WHEN NUTRITION COUNTS

The birds are scarce, but he continues his search working the ditches and fence rows quartering through the field. He slams on point and you say to yourself, "this is what it's all about."

His breeding, your training/conditioning combined with high-quality nutrition have made this possible.

Give him the high-quality nutrition that helps keep him in the field when other dogs are heading for the truck. Feed what many top field trialers feed — Purina® Pro Plan® Performance Formula.

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Submission of Agenda Items

Deadline for Agenda Items: September 15, 2009

All Agenda Items, officer and committee reports for the ABC Board Meeting to be conducted at The National Championships in Booneville, AR, must be submitted by September 15, 2009, to be included in the Agenda Book and put up for consideration at the meeting as per policy book stipulations. Early submission allows us to put the topics for consideration on the website and to get books to the Directors in time for meaningful input from the general membership. Action items submitted late and not in writing should not be considered as they are often not well thought out causing many problems after the fact. Reports that cannot be completed such as the Treasurer's Financial Statement and Futurity Stats, may be submitted by bringing 20 copies to the meeting but any Action items from any officer or director, committee chair, etc. should be submitted by the deadline

Please include a copy of the current policy in the Policy Book along with suggested wording changes. We are asking that every Committee Chair and Officer review their section of the Policy Book this year and submit revisions that update what is currently being done and/or errors in the current policy book.

PLEASE NOTE POLICY CHANGE FOR SUBMISSIONS: At last years BOD Meeting, policy regarding Agenda Book submissions was changed. The following is the current policy:

I move that agenda item section of the policy book, page 77 #4 read as follows: Items must be submitted six (6) weeks prior to the Board meeting. Items must be from an ABC officer, Committee Chair, a Board member, or a Regional Club who has first voted on the item by that club's members. Items from individual members should first be discussed with one or more of that person's Regional Directors before being submitted. The individual's item should be supported by fifteen (15) different actual signatures of ABC members. Since agenda items need to be presented by someone to the board, one of the regional directors shall present the Agenda Item to the Board of Directors.

We want to publish Officer and Committee Reports in the ABC Magazine and on the ABC Website prior to the Board Meeting. This can be a very difficult task to accomplish since many of the reports have to be retyped. Please help us by sending your Agenda Reports in a .doc or .rtf format by email to:

ABC Agenda Chairman Dee Hartnek, dhartnek@gmail.com, Phone: 520-803-9428

It would also expedite matters if you would also CC to:

Mary Jo Trimble: trimnatchbritts@midamer.net (for compiling list for ABC Website before meeting) and Dee Hempfield: ambritteditor@roadrunner.com (for publication in the magazine).

If you cannot send as a .doc or .rtf file, mail to Dee Hartnek, 6909 E. Camino Garcia, Sierra Vista, AZ 85650.

YOUR COOPERATION IN WRITING YOUR REPORTS, MEETING DEADLINES, SENDING THEM IN .DOC OR .RTF FORMATS WILL GREATLY HELP US HAVE A MORE INFORMED MEMBERSHIP BOTH BEFORE, DURING, AND AFTER THE ABC BOARD MEETING.

ABC 2009 Regional Futurities

Eastern • Central • Western

Submitted by Judy Graves, ABC Futurity Secretary

2009 American Brittany Club Futurity Overview

The number of litters eligible for the 2009 ABC futurity running dropped 25% from the previous year. In 2007, 108 litters produced 653 pups eligible to participate. Of that total, September forfeits were paid for 135 dogs, representing 244 entries (129 in the field and 115 in the show). The combination of litter nomination fees and forfeits paid (less ABC expenses for the program), produced a total purse of \$9,023. While the actual number of forfeited dogs declined, I am happy to report that 2/3's of the dogs for which forfeits were paid, participated in the sectional competitions, which is an increase from the 2006/2008 program.

The Western section had the most entries (58), followed by the Central region at 55, and the Eastern at 48. There were a total of 161 entries (90 in the field and 71 in the show).

Even though the entries were slightly less than 2008, the quality was certainly there to make each sections' events exciting for both the participants and spectators as well. We had seven dogs place in more

than one section. A special congratulation goes to Sandra & Gary Leavens of Ball Ground, Georgia who were the top breeders of record when looking at all three sectional winners.

Once again, we want to thank each section manager and secretary who put in long hours to ensure a successful futurity. Bruce Conover and Bobbie Sigmund took care of the Eastern Section; Chris Burchett and Sherri Meeker hosted the Central Section and Robin Tomasi and Carol Maves made the Western Section run like clockwork. Our special thanks to Purina for their financial support and Tri-tronics and Tracker as participating sponsors of the American Brittany Club.

Make your plans now to participate in the 2010 Futurities. Host cities are Oxford, NY for the Eastern; Brownwood, Texas for the Central; and Sonoita, AZ for the West. There were 121 litters nominated in 2008 producing 758 pups, which is 105 more prospects than last year. September forfeit forms will be sent to all breeders and those owners who requested to be on the mailing list in July. They will also be available on the ABC web site.

EASTERN March 19-20, 2009 • Clear Springs, MD

Show Futurity

Submitted by Judy Cohen

The 46th Eastern Futurity Show was held on Thursday, March 19th in Clear Springs, Maryland. The site and weather were perfect. A dinner was held that evening at the same location. The trial grounds were located only 10 minutes away, which allowed folks staying on site the opportunity to come to the show and dinner as well. We hosted a total of 25 dogs for the show. Of these 25, 18 were also entered in the field, either in the gun dog or the all age stake.

Our judge for the show was Debbie Wingate of Front Royal, Virginia. Most of her life Debbie has been involved with dogs. Right now she is currently employed by the Department of Homeland Security and is responsible for the whelping and rearing of these dogs, whose sole purpose is to guard our airports, harbors, and borders. Dogs from this faculty, once trained, are used not only in the US but abroad as well. Debbie has exhibited, finished, and trialed Brittans under the Willow Run name for 10-15 years. She was an active member of the Rappahannock Brittany Club during that time, and has judged sweeps and matches.

Our ring steward, Laurie Dourmaux, a longtime Golden Retriever breeder/Boxer/exhibitor who also resides in Virginia, was a great help and wanted to see more of our Brittans to increase her knowledge base of our breed. Laurie has completed Brittany sweeps as well as other sporting breeds in the past.

We had a great photographer, Carl Gernazio, who kept busy doing candid's in addition to our winning photos. John Ashby did some of Carl's mentoring, so we are sure his photos will be very good. Carl has Sammi dogs, and it is known that it is always helpful to have a dog person taking the winning photos, since they understand exactly what we need for a good shot and how to get it.

Many of these dogs and bitches, that were entered, are already show champions or have show points, with a few having either field points, field placements, hunting titles, or agility titles. It speaks well of our breed, and their breeders and owners, for the future of our Brittans.

Our judge selected littermates, CH GINJAC ILLUSION OF BROOKEWOOD for the Best in Futurity (senior male) owned by Gina and Jeff Currier and showed by Gina. The Best of Opposite Sex was CH BROOKEWOOD'S MARDI GRAS JH, OA, NAJ (senior female) owned by Sue and L.E. Osmansky and shown by Cindy Miller. Both of these winners were bred by a very excited Cindy Miller.

Second money male from the intermediate class was LOCKRIDGE'S SOMETHING TO BE PROUD OF, bred/owned by Larry & Terry Hillard, showed by Doug Tighe. Our lone liver/white entry was CH MT. VIEWS TRIPLE CROWN MH, bred/owned by Mary Ann Breininger & Pat Ortelli, was showed by Pat Ortelli and won second money female out of the junior class.

Third money male, bred/owned/showed by LuAnn Fullwood, was our junior dog BRITWOOD THE HEAT IS ON. He was one of the two very nice roan entries

in the futurity. Another full littermate to our BIF and BOS, CH ILLUSION'S GEM OF BROOKEWOOD showed by Gina Currier, came out of the senior female class for third money female. Gina is one of the owners with Abbie Hanson and Beth Kirven.

By the end of the day we had eleven entries in the show that were also entered in the field, and eligible for the covenant Dual Dog Award.

Many thanks go out to Purina who have been a strong dedicated sponsor of our sport for many years. The sponsorship that they provide, particular to this futurity, is very much recognized and appreciated by the American Brittany Club and all the participates. Thank you for the great products and continued support of these National events for these young and upcoming Brittans of the future.

I end this write up with a "BIG THANKS" to everyone that pitched in to help set up and break down the show site, make announcements, went for pizza, sold raffle tickets, and helped keep me on track. You know who you are, thanks.

Field Futurity

Reported Bruce Conover, Submitted by Bobbie Sigmund

On March 20, 2009, twenty-four (24) futurity nominated Brittany's, their owners and a myriad of guests and on-lookers gathered at the Indian Springs Wildlife Management Area in Clear Springs, Maryland for the running of the American Brittany Club's 2009 Eastern Field Futurity. Although the number of competitors in this year's event was down, there was certainly no less enthusiasm for the many exceptional performances we had the opportunity to observe.

With eighteen (18) dogs competing in the Gun Dog stake it was AMMO'S SOME LIKE IT HOT, owned and handled by Sandra Leavens in the 8th brace, who took home the blue. But as you will note in the description of the running of this stake, Sandra had her hands full fighting off the likes of SUEMAC'S SKY KING under the whistle of Roger McPherson who finished 2nd, with HIGH HOPES FLYIN FULL THROTTLE handled by Carl Anglen and SIGBRIT'S JUST LIKE MY MOMMA handled by Bobbie Sigmund, in the 3rd and 4th positions respectively.

In the All-Age event it was Bobbie Sigmund's SIGBRIT'S LOST GEM who rendered the winning performance. HIGH HOPES LITTLE ANN handled by Dan Reidl followed close behind in the number two position with DELANE GO'N FOR BROQUE handled by Lane Hempfield and VANPO'S TYPHOON handled by Ron Lisuis in the 3rd and 4th places respectively. Not a big stake, but a stake with some dogs with big futures ahead of them.

Our judges, Lou Palazzolo from Maryland and Greg Sackett from Pennsylvania, spent an entire day in the saddle and were forced to make some tough decisions. We were fortunate to have such observant and experienced individuals to judge our event this year and we truly appreciate their attentiveness.

After the show was over there were eleven dogs eligible for the covenant Dual Dog Award. Many participants did not remember the last time that there were so many dogs eligible. To be eligible, a dog/bitch had to have a placement not only in the field, but in the show as well, and beating out competition in their show class. All placements have a numbered value in both the show and the field. This year's winner of the Dual Dog Award was SIGBRIT'S LOST GEM, owned and handled by Bobbie Sigmund.

Many thanks to the Purina Company who so graciously sponsored the Futurity this year. It is one thing to be sponsored, but it is an entirely different to be sponsored by a company who has made such a tremendous commitment not only to our dogs but also to our sport.

Finally, thank you to all who participated either as competitors, supporters, or observers. Each brace throughout the day had a large gallery and everyone seemed to enjoy the company. It was a wonderful day full of great dogs and good friends.

The Running of the Futurity Gun Dog Stake

Brace 1: ILLUSION'S GEM OF BROOKEWOOD (Carrier)/AMMO'S ARMS DEAL (Roberts) – Handlers broke their dogs away at 8:33 am. The pace was tempered but both dogs searched enthusiastically. At 8:40 Ammo's Arms Deal established point at the first perpendicular hedgerow and had two additional stylish finds through the remainder of the course. Illusion's Gem of Brookewood had an attractive find contact at 8:57 along the top edge of the backside of the course.

Brace 2: CASTLE'S DREAM GIRL (Castillo)/BROOKEWOOD'S MARDI GRAS (Osmansky) – Dogs broke away at 9:10 am, each demonstrating a flowing gate in their approach to the first hedgerow. At 9:16 Mardi Gras targets in on a find at the hedgerow and stands handsomely through the flush. At 9:30 past the creek, it's Dream Girl's turn to show her style. Several contacts were noted by both dogs as they handled kindly to the front at close range.

Brace 3: SIGBRIT'S JUST LIKE MY MOMMA (Sigmund)/DELANE ROUGH 'N ROWDEE (Hempfield) - Brace 3 picked up the pace as both dogs raced to the hedgerow at their 9:50 breakaway. Both Ringo and Just Like My Moma handled well to the front, each demonstrating a smooth flowing gate with good ground speed. Ringo had three stylish finds over the course of the thirty minutes followed closely by Just Like My Moma's two. It certainly was one of the more dynamic braces in the stake.

Brace 4: MR. WADE B (Burger)/LOCKRIDGE'S SOMETHING TO BE PROUD OF (Hillard) – The handlers broke their dogs away at 10:40 am. Both dogs handled pleasantly to the front without bird contact until the turn at the creek. As we moved back towards the perpendicular hedgerow both dogs had two separate bird contacts, each demonstrating style and intensity. The dogs shortened up as we made the right turn to come back and we finished the brace without further contact.

Brace 5: PENELOPE OF COOS (McPherson)/CASTLE'S IT'S A DEAL (Castillo) – This brace broke away at 11:59 am. After a slight "get to meet you" at the breakaway, both dogs rushed to the front. At 12:04 Deal establishes point in the

second hedgerow on the left. Coos followed shortly behind and backed in a very mature and stylish manner. At the cut to the left after the creek, Coos has a stylish contact on the right edge. Roger collared the dog and moved on. As we finished the brace, both dogs continued to the front with Coos being the wider of the two.

Brace 6: HOPE'S STAR OFFENSE (Tighe)/AMMO'S MISTY MORNING BREEZE (McCarthy) - Dogs were released at 12:30 pm. After a slow start both dogs take the right edge up to the first hedgerow where Bart establishes point but without a bird being produced. Morning Breeze continues along the course to the front handling kindly for Pat. At 12:47, Bart shows style as he has contact at the last hedgerow before the sharp left turn up the hill. The course was completed without further bird contact.

Brace 7: MT VIEWS TRIPLE CROWN (Ortelli)/HIGH HOPES FLYIN FULL THROTTLE (Anglen) - The first brace after lunch, the handlers broke their dogs away at exactly 1:00 pm. After among the strongest breakaways in the stake, Triple Crown has a stylish find at the first hedgerow on the right. As we continue towards the creek, Cruz demonstrates considerable ground speed and range while Triple Crown slows slightly into a quartering pattern. At the last hedgerow to the left, Cruz has a very nice find and both dogs move on to the front. After an extended absence by Cruz, both dogs finish to the front without further contact.

Brace 8: AMMO'S SOME LIKE IT HOT (Leavens)/SUEMAC'S SKY KING (McPherson) - This brace broke away at 1:45 pm and was among the snappiest in the stake. Both dogs demonstrated considerable speed and enthusiasm throughout the brace. As we approached the creek both dogs had crossed the creek onto the All-Age Course but responded pleasantly to the handler's call for their return. They continued to handle well to the front with considerable ground speed as we turned left towards the hilltop. As we entered the final field both dogs established and held point at the far edge of the final hedgerow for a lengthy period which was a considerable distance to the front. The brace ended shortly thereafter - the judges obviously pleased with what they saw.

Brace 9: SPRING HILL'S HIGH PERFORMANCE (Lehosky)/AUTEN'S ALIGANY DICE (Siegel) - The final brace of the Gun Dog stake broke away at 2:20 pm. At the breakaway Charger runs the right edge while Dice picks up the left. At the first hedgerow, Charger enters the brush and returns with a retrieve to hand. Through the length of the field approaching the creek both dogs handled wide to the front and with a great deal of enthusiasm. After the creek both dogs take the hedgerow on the right of the corn field and proceed to the front. At the last perpendicular hedgerow, Charger establishes point and Dice makes a backing attempt but joins into the pursuit when the bird flushes. Both dogs finish strong pleasantly ending the stake.

The Running of the All-Age Futurity Stake

Brace 1: DELANE GO'N FOR BROQUE (Hempfield)/HI SCOR JACKIE D RUFFIAN (Shannon) - The dogs broke away at 3:05 pm. We crossed the first hedgerow after an exceptionally strong breakaway with neither dog in sight. As we headed toward the creek Jackie showed to the front, established a steady forward pace and had three strong finds through the remainder of the course. Booker ran the far edges of the course with several extended absences. As we crossed through the woods, Booker maintained a true All-Age pace and finished strong to the far end of the final field.

Brace 2: VANPO'S TYPHOON (Lisuis)/THE REAL DEAL (Winnen) - Brace 2 broke away at 3:46 pm with both dogs setting a quick pace to the front. As we reach the first hedgerow The Real Deal is out of sight while Typhoon is committed to a steady pace out to the front. At the first hilltop after the creek, Jim Winnen, having not seen the Real Deal since early in the brace, asks for the tracker. As we reach the large field on the backside of the course Typhoon can be seen traveling briskly ahead of us. Followed by an absence while we maneuvered through the heavy wooded area, we discover Typhoon on point at the very end of the course waiting for Ron's arrival. In all a very mature performance.

Brace 3: SIGBRIT'S LOST GEM (Sigmund)/HIGH HOPES LITTLE ANN (Riedl) - The final brace of the All Age broke away at 4:31 pm with both dogs disappearing to the front. As we made the jog to the right and through the cut, Topaz was making a nice move on a far line maintaining a wide run. Annie appeared from the right, moved through and down the line to the front then was not seen for a short time. Annie showed back to the front moving forward as we went through the forest. She established the first of her two points with grand style, head high and tight, after the split in the trees. Her second find was down the tree line where she allowed her handler to flush the bird. Annie continued working with a snappy, enjoyable run ending the brace strong. Topaz was moving out in front during her braced mate's bird work, working the edges and finishing them on the back part of the course. Her single bird work, a quick point with intensity, was just before the forest. Topaz continued the course with enthusiasm finishing the brace strong and far out in front at the end.

Field Futurity

The 2009 edition of the Central Futurity Field Trial events was held under seasonably cool, windy conditions in the rolling hills of southern Iowa. The venue, Union County Bird Dog Ranch, has been the site of previous futurities, classics, and championships and provides open terrain with numerous edges for objectives. Bird work was plentiful in both the All Age and Gun Dog stakes; the crop of young dogs speaks well for bird-finding abilities produced by the breeding programs represented. Based on this sample, the future of the breed looks bright.

Judicial duties for the All Age Futurity were handled by Paul and Lisa Pollock of Medford, New Jersey. Bruce Heiter and Tom Thomas, of Bondurant, Iowa and Somonauk, Illinois, respectively, adjudicated the Gun Dog stake. Judges in both stakes remarked on the strong showing of the dogs as a whole and how close many of the performances were. Several dogs competing in the All Age stake received Honorable Mention from the judges.

The ALL AGE FUTURITY was won by CAST-A-BRITT MICRO SAMMIE, a white and orange bitch who ran in the first brace. Sammie is from the breeding program of Jeff Hoskins of Colorado. She is owned by Ken and Jane Windom and handled by Bob Burchett. Sammie ran to the limits of the course and beyond. She was always to the front and constantly moving except when on birds. Second place went to COUNTRY ROADS GOLD DUST, bred and owned by Karen Stout of Converse, Indiana, and also handled by Bob Burchett. Dusty ran in the third brace and put down a wide-ranging forward race with two well-spaced finds. Third place went to TEE'S HURRICANE, bred by Jim and Meam Floyd, owned by Joyce Miley, and handled by Scott Johnson. Tee made several very large moves that took him to

the corners of the course. Fourth was awarded to DELANE GO'N FOR BROQUE, bred by Dee & Weston Hempfield, owned by Dee Hempfield, and handled by Lane Hempfield. Booker exhibited a good pattern and was clearly in search of birds during his 30 minute run. Honorable Mention was given to RU-JEM'S FIST FULL OF DOLLARS, GUN RUNNER'S IMA HUNK, JOKER'S JACKPOT, and SNIKSOH BOOMER HERSHEY'S RILEY, a littermate to the winner.

The GUN DOG FUTURITY was won by RICO'S HI-PROOF BOOTLEGGGER, an orange and white male coming two years of age. Mason ran a consistently strong, forward race with 8 well-spaced finds throughout his half hour. Mason is from the breeding program of Paul Rosevear. He is owned by Chuck and Jill Schaefer and was handled by Bob Burchett. SUEMAC'S SKY KING garnered second with a strong race and good bird work, including a find well off the course near the end of his half hour. Sky is co-owned by breeder Roger McPherson and handler Ray Gorman. Third place was awarded to LOCKRIDGE'S SOMETHING TO BE PROUD OF, bred and owned by Terry and Larry Hilliard and handled by Larry. Gentry showed good range and style on his four finds. Fourth place went to HIGH HOPES LITTLE ANN, bred by AI and Cindy Cropek and owned and handled by Dan Riedl. Annie ran a snappy race and showed good style on her birds.

THE RUNNING

The All Age Futurity:

Brace 1: CAST-A-BRITT MICRO SAMMIE (Burchett) - JOKER'S TRAIL BLAZIN BUD-DEE (Ralph). The dogs were turned loose at about 7:30 under cloudy skies, a moderate wind from the north, and temperatures in the upper 30s. Both dogs were away to the front and disappeared over the first crest. As the riders crested the rise, the dogs were seen in tandem turning west and running down the edge of the hedgerow that divides the section in half. Bud-Dee was gathered up by Steve as the handlers came through the cut in the hedgerow and they proceeded to the front together. Judge Paul Pollock spotted Sammie as she crested a rise far to the front. Bud-Dee continued along the course east of the pond, turning west along the south edge of the course where he had a find at 12. Sammie was not seen after cresting the earlier ridge, and scout was dispatched. Judge Lisa Pollock then spotted her across the road in the neighboring farmer's field, running hard along a weeded fence line. Bob gathered her up and she proceeded along the feed strip lining the south edge of the course and pointed at the end of this feed strip at 15. Bud-Dee joined her as the bird was produced. Both dogs exulted in the find for a time before returning to the hunt. The course turned north at this point and both dogs headed to the front. Sammie swung left past the first finger crossing while Bud-Dee continued ahead. Sammie disappeared in the cover and was next seen by handler two ridges over, to the north of the course. She responded to Bob's whistle and crossed in front several hundred yards ahead of handler and judges as she ran to the finish.

Brace 2: SHELTTANY AGAINST ALL ODDS (Tillson) - WILEY JIM (S. Johnson). Scott called point for Jim at the hedgerow feeder at 5 and a bird was produced. Chance pointed farther down the hedgerow about 1 minute later, and a bird was also produced for him. Both dogs made some nice moves during their brace, but

neither exhibited the all-age range or pattern looked for by the judges on this day. Jim had another find at 24 as the course came around the north side of the hedgerow. Chance also pointed in the hedgerow at 25, but no bird was produced. The brace ended with both dogs reaching the end of the course at moderate range from their handlers.

Brace 3: RU-JEM'S FIST FULL OF DOLLARS (McGee) – COUNTRY ROAD'S GOLD DUST (Burchett). Both dogs broke away and went to the front. They were seen going through the cut at the hedgerow as handlers approached. They continued south past the pond, with Dusty taking a line down the ditch that runs toward the church corner. She pointed at 10 along the edge of the ditch, and Bob found a dead bird. Dusty moved down the ditch another 40 yards and spun to another hard point. This time, two quail lifted at the flush. Meanwhile, Jerry had taken Dollar ahead. Bob and Dusty caught the front on the south side of the course. Both dogs were forward, with Dusty showing the more aggressive ground game. She established point at 18 along the first finger north of the rock crossing and a bird was produced. Dollar moved up the south side of the finger to the feeder and pointed. Jerry flushed a quail, but took some time to gather up Dollar, who went over the terrace in search of the bird. Meanwhile, Dusty finished forward on the right side of the course.

Brace 4: MCCHESENEY'S TEQUILA RIVER (Tillson) – GUNRUNNER'S IMA HUNK (Hancock). Hunk put down a very impressive race for much of his 30 minutes. He was seen past the hedgerow and headed toward the church corner where he had a find at 11. Following his find, he headed south and hit the gravel road, taking it about one-half mile west before coming back to the course. He pointed again at 16 across from Jimmy's house and a bird was produced. Bill managed to get him to move forward, but he then looped back toward the site of his last find and could not be coaxed back to the front as time expired. Meanwhile, Rio put down a race of moderate range. He scored a find in the hedgerow at 25 toward the end of the brace.

Brace 5: RICO G'S BLAZIN CYCLONE (Burchett) – TEE'S HURRICANE (S. Johnson). At breakaway, Blaze took the left side and Tee took the right. Blaze was seen at the cut at 3, but was not seen again until 18 on the west side of the course. Tee went through the cut at 4 and stopped on point, but no bird was produced. He headed forward down the east side of the course toward the ditch into the church corner, then circled back around, making a huge counter-clockwise cast to rim the feed strips. He scored a find at 12, then went forward as the course headed west, then north past the rock crossing. As mentioned above, Blaze reappeared at 18, north of the rock crossing, and established point west of the finger feeder at 20. He finished the course at good range, but his extended absence was too much to overcome. Tee made several excursions as the course continued on past the other fingers and the hedgerow, requiring Scott to bring him back around to the front. He had a brief absence to the east of the course as we neared the end. He later returned and went on point, but no bird was produced. The judge said many pheasants had been seen in this area during the past week, however.

Brace 6: UGH STUMBLIN' FROM THE SHADOW (Tillson) – BRITTMONT JACKSON (Burton). Both dogs took the left edge of the course at breakaway and headed south along the fence line. Bubba crossed and came up to the hedgerow, but Jackson disappeared into the woods and was not returned to judgment. Bubba scored a find at 18 in the church corner, then rimmed the south edge of the course along the feed strips. This was not his best day, however, as he shortened toward the end and tended to come back and check in with his handler more than was desirable in an all age stake.

Brace 7: DELANE GO'N FOR BROQUE (Hempfield) – JOKER'S JACKPOT (John) Both dogs broke away over the hill and were seen going through the keyhole, then turned right and down the terrace. Booker was gathered up and he took the left edge along the feed strip by the wood's edge. Jack headed straight south, then turned left toward the church corner and pointed at 11. Jim produced a bird and took the dog on. Meanwhile, Booker ran the length of the feed strip along the south side of the ditch below the fallen barn, crossed the ditch and ran back down along the feed strip along the opposite side before going ahead toward the first finger where he scored a find at 21. He shortened his race somewhat after that, but was still forward. He located another bird at 24 at the feeder by Karbiner's crossing. Jack went ahead as Lane was flushing for Booker and pointed in the hedgerow at 28. A bird was produced, which flew back south past the terraces. Jack went in pursuit of the bird, and required considerable effort on Jim's part to return him to the front before the end of the brace.

Brace 8: SNIKSOH BOOMER HERSHEY'S RILEY (Burchett). Riley ran as a bye dog. She showed true all age range during her half hour, similar to her littermate. However, her pattern was not as consistently forward as the dogs that placed. Bob called point for her at 16, but could not produce a bird. She later had a find at 24 near the feeder by Karbiner's crossing.

The Gun Dog Futurity:

Brace 1: STARLIGHT'S CLOUDED TITAN (Richmond) – ROOSTER RIDGE'S BORDER BANDIT (Cockrum). The Gun Dog Futurity started immediately after lunch. Temperatures had risen from the morning, with patchy clouds and a moderate to stiff breeze blowing from the north. Both dogs broke away straight ahead. Titan pointed at 4 in a draw on the west side of the course. Poncho pointed at about the same time east of the main horse path. Birds were produced for both dogs, but Titan scooped up his prize and played keep-away with Teresa for several minutes, much to the delight of the gallery. The dogs went through the keyhole in the hedgerow. They were going with the wind, and both tended to turn back into the wind as we proceeded onward. Titan pointed at 10 along the feed strip on the east side of the course. Poncho was very stylish as he pointed at 11 near the terrace feeder and again at 20 on the back part of the course. Titan continued to find birds along the gully north of the fallen barn. He pointed in the hedgerow at 24. Poncho also pointed in the hedgerow at about the same time and again at 25 farther down the hedgerow. Poncho scored again at 29 in the open field north of the hedgerow.

Brace 2: PENELOPE OF COOS (Gorman) – RICO'S HI-PROOF BOOTLEGGER (Burchett). Both dogs were away to the front, with Mason showing the bigger run. Mason pointed along the feed strip north of the hedgerow at 5. After passing through the keyhole, Mason took the east feed strip all the way to the corner of the woods, then headed west toward the terrace feeder. He pointed at 10 along the terrace south of the feeder and a bird was produced. Mason scored another find about 150 yards farther south. Meanwhile, Penny was running a forward race, albeit at relatively short range. After the course turned back north, Mason pointed on the west side of the ditch above the fallen barn. After being released, he nailed another bird at 16 at the north end of the ditch. Penny pointed at the north end of the ditch at 18. This find seemed to energize her considerably. In the meantime, Mason had another find in the open CRP field north of the ditch at 19. He then continued on to the hedgerow, took the tree line all the way to the west end, swung around to the north side and ran that edge to the other end. He then turned north and ran to the feed strip north of the hedgerow. He pointed, with Penny backing, near where he had his first find. No bird was produced at first, so he was asked to relocate. Both he and Penny moved up and produced a bird from beneath a heavy clump of grass. As the dogs were taken on, Mason swung to the left of the course and scored yet another find at 28 in cedars and brambles along a ditch on the west side. He finished the brace going away to the front as time was called.

Brace 3: CASTLE IT'S A DEAL (Castillo) – LOCKRIDGE'S SOMETHING TO BE PROUD OF (Hilliard). The dogs broke away and headed toward the keyhole. Gentry was found standing on the south side of the hedgerow at 6 and birds were produced. He scored another find in the CRP field south of the hedgerow at 7. Both dogs continued around the course, Gentry being the wider of the two. After the turn near the fallen barn, Dealer had a find at 16 by a cedar on the ridge

west of the gully. The bird circled the ridge after being flushed and landed several yards away. Dealer pointed it again at 18, then went in hot pursuit of it at the flush. Gentry produced a bird about the same time and followed its flight to the far west side of the all age course. He was eventually brought back to the front with some help from the scout. Gentry proceeded to the hedgerow and pointed at 20. Meanwhile, Ned was trying to corral Dealer. Dealer eventually came around and was taken forward, but shortened considerably and was picked up by the handler at 25. Gentry continued on at good range to finish the half hour.

Brace 4: HIGH HOPES LITTLE ANN (Riedl) – ROY'S DIAMOND CUTTER (Friorito). Both dogs were found standing on the south side of the hedgerow at 7. Cutter left and continued hunting elsewhere. The initial flushing attempt for Annie was unsuccessful, so she was relocated and pointed staunchly a few yards away and a bird produced. Meanwhile, Cutter had a find at 8 along the east feed strip. Following her find, Annie made a swing to the west, exhibiting a quick, snappy race then came around to the front and established a stylish point south of the terrace feeder at 11. A bird was produced and she was taken on. Both dogs continued on course and made the turn back to the north. Cutter had a find in the hedgerow at 20 and another in the feed strip north of the hedgerow at 22. He scored again at 24 by a cedar in the CRP field as the brace headed back to the breakaway point.

Brace 5: SUEMAC'S SKY KING (Gorman) – AMMO'S SOME LIKE IT HOT (Leavens). Both dogs went forward from the breakaway and through the keyhole at the hedgerow. Sky disappeared, but was found on point at the west end of hedgerow. Ray had to work hard in the brambles, but produced a bird and took the dog on. Meanwhile, Ravin' continued on course at a fast pace. Sky ran a strong, searching race throughout his half hour. Ravin' also put down a good race, and had several contacts with game, but Sandra was never able to demonstrate that Ravin' had established point before the birds were put to flight. Sky disappeared north of the hedgerow and scout was dispatched. He was found on point at 28 well to the left side of the course and a bird was produced from heavy cover.

Brace 6: CASTLE'S DREAM GIRL (Castillo) – STARLIGHT'S BILLION TIMES BRIGHTER (Richmond). Billy had three finds during his half hour, and showed good derby manners on point. After scoring an earlier find, he pointed a bird by a cedar south of the west end of the hedgerow at 20. He gave chase to the bird before coming around to find another. Teresa tried to get him to go forward, but he kept returning to where the birds were and pointed the first bird again after it circled back and landed near where it had been found originally. Dream Girl was fairly handy throughout the brace, and was not rewarded with a bird on this day.

Brace 7: DELANE ROUGH 'N ROWDEE (Hempfield) – CLYDE'S DOUBLE EAGLE HEIST (Remmers). Both dogs started with a good forward race. Talon tallied three finds during his half hour. One was in the hedgerow at 7, and Kevin left no doubt as to the shot when he fired a small cannon at the flush. Both dogs established point on separate birds at 10 by the terrace feeder. Ringo scored two finds, and had a snappy race during the first half of the brace, but slowed somewhat during

the second half. Talon ended his half hour hunting into the wind.

Brace 8: MR. WADE B (Burger) – AMMO'S MISTY MORNING BREEZE (McCarthy). Wade flash pointed a bird near the hedgerow, but later pointed staunchly on a bird near the fallen shed. He was fairly handy during his brace. Misty put down a snappy race. She had bird contact south of the terrace feeder at 11 and another find near the keyhole at 21. She also showed good retrieving potential.

Brace 9: BGD'S JESSE JAMES (D. Johnson). Jesse was in season and ran as a bye dog. She headed toward the keyhole, and spun to a hard, stylish point on a bird that had moved onto the horse path. Handler was quite a distance away, but Jesse stood staunchly while he approached and flushed the bird. She remained steady until released, then made a nice move along the edge of the course going south. She was generally forward and handled very well around the course, although her behavior made it evident that she was in season. She shortened up as the course came around to the north. She scored another find in the Hedgerow at 20, which she handled with the same excellent manners as her first find, then was taken on by handler to the finish.

WESTERN

April 27, 2009 • Homedale, ID

Reported by Ron Dunagan

The field event was held at the spectacular Mile Post 9 grounds in beautiful Owyhee Mountains. The grounds complement a good dog's ability, with lots of objectives and room to run. Though the week before the weather had been in the high 80's, the dogs were fortunate we didn't see the + side of 50 degrees. The wind was steady and the intermittent rain, snow, hail and whiteout conditions made it challenging if not downright miserable for judges, handlers, scouts, reporters and the gallery.

All-Age Futurity

Brace #1 was run without the reporter due to horse problems. The info is based on information acquired from the judges.

Brace 1: KINWASHKLY JEST A LOVE MACHINE (Jess) Leslie Andreas – MB'S MAKE MINE A DOUBLE – Paul Doiron. Both dogs ran at an enthusiastic but modest range. Jess had lots of bird contact.

Brace 2: KINWASHKLY SMOKING DIRTY BOB (Bob) Kim Brunen – REDLINES RANCH HAND (Handy) Paul Doiron. The reporter is on the job (how I love horses!). Both dogs broke away to the left into the cool and steady Owyhee Mtn breeze. Bob worked close in front of his handler; Handy cast high to the top of the ridge. At 15 the dogs decided to switch game plans, Handy working close to his handler and Bob reaching out far to the front. Both dogs finished without bird contact.

Brace 3: SHELTTANY AGAINST ALL ODDS (Chance) Jessica Carlson – ROCKLAN'S SMART ALEC KID (Cowboy) Paul Doiron. Chance ran a nice race without bird contact. Cowboy had a far reaching, forward ground race, on the edge most of the time. At 11 he had a stylish find just past the road and finished out his time running hard to the front.

Brace 4: JULRY'S PERFECT CUT (Jules) Richard Matzke – SAWTOOTH SALLY II (Sally) Paul Doiron. Jules had a mixed race without bird contact. Sally had a fast, impressive ground race also without bird work.

Brace 5: BLUEWATER JESS A GUNSLINGER (Jess) Wayne Down – KINWASHKLY ML BENJAMIN PATRICK (Ben) Tom Doherty. At 4 min Jess had a quick bird contact. At 7 Jess had a stylish broke find on the top of the tall ridge. Both dogs picked up their pace and range. At 19 Ben had strong point and the bird flushed on its own. Both dogs finished out their time enthusiastically to the front.

Brace 6: SELDOM SEEN SLIM (Slim) Paul Doiron – BLUEWATER TYPHOON TIME (Tye) Wayne Down. Both dogs broke away hard to the left along Chukar Ridge.

Slim worked high in the rocks to the left of the course; Tye took the same area but lower down the hill. At 6 Slim had bird contact but didn't stop. At 14 Tye had a stylish point and was sent on, while Slim slowed a bit. At 19 Tye had another stylish find and Slim found his run again.

Brace 7: SHADY'S WHIZZY LIZZY (Lizzy) R.J. Marquart. Lizzy broke away left along Chukar Ridge and worked her way high on the ridge to the left. She had 2 non productives and was sent on across the flats. At 24 Lizzy seemed to have a mind of her own and blazed her own course.

Gun Dog Futurity

Brace 1: REBEL'S NITROGLYCERIN (Nitro) Chuck Ashton. Nitro ran a modest ground race with bird work at 4, 8, 12, 24 and 26.

Brace 2: ROCKWELL'S SINGERS MELODY (Singer) Richard Matzke – AMMO'S SOME LIKE IT HOT (RAVIN) Sandra Leavens. The wind was now reinforced with light snow. Both dogs broke away and stayed fairly close to their handlers. At 11 Ravin pointed a single chukar and responded with a more lively race, showing a flashy style. Melody had a non-productive at 22.

Brace 3: HVK'S HIGH FLYING KYTE (Kyte) Paul Doiron – RIC-O-SHAY DAYE (Daye) Kelly Freeman-Krom. Both dogs headed for the flats. At 11 Kyte pointed in the open flats. Doiron blew him on, a bird jumped up and Kyte crouched, but was quickly styled up by a tap from Doiron. The bird was flushed and Kyte stood tall with good manners. Daye continued to hunt at conservative range. At 12 Kyte had

a second find, the bird was flushed and he stood in stylish broke dog manner. At 16 Kyte had a very stylish stop to flush. At 22 Kyte is found on point, with Daye coming in to flush the bird. Daye had bird contact again at 24. At 26 Kyte had another stylish broke dog find. Both dogs finished out their brace to the front.

Brace 4: LONE OAK'S SMOKIN' MASKED RANGER (Ranger) Linda McDonald – NNV REBELS BLAZN LIL' MISS FIRE (Bang) Nick Shanto. Both dogs hit the course with enthusiasm. Bang worked hard along Chukar Ridge and on to the high ridge. At 18 both dogs had a non-productive and were sent on. Bang displayed a very flashy and appealing race, well forward with excellent speed and range, and stylish finds at 23 and 25, handling both in near broke dog manner. Bang finished with the same drive and intensity displayed throughout the brace after a handler induced non-productive at 28. Ranger had a pleasing performance but ended his time without bird contact.

Brace 5: AMMO'S MISTY MORNING BREEZE (Misty) Patricia McCarthy – BRIGADE'S OSCAR DE LA BRITT (Oscar) Mike Frane. Both dogs started well to the front. At 10 min Oscar pointed a bird, all was in order and he was sent on. He had a non-productive at 18. Misty shortened before course midpoint, chased a bird at 18 and displayed variable range and drive. At 23 Oscar had another nice point with good manners; he finished out his run well to the front.

The event was called off for the day as it was a near whiteout conditions, forcing all to take shelter.

Brace 6: LONE OAK'S REDLINE PRIDE (Rider) Paul Doiron – RJ'S SWEET SERENDIPITY (Sara) Pierre Uturria. The morning brought fresh snow on the ground and a slight wind. Both dogs broke to the left; at 4 Rider had a quick point. At 8 Rider had another bird and retrieve almost to hand. At 8 Sara went on point farther up the hill, displaying good style. At 10 Rider had another bird and retrieve. At 13 Sara had a stylish broke find at the top of the ridge. Sara finished out her time at an average distance with a difficult find and relocation at time. Rider lost touch with his handler at 22.

Brace 7: TRUE GRITS BAKED ALASKA (Mattie) Tana Kradolfer – REBEL'S HIGHTAIL LUKEDOGG (Luke) Al Ashton. Both dogs broke away with good pattern and range. At 14 Luke pointed a bird high on the ridge; mercifully for the handler he only held it for a minute. Luke was called off the chase and continued to the front. At 20 Luke had a momentary bird contact; he finished out his time running a strong and stylish race. At 25 Mattie is trying his handler's patience with strong interest in non-game birds. He had a point and retrieve at 27 and another at 29.

Brace 8: REDLINES TWIST OF SMOKE (Tucker) Paul Doiron – JALO'S REDNECK

GIRL (Red) - Jim House. Both dogs broke away along the side of Chukar Ridge, then moved along the side of the high ridge. At 12 Tucker pointed just past the water barrel. After a short relocation the bird was found and flushed with Tucker maintaining good style. At 16 Tucker had another stylish find. Red had bird contact at 19. Tucker had bird contact at 20, and another stylish find at 23. Red continued to run well forward and handled consistently throughout a sparkling race, displaying excellent stamina and style throughout. She had a bird on the course at time. Tucker had a final find at 29, though without the style of his previous bird work.

Brace 9: KANAKA RIDGE ISAAC (Isaac) Joe Holcomb – BRIGADE'S HI HOPES ROCKET (Rocket) Mike Frane. Rocket started a nice mid range race, with Isaac in pursuit. Isaac had a stop to flush at 12, and Rocket had a flash point to chase. Isaac was picked up at 19. Rocket finished out his time running an energetic race at modest range.

Brace 10: KINWASHKLY SILVER CHARM (Charm) Leslie Andreas – MB'S RUBY RED TEQUILA (Ruby) Paul Doiron. The dogs must have known it was the last brace. Both dogs broke away hard to the front, working across the flats and heading for the ridge. At 11 Ruby had bird contact. At 20 Leslie commented she would do anything for a bird, and promptly fell down with great style just as her dog went on point. The bird was flushed and Charm finished out the brace at conservative range. At 25 Ruby had a very stylish find, finishing her time with excellent style and stamina.

AKC DELEGATE REPORT

from Judith Tighe

Field Trial & Hunt Test Committee

Ed Dziuk spoke to the Field Trial and Hunt Test Committee summarizing the state of DNA blood banks in the country today. The importance of this is that if the AKC Humane Fund accepts land donations to be used for trials or tests, the tie with blood banks may well prove to be the key to the Fund meeting Section 501(c) (3), tax exempt requirements. Any function held on these lands could run a DNA clinic using swabs (5 per dog) if blood samples are not taken.

New Beagle rules and regulations were approved by the Delegate body at the March, 2009, meeting.

It was announced that AKC's budget has been cut by 6% - mostly travel expenses.

AKC is looking to issue penalties for misuse of the Garmin by August 1st. The AKC Board will vote on it in June

The 2010 AKC Gun Dog Championship will be hosted by the Colorado Pointer Club and held in Ft. Robinson, NE, beginning May 1st.

Regarding dangerous grasses, the Springer Spaniel parent club has detailed information of this problem on their website. Different entities are trying to work with the Department of Agriculture to eliminate these seeds, Canadian Rye and Virginia Wild Rye, from plantings on CRP grounds. An AKC lobbyist will work with the US Department of Agriculture to get rid of these bad seeds.

General Caucus

The 2010 Eukanuba Championship will be held in December in Orlando, Florida. This year is the 125th celebration of AKC at the Eukanuba Championship in Long Beach, California. The American Brittany Club is supporting the entry. This year there will be regular classes offered.

AKC is lobbying Amtrack to allow passengers to travel with dogs.

It was recommended that all dog people contribute to an AKC advertising fund to counter the HSUS and PETA advertising.

Directors Meeting

New Rules applying to dog shows, Dog Show Classifications were read at the June meeting. In essence it will realign the groups into 10 Groups: Sporting – Pointers & Setters; Sporting – Retrievers and Spaniels; Scent Hounds; Sight Hounds; Working; Terriers; Toys; Companion; Herding and Northern. What applies ABC is the Sporting – Pointers & Setters. The Group would consist of the following breeds: Brittany, Pointer, Pointer (German Shorthaired), Pointer (German Wirehaired), Setter (English), Setter (Gordon), Setter (Irish), Setter (Irish Red & White), Spinone Italiano, Vizsla, Weimaraner, Wirehaired Pointing Griffon – 12 breeds in all. This has been in the works for the past 3 years with a lot of thought and input from different clubs. Some all breed clubs have held very successful matches using the 10 groups.

The realignment will be voted on at the September Delegate's Meeting and is scheduled to go into effect January, 2010/2011.

A new Registration program has been instituted by AKC. They have new on-line tools to keep track of the dogs you sell. AKC has found that the litter registration papers are given to breeders but the new owners are not registering their pups for whatever reason. AKC is encouraging all breeders to aim for 100% registration of their pups.

As soon as I receive more information on the program, I will have it posted on the different lists and have it published in the Magazine.

I attended a special Canine Legislation educational session.

The Animal Rights activists' goal is to eliminate all breeders and ownership of animals. You can contact AKC on all HSUS bills being presented. They assist in a 2 pronged approach to battle extreme dog laws – legislative & education – and provide resources for both. They have informational packets & brochures to assist. AKC can give research and legislative analysis, model legislation; have direct contact with lawmakers, direct assistance to affected communities, and information on how to contact decision makers, sample letters, talking points, and background materials. AKC now has a new Online Legislative tracking system and will send legislative alerts. They recommend seminars at dog events and handing out of information packets supplied by AKC. Elected officials want to hear from you. BUT, make sure you are a registered voter. They can check your voting record at the touch of a keyboard. You need to communicate your concerns clearly – in a way they can understand. Short and sweet – no more than 1 page.

We have no problems with the extinction of domestic animals. Become active dog owners and citizens. Get to know your legislators/local officials; be involved in the community; invite legislators to events, club meetings and last but not least, mobilize your friends and colleagues.

AKC will assist with advising how to lobby your legislator, how to organize for the fight, prepare for public meetings, and offer alternatives if appropriate. They also will advise on how to write a letter, start an e-mail campaign and attend a “Lobby Day”. Also they will help with public education.

AKC has a new Legislative Analyst, Phil Gidrey. He has already reviewed over 800 pieces of legislation this year alone. He focuses on the content, context and legislative intent and provides reasoned legal opinions regarding the potential impact of proposed legislation on AKC and the purebred community. Feel free to contact him if there

is new legislation in your area.

AKC now has a Political Action Committee (PAC). This is a great tool to advise legislators that the AKC PAC supports local legislators. Following is the information:

Seven Things You Need to Know About the AKC

- 1. What is the AKC PAC?** The AKC PAC is a Political Action Committee set up to help elect dog-friendly candidates. The purpose behind the Fund is to help protect your rights as a breeder, dog owner and show person by helping to elect officials in state and federal government who are dog-friendly on animal legislation.
- 2. What makes the AKC PAC different from other funds such as the Canine Legislative Support Fund?** The Canine Legislative Support funds can be used for lobbying and educating officials on a federal, state and local level to ensure that your rights as a responsible owner are protected. But without dog-friendly officials in office, the Canine Legislative Fund cannot do its job. This is where the AKC PAC funds helps support and elect dog-friendly officials. Political Action Committee funds can only be used as campaign donations. PAC funds cannot be used to lobby or educate an official on a particular position. AKC PAC funds are used to contribute to campaigns to help elect dog-friendly leadership in congress and state houses across the county).
- 3. Who can participate in the AKC PAC?** Any member of an AKC-affiliated club may contribute to the AKC PAC. AKC PAC funds are not tax deductible.
- 4. What is new with the AKC PAC?** While AKC-affiliated clubs cannot give to the AKC PAC, it has been ruled that AKC-affiliated clubs may hold fund-raisers for the PAC and may solicit or provide opportunities for their members to make contributions to the PAC. For example, a club may provide on their dues notice a place for the member to indicate a donation amount for the PAC and include that amount with their dues. Then the club may forward that amount of money to the AKC PAC.
- 5. How is the AKC PAC good for you as a member of the dog owning world?** The AKC PAC helps insure that officials who are dog-friendly are put into office. Having dog-friendly officials in office helps to protect you from anti-dog owner legislation being passed.
- 6. How do you identify and ask for funds from the AKC PAC for a candidate?** You can help the AKC PAC to determine who should receive funds by noting what officials have assisted in either promoting dog-friendly legislation or in opposing anti-dog legislation. Or in the case of someone new running for office, what their position is on canine legislation. You can then submit the names of those you feel are deserving of PAC funds to the AKC PAC Board through the AKC Government Relations Department.
- 7. How you can help the AKC PAC acquire donations?** First by making a personal donation. Second by taking this information back to your club and sharing it with the membership and encouraging each individual to make a donation to the AKC PAC. Third, ask your club to hold a fundraiser for the AKC PAC or allow a place to be included on the club dues notice to allow the membership to indicate a donation and include that donation in their dues. Without donations to the AKC PAC, we cannot support the campaign of dog-friendly candidates.

To: All Pointing Breed Clubs Licensed to Hold Field Trials or Hunt Tests

Subject: **Revised Regulations Governing The Use of Tracking Devices**

A draft of the updated Regulations governing the use of tracking devices was e-mailed to all licensed Pointing Breed Clubs on April 22. Comments were requested by June 5. Many were received. The Performance Events Department agreed with several of the ideas commonly expressed. The draft Regulations were modified and presented to the AKC Board of Directors, which approved them on July 13. The attached new Regulations go into effect August 1, 2009.

There are some significant changes to the Regulations compared to those in effect over the past decade. To highlight the major changes –

- The 5-ounce rule has been eliminated. Any tracking device approved by the AKC will be allowed if it is used as received from the manufacturer.
- The handler may carry the receiver with the permission of the judges provided it is turned off.
- There is added emphasis forbidding the communication of information obtained through the use of a tracking device during the running of the brace. This includes the use of cell phones.
- Tracking devices may be worn during call backs, including a call back for retrieve.
- Anyone accused of the misuse of a tracking device must be charged with misconduct.

All AKC approved tracking devices and the Regulations governing their use can be found on the following website – www.akc.org/trackingdevices/.

Updating the Regulations to provide for the use of equipment and procedures that will improve the safety of our dogs, while minimizing opportunities for misuse and unfair gain, has proven to be a challenge. Strong opinions were expressed from a variety of perspectives. I thank those that have contributed their thoughts. Please continue to provide your comments to our field representatives as the new Regulations are implemented.

Sincerely,
Doug Ljungren

Regulations Governing the Use of Tracking Devices at AKC Pointing Dog Events

The following Regulations become effective August 1, 2009.

The use of tracking devices is solely for locating the dog once the dog is no longer under judgment. Information obtained through the use of a tracking device must not be used to aid the handler, scout or judges. If the host club allows tracking devices, the following regulations on their use will apply.

1. **AKC Approved** – Only tracking devices approved by the AKC Performance Events Department will be permitted. The collar and receiver must be used as received from the manufacturer. No modifications may be made other than name tags may be added. The collar surface against the dog's neck shall be flat. Approval will include both the collar and the receiver.
2. **Carrying Receivers** – The scout may not carry a receiver. The handler may carry a receiver with the permission of the Judges. The receiver must be turned off while the dog is under judgment.
3. **Receivers in the Gallery Must Be Turned Off** – No one in the gallery shall track the dogs while the dogs are under judgment.
4. **No "Outside" Communications** - No one shall communicate in any manner with the handler, scout, judges or gallery any information obtained through the use of a tracking device while the dogs are under judgment. This includes the use of cell phones.
5. **Receivers May Only Be Used Once the Dog is No Longer Under Judgment** – Receivers shall only be activated once judgment has concluded. If a dog is gone at time, the dog is still under judgment until the judges indicate otherwise.
6. **Dogs Lost From Previous Braces** – If a dog is lost from a previous brace, the handler and scout may use their receivers during the next brace solely for the purpose of locating their dog. Once the dog is located, they must immediately turn off their receivers. They must not communicate any information they obtain through the use of their receivers concerning the dogs currently under judgment.

7. **Judges May Not Consider Information Obtained Through Tracking Devices** – Judges are not to consider any information obtained through the use of a tracking device. No one shall use information from a tracking device to attempt to influence a judge or to discredit the judge's decision.
8. The use of a tracking collar is an elective and it is the handler's responsibility to furnish the device. The running of a stake shall not be held up due to the lack of a tracking device.
9. **Two-Collar Rule** – A dog may wear no more than two collars. All collars shall be worn on the dog's neck. If the handler elects to use a tracking collar, it shall remain on the dog during the entire time the dog is under judgment. If the handler removes the tracking collar, the dog shall be considered out of judgment.
10. The use of tracking devices is at the discretion of the host club. For Field Trials, the premium list must state that tracking devices are not allowed, otherwise they will be allowed. For Hunt Tests, the premium list must state they are allowed, otherwise they will not be allowed.
11. **Rescinding Use** - Use of specific tracking devices may be rescinded at any time by the AKC Performance Events Department if the regulations pertaining to their use become overly difficult to enforce or in the case of repeated misuse.

Note – Electronic flashing collars are not allowed in AKC Pointing Breed field events.

Penalty for Misuse of Tracking Devices

If an Event Committee determines a violation of these Regulations may have occurred, the accused (which includes anyone involved in the misuse of the tracking device including the act of communicating improperly obtained information) shall be charged with misconduct. An Event Committee hearing must be held. If the Event Committee determines through the hearing process that a violation did occur, the accused shall be immediately suspended from all forms of participation in AKC Pointing Breed field events. The dog shall be disqualified from the stake.

To: **POINTING BREED FIELD TRIAL CLUBS**

Clarifying that Out-Riding by the Scout is Not Allowed – Out-riding occurs when a scout is sent to locate a dog and then, even when the dog has returned to the course, the scout does not return to the gallery. It is widely understood that out-riding should not occur. However it is not directly mentioned in the Rules and inexperienced judges are often not clear how to handle the situation. The Performance Events Department has received requests for clarification. The following addition to Standard Procedure Section 6-L Scouting was approved by the Board on July 13 and will be effective immediately –

“When a dog has returned to the course and is under the handler’s control, the scout must immediately return to the gallery. A scout shall not engage in out-riding. If a judge feels a scout is out-riding, the judge shall instruct the scout to return to the gallery”.

To: **POINTING BREED HUNTING TEST CLUBS**

Dogs Allowed to Enter a Lower Test Level - The current Regulations state that dogs that have acquired a qualifying score at a higher level are ineligible to enter a lower level test. (Chapter 2, sections 3 & 4) It is the recommendation of the Performance Events Department that this be modified to state that dogs that have acquired a title at a higher level are ineligible to enter a lower level test. This will allow a dog that has managed to pass at a higher level, but in the process the owner has learned that the dog is not as ready as it should be, to go back to gain experience at a lower level.

This recommendation has been presented to the AKC Board. They will vote on it at their August meeting (August 10-11). If passed, the change will go into effect immediately. Notice will be posted on the Pointing Breed Hunting Test website: www.akc.org/events/hunting_tests/pointing_breeds/

Wingshooting USA – Wingshooting USA is a television program that promotes the enjoyment, challenges, camaraderie and satisfaction of the human – dog bond associated with upland bird hunting. Produced by Scott Linden Outdoors with the National Shooting Sports Foundation as a primary sponsor, Wingshooting USA will air starting in late September on “In Country TV” (Dish Network, channel 230) and the “Sportsman Channel” (DirecTV, channel 605). The AKC Performance Events Department is working with Scott to promote knowledge of the upland hunting breeds and develop future shows. The following message is being forwarded on behalf of the producers and sponsors of Wingshooting USA.

Trigger Your Passion: Wingshooting USA

You love hunting dogs. So do we. That’s why they are such a big part of the new television series Wingshooting USA, launching in September. Brought to you by the National Shooting Sport Foundation, show host Scott Linden will feature an upland hunting breed every week in his “Breed Showcase” feature. Viewers will have a chance to vote for their favorite breed, win prizes, and become a better shooter, dog owner and bird hunter. In order to develop the breed showcase section of the show, Scott is seeking high-quality digital photos. Puppies, adults, senior dogs, anything in the field or home... retrieving, pointing or interacting with you. You are invited to send your favorite photos to scottlindenoutdoors@gmail.com. Scott can’t guarantee that your photo will be used on the air, but he will do his best to tell the story of 13 different upland hunting breeds over the course of the broadcast season. The Breed Showcase will mention the AKC Meet the Breed web pages where viewers can learn more about the breed (www.akc.org/breeds/sporting_group.cfm, then click on the breed of interest). The breed receiving the most votes will win a ton of Native Performance Dog Food for their breed’s national rescue group. To learn more about the show, go to www.scottlindenoutdoors.com/wingshootingusa/.

The fine print: by submitting a photo, you agree to let Scott use it on the program and in promotional materials free of charge, and that you are the sole owner of the photo. If there is a human in the photograph, it must be you or we will not be able to use it. If you are in the photo, by submitting it you grant permission to use your likeness on the show and in promotional materials.

CENTRAL MAINE

May 2, 2009

Acton, ME

The membership and leadership of the Central Maine Brittany Club would like to extend our gratitude and deepest appreciation to the exhibitors who attended our Specialty show on May 2, 2009 in Acton, Maine.

The weather cooperated beautifully, unlike last year when we had torrential downpours. Everything was in place to assure a wonderful and enjoyable time of hospitality for all exhibitors. There was ample space available for grooming and a complimentary refreshment center offered a continental style breakfast for early arrivals, a place to sit and socialize, and a well planned lunch offering finger sandwiches, home-made desserts, shrimp, beverages, vegetable platter, cheese, crackers and more for those on the go.

CMBC members offered up rosettes and the most unique and hand made premiums and award gift bags for the top placements, including several beautiful, personalized ceramic steins, hand crafted/etched Brittany suncatchers by a Maine artisan, and a beautiful framed embroidered Brittany head. Dog toys galore were given to each winner as well. We had wonderful judges too including longtime CMBC friend and supporter Karen Gatchell.

Thank you to all who contributed to the success of our 2nd Designated Specialty Show with York County Kennel Club of Maine, Inc. with special recognition given to President John Short, member Sam Jackson, and CMBC friend Mal Parsons. Congratulations to all the winners and their beautiful Brittanyans!

Ann Short, 3rd Vice President

GREATER INDIANAPOLIS

May 16, 2009

Greentown, IN

GIBC had its annual specialty show in conjunction with the Kokomo KC on May 16, 2009. The weather was decent, except for a sudden shower. Fortunately, our show is inside. We had an entry of 39 and we had

exhibitors come from as far away as South Dakota and the east coast. We thank everyone for supporting our specialty. A special thank you to Purina for supporting our show as well, the exhibitors appreciated the generous donation of dog food, as well as hats and a frisbee.

Our sweepstakes judge was Patricia Murphy. The specialty was judged by Stephanie Seabrook Hedgepath. Ms. Hedgepath was very complimentary of the quality of our entries and also complimented on how great it is that we keep our breed a dual purpose breed, not a split breed.

We hope everyone had a good time and will come back next year!

SAN DIEGO

Valley Center, California
May 16, 2009

The San Diego Brittany Club's thirty-fifth (35th) annual Specialty Show was held in conjunction with the Mt. Palomar Kennel Club all breed show on May 16. The new location at Bates Nut Farm was really nice with lots of shade trees and we needed them – although the temperature was only listed as in the mid 80's it felt like triple digits. SDBC also supported the Brittany entry on Sunday May 17. The trophies were a variety of stained glass pieces with a likeness of a Brittany. After the sweepstakes and regular classes we all sat down to a scrumptious potluck.

Our gratitude to our two judges and all those who supported our show and congratulations to all the winners.

**TIDEWATER
May 23, 2009
Hampton, VA**

The Tidewater Brittany Club held its specialty show in conjunction with the Langley Kennel Club on Saturday, May 23 2009. Tina Craig did an admirable job of judging our sweepstakes entries, selecting BROOKEWOOD'S JUST TOO HOT, owned by E. Susan Drazek and Cynthia Miller, as Best in Sweepstakes, and KAYSEAS MAGIC MOMMA MIA OF CAESARS, owned by Jeanie Truesdale

and Joyce Gourlay, as Best of Opposite Sex to Best in Sweepstakes.

Our judge for regular and non-regular classes was Ms. Elizabeth Muthard. Her Best of Breed selection was CH TONAN-HOPE'S R U KIDDIN' ME, owned by Douglas Tighe and Nancy Morabito. Best of Opposite Sex was CH YORKTOWN'S LIBERTIE LILLY LADY, JH, owned by Denise and Steve Walker.

It was a pleasure to cheer on our young dogs, specials, veterans and stud dog. Our appreciation goes out to all exhibitors whose entries constituted a four-point major in dogs and bitches. Thanks also to Tidewater club members who contributed trophies, entries, and moral support.

From the Secretary... Timely Applications

Just a note to remind everyone to get your applications for fall trials into AKC 90 days before the event. In a recent conversation with Connie Thomas, she advised me that this will be a point of emphasis and to avoid the \$50 fine, people need to get those applications in.

Application blanks for both AKC & ABC can be found on the download section of the ABC website. Also, FT Secretaries, please use the ABC reporting form after the trial. It is approved by AF, AKC, AFTCA, and ABC. It has information on it that is not on the AKC form that we need to determine qualifications for the Nationals. Whatever you do, do not try and copy the "blue" AKC form as I cannot scan it and send to statisticians.

A special breeding. Hiknob Magic Contessa (OFA Good)

is having pups in late June. Tessa is a grand daughter of FC Shamrock Missouri Magic (1997 lams Bittany of the Year) (top) and AKC & INTL CH Fly'n-Hi's Iron Will CGC, CDX, JH, NA (bottom). She is the Great Granddaughter of FC AFC Rimarda's Trademark (HOF) and FC AFC The Magic Moment (HOF) and Virginia Region NSTR&A champions. The sire, Trademark's ATM (OFA Excellent), is a direct son of Rimarda's Trademark and FC AFC Lane's End Bowtie Annie.

Email Pauline Verling (cherryknoll@att.net) for photos and pedigrees.
These will be very special pups and dogs.

American Brittany Club/International Championships/Classics

March 24-April 1, 2009 • Thayer, IA

Submitted by Lisa Pollock

AMERICAN BRITTANY CLUB/INTERNATIONAL BRITTANY OPEN ALL AGE CLASSIC/CHAMPIONSHIP

(L to R) Ruth McGee, Jerry McGee with Champion DC/AFC RU-JEMS A TOUCH OF BOURBON, Judge Stan Williamson, Jessica Carlson with Runner-up DC/AFC JAYHAWKER TEQUILA WITH A TWIST, Judge Dave Taylor, Ed Tillson with third place winner FC/AFC TJ'S PRAIRIE BLIZZARD, Lisa Pollock with fourth place winner FC/AFC CLYDE'S MICRO BREEZE.

The American Brittany Club/International Brittany Championships/Classics took place this year at the Union County Bird Dog Ranch, in Thayer, IA. Run by the Tri-State Brittany Championship Association, Ohio has been the home to these Classics since their revival in 2005. Due to the loss of suitable grounds in Ohio, the Championships/Classics were moved to the Iowa location for this one time. Next year, we hope to relocate to the new Tri-Valley grounds being developed in Ohio. This was the first trial to be held on the newly acquired Union County Bird Dog Ranch. Thanks to a very devoted group of bird dog enthusiasts, and a little help from the American Brittany Club, this property will be available to field trailers for future generations.

Judges for the Open All Age Championship/Classic were David Taylor, from Neola, IA and Stan Williamson from Longview, IL. These men gave the 38 entries their full attention. We would like to thank Purina for their generous sponsorship of this event, and to the many pros who supported the open stakes, Bob Burchett, Jim John, Scott Johnson, Ed Tillson, and Tom Tracy. Helping Chairman Paul Pollock with dog wagon and road guard duties were Linda and Tommy Thomas, Tom Tracy on the weekend Amateur Classic, and Mickey Condron, Chuck and Jill Schaeffer during the Shooting Dog Classic. An extra big thanks to

Bob Burchett, Jerry McGee and Tom Tracy for helping to catch up birds each morning.

The weather here in Thayer, IA seems to change every minute. The night before the Open All Age stake was to start, severe thunderstorms rolled all night long and left the grounds quite soggy for the morning's dogs. We decided to start at 10 am, as the radar picture seemed to show clear skies at that point. Temperatures at breakaway were a cool damp 42 degrees. Within minutes of the breakaway, the skies decided they weren't done yet. Rain came down sideways and the temperature dropped about 8 degrees in the first 15 minutes. We managed to run 2 braces, dodging rain showers. After lunch, the sun came out, and chilly winds blew the rest of the day. We completed 6 of the 19 braces.

Judges Stan Williamson and Dave Taylor posted 2 dogs at the end of the first day; FC/AFC TJ'S PRAIRIE BLIZZARD, owned and handled by Ed Tillson, and FC/AFC CLYDE'S MICRO BREEZE owned by Paul and Lisa Pollock, and handled by Lisa.

The second day brought cool temperatures and cloudy skies in the morning. Temperatures at breakaway were in the mid 30's. We enjoyed some breaks of sunshine and 50 degree temps. by the afternoon. Two more dogs made it to the board, and 7 braces left to run on day 3. The dogs posted

were RICOCHET'S CHANTILLY, owned by Julie and Mickey Condron and DC COUNTRY ROAD'S ROUGH RIDER owned by Karen and Marvin Stout. Bob Burchett handled both of these dogs.

The weather continued to improve on Thursday, and so did the performances. This year's winner and runner-up both came from day 3. This year's Champion was DC/AFC RU-JEMS A TOUCH OF BOURBON, owned by Jerry and Ruth McGee, handled by Jerry. This was "Chug's" fifth Championship of the spring season. Chug scored 4 finds and kept a consistent forward race. His last find would come with less than a minute remaining as he was driving hard for the front. The Runner up was DC/AFC JAYHAWKER'S TEQUILA WITH A TWIST, owned by Jessica Carlson and handled by Ed Tillson. Taryn scored 3 finds and handled well for Ed. FC/AFC TJ'S PRAIRIE BLIZZARD was placed third, and FC/AFC CLYDE'S MICRO BREEZE was fourth.

Snow and sleet greeted the amateur competitors early Saturday morning. Judges Stan Truksa and Jack Murphy were more than happy to delay the start. The first 3 braces were up quickly. When the fourth brace came to the line, we all wondered if anyone would have any luck. Finally, a clean dog. Ken Seivert showed us how to do it, and he set the standard high. FC/AFC KINWASHKLY DAKOTA MOLESTER carded 3 finds, in less than perfect conditions. He hit all the far edges of the course in his forward snappy gait. Mother Nature continued to torment us, as 2 top contenders of the Brittany Amateur All Age circuit were put to the test. DC/AFC RU-JEMS A TOUCH OF BOURBON and FC/AFC CLYDE'S MICRO BREEZE battled it out in blowing sleet and snow. Both showed their seasoned abilities in less than seasonal conditions!

The conditions improved significantly on Sunday. The strong winds that blew most of the week raged on, but at least it was dry and quite a bit warmer. One full brace made it around the course. AFC SHADY'S COUNT KID and FC TM'S TENNESSEE TWISTER showed well for handlers Bruce Heiter and Lisa Pollock. "Sway" carded 3 nice finds, "Kid" had one find a spectacular back. DC/AFC JAYHAWKER'S TEQUILA WITH A TWIST and Jessica Carlson also put a bid in for the title. Taryn was a bird finding machine, carding 6 finds! She finished the hour forward toward the all age breakaway.

When all was said and done, one Iowa resident was very happy that we were able to hold this Championship at the Union County Bird Dog Ranch. Ken Seivert's FC/AFC KINWASHKLY DAKOTA MOLESTER was named Champion. Runner-up was FC/AFC CLYDE'S MICRO BREEZE, handled by Lisa Pollock. Third place honors went to FC TM'S TENNESSEE TWISTER, also handled by Lisa, closely followed by Jerry McGee's DC/AFC RU-JEM'S A TOUCH OF BOURBON.

The Ron Zook Memorial Gun Dog Championship/Classic followed on Monday. Naturally, the forecast was for rain! We had 3 days to run the 20 entries, so the committee decided to use the weather to all the competitor's advantage. Judges for this year's Classic were Bill Burton of Carrollton, MO, and Steve Ralph from Forest Lake, MN. Of the 5 braces put down on Monday, Tom Tracy showed us a nice young dog that I'm sure we will be reading more about in the near future. CEDAR VALLEY BANDIT,

owned by Dave Webb of Valencia, PA ran a nice race with 3 well spaced finds.

More drenching rains overnight forced a late start on Tuesday morning. Strong winds picked up in the afternoon, the skies quickly cleared. Veterans AFC GIT-R-DONE, and DC BARNEY'S HI PROOF RONRICO put on a show in the second brace. Both "Whiz" and "Rico" carded multiple finds. Whiz ran a consistent forward race throughout. Rico ran hard but lost his direction in the wind a couple times.

Rachel Zook made the trip from Ohio for the awards presentation. This year's Champion was AFC GIT-R-DONE, owned by Mark Ritter and handled by Bruce Heiter. Runner-up honors went to DC BARNEY'S HI PROOF RONRICO, owned by Chuck and Jill Schaeffer and handled by Bob Burchett. Rounding out the field was CEDAR VALLEY BANDIT, and FC/AFC COVEYRISE'S RAMBO JR, littermate to the runner-up, also owned by the Schaeffer's and handled by Bob Burchett.

REPORTING FIELD TRIALS, SPECIALTY SHOWS, & HUNT TESTS

Questions should be directed to ABC Secretary Mary Jo Trimble, trimnatchbritts@midamer.net

REGIONAL FIELD TRIALS

(All forms available at the ABC Website: <http://clubs.akc.org/brit/forms/>)

Before the Trial

1. Send ABC FT Approval form to ABC Secretary. Dates must be on your Regional Dates Coordinator's Date Schedule before ABC can grant approval. Any changes must come from the Dates Coordinator to ABC Sec.
2. Trials will not be approved by ABC Secretary unless the current insurance binder sheet is on file with the Sec.
3. AKC will not approve your trial until they receive ABC approval.
4. Send AKC application to AKC 90 days before event to avoid fines. (Even if you do not have your judges, make application for your trial state Judges TBA.)
5. You must wait until AKC sends you two approval letters before sending out premiums. The first approves your date and event. The second approves judges' panel. Premium samples also available on the ABC website. <http://clubs.akc.org/brit/ClubPremiums/> Be sure to send AKC a premium at time of distribution to avoid a fine.
6. Send the ABC Secretary a Premium at the time of distribution. These may be emailed. Premium Lists should also be sent to the ABC Webmaster Steve Ralph at blazin@pro-ns.net to be placed on the ABC Website.

After the Trial

1. Please use the ABC/AKC/AF Reporting form to report your results. This form has been approved by all parties you may need to report to. Send to American Field if you have advertised your trial in the American Field Magazine. Send to Amateur Field Trial Clubs of America (AFTCA) if your club pays dues to that organization. **All Clubs** report to ABC & AKC.
2. Fill in the form once and copy to others. Please use white paper (not blue) as the blue does not scan or reproduce for the ABC Secretary to send to statisticians. Report forms **MUST reach AKC WITHIN seven (7) days** to avoid fines.
3. Report forms must be postmarked to ABC Secretary within ten (10) days to avoid fines.
4. Please consult the Secretary's page sent to you by AKC for their current fees per starter.
5. Send ABC \$2.00 per starter in each stake (regardless of breed) when you send the results.
6. No fees are charged for non-regular stakes such as Hunting Dog Stakes.

ABC GAMEBIRD & GUN DOG CLASSICS

Please consult the Classics section of the ABC Policy Book which is available under downloads at the ABC Website or contact the Classics' Committee Chairman listed under *Inside ABC* on the website.

The ABC Application for Classic/Championships is also available at the Download section of the site and must be approved by The Classics Committee before starting the rest of the process.

Please email high resolution jpegs/jpgs of the winners or mail prints to the Managing Editor and ABC Secretary.

These classics include the Quail, Chicken, Chukar, Pheasant and Gun Dog Classics. These Classics are also American Field Championships. Ads must reach the American Field one month prior to the event. If not published two weeks prior to the event, it will not be an AF

Championship. AKC guidelines apply as well. Premium Lists should also be sent to the ABC Webmaster Steve Ralph at blazin@pro-ns.net to be placed on the ABC Website. Copies of AKC Applications should be sent to the ABC Secretary.

AMERICAN FIELD/ABC/AKC CLASSIC/CHAMPIONSHIPS

These events must first be put on the list of ABC/AF/AKC Classics by the ABC Board of Directors. Clubs or Associations should have their dates approved by the Regional Dates Coordinator in order to be put on the ABC Dates Calendar

The current list includes: The Illinois Championships, The International Championships, The Prairie State Championships, The Michigan Championships, The Mid-South Championships, The Southern Open Brittany Championships, The New England Brittany Open Shooting Dog Championship, and The New England Brittany Grouse Woodcock Championship.

Please consult Guidelines for Hosting Regional Classic at <http://clubs.akc.org/brit/forms/> Premium Lists should also be sent to the ABC Webmaster Steve Ralph at blazin@pro-ns.net to be placed on the ABC Website.

HUNT TESTS

At this time, ABC approval is not necessary for hosting Hunt Tests. You should apply directly to AKC. After the event, copy the AKC Hunt Test Result forms and send a copy to ABC as well as AKC. Follow AKC guidelines on the Secretary's page for AKC fees. Send ABC Secretary \$2.00 per starter in each event along with the result forms. Please use white paper to record your results as blue forms do not scan or reproduce well enough to send to statisticians. Be sure to send AKC a premium at time of distribution to avoid a fine. Send the ABC Secretary a Premium at the time of distribution. These may be emailed. Premium Lists should also be sent to the ABC Webmaster Steve Ralph at blazin@pro-ns.net to be placed on the ABC Website.

SPECIALTY SHOWS

At AKC's request, ABC grants Blanket Approval for all ABC Regional Specialty Shows unless the Club is in arrears for fees or fines for other events. Make your application directly to AKC.

Please copy your Specialty Catalogue with marked winners and send to ABC along with \$2 per starter. If you wish to type the results, please email to ABC Secretary and mail check. Please note how many entries were in each class if you type results. No fees are charged for Sweeps as they do not carry AKC Championship points. This should be postmarked within ten (10) days after the event. Results must reach AKC within seven (7) days. Consult your AKC reporting form for AKC fees.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

THE AMERICAN BRITTANY CLUB, INC. is a member club of the American Kennel Club and is the recognized breed sponsor by the American Field.

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

BECOMING A MEMBER: Full membership in one of the Regional Clubs carries an automatic membership in the American Brittany Club. Full Membership cost is \$30.00 per year and \$3.00 per year for each Associate Member. Regional Clubs may charge higher dues. You may apply to join the Regional Club located nearest to you, or if there is none in your area, you may become a Member-at-Large of the American Brittany Club.
