Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

- Reflections -

The following story has probably been reprinted more than once in American Brittany magazines, but I thought maybe some of our newer members may not have read it. You will note in the article it makes mention of the fact that the speech to a jury had lived on for eighty-two years. I make mention at this time that Attorney Vest's words are now being read almost 138 years later.

Besides being a tremendous statement on the love and loyalty of the dog to his master, it should serve as a reminder to us in this modern age that words spoken and especially written will live on long past the person who spoke them. With the invention of the internet, instant chat, text messages, etc., we spout

off words without thinking how long the impact of those words may linger in the history of man. Let us never forget that words spoken or written may well be remembered long after we are gone. I have found many times that putting emails in the Draft folder and letting them sit for a day or two often relieves the desire to explode with my emotions but gives me time for rational thinking to take over and then I can decide if I do want these words to live on or would the world be a better place if I hit the delete button. Hopefully, our words, like the Eulogy below, will be worthy of someone to read 138 years later.

Eulogy To A Dog

(Reprinted from *The American Brittany*,
Vol. 4, No. 7, June 1953)

In the Circuit Court at Warrensburg, Missouri, in October, 1870, a suit for \$50 damages was heard. The case had grown out of the killing of a farmer's dog and soon would have been forgotten but for the closing plea of one of the attorneys for the plaintiff. This lawyer was George Graham Vest, who later, from 1879 to 1908, served Missouri in the United States Senate. Following is his famous tribute to the dog as delivered in a Missouri courtroom eighty-two years ago:

"Gentlemen of the jury:

"The best friend a man has in the world may turn against him and become his enemy. His son or daughter that he has reared with loving care may prove ungrateful. Those who are nearest and dearest to us, those whom we trust with our happiness and our good name may become traitors to their faith. The money that a man has, he may lose. It flies away from him, perhaps when he needs it most. A man's reputation may be sacrificed in a moment of ill-considered action. The people who are prone to fall on their knees to do us honor when success is with us may be the first to throw the stone of malice when failure settles its cloud upon our heads."

"The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous, is his dog. A man's dog stands by him in prosperity and poverty, in health and sickness. He will sleep on the cold ground where the wintry winds blow and the snow drives fiercely, if only he may be near his master's side. He will kiss the hand that has no food to offer; he will lick the wounds and sores that come in encounters with the roughness of the world. He guards the sleep of his

pauper master as if he were a prince."

"When all other friends desert, he remains. When riches take wing and reputation falls to pieces, he is as constant in his love as the sun in its journey thru the heavens."

"If fortune drives the master forth an outcast in the world, friendless and homeless, the faithful dog asks no higher privilege than that of accompanying him, to guard against danger, to fight against his enemies, and when the last scene of all comes, and death takes the master in its embrace, and his body is laid away in the cold ground, no matter if all other friends pursue their way, there by the graveside will the noble dog be found, his head between his paws, his eyes sad, but open in alert watchfulness, faithful and true even in death."

After Senator Vest's address, the foreman of the Jury inquired of the **Judge** if it were permissible to hang a man for shooting a dog.

(MJT Note: Other sources relate that the dog was a Foxhound named "Old Drum." Senator Vest was from Sedalia, MO. When the speech was finished, the courtroom was filled with tears. Old Drum's master won this law suit. Interestingly enough, some of the passages in the Brittany Magazine didn't flow quite right. In looking up Eulogy to A Dog on the internet, I found the missing words that cleared up the confusion in the original text from the Brittany Magazine. One source called the piece *Faithful Friend* and another called it *Eulogy of The Dog*. Once again I am reminded that what we write or say does not always stay the same as it goes through multiple printings and retelling by word of mouth. One should always try and find what exactly the author said and the tone in which it was presented. In this case, the original story was composed from onlookers at the trial. It is amazing that the versions are "almost" identical.)

TRACKER®

2008 ABC Futurity Final Report

In 2006, we started the program with a total of 144 litters nominated, producing 480 males and 456 females eligible to participate. Every owner and breeder of this class of 2008 was sent a final forfeit form, due back to the ABC in September of 2007. A total 353 forfeits were paid for 194 dogs, representing 99 of those original 144 litters or 68.75%. The total resulting purse from this process was \$13,757. This represents the litter nominations and forfeits, less ABC's operating costs (\$2,994) of the program. Each section was given 1/3 of the nomination fees (net of expenses) plus their prorated share of the forfeits paid by section. Prize money is then broken down into 2/3 to the owners and 1/3 to the breeder.

In total, 184 field forfeits and 169 show forfeits were paid for 194 different dogs. Each owner of a nominated dog was sent an entry form for the section indicated on their forfeit form. 132 dogs were entered in the three sections from the original 194 (68%). A breakdown by section is as follows:

	Eastern		Central		Western		Total
	Fld	Bnch	Fld	Bnch	Fld	Bnch	
Forfeits:	49	48	76	70	59	51	184/169=353
Entries	32	34	44	48	35	25	111/107=218
%	65%	71%	58%	68%	59%	49%	60%/63%=61.7%

The concept of the dual dog is definitely carried out in the Futurity program, as over 50% of the forfeits paid were for dual entries. 22% entered only in the show ring, while 28% entered only in the field. However, once the actual event entry forms were due the participation dropped to only 41% for dual dogs, with field only dogs increasing to 31% show only dogs remaining at 28%.

Participation by section indicated the Central region as the largest with 92 entries from 65 dogs. Eastern had 66 entries from 49 dogs and the Western section hosted 60 entries from 40 dogs. In total, 218 entries were recorded with 154 dogs participating in the program. We had 22 dogs entered in more than one section. There was only one show dog and one field dog to win money placements in the Eastern and Central sections. The breakout by region is as follows:

	Eastern	Central	Western	Total
Dual	17	27	20	64
Field only	15	17	15	47
Show only	17	21	5	43
Total Entries	66	92	60	218
Total Dogs	49	65	40	154

In the 2007 whelping year, only 108 litters were nominated producing 653 pups. If the % of participation holds as above, we could expect to see approximately 130 dogs or only 246 total forfeits. Hopefully with the success of the 2008 running, more owners will be inclined to continue in the program and pay the forfeit fees due

WESTERN

March 26-28, 2008 • Corning, California

Reported by Janet Fullwood

The Northern California Brittany Club hosted the ABC 2008 Western Futurity March 26-28 on what must be the only field trial grounds in the nation adjacent to a golf course, a casino, two hotels, a truck stop and a full-service RV park. The grounds, graciously made available by Clear Creek Sports Club owner Brad Henman, are part of a 2,000-acre reservation belonging to the Paskenta Band of Nomlaki Indians, who operate the businesses adjacent to Interstate 5 near the town of Corning.

Headquarters for the trailers, about three miles from the commercial activity via a gravel road, was a cluster of buildings that included a metal barn big enough to seat all comers for the three daily meals provided by NCBC. The first night's spread, a dutch-oven feast prepared by club member Pierre Urrutia, his wife Sandy and her parents, Charlie and Pat Clemons, was especially memorable, and the leftovers were consumed with gusto at lunch the next day. Urrutia also served as auctioneer for spirited Calcuttas both nights.

The trial grounds, nourished by spring rains, were spangled with patches of blue, yellow and orange wildflowers that provided a scenic backdrop for the field stakes. Scattered strips of milo and thatch stubble provided obvious objectives for the bird-seekers, as did brush piles, stick teepees, tufts of tall grass and other natural and manmade objectives situated about the grounds.

The All Age course, laid out in the general shape of a backward letter "P," broke away southward on an uphill slope rising to a grove of eucalyptus trees about a half-mile distant. From there it curved to the left, crossing a wide-open expanse of undulating terrain bounded on the south by a commercial tree plantation and on the east by a gravel road and the golf course beyond. Handlers on the back side were challenged to thread their dogs through a gate in a barbed-wire fence line and around a series of bermed waterfowl ponds. The water features proved irresistible to a majority of the dogs, some of whom merely splashed through to cool off and others of whom could almost be heard to say "aah" as they broke their runs with a swim.

The somewhat shorter Gun Dog course ran in a loop covering much the same territory as the All Age, but with a different start and finish point. The biggest number of finds - and chases - were made in a feed strip at the northward turn.

At times during the events, the horseback gallery swelled to more than 30 riders, with additional spectators accommodated on a tractor-pulled people-mover. Those whose eyes strayed off course were rewarded with some splendid scenery. The snow-spangled Trinity Alps formed a purple wall to the west, while to the east stretched the lower reaches of the Cascades. The panorama was dominated by 10,457-foot Mount Lassen, centerpiece of Lassen Volcanic National Park, one of the lesser-known gems in the national park system. To the northeast, the icy white cone of Mount Shasta,

California's seventh-highest highest peak at 14,162 feet, poked through a stand of trees to provide an additional feast for the eyes.

During both field events, man and beast had to contend with chilly temperatures and stubborn winds. Horses balked and frisked in the headwinds, while handlers struggled to make themselves heard. Conditions were brisk enough on Wednesday to prompt competitors from Montana to remark they couldn't wait to return home and get warm. The weather improved steadily both days, with temperatures edging into the 60s, winds laying down by early afternoon and spectators shedding layers as the sun broke through the clouds.

The club would like to thank sponsors Purina, Tri-Tronics, Tracker, Diageo (wine), and Chico Farm & Orchard (people mover) for helping to make the event a success.

Thanks, too, to judges Terry Zygalinski and Gayle Monier, veterans of many a pointing dog contest.

"The field was competitive and the handlers were competitive," the judges said. "Every handler went out there thinking they could win."

Among those who donned the aprons, manned the walkie-talkies, spent long hours in the saddle and otherwise kept things moving behind the scenes were Robert Wire, manager; Debbie Coyle, secretary; Pierre Urrutia, grounds marshal; Jan Schmoldt, bird marshal; Debbie Infrerra, hospitality; and Dan Gifford, grounds marshal. Other helpers included Kasarah Coyle, hospitality; Pam Brann, gun dog marshal and ring steward; Wayne and Wendi Ricciardi, people-mover; Jim Cullor, quad runner; and Nick Nickol, wrangler.

Nine dogs ran in the All Age stake while 25 (there was one scratch) competed in the walking Gun dog contest.

ALL AGE

The stake on Wednesday broke away at 10 a.m. under partly cloudy skies with temperatures in the low 40s. Winds gusting from the south-southwest at up to 32 m.p.h. prompted many in the gallery to take a break after the second brace to don some extra layers. Rain threatened in the afternoon but held off until just after the last brace, when a brief shower spritzed the grounds

BRACE 1: PETE'S GOLDEN BOY (JB), o/Jim & Mary Cullor, h/Linda Azevedo; and MVP REDLINE'S HIGH OCTANE (Tiger), o/Karen Nelsen, h/Paul Doiron.

The strongest brace of the match sees both dogs make lasting impressions that take them into the color. The pair break away strong to the front, with Tiger soon seen running to 3 o'clock in handsome profile on the first rise as JB sweeps the landscape in his wake. JB, bucking formidable headwinds, scores a find at about 11 and is the only dog of the day to notch a bird on the first leg of the course. Emboldened by the prize, his race starts to build as he enters the back course, showing himself to be a contender. Tiger, making big, swooping moves, starts hanging the extremes of the country at 10 and never slows or check back with his handler. His bold, independent run shows the judges why this dog should be the 2008 All Age Futurity Champion. Both dogs finish going away with energy and enthusiasm to spare.

BRACE 2: RED SKY RILEY (Riley), o/h David Kirk; and **RUSTY RIDGE LUCKY STRIKE** (Red), o/Claude & Jan Kilpatrick; h/Paul Doiron.

The pair break away with drive and ambition that takes them to the far edge of the course, where both proceed to challenge their handlers with a series of unruly maneuvers. Riley, a fast, attractive-moving young dog, requires heavy scouting on more than one occasion as his race takes him far, wide and out of earshot of his handler. Red starts off gangbusters but slows a tad through the gate and doesn't quite recover his previous speed or range.

At 22 both dogs are found on point alongside the berm of a pond, Red to the front, frozen in a half-crouch, and Riley backing, head high. Paul kicks up the chukar. Red has another find at 26; Paul fires as Riley is seen streaking past, targeting the next objective. Both dogs finish forward with plenty of go power in reserve.

BRACE 3: REBEL DOGG'S MINI ME (Mini), o/h Dale Shores; and **MTB CABO RITA DE SCIPIO** (Rita), o/Tom White & Margaret Horstmeyer, h/Paul Doiron.

The pair break away as though running on rocket fuel, racing uphill with furious purpose and quartering with drive over the first rise. Rita has a broke find near a tree and handles it with the finesse of an experience competitor. Mini, running at a speed that belies her diminutive size, is out of sight for a time about midway around the course. She reappears behind the gallery, dripping wet, and flies back out to the front.

Both dogs streak far ahead, past the second eucalyptus grove, liver-and-white dots in a sea of green. Mini makes a strong move through the fence line, handles nicely around the ponds but shortens up a bit on the back course. Rita's race continues to build as she works the feed strip and flies toward the green irrigation reel that marks the three-quarter point on the course. Paul raises his hat at 20 as Rita slams on the brakes near a brush pile. Mini backs and both handlers dismount; Paul takes the shot. The brace finishes with both dogs running snappy and well ahead.

BRACE 4: TRAVELER'S NEW TWIST (Trait), o/Carholy & Jerry Cape, h/Paul Doiron; and **TRELEY'S BLUEWATER BROOK** (Brook), o/Richard & Louise Vitellaro, h/Wayne Down.

The sun peeks from the clouds for the first time all day as the dogs break away. Brook casts wide to 3 o'clock before settling into a series of zig zag moves as Trait streaks like a bandit over the first rise. Both dogs are seen moving together left to right after the first turn at about 10. Trait shows increasing confidence, making a series of independent moves as he targets the second eucalyptus grove and temporarily disappears from sight of the gallery. Brook has bird contact early in her race but clearly isn't wearing her fastest running shoes this day.

Both handlers call their dogs in for water halfway through the course. Trait's race picks up in the second half as he gains consistency and animation, making big, sweeping moves that impress the judges enough to garner a yellow ribbon at the end of the day. Brook has a find at 26 and another at 28 but without enough amperage to earn her a

spot in the winner's circle.

BRACE 5: MTB EMME'S CABO DE SCIPIO (Cabo), o/Tom White & Margaret Horstmeyer, h/Paul Doiron.

Cabo doesn't need a bracedmate to prove his stuff: he runs big and bold, pushing the far limits of the field and requiring minimal handling. Paul rides slowly at first, letting the dog show way ahead, almost out of sight. Cabo disappears for several minutes beyond the second eucalyptus grove and reappears at 13. Paul calls him in for water at 15 and whistles him back shortly thereafter as he streaks toward the golf course, venturing well within range of errant balls.

Cabo has a broke find a few minutes later in a wet, grassy area and handles it with finesse. Paul calls point again at 25 as the dog is found standing in a milo strip, again with manners in order. The pair of finds in the backstretch serve to amp up his desire, earning him a runner-up spot in the day's contest.

GUN DOG (walking)

The Thursday event broke away around 8 a.m. with the mercury at 36 degrees and winds only slightly less gusty than the day before. Conditions warmed steadily as the day wore on.

BRACE 1: MYEVER BANDOLIER BELLE (Belle), o/Judith Smith, h/Walt Pyron. Bottom dog a scratch.

Belle casts off to the left, swoops around a brush pile and works to the left of her handler in a fast, snappy hunting style as they move up the rise. Staying forward and checking in occasionally, she shows good range on the undulating part of the course, slows a bit in the middle and hunts the feed strip with intensity. She nails a bird at 20 and gives chase. Bolded up by the experience, Belle finishes forward with no signs of fatigue.

Western All Age Futurity Winners – left to right: Karen Nelsen, Paul Doiron with Winner MVP REDLINE'S HIGH OCTANE JH, Judge Gayle Monier, Tom White with Runner-up MTB EMME'S CABO DE SCIPIO, Jerry & Carolyn Cape, Peggy Doiron with third place winner TRAVELER'S NEW TWIST, Jim Cullor, Linda Azevedo with fourth place winner PETE'S GOLDEN BOY JB, Judge Terry Zygalski, Robert Wire, Pierre Urrutia and Debbie Coyle.

BRACE 2: DESEEKER LONE RIVER REVELIE (Rev), o/h Tana Kradolfer; and WHISPER RIDE PROMISE THE MOON (Chloe), o/Sue Richards & Stephanie Kepler, h/Pierre Urrutia.

Rev makes a big cast to the left before charging forward while Chloe checks out some objectives in a swale before settling into a nice, front-moving pattern. Both dogs are running independently 100 yards or more ahead and hunting hard as they near the flag marking the first turn. Rev's handler pounds the pavement, pushing her dog forward with the practiced moves of someone well experienced in walking trials. Rev ranges wide and works independently with little handling required, exhibiting a fast, intelligent hunting style that will earn him a second-place ribbon in the day's contest.

Both dogs are seen in point at about 10; Pierre takes the shot and the dogs break and chase. Back on course, Chloe, working fairly close to her handler, has bird contact again at 15. Rev has a find in a feed strip at about 20, handles it with style but bolts after the shot, disappearing for a few minutes before coming back to finish the brace in a flowing forward pattern, Chloe not far behind.

BRACE 3: JULRY'S IB MOONSTONE FDJ (IB) o/h Donald Thorsen; and KNOLLBROOKS CERRO DEL RIO (Rio), o/h Lynda Lyster.

A bit of goofing around at the start is compensated for by the enthusiasm shown as the dogs get around the first turn and start moving independently. IB carves a series of big S-turns in the wide-open part of the course, showing more distance than Rio. Both dogs stay consistently at close to medium range, hunting hard but to no avail as the wind picks up and the clock runs out with no birds found.

BRACE 4: GREENHILLS AWARD LIFE OF RILEY (Riley), o/Robert & Pamela Battin, h/Daniel Green; and TUCALOTA'S ABBY, oh Ed Mayhew.

Abby turns on the gas at the breakaway with a hard-driven cast to the right as Riley takes the front after momentarily being distracted by his bracemate. The handlers walk together on the first leg, with Abby running big and confident and Riley checking back on occasion. Both slow to hunt out the feed strip but come up empty handed. Abby zips ahead to hunt the extremes of the course with minimal cues from her handler. Riley exhibits a fast moving, snappy style and stays well forward, but ends the brace without a bird. The judges deem big-wheeled Abby to have had the stronger race, saying that had a bird been found, the placements at the end of the day likely would have been different.

BRACE 5: RJ'S KISS ME KATE (Kate), o/Robert & Joyce Wire, h/Pierre Urrutia; and HERE WE GO AGAIN (JD), o/h Wayne Hale.

The brace is off to an exciting start as Kate bolts for the horizon and JD reaches for the next county without a glance in his handler's direction. With big wheels and focused drive, he disappears from the gallery's sight at the approach of the first turn. Kate loops back and runs up through the gallery at 5 before taking the front again. She hunts hard and respectfully as the clock ticks on but ends the brace without a bird to her credit.

JD, showing unquenchable thirst for the game, hunts hard and fast to the extremes of the course but remains birdless until the final seconds of the brace, when he points a chukar in a tuft of grass near the green irrigation reel. He styles up on the point, making an indelible impression on judges and gallery. In naming this dog the 2008 Western Futurity Champion, the judges called him a "fast, snappy, classy dog that will need to be reckoned with for years to come."

BRACE 6: CHALCEE'S QUINSOME QUAZAR (Quinn), o/h Nick Krom; and SCIPIO'S MICRO TWIST (Skeeter), o/Ed & Linda Dixon, h/Paul Doiron.

Skeeter starts off with some nice, sweeping moves, has a staunch point at 8 and stands still as a statue on a second find, only to blow his cool with a delayed chase on the same bird shortly thereafter. An exciting dog to watch, he flies ahead at the midpoint as Quinn investigates some cover around a pond. Skeeter goes on point again at 22 at a stick teepee, but by this time his movements have become erratic and his concentration has strayed, not to be regained. Quinn proves the more challenging dog to handle; he works at medium range and hunts hard, but ends the race with no birds in his quiver.

BRACE 7: CASTLE'S BUDSTER ERNEST (Buddy), o/I.J. & B.J. Castillo & Glenn Allen, h/Ned Castillo; and GREENHILL MEG'S MAYHAM AWARD (Meggie May), o/h Daniel Green.

As everyone who saw it said afterward, "You had to be there."

The brace starts late, both dogs running fast and hunting hard but challenging their handlers with erratic moves. Buddy stays at medium range, exhibits a snappy running style and has bird contact four times before the brace is over. But it's Meggie May who steals the show.

A swift, bold-running dog who requires some handling, Meggie halfway through the course finds the pond and decides to go for a swim, a situation that presents some obstacles for her handler. After getting her back and going toward the front again, she becomes fixated on the gallery wagon, which has paused with a load of spectators along a dirt road about 50 yards away.

It's a temptation that cannot be denied. As Meggie runs over to investigate, Green hollers repeatedly for the cart to move on. It can't; it's out of fuel.

After calling the dog back twice, Green suddenly realizes his wife is one of the people aboard the wagon. Meggie May suddenly realizes it, too. Tail wagging, she charges over like she's expecting a cookie and says hello.

With considerable effort, the frustrated handler gets his dog back. No sooner does she resume the front than Buddy, hunting close by, flushes a chukar that takes flight over Meggie's head and makes a beeline straight back toward the gallery wagon. Meggie

does what instinct dictates, with Buddy chasing close behind.

Green's fuse has been lit. Situation hopeless, he realizes "the heck with it" and throws in the towel - at which point his dog goes up front and finishes strong and forward but with no bird.

That night, to howls of sympathetic laughter, Green is presented with the Northern California Brittany Club's Sportsman of the Year Award.

BRACE 8: L'UNE'S BLAZING JAKE (Jake), o/Jim & Mary Cullor, h/ Linda Azevedo; and JUST A SKIP OF JACK (JJ), o/Bob & Rozanne Woelm, h/Sheri Harder.

Jake runs big on the first part of the course, passing the flag at 5 with swoopy, assertive moves. At 10 both dogs pick up speed and take off for the horizon. Jake goes into overdrive, pushing a quarter of a mile or more out front. Linda sends the scout after him twice as he vanishes to the extremes of the course. Jay has trouble staying forward but nevertheless hunts the objectives. Jake makes bird contact early on but gets erratic in the second half, turning a deaf ear to his handler. Both dogs seem confused by the similarity of the names "Jake" and "Jay" being called out by the handlers.

BRACE 9: GREENHILL CAMEO AWARD (Cameo), o/h John Benedict; and DESEEKER LONE RIVER HATCH is On (Hatch), o/h Tana Kradolfer.

Cameo runs back to the start line at 4 and has to be scouted forward; meanwhile, Hatch locates and chases a bird. Both dogs settle into consistent, forward running patterns after the turn. Hatch has three finds but doesn't hold them long; Cameo points one bird with nice intensity and finishes strong and to the front.

BRACE 10: SANBAR CROSSCREEK CALLING HOME (Tizzie), o/Robert & Polly West & Wayne Pepin, h/Paul Doiron; and MIDAS BLAZIN AMBER SKIES (Amber), o/h Dale Shores.

Both dogs break away strong to simultaneously flush a bird and take chase, downing and competing for the prize. The race is hard, fast and competitive, with dogs running at medium to big range and equaling each other's casts. Tiz takes a leisurely soak in a pond at the midway point while Amber dips into an adjacent pool, giving members of the gallery a chuckle as they ride the land bridge in between. Tiz gets into birds twice before a stop to point; her race slows slightly near the end. Amber hunts consistently and aggressively, garnering a find as the clock ticks down and earning herself a fourth-place finish in the day's contest.

BRACE 11: MYEVER MOTLEY MAX (Max) o/Judith Smith, h/Walt Pyron; and TRUE GRITS HUCKLEBERRY BREEZE (Breeze), o/h Confad. Kradolfer.

After a bit of playtime at the start, the dogs take off up the rise. Max has an unproductive at 2 and Walt moves him on as Breeze hustles forward, settling into a consistent pattern for a time. After hunting a stubble patch to no avail, Breeze gets into a pond and comes back muddy. Both dogs enter the big feed strip hunting hard. Max stands on a bird at 15 and takes chase as Breeze goes on point at a nearby spot only to have instinct trump training with a delayed chase.

Back on course, Breeze runs well ahead as Max challenges his handler with some pottering moves. The judges note a second find for Breeze, but neither dog's race challenges the winners.

BRACE 12: HIDEAWAY'S OUTBACK JACK (Jack), o/h Roger Borne and REDLINE'S SMOKIN PEPPER JACK (Colbie) o/h Sheri Harder.

In what the judges jokingly refer to as "the cheese brace," Colbie starts off fast and aggressive, with Jack not far behind. Both dogs cool off in the pond at the midpoint. The second half is fast and exciting, with both dogs running big and handling nicely. Jack turns on the gas to finish strong, bold and to the front but with no bird. Colbie scores a nicely handled find in the nick of time at 28 to garner a third-place, championship-caliber win.

BRACE 13: TRUE GRITS BABY SISTER (Sis) o/h Conrad Kradolfer; and GROUSE MOUNTAIN LEGENDARY EDITION (Parker), o/h Debbie Coyle.

Parker streaks off like a bottle rocket, flying up the slope with Sis fast behind her, legs churning into a blur. Both dogs run bold and forward during the first 10 minutes, quartering nicely for their handlers. Their races shorten a bit at the turn but energy remains high. Parker has bird contact in the big feed strip. A few seconds later another chukar is flushed and both dogs take off after the prize. After cooling off in a pond, the dogs resume a snappy race, showing zest for the game but not pressing the four dogs who will garner ribbons at the end of the day.

Gun Dog

Reported by Mike Poehler

Our judges for the 2008 Gun Dog Futurity stake were Larry Bates from Wheaton, IL and Dennis Sullivan from Fox River Grove, IL. Both of these men have been successfully running in and judging field trials for more than 20 years. They are also ambassadors of the sport, eagerly helping new people feel welcome and mentoring them in the various aspects of the game. Both are quick with a joke or story to lighten even a rainy day.

We awoke to balmy temperatures with a high in the 50's; a welcomed change from the previous rain, sleet and snow that fell on Thursday prior. Winds were out of the South and sky's were overcast with rain threatening early, but remained light until about 11:30 am, when we took a lunch & lightning break for about an hour. After a brief torrential down pour, the weather broke and dried out as winds picked up for the close of the day.

The bird planters did a commendable job, given the weather conditions and competition from the hawks and coyotes, with bird contact in all braces.

We'd like to thank Purina, for their continued sponsorship of this event, with both financial support and the donation of Pro Plan Performance food for all participants. We would also like to thank the continued sponsorship of Tri-tronics and Tracker, who products are excellent and help us in the training of our dogs and making certain that we can find them if the get out of pocket.

With the stated purpose of holding to the standard of the stake as written, as closely as possible, the judges were looking for a dog that held up and grew throughout the brace, doing as well if not better at the end as the beginning. They were looking for intelligent handling of the changes in objectives by the dog and how the dogs attacked the terrain and thoroughly covered the available ground as it changed throughout the course. Desiring a dog that is responsive to the handler; yet exhibits enough independence to seek the objective and birds on their own accord. Good manners, style and intensity on their birds as well. The judges felt they met these standards and wished they'd had more placements to give out as they had several other dogs right there knocking on the door.

THE RUNNING

Brace 1 - VEM'S CLOSE CALL JASMINE (Jazz) - Becker & SIGBRIT'S ALMOST AUGUST (Gus) - Sigmund. Gus ran the lines of the first field with Jazz quartering nicely. Into the second field both dogs worked a quartering pattern thru the cut to the backfield - both dogs choosing to quarter to the centerline of trees. Midway thru the line found both dogs standing with nice style. Exiting the back field Gus made a nice move to the south edge taking it to downed trees after the cut returning to the south line where he has his second find with style and intensity. Upon the flush and shot, Gus elects to take the bird for a swim and retrieves to hand. Meanwhile, Jazz has moved to work the intermediate tree line at the south end of the course where she has a find 1/2 way down and then taking it to the end where she's rewarded with another find. Both dogs are somewhat lateral in their application, with Gus making some nice moves into the orchard taking the east/west line for his third and final find. Jazz was very stylish on her birds

Brace 2 - BARLO'S FAX ME TO THE BORDER (Reno) - Nelson & MOUNTAINEER BIRD FINDER RASCAL (Rascal) - Simons. Both take the tree line edge ahead then quarter the field between the milo field and the tree line. Reno has a quick, snappy gait and drives forward to the west wood's edge sweeping it to the left exiting the first field with Rascal doing likewise. Both quarter the second field at medium range to the cut and into the backfield after the second cut; methodically worked the center tree line with Rascal taking the left field edge to the cut and Reno taking the right edge around to exit into the south end of the course. Both dogs intermittently take the south edge of the woods to the southern most line where Rascal dives into the brush putting a bird into the air. Rascal gets caught-up chasing the bird deep into the woods. Both dogs quarter between the intermediate tree line and the south edge of the course and into the orchard area where Reno works the islands with snap and speed and Rascal works thru and out to the northern edge working it to the west. About 1/2 way thru the orchard, Reno has a stylish find with a beautifully high head and tail. Time expires without Rascal having a pointed bird for his commendable effort.

Brace 3 - TONAN-ROA KEPT IN SUSPENSE (Spencer) - Griep & CELEBRATION'S Z PERFECT STORM (Storm) - Katzel. Both dogs drive ahead at breakaway with Storm taking the inside of the left trees and Spencer taking the Milo edge forward and the west trees edge across the front. Upon entering the second field, both dogs work the transitional edges of the brome and weeds with a pleasing flow, occasionally working back to their handlers then into the cut to the backfield. Spencer drives pleasingly deep, fast and right upon entering and works forward along the island humps to the Northwest. Storm taking the left and forward, then joining Spencer in hunting the islands. Both dogs rejoin their handlers, working the center tree line and ranging forward at a pleasing range. Spencer drives forward working the grass edges to the south edge and swings it to the cut, with Storm working in a similar manner on the left. Both dogs shorten and quarter a bit upon exiting the backfield and then reach and

intermittently work the south edge of the course. They ran similar lines independently of each other with Storm making nice moves along the southern edge and Spencer shining on the intermediate tree line with both dogs driving north towards the orchard as they continue their work. Spencer goes to the North edge of the orchard and takes that line East to its end and South to the well and back into the orchard. Storm has taken the left into the orchard and is found standing in the middle of the Northern tree line with great style. Spencer has worked up and down the tree line edge and into the western portion of the orchard and finishes his hour without a pointed bird.

Brace 4 - YORKTOWN'S LIBERTIES LILLY LADY (Lilly) - Walker & B&J'S SWEET- T (Toots) - Powell. The dogs breakaway with Toots taking the left, fast and snappy and Lilly taking the Milo and grass edges to the front. Upon reaching the western edge of the first field, Toots dives into the woods and pops out into the second field. Both dogs work the transitional edges of the grasses with Toots making a forward and south move along the trees to the cut. While crossing the cut into the backfield, Bob Powell's knee gives out and he's forced to turn over the handler duties to Jim Brigham. The dogs work the center tree line to its end and into the Southern most field. Toots takes the south line right around to the point and Lilly works the grass edges left then across the front to the southern line in the opposite direction of Toots. Lilly works the field in a quartering fashion with Toots taking the intermediate tree line to the end. Lilly and Toots quarter the field independently with Toots taking North of the intermediate line and Lilly the south. The dogs work toward the orchard.

Brace 5 - ZUBROWKA GUSTAV (Gus) - Olson & JAYHAWKER'S RUNNIN' DOWN A DREAM (Tilly) - Anglen. Gus takes the right edge of the Milo field and a diagonal to the left tree line back then takes the front and works the tree islands before the cut. Tilly takes the left tree line edge back and forth to the cut. Entering the second field, Gus makes a nice move to the right woods edge and carries it to the front, across the first cut and south down to the second cut. Tilly quarters and works the transitional edges of the grass. Entering the backfield, Gus does a nice job working the center tree line, with Tilly quartering out in front and thru the center trees as well. Both dogs are somewhat erratic in application here. Gus hits the south edge before we exit the back field and swings the edge from right to left and thru to the West end of orchard area and across to the front then to the South picking up the woods edge and around to the point. Tilly continues her pattern and then swings to the southern edge of the woods as well. Both dogs go to work on the intermediate tree line working it to the middle where both dogs point. No bird is produced and they continue to work the center of the field between the Southern edge of the course and the intermediate tree line. Upon entering the orchard, Gus goes on point in the early islands and no bird is produced. The dogs finish this brace working the orchard in pleasing fashion but are unable to produce a pointed bird. At the end of this brace, we have a 45min. break for lightning and lunch.

Brace 6 - SIGBRIT'S SHE'S ALL MINE (B.B.) - Sigmund & CASTLE'S BUDSTER ERNESTO (Ernie) - Castillo. Unfortunately, the reporter dropped the recorder during the lightning and accompanying down pour and spent this brace finding it with a kind and attentive souls help. A hair dryer, much giggling by onlookers and frantic work on the recorder and tape enabled me to save myself from doom and creative writing from memory! The judges told me, both dogs hunted hard and forward. B.B. only missed finishing a few of the available lines, ran with a pleasing and snappy gait with the promise of being a very nice bird dog. Ernie hit his bird with great style and intensity, looking beautiful on point. Ernie's pattern was quartering in style and somewhat erratic with a slower pace. Again, I apologize to Ms. Sigmund and Mr. Castillo for not having the opportunity to observe their brace and report with more detail.

Brace 7 - TIMBERLANE'S OH SO AWESOME (Oh So) - Whitmore & CH WOBLO CHASIN' FAST FORWARD (Bailey) - O'Briant. Both dogs broke away, quartering the first two fields in a methodical pattern. OhSo makes a move to the woods edge just before the cut into the backfield and runs out to the center tree line in the backfield and is found standing 1/3 of the way down with nice style. After the find, OhSo stretched out to the western edge of the field and worked it up and down a ways, returning to the center tree line where bird contact was made. Bailey continues to diligently work to the front of the handler thru the backfield and into the cut and southern most field of the course. OhSo quarters and works the intermediate tree line and the southern edge of the orchard as the course moves east. OhSo casts to the well and across to the Northern edge of the orchard and down to the west working in and out of the orchard with much more drive and purpose in the second half of the brace. Bailey's pace has been consistent and busy; thoroughly working the orchard in the later minuets of the brace.

Brace 8 - SHA-PAWS DIAMOND NECKLACE (Nicky) - Shapaw & BISCUIT'S ALL ABOUT ME (Kegan) - Connell. Nicky dives into the Milo field at and crosses from right to left with Kegan running the left edge of the trees to the end and quartering back to the handler. Both dogs work the forward woods edge from right to left, getting hung-up before exiting into the second field. Both dogs work the transitional grass edges in a pleasing manner, with Nicky being a bit slower in her application and Kegan quicker. Kegan does a nice job working up and down the North/South tree line before entering the backfield and Nicky seems somewhat confused then makes a cast North up the same line. Entering the backfield, Kegan makes a nice move working the center tree line 1/2 way and casting west to the outer tree line running it back about 1/3 of the way pulling off and back to the front. Nicky quartered thru the middle tree line of the backfield. As we exit the backfield, Kegan takes the south tree line edge around to the point and across to the intermediate tree line, making bird contact about 1/2 way down, without getting point established before the bird flew. For the remainder of the brace, both dogs initiate some really nice moves but become erratic in their completion.

Brace 9- MVP REDLINE CALIFORNIA DREAMING (Cali) -Brown & BANTAM'S BRAVO DUFFY (Duffy) -Hedstrom. Both dogs worked the first two fields together, running some lines and quartering through the transitional edges of the seasonal grasses, with Duffy being out front for most of the time. At the tree line cut before the backfield, Duffy establishes a beautiful point with style and intensity just south of the cut, retrieving to hand. Duffy stretches out to the west upon entering the backfield and brings the line about 1/2 to the front and crosses to the center tree line and works there with Cali. Both dogs are busy and quick of movement. Duffy and Cali finish the center tree line and cast forward to the southern edge swinging it around before the cut, with Duffy in the lead. They exit the backfield and Duffy takes the southern edge still taking it around to the point and the off to the center tree line. Cali makes a nice independent move from the left across to the southern tree line and around some fallen trees and back around to the point, crossing to join Duffy. They then work that line and cross periodically back and forth from there to the southern most line working into the cover there and back across. Halfway thru this field, along the intermediate tree line, both dogs have a divided find. Duffy and Cali work the remainder of the time together working the center well and then the orchard as time expires.

Brace 10- CHICK MAGNET (Rusty) -Youngs & CJB'S ONE TOO MANY (Tooie) -Brigham. Both dogs worked the transitional edges of the seasonal grasses thru the first two fields at medium range. They continue to work the course into the backfield where Rusty establishes point with nice style and intensity. Tooie and Rusty work the entire centerline of trees thru the backfield and into the southern most field. Rusty runs the southern edge around to about 1/2 way before the point where he has his second find. Afterwards, Rusty crosses to the intermediate tree line edge joining Tooie who's working that line as well. Both dogs start to stretch out their range now. Tooie stretches towards the orchard and starts to cover the brush and interior islands with great purpose, Rusty stretching to cover the well before heading towards the orchard and swinging the northern edge line from right to left and into the orchard where time expires.

Brace 11- CHIP'S TAILGATE RENDEZVOUS (Gus) -Burchett & BNH THE MOUSTACHE KID (Stache) -Heather. Fast and forward from the start, Stache takes the left tree line edge and Gus takes the Milo field on the right and the dogs diagonally cross the field with Gus swinging the left edge forward and takes the forward woods edge right and then covers the island trees back towards his handler then north into the Milo field across to the cornfield edge taking it west to the woods and across the woods to the cut into the second field. Stache takes the left tree line edge all the way down and crosses the front heading north and covers the island trees while heading out to the second field. Both dogs are fast and snappy in their run. Entering the second field, Stache casts off to the left and takes a seasonal grass edge forward with Gus working the right edge for a while before crossing the front to take up the grass edge as well. Both dogs worked the transitional edges of the seasonal grasses quickly, crossing forward to the tree lines and brought them across to the front before crossing into the backfield. After the cut Gus works the North/South line down to the left and then back and around taking the line to the islands on the northern end of the backfield, forward and crossing to the front. Stache worked the North/South tree line and crosses the center tree line and reaches across to the western edge of the field bringing it forward awhile, then returns to the center tree line. The winds have picked up and are blowing stiff out of the south. The dogs diagonally quarter the center tree line into the wind with Stache going left into the North/South tree line and bringing it forward where he has a find just before the cut with style and manners. Gus driving south and deep into the woods bringing the line around and crosses the cut into the southern most field holding the edge around towards the point, where he spins to point his bird with high head and tail. Stache rejoins the front, seeing Gus and the bird, and helping him give the bird a bath. After the find, Gus dives into the woods and brings the south edge around to the front deep in the cover. Stache is working the south line crossing to the intermediate tree line taking it to the East and back. Gus crosses to the intermediate tree line and works it to the East and back as well. Gus crosses back to the southern most line of the course and takes it all the way to the end, swinging the line around the woods and north along the road. He runs from there diagonally toward his handler to the front. Stache takes the southern most line as well, coming off a cut before the end and heads north towards the well and then to the small island before the orchard. Gus joins Stache at the well and works it around the backside taking the road edge forward to the northern tree line edge of the orchard taking it West working it heavily inside and outside the cover all the way to the end at the North/South line that borders the backfield. Stache makes a flowing pattern through the orchard and then makes it to the east/west line at the northern edge, working it down a ways and back into the orchard. Gus returns from his westward cast to have another stylish divided find with Stache in the western edge of the orchard, both dogs looking good on point. Gus retakes the northern most tree line, again taking it to the western end at time.

Brace 12- SHA-PAWS GOAT (Billie) -Shapaw & BNH CLYDE'S GUNSMOKIN' GETAWAY (GiGi) -Remmers. Both dogs drive to the Milo field taking it forward and the pop out rapidly quartering the first field to the left tree line and take it forward to the cut and return to work the tree islands and into the second field where Billie is a little rough handling. GiGi with speed and snap, is working left from the cut taking the transitional edge of the seasonal grass strip that heads west to the end and then takes the north/south line north to the cut. Both dogs drive west thru the cut to the western edge of the backfield and swing it south part way and scream across the field to work the center tree line together. After the trees, the dogs make independent casts, Billie taking the tree line south from the cut around to the front and back to north to join his brace mate. GiGi takes the north/south line north from the cut about 1/4 way back down and

establishes point before the cut. Both dogs work thru the tree line after the find and exit the backfield. Billie heads north into the western end of the orchard and swings the cast across to the front, dives into the woods before the point. GiGi takes the woods edge south to the fallen tree, which she works and then continues around that line to the point, continuing south. She comes across and both dogs work the intermediate tree line, working it up and down about 1/2 way. Billie and GiGi cross to work the southern most line. They swing it around about 1/2 way and GiGi establishes point as she swings to the east Billie joins her pointing the bird then leaves and goes back to the intermediate tree line. She is stylish and tight on point, waiting a long time and after Billie left for her handler to walk to her and flush the bird. Her handler throws a nearly dead bird in the air and fires as it flutters with a thump. Billie and GiGi continue to work the tree line edge and the southern most edge of the course, crossing in between. They head north to the orchard and GiGi drive to the north taking the east/west line to the east to it's end and then works west. Billie does the same but returns to working the orchard part way down. GiGi works the line down about 1/2 way as time is called; Billie is working in the orchard but cannot produce a pointed bird for his efforts.

Brace 13- WARBONNET'S CLEVER BAG O' TRIX (Chloe) -In Season -Downing & DOGWOOD'S GILMORE GIRL (Rory) -Salmons. Chloe takes the right edge driving forward to work the center islands and brings them back to the Milo field and north to the cornfield edge taking it west to the woods edge and across the front to the cut. Rory takes the left tree line forward to the woods edge and then hunts the tree islands and then goes to the Milo edge forward and across the woods edge to the cut. She takes the woods edge west and around to the front, while Chloe takes the left to the transitional edges of the seasonal grasses working the forward to the front with speed and snap. Rory becomes a little confused before crossing thru the north/south tree line into the backfield and works it south. Rory is found standing with style and intensity, two cuts down the north/south line as we cross into the backfield. Entering the backfield, Chloe takes the tree line north working the island humps bending west 100 yards off the tree line, which she takes in a beautiful manner south and eventually drifts west to the tree line, where she establishes a beautiful point. After the find, Chloe crosses to the center tree line and then returns to the sight of the find, getting hung up there for a while, re-pointing the bird again, deep in the woods. After her find, Rory shortens some and becomes a bit stubborn for her handler before gaining the front again. Exiting the backfield, Chloe works the north/south tree line to the north and pops out of the trees and establishes point just off the line at the western edge of the orchard. Rory quarters between the intermediate tree line edge and the orchard and takes the middle of the orchard north to the field north of the orchard and south of the breakaway. She is seen running off north with what appears to be a coyote and requires heavy handling before she returns to work with her handler. Chloe works the line south and around to the intermediate tree line taking it east and establishing point about 1/2 way down. Rory joins in hunting the intermediate tree line, with both dogs going south and take the southern most line. Rory takes it right back around to the first cut, Chloe takes it diagonally, forward to the woods taking the edge forward and along the road to the north and on to the well. Rory rejoins the southern line and takes it about 3/4 of the way down and crosses to her handler and then goes to the center well from there. Both dogs work to the east/west tree line on the northern edge of the orchard and work it intermittently back and forth until time is called.

Brace 14- OVER UNDER'S KILLIN' TIME (Josie) -In Season -Burchett & CRACKER JACK SCRAMBLE (Cracker) -Florito. Both dogs are off with a quick, snappy gait and take to the Milo field. Josie drives forward to quarter towards the islands of trees and Cracker taking the field edge to follow suit. Both dogs work the woods edge north and then back thru the cut. Upon entering the second field, both dogs go deep into the woods edge driving west towards the north/south line. Josie pops out 1/2 way down and quickly works the transitional edges of the seasonal grasses towards the cut. Cracker continues west, popping out and staying on the edge around past the cut, and takes it south to the second cut that enters the backfield. Both dogs swing north after the handlers enter the backfield and hunt the northern island humps towards the west, then return to the center line of trees in a speedy and efficient manner. They drive forward to the south and take the southern edge of the backfield around to before the cut where they have a divided find. After the cut, Josie goes left to the north and establishes point on the western most edge of the orchard, waiting for her handler to flush the bird. Cracker swings to the south working it back and forth from the cut. Josie rejoins the front after her find and takes the line from about 1/2 way and forward to the point. Cracker and Josie work the southern most line around and forward, with Cracker heading to the intermediate tree line, Josie continues east for a while then joins in hunting the intermediate tree lines. Both trade back and forth between the southern most line and the intermediate tree line. Each is initiating nice moves, but are erratic in their completion. Both dog seem to shorten up some. Both work the orchard independently, with Cracker driving north to the east/west tree line taking it east to the road and returns heading west hitting the cover hard and crosses into the orchard where she produces another bird with nice style. Upon the flush, both dogs, Josie and Cracker scramble for the bird as time is called. Both of these dogs had great snap to their gait and speed in their run and were fun to watch.

Brace 15- GROUSEHAVEN'S STAR OF AUTEN (Star) -In Season -Shaw -Bye Brace. Star take the left edge forward and works the tree islands before the cut and then takes the woods edge into the second field working the transitional edges of the seasonal grass in an efficient and pleasing manner. Star works forward to the cut, where she establishes a beautiful, staunch point, with lofty head and tail, waiting for her handler to flush the bird from the mud. Entering the backfield, Star takes the tree line to the south deep inside the cover. From there she works the center tree line in a pleasing

quartering pattern, finding another bird by the last group of trees before the cut. Star again, exhibits wonderful style on what turns out to be an expired bird. Exiting the backfield, Star turns and takes the woods edge south and works the inner cover along the edge swinging it to the point, where she stands again in stylish fashion. She pulls another dead bird from under a log. Star systematically worked the intermediate tree line the entire length, and then reached forwards to the well and then on to the northern edge of the orchard, where she took that line down a good 200 yards to the west before time was called.

All Age Futurity

Reported by Julie Condren

Jim Mills from Tipton, Iowa, and Rob Richter from Harvard, IL, were the judges for the All Age Futurity running on the other side of Interstate 55 at the Des Plains Wildlife Area. They were attentive throughout the competition and their decision was well received by all. Dennis McClary was the owner, breeder, and handler of the winning dog, GLADIATOR'S TUCK-N-ROLL. Francis Kerhsaw's BLUERIDGE CHITO PILOT made the trip from Corpus Christie, Texas to push the winner with breeder David Downing handling. Third place went to NEVENE'S ROCK SOLID owned, bred and handled by Gene Salmons. Lou Palazzolo and Dan Rein traveled from Bel Air, Maryland, with LIMITED EDITION III to take away 4th place prize money to share with breeder Tony Giovinale.

Brace 1: JAZZ'S SWEETEST LITTLE SECRET (Burchett) and RANGE WEST'S AIN'T EASY TO FOOL (Roe) broke away at 8:15 am on Monday morning. Both dogs were seen heading away down the middle of the first field. Bottom dog headed for the treeline while the top dog began hunting quickly. These dogs were doing a nice job hunting

for their handlers and were easily seen. At 8:25 birds were seen in the air but no point was established. Shortly after this bottom dog put up another bird and the handler fired. This brace ended at 8:43.

Brace 2: ROCK SOLID'S WISH YOU WERE HERE (Pluth) and WAYSIDE'S BLUE RIDGE RUNNER (Downing) broke away at 8:45 with both dogs heading fast and hard to the front. As we rounded into the beginning of the back course where the mud was the worst we had not seen either dog for a bit. With both handlers continuing to sing we rounded the corner to begin heading back and neither dog was present. As we got into the corn field both dogs were seen heading back along the left line where they finally got turned to the front to go with us. The bottom dog was found standing on a nice find as we made the final turn to head back to the parking area. Time was called at 9:17.

Brace 3: RICOCHET CHANTILLY (Burchett) and BROADWAY JOE VI (Haynes) broke away at 9:27 with the top dog along the treeline on the left and the bottom dog on the line down the middle of the field. As we made the first quick turn to the right the top dog was seen blasting right to left with the bottom dog in fast pursuit. Once both dogs got turned to the front, top dog was making a nice cast on the far treeline to the right and the bottom dog chose the treeline in the middle of the field. At the first line by the hay bales the top dog was seen coming from the right to the left in front of us. At the back of the course, the top dog felt strongly compelled to head far off course to the left where maybe there were some deer to check out. The bottom dog made that tight turn with his handler and went far to the front. Alas both dogs were seen to the front but had no bird contact. To complete the brace, the top dog was seen making a very nice finishing cast down the treeline along the service road and the bottom dog was doing a very nice job working the line along the corn field to the right.

Brace 4: COUNTRY ROAD'S BOILERMAKER (Burchett) and GLADIATOR'S MINI-ME (McClary) broke away at 10:22 with both dogs hunting right away. The bottom dog was picked up by the handler shortly after the breakaway. Top dog was seen making a very nice cast to the front. At the hay bales top dog was seen going left to right making a nice cast. This dog continued to hunt nicely for his handler with a find as we made the last turn toward the parking area. As we came toward the parking area the dog was taken down the treeline along the service road to finish his run for the day.

Brace 5: LIMITED EDITION III (Palazzolo) and NEVENE'S ROCK SOLID (Salmons) broke away at 10:56 with both dogs moving fast to the front down the treeline in the center of the field. Both dogs continued hard to the front as we went through the treeline by the hay bales. As we made the first turn at the back of the course in all of the mud, both dogs were out in front. Birds were put up by the dogs at about 7 minutes into the brace. Top dog pointed a bird in the treeline just past the service road. Past the corn field top dog made a cast along the right edge and the bottom dog made a similar cast on the other side. Top dog had another find in the cover before making the last turn to come back with point being held nicely. There was a divided find at last chance line.

(I would like to make an editor's note that from half way through the 5th brace to the end of the stake, I needed to get assistance in recording as my horse had all she could take of the 4+ days of rain. She had nothing more to give.)

Brace 6: GLADIATOR'S ARTIC BEAR (McClary) and NEVENE'S MOVIN' ON (Salmons) broke away at approximately 12 o'clock after a slight rain and lightning delay. As we were riding away from camp, bottom dog was pointed out on the line to the front going right to left. As we crossed the service road top dog was found standing and the bird was flushed in front of him, collared and moved on. Bottom dog continued to move along the treeline right to left. A second find was carded by the top dog while the bottom dog worked hard in the cover to locate a bird. At time top dog had three solid finds with a good run.

Brace 7: UPTOWN GIRL (Rein) and GLADIATOR'S TUCK-N-ROLL (McClary) broke away with both dogs moving hard to the front. When the dogs were next seen they were working the treeline to the front. As we crossed the service road both dogs were seen on the line to the front doing a very nice job. Both dogs were working hard. At approximately the 15 minute mark, the bottom dog had a solid find with the bird flushing in front of him. Top dog continued to make nice casts throughout. At last chance line, Tuck-N-Roll took the line and stopped on point while the handler was only able to produce feathers. At the end of the brace, the reporter states that both dogs did a very nice job with Tuck-N-Roll producing one nice find and unfortunately Uptown Girl was birdless but not for lack of hunting.

Brace 8: BLUERIDGE CHITO PILOT (Downing) ran as a bye dog. The dog broke away with a solid race to the front. At the back of the course, the dog took the treeline toward the road until his handler got him turned around in the direction of the course. Heading in the direction of the course, the dog was able to wind birds and established a solid point with birds flushing in front of him. As we went through the treeline that goes north and south at the back of the course, the dog was making a nice cast away when he paused for scent, the bird got up and shot was fired. He continued to make a nice cast around the left side of the course and crossed over to the right and continued with the cast. Another bird was carded and shots were fired over the dog. At last chance line, he took the line all the way and stopped on point about half way down. The handler got off to flush and the bird got up. Chito finished with a nice cast down the treeline on the left.

EASTERN

April 24-25, 2008 • Medford, New Jersey

Reported by Yvonne McKeag

This year the Eastern Futurities were hosted by the Del-Val Brittany Club in Medford, NJ on the English Setter Field Trial Grounds. Our appreciation goes to Purina for their sponsorship of these events.

Wednesday afternoon was the show judge by Linda Langford from Pelham, AL, followed by a wonderful dinner prepared by Lisa Pollock, and her kitchen help Terry Hilliard, Ginny Snyder, Cheryl Pellegrino and Ellen Kerr. These ladies also cooked dinner Thursday and lunches on Thursday and Friday. Many thanks to all the hard workers who helped put on this event, Chairman Karen Pillion, and the members of the Del-Val Brittany club who were on hand to handle any problem that came up.

The Gun Dog Futurity began Thursday morning at 8:00 am with Linda Langford from Pelham, AL and Katrin H. Tazza from Washington Depot, CT in the saddle. Both of these knowledgeable ladies gave all 21 participants there full and devoted attention for their entire 30 minutes on the ground.

Besting the field this year was an owner/handler/breeder Tom Quinn with MARJO'S IRISH LEGEND. This stylish young female and her handler was an impressive team to watch. Legend is out of FC Marjo's Red Rum X FC/AFC Jenny Two Shoes Marjo's.

Second was SIGBRIT'S ALMOST AUGUST JH bred by Michael and Bobbie Sigmund, handled by Bobbie Sigmund owned by Susan and Doug Jackson. He is out of NGDC/DC/AFC Hope's Dandi Don X CH Sigbrit's Chienne De Chasse JH. He put on a pleasing performance on how to cover the grounds hunting.

In third was CHICK MAGNET who lived up to his name catching the judges' attention with good ground speed and two flashy finds. He was handled by Steve Lauterbach, owned by Mary & Steve Lauterbach and Bred by Joyce Roberts & Vic Williams. He is out of FC Chancy Jackpot Lotto X NGDC/FC Last Dixie Chick.

In fourth was SIGBRIT'S SHE'S ALL MINE JH bred and owned and handled by Bobbie Sigmund. She is also out of NGDC/DC/AFC Hope's Dandi Don X CH Sigbrit's Chienne De Chasse JH. She also put on a fine performance on the ground with two intense finds.

THE RUNNING

First Brace RAINVILLE'S KBM TUCKER (McPhearson) and YORKTOWN'S LIBERTIE LIL LADY (Walker). Both dogs made a few nice edge casts. Tucker ran a nice race needing some guidance from his handler and scored two finds at the end of the course with derby manners. Lady broke off a few casts and looping back to her handler. She scored a back and a find with derby manners at the end of the course.

In the second brace LIBERTIE'S PRETTY IN PINK (Bristol) and SIGBRIT'S SIMPLY BRAVEHEART (McKeag). Pink ran a snappy moderate race with three finds towards the second half of the brace with derby manners. Braveheart also ran a moderate race staying forward except when taking an edge that brought him in from the rear. He scored three evenly spaced finds with his manners improving on each bird.

Next to the line was SPIRITHILL'S EASY RIDER (Davidson) and TOWER VIEW KIMBER (Gropp). Rider scored early having a find half up the breakaway field with all in order

and shot fired. Rider went on to have one unproductive and a divide find with his brace mate towards the end of the course. Kimber scored two finds towards the end of the course with one of them being a divided find.

The fourth brace was JAYHAWKERS RUNNIN DOWN A DREAM (Anglen) and JETER III (McPhearson). Dream scored three finds with a nice race making a couple of nice moves. Jeter showed nice potential on the ground but it took awhile to get on track scoring two finds.

The fifth brace was GREEN MOUNTAIN BRADY (McPhearson) and JR'S SYMPLY DIVINE (Moruzzi). Both dogs caught scent before crossing the bridge in the first field and after sometime a dead bird was finally located by one of the handlers and the dogs were sent on. Brady then went on point in the next field giving his brace mate a chance to acknowledge his point before moving on. Brady was sent on after a flushing attempt and relocating into the quail house. Brady showed he had excellent derby manners in the last field scoring one find with all in order and then having help on the second from his brace mate with all in order for both dogs.

The sixth brace was SPIRITHILL'S HI CALIBER (Davidson) and COOS TIGER LILLY (McPhearson). The conditions were getting warmer and very little breeze and very dry. The only bird contact in the brace was when Lilly ran over a bird before the pond.

The first brace after lunch with temperatures rising was MT. VIEW'S LUCKY NUMBER SEVEN (Serago) and SIGRIT ALMOST AUGUST (Sigmund). Seven ran a nice ground race but shortened towards the end. He scored two finds in the later part of his brace with excellent derby manners. August ran a steady forward race while applying himself to the course, and the judges said it was pleasing to watch. He required little handling and scored one find with his brace mate honoring. He was intense on his birds and broke on shot. August went on to have a strong forward finish.

The eighth brace of CHICK MAGNET (Lauterbach) and MARJO'S IRISH LEGEND (Quinn). This was a fun brace to watch. Magnet had good ground speed working well with his handler and scored two finds of which one was solid with style and manners. Magnet also showed style backing his brace mate. Legend ran a mostly forward race showing excellent range, style and ability to apply her self to the course. This pair worked well as a team in the field. The judges commented that Quinn's handling did not distract from his dog's performance. She scored three stylish finds all with derby manners.

Next to the line in the ninth brace was SPRING HILL'S MISCHIEF MAKER (Lehosky) and JD'S FEARLESS PRINCESS (Currier). Maker was lost to the right shortly after breakaway and caught up to Princess just before the pond after having made some impressive ground moves to the right of the course, on the way. After cooling in the pond he, was able to again make some nice moves before heading to the back fields were his handler made the decision he was done as the heat had gotten the better of him. Princess ran a good ground race shortening towards the end and scoring two nice finds.

The tenth brace of TONAN-ROA KEPT IN SUSPENSE (Griep) and CASTLE'S BUDSTER ERNESTO (Castillo). Both dogs ran a nice race but, with the heat and not much of a breeze on the ground, unfortunately they did not have any bird contacts.

The last brace of the day was a Bye, SIGBRIT'S SHE'S ALL MINE (Sigmund). She had excellent ground speed and style running but was showing some dependence on her handler. She had two intense finds with excellent derby manners.

The All Age portion of the futurity began Friday morning at 8:00 am with eleven entries. Ed Kerr from Berlin, NJ and Frank Boccanfuso, Columbus, NJ were in the saddle for this stake.

Taking first in the All Age Futurity was DIAMOND HILL DANGEROUS MAN handled by Lisa Pollock, owned by Lisa and Paul Pollock and bred by Robert and Carole Krohn. Man is out of 2xNFC/FC/AFC Diamond Hill Dan x Sunshine's Shadow Shining. Man also won the Futurity Dog Show with style and is this year Eastern Futurity Dual Dog Winner. His field performance was text book. He stayed forward on edges all the way around and scored one nice find.

Second was LIMITED EDITION III, handled by Lou Palazzolo, owned by Dan Rein and Lou Palazzolo, and bred by Tony Gionviale. He is out of Quail Ridge Bandit x Quail Ridge Gladys. Edition also ran a very pleasing race.

In third place was DIAMOND HILL WHISKY GIRL, handled by Paul Pollock, bred and owned by Paul and Lisa Pollock. She is out of 2xNFC/FC/AFC Diamond Hill Dan X Diamond Hill Rockette. Girl ran a moderate race with derby manners on birds.

Fourth place went to SARADAC'S MICRO BLAST handled by Lisa Pollock, owned by Ed Kostka and Darlene Dow, and bred by Ed Kostka. This snappy little male also placed third money dog in the Futurity Show. He is out of FC/AFC Clyde's Micro-Breeze x Saradac's Breton De Coos.

THE RUNNING

First Brace to the line was JULY (Tracy) and DIAMOND HILL GREEN MACHINE (L. Pollock). Both of these dogs were exciting to watch on the ground. July has very snappy ground race and worked well with her handler but had no bird contact under judgment. Machine ran some nice forward edges but also had no bird contact under judgment.

LIMITED EDITION III (Rein) and DIAMOND HILL DANGEROUS MAN (L. Pollock) was next to the line. Edition ran a good race and made some nice casts scoring one find with derby manners. Man ran a consistent forward race almost always on the edges. This team worked well together as Man responded kindly to handler. He scored one stylish find with derby manners. Both of these dogs went on to have a nice finish.

In the third brace was TOWERVIEW'S PARK AVENUE SAM (Currier) and DIAMOND HILL WHISKY GIRL (P. Pollock). Girl ran a nice race, making a few good casts and having derby manners on her bird contact. Sam ran a nice race and was very enthusiastic with his bird contacts but shortened towards the end.

SARADAC'S MICRO BLAST (L. Pollock) and RU-JEM'S DIAMOND CUTTER (Tracy). Cutter ran a closer race, but applied himself to the course. Blast was snappy on the ground with a steady forward race. They had a divide find towards the end of the brace on the hedge row.

DIAMOND HILL DO IT IN DIXIE (P. Pollock) and BRITTWOODS TIME FOR ME TO FLY (Fullwood) were the fifth brace. Dixie was not pleasing her handler and was up early. Fly ran a pleasing race, and had excellent manners on birds but couldn't quite get on track with his handler.

The last brace of the Futurity was UPTOWN GIRL (Youngs). Girl was impressive to watch on the ground but took some wrong turns and required a bit of help from her handler and scout to get back track. She slowed towards the end and did not have any bird contact under judgment.

Meet the 2008 American Brittany Club National Open & Amateur Gun Dog Championship Judges

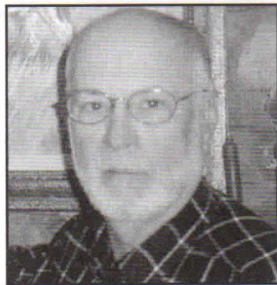

John Hott

I acquired my first pointer in 1963, when I was 13 years old. Pheasants were plentiful in my part of Illinois and this first dog taught me about pheasants and bird dogs. I purchased this pup from future field trial hall of famer Herb Holmes of Springfield, Illinois. A long friendship developed and thru Herb, I had the privilege to work dogs with the likes of Bob Wehle, Dr. Alvin Nitchman, Ed Mack Farrior, all hall of famers, to name a few. I still compete with pointers on the shooting dog circuit when time permits. I manage 10,000 acres of state parks in east central Illinois for the Illinois department of natural resources and part of the property is the middle Fork Wild life Area, which is one of the state's primary horseback field trial grounds.

I have had the opportunity to judge many national and regional championships for the red setters, German breeds, brittanys, pointers, and setters. I have judged the ABC Central Futurity twice and the Vizsla Futurity three times.

I am looking forward to the opportunity to judge this very prestigious championship again. I also look forward to meeting new faces from all around the country.

John Kline

John has been involved in bird dogs for over 45 years. He is a charter member of the Northern Virginia Brittany Club and the Rappahannock Brittany Club. He has conducted seminars for new trial participants and developed a training video for public television.

During the sixties john taught earth science in the Virginia school system and hunted and trailed his own brittanys. In the early 1970's John, his wife, and family moved to the historic Fauquier County Virginia at the foothills of the blue Ridge mountains of Virginia.

John and Sharon established a boarding and training kennel and a private shooting preserve. In 1989 he retired from teaching and began campaigning professionally on the east coast. He soon began limited trailing in the mid west and in 1990's established a summer training camp in eastern Montana and concentrated on hour stakes and the championship circuit.

John was very competitive in all age hour stakes, winning the ABC Open All Age Nationals in 2000 and

20047. He also won and or placed in championships on chickens, quail and pheasants in a variety on environments.

John loves watching good bird dogs and has judged the AKC nationals, ABC Amateur Gun Dog Nationals, the Deep South Free For All x 2, Dixieland Championship, and many open and amateur stakes for all the pointing breeds. Since retiring from the trailing circuit he continue to train and help clients with problem dogs.

Dogs have been a large part of John's life since childhood and have given him the great pleasure of meeting many interesting people from all walks of life. He considers it an honor and opportunity to be invited to judge the Open National Gun Dog Championship.

Al Lucas

As a hunter I have been hooked on bird dogs since 1965. I got my first Vizsla in 1970 and have been breeding, training and competing in field trials since then. I have finished 18 field/amateur AKC championship dogs, all but one of which I bred or owned the stud dogs. During that time my dogs won 8 Vizsla national Championships either open or amateur. I also trained the first Vizsla master Hunter which my wife handled to his title. (Two other Vizslas finished on the same day.)

I have served as field trial chairman for over 40 years including 4 Vizsla Club of America Championships and 2 AKC Championships.

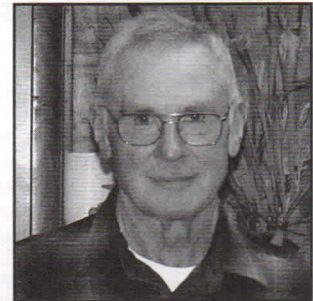

I started judging AKC trials in 1972 and have averaged nearly two judging assignments a season since. My most notable assignment was the AKC Pointing Breed Gun Dog Championship. I am a positive judge who looks for the overall best performance for the day.

Ken Chenoweth

My passion for bird dogs started back in 1974 when I purchased my first German Shorthaired Pointer. By the early 80's I was training a few dogs for the public and by the mid. 80's I had judged some of the local trials. As my passion and experience grew I began to accept more and more judging assignments. Since that time I have had the fortune of judging several National events for the Vizsla Club of America, The National Red Setter Championship as well as The Rocky Mountain Championship, Missouri Open

Shooting Dog Championship, Hawkeye Shooting Dog Championship, and the Missouri Amateur Shooting Dog Classic. I have also had the fortune of judging several Brittany Championships like the Prairie States and the Iowa Gun Dog Classic. Besides being busy spending time in the saddle judging I have had the opportunity of finishing several field Champions, Amateur Champions, and Regional Champions. I am looking forward to coming to Ionia for the first time and also looking forward to watching fine Gun Dogs from across the country at the American Brittany Club National (Open or Amateur) Gun Dog Championship

Wade Haines

I purchased my first bird dog in 1965 and trained it myself. I started field trailing Brittanys in 1972 and finished my first field champion in 1977. I was then asked to judge field trials for local regional clubs

Since that time I have judged puppy; derby; gun dog; and all age stakes in many trials in the East, East Central, Central, and Midwest regions. I have judged the ABC Chicken Classic, Michigan Brittany Open Championship x 2, Gordon Setter Amateur nationals, Irish Setter nationals, Prairie State Brittany Shooting Dog Championship x 2, Oliver Deluca Shooting Dog Classic (pointer and setter) x 2, ABC National Gun Dog Championship x 4 and the Mid south Brittany Open Championship.

Joe Luisi

Joe Luisi is from Trenton, New Jersey. Joe became a Brittany enthusiast in 1975. He and his wife, Marsha (Marjos's Brittanys), have owner/handled 10 Field Champions, 9 Amateur Field Champions, 6 of which are Dual Champions. All but two have been bred by Marjo's Brittanys.

Joe has judged numerous regional trials for AKC and American Field. Among them are the Eastern Brittany Futurity, NGSP Amateur Pheasant Championship, Weimaraner Regional Championship, Eastern Regional Vizsla Championship, Vizsla Nationals, The Continental Bird Dog Championship, German Wirehaired Pointer Nationals, Gordon Setter Nationals, AKC Championship, and the Amateur GSP Nationals.

Joe has recently retired and is now enjoying field trialing across the U.S.

He is very honored to have been asked to judge this prestigious event.

Meet the 2008 American Brittany Club National Open & Amateur All Age Championship Judges

Howard Burbach

I have been associated with bird dogs for over 45 years. I hunted behind Spaniels and Pointers as a child, to my current level of Field Trial/Conformation Shows with German Shorthaired Pointers. Since 1989, I have finished 5 of my Shorthairs as Field & Show Champions with one achieving the Dual Champion/Amateur Field Champion status. I have served as President of the Heart of America GSP Club for 6 years and have been actively involved in the Club for over 20 years. Working with the Conservation Dept. to improve field trial grounds and facilities has been one of my major goals.

I have participated in, and marshaled, many Local, National and Species Trials.

I have actively judged American Field and AKC Field Trial/Hunt Tests for several years. My most recent major judging assignment was the 2008 AKC Pointing Breed Gun Dog Championships in Reno, Nevada. Other assignments include juvenile and adult stakes for Ozark GSP; GSP of Nebraska; Heart of American GSP; Minnesota GSP; Sunflower GSP; Nebraska Wirehaired; Oregon GSP; Desert GSP; Eastern Iowa GSP; and Gateway GSP. Also the Eastern Sectional Classic in Arabi, GA; Great Plains Championship, KS; Region 10 Championship WA; GSP Nationals, KS; German Wirehaired Nationals, WI; All Breed Championship, IL; Region 8, WY; Hungarian Partridge Championship, WY; Vizsla Nationals, NE; Region 12, AZ; Region 5, MO and the Quail Championship.

I draw on a dog's natural ability and pride myself on reading those abilities. I believe a judge should be committed to watching a dog from start to finish thus evaluating the total dog. I feel it is important to keep notes in every stake and having a good dialogue with my judging partners. This allows each and every dog to compete at the same level.

Ray Calkins

I grew up hunting in Iowa with a Brittany and received my degree in veterinary medicine from Iowa State University in 1972. I handled my first German Wirehaired Pointer to a red ribbon in a puppy stake in 1975. Since then nine Cascade GWP's, all owner trained and handled have earned field championships.

Four dog hold nine National Field Championships and two are Dual Champions. Seven Cascade GWP's are master hunters and two hold NAVHDA utility ratings. Cascade sires are the #1 and #2 producers of GWP Field Champions and Hunt Test Titlists.

I have been a member of the GWPCA since 1974, served as Field Futurity Chairman for 12 years and a member of the GWP Field Trial Advisory Board from 1985-2000. I represented the GWPCA at the AKC Field Trial Advisory Board from 1986 until 1999 and served on the GWPCA Board of Directors for 6 years. In 2006 I was again selected to fill the Western Director position and am currently the GWPCA vice president.

My wife Lynn and I organized the Oregon GWP club in 1978 and have been active members of the Portland Kennel Club since 1981. I helped to form the Columbia NAVHDA Chapter and the Upland Bird Dog association to work with the ODFW and Oregon Wildlife Heritage Foundation. This non-profit group held the Heritage Classic, a fund raising trial for special projects for the ODFW and the Heritage Foundation from 1987 until 1999.

I have been honored to judge National Championships

for the GSP (1990 & 2007), Brittany (1994 AA & 2007 GD), Vizsla (1992 & 2003), Gordon Setter (2000 & 2005), American Pointer (2001), Weimaraner (2003), and English Setter (2004). I have also judged the AKC Gun Dog Championship (1997 & 2002) and regional championships for the NGSP.

David Taylor

I have been breeding, training, and field trialing English Pointers since the mid 1970's.

Highlights include:

Traveling and scouting for my good friend Dr. Pat McInteer. Winning the Tobe Stallings Memorial All Age at Broomhill, Manitoba when 2xRU Ch. Ringafire's Nemaha Buddy was braced with the reigning National Champion. Qualifying 2xRU Ch. Ringafire's Nemaha Buddy for the National Amateur Shooting Dog Invitational. Winning Champion and Runner Up in the 2003 Region 17 All Age Championship with Ch. Ringafire's Rhythm and 2xRU Ch. Ringafire Nemaha Buddy. Ringafire Kennel's breeding program producing Ch. Ringafire's Rhythm, National Amateur Derby Champion, Quicksilver Quickfire, and American Pointer Club National Champion. Should Have Known Better. Judging four breed National Championships and two National Amateur Championships. Witnessing the great performances, meeting the wonderful people, and the opportunity to judge with many outstanding individuals, while judging from Broomhill, Manitoba to Oklahoma and California to Michigan.

The dogs have indeed been kind to us.

Ed Dixon

I have been around Bird Dogs since the age of nine. I currently have and train my own Brittany's & English Pointers. I have competed in both AKC & American Field Trials for 35 years.

I hunt all of my dogs on wild birds, with a great deal of success. I have finished many of my dogs with the title of FC, AFC and Champion. I judge several AKC & American Field trials each year and have accepted judging assignments for over 30 years.

I am past President of California Brittany Club & have held the position of Field Trial Chairman for this club in past years. I am currently Vice President, Secretary and Treasurer of the Antelope Valley Bird Dog Club.

My judging assignments have included; The Arizona Shooting Dog Championships 5, Region 11 Championships 5 times, Region 9 German Shorthair Championship, Brittany Kansas All Age Championship, Weimaraner Nationals, Vizsla Nationals, German Wirehair Nationals, German Shorthair Nationals plus local Championships & Regional Trials. In addition, I judged the 2005 ABC Amateur National Championship in Booneville.

What I expect, when I judge a Championship; A dog that goes hunting, and shows independence, a dog that is pleasing to watch and looks good around game. Having hunted all my life, I'm not looking for a mechanical dog.

I have been married to Linda for 50 years, one daughter and one son, three granddaughters, four grandsons and two great grandsons. Our daughters' family currently participates in field trials and our granddaughter Dakota Renfree is currently training and campaigns her own Brittany. At 16 years of age she was the youngest participant in the 2008 AKC Gun Dog Championship in Reno this past May.

As many of you know, I was to have judged the ABC Amateur All Age Nationals in 2007. Linda and I were on our way to Booneville last November for this purpose when we received a call no parent ever wants to receive. Our son

was involved in an accident and wasn't expected to live. We returned home immediately. We were fortunate to be by his bedside for the following two weeks until he died on December 1st. I would like to thank Roscoe Station for stepping in and taking my assignment and thank you all for your constant prayers for our family, during our hospital stay and Eddie's services. I cannot even begin to express how much it meant to our family.

Once again, I consider it an honor to be considered for your Nationals judging assignment and to be given the opportunity to thank you all in Booneville for all you have done for my family.

Garvin Collins

I ran my first field trial in 1957 when I was a sophomore in high school and have been running dogs ever since.

My first dog was a Pointer and I have been running Pointers ever since.

I have been honored to judge the following Championships across the United States: National Amateur Quail Shooting Dog Championship, National Walking Shooting Dog Championship (2 times), Region 5 Amateur Shooting Dog Championship, Region 5 Walking Shooting Dog Championship (3 times), Region 6 Amateur Shooting Dog Championship, Region 17 Walking Shooting Dog Championship (3 times), Region 19 Amateur All Age Championship, Missouri Open Shooting Dog Championship (2 times), Southwest Open Shooting Dog Championship, National Red Setter Championship, National Amateur Vizsla Championship, and numerous all breed regional trials.

I have also judged the United States Open Brittany Championship (2 times), as well as numerous other Brittany Classics and regional trials.

I am married for 45 years to Donna and have two daughters Leasa and Tammy. Tammy is married to Gavin Seeley and we have one grandson Callan. He keeps us young.

Tom Hudson

I was born in Mississippi, moved to southeast Texas at less than one year of age.

I've lived within 60 (sixty) miles of Houston city limits all my life except for living and working overseas for four years in the seventies.

I was educated in Texas, and continue to take extension classes at "Rice University" as time permits.

I own and/or CEO several small to midsize corporations along with farming and ranching for a living.

I own and campaigned Tennessee Walking Horses since 1992. Among these include two World Grand Champions and one Grand Champion.

I've owned and campaigned GSP's since 1990. Among these include one NGSPA National Shooting Dog Champion, one R/U NGSPA National Shooting Dog Champion, one AKC Pointing Breed Dog Gun Champion, and multiple Open and Amateur Champions. I've personally handled and placed dogs in the GSPCA National Amateur Championship and NGSPA Regional Amateur Championships. I've been stake manager and judges' marshal for the GSPCA National Championship and NGSPA National Championship. Judged the GSPCA National Open All Age Championship, NGSPA Regionals and Species Championships, and numerous local AKC trials.

I hold the current positions of treasurer for the NGSPA National organization, NGSPA Region 7 Championship and a member of the GSPCA National Field Trial committee.

NATIONAL SPECIALTY TROPHY DONATIONS

For the 2008 ABC National Specialty and later years, we have this new email address abcnstrophy@hotmail.com. We ask that you use this address for all National Specialty Trophy Reservations, sponsor questions, and other inquiries about National Specialty trophy matters. Please save it now.

In 2007 ABC Members & Clubs contributed over \$4,200 towards Trophies and Artwork for the National Specialty Trophy Drive.

The 'BOOK' is open for trophy reservations. WE have posted a list of Unreserved Trophies, on the ABC Website under, 'Upcoming National Specialty, Trophy Support.' The list will be updated from time to time, up to the Show closing date in October.

We have done a Mailing & Emailing to all Club Secretaries, and some of our past sponsors and members announcing the 2008 Trophy Drive.

As in the past, Trophy reservations will be filled on a first come basis, so it would be a good idea to be thinking of a 2nd & 3rd choice. Each sponsor reserving will be notified by mail or email if they have reserved a trophy, class or place in a class. Support amounts will be the same as in 07.

We are already looking for Artwork items for the 2008 ABC National Specialty. Please contact us if you have any artwork suitable for use as a Trophy.

THANK YOU,

Sandra & Tom Schrank, Co-Chair for Trophies,
2008 ABC National Specialty, November 28, 29, & 30th

Specialty Shows

CENTRAL MAINE May 3, 2008 Acton, ME

Despite the ever unpredictable New England weather, CMBC's first Specialty with York County Kennel Club Inc. of Maine on a new date and new location on May 3 in Acton Maine was successful. Club members were proud to present a large hospitality area and had plenty of reserved grooming space (even if it was not discovered by some until after the fact!!) Coffee, baked goods, fruits, and other goodies were available for exhibitors, friends, and club members before the judging. The only thing they couldn't offer was better weather.

Immediately following the judging the club invited everyone to share in a small celebration of Central Maine Brittany Clubs 30th anniversary. Pete Jordan, 90 'something' years old, cut the beautiful cake created in honor of this special event. (Pete along with Frank Pride and Harry Lisewski is one of the original founding members! Most Board and Officers were present but very greatly missed were Frank and Donna Pride who have yet to return to Maine from their winter in Arkansas.) Sparking Cider was used for a short and humble celebratory toast offered by Pete as well!

The club was very encouraged by the caliber of exhibitors with some of the best of Maine and the New England Region of Brittany's showing. This club enjoys hosting events and offering good hospitality to those who enter them and this new Specialty was no exception. (The club had hoped to offer a major but it was not meant to be part of the 30th anniversary celebration. Maybe next year there will be enough exhibitors for a solid major!) Hats off to the entire brand new show committee and those who helped work everything out so well, in consideration of having NO prior experience in putting on a dog show and limited experience in showing! The theme for the hospitality tent was the Dual Brittany and laminated photographs were tacked to the walls of the stable where things were set up showing a full range of Brittany activity - from pictures of NAFC/AFC/FC Pride & Joy's Bunch of Annie to pictures of some couch potatoes lounging on a sofa. The Maine weather was raw, cold, and wet but that didn't prevent CMBC from having a good time with everyone and their dogs.

Two beautiful gift baskets were raffled - one with a hunting theme for dogs, and the other a basket with a show theme each containing many unique gift items. Thank you to all exhibitors who made the trip to Maine and especially to those who worked so hard on the show for their help, generosity and support. Congratulations to all the winners and here's to the next 30 years!

John Short
President, Central Maine Brittany Club

Best Puppy PARADISE'S SPOT T ON!

GREATER INDIANAPOLIS May 17, 2008 Greentown, IN

The GIBC held its annual Specialty May 17, 2008. We moved our specialty from February to May and to a new site. The site in Greentown, Indiana was well received. We had a building all our own to show in, the ability to have a luncheon and parking close by. We had some mud issues, but at least it was not snow! A big Thank You to the exhibitors who supported our show. The show had some minor wrinkles, but those can be taken care of easily and we plan to continue to have the specialty in Greentown. Thanks also to the club members who helped with set up, take down, and everything in between. The three show weekend saw four new champions to finish, two Group 2's for the Brits and two Best Junior Awards for a Brit junior. A great weekend for us all!

HEART OF ILLINOIS

May 25, 2008
Bloomington, IL

Submitted by: Jane Huelsmeyer

The Heart of Illinois Brittany Club had their specialty show on May 25 in conjunction with the Illinois Valley Kennel Club of Peoria, IL in Bloomington, IL. I want to thank the show committee of the Peoria Club for their hard work and supplying our ring stewards. Another big thank you goes out to all of the Brittany people who came to support our show this year in spite of the higher gas prices.

Mr. Daniel Arterberry graciously agreed to judge our Sweepstakes this year. He had 8 dogs and bitches to look over. He chose RICO'S HI-PROOF BOOTLEGGER for Best in Sweepstakes and SKW'S LITTLE CLEMENTINE as Best of Opposite. We were pleased to have the veteran DC/AFC RICHOCHET MAGGIE'S JAC JH, show with us too.

Mrs. Gloria L. Geringer was our judge for the regular classes. From the 9 dogs entered, she chose STARLIGHT'S BILLION TIMES BRIGHTER as Winners Dog and D.T.J'S MAXIMUM STRIDER as Reserve. With 10 bitches entered, she chose LYRIC'S I AM... I SAID as Winners bitch, Best of Winners and Best of Opposite. VEM CALL ME SASSIE SUE was given Reserve Winners bitch. Her first place Field Trial Dog was DC RICHOCHET HEMI BARACUDA JH and TIMBERLANE'S OH SO AWESOME was the Field Trial Bitch. DC/AFC RICHOCHET MAGGIE'S JAC JH was our veteran again.

Mrs. Geringer had a nice group of 7 specials in the Best of Breed competition. Her choice for Best of Breed went to CH MELRIDGE STIR N IT UP. Congratulations to all of our winners and thanks to everyone for their participation.

Field Trials

East Coast

SUSQUEHANNA York Pointer & Setter Club Wellsville, PA March 8-9, 2008

by Bobby Youngs

On Friday we began to see some of the rigs roll in and had the tow straps out as the mud was axle deep in spots from the rain we'd had all week and earlier in the day. Water seemed to run uphill and the anticipation for the weekend was boggy and mud from wall to wall.

Saturday dawned with rain in torrents from the time we started until well into Saturday night long after our potluck supper ended. However, with the large amounts of the rain we still got all of our dogs run and a good day was had by all. People were to the line with the help of club members like Dennis Green meeting many of the folks for the first time and helping them get their dogs to the line. The kitchen was busy with breakfast and lunch served by the gals in the kitchen, Barb Youngs, Joan Warshefski, and again Dennis Green making lots of warm soup, chili, hot dogs and burgers that kept us all warm inside.

We drew 90 dogs for two days of running on a single course trial set of grounds. We hustled and kept all of the folks in the club helping as Dan Rein's field trial machine worked like it was well oiled and lined up perfect. Dan, Dennis Green, Bob Youngs, Lou Palazzolo all worked planting birds and helping each other check judges needs and get the folks to the line about 5 minutes at least prior to their expected breakaway time. Because this worked so well judges were never waiting for the next brace of dogs.

Marilyn Fenicle and her crew of Joan Warshefski, Barb Youngs, Dennis Green, Carol McMurray and Helen Riggle had a wonderful potluck supper for all that came. There were many dishes brought from folks that came to the trial as well. Lots of food and good fellowship were a big part for the evening. Mac and cheese, fried chicken, homemade corned beef and cabbage and boiled potatoes, baked turkey breast, sausage and peppers, baked ham, lasagna, many different types of salads and desserts of all kinds made it hard to go away from the table feeling less than full.

Dan Rein handed out ribbons to all of those that placed below and Bob Youngs took a few minutes to thank all of those that came in the bad weather to enjoy the weekend with us and run their dogs. Joan Warshefski did our Field Trial Secretary job as usual and had all paper work done before she got there as well as the paper work that takes place at the trial. As one person that worked at the trial and is fairly new said, he now believes there is a God and he gave us Joan. She does so much that is out of sight and we appreciate it greatly. Thank you, Joan, for all you do.

Sunday was clear and cool and really nice weather for people along with the mud that lay in the ground for us to walk through. Again another day of folks to the line and dogs that did good jobs, even with the mud to wear them down a little and at times the breeze made it a challenge to get birds pointed well.

The all age stake saw lots of action and a good number of the dogs with good bird work. The puppy and derby has a bunch of young dogs that showed lots of promise. The winners here all show that the future is bright if they become the kind of adults that they seem to be as youngsters.

As usual, in the gun dog stakes, 4 to 8 finds were not uncommon for any of the dogs that placed. Birds were plentiful and in good spots that the dogs were expected to reach for. Many dogs did reach and were rewarded, some too much reward for their own good.

We had a great panel of judges that never slowed up and helped us to finish up on Sunday with all dogs run, regardless of the mud, rain, wind and cold temps. We owe them all a great deal of thanks.

As always it takes a club of members to make a trial work, as well as the folks that enter the dogs. Neither, by itself, will make a trial a success, as we know it takes both to make a trial happen, and happen with those happy to come back again and again. We appreciate all of the folks that came and those that worked to help us, even if they were not club members, like Tommy Morrissey from the Maryland Club that came up and rode with us, planted birds and took our Grandkids for rides on the horse with him. It was truly a feeling of a family for all there. See you in the fall at our three-day trial, October 3, 4 and 5, 2008.

KENTUCKY Jackson Range LLC Jackson, OH March 21-23, 2008

by Ron Lisius

KBC's normal lack of entries at Berea, KY was overcome by sandwiching the KBC trial between the SD and AA stakes of the Tri-State International one-hour events at the Jackson Range LLC trial grounds in Southern Ohio.

This arrangement provided an abundance of dogs and handlers for the KBC event. Jackson Range LLC is a privately owned area discovered by Buckeye Club member Sam Borst and promoted by Sam's dog handler, Jim Winnen. It is an interesting 1200/2500 acre reclaimed coal mining area. It is privately owned and at the present time its primary purpose is summer time cattle pasture (shades of the Kansas trials). It is primitive and required porta-potties and a large tent to keep dry on certain days. Bill Haynes handled these arrangements without a problem.

Pro handlers Burchett, Lorenson, Tracy and Winnen (who were there for the Tri-State trial) provided a steady flow of entries to the starting lines. The KBC is small but several members of the Buckeye Club pitched in and made things happen.

The KBC Pawsats and Hendrickson assisted. Brian even brought his ATV Truck along for a "dog wagon" and a water tank for the critters. Darlene Lisius kept the books and Ron Lisius brought a large bird cage and filled the bird bags. Buckeye members Burger, Knotts, Kusma, Riedl and McCallister kept things flowing at the GD course. Chairman Bill Haynes, his wife Beverly, and Daughter Brendi kept the AA side moving.

Unbeknown to the author, Chris Rider had tried to drown his LQ trailer just a few miles from the grounds

at a creek crossing. He, his daughter and the animals (although wet) managed to survive, and after getting winched out, scratched their AGD entry and returned to PA for Easter. Better luck next time Chris!

Tri-Staters Alexander and Winnen along with the Pollocks, McGees, Kerrs and Kiracofes helped when needed. Paul P cooked the lunches (hot dogs and hamburgers, in the big tent) and Ed K supervised the tent operation.

The KBC trial started with a Fri./Sat. one-hour OAA event. The AAA, GD and juvenile events ran Sat. & Sun.

Ben Lorenson dominated the OAA event. Bob & Chris Burchett's well organized operation swept the OD stake. McCallister won big in the GD events. Donahue won the AGD and Sam Borst won the AAA with "Open Range" on the "Jackson Range".

At Hendrickson's request, the Diamond Dog Food folks sponsored the one-hour OAA event and provided some good eating for the Canine Winners. The KBC appreciates Diamond's help very much.

The KBC missed the good help of Larry McDonald who is always a willing worker. Larry is currently stationed at the WV University Hospital and undergoing some serious treatment for an intestinal problem. Our thoughts and prayers are with Larry and we hope to have him working again soon.

Last but not least, the KBC owes a big thanks to all of the judges that worked hard just to make a few people happy. Thanks to all of the participants and we hope to see you next time.

2008 Texas Amateur All Age Brittany Championship

The 2008 Texas Amateur All Age Brittany Championship was held on the usual grounds at the Nancy Lee Ranch in Brownwood, Texas. Once again thanks to Purina for their support of the Texas Amateur All Age Brittany Championship. The Pro Plan Performance dog food and orange Purina hats are very much appreciated by all the participants. Early summer rains created areas of tall grass and plenty of cover for birds this year and several coveys of wild birds were encountered. The first day of the Championship began with clear skies and unseasonable warm temperatures. Dogs running in the afternoon braces really felt the heat. The second day of running was overcast with cooler temperatures. The Championship Judges were Rex Tackett and Will Welch, both experienced Pointer men, with a ton of winning dogs and field trial history between them. Their attention to each dog and positive comments made their placements well accepted by all.

First Place – ORION'S "FLO" JO, owner handled by Gary Smith set a standard in the 3rd brace that was clearly a winning performance. Flo ran a strong forward race with good range and was rewarded with a find at 38 and a stop to flush at 49. Her fast pace was maintained for the entire hour.

Second Place – MEGABUCK'S HELL ON WHEELS "HARLEY", handled by owner John Cross ran in the 3rd brace with the winner. Harley took advantage of the cooler morning temperatures and maintained his good ground speed throughout the hour. He showed good manners on 2 finds within the first 3 minutes of his brace. While he lacked the range of the winner, he maintained his pace and forward race to the finish.

Third Place – COUNT SIROCCO "ROC", owner handled by Sue D'Arcy ran in the 5th brace with the temperatures climbing rapidly. He showed good speed and range early on, but suffered from the rising heat in the later part of his brace, otherwise things could have turned out differently. Point was called at 41 with Roc standing in a large thicket and all was in order.

Fourth Place – BLUERIDGE'S BLAZEN GEM "RUBY", handled by Claude Kilpatrick ran in the 7th brace and took advantage of the cooler temperature. While she lacked the range of the other placing dogs, she showed good ground speed and handled kindly as she intelligently navigated the course. Ruby's bird hunting diligence was rewarded with 3 stylish finds involving multiple birds at 10, 23, and 43. She continued to run and hunt hard the entire hour.

THE RUNNING:

Brace 1 – CHEYENNE WIND DANCER "DAN" (John Cross) & WINTUCK ROCKET'S RED GLARE "ROCKET" (Tom Milam). Both dogs broke away from camp at good pace. Rocket was a little farther out when he hit point at 9 minutes in a large thicket. After 2 relocation attempts, he decided to show Tom where the birds were and was leashed. After a non productive at 33, Dan continued the hour with a workman like performance but was not rewarded with a find.

Brace 2 – T-J'S PRAIRIE "BLIZZARD" (Jessica Carlson) & TEJAS IRON "MAX" (Mitsue Nakamura). Both of these handlers chose to leash their dogs early as they seemed to have trouble finding the front.

Brace 3 – MEGABUCK'S HELL ON WHEELS "HARLEY" (John Cross) & ORION'S "FLO" JO (Gary Smith). Both of these dogs' performances are described above.

Brace 4 – BLUERIDGE "MAJOR" ADVENTURE (Terry Maxwell) & CHIEF'S "GUNNER" (Doug Arnold). These dogs broke away from camp as the temperatures began to rise. Both dogs showed good speed and range with Major the further out of the two. At 17, Gunner had a non productive and was sent on. At 39 he had a clean find and was looking good. At 57 he bumped a bird on relocate and was leashed. Major continued to eat up large sections of ground but was not rewarded with a find. At 58 he was seen going into the woods, way to the front but was not seen again until 40 minutes into the next brace.

Brace 5 – COUNT SIROCO "ROC" (Sue D'Arcy) & HANGING JAZE HOWLALEWYA AMEN "SLICK" (Tom Milam). Roc's race is described above. Slick was a handful to handle for Tom and the Tracker was called for at about 30.

Brace 6 - COUNTESS COGNAC "CC" (Sue D'Arcy) & MO-DAN'S BELIEVER "BUDDY" (John Cross). CC showed excellent speed early, but suffered from blown pads and shortened up. She never quit hunting and had finds at

49 and 55. Buddy seemed to run bigger the longer he was down. At 45 he got lost going through the woods after Four Corners.

Brace 7 – BLUERIDGE BLAZEN GEM "RUBY" (Claude Kilpatrick) & ALMADEN'S "RIVER" OF SHADOWS (Jessica Carlson). Ruby's race is described above. River had trouble getting untracked this day and Jessica chose to pick him up at 22.

Brace 8 – BELLA BEAU "MAX" (Gary Nelson) & TLM COMANCHE "CHIEF" (Tom Milam). These dogs broke away with Chief making a nice forward cast and Max hunting more lateral. Gary was working hard to keep Max forward until he finally disappeared for good half way through the brace. Chief continued making nice forward casts and hunting all the likely spots. He was found on point at 52, but even after relocating, no birds could be produced. He finished the hour without bird contact.

Brace 9 – DAKOTA "LUKE" (Dick Mantler) & BRETON'S GOLD RUN RUFFIAN "RUNNER" (Jessica Carlson). Both dogs broke away with a lot of enthusiasm. Luke suffered a lapse in manners at 15 and was leashed. Runner continued on without bird contact for 35 minutes until he disappeared in the woods just past 4 Corners.

Brace 10 – TEQUILA WITH A TWIST "TARYN" (Jessica Carlson) & CHIEF'S NUBBIN'S MY LIL "LADY" (Doug Arnold). These girls got right down to business at breakaway and at 10 Taryn had a nice find. Birds were flushed and all was in order. Shortly after being sent on she disappeared and was not returned to judgment. Lady continued showing good range and ground speed. At 23 she had a find with all in order. She finished the hour running hard but her pattern became erratic, keeping her out of the ribbons.

SKYLINE BRITTANY CLUB
Burlington, CO
March 14-16, 2008

The Skyline Brittany Club would like to start out by saying thank you to everyone who helped make this trial a success; Jeff Hoskins for chairing the event, our judges; Chris Heyden, Scott Wilson, Kevin Waide, Duane Kirkley, John Vincze, Tracy Haines, Margo Bailey and John Moreland, and club members that made it possible include, but are not limited to; The Peters, Matt Clyker, Pat Beauchamp, The Masolottes, Brian Hultgren, and Andi Christensen.

The trial got off to a good start on Friday. We ran the Open Limited Gun Dog without any issues. Saturday was a little crazy, but most everything went as planned. We ran the Open Derby, Open Puppy, Amateur Gun Dog and began the Open All Age. The weather, despite the forecast, was pleasant until Sunday, when it was rainy, windy and cold. We finished up the Open All Age on one course while running the Open Gun dog on another. While judging the 2nd brace of the Open Gun Dog, Margo Bailey lost an argument with her horse and ended up on the ground and unable to continue. Our marshal, John Moreland, was kind enough to step in and judge the rest of the stake once Margo was on her way to the hospital. The doctors diagnosed Margo's injury as a severely separated shoulder. Margo was taken care of and sent home. Other than Margo's unfortunate mishap, the trial went rather smoothly. There were even a few dogs that finished their FC of AFC titles. All in all, the dogs had a great showing and we are looking forward to our walking trial in May.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.
