WHEN NUTRITION COUNTS

The birds are scarce, but he continues his search working the ditches and fence rows quartering through the field. He slams on point and you say to yourself, "this is what it's all about."

His breeding, your training/conditioning combined with high-quality nutrition have made this possible.

Give him the high-quality nutrition that helps keep him in the field when other dogs are heading for the truck. Feed what many top field trialers feed — Purina® Pro Plan® Performance Formula.

VOLUME LXI • NUMBER 9 • SEPTEMBER 2009

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

W.E. STEVENSON SR. MEMORIAL ABC NATIONAL DUAL AWARD

Excerpts from "Story of the Dual Award" by Nicky Bissell, 1980

We've been doing it at the Nationals from the very first, "dual dogging it" that is. The first combined show and trial in 1943 offered a Handcrafted Baked Bean Service for the Best Looking (Dual purpose) dog in trial. An ad claimed Aotrou MacEochaidh was the winner. He was 1st in the All-Age and first in the Novice class at the show, having not yet won either of the titles that he subsequently acquired.

In 1944 the ABC offered an engraved bronze placque for the Dual Award. No winner is recorded. The Brittany magazine gives a list of the top contenders for the award according to the point schedule:

SHOW: BOB 4 points, BOS 3, Winners 3, Reserve Winners 2, First in regular class 1, Champions entered 2.

FIELD: All Age 1st 5 points, 2nd 4, 3rd 3, 4th 2; Open Derby 1st 3 points, 2nd 2, 3rd 1; Open Puppy 1st 2 points, 2nd 1.

A total of 6 points required with points from both show and field necessary.

In 1947 Allamuchy Valley Addie clearly won the award with 1st in the Limited Class and 1st in the Open All-Age. In 1949 Allamuchy Valley Uno was 2nd in the Open All-Age and Reserve Winners at the show to be the next recipient. In 1956, Holley Haven Duchess won Best of Opposite Sex in the show and placed in the Amateur stake for a total of 6 points. Towsey then won the award in 1957 with his 1st in the Open All-Age and 1st in the Novice class.

The point system was updated in 1958 to include points for the National Championship, National Amateur, and Futurity. The adult field winners were scaled at 5, 4, 3, and 2 while the Futurity started with 4 points. The show awards ranged from 5 for Best of Breed to 1 for first in a class. Dogs were required to win in both show and field. Only the highest placement in the show was to be counted but all field placements allowed in the final tabulation. The following were winners: 1958 and 1959 Dingo's Little Mike, 1960 Penny's Happy Pepi, 1961 Dingo's Little Mike again.

A further update of the system was required when the Show Futurity was inaugurated in 1963. Only adult wins in the field carried points, with show points being updated so that any class winner who defeated at least one dog received points. The show change was required because of the [increased] size of the classes. [The Gun Dog Championship was added to the point system in 1995.]

Dual Award Point System (updated 2008)

The ABC may designate Dual Dog of the Annual Show and Trial to the dog that has amassed the most points for his or her performance in the National Specialty Show and Field Trials. In case of a tie, preference will be given to the Open All Age Championship, then the Amateur All Age Championship, then to the Open Gun Dog Championship.

The points upon which the dog is to be chosen shall be based on the following scales for field trials and bench show performance and the points obtained in each shall be totaled. Dogs must receive points from both the show and field. Only the higher show points received will be considered but all field points received shall be allowed in the final tabulation.

Field Trial Placements:	1st	2nd	3rd	4th
Open All Age Championship	6	5	4	3
Amateur All Age Championship	5	4	3	2
Open Gun Dog Championship	5	4	3	2
Amateur Gun Dog Championship	4	3	2	1

Specialty Show Placements:

Best of Breed.....	6			
Best of Opposite Sex	5			
Best of Winners	4			
Winners.....	3			
Reserve Winners	2			
Champions shown.....	3			
Award of Merit.....	3			
Any class placement with 5 or more entries	2	1	1/2	1/4
Any class placement with 4 entries	1	1/2	1/4	
Any class placement with 3 entries	1/2	1/4		
Any class placement with 2 entries	1/4			
If there is a single entry in a class	0			

Bench Champions entered and shown in Best of Breed competition or in any non-regular classes with single dog entries (such as Veteran's, Field Trial Class, etc) shall receive an automatic 3 points toward the Dual Award, however no additional points are to be accumulated for placements in Field Trial, Veterans or any non-regular classes.

No points are awarded for participation in Parade of Champions, Stud Dog or Brood Bitch, or any other non-regular classes with multiple dog entries.

The single highest point value earned in the show will be the one used in calculating the award.

Meet the 2009 American Brittany Club National Open & Amateur Gun Dog Championship Judges

Ken Chenoweth

My passion for bird dogs started back in 1974 when I purchased my first German Shorthaired Pointer. By the early 80's I was training a few dogs for the public and by the mid 80's I had judged some of the local trials. As my

passion and experience grew I began to accept more and more judging assignments. Since that time I have had the fortune of judging several National events for the Vizsla Club of America, The National Red Setter Championship as well as The Rocky Mountain Championship, Missouri Open Shooting Dog Championship, Hawkeye Shooting Dog Championship, and the Missouri Amateur Shooting Dog Classic. I have also had the fortune of judging several Brittany Championships like the Prairie States and the Iowa Gun Dog Classic. Besides being busy spending time in the saddle judging I have had the opportunity of finishing several field Champions, Amateur Champions, and Regional Champions. I am looking forward to coming to Ionia for the first time and also looking forward to watching fine Gun Dogs from across the country at the American Brittany Club National (Open or Amateur) Gun Dog Championship

Ed Janulis

I started field trialing about 19 years ago, in the year 1990. I got started the same way many of us did; buying a "hunting dog" off the back of a pick-up and then being introduced to Field Trialing" by a senior member of the LaSalle

Brittany Club. Being competitive in nature and an avid outdoorsman, Field Trialing soon entered my blood and continues to churn inside me today.

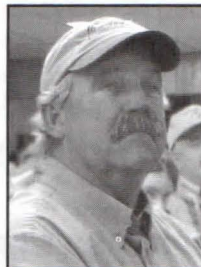

My first Brittany, Bandit U Dickens, affectionately called Bud, was bred from a future Bird Dog Hall of Fame sire named Rimarda's Trademark. Bud finished as an American Field Champion, FC and AFC. Along with Bud I purchased a second dog named "Gamblers Ace in the Hole" call name "Rocky". He had a long career culminating in the recent induction into the Bird Dog Hall of Fame in the spring of 2008. I have campaigned a number of other good dogs including Shenandoah's White Lightning and Gamblers Jazzin it Up. Recently we finished Trademark's Ice Man Open Championship.

Along with running dogs I have judged in numerous trials both Brittany and other breeds. This included Vizslas, Shorthairs and Irish Setters. Other judging assignments included stakes in the Michigan Championship, Illinois Championship and Prairie State Championship. Recently I judged the Vizlas Puppy National Championship.

I was First Vice President in the LaSalle Brittany Club for a number of years, current President of Hoosier Brittany Club, Central Region Director for the American Brittany Club, member of the Michigan Championship Association and Director for the Prairie State Brittany Championship Association.

Bill Landress

In the late 60's, as a 12 year old living just outside of Buffalo NY, I was given my first Brittany. We taught each other how to hunt, and in 1972, when my family moved to Cherry Hill NJ, I joined the English Setter Club of America. I was the youngest non-family affiliated member.

That's where I was introduced and hooked to field trialing. In 1976, I moved to Porterville California and for the first few years, all I did was hunt with my dogs. In the early 80's my son Justin and I met Darrell Poodyrey, and started trialing again. Justin loved to run the dogs in Puppy and Derby and I would finish them up in the adult stakes.

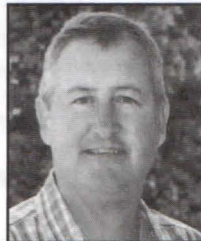

Over the years, I have judged most of the AKC pointing dog breeds in the west, as well as American Field region 11 Shorthair OAA and OGD Championships, American Field Chucker Championship, and twice judged the Weimaraner Western Open Championship. Last year I judged the Vizsla Nationals in Sonoita AZ, the Weimaraner Nationals in Ardmore OK, and served as the judge's marshal for the ABC Open All Age Championship in Booneville, AR.

I have been field trial chairman for many successful AKC regional field trials and AFTCA Hour Championships and was co-chair with Ellis Herz for the 2008 AKC Gundog National Championship held in Reno Nevada, where we had the largest entree in the history of the event.

I am currently one of the western directors for the American Brittany Club and will be judging the German Shorthair Nationals in October of this year.

Kevin Byrne

I started in field trialing 25 years ago, after buying my first Brittany from Ron Gulembo. I, as many first time owners are, was only looking for a nice hunting dog. The first 2 years I shot more rabbits over Dash on point than wild birds. Then Ron straightened me out and got me into the great sport of field trialing.

Since then, I have always taken great pride in training, breaking, running, and finishing all my own dogs. I have finished 4 wonderful gun dogs to their Field Championships.

I have always been willing to give back to our great sport, judging numerous trials, Brittany and other breeds, across the Midwest. I have judged some hour stakes and also had the opportunity to judge the American National Grouse Championship.

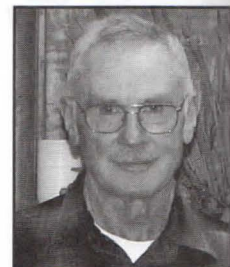

I enjoy looking at great dogs, and always remain positive. It's so great to see a team effort between dog and handler. I look for style on point, and a dog that hunts the objectives. I love watching a Brittany do what they were bred to do.

Wade Haines

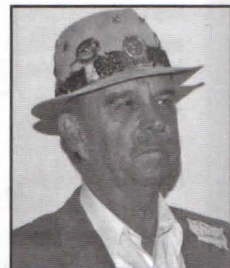

I purchased my first bird dog in 1965 and trained it myself. I started field trailing Brittany's in 1972 and finished my first field champion in 1977. I was then asked to judge field trials for local regional clubs

Since that time I have judged puppy; derby; gun dog; and all age stakes in many trials in the East, East Central, Central, and Midwest regions. I have judged the ABC Chicken Classic, Michigan Brittany Open Championship x 2, Gordon Setter Amateur nationals, Irish Setter nationals, Prairie State Brittany Shooting Dog Championship x 2, Oliver Deluca Shooting Dog Classic (pointer and setter) x 2, ABC National Gun Dog Championship x 4 and the Mid south Brittany Open Championship.

Lyle Johnson

Lyle started training, professionally, at a shooting preserve in Michigan in 1955. Originally, he was training Springers for hunters in the Michigan area. He then moved to the Wichita Kansas area, where he worked at a shooting preserve and had his first opportunity to start training Brittany's. He finished his first two Field Champions around 1959. This was just the first of many that would follow.

He won the US Open four times and placed runner-up five times. Lyle placed dogs 21 times in the Nationals including 4 National Champions and 8 Runner-up champions. His first placement came in 1968 and the last in 1998.

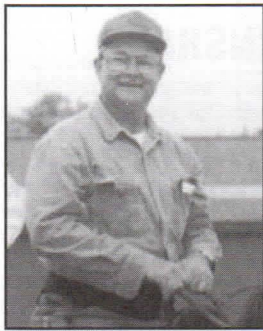

Lyle deserves special recognition for his ability to extract the very best from those dogs under his tutelage. It would probably be noteworthy if we could determine the actual number of "future field trialers", who took their dogs to him for hunting training, and were soon buying trucks and horse trailers to follow their field trial dog. Lyle could recognize talent, and it was his feeling that he could easily find someone a good hunting dog but to promote the purpose of field trialing we should be training, developing, and breeding the very best. Lyle was the consummate professional, not owning dogs which he campaigned, but being active in the breeding and development programs of his customers.

All of us who know Lyle, recognize that the success which has come to him, is also due in great part to the help, love, and total devotion and support of his loving wife Marge. Very few people can attain the success and accomplishments that Lyle has without that kind of support. There are good dog trainers, and good dog handlers, and good business people, but rarely do these qualities all come together in one package as with the team of Lyle and Marge Johnson.

Lyle was the epitome of field trial competitiveness, until retiring in October 2000 when he took a job with AKC. Lyle trained and handled 11 ABC Hall of Fame dogs, 7 Brittany Field Trial Hall of Fame Dogs, 97 AKC Field Champions, 13 AKC National Champions and over 30 American Field Champions thru 5 decades.

Meet the 2009 American Brittany Club National Specialty Judges

National Specialty Sweeps Judge Ken Windom

I got my first Brittany in 1992. My main interest was in having a good hunting dog, but soon discovered the excitement that comes with campaigning a dog in the show ring and in the field. With a lot of help and encouragement from many people, that first dog earned his Dual Championship and I was inexorably hooked on this breed. My wife, Jane, and I have had several other Brittany's since that first one, including a second Dual Champion from our own breeding which we finished in the ring exclusively from the Bred By Exhibitor

class. I have been heavily involved in the Iowa Brittany Club and the American Brittany Club, where I currently serve as a member of the Magazine Committee, the Nomination Committee for the Central Region, and the Judges Education Committee. I am very honored to have been asked to judge Sweepstakes at the 2009 Nationals.

National Specialty Breed & Juniors Judge Linda More

Linda attended her first dog show – a benched show in Hartford, Connecticut – at age 11, and so began a lifelong love affair with dogs and the sport of purebred dogs. From beginning in obedience and juniors with her original breed, Shelties, to breeding and showing in conformation, she went on to a twenty year career as a professional handler in New England. Upon retiring from handling in 1991, Linda was granted approval to judge the Herding Group and Juniors, later adding Sporting breeds and then others. In 1997 she took a position as an AKC Field Rep, and then worked in the AKC's Operations Headquarters

in Raleigh, NC. She retired from AKC and returned to judging in 2003, and at present judges the Herding, Sporting and Terrier Groups, a number of the Hound breeds, Siberian Huskies, Juniors and BIS. She is a Life Member of the American Shetland Sheepdog Association, for which she serves as the current judges education chair, and is a member of the German Shepherd Dog Club of America and three all-breed clubs. She is also on the board of the Dog Judges Association of America. Linda has three grown children, two grandchildren, and a Border Collie as a house dog.

Meet the 2009 American Brittany Club National Open & Amateur All Age Championship Judges

Greg Dixon

I have been hunting and training bird dogs for over 25 years. My first bird dog was a Brittany, but have since owned many breeds, primarily German Wirehaired Pointers.

I have been training bird dogs professionally for over 15 years, and have finished more than 35 field champions of all breeds. Since 2002, my wife and I have bred and trained four German Wirehaired Pointer Club of America (GWPCA) National Field Champions. I have also trained two National Champion Gordon Setters, and one National Champion Vizsla. A GSP that I trained went on to win 15 one hour NGSPA Championships. I train and campaign all pointing breeds. I train year round at our farm in western Wisconsin, winters in the rolling plains of Texas, and summer camp in North Dakota. I feel that training and hunting on wild birds is one of the keys to developing high class bird dogs.

I have judged the NGSPA Region 4 Championship, the German All Breed All Age Championship, Weimaraner National Championship, plus many AKC field trials.

I am honored to have been asked to judge the Brittany National Championship.

June McConnell

Pointing Dog Field Trialing has been a way of life for the McConnell Family (husband, Larry, June, and son, Kelly) for over 30 years. They started with Brittanys. Their first Britts, Dajo's Flying Scooter and Dajo's Majestic Bomber, were the first Field Champions in Idaho. Both dogs were broke and campaigned by professional trainer, Dave Walker and were Dave's first Champions. Dave continued, through the years, to assist in breaking the McConnell dogs. Larry, a very competitive sort, soon took over handling all of the dogs with June scouting. Larry and June competed at their first National at Ardmore with "Bomber" in 1978. Other Brittany Field and Amateur Field Champions which Larry and June campaigned were Jular H Bomb and Jular Dirty Harry, which competed in the Brittany National Amateur and Open Championships in 1983 at Ardmore, and in 1982 and 1984 at Rend Lake.

June also handled "Harry" and a Derby winner, Kelly's Odie O'Dee in Northwest Regional trials. June handled Dual Champion Sirius Sashay (owned by Nancy and John Hultquist of Washington) during a successful, productive hour run in the Brittany National Open Championship at Ardmore in 1983.

June also handled "Harry" and a Derby winner, Kelly's Odie O'Dee in Northwest Regional trials. June handled Dual Champion Sirius Sashay (owned by Nancy and John Hultquist of Washington) during a successful, productive hour run in the Brittany National Open Championship at Ardmore in 1983.

In the mid 80's June was given a pointer puppy by a good friend who was very involved in hour long American Field Championships. This wonderful bitch was 4 X Champion Wild Cat Strike. "Cat's" awards included the prestigious Pacific Coast Shooting Dog Championship. She directly produced seven champions. Through "Cat", the McConnell's developed their long line of Pointer Champions including Night Raven, Wooden Nickel, Tip Top Dollar, Magic Nickel, and On Thin Ice. The McConnell's also had other winners from other Pointer lines.

June has been a longtime reporter for the American Field. She has reported the AFTCA National Amateur Chukar Championships, Region 9 and 10 Championships, the Pacific Coast Championship, and has

reported most of the Northwest Chukar Championship trials held at the challenging Milepost 9 area in the Idaho Owyhee Mountains. She has reported for the American Brittany Club Nationals in Booneville, Arkansas twice.

June has judged the All Age and Derby stakes for many years for the Idaho Brittany Club and the German Shorthaired Pointer Club of Idaho. She has judged the Brittany Chukar Classic and the Western Brittany All Age Championship. She has judged at many Pointer trials in Idaho, the Washington State Championship, and at the Region 10 Championship in Oregon. She also served as Judge's Marshal at the AKC National Pointing Dog Retrieving Stake Championship when it was held in Idaho in 2005.

June is an avid horsewoman. She has an equine background in college rodeo, endurance riding, and trail riding and is a past Director of the Tennessee Walking Horse Club of Southwest Idaho. She is retired from long careers at AT&T and Wells Fargo Bank. She is now the "hired man" at the McConnell farm where she manages a large menagerie of dogs, cats, and horses - and Larry. She is the proud grandmother of year old twins Kyree and Bryce McConnell.

Stan Williamson

I am ecstatic that I was considered to help judge the 2009 ABC National Amateur All Age Championship.

I went as a young man with my father to many walking trials and championships. An avid hunter, I got into trailing in the early 80s thru my very good and close friends Kim and Harry Marlatt.

Being able to travel the last 12 years, I have been glad to sit in the saddle to judge many championships and regional trials including the Deep South Amateur Championship, ABC International Open All Age Championship, ABC Quail Classic, Prairie State Derby Classic, Prairie State Open Shooting Dog Championship, Prairie State Open All Age Championship, Mid-South Derby Classic, Mid-South Open Championship, Illinois Open All Age Championship, Illinois Amateur All Age Championship, GPDA National Championship, GPD National Amateur Championship, GPD National Open Championship. Always feeling the right dog was put on top.

I have participated in 4 ABC Gun Dog Nationals and 4 ABC All Age Nationals. I have always done my own training as a true amateur.

I look forward to seeing you all in November at the ABC Nationals and wish you good luck! I will do my very best to make sure the best performances win!

James Cohen

I started training Brittanys in 1972 and finished 4 field champions.

I then switched to long tails in 1976 and owned (Judy & I) National Champion Heritage's Premonition (1982) and Top Shooting Dog Winner Fox Fires' Rhea (1992-93).

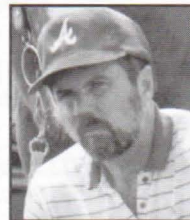

I've judged the Brittany Nationals twice. Some other judging assignments include; (2x) National Open Shooting Dog Championship, (2x) National Pheasant Championship, National Amateur Shooting Dog Chicken Championship, National

Open Chicken Championship, Canadian Open Chicken Championship, Canadian Open Shooting Dog Chicken Championship, Kentucky All Age Open Championship, Kentucky Open Shooting Dog Championship, (2x) U.S. Open Championship.

Judy & I are still enjoying life, in good health and only 1 (one) dog.

Tom Hudson

I was born in Mississippi, moved to southeast Texas at less than 1 year of age. I've lived within sixty miles of Houston city limits all my life except for living and working overseas for four years in the seventies. I was educated in Texas, and continue to take extension classes at "Rice University" as time permits. I own and/or CEO several small to midsize corporations along with farming and ranching for a living.

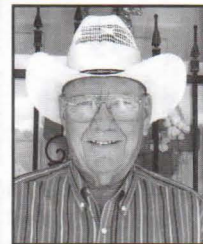

Owned and campaigned GSP's since 1990. Among these include: 1 NGSPA National Shooting Dog Champion, 1 R/U NGSPA National Shooting Dog Champion, 1 NGSPA Species All Age Champion, 1 R/U NGSPA Regional All Age Champion, 1 R/U NGSPA Regional Amateur Champion, 1 AKC Pointing Breed Gun Dog Champion, and multiple Open and Amateur Champions. Personally handled and placed dogs in NGSPA Regional Championship, GSPCA National Amateur Championship. Have been stake manager and judges marshal for the NGSPA National Championship and GSPCA National Championship. Judged the NGSPA National Championship, NGSPA National Open Shooting Dog Championship, GSPCA National Championship, ABC National Amateur Championship, United States Open Brittany Championship, English Setter National Amateur Championship, NGSPA Regional and Species Championships and numerous AKC trials.

Own and campaigned Tennessee Walking Horses since 1992. Among these include two World Grand Champions and one Grand Champion.

I am a member of the GSPCA National Field Trial committee.

Bill Stubblefield

I retired from health care management to devote full time to my love of horses and pointing dogs. I grew up hunting and fishing in the Ozarks of Arkansas and continue until this day.

I first learned about field trials in 1983 and started running my dogs in NBHA. Later my interest was turned towards the running all age dogs.

I think one of the most beautiful sights is to view an All Age cast out on the prairie where the dog is almost out of sight and slams into point with head high and tail at 12 o'clock straight up. You ride for 5 minutes to get to the dog and flush the chickens out in front of the dog and the dog stays frozen until released for watering and sent out once again.

I credit my judging skills to John Criswell who tutored me on judging field trials and running all age dogs.

I have judged most of the major championship trials from South Dakota to Louisiana. This includes most breeds: Pointers, Setters, Shorthairs, Brittanys, and Vizslas.

Specialty Shows

INDIAN NATIONS

May 22, 2009
Shawnee; oK

Indian Nations Brittany Club held its spring show at Shawnee; Oklahoma in conjunction with Shawnee Kennel Club. We had a big turnout with majors in both sexes. Mrs. Ronda Lee judged sweepstakes and Mr C.P. (Skip) Herendeen judged an excellent group.

Because the essence of the Brittany breed and the hopes and dreams of every Brittany owner is the dual champion, INBC annually awards a dual champion award. This year's award goes to DC/AFC TC'S MATCH BOKS RACER owned by Laura Wilder.

HEART OF ILLINOIS

May 24, 2009
Bloomington, IL

by Jane Huelsmeyer

The Heart of Illinois Brittany Club had their Specialty Show on May 24 in conjunction with the Illinois Valley Kennel Club of Peoria, IL show in Bloomington, IL. I want to thank the show committee of the Peoria Club for their hard work and supplying our ring stewards. Another big thank you goes out to all the Brittany people who came to support our show this year.

Dr. John F. Davidson graciously agreed to judge our sweepstakes this year. He had 9 dogs and bitches to judge. He chose JAMBI'S MISS TOOTALOO for Best of Sweepstakes and DOGWOOD HOLLOW STEWART GRIFFIN BOWSER as Best of Opposite. Dr. Davidson picked DC/AFC RICOCHET MAGGIE'S JAC JH for Best Veteran in Sweepstakes.

Miss Dolores (Dee) H. Maltz was our judge for the regular classes. From the 10 dogs entered, she chose RICO'S HI PROOF BOOTLEGGGER as Winner's Dog and COUNTRY ROAD'S NIGHT RIDER as Reserve Winner's Dog. With 5 bitches entered, she chose SERENDIPITY'S SHINING STAR as Winner's Bitch, and JAGOUB'S ZYDEKOKO as Reserve Winner's Bitch. Miss Maltz went back to the dog, RICO'S HI PROOF BOOTLEGGGER, for Best of Winners.

Her first place field trial dog was DC/AFC RICOCHET MAGGIE'S JAC JH and DC HAVAPAL'S RENEGRADE BILLY BOY was her choice for the Veteran Dog.

Miss Maltz had 3 specials in the Best of Breed competition. Her choice for Best of Breed went to CH MELRIDGE STIR N' IT UP and CH MELRIDGE HEARTS A FIRE took Best of Opposite. Congratulations to all our winners and thanks to everyone for their participation.

MINNESOTA June 5, 2009

The Minnesota Brittany Club held its summer specialty show on Friday June 5, 2009. It was about the best day of the weekend in spite of the wind. It rained solid the next two days, plus most of the following week.

Thanks to our judges for doing an excellent job and taking their time with each and every dog. Thanks to club members and friends for sponsoring trophies this

year, we got them all covered. Thanks to Diane Hedstrom for keeping everything in order and organized. Thanks to Nancy Semler for being our secretary. Thanks to all of you that stayed for our potluck and hung out afterwards. That was one of the highlights of the day. Thanks to Mary Tyson for getting the potluck together and setting it up. We hope to see you again next year!

LASALLE

June 13, 2009

New Lenox, IL

The day dawned for much of the Chicago area with torrential rain storms. However, the sun shone on New Lenox and the day was beautiful. Unlike most years in the past, the day was not unbearably hot and humid which made it quite comfortable for all participants.

As I reflect back on the day, I am amazed by how well the day works with the team of people who come together to make it all happen. We had participants from near and far and considering the economy our entries were up from last year. Obedience and rally began right on schedule at 9 and concluded around 11:30. Our sweepstakes judge began his work and rendered his final decisions to everyone's delight. We were happy to have the American Brittany Rescue group as our mid-day guests. There were approximately 9 dogs with their new families and their wonderful stories.

The main event of breed judging began as scheduled at 1 pm with Mr. Robert Salisbury as our judge. He moved swiftly through the participants while offering his final critique which proved to be quite consistent throughout. The dog he selected for best of breed and his best of winners dog are littermate brothers owned and handled by Teresa Richmond.

Again, the event was well attended by participants near and far. As in the past, Petra Steinmetz put together a fantastic raffle with many nice items to bid on. The raffle is always a lot of fun. I know Petra works hard all year putting it together and selecting nice items so when you come to our show next year, check out the raffle. We would love to see you next year on June 19. Mark your calendar.

Brittany in Motion, Rhonda Carlson, Amerian Brittany Rescue

In rescue we don't breed to get the Brittany we want - we take what we get. Our focus has always been to find pet homes for our charges. The reason for that is that most of the behaviors that got our dogs into rescue are easily overcome if they are allowed to live inside with their families - and taught how to behave to become a good family member. Often trouble dogs just "need a job".

It's always a joy to see them do what they were bred to do - HUNT. And many of them do. Some dogs who come to us because "he won't hunt" are only suffering from being owned by a bad trainer. We've seen many of them learn that hunting is fun.

Many of our volunteers hunt, do obedience, agility, have therapy dogs. And some have dogs with very different jobs.

Mohican - Diamond in the Ruff

When the trauma of Comanche's passing (my 7th generation Brittany) had finally attenuated enough for me to think of finding his replacement, ABR came to mind. I didn't want to go through the breeding or raising of puppies again, but still wanted a "hunting partner", to share our time in the field with Dakota, my 8th generation. I was introduced to a 12 to 18 month old female from Salt Lake City. Found as a stray presented to the local

SPCA, She had gone through 3 families because she was "too hard to handle". Being retired, and enjoying the avocation of working with Bird Dogs for over 60 years, I thought, and ABR "chanced", that the two of us would do "just fine". What an understatement !!!

After seven months, now named "Mohican", this girl is truly one in a million. She is very intelligent, and can take the "pressure" of formal training. She doesn't bark or whine, yet is perpetual motion in the backyard, constantly investigating. She has a 'drive' and focus of a Natl F/C, and the style and endurance to go with it. I've been forced to invest in a Garmin GPS just to keep tabs on her whereabouts when in the field. She loves everybody, yet, until very recently had shown a reluctance to "deeply bond" (understandable due her history). But now she no longer seems interested in "what's on the other side of the fence", is very obedient, her answer to discipline correction is kissy-kissy-face, no sulking for her.

Mohican became quite the 'celebrity' at the NCBC Fun Day Event in July when she was announced the winner of a 22 dog 'intermediate stake' (derby) which was represented by several pointing breeds.

I am convinced, after 60+ years of 'doing', 45+ years of judging, and 7+ months exposure to Mohican, she could be made a F/C in very short order. If only I had her "Papers"!!! She has found a HOME, and I finally think she knows it and likes it!!

Lure Coursing

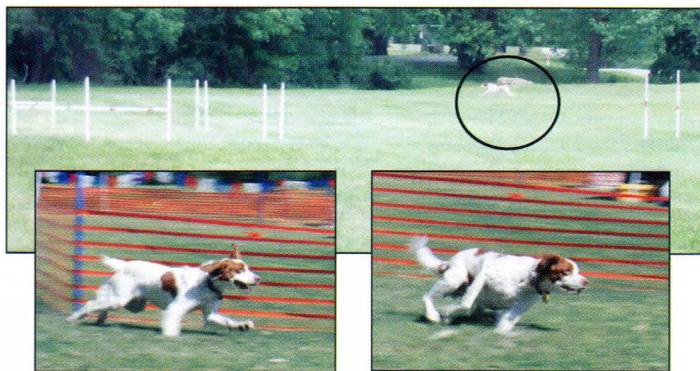

Lure coursing is a sport for dogs that involves chasing a mechanically operated lure. Competition is usually limited to dogs of purebred sighthound breeds.

In lure coursing, dogs chase an artificial lure across a field, following a pattern that is meant to simulate live coursing. A typical lure course is between 600 and 1000 yards long. In Europe the course and may incorporate some obstacles or jumps. The course must have a minimum number of turns in order to simulate prey (the jack-rabbit or hare) changing direction in a chase.

Some of our Brittanyns have found this right up their alley!! Running and chasing a critter! One volunteer told us, "My rescue Britt, Gypsy, just had the most fun this weekend attending her/my first lure coursing event open to non sight-hounds - any and all dogs! Wow, this is such a fun event and great exercise for our dogs!"

Another volunteer replied, "I ran my Brits the first time with Course a'Lure in 2006 and responded just like you!! The dogs love it -- and so do !!!"

Hunter and Chloe (both rescued dogs) in motion.

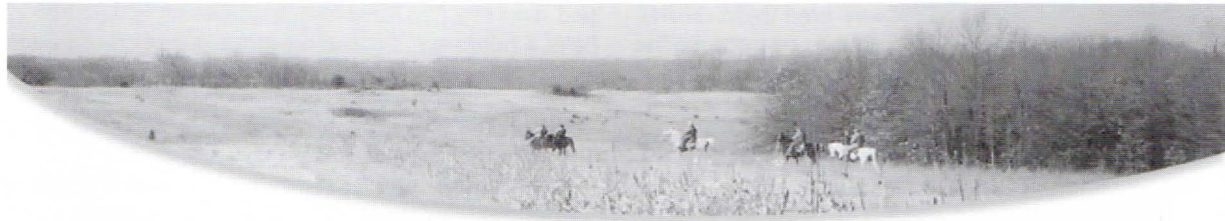

Skijoring in Winter, Scooter-joring for the fun of it

Skijoring with a dog is a sport in which a dog (or dogs), assist a cross-country skier. From one to three dogs are commonly used. The cross-country skier provides power with skis and poles, and the dog adds additional power by running and pulling. The skier wears a skijoring harness, the dog wears a sled dog harness, and the two are connected by a length of rope. There are no reins or other signaling devices to control the dog: The dog must be motivated by its own desire to run, and respond to the owner's voice for direction. ABR volunteer, MJ Turner says,

"I love to ski and my parents told me the Olympics had skijoring as a test sport in the last winter Olympics... so I looked it up and a new sport for me was born!! I found a company that sells the harnesses and off we went!!"

March 30-April 1, 2009 • Ionia, Michigan

The complete results can be seen in the August issue on page 45.

Michigan Brittany Open All Age Championship/Classic Winners, from left to right: judge Jack Potter, John Marinellie with FC AJAX DIAMOND DYNA-MITE, Chad Holman with GRAND JUNCTION JAKE, Lee Holman, Ron Harling with REBEL JAC'S A HAMMERIN DANDY, Tom Robin with LANE'S END WE-BE CLEAN, judge Will Langley.

Michigan Brittany Open All-Age 2009 Championship

by Ed Janulis

This was the 32nd running of the Michigan Brittany Championship. It has a long and established history and many a contestant look forward to competing in this event year after year. Kent Merryman, the association current president, organized an able group of workers for the all age, including Wade Haines, Ron Gulembo, John Hall and others tending to the bird planting duties and John and Judy Marinelli, Judy Robin doing dog wagon and road guard duties. Lunches were enthusiastically served by Kathy Byrne, Judy Marinelli, Judy Robin, Donna Janulis, Sherry Merryman and Kathy Gulembo. I apologize if I missed anyone as it takes many people, sometimes just people stepping to the front from the crowd, to fulfill a need.

Thanks to Purina for sponsoring this great event and Ray Trimble for his liaison duties insuring that this sponsorship continues well into the future. Thanks should also be given to the Ionia grounds committee for a fantastic job of maintaining the grounds and continuing to work with the State of Michigan to insure the continued use of this area for field trialing.

I would also like to thank the judges, Jack Potter and Will Langley, who filled in for John Hott who experienced truck brake trouble on the way to Ionia. Their attentiveness in the saddle was appreciated and all placements were accepted by the participants and spectators with enthusiasm.

The Winners

LANES END WE BE CLEAN (WeBe) owned by Tom and Judy Robin and handled expertly by Chad Holman was the winner of this great event. Along with handling 4 finds WeBe exhibited the maturity and experience required to master Ionia. He knew when to show and when to run and his brace start to finish kept us on the edge of our saddles.

REBEL JAC'S A HAMMERIN DANDY (Jac) owned by Dr. Ron Harling and handled by Chad Holman was runner up. He continued to exhibit his 2008 Championship form, again demonstrating his intelligence and knack for finding birds. Jac ran a strong forward race finishing with good endurance and application.

Third place was GRAND JUNCTION JAKE, owned by Carol and Dick Pulliam, handled by Chad Holman. While putting on an exhibition equaled to none on bird finding and pointing, seven finds slowed Jakes rhythm. He did reach out between finds with good range and application but it wasn't enough. On a different day under different circumstances things could have been very different.

Fourth place was awarded to AJAX DIAMOND DYNA-MITE (Dyna) owned by John and Judy Marinelli and handled by John. Dyna, who is no stranger to the

Ionia course, used her experience to both locate birds along with running the course with minimal handling.

The Running

Brace 1: GRAND JUNCTION JAKE (Jake) (Holman) and HI POINT'S BET'N HE'LL ROCK (Ozzie) (Gulembo) – Break away occurred exactly on time from the clubhouse hill and both dogs broke with enthusiasm under clear skies accented with a cool breeze. Jake was seen center on the far line far to the front next appearing in Hires field. Ozzie was up to the challenge of extending himself forward on the right tree line. At 11 minutes Chad raised his hat finding Jake standing staunchly on a find at the end of the tree line. He fired all was in order. Ozzie with his youthful exuberance failed to honor Jakes point, thus ending his day. At 15 Jake was located standing in the orchard; again Chad flushed and fired with all in order. Jake hunted well through the Boy Scout bridge area and up near Tuttle road. When we entered the open fields of the derby course Jack established point near a dead tree. A bird was flushed and all was in order; this was at 39 minutes. Jake hunted the open tree lines with intelligence staying to the front at an all age distance. At 42 minutes Jake had his forth find

in a thicket just prior to the creek crossing. At 51 and 59 minutes Jake continued his bird finding exhibition with stylish finds in the gun dog course.

Brace 2: LANE'S END WE-BE CLEAN (We-Be) (Holman) & TRUCKER'S WILD RIDE (Rider) (Trimble) – We broke away from the old oak tree heading towards the old shooting range. Both dogs took off forward and were not seen until the orchard area where Rider was spotted standing on point off slightly to the right. Ray flushed and fired with all in order. Chad moving forward located We-Be on point also on the right and proceeded to flush the bird with all in order. At 10 minutes Chad called point again prior to the Dyke Road. Again the bird was handled successfully by We-Be and he was sent on. At 14 minutes Rider went on point near a cedar tree. Again he handled the flush and fire well and proceeded on. We-Be had cast well to the front crossing the creek and disappearing briefly. He was located far to the front along the second tree line on the derby course standing staunchly. Chad flushed, fired and We-Be was sent on. Rider came upon the situation and backed successfully setting up a nice picture. Rider ran at medium range through the Boy Scout bridge area while We-Be disappeared far to the front. Rider went on point at 42 on the tree line at Hires field. Again pressing on Chad located We-Be also on point at the far corner of Hires field center tree line – a truly amazing cast by We-Be. Both dogs handled the birds well and were sent on. At 46 both dogs established point simultaneously in different areas, Rider in the woods and We-Be by the island. Both dogs again handled this activity and we pressed on. We-Be and Rider finished the hour strong with We-Be exhibiting the farther range as we completed the hour.

Brace 3: HI POINTS SURE SHOOT (Bullet) (Gulembo) & ODYSSEY'S ACE OF HEARTS (Ace) (Janulis) – Broke away was again at the clubhouse hill starting out well; however while in Hire's field a simultaneous find on a bird was to much for these two young dogs to handle thus ending this brace early.

Brace 4: TRACE OF TIME (Trace) Merryman & TRADEMARK'S ICEMAN (Timmy) (Holman) – Break away was again at the clubhouse. Timmy broke away strong, maybe to strong, because he was never was seen until the tracker was pulled. Trace hunted at an acceptable range encountering his first bird contact at the island just prior to exiting Hires field. All was in order and we pressed on. Trace hunted the Boy Scout area and Tuttle Road area like the veteran he is and had a second find at 40 minutes along a fence line. Kent successfully flushed the quail and fired. Trace finished the hour at moderate range slowing slightly.

Brace 5: AJAX DIAMOND DYNA-MITE (Dyna) (Marinelli) & SHAMROSK'S SIRUS (Sirus) (Holman) – Break away was from the old oak. Both dogs ran this area well continuing through the orchard area. Heading towards the derby course Sirus went

on point along the first tree line. Chad flushed and fired with Sirius standing staunchly. Dyna had pressed on and was found standing on the second tree line. John was able to successfully locate the bird and all was in order. Dyna entering cardiac hill was gone for a long time appearing to the front just prior to the end. This was a nice cast on her part. Sirius ran a moderate range through the Boy Scout bridge area hunting the tree lines.

Brace 6: ACE'S PATCH (Patch) (Holman) & BRISCO'S MR STUB (Stub) (Trimble) – This brace was the first of day 2 breaking away from the clubhouse hill. Stub had a non productive at 7 minutes and was sent on. A few minutes later Stub established point along the tree line near the ponds. Ray located this quail all was in order. Patch had run down to Hire's field and proceeded to take out a bird in the tree line from hell. At 14 Stub was standing in the island; however when attempting to re-locate the pressure was too much and he did not handle the situation.

Brace 7: GAMBLER'S JAZZ-N IT UP (Jazz) (Janulis) REBEL JAC'S A HAMMERIN DANDY (Jac) (Holman) – Again breaking away from the clubhouse with both dogs heading west. At 14 minutes Jazz failed to handle a bird and was leashed. At 19 minutes Jac was found standing in the orchard after some initial casts. Jac continued his champion style running well through the Boy Scout bridge area, cardiac hill appearing in the derby course. At 34 Jac pointed along a tree line, Chad flushed and fired and we moved on. Jac ranged and applied himself well through the creek crossing and gun dog course ending well to the front.

Brace 8 TRADEWINDS DIXIELAND' EXPRESS (BJ) (Langstaff) & (Joe) (Haynes) – Break away from the clubhouse. Both of these dogs are young in body and spirit and it's always exciting to watch progression of young dogs. This writer has followed BJ from his derby days and continues to be impressed with his development. Both dogs ran with their youth showing, erratically at times. BJ had one find handling the bird and flush well. Joe ran hard and went to some good places but was not rewarded with a bird this day.

Brace 9: AUTEN'S MEG-NETIC FIELD (Meg) (Auten) & LANE'S END HAVE MERCY (Mercy) (Robin) – Break away was from the old oak. At 6 minutes Mercy was seen under a bird; this ended her day early. Meg pressed on at a very moderate range. At 10 minutes Meg had a find in the gun dog orchard and handled it well. She hunted through the remainder of the hour continuing her moderate range.

Brace 10: LANE'S END BOWTIE BLACKIE (Blackie) (Robin) & (Buzz) (Merryman) – Break away was from the clubhouse. However, neither of these dogs was up to the challenge this day and handlers elected to pick up both dogs early.

Michigan Brittany Open Walking Gun Dog Championship/Classic Winners, from left to right: Lee Holman, judge Ron Auten, Susie McPherson with COOS RYLEE, Roger McPherson with SUEMAC'S LIBERTY BELLE, judge Bill Haynes, Gil Hopper with WRIGLEY'S REVVED UP CUB.

Theda Langstaff care of the on course food items. Special thanks to Judy Marinelli, Kathy Byrne, Kathy Gulembo, Janet Chase, Judy Robin, Donna Janulis and Sherry Merryman for all their work and great fun during all the enjoyable activities. A tip of the cap to Master Chef, John Hall. He, with the help from his friends, prepares a marvelous dinner of venison and chicken and all the fixings.

Will Langley was on hand to provide horses for all those in need, plus help out with the trial any way he could. Will always has superior horses and tack, so if you are ever at a trial that Will is attending don't hesitate to rent a horse from him. A continuing huge THANK YOU to Purina for their support of this trial and other ABC trials. Hopefully everyone will support them as they support us.

This year we were fortunate to have two experienced trailers as judges. Their opinions and attention to dogs is respected by all. Ron Auten of Michigan and Bill Haynes of Ohio were kind enough to grant us two days of their time. Than you gentleman.

The Running

Brace 1: WRIGLEY'S FIRST DANCE (Jazz)/G. Hopper & BULLOCH'S FIRST IN LINE ALVIN (Alvin)/J. Bulloch – Breaking away from a small parking lot inside the park and going south west, the first brace was a short one. In the second field Jazz was running the N/S line and the next thing we knew she retrieved a bird that she picked up in the middle of the grass field. Then in the next field, after running nicely through the first two fields, Alvin pointed birds in a brush pile, which offered to great a temptation.

Brace 2: HY STEPPIN MAGGIE (Maggie)/C. Sennott & EIBHEAR OF AUTEN (Bear)/R. Telfare – The second brace broke away from the same place as the first. Maggie had her usual solid performance. She hit all the likely spots and found birds with good intensity. Per the judges she needed a little more speed and forward carry to beat the outstanding dogs this day. Bear had his normal fast forward race this day but unfortunately, experienced a problem with a bird fairly early in the brace.

Brace 3: DERAILED (Ted)/C. Cropek & WRIGLEY'S REVVED UP CUB/G. Hopper – Ted and Turbo broke away from Eddy Road. Both dogs were off fast to the front with Turbo running all three forward lines in the field than moving to the next field. However, Ted scented a bird at the center of a line and unfortunately decided it would be fun to watch it fly. Turbo continued on taking lines to the front, running hard and fast. He had 4 very stylish finds with all in order. Unfortunately, he started to shorten after 50 minutes and his last find. But on a whole a very nice performance.

Brace 4 HIGH HOPES FLY BY NITE (Zoey)/A. Cropek & SUEMAC'S LIBERTY BELLE (Libby)/R. McPherson – A very nice brace with both dogs fast and forward. Zoey was running the line primarily and Libby was taking to the woods as well as running the lines. Libby was rewarded with 2 Woodcock finds as well as two quail finds. Zoey had two nice quail finds along with a consistently forward race. She was the best today. Libby was a very close second.

Brace 5: ZAC/H. Harrison & JAZZ'S SWEETEST LITTLE SECRET (Karo)/G. Hopper – This was a strong brace with both dogs being fast and forward. Karo being the slightly more forward. Zac had two nice finds and two solid backs before encountering a problem with a Woodcock. Karo had a very good run with two stylish finds unfortunately, she wanted to revisit one of the birds after a find. That

Michigan Brittany Walking Gun Dog Championship

by Gibert Hopper

Chuck Langstaff did his usual superior job of setting up and running a great stake, as part of a great week of fun at the beautiful early spring Ionia Recreation Area. The early spring flowers were just starting to bloom, the swans had returned to the ponds after a warm winter in the south, the Sand Hill Cranes had returned to the course along with the bane of most dogs the dreaded woodcock. As usual, club members, participants and judges pitched in to keep things running smoothly. Thanks to Ron Auten for helping plant birds, Jane Hopper for ferrying dogs and

was her only negative.

Brace 6: HI POINTS TAKING THE PLUNGE (Splash)/.P Koczenasz & SWEETWATER BILLY TUCKER (Tucker)/L. Bates – This promised to be a good brace as Splash is a nice younger dog and Tucker is an experienced dog that seldom makes a mistake. Both dogs were off to the front and stayed that way. The dogs proved their worth and didn't disappoint their handlers. Each dog handled their bird contacts nicely the hour strong.

Brace 7: COO'S RYLEE (Rylee)/R. McPherson & LANE'S END FROZEN ASSET (Turk)/T. Robin – Another fine brace. Both dogs ran strong races to the front. Rylee being the wider, and always showing to the front. He had two very nice quail finds and a Woodcock find on the bend before Eddy Rd. Unfortunately for Tom, Turk went bird less but it wasn't for a lack of effort.

Brace 8: WILD TIME KATIE (Katie)/John Hall & AJAX FREQUENT FLYER (Miles)/Marinelli – Breaking away from Eddy Rd, both dogs were off to the front. Katie had good run at moderate range. She had several finds that were handled with style, but on her 3rd find the handler wasn't happy with her strong mark and decided to pick her up. Miles ran a strong forward race while handling well. Unfortunately, Miles made a mistake on his second bird and was done for the day.

Brace 9: DIXIELAND'S MISTRAL OF AZTLAN (Missy)/C. Langstaff – Missy ran a strong race with several finds, but her handler elected to pick her up as she was showing her age. It was nice to see an older dog give it a try.

SOUTHERN NEW ENGLAND East Windsor, CT March 28-29, 2009

Our spring trial was held at Flaherty Field, East Windsor, CT, with dogs, handlers and families coming from New England, New York, Pennsylvania and Delaware. Our

members worked extra diligently as we wanted this trial to be as good as it could... we were honoring the passing of our long-time member Ed Sawicki. At the conclusion of Saturday's running, the tribute to Ed included a eulogy, the enactment of the "Last Find," the donation of the memorial Tupdo tree, and the presentation of the Bird Dog Foundation Life Patron award plaques to Ed's wife, Lucille, and his granddaughter, Samantha, the Flaherty Field clubhouse and the Bird Dog Foundation in TN.

The day ended with a great happy hour and delicious buffet dinner for the approximately 90 people in attendance. Our club members pulled together a great sporting event as well. The judges, handlers, bird planters and marshals, as well as the dogs, worked to make this a special trial. The kitchen staff deserves mention for their hospitality and great food.

Ed Powell Memorial Open Limited Gun Dog April 6-7, 2009

The second annual running of the Ed Powell Memorial Open Limited Gun Dog was held at Union County Bird Dog Ranch near Thayer, Iowa over a two-day period in April. Seventeen dogs competed for the blue ribbon and to have their name inscribed on the traveling trophy that goes to the winner of this stake. That honor went to FC AFC RU-JEM'S STOP "N" WATCH, a 7-year old white and orange Brittany male, owned by Ruth and Jerry McGee and handled by Jerry. Quill put down a solid, forward race with 5 finds during his hour. Second place was awarded to DC RICOCHET HEMI BARACUDA, owned by Mickey Condron and handled by Bob Burchett. Buck pressed hard for the top spot and gave the judges something to talk about. Third and fourth places were awarded to SNIKSOH SALLY and FC W-HAVEN'S MOOSE AND

DIXIE'S KIM, respectively. Both dogs are owned by Phil and Louise Corlew. Sally and Kim ran in the same brace, with Sally handled by Bob Burchett and Kim handled by Chris Burchett.

Judging duties for the Ed Powell Memorial were handled by Bill Burton, well known Brittany breeder, handler, and judge, and Ken Chenoweth, another Missourian with numerous judging assignments in his resume, including the American Vizsla Association's 2004 and 2007 National Amateur Championships and the 2008 American Brittany Club's National Amateur Gun Dog Championship. Both judges gave their full attention to the dogs; their decisions were well received.

The two days over which this stake was run experienced very different weather. Monday was cold and windy, with morning temperatures well below freezing. The course was very muddy from rain, sleet, and snow over the weekend, and the resulting icy conditions caused a delay to the start of the stake because of concern that dogs would injure their pads on the sharp icy ground. Temperatures did warm up, and 5 braces were run Monday. Tuesday was much improved, with less wind, warmer temperatures, and more sunshine.

The Running:

Brace 1: UPLAND ACRES OVERLAND XPRESS (B. Burchett) - RC'S RUFF RANGER (Richter). The first brace broke away north of the pines at 11:00 AM. Both dogs were a bit sluggish at the start, but picked up speed and range as we proceeded on course. Point was called for Zip at 4, with Ruff backing. A bird was produced with all in order. Zip pointed again at 12 by the feeder at the hedge tree, again with Ruff backing. Bob found a dead bird and both handlers collared their dogs and sent them forward. A large herd of deer ran across the alfalfa field as we entered, but neither dog gave chase. Both dogs were found standing at 25 by the feed strip south of the alfalfa field. Bob again found a dead bird, and dogs were sent on. Ruff continued on course ahead of Rob, while Zip took the fence line to the corner, then came down the other fence line to the opening at the bottom of the hill. Past the hedge orchard, both dogs took the fence line to the west. Ruff broke off and took the edge of the feed strip north of the pines, while Zip ran the full length of the fence to the corner, then down the other fence before coming across to the feed strip and running this edge. Both dogs came across the field to the dogleg and took the north edge toward the east. Ruff broke off this line and crossed over to the south course at 40. Meanwhile, Zip took the full length of the edge on the dogleg before crossing the road. Ruff took the left edge of the all age course, crossed over the ridge and ran down the hedge row to the far west end. He was at good gun dog range and handled well for Rob, looking back on occasion to get directions. He exited the west end of the hedge row and went south of the next terrace where he indicated game, but never established point before moving on. Zip regained the front at 49 and took the east side of the course along the woods edge to the church corner. Ruff took the feed strip along the woods edge at the head of the church corner, then broke off and ran to the ditch where he established point at 52. Birds were produced with all in order. Zip regained the front as the course headed west south of the pond. Both dogs shortened up going into a stiff wind. Bob called point for Zip at 58 near the rock crossing and a bird left as he rode up to the standing dog. Shot was fired and the dog taken across the crossing and released before time was called.

Brace 2: RICO'S HI-PROOF BOOTLEGGERS (B. Burchett) - SPEEDING TICKET'S RADAR GUN (John). The second brace broke away north of the pines after a short lunch break. Mason was found on point at 4 in the field near the feeder on the south end of the hedge orchard. Initial flushing attempts were unsuccessful, so dog was relocated. A bird was eventually produced some 50 yards from where Mason initially stopped. Mason's second find came at 10 by the feeder north of the covered crossing, with Radar backing. Birds were produced with all in order. Mason had another find near the feeder by the hedge tree at 12. Following this, both dogs rimmed the field south of the old barn site and crossed to the alfalfa field,

where they continued to run the edges. Radar scored a find near the feeder in the alfalfa field at 20, but suffered a delayed chase after birds were produced. Mason pointed along the feed strip south of the alfalfa field at 22, but suffered a breach of manners at the flush.

Brace 3: CHIP'S TAILGATE RENDEZVOUS (B. Burchett) – GIT-R-DUN (Heiter). The dogs were loosed from the northwest breakaway of the gun dog course and headed southeast. Whiz pointed at 1 by the feeder south of the alfalfa field. Bruce found a dead bird and took the dog on. Whiz pointed again at 8 on the south end of the hedge orchard, with Gus moving ahead of him after he stopped. Bob collared Gus while Bruce flushed a bird and took his dog on. Whiz took the feed strip north of the pines, then swung over to cross the road onto the south course at 17. He disappeared over the next rise, but was found on point at 22 on the south side of the hedge row. Birds were produced with all in order. Whiz headed to the terrace feeder and pointed again at 24. Birds left before Bruce arrived; Whiz was found standing, but not where he had first been spotted. Bruce fired and took the dog on. Whiz's pattern because somewhat erratic at this point, going back and forth across the course before heading south the fence. He then headed east along the fence, toward the church corner. Scout was dispatched, then handler rode to gather him up and return to the front. He continued on course and ran along the north side of the hedge row, where he had a stop-to-flush at 46. He finished the hour on the north course just north of the pines.

Brace 4: COUNTRY ROAD'S ROUGH RIDER (B. Burchett) – RU-JEM'S STOP "N" WATCH (McGee). The dogs broke away behind the pines into a strong northwest wind. Cooper reached the fence row feeder at about 4, but was unable to stop in time as a bird flushed from beneath the cedar. Quill pointed at 10 near the feeder north of the covered crossing. The initial flushing attempt produced no bird, so Quill was asked to relocate. He eventually pinned the bird on the opposite side of the draw. The bird was flushed with all in order. Quill then rimmed the right side of the course to the hedge tree, crossed over to the left side, ran past the pond south of the old barn site, rimmed the edge of that field and across the stream to the alfalfa field, where he took the left edge to the small gully. He crossed the alfalfa field and ran the north edge to the end of the field where he pointed again at 23. Jerry produced a bird, fired, and took the dog on. He pointed again 3 minutes later at the feeder south of the alfalfa field. He was asked to relocate when no bird was initially produced. He did so and spun to a point several yards downwind of where he initially stopped. Two birds were flushed, with all in order. Quill then took the fence line east and disappeared. He was located by scout in a thick stand of cedars at 30. The gallery saw a bird running beneath the cedars; Jerry concluded that it would be impossible to flush the bird from the heavy cover and elected to take the dog on. Quill was found on point again at 40 by the feeder at the south end of the hedge orchard. Handler flushed a bird after asking Quill to relocate. After being released, Quill ran the south edge of the fence row toward the west and spun to another point at 43. A bird lifted in front of the judge's horse as he rode up to watch the dog. Jerry fired and sent the dog on. Quill went west and ran the fence row south to the gully, came up the edge of the gully then broke off and headed for the feed strip north of the pines. He ran the edge of the feed strip, then headed east toward the dogleg and took that edge about half way down before turning south and crossing the road at 50. Quill finished his hour at the far south end of the south Course.

Brace 5: COVEY RISE'S RAMBO JR (B. Burchett) – DIAMOND HILL DANGEROUS MAN (L. Pollock). This brace broke away on the south end of the south course headed west into a stiff wind. Both dogs started somewhat slowly, but opened up when the course turned. Both were running a forward, searching pattern as we passed the hedge row and on toward

the road. They crossed over to the other course at 16 and continued their forward race. Trace reached the fence along the south side of the hedge orchard at 23 and pointed. Lisa crossed the fence during the flushing attempt and reported to the judge that a bird was under a cedar tree. As handler and judge were attempting to see the bird, Trace released himself and moved down the fence row, ending his bid. Meanwhile, JR was ahead and scored a find at 29 by the feeder north of the covered crossing and a second find at 31 by the feeder at the hedge tree. From there, he rimmed the field south of the old barn site, crossed to the alfalfa field and showed to the left as we exited into the CRP. He headed south and disappeared over the rise. Scout spotted him to the front and Bob brought him back around, as he ran most of the edge of that field before heading to the opening to the crossing and up to the hedge orchard. After exiting from the orchard, JR went west to the far fence and took it south to the gully. He disappeared at that point, but was located shortly afterward by scout. Dog and handler were reunited and finished the hour together.

Brace 6: BARNEY'S HI-PROOF RONRICO (B. Burchett). The first brace Tuesday broke away north of the pines at 9:50. Rico was putting down a very strong run, but suffered an indiscretion at 12 north of the covered crossing.

Brace 7: CSB JL SULLIVAN (B. Burchett). Sully was turned loose at the old barn site on the far north side of the property. He scored his first point at 9 by the feed strip south of the alfalfa field. He pointed again at 18 on the south side of the hedge orchard; bird was produced with all in order. Sully opened up his run considerably after this find as he traversed the CRP field north of the pines, then east into the woods north of the dogleg. He emerged from the woods and headed south, crossing the road at 28. He pointed at the hedge row at 34, where Bob produced a small covey with all in order. Sully moved down to the next terrace and pointed again. Bob found a dead bird in the grass and moved the dog on. Sully made some good moves as he went around the south edge of the course, then headed back north and pointed by the finger feeder at 50. Two birds flew at the flush, with Sully remaining steady to wing and shot. He pointed again at 53 a short distance away in the CRP field, but gave chase when the bird was produced.

Brace 8: COUNTRY ROAD'S BOILERMAKER (B. Burchett). Pete was loosed north of the hedge row at 10:30. Pete had his running shoes on early. He made a huge move to the front and disappeared over the rise. He was at the road when handler crested the rise. Bob whistled him away from the road at that point, gathered him up and crossed to the north course at 6. Pete swung right and made another big move down the dogleg before coming back around to the front and heading north. He was found on point at 10 by the feeder south of the hedge orchard. A bird was seen by the judges, who instructed handler to fire and take the dog on. After the double crossing, Pete went to the left side of the course and disappeared over the ridge as handler and judges continued on through the covered crossing. He was seen several minutes later running the left edge of the course as Bob topped the ridge again south of the old barn site. He disappeared in cover again as we crossed the alfalfa field, then showed as we neared the west end. Two birds lifted as Pete came down the fence row; he stopped at the flush and a shot was fired. He continued on course and pointed south of the alfalfa field at 30, with two birds produced and all in order. Bob released him to the south and he ran the length of one feed strip before dropping down and rimming the south side of the CRP field before the crossing into the hedge orchard. He was found on point at 40 at the south end of the orchard, but decided to go with the bird at the flush, thus ending a strong bid for the blue.

Brace 9: RICOCHET HEMI BARACUDA (B. Burchett). Buck ran forward, through the orchard and across the double crossing into the north CRP field. He established

point at 10 along a feed strip near the far north side of the course. Bob found a dead bird and sent the dog on. He headed west to the alfalfa field and rimmed the left edge of this field just inside the woods to the west end. He pointed near the feeder at the end of the alfalfa field at 25. Bob had to fight the bushes to put the birds to flight, but produced a pair of quail with all in order. Buck made a wide cast through the CRP field south of the alfalfa field, running the length of the feed strip before dropping down and rimming the south edge of the field. He continued on through the orchard and jumped into a water tub at the opening to the next field at 32. As soon as he hit the water, he froze on point, standing completely inside the tub. Bob rode up and flushed a bird from the cover in the fence row, fired and took the dog on. Buck crossed the CRP field and headed toward the dogleg, taking first the north edge then the feed strip about half way to the end before swinging south toward the road crossing. He crossed over to the south course at 38, across the CRP and through the keyhole in the hedge row and established point at 46 south of the terrace feeder. One bird was produced with all in order. He headed for the pond, then over the rise to the church corner where he made a big cast before coming around and heading west. He finished his hour between the two fingers on the west side of the course.

Brace 10: SNIKSOH SALLY (B. Burchett) – W-HAVEN'S MOOSE AND DIXIE'S KIM (C. Burchett). The brace broke away north of the hedge row, with Sally taking the right side of the course and Kim taking the left. Both dogs crossed the road at 4. Sally took a line straight ahead to the front across the CRP field, while Kim headed to the east edge and rimmed the field just inside the woods edge. Two deer came out of the woods, but neither dog seemed to be affected by them. Sally pointed at 18, with Kim backing, at the feeder by the hedge tree on the north end of the course. Birds were produced with all in order. Kim was found standing along the south side of the alfalfa field at 25, but no bird was produced. She was sent on and pointed again at the west end of the alfalfa field at 29. A bird was flushed with all in order. Kim pointed south of the alfalfa field at 32, but Chris took her on after discovering the bird had been killed by a hawk. Kim regained the front in the orchard at 36. Both dogs were hunting hard through the CRP field and crossed the road together at 44. Kim took the right edge of the south course while Sally headed for the keyhole. Sally was found on point at 49 at the hedge row feeder. Bob produced a bird and sent her on. Kim regained the front about this time and both dogs moved on together. Kim went into the church corner while Sally moved ahead. Both dogs shortened up somewhat toward the end, but continued hunting until time was called.

Brace 11: JAY HAWK'S OCTOBER SKYE (B. Burchett). Skye came in season and was dropped to the end. She broke away from the south side of the course below the pond. She was fast to the front through the rock crossing and up toward the fingers. She ran along the edge of the first finger, past the feeder, and disappeared in heavy cover at 7. She was seen exiting the cover under a bird, ending the stake.

Hunt Tests

Editors Note: This write-up was overlooked when the results were published in the July issue, page 30, my apologies.

California and San Diego

By Mary Brown

The fourth annual jointly sponsored Hunt Tests, held by the California Brittany Club and the San Diego Brittany Club in California City were close to the best So Cal could offer in the dead of winter. Cold clear evenings and nights, with day times clear and warm was the fare. Snow and rain, though forecasted, thankfully never materialized. Each club held their hunt tests adjacent to the other club's event so that participants could test at four different events; several participants achieved their title in this one weekend.

Delicious lunches were prepared and served daily by a dedicated crew, and there was a fantastic tri-tip dinner on Saturday evening. Special treats from the "bakery" of Debra Frane were served in special recognition of the President's Day holiday and these delicious cakes were enjoyed by all. Time around the campfire with tales to share ended a wonderful Saturday in the high desert.

A large entry of Brittans and several other pointing breeds was well managed by the very competent judges and HT committees. One piece of excitement and worry was the loss of a young dog, "Bruiser," who somehow evaded all search parties for half a day and was eventually found 7 miles away on the roadside exhausted, but none the worse for wear. It was Bruiser's first event and one not long forgotten by the owners, Doreen and Tom Kearney. A special thanks to the many who helped in the search. We were all so thankful and all breathed a sigh of relief when our Spinone contingent drove up with "The Seven Mile Dog," as he was nicknamed, in tow!

Another bit of excitement was when one of the San Diego judges, Colleen Scruggs, injured her ankle on Saturday before having to judge the Sunday event; she bravely judged half a day with a "broken" ankle. Pennie Peterson came to her aid most graciously and completed the judging assignment.

The experienced gunners, Bob Woelm and Charlie Licitra for California BC, and Justin D'Alessandro and Guy Ward for SD, were consistently on the mark throughout the two days of tests. Sheri Harder assumed the duties of HT Marshall and kept all in good order. The Secretaries, Linda McDonald of CBC and Laurie Blanton of SDBC completed the necessary official details using a new computer program compliments of Myra-Dawn Ellis. A few glitches with both computers and printers were managed with the expectation that next year all processes should be much more efficient. The chair persons were Sheri Harder of CBC and Mary Brown of SDBC. Those on the HT committees were hard working and diligent in meeting the needs of such an event. Special thanks to Gregg and Sabrina Arney, Mark Ambre, and the Blanton Family. Debra Frane was the official photographer. The dogs of course enjoyed the weekend and are looking forward to next year's repeat performance.

GREATER INDIANAPOLIS Farmland, IN April 25-26, 2009

The Greater Indianapolis Brittany Club held their spring hunt test at beautiful Farmland Conservation Club with a total of 90 dogs entered for the two one-day events. The weather was windy but very warm for the last weekend in April.

Thanks to all of the hard-working club members who excelled as gunners, dedicated bird planters, and talented kitchen staff, the tests were a huge success.

Congratulations to all of the Brittany qualifiers. The Brittans dominated the Senior events, as the only breed to qualify either day.

Research scientists have discovered another way to help fight canine diseases. (It's on our bags.)

Purina® offers a great way for you to generate funds for the health and well-being of your breed. Simply save your weight circles from bags of participating Purina® dog foods, and take part in the Purina Parent Club Partnership (PPCP) program through Purina's loyalty program, Purina® Pro Club®. It's easy:

1. Join Purina® Pro Club®. You qualify if you care for five or more dogs, and/or breed one litter of puppies per year, and live in the U.S.
2. As a Pro Club® member, agree to participate in the PPCP, and identify your breed.
3. Save Purina weight circles from participating Purina® brand dog foods.
4. Submit your weight circles to Pro Club.

Once a year Purina will make a donation to your breed club and to the Canine Health Foundation. To date, breed clubs have already earned more than \$1.5 million for their breed's health studies, education programs and/or rescue efforts.

For details about Pro Club® and the PPCP program, call toll-free, 1-877-776-2582, 7:00 a.m. to 5:00 p.m. CT, Mon.-Fri. Or apply on-line at www.purinaproclub.com.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
