VOLUME LXII • NUMBER 8 • AUGUST 2010

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Articles from the Dr. David Kenney Collection

Of all of Dr. Kenney's stories, this one has stayed fixed in my mind since I first read it in 1972. The mental pictures I can form from this story are amazing. I also see this article as depicting a time that many of our younger members cannot fathom as times have changed, customs and habits have changed, political correctness enters in, and fox hunters, like field trialers, fight to continue their sport. I think it does us all good to remember the past and pass those memories on to younger generations. Now keep in mind the title of the book says Fact and Fiction. The Volunteer Brittany Club does run trial trials on Sunday, but the pointer/setter National Championship at the Ames Plantation does not. HMMMMM! (I know, they say they have too many in the gallery if they run on Sunday.)

More to follow in future issues on the Tennessee adventures of Dr. David.

Ex. Secretary*

Field Trial Days Why The Volunteer Brittany Club Never Runs Its Trials On Sunday

Reprinted from:

THE LAST BOBWHITE, DAVE KENNEY'S OUTDOORS IN FACT AND FICTION

"Were you ever stuck with a cast-iron spear?" Mr. Ralph demanded, eyeing the crowd sternly down his long Roman nose. Well, I was, right then. Them hounds dragged that section of graveyard fence plumb over me, and plumb over the preacher, slammed 'er against the side of the church, and bayed that fox agin'!"

His audience sat transfixed, some helpless with long-sustained laughter, the rest mute with interest in the tale that Mr. Ralph was spinning. It was on a rain-whipped night in Somerville, Tennessee, that the group had come together to draw the Volunteer Brittany Club's spring trial.

Noted professional handlers were there, giving accounts of winter training and last-minute assurances to eager owners. Bird dog interest and talk were electric in the air – the United States Club was running at nearby Como, and the national championship pointers and setters were scheduled to be at Grand Junction the following Monday.

The Brit fanciers had all feasted royally, on the second floor of DiGregorio's Café on the east side of the Somerville square. The "little dogs, as some

uncompromising pointer and setter men choose to call them, were all drawn and paired, and the sour mash was flowing. Mr. Ralph Cornwell, the august secretary of the club, had risen to make a "brief" explanation.

The trial was scheduled for Thursday through Saturday, with puppies, derbies, and all age dogs to run in that order. Finally the amateurs were to take their charges to the line. Some curiosity had been expressed by visitors as to why Sunday was not to be utilized for running.

Many present knew that the nearby Ames plantation, home of the national championship for longtails, was by tradition closed to Sunday trialing. The Brits were running on other lands, however. Mr. Ralph this offered, with serious air, to explain to the group why "the Volunteer Brittany Club never runs its trials on Sunday."

"I was raised in central Georgia," the good secretary began, "and when I was about 15 years old I had a pack of foxhounds and a horse name George. I didn't know there was anything else in the world a boy could want.

"Some of my friends had hounds, too. After working 'em all summer we agreed, late in August, to have a little hunt the next Saturday night. We were to meet over on the Ogeechee River.

"The Williams boys came, good friends of mine, but Billy Hart, and we 'specially wanted to beat him, didn't show up. I 'spect he ran a wheel off the trail, or somthin', on the way. After waiting' for him half the night we didn't cast, but sat by the fire, eatin' onion sandwiches and drinkin' black coffee, with plenty of lively conversation, 'til morning came."

By this point in Mr. Ralph's narrative the group had become aware that this was no brief and ordinary explanation he was unfolding. Coffee cups were put aside and cigars grew cold, while rain spattered against the windows of the warm, pleasant room. Mr. Ralph continued.

"The next mornin' I started home, ridin' George, and with my pack of hounds at heel. I didn't want to start a fox, in order to save the run for the next Saturday night, when we had agreed to meet agin'.

"As I rode up the trail toward the Ogeechee Primitive Unreformed Fundamentalist Church, set on pilin's—" here Mr. Ralph paused, glanced about the room, and remarked, "you've all seen 'em like that – a fox started out of the brush, and before I could check 'em, the pack caught sight of it and off they went.

"There was nothin' I could do for it, so I just dismounted and sat down on a little knoll to listen, They were singin' in the church and I could turn my head one way and hear them hounds, and turn 'together way and hear the congregation on 'Amazin' Grace,' and it was the sweetest harmony this side of heaven.

"The pack took that fox down toward the river out of hearin', and back around agin'. Twice more they circled and on the third round I could tell that Reynard was tiring; and near ready to go to earth. He swung in toward the church, and all at once my blood run cold with the thought – he had his den beneath it!

"I leaped on George and pounded leather hard for the church house, but too late! Before I reached 'er mister fox went flying underneath with the hounds close behind. He denned just beneath the altar, and when that pack bayed him there that hundred year old walnut box boomed like a Stradivaius fiddle!

"Inside the church they was footwashin'. It was supposed to make 'em humble – and some of 'em needed humblin'. I knew! But when that 18-hound choir bayed up through the altar, they came boilin' out of the church like a swarm of angry hornets, in their flour sack dresses, and tight blue suits stretched acrost the shoulders and too short at the wrists, with their big bare feet apoundin' acrost the smooth board floor, and down the wooden steps. Aunt Midge still had the sperrit and run around the churchyard shouting 'hallelujah'!

"Deacon Tripp busted out of the door just as I galloped up on George, and pointing; a long, bony finger right at me he declared, 'young man, you'll have to pay for it!' I didn't know what it was I would have to settle for, but it sounded bad and I began to break out in a nervous sweat.

"It didn't help none, neither, when pastor Cowden, last man out of the church like the captain off a sinkin' ship, spied me and shouted, 'you and your pack of hounds have come straight from hell!' I'll admit that George, who didn't like crowds, was foammin' and snortin' like he'd been ridden up from down below, but I didn't fee devilish, only scared."

Just then one member of the group to which Mr. Ralph was speaking, who may have sipped too freely at the festive bowl, and who was seated on the piano bench, dropped his head gently to the keys and slumbered, sounding a soft plaintive cord as if in and apparently fully recovered from the emotion of fifty years before, took advantage of the brief interruption to light a long cigar.

When it was pulling well, wreathing his senatorial head with blue and grey plumes of smoke, he continued. "All in a sweat now I started draggin' them hounds out from under the church, and tyin' 'em one by one to the cast iron fence – it was the kind with them spikes all along the top, like spear points, like you've all seen – that surrounded the church. It took every bit of rope and strap I had on me, and on George, to do the job.

"Just as I tied the last one, I realized with a start that sunk my heart into my boots, that I'd hung a thousand pounds of tuggin', yelpin' hounds to one section of fence. Bang! She gave way! I leaped aside, but not in time, and that whole pack stomped me into the ground as they headed for the church."

Here Mr. Ralph paused as if to let his audience form mental pictures of that awful scene and then put the question with which this narrative began.

"Was you ever stuck with a cast iron spear? Well, I was, right then. Them hounds dragged that section of graveyard fence plumb over me, and plumb over the preacher, slammed 'er up against the side of the church, and bayed that fox agin'!"

"Believe me, it was a moment I'll never forget. There I lay, and there the preacher lay, like we'd both been cultivated with a spring-tooth harrier! Women and children were weepin', and men were cursin' – under their breaths, of course – as I gathered what was left of me up off the ground.

"The deacon was just climbin' into his model T, shoutin' that he was goin' for the sheriff. That's where he made his biggest mistake. George ordinarily was a calm horse, but he knew somehow that the automobile meant the end for him and his kind. At the first 'pop' out of that model T engine he reared, and then to make matters worse the deacon's big bare feet slipped on them pedals and he backed the whole contraption clean into George, where I had tied him to the back of a little bench – with *Courtesy of Spence Undertaking Parlor printed on* – at the edge of the graveyard.

"When that happened, addin; injury to insult in George's opinion, he bolted through the graveyard, swingin; that bench like a flail. Believe me, the marble flew! George cut a path through them headstones and markers like a mower at hayin' time. 'Crash!' Little lambs and angels went a flyin'! 'Smash!' 'Died a heroic death in the war of 1812' split to bits. 'Bang!' 'Devoted wife of 'separated forever more from her beloved!'

George's bridle finally broke, and leavin' what seems to me like a acre of shattered marble behind him, he took the back fence like a Virginia hunter and made tracks for home.

"I started in all over agin' draggin' them hounds out from under the church and tyin' 'em to trees – no more than two to a tree. When I was almost finished, expectin' the sheriff to come at any moment and take me off to jail, Nosey Elly Jo, the least hound of the bunch, busted loose and in the church door she went. Havin' two other hounds in tow at the time and not wantin' them to get free too, it was a minute or two before I could go in after Elly Jo. When I got inside, she had tore up a piece of rotten plank in front of the altar and hauled that fox out!

"Hound and fox was spinnin' like a pin-wheel when I got to 'em, with the whole congregation hot after me. I had only my belt left to tie with so I whipped it off and got it around Elly Jo's neck. As I dragged 'er back, and she throwing pieces of fox fur all over the church, the preacher made it in the door to join the rest and all hell broke loose!

"With my belt on Elly Jo my pants wouldn't stay up, so I sunk down on the mourners' bench, rolled my eyes up to heaven and beseeched: "Lord, just let me get these hounds home one more time and I'll never hunt on Sunday agin'!

And that, "concluded mr. Ralph, "is why the Volunteer Brittany Club never runs its trials on Sunday."

Regulations Governing the Use of Tracking Devices at AKC Pointing Dog Events

The following Regulations become effective August 1, 2009.

The use of tracking devices is solely for locating the dog once the dog is no longer under judgment. Information obtained through the use of a tracking device must not be used to aid the handler, scout or judges. If the host club allows tracking devices, the following regulations on their use will apply.

1. AKC Approved — Only tracking devices approved by the AKC Performance Events Department will be permitted. The collar and receiver must be used as received from the manufacturer. No modifications may be made other than name tags may be added. The collar surface against the dog's neck shall be flat. Approval will include both the collar and the receiver.
2. Carrying Receivers — The scout may not carry a receiver. The handler may carry a receiver with the permission of the Judges. The receiver must be turned off while the dog is under judgment.
3. Receivers in the Gallery Must Be Turned Off — No one in the gallery shall track the dogs while the dogs are under judgment.
4. No "Outside" Communications — No one shall communicate in any manner with the handler, scout, judges or gallery any information obtained through the use of a tracking device while the dogs are under judgment. This includes the use of cell phones.
5. Receivers May Only Be Used Once the Dog is No Longer Under Judgment — Receivers shall only be activated once judgment has concluded. If a dog is gone at time, the dog is still under judgment until the judges indicate otherwise.
6. Dogs Lost From Previous Braces — If a dog is lost from a previous brace, the handler and scout may use their receivers during the next brace solely for the purpose of locating their dog. Once the dog is located, they must immediately turn off their receivers. They must not communicate any information they obtain through the use of their receivers concerning the dogs currently under judgment.

7. Judges May Not Consider Information Obtained Through Tracking Devices — Judges are not to consider any information obtained through the use of a tracking device. No one shall use information from a tracking device to attempt to influence a judge or to discredit the judge's decision.
8. The use of a tracking collar is an elective and it is the handler's responsibility to furnish the device. The running of a stake shall not be held up due to the lack of a tracking device.
9. Two-Collar Rule — A dog may wear no more than two collars. All collars shall be worn on the dog's neck. If the handler elects to use a tracking collar, it shall remain on the dog during the entire time the dog is under judgment. If the handler removes the tracking collar, the dog shall be considered out of judgment.
10. The use of tracking devices is at the discretion of the host club. For Field Trials, the premium list must state that tracking devices are not allowed, otherwise they will be allowed. For Hunt Tests, the premium list must state they are allowed, otherwise they will not be allowed.
11. Rescinding Use — Use of specific tracking devices may be rescinded at any time by the AKC Performance Events Department if the regulations pertaining to their use become overly difficult to enforce or in the case of repeated misuse.
12. Tracking devices may be worn during call backs, including a call back for retrieve. If a dog did not wear a tracking collar during its brace, it may not wear one in a call back.

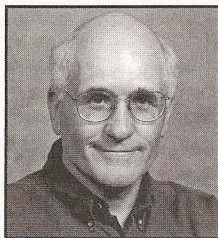

Note — Electronic flashing collars are not allowed in AKC Pointing Breed field events.

If an Event Committee determines a violation of these Regulations may have occurred, the accused (which includes anyone involved in the misuse of the tracking device including the act of communicating improperly obtained information) shall be charged with misconduct. An Event Committee hearing must be held. If the Event Committee determines through the hearing process that a violation did occur, the accused shall be immediately suspended from all forms of participation in AKC

Meet the 2010 American Brittany Club National Open & Amateur Gun Dog Championship Judges

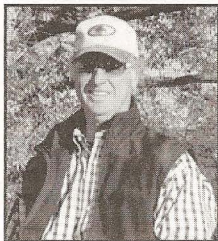

Jack Murphy

I turned my first Brittany loose in 1987. My Mentor (critic) Everett Davis was ready to turn my puppy loose when a cloud burst of rain started. I turned my horse back, not being too bright and very green. Everett, having already turned my puppy loose, inquired as to where I thought I was going. He suggested that I get to handling, as my dog was headed downfield. All that was many years and trials ago. I estimate that I have run and judged in over 300 trials over the past 23 years, getting acquainted with some of the finest folks on earth. I was very flattered when asked to judge the Gun Dog Nationals. There is nothing in the world I enjoy more than watching really nice dogs do a bang-up job in a great stake. So from my humble beginnings to whatever I become in the dog world, I look forward to meeting the contestants, their dogs, participating in the Nationals. I wish sincere good luck to all. See you in Michigan.

Mark Johnson

I have enjoyed bird dogs and hunting with them for my entire life. As a kid we, hunted pheasants in Iowa & Kansas with Springer's. Since the early 80's I have owned and campaigned Vizslas in AKC and American Field gun dog/shooting dog field trials having finished several field champions, amt. field champions along with a number of wins and placements in national competition. I am currently campaigning two adult and one juvenile puppy/derby in regional and national field trials. Career wise I was fortunate to enjoy over three decades working in corporate America in a number of operations and executive roles. I was also fortunate to be able to "retire" from that world about five years ago. My new found "time" has afforded me the opportunity to spend considerably more with my dogs. It has been my pleasure to judge well over 150 weekend field trials both horseback and walking for virtually every pointing breed dog; as well as over a dozen national caliber championships including the Prairie States Brittany Shooting Dog Championship and the Illinois Brittany All-Age Championship.

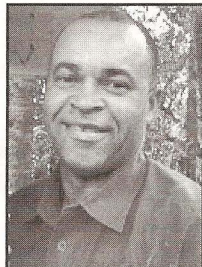

Being part of the bird dog community, to me, is more than just running dogs or serving as a judge... "Giving back" is something I feel to be important. To that end I have served as an officer and/or director for several bird dog organizations and am currently President of the Field Trial Clubs of Illinois (representing 43 separate clubs in our state), am President of The National Vizsla Association (American Field) and am a director of The Vizsla Club of America (AKC). I have served as trial chairman, secretary, or committeeman at more trials than I want to count and have great respect for those who step forward to organize and run both weekend and national championship field trials. And if I had to do it all over again I would do it just to be a part of the great culture and heritage our sport affords everyone.

It would be my pleasure and honor to serve as a judge for the 2010 ABC National Gun Dog Championship.

Mike Hester

I grew up in Alamance County, North Carolina, which is farm country. I started hunting quail with my uncle around age twelve. I have hunted wild upland birds over pointing dogs each year, since then. At the present I am fifty-four years old and have owned and operated Foxwood Plantation for the past 14 years. Foxwood Plantation is a controlled hunting preserve which specialized in wing shooting. I have owned and managed County Line Kennel for the past 35 years. Notable dogs developed over the years include, Ch. Belfield Silver, Ch. Roll's Black Bart, Ch. Flatrock Sugar Plum, Ch. Mar Jay's Jackie, Ch. Diamond Hill Dancer, and Ru. Ch. Neutron. As a handler, my winnings consist of around 30 major open championships and about 25 runner-up championships, with at least two wins being National Championships and two being Invitational Championships. I have made one appearance competing for the National Championship at Grand Junction, Tennessee. As a judge, I have judged numerous championships, classics, national qualifiers, as well as weekend trials. I have also hosted championships and local trials on my grounds.

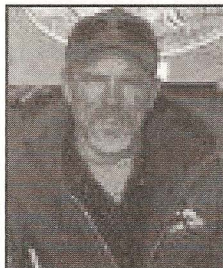

Ron Auten

I purchased my 1st Brittany in 1973 as a hunting dog. As a member of the Michigan Brittany Club was I introduced to field trials. Max hooked me to the sport by placing in the grouse woods, all age and gun dog events. Other dogs I have trained and competed with; DC Auten's Morning Star, FC Auten's Keystone Cop, DC/AFC Auten's Duke of Danaris, DC Auten's Jack B Quick, FC/AFC Auten's Gentleman Kane, and FC/AFC Auten's Megnetic Field. I have judged many regional events each year since 1975. I have also judged the ABC Grouse Classic, The 2009 & 2010 Michigan Brittany Shooting Dog Championships. I continue to be an active member of the Michigan Brittany Club and the Michigan Brittany Championship Association. I continue to be an avid hunter enjoying grouse and woodcock in Michigan and quail in AZ. I would consider it a privilege to judge The ABC Gun Dog Championship

Clifford Mesnard

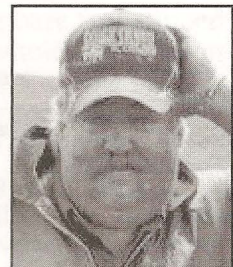

I grew up in Northern Ohio in the days when you could walk out your back door to upland bird hunt. My family acquire our first shorthair when I was a teenager. After returning home from the Marine Corps I purchased my own German Shorthair and

returned to upland bird hunting. My interest in field trials started during one hunting season at Killdeer Plains wildlife refuge. We would hunt and flush both pheasant and quail. I started field trialing in the mid 90s and enjoyed success at both The American Field and AKC events. We have finished dogs on the Open and Amateur side in the AKC. We have been blessed with two one hour All Age Championships and One Amateur All Age Championship in 2009 giving us the 2009 All Age Dog of the year. Also in 2009 I acquired a species Amateur R/U championship at the Sharptail in Montana, National Amateur Shooting dog R/U at the All Breed in Illinois and a Open Shooting Dog Championship.

RJ Marquart

When most kids his age were just learning to drive a car, R.J. Marquart was already a pro. At the tender age of 16, he became a professional bird dog trainer. At 18, he earned his first field championship, and he became the youngest person ever to take home the National Canadian Chuckar Championship when he claimed that victory at the age of 19. More than 20 years later, RJ is still going strong, training and field trailing pointing dogs at his Quicksilver Kennels in Moses Lake, Wash.

RJ has won more than 70 AKC, CKC and AF Championships. One of his most amazing feats is Marquart's record of winning with ten different breeds of pointing dogs. He's won championship with Gordon Setters, English Setters, Irish Setters, Lewellin Setters, Red Setters, English Pointers, German Wirehaired Pointers, German Shorthaired Pointers, Vizsla and Brittany's. And receive Gordon setter of the year title for 3 straight years. He has won the National Canadian Chuckar Championship three times, and he has won the English Setter National Championship and the National Derby Classics and the following year one of the dogs that he had trained had won the National Amateur Championship. He also trained the dog that won National Vizsla Championship. In 2005 he had the No. 1 English Setter, Gordon setter and Irish setter, all in the same year. RJ has judge numerous AKC and AF Championship.

RJ puts on Training Clinics for the pointing breeds though out the country, he puts them on in the United States, Canada and Mexico.

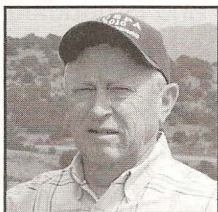

RJ is on Team Eukanuba, The Marshall Pro Team, Rehydrate Team, Team Tri-Trontics and Avery Sporting Dog Team

RJ really enjoys fixing problem dogs; he is good at reading dogs and understanding them. Not every person can fix a problem dog with enough time and understanding you can get it done. RJ makes a special point to credit the trainers he's looked up to during the career. "I've learned an awful lot from people that went before me, like Bob Holcomb and Dave McGinnis. Bob Pettit taught me how to train problem dogs, and John Steger and Tommy Schwertfeger have been key influences. And of course, my Dad, who trained his own dogs and got me started in the sport

Meet the 2010 American Brittany Club National Open & Amateur All Age Championship Judges

Mike Aldrich

I was born and raised in Michigan where hunting and fishing was a family tradition. I started field trialing a few years after purchasing my first GSP for hunting. Being invited to join the local GSP club and being involved in helping with field trials peaked my interest in competing. Eventually I got a competitive dog and the money drain was on. After finishing my first dog I put him in the Nationals and although he wasn't competitive the experience spurred me to get better dogs. Since then I have won two National Amateur Championships and several other titles in the American Field arena. I have also finished several dogs to their AKC Field Champion and Amateur Field Champion titles.

I have been a board member of both GSP National clubs and FT Chairman for both of their Nationals on several occasions. It was at one of these Nationals in 1999 that I was asked to go to work for the AKC Performance Events Department. This was a great job as it gave me the opportunity to meet many people and see sporting dogs of all breeds competing from coast to coast. I spent 8 1/2 years with AKC but got tired of watching while other people competed, so I retired to get back into the action.

I judged my first trial in 1975 and have since judged over 100 AKC events and 50 AF Championships for Shorthairs, Brittanyans, Weimaraners, and Pointers. I have also judged AKC Nationals for Shorthairs, English Setters, Vizslas, and Wirehairs. I never get tired of watching a good pointing dog do what he was bred to do. It is an honor to be asked to judge for the ABC and will do my best to give every dog my full attention.

Alan Powell

I started hunting quail when I was twelve years old and have loved bird dogs even before that. My field trial experience started in 1976 when I was invited to the Greater Atlanta Brittany Club (now Georgia Brittany Club) spring trial. My wife and I enjoyed it and became active in the club. Eventually I spent over ten years as president of that club. We were active at the national level also. I served one term as an ABC director and either two or three years as stake manager for the ABC Open National Championship. That was the first years the move was made to Booneville. I also handled and have placed in the ABC National Amateur Championship.

Almost twenty years ago I made the move to American Field and Pointers. I was president of the Old Atlanta Field Trial Club for about fifteen years and a member of several other clubs.

As for previous judging assignments, with Brittanyans I have judged the National Amateur Championship twice, the Brittany Free-For-All once, Music City Championship, and the hour All-Age stake for the

Georgia Brittany club several times.

For the AFTCA I have judged two National Championship events. They were the National Amateur Shooting Dog Derby Championship and the National Amateur Quail Championship. The latter trial is considered the National Championship for AFTCA.

American Field Championships I have judged include the Masters Shooting Dog Championship, the Masters Championship (All Age stake) twice, the Invitational Shooting Dog Championship, Garden State Shooting Dog Championship, and the Gulf Coast Shooting Dog Championship three times. Along with these judging assignments, I have reported many more top championship trials.

Stan Williamson

I went as a young man with my father to many walking trials and championships. An avid hunter, I got into trailing in the early 80s thru my very good and close friends Kim and Harry Marlatt.

Being able to travel the last 12 years, I have been glad to sit in the saddle to judge many championships and regional trials including the 2009 ABC National Amateur Championship, Deep South Amateur Championship, ABC International Open All Age Championship, ABC Quail Classic, Prairie State Derby Classic, Prairie State Open Shooting Dog Championship, Prairie State Open All Age Championship, Mid-South Derby Classic, Mid-South Open Championship, Illinois Open All Age Championship, Illinois Amateur All Age Championship, GPDA National Championship, GPD National Amateur Championship, GPD National Open Championship. Always feeling the right dog was put on top.

I have participated in 4 ABC Gun Dog Nationals and 4 ABC All Age Nationals. I have always done my own training as a true amateur.

I look forward to seeing you all in November at the ABC Nationals and wish you good luck! I will do my very best to make sure the best performances wins!

Harold Davis

I was raised up hunting quail and started field trialing in 1961. I also trained professionally from 63-69 but returned to amateur status in 71.

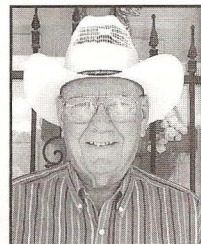

I served two terms as president of Region 7, one term as AFTCA director and several years on the Region 7 board.

Having won and placed dogs in hundreds of stakes throughout the years, I have also judged Region 7 Shooting Dog and All Age, Region 8 Shooting Dog and All Age, Colorado Championship, Mexico Championship, Texas Open Shooting Dog several times, Texas Open Championship, Illinois Open Shooting Dog Championship, the U.S. Open Brittany All Age Championship for John Doak three times and numerous Amateur and Open trials in several states.

I judged the 2005 ABC National Amateur All-Age Championship & 2006 National Open All-Age Championship and I'm happy to have been asked to come back to Booneville and judge the 2010 National Open All-Age Championship.

Bill Stubblefield

I retired from health care management to devote full time to my love of horses and pointing dogs. I grew up hunting and fishing in the Ozarks of Arkansas and continue until this day.

I first learned about field trials in 1983 and started running my dogs in NBHA. Later my interest was turned towards the running All Age dogs.

I think one of the most beautiful sights is to view an All Age cast out on the prairie where the dog is almost out of sight and slams into point with head high and tail at 12 o'clock straight up. You ride for 5 minutes to get to the dog and flush the chickens out in front of the dog and the dog stays frozen until released for watering and sent out once again.

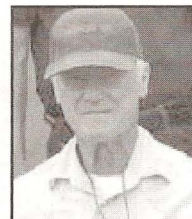

I credit my judging skills to John Criswell who tutored me on judging field trials and running All Age dogs.

I have judged most of the major championship trials from South Dakota to Louisiana. This includes most breeds: Pointers, Setters, Shorthairs, Brittanyans, and Vizslas.

I am honored to have been invited back to judge your National Championship again this year.

Jim Yates

My wife Kathleen and I have trialed for about 30 years. We started in German Wirehaired Pointers, then change to German Shorthaired Pointers. Over the years we have had several champions, including four National Championship winners.

I have judged numerous hour championships in several breeds, including the German Shorthair Nationals (6 times), National German Pointing Dog Championship (twice), and the Weimaraner Nationals (twice).

I'm honored to have been chosen to judge your Brittany National Championship.

Meet the 2010 American Brittany Club National Specialty Judges

NANCY D. SIMMONS

Nancy has been active in both conformation and obedience over the years with her Great Danes, a Golden Retriever, and more recently Doberman Pinschers. Nancy competed with her Doberman Pinscher CH Lemils Simmons Seville UD ROM in the Obedience Top 20 at the DPCA National Specialty in 1997. Currently Nancy has two Dobermans.

Nancy applied for AKC approval in 1993 to judge Great Danes and Junior Showmanship. At the present time, she is approved to judge the Working group, the Sporting group, nine Herding breeds, Junior Showmanship, Best in Show, Miscellaneous Breeds, and all levels of Obedience and Rally.

She works full time with her husband Carl in their business as a general contractor doing commercial construction. Nancy's WBE business, Cross Country Corporation, specializes in commercial playground installations. Her daughter Cindy is a physician whose specialty is Emergency Medicine. Cindy has two children. Nancy is proud of her grandson Christopher and granddaughter Julianne. Nancy's son Andy earned his PhD in Biochemistry and does genetic research in the San Francisco area. Andy's son Jason is a big soccer fan. Nancy feels blessed to have three healthy grandchildren.

Nancy is honored to judge your National Specialty. She would like to wish "Good Luck" to all of the exhibitors and dogs.

LINDA LANGFORD

I purchased my first Brittany in the early 1970's primarily as a companion but also for competition in obedience, conformation and junior handling. I fell in love with bird work after learning to shoot from Jack Russell over some of Greenfield Kennels prized gun dogs.

Over the years I have been thrilled to own some wonderful dogs, including two Dual Champions and a Master Hunter. One of my biggest thrills was winning Best of Breed at an ABC Summer Specialty as breeder/owner/handler of DC Roja's Gambling Chips, after having retired his mother, CH Roja's Ante-Up MH from the show ring. I've co-owned two National BOS winners

and my first breeding produced a National Best of Winner.

I love that quality dogs in this breed continue to be competitive in both field and show. It is an honor to have been selected for this sweepstakes assignment, and I look forward to seeing the young and the old in the ring this November.

Understanding the Electronic Collar

The electronic collar can be the best aid in keeping a dog honest in its work and also for aversion training. The reason I call them "e-collars" as opposed to "shock collars." In today's age with the newer technology they have a different type of stimulation and lower levels of stimulation. The E-collar of today is no longer about shocking a dog and making it yelp and punishing him from doing something you don't want. At least it shouldn't be for normal day to day training unless it is being used for aversion training like snake avoidance or chasing unwanted quarry such as deer or rabbits.

The e-collar of today can now be used like a cue to get a dog to do something desired without the dog taking it like a punishment provided you take the steps to teach cues. Again The lower levels of today's e-collars can have less stimulation value than that of tugging on a leash, lead or check cord.

When understood and used properly, the e-collar should have the same exact value as a leash, a check cord or even your hands, and correction or firmer insistence on a cue should never be about causing pain or fear but at the same time it can help a dog learn what is being commanded of it.

When the e-collar was first designed it was basically an aversion tool that was also known as a "trash collar" built for running hound dogs. This is where they got the wicked name of "shock collar," because most hounds do require quite a bit of stimulation to divert them off a track of unwanted quarry. And yes, it was a fairly good jolt thus was a harsh tool in the field.

The input of many trainers, the e-collar companies have greatly reduced the levels of stimulation to where they can have less sensation than that of you tugging on the collar via a leash. Trainers of yesteryear who have written books will even say that if they could edit those books, they would. Delmar Smith, for instance, has edited his training video with a new version of the whoa post. My point is that even the best trainers leave the door open to learning and evolving their training programs for the easier understanding of the dog. Thus again the Shock collar of yesterday can now be used to help maintain training dogs today to be a more reliable dog in the field.

This is a basic primer for someone just starting out with e-collars.

The e-collar should NOT be about pain in maintaining training and I cannot stress that enough. When properly used it is like having an invisible check cord to help maintain what a dog has already learned.

From the first time I put a leash on a little puppy, I start teaching with fun little sessions that a tapping (light tugging) sensation equals a movement command. It means to move with me, to me, or in front of me. Then I provide a constant sensation until movement stops to provide the basis for a "stand still" or "whoa" command for the pointing breed and for the retriever breeds it will mean "sit still." An easy way to remember this is a tap-tap

for go and a constant for whoa. Then as the pup matures, I'll work these same cues into the command lead and with the check cord, and then to the e-collar. A note on the tapping: it's not about physically making a dog to move, it's about getting a dog to mentally free up and go with you. When they begin to move with you or to you, the tapping/tugging needs to stop as the cue is being complied with. After the leash becomes a routine I will continue the same routines with the check cord and the command lead, and then repeat with the e-collar using the check cord as a back up, then it is off to the field for some go-with-me exercises.

When the dog is complying, this is a great time stop and end the session on that good note. Let him sit on the chain gang and absorb the picture of events that just transpired in the commands that were taught through basic yard work.

Basically, when you're ready to overlay the e-collar into your routine and the dog is pretty much doing what it's supposed to. When you begin to use stimulation you start with the lowest level. Look for signs of your dog responding to the collar like a slight muscle twitch/contraction.

The key thing here is for the dog to respond to – not react to – the stimulation. If a dog is reacting with a jerk or yelping, it's an indication that the stimulation level is too high. Keep in mind It could be a first reaction to a new sensation but after the dog learns the stimulation isn't hurting them then it should only be a tightening of the muscles and the dog not fearing the sensation. Whatever you do, no matter the response or reaction, do not do anything with the dog should the dog act confused or have a no so great reaction to the first time with the e-collar. You are best to just keep on moving like you have done in previous sessions with the check cord. Do not pet the dog. Keep moving and act like everything is just fine. The reason I say this is that you do not want the dog to shut down and come to you every time they feel the e-collar which is what can happen if you console your pet and reward or save them at that moment especially if it is the first time they reacted to the stimulation as that will only reward the dog for the undesired response and confirm to the dog to come to your side anytime you use the collar.

Now work with walking around with the check cord and do a quartering pattern by changing direction once the dog is doing this with the check cord then add the e collar to the regime. If your dog doesn't follow the direction or go with you, then give a "tap" with stimulation from the e-collar, and back it up with a tap from the check cord. Here you are introducing a new stimulation value in a familiar pattern and backing it up with a known stimulation. This is my preferred method of starting to expose the dog to an e-collar. Then I will work in to where I am standing still and the dog should come to me which is the same thing after they know what to do with the check cord and tap with e- collar and tap/tug with check cord only if the dog is not coming to you. Once I have the dog working off what I am doing then I will add the word to the command.

Again, Once the dog is freely moving with me and understanding the cues then I'll begin adding a word to the command, such as "here." For example, I'll walk around with a check cord when the dog is move about freely then I'll stop moving. If the dog does not turn and come to me, this is where I can then give the command "here", count to 1, then tap the check cord so the dog feels a couple of tugs from the collar until the dog is coming my direction. Then I'll have him stand still and give him a stroke down the back. After that, I'll cue for a release and start to walk in a quartering pattern again, and repeat the above process. If the dog starts to head toward me, there is no need to tap on the check cord. If the dog doesn't move toward me, I'll repeat the tap-tug on the neck until he is headed my way.

When your training becomes routine, the e-collar should be the least-used tool you have. If your dog is following the desired behavior or command, the trainer should not be commanding or stimulating the dog.

Even if you have to increase the stimulation level on the e-collar to get compliance, remember to turn the intensity back down to the base level where you started which is the level the dog responds to in normal situations. This is very important and helps the dog to learn to respond and comply with the lower levels.

The e-collar can help you take advantage of every training opportunity and help prevent a dog from learning undesired habits. You may go months without ever having to stimulate your dog as you and the dog become a hunting team. But as long as you have the e-collar on when a breach of manners occurs, you will be in a position to prevent it from becoming an issue or undesired habit out in the field.

The stimulation level that serves as the base level for an individual dog will vary depending on the collar and the dog. Some dogs are more sensitive and some just have a higher tolerance. Some dogs are more determined to do their own thing, whereas others are eager and willing to please. Then the other factor, especially for hunting dogs, is many times the base level in the field will be a little higher than it is for routine yard work.

Some dogs always react to any new sensation. A very key part here is if you know you're at a very low level, then just carry on as if nothing happened, allowing the dog to learn that what it just felt is nothing to freak out over. Too many people stop and feel sorry for the dog, and your great actor of a dog has just learned how to get out of something it finds unpleasant.

Properly fitting an e-collar on a dog is also very important. The collar must be placed high up on the neck and very snug so that the contact points are making solid contact at all times. A loose-fitting collar in which the contact points are not properly connecting to the dog's skin will lead to a couple of problems. One is no stimulation value, which might cause the trainer to turn the dial up thinking the dog is not responding and then the dog will move the head or the collar shifts and then all of a sudden contact is made, and the dog feels major shock which will cause a negative reaction and can feel more like a stab than a stimulation to the dog. This then can become a major setback in training.

When putting the collar on, take the strap and be sure to hold the loop part of the buckle pressed up next to the dog's neck, and then pull the strap through so that it is as snug as you can get it. Do not wrench it over with excessive pressure. You should not be able to get your fingers under the strap without forcing them there when properly snugged down.

There is only one instance in which using an e-collar is about high stimulation levels to cause a dog to yelp and yes should be painful, and that is for avoidance training such as chasing unwanted quarry or snake-avoidance. Here again when you have to turn it up, only stimulate the dog when the undesired chase or danger is in occurrence. Once it stops stimulation must stop and you the handler must pretend like nothing happened. Just keep moving on and do not acknowledge the dog if he hovers by for a bit.

One of my favorite tools to prepare a dog for the e-collar is the Delmar Smith Command Lead. I prefer it over the choke chain as it allows for a timelier cue since you don't have to gather the slack you would get with the choke chain. The pinch collar also can be an effective tool when used right.

You can use the tap-tap for a movement cue and the constant pressure for a stand-still cue. You can go from the command lead to the check cord, and you're always pre-cueing the dog with stimulation on the neck.

When I start to use the e-collar, a light little tug-tug on the command lead or check cord or leash is equivalent to level 1. If the dog doesn't comply, then you tug or tap a bit harder, bringing the stimulation level up to a 2. If the dog still isn't complying, go up to the next level.

Once the dog is cooperating, when you go to start giving the command again, start back at the lower level of stimulation. This way the dog will learn that if it doesn't comply, it'll feel stimulation and will learn to "beat it" or turn it by obeying the command. Even if you have to give a bit of a jerk, it's not about physically moving the dog – it's about getting the dog to the point where it will mentally move with you.

Again, the tugs/jerks from the leash check cord or command lead should never be strong enough to physically move the dog, but they should be kept up in repetitive annoyance until the dog starts to look for ways to get the tapping to stop. When the dog mentally figures out it is a movement command that will turn off tap/tug stimulation, they will willingly begin to move more freely toward you if you're standing still and move with you when you are moving.

If you take these small steps as your pup grows up, the e-collar then will have no more stigma to it then the leash, command lead, pinch collar or the check cord.

Nestlé Purina broke ground for the \$10 million Purina Event Center in April 2009. The facility features a 45,000-square-foot Great Hall, a 13,500-square-foot Benching and Grooming area, banquet area and catering services, plus ample parking, including 74 full service RV hookups. The new Purina Event Center complements the existing venues at Purina Farms for outdoor dog shows, lure coursing, agility, obedience, herding and earthdog trials.

The invitation-only grand opening included tours of Nestlé Purina's 350-acre property at Gray Summit, with agility, herding and freestyle flying disc demonstrations by the high-flying *Pro Plan* Performance Team.

Participants had the opportunity to pose for photos with "Sadie," "Stump," "James," "Uno," "Rufus," and "J.R." to commemorate the occasion. All six are fueled by *Purina Pro Plan* brand dog food.

2010 ABC Illinois Brittany Championship

January 21-24, 2010 • Pyramid State Recreation Area

by Ed Janulis

The Illinois Brittany Championship was originally scheduled to run at Pyramid State Park the week of January 16 – 20th. However, due to a scheduling conflict involving a late season deer hunt it had to be moved to January 21 – 24. Thanks to all participants who adjusted their schedules; entries were up significantly this year from last.

Participants from as far away as Michigan (Kent Merryman) and New York (Dr. Ron Harling, Sr., his son, Ron Jr., and granddaughter Riley). We had special guests including Debbie Fortman, from the State of Illinois DNR finance division and Terry Tryzinski representing Purina/Pro Plan. Purina consistently sponsors this championship and without their support, it would be more difficult to run a championship of this caliber.

Pyramid State Park is a former strip mine area reclaimed and designated by the State of Illinois as a primary field trial site. It is divided into two distinct areas both supporting three one hour courses. Named after the former mines they once were; they are Captain Area to the north, and Denmark area to the south. While presently having limited facilities at this location, the state, under the direction of site manager, Cha Hill, made every effort to support this competition including supplying water daily and a load of wood chips to place over the muddy places in the "clubhouse" area. The barn project is completing its initial phase, plans are being finalized, funds have been secured and we should break ground by early summer.

The Illinois Championship association has many seasoned veterans on their team and all pitched in to complete the many tasks such as moving the clubhouse to the grounds (yes, we have a portable clubhouse), bird planting and course marshalling and I'd like to thank everyone, club member or not who helped.

Saturday night we feasted on a great dinner hosted by Jill & Ron Doering at the Hunt Club located in Percy, Illinois. Jill and Ron not only supply lodging but help us on many other things needed and open their

spectacular clubhouse for the Brittany Club to use for this event.

Thanks are also extended to all the judges for this year's event; Open All Age, Kent Merryman and Alan Benson, Amateur All Age, Tim Self and Dave Capstick and the Open Derby, Jim Chase and Wade Haines. All placements were enthusiastically accepted from this seasoned group of judges.

The weather, luckily, for the most part cooperated with us being dry and comfortable in the daytime. However, heavy rain preceding the trial and on Saturday night left the course saturated, making it difficult at times for the dogs to forge forward.

The Running

Open All Age: Judges Kent Merryman and Alan Benson

This stake had 17 starters with many champions and well respected dogs.

The winner came out of the 4th brace; BRISCO'S MR. STUB, owned by Ray and Mary Jo Trimble and handled by Ray Trimble. "Stub" had a consistent forward run, ranging to the all age standard with a dispersment of two nice bird finds setting a standard that was never reached the remainder of the competition. Ray commented that in 25 plus years of running in this stake he had never won until today. Well Ray, "Better late than never".

Second place was awarded to RU-JEM'S A TOUCH OF BOURBON owned by Ruth and Jerry McGee and handled by Jerry McGee. He also displayed a consistent far reaching run with multiple bird work during the hour. This dog continues on his winning ways from last year where he won multiple championships and ultimately the Purina Award.

Third place was awarded to TRADEMARKS' ICEMAN, owned by Donna and Ed Janulis and handled by seasoned professional Chad Holman. Timmy also had a consistent forward run with two stylish finds to press both the first and second placement.

Open Championship – front row, left to right: Ray Trimble with winner BRISCO'S MR. STUB, Jerry McGee with second place winner RU-JEM'S A TOUCH OF BOURBON, Donna Janulis with third place winner TRADEMARK'S ICEMAN, Ed Janulis with fourth place winner GRAND JUNCTION JAKE. Back row: Judy Graves, Mary Jo Trimble, Kent Merryman (judge), Ruth McGee, Alan Benson (judge), Joe Jung (dog wagon driver), Riley Harling, Ron Harling, Jr.

Fourth place was awarded to GRAND JUNCTION JAKE, owned by Richard and Carol Pulliam and handled by Chad Holman. Jake ran hard through the sometimes flooded course and had one find.

Open Derby: Judges Jim Chase and Wade Haines

This stake had eleven of the finest Derby dogs you would find anywhere, so judging proved difficult.

The winner was AJAX DYNA'S HAMMERIN MANDY, owned by John and Judy Marinelli and handled by Chad Holman. Mandy, from the breakaway, exhibited a snappy gate and a futuristic all age run consistently far to the front while intelligently hunting game.

Chad Holman with winner AJAX DYNA'S HAMMERIN MANDY, Lee Holman, Ed Janulis, Joe Jung with runner-up J AND J BRANDY GRIL.

Amateur Championship – front row, left to right: Donna Janulis with Winner TRADEMARK'S ICEMAN and Jerry McGee with Runner-up RU-JEM'S FIST FULL OF DOLLARS. Back row: Ed Janulis, Terry Tryzinski (Purina rep), Tim Self (judge) and Dave Capstick (judge).

Runner up was J AND J BRANDY GIRL, owned by Joe Jung and handled by Al Gorrow. Brandy also was forward at an extended range while still handling.

Third place was awarded to JAC'S FUTURE FORCE (Pat) owned by Ron Harling, Sr. and handled by Chad Holman. Like the first and second place dogs Pat ran a mature race and finished to the front. These dogs were the best of the best with the majority of the Derby dogs exhibiting elements of a future champion.

Amateur All Age: Judges Tim Self and Dave Capstick

Eighteen starters participated in this stake. Again, reviewing the brace sheet everyone knew it was a formidable competition with any of these dogs surfacing as the winner.

First place was awarded to TRADEMARK'S ICEMAN, owned by Donna and Ed Janulis and handled by Donna Janulis. Timmy ran a forward consistent race extending his reach consistently during the entire hour. This was capped off by a stylish find on the side of the mountain.

Runner-up went to an up and coming young dog who made his mark in puppy and derby stakes, RU-JEM'S FISTFUL OF DOLLARS owned by Ruth and Jerry McGee and handled by Jerry McGee. Ironically he was braced with the winner Timmy. Dollar was on a mission finding five different birds. His run in between exhibited consistency and range thus earning him this runner up placement.

2010 ABC Southern Open Brittany Classic/Championship

February 17-21, 2010 • Dick Cross WMA, Boydton, VA

by Yvonne McKeag

The ABC and Southern Open Brittany Championship Association hosted the Southern Open Brittany All-Age Classic, followed by the Derby Classic and the Region 3 Amateur All-Age Classic. This year's running began on Wednesday February 17th at Dick Cross WMA, in Boydton, VA. In the judicial saddles were Joe Cincotta from Stockton, NJ and Art Cohen, Glenrock PA. They gave their full attention to 22 hopefuls in the Open Classic and the 13 in the derby classic.

As always the club wants to thank their generous sponsor Purina for their support of this trial. It is always important to thank all those behind the scenes for without them these trials could not be put on. This year Ed Kerr was in charge of the bird planting; Ellen Kerr headed up the kitchen for lunches and helped with the dinners or cooked the dinners. Lisa Pollock who is the club secretary took care of the paperwork and also cooked dinners, and Paul Pollock who helped with anything else that needed to be done.

When all was said and done EARLY TIMES was named Champion. He was handled by Tom Tracy, Jr. and owned by Bo and Renae Ackerman. He ran in the 7th brace along with this year's Runner-up CLYDE'S MICRO BREEZE who is owned by Paul and Lisa Pollock, and handled by Lisa. Point was called by the scout for Mike on the far side of the first pond. Mike had perfect manners and stood with style while his bird was flushed and handler shot. Earl had gone on and was found standing tall with excellent style just before the second pond with perfect manners also, with all in order. Earl was covering the course with great application and style. He was handling at a pleasing forward all-age range and his rapport with his handler was a delight to watch. Mike showed his experience on this course and hunted it like a pro. Both dogs showed themselves well on the river bottom although Mike did get hung up for a short while. Mike then scored a find behind the Silo. After a flushing attempt he was asked to relocate and showed how it is done. He trailed a pair of birds to where they were sunning in an open field. Birds were flushed with all in order. Earl also was found standing behind the Silo and after an extended flushing attempt he was relocated but was unable to connect with a bird and after a time was sent on. Mike finished his hour reaching for the cedar row and Earl still running strong caught the front just as time was called.

In third place was DAKOTA ALLEY CAT, (known as Tiger), he was handled by Tommy Tracy, Jr. and owned by Bo Ackerman. Point was called for Tiger when a scout spotted him buried up under a pine tree across the first pond with all in order. Point was called again for Tiger before the second pond showing style and manners on a small covey. As Tiger was responding to his handler he jumped across a hedge row startling a bird to flight and he stopped to flush. Moments later again crossing over a hedge area again he had another stop to flush. He then scored his last find a few moments later in the field after the silo with all in order. Tiger finished his hour heading for the cedar row. In fourth was JAY HAWK'S GEORGIA GIRL, also handled by Tommy Tracy, Jr. and owned by Paul Rosevear. Gigi scored a find in the cover before heading to the river bottom with all in order. She covered the river bottom and Behind the Silo her brace mate was found pointing and Gigi came into back. Her brace mate had an opossum pinned and was sent on. Before the bear trap point was called for Ace again. Gigi did not see her brace mate on point and was guided around him and pointed at the bottom of the path. After a flushing attempt Ace was relocated and ended up backing Gigi. The bird was flushed with all in order. Gigi was sent on to finish her hour heading for the cedar rows.

THE RUNNING

Brace 1 THE CRASH SCENE (Tracy) and Bye. He was up at 12 for not pleasing his handler.

Brace 2 ADIOS SHAQ ATTACK (Tracy) and DIAMOND HILL RECKLESS ENDEAVOR (Pollock). Endeavor was up at 15 for not pleasing his handler. Shaq was found on point just entering the woods heading to the river bottom. No birds were produce and he was sent on. He was up at the bear trap without a bird.

Brace 3 JAY HAWK'S GEORGIA GIRL (Tracy) and LINVEL'S ACE OF DIAMONDS (Pollock). Gigi's performance was described earlier. Both dogs covered the river bottom. Behind the Silo Ace was found pointing and Gigi came into back. Ace had an opossum pinned and was sent on. Before the bear trap point was called for Ace again. Gigi did not see her brace mate on point and was guided around him and pointed at the bottom of the path. After a flushing attempt Ace was relocated and ended up backing Gigi. The bird was flushed with all in order. Ace was picked up by his handler ending his hour.

Brace 4 ELEETS COLORADO BLUE (Tracy) and MAXWELL'S GUNSMOKE (Lorenson).

ABC/Southern Open Brittany Classic – Tom Tracy and family with Winner EARLY TIMES, Judge Art Cohen, Lisa Pollock with CLYDE'S MICRO BREEZE, Judge Joe Cincotta, Leonard Asiaga with DAKOTA ALLEY CAT, Paul Pollock, Ed Kerr, Dustin Foley with JAY HAWK'S GEORGIA GIRL.

Both dogs were covering the course. In the river bottom Blue was seen off course on the Ducks Unlimited, after his time was up he was found on point off course on a woodcock. Gunsmoke finished his hour bird less.

Brace 5 CEDAR VALLEY ASYA (Tracy) and PINEY RUN ART (Lorenson). Both dogs took in some extra course before the first pond. Both dogs were gathered up and sent on. Point was called for Artie before crossing the road, after a flushing attempt he was relocated and a dead bird discovered. He was sent on and regained the front on the river bottom. Asya was lost at the end of the river bottom ending her bid for the title. Art when on to have a find on a woodcock just inside the wood line as we entered the field before the bear trap with all in order. He finished his hour reaching for the cedar rows.

Brace 6 ROUSTABOUT SNIKSOH SADIE (Tracy) and SAVING PRIVATE RYAN (Kerr). Sadie had a stop to flush in the woods before the river bottom. Then was found standing pointing into the island below the Silo with great style. No bird was produced and she was sent on to finish her hour reaching for the cedar rows. Ryan was bird less and his handler had him up behind the silo.

Brace 7 Co-Trial Chairperson was charged with a false start for the first brace of the day when he called the first brace to the line at 9:00 and announced the dogs in the brace with his normal "The suspense is killing us people" and with that the scouts turned the dogs loose and handlers broke away, as a judge on foot leading his horse round the building. However in short order he was in the saddle and we were back in the game.

EARLY TIMES (Tracy) and CLYDE'S MICROBREEZE (L. Pollock). This brace was reported earlier.

Brace 8 DAKOTA ALLEY CAT (Tracy) and TM'S TENNESSEE TWISTER (L. Pollock). Tiger's performance was described earlier. Twister was out of pocket for a time before crossing the road. She then got hung up in the woods before the bear trap and the tracker was called for.

Brace 9 CEDAR VALLEY BANDIT (Tracy) and MUSTANG SALLY VIII (Borgman). Sally was lost shortly after breakaway. Bandit also got hung up for a short while; he went on to have a find before the second pond with all in order and was up at the river bottom.

Brace 10 UNCLE KRACKER (Tracy) and DIAMOND HILL DEUCES GONE WILD (L. Pollock). Kracker was up at 15 for not pleasing his handler. Deuce had a stylish find before the second pond with all in order. His ground performance was not up to his usual standard and he was collard at 35.

Brace 11 BROADWAY JOE IV (Tracy) He was not putting down the ground performance needed and was up at the second pond.

Brace 12 CORREDOR DORADO (Tracy) He was putting down a nice race but was bird less when he was lost in the river bottom.

THE DERBY CLASSIC

The Derby Classic began on Friday morning with the weather warmer but still with light winds. This year there were 13 young hopefuls. Again Joe Cincotta and Art Cohen were sitting in the saddle. On this day the fourth brace produced the top two dogs. GEORGIA'S TEXAS TWO STEP handled by Tom Tracy, Jr. and owned by Travis and Clayton Tange took top honors with mature bird work and a pleasing ground performance showing the promise to become a future champion. Her brace mate was a young male SIGBRIT'S CATCHER IN THE RYE handled by Bobby Sigmund and co-owned by Bobby Sigmund and Yvonne McKeag. Had two nice derby finds and worked well with his handler. This is a dog to look for in the future. In third place was another promising young female to watch for. SIGBRIT'S THE DIAMONDS IN ME, handled by Ed Kerr and owned by Ed and Ellen Kerr, ran a nice race and handled her birds with style. In fourth

place was JAKE'S ROYAL LEGACY owned and handled by Sebastian Ventura. This young dog ran very enthusiastically with two nice finds.

A side note to the Derby: Here is to the scout who was charged with a false start by releasing his dog with leash still attached before the call to start, and the handler who had the best move of the day with a perfect tackle as Alvin made his way back to the starting line so that we could start the brace over correctly. Also here is to the handler who's nerves got the better of him and forgot the dog they were running was Gabe not Jake. Everyone had a great time and enjoyed the running.

THE REGION 3 AMATEUR ALL-AGE CHAMPIONSHIP

Saturday started cold and clear but warmed rapidly. However scenting conditions for the championship were very poor and took its toll on many of the dogs. In the saddle for this championship was Tim Carwile and John Kline stepped in when Dominick Prite was unable to attend. This year we had 17 hopefuls come to the starting line.

This year's winners were both ten years old and showed the youngster how to run a field trial. CLYDE'S MICRO BREEZE, owned by Paul and Lisa Pollock and handled by Lisa once again was named Champion. Mike ran in the 6th brace, his first find came across the first pond showing his style and manners. He then applied himself to the course showing his experience and style and was briefly lost to the front and found on point behind the silo as his handler arrived again he showed intensity and manners as his bird was flushed. His final find came before the bear trap with all in order He finished his hour with a final cast reaching the top of the cedar row.

The runner-up was DAKOTA ALLEY CAT owned by Bo and Renae Ackerman and handled by Bo, ran in the 7th brace. He is known as Tiger and he put down an experienced forward all-age race, his only find came behind the silo showing all his style and manners. He also finished with a final cast to the top of the cedar rows.

Third and Fourth place this year were withheld.

THE RUNNING

In the first brace was MUSTANG SALLY VII (Borgman) and JAYHAWKS GEORGIA GIRL (Foley). Sally was out of pocket early then was gathered up to have a find before the second pond only to suffer an indiscretion ending her bid. Gigi was covering the ground but was unable to locate birds and began to dig in on the river bottom and her handler elected to pick her up.

In the second brace was LINVEL'S ACE OF DIMONDS (Pollock) and EARLY TIMES (Ackerman). Both dogs were covering the ground but scenting conditions were very poor and both went the hour birdless.

Next to the line was DIAMOND HILL DANGEROUS MAN (Pollock) and ADIOS SHAQ ATTACK (Ackerman). Man was running a close race but scored a stylish find behind the silo. After a flushing attempt he was relocated and all was in order. Shaq completed his hour birdless.

In the fourth brace TM'S TENNESSEE TWISTER (Pollock) and UNCLE KRACKER (Ackerman). Both dogs took a hard left off course, handlers had both dogs under control in short order. Kracker continued to run without his ears and was up after the second pond. Sway went on to the river bottom and then was lost to the front after the Silo. She was found just before time forward on the course at the top of the cedars, however her hour was birdless.

The final brace of the day was DIAMOND HILL DEUCE'S GONE WILD (Pollock) and MAXWELL'S SOUTHERN HOSPITALITY (Greenlee) Both dogs were running a steady race hunting the course. Point was called for Hospitality on the edge of the path, Gone Wild came in for a back, a dead bird was found and both dogs were sent on. Point was called again for Hospitality behind the Silo showing style and perfect manners. Both dogs finished at the top of the cedar row.

In the sixth brace CLYDE'S MICRO BREEZE (Pollock) and CEDAR VALLEY BANDIT (Foley). Mike's performance was described earlier. Bandit scored a find before the second pond. After a flushing attempt he was relocated on a running bird, with all in order. He was covering the course with style, however he lost touch with his handler after the silo and was not found before time.

Brace 7 was SAVING PRIVATE RYAN (Kerr) and DAKOTA ALLEY CAT (Ackerman). Ryan was making a great run covering the course however was unable to connect with a bird. Tiger's performance was described earlier.

Brace 8 DIAMOND HILL ACE KID (Pollock) and SIGBRITS THE DIAMONDS IN ME (Kerr). These young dogs were off to an enthusiastic start, however they were not pleasing their handlers and were up at 12.

Does GMO Mean "GOD MOVE OVER"?

Solid Gold Dog food continues to produce the finest pet food for your dogs and cats. The #1 allergy of pets is soybean, #2 is wheat and #3 is corn. They make the animals chew at the root of their tails and lick their feet. Solid Gold doesn't use these allergic grains. They use amaranth, millet and barley. These grains have a history of health. In the Old Testament, Ruth is gleaning millet in Boaz' field. In the loaves and fishes story, it is barley that makes up the loaves.

In June 2010, the radio show "Coast to Coast" had a guest tell how some food has been purposely altered causing disastrous results. A farmer used to save seeds from this year's crop, to plant next year. Then, large companies began to produce Terminator Seeds. The seeds have been genetically modified (GM) so as not to be able to reproduce, causing farmers to buy new seeds every year. These genetically altered seeds are 98% soybean and 90% corn. The government has partnered with the chemical companies. The official term is Genetically Modified Organisms or GMO.

These GMO foods were tested on mice. The male mice's testicles were no longer pink. They turned purplish showing lack of oxygen. Some had cancerous tumors. Instead of 100% female mice conceiving, only 30% became pregnant. When these 30% were bred, only 10% conceived. Then these 10% were bred, zero were born. The control group was fed non-GMO food, almost 100% conceived.

When GMO alfalfa was fed to female pigs, sows, they were then bred. X-rays showed the placenta sac with the fluid, it was empty - no piglets at all. Yet the non-GMO food sows produced normal piglets.

When the guest on the radio called the chemical company why these terminator seeds were produced, she was told there were too many people in the world, and this was a form of population control. Isn't this what is the basis of the New World Order!!!

If you intend to breed your dogs, and are feeding pet food with soybean or corn, you may get zero puppies. Soybean is sometimes called lecithin.

Solid Gold used to get Alaskan wild caught salmon for our dog food. But we were informed that the area has been "fished out", we were told to use farmed salmon. Never! Farmed salmon is fed GMO corn.

The owner of Solid Gold dog food has been raising and showing Great Danes for 50 years. For 30 years, Solid Gold produced many healthy supplements, one of which was called Solid Gold Concept-A-Bitch. They FDA forbid her to produce this herbal aid to pregnant bitches. They said that conception and pregnancy were diseases and only vets should be allowed to breed dogs! The lady's vet is only 32 years old. When the lady told this to her vet, he said that this was ridiculous, he had other things to do. Also, if breeders are now forbidden to breed by the FDA, where are the future puppies going to come from?

Solid Gold doesn't use sunflower oil in its dog food. The Swedish National Cancer Institute's 10 year study found a 69% increase in cancer. Solid Gold doesn't use peas - which may cause gas; or peanuts / peanut butter a well known allergen, or avocados. Dr. Karen Halligan warns that avocados may contribute to pancreatitis.

A lady came to our Solid Gold store and bought a bag of our "Just a Wee Bit" dog food for the little dog. When asked what kind of dog she had, she replied that she didn't have a dog. She had chickens. She replied that she used to feed corn, but about a year ago, their feathers began to fall out, they developed cancer tumors and her egg production dropped considerably. Everything improved when she switched to Solid Gold "Just a Wee Bit" dog food.

Now for our story: Angels Unaware

Farmer Brown was walking along a road when he heard a tiny sound. It came from a near-by box. Inside the box were some tiny puppies. All had been struck on the head and most had died. But one was still alive although her head was dripping blood. It had been a deliberate killing.

Farmer Brown carefully picked her up, wrapped her in his handkerchief and went home, where she was slowly nursed back to health. She looked to be a Border collie mix. Perhaps the mother had bred with a mixed breed dog and the owner didn't want the puppies, so he decided to kill them.

Farmer Brown named the puppy, Angel. Soon the farmer and Angel would go out and do their work. In time Angel was also about to be a mother. She has three lovely puppies.

One night, Angel was late returning home. Around suppertime, Angel came into the house carrying a towel in her mouth. Inside the towel was a new born human baby girl. Angel put the baby in her litter box, cleaned it up and cuddled it to keep it warm.

Farmer Brown had called the sheriff who quickly came out and transported the baby to the hospital.

Seems as though a young unwed girl had given birth to the baby, wrapped it in a towel, and placed it by the side of the road to die. Then, along came Angel and took the towel and baby home.

Several months later a couple adopted the baby girl. They knew the background and decided to name the baby, Angela.

In the fullness of time, Farmer Brown passed away. Shortly afterwards, so did Angel, the Border Collie mix that no one wanted.

Angela grew to be a fine young lady. This is a true story and took place in Scotland.

A phrase in Hebrews 13.2 that says "Do not neglect to show hospitality to strangers, for by this, some have entertained angels without knowing it."

HEART OF ILLINOIS

May 30, 2010
Bloomington, IL

The Heart of Illinois Brittany Club had their Specialty Show on May 30 in conjunction with the Heart of Illinois Cluster Dog Shows in Bloomington, IL. I want to thank the show committee of the Illinois Valley Kennel Club of Peoria, IL for their hard work and supplying our ring stewards for the specialty. Another big thank you goes out to all the Brittany people who came to support our show this year.

Sandy King graciously agreed to judge our sweepstakes this year. There were 4 dogs and 1 bitch to judge. COUNTRY ROAD'S HOT SHOT was chosen for Best of Sweepstakes and AMMO'S THE SHOW THAT NEVER ENDS was picked for Best of Opposite Sex to Best in Sweepstakes. We had two veteran dogs and DC HAVAPAL'S RENEGADE BILLY BOY was chosen Best Veteran in Sweepstakes.

Mr. Ken Murray was our judge for the regular classes. From the 10 dogs entered, he chose TNT'S BLAZING SHOSHONI SHAKE N'BAKE as Winner's Dog and TNT'S SIRIUS MEDICINE MAN as Reserve Winner's Dog. With 5 bitches entered, he chose BEST SHOT HAIL MARY'S AIMIN JH as Winner's Bitch, and TNT'S RENEGADE GAL PAL as Reserve Winners Bitch. Mr. Murray went back to the bitch, BEST SHOT HAIL MARY'S AIMIN JH for Best of Winners.

Mr. Murray chose DC HAVAPAL'S RENEGADE BILLY BOY as the first place veteran dog. His first place field trial dog was AFC STARLIGHT'S BLAZING SIRIUS and RICOCHET'S CHANTILLY was his first place field trial bitch.

There were 4 specials in the Best of Breed competition.

His choice for Best of Breed went to CH MELRIDGE STIR N' IT UP and CH MELRIDGE HEARTS A FIRE NA, NAJ took Best of Opposite. CH TONAN-RAO KEPT IN SUSPENSE was the select dog. Congratulations to all our winners and thanks to everyone for their participation.

**LASALLE
June 19, 2010
New Lenox, IL**

On Saturday, June 19 the LaSalle Brittany Club hosted our annual specialty show at the Stone City Kennel Club training building in New Lenox, IL. It was a lovely (hot) day so the air conditioning felt really good in the building. All three of our judges got right to work and made quick work of the contestants.

Obedience judge, Suzanne Hemminger started her appointment promptly at 9 am and moved quickly through the obedience and rally portion of our day. For one who does not train in obedience, I have to say it certainly is lovely to watch these folks work their dogs. High in Trial went to CIMMARON'S NIGHTKAP, UD AXJ OA (Kathy and Joe Hahn).

We were graced by a lovely vocal presentation by Heather Kuipers as she sang the Star Spangled Banner. There she stood with absolutely no accompaniment and simply sang her little heart out. Beautiful job, Heather.

Mareth Kipp, our sweepstakes judge, expertly critiqued all the sweeps entries to come up with MARSPORT NEAT NICKLEBACK (John Marsman) as our best in sweeps and DC HAVAPAL'S RENEGADE BILLY BOY (Tommy Thomas) as Best Veteran sweeps.

Our Best Junior Handler went to CHASE COMER who did a very nice job as determined by Peter Bauer.

Following a short break Mr. Peter Bauer got right to work with the breed judging for the day. He moved quickly through each class making consistent choices

in each class. Our winner's dog for the day was TNT'S BLAZING SHOSHONI SHAKE N'BAKE (Tommy Thomas) and winner's bitch was GINJAC- MAGIC ME I'M THE ONE (Michele Martin). Following the judging of our non-regular classes Mr. Bauer moved on to the best of breed which was won again this year by Teresa Richmond's dog CH STARLIGHT'S BILLION TIMES BRIGHTER who won last year also. Way to go Teresa. Congratulations to all the placing dogs and their owners.

I would like to thank everyone for coming to the show and would like to congratulate everyone who got to take home some of the wonderful prizes offered. All the while the judging was going on everyone was having a great time with the raffle tables and the silent auction items which were expertly put together by Petra Steinmetz and her assistant Chris Peary. Good job girls!

Thank you also to all the volunteers both on the day of the show and behind the scenes who help to make this show run so smoothly. Next year we hope to have you at our show as our guest. See you there.

GREATER ST. LOUIS Missouri Sportsman's Grounds Grovespring, MO February 4-10, 2010

The Spring Horseback Trial was held at the Missouri Sportsman's Grounds at Grovespring, Missouri. The weather, as usual for early February, was horrible. The hour-long Gun Dog stake had a number of potential entries slip away, either due to bad weather or the expectation of it and the Super Bowl, though the weather for this stake was "wintery mix" with only a couple inches on the ground and soft going in the fields. That was the best we had through the stake. It got colder, snowed more, and on Tuesday morning, it was 7 degrees with about a 15 knot wind. This moderated somewhat to 15 degrees and a 30 knot wind, but four braces were run anyway, after waiting until 9:00 and seeing the sun and a little melt. This was not done without incident. The dog wagon jack-knifed on a hill and curve on Little Vine Road in the afternoon in a spot that was impossibly slick. By this time, it had clouded over again, and the wind was howling.

The truck and wagon, with driver and several dogs aboard, was found blocking the road when Phil Corlew went looking for it. A little cell phone work first brought Judge Howard Burbach, thanks to Ray Trimble's cell phone with the gallery, who shoveled some rock from the ditch under the truck wheels and was able, with much effort, to get the rig straightened out and on the side of the road — if it had a side. That road is wide enough for two ice-skaters in tandem and not much else.

Bob Burchett and Tommy Thomas next arrived, in response to Phil's call, went for a tow rope, and between Bob and Tommy, they hauled and drove the rig to the top of the hill. The dogs were taken to the pickup point at Little Vine Hill, and the trial continued.

The next day, Wednesday, the Open All-Age was completed by running five braces with considerably less wind and slightly warmer temperatures.

As to those who might have stayed home to hold or attend a Super Bowl party, the clubhouse at the grounds has a large satellite TV, and those who were still around to start the All-Age on Monday were able to hold their own Super Bowl party, and in the process, were reminded that Pam Baird is a pretty good cook. She continued to feed dinner to the boarders, including our judges, until the trial was over.

Michelle Weaver is now doing the breakfasts and lunches; Joan Covey having retired, and Michelle is a worthy successor.

Severe weather has reduced the usual large supply of birds on these grounds, or else they were eaten by armadillos. A hunt for these pests would be in order. They seem to love the cold weather and affected the outcome of at least two stakes and performance of several dogs. Fortunately, we brought a plentiful supply of birds, which were planted by Phil Corlew and Tommy Thomas the 4th and 5th, Dave Capstick and Tim Self on the 6th, and by Al Gorrow for the rest of the trial. Actually, there are reported to be a number of coveys in some of the areas we did not use. With the Sportsman's program of pre-release, these fine grounds will recover when the weather moderates.

On Saturday night, Burton Wice and wife Sharon cooked their usual delicious dinner, with grilled beef steak as the main entrée. About 20 of the trialers and judges stayed around for this and were glad they did.

Jerry McGee had a great trial, winning the Amateur All-Age with Ru-Jem's Fistful of Dollars, a 2-and-a-half-year-old with Trademark bloodlines. Jerry says that finishes Dollar's AKC Amateur Championship.

The same Jerry McGee then won the Open All-Age, and the Ruby Jubilee Award, with Ru-Jem's A Touch of Bourbon, coming 7 and in his prime, turning in an

outstanding performance to snatch the blue. Ed Tillson had two close contenders in TJ's Prairie Blizzard and Shadow Attack, and Bob Burchett pressed the winners with Ricochet's Chantilly, a 3-and-a-half-year-old.

This trial is a Purina Points trial for the Open All-Age; Purina has been good to this club over the years, and we thank them for their sponsorship.

The Gun Dog stake was a Tritronics Points stake; the second and fourth place Tritronics dogs were in it. We thank Tritronics for their support and hope better weather will bring a better turnout next time.

This stake was won by Country Roads Boilermaker, with Upland Acres Overland Express second, Sniksoh Sally third, and Ricochet Hemi Baracuda fourth, all handled by Bob Burchett.

Judges saddles were occupied by Stan Williamson and Rhett Burris for the Open Gun Dog, Bob Thompson and Howard Burbach for the Amateur All-Age, Puppy and Derby, and Ray Trimble with Jerry McGee for Amateur Gun Dog. The Open All-Age was handled by Howard Burbach and Ken Chenoweth. These judges were very attentive and enthusiastic about the quality of the dogs in this trial; one judge who has judged several National Championships for other pointing breeds, remarked that the dogs in the All-Age were as good as the dogs he had seen in the Nationals; he was reminded that many of them had RUN in the nationals. He then added that there were some excellent up-and-comers too, which he thought was great for the sport.

"You guys are doing it right," he concluded.

We thought the same of them.

- Phil Corlew, Trial Secretary

2010 Mid-South Brittany All Age Championship

The Mid-South Brittany Championship Association ran its 2010 All Age Championship in conjunction with the Southern Illinois Brittany Club's regional trial February 16-17, 2010 at the Captain Unit in the Pyramid State Recreation Area near Willisville, IL. Snow and ice delayed the running for a day, but by Tuesday and Wednesday, we experienced sunny skies and highs in the low to mid-forties. As the weather warmed, mud was everywhere making riders and horses work extra hard this spring.

We want to thank site superintendent Cha Hill for his continued support and dedication to improve the quail habitat at Pyramid. In addition to birds planted by Ed Graves and Jim Chase, we moved about 5 wild coveys over the courses utilized. We even moved a few pheasants which were carried over from a Springer trial at Pyramid in January. Food plots and diskings are

starting to show results in an increased quail population, as every dog hitting the ground had bird contact.

We were honored to have Stan Williamson of Longview, IL, and Rhett Burris of Newman, IL, to preside over the event. Both have run Brittany's and Pointers for many years and have graciously judged countless events for the bird dog world. They named BLACK CREEK DEACON as this year's Champion. De is a young 2-1/2 year old Brittany male, owned by Ron Harling Jr. of Churchville, NY, and handled by Chad Holman. He ran in the 3rd brace, displaying perfect manners on all 5 finds and a strong, forward race. The Runner-up came from the second brace as SANDY PINES CHASE THE WIND (Chavey), owned by Jim & Janet Chase of Red Bud, IL., carded 2 finds running a bit wide. As an ABC national qualifier stake, GRAND JUNCTION JAKE, Dick & Carol Pulliam's six year old male and Jerry & Ruth McGee's six year old RU-JEM'S A TOUCH OF BOURBON also returned to the winners circle. Jake & Chug were braced together to start the Championship with four finds and a nice race for each. Chad Holman handled Jake with amateur Jerry McGee guiding Chug. Both of these dogs have had a hot spring, coming off Championship wins for each.

Once again, Nestle's Purina provided monetary support for the club and dog food for the winners. We also want to thank the Illinois Brittany Club for its donation to support the championship. Without these two sponsorships, we could not afford to run this long standing championship. It takes many people to make this championship run smoothly. Joe Jung drove the dog wagon, while Janet Chase and Judy Graves made sure lunches were ready. Mary Jo Trimble and Ruth McGee were always on hand to help as well.

**BLUEBONNET
Porter Ranch 3
Hubbard, TX**

February 19-22, 2010

The Bluebonnet Brittany Club's spring field trial was run under ideal conditions. This resulted in a lot of bird work in every stake. There were 105 dogs that ran in three days, so the judges had to spend long hours in the saddle. Many thanks are due to judges; Wesley Felt and David Jones, with 15 braces in the one-hour Open All-Age stake. Janeen Schneider got help from Wesley Felt with 24 derby dogs. Rusty Calhoun, John Cross, Justin Kalina, Tom Longfellow and David Downing stepped up when two of our judges were not able to make the event. Also, Bonnie Calhoun and Mary Felt were instrumental in keeping the judges fed, and we can't thank them enough. A BIG thanks is due Teresa Downing for driving the dog wagon every day, as well as taking care of all the paperwork. Pro handlers, Vic Carrington, Ed Tillson, Scott Johnson, Justin Kalina and David Downing, all brought good strings of dogs, as the results will show. We were graced with visitors from Iowa, Illinois, Nebraska, Kansas, Oklahoma, New Mexico, Idaho and Michigan, as well as the usual cast of local trialers. Congratulations to all of our winners, and hope to see everyone at the next trial.

2010 Texas Amateur All Age

Brittany Championship

LBJ National Grasslands, Decatur, Texas

February 27-28, 2010

The Texas Amateur All Age Brittany Championship has been hosted by the West Texas Brittany Club since 1996.

The venue of this Championship has always been the Nancy Lee Ranch near Brownwood, Texas but Ms. Lee's untimely death this fall required the location be changed to the LBJ National Grasslands in Decatur, Texas. The three one hour courses set at the Grasslands were typified by deep wooded draws and open meadows. A dog can run and show on all of the courses but they must want to go with the handler. Purina is a long time sponsor of the Championship. They supply Pro Plan dog food and money and are greatly appreciated. Their products are the best on the market and provide the foundation for many great field trial dogs.

Our two judges were E.J. Hall of Gunter, TX. and Jack Murphy of Nowata, OK. Both have owned, trained and campaigned fine dogs so they know what a good dog looks like. Bud Higginbotham drove the dog wagon ably assisted by Linda Milam. Tom Milam marshaled each brace even while he was running dogs. Hospitality was provided by Tammy Casa and Jan Kilpatrick with good lunches and a great supper on Friday night. Although the number of entries was down we enjoyed a good championship and had a great time.

FC/AFC T.J.'S PRAIRIE "BLIZZARD", owned by Vicki and Dr. Bob Rankin of Oklahoma and handled by Jessica Carlson won the Championship. Blizzard was in the fifth brace on the second course. His opening cast was along the tree line to the right. He met Carlson at the hill where the course turns northeast. His forward application carried him through the big meadow, creek crossing and chute into the next meadow. He had a find at a plum thicket on some running birds. As the handler approached he relocated pinning the birds at the edge of the thicket. His composure was intense as the birds were flushed and the shot fired. Later in the brace as Blizzard emerged from a tree line, a quail sailed through the gallery and over his head. He showed good manners as he stopped and waited for Carlson to dismount and fire. He finished his bid with a strong forward cast.

CHIEF'S NUBBIN'S MY LIL LADY owned by Matt Kitchens of Kansas and handled by Frank Campbell garnered the Runner Up honor. Lady drew the first course where she showed a fast intelligent run. She responded well to the handler but came from the rear several times as the course turned or where she got hung up in the country. Her single piece of bird work came at time after a nice forward cast. She was staunch on point, high on both ends throughout the flush and shot.

The Running:

CH RUSTY RIDGE RAM TOUGH "RT" (Jan Kilpatrick)/

TLM HIDDEN MONEY "Stash" (Tom Milam). Stash was not pleasing her handler and was up at 40. RT was gone at 35 and picked up at 50.

CH FLATROCK'S FIVE ALARM "CHARLIE" (Kim Ochoa)/ WINDTUCK'S "ROCKET" RED GLARE (Tom Milam). Charlie had a NP at 7 with Rocket backing. Milam held Rocket through some tight country and as the course opened he let him run. A big forward cast carried him into the next meadow where he rimmed the outside edge. Rocket failed to make the creek crossing and the tracker was pulled. Charlie continued his forward application had a good find with perfect manners but tired and was picked up early.

2010 Texas AAA Brittany Championship

FC/AFC DAKOTA "LUKE" (Dick Mantler)/TLM FREQUENT "FLYER" (Harlan Gerardy). Breakaway was at the drive through gates on course two. Both dogs showed their heels early. Luke had a find at the west end of the tree line lane while point was being called by Flyer's scout at the east end. Flyer had a NP where birds had been. During the flushing attempt, Luke came through the area. Flyer did score a limb find east of the middle crossing on course two. At 20 both dogs are pointed at the edge of a mott before the chute area of course three. As the flushing attempt begins, Flyer broke and was up. Luke was relocated and the birds popped. Shot was fired and he was taken on. Luke finished the hour at moderate range on course three suffering two NPs in the process.

DC/AFC JAYHAWKER'S TEQUILA WITH A TWIST "Taryn" (Jessica Carlson)/CHIEF'S NUBBIN'S MY LIL "LADY" (Frank Campbell). Lady's effort was previously reported. Taryn's application was forward and she hunted the country diligently but her game effort was not rewarded.

SPANKY'S LITTLE PILL "BANDIT" (Bill Hancock)/FC/AFC T.J.'S PRAIRIE "BLIZZARD" (Jessica Carlson). Bandit had blown pads and was up early. Blizzard's winning effort has been reported. It needs noting that the temperature had climbed into the sixties during this brace.

TLM COMANCHE "CHIEF" (Tom Milam)/CHEYENNE WIND DANCER "Dan" (John Cross). Good opening cast by both dogs. Chief suffered a NP where Flyer had a breach of manners in a morning brace. Chief and Dan handled the chute area of course three well with forward moves. Chief was bigger of the two. He tallied a find on a relocation in the first big meadow and scored again in the next big meadow. He had the birds well located even though they were flushed some thirty feet from

Front: FC/AFC T.J.'S PRAIRIE BLIZZARD, H: Jessica Carlson; CHIEF'S NUBBIN'S MY LIL LADY, H: Frank Campbell, TLM COMANCHE CHIEF, H: Tom Milam, FC/AFC DAKOTA LUKE, H: Dick Mantler. Back: John Cross, Judge EJ Hall, Judge Jack Murphy; Ben Kuykendall, Kim Ochoa.

him. He made a big cast through the south crossing. His finishing cast was out of sight on the south side of a tree line with the course on the right. He carried the cast to the end and crossed the front as time was called. Dan hunted hard but was unsuccessful. He also finished to the front.

DC SHADOW ATTACK "Tack" (Jessica Carlson)/FC/AFC MO-DAN BELIEVER "Buddy" (John Cross). A short brace as both were up early.

FC KD'S SLIP AND SLIDE "Splash" (John Cross)/DAKOTA SUNRISE "Sunny" (Ben Kuykendall). Splash and Sonny toured the country making good casts early. Splash had a good find, well handled but her internal compass went haywire and she was picked up. Sunny did his part and pointed. The handler failed to do his and Sunny helped him.

MEGABUCK'S HELL ON WHEELS "Harley" (John Cross)/GONE WITH THE WIND "Tara" (Ben Kuykendall). Harley worked hard and gave a good effort but went birdless. Tara had a good competitive race with some big casts but also was birdless.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
