### Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

# ABC Board of Directors Motions

Submitted by Mary Jo Trimble, Executive Secretary

## 2009 MOTIONS AND VOTE TABULATION

### ABC BOARD OF DIRECTORS EMAIL TABULATION

Motion by: Ray Gorman, East Coast Director

Seconded by: David Smith, East Coast Director

Date Motion Made: June 23, 2009

Discussion Only: Wed., June 24 – Tues, June 30, 2009 (7 days)

Votes Accepted: Wed., July 1 – Sun. July 5, 2009 (5 days)

Final Tabulation: Midnight July 5, 2009 or when all votes are received.

**Motion:** Due to a typographical error in the National Open Gun Dog Qualifications and subsequent approval by the AKC and posting of those qualifications to the membership, I move that we keep the change of requiring 20 dogs necessary for a second place in a 30 minute stake to qualify for the NOGD Championship instead of the 25 that was in past wording.

**Rationale:** The qualifications submitted to AKC in January contained the number 20 instead of 25 for 2nd place to qualify dogs for the NOGD Championship. The error was not caught until June 23rd. AKC had already approved qualifications for 2009 and the membership was notified of those changes earlier in the year. This motion will verify that ABC will use the number 20 instead of 25 in the NOGD Championship Qualifications.

Motion by: Ray Gorman, East Coast Director

Seconded by: Ed Janulis, Central Director

Motion Made: August 4, 2009

Votes Accepted, (5 days): August 11 – 15, 2009

Final Tabulation: August 16, 2009

**Motion:** I, Raymond Gorman, move that the American Brittany Club's Board of Directors spend \$5000 from the general fund to be paid directly to the Fence Vendor providing the construction of fencing at the Ionia, Michigan Field Trial Grounds.

**Rationale:** The Ionia Grounds Fence Committee would like to do some additional fencing at the Ionia grounds at this time. They do have some funds already available to them but need additional funds to complete another section. They need to do this 1. for the safety of the dogs. 2. They would like to do this this summer. 3. They have \$5,000 plus so far. We also have \$1950 that Janet Chase is sending from the 2007 budget and auction. 4. The current total cost is estimated to be over \$32,000 plus gates. 5. This is a national event venue for the ABC, and we need to support and contribute to this construction. I have spoken to Hank, Janet and Brian the 4th VP and they are all on board with this. Ed said he would be willing to second the motion.

## In Memory of John M. Munson

May 26, 1919 – August 18, 2009

With great sadness, the Munson family announces the peaceful passing of Johnny Munson at the age of 90 in the presence of his family.

John's ashes were spread at the Camp Adair Field Trial Grounds along with those of his great Hall of Fame Brittany, National Amateur Dual Champion Tigar's Jocko. Johnny retired Jock after winning the 1970 ABC National Pheasant Classic on the same grounds.

Jocko may have been the most influential Brittany ever from the West Coast. He was the first Brittany to win a major American Field trial against Pointers and Setters when he won the 1964 National Amateur Pheasant Shooting Championship in Biggs, California, followed by winning the 1964 Brittany ABC National Amateur at Carbondale Illinois and the National ABC Dual Award.

Jocko sired the 1966 ABC Futurity winner Jocko's Poker Chip and the 1977 ABC National Champion Casey's Chickamin. His grandson is 1972 ABC National Champion Kipp's Trooper Rochambeau and his grand daughter is ten-time Champion Jacolet's Wandering Star.

John was very special, not just a Brittany man, he loved all breeds and took his Pointer, The Last Chapter to the National Championship twice in Grand Junction. He loved walking horses and was frequently asked and judged National Major Championships of all breeds across the country. For years he was the driving force of the Pacific Coast Championships held at the Anderson Ranch in Sunnyside, Washington.

*"There is a best place to bury your bird dog or best friend... that's in your heart."*

In lieu of flowers or donations, the Munson family asks that you spend a few moments remembering John. If you are inclined, we invite you to send you recollections to JoAnn, his wife of 63 years.

JoAnn Munson  
1355 Vine Count

Thank you for your years of friendship.

### AKC Registration Pledge Challenge Updates

Thank you to the Member Clubs that have accepted the AKC Registration Pledge Challenge. As of August 25th, clubs representing more than 68,000 members have opted in to the program, and more clubs have indicated they will join this call to action as soon as they reconvene after summer hiatus.

Officers and delegates of Member Clubs have until September 30, 2009 to accept the Challenge on behalf of their clubs. Go to [www.akc.org/regpledge](http://www.akc.org/regpledge), select "Member Club Opt In" and follow the steps.

### Applause for the Group 1 Parent Clubs

These member Parent Clubs were the first in their groups to join the Registration Pledge Challenge:

- Sporting: American Brittany Club
- Working: American Tibetan Mastiff Association
- Hound: Rhodesian Ridgeback Club of the United States
- Terrier: Cairn Terrier Club of America
- Toy: Italian Greyhound Club of America
- Non-Sporting: Tibetan Terrier Club of America
- Herding: German Shepherd Dog Club of America

### The Pledge is available online for your members

Individual members of participating Member Clubs can take the Pledge online through November 30, 2009. Ask your members to go to [www.akc.org/regpledge](http://www.akc.org/regpledge) and select "To take the Registration Pledge, click here." We're counting on you, the leaders of each Member Club, to communicate this program to your members and encourage them to take the Pledge.

### New features, with thanks for your feedback!

We received feedback that a few registration numbers were not recognized from members who wished to update their dog information while taking the Pledge. A system update was made, so please try again. Be sure to enter all the digits in the registration number, including the last two. And for your convenience, a new option was added to speed the online Pledge process for members who do not currently breed dogs.

### New club communication tools

- A downloadable "paper" Pledge form is now online for distribution to your members without Internet access. Go to [www.akc.org/regpledge](http://www.akc.org/regpledge) and click on "Spread the Word" for forms, fliers and newsletter inserts.
- Read about the importance of AKC registration in an article titled "Make a Pledge" in the August 2009 *AKC Gazette*.

- Once an eligible dog or bitch has accumulated 25 "Grand Champion" points with three majors under three different judges and at least one point under a fourth judge, it may be designated "Grand Champion" and receive an AKC enhanced certificate indicating they have completed the necessary requirements for the title.
- "Grand Champion" title holders will continue to accumulate points towards a future "Grand Champion point system after completion of title (Top 25, 50 or 100 by Breed, and Group).
- Any dog who completes its Grand Champion title will receive an invitation to the AKC/Eukanuba National Championship.
- Winners Dog, Winners Bitch, Best of Winners, or non-regular class winners, are not eligible to compete for "Grand Champion" points.
- There will be no "Grand Champion" points awarded when all competing Champions of Record or move-up dogs are defeated by a class dog or bitch receiving the Best of Breed award.
- If the Best of Opposite Sex winner is the Winners Dog or The Winners Bitch, neither the Best of Opposite Sex nor the Select award for that sex will be eligible for "Grand Champion" awards.
- Any exhibits found to be ineligible for "Grand Champion" points would have those points disallowed administratively by the AKC. If Best of Breed is found to be ineligible, all Grand Champion points awarded will be administratively disallowed for Best of Opposite Sex, Select Dog and Select Bitch.

## Grand Champion Question & Answers (Q&A)

- Q)** What is a Grand Champion?
- A)** A Grand Champion is a champion of record that has completed the 25 points required beyond the traditional requirements for a Championship and focuses on competition at the breed level.
- Q)** What dogs are eligible to be awarded Grand Championship points?
- A)** All Champions of record that are eligible to be entered in Best of Breed/Variety competition as well as dogs and bitches that have earned their Championship and are moved up, would be eligible to compete on the day.
- Q)** How many dogs are eligible to be awarded "Grand Championship" points?
- A)** A maximum of four including, Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch.

- Q)** Is a separate entry form and entry fee required for Grand Championship competition?
- A)** No, all eligible dogs entered as well as those moved up to the Best of Breed/Variety class are automatically eligible to compete without additional fees.
- Q)** When will judging of the Grand Championship class take place?
- A)** Since the Grand Championship is not a separate class, judging is concurrent with the traditional Best of Breed/Variety judging. Judges will award Best of Breed/Variety, Best of Opposite Sex as well as Select Dog and Select Bitch.
- Q)** What are Select Dog and Select Bitch and how and what are they awarded?
- A)** The Select Dog and Select Bitch are similar to Awards of Merit in that this dog and bitch are next best as far as the quality of the dogs in competition. These awards are selected after Best of Breed/Variety and Best of Opposite Sex. However the Select Dog and Select Bitch are eligible for Grand Championship points.
- Q)** Grand Champion points, what are they and how are they determined?
- A)** Grand Championship points are similar to the current points awarded, however they can only be won by dogs & bitches that are eligible to be entered in the Best of Breed/Variety class and are based on the existing schedule of points and divisions. All of the class entries, champions, move ups in breed/variety competition present will be counted to compute Grand Championship points.
- Q)** Last week in Region 2 there were 28 Doberman entered, 7-11-(3-7) and my specials bitch won Best of Breed, how many Grand Championship points would she have been awarded?
- A)** She would have been awarded 5 points as all of the Dobermans (28) in competition would have counted as the same sex and in Region 2, 26 bitch's results in a 5 point major.
- Q)** My specials bitch is already a Champion of record. What does winning a 5 point major mean?
- A)** It means she has started on the path to becoming a Grand Champion as she will need to have three majors under three different judges, with at least one point under a fourth judge and a total of 25 points to become a "Grand Champion" of record.
- Q)** How will I know when she becomes a "Grand Champion?"
- A)** The American Kennel Club will send you an enhanced "Grand Champion" Certificate when all requirements have been completed.
- Q)** Can my specials Doberman bitch continue to compete when she becomes a Grand Champion?
- A)** Yes, she can continue to compete.
- Q)** If a class dog/bitch wins Best of Breed/Variety will they be awarded Grand Championship points?
- A)** No, class dogs/ bitches as well as winners of non-regular competitive classes are not eligible for Grand Championship points. If the Best of Breed/Variety winner is a class dog/bitch or from a non-regular class there are no Grand Championship points awarded for the breed/variety that day.
- Q)** If a class dog/bitch or non-regular class winner is awarded Best of Opposite Sex over eligible dogs in the Best of Breed/Variety class will they be awarded Grand Champion points?
- A)** No, as in the previous question they are not eligible for Grand Champion points, however the Best of Breed/Variety winner and the Select winner of the same sex are eligible for Grand Champion points.

### Grand Champion Title Concept

Dear Delegate,

The Grand Champion Title Procedure will be presented at the Delegate Parent Club Committee Meeting, the Delegate Dog Show Rules Committee Meeting, and the All Breed Delegate Committee meeting on Monday, September 14, 2009. In addition, the concept will be presented at the Delegates' Forum on Tuesday, September 15, 2009.

The Grand Champion title concept is an effort to provide our exhibitors with an additional venue to participate in with dogs that have obtained their Championships while assisting AKC Clubs with increasing their entries. It will continue exhibitor participation and camaraderie in our sport while emphasizing breed judging by recognizing quality and breed type.

The development of a "Grand Champion" concept is consistent with the ongoing objective to encourage the exhibition and, ultimately, the breeding and registration of purebred dogs. It is also consistent with the structure of exhibition at other livestock events.

This Grand Champion concept proposal parallels and is an extension of the traditional system to earn an AKC Championship title on a dog. It is simple, similar in format to that used to finish a dog, and, because it focuses exclusively on competition at the breed level, it will add minimal time to the current judging process.

While the "Grand Champion" concept does require a rule change, it would add a new dimension that offers exhibitors enhanced participation for an additional conformation venue to compete in at this time. The "Grand Champion" title bar is set higher, but not out of reach for the average exhibitor to obtain in a reasonable time period. This concept provides the Best of Breed, the Best of Opposite Sex and Select Winners the ability to accumulate "Grand Champion" points.

All Breed, Limited Breed, and Specialty Clubs, Superintendents and AKC will realize additional revenues due to the increase in entries while exhibitors participate with one entry fee for both Best of Breed and "Grand Champion" title competitions. This concept should not only provide revenue increases, but insert new excitement and quality of achievement. The fancy will be able to participate in a new venue with realistic expectations that are obtainable.

In summary, the Grand Champion Program's attributes include:

- o Keeping people competing beyond the championship level and recognizing dogs of quality in breed competition
- o An opportunity for additional recognition without having to campaign and advertise heavily
- o Keeping the people coming back to shows to enjoy the sport and people in it and the camaraderie offered
- o Increasing the emphasis of the breed – it highlights breed competition
- o Increasing entries for clubs

# AKC DELEGATE REPORT

from Judith Tighe

It has been a busy year since I began serving as AKC Delegate. The Compliance issue affecting all our clubs holding specialty shows was clarified and information put out to all ABC Members. I did make up "Compliances Made Easy" to help show chairmen and clubs understand and accomplish the goal more easily. At this September's Field Trial and Hunt Test Committee Meeting at the AKC Delegate Meeting, I proposed the following to be presented to AKC: "All Pointing Breeds that host a specialty with their field trial should be exempt from doing double compliances." The Committee moved and accepted this proposal voting unanimously to put it forward to AKC. I also wrote an article regarding this problem for the Delegate Newsletter "PERSPECTIVES". At my first attended meeting of this committee, I requested consideration that the Garmin tracking collar be accepted by AKC for use at trials even though it was a bit over the allowable weight. This new collar was so good at pinpointing the location of a dog that all trainers felt we would not lose as many to highways, etc. The acceptance was given at the July Board of Directors meeting and is now legal for field trials with a special thanks to Doug Ljungren, VP Performance Events. At the September Delegate Meeting, I was voted in for a 3 year term on the Field Trial and Hunt Test Committee.

Group Realignment where the Sporting group would be split along with other group changes has been postponed until the March meeting with more input as to costs and time allowance to All Breed clubs.

Fighting Animal Rights legislation is becoming paramount. So far to the end of August this year, AKC has reviewed over 900 dog legislation bills from all over the United States. There were

800 for all of 2008. At the September Delegate Meeting a new 2 minute video was shown exciting the whole delegate body. In that two minute period it showed how the sport has changed and is being attacked by HSUS and PETA. Unfortunately, the video is not available at this time due to copyrights but hopefully we will be able to get it for club use in the future. It encourages everyone, clubs and individuals, to contribute to the AKC PAC to help elect dog-friendly on animal legislation candidates. The purpose behind the Fund is to help protect our rights as breeders, dog owners and exhibitors in the field and show. I hereby recommend that The American Brittany Club make a donation to the AKC PAC in the amount of at least \$500 or more.

AKC is also looking at implementing a "Grand Champion" title to be earned only by dogs with a Show Championship title. The plan still needs some small tweaking but should be ready for a vote at the December Board Meeting. I have already passed the information to Dee Hempfield who will be publishing it in The American Brittany and requesting comments be sent to me.

My next meeting will be December 13-15 in Los Angeles at the Eukanuba Championship where Linda McBride is again taking the reins to set up and run the Meet The Breed booth. Last year all the workers for the booth garnered a 3<sup>rd</sup> place prize out of all the sporting dog booths. If anyone is at the show, please stop by and see what a great job these folks do with the booth.

Respectfully submitted,  
Judith H. Tighe

## Pointing Breed Hunting Test Regulations - Change to Test Entry Requirements

At their August meeting, the Board passed a staff recommendation to allow a dog to enter a lower level test until such time as the dog has earned a title at a higher level. Prior to this change, a dog was not allowed to enter a lower level once it had earned one passing score at a higher level. The staff feels this provides flexibility to the program and will act to the advantage of dogs/owners in certain situations. This change should not be misunderstood to mean a dog can change classes after entries have closed. The change takes effect immediately.

## From the Managing Editor... *Timely submissions*

Recently I have had several problems with receiving write-ups and photos in a timely manner that go with submitted results. I know we volunteer our personal time for these events, including myself, but PLEASE have whomever is submitting the results, *that are due to the Executive Secretary within 10 days of the conclusion of the event*, include a note that the write-up and photos are to follow along with their contact information, so we can follow-up with them if we have not received anything when it comes time to publish the results, otherwise we cannot be responsible for what gets published or doesn't.

*Thank you,  
Dee Hempfield  
Managing Editor*

## The Calculus of Owning Dogs

By Bill Buchanan

This is a cautionary tale for those of you who have not had the pleasure of raising dogs. Of the five dogs we've adopted over the years, our current characters, Joey and Brady O'Brady, have turned out to be the most entertaining and challenging. Brady is three years old and weighs 30 pounds. He was rescued from a shelter in Oroville, California at the age of five months. Joey is eight years old and weighs fifty two pounds – big for a Brittany. He was two days from being put down at a local shelter before being rescued five years ago. They both now savor better lives at our home in Mill Valley, which is just north of the Golden Gate Bridge. One balmy spring-like afternoon we were traversing the Corte Madera bike path, which is flanked by wetlands full of mallards, egrets and red winged blackbirds. I was on my mountain bike towing a cargo trailer with big Joey lying inside recovering from toe surgery (what led to the toe surgery is too embarrassing to go into here). Both dogs were pumped about a very successful pheasant season that ended two weeks before. Claire was on the cusp of recovering from a torn shoulder muscle sustained when Brady went for a mallard a month ago and hit the end of the leash going 15 miles an hour. This road show was proceeding down the path when a young woman wearing pointy black and white shoes passed on the right side. Before Claire could react, Brady lunged at the woman's shoe and glommed onto it. The woman went down

on the asphalt, ripped a hole in the knee of her jeans, but avoided spilling the huge Slurpee she was holding. Everyone, including her beau, was stunned. Wisely, Joey remained tucked into the trailer like a sack of fertilizer. Brady was confused. He thought the shoe was a coot or merganser. Some bird dog. Negotiations for compensation are pending.

Since we adopted Brady O' Brady three years ago, Claire has considered him Blazer reincarnated – an even more lovable and affectionate version of that gentle soul whom old age carried away to other hunting fields 5 years ago. From the first day, Brady lost no time burrowing into that chamber of Claire's heart that had remained empty for so long. But the bond that developed had a dark side – an overweening protectiveness that demanded strict leash control at all times and excluded any thought of hunting upland game, despite his obvious enthusiasm and innate skills. What if he got shot, run over, or ran away during the hunt? The aftermath would be too excruciating for her to bear. Pheasant seasons came and went, with Joey and me returning from the field redolent with tantalizing smells, a few feathers here and there, and a certain outdoors glow about them. This only intensified Brady's stalking of back yard butterflies, song birds, lizards, and grasshoppers. On a late summer walk across Horse Hill, Bill demonstrated to Claire the fruits of his intensive training of Brady with electronic-collar and whistle—excellent control. In early November, after Claire finally relented, Bill took the two dogs to Blackpoint Sports Club where for the first time Brady experienced the thrill of seeing ring-necked pheasants bursting out of the grass and auguring themselves into a cerulean sky. Never again will he be left at home on hunting days to play, as Claire termed it, "tiddlywinks."

Although still on probation for attacking Chitra Ramadamingdong's shoe on the Corte Madera bike path, Brady could not restrain himself when the muchachos began stripping old shingles from the roof and sailing them down to the side yard where he was confined for the day with Joey. They must have been tasty, because by the time I fetched him for the after-work romp in the hills, he was throwing up black tar. At the Pet Emergency Center, the veterinarian came out of the examining room with a diagnosis: "He has shingles." Not really, but that's what Bill expected her to say. What she actually said was that she would keep him overnight on an IV and that it would cost \$1000 (credit cards only). The next morning Claire took him to our regular vet for follow-up treatment costing another \$350. On top of the \$200 we paid Ms. Ramadamingdong for new jeans and a complimentary massage, the dogs had racked up \$1950 in expenses over three weeks. Perhaps we should send them to subprime mortgage broker's school.

## TEXAS COASTAL

July 16, 2009  
Houston, TX

Our summer specialty show was again held with the Houston Combined Specialty Association shows in the sprawling Reliant Center in Houston, Texas. The weather outside was hot and humid, but inside the temperature was cool; everyone was anticipating their dog's showing. We sincerely thank our judges, our many Brittany friends and supporters from Texas and out of state entrants from Oklahoma, Colorado and California. We hope you will return next year for this 4-day weekend of shows.

Mr. Richard Mixon competently judged his 4 sweepstakes entries and awarded Best in Sweepstakes to MY EMBI DARK BEAUTY STKS owned by Sandy and Tom Schrank and Best of Opposite Sex to COPLEY'S ELEMENT OF SURPRISE owned by Doug Ansel.

Mr. Travis Conboy did an excellent job of judging his 6 dogs, 8 bitches, 1 field trial dog and 5 champions in the breed ring. After carefully considering all entrants, he awarded Winners Dog and Best of Winners to GRANMARS DIAMOND IN THE ROUGH owned by Jody Kirtley and Tim Foley; Winners Bitch to POWER'S AMAZIN ZOE owned by Robert Power; Best of Opposite to TRIUMPHANT PEACHCREEK ELECTRA owned by John Lisano-Breckenridge; and Best of Breed to CH RJ'S SIERRA EDITION SH owned by Robert and Joyce Wire.

Junior Showmanship was also judged by Mr. Conboy and he selected ANNABELLE ELLIOTT as his Best Junior Handler.

Thank you to all who attended our show especially Sandy Faulkner, our ring steward, with Barbara Steele assisting, and club members Fred & Betty Brooks and Willo Barfield. AND, we cannot forget our generous trophy donors Tom & Sandy Schrank, Steve Hintzel, Fred & Betty Brooks, Braescroft Animal Clinic, Kris Kieta,

Larry & Patricia Mankin, Robert Power and Jim & Mary Crawford. Thank you for supporting our show. Hope to see you next year!

## SUSQUEHANNA July 18, 2009 Centre Hall, PA

The Susquehanna Brittany Club held their Specialty show in conjunction with the Nita Nee Kennel Club in Centre Hall, Pennsylvania. The grounds where the show is held is the Grange Fairgrounds that have over 1000 campsites with electric and water. Also on the Fairgrounds is a huge Quarter Horse show and there is plenty of room for everyone. The local Lions Club also serves home made ice cream. The weather was

outstanding, the scenery is breathtaking. What more could a person want?? Oh yea, we are supposed to be talking dogs! The weekend started out Friday evening, when all of the Susquehanna Club members not showing at the Anthracite event (ie all of the Field trailers), went to the Nittany Inn for an all you can eat buffet. The next morning, they all showed up bright and early at the dog show. Bob Youngs was there to spread good will! Marilyn Fenicle was in charge of the breakfast hospitality. Karen Pollazzolo & Barb Youngs worked with Marilyn to keep the goodies on the table. Dan Rein did his part by providing the 'green cleaners' for all of the class placements. Judy Cohen was in charge of the flower arrangement baskets that were our trophies. Karen Pollazzolo and Barb Youngs did double duty with helping handlers with dogs as they came into the ring and left the ring. At one point, Barb had two dogs, and Marilyn had one "all hooked to their hands" while folks either were in with another dog in the ring or while the handler was grooming and needed somebody to hold the dog. Everyone had a wonderful time. And when last seen, the field trialers were heading to the horse show, but since I didn't have Garmin's on them - I don't know where they ended!!

The results follow, but it should be noted that our Best of Breed, CH TRIUMPHANT'S ABSOLUTE JH, went onto a Group 4 in the Sporting Group. In addition, MELISSA MCCLOSKEY competed in the Juniors Open Intermediate Class with her dog, CH. Encore's Triumphant Valedictorian. In Rally, Dot Moon placed first in the Rally Novice B class with RAO READY HALFMoon PISTOL PETE. Claire Ricci qualified in Rally Advanced A class with HIT'S ONE MORE FOR THE ROAD, RN. Finally, in obedience, the Brittany World has a new UD titled dog, MACH6 JULIA FLYING CINNAMON GIRI CDX RE MXF. Julia and her owner, Dorann Banks received their third leg in Utility and a first place in the class. Congratulations to Julia and Dorann!

## BUCKEYE July 25, 2009 Marion, OH

As has been a tradition for quite a few years the Buckeye Brittany Club held our annual specialty show on Saturday July 25 at the Marion Co. Fairgrounds in conjunction with the Dan Emmett Kennel Club show. The weather was a little iffy at times with rain showers off and on but overall it was a nice day. We'd like to thank all of the exhibitors and spectators who were at our show. We realize in this financial climate that entries and travel expenses can often deter us from competing and we appreciate each and every entry and all of the support we received from the Brittany community.

All enjoyed our after show cook-out and the socializing that goes along with good food and the company of those with interest in the Brittany.

The Buckeye Club would like to say a special thanks to club member, Chuck Aiff, for filling in to judge just two weeks prior, when Elaine Moore notified us she would not be able to due to upcoming surgery. The whole Brittany community wishes a full recovery for Elaine.

Once again thank you for all of the support and hope to see you back next year!

# Event Committee Bulletin

A Publication of the AKC Event Operations Department

### Friendly Reminders

In the rush to complete event registrations, submit applications, judging panels, and show results, or deal with the multitude of issues that are involved with hosting an event, it is easy to forget a few things. Below are some friendly reminders regarding some common misunderstandings or misconceptions that the Event Operations department sees on a regular basis.

- *Event committees are in charge on the day of their event. They are responsible for enforcing all applicable AKC rules and regulations. Even if an AKC Field Representative is at the event, the event committee is still the ultimate authority and has a responsibility to be sure that exhibitors follow all rules and regulations.*
- Chapter 3, Section 7 of the *Rules Applying to Dog Shows* states that dogs shown in the Amateur-Owner-Handler class must be handled "by the registered owner of the dog. This class is restricted to exhibitors who have not, at any point in time, been a professional dog handler, AKC approved conformation judge, or employed as an assistant to a professional handler." A professional handler, or agent, is defined as "any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay."
- *Regarding Companion events, dogs must be on a leash except while in the ring competing or in an approved practice area. This is a very common misunderstanding and it is the responsibility of the event committee to enforce it.*
- When clubs enter an event application through Online Plans, they must hit the "Checkout" button for the information to be received by Event Operations' internal system. If they simply save their event info in Online Plans, it will not be processed.
- *All Breed, Limited Breed and Specialty clubs must meet the compliance requirements each year and submit the necessary paperwork.*

For more information, contact [eventnews@akc.org](mailto:eventnews@akc.org).

## AKC Performance Events: Breed Vital Working Characteristics Into the "Mind, Heart, and Spirit" of Your Dogs.

By Doug Ljungren

The American Kennel Club provides three types of events in which owners may compete with their dogs: conformation, companion events, and performance events.

Performance events are those where dogs are evaluated as to how well they perform the function for which they were originally developed. For example, how well does a Labrador Retriever retrieve or how well does a Border Collie herd. As such, performance events are often referred to as being "breed specific." The AKC offers 15 different performance events in which 125 breeds may test their functional skills.

The results of performance events provide valuable feedback to the serious breeder. How well does a dog perform the function for which its breed was created-what could be more basic than that?

There are two major types of characteristics that make a breed unique from others. These are often referred to as "the essence of the breed." These characteristics are proper conformation and breed type, and the ability to perform its function. If a dog has lost breed type or lost the ability to perform its function, it is not a good candidate for breeding since it fails to demonstrate the characteristics that make the breed what it was meant to be. Maintaining and enhancing these characteristics is vital to preserving the essential character of the breed.

### Form Follows Function, But...

Many breed standards were developed to ensure the breed is built properly to do its job. Maintaining proper conformation and health standards are important components needed to accomplish a greater purpose: the ability of a working breed to perform its function. We often hear that form follows

*German Wirehaired Pointer on point.*

function; however, the reverse is not necessarily true, function does not necessarily follow form. Why? Because there are performance characteristics (in addition to structural characteristics) that a dog must possess before it is able to properly carry out the function for which it was developed.

### Instincts

Working breeds must possess the basic inherent ability to perform their function. Pointing dogs point, herding dogs herd, scent hounds smell tracks. An owner can enhance these abilities through exposure to situations that let these traits come to life, but the dog, in the most basic sense, does these things instinctively.

### Desire

A good working dog must also possess the desire to do its job. Desire is also an inherited trait. It can be fueled by making a dog's training experiences enjoyable. But if a dog lacks the desire to do its job, it is almost impossible to instill it through training.

### Intelligence

Intelligence makes training much easier. It is the lucky owner who can enjoy the rewards of training when the dog "gets it." Intelligence is an important characteristic for any dog that will be trained extensively, as is required for most performance events.

### Temperament

A dog's temperament will influence many desirable traits. For working dogs, one of the most critical is the delicate balancing act between cooperation and independence. Each type of performance event requires its own unique blend of cooperation (dog listening to its handler) and independence (dog deciding how best to handle a situation). Training can shift this balance to a degree, but fundamentally, a dog will have a difficult time performing its job properly if it is uncooperative or overly dependent on its handler. Temperament is an important inherited characteristic and should be a major consideration for any serious breeder.

There are other characteristics, such as the ability to handle intensive training and the willingness to work with other dogs (particularly significant in pack sports), which are important to the success of a working dog. While perhaps not as obvious as some of the other performance characteristics, the lack of these traits will diminish a dog's ability to perform.

Maintenance and enhancement of these inherited traits are the responsibility of the breeder. No small task. These characteristics cannot be seen in a conformation ring. They must be evaluated in the field.

### AKC Performance Events

AKC Performance Events provide a means to evaluate a dog's ability in the field. Performance events include both tests and trials. In tests, a dog's performance is judged against an established standard. It is a pass/fail event. In trials, a dog's performance is judged against that of the other competitors. Dogs are placed first through fourth.

Most people new to performance events enjoy entering a test as the first step. Tests are divided into skill levels in order to accommodate different degrees of training and experience. A good way to get started is to watch a test in order to become comfortable with the setting and requirements (see box below).

### Evaluating Performance Characteristics Takes Time

As one progresses through the testing program, test levels become increasingly difficult. It takes time for a dog to gain the experience and training necessary to pass. As the skills required become more difficult, some dogs will reach the limits of their potential. It varies among sports, but it is not unusual for it to take three to five years to obtain a true picture of a dog's performance characteristics. This provides important feedback to the serious breeder. It also does not lend itself to a fast cycle in one's breeding program.

Dogs and their owners who are committed to reaching the highest levels of accomplishment should be held in the highest regard. These

#### Getting Started

Tests in your area can be found by visiting the AKC's Event Search.

To obtain regulations pertaining to the different performance events, call the AKC order desk at 919-213-9767 or e-mail [orderdesk@akc.org](mailto:orderdesk@akc.org).

animals can potentially play a valuable role in the enhancement of the breed.

### Build Upon What Others Have Done

Once a conscientious breeder decides that paying attention to performance characteristics is important, the question becomes "How do I start?"

A logical first step is to test your dog. However, to build a line with proper conformation and performance characteristics is a long-term project. No matter which working breed you have, there will have been others before you who have stressed the importance of performance characteristics in their breeding program. It makes sense to jump-start your program by building upon the work others have already done. The other breeder will be flattered, and your program will be generations ahead.

### Breed Stewardship

In addition to proper conformation and breed type, there are performance characteristics a working breed must possess in order for it to perform the function for which it was originally developed. Only by putting the dog to work can one determine the degree to which these characteristics exist. Allow the dog to awaken its instincts and gain experience, and then make a truthful evaluation of its abilities. Performance characteristics reside in the most delicate of places – the mind, heart, and spirit of the dog. Serious breeders, those interested in maintaining and improving the essential character of the breed, will give significant consideration to performance characteristics when contemplating their breeding program.

Breeders bear a significant responsibility: the stewardship of the breed. For working breeds, that means maintaining the breed's ability to perform its function.

### Dual Wins Gun Dog Championship

It is difficult to become a Dual Champion in the pointing-dog world. A dog must possess the proper conformation and breed type, retain hunting instincts and drive in order to perform at a competitive level, have the disposition to work cooperatively with its handler while also maintaining its independence, and have the temperament and intelligence to accept intensive training.

The owners of these dogs are striving for the ultimate accomplishment: the dual dog.

DC/AFC Up n' Adam's Super Sioux, CDX, SH (Sioux), a German Shorthaired Pointer owned by Katie and Tom Tazza, won the 2009 AKC Retrieving Gun Dog Championship and took fourth place in the Non-Retrieving Championship, held in March near Danville, Virginia.

Katie's advice for those wishing to strive toward a dual dog: patience.

Start with a structurally sound dog. Make sure it has a high desire to hunt and possess style on point. You can't put these in the dog; they must be "in the genes."

Hunting tests are a good place to start. Field trials will take a while longer if you want to handle your dog yourself since it takes time to become a good handler. Always look for the positive, even when things don't go as planned. Study those pedigrees, and with patience, hard work, and a little luck you may end up with a dog like Sioux! - D.L.

### 2009 CHAMPAGNE MEMORIAL SHOOTING DOG CLASSIC

The 3rd Annual running of the Champagne Memorial Shooting Dog Classic was held at the historic English Setter Club of America in Medford, NJ on April 7th, 8th, and 9th. By all accounts the event was a smashing success! It was sponsored by Cargil/Nutrena Feeds and their new Loyall dog food. Handlers and observers alike were treated to no charge every night of the week to a different dinner menu. Including a grilled venison winners dinner served up by Ralph and Judy Kiracofe, a chicken and rib bar bq on Thursday night and a sea food steamed clam fiesta complimented by a great blue grass band on Fri. Night. The party was compliments of Loyall pet foods and Water and Wings Bird Dog Training Grounds in Zionsville, PA.

Twenty-two dogs came to the line (100% amateurs) for our two prestigious judges, Dan Burjon and Allen Welch. The extremely windy weather made for difficult scenting conditions and constant mounting and dismounting to retrieve everyones hats. Never the less the quality of the performances put down by the dogs was outstanding in everyones eyes including that of our two judges. Their

decision at the conclusion was not as easy job and not made with out much deliberation.

The winners:

Brace 1 - BLUE ROCK'S DIAMOND GIRL (Diamond), John Perry & BUCKS HIT THE ROAD JACK (Jack), Ralph Kiracofe. Diamond and Jack had a strong breakaway, Jack going left and Diamond heading right. The two dogs funneled down into the cut to the foundation. Both were forward. Diamond was on point on the edge of the cow field. With manners in tact, she was released and made a nice cast of the field. Both dogs went up through the cut of the barking dog hill towards the airport field, where they took separate sides of the cedars. Jack continued across to the treeline. Point was called and Diamond was standing tall. Diamond was released and took the far airport edge up to the finger and the island, where she established her third find standing well off her bird. She took her edges nice and was well to the front. As we came through the cut to the power lines Diamond was standing and Jack was backing. Ralph opted to take Jack on, while John relocated Diamond with her fourth find. With time left, Diamond moved forward hunting. She went past the pond to the woods on the right. Standing in the woods she established her fifth mannerly find. She was released and time was called.

Brace 2 - HIT'S SHOWTIME (Brandy), John Perry & BOOTS CHIP OF CONJUROR BAY (Chip), Ralph Kiracofe. Brandy and Chip broke away from the gate. Both dogs going toward the foundation then turning left. They were in a nice forward race and hunting. Brandy took the far side of the cow field, up through the barking dog hill and out to the airport field, where both dogs met up. Chip make a swing to the left and headed up the tree line, while Brandy stayed wide and took the airport field with an impressive cast. She headed out front to hunt the island. She continued rimming the fields over the bridge to the wet field. There she hunted and took the lower side of the cedars to the opening of the cow field, where she landed her first find on the corner. Point was called. As john rode up, Brandy was standing tall with birds to the front and side of her. With everything in order she was released up the hill continuing her forward race. Her second find was recorded in the area of the deer feeders. Once again, everything was in order. She continued forward and finished the hour strong and going away.

Brace 8 - ROVANS TAILWIND TOMMY (Tommy), Ivan Clark & HIT'S FOR PETE'S SAKE (Petey), Judy Kiracofe. The two dogs broke away strong at the gate heading to the back fields with Petey taking the high left side and Tommy the right hand edge. They met at the cow field with both dogs running hard taking their edges. Petey went through the cut towards the barking dog house and continued on taking the left side down the cedars only to find him standing tall with a 12 a clock tail. Judy flushed and Petey was released and continued to the end of the hedgrow where another classy point was established. He was released again. Tommy went to the island where he had a find. Petey took the outer edge of the school bus field across the bridge around jake's pond and carded another stylish find on the woods edge. Petey was released and continued up high on the state side only to find him standing again with great style. He was released again going to the front with speed and desire to find another bird. Petey's last find was across the road on the edge of the woods going towards the foundation. The birds were flushed without error. Tommy and Pete continued towards the cedars and Pete came down the hill towards the big field hedgerow. Tommy was picked up in back of the cemetery. Petey took the edge going away down to the second bridge when time was called.

Brace 9 – ROVANS ROCK RIDGE WINJAMMER (Jammer), Phil Bogdanovich & HIT'S ALL JACKED UP (Cruise), Joe Sikorski. This brace was the first brace on Thursday morning, from the first whistle, Jammer handled by Phil was driving forward using the wind and the edges. She was found standing her first bird intently at 10 min. After release, in a move that was not made by many, she found the edges of the lower cow field before moving forward on the course. After making a wide cast along the left side of the course but always moving to the front she was found on point at 25 min. In the woods near the State land and 35 min. At the east end of the bird field showing style with both finds. Moving forward and handling smartly she made game again at 42 min. and 53 min. When time was called she was going away showing speed and stamina looking like she could go for another hour if needed.

When the dust had settled first place went to ROVANS ROCK RIDGE WINJAMMER handled by Phil Bogdanovich and runner up went to HIT'S FOR PETE'S SAKE handled by Judy Kiracofe. Third place went to BLUE ROCK'S DIAMOND GIRL handled by John Perry. Fourth place went to HIT'S SHOWTIME handled by John Perry.

We want to thank everyone that contributed to making this event such a great success with special thanks going to John, Daniell and Joanne Perry for all their hard work and dedication.

We are looking forward to next years competition and it's new name – the 2010 Delaware Valley Champagne Memorial Shooting Dog Championship!

## GREATER MILWAUKEE Bong Recreation Area Kansasville, WI April 11-12, 2009

Our entries for this trial were exceptional, in spite of it being held on Easter weekend. Thank you to all our judges for helping out. Some gave up an opportunity to run their dogs on Sunday to be home with their families. The weather, although windy, couldn't have been nicer. It was sunny both days, in the 50's, and great for dogs and horseback riding.

After the initial scramble to rearrange the running order due to four females coming into season, the trial ran smoothly.

This year, we were provided with bags of dog food and treats by Redpaw Dog Food for the winners. For the last three years of the Iditarod, Redpaw has been fed by the winner.

I also want to thank all club members who helped out with bird pick-up and planting, food concessions and clean-up, and happy hour dishes. A special thank-you to Sam, who filled in as trial secretary at the last minute, as well as being club president.

Congratulations to all the winners. Special congratulations to club members whose dogs won the Amateur Gun Dog, Open Derby and Amateur Walking Derby, earning points toward field championships. Thank you to all participants for joining us. We hope to see you in the fall.

## NEBRASKA BRITTANY CHAMPIONSHIP Branched Oak Field Trial Grounds Raymond, NE

Thirty-seven dogs were drawn, and three days later, KINWASHKLY DAKOTA MOLESTER, handled by Jim John, was named the Champion. Runner-Up honor was awarded to 11-year-old THE FAR SIDE'S KID AMEE, handled by Al Gorrow. Third place was STARLIGHT'S BLAZING SIRIUS, handled by Bob Burchett. Bob Burchett also handled the Fourth place winner, COUNTRY ROAD'S ROUGH RIDER.

Nebraska Brittany Club held their Regional trial the weekend before this event. Many hours were spent by Claudia and Stan Truksa keeping things organized, from driving the dog wagon to following every brace as a Marshal.

This event was sponsored by Purina and we thank them for their continued support for our championship events. The judges for this Championship were Jim West from Iowa and Wes Felt from Texas.

### The Running:

DB'S FOOL PROOF BLAZE, John, and BOUDREAUX'S POKI JJ JOHNSON, Johnson. Bull was forward the first half of the brace, but slowed down and was picked up by the handler. JJ was picked up early.

JAYHAWKER TEQUILA WITH A TWIST, Tillson, and RAMBLIN MAN, Gorrow. Randy was picked up early. Taryn had two finds and had some nice moves during the hour.

## WASHINGTON

### BLM Goose Butte Management Unit April 18-20, 2009

Our Spring field trial was run on these excellent grounds prior to the ABC Chukar Classic. One of the highlights of the trial was when a young dog from California,

Nebraska Brittany Championship winners, left to right: Stanley Truksa, Jim John, Justin Kalina with winner FC/AFC KINWASHKLY DAKOTA MOLESTER, Al Gorrow, Pam Baird with runner-up FC/AFC THE FAR SIDE'S KID AMEE, judge Wesley Felt, Tom Thomas with third place winner DC STARLIGHT'S BLAZING SIRIUS, judge Jim West, Bob Burchett with fourth place winner DC COUNTRY ROAD'S ROUGH RIDER, and Chris Burchett.

REDLINE'S TWIST OF SMOKE, won the Open Gun Dog (a five-point major), to complete his field championship at 19 months old. Congrats to pro handler, Paul Doiron, and owners, Sabrina & Gregg Arney of Long Beach, CA.

Another highlight actually happened on Friday, the day before the trial started. Two of our competitors – we'll call them Joe and Jim – were out running their dogs. They came to Crab Creek, which flows between the camp area and the gun dog course. While the dogs were swimming across the creek, Joe and Jim followed behind them. Joe was almost across when he heard a lot of splashing upstream from him. He looked back to see Jim swimming and his horse struggling to keep his head above water! They both, Jim and his horse, made it to dry land. After a quick trip back to camp and a hasty change of clothes, the handlers were back out with a different pair of dogs. Gotta love these field trialers. We're a hardy bunch! During springtime in the Northwest, our creeks brim over their banks with the snow melt and hide the deep water holes. Luckily, this incident had a happy ending; this area is now referred to as "Hammett's Crossing"!

The trial was completed Sunday afternoon. A big thanks to all the west coast field trialers who helped make this trial a success.

**Goose Butt BLM, Ritzville, WA**

**April 11-12, 2009**

The Whid Isle Brittany Club held their Spring Field Trial on April 11th and 12th at the Goose Butte BLM Area near Ritzville, Washington. We had a nice slate of over 80 entries with participants from Washington, Idaho, Oregon, and California. Temperatures were very comfortable for this time of the year with dry conditions except for some rain in the late afternoon on Sunday. With that, the dogs had considerable bird work (some good, some not so good) and a number of excellent performances in each of the stakes so the judges had some worthy dogs to choose from for placements. Special recognition goes to amateurs Tom White whose dogs took first and second in the Open All-Age and Joe Waitman whose dogs took first and third in the Amateur Gun Dog and second in the Open Gun Dog. It's great to see the amateur handlers continuing to give the pros a run for the placements week in and week out!

We want to thank all of our judges for their attentiveness and time in the saddle. They did a great job and their placements were well received. Additionally, we want to thank pros Paul & Peggy Doiron for bringing their string up to Washington and new pro, Jim Cochran,

for supporting our field trial. Without the support of our professional trainers, the entry at our trials would be significantly smaller and it would be difficult for our clubs to remain financially solvent. Finally, we would like to recognize all of the hard work of our WIBC members as well as from everyone else who pitched in with bird planting, water transport, food preparation, etc. As usual, it was a very busy weekend but we were able to get everything accomplished in a timely manner and hopefully everyone had a good time competing and socializing.

We look forward to seeing everyone in the Fall!

## IDAHO

### Marsing, Idaho April 25-27, 2009

The Idaho Brittany Club held the spring trial April 25-27, 2009 at Milepost 9 Hwy 95 Marsing, Idaho. We had a very large turn out this spring as we also hosted the Western Futurity immediately following our trial.

We would like to thank everybody that came to our trial whether it was a volunteer, participant, or judge we really would like to say thank you again.

Scott Johnson made the trip from Kansas to judge our trial plus the futurity. But with some untimely luck with his truck - he stayed longer than planned. We would like to thank club members Dave, Pam and Jason Monson for being host to Scott and allowing him, all the dogs and horses to stay with them while he had to wait for his truck to be repaired. The Monson's also came up Sunday and did their famous Dutch oven cooking for our meals, pocket taco's for lunch and chicken and stuffing for dinner.

Thank you judges Scott Johnson, Joe Waitman, Clem and Marilynne Little, Mark Shearman, Roger Borine, June McConnell, Tom White, Pattie VanDeCoevinger, Joe Schaefer and Jon Young. Thank you club members, Larry Sandusky, David Kirk, Ron Dunagan, Steve and

Greg Ball, Frank Bright, Robin Tomasi, Dave, Pam and Jason Monson, Bill Boyer and Sharon Millspaugh for all of your time without you our trials couldn't run smoothly. Till next trial

# MID-AMERICA BRITTANY CHAMPIONSHIP

April 20-22, 2009 • Branched Oak WMA, Raymond Nebraska

Reported by Jessica Carlson

Standing, left to right: Judges Dave Borg and Dr. Clint Wilber; Frances Classen with Champion FC/AFC TSUNAMI, Pam Baird with Runner-up FC/AFC THE FAR SIDE'S KID AMEE, Scott Johnson with third place winner BOUDREAUX'S POKI JJ JOHNSON, and Al Gorrow with fourth place winner FC/AFC BOUNCIN' BETTY.

It seems there are many places where people claim "if you don't like the weather, wait five minutes", and this has often been said in Nebraska. While we didn't have changes every five minutes, we did see a dramatic shift from the start of this three-day Championship to the end. Two recent rainstorms had left the entire course thick with mud and slop as we began on Monday morning, and under cloudy skies we were challenged by winds reaching 40 miles per hour for most of the first day. The winds calmed that night and Tuesday was nothing if not pleasant, with sunny skies and comfortable highs in the mid 60's. Wednesday dawned bright as well, and the mud had mostly dried, but the heat quickly began to rise and reached the low 80's in short order. We went from coats and hoods to t-shirts and sunburns, but that's weather for you, and the dogs must meet all challenges to deliver a performance worthy of the title of Champion.

The Missouri Valley Brittany Club hosts the Mid-America Brittany Championship each spring at the Branched Oak Wildlife Management Area, on the beautiful rolling landscape surrounding Branched Oak Lake outside Raymond, Nebraska. New chairman & secretary Bill & Julie Cockrum did a great job putting the trial together with help of Jack Higgins. Always keeping things moving along was trusty dog wagon driver and "Hay Pirate", John Savicky. We are grateful for the continuing sponsorship of Purina, whose feeds most often power of the top winners in our Championship stakes. Judges for this event were

Nebraska native Dr. Clint (Pete) Wilber, veteran of many Championship assignments throughout the country, and Dave Borg, from Iowa. In his introductions, Higgins gave Borg the distinction of having the "biggest, reddest rig in camp"! Pete and Dave attentively watched over each of the 38 dogs that came to the line during their three days of riding for this Championship.

The winner emerged in a small liver and white package, 7 year old FC/AFC TSUNAMI (better known as Sue), handled by Scott Johnson for owners Jim & Meam Floyd of Hutchinson, KS. Sue is the offspring of two dogs well known to Brittany Championships, NAFC/FC/AFC Lea's Running Jayhawk and FC/AFC Poki-Dot. This was Sue's first Championship title. She started with speed, and worked up past the fish ponds where Sue pointed at a deadfall; her bracemate approached and slowed, but failed to back and was picked up. A turkey was seen running out, so Johnson rode to collect Sue and take her forward. Sue maintained her speed but was out of pocket as we reached the gun dog breakaway. The scout had her on the left side and called point but waved it off as we approached. The dog was then out of sight for several minutes. The scout had gone out looking for her to the left of the bridge, and Johnson eventually went back around calling for her. A gallery member saw Sue coming from the woods and crossing the wooden bridge. Johnson arrived to head in her direction, and the judges followed rather than taking the course around the concrete bridge. Sue covered a lot of country with a lot of speed

as the temperature began to rise. She was encouraged forward by her handler's voice and was out of sight to the front as we approached the long treeline. Scout called point from above, and we rode to find Sue standing on the path pointing into the deadfall. Birds were called out and Sue remained motionless through the shot, with head and tail high. She was seen moving quickly through various edges and brush lines as we turned towards the road, then she took the line heading to the road and met her handler as she came from the brush when time was called.

Runner-Up is no stranger to the winners' circle, 11 year old veteran FC/AFC THE FAR SIDE'S KID AMEE, handled by Al Gorrow for owner Burton Wice. Amee charged to the front off the breakaway and was out of sight, coming from behind with a bird at 5. It was judged long dead and she continued on, maintaining a forward race with some powerful casts. She went forward at the gun dog breakaway, crossed the wooden bridge, and was not seen again until she showed at the brush line on the first hill of the all age course. She went forward, then out of sight to the front to be found standing at the lower end of the long treeline, with a mannerly find. Taken up the hill she had a second find on the treeline 2 minutes later, raising her posture at the shot. She was pointed out forward as we continued around the course, and time was called as she headed up the last hill before camp.

Pressing the winners was a full brother to the Champion, 3rd place BOUDREAU'S POKI JJ JOHNSON, handled by Scott Johnson for owner Darlene Dow. This strapping white and liver male displayed his power from the start. He maintained a wide, forward pattern and scored his first stylish find of a small covey in the ditch grove at 29. He had a second excellent find at the fish camp, took the right outer edge and showed nicely all the way to the end of his hour, finishing forward.

Taking 4th was another veteran campaigner, FC/AFC BOUNCIN' BETTY, handled by Al Gorrow for owner Bill Burton. Betty raced out of sight from the barn pasture and was next found standing at the top of the first hill, under a tree at the brush line. She stood motionless with head high through the flush. Continuing on, Betty took the right edges, then headed down the long treeline ditch and was found standing. Gorrow said a bird flew as he was approaching, but the judge did not see and gave Gorrow the option of flushing or relocating. Gorrow relocated but Betty could not find the bird where Gorrow had seen it land. We continued on with Betty shortening somewhat, and twice heading off to one side, requiring Al to wait for her return. At 50 she headed up a long ditch to the road and Gorrow called point, Betty moved and pointed again, then repeated as Gorrow dismounted. He flushed a single and sent Betty on to finish ahead.

Other performances worthy of mention included FC/AFC TJ's Prairie Blizzard, owned and handled by Ed Tillson. Blizzard had a powerful performance and stylish find, remaining forward his entire hour. AFC Tub O Tee, owned and handled by Dave Lincoln, had three excellent finds and some powerful ground work. DC Shadow Attack, handled by Ed Tillson for handler Phil Dangerfield, put down a strong race in the powerful wind, using available edges well, and had a single find in a ditch. DC Starlight's Blazing Sirius, handled by Bob Burchett for owner Tommy Thomas, also

had a creditable ground race with an excellent find, unaffected by his bracemate stealing point in front of him. And finally FC Jo-Lockapex Dark Roux Gumbo, owned and handled by Dave Lincoln, had terrific ground speed for his entire hour punctuated by three very stylish finds.
