WHEN NUTRITION COUNTS

The birds are scarce, but he continues his search working the ditches and fence rows quartering through the field. He slams on point and you say to yourself, "this is what it's all about."

His breeding, your training/conditioning combined with high-quality nutrition have made this possible.

Give him the high-quality nutrition that helps keep him in the field when other dogs are heading for the truck. Feed what many top field trialers feed — Purina® Pro Plan® Performance Formula.

VOLUME LXI • NUMBER 11 • NOVEMBER 2009

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittneys and to encourage higher standards in breeding, training and showing of Brittneys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

ABC 2009 Chairmen Reports & Agenda Items

2009 REPORT OF THE ABC PRESIDENT – Hank Hartnek September 3, 2009

2009 marks The American Brittany Club's twenty-third year at Blue Mountain Wild Life Area. This year has been one of just keeping things on an even keel as high water again hampered continued development and improvement of the area. We are very appreciative of the efforts of Larry McAnally and his crew who were able to maintain these excellent facilities.

2009 has been another year of varied challenges primary of which was keeping me up to speed as president. The directors, officers, and committees at the national level as well as the many regional club officers and workers worked very hard this year and are to be commended for their efforts. We could not maintain a viable level of activity in our shows, field trials, agility, futurity and other activities without the dedicated efforts of these members. I would urge each of you to say "Thank You" to those in charge of the next event that you attend.

Earlier in the year Tom White, 1st Vice President, informed the club that he had received a letter from Tracker indicating they were terminating their corporate sponsor with the American Brittany Club. Tracker had been purchased by SportDog and the change in ownership necessitated the termination. Also, SportDog is a direct competitor of one of our other corporate sponsors, Tri-Tronics. We were sorry to lose Tracker as they had been one of our sponsors for over three years. We are currently in the process of reaching an agreement with Garmin to become a new corporate sponsor but as of this writing we have no agreement.

The Magazine under the very capable direction of Managing Editor, Dee Hempfield improves in content as well as schedule. Mary Jo Trimble, Executive Secretary provides valuable assistance in many areas including the magazine and the membership database that is ably handled by Linda Langford. The database is a difficult task because of the continual changes in membership status and addresses. The web site continues to improve with the efforts of Steve Ralph.

Other challenges included:

1. Caterer. Larry reported on this situation. It appears the Bearcat folks are having problems and may not be interested or able to cater events at the grounds. Larry encouraged the members to contact a different caterer and then get back to him with a decision so he could coordinate.
2. Dog Tax. The BMCA decided to increase the amount per entry from this year forward from \$5.00 per entry to \$6.00. This information was passed along to club treasurers.
3. Improvements. Larry didn't feel anything will be needed from BMCA for grounds improvement this year. However, he will try to put together a proposal on corral work needed. The AFTCA 20th Century Fund will be asked to fund this project.
4. Quail. Larry will be purchasing quail from the same vendor used last year and following the established release program. BMCA will again probably be asked to pay for quail released for the Shorthair championship as was done in 2009.

The successful increased bird release program at the Blue Mountain Conservation Area was repeated with birds being planted in the first part of September and again just before our National events. There were a few problems with grounds maintenance due to heavy rains earlier in the year but

Also this year, we have moved the site of our National Specialty Show to Sebastian County Fairgrounds in Greenwood. This move will help reduce the costs of putting on our National show.

The Thayer grounds issue brought up a situation where we had a potential for conflict of interest in the vote to approve the funds for the grounds. Included in my report is a draft of a policy for avoiding such problems in the future. I would like the BOD to consider this.

As in previous years, the future of sporting dog activities is clouded by repeated attempts at constraining legislation that will place unworkable burdens on our activities. Our problems are compounded by the efforts of some State Wildlife Agencies and the United States Fish and Wildlife Service to eliminate horseback field trials. We do not have enough suitable grounds to meet the needs of our regional and championship trials in some areas. I continue to be puzzled by the selective attitude of some state DNRs, their revenues are based on hunting license fees which are declining each year, yet they persist in defining field trials as not being a compatible part of hunting. Also show sites have experienced negative local regulatory laws. The American Brittany Club must continue to oppose each and every one of these pieces of legislation if we want our sport to continue.

Action Items:

1. Conflict of Interest
2. Qualifications for the 2010 Championships
3. Continue holding the All Age Championships at Booneville 2010, 2011, 2012

DRAFT (for BOD and legal review)
AMERICAN BRITTANY CLUB INC
POLICY ON CONFLICTS OF INTEREST

(Source: sample policy from American Institute of Certified Public Accountants which they adapted with permission from Minnesota Charities Review Council)

This conflict of interest policy is designed to help directors, officers, employees and independent contractors of the American Brittany Club, Inc. (ABC) identify situations that present potential conflicts of interest and to provide the ABC with a procedure that, if observed, will allow a transaction to be treated as valid and binding even though a director, officer, employee or independent contractor has or may have a conflict of interest with respect to the transaction. In the event there is an inconsistency between the requirements and procedures prescribed herein and those in federal or state law, the law shall control.

1. **Conflict of Interest Defined:** For purposes of this policy, the following circumstances shall be deemed to create Conflicts of Interest:

A. Outside Interests –

- (i) A contract or transaction between ABC and a Responsible Person or Family Member.
- (ii) A contract or transaction between ABC and an entity in which a Responsible Person or Family Member has a financial interest or of which such person serves in a decision-making capacity.

B. Gifts, Gratuities and Entertainment – A Responsible Person accepting gifts, entertainment or other favors from any individual or entity that does or is seeking to do business with the ABC, under circumstances where it might be inferred that such action was intended to influence or possibly would influence the Responsible Person in the performance of his or her duties.

2. Definitions:

A. Responsible Person: any person serving as a member of the board of directors, officer, employee of independent contractor of ABC.

B. Family Member: a spouse, domestic partner, parent, child, or spouse of a child, brother, sister, or spouse of a brother or sister of a Responsible Person.

C. Contract or Transaction: any agreement or relationship involving the sale or purchase of goods, services, or rights of any kind, the providing or receipt of a loan or grant, the establishment of any other type of monetary relationship. This includes all forms of compensation.

3. Procedures:

A. Before or committee action on a contract or transaction involving a conflict of interest, a director or committee member having a conflict of interest and who is in attendance at the meeting shall disclose all facts material to the conflict of interest. Such disclosure shall be reflected in the minutes of the meeting.

B. A director or committee member who plans not to attend a meeting at which he or she has reason to believe that the board or committee will act on a matter in which the person has a conflict of interest shall disclose to the chair of the meeting all facts relating to the conflict of interest. The chair shall report the disclosure at the meeting and the disclosure shall be reflected in the minutes of the meeting.

C. A person who has a conflict of interest shall not participate in or be permitted to hear the board's or committee's discussion of the matter except to disclose facts and to respond to questions. Such person shall not attempt to exert his or her personal influence with respect to the matter, either at or outside the meeting.

D. A person who has a conflict of interest with respect to a contract or transaction that will be voted on at a meeting shall not be counted in determining the presence of a quorum for purposes of the vote. The person having a conflict of interest may not vote on the contract or transaction and shall not be present in the meeting room when the vote is taken, unless the vote is by secret ballot. Such person's ineligibility to vote shall be reflected in the minutes of the meeting. For purposes of this paragraph, a member of the board of directors has a conflict of interest when he or she stands for election as an officer.

E. Responsible persons who are not members of the board of directors of ABC, or who have a conflict of interest with respect to a contract or transaction that is not the subject of board or committee action, shall disclose to the chair or chair's designee any conflict of interest that such responsible person has with respect to a contract or transaction. Such disclosure shall be made as soon as the conflict of interest is known to the responsible person. The responsible person shall refrain from any action that may affect ABC's participation in such contract or transaction.

F. In the event it is not entirely clear that a conflict of interest exists, the individual with the potential conflict shall disclose the circumstances to the chair or the chair's designee, who shall determine whether there exists a conflict of interest that is subject to this policy.

4. **Changes to Policy –** Any changes to this policy by the board of directors shall be communicated immediately to all responsible persons.

Proposal to Change NOGD & NAGD Championship Qualifications

I propose a change to the Qualifications for the NOGD, and NAGD Championships. In addition to the existing qualifications, I suggest that the following be added:

For The National Amateur Gun Dog Championship

Any dog that has placed in the AKC Pointing Breed Gun Dog Championship (either Retrieving or Non-Retrieving) when handled by an Amateur in which the following dogs started:

- 1st place with 13 Brittany starters
- 2nd place with 15 Brittany starters
- 3rd place with 17 Brittany starters
- or 4th place with 20 Brittany starters.

For The National Open Gun Dog Championship

Any dog that has placed in the AKC Pointing Breed Gun Dog Championship (either Retrieving or Non-Retrieving) in which the following dogs started:

- 1st place with 13 Brittany starters
- 2nd place with 15 Brittany starters,
- 3rd place with 17 Brittany starters
- or 4th place with 20 Brittany starters.

Please see attached rationale (addendum A)

I have secured 28 signatures of ABC members in support of this proposal.

Tom Ettinger, NNEBC

Addendum A

Rationale for Change to NOGD & NAGD Championship Qualifications

The AKC Pointing Breed Gun Dog Championship is the only AKC Championship where their registered pointing breeds can compete head to head. Hence, it draws very high quality entries from the various breeds.

The AKC Pointing Breed Gun Dog Championship is a one hour event, something the Brittany has precious few of.

The AKC Pointing Breed Gun Dog Championship itself requires qualification.

The event has historically attracted a significant number of Brittany entries (see Addendum B).

Because the AKC moves the event from year to year, different areas of the country would have an additional one hour Brittany qualifier.

Addendum B

FIRST VICE PRESIDENT - Tom White, NO REPORT

2008 2nd VICE PRESIDENT'S REPORT - Marilynne Little September 2009

Montana Brittany Club - Montana

Montana Brittany Club received provisional AKC approval. They were required to make several minor changes to their proposed by-laws. The Club elected to participate in the AKC Mentor Event Program to accelerate the ability to hold sanctioned field events. They successfully held their first Walking Field Trial and Hunt Test on August 22 & 23rd in conjunction with the Montana Shorthair Club under the rules of the AKC Mentor Program. I believe this new club will continue to grow and thrive due to their dedicated membership.

NEWS FLASH 9/1/09 - The Montana Brittany Club just received news from AKC that they have successfully been "officially" licensed by AKC and are eligible to apply for licensed pointing breed field trials & hunt tests! To our knowledge, this is the first new Brittany Club in 11 years!!!

CONGRATULATIONS MONTANA BRITTANY CLUB!

Black Prairie Brittany Club - Mississippi

No response or activity.

Club Epagneul Breton - USA

There has been no further contact from Greg Connolly, Denver, Co., or Kathy and Bill Dillon, South Dakota. After receiving the New Club Packet Instructions & Requirements, they have apparently decided they would be unable to comply with AKC's logistic requirement for Club membership.

The letter shall state that the new club is willing to take specific dates as shall be stated in the letter that are open in their particular region. The letter shall be signed by all the officers of the new club. No club shall be considered for provisional status unless this document is provided.

POLICY OF ABC IN ACCEPTING NEW REGIONAL CLUBS

During the 1975 annual meeting, the Board of Directors adopted a policy that requires The American Brittany Club to consider each new club application in light of its chances for success, its ability to contribute to the improvement of the breed and its compatibility with existing Regional Clubs. Growth for the sake of growth is unwise. The Parent Club and members for forming Regional Clubs must keep in mind the desires of the Regional membership, the best interest of the breed and the welfare of each existing Regional Club. The probabilities for success of each new club applicant and its contribution to the improvement of the breed through success of ABC must be carefully and continuously evaluated.

POLICY OF ABC ON INTERNATIONAL CLUBS

During the 1975 annual meeting, the Board of Directors of The American Brittany Club rejected a new club request from Japan and directed the 2nd Vice President of The ABC to respond with an explanation that while there is no provision in the Constitution and By-Laws of The American Brittany Club for foreign affiliation, individuals are welcome to become either a member-at-large or a member of a regional club located within the United States.

The ABC directed an inquiry to the AKC. (A. Hamilton Rowan, Jr., Director of Field Trials) to obtain clarification of any AKC policy, rule or regulation regarding International Clubs. Mr. Rowan, in a letter dated July 15, 1976, to The ABC, indicated that while there is no AKC rule or regulation against the AKC licensing events outside the United States, any such licensing would be "strictly contrary to policies" of AKC.

It is, therefore, the policy of the ABC not to authorize and promote the formation of regional clubs abroad due to the existing AKC policy which would refuse AKC licensing of any event sponsored by foreign regional clubs of the ABC.

REGIONAL INTERCLUB COUNCILS

Regional Interclub Councils, organized in accordance with the present existing "Constitution and By-Laws for Interclub Councils", may be formed by the clubs within a region for the purpose of promoting harmony and cooperation among the clubs within that region. If such a council exists within any region, and it is functioning successfully with the majority of the clubs in the region belonging to it, then the Directors within that region and the Officers of the ABC shall establish a working relationship with that Council, and the parent club shall recognize the council as a viable organization. 2007/2008

REGIONAL DATES COORDINATORS DUTIES AND SCHEDULING POLICY

This is the policy for the administration and organization of field trial dates by the Field Trial Dates Committee:

- All communications regarding field trial dates scheduling between regional clubs and dates coordinators must be in writing and signed by an officer of the club making the request or inquiry.
- Regional Clubs shall be awarded dates in accordance with AKC Rules for Field Trials & Standard Procedures for Pointing Breeds, Chapter 4, Section 2:
"Each member club or association which has held a field trial or field trials in anyone year shall have first right to claim the corresponding dates for its trial or trials to be held in the next succeeding year."
- Regional clubs locked in on grounds that are only available on given dates will be given special consideration in date scheduling.

4. *New clubs shall agree in writing that they will accept one of the open dates or the dates assigned to them by the regional dates coordinator for their spring and fall trials when applying for ABC provisional status. Open dates for spring and fall field trials will be made available to new clubs on request by the regional dates coordinator.*
5. The following considerations should be the policy used to determine that two (2) clubs, within a region, should be allowed conflicting dates:
 - A. Location of two clubs and reason for conflict
 - B. Availability of grounds for conflicting clubs - exact location of the trial grounds must be furnished by both clubs to the Regional Dates Coordinator.
 - C. In order to determine what effect a conflict will have on the entries of each club - the regional dates coordinator may require both clubs to furnish a list of the number of entries for each stake run in the spring and fall trials held just previous to the date in question along with the names of each professional trainer that attended those trials with the number of dogs run by that trainer,
 - D. Availability of dogs to insure each club enough entries to exist
 - E. A club located in one region shall not encroach into another region to run its trial or trials without first obtaining permission from the regional dates coordinators of both regions.
 - F. If clubs within the same region are not satisfied with the decision of the dates coordinator, the club may appeal as follows:
6. **APPEAL PROCEDURE**
 - A. Contact the regional dates coordinator by phone followed by a letter within the time period given in the notice. Send a copy to the National Dates Chairman.
 - B. The Regional Dates Chairman shall notify the National Dates Chairman in writing of the requested change. If the trial dates are not satisfactory worked out with the Regional Dates Chairman, then the club may appeal directly to the National Dates Chairman.

3rd VP AGENDA REPORT – Christine Ward-Weber

During the past 9 months I have secured a new show site, judges for 09 & 10. Put some of the specialty show information up on line. This year's event looks to be on track with a closer venue, more ground and new host hotels. The membership response is not totally in favor of this site or the location. I have reduced the trophy costs, taken action to help lower our direct costs and lower our judging expenses in 2010.

My current dilemma is to find a permanent home for the specialty show, to hire my judges further out, and to find fund raising options. If this location appears to be adequate they would like us to make a three-year commitment. They have improved the electric for us in hopes this will work for both of us.

If it appears this is not the best venue I would like to consider some options for the future including a change in location. Some ideas that are on the table is moving the show to the Gun Dog Championships, rotating between the Gun Dog & the Open Championships and or consider allowing the move to be incorporated with Championship stakes.

My first choice, if our current venue issues are not resolved, is to move to Michigan with the Gun Dog Championship. There are two local clubs to aid in location needs. We have potential to add Agility and have an event that could include more events such as Top 10 or special forums. It would allow for the possibilities of a multiple breed event, better venues, more hotels, more restaurants, lower superintendent costs, and more local or accessible judges. Problems, it would conflict with a regional club date.

Problems we are currently facing in Arkansas is a suitable location, with suitable accommodations and reasonable costs. Our hotels have changed daily rates. We have no local club. Hotel costs have increased. Surrounding areas on larger venues are not in the best locations. I am having Dinner in October with the Viszia National Show Chair to discuss fundraisers and other ways to secure earlier fund raising opportunities to allow us to afford a more suitable location.

I would like to see DNA become a requirement for entry into the show.

I would like to thank the board for all the support they have offered my in the last months.

After these ranking lists are returned to the show chairman, the show chairman will compile a final list according to the rankings submitted by the committee members. The judge most preferred will be contacted for the proper judging assignment. If that judge is not available for the year proposed, the show chairman shall ask if the next year is available.
 - e. After the judges are approved by the AKC, the national show chairman will announce their judging assignment in the magazine and on the website along with a short biography and picture of each judge (if provided by the magazine deadline).
 4. Any judge selected for the national specialty sweepstakes competition would agree not to judge any Brittany classes within four (4) months prior to the National Specialty Show. No Brittany solely owned or co-owned by the

(2000) **please clarify what this means? Is there a current list available -- and if not why do I need to supply from all contacted solicitation and donor lists?**
36. Vendors will not be allowed to conduct auctions and/or raffles at ABC events. (2000) Exception (Brittany Rescue Organizations) 2002
37. Assign a member of the event committee to promote ABC fund raisers including the national auctions and raffle ticket sales to offset expenses incurred by the event. (2008) 2002
38. The National Show Chairman/3rd Vice President will not handle or enter into conformation competition any dogs solely owned by him/her, but dogs co-owned by him/her but not handled by him/her shall be eligible for conformation competition at the National Specialty Show. (2006) **Would like to change to any dog co-owned by National Show Chairperson that resides with said person. Only dogs not living with the Show Chair. For breed only**

SUMMER SPECIALTY SHOW

Summer specialty show: By action of the board of directors in 1968, it was voted affirmatively that each ABC region "be allowed to host a summer specialty show in turn". The 3rd vice president shall have the authority for assigning the sponsoring club(s), or may assign or have assigned that responsibility to another named party for the summer specialty show to insure that the show shall rotate, in order from region to region. (1980)

- A. Enforcement of this "rotating policy" by coordinating with the president a permanent five (5) year schedule that the summer specialty show will be held on a region-by-region basis.
- B. Coordinating with regional inter-club councils, where same exist, or communicating with each regional club in a region to determine if the region as a whole, or a club or clubs desire to act as host for the summer specialty show in their region—all such arrangements to be made at least three (3) years in advance, if possible.
- C. Coordinate with the president the appointment of a show chairman for the summer Specialty and have the premium reviewed by the 3rd VP to insure that the classes, ribbons and ABC's class requirements are correctly put in place.
- D. Coordinate with the show chairman of the summer specialty and with the person co-coordinating the event rotations the appointment of a show secretary or superintendent and members of the show committee.
- E. The Show chairperson of the summer specialty will notify the 3rd VP, president and executive secretary as to the chairman and members of the show committee.
- F. The Summer Specialty Show may be held as an Independent Show or as a Designated Specialty Show in conjunction with an All Breed Show in May, July or August. (2002)
- G. The 3rd VP will coordinate with the summer show committee the selection of the all breed show and choice of judge.
- H. The 3rd VP will approve and coordinate with the president's approval of site, date, type of show to be held and the choice of judge. (2002)
- I. Hosting Club will notify the editor of "The American Brittany" of appropriate information for advertisements, etc.

The summer specialty show committee shall, under the direction of the 3rd vice president, or appointed coordinator arrange for host clubs for the summer specialty show so that each region be allowed to host the show in turn. Efforts shall be toward a permanent five (5) year region-to-region rotating schedule. Arrangements should be approximately three (3) years in advance. The Board shall approve host clubs at its annual meeting each year.

The summer specialty show may be held as an Independent Show or as a Designated Specialty Show in conjunction with an all breed show and shall be held in May, June, July or August. (2002)

The application for the show shall be sent from the ABC office. The host club shall send the date of the show and the name of the all breed show to the executive secretary as soon as possible so the application may be sent to AKC.

If a sweepstakes is to be held, all the information for that shall be sent to the ABC office for the form to be sent in a timely manner.

The host club is responsible for getting trophy donations themselves, but the ABC shall be responsible for a trophy for Best of Breed with a value of up to \$75 and a Best of Opposite Sex with a value of up to \$50. If the host club's trophy donations cover the cost of all trophies, ABC will NOT buy the Best of Breed or the Best of Opposite Sex trophies. If the host club collects more for trophies than is spent for trophies, the excess shall be passed on to the next host club for the next summer specialty. (1979)

The ad for the summer specialty shall be sent to Managing Editor by the host club. There shall be no charge for this one ad. Any additional advertising for events held in conjunction, is limited to 1/4 of that page. Deadline for the ad shall be the first of the month preceding the issue it is to appear.

The official ABC emblem is available by e-mail from the ABC Executive Secretary. The official ABC medallions are also available from the ABC Executive Secretary for replacement costs.

It shall be the responsibility of the summer specialty chairman to notify the next year's host club of the previous year's Best of Breed winner by owner's name and address. This shall enable the next host club to arrange for receipt of rotating trophy for presentation.

Only the Specialty Show held with the National Championships in November shall be called "The National Specialty Show: The winner of the Summer Specialty Show shall be called "the winner of the Summer Specialty Show." **The Sequani's Dana Macduff Memorial Challenge Trophy, was retired in 1988 by Yoko O'Shell. It was replaced in 1989 by the Jacques Prince Valiant Memorial Challenge Trophy donated by Bob and Curtis Humphrey in honor of their top winning American/Canadian champion. Three Best of Breed wins at the summer specialty (same owner, not necessarily the same dog) will retire the award. It is a cast Brittany on a wooden base. (1989) Cannot locate this trophy, so I think this should be deleted.**

The regular classes and the non-regular classes to be held at the summer specialty shall be standardized to be the same as the national specialty, i.e. Stud Dog, Brood Bitch, Veterans, and Field Trial classes. The holding of sweepstakes is optional. (1983)

If Obedience is offered the premium list for obedience exhibitors should state: Refund of entry fees for bitches in obedience that come into season after the closing date of this show may be obtained by sending veterinarian's certificate to the show secretary. This certificate must be postmarked before the opening day of the show or given to the show secretary before the start of the show. **Add, move ups are allowed.**

Contingent on hosting all breed's policies.

Those clubs hosting ABC events are responsible for attaining/securing photos of the winners of the event along with the write-up and sending such documents for publication to the managing editor of "The American Brittany" magazine.

The summer specialty is the official title and IS NOT to be referred to as, or in conjunction with the word "Nationals".

Each chairman shall keep a file of the activities of the year to pass on to the next succeeding chairman. The file shall be handed to the president at the nationals to be passed to the next appointee. If such a file is not received, check with the last chairman. If no file is available, start one. Submit a report of your activities and recommendations to the agenda chairman in advance of the annual board meeting. This must be done far enough in advance so the agenda chairman can have the agenda in the hands of the directors six (6) weeks prior to the annual board meeting. (1992)

At the national specialty show and the summer specialty show the following classes are required: Field Trial Class, Stud Dog Class, Brood Bitch Class and Veterans Class. (11/93)

At the National Specialty Show and the Summer Specialty Show, the following classes are required: Field Trial Classes (dogs and bitches), Stud Dog Class, Brood Bitch Class, Veterans classes (dogs and bitches). **Additional Classes to be considered Best Junior & High Scoring Brittany (when Obedience is available) Veteran Class Age requirement to be set by the host club. 8 years of age when allowed.**

- A) At the National Specialty Show ONLY the following classes are required: Dual Champion Classes and National Qualifier classes. Qualifications for Field Trial classes shall be one field trial placement during the immediate past year **(from the date of closing of the Specialty year prior to the current National Specialty Show)** or be a Field Champion, an Amateur Field Champion or Dual Champion of record with AKC. Qualifications for Dual Champion Classes shall be Dual Champion of record with AKC, **(the win or Field or Amateur Championship date must be included on the premium.)** Qualifications for National Qualifiers classes shall be limited to dogs and bitches who have qualified to run in the American Brittany Club National Open Gun Dog Championship field trial, American Brittany Club National Amateur Gun Dog Championship field trial, American Brittany Club National Amateur All-Age Championship Field Trial, and the American Brittany Club Open All-Age Championship field trial for the current and preceding years only. Dogs and bitches who qualify after The show's closing date will be eligible to show the next year only and those that qualify prior to the closing date shall be eligible for that current year and the following year. Dogs and bitches only have to be qualified to run in the National Field Trial events, not actually compete. Dogs and bitches placing first in the Field Trial classes, Dual Champion classes and National Qualifiers classes shall be eligible to compete in the Best of Breed competition.

4th VICE PRESIDENT – Brian Hendrickson, NO REPORT

2009 SECRETARY/EXECUTIVE SECRETARY AGENDA REPORT – Mary Jo Trimble

September 7, 2009

As in the past few years, 2009 has been a year of fighting legislation nationwide that would impact dog owners in regard to breeding restrictions, numbers of dogs owned, commercial license that might impact hobby breeders, spay and neuter laws, etc. I personally have been involved in fighting several pieces of legislation in Illinois and have been appointed by the Illinois Department of

Agriculture to serve as the Sporting Dog Representative on a Task Force that came about as an alternative to proposed legislation to review and make recommendations to the Animal Welfare Act and Humane Care of Animals Act in Illinois. See Legislative Agenda Report for more details.

ABC has been better able to communicate items of importance such as AKC Rule Changes, ABC policy book changes, and trial date changes due to improved postings on the ABC Website and publications in the ABC Magazine thanks to the efforts of Webmaster Steve Ralph and Managing Magazine Editor Dee Hempfield. I certainly appreciate their efforts and cooperation. I encourage members to continually monitor the News Section and Calendar of the website for the most current information regarding our organization.

I also appreciate the cooperation of Regional Clubs in working with the Regional Dates Coordinators to resolve trial date conflicts both within and between regions. Every time the AKC Calendar changes, we end up with conflicts that may not have been present the year before and close coordination becomes necessary.

The President has asked Committee Chairs and National Officers to review their sections of the ABC Policy Book and submit revisions to the BOD for review and possible updates and changes. Often the written policy does not reflect the way policy is being carried out and these conflicts need to be resolved. My changes are included as Action Items in this report.

We would like to thank AKC Vice President for Performance, Doug Ljungren for the efforts of himself and his field staff in helping the Montana Brittany Club to be officially recognized by AKC and congratulate the club on its successful hosting of a mentored, licensed walking field trial and hunt test this fall. This is the first new ABC club to be recognized by AKC in over a decade. I would also be remiss without a special Thank You to Connie Thomas for her patience, help, and hard work in getting our field trial approval and results processed.

I would like to personally thank AKC for awarding me the AKC Lifetime Achievement Award for 2009. The trip to Long Beach, CA last December and the Eukanuba Show was one Ray nor I will never forget. I was permitted to attend the Field Trial Committee Meeting with Performer Director Ljungren and the Legislative Committee meeting with AKC Director Patti Strand. I was also proud to address the Delegates at the Award Ceremony and used that opportunity to encourage them to become more involved in the Legislative Process in order to support the efforts of those who work tirelessly to prevent bad legislation in order to protect not only field and performance events but the ability to own and show our dogs.

Two requests I make every year and will continue to do so. 1. Please have Field Trial Secretaries use the ABC Reporting form on the ABC website. The AKC form does not have all the information we require to determine qualifications for the nationals. This form is accepted by AKC, AFTCA, and American Field. 2. Please appoint someone to be responsible for monitoring legislation in your state and send alerts to me for distribution to other clubs and individuals.

Thank you to all of you who work tirelessly for your clubs and help me to do my job.

Your patience and efforts are greatly appreciated.

ACTION ITEMS FOR CONSIDERATION

- Delete item # 11, page 44 of Secretary's section of policy book and Item # 30, page 49 of the Executive Secretary's section of the policy book.** (The Executive Secretary shall keep a record of the number of litters nominated, the number of litters whelped and the number of litters failed to whelp and send them to the Futurity Chairman.) This duty is now performed by the Futurity Secretaries.
- Delete # 12, page 44 (Send Policy Notebook changes to regional club officers, directors, and Policy Committee members. These changes may be sent by electronic means.)** This should be added to Executive Secretary's Duties as that is the person responsible for Votes of the BOD
- Change Item # 3 & 4, page 48 (Furnish each Board member and each Regional Club Secretary with a copy of the Annual Board of Directors Meeting minutes within 60 days of adjournment and Furnish each Board member and each Regional Club Secretary with a copy of the minutes of each Special Meeting 30 days after adjournment) to read: "In coordination with the ABC Webmaster, ABC Managing Editor, and the ABC Policy Book Chairman, the Executive Secretary shall see that votes of the Directors, Policy Notebook Revisions, Minutes of the Annual BOD Meeting and any special meetings be reported on the ABC Website and in the ABC Magazine. Policy Book changes should be updated on the ABC Website as made.**
- Item 11, page 48.** The Notice to file incorporation renewal papers was turned over to a legal firm back before I became Executive Secretary. I have never performed this duty and do not receive notice from the firm that this is being done. Perhaps the Treasurer receives a notification and/or bill for services rendered. I did have contact with them when the docking suit was filed as they are listed as our official registered agent with the State of Illinois. **Wording should be changed to reflect this.**
- Change item # 14, page 48. (Receive requests for and approve Regional Club Specialty show dates.)** Change to read: **"Grant Regional Club Specialties blanket approval with AKC unless clubs are in arrears for fees and/or fines or as requested on an individual basis by AKC."**

- Delete Item # 15, page 48, (Prepare and submit minutes of annual Board of Directors meeting for publication in "The American Brittany" magazine.)** This will be covered with the changes in Action Item # 3 above.
- Delete Item # 19, page 49. (Send membership cards to Life Members with a letter of congratulations.)** This is covered/ replaced by current item # 35.
- Change Item # 27, Section D, page 49, to read, "Send AKC required forms for next year's nationals to AKC as soon as the 1st Vice President and 4th Vice President notify Executive Secretary who the Field Trial Secretary will be."** This adds "4th Vice President" and deletes "deadline for 1st Vice President is January 30".
- Consider changing **Item # 32, page 50, to charge \$250 for copies of mailing lists** instead of \$125. Change "are" to "is".
- Change Item # 33 to reflect Hunt Test Fees to read, "The Executive Secretary shall receive all recording fees and results of all Regional Club trials, shows, and hunt tests as well as results of all National events. All fees will be sent by Executive Secretary to the Treasurer with a list of checks sent." Also Add: "No fees will be assessed for the National Championships, National or Summer Specialty Shows, or ABC Gamebird and ABC Gun Dog Classic/Championships. Fees will be assessed for ABC Regional Classic/Championships."**
- Add to Policy Book a request that Regional Clubs consider granting full memberships with all privileges to their members who are elected to the ABC HOF or Life Membership.** (It makes no sense to grant them full ABC membership and then they still have to pay to be a member of a Regional Club to be a working member.)

TREASURER'S REPORT – Janet Chase

August 30, 2009

(Information will be updated for November Board meeting)

TO ALL DIRECTORS AND OFFICERS

5 YEAR COMPARATIVE INCOME STATEMENT

A 5-year comparison of income and expense is included for your information. The year 2008 resulted in a very small deficit, which approximated the budgeted amount. We continue to be strong financially. Through the first half of 2009, we have not experienced any significant drop in recording fees or in membership dues, in spite of tough economic conditions.

Key variances for 2008 compared to 2007 are:

- Magazine advertising income decreased; however printing costs also decreased in a similar amount, thus no impact on the bottom line.
- Magazine postage was reduced in 2007 because of a credit balance that had accumulated in our postage account as a result of mailing fewer copies each month.
- Our AKC delegate was unable to attend some of the meetings in late 2007 and early 2008; thus reducing those costs.
- The 2007 national open and amateur all age championships had a large surplus, resulting from 2nd and 3rd place open dogs not being sold in the Calcutta with ABC retaining that portion of the purse as well as there was a larger number of entries in 2007. With the revision to amateur qualifications for the 2009 nationals, that will hopefully help to increase the number of entries in the amateur stake. As the 1st VP discussed at the November, 2008, BOD meeting, he continues to monitor income and expense of the all age championships and make revisions as needed.
- The open and amateur gun dog championships experienced a drop in entries in 2008, resulting in a deficit, even with the incremental \$25 in entry fees that was intended for the future grounds fund being to pay expenses of these championships. It is imperative that ABC address this situation and make changes necessary to achieve a breakeven on the running of these events.
- The national specialty show also had a drop in entries, resulting in a deficit in 2008. In 2007, the show broke even. The 3rd VP has prepared a budget for the 2009 show that anticipates a breakeven result.

Details of the 2008 nationals were included with my report for the year 2008, which were provided to the Board in January, 2009.

2009 OPERATING RESULTS

Financial statements as of June 30, 2009, are included with this report. This includes results of the regional futurities that ran in 2009. Updated financial information through October 30, 2009, will be provided for the Board meeting. I anticipate that this information will include the financial results of the 2009 Gun Dog Nationals.

FUTURE GROUNDS AND BREED ISSUES FUNDS

- Detail of transactions in each of these funds is included with this report.
- The future grounds fund includes \$25/dog from the national championships and 1/2 of the increase in recording fees. The balance at June 30, 2009, is \$65,435, and is net of the grant of \$25,000 for Thayer grounds purchase which was disbursed in January, 2009. Additionally, in August, 2009, the Board approved a grant of \$5,000 to help fund the construction of the fence at the Ionia MI grounds. This amount will be disbursed directly to the vendor once construction commences.

- The breed issues fund includes 1/2 of the increase in recording fees. The balance at June 30, 2009, is \$18,118. We have targeted a balance of \$10,000 in this account as a contingency amount for matters that may arise during the year. I have included a computation of the estimated amount available for additional disbursements in 2009 if the Board wishes to do so.

2010 BUDGET

I will prepare a budget for submission with my updated report for the Board meeting in November.

POSTING OF ABC FINANCIAL INFORMATION ON ABC WEBSITE

Beginning with the financial statements for the year ending December 31, 2008, copies of the financial reports submitted to the Board have also been sent to the ABC webmaster for posting on our website (in the News section).

ACTION ITEMS

- As of the date of this report, I have not received any requests for revisions in budget amounts for 2010, but if so, I will present these to the Board for consideration.
- Review by the Board of the current level of disbursements being made from the breed issues fund to determine if any changes are to be made in 2009. See next page for details.
- Gun Dog National Championships – these will be run in October, 2009, and I will have financial results for the BOD meeting. If we continue to incur a deficit this year, I am requesting a discussion as to how we plan to address this situation.
- I am presently involved in two additional projects that may be ready for Board comments and if so, I would like to discuss them at the Board meeting (unless presented by another director or officer). These are (1) development of a conflict of interest policy relating to financial transactions of the ABC and (2) determining the appropriateness or not of ABC forming a foundation to receive tax deductible contributions and bequests from estates.

AGENDA COMMITTEE - NO REPORT**AKC BREEDER REFERRALS- Pennie Petersen - NO REPORT****REPORT OF THE AKC DELEGATE - Judith Tighe**

It has been a busy year since I began serving as AKC Delegate. The Compliance issue affecting all our clubs holding specialty shows was clarified and information put out to all ABC Members. I did make up "Compliances Made Easy" to help show chairmen and clubs understand and accomplish the goal more easily. At this September's Field Trial and Hunt Test Committee Meeting at the AKC Delegate Meeting, I proposed the following to be presented to AKC: "All Pointing Breeds that host a specialty with their field trial should be exempt from doing double compliances." The Committee moved and accepted this proposal voting unanimously to put it forward to AKC. I also wrote an article regarding this problem for the Delegate Newsletter "PERSPECTIVES". At my first attended meeting of this committee, I requested consideration that the Garmin tracking collar be accepted by AKC for use at trials even though it was a bit over the allowable weight. This new collar was so good at pinpointing the location of a dog that all trainers felt we would not lose as many to highways, etc. The acceptance was given at the July Board of Directors meeting and is now legal for field trials with a special thanks to Doug Ljungren, VP Performance Events. At the September Delegate Meeting, I was voted in for a 3 year term on the Field Trial and Hunt Test Committee.

Group Realignment where the Sporting group would be split along with other group changes has been postponed until the March meeting with more input as to costs and time allowance to All Breed clubs.

Fighting Animal Rights legislation is becoming paramount. So far to the end of August this year, AKC has reviewed over 900 dog legislation bills from all over the United States. There were 800 for all of 2008. At the September Delegate Meeting a new 2 minute video was shown exciting the whole delegate body. In that two minute period it showed how the sport has changed and is being attacked by HSUS and PETA. Unfortunately, the video is not available at this time due to copyrights but hopefully we will be able to get it for club use in the future. It encourages everyone, clubs and individuals, to contribute to the AKC PAC to help elect dog-friendly on animal legislation candidates. The purpose behind the Fund is to help protect our rights as breeders, dog owners and exhibitors in the field and show. **I hereby recommend that The American Brittany Club make a donation to the AKC Canine Legislation Support Fund in the amount of at least \$500 or more.**

AKC is also looking at implementing a "Grand Champion" title to be earned only by dogs with a Show Championship title. The plan still needs some small tweaking but should be ready for a vote at the December Board Meeting. I have already passed the information to Dee Hempfield who will be publishing it in The American Brittany and requesting comments be sent to me.

My next meeting will be December 13-15 in Los Angeles at the Eukanuba Championship where Linda McDonald is again taking the reins to set up and run the Meet The Breed booth. Last year all the workers for the booth garnered a 3rd place prize out of all the sporting dog booths. If anyone is at the show, please stop by and see what a great job these folks do with the booth.

AKC GAZETTE REPORTER - Dorothy Macdonald, NO REPORT**AKC HUNT TEST ADVISORY - John Tiller, NO REPORT****JUDGE'S EDUCATION REPORT 2009 -
Diana Kubitz, Judge's Education Coordinator**

2009 got off to a good start with Jerry Hogan doing a seminar in Colorado in conjunction with his club's specialty show. Our busiest month was June with four seminars (see attachments).

In Michigan we were contacted by a group putting together a "Sporting Group Match." Most sporting breeds participated in this one day project. We had several judges attend this "hands on" seminar and field demonstration event. I asked several people from Michigan to bring their dogs to participate and I'd like to thank Jim & Julie Brown, Ron Auten, Paul Renius, Ron & Jeanne Telfare and Nancy Clendenen for their assistance. I asked Paul Renius and Ron Auten ahead of time if they would do the field demonstration. We got a good laugh as the gal running this event didn't really know anything about the field and they planted the birds in a bag. Obviously we could not demonstrate "steady to wing and shot," but Paul's dog showed them how a Brittany could slam up on point, with Ron's dog backing beautifully! We had judges from Indiana, Ohio, Illinois and Michigan. There are plans underway for a two day event for 2010, which will allow us the time to do our regular presentation along with the match and field demonstrations. (Just in case you wondered what Nancy Clendenen was doing in Michigan, she was asked to do the Field Spaniel portion of the event.) I recommend that members participate in these types of events whenever they are available as they show a more complete picture of the true dual dog without judges attending a trial.

I was approached prior to the Summer Specialty with the name of a photographer that was going to be on site for that show weekend. Becky Noe came with good recommendations and this seemed like a good way to get photos for our presentation. I negotiated a price of \$100 for the photos and they will become part of the presentation. Several individuals had suggested that we needed more actual show photos in the presentation.

Nancy Clendenen and I were invited to Minnesota to do Field Spaniels and Brittany seminars. We had seven judges signed up and we had one show up for each of the seminars, the other six were sitting under a tree drinking ice tea. Amy Booth was to do judge's education at the Summer Specialty and no judges showed up. I spoke with Frank Summerside recently at the Iowa Specialty and

he said that this is happening in many breeds. He said it's appalling, because these judges will be crying for a Brittany entry that they won't get. At our committee meeting we will discuss this situation.

Jessica Carlson has recently indicated that she has the software available to add video to our slide presentation for both show and field. I'm asking Jessica to do a small "test" CD that we can view at our committee meeting at the nationals. We need to be certain that with this new technology anyone can view it on their computer and that special programs won't be needed.

We will be having a "mentor's meeting" following our committee meeting, where we will be handing out applications for ABC mentors. I rewrote the policy for the policy notebook using the guidelines from the 2008 Board of Directors meeting. We have no action items at this time.

American Brittany Judges Education

1. The chairman of this committee maintains and updates the judges' education packets and the CD presentation used in the seminars.
2. The chairman sends the education packets and CD's to judges requesting them or individuals who are giving the presentations.
3. All judges education seminars are to be channeled through the judges' education coordinator. The ABC CD presentation and education packets are to be used as educational materials at all seminars.
4. The Judges' Education Committee will be appointed by the coordinator.
5. The Judges' Education Committee shall determine the materials to be used in the presentations. The presentations will be updated as new materials and photos are obtained.
6. The Judge's Education Committee shall be responsible for the ABC mentors.
7. ABC Mentors shall be approved by the following method:
Note: The ABC Mentor requirements are meant to be a guide in selecting members. The following is the criteria for being an ABC mentor.

1. A full member in good standing of the American Brittany Club For the past 12 years.
2. A full member of a regional Brittany Club for the past 12 years.
3. Having bred, whelped and raised Brittany litters would be considered helpful.
4. Having attended the ABC National Events that include both conformation and performance field trials.
5. The applicant, to be effective, should:
 - a. Be well versed in the history of the Brittany.
 - b. Understand the Brittany Performance Standard.
 - c. Have Experience with the process of judging in conformation and performance.
 - d. Be willing to have prospective judges come to their home or kennel to observe and discuss Brittany's
 - e. Attend any classes or meeting for mentors when possible.
 - f. Realize that their conduct reflects on the ABC at all times.
 - g. Should be unbiased.
 - h. Adhere to Brittany standard and it's quest to keep the breed "forever dual" in keeping with the ABC Mission Statement.

We thank judges for taking the time to attend Brittany events, judge's education and turning to the American Brittany Club for ringside mentoring. According to AKC, anyone having twelve years experience may mentor and sign mentor's slips. AKC's requirements for becoming a judge are lengthy and costly, so we appreciate your efforts on our behalf.

8. ABC has asked AKC to require judges to take judges' education in Brittanys every five years.
9. ABC recommends that regional clubs hire judges who meet the five year judges' criteria whenever possible.
10. Further, ABC recommends the judges for the Summer Specialty and National Specialty meet the five year judges' education requirement.

Note: The board is aware that sometime this is not always possible, but every effort should be made to hire judges that meet this requirement. (Updated 2009)

2009 LEGISLATIVE LIAISON AGENDA REPORT – Mary Jo Trimble

This year I will include in my report information from the AKC Government Relations Website. This has been an unbelievable year with more legislation nationwide than we could personally comprehend. AKC has updated their website and now has a state by state summary of what is happening in your state. I encourage all clubs to appoint a legislative Liaison who monitors this site for what is happening in your state and/or alerting AKC of bad legislation. We are finding that states must coordinate their activities, begin to hire lobbyists to represent them at the state level, and be vigilant if they hope to keep breeding, showing, and field trialing dogs in the future. I personally have been involved in fighting several bills in Illinois and was appointed to serve on a Dog Task Force to make suggestions on rewriting or not the Animal Welfare Act. Sporting Dogs would not have had voice on this committee had we not fought to get a position created. Anne Short has been involved in similar activities in Maine and once again attended the very informational National Animal Interest Alliance Conference. I personally want to thank the Brittany folks who have made trips to their state capitol to talk to legislators and written letters and sent emails. Number of contacts makes a huge difference to legislators. If you don't let them know where you stand, we will not get their support. Be active. Be known to legislators. Let them hear your views and then show them support when they support you! If you do have a legislative liaison, please send me their name and email so I can forward material to them. (esp. if they are not on the Dual Brittany or Brittany-L chat lists.)

Here are excerpts from the 2009 AKC Taking Command News letter. I hope you will go to http://www.akc.org/canine_legislation/index.cfm And sign up for their legislative alerts as well.

From our Nation's Capitol Congress returns from summer recess on September 8, and will soon be considering a number of issues of interest to dog owners.

News from the State Capitols There are currently three state legislatures in session and forty-seven that are in special session, recess, or have adjourned. For the latest information on the over 850 bills being tracked by the Government Relations Department, visit our [2009 Legislation Tracking page](#). This page, updated daily, provides the latest bill text, status, and any Legislative Alerts posted by the AKC. For more information on any of the measures mentioned, contact us at (919) 816-3720 or doglaw@akc.org.

Local Battles Although most state legislatures have adjourned, many municipalities are still considering ordinances that could affect your rights as dog owners. If you hear of an issue in your town or county, contact us at (919) 816-3720 or doglaw@akc.org. We will be happy to provide you with the resources, tools, and support you need to help fight for responsible dog ownership in your community.

Breeder Bills: Of the over 800 animal policy bills introduced in state legislatures this year, none were arguably more prominent – or controversial – than the so-called "breeder bills". These 41 bills were introduced in 25 different states and sought to place strong restrictions on breeding practices, standards of care, and even caps on animal ownership. A majority also allowed for unannounced, warrantless inspections of a breeder's personal home and property without probable cause while doing little or nothing to protect the safety of dogs or their well-being.

While these problematic bills have received much attention in 2009, they have met with little success. The AKC Government Relations Department assisted the efforts of thousands of fanciers and breeders nationwide to defeat or amend these bills. This collaborative effort has resulted in successfully amending or defeating 95 percent of these breeder bills so far this year.

On the surface these bills appear to many in the general public to be a good idea. Anyone who hears a story or sees a picture of dogs being mistreated wants to help and to see their owners held accountable. The AKC takes a very strong position on this issue. The standard penalty for anyone convicted of animal cruelty is a fine and a 10-year suspension of all AKC privileges.

Most of the bills we have seen this year, however, do not help the dogs kept in deplorable conditions. Many of the care standards mandated in this type of legislation, including specific breeding ages and kennel temperatures, do not take into account the difference in types of dogs or the fact that one unenforceable formula for all dogs won't work. Arbitrary enclosure sizes are also problematic. For example, one bill provided a formula that determined crate size based on weight. It is conceivable for someone to have a tall dog that, based on the weight requirements set out in the bill could legally be kept in a crate that is too short (For example, the enclosure requirement for a 60-pound Bulldog should be different than that of a 60-pound English Setter).

Much of the breeder legislation introduced this year also placed caps, or limits, on animal ownership. Like other arbitrary standards of care, these limits do not help protect dogs. Limiting the number of dogs an irresponsible dog owner may possess will not automatically make him a better owner. These limits only infringe on the property rights of responsible owners who take excellent care of their dogs.

A balance must be created between ensuring the health and welfare of dogs and protecting the rights of responsible dog breeders. The majority of bills introduced in state legislatures did neither. When possible, the AKC worked with otherwise reasonable bills to educate legislators and to amend legislation to stay true to the legislative intent while addressing our concerns. When this was not an option, the AKC joined local clubs and breeders to defeat the problematic bills. We are pleased to have had considerable success on both fronts this year.

The AKC loves dogs and wants to see them cared for in healthy, safe, and loving environments. We also value responsible owners and breeders and detest seeing their rights violated simply because they breed dogs. Responsible breeders are an important asset and

educational resource in our communities. They should not be treated as criminals or lose their right to due process simply because they choose to breed dogs. Instead of limits, unenforceable and arbitrary requirements, and warrantless inspections, the AKC advocates for improving the enactment and enforcement of animal cruelty and neglect laws. This will address those who are mistreating their animals without placing arbitrary limitations on responsible, law-abiding citizens.

Tell your legislators you support reasonable breeder legislation! Download our printable one-page flier that details AKC's position on breeder bills.

2009 AKC POINTING BREED ADVISORY COMMITTEE AGENDA REPORT – Ray Trimble

The AKC Pointing Breed Field Trial Advisory Committee last met in Boise, Idaho, on 22 April 2005. This committee normally meets every 5 years with the next meeting not likely until around 2010. At this point, we have not been advised of any future meetings.

The Vice President for AKC Performance Events is Doug Ljungren. Doug comes to this job with a background in pointing dog field trials. While the committee has not met in several years, Director Ljungren has made several practical changes to the rules. For example, clubs are no longer required to secure Judge's Affirmation statements for each trial, send to AKC or keep for a lengthy period of time. Judges now fill out one form when they begin their judging career and these are placed on permanent file with AKC. He also worked with Pointing Breed Clubs and secured AKC BOD approval for the use of the new Garmin tracking device which did not meet the weight requirements that had been in effect for many years. Doug is a former member of the Pointing Breed Advisory Committee as well. We appreciate his open line of communication with pointing breed clubs and practical approach to solving procedural problems.

2009 American Field Liaison Agenda Report – Ray Trimble

During the last few years the American Brittany Club has been trying to increase the number of regional trials that advertise their events in the American Field in order to make sure that dogs running in the ABC National Championships and Classics are qualified to receive the title of Champion or Runner-Up Champion if they would win one of our national stakes. A derby placement in an American Field sponsored event qualifies a dog for life as does an adult placement. Regional Clubs that are members of the AFTCA will have win certificates issued to their Amateur handled winners which qualifies them to receive AFTCA Championship titles.

The ABC Secretary has asked clubs to indicate if their regional trials are also American Field sponsored on the ABC Field Trial application blank. The ABC trial reporting form has a place to check if results are also being sent to the AFTCA as well as the AF and AKC. Not as many clubs are members of AFTCA as are now running their trials under the American Field.

A larger proportion of the events NOT run under the AF are Walking trials which does hurt people trying to get win certificates or placements that would make the dog eligible to receive an AF/AFTCA Gun Dog National Champion Title. They still get the AKC National title but not the American Field or AFTCA ones.

For more information on running trials under both the American Field and AFTCA, contact Mary Jo Trimble, ABC Secretary.

ABC REGIONAL AKC CLASSICS/AF CHAMPIONSHIPS

In addition to the regular ABC Classic/Championships, the ABC also sponsors Regional AKC Classics/ AF Championships in conjunction with several clubs.

Clubs running these events need to follow the guidelines as posted on the ABC Website or contact the ABC Secretary for a copy. Please indicate on the result form that the trial is both an ABC Classic and an American Field Championship. There is a space provided on the ABC/AKC/AF/AFTCA result form. Please use this form to report results. Prior to the event, the current insurance certificate and completed AKC Field Trial application should be sent to the ABC Secretary who will sign and send to the AKC for their approval.

09 Agenda Item - NATIONAL AUCTION
Original page from the Policy Notebook

In 1982 the Board authorized an auction to be set up and run at the 1983 national all age championship. This auction should have all items donated , ranging from hunting equipment, feed, art items, tack, etc. with the proceeds from the auction going into the general fund with 25% of the net proceeds to go to the grounds on which the current year's nationals are run. The President appoints the chairman for each auction. (1993)

The Board shall recommend the improvement/development for which the donation shall be spent. (1985). The 1st Vice President shall be responsible for carrying through with the recommendations of the Board for the donation. (1985)

All requests for mailing lists are to come through the Executive Secretary's office. The price for membership lists is \$125.00.

Items donated for the Auction are accepted in good faith. Bidders bid on items at their own risk.

The Auction Committee has the right to refuse donations not deemed appropriate to the benefit of the **American Brittany Club** (ABC).

For items donated and sold of a non-physical nature (sold from a description or brochure), with future delivery, shall be between donor and purchaser and not the responsibility of the Auction Committee or the ABC.

No live animals, stud fees or frozen semen are to be allowed as donations at any auction/raffle/fundraiser at an ABC recognized/sponsored championship or original classic event that falls under the ABC Auction Committee guidelines.

Auction Committee members who incur expenses must have prior authorization by the committee chairperson to initiate such charges. Reimbursement is by presentation of receipts to committee secretary/treasurer with approval of committee chairperson and ABC treasurer. (1997)

Auction for the National Open and Amateur Gun Dog Championships shall be structured the same as the auction at the fall National All Age Championships, including proceeds handled in a like manner with 25% to the grounds of said nationals.

20% of the Calcutta money shall go toward expenses incurred in putting on the National Open and Amateur Gun Dog Championships. The remainder of the money shall be split in the current manner. (2001)

Raffle proceeds should be split evenly between the five national venues: Open All Age, Amateur All Age, Open Gun Dog, Amateur Gun Dog and the National Specialty Show. (2007)

The budget of the raffle committee is increased from \$1,500 to \$3,000. (2008)

Rational for changes:

Paragraph 5:
This change will clarify reference to ABC as being the American Brittany Club.

Paragraph 7:
Adding "or frozen semen" will eliminate any suggestion ABC is supportive of a specific breeding line.

Adding "at any auction/raffle/fund raiser at an ABC recognized/sponsored championship or original classic events that will fall under the ABC Auction Committee Guidelines." to include these events thereby maintaining continuity within all the live and silent auctions that maybe held at these events. This should avoid any conflicts of the responsibility falling on the ABC.

2008 National Auction and Raffle Income Information

There were 748 tickets returned of 3400 printed and more than 2500 mailed to Club Secretaries and Directors for a gross of \$3,250.00.

No tickets were returned from the Gun Dog or National Specialty Show Chairpersons. The Show was given 250 tickets on Friday prior...returning approx. \$290.00.

The bottom line money that was split between the five venues was \$268.97 to each per the new ruling regarding the raffle put in effect at 2007 BOD meeting.

See other attachment for Treasurers tally.

BIRD DOG HALL OF FAME LIAISON – Jim Chase, NO REPORT

BOOK OF THE 90'S – Jessica Carlson

First three paragraphs to remain as written: The Brittany in American Revised Edition by Fred Z. White was compiled in 1965. It is an accumulation of articles, history, records, and pictures significant to the development of the breed up to that time. Out of print.

The Official Book of the Brittany Spaniel was edited by Nicky Bissell and published by the ABC using the same method of financing as The Brittany in America. This book, copyrighted in 1972 by the ABC, adheres to the ideas set forth by the ABC to promote the dual dog. Included is pertinent information about every dog with a dual championship title as well as all field champions, mixed champions with placements in licensed field trials. The cut-off date for records was January 1, 1971.

The Book of the American Brittany was written by Nicky Bissell and edited by Catherine Murphy and Rheta Cartmell. This book was copyrighted in 1986 and printed in 1986. This book followed the format of its predecessors. It emphasized the Brittanys of the 70's and included pertinent information about the Dual Champions, Field Champions, and Bench Champions with outstanding bench records. The cut-off date for data for this book as January 1, 1980. The illness of Nicky Bissell delayed the final publication of the book so some of the statistical information has been updated to 1984 instead of complying with the 1980 cutoff.

The fourth paragraph to be deleted in its entirety: The American Brittany Club plans to produce two (2) books. The first is an updated and revised version of the first The Brittany in America. This book will be called An Introduction to the American Brittany. It will be for new Brittany owners and it will address the needs and requirements of people acquiring their first Brittany. This book will be approximately half the size of The Book of the American Brittany and it is planned that it can be sold for approximately half the cost. It will include the hall of Fame dogs and will list pertinent all-time Brittany records. This book is intended to be reprinted when needed and will only require minimal updating.

Change fifth paragraph to read: The Book of the American Brittany, Eighties Edition, was edited by Rheta Cartmell & committee. This book was printed in 1994 with a cutoff date for data of 1991. This book is an update of Section II and the Appendix from the 1970 book.

2009 ABC FUTURITY REPORT – Marvin Stout, ABC Futurity Chairman

The 2009 Futurity hosts were:

- Eastern Section: Maryland Brittany Club, Clear Springs, Maryland With the support of the Rappahannock and Tidewater Brittany Clubs
- Central Section: Iowa Brittany Club, Thayer, Iowa
- Western Section: Idaho Brittany Club,

The 2010 Futurity hosts will be:

- Eastern Section: Hudson Valley Brittany Club, Oxford NY
 - Central: Blue Bonnet Brittany Club, Brownwood Texas
 - Western Section: Greater Phoenix Brittany Club, Sonoita, Arizona
- The 2011 Futurity Hosts are yet to be determined.

The 2009 Running of the Futurity Events were run successfully by the above mentioned clubs. We give these clubs a big Thank You for their efforts. We very much appreciate the ABC Futurity Committee, ABC Litter Nomination Secretary, Judy Robin, ABC Futurity Secretary, Judy Graves, ABC Treasurer, Janet Chase and the American Brittany magazine editor Dee Hempfield for their contributions in supporting those ABC members who continue the Futurity concept. We cannot under estimate the efforts it takes to consolidate the information of all the litter nominations, the forfeits paid for the individual dogs, the running of the sectional events, and the consolidation of the reports and pictures for publishing in the magazine.

The Futurity Committee continues to consider a proposal to direct the Final Entry Money to be paid directly to the Host Clubs similar to the way the Classics are handled. Any suggestions the Board of Directors may have on this issue would be welcome.

Additional Futurity information is included in the Futurity Secretary Report by Judy Graves

ACTION ITEM

Approve revised Futurity Field Trial Procedures:

Rationale: Information on entry blank and judge's instructions were not consistent. This ensures participants receive the same information as the judges. Incorporates Field Trial Procedures and Standard of Performance into one document. Revises language about bird contact.

FUTURITY FIELD TRIAL PROCEDURES

There shall be four places awarded. Placements should be awarded to the "BEST DOGS" in the stake. Finding birds on the course should be primary concern, however as these field events are conducted under rules of the American Field and not AKC a placement without bird work on the course is permissible. (2008) As such the five minute out of judgment rule does not have to be applied and the judges so advised.

Horseback handling will be allowed ONLY in the ALL-AGE stake. Trial to be run on native and/or released birds. Judges have the option to call back dogs for a second series on released birds if no birds are found on course. TRACKING COLLARS WILL BE ALLOWED IN BOTH STAKES, IN STRICT ACCORDANCE WITH ABC REGULATIONS GOVERNING THEIR USE. Only manufactured solid barrel firearms, with blank shells or crimps, which prevent a projectile of any kind from leaving the barrel are permitted

STANDARD OF PERFORMANCE FOR BRITANNY FUTURITY

ALL-AGE (Optional Horseback)

Futurity dogs shall be judged as to their potential for developing into championship All Age Brittanys. They shall hunt the forward limits of the course with intelligence, eagerness, and desire with the obvious intention of finding birds.

When birds are located the dog must locate and point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence in finding and pointing birds in an unfinished All Age manner.

The dog must respond to the handler but shall not be penalized for being more independent than an adult dog. A dog that handles at the extreme edges of the course shall be preferred over one that needs a scout to keep him on course, but both shall be preferred over a dog that does not have sufficient range for an All Age dog.

GUN DOG (Foot Handled Only) (2008)

Futurity dogs shall be judged as to their potential for developing into championship Gun Dog Brittanys. They exhibit a keen desire to hunt, a bold attractive style, intelligence in seeking objectives,

eagerness, and desire with the obvious intention of finding birds.

When birds are located the dog must locate and point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence and consistency of application in finding and pointing birds in an unfinished manner indicating their future potential as a high class Gun Dog.

The dog must hunt for its handler at all times at a range suitable for a handler on foot. It must cover adequate ground, but not range out of sight for a length of time that would detract from its usefulness as a class-hunting Gun dog.

2009 American Brittany Club Futurity Overview – Judy Graves, ABC Futurity Secretary

The number of litters eligible for the 2009 ABC futurity running dropped 25% from the previous year. In 2007, 108 litters produced 653 pups eligible to participate. Of that total, September forfeits were paid for 135 dogs, representing 244 entries (129 in the field and 115 in the show). The combination of litter nomination fees and forfeits paid (less ABC expenses for the program), produced a total purse of \$9,023. While the actual number of forfeited dogs declined, I am happy to report that two thirds of those dogs for which forfeits were paid, participated in the sectional competitions, which is an increase from the 2006/2008 program.

The Western section had the most entries (58), followed by the Central region at 55, and the Eastern at 48. There were a total of 161 entries (90 in the field and 71 in the show).

Even though the entries were slightly less than 2008, the quality was certainly there to make each sections' events exciting for both the participants and spectators as well. We had seven dogs place in more than one section. A special congratulations goes to Sandra & Gary Leavens of Ball Ground, Georgia who were the top breeders of record when looking at all three sectional winners.

Once again, we want to thank each section manager and secretary who put in long hours to ensure a successful futurity. Bruce Conover and Bobbie Sigmund took care of the Eastern Section; Chris Burchett and Sherri Meeker hosted the Central Section and Robin Tomasi and Carol Maves made the Western Section run like clockwork. Our special thanks to Purina for their financial support and Tri-tronics and Tracker as participating sponsors of the American Brittany Club.

Make your plans now to participate in the 2010 Futurities. Host cities are Oxford, NY for the East; Brownwood, Texas for the Central; and Sonoita, AZ for the West. There were 121 litters nominated in 2008 producing 758 pups, which is 105 more prospects than last year. September forfeit forms will be sent to all breeders and those owners who requested to be on the mailing list in July. They will also be available on the ABC web site.

MARVIN D. NELSON JR. MEMORIAL FUND FOR BRITANNY DNA STUDIES – Gordon Theilen DVM
September 7, 2009

Brittany DNA Studies have been conducted at University of California-Davis, at the Center for Companion Animal Health (CDAH) Section of Genetics since 2004. Thanks to the enthusiastic involvement of the Brittany community, over 2100 Brittany DNA samples have been catalogued in the DNA Canine Repository. More than any other breed collected at UC. The program has been supported in part by interest earned from the Marvin D Nelson, Jr. Endowment. We have been extremely fortunate in that the majority of research and administrative financial support has been contributed by the CDAH. Current economic conditions involving the University of California precludes the Center supporting Brittany DNA Studies at the same level of aid given during the past 4 years. There is continued strong support in providing a geneticist, her lab and staff.

Dr. Danika Bannasch DVM, PhD, Professor of Population Health and Reproduction, School of Veterinary Medicine and her associates are now heading the Brittany DNA Studies Program in her lab at the CDAH. Dr. Mark Neff left the program and his entire staff has relocated to other areas, including Katy Robertson, the original coordinator for the program, however, still at the Veterinary Genetics Diagnostic Lab at UC.

Select Brittany DNA samples from individuals with birth defects are requested by Dr. Bannasch upon completion of a questionnaire and subsequent collection of DNA samples. Appropriate research samples collected during the past 4 years are available to initiate this study. She is studying birth defects that include cleft palate, umbilical hernia and cryptorchidism (undescended testicles). Contact her at 530-752-8728, dibannasch@ucdavis.edu if you have pups with these birth defects and wish to submit DNA samples. Additional details about her requests are submitted in a separate communication

Brittany DNA Studies continues in need of monetary gifts to support the program to benefit genetic understanding of our breed. The Marvin D. Nelson, Jr. Memorial Fund was set up as an endowment, in which the principle cannot be spent. The interest earned from the endowment has been the source of funds for genetic research, along with the CDAH contributions which, as previously mentioned, have declined. Our goal had been, and still is, to support an annual research program solely from the interest on the endowment. But, we currently haven't hit that level. We are fortunate. Dr. Bannasch is enthusiastic about including the Brittany Breed in her research; therefore, work in DNA studies will continue to benefit our dogs.

So, what do we need to do now? There are two funding goals:

- 1) Support Dr. Bannasch immediately in her current work to assist in Brittany Birth Defect Genetic Research. Checks should be made out to the Regents University of California, with a note attached for Brittany DNA Studies, Bannasch Lab. Send gifts to Dr. Neils Pedersen, Director CDAH, or the Development Office, School of Veterinary Medicine, UC, Davis, CA 95616.
- 2) Grow the endowment so that it will eventually support an annual project. Estate planning is one method that supporters of our breed can leave a legacy that will continue improving the Brittany through health research. We need to encourage fund raising, and all large and small donations to the fund. Already two persons have indicated that, upon their death, the Fund will acquire a sum in excess of one-third of a million dollars. We urge all enthusiasts interested in bettering the breed through DNA research to strongly consider donations to the Marvin D Nelson Jr Fund by estate planning.

An International Brittany DNA Studies Committee has been organized to assist in these efforts. It consists of Brittany members across the Nation including Norway and Canada, Chaired by Steve Ralph.

2009 LONG RANGE/FUTURE GROUNDS PLANNING – Hank Hartnek

I have been taking a while for this committee to come together. With all the problems we had with the Thayer grounds issue, I thought it would be a good idea to form a committee look into other situations where there might be a potential for ABC to lose field trial grounds and how we should put the money in our future grounds fund to good use. I think we are all aware we are slowly but surely losing our field trial grounds. While I don't think field trials will disappear, I do think we will have a much more difficult time securing grounds in the future if we don't do something about it soon.

Some of the things I thought this committee should take into consideration are:

1. We currently have a Future Grounds fund and there was some confusion as to whether these funds were just for National grounds or were for all grounds. I think this committee should specify how these funds should be used. Should they be just for National grounds? Should they be for all grounds? Should two separate funds be set up, one for National grounds and another for regional grounds? Should part of these funds be for maintenance of existing grounds?
2. Do we continue to collect funds which are currently a part of the entry fees for both our National and regional events for the grounds fund? If so, how much?
3. How do we identify grounds which are in jeopardy? (Mary Karbner is working on an Excel spreadsheet with information on where our trials are currently held. The spreadsheet is quite large so it is not included here.)
4. Once we identify grounds in jeopardy or projects to help maintain grounds, how do we prioritize which are funded and how much?
5. Janet has created a spreadsheet showing how much is in the grounds fund as of June 30th.
6. Should we combine our forces with other breed clubs to help ensure the future of our trials grounds?

Certainly there are other considerations this committee could take into account. For example AKC is considering providing funding for field trial grounds. The details of this are not known at this time. Our AKC delegate, Judy Tighe is following up with them.

Once the committee has decided what it will do, they will bring their recommendations on how this committee would function to the full BOD for their approval. The recommendations once approved by the BOD would then be put into the Policy Book. Certainly any recommendations for the use of money in the Grounds Fund would be brought to the BOD for approval.

2009 REPORT OF THE MAGAZINE COMMITTEE – Hank Hartnek, CHAIRMAN

September 3, 2009

2009 was another year of improvement for the American Brittany. Thanks to the continued hard work of Dee Hempfield and other members of the magazine committee, the quality content and format of the American Brittany are excellent and continue to improve and the schedule of delivery of the publication to the membership has improved markedly.

While the Managing Editor and the Publishing Editor continue to make every effort to ensure the publication is sent out in a timely manner, review of external pressures, data processing, communications, adherence to deadlines, additional help and upgrading of technical equipment reveal opportunities for improving the delivery schedule.

The biggest single problem on the schedule issue is the fact that most of the content data is submitted by volunteers who have other priorities. The failure of clubs to submit complete and timely data (field and show) makes it difficult for the Managing Editor to maintain continuity and prepare the magazine on schedule.

The Managing Editor will be submitting some items for the BOD to consider in an effort to provide uniformity and continuity.

The membership database has been improved by the efforts of Linda Langford. This is a difficult and tedious task that is critical to keeping track of our membership and also provides the mailing labels for the American Brittany. However, there is a definite need to improve the timeliness of new membership reports to the regional clubs. Efforts will be made this next year to improve on this.

Processing results from field trials, shows and hunt tests continue to be a major problem. Some clubs fail to use the standard reporting form and hand writing is often illegible. Both of these make the job of accurate type setting very difficult. Further, some reports are incomplete, which requires more time. These things compound the amount of effort required to produce quality and timely publication copy. The membership should expect a more aggressive approach from Editors with regard to compliance on submission deadlines, accuracy and completeness. The membership should expect to provide assistance in these areas to the Managing Editor, the Publishing Editor and the Executive Secretary.

Dee Hempfield, Mary Jo Trimble and Linda Langford continue to work well as a team. Their functions are interrelated and sharing information makes things go smoothly and provide better service to the membership. Also, the staff support at the publishers is improving although Dee keeps a close watch on the activities and schedules.

During the next year, the magazine committee should again review the magazine portion of the policy book and submit any revisions for Board of Directors approval.

Collectively, we hope to continue to improve the content and timeliness of the magazine.

2009 REPORT FROM THE MANAGING EDITOR – Dee Hempfield

First, I want to thank those of you who have helped with the magazine by contributing articles for publication along with the regular monthly contributing editors who make sure I have their monthly columns in a timely manner, the many regional club members that get me the write-ups and photos in a timely manner. Much appreciation goes to Wendy Archinal for the Obedience, Agility & Rally column; Marvin and Karen Stout for the Action at AKC column, who will be turning it over shortly to Kristi Anglen. Kristi Anglen has been compiling/proofing/editing the specialty show results, nationals and futurity write-ups, it is always good to have another set of eyes look at things.

Second, to the crew at the Marshfield Office for getting the field trial results turned around in a more timely manner along with the printing and mailing of the magazine each month.

Below you will find production and advertising costs for 2007-2009, courtesy of ABC Treasurer Janet Chase.

The Action Items I have at this time are:

- On page 55 of the Policy book ("The American Brittany" Magazine Policy), 8th paragraph (near the end) reads, "If you advertise in "The American Brittany" magazine any dog over two years of age, you must state the OFA status of the dog's hips. The OFA certification number must accompany OFA status for ads. (A copy of the certification is no longer needed.) Any dog under two (2) years of age should state the OFA status of both parents if available."

Rationale is to bring this up to date with current procedures, which is any ad submitted for a dog, up coming litters or puppies for sale and/or dogs at stud must have OFA status listed; it is not required on an ad that is only promoting a dogs accomplishments. I have had several advertisers this year choose not to run an ad for puppies due to this requirement, in turn, I have had several advertisers run a promoting full page ad, not listing ofa status, but when I checked, they had OFA numbers.

I suggest this be changed to read as published on page 3 of the American Brittany magazine, which reads as follows: "OFA Certification MUST accompany all copy (or be on file with the AMERICAN BRITANNY magazine). All ads for Stud Dogs or Dogs For Sale must show OFA status if over 2 years of age. Ads for puppies or dogs under 2 years of age must show the OFA status of both parents if known. The American Brittany Club assumes no responsibility for the truthfulness of claims by its advertisers. We reserve the right to edit for space considerations on all submissions."

- On page 57 (Duties of the Managing Editor "The American Brittany" Magazine), #10, "The Managing Editor shall make sure the names and records of the dog(s) and bitches that have been nominated for the Hall of Fame as provided by the Chairman of the Hall of Fame Committee are published each year in the October issue."

Rational: This is being done with the complete committee reports and agenda items that are currently published in the November issue, if this item needs to stay in, it needs to be changed to read: "The Managing Editor shall make sure the names and records of the dogs and bitches that have been nominated for the ABC Hall of Fame, as provided by the Chairman of the ABC Hall of Fame Committee, be published each year with the Committee Reports and Agenda Items."

- Page 58, #13, "The Managing Editor shall submit an annual budget to the Board of Directors for consideration and approval at the annual meeting for the next year. (1986)

Rational: This has not been done since I have taken this position and I question whether it needs to remain. With the President and Treasurer being on the Magazine Committee any large expenses are ran past them for approval. My supplies vary from year to year, which is paper, toner and CD/DVDs. Any other expenses are directly between the Publisher and Treasurer.

- Page 58, #14, "The Managing Editor shall accept no such ad for stud dogs, puppies, or dogs for sale for publication in the magazine if OFA number and information is not included. Any ad submitted for a dog over two (2) years of age MUST be accompanied by the dog's OFA number. The ad must state the OFA status of the dog (i.e. OFA passed, not OFA, OFA failed). Any such ad for a dog under two (2) years of age must state the OFA status of both parents if available. (1994 & 1995) (2001)

Rational: This is also referenced to #1 above. With OFA database being online searchable this needs to be changed to: "OFA Certification MUST accompany all copy (or be on file with the AMERICAN BRITANNY magazine). All ads for Stud Dogs or Dogs For Sale must show OFA status (i.e. OFA passed, not OFA, OFA failed) if over 2 years of age. Ads for puppies or dogs under 2 years of age must show the OFA status of both parents if known. The American Brittany Club assumes no responsibility for the truthfulness of claims by its advertisers.

- Page 58, #22, "Guidelines - 1997, 1. Raise the cover ad rates - chairman to re-negotiate with holder of contracts. 2. Old articles are ancient news and not to be used. 3. Board felt letters to the Editor were too costly. 4. The number of pages per magazine is to try to limit to 48 pages plus paid advertising; any exceptions should be justifiable to the Board of Directors. 5. Magazine should be used for education. 6. The size of type and space between lines should be smaller, and use of space should be better utilized. 7. Trophy donation ads are to be accepted only from Trophy Chairman. 8. The National Trophy Chairman is the only person authorized to advertise for trophy donations. 9. (Start advertising as early as February, alternate months - February, April, June, August, September. An additional ad could be placed in the October issue to serve as a last reminder for donations.) With this early advertisement, the Gun Dog Championship could benefit as well as eliminate excessive advertising, have equitable advertising for all events and avoid confusion."

Rational: This needs to be updated or deleted. If it remains, I suggest the Magazine Committee members and Managing Editor go over these guidelines together.

- Page 60 (Duties of the Publisher of "The American Brittany" Magazine), #8, "The Publishing Editor is responsible for collecting and recording all monies for ads, sample issues and all back issues, as well as judges books, primer, flyers, photos, etc. and reporting same to Managing Editor and Treasurer."

Rational: Update wording to read: "The Publishing Editor is responsible for recording all monies collected for ads, sample/back issues, as well as judges books, Brittany primers, flyers, photos, etc. and reporting these lists to the Managing Editor and Treasurer."

- Page 60, #9, "The Publishing Editor shall coordinate with the Managing Editor for the content and accuracy of the magazine and for making sure the magazine meets the purpose of ABC, as well as maintaining the high quality of the magazine."

Rational: The Publishing Editor does not have anything to do with the content of the magazine anymore, but are asked to make minor edits, which are usually included with the mailing of the magazine to them and/or by a email during transit time. This should either be deleted and/or read: "The Publishing Editor shall coordinate with the Managing Editor for the accuracy of the content in the magazine as well as maintaining the high quality of the magazine."

2009 ABC POLICY BOOK AGENDA REPORT - Dee Hartnek

I modified the Policy Book during March to reflect changes approved by the Board in 2008 and the latest version of the Policy Book was posted on the ABC website shortly thereafter.

When I took over the responsibility of maintaining the Policy Book, the only version available was in PDF format. The PDF file was converted to a Word file, but the conversion process was not exact. During 2009, I completed editing entire policy book, removing text boxes and formatting inconsistencies created when the document was converted from the PDF format. This process occasionally

created some new errors (accidental deletions, etc.) in the Policy Book which were corrected when noted by others using the book. In some instances, omissions from past years were discovered and restored.

As you know, the President has asked all officers and committee chairs to review and update their sections of the Policy Book. In the coming year, I will be working to update the Policy Book with the changes that the Board approves and it will be the first major overhaul of the Policy Book in several years.

2009 ABC PURINA PROGRAM AGENDA REPORT – Ray Trimble, Purina Coordinator

1. One thousand seven hundred thirty (1730) entries competed in Field and Show Events supported by Nestle-Purina Pet Care over the period of September 08 through May 09. This number included both show and field events with 568 show entries and 1162 field entries. The number of national ABC events (29) had a total of 1385 entries, specialty and field events, while the non-ABC (9) events had a total of 345 entries
2. The "Glitches" in the change over of the Purina Accounting System caused a slow return of funds for clubs receiving monetary support for the fall 08 trials. This glitch seems to have. Under the newly revised system, 09 Spring payments were received in a much more timely manner. In the future, at the end of the Spring and Fall seasons, the Purina Coordinator will submit to Purina a summary of events funded and the total amount of monetary funding to be paid in one check to ABC Treasurer Janet Chase. I will then furnish Janet a list of events sponsored by Purina and she will issue the individual checks to the host clubs.

3. Clubs, whose events are sponsored by Purina, must also furnish the Coordinator a signed copy of the judges' sheets. Ads, entry blanks or premiums, brace sheets, and write-ups should include the Purina Logo or otherwise give credit to them as a sponsor. Some reporters are not aware of this and the field trial committee should make sure they know to do so. We can add a Thank-You to the ABC Magazine reports if a club fails to acknowledge Purina, but we do not see the ones you send to the American Field before they are published.
4. The current card system for applying for support and reporting results will continue. To receive the monetary support, you must return the cards and a copy of the official results to the Coordinator.

2009 SUMMER SPECIALTY REPORT – Barbara Dayton

The 2009 ABC Summer Specialty was held in Greeley Colorado on August 15, 2009, hosted by the Skyline Brittany Club. Best of Breed was Ch Copley Can Do Magnum Opus Grand Sam, RE, owned by Liz Weeks and Robin Tomasi. The Skyline Brittany Club did a great job hosting the show and deserve a Big Applause. Thank You, Skyline BC for making the 2009 ABC Summer Specialty a success.

The 2010 ABC Summer Specialty will be hosted by Central New England Brittany Club. The ABC Summer Specialty will be part of a 5 day circuit of shows. The actual Summer Specialty will be held Saturday July 10, 2010, in conjunction with the Farmington Valley KC show, at the Eastern States Exposition Grounds, Springfield MA. Dottie Boyatzi is the contact person. It promises to be a great circuit, with lots of Brittanys and Brittany fans. A great place to take a summer vacation, in a lovely area, and include the ABC Summer Specialty.

The 2011 ABC Summer Specialty will be held in South Milwaukee Wisconsin and hosted by the Greater Milwaukee Brittany Club. The Summer Specialty will be held in conjunction with the Cudahy KC and the date will be August 13, 2011. This will be a part of a 4 day weekend of shows. Two of the shows will be held at one location and the other two at another local. I understand that the Summer Specialty in GMBC Specialty will be held near the lake and that they will have their own private ring and parking area. Deb Connell is

the contact person. Milwaukee is a great location with lots to see and do and close to the O'Hare and Milwaukee airports. A great opportunity to see the Windy City and Milwaukee, and include the Summer Specialty as well.

These above dates are as per the host club contact persons.

ABC WEB SITE REPORT – Steve Ralph

We have created a NEW web site domain name www.TheAmericanBrittanyClub.org to make it easier for users to find the web site and also so that we could create email addresses for officers and chairpersons which will remain static. We are also in the process of setting up several PayPal accounts for items on the ABC web site which will ease the process of purchasing items such as National Trophies, judges books, membership and so on. We will continue to improve on this as we move forward. The ABC web site continues to be updated with past and current event write-ups as they become available and added to the History page. We have also kept the ABC web site Calendar up-to-date. More and more Regional Clubs have emailed their field trial, hunt test and show premiums, which are posted under Club Premiums for easy access by the membership. Hopefully all of this is useful to our members. We will continue to keep the web site as up-to-date as possible.

National (All Age) Field Trial Secretary report – Steve Ralph

With the assistance of Tom White and ABC National Committee members, all of the FTS duties are up to date and we are look forward to another quality National Championship. All FTS documentation is now available on an ABC FTP location for future ABC National Field Trial Secretaries.

From the Managing Editor... Timely submissions

Recently I have had several problems with receiving write-ups and photos in a timely manner that go with submitted results. I know we volunteer our personal time for these events, including myself, but PLEASE have whomever is submitting the results, *that are due to the Executive Secretary within 10 days of the conclusion of the event*, include a note that the write-up and photos are to follow along with their contact information, so we can follow-up with them if we have not received anything when it comes time to publish the results, otherwise we cannot be responsible for what gets published or doesn't.

Thank you,
Dee Hempfield,
Managing Editor

From the Managing Editor... Ad & Photo submissions

Please, when submitting ads, include the information and photos in one email if at all possible and/or send all at the same time in a group of emails. When ads and continuous updates are sent over a period of time some important information may get lost in the transfer/collection of these items. It is also very important that the photos be identified by reference of file name in the instructions and that the full registered name be included.

Thank you,
Dee Hempfield,
Managing Editor

Montana Brittany Club A New Star in Big Sky Country

Tom Maneely, AKC Field Representative

Montana is home to mountains, clear running rivers, wildlife in abundance, and the home of the newest Brittany Club. The Montana Brittany Club held their first official events on August 20 - 23, 2009. If all indications are correct, they will be a great addition to the American Brittany Club and the AKC.

My personal association with the Montana Brittany Club came as I was on assignment visiting an event hosted by the Montana German Shorthaired Pointer Club. While at this event, I met Todd Breitenfeldt, club President, Tana Kradolfer, Hunt Test and Field Trial Chair, and Bob Meyers, Hunt Test and Field Trial Secretary. They informed me that they had gained ABC recognition with the assistance of Marilyn Little, ABC 2nd V.P. They now had numerous questions concerning the process of becoming an accredited AKC club. As chance would have it, they had planned to have an officers meeting during my visit. I can only say that I was duly impressed by the professionalism and attention to detail that the group displayed. At the time they could boast 40 members (this has since grown), many of which held considerable experience in AKC events and in hosting Shoot to Retrieve trials. The club appeared financially able to host their events. Most importantly they showed me a real desire to host AKC events in an area that can only boast one other club.

This club seemed like a perfect match for the AKC's mentored event program. The mentored event program is a fast track program that will allow clubs to move past the sanctioned event portion of accreditation and start holding licensed events. Experience of the membership is a key ingredient in being allowed to become licensed through the mentored event process. After I had an opportunity to look over the MBC's membership list, I recommended to Doug Ljungren that the Montana Club qualified for this program. It has been 11 years since a new Brittany Club had been accepted into the AKC and the Performance Department wanted to help the Montana Club in any way that we could.

This group had taken on a huge challenge for their first event. First they hosted a Pointing Breed Hunting Test Seminar. Then they held a

double - double Hunt Test with the Montana GSP Club, to be followed by a walking field trial which would also run concurrently with a walking field trial held by the Montana GSP Club. A double - double Hunt Test (two clubs, each hosting a Hunt Test for two days) takes a high degree of coordination, but then to follow that with two Field Trials going on at the same time was ambitious to say the least.

The event was a success with each day's entries filling nicely. Participants came from six states and Canada. The Hunt Tests on Friday and Saturday drew 36 and 39 entries, respectfully. The walking Field Trial included a 3 pt Open Gun Dog stake and a 4 pt Amateur Gun Dog stake! A high-light was Allen Norman and his "Britt" (Brittany) finishing their Master Hunter title. The Open Gun Dog was won by Jim Curtis with his Brittany "Tyler". The Amateur Gun Dog was won by Jarrin Larson and "Titus" (GSP). The blue in the Derby was awarded to Eric Cook and his Pointer "Hooch". Overall four different breeds were in the ribbons with the judges of all the stakes remarking as to the quality of the dogs they were honored to watch.

The Club pulled off their "big week-end" without a hitch. Preplanning and preparation had paid off as the event got started in a timely manner and preceded seamlessly. The coordination between the two clubs was an example of how it should be done. For the majority of the event I could count a minimum of 12 club members on hand, and each was ready to do whatever was needed to assist. All of our clubs would be happy to have this kind of effort from our memberships. They had chosen to utilize Karyn Conner's picturesque ranch near Three Forks, MT for their event, which provided ample course that was near to dog running paradise, with short grass prairie and a few sage bushes mixed in. The walking was over generally flat ground that was very welcome for the more experienced handlers.

The future does indeed seem bright for this group of sportsmen and women. Their future plans include a horseback trial, doing the Hunt Test double-double again, possibly with the walking trial in conjunction again. Congratulations to the Montana Brittany Club. I am sure that whatever they do it will be a well run, enjoyable event.

ABC 2009 Summer Specialty Show

August 15, 2009 • Island Grove Regional Park, Greeley, CO

Submitted by Vicki Rittner

Skyline Brittany Club's "Rocky Mountain Round-Up", ABC Summer Specialty Show Weekend

The Skyline Brittany Club hosted the 40th annual ABC Summer Specialty Show in conjunction with the Greeley Kennel Club shows on August 15-16, and the independent Skyline Brittany Club Specialty show on Friday, August 14. The show site was Island Grove Regional Park in Greeley, Colorado, and 85 Brittans had the best ring on the grounds for the entire weekend.

Beginning with "Kato" (the 6 mo-old puppy who uses Ned Castillo's computer to email the Brittany lists) in the ring at 8:30 am on Friday, and ending with CH Willowick Talltean winning Best of Breed, Group One and BEST IN SHOW on Sunday, everyone agreed the Skyline Club members and Show Committee are to be congratulated for a job well done.

The Show Committee

Greeting early arrivers on Friday morning were club members and Show Co-Chairs, Kathy Hogan and Elud Archeletta-Cressler. Dedicated club members began planning this event many months in advance, and their warm hospitality was appreciated by all.

In spite of the tough economy, Elaine Rhodes secured sufficient trophy fund donations for the ABC Summer Specialty show, thanks to the many individuals and regional clubs who responded to her passionate pleas. The beautiful walnut and mahogany serving trays and desk accessories she selected will grace the homes of the winners for years to come. Kathy Hogan served as Trophy Chair for the Skyline show, and funded "Made in Colorado" trophies for every placement in every class, with donations from generous club members and the club's treasury.

Leslee Masolotte was in charge of Hospitality, assisted by Joan Peters, Anne Zadrazil, and Ginny & Curt Daily. Ginny & Curt also hauled the Purina food donations, pitched the canopy tents, and assisted anywhere needed. Pat Beauchamp (club treasurer) manned the information table and sold the custom McCartney art tote bags and t-shirts on Friday; Dennis and Sandy Clark assisted on Friday and manned the table on Saturday. Most of the t-shirts were sold in advance and picked up at the show, and judging by how many were sold (and worn right away), were a big hit.

Traci Clark took on the very important job of staging a successful "Silent Auction" Saturday night, with a wide variety of donated gift items and weekend get-aways sold to the highest bidder. Those who donated to the auction, and/or had the winning bids on these items, are greatly appreciated. Marge Sauer helped out by making sure the winners paid before they left with their treasures.

Jerry Hogan, club president, is credited with obtaining generous food donations from Purina, promoting the show by creating and updating a special page on the club's web site, and perhaps most importantly, did anything Kathy needed him to do on the day of the show, with a smile. Assisted by Nancy Piechota, Vicki Rittner from San Dimas, California served as Ring Steward for the Skyline show, and Marla Parchman from Somerset, Texas assisted Nan Gilliard with that assignment on Saturday.

The Show Site

Exhibitors were delighted to have free parking close to the ring, along with lots of grassy space for shaded set-ups, crating, and dog walking. The premium said the show would be held outside "regardless of weather", and the show committee was well-prepared. Rain threatened briefly on Saturday, but the clouds kept the temperature comfortable. Chairs were abundant, and multiple large canopies outside (and inside) the ring were appreciated by all. Blankets and coats for several unprepared spectators (provided by Leslee Masolotte) came out Sunday morning, after the cold front moved in Saturday during Group competition. Good 'ol "Midwest" hospitality is also in great abundance in Colorado.

"Best Dog Show Ever Attended"

This year's theme was "Rocky Mountain Round-Up", and indeed those in attendance had been "rounded-up" from all over the US. Michele Martin from Thunder Bay, Ontario, a frequent exhibitor at the Nationals, made this show an "International" gathering of Brittany fans.

Coffee, rolls, and breakfast burritos were available every morning at the

"Bunk House" (a stone's throw from the ring), and this more aptly described "club house/dining hall with a large covered porch" was the ideal gathering spot for the entire weekend. Leslee Masolotte handled all the arrangements with various caterers, who in addition to breakfast, provided great lunches and outstanding dinners. The Saturday night dinner of smoked tri-tip and beef ribs, cole slaw, baked beans, and cornbread muffins, was the best "BBQ" this reporter has had.

The Show Committee and the other members of the Skyline Club put on a fun-filled weekend in a beautiful location with good judges, with winners and losers remarking over and over, that this was one of the best times (and for many it was *the* best time) they'd ever had at a dog show. Surrounded by old and new friends who are also competitors, the dogs and their owners, the shows and their winners, lunches, dinners, and good conversations were enjoyed by all.

Judges

Judges for the Skyline Specialty Show were Ms. Nan Gilliard, New Caney, Texas (Sweeps) and Mr. Dana Cline, Loves Park, Illinois (regular and non-regular classes, and Junior Showmanship). The designated ABC Summer Specialty Show judges were Mr. David Frei, NYC (Sweeps), and Ms. Denny Mounce of Round Top, Texas (regular and non-regular classes). Sunday's judge was Mrs. Judy Goodin of Leavenworth, Kansas.

Special Recognition

This report would not be complete without mentioning special guests and long-time Brittany owners, David and Cheryln Frei. After judging Sweeps and Veteran Sweeps on Saturday, David & Cheri sat ringside chatting with all who stopped by, and enjoyed the rest of the show. Graciously posing for photos later with the Sweeps winners, those standing by were thoroughly entertained with his deadpan banter. With the high bid on at least a couple of Silent Auction items that night, and donning Nancy Morabito's "stars in your eyes" sunglasses and a chili-pepper motif bandana while holding a cigar (unlit), David Frei's generosity and humor were abundant.

Host Club and Dates for 2010 Show

The Skyline Brittany Club appreciates all who supported these shows and made the weekend a huge success. Next year the ABC Summer Specialty show will be hosted by the Central New England Brittany Club as part of 5-show cluster, July 7-11 in West Springfield, MA. Mark your calendars to be there; the New Englanders are rumored to have big plans in the works!

Wanted: Friendly Brittany for Therapy Dog

Finally, if there were an award for the judge who shows every day how much he loves dogs and Brittans in particular, it would certainly go to David Frei. Recently, David and Cheri lost their 12 yr-old CH "Belle" to liver failure. Many of us were deeply touched by David's reports on the Brittany-L list over the last few months, chronicling their journey with Belle and "Teigh", their 13 yr-old Brittany who was also diagnosed with liver issues. (Teigh's condition is considerably improved.) As President of the Westminster Kennel Club's non-profit therapy dog organization, Angel On A Leash, David and Cheri are dedicated to sharing their dogs (all Delta Pet Partner certified therapy dogs) with cancer patients young and old, at the Ronald McDonald House of NY and the Sloan Kettering Cancer Center. After dinner Saturday night, David spoke of their desire to adopt a 12-18 mo-old female Brittany, with a temperament suited to working as a therapy dog. Marvin D. Nelson Jr. Memorial Fund for Brittany DNA Studies

September 7, 2009 – Brittany DNA Studies have been conducted at University of California-Davis, at the Center for Companion Animal Health (CCAH) Section of Genetics since 2004. Thanks to the enthusiastic involvement of the Brittany community, over 2100 Brittany DNA samples have been catalogued in the DNA Canine Repository. More than any other breed collected at UC Davis. The program has been supported in part by interest earned from the Marvin D Nelson, Jr. Endowment. We have been extremely fortunate in that the majority of research and administrative financial support has been contributed by the CCAH. Current economic conditions involving the University of California precludes the Center supporting Brittany DNA Studies at the same level of aid given during the past 4 years. There is continued strong support in providing a geneticist, her lab and staff.

Dr. Danika Bannasch DVM, PhD, Professor of Population Health and Reproduction, School of Veterinary Medicine and her associates are now heading the Brittany DNA Studies Program in her lab at the CCAH. Dr. Mark Neff left the program and his entire staff has relocated to other areas, including Katy Robertson, the original coordinator for the program, however, still at the Veterinary Genetics Diagnostic Lab at UC Davis.

Select Brittany DNA samples from individuals with birth defects are requested by Dr. Bannasch upon completion of a questionnaire and subsequent collection of DNA samples. Appropriate research samples collected during the past 4 years are available to initiate this study. She is studying birth defects that include cleft palate, umbilical hernia and cryptorchidism (undescended testicles). Contact her at 530-752-8728, dlbannasch@ucdavis.edu if you have pups with these birth defects and wish to submit DNA samples. Additional details about her requests are submitted in a separate communication

Brittany DNA Studies continues in need of monetary gifts to support the program to benefit genetic understanding of our breed. The Marvin D. Nelson, Jr. Memorial Fund was set up as an endowment, in which the principle cannot be spent. The interest earned from the endowment has been the source of funds for genetic research, along with the CCAH contributions which, as previously mentioned, have declined. Our goal had been, and still is, to support an annual research program solely from the interest on the endowment. But, we currently haven't hit that level. We are fortunate. Dr. Bannasch is enthusiastic about including the Brittany Breed in her research; therefore, work in DNA studies will continue to benefit our dogs.

So, what do we need to do now? There are two funding goals:

- 1) Support Dr. Bannasch immediately in her current work to assist in Brittany Birth Defect Genetic Research. Checks should be made out to the Regents University of California, with a note attached for Brittany DNA Studies, Bannasch Lab. Send gifts to Dr. Neils Pedersen, Director CCAH, or the Development Office, School of Veterinary Medicine, UC Davis, CA 95616.

- 2) Grow the endowment so that it will eventually support an annual project. Estate planning is one method that supporters of our breed can leave a legacy that will continue improving the Brittany through health research. We need to encourage fund raising, and all large and small donations to the fund. Already two persons have indicated that, upon their death, the Fund will acquire a sum in excess of one-third of a million dollars. We urge all enthusiasts interested in bettering the breed through DNA research to strongly consider donations to the Marvin D Nelson Jr Fund by estate planning.

An International Brittany DNA Studies Committee has been organized to assist in these efforts. It consists of Brittany members across the Nation including Norway and Canada, Chaired by Steve Ralph.

Forfeit List for 2008 Litters

Derby dogs born in 2008 and eligible for the 2010 Futurity running are listed below. If you have any questions, please contact: **Judy Graves via e-mail (judyg235@aol.com) or phone (573-788-2208)**. Spelling corrections are always welcome.

Forfeits submitted after September 15th will carry a \$50 late fee for each show forfeit and a \$50 late fee for each field forfeit along with the normal forfeit fee of \$30 for the field and \$25 for the show. Late forfeits

will not be accepted after December 31st.

Owners should expect to receive an event entry form for each section entered approximately 30 days prior to closing. Sectional secretaries will be sent a list of eligible dogs, but will not have entry forms. These will come directly from the Futurity Secretary. Entry forms will also be available on the ABC website.

The Brittany is a compact, closely knit dog of medium size, between 30 to 40 pounds, with a 12 to 12 1/2 inch height at the shoulder. He can be either orange and white or black and white. He has enough coat to protect him from the briars but not so much that he is uncomfortable. He has a strong nose and a very biddable disposition. Many of the country's top dogs have been house pets as well as field winners and fine hunting dogs. The Brittany is a high energy dog who is bred to hunt. He does need lots of exercise. He works in the same manner as a pointer, but without the great range. He points and retrieves both on land and in water. He is used primarily on upland game birds and on both fur and feather in France.

The American Brittany Club is a member of the American Kennel Club and is the only breed covered by the American Kennel Club. Most regional clubs hold meetings to discuss mutual problems, fun trials, training sessions, contests and other events of interest to their members. The club's purpose is to encourage the highest standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the trend from becoming split into groups of "field dogs" and "bench dogs" and to strive to keep it forever a "dual dog".

The American Brittany Club holds their National All Breed Championships and National Show Trials at the following National Class/Championship, Quail, Pheasant, Prairie Chicken, Chukar, Grouse-Woodcock and a Gun Dog Classic/Championship. The club also sponsors the following National Class/Championship, Quail, Pheasant, Prairie Chicken, Chukar, Grouse-Woodcock and a Gun Dog Classic/Championship. Purina Parent Club Partnership Program Update

September 28, 2009 – As a dog breeder and/or enthusiast, you are probably very aware of the issues we all face trying to preserve our rich heritage and ensure a bright future for dogs everywhere.

Since 2002, thousands of fellow dog breeders and enthusiasts have chosen to have an impact by feeding Purina brand dog foods, participating in Purina Pro Club and declaring their participation in the Purina Parent Club Partnership (PPCP) Program. When you enroll in the PPCP Program, Purina will match the value of the weight circles you submit by 10%. This in no way impacts your personal rewards.

Half of the matching earnings each year are pre-designated for canine health research and contribute to supporting Canine Health Foundation grants in which researchers aim to better understand the genetics behind many conditions affecting our dogs. The other half is eligible to provide supplemental funding of canine health research or may be used to fund educational and/or rescue efforts. The PPCP Program has raised in excess of \$2.8 million for canine health research, education and rescue efforts.

Has your club utilized the funds at the Canine Health Foundation (CHF) to support research? Remember that half of all PPCP earnings go to the CHF and are designated for research to benefit your breed. Current projects include such topics as exercise induced collapse, cancer, epilepsy, cruciate ligament rupture and degenerative myelopathy. Contact the CHF today (caninehealth@akcchf.org) to see how your PPCP funds can make a difference!

In addition to helping fund a variety of canine health research projects, funding has been used to help support educational outreach programs such as scholarships, library support, essay contests, youth programs, conservation education programs, art contests, reading programs, judges education seminars, breed specific educational materials such as illustrated breed standards and responsible dog ownership materials.

Rescue programs also benefit as funds have been used not only for the direct care of those dogs in need, but by also providing the much needed funding to support additional fund raising through the development of calendars, websites and adoption events.

The core essence of the Purina Parent Club Partnership Program is working together for the betterment of dogs everywhere. Your national breed club, the Canine Health Foundation and Purina are counting on you. Thank you for joining us in preserving our heritage and ensuring a healthy future for our canine companions.

As of August 31, 2009, the American Brittany Club, Inc. has 1045 members declared for the Purina Parent Club Partnership Program. From January 1, 2009 through August 31, 2009, 253 members have submitted weight circles resulting in a total of \$4,480.16 accumulated thus far for the 2009 Program.

The best way to increase the earnings and close the gap on the potential earnings is by spreading the word:

To Club members who are already Pro Club® members: Encourage them to declare for the Purina Parent Club Partnership Program by calling 1-877-776-2582 and encourage them to submit weight circles to the Purina Pro Club®.

To Club Members who feed Purina but are NOT members of Pro Club®: Make them aware of the Purina Parent Club Partnership program and encourage them to join Pro Club®, declare for their breed and submit weight circles to the Purina Pro Club®.

Each new person who declares participation in the PPCP Program and submits weight circles or who joins Pro Club® and declares and submits weight circles will only help to increase the earnings for 2009. To assist you in spreading the word, we have developed ad slicks and a program overview sheet that are perfect for use in your club's publications, website, show catalog, etc. Additionally, we have found that many participants have been made aware of the program through information made available to them on their club's web site.

Recently, the Purina Parent Club Partnership Program established a presence on facebook <<http://www.facebook.com/>>. Visit www.facebook.com <<http://www.facebook.com/>> and search Purina Parent Club Partnership Program or <http://www.facebook.com/search/?q=purina+parent+club+partnership+program&init=quick#/group.php?gid=89829386851&ref=search&sid=1255570692.795229877..1> and join the group. Please encourage club members and friends to join our facebook group as well. We hope to use this group to communicate general information, share successes, best practices, etc. The more we spread the word, the more we can do for canine health and well-being.

Please encourage participation in this unique program, and submission of weight circles to benefit the Brittany. Though canine health is a major component of the PPCP program, canine welfare is also an integral component. Please remember that education encompasses a wide array of activities. Such activities may include but are not limited to judges' education, breed information/standards, youth programs, educating of public officials in responsible canine legislation, studies that include conservation practices related to habitat beneficial to sporting dog events, scholarships, etc.

Purina thanks you for this opportunity to partner with you and the Canine Health Foundation in advancing the health and well being of the Brittany.

PENNSYLVANIA

Polk, PA

May 2 & 3, 2009

Everyone arriving at the PA Brittany Club grounds on Friday, May 1 was greeted with steady rain, which turned into a deluge as night fell. We all grumbled as we dug out the rain gear for the next morning. To our delight, the rain stopped over night, temperatures climbed only into the 60's, skies were partly sunny and there was a light breeze for the remainder of the weekend. This created nearly perfect weather for a field trial!

Along with the regular participants at the PA Brittany Club trials from Pennsylvania, Ohio, New York and West Virginia, we welcomed Ken Blackman from Tennessee, John Sala from Virginia and Delmar & Sandy McAllister's grandson, Seth visiting from Texas. Seth joined the group of children playing in the Cropek "fort" roasting marshmallows, walking dogs and socializing with all the adults. It just wouldn't be a PA Brittany Club trial without the kids!

Saturday was a day of beginnings and endings. On Saturday morning William Hendrickson handled his puppy, Junior for the first time (with a little help from Dad, Brian) and collected his first field trial ribbon. On Saturday afternoon Delmar McCallister ran his 11 year old Buddy for the last time and won the amateur gun dog stake. It was surely a day to remember for both.

We celebrated Cinco De Mayo a few days early with a Mexican themed dinner and happy hour with food provided by club members and those attending the trial. Dinner was followed by an auction and raffle to raise funds for the improvement of the PA Brittany Club grounds. Brian Riggle was our first-class auctioneer and Sandy Sargent announced the numbers for the raffle. Thanks to the generosity of those attending we raised \$1,000!

We were all saddened by the loss of former club member, Frieda St. John last year to cancer. Frieda's husband, John donated horse tack, a tracking collar, training collar, and other dog and field trial related equipment for the raffle and auction. Our sincere thanks are extended to John for his gift. I have to believe that Frieda would be very pleased to have a part in providing a better place to run field trial dogs in Pennsylvania.

By 2:00 on Sunday afternoon just a handful of rigs were left on the grounds and the judges were enjoying some great performances in the, 5 point, open gun dog stake. With the help of an exceptional group of club members we had again pulled off a successful event. I am not going to thank each one but ALL and not just for this event but for all the work done for the Pennsylvania Brittany Club throughout the year. The officers, board of directors and active members have made significant improvements to the club over the last few years and THE BEST IS YET TO COME...

The fine weekend ended as I presented the Founders Trophy for first place in the open gun dog stake to Stanley Thorpe for his Bear, handled by Chris Rider. The huge smiles on Doris and Stanley's faces were a fitting end to a special day.

REGION 4 BRITTANY AMATEUR ALL-AGE CHAMPIONSHIP

by Tom Robin

This year's running, on May 14 and 15, marks the eighth consecutive year that the Region 4 Brittany Amateur All Age Championship has been held at the Ionia State Recreation Area in Ionia, Michigan. Upkeep of the grounds is primarily through the hard work of the three Michigan Brittany clubs as well as the clubs of other breeds using the grounds.

Our appreciation goes to the Michigan Saginaw Valley Brittany Club for hosting this year's championship and for all the work that goes into putting on such an event. A sincere thank you to Purina for sponsoring the event. We sometimes tend to take for granted their support of these championships as well as the many other events they are involved with throughout the year. It does not go unnoticed. Terry Trzcinski, Purina's representative, came in from Illinois on Friday to watch some braces and spend time with us.

We want to thank everyone who made this year's championship a success. The driving forces behind this event are Sherri and Kent Merryman. Also, thanks to the many folks who pitched in for kitchen duty, bird planting, dog wagon and road guarding including Bill Thomson, Ron and Kathy Gulembo, John and Judy Marinelli, Wade Haines, Sherri Merryman, Mary Jo Trimble, Jane Hopper, Donna Janulis, Jack Montgomery and Judy Robin. And Jill Schaefer contributed some delicious homemade pies and cakes.

Bill Thomson's, now traditional, Thursday night steak cookout was eagerly anticipated by everyone. This year's fare consisted of steak, chicken, baked potatoes and a fantastic grilled vegetable medley.

The judging assignment was in the very capable hands of John Hall of Dexter, MI and Duane Yoder of St. Clair, MI. Duane is very active running his Weimaraners and judging multiple breeds. John is a familiar figure on the Brittany field trial circuit, both at the regional and national levels, and he also steps outside the Brittany world to lend his judging expertise to other breeds.

The event began following very heavy rains overnight, but by morning the rain had stopped. The sky started out cloudy, but by breakaway the sun was trying to come out. The clearing was accompanied by strong winds out of the west and temperatures ranged from 50 to 70 degrees.

The winner was CELEBRATION'S TWO OF HEARTS, call name Deuce, owned by Paul and Phyllis Katzel of Plainsfield, IL, and handled by Paul Katzel. Runner-up was SHAMROCK'S SIRIUS, call name Si, owned and handled by Wade Haines of Pataskala, OH. Third place went to RUJEM'S A TOUCH OF BOURBON, call name Chug, owned by Jerry and Ruth McGee of Stewart, IL, and handled by Jerry McGee. Snagging fourth place was COVEY RISE'S RAMBO JR, call name JR, owned and handled by Chuck Schaefer of Indianapolis, IN.

The Running

The first brace broke away from the clubhouse at 8am. AJAX DIAMOND DYNAMITE (Dyna), handled by John Marinelli, and BARNEY'S HI PROOF RON RICO, handled by Chuck Schaefer, took off down the hill, anxious to see what lay ahead. At 17 Rico ran into trouble when he stumbled upon a bird in Hires' field and failed to stop. A couple minutes later Dyna scored her first find in the small island on the west side of Hires' field. Moving out of the big hay field, Dyna worked the edges as we

headed for the Boy Scout bridge, and on to Cardiac Hill. Coming onto the derby course Dyna took the first line to the left, establishing point about halfway down at 41. A pair of quail was produced, with Dyna showing good manners. Dyna crossed the field and took the next line right. She soon started to pick up scent and established point at 43 minutes. John produced a bird with all in order. Heading west and working objectives, Dyna went on point at 46 just before the stream crossing. John couldn't see her and, after calling several times, Dyna moved in to flush the bird herself before returning to John.

HI POINTS BET'N HE'LL ROCK (Ozzie), handled by Ron Gulembo, and LANE'S END WE-BE CLEAN, chased by Tom Robin, broke away from the big oak tree at 9:10am heading east. Ozzie headed for the tree lines and We-Be wasn't seen until we reached the orchard. Both dogs passed the gun dog parking lot taking the right edge along the stream down to the stream crossing. After crossing, We-Be was in the cover to the right and Ozzie spotted some deer in the field to the right. Ron took off in pursuit. At the same time, We-Be tallied his first find in the brushy area to the right. We-Be then took the edge of the woods along Riverside Drive and picked up the last crossing line before Tuttle and Ainsworth. He was found standing and it took Tom several minutes to produce the bird, but eventually the results were good. While Tom was trying to flush, Ron and Ozzie moved to the front well ahead of Tom and We-Be. Tom wasn't aware that Ozzie and Ron had passed him, but apparently We-Be was because he caught up with them and rimmed the entire big hay field, ending up on point at the west edge near the orchard. As Tom was catching up, Ozzie found We-Be and moved past him, failing to back. The bird was flushed and We-Be was taken on. With about 15 minutes to go, We-Be worked through Hires' field, swung around in front of the old barn and disappeared into the next field headed toward the orchard. As we crossed into the big hay field, We-Be was seen cooling himself in a puddle with a barely breathing bird in front of him. We-Be was ordered up at 59.

After a short coffee break back at the clubhouse it was time for KODACHROME, run by Bill Tate, and JAZZ'S SWEETEST LITTLE SECRET (Karo), handled by Gil Hopper, to take the course. Karo worked forward for Gil, over to Hires' field and around the west side of the course, Chrome ran out of sight early on and proved a challenge for Bill. Turning north out of the big hay field onto the championship course, Gil had Karo to the front, but Chrome had not been seen in quite awhile. Bill reluctantly asked for his Tracker. Karo passed Tuttle and Ainsworth and disappeared into the woods to the right of Cardiac Hill along Riverside Drive. Gil continued moving forward onto the derby course, where Karo caught up with him and started working the edge of the woods on the left. Karo met up with Gil again as we approached the stream crossing and moved to the front, finishing the brace with no bird contact.

Brace 4 broke away from the big oak tree at 12:01pm. RU JEM'S STOP-N-WATCH (Quill), handled by Jerry McGee, and SHAMROCKS SIRIUS (Si), handled by Wade Haines, both headed for the right edge, staying well to the front as we passed the gun dog parking lot and crossed the stream onto the derby course. Si took the lead, working up Cardiac Hill, and was rewarded with a turtle find just before the Boy Scout bridge, but Wade couldn't get it to fly. As we came onto course 1, Si worked across the big hay field to the far line while Quill took the north edge around the right side of the field. Both dogs headed for Hires' field and Si went on point near the far end of the center line. Quill came up and backed Sirius before Wade flushed, both dogs showing good manners. Leaving Hires' field headed north, Wade had Sirius forward and Quill was casting far out to the right and working his way back when a bird popped. He immediately stopped and waited for Jerry to get there and fire. Turning east into the big hay field, at 58, Sirius was seen on point along the orchard. As Wade approached he saw that Sirius had lost scent and asked him to relocate. Si reestablished scent and

Wade flushed while Si showed perfect manners. Wade broke Si away in the hay field and time was called shortly thereafter. Quill finished the brace casting the south edge of the hay field until time was called.

After lunch at the clubhouse and a nap, brace 5 got underway at 2:20pm, featuring HI POINTS SURE SHOT (Bullet), with Ron Gulembo handling, and KT'S ARTIC BLAST (Rebel), handled by Bill Tate. Rebel disappeared to the front while Bullet found his way to the center line in Hires' field. Bullet went on point near the far end of the line, but as Ron flushed, Bullet took a few too many steps to mark. As we were ready to make the turn onto the championship course, we still didn't have Rebel, so Bill asked for his Tracker. The decision was made to deadhead to the big oak tree since only one more brace could be run today.

Brace 6 had RUJEM'S A TOUCH OF BOURBON (Chug), handled by Jerry McGee, and COVEY RISE'S RAMBO JR, Chuck Schaefer handling, breaking away at 3:25pm. Chug headed forward and JR moved far right toward the levee crossing. Chuck pulled him out of the corner and both dogs were forward as we passed the gun dog parking lot, with Chug in the lead. At 23, topping Cardiac Hill, Chug was seen on point just to the right of the trail along the edge of the woods. When Jerry couldn't produce a bird, he relocated Chug, but to no avail. JR, in the meantime, was working the left edge of the course. As we moved off the championship course into the big hay field, Chug went left and JR crossed the field to the right. Both dogs worked their way through Hires' field and went on point together in the island on the west side at 46, for a divided find. With the bird in the air, everything was in order. Passing the old barn, JR disappeared into the woods along the west edge of the next field. He eventually showed to the front, coming out of the orchard bordering the big hay field when time was called. Meanwhile, Chug finished strong, casting around the big hay field and finishing the brace at time, running the stone fence near the breakaway.

Friday began with cloudy skies, a temperature of 50 degrees, and little or no wind. Brace 7 paired ODYSSEY'S ACE OF HEARTS, handled by Ed Janulis, with CELEBRATION'S TWO OF HEARTS (Deuce), handled by Paul Katzel. (Poker, anyone?) Both dogs broke away to the front and made their way over to Hires' field. At 10 Ace went on point at the end of the center line and, when Ed flushed, Ace chased with gusto. Deuce wasn't involved and worked around the west side of Hires' field. Passing the old barn, Deuce cast around the west side of the next field and cut across to the orchard and the big hay field. At 19 Deuce went on point in the line west of the big hay field. Paul flushed, and all was in order. Crossing the Boy Scout bridge, Deuce was well to the front, casting off to the right near Tuttle Road. As we entered the derby course, Deuce picked up the first crossing line and, about half way down the line, scored another find at 40. Crossing the stream and approaching the gun dog parking lot, Deuce worked the left edge along the stream. Moving into the next field, he crossed to the right side along Riverside Drive, headed for the orchard. Deuce finished the brace very strong, approaching the big oak tree and working nicely to the front.

HOLLIEWOOD BRUISER, handled by Bob Szymanek, and OPEN RANGE, handled by Sam Borst, were next up. Breaking away from the big oak tree, Bruiser disappeared to the front, next seen at the orchard. Range worked at a shorter distance, staying to the front. Bruiser gave Bob the slip in the orchard while Range chose the right side of the course, also ducking out of sight as we approached the gun dog parking lot. Range got hung up along the stream, but caught up to Sam at the stream crossing. Bruiser hadn't been seen since the orchard. On the derby course Range pointed on the first crossing line at 20. Sam flushed, with all in order. At 24, while casting the last crossing line on the derby course, Range tallied a second find about halfway down the line. Sam broke Range away toward Cardiac Hill, crossing through the woods and disappearing to the front. As we were approaching course 1, Sam asked

for his Tracker, not having seen Range since the bottom of Cardiac Hill. Bob never found Bruiser before time caught up with him.

Brace 9 broke away from the clubhouse at 10:30am with BRISCO'S MR. STUBB, handled by Ray Trimble, and RC'S RUFF RANGER, handled by Rob Richter, moving quickly out in front, headed for the turn to Hires' field. Ruff took the center line to the south end of Hires' field where he went on point next to a very dense clump of brush. As Rob was dismounting, Ray rode past, looking for Stubb. Ruff relocated a couple times to pin the scent before stopping a final time. As soon as he stopped, a bird flushed from the heavy brush and Stubb magically appeared in hot pursuit. Stubb had been buried so deep in the brush that even eagle eye Ray didn't see him. Ruff might have survived the incident had he not moved to the other side of the brush pile after the bird flushed.

Breaking away from the clubhouse at 11:00am, brace 10 matched KD'S SLIP AND SLIDE (Splash), handled by Tom Jagielski, with HOLLIEWOOD MAGIC MAN, handled by Bob Szymanek. As we turned toward Hires' field, Bob didn't feel Magic had his heart in it today and he elected to pick him up. Splash, meanwhile, was making his way through Hires' field when he had an unfortunate run-in with a bird near the island at 13, and was ordered up by Judge John Hall.

While breaking for an early lunch, we realized that Bob Szymanek, who was in the next brace, was missing. We surmised that, after Bob picked up Magic in the last brace, he rode to the other end of the course, thinking he was catching up with brace 10, so he would be ready to breakaway in brace 11 from the big oak tree. But Splash's early pick-up changed all that, and the official "handler retrieval unit" (HRU) had to be sent to find Bob. Fortunately, Bob had a tracking collar on so we were able to find him pretty quickly.

So as not to delay the running, TRUCKER'S WILD RIDE (Rider), handled by Ray Trimble, and GLADIATOR'S TUCK-N-ROLL (Tucker), with Dennis McClary, broke away at 12:40pm. After a brief false alarm at the end of the stone fence, just off the breakaway, we continued toward Hires' field where Rider was seen taking the center line to the end. Ray called point at 13, flushed and all was in order. Dennis spotted Tucker across Hires' field in the vicinity of the island looking birdy. As Dennis cut across the field, Tucker brought a live bird to him. Passing the old barn, Ray decided he was unhappy with Rider's performance and picked him up at about 20.

Next out were HOLLIEWOOD ANGEL GIRL, handled by Bob Szymanek, and TRADEMARK'S ICEMAN (Timmy), handled by Donna Janulis, breaking away from the clubhouse at 1:30pm. The sky was still overcast, temperature in the upper 60's, with a light breeze out of the southeast as we made the turn toward Hires' field. Timmy cast left along the edge of the woods and made his way over to the center line, working nicely around the entire field, and continuing along the west end of the course toward the big hay field. The judges gave Bob his Tracker at 22 since we last saw Angel at the breakaway. As Timmy turned toward the championship course, the warmer temperatures got to Donna. Without stopping, she removed her jacket and held it straight out to her side in her left hand. Ed was immediately in a gallop and, as he passed Donna, he snatched the jacket from her outstretched hand. This was all done so quickly and with such precision that there was no doubt they had practiced it many times. Meanwhile, Timmy continued his forward race across the Boy Scout bridge and onto the derby course. Once we crossed the stream, a breeze picked up and made scenting conditions a little better. At 59 Timmy got birdy and went on point near the west end of the orchard in the open grass between objectives. Donna produced a bird with all in order.

In the last brace LANE'S END HAVE MERCY, handled by Tom Robin paired with CHOC TALK'S DIAMOND (Dee), handled by Bill Tate, broke away from the big oak tree at 2:45pm, and both dogs veered right. Dee made a huge cast through the gun dog chute, showing up on

the east side of the orchard. Both dogs came together at the gun dog parking lot and crossed the stream. Dee turned hard right and Bill pulled her back from the corner. Mercy took a nonproductive in the objectives to the right. Working deeper into the derby course, Dee was out front and scored a find in the first crossing line at 19. Mercy then worked that line and pointed at 22, where Tom produced a bird. Dee was already on the next line for a second find, with everything in order. Climbing Cardiac Hill, Mercy worked the woods to the left while Dee went right. They came together passing Tuttle and Ainsworth and headed for course 1. Both dogs cast the south side of the big hay field, with Dee going to the corner and Mercy veering off toward Hires' field. They traded positions as they worked the center line in Hires' field, but Mercy broke off to the large island to the west just before Dee got in trouble and was ordered up. Crossing the field, Mercy scored a find in the small island at 54. Mercy cut right at the next line and, as Tom rode through the cut toward the old barn, the judges ordered Mercy up at 57 for bumping a bird down the line.

**ILLINOIS
Two Paws Dog Training Club
May 1-3, 2009**

Illinois Brittany Club held its annual walking trial on May 1-3, 2009, at the Two Paws Dog Training Club. We held an hour Limited Walking Gun Dog on Friday that had 17 entries and grew a little from the inaugural event held last year. This year's winner, BULLOCH'S FIRST IN LINE ALVIN, finished his open championship. Congratulations to the Bulloch's. Congratulations to all of the winners in the trial.

We would like to thank Purina for their continued support. We would also like to thank all of the judges who donate their time and expenses to make this trial a success. The proceeds from this trial support 3 or 4 of the Brittany championships that might otherwise not be held.

I would like to thank Jim and Janet Chase for organizing everything.

**ST. CROIX VALLEY
 Crow Hassan Park - St. Michael, MN
 May 8-10, 2009**

by Denise Koslowski

The St. Croix Valley Brittany Club Spring Horseback field trial was run on May 8-10 th at Crow Hassan State Park in St. Michael MN. The temperate was mild to cool with the threat of rain in the clouds, but luck held out and the trial was dry throughout the three days. The cover was adequate and challenging and for the most part, dogs were having success finding birds. Thanks to all our judges, they did a great job. This was my first time as secretary of our horseback trial and it was so much fun, a lot of work but fun. One of the highlights during the weekend was sitting around the campfire in the evening after the dinner and telling stories of the past and present while we all relaxed. I would like to thank everybody that helped at the trial. John Lindback, Bret Lindback and John Chesney for running the dog wagon and keeping us supplied with birds. Brian Lange for helping me with paperwork and filling bird bags. Steve Ralph for putting the trial together, planting birds

and making everything run smooth. Special thanks go to our great cooks, Steve Ralph for the Friday Walleye Fish Fry and Eileen & Carlos Gust, very tasty food during the entire weekend (specially the "sticky buns"). We hope to see you here next year.

NORTHERN COLORADO

Rudy Budin Ranch - Stoneham, CO May 23-24, 2009

We had a wonderful, but wet, weekend. We started our trial with an AmField/AFTCA Derby Stake on Friday. We held our AKC/AmField/AFTCA trial Saturday and Sunday, followed by an AmField/AFTCA Derby & Shooting Dog stake on Monday.

Saturday night is our traditional steak barbecue, hosted by the club for all present. We served 35 people that night, despite the fact that there was a torrential downpour going on. Steaks, potatoes and veggies were delivered to individual trailers and motor homes, in which everyone was hiding from the rains (but intently watching our Nuggets play the Lakers).

We had many newcomers to our trial this year, including some relatively new to field trialing: John Mahoney, Jim Adrian, Lenny Morales, Michael Patrick, Zane ?, and more I've probably forgotten.

Rob Myers came in from Nebraska; Greg Sand from Kansas; and Allen Davis from Wyoming. We also had a big contingent of our Colorado field trialers glad to finally not have a "postponed" trial, as we seem to have had all spring. All were happy to lend a helping hand. I thank them all for their help and friendship.

The most exciting part of the trial for me was to watch my daughter handle her Brittany to first place in the Amateur Gun Dog stake over 15 other dogs. Makes a mother proud!

Here are the placements for the AKC portion of the trial:

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
