### *Objective and Purpose:*

*To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".*

## *In Memoriam*

### **Tribute to George Moran**

*August 17, 1941 – May 13, 2009*

Greater Indianapolis Brittany Club member George Moran passed away Wednesday, May 13, 2009. George was always willing to share his time and knowledge with anyone wanting to train a bird dog. He always seemed to have a joke or two to tell you and words of encouragement for you when your dog "forgot" that he had ever seen a bird or heard a whistle before. George and his wife Sara, hosted our Christmas Fun Hunts and Summer picnics for many years. George will be remembered with love and laughter and will be missed with many tears.

Good Bye George, - keep your powder dry and your line wet.

~ *The Members of the Greater Indianapolis Brittany Club*

### **Mary Ellen Mercer and Edward Sawicki**

As we all get older you would think that each time we lose a close friend or dog that the experience of lost will be easier. But when the friend or dog is just like family, I think that the experience of lost hits harder. I think also if we rejoice and feel gratitude for the experience of knowing our lost friends, the lost can be a little easier. Two of my lost friends Mary Ellen Mercer of Florida, and Edward Sawicki of Connecticut have passed away in the last few months. Both of them along with Mary Ellen's husband John, and Edward's wife Lucille were clients of mine in the 1970's when I campaigned dogs for them in field trials. I remember many laughs and good times spent with Mary Ellen and Edward. Field Trials and professional handlers were lucky to have these people share their time with us. Bird dogs and field trials have been good to me, they brought Mary Ellen Mercer and Edward Sawicki into my life and I have a lot of gratitude for them, my friends.

~ *Rick Smith*

### **M.E. Mercer**

It is with a heavy heart that I report the death of Mary Ellen Mercer (M.E.) on May 7th. Lyle Johnson called to say that M.E. had died of lung cancer and went peacefully in her sleep. M.E. and John Mercer owned FC/AFC R Lucky Brandy Bazooa, among many others. Around here Brandy was known as "Daddy Dog."

At one time the Mercers had dogs with Lyle Johnson, Rick Smith and Loyd Budd. John preceded M.E. in death. She was living in Miami, Florida at the time of her death. Lyle says donations can be made to the American Brittany Rescue in her name in lieu of flowers.

Anyone who ever saw me on Frito (M.E.'s aged horse), could never forget that sight. He was so tall, that I always had to find a big rock to use to mount him and never got off until I was done riding for the day. When buzzards circled over head, I always thought that they were looking for Frito! In his glory days Frito was Rick Smith's and had seen more miles than most horses, but even in his senior years, you could still ride him all day. Frito retired to the ranch in Florida to live out his days in luxury.

M.E. will be greatly missed by those who knew her. Folks who attended the Nationals or the US Open in the 70's and 80's will remember M.E. for her beautiful spirit, the cigarette in hand and her "toddy" in the other. M.E. and John were true patrons of our breed.

## **Gone**

*Fiction by Kent D. Patterson*

He'd been an expert at beating the clock but lost the race against time. 40 years of fried, covered, and smothered laced with cigarettes, booze, and stress was as lethal as a military sniper. But as with all those that chase a dog, a life, and a white striped highway to the next dance stage, the clock ticking in his chest was the last thing he thought would let him down. Doc said he was probably dead before he hit the ground since he rode a 16 plus hand horse. His son and scout, Roy Jr, had just brought Bess in from a huge cast across the Canadian prairie. He could tell the judges and gallery were enjoying the old gal's performance, she'd been a good one, knew the game well and was on her farewell circuit tour. It was one of those glorious prairie mornings with sweet grass aroma riding on a light northern breeze. It had been a good hatch year and the chickens were in abundance. A clutch lifted as trial officials tried CPR and mouth-to-mouth resuscitation to no avail. Several cell phones were tried before one finally had enough signal to reach camp. Roy Jr gave his horse to one of the guys on the dog wagon and rode to camp in the bed of the truck. Staring out across the vast country his dad loved more than any place on earth, he couldn't process the suddenness of what had just happened. A lifetime of being there, his dad was gone, in an instant.

In west Tennessee, there was a large contingent of owners, trialers, and handlers gathered in the fellowship hall of the Grace Road Baptist Church. Roy Dale Grady's professional career was best described as a sine wave of boom and bust, with a bit more of the latter than the former. He held the respect of all those that competed in this gypsy lifestyle stretching from Manitoba to Mobile with hopes for the next year, the next breeding, the next great one. There hadn't been enough of the great ones to keep him at the top of the all age tabulation every year but he'd had his moments, enough to keep dogs on the truck and customers hopeful. He was good with people and dogs, consistent and patient with both. The crowd had plenty of colorful stories to share when it came to Roy Dale Grady.

Roy Jr had known no other life. His dad made him finish high school before joining the road-show and he was good with dogs but few on the circuit knew he'd finished most of the dogs they campaigned. In the small, 2 bedroom scrabble of a house they called home, he began gathering the various documents needed to settle the estate. Dad had not been good at the details of life or love. His mom left before he'd turned 6. He searched attic, barn, trailer and truck glove box for documents needed by the attorney, banker, and county officials. In the back of the closet, he found a box filled with field trial photos taken long before he was around. He was astonished at his resemblance to his dad as a young man. He recognized many of the faces and one by one realized most of them were gone as well. Every photo held stories of divorces, misunderstandings, and disappointments yet the next was full of smiles, hope, and jubilation. He dusted off a big black and white framed picture of Champion Patagonia Pete, his dad's favorite dog. There was Pete and Dad posed regally on ground carpeted in pin oak leaves with tweed coated Free-For-All officials in a semi-circle behind. A big sterling silver trophy glistened in the glorious late afternoon sun. He took the photo to the kitchen and hung it by the door leading out to the kennels. He stood back and admired it, walked to the living room, picked up the phone, and made a doctor's appointment.

# A Brittany Rescue Success Story

By Roberta Parker

After my husband's beloved beagle passed painfully away at a ripe old age several years ago, we decided no more dogs. But the habits of a lifetime come creeping back, and as retirement edged nearer for Bill the subject of a dog kept coming up and Bill kept talking about Brittanys. We both agreed that if there was to be another dog, it should be a housedog, as well as a companion dog for Bill in his seasonal hunting and woods walking. No more outside kennels. Bill travels at times and I had had enough of placating the neighbors over barking spells, especially those dawn hours when I had to get up and chase away the rabbits standing outside the kennel fence making faces at the beagles who were in hysterics; or struggling through the snow to be sure the water heater was working; cleaning out and replacing the straw because my husband is allergic to dust, and wondering which one of us was having fun yet.

For the perfect dog we had a list of traits we both desired: 1) friendly to family and friends and not take the leg off our favorite neighbor; 2) trainable and somewhat biddable, so that the dog was the one being trained; 3) a nice mid-size dog, not a small yapper we would trip over, nor one the size of a young cow; 4) inherently a dual-purpose dog that would be happy being both a family pet and accompanying Bill in the woods; and 5) NOT a puppy - been there, done that, bought the T-shirt! Of course a dog that didn't shed hair in every direction, would clean up after itself, and could differentiate between the meter reader and a terrorist would be nice.

Bill spent time talking to friends who knew about Brittanys, and browsing the Internet. He kept coming back to the National Brittany Rescue and Adoption Network site. One day he came home and said, "I've found him, I've found our dog. His name is Ben and he's three years old." The next step was to contact NBRAN and go through their vetting process to see if we were acceptable candidates for adoption. A Rescue representative came and checked out our house (it passed), interviewed us (we passed), checked out our one-acre yard (it passed). We had to agree to return the dog to them if we decided not to keep it.

The big day finally came and we were to meet someone from the Network who would deliver Ben to us. We arrived at the meeting place and a car drove up with four dogs and a man and woman. In this world there are a few special people. Brian and Tracey Hummell have to be two of them. They had provided a foster home for our dog as well as numerous others. The weather was threatening so they brought one particular dog with them, as Tracey was concerned that the thunder would precipitate an epileptic seizure and didn't want to leave the dog alone. Ben had obviously been in wonderful hands. Ben came willingly with us and has become a huge joy - and our main topic of conversation.

Ben was very polite and quiet the first few days. We put his bed in our bedroom so he could be near us. After a few days, he seemed to relax and be a little more spontaneous.

At first Ben woke Bill up every morning at five a.m. with a nudge to his arm or warm dog breath in his face (an interesting sensation), but soon Ben was adjusting to our schedule and would frequently sleep until we awoke. After he had been with us about a month, we discovered he would go to sleep every night in his bed, and then after we were asleep he would move out onto the living room couch, then back to his bed before we woke in the morning. A good General picks his battles and doesn't fight those he knows he won't win. Ben still starts out on his own bed, but now has his own sheet covering the couch.

Ben was protective of us against other people at first, but we found a great trainer who taught us how to introduce him to strangers. Now he's wonderful with family and friends, eager to be introduced to everyone, and displays that wonderful warm Brittany disposition. He gives a single bark to let us know a friend is at the door and multiple barks for strangers. If it's family or an old friend he frequently doesn't even bark, just tears downstairs to the door for an ear rub. I'm sure he would be protective if someone was making threatening moves. If they just came in and were carrying away the furniture, he would probably think it a great game and want to join in the fun!

We still have a few problems - he doesn't always tolerate other dogs well, but that is improving. Early on, Ben chased the little yapper next door out of the yard. With no effort on our part, they are now great friends and frolic together. Another neighborhood dog that, according to her owner, never gets along with other dogs is a regular playmate. With time, Ben seems to be becoming as friendly with the dog population as he has become with the human.

Ben isn't leash trained and is quite capable of pulling you into the next county; his former field training has made this difficult and we haven't been very successful handling that problem. Our trainer suggested gently that I might be part of the problem; that women tend to give their dogs lots of gratuitous affection, rather than just when they have earned it. Oh well - I can justify that because Ben is such a joy to have around, he has earned all the affection we give him. We had an *Invisible Fence* installed which Ben learned to recognize and accept very quickly (He's terribly smart, you know, our dog is.) and to watch him running through the trees like a rocket, for what appears to be the pure joy of running, would make a stone smile. We think he could be poster dog for the most wonderful dual-purpose dog in the world, the Brittany. Make that triple purpose - Show, Field and Family Pet.

Corey Ford once wrote, "*Every dog should have a man of his own.*" Thanks to the good people of the National Brittany Rescue and Adoption Network, Ben not only has a man of his own, but an extended family. And we have a beautiful companion dog again.

*Ben's name has been changed to protect the privacy of his current and previous owners.*

### AKC Junior Recognition Program

Since the Junior Recognition Program began in January 1999, recognizing Juniors who obtain titles on dogs in the Companion and Performance Events, dozens of certificates have been issued to Juniors.

The majority of certificates have been issued for dogs with titles in Obedience and Agility. However, we have many Juniors participating and working towards titles in all of the events, including Hunt Tests and Field Trials, Earthdog, Lure Coursing and Herding.

The biggest shortfall we have encountered is that the completed Junior Handler certification forms are not being received in the AKC Event Records department and therefore, the dogs' records are not being updated to indicate that a Junior handled the dog. Many juniors who have met the criteria to receive a certificate have not because of lost/misplaced paperwork. The AKC Event Record and Judges Education Departments now have the ability to update a dog's record to include the junior handler's number, even after the event has been closed out.

We strongly urge Juniors to keep records of their wins, titles, legs, etc., and to maintain their copy of the Junior Handler Certification forms. In the event that the original yellow form is not received by the AKC, we will accept a copy of the Junior's copy.

Title certificates for dogs are processed by the AKC's computer system. Junior Recognition certificates are processed manually, and therefore, will be issued after the dog's certificate has been issued. If you come across a Junior who has not received their certificate, please have them call us at (919) 816-3776. We will be happy to review the Junior's record and the dog's record to determine which forms are missing. Junior Handler Numbers can also be assigned immediately over the phone (during business hours) at the above phone number. Copies of missing or late Junior Handler Certification forms can be mailed to:

## Getting Started in Junior Showmanship

The American Kennel Club licenses dog shows (competitive exhibitions in which dogs are judged in accordance with an established standard of perfection for each breed) that test and evaluate the form and function of purebred dogs. In addition, at some shows the AKC offers classes which evaluate the abilities of the participant on the other end of the lead, the young handler.

AKC Junior Showmanship classes offer youngsters the opportunity to:

1. Develop their handling skills
2. Learn about good sportsmanship
3. Learn about dogs and dog shows.

### Join the world of AKC Junior Showmanship!

Juniors are important to the future of the sport of dogs and responsible dog ownership, and the more they learn, the more valuable they become. The values, attitudes and responsibility learned through Junior Showmanship will serve youngsters well throughout their lives. By putting time and effort into learning about their dog and how to present it, juniors are rewarded with a win.

### Who may participate

Junior Showmanship classes are open to children from 9 to 18 years old and are divided into Novice and Open classes: All participants in Junior Showmanship classes must have an AKC Junior Showmanship Handler Number. Novice classes are for those children who, at the time entries close, have not won three (3) first-place awards in a Novice class at a licensed or member show. To qualify as a win, more than one child must be in competition in a class. The Novice class gives those children who are beginners a chance to gain experience and confidence apart from the more seasoned youngsters. Open classes are for those children having three or more first-place wins; these are the more experienced Junior Handlers. A beginner can learn how to present their dog more effectively by watching these talented youngsters in the ring.

The classes may further be divided into:

- Junior: At least 9 years old but under 12 years old on the day of the show.
- Intermediate: At least 12 years old but under 15 years old on the day of the show.
- Senior: At least 15 years old but under 18 years old on the day of the show.

### Judging criteria

Juniors are judged on their ability to present, or handle, their dogs within the same formats and guidelines as those who compete in the breed ring. The quality of their presentation, not the dog, is judged. Juniors are encouraged to develop their handling abilities, dress appropriately, conduct themselves in a proper manner, and present their dog in a well-groomed condition.

### What about the dog?

Any dog entered must be eligible to compete in dog shows or obedience trials. The dog must be owned by the child, a member of the child's family or member of his household. Many times junior showmanship classes are free (if the dog is entered in regular classes) or are offered at the reduced rate.

### How to get started

The best way for prospective junior handlers to see what is involved in junior handling is to watch the Junior Showmanship classes at a dog show. They will see how children take part at all levels of competition, how they have developed friendships and have learned to compete and accept their wins and losses in a gracious manner. Talk to these young participants in our sport. You will be impressed by their knowledge, attitudes and their willingness to share their experiences with someone new to the sport. Another way to learn the basics is at your local dog club. Many clubs offer weekly handling classes. These informal sessions are conducted in a relaxed atmosphere and afford both dog and handler an opportunity to practice in a setting similar to an actual show.

In order to receive Premium Lists (which detail date, location and judges of all classes at a particular show) for shows in your area, visit the Superintendent's office at any show. Or subscribe to the AKC Gazette and you will receive, as a part of your subscription, the Events Calendar, a monthly supplement which lists all the AKC events held throughout the country.

## A Brief History of Junior Showmanship

Part of the mission of the American Kennel Club is to "Take whatever actions necessary to protect and assure the continuation of the sport of purebred dogs." The AKC's Junior Showmanship Program is just one example of the kennel club's commitment to fulfilling this portion of its charter statement.

In the late 1920's a group of dog show exhibitors led by Mr. Leonard Brumby, Sr., decided to develop a special competition for children. The purpose of the competition would be to introduce a new generation of fanciers to the sport and to give children the opportunity to measure their skills against those of their peers. The children would be judged by how well they presented their dogs with respect to the nuances of the breed being shown. The first Children's Handling class was held at the Westbury Kennel Association show of 1932, and quickly became a popular feature at other AKC events.

In 1949 the Professional Handlers Association donated a trophy in honor and memory of Mr. Brumby to the winner of the Children's Handling Classes at the Westminster Kennel Club show. This trophy is still awarded to the winner of the Junior Handler competition at Westminster and is the most sought-after prize in the sport.

Children's Handling classes were very informal when the program began. The judging of the classes would normally start whenever the first breed ring became available. The judges were usually professional handlers themselves, and the participants were allowed to use any dog that was available to them.

In 1951 the name of the competition was changed from Children's Handling to Junior Showmanship. Twenty years later, in 1971, the American Kennel Club recognized the virtues of Junior Handler competition and granted official recognition for these classes at AKC events.

The Junior Showmanship program has grown and changed in dramatic fashion since its humble beginnings in 1932. The AKC now has guidelines for participation and adjudication of this event. For example, juniors must be between 10 and 18 years of age to participate. They must win three first placements in the Novice class before advancing to the Open class. Judges must be approved by the AKC to judge Junior classes, and the dogs that the junior handlers exhibit must be owned by them, a member of their family, or a relative.

In 1999 the Junior Showmanship program was expanded to include performance events. Currently, a Junior Handler that handles a dog to a performance title will receive a certificate from the AKC acknowledging this accomplishment.

The American Kennel Club also awards Scholarships to deserving Junior Handlers to encourage them to continue on with their education. The AKC awarded 38 Junior Handler Scholarships in 2002. The Board of the American Kennel Club has just increased the Junior Scholarship Fund from \$60,000 to \$100,000. This can truly be seen as affirmation of the AKC's commitment to the youth of our sport.

Junior handlers become ineligible to compete in Junior Showmanship classes at the age of 18. In most cases, their participation in the sport of purebred dog does not cease once they have "aged out" of competition. From the ranks of Junior Handlers we find the future breeders, AKC Club Members, approved judges and Registered Handlers who will be the caretakers of our sport in the future. We see many of these kids go on to pursue careers as veterinarians. One former Junior is now the CEO of the Orthopedic Foundation for Animals; others have gone on to serve as Board Members of the American Kennel Club. Still others have gone on to make their contribution to the sport as AKC employees.

While the Junior Showmanship program itself has gone through changes, the concept and reasons for its implementation have remained the same: to encourage participation in the sport by young purebred dog enthusiasts; to teach good sportsmanship, win or lose; and to educate the next generation of the fancy. So the next time you find yourself at a show with a few moments to spare, stop by the Junior Showmanship ring to witness the AKC's commitment to its mission statement and the future of our sport.

[Wednesday, May 06, 2009] The AKC is pleased to announce the launch of the new AKC Government Relations Legislation Tracking Service. This new service enables you to check the status of all 2009 canine legislation in each of the 50 states, as well as federal legislation.

To use this service, go to the AKC Government Relations web page, [www.akc.org/canine\\_legislation](http://www.akc.org/canine_legislation) and click on the large "AKC Government Relations 2009 Legislation Tracking" icon. # 2009 American Brittany Club Prairie State Classic/Championship

February 26-March 4, 2009 • Grovespring, MO

Submitted by Ed Janulis

The Prairie State Brittany Championships were held at the Field Trial Sportsmen's Association, Inc. Grounds at Grovespring, MO, February 26-March 4, 2009. This was the 22nd annual running of these events, which originated in northern Illinois. Our thanks to the Field Trial Sportsmen's Association, Inc. for making these grounds available to us as grounds in Illinois became unavailable. The quality of these facilities and grounds are well known to field trial enthusiasts throughout the country. This year, handlers and owners from Illinois, Missouri, Kansas, Iowa, Ohio, Mississippi, Tennessee, Michigan, and Minnesota participated in these activities.

Breakfast and lunch were available daily at the clubhouse, prepared by cook, Joan Covey. Association officers and members, Jerry McGee, Warren Montgomery, Jim and Janet Chase handled bird planting, marshalling, dog wagon and other tasks involved in running the trial. Donna Janulis served as field trial secretary for the event. Our thanks to the judges for their time in the saddle and attention to the dogs in what were frequently less than ideal weather conditions.

A special thanks to Purina for their continued support of these championships. Without their support these events would be in jeopardy.

## Open Shooting Dog Championship

Judges were Bill Haynes, Ohio, and Bill Burton, Missouri, well-known Brittany enthusiasts with many judging assignments to their credit. With weather front coming through the region, scenting conditions and changing winds made it tough on the dogs. Shamrock's Sirius, owned by Wade Haines and handled by Chad Holman, was named Champion. Sirius showed that he could handle the tough conditions. He ran a mature, forward race with excellent bird work. This win completed Si's title as field champion. Other placements were withheld.

## Bill Schreiber Memorial Derby Classic

This event honors the memory of Bill Schreiber, longtime LaSalle Brittany Club member and supporter. Bill especially enjoyed starting young dogs as well as helping many of us when we were new to the sport of field trialing. Many of today's competitors owe much to Bill's support in their early days. Judges were Ray Trimble and Dale Pool. Although it was a small stake compared to prior years, the dogs ran well and showed that there are many

good young dogs coming along. Winner was Ru-Jem's Fistfull of Dollars, owned by Ruth and Jerry McGee, and handled by Jerry. Runner-up was Red Bud Sammy, owned by Jim and Janet Chase and handled by Chad Holman. Winner and Runner-up are littermates and both ran good forward races, each with three finds. Dollar had the more mature performance both in race and bird work, thus being named winner.

## Region 5 Amateur All Age Championship

Judges were Don Arnold and Larry Meeks, well-known Pointer enthusiasts. Our thanks for Don and Larry for judging this event. Soon after the first brace started on Saturday morning, weather conditions rapidly deteriorated due to blowing snow and the trial was delayed for a short time until conditions improved sufficiently so that we could see the dogs. We appreciate the participation and support of amateur handlers Bill Burton, Dale Pool, Tommy Thomas, Rick Crites, Steve Ralph, Bill Haynes, Burton Wice, Ray Trimble and Jerry McGee.

Champion was Ru-Jem's A Touch of Bourbon (Chug), owned by Ruth and Jerry McGee and handled by Jerry McGee. Chug was named champion based on the combination of a strong hour performance on the ground and mature bird work. No runner-up was named.

### Open All Age Championship

Judges were Robert (Bob) Youngs, well known Brittany trainer and handler from Pennsylvania, and Alan Benson, well-known Pointer enthusiast from Illinois. Alan stepped in to judge for us at the last minute to replace Jerry Lindsey who injured his back just before the trial. We thank both Bob and Alan for their time and attentiveness. Winner was Ru-Jem's A Touch of Bourbon and runner-up was The Far Side's Kid Ameer. Winner and runner were braced together and ran in the third brace of the stake. These clearly were the dogs to beat. Both had comparable races, starting strong and consistent and finishing up to the front at the end of the hour, with Ameer's finish a little stronger. In determining placement, the judges noted that the difference was style on birds, with Chug's being the better of the two. Ameer had a find at 22, both dogs had a divided find at 34 and Chug then had a find at 51.

Third place was awarded to Kinwashkly Dakota Molester. Lester started out strong, then got behind and was sticky for a few minutes. He handled well otherwise, with 2 finds near the half way point; a non productive just

past the double barns at the top of the hill and a nice find at the end of the hour.

Fourth place was awarded to Lane's End We Be Clean. We Be was gone off the breakaway for about 15 minutes and came in from the side. He had 3 finds and a non productive, spaced throughout the hour. His last 20 minutes on the ground were good and he was still going strong at pickup time.

**Front row, from left to right: Sebastian Ventura with Winner DIAMOND HILL DANCER, Marcia Luisi with Runner-up MARJO'S HERE FOR THE PARTY, Judy Kiracofe with third place winner BUCK'S HIT THE ROAD JACK, and Ivan Clark with fourth place winner ROVAN'S TAILWIND TOMMY and Ronnie Clark. The back row: Dennis Harkcom, Joe Luisi, John Malone, Ralph Kiracofe, judge Earl Drew and judge Steve Grossman.**

The Tarheel Open Limited Gun Dog Classic, started on February 24th at Dick Cross Wildlife Management Area in Boydton, VA. The trial was generously sponsored by Purina Pro Plan Dog Food. All of the participants enjoyed the company of Steve Grossman, the Purina Representative who visited with everyone during the trial. In the saddle this year was John Malone from Bolton, CT and Earl Drew from Hoffman, NC.

The club would like to thank all those who lent a hand with planting birds and Ralph and Judy Kiracofe for providing a delicious venison dinner for all of the participants on Monday night before the trial began.

This year's winner DIAMOND HILL DANCER, was handled by Mike Hester and owned by Sebastian Ventura. Dancer had four stylish finds working well with his handler around the course to take first place. MARJO'S HERE FOR THE PARTY, handled by Joe Luisi and owned by Marcia and Joe Luisi put down a very snappy forward ground race and scored one find, a back and a stop flush to take second place. In third place was BUCK'S HIT THE ROAD JACK handled by Judy Kiracofe and owned by Ralph and Judy Kiracofe. Taking fourth was ROVAN'S TAILWIND TOMMY, handled by Ivan Clark and owned by Ronnie and Ivan Clark.

## The Running

The first brace was CEDAR VALLEY BANDIT (Tracy) and DIAMOND RIO (Borgman). Rio had a nice find before the pond with all in order. He went on to have a find above the log cabin. A relocation with a running bird caused an unfortunate incident and he was up. Point was called for Bandit on the left of the cedar rows and feathers were found. He made several nice casts and finished his hour in the river bottom.

The second brace was RIMARDA'S REBEL JAKE (Hester) and ROCKLAND RED RIVER RUNNER (Tracy). Runner made some nice moves and Point was called going down to the log cabin before his handler could arrive he had a lapse of manners and was up. Point was called for Jake across from the cedar row and only feathers were found and he was sent on. He made some nice casts on his way around the course and finished his hour deep in the river bottom without a bird.

The third brace was BUCK'S HIT THE ROAD JACK (Kiracofe) and CHESTERFIELD'S MOLLY (Tracy). Both dogs were making some nice moves and both dogs were missing for a short while but Molly reappeared before the

pond and Jack shortly after. Point was called for Jack going to the log cabin and Molly came in for a back. After a flushing attempt Molly was taken on and Jack was relocated and then taken on with no bird. Across from the cedar rows Jack scored his find first and shortly after Molly also pointed. Jack's handler produced a bird with all in order. Molly's handler only feathers and she was taken on. Jack scored his next find at the top of the Cedar Rows with all in order. Molly scored a woodcock find in the woods after the bowls with all in order. She had another find on feathers before the bear trap. She finished her hour on the river bottom. Jack had another absence and reappeared before the road and went on to find a dead bird behind the silo. He then went on to finish his hour on the river bottom.

The fourth brace COVEYRISE FLY BOY (Conover) and ALLEY OOP (Tracy). Point was called for Alley by her scout after her handler road past. All was in order. Next to score was Boy at the log cabin, were the bird was flushed and he was sent on. Boy was slow to start but made some nice casts in the back fields. Alley got hung up at the top of the cedar row then ran into the herd of deer in the bowls. She caught up to her bracedmate as we crossed the bear trap. Boy was picked up by his handler as we entered the river bottom. Alley had a short absence as we entered the river bottom and shortly after being brought to the front time was called.

The fifth brace was DIAMOND HILL DANCER (Hester) and ROSTABOUT SNIKSOH SADIE (Tracy). Sadie was picked up shortly after crossing the pond by her handler. Dancer scored his first stylish find before crossing the pond with all in order. Riding into the log cabin point was called again. He showed excellent manners for flush and shot. His handler gathered him up before going into the cedar row fields, there he made a great cast to the left and was found on point on the edge of the woods, this time it took a relocation and an extended flush to produce his bird, with all in order. Dancer continued to make nice casts and finish strong in the river bottom heading for the oak tree.

The final brace of the day was GLADE RUN NUTMEG (Tracy) and COVEYRISE THIS BUDZ 4U (Conover). Point was called first for Budz before the pond. Nutmeg scored a find going to the log cabin and Budz came in for the back and all was in order. Budz also scored a stylish find across from the cedar rows. Then it was Nutmeg's turn with a find in the middle of the field at the top of the cedar rows. Coming out of the bear trap Budz was found on point

with all in order and again behind the Silo. Both dogs went on to finish on the river bottom.

The seventh brace was DIAMOND HILL DANGEROUS MAN (Pollock) and PALE RIDER (Sala). Both dogs scored finds before the pond Trace was found first standing with style and excellent manners. Rider was found around the corner buried in the same thicket with all in order. Rider was found standing again at the log cabin with all in order. Rider was showing a mature ground pattern and was found to be working scent again across from the cedar rows, but only feathers were found and he was sent on. Man was showing great exuberance on the ground and was found standing behind the silo with all in order. Both dogs finished their hour strong on the river bottom.

The eighth brace was BOOTS CHIP OF CONJOUROR BAY (Kiracofe) and ROVAN'S HAILSTORMIN' HAROLD (Clark). Point was called for Chip before the pond, his bracemate did not show his manners and was collared. Bird was flushed and all was in order. Chip had another stylish find across from the cedar rows with all in order. He had his last find near the bear trap again very stylish and nice manners. He finished hour going into the river bottom.

The ninth brace was MARJO'S HERE FOR THE PARTY, also known as Gretchen, (Luisi) and ROVAN'S DUST DEVIL DAN (Clark). Before the pond Dan is found standing and Gretchen came in for a stylish back with all in order. Going into the log cabin Gretchen tried going through the thickets to regain the front when a bird popped and she had a true stop to flush (her poor handler had to wade into the deep thickets to get her). Dan was found standing at the log cabin his bird was flushed and he was sent on. Gretchen was covering the ground with a snappy easy style and responding well to her handler. Dan started slow but made some nice moves in the back fields. Next to score a find was Dan, where a dead bird was found handler shot and dog was sent on. Both dogs scored a find behind the silo on separate birds. Both dogs finished on the river bottom.

The tenth brace was ROVAN'S TAILWIND TOMMY (Clark) and HITS FOR

PETE'S SAKE (Kiracofe). Tommy was making some great moves to the left in the fields before the log cabin. Both dogs were found standing on separate birds near the log cabin. Next to score was Tommy across from the cedar rows, bird was flushed and he was sent on. Pete had not been seen after crossing into the area a short time later point was called by his scout. He had scored a find deep to the left in the woods. He was found standing with style and excellent manners. Tommy handled himself well when 4 deer rimmed the edges in the bowl after the cedar row. Tommy went on to score another find behind the silo with all in order. Both dogs hit the river bottom with Pete disappearing shortly after and tracker had to be called for after time.

The final brace of the stake was ROVAN'S HURRICANE HANNAH (Clark) and POLO'S DUSTY VALENTINE (Ouellette). Both dogs were found standing before the pond were they suffered an indiscretion ending the brace and the stake.

# *Submission of Agenda Items*

## *Deadline for Agenda Items: September 15, 2009*

All Agenda Items, officer and committee reports for the ABC Board Meeting to be conducted at The National Championships in Booneville, AR, must be submitted by September 15, 2009, to be included in the Agenda Book and put up for consideration at the meeting as per policy book stipulations. Early submission allows us to put the topics for consideration on the website and to get books to the Directors in time for meaningful input from the general membership. Action items submitted late and not in writing should not be considered as they are often not well thought out causing many problems after the fact. Reports that cannot be completed such as the Treasurer's Financial Statement and Futurity Stats, may be submitted by bringing 20 copies to the meeting but any Action items from any officer or director, committee chair, etc. should be submitted by the deadline

Please include a copy of the current policy in the Policy Book along with suggested wording changes. We are asking that every Committee Chair and Officer review their section of the Policy Book this year and submit revisions that update what is currently being done and/or errors in the current policy book.

**PLEASE NOTE POLICY CHANGE FOR SUBMISSIONS:** At last years BOD Meeting, policy regarding Agenda Book submissions was changed. The following is the current policy:

*I move that agenda item section of the policy book, page 77 #4 read as follows: Items must be submitted six (6) weeks prior to the Board meeting. Items must be from an ABC officer, Committee Chair, a Board member, or a Regional Club who has first voted on the item by that club's members. Items from individual members should first be discussed with one or more of that person's Regional Directors before being submitted. The individual's item should be supported by fifteen (15) different actual signatures of ABC members. Since agenda items need to be presented by someone to the board, one of the regional directors shall present the Agenda Item to the Board of Directors.*

We want to publish Officer and Committee Reports in the ABC Magazine and on the ABC Website prior to the Board Meeting. This can be a very difficult task to accomplish since many of the reports have to be retyped. Please help us by sending your Agenda Reports in a .doc or .rtf format by email to:

**ABC Agenda Chairman Dee Hartnek, [dhartnek@gmail.com](mailto:dhartnek@gmail.com), Phone: 520-803-9428**

It would also expedite matters if you would also CC to:

**Mary Jo Trimble: [trimnatchbritts@midamer.net](mailto:trimnatchbritts@midamer.net) (for compiling list for ABC Website before meeting) and Dee Hempfield: [ambritteditor@roadrunner.com](mailto:ambritteditor@roadrunner.com) (for publication in the magazine).**

If you cannot send as a .doc or .rtf file, mail to Dee Hartnek, 6909 E. Camino Garcia, Sierra Vista, AZ 85650.

**YOUR COOPERATION IN WRITING YOUR REPORTS, MEETING DEADLINES, SENDING THEM IN .DOC OR .RTF FORMATS WILL GREATLY HELP US HAVE A MORE INFORMED MEMBERSHIP BOTH BEFORE, DURING, AND AFTER THE ABC BOARD MEETING.**

# Specialty Shows

## NORTHERN NEW ENGLAND March 14, 2009 Fitchburg, Massachusetts

Submitted by Donna A Howe,  
Vice-President and Show Chairperson

For the second year, Northern New England Brittany Club chose to participate in the sporting dog show of choice in the northeast. With spring in the air and the wearing of the green, fresh young faces and old timers alike paraded in front of Judge Maureen A. Day. TONAN-GREYROCK DEFYING GRAVITY was called to Best in Puppy Sweepstakes and SHADY BROOK'S WISH UPON A STAR was chosen as Best of Opposite.

Proving time does not diminish quality, CH ROBARK BEBOP TIPYCANU TYLER TOO took Best in Veteran Sweepstakes with CH SWIFT RIVER'S HOT TICKET as Best of Opposite. The winners were happy to receive festive gift baskets generously donated and crafted by Linda McCartney-Roy.

Mrs. Susan Riese took command of the ring for regular classes. She found her Winners Dog in SOUTHGATE'S YANKEE TRADER and TONAN-GREYROCK DEFYING GRAVITY made another appearance in the reserve slot. The five point major in bitches went in timely fashion to HOPE'S FROZEN IN THYME and reserve was COPLEY MAY-JAY TIME IN A BOTTLE. Spectators enthusiastically applauded wonderful dogs as they competed for Best of Breed.

CH TONAN-HOPE'S R U KIDDIN' ME not only took this prize but went on to Group 3 in the final competition of the day proving the fact that the Brittany can hold its own among the other sporting breeds. Best of Opposite went to CH TONAN-RAO HOPE TO GO WITHEFLO Doug Tighe grinned with pleasure as HOPE'S FROZEN IN THYME was named Best of Winners. Nancy Morabito was beside herself as the breeder of these three dogs. An Award of Merit was presented to consistent favorite CH SWIFT RIVER'S HOT TICKET JH.

Another feature event took place after the breed judging with the showcasing of the Gun Dog. Eight quality field titled dogs competed but CH TRIUMPHANT'S ABSOLUTE' JH owned by Linda McCartney-Roy and Kristen McCartney showed superiority, not only among Britts, but by going on to win Best Gun Dog in Group! No small feat with the stellar representatives of the other breeds shown in that ring. Congratulations to all!

NNEBC would like to extend its sincere appreciation to the benefactors of this show, Linda McCartney-Roy and David Trahan of On Point Kennels and Training Supplies. My gratitude is also extended to the exhibitors for their continued support of this club's efforts to showcase the Brittany as the sporting dog hallmark.

*By Diana Kubitz*

We continue to have successful specialties with the help of all the exhibitors who support our show. Our 59 entries were given a careful look by breeder judge Hal Engel. Hal was impressed by the quality of the dogs. We not only put him to work judging the specialty, but he judged the Open All Age on Saturday and the Open Gun Dog on Sunday – our biggest stakes.

We had an unprecedented number of bitches at the show, thirty two, and only sixteen dogs. We ended up with eight specials – all of them male! CH TRIUMPHANT'S ABSOLUTE' JH bred by Linda McCartney-Roy & Kristyn McCartney and shown by Linda was Best of Breed. Winner's Dog was DOGWOOD HOLLOW C I CAN DANCE and Best of Opposite was DC WILD MTN'S LONESTAR RENDEZVOUS.

Our Dual Dog Award Winner, BULLOCH'S HY STEPPIN SWEETHEART placed both in our show and in our field trial. She was shown by her owner Terra Bulloch and handled to her field placement by Terra as well.

A huge thanks to our club members who came out to help us set up the show and tear it down. A special thank you to Tony Morabito for helping layout the ring and Nancy for bringing raffle prizes. Our chicken dinner and raffle are a tradition at our specialty and everyone looks forward to this spring get together. Field trialers were there supporting the exhibitors at the show and rooting for their favorites. Our spring trial weekend is a celebration of our clubs commitment to keeping our breed forever dual. The assistance we receive from Purina helps us keep our commitment to the dual and we thank them for their support!

## Purina Parent Club Partnership Program Update

On behalf of the Nestlé Purina PetCare Company, I am pleased to inform you that the one hundred sixty seven National Parent Clubs participating in the Purina Parent Club Partnership (PPCP) Program set a new record for PPCP earnings for the first quarter of the year. April earnings however were behind this record pace. Though we are off to a great start, there is still ample opportunity for increased earnings.

As a dog breeder and/or enthusiast, you are probably very aware of the issues we all face trying to preserve our rich heritage and ensure a bright future for dogs everywhere.

Since 2002, thousands of fellow dog breeders and enthusiasts have chosen to have such an impact by feeding Purina brand dog foods, participating in Purina Pro Club and declaring their participation in the Purina Parent Club Partnership (PPCP) Program. When you enroll in the PPCP Program, Purina will match the value of the weight circles you submit by 10%. This in no way impacts your personal rewards.

Half of the matching earnings each year are pre-designated for canine health research and contribute to supporting Canine Health Foundation grants in which researchers aim to better understand the genetics behind many conditions affecting our dogs. The other half is eligible to provide supplemental funding of canine health research or may be used to fund educational and/or rescue efforts. The PPCP Program has raised in excess of \$2.8 million for canine health research, education and rescue efforts.

In addition to helping fund a variety of canine health research projects, funding has been used to help support educational outreach programs such as scholarships, library support, essay contests, youth programs, conservation education programs, art contests, reading programs, judges education seminars, breed specific educational materials such as illustrated breed standards and responsible dog ownership materials.

Rescue programs also benefit as funds have been used not only for the direct care of those dogs in need, but by also providing the much needed funding to support additional fund raising through the development of calendars, websites and adoption events.

The core essence of the Purina Parent Club Partnership Program is working together for the betterment of dogs everywhere. Your national breed club, the Canine Health Foundation and Purina are counting on you. Thank you for joining us in preserving our heritage and ensuring a healthy future for our canine companions.

As of April 30, 2009, the American Brittany Club, Inc. has 1016 members declared for the Purina Parent Club Partnership Program. From January 1, 2009 through April 30, 2009, 165 members have submitted weight circles resulting in a total of \$2,432.58 accumulated thus far for the 2009 Program.

The best way to increase the earnings and close the gap on the potential earnings is by spreading the word:

To Club members who are already Pro Club® members: Encourage them to declare for the Purina Parent Club Partnership Program by calling 1-877-776-2582 and encourage them to submit weight circles to the Purina Pro Club®.

To Club Members who feed Purina but are NOT members of Pro Club®: Make them aware of the Purina Parent Club Partnership program and encourage them to join Pro Club®, declare for their breed and submit weight circles to the Purina Pro Club®.

Each new person who declares participation in the PPCP Program and submits weight circles or who joins Pro Club® and declares and submits weight circles will only help to increase the earnings for 2009. We have found that many participants have been made aware of the program through information made available to them on their club's web site.

If your club has not already done so, please consider adding a link from your website to the PPCP website to make it easy for fanciers of the Brittany to access additional information about the PPCP program.

Please encourage participation in this unique program, and submission of weight circles to benefit the Brittany. Though canine health is a major component of the PPCP program, canine welfare is also an integral component. Please remember that education encompasses a wide array of activities. Such activities may include but are not limited to judges' education, breed information/standards, youth programs, educating of public officials in responsible canine legislation, studies that include conservation practices related to habitat beneficial to sporting dog events, scholarships, etc.

Purina thanks you for this opportunity to partner with you and the Canine Health Foundation in advancing the health and well being of the Brittany.

# ALEXANDER THE GREAT - OR ALEXANDER THE SO-SO

In the spring of 2008, Sissy, the owner of Solid Gold Dog Food, went to India to study ayurvedic herbs. It was there that she found that her Cinna-Bone biscuits, which she had been making for four years, repelled fleas. Cinnamon contains sulfur, the eighth most prevalent mineral in a human and dogs body. Insects cannot reproduce in the presence of sulfur. So, it is a natural flea repellent. Cinnamon is helpful for diabetes, epilepsy, cancer and heart disease.

In the spring of 2009, Sissy went to Egypt to study ancient medicines and ancient alchemy. Alchemy is much more than turning base metal into gold. It is the study of metals/minerals and how their frequency (now called electro-magnetism) heals the body.

Around 1470 B.C., Queen Hatshepsut of Egypt sent her ships up the Mississippi River towards the Detroit area to get tin and copper to make bronze. Bronze was used for farming implements, swords and shields. People even today wear copper bracelets and drink colloidal silver for healing. Colloidal silver was the natural antibiotic before the development of penicillin.

People used to wear gemstones for their healing frequencies.

Solid Gold Sea Meal includes 60 trace minerals. Dogs and people are 11% trace minerals and 4% vitamins. If you don't give dogs trace minerals, the vitamins don't work. Sea Meal boosts up the thymus and thyroid glands which control the immune, hormone and enzyme systems. Sea Meal grows coat, intensifies coat color, increases fertility, encourages brain function, etc. It is always fed with our Solid Gold dog food.

The Oriental, arctic dogs and dogs from England, Scotland, Ireland and all water dogs were fed sea vegetation and fish for hundreds of years. All Solid Gold foods are fish based. If you don't feed fish and sea vegetation, you are not supporting the DNA in the dog's body. They will chew at the root of the tail and lick their feet.

People ask us why we don't include Sea Meal in with our food. Sea Meal also contains probiotics and digestive enzymes from the Prozyme Inc. Probiotics and digestive enzymes are destroyed at 120° and dry food is cooked at 350°. So all these dog food companies that list probiotics and enzymes with their ingredients, didn't do their homework. You are paying for something you are not getting.

Order the SeaMeal in one pound containers or five pound containers if you have big dogs, a kennel or horses. If your horse has cracked hooves, navicular or founder, Sea Meal will help.

The Egyptians grew barley and flax which we put into our dog food. Barley is anti-aging and used for transmigration of the soul. It is also for diabetes and epilepsy.

### **Now, for Alexander.**

At Alexandria, in Egypt is the story of Alexander's first battle against King Darius of Persia who had 3,000 men and a pack of elephants. Alexander had 300 men – but he also had a pack of war dogs – Neapolitan Mastiffs – called mastinos.

Darius was astride his bull elephants approaching Alexander. At the last minute, Alexander let loose Peritas, his personal mastino. Peritas raced towards the bull elephant and attacked the swinging trunk. The startled elephant reared up and Darius fell off. Then, Alexander let loose the rest of the barking mastinos. They attacked the elephant's legs and trunks. The surprised elephants turned around and ran into the other coming elephants and troops. The Persians were in chaos and scattered.

Alexander and his mastinos had won the day. That's how he began to be "The Great".

Solid Gold is the only dog food company that is a member of the Organic Trade Association, the American Nutraceutical Association, the Medicinal Food Association, Nutraceutical Foods Association and the Life Extension Association.

**GREATER MILWAUKEE**

**Ottawa Field Trial Grounds, Eagle, WI  
Saturday, March 21, 2009**

The Greater Milwaukee Brittany Club held its 2009 Hunt Test on March 21, 2009, at the Ottawa Field Trial Grounds in Eagle, Wisconsin. The day was ideal, with sunny temperatures in the 40's and low 50's, a rarity for Wisconsin. The food and record-keeping were an excellent club effort coordinated by Beverly Thomas and Marian Hartner.

We ran a single course with Patricia Witkiewicz and Edward Cuddeback surviving as "sore in the saddle"

judges. There were 35 pointing dogs. There were four braces of Master, six braces of Seniors and eight braces of Juniors.

The gunners for the Master and Senior levels, Greg Asmus and Robert Hartner did a great job, as always!

Many thanks to the numerous people who volunteered their time and camaraderie to make our event run smoothly and totally enjoyable.

**TIDEWATER**

**Dick Cross WMA, South Hill, VA  
March 28-29, 2009**

*Submitted by event secretary Bobbie L. Sigmund*

The Tidewater Brittany Club held its spring hunt test at Dick Cross WMA in South Hill, VA on March 28 & 29, 2009. Weather was cool and windy, with just a touch of rain late Saturday afternoon. Judges on both days enjoyed a wide range of breeds to watch in the field.

Many of the dogs showed us just why we host such an event. The dogs' eagerness to hunt and work with their handlers, their staunchness on point, and their enthusiasm in the field, reminded us why.

Thanks to everyone who helped throughout the weekend. Ed, it was a great dinner again on Saturday night. Raffle after dinner was another success! Thanks so much to our great gunners, Mike Sigmund, Don Tellock and Phil Hearne. And another great job done by Don handling the event. See every one next year!

## Purina Event Center Breaks Ground

St. Louis, Missouri, April 30, 2009 – Befittingly, Purina turned to the experts – a team of Parson Russell Terriers – to help break ground today on a \$10 million, world-class indoor dog show facility being built at Purina Farms in Gray Summit, Mo.

The highly-energetic, enthusiastic terriers joined Nestlé Purina PetCare President Terence Block at a ground-breaking ceremony near the future home of the 84,000-square-foot, state-of-the-art facility. Following their instincts, these terriers "went to ground," digging furiously in a sand pit strategically placed at the construction site.

"Today, we're excited to celebrate an important investment in Purina's future and another long-term commitment to the breeder-enthusiast community," Block told about 100 people attending the event. "I'm proud to say that Purina will be the first pet food manufacturer to provide an indoor venue that can fully accommodate the range of requirements necessary for a national specialty."

On hand for the ceremony were members of the St. Louis dog fancy: Barnstable Norwich Terrier and Norfolk Terrier breeder Sandra Stemmler, Broughcastl Pug breeder Doug Huffman, and Gaylord Pembroke Welsh Corgi and Norwich Terrier breeder David Guempel. Barbara McNabb, Director of the AKC Museum of the Dog, also attended the ceremony.

About 50 owners and handlers, who had come to Purina Farms for the Gateway Cluster, which begins, Friday, May 1, watched the ceremony from bleachers with their purebred dogs. The three-day cluster, made up of the Spirit of the Heartland Kennel Club, Jefferson County Kennel Club of Missouri and St. Louis Dog Breeders, is the first all-breed dog show to be held in 2009 at Purina Farms' outdoor venue.

Brock Fitzgerald, Director of Purina Farms and the new Purina Event Center, said, "As many of you know, we've hosted outdoor dogs shows and events for

about 15 years – as many as 70 each year. I've been privileged to meet and work with a lot of dedicated people in the dog world – many of whom are here today. To say we're thrilled about the fall 2010 opening of our world-class indoor Purina Event Center is an understatement."

Cledith "Clete" Wakefield, President of the Spirit of the Heartland Kennel Club and Delegate to the American Kennel Club, said, "As our first Gateway Cluster of the year gets under way this weekend, we are expecting about 1,200 entries. In two years, when the spring show moves indoors, we expect

that number to increase to 1,800 to 2,000 entries. We are very excited!"

Following the ground-breaking ceremony, visitors toured the grounds of the future home of the Purina Event Center and attended a dog show at the Purina Arena at the Purina Farms' Visitors Center. Three hundred schoolchildren had come on field trips to see the Pro Plan Performance Team perform agility and flying disc, and debut a new dog diving facility.

The Purina Event Center, scheduled to open in fall 2010, will accommodate thousands of dogs and their owners and handlers at conformation dog shows, obedience and agility trials. The facility will complement existing venues at Purina Farms for outdoor dog shows, lure coursing, agility, obedience, herding and earthdog trials. Purina Farms is located about one hour from downtown St. Louis and the Lambert-St. Louis International Airport.

# Field Trials

## East Coast

### SOUTHEASTERN Hoffman, NC January 16-18, 2009

When folks come from New England, Pennsylvania, and New Jersey to our trial, they expect to have sunny weather and in the 50's. We had anything but that with temps not getting out of the 20's on Friday and 9 degrees Saturday morning. It warmed to 35 Saturday afternoon, and we all felt it was balmy! Sunday brought cold temps in the 30's and low 40's with rain showers.

Three great folks assisted with lunches – Sandra Leavens, who made delicious chili (great for cold weather), served and cleaned up; a couple of new gals that served the soup and hot meatball sandwiches also cleaned up – Beth Rosner and her daughter, Brittany. Sunday, Tina Odom gave us the most delicious noodles with turkey. A wonderful southern traditional dinner was served Saturday evening with fried chicken and fixings served by Seaboard Station, which is area renowned. Even if folks did not place their dogs, they ate well!

We had a lot of good help with Richard Christopher getting dogs into the dog wagon and on the line in a timely manner. Ben Lorensen and Kyle Merrill were wonderful driving their truck as a "dog wagon" for the puppy stake. Even though the weather was not the greatest, we moved a lot of coveys that were either pointed or ridden up.

## TIDEWATER

### Dick Cross WMA, Virginia February 27-March 1, 2009

The Tidewater Brittany Club concluded its spring field trial in cold and rainy weather. We wish to thank our judges who sat in the saddle, mostly wet, throughout the weekend. Tidewater also wishes to thank Ed Rudzinski who kept us all fed with the help of Yvonne McKeag on Friday, and the donation of some very tasty venison steaks by Ralph Kiracofe, cooked by Joe Luisi, for our great Saturday night dinner. Zac and Rebecca Walker kept the courses filled with birds. Our President, Spencer Hill, made sure our greatly anticipated raffle was ready to be enjoyed by all. Don Tellock, what would we do without you during the weekend? To anyone else who we may not have mentioned, thank you for helping us with our spring field trial. Congrats to all the placing dogs!

**WESTERN MICHIGAN**  
**Ionia, MI**  
**March 27-29, 2009**

Friday started our spring trial festivities off with our specialty show. It was well attended by field trialers and that was much appreciated.

Saturday was a pretty day and it was reported that most of the dogs that ran that day had bird contact. Saturday night we were treated to a pig roast by Will

Langley our wrangler and in this case, judge. Everyone had a great time and we all "pigged" out. It was also a celebration of Jane Hopper's birthday so Gil provided margaritas and birthday cake.

Sunday proved to be a challenge for most of the dogs. While most had bird contact, few could stand the lure of the wet, cold birds. The weather had turned cold over night and we experience rain, sleet and snow throughout the day.

Thanks go to all the judges who were in the saddle through good times and bad over the weekend. Thanks also goes to our club members and friends who helped us put on this successful trial. You are appreciated more than I can begin to tell you. The biggest thank you goes to Dawn Whitcomb our field trial secretary. Not only was she new to the job, but also new to field trialing. She stood up under the pressure and did a really great job.

BULLOCH'S HY STEPPIN SWEETHEART, owned by John and Terra Bulloch, was also the winner of the Dual Dog award for placements in the show and field.

**GREATER ST. LOUIS  
Whetstone Creek Conservation Area  
February 28-March 1, 2009**

It was dreary, windy and cold as we started the trial on Saturday morning. But, as always, the trialers and their dogs persevered, and the clubhouse was warm as we shared dog tales throughout the day. This wasn't a large trial by anyone's standards, but we had good dogs and loyal owners from across the U.S., including Colorado, Oklahoma, Kansas, Illinois, Michigan, Massachusetts and of course, Missouri.

Sunday, although it was still cold and windy, the sun came out to brighten spirits, and everyone had a great day watching the dogs and enjoying the company of fellow field trialers. The Greater St. Louis Brittany Club would like to thank our judges who put in long days in the wind and cold. Also, our thanks goes to ALL who helped, especially Randy Meyer, who does so much behind the scenes; Lindsey Wilburn, our lone, fearless bird planter for the entire weekend; and the gals who fed us both days, Janet Stewart, Pam Monzon and Dorothy Meyer. Where would we be without them?? Finally, we would like to thank the participants who spend endless hours training and caring for their four-legged friends. It was a great weekend made possible by all these special people - and their Britts.

## HEART OF ILLINOIS Middle Fork SFWA, Danville, IL March 7-8, 2009

The Heart of Illinois Walking Trial went off March 7 & 8 at the Middle Fork SFWA near Danville, Ill. The grounds were in great shape, although very soggy. Saturday saw tough conditions with strong winds and intermittent showers, but the dogs rose to the occasion and put down some great performances. Sunday saw several breaks in the action as the thunderstorms rolled through. All the gun dog stakes were qualifiers, and both derby stakes were highly competitive. Competitors came from Indiana, Arkansas, Missouri, Wisconsin, Michigan and Minnesota.

Pending AKC approval, MATRIX GRAND ILLUSION finished his FC by winning the Open Gun Dog and his AFC by winning the Amateur Gun Dog, handled to both by his owner, Rodger Fiorito. Rex put down an impressive performance with multiple finds and flawless handling. Congratulations!

Ron Telfare and Bear (AFC EIBHEAR OF AUTEN) tore up the Amateur Limited Gun Dog stake. Bear had five finds on the back of the course BEFORE they hit the bird field! Congratulations, Ron.

In the Amateur Derby, all four dogs had multiple finds in conjunction with forward driving, ground covering races. Several of those who watched this stake commented it was the toughest derby stake they had ever observed. We have some tough young dogs coming up.

Congratulations to all the winners and placing dogs and their owners and handlers, and special thanks to Steve

McClure; Kevin and Sandra Remmers; Mr. & Mrs. Ken Heath; the judges, bird planters and dog wagon drivers; the trial committee, and all who pitched in to help.

**FORT WORTH  
Wortham, TX  
January 22-23, 2009**

*by Wesley Felt*

The Fort Worth Brittany Club held its Spring Trial January 22-23, 2009. We had a two-day trial due to low entries, but the entries we did have were excellent. A big thank-you goes out to our four very fine judges who joined us to watch over the trial. J.C. Woodall, Ben Kuykendall, Ed Cowling and Wesley Felt spent their Friday and Saturday judging the six events.

Ed Wild handled ATABOY'S RUSTY RED BARON to the win in the Open All Age. This blue ribbon was the first adult stakes win for this dog, owned by Geraldine Hairgrove. Ed Wild also handled the winner in the Derby, DAKOTA SIOUX III, owned by Don DeWees.

When our judges were not in the saddle, they were running their fine dogs. In fact, we had two blue ribbons won by our judges' panel. Amateur All Age was won by DAKOTAS GONE WITH THE WIND, owned and handled by his owner Ben Kuykendall. J.C. Woodall brought home the Open Puppy blue while handling his puppy, WOODSONG'S MEDICINE MAN.

Joe Schneider handled his dog, BLUERIDGE BLAZEN GEM, to the blue ribbon in the Open Gun Dog stake. Mitsue Nakamura handled RAVIN RILEY to the blue ribbon in the Amateur Gun dog stake for owner J. Edward Peace.

You could not carry out a field trial without the volunteers that came to help. Thank you to Alicia, Carolyn, Frances and Mary Felt for your hard work and goodies to share at lunch. Thank you to Larry Hairgrove and Mace McCain for pitching in as our bird planters.

**2009 Texas Amateur All Age  
Brittany Championship**

*Hosted by the West Texas Brittany Club  
and Sponsored by Purina*

The 2009 Texas Amateur All Age Brittany Championship was held at the Nancy Lee Ranch in Brownwood, Texas. Huge thanks to Purina for their support of this Championship. Pro Plan Performance is the food of choice for our competitors so Purina's donation of this product is very much appreciated by all the participants. The Championship was run under Texas Tough conditions with high winds, cold am and warm pm temperatures with low humidity. This years Championship Judges were Jerry Reed and Dale Bush. These guys were personable, positive and attentive and their placements were well received by all.

**CHAMPION:** TLM COMANCHE "CHIEF". Chief is a five year old orange and white male owned by Linda and Tom Milam and handled by Tom. Chief drew the third brace of the second morning. Breakaway was from the north gate of the West pasture. He broke left toward the corrals a quarter mile away. He was gathered at the Goat Shed gate and sent forward. His race was forward and was compliant to his handler. He was found standing at 17 where the course turns north toward the cabin. He was high on both ends leaning into the scent cone. A small covey was flushed with Chief maintaining his intensity. Birds were at a premium this day and although Chief hunted the course this was his only bird contact. It was enough. He was gone at time but showed to the front in the Four Corners pasture after time was called.

**RUNNER-UP:** DC/AFC JAYHAWKER TEQUILA WITH A TWIST "Taryn". Taryn is a lovely six year old orange and white female owned and handled by Jessica Carlson. Taryn is a hard competitor having won three championships this spring. The last one was a week ago when she bested Chief in the "Dub Emde Challenge" at Lake Murray near Ardmore, OK. She was in the second brace the first day and had a strong head wind. This didn't slow Taryn down as she ran the edges of the senderos, disappearing into the cover and showing to

the front. Her one bird came at 38 in a mott before the Highline right of way. She was found in a stylish point and maintained that style as Jessica flushed a pair and fired. Upon her release Taryn set the standard as she continued a fast forward race through the West pasture and finished moving out of sight before showing at time near Four Corners.

Third Place: DC T'KALIS FEEL THE WIND "Kelly". Kelly is a six year old orange and white female owned and handled by Laura Wilder.

Fourth Place: BELLE'S BEAU "MAX". Max is a six year old liver and white male owned and handled by Gary Nelson.

#### The Running:

**Brace 1** - CHUYS "CHULA" VISTA - Mitsue Nakamura & FC/AFC TJ'S APACHE, "Bandit" - Jessica Carlson: The temperature was 33 degrees with a strong north wind. Chula ran a good forward race for forty-two minutes but failed to handle her only bird contact. Bandit hunted hard with forward application but his effort was not rewarded as he went birdless.

**Brace 2** - DC/AFC TC'S MATCH BOKS RACER, "Rob" - Laura Wilder & DC/AFC JAYHAWKER TEQUILA WITH A TWIST, "Taryn" - Jessica Carlson: Rob ran hard and was kept his effort up through out the hour. He had a find on the Highline right of way at 40. On a second piece of work birds were seen in the air before he established point which might have detracted from a good run. Taryn's run is described above.

**Brace 3** - DC T'KALIS FEEL THE WIND, "Kelly" - Laura Wilder & DC/AFC BLUERIDGE BLAZEN GEM, "Ruby" - Janeen Schneider: These four ladies, the canines and their handlers, did a good job. Kelly and Ruby hunted the course to the front hitting the objectives. Ruby ran an animated ground race but suffered a bird infraction on her third find and was leashed. Kelly carded one good find but the wheels came off on her stop to flush. Though she ran forward her race was not quite up to those placing in front of her.

**Brace 4** - CH WAYSIDE'S BLUERIDGE RUNNER, "Blue" - Tom Longfellow & BELLE'S BEAU "MAX" - Gary Nelson: Blue was up early. While casting down wind

he ran through a covey and failed to stop. Beau Max demonstrated what a good bird dog is supposed to do with three stylish finds. His effort was marred by a short race.

**Brace 5** - PANCHAS PRINCE EDWARD, "Eddie" - Ed Peace & WINDTUCK ROCKET'S RED GLARE - Tom Milam: Rocket enjoyed himself with a deer chase at 33 and was gone. Eddie ran fast but lateral. He had two pieces of bird work at the motts before the Highline right of way and finished strong at the north gate of the West pasture.

**Brace 6** - ME & YOU ALONE MAVERICK, "Maya" - Mitsue Nakamura & FC DAKOTA "LUKE" - Mantler: Maya zipped around nicely but chased a bird and was leashed. Luke also ran fast and forward but chased late in the brace.

**Brace 7** - TEJAS IRON "MAX" - Mitsue Nakamura & DC SHADOW ATTACK, "Tack" - Jessica Carlson: Iron Max and Tack ran the first brace of the second day starting with a temperature of 27 degrees with a light north wind. Both dogs took a hard right before the first creek crossing and at this point Max was not seen again. Tack showed to the right at the crossing and ran fast and forward when he pulled a disappearing act and the tracker was brought out.

**Brace 8** - FC T & W'S DIAMOND "JIM" - Ed Peace & DAKOTA'S GONE WITH THE WIND, "Tara" - Ben Kuykendall: Jim had a good find and was running the country like he owned it but failed to show at time. Tara's race was respectable but the birds were not at home for her.

**Brace 9** - DC/AFC BLUERIDGE "MAJOR" ADVENTURE - Jan Kilpatrick & TLM COMANCHE "CHIEF" - Tom Milam: Major was seen early but the course "gobbled him up" and the tracker was called for at 28. Chief's effort was previously reported.

**Brace 10** - DAKOTA'S SUN RISE, "Sunny" - Ben Kuykendall & FC/AFC TJ'S PRAIRIE "BLIZZARD" - Jessica Carlson: Sunny did some things well but was not pleasing his handler so was leashed at 40. Blizzard, a seasoned campaigner, hunted hard and went to the right places but went birdless.

### SOONER Lake Murray State Park Area Ardmore, OK March 6-8, 2009

by Gary Smith

The Sooner Brittany Club celebrated its fifty-ninth year of running field trials in Oklahoma this spring at Ardmore, Oklahoma. Substantial amounts of time and money have been spent on the grounds in recent years to improve the area as a field trial venue. Carol Jackson, park manager, Chris Cowlbeck of the Arbuckle Quail Unlimited Chapter, Noble Foundation staff, and members of the Oklahoma Field Trial Clubs Association have burned the majority of the grounds over the past two years and have felled thousands of trees. The Lake Murray State Park area leased for field trials has a very good long-term future and is rapidly being returned to the transitional oak prairie that supports quail in abundance.

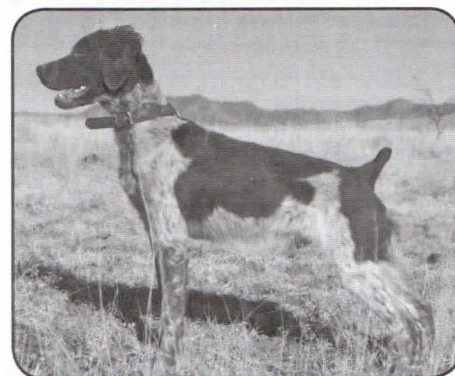

Tom and Linda Milam were there with their perpetual responsibility act. They are the backbone of many, if not most, of the Brittany trials and championships run in Regions 7 and 8. Rick Conner, the club secretary and treasurer, worked hard and kept the dog wagon at the right place at the right time, as usual. Linda Milam kept everyone fed in the new clubhouse. Thanks again to all the clubs and individuals who make the clubhouse possible. It has added a new dimension of comfort to a fine field trial area.

We ran 98 entries and had lots of birdwork with pleasant weather. Due to the burns, some areas of the usual courses were avoided, but we are all so pleased with the improvement of the grounds, we are not complaining.

We thank everyone who participated and especially those who judged. Jack Murphy, Joyce Miley, Ed Cowling, Wesley Felt, Dr. Robert (Bronco Bob) Rankin and Jerry McGee rode hard and handed down judgements that were well-received and appreciated. Thanks to all, see you in the fall.

2009 Texas Amateur All Age Brittany Championship, left to right: Linda Milam, Tom Milam with Winner TLM COMANCHE CHIEF, Scout Ben Kuykendall, Judge Dale Bush, Jessica Carlson with runner-up DC/AFC JAYHAWKER TEQUILA WITH A TWIST, and Judge Jerry Reed.

## SKYLINE

### Bonney Reservoir, CO March 14-15, 2009

Thank you to everyone who helped make this trial a success. Thanks to Joan and Ernie Peters for keeping everyone warm in the mornings with their wonderful breakfast burritos (my truck said it was 14 degrees Sunday morning at 7:00 a.m.). Each morning we broke the ice across the water crossing when going out to plant birds on the gun dog course, but both afternoons warmed up into the 70's. The water crossing was a bit high this year - we were fortunate to not have anyone fall in, but we did have a few dogs that needed convincing to swim across! And, as usual, we had a great lunch each day of roasts, hot links, and bratwursts and all the sides you can imagine. If you have never been to a Skyline trial, you don't know what you're missing!

The grounds were in great condition and so were all the dogs and horses, despite that this trial was the first this season in Colorado! Entrants in the puppy and derby stakes showed lots of promise, and the judges were pleased. There was a lot of great bird work in all of the gun dog stakes, which made the judges' jobs difficult. The All-Age braces ran in the heat of the afternoon, and there was not much bird work to speak of.

Thanks again to all of our judges and club members who came out to help. If you haven't had a chance to come to one of our trials (the spring field trial, the walking field trial in the spring, or the fall field trial), please consider it in the future!

## SOUTHERN KANSAS Oliver Ranch, Eureka, KS March 20-22, 2009

With storms looming, we were very fortunate to have them bypass us for the weekend. Many thanks to all those in attendance. A special thanks to Bill and Mary Lynn Oliver for allowing us to use their most spacious and beautiful grounds.

Congratulations to Nick Blasi for his first win with TICK TIME in the Amateur All Age. Also, congratulations to Justin Hagedorn for taking 1st Place with MICRO T and 2nd Place with SINTASKA'S BRANDY in the Amateur Walking Gun Dog.

We were fortunate to have Tom Fife and Cecil Duncan stop by on Saturday to catch up on "old times." We were also honored to have close to 50 in attendance for our steak dinner, which included Bill and Mary Lynn Oliver and Louie and Pat Surber.

Our trial went smooth thanks to so many chipping in to help, including new members Matt and Melinda Kitchen. So smooth that "Gone Fishin" Herbie had time to make a few casts.

We usually have some fun with John Cotton this time of the year, with his birthday being within a few days of our spring trial. Unfortunately, John and Allison could not be with us this year. Fortunately for us, John is fighting for our freedom in Iraq. John, we really appreciate the sacrifices you are making for us to continue to enjoy the freedom so many take for granted. Thank you for serving our country!!

## CALIFORNIA San Jacinto Wildlife Area Lakeview, CA March 7-8, 2009

By Karen Nelsen

The California Brittany Club held its first-in-a-long-time walking field trial the weekend of March 7th-8th at

the San Jacinto Wildlife Area in Lakeview. The weather couldn't have been better... not too hot, not too cold! Scott Sewell, the area's DFG supervisor, went out of his way to ensure that the trial was a "sure thing." He was most pleasant and easy to work with. Thanks to Tom Clare for taking the initiative in dealing with DFG and laying all the groundwork.

We ran a single course with no birdfield and all birds were blanked. This arrangement made for a minimal number of helpers, as we did not need gunners, only bird planters. This worked perfectly for we only ran a total of six stakes. The open stakes were held on Saturday, with the Amateur stakes on Sunday. Thanks to Mark Ambre for helping out with bird planting. He found out quickly that planting off horse-back is a lot easier than walking the course! Thanks also go to Gregg Arney and Cindy Leffingwell for getting birds planted

Thanks to Paul Doiron for getting the club trailer to the grounds and for getting the course set up. A big round of applause to Paul for also bringing water each day for the judge's horses as well as the dogs.

Our lunch on Saturday consisted of sub-sandwiches ordered from a local deli, as well as potato salad, fruit and all kinds of extra goodies. Deborah Frane did an awesome job on the dinner Saturday night! Wow! We were treated to some of the best spaghetti this side of Italy! Along with the 'sgetti, there was a fabulous green salad, garlic bread and super-tasty desserts. Delicious fine wines were also part of the fare. Deborah's trusty helper, husband Mike, made sure that the food was delivered from the cooking area (their Airstream) to the dining location while still hot and bubbly. Sabrina Arney, in addition to judging duties, made a great taco salad for lunch of Sunday.

Eldon Bouche brought his trusty "washing machine fire pit" which was perfect for the ambiance on Saturday night. Participants brought out their chairs, gathered around the fire-pit, ate their dinner, had a few cocktails and talked and talked. The camaraderie was wonderful. No one left! It was a great opportunity for new trialers to sit and talk with the "old guard."

Our judges were wonderful: Tom White, Bill Leffingwell, and Leslie Smeder judged the Open stakes. Sabrina Arney and Gregg Knight saw all the action on Sunday during the running of the Amateur stakes. The Amateur Gun Dog stake resulted in the completion of not one, but two, dogs' Amateur Field Champion titles. Leslie Smeder finished her GSP Sophie, and Myra-Dawn Ellis finished her Brittany KT! Congratulations to both.

Thanks to everyone who helped out, to those who participated, and to those who want to do it again! (Same time, next year!) Check out Deborah Frane's video of the trial at: [www.YouTube.com/BrigadeBrittany](http://www.YouTube.com/BrigadeBrittany)

## MEMBERS OF THE AMERICAN BRITTANY CLUB

**Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.**

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

**THIS IS OUR CHANCE TO MAKE A DIFFERENCE!**

**THE AMERICAN BRITTANY CLUB, INC.** is a member club of the American Kennel Club and is the recognized breed sponsor by the American Field.

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

**BECOMING A MEMBER:** Full membership in one of the Regional Clubs carries an automatic membership in the American Brittany Club. Full Membership cost is \$30.00 per year and \$3.00 per year for each Associate Member. Regional Clubs may charge higher dues.
