat again for point behind the Silo. Unable to locate the bird, he was relocated. He moved straight ahead a few feet pinning the bird. Handler flushed the bird with all in order. Mike went on to finish in the fields beyond the cedar rows.

Next THE ROCK II (Tracy) and TOBACCO ROSE II (Kerr) were released. Rose ran a strong race but was not seen coming into the river bottom and handler conceded crossing the dam. Before the second pond Rock was in a thicket with feathers found in an unclear situation and was taken on by his handler. Point was called for Rock at the gap before the dam with all in order. He went on to score again behind the Silo with excellent style and all in order. He was released to finish his hour heading for the cedar row.

With the wind increasing MAXWELL'S WHITE SPIRIT (Lorenson) and ORTHO ACRES BOOKER T (Tracy) took to the fields. Booker was not pleasing his handler and was leashed before crossing the road. The judges commented that Butch was covering the ground making it look effortless staying to the front with little help from the scout. He scored his first bird on the river bottom, with gallery calling point. As the handler thought the dog was standing on the back side of the island it took him longer then the rest to reach the dog. Butch took a step or two to correct himself on his bird but remained stylish and intent throughout and all was in order. Point was called again behind the silo where the handler made a flushing attempted then relocated him. Within a minute of hunting the area he pinned the bird with style and this time the bird flushed with all in order. He went on to finish his hour heading for the cedar row.

After lunch the fourth brace of MAXWELL'S GUNSMOKE (Lorenson) and DAKOTA ALLEYCAT (Tracy) was on the line. Both dogs swung wide to the top fields. Scouts were sent and Point was called for Alleycat across the first pond, with all in order.

Gunsmoke and his handler continued on across the road setting a brutal pace for the hour. While racing to regain the front, Tiger scored a find in the clearing before the river bottom with all in order. Tiger and his handler regained the front on the river bottom. Tiger had his last find behind the silo showing excellent style and manners. Having gone birdless around the course Gunsmoke was collared just after the bear trap. Tiger went on to finish his hour to complete the course in the fields after the cedar row. Judges commented Tiger did a fine performance but kept trying to dig into the woods.

The final brace of the day was EARLY TIMES (Earl) and LINVEL'S ACE OF DIAMONDS (Pollock) Earl was not pleasing his handler and was up early. Ace went on to have a mishap in the woods before the river bottom.

Wednesday morning started with a heavy frost on the ground. First to the line was Saving Private Ryan (Tracy) and Piney Run Art (Lorenson) Ryan ran a moderate race with some lateral casts. His only bird contact came at the silo when a hawk chasing a quail passed in front of him to a stop to chase. Artie had a find before crossing the dam in the river bottom where he turned and marked the bird on flush. Handler shot and sent his dog on. Judges called the brace before heading to the bear trap.

In the seventh brace JUST CALL ME ROY (Lorenson) and JENNY TWO SHOES MARJOS (Tracy) took to the field. Both dogs had a nice breakaway with Roy scoring first after crossing the road where he was found standing. The bird flushed over his head and he turned and marked his bird. Roy was sent on to reconnect to the front going through the woods to the river bottom, where point was called for Jenny and Roy coming in for a back. Only feather were found and both dogs were sent on. Jenny's second find came in the river bottom and again only feathers were found. At the end of the river bottom Jenny was found pointing again and this time the bird was flushed. Jenny's last find came behind the silo again showing excellent style but got happy feet and ended her bid for the title. Roy went on to finish his hour reaching for the cedar row.

The final brace was SUNRISE DOT COM (Tracy) and BASS MOUNTAIN REEBOK (Melton) Bill was leashed without bird work on the river bottom. Reebok completed the course in forwarded casts, scoring his first find after crossing the road before the pond. Handler found feathers and relocated him. He pointed again on the opposite side of the path, handler flushed again and was going to move the dog on when the judge saw a bird running in the thick grass and told the handler to shot with all in order. Point was then called on the river bottom, where again handler was not having any luck locating the bird. Melton tried to relocate his dog and Reebok refused to move on his second attempt to flush the bird it lifted and all was in order. His find at the end of the river bottom produced a dead quail with all in order. He scored again behind the silo with excellent style and manners and had his final find in the field before the bear trap with all in order. Judges had him release his dog and called time moments later ending this year running of the Championship.

2008 American Brittany Club Mid-South Classic/Championships

January 12-17, 2008 • Outland Rand – Broughton, IL

(Editors Note: The photos/results are on page 32 of the June 2008 Issue. This report will finish up in the August 2008 Issue.)

Having lost dates at the Camp Robinson Wildlife Management Area in Conway, Arkansas, the Mid-South Brittany Championship Association was honored to be able to conduct its 2008 program at the Outland Ranch near Broughton, IL. This beautiful facility was made available to us by Mr. Jim Fornear. Our sincere thanks go to Ray Trimble for making the arrangements with Mr. Fornear to run a Brittany trial on his grounds for the first time in history. A special thank you also goes to Kenny Robinson and his son Greg who helped marshal and drive the dog wagon for six days. Chad Holman and Al Gorrow provided delicious fare from their freezers for the wild game diner held Saturday night at the club house. All of the wives present pitched in to make the evening a success. Nestle-Purina continued its support of these championship events by providing dog food and financial assistance. As field trial costs continue to increase, this sponsorship has become vital to the future of the sport.

We had a record entry of 29 Amateurs, 10 Derbies and 39 Open All Age. Participants came as far away as Virginia, New Jersey, Michigan, and Ohio. Our regulars from Illinois and Missouri were in attendance as well as contestants from Mississippi, Georgia, Alabama and Tennessee. Professionals Tom Tracy, Jr., Chad Holman and Al Gorrow brought their fine string of dogs this year. Several of their owners also came to compete in the Amateur All Age Classic run over the week end. It took us all a few days to learn the courses and find our way around the area, but by the end of the week, we had settled in to enjoy the beautiful facilities of the ranch. However, a strong deer population played havoc with the running and more dogs were lost on deer than found birds.

ABC MID-SOUTH BRITANNY AMATEUR ALL AGE CLASSIC

Dave Capstick and Tim Self from Jonesburg, MO sat in the saddle to judge the two and a half day event. Their attention to detail and years of experience were appreciated by all. From Ann Arbor, Michigan, Tom and Judy Robin's NFC/FC/AFC Lane's End We-Be Clean continued his winning ways as We-Be displayed exceptional bird work in brace 13 for his owner/handler Tom Robin to claim the blue ribbon. Second place went to Paul & Lisa Pollock's FC/AFC Clyde's Micro-Breeze, handled by Lisa in Brace 6. Coming from Medford, New Jersey, the trip was well worth while. Ray Trimble, Cartersville, Ill. running Trucker's Wild Ride in the last brace of the event was placed third. Ru-Jem's Diamond Jim run by Jerry McGee from Steward, IL. in the 12th brace completed the ABC national amateur qualifiers coming in fourth. The ABC Mid South Brittany Amateur All Age Classic started at 8 a.m. Saturday morning under sunny skies with a temperature of 23 degrees. The first day of running ended with the score Deer 6, Dogs 1, as all six braces experienced several deer contacts but few birds. We knew the birds were there as the gallery and scouts rood up several coveys. Five dogs ran in the morning with no bird contact.

Brace 1, BRISCO'S MR. STUB (Ray Trimble) and RC'S RUFF RANGER (Rob Richter) were down the hour. The Rock II (Paul Pollock) ran as a bye in Brace 2. Leland Dye ran Hi Proof Whizki and Jim Chase put down Gambler's Good Deal in Brace 3. Both dogs were lost to complete the morning's running.

Brace 4) UPLAND ACRES PRAIRIE DU CHIEN (Tom Burroughs), RU-JEM'S A TOUCH OF BOURBON (Jerry McGee). Under clear blue skies we broke away at 1:01 with temperatures climbing to 50 degrees. "Chug" made a nice cast to the right as we approached the woods leading into the horseshoe. Tom was working to bring "Shane" to the front. He caught up at about 10. Both dogs were to the front as we came out of the horseshoe at 25. We approached Persimmon Valley at 53 with both dogs still hunting strong. The hour ended with no bird contact.

Brace 5) TRADEMARK'S ICEMAN (Donna Janulis) and AJAX DIAMOND DYNAMITE (Tom Robin). Dyna established point at 2 minutes into the brace. Dyna was staunchly pointing into the wind as Tom ran up and down the feed strip hoping to put up a bird, but to no avail. As we entered the oil well field at 13, Dyna was out front near the path with "Timmy" out of site. As the handlers made their way through Sycamore Valley Timmy had still not been seen. At 55, point was called for Dyna as Timmy caught up with his handler. The birds were flushed right in front of her with 3 minutes to go.

Brace 6) CLYDE'S MICRO-BREEZE (Lisa Pollock) and SHAMROCK'S SIRUS (Wade Haines) broke away at 3:26 p.m. on course #3. "Sy" put up a large covey shortly and was returned to the dog wagon early. Scout Paul Pollock called point for "Mike" along a feed strip at 18. As Lisa put the birds in the air, Mike stood like a rock. While sometimes finding him a bit lateral in race, Mike put down a strong performance, running hard throughout the entire hour.

Brace 7) MAXWELL'S GUNSMOKE (Kent Patterson) and LINVEL'S ACE OF DIAMONDS (Paul Pollock) broke away at 8:00 a.m. Sunday morning under cloudy skies with

a damp 35 degrees and chilly breeze. Paul started his morning with a deer chase across the green wheat field before the horseshoe bend. At 13 he had gathered him up and proceeded through the woods. Kent was out front looking for "Pete". As Paul made the horseshoe, Ace took off to the left looking for deer. Both dogs were found and returned to the dog wagon at 37.

Brace 8) DAKOTA ALLEY CAT (Bo Ackerman) and LANE'S END BOWTIE BLACKIE (Tom Robin) broke away at the top of the ridge at 8:55. "Tiger" was lost at the breakaway on deer. Blackie had a brief deer chase, but Tom was able to break him off and go forward. As we approached Persimmon Valley at 30, Bo got out the tracker for Tiger. Blackie went on point at the end of the valley, but Tom was not able to produce a bird. He finished at moderate range in the bottoms and Tiger was found back at camp.

Brace 9) GAMBLER'S JAZZ-N IT UP (Ed Janulis) and THE FARSIDE'S KID AMEE (Burton Wice) broke away just as a few snow flakes began to fall. Jazz went on point not far from the break away down a long feed strip. Ed flushed a single quail with all in order. As we proceeded through Sycamore Valley, Amee made a nice cast to the left, rimming the mountain edge and swinging around the pond to end up in front of Burton. Both dogs were to the front with Jazz working a bit closer range. The hour ended with no more bird work.

Brace 10) MAXWELL'S WHITE SPIRIT (Kent Patterson) and EARLY TIMES (Bo Ackerman) broke away after lunch with the winds picking up and cold. At 7, Kent called point, but could not produce a bird for "Butch". Bo had been looking for "Earl" since the first turn of the course and was not able to return him to judgment. Kent made the horseshoe bend and gathered up Butch heading for the park at 30. He ran strong and to the front, but ran out of time to find a much needed bird.

Brace 11) GRAND JUNCTION JAKE (Dick Pulliam) and ANNTIME SOON (Jim Chase) broke away strong. At 18, Soo took off through the creek bed with the scout sent out to bring him back. He crossed in front of the gallery a few minutes later and was last seen headed toward the woods on the right. We had reached the top of the ridge by 37, and Dick pulled the tracker out at 45, only to have the scout bring up Jake a minute later. We are sad to report that Soo was found on the edge of the grounds later that evening, thus ending a promising career for such a fine young dog. You hate to loose a dog at anytime, but take comfort he died doing what he loved. With no visible signs of trauma, we will probably never know exactly what happened.

Brace 12) RC'S BITZ (Rob Richter) and RU-JEM'S DIAMOND JIM (Jerry McGee) comprised the last brace of the day. Rob was not happy with Bitz and elected to pick him up at 15. Jerry guided "Gem" to four finds and a non-productive. His first find came in the bottoms area, followed by a non-productive at the turn to the left. Running at a moderate range, he carded two more finds past the oil well. His last find was a huge covey just below Mr. Fornear's house. Jerry kept him in close as he did not want to loose him on deer before the hour was up.

Brace 13) COOPER'S OZARK TRAVELER (James Doherty) and LANE'S END WE-BE CLEAN (Tom Robin) broke away at 7:30 Monday morning with a somewhat overcast sky and temperature just at 30 degrees. Both dogs were to the front as we came out of the horseshoe at 24 to the big green wheat field on the left. As we approached the park, both dogs continued to run strong and to the front. Just before we dropped down into Persimmon Valley, We-Be carded a covey find at 50 with Coop backing We-Be stayed out front hunting hard and was rewarded with a large covey find at 59 on the feed strip to the left of the course. His ability to find birds where none had been before demonstrates why he was the 2007 ABC National All Age Open Champion.

Brace 14) RU-JEM'S STOP "N" WATCH (Jerry McGee) and JAKE ACRES IN DISQUISH (Rick Crites). 12 minutes into the brace we were approaching the oil well. Jerry had Quill out front to the left, but Rick had not seen Jake after the first five minutes into the hour when he ducked into the woods. At 26, we came out of Sycamore Valley and proceeded up the hill to the 1st course intersection. Jerry pulled out the tracker for Quill at 35 and Jake was not returned to judgement.

Brace 15) BOUNCIN BETTY (Bill Burton) and TRUCKERS WILD RIDE (Ray Trimble) broke away at 10:05. Betty established point in a feed strip at about 20. Rider was on the back side and could not see her on point. As he came around the strip, Ray stopped him for an acceptable back. When Bill relocated Betty, Rider was taken on. No birds were produced. Rider had a find at 25 at the end of a small wooded area with all in order. Deer popped up at 53 minutes with both handlers being able to call off their charges. Each dog finished the hour with a nice cast to the edge of the property on the right.

Continued in the August Issue.

2008 American Brittany Club Prairie State Brittany Classic/Championships

February 28-March 6, 2008 • Grovespring, MO

Submitted by Janet Chase

The twenty-first running of the Prairie State Brittany Championships was held at the Sportsmen's Association Grounds at Grovespring, MO., February 28-March 6, 2008. Our thanks to the Sportsmen's Association for making these grounds available to us for what has come to be an annual 10 or 11 day event. The quality of the facilities and grounds are well known to field trial enthusiasts throughout the country. Handlers and owners came from Illinois, Missouri, Iowa, Michigan, Indiana, Oklahoma, Alabama, Mississippi and New York to participate in these activities.

Joan Covey, cook at Grovespring, prepared breakfast and lunch daily as well as dinner on Saturday night when we celebrated Donna Janulis's "milestone" birthday. Donna served as field trial secretary for the event. Association officers and members, Warren Montgomery, Jerry McGee, Tom Burroughs, Ed and Donna Janulis and Jim and Janet Chase were on hand for all or a substantial part of the event. Warren and Jim planted birds each day. Janet and Tom handled driving the dog wagon among other tasks. Jerry marshaled and helped wherever needed. Ed helped with bird planting. Warren also helped with shuttling dogs between the dog wagon and pickup points when wet ground conditions precluded the dog wagon from covering the entire course. We appreciate the judges riding in often less than desirable weather conditions and providing their comments for this write-up.

Carol Montgomery provided a delicious homemade lasagna dinner Friday evening and on Saturday evening, Chris Burchett brought her karaoke equipment. It provided an entertaining and fun evening thanks to all the participants who gave it a try!

A special thanks to Purina for their continued support of this event.

OPEN SHOOTING DOG CHAMPIONSHIP

Our thanks to judges, Jerry McGee, Illinois, and Roger Obrecht, Missouri, who gave every dog careful and positive consideration in arriving at the best of the 35 contenders in what has become the largest shooting dog championship in the country, except for the National Championship. Both Jerry and Roger have had great success training and handling their own dogs in shooting dog stakes. The weather was generally cold and windy for the running of this championship. In previous years, we had faced too warm temperatures in the afternoons, but that was not the case this year.

THE WINNERS

Country Road's Rough Rider owned by Marvin and Karen Stout and handled by Bob Burchett was named Champion this year. Marvin and Karen were on hand to watch Cooper run in the 4th brace where he clearly set the standard with a strong performance, excellent bird work and excellent handling. Runner-up was Shamrock's Sirius, owned by Wade Haines and handled by Chad Holman. Si ran in the 16th brace and also had an excellent run with a strong finish. Placing third was Ricochet Hemi Baracuda, owned by Mickey Condon and handled by Bob Burchett and fourth was Upland Acres Overland Express, owned by Tom and Gretchen Burroughs and handled by Bob Burchett. Both Mickey and Tom rode to watch their dogs' performances.

THE RUNNING

Ricochet's Maggie Jac (Burchett) and Wolf River's Winning Ticket (Gorow) – Jac had multiple bird work with finds at 5, 30, 33 and 45 as well as a divided find at 15. Cash is a young dog with an excellent juvenile record, but unfortunately had a breach of manners on the divided find, and was picked up. Jac's run was consistent, but somewhat shorter than the placing dogs.

Country Road's Navigator (Burchett) and Odyssey's Ace of Hearts (Holman) – Andi had finds at 35 and 39 as well as a stop to flush at 39. His range was medium. Ace was picked up at 35 for indiscretion at the flush.

Ricochet Hemi Baracuda (Burchett) and Radar (John) – Buck had finds at 7, 35, 40 and 45 and established point at time, but handler was unable to produce a bird. He ran a consistent forward race with good application. Radar failed to back at 40.

Country Road's Rough Rider (Burchett) and Rebel Jac's Hammering Dandy (Holman) – Cooper demonstrated excellent range and handling throughout the hour. His performance was consistently strong throughout, running on the right side of the wind. He had an excellent find at 42. He had clearly set the standard

for this stake. Jac, last year's runner-up, was not to repeat his outstanding performance this year. He was lost early in the stake and his handler called for the tracker at 22.

Ruffwood's Algonquin Indigo (Burchett) and Chilcote's Elusive Legend (Gorow) – Both dogs experienced a breach of manners at 27 on a find and back and were picked up.

TNT's Little Pheasant Finder (Burchett) and Wrigley's First Dance (Hopper) – This brace started with a divided find at 4, all in good order. Cody had another find at the big island at 27. At 50, Burchett noted signs of a foot injury and elected to pick him up. Jazz had a stop to flush on a woodcock at 28, another find at 35 just before starting up Horsekiller Hill and finished with a nice, forward run in Sycamore Valley.

Magic You Can Be My Wingman (Burchett) and Cove Rises Rambo JR (Schaeffer) – Jake scored finds at 14 and 28, with a stop to flush at 59. He ran a strong race for the first 45 minutes, and then slowed somewhat at the end. JR started the brace moving well to the front; pointed at 14, self released and was picked up.

Lane's End High Noon (Robin) and Boomboy Brown (Gorow) – Both dogs had multiple bird work, only to have their efforts ended with both chasing on a find and back on a woodcock at 40.

Tequila Dynamite (Burchett) and Grand Junction Jake (Holman) – Dynamite was picked up at 22 after a second non-productive. Jake had an excellent, hard running performance throughout the hour. Unfortunately, his efforts were only rewarded with a non productive at 15. The judges commented that his was the race of the day.

Upland Acres Overland Express (Burchett) and Harling's Breton Smith (Holman) – Zip had a non productive at 34 and a find at 37, with excellent style. He started a little slow, but finished strong. Brett ran the hour and finished to the front, but was not rewarded with bird work.

W-Haven Moose and Dixie's Kim (Burchett) – The brace mate was scratched so Kim ran as a bye. This was not her day and handler elected to pick up at 22.

Tru's Poise N Ivy (Burchett) and Dr. Block's Rebel Millie (Gorow) – Ivy had a strong first half, with a find at 27, then slowed somewhat in the second half. Millie also had a find at 27, but her run was not up to par and handler elected to pick up early.

Barney's Hi Proof Ronrico (Burchett) and Gambler's Jazz N It Up (Holman) – This was not the day for either of these two dogs, who are frequently in the winner's circle. Rico was picked up at 5 after bringing back a bird; Jazz had a find at 8 and then chased at 15.

Tolka-Belle O Kid Rusty's Pro (Burchett) and LeGrande Tank Du Fayette (Gorow) – Rusty had a back at 9, a find at 13, a non productive at 28 and moved with the bird right underneath him at 31. Tank was not pleasing his handler today and was picked up at 22.

Tru's Magic Bullet (Burchett) and Brisco's IPO (Holman) – Neither Speedy nor Buck were up to par today and both handlers elected to pick up early.

Lane's End Frozen Asset (Robin) and Shamrock's Sirius (Holman) – Turk started out well, running a good round race. He had a non productive at 15 and later, pointed a quail in a tree, moved and lost intensity.

Si started out with an excellent run, had a non productive at 28, and finds at 34, 42 and 44. He slowed a bit after his first find, but then picked up and went on to finish strong.

CSB JL Sullivan (Burchett) and Downtown Lucas Brown (Gorow) – Sully was not pleasing the handler and was picked up at 20; Lucas was distracted today with armadillos and was picked up by his handler.

Sniksoh Sally (Burchett) and Sunnyvale Cindy (Berneathy) – Sally is another young dog with an excellent juvenile record. She ran a good ground race, but went with the covey on a divided find at 21. All was in order with Cindy on the divided find. Taken on, she had a stop to flush on the upgrade of Horsekiller Hill at 25. At 27, she pointed and as the handler moved up, knocked the covey, thus ending the last brace in this stake.

Open Shooting Dog Championship Winners – front row, left to right: Bob Burchett with DC COUNTRY ROAD'S ROUGH RIDER, Donna Janulis with SHAMROCK'S SIRUS, Mickey Condron with DC RICOCHET HEMI BARACUDA and Tom Burroughs with UPLAND ACRES OVERLAND EXPRESS. THE WINNERS

Ru-Jem's A Touch of Bourbon, owned by Ruth and Jerry McGee and handled by Jerry was this year's winner. Chug ran in the 7th brace. He ran a consistent race to the front with a strong finish. He had a find at 13, with excellent style and manners.

The third place and fourth place dogs ran together in the first brace. Third place went to Smarteyes Joker, owned by Steve Ralph. Due to inclement weather and road conditions in Minnesota and other "points north", Steve asked Jerry McGee to handle his dog this year. Jordan had a non productive at 38, a find at 40 with good style and manners, a divided find at 45 on wild birds and finished good on Little Vine Hill. Fourth place went to Lane's End We Be Clean (2007 ABC National Open Champion). WeBe is owned by Tom and Judy Robin and was handled by Tom. WeBe had a non productive at 35, and a divided find at 45. OPEN ALL AGE CHAMPIONSHIP

Judges were Bill Stubblefield, well know Pointer enthusiast from Arkansas, and Ron Harling, long time Brittany owner and handler, from New York. Weather conditions quickly deteriorated at the start of this championship. We ran two braces on Monday morning, but due to heavy rain and resulting swollen creeks, called a halt to the running. Tuesday's start was delayed and we were able to run four braces. As a result, the dog wagon's accessibility to the grounds was limited. In spite of the forecast for heavy snow, we were spared and able to finish the trial by Thursday afternoon.

THE WINNERS

The winner was KT's Artic Gladiator, owned by Dennis and Lori McClary. Max ran in the 10th brace; he's no stranger to the winner's circle and is quickly establishing a reputation for a stake not being over until Max has run! Max had four finds in the first 30 minutes with good intensity and style on point. His performance was smooth; flowed to the front and he finished strong.

Runner-up was Coopers Ozark Traveler, owned by James and Betty Doherty. Cooper is also no stranger in the winner's circle. He ran a great race with three finds and exceptional style on his birds.

Region 5 Amateur All Age Championship Winners – front row, left to right: Jerry McGee with RU-JEM'S A TOUCH OF BOURBON, Warren Montgomery with BOUNCIN BETTY, Tom Thomas with SMARTEYE'S JOKER, and Tom Robin with LANE'S END WE-BE CLEAN. Back row: Judge Tim Self, Ruth McGee, Sherry Merryman, Judge Dave Capstick, and Judy Robin.

Open All Age Championship Winners – in front: Chad Holman with KT'S ARTIC GLADIATOR. Back row, left to right: Judge Bill Stubblefield, Jim Chase, and Judge Ron Harling.

Third place was Shady's Tia Maria with a good race and four finds. Tia is the 2006 ABC National Champion and is owned by Clem and Marilynne Little.

Fourth place was Ru-Jem's Stop "N" Watch with two finds and a good race. Quill is owned by Ruth and Jerry McGee and handled by Jerry. Quill also has multiple hour wins to his credit.

THE RUNNING

Perfect Timing (Holman) and Tequila Jack (John) – Ty ran a great race with three finds; however on the first find, jumped at the birds and took several steps. Jack ran a good race for the first 30 minutes, and then turned to the rear. He returned to back his brace mate.

Trademark's Iceman (Holman) and Shady's Tia Maria (Berneathy) – Timmy ran a great race, but failed to back his brace mate and was picked up. Tia had four finds and a stop to flush, well spaced with a good race. On her first find, Tia was relocated, the bird popped and Tia stopped.

Trucker's Wild Ride (Trimble) and Ru-Jem's Stop "N" Watch (McGee) – Rider had two finds and backed on command. Quill had a back, two finds, one non productive and a great race.

Smarteyes Joker (John) and Rocklan's Misty Allie-T- Bear (Burchett) – Jordan had two finds, but ran more lateral rather than to the front. This was an "interesting" brace, attesting to the extremely wet ground conditions. One find was on the other side of the river; handler fell in the water while getting to his dog! On the second find, the bird was in the tree; again the handler fell in the water while leading the dog out!! Allie ran a good race, but was not rewarded with birds.

Jake's Acres In Disguish (Crites) and Lester (John) – Rick Crites ran his own dog. Jake was at times lateral and not rewarded with bird contact. Lester ran a good race with one find and a non productive. He was absent at the end of the hour and handler pulled the tracker.

Coopers Ozark Traveler (Doherty) and Trademark's ATM (Holman) – Cooper ran a great race with three finds and a stop to flush on a wild covey. He was exceptionally stylish on birds. Cash had one non productive and, not pleasing his handler, was picked up at 30.

Ramblin Man (Gorow) and Rocklan's Kid Rowdy (Burchett) – Randy had two finds, but shut down somewhat after the second find. Rowdy had one non productive.

Gunrunner's Lady's Man (Berneathy) and Brisco's Mr. Stub (Trimble) – Lute ran a somewhat erratic pattern; had a good finish with two finds in the last 15 minutes and was exceptionally stylish on point. Stub had three finds, but was more lateral than to the front.

KB's Shadow Dancer (John) and KT's Artic Gladiator (Holman) – Max had four finds in the first 30 minutes; birds were well located; with good intensity on point. His race was far reaching and smoothly flowing to the front, with a strong finish.

Ru-Jem's Diamond Jim (McGee) and Buford's Bada Bing (Gorow) – Both dogs were not pleasing their handlers and were picked up early.

Country Road's Free For All (Burchett) and Ace's Patch (Holman) – Burchett picked up his young charge at 45; Patch suffered an indiscretion at 20 and was picked up.

Gambler's Good Deal (Holman) and Hi Proof Whizki (Gorow) – Billi was quickly absent and handler called for the tracker at 28. Whizki covered lots of country, although not always to the front, and had no bird contact.

The Far Side's Kid Ameer (Gorow) and T.J's Thunder (John) – Ameer had a find at 7 minutes; after an extended absence, handler called for tracker at 35. Thunder had one non productive; taken one, he had a find, relocated and then had a breach of manners, thus ending the brace.

Ru-Jem's A Touch of Bourbon (McGee) and Starlight's Blazing Sirius (Burchett) – Chug had three finds; he tended to get hung up on ground scent. Sirius started out running well, but erred on a bird in the path.

Breton's Castle Rocket (John) and Lane's End We Be Clean (Holman) – Rocket had two finds; had an extended absence and showed from the rear. He ran a good race, although slowed somewhat at the end. We Be had one find, all in good order. After an extended absence, We Be showed from the rear. Taken on to the front, he had a good finish.

Desert Rose (Berneathy) and Rocklan's Whizzle Stop (Burchett) – Rose had one find and one non productive with an erratic race. Whizzle Stop was picked up after a second non productive.

Havapal's Renegade Billy Boy (Burchett) and Bouncin Betty (Gorow) – Billy covered a lot of ground, pointed a wild turkey at the edge of the woods, slowed at 45, then picked up and finished well. Betty ran a good race with one find.

NOMINATIONS BEGIN . . . NOW!!

Brittany Field Trial Hall of Fame

Nominations close September 30, 2008

Induction February 7, 2008

Bird Dog Foundation, Grand Junction, TN

On behalf of the Brittany Field Trial Hall of Fame (BFTHF), we are asking you to participate in the 2008 BFTHF **nomination process**. The BFTHF is part of the Bird Dog Foundation, Grand Junction, TN.

Purpose

The purpose of the BFTHF is to recognize and to honor Brittanys and Brittany owners that have made significant contributions to the Sport of Field Trialing. To date 66 Brittanys and 34 Brittany enthusiasts have been inducted and pictures of these dogs and people hang in the Hall of Fame.

"To be enshrined in a Hall of Fame is the greatest achievement in field trial sports".

Nominations

You are a member of the nominating committee and your support is needed. We want you to **nominate** those that you believe are **Outstanding** Brittanys and **Distinguished** Brittany people.

Outstanding dogs are recognized by their entire competitive career, field trial performance record (championship wins) and production record. They must be deceased at least one year prior to opening of nominations May 1. These are the same dogs you would like to find in the pedigree of that good pup you just bought!

Distinguished people have rendered exemplary service to the sport of field trialing both locally and nationally for a long period of time. These contributions may be as a judge, a breeder, a field trial official, a reporter, a patron or any contributions of the above. The sport is better because of these people who are givers, not takers or self promoters.

Nominations Process

Nominations should be mailed, emailed or phoned to the BFTHF Secretary. Petitions with signatures of supporters should be mailed. The petition should state that this dog/person has made outstanding contributions to the sport of field trialing followed by signatures.

Election and Induction

A second committee, the BFTHF election committee, will select dogs and people from a list of those nominated dogs and people who have received the most nominations. Normally, no more than two worthy persons and dogs will be elected in any calendar year.

SAHUARO

March 21, 2008
Tucson, AZ

Sahuaro Brittany Club held its second Spring Independent Specialty Show on Friday, March 21, 2008, in conjunction with two all-breed shows, which offered rally and obedience for the first time. In addition, all-breed obedience and rally were offered on Friday, making it possible to title a dog during just one weekend.

While the new show grounds provide no natural shade, there was plenty of shade from tents set up by the all-breed club for their competition the next day. The grounds also provided ample space for individual set ups, vendors and the rings. Overall, the site was good for the all-breed show, which had about 1100 dogs.

Puppy and Veterans Sweepstakes were judged by Ms. Diane Malenfant, who carefully examined the youngsters and had them strut their stuff before awarding Best in Puppy Sweeps to the 9-12 month dog, which went on to take Reserve Winners Dog and Best Puppy under the regular judge. The veteran sweeps entry was small, but it was a thrill to watch the old-timers fly around the ring.

The Junior Handlers entered the ring, first one at a time and then all together, to compete for Best Junior Handler. Mrs. Susan Clemons gave each handler an opportunity to show off their skill, and all did themselves proud. Eventually, experience won out and ALEX FINDLAY took the award from the Open Senior class.

Then it was time for the regular judging, with a major in dogs again available this year. The judge gave everyone a work out before picking both her dog and bitch winners from the Open classes. After the non-regular classes were judged, the BOB ring looked pretty impressive, with the addition of the veterans and hunt test winners to the breed entry. The results are detailed below.

The club and exhibitors enjoyed several changes this year, including the availability of email entries, and a fancy catalog with paid advertising. Thanks to all who helped make it happen, from the iron quail trophies, ring decorations, trophy donors and advertisers, to the snacks enjoyed after the competition. Congratulations to KIMBERLY BARWICK, who beat out 20 other juniors on Saturday for Best Junior Handler.

WESTERN MICHIGAN

March 28, 2008

Ionia, MI

By Diana Kubitz

Each year we gather in Ionia, Michigan to celebrate our breed as a "DUAL DOG."

Our specialty is held in conjunction with our field trial to demonstrate to other clubs that it can be done, and done successfully with a little time and effort. Effort that I believe is necessary to ensure the future of our breed.

Our judge on this occasion was Mrs. Nancy Gallant from Battle Creek, Michigan. I knew that Nancy had taken judge's education under Jodi Engel and had sat at ringside for the past five years, making sure she knew what a Brittany was suppose to look like. She proved that she had been paying attention as she went to work judging. Her judging was consistent and competent. Some folks that didn't win came up to tell me that they thought Nancy had done a really fine job of judging, I guess that's the real measure of a good judge.

This year's specialty was dedicated to the memory of Ella Conable and Ron Zook. At the end of our trial on Sunday night we held a celebration of Ella's life. It was a lovely occasion where we could tell stories about Ella and remember what a wonderful steward of our breed she was. Both Ella and Ron will be deeply missed by our breed and ABC members alike.

Best of Breed at our show was CH TONAN-HOPE'S ROCKIN THE BOAT bred by Nancy Morabito and Valerie Hamilton, Owned by Doug Tighe & Nancy Morabito. This five year old bitch did a wonderful job, handled masterfully by Doug Tighe.

Best of Opposite and Best of Winners was TONAN-RAO KEPT IN SUSPENSE, bred by Nancy Morabito, Becky Rao and Andrea Lane. "Spencer" is proudly owned by Kathryn Griep and her mom Hope De Jonge. Kathryn is a born handler and did a very fine job on this evening showing her Winner's Dog to BOS and BOW!

Winner's Bitch was HOPE'S TWIST OF FATE IZABEL WBT, bred by who else, Doug Tighe, Nancy Morabito and Valerie Hamilton. Linda Elbert did a great job with "Izzy" who pending AKC approval is a new CHAMPION! Izzy is owned and loved by Linda Elbert and Doug Wall.

Our *Dual Dog Award* winner was SPRING HILL'S HIGH PERFORMANCE bred by Al and Cynthia Crokep and owned by Sue and Ed Lehosky. Despite her dog's inexperience in the ring, Sue hung in there getting the most out of her dog, helped in part because the judge told her to take her puppy off the mat and try gaitting him on the cement floor. It made all the difference in the world!

We thank our loyal and staunch supporters who show up every year for our chicken dinner and show. We try to make our specialty show just a little different from everyone else's and even manage to have a little fun! WMBC's club members turned out to support the specialty with entries, desserts, show set-up and show clean-up. My thanks to them for their help and a very special thanks to my husband Gary who is the mainstay of our specialty show. He

sets up the ring, sells catalogs, helps with the raffle, runs to the grocery store with me, opens the building, helps take down the ring, stows it in his truck and assists with clean-up. This year Richard Langstaff helped with "Kitchen" duties at the show. It was very much appreciated.

My final and most important thanks go to **Purina** for sponsoring our specialty show. We've enjoyed their support for many years now and it's helped us to purchase our own ring equipment. **Thanks Purina for your support!**

TARHEEL

Hoffman, NC January 17-20, 2008

Our southern trials normally pride themselves with cool, dry weather and plenty of birds. This year was definitely an exception. Two of the 4 days we had cold, cold rain and snow mixed, another day was cold and cloudy with the last day beautifully clear and cold. The bird population was down a bit from previous years, probably due to our exceptional drought plus predators. Did we complain about the much needed rain – of course! But hot, homemade lunches warmed all. A big thanks to Sandra Leavens who not only cooked a fantastic meal but made sure the clubhouse was swept. Bobbie Sigmund also assisted with lunches, with Barbara Pepin stepping up to help serve. Richard Christopher assisted in getting all the dogs on the dog wagon and made sure everyone was on course. His help was greatly appreciated. Dinner Saturday night was a treat with southern fried chicken with all the fixins.

Since we can only run over the grounds one time per day, entries were limited to 12-13 braces a day. A big thanks to Salonge Christopher, who acquired an extra day for us to run dogs. We had big adult stakes, particularly the gun dogs. The placements are as follows:

**GREATER ST. LOUIS
Grovespring, MO**

January 31-February 7, 2008

They planned a blizzard for Grovespring MO, but a Field Trial intervened. When the blizzard couldn't stop it, a thaw set in, and some of the courses became impassable to the dog wagon. This was overcome by the valiant efforts of Pam Baird and Al Gorrow in their pickup truck, and use of a gate which had not been used in the past. Temperatures then went up to 80 degrees in another effort to discourage the dogs and handlers. This didn't work either. As a final dissuader, a monsoon with the corresponding flooding was tried, followed by another freeze. The trial waited it out and finished.

Yes, we lost some entries because the blizzard blocked the grounds from the north, east, and south, where it was much worse-but the loss was a minority and so we had a fine trial, with well over 110 dogs, 38 of which started in the Ruby Trimble Memorial All Age Hour Stake and 41 of which started in the hour Open Gun Dog stake which began the trial.

On Saturday night, we had the services of our gourmet cook, club president and Washington U. Medical School Research Professor Dr. Burton Wice, ably assisted by spouse Sharon, who practices law with one of the Midwest's leading firms. They cooked a great beef curry and a tender pork loin roast with all the trimmings in the clubhouse for all the trialers and guests. This was preceded by a happy hour which was universally enjoyed. Burton allowed as how he had withheld much of the spicy stuff from the curry; nevertheless, it needed quenching with a beer or two for some of us.

The trial ran relatively smoothly with a minimum of conflicts on the fabled Missouri Sportsmen's Grounds near Grovespring, MO. Nearly all dogs had bird contact so it was one of those trials where the

emphasis was on BIRD in bird dog, which the way it should be. Both the Open Gun Dog and Open All Age were hour stakes, the All Age carrying Purina Points and the Gun Dog stake being a Tri-Tronics award point getter. In addition, the St Louis Club has gotten a new plaque for the Ruby Trimble Award which has gone to the winner of the Hour All Age stake since 1985. The old plaque had been lost several years ago, although the winners' names were available and on the new plaque.

The trial was a good one for Jim Berneathy, who won both hour stakes-the Ruby Trimble Award with NFC Shady's Tia Maria- and the Gun Dog with Beans Blaze Phoenix. However, neither went unchallenged. Especially in the All-age stake; one judge told the scribe that it was the finest all-age stake he had ever seen. Well it should have been, as three National AA Champions, last years Runner-up Champion, and two Purina Dogs of the Year with this years leader performed. Many other fine Champions competed. The winner was strongly challenged by her brace mate until he came out of the bushes with a bird in his mouth at :45. More than one great performance was terminated early in this way. The Runner-up had 7 finds and a big run.

This stake has a history of strong performances; on the last day of the last Ruby Trimble stake run, in 2006, another judge remarked that there were 15 dogs which would have won any the stakes he had seen in the last year. That is what comes of superior grounds, superior dogs, and superior handlers. There are no better than at this trial. Five pros and several top amateurs competed with their dogs. The weather stayed just good enough to get the stakes run without serious interference. The warm weather day was the worst.

Many thanks to our helpers, which in addition to Pam Baird and Al Gorrow included Dave Capstick and Tim Self on the weekend, Ray Trimble, who also took care of the Purina items for us; this was a Purina sponsored trial and the club appreciates their help a great deal. We much appreciated the fine breakfasts and lunches provided by local Joan Covey at the clubhouse and we are grateful to the Missouri Sportsmen's group for making this superior venue available to us again. Many others helped make this event a success and we are grateful to them too, but to name names would probably overtax the scribe's senior memory and leave someone out.

**FORT WORTH
Boyd Ranch, Wortham, TX
January 25-27, 2008**

The Fort Worth Brittany Club held its Spring Trial January 25-27, 2008. We had a well-attended trial and a good size entry in all events. A big thank you goes out to our three very fine judges that joined us to watch over the trial. Mary Karbiner was in the saddle for all the events. J.C. Woodall spent all of Friday and

some on Saturday judging the Open All Age and the Puppy. Charlie Collier judged the Amateur All Age, Derby, Amateur Gun Dog and the Open Gun Dog.

Texans showed proud with three victories. The Open All Age was a nice four point major win for BELLE BEAU MAX handled by professional trainer from Tolar, Vic Carrington. Gary Nelson of Grandbury owns BELLE BEAU MAX. Vic Carrington also brought home the blue in the Open Gun Dog with CH EL JEFE III. CH EL JEFE III won his second blue ribbon this weekend when Mitsue Nakamura from the Houston area handled him in the Amateur Gun Dog. Houstonian Walter Bloxsom owns CH EL JEFE III.

Wilson, Oklahoma professional trainer Ed Wild made his way down to garner the victory in the Puppy with CISCO DEE WHIZ. Ray Littleton of Atoka is the owner of CISCO DEE WHIZ. And just a Texas two step away two Kansas residents came down and took the blue ribbons home. Professional trainer Scott Johnson from Winfield handled OVER AN UNDER TRI A DUCATI in the Derby. Sharon Simpson of Worth, IL is the owner of OVER AN UNDER TRI A DUCATI. Owner/handler Matt Kitchen from Pittsburg won the Amateur All Age with CHIEF'S NUBBINS'S MY LIL LADY.

You could not carry out a field trial without the volunteers that came to help. Alicia and Harold Brown were there all weekend. Alicia brought a very nice desert to share with all. Dave Jones pitched in as Bird Planter extraordinaire. Luncheon duties were accomplished through the hard work of Mary Felt and others.

SUNLAND

**Armendariz Ranch, Engle, NM
January 19-20, 2008**

By Bobby Morris

The following are results of our January 2008 Field Trial for the Sunland Brittany Club held at the Armendariz Ranch, Engle, NM.

This was the first year we ran the New Mexico All Age Brittany Championship. Congratulations to all who came and placed dogs in all of our stakes. We thank the field trialers from Texas, Arizona, Oklahoma, Colorado and New Mexico for the support they gave us in making our trial a success. We thank the field trial committee for all their hard work in the cold weather. Each morning for all three days the temperature was 7 degrees but it warmed up to the high 30's during the day with light to strong winds. A special thanks to Bernice & Jerry Williams for preparing lunch each day of beef burritos with a little taste of New Mexico chili.

**TEXAS COASTAL
Boyd Ranch, Wortham, TX
February 1-3, 2008**

The TCBC Spring Field Trial was held Feb. 1-3, 2008, at the Boyd Ranch, courtesy of the Four Corners Association which leases the property for trials and training. The weather cooled after rain came thru Thursday morning, then warmed again late Saturday and Sunday. The trial was successful with 76 entries including our friends with other breeds. We sincerely thank our judges Charlie Collier, Gene Moseley, Jim Baker, Janeen Schneider, Joyce Miley, Tom Milam, Gary Smith and Jim Crawford.

Club members who pitched in and helped where needed included the following: Dave & Debbie Jones cooked hamburgers and provided smoked brisket; Michelle Ligan marshaled courses and planted birds; Steve Hintzel did tree trimming and removal with his new Hummer; Larry and Patricia Mankin cooked soup, coordinated and presented the meals. Sue & Bobby Armstrong attended and brought home baked brownies for dessert, boy were they good! The club is so thankful to have these members come and support the trial. A huge "Thank You" to you all.

We welcomed new club member Doug Arnold from Flint, TX, a relatively new amateur who handled dogs in amateur stakes including his own Gunner. Matt Kitchen from Kansas attended the Ft. Worth trial where he handled in amateur stakes too. We hope you both had fun and hope to see you in the future.

Hunt tests

LASALLE

Des Plaines Wildlife Conservation Area February 16-17, 2008

The LaSalle Brittany Club held its Spring Hunting Tests on February 16 & 17, 2008 at Des Plaines Wildlife Conservation Area. The forecast for the weekend called for 40° weather on Saturday with sunny skies and Sunday was to be rain, ice and snow starting on Saturday night. Quite a few people called to see if we were really holding the tests. They thought we had feet of snow on the ground. The feet of snow went North and left us with a few inches.

The weather on Saturday ended up being about 45° with sunny skies. There was a chilly wind, but all in all it went very well. We qualified one Master Hunter, four Senior Hunters and seven Junior Hunters. Of all the dogs entered, only two were Brittany's. They both qualified in Juniors with one finishing his Junior Hunter Title.

The weather on Sunday was surprising. It started raining around 9:30 pm Saturday night and rained all night. Our backyard was flooded into our shed and there were ponds in the fields on our way to the grounds. Heaven knows how the fields were for running the event. Luckily, the ice didn't come this far South.

By the time we started the test, the rain had stopped. It actually warmed up to about 44°. We got the test running and were told there was about 8" of standing water in the fields in places. Also, the Judges said they avoided places with water, as ice was usually underneath and they didn't want the horses to slip. The wind had picked up by mid morning and radar showed a thunderstorm coming in fast.

About 1:30 pm, dark clouds came through. Everyone was starting to come back to the building and the Judges were off the horses. I had just stepped outside to get the score sheets and was wondering why everyone was heading in. Then lightning lit up the sky. Enough said. Soon afterward, the rain came and it poured for a good half hour to forty-five minutes.

Finally the rain stopped and everything cleared up. The Judges had only two Junior braces to judge, so they went out and finished. We ended up qualifying one Master Hunter, two Senior Hunters and eight Junior Hunters. Again, of all the dogs entered, only two were Brittany's. They both qualified in Juniors with the one that finished Saturday also qualifying Sunday.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
