WHEN NUTRITION COUNTS

The birds are scarce, but he continues his search working the ditches and fence rows quartering through the field. He slams on point and you say to yourself, "this is what it's all about."

His breeding, your training/conditioning combined with high-quality nutrition have made this possible.

Give him the high-quality nutrition that helps keep him in the field when other dogs are heading for the truck. Feed what many top field trialers feed — Purina® Pro Plan® Performance Formula.

VOLUME LXII • NUMBER 1 • JANUARY 2010

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

IN REMEMBRANCE OF LOWELL STARNER

It has been a year since I heard of the untimely death of Lowell Starner. Lowell and his wife Linda were my clients who then became close friends. They were the owners of some of the best Brittany's on the field trial circuit during the 1990's and early 2000's. They owned Linvel's Apple Jack and Linvel's Apple Dumplin who were both multiple champions and Dual Champion Oak Run's Gold Dig N Blake. They also owned Hall of Fame Brittany Diamond Hill Dan, 16x Champion and 2x National Open All Age Champion. They always kept the health and long view development of their dogs as their top priority. Dan was kept out of competition for a year until he was completely recovered from pneumonia and fit for the trial circuit again.

Lowell Stamer was a most generous person with his time and money in support of field trialing. He helped me set up a summer training camp in Montana. Two summers he brought all of his power tools and his two nephews to help renovate a cabin and set up kennel runs. When on the circuit with me he was my scout and often brought dogs to the front – many times that were my brace mates! He was a true sportsman and was always willing to help especially field trial beginners.

I was under the impression that Lowell was so generous to me because of our mutual interests, but at his funeral I found that every person I met felt the same way about him. He volunteered his time and expertise to everyone equally. Friends commented on his helpfulness and the lasting impression he made on their children through his patient and genuine interest in them.

After we retired from competition Lowell and I stayed in touch and went to Idaho several summers to fly fish with Jim Chase. These were wonderful times and highlights in my life and certainly in Lowell's life.

Lowell Stamer was a pilot, sailor, hunter, dog trainer, fisherman, good friend to many and could fix anything. He is greatly missed.

IN MEMORY OF CHESTER "CHET" GILE

Chet, a retired construction worker, owner of Chet Gile Construction passed away at home in Wichita, Kansas December 5, 2009, at the age of 89. Chet had 14 siblings and is survived by his wife of 65 years, Wanda; daughter, Lynda Herbst and husband Tom; son, Gary and wife Charee; daughter Angela Ervin; grandchildren; Stefanie, Nathan, Jacob, Jennifer, Jamie and Taylor; great grandchildren; Christina, Bryant and Brooke; sisters Jean Powell, Nelda Grieving and Vera Priebe.

Chet was known for playing practical jokes and telling stories. Over the years he enjoyed judging field trials, including the Nationals and numerous regional trials, mostly in Kansas, training hunting dogs, fishing, bowling, square dancing and playing cards. Chet loved to work with his hands building and gardening. He took great joy in spending time with his family and friends. He will be missed by all.

LASALLE

Des Plaines Wildlife Conservation Area Joliet, IL September 5-6, 2009

The LaSalle Brittany Club held their fall hunting tests on Saturday, September 5 and Sunday, September 6, 2009 at Des Plaines Wildlife Conservation Area, Joliet, Illinois.

We started a little late on Saturday due to heavy fog. The fog lifted about 8:45 am and we were able to start. It was beautifully sunny and cool for most of the morning and then the sun warmed everything and everyone up. We had 5 braces of Master dogs, 1 brace of Senior dogs and 6 braces of Junior dogs for Saturday. The next day when we left home, it was raining steady. By the time we got to the Conservation Area, the rain quit and it was cloudy and cool. This stayed with us for most of the day with the sun coming out around noon. We had 5 braces of Master dogs, 1 brace of Senior dogs and 7 braces of Junior dogs. We wrapped things up about 3:30 pm both days.

Again, we were able to set up the secretary's table outside since it was so nice, and we were able to watch some of the dogs working the bird field.

Hall of Fame Nomination Form

Closing Date for Nominations: March 1st

To be eligible, the dog must be dead. Date of death must be within the past 15 years. Nominees should be animals that knowledgeable breeders would look for in pedigrees when establishing or improving breeding programs. They should epitomize the dual ideal and during their lifetimes have achieved National recognition from Brittany fanciers for their show and trial (field and obedience) ability through successful competition on a multi-regional or National level, and/or that produced a high average of progeny from different dams or sires who were generally acknowledged as being of extra merit.

2009 ABC National Open Gun Dog Championship

October 20-24, 2009 • Ionia, Michigan

Reported by Helen Riggle • Photos courtesy of Andre Coulombe and Julie Romence

Left to right: Drew Carter, Judge Ken Chenoweth, Jim Carter with Champion PETER GUNN, Judge Bill Landress, Bob Burchett with Runner-up SNIKSOH SALLY, Phil Corlew, Tommy Thomas, Judge Ed Janulis, Kevin Stonehouse with third place winner OZ II, John & Allison Cotton, Rob Richter with 4th place winner RC'S RUFF RANGER, and Larry Bates.

Tuesday morning, Day 1 dawned with temps in the upper 40s and the whisper of possible rain to come by afternoon. The air in camp was sizzling with anticipation as handlers, scouts and dog wagon were prepared for the day. Dawn came at approx. 7:50 AM and the first brace of dogs were cut loose promptly at 8 AM.

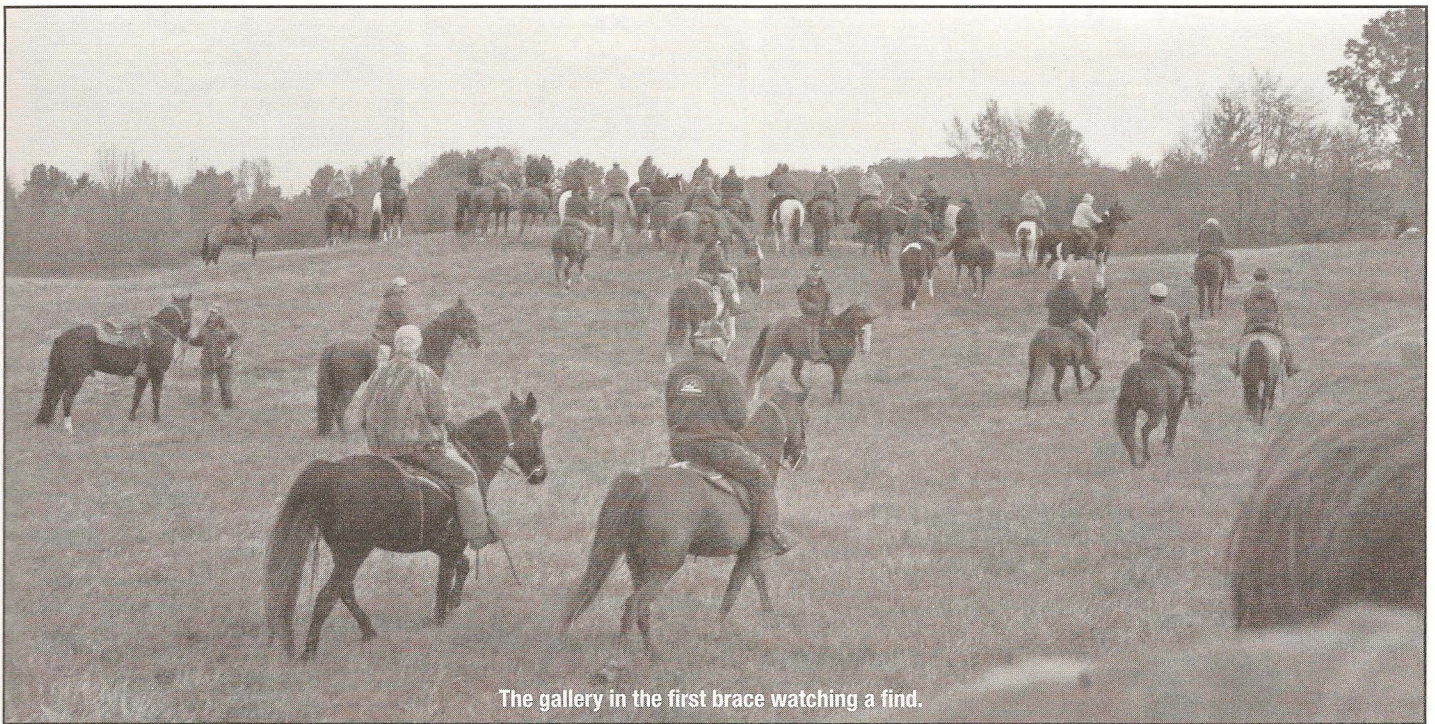

BRACE 1 – FC BROOK'S LITTLE PETE - Jim Carter and DC/AFC COUNTRY ROADS ROUGH RIDER - Bob Burchett. Pete took a hard fast start and was last seen from the break away going away to the front. This was the last we would see of Pete for the next 21 minutes until handler Jim let his nerves get the best of him and he pulled his tracker in the old barn field. Pete was found very shortly there after standing on point just about 75 yards to the front when brace mate Cooper rolled in and established point. Cooper's first find was 7 minutes into the breakaway and his second piece of bird work was at 22, exhibiting excellent manners and good style on both. This seasoned veteran took his lines well and applied himself to the job at hand with beautiful gait and consistent ground race, setting the pace for the day.

BRACE 2 – HIGH TAIL FLYER - Gene Knotts and DC BRITT HAVEN'S BLAZE OF GLORY - John Perry. The brace cut loose from the bottom of the derby field by the gun dog parking lot. Both dogs broke away hard, making a bee line for the front. Blaze reached the trees at the shot gun range first, slamming a nice point at 7 minutes at the north end of the tree line. Flyer followed closely behind and was credited for the honor work on Blaze's dead bird find. Blaze went on and ran a consistent and hard race, using his cover and edges well. This boy was captivating and fun to watch as he rolled up and through a tree line to stop and honor Flyer's second piece of bird work which was a very nice covey find

some 20+ yards down the trees at 17 minutes. Blaze was cut loose once again, and he ran/hunted well but was picked up by his handler at 25 minutes after his second non productive. Flyer continued to hunt hard and had a total of 4 finds in his hour. The brace concluded at the bottom of cardiac hill.

BRACE 3 – FC/AFC WRIGLEY'S FIRST DANCE - Gil Hopper and FC/AFC IN IT FOR THE FUN, MH, - Wayne Hale. The brace started off well with both dogs hunting to the front. Wrigley's First Dance had a total of three finds and was hunting very hard. She checked and covered all of her available objectives nicely with a snappy style of running. Her happy feet were her ultimate demise at 22 and she was ordered up for marking her finds a little harder than the judges liked. In It for the Fun was having fun! He is a hard hunting boy who had 3 solid honoring opportunities which he took and did with style and one bird of his own. All of the cover was a tad overwhelming for this boy and he was ordered up at 26 because he had suddenly gone deaf and began to quarter the open fields too much.

BRACE 4 – NGDC/FC/AFC BUCK'S HIT THE ROAD JACK - Ralph Kiracofe and FC KING OF POP'S - Brian Riggle. The brace took off at the old barn field and almost immediately both dogs stuck point at the first cut through. Handled as a divided find, these two seasoned dogs handled the flight of the birds with excellent manners and high style. Jack rolled on and got his second piece of birdwork at 12 minutes and a third bird in the derby field at 20. King in the meantime had his second bird at the top of the boy scout bridge and his third point coming into the bottom of the derby field, which was an open field find. After a cautious flushing attempt, Brian took it as a non productive and turned King loose once

again. King established point for a fourth time in the orchard which resulted in his second non productive. At 45, King had his fifth piece of solid work in the long run field with his usual high style. Jack had his fourth piece of bird work in long run field at 46 minutes. Both dogs finished the hour.

BRACE 5 – DC BRETON'S TRUCKEE RIVER GOLD - Linda Azevedo and NGDC/FC/AFC BJ'S BLAZ'N DAISY - Brian Hendrickson. Unfortunately this brace was a quick one. It was the first brace of the afternoon and Daisy took off from the start with "blaz'n" speed. She was not seen again until the scout found her 15 minutes later standing high and tight in the upper corner of the old barn field. By the time the handler and judges reached her however, she felt she had been standing long enough and simply walked off her bird. Handler Brian elected to pick her up. Paige started off on a good note but was soon overwhelmed by the cover and gave her handler Linda a bit of challenge. She quartered well and was hunting hard, taking her wood lines and edges as best as she could. She was sucked into the woods a time or two, losing her bearings. By the time they reached the old barn field however, she settled back into her quartering pattern and the judges picked her up at 18 for lack of performance.

BRACE 6 – FC/AFC RICOCHET HEMI BARACUDA - Bob Burchett and DC/AFC SCIROCCO DEL PRADO - Les Casselberry. Buck had a lovely

forward race, running his edges well and with consistency. Unfortunately he had zero birds. He was picked up at 50 minutes for lack of bird work. Rico was off the breakaway line like a shot. He was seen only one time at 12 minutes making his way from the woods to the next field. Handler pulled the tracker at 21 minutes.

BRACE 7 – UNE'S BLAZING JAKE - Linda Azevedo and DC WILD MTN'S LONE STAR RENDEZVOUS - Brian Riggle. Jade came into heat and was bumped to the bottom of the stake. Jake ran alone and in place with a snappy run and good consistent hunting application. He handled the cover and objectives well, coming into the top of the derby field at 31 minutes for his one and only established point. After an extended flushing attempt the handler finally produced only a banana peel which, after a bit of discussion the judges decided to rule against as "fair game". Jake finished the hour strong with no bird work.

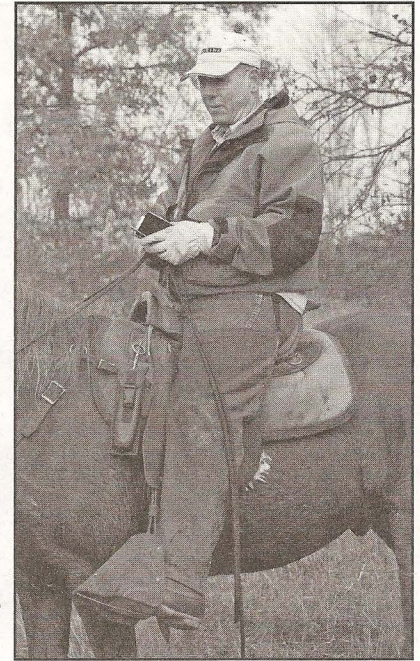

Wednesday, Day 2. The scattered sunshine of Tuesday was to become a thing of the past as the clouds rolled in to stay and the humidity levels rose. The temps remained comfortable for all, hanging in the low 60s... but all remained dry in spite of that rain rumor that still hung over us.

BRACE 8 – WINDY HILL BEN - Brian Hendrickson and ROVAN'S ROCK RIDGE WIN JAMMER - Phil Bogdanovitch. Ben had a fast and hard start off the break away with a huge cast. Ben wasn't seen again until the handler pulled his tracker at 18 and found him on point. Jammer however went right to work when he was let loose. His first find was within the first 5 which was possibly a woodcock find. A relocation and extended flushing attempt resulted in a non productive and Jammer was sent on. At 10 minutes approx. 75 yards up from the phantom woodcock, Jammer established point again and this time the bird was produced and Jammers manners were all in good order. His 3rd piece of bird work came as he came in to back his lost brace mate and was called out as standing by the other handler. Bird was flushed and Jammer was taken on. Jammer finished his hour with no other birds but noticeably slowed down after 45 minutes. This hard hunting little dog did great job until he ran out of gas.

BRACE 9 – FC W-HAVEN MOOSE AND DIXIE'S KIM - Bob Burchett and AFC SPRING HILL'S HEMI MAGNUM - Sue Lehosky. Both dogs were smart and snappy off the break away at the bottom of the derby field. Unfortunately at 5, Nash showed the judges and gallery just how much fun it was to re-live his second puppyhood when he got under and chased a covey. Kim went on to continue hunting, doing a great job the first half of her brace. Her first find was at 20 minutes at long run, second and third finds at 30 and 33 respectively. This happy girl made absolutely all of the right moves to have won the stake on any other day

but on this day she ran out of steam after her third find. Had she stayed the hour with as good and strong a ground game as when she began, it would have been a spectacular championship performance.

BRACE 10 – NGDC/FC/AFC HIT'S FOR PETE'S SAKE - Judy Kiracofe and **ROVAN'S ROCK RIDGE RT ASCEND** - Phil Bogdanovich. The two dogs broke away on course one heading to cardiac hill. The break away was strong and Pete carried the two forward nicely. Mid way down cardiac hill Rocky made a big cast to the right, resulting in a find. The handler successfully flushed and Rocky was sent on. Pete, in the meantime was busy laying down a heck of a ground race with good forward momentum and great speed. Bird #1 was at the 10 minute mark coming into course two at the end of the old barn field. At 17, he slammed point on bird #2 which was, in actuality, a nice covey find. At 39, he struck point once again and was still ever so stylish, holding high and tight for the flush and shot. His fourth and final find was at 59 coming into the derby field with another covey setting to wing. A very consistent, strong race for the entire hour made this boy the first real contender of the day.

BRACE 11 – FC/AFC PETER GUNN - Jim Carter and **DC/AFC WRIGLEY'S CHIP MAKIN' HIS MARC** - Mike Poehler. These two had their break away at the bottom of the old derby field which carried them both forward with a good strong pace through the orchard and on into long run where they both had their first pieces of bird work. Chip had his first find in the bottom tree line and Peter buried himself in the woods up along the top tree line to be found by scout Drew. Chip's bird was flushed and he continued on. Peter however had found himself a dead bird in those woods and he was sent on only to stick it hard not 30 seconds and 15 yards later on a stop to flush. Chip had his second find at 30 minutes with all manners in order but was picked up by his handler at 50 for hunting with a shorter gun dog range than was desirable for the stake. Peter's third find was in a mott at 25 minutes, the result of a nice big cast up and to the right near the old burial grounds. The fourth and final find was to be the result of a huge cast to the left that carried Peter back to the bottom of the derby field from the top of the derby field, still going away to the front. Peter set a tremendous pace, hunting wide and ranging well in his quest for game. This boy showed drive, heart, and consistency in what was to become the run of runs for this 2009 Championship.

BRACE 12 – ROVAN'S TAIL WIND TOMMY - Ivan Clark and **NAGDC/FC/AFC HIGH HOPE'S FLY BY NITE** - Al Crokek. Breakaway after lunch from the clubhouse, course 1. Zoey had her first bird pretty much off the break away between 3 and 4 minutes right in the tree line to the right. It was to be a non productive (was it Brace 8's phantom woodcock maybe?) From there, her run began to open up and it looked as if she

was going to give Pete and Peter a run for their money with her good application and line work. At 12 minutes coming into the old barn field she slammed point, solidly telling her handler she had another bird. The handler did his best to flush for her but 10 minutes and 5 relocation attempts later the team had still not produced. Faced with his second non productive, handler made the heart wrenching decision to move on and as he collared Zoey, the bird ran like a raped ape from beneath Zoey's belly and the chance at this Championship, at least, was over. Tommy, meanwhile had his first bird at 15 minutes but at the 35 the handler picked him due to the heat and lack of performance.

BRACE 13 – DC RICO'S HI-PROOF BOOTLEGGER - Bob Burchett and **JJ'S SPECIAL EDITION** - John Chokran. These two dogs started the brace on fire. With the change in the wind, Zip and Mason hunted all of the available cover and did it with gusto for approx. 25-30 minutes. At 24, Zip had shut down and his handler picked him up. Mason continued to hunt and finished the hour forward, although he went birdless.

BRACE 14 – BOUDREAUX'S HI CALIBER BULLET - Darlene Dow and **UPLAND ACRES OVERLAND XPRESS** - Bob Burchett. These two were slow to get rolling off the starting line. Cali hunted but her range was not her usual for reasons unknown to her handler. After 30 minutes her handler opted to pick her up because Cali just wasn't on her game on this day. Overland Xpress on the other hand appeared to pick up speed and managed to get rolling for the second half of his brace. He scorched around the remainder of the course very well but did not have any bird work to speak of.

Thursday, Day 3, the weather remained clouded up and rain threatened to become more of a soaker rather than the cloudy, sometimes misty wet we experienced on this day. Fortunately the rain held off for the entirety of the day and 7 more braces were completed.

BRACE 15 – FC BULLOCH'S FIRST IN LINE ALVIN - Terra Bulloch, and **FC CHAROB'S KICKIN SUMBUDDY'S AZ** - Delmar McCallister. Alvin came off the break away into his first point within 5 minutes. The bird flushed wildly just as the handler stepped off her horse and Alvin was sent on. This driven little dog left no stone unturned and no cover unchecked as he hunted his way along the course with his handler. His snappy style of going was captivating to watch. His performance was well executed and he hunted his heart out as any quality gun dog should do. At 56 minutes he slammed a beautiful point just across the creek coming into the derby field but no bird was produced. Punk left the break away with his usual speed, disappearing from sight rather quickly. He was brought back into handle and he seemed to settle into hunting well enough. At the 25 minute mark, however, the handler elected to pick up due to lack of performance in his opinion.

BRACE 16 – FC/AFC COVEY RISE'S RAMBO - Bob Burchett and **FC/AFC**

JJ'S WANDERING STAR - John Chokran. This brace broke away from the bottom of the derby field and was over almost as soon as it started. Like two bright stars that burn their way across the night sky, Rambo and Star burned their way up to the orchard with white hot speed and determination. Rambo slammed point mid way and to the right and Star blazed past him, missing the opportunity to show the judges her honoring skills while Rambo held tight. Star was caught and picked up. Bob attempted to set a bird to flight with his flushing but no bird ever materialized. Electing to take the non productive and go on, Rambo came to his second piece of bird work at the 12 at long run which resulted in some shenanigans that had Bob digging his heels into his horse to catch the dog that had punched the bird up and gotten under it for a merry chase.

BRACE 17 – FC/AFC COKE'S BARTON HOLLOW BEAR - Chris Rider and FC BOOT'S CHIP OF CONJUROR BAY - Ralph Kiracofe. Bear and Chip came off the breakaway strong and with purpose. The initial range and speed for both was what Championship runs are made of. Six minutes in, Bear had his first find and Chip came in for a nice piece of honor work. All manners were in order and the dogs were let loose. At 10 and again at 17, Chip has a finds of his own and was standing tall on the latter when Bear roared by him. Bear was picked up for failing to back and the third bird was successfully flushed for Chip. Going on, but now settled into hunting with determined purpose, he had his fourth and fifth pieces of bird work at 25 and again at 59. With the clock ticking down, the last find resulted in an extended flush and a relocation that finally produced the bird. Chip had finished the hour well.

BRACE 18 – FC SNIKSOH SALLY - Bob Burchett and FC BLUE ROCK'S DIAMOND GIRL - John Perry. This brace started at the top of the old barn field and 3 minutes after being let go, Sally comes to stand on point for her first bird. The bird is flushed and she's looking good to go on from there. Diamond and Sally are well matched in speed and together these two lay it down as they scream along the lines racing to the next bird which happens at the 15 minute mark when the two are seen on the far side of the lines coming into the top of cardiac. Diamond is found on the honor of Sally's second find. Sally's third bird is midway down cardiac when she swings into the woods to hunt which brings her out front and shows her standing steady nicely. Diamond, in the meantime is hunting well in a forward fashion and is handled into the honor work on Sally's third find. Diamond has a bird of her own at 55 while Sally has her fourth bird at the 47 way up on the plateau of the derby field and is found standing high and tight maintaining her style through the shot. Both dogs finished this hour strong. This was a nice brace to watch.

BRACE 19 – K-NINE'S GHOST RIDER - Brian Riggle and DC/AFC GINJAC'S HEATING IT UP - Jeff Currier. Another good brace to watch, these two dogs were also well matched for each other and well toned to last the hour. Maverick ran a good ground race, sailing smoothly around the course, sticking to the lines nicely and in general staying in good handle with Brian. Cajun, too did a great job although he got a tad wide coming into the top of cardiac which in the end probably cost him. But this is the stuff that National Championships are made of and it is these small moments that add the excitement to the memories. Cajun had 3 finds total, his first was almost immediately off the break away, his second was in the old barn field at 15, which Maverick honored beautifully and his third was at 55 minutes, midway up the derby field at the bottom of the plateau. Maverick again honored with high style. The brace finished with both dogs going away and still running strong to the front.

BRACE 20 – DC/AFC SWEETWATER BILLY TUCKER - Larry Bates and DC COUNTRY ROAD'S BOILERMAKER - Bob Burchett. Breaking away from the gun dog parking lot, Tucker hits his first bird at the 4 minute mark in the orchard. Pete fails to back and is immediately ordered up. 20 yards further up Tucker sticks it again and the bird is flushed, all manners in order. At 20 minutes, in the first field on the far side of the levee, Tucker again establishes point where a small covey is set to wing. At 28 minutes he again sticks it but after an extended flush and relocation attempt, the handler takes it as a non-productive and rolls on. Rolling along with beautiful gait, good range and quiet handling, Tucker comes to his fifth find at 51 which produces a dead bird. Tucker's final

find was at 56, which produced a singleton. The Larry/Tucker team are seasoned veterans of this Championship game and it was a pleasure to watch them work so well and so smoothly together.

BRACE 21 – NAGDC/DC/AFC TRIUMPHANT'S TO HOT TO HANDLE, JH - Jeff Currier and OZ II - Kevin Stonehouse. This last brace of day 3 would bring with it, cooling temps and a surprising performance coming out of left field. Nitro set his pace with Jeff, coming into his first bird at 12 minutes. A shift and change in the wind made this an extended flush which was taken as a non productive. At 18 Nitro finds his second bird, resulting again in an extended flushing attempt and 4 relocations before a foot soldier is sent running down the line. The shot is fired and Nitro is sent on. At 27 Nitro has a third bird, and he finishes his hour going away stronger then he started. Oz in the mean time is tearing it up and scorching the course. At 10 he has his first find coming into the old stone wall, and at 13 after a HUGE cast through the valley, has his second bird in Hires' field. He continues to run at a consistent if not somewhat more determined pace after that and at 58 has a final find coming back into the derby field. This boy came out of no where and put down as close to a Championship performance for his first half of the run as anyone can get and then settled into being a well tuned hunting partner with good range and good forward momentum for the remainder of his hour. The touching display of emotion at the end of this performance as expressed by a VERY happy handler confirmed that it was job very well done in his eyes and a job worthy of recognition, no matter what the final outcome of this championship would be. This little dog from Kansas had arrived and solidly laid down the gauntlet for sure.

Friday, Day 4 dawns with a steady downpour of rain and 40 degree temps. The rain continued for the entire day, making good bird work a premium if not a scarce thing and leaving the judges, handlers, horses and dogs wet and chilled. Exact details of this day are a bit water logged as writing in notes and using the digital recorder became quite the challenge!!! Those that made it through this day at all did so on teamwork, grit and determination.

BRACE 22 – CH RU-JEM'S PRAIRIE WIN - Gil Hopper and FC/AFC PALE RIDER - John Sala. The breakaway for this brace was strong and fast. Win took his edges well and Duke sailed around the course like the seasoned contender that he is with barely any notice of the rain. Duke had an outstanding run for the first 15 minutes resulting in 4 total finds, with staunch steadiness on wet birds that wouldn't/couldn't fly. His fifth bird became his demise when the little wet hen was flushed directly at the dog and Duke could no longer resist the temptation to catch her mid air. Duke was up at the 24 minute mark. Win had a total of 3 pieces of work, the first being an honor on Duke's second find, the second called as a divided find just 15 or so yards down the line. The third bird was too much as he too grabbed a soggy quail mid air at 23 minutes

BRACE 23 – CH TONAN'S ALWAYS TIME FOR ME - Janet Garrell and HIT'S ALL JACKED UP - Joe Sikorski. Breaking away through Hires' field with heavy rain and the colder temps had Sara and Jack running hard. At 10 Jack stuck point on the new fence line that was installed earlier in the week along cardiac and Sara was handled into the honor. Unfortunately Jack's handler couldn't produce and it was taken as a non-productive. Both dogs were sent on. At 18 Sara was picked up by mutual agreement between she and the judges for a bump to flush. At 22 coming over the boy scout bridge and into the next field, Jack had his second find, which also resulted in a pick up for a non-productive.

BRACE 24 – JAZZ'S SWEETEST LITTLE SECRET - Bob Burchett and FC/AFC RC'S RUFF RANGER - Rob Richter. This brace cut loose from the bottom of the derby field and both dogs went immediately to hunting hard. Secret made it to 15 minutes before she succumbed to temptation and grabbed a wet bird. Ranger however put on show for the entire hour with 4 total finds, excellent manners, very good range, application and solid consistent style in some very, very wet, cold and adverse conditions.

BRACE 25 – FC DERAILED - Cindy Crokek and FC GROUSEHAVENS STAR OF AUTEN - Craig Shaw. This was to be very short brace over all. Star was picked up at the 12 minute mark and Teddy, although running well was a tad deaf to his handler in the rain. He had his first bird at

7 minutes handling it with all of his manners intact. His second bird however came after a long extended absence and when he returned Cindy discovered that he had scooped one up along the way. Teddy was picked up by his handler at 24 minutes. Both of these dogs will likely be back next year and from what little was seen, could potentially be contenders once again then.

BRACE 26 – AFC EIBHEAR OF AUTEN - Ron Telfare and FC WINDY HILL'S IKE - Delmar McCallister. Bear put down a very strong and powerful run for his entire hour. He hunted well, took his edges nicely and in general did a great job over all. He was doing such a bang up job that the judges were captivated and over rode the handler a time or two, hoping to watch this up and comer handle some birds. Lady Luck would elude Ron and Bear today as did the birds. Ike broke away hard and to the right of the course. He had three solid finds to accompany his run but the handle was loose in the wind and rainy conditions. On his third find he buried his handler deep in the trees and took steps at the shot. At 28 minutes Ike was picked up by mutual decision between handler and judges. On any other day, these boys could have easily won this challenge but today it was just not to be. Looking forward to seeing Ike and Bear again next year with another year of seasoning under their belts.

BRACE 27 – DC BARNEY'S HI PROOF RONRICO - Bob Burchett and FC SPRING HILL PANCHO DEL PRADO - Steve Lauterbach. Breaking away from the gun dog parking lot one has to wonder who the heck fed these two rocket fuel for breakfast? Fast start doesn't even begin to describe the speed that was displayed by these two. So captivating was the performance that hoods were pushed off and everyone seemed to sit a little taller in the saddle for a better view of the show. The rain had slowed to a mist giving a break to these two for almost the entire hour. Rico displayed excellent ground speed, experience in application, good manners and style on his two finds. His hour of work was solid and compelling. Pancho's first find was in the first field on the south side of the levee, which unfortunately ended in a non-productive. This didn't seem to take any wind away from Pancho however as he went back to hunting hard, keeping the pace he had set, taking his edges nicely and doing his best to come up with more birds. Pancho scorched the course for a solid 50 minutes but didn't have any more bird work within his hour.

BRACE 28 – DC WILD MTN'S LONE STAR RENDEZVOUS - Brian Riggle (in season) ran as a bye dog. After waiting nearly a week to be turned loose, Jade made a run for the roses for all of 12 minutes before her handler, knowing what was on the score sheet knew that today would not be Jade's day. He cut the judges loose but took Jade around as a reward for being locked away from the boys for so long. The report that came back was that she did a respectable job with three finds, and stop to flush until 55 minutes when she too succumbed to the temptation of soggy wet birds and grabbed one. Oh well... maybe next year her hormones and the calendar will line up in her favor.

These 4 days were filled with lots of new memories made, good friends from near and far, moments of heavenly highs for jobs that were done right and bitter disappointment when Lady Luck seemed to have turned her back. It was the 25th ABC National Open Gun Dog Championship that will be recorded down in the history books as being well run and successful. A special thanks to our sponsors: Purina who supplied dog food for all entrants and the winners, and Tri-Tronics provided a collar to the winner. Judges Ed Janulis, Bill Landress and Ken Chenoweth were given a broad spectrum from which to choose and in the end their choices were not only good ones, but they were clearly and without a doubt the best dogs of the 54 that came to the line. Congratulations to the winners.

Purina Parent Club Partnership Program Update

As a dog breeder and/or enthusiast, you are probably very aware of the issues we all face trying to preserve our rich heritage and ensure a bright future for dogs everywhere.

Since 2002, thousands of fellow dog breeders and enthusiasts have chosen to have an impact by feeding Purina brand dog foods, participating in Purina Pro Club and declaring their participation in the Purina Parent Club Partnership (PPCP) Program. When you enroll in the PPCP Program, Purina will match the value of the weight circles you submit by 10% to help promote the health and well-being of your breed. This in no way impacts your personal rewards.

Half of the matching earnings each year are pre-designated for canine health research and contribute to supporting Canine Health Foundation grants in which researchers aim to better understand the genetics behind many conditions affecting our dogs. The other half is eligible to provide supplemental funding of canine health research or may be used to fund educational and/or rescue efforts. The PPCP Program has raised in excess of \$2.8 million for canine health research, education and rescue efforts.

Has your club utilized the funds at the Canine Health Foundation (CHF) to support research? Remember that half of all PPCP earnings go to the CHF and are designated for research to benefit your breed. Current projects include such topics as exercise induced collapse, cancer, epilepsy, cruciate ligament rupture and degenerative myelopathy. Contact the CHF today (caninehealth@akcchf.org) to see how your PPCP funds can make a difference!

In addition to helping fund a variety of canine health research projects, funding has been used to help support educational outreach programs such as scholarships, library support, essay contests, youth programs, conservation education programs, art contests, reading programs, judges education seminars, breed specific educational materials such as illustrated breed standards and responsible dog ownership materials.

Rescue programs also benefit as funds have been used not only for the direct care of those dogs in need, but by also providing the much needed funding to support additional fund raising through the development of calendars, websites and adoption events.

The core essence of the Purina Parent Club Partnership Program is working together for the betterment of dogs everywhere. Your national breed club, the Canine Health Foundation and Purina are working together to preserve our heritage and ensure a healthy future for our canine companions.

As of November 30, 2009, the American Brittany Club, Inc. has 1062 members declared for the Purina Parent Club Partnership Program. From January 1, 2009 through November 30, 2009, 307 members have submitted weight circles resulting in a total of \$6,115.36 accumulated thus far for the 2009 Program.

The best way to increase the earnings and close the gap on the potential earnings is by spreading the word:

To Club members who are already Pro Club® members: Encourage them to declare for the Purina Parent Club Partnership Program by calling 1-877-776-2582 and encourage them to submit weight circles to the Purina Pro Club®.

To Club Members who feed Purina but are NOT members of Pro Club®: Make them aware of the Purina Parent Club Partnership program and encourage them to join Pro Club®, declare for their breed and submit weight circles to the Purina Pro Club®.

Each new person who declares participation in the PPCP Program and submits weight circles or who joins Pro Club® and declares and submits weight circles will only help to increase the earnings for 2009. To assist you in spreading the word, we have developed ad slicks and a program overview sheet that are perfect for use in your club's publications, website, show catalog, etc. Additionally, we have found that many participants have been made aware of the program through information made available to them on their club's web site.

Recently, the Purina Parent Club Partnership Program established a presence on facebook <<http://www.facebook.com/>>. Visit www.facebook.com <<http://www.facebook.com/>> and search Purina Parent Club Partnership Program or <http://www.facebook.com/search/?q=purina+parent+club+partnership+program&init=quick#/group.php?gid=89829386851&ref=search&sid=1255570692.795229877..1>

and join the group. Please encourage club members and friends to join our facebook group as well. We hope to use this group to communicate general information, share successes, best practices, etc. The more we spread the word, the more we can do for canine health and well-being.

If your club has not already done so, please consider adding a link from your website to the PPCP website to make it easy for fanciers of the Brittany to access additional information about the PPCP program. If you would like a copy of the ad slick, overview or a web link image, please email me at MICHAEL.ALLWAY@PURINA.NESTLE.COM and I will be happy to fulfill your request.

Also, please do not forget that we have PPCP promotional display boards that your club may have for their use while supplies last. We hope you will be able to use the display at events, meetings, banquets, etc. to help build awareness of the program and earn funds to benefit your breed. If you are interested in receiving a display board for your club's use, please let me know.

Please encourage participation in this unique program, and submission of weight circles to benefit the Brittany. Though canine health is a major component of the PPCP program, canine welfare is also an integral component. Please remember that education encompasses a wide array of activities. Such activities may include but are not limited to judges' education, breed information/standards, youth programs, educating of public officials in responsible canine legislation, studies that include conservation practices related to habitat beneficial to sporting dog events, scholarships, etc.

Purina thanks you for this opportunity to partner with you and the Canine Health Foundation in advancing the health and well being of the Brittany.

Skiing With Sporting Dogs

by William L. Buchanan

For decades, my wife and I have been avid cross-country skiers. When we weren't skiing groomed tracks, or honing our telemark turns at alpine resorts, we were gliding through wild parts of the High Sierra with a succession of sporting dogs romping alongside. When Brady O Brady, a diminutive Brittany with wild ears who had been abandoned one rainy night at the age of five months in Oroville, California, joined Big Joey, our other rescued Brittany, we realized we had the makings of a sled dog team.

Called skijoring by the Norwegians, this crazy sport blends skiing skills with the ballistic energy of dogs. In the mountainous areas of the U.S., you now can find skijoring meets where competitors using narrow "skate skis" and wearing polypropylene tights fly over groomed courses tethered to one or several pumped-up canines. As a spectator sport, skijoring has yet to compete with ballgames, motocross races, car-eating robots, or – God forbid – American Idol. But let's be candid here. Skijoring is for sofa spud anti-matter: the underfed and over-exercised minority in this country. After a little thought, we realized we possessed all the necessary elements for skijoring: two ageing but reasonably fit backcountry skiers, an entire attic full of cross-country gear, and two nuclear reactors disguised as hunting dogs.

This photo is of Anne Janisch, daughter of Cindy McCann, Minnesota Brittany Club member, skiing behind two of their dogs. It's how they keep their dogs in shape over the long winter.

Last May it all came together on the sun-splashed flanks of 10,200-foot high Round Top Peak near Carson Pass on the weekend we celebrated our 37th anniversary at nearby Sorensen's Resort. We fitted Joey and Brady with specially designed pulling harnesses we had purchased at www.skijornow.com and hooked them to eight-foot long bungee cords. The human end of the cord attaches to a hip belt that further buffers the jerk and pull of dogs that are high on mountain air.

When we stood back, the whole lash-up seemed like an accident in the making. What if Brady O'Brady went one way, and Joey the other, causing the skier to mate in the middle with a bristly lodgepole pine? What if they took off like frightened horses in those western movies where the poor stagecoach passengers are dragged over a rim rock cliff to their deaths? What if they stopped short and we skewered them with our skis like

knockwurst on a spit? Doubts ballooned like grey clouds that were building on the ridge crest to the west of us.

We hoped our previous training of these dogs would narrow the chance of disaster. For instance, we had taught them, "Let's go," (hang on for dear life before you say that one), "Whoa," "Hup right," and "Hup left." They hadn't yet learned, "Don't stop suddenly to sniff

squirrel pee on the stump," "Let me know when you're ready to drop a load in the tracks," "Avoid chasing small furry things and winter birds into the brush," and "When the snow and ice end at the parking lot, please slow down." The risk factor remained at least moderate in our minds. If anything nasty happened, at least one person would be happy – our orthopedic surgeon could call his broker about that condo in Cancun.

By the time we had fiddle-faddled around in the fog of hesitancy, the snow pack had softened, giving us more of a cushion. So I cinched up my boots and prepared to yell the magic command. I say "I" because Claire wanted no part of this madness; she preferred to videotape it for later entertainment and, if necessary, insurance purposes. Adjusting my goggles, I said, "Let's go!" The dogs churned the snow like overpowered snowmobiles. To my delight, they lunged into the harnesses and pulled with all their strength in a straight line. "Hup right," sent them wheeling off in that direction smooth as anything: the same thing for the opposite side with "Hup left." "Whoa," gave me plenty of time to stop before my ski tip performed a sigmoidoscopy on Joey. Before long the ballistic Brittans and I had arrived at an understanding about such things as tree wells, rocks, and crotch-high trees. On wide-open stretches of flat snow, I could just steer the skis without poling – a free ride that gave the dogs a terrific workout.

As shadows thrown by the westering sun lengthened, we headed north toward Carson Pass. Steep terrain forced us to unhook the dogs while one of us skied down a hundred yards, stopped, then called them so they could scamper pell-mell down the hill, spraying snow everywhere. By leapfrogging in such a manner, we descended to more negotiable slopes. I doubt two dogs ever had more fun, even the ones you see shagging Frisbees in the park. On the drive back to the resort for a chilled Sierra Nevada Pale Ale, followed by a surprisingly sumptuous dinner, I wondered if they ever allowed hunting dogs in the 1150 mile Iditarod sled race from Anchorage to Nome, Alaska.

The American Kennel Club, founded in 1884, is a not-for-profit organization which maintains the largest registry of purebred dogs in the world and oversees the sport of purebred dogs in the United States. The AKC is dedicated to upholding the integrity of its registry, promoting the sport of purebred dogs and breeding for type and function. Along with its nearly 5,000 licensed and member clubs and its affiliated organizations, the AKC advocates for the purebred dog as a family companion, advances canine health and well-being, works to protect the rights of all dog owners and promotes responsible dog ownership. More than 20,000 competitions for AKC-registered purebred dogs are held under AKC rules and regulations each year including conformation, agility, obedience, rally, tracking, herding, lure coursing, coonhound events, hunt tests, field and earthdog tests. Affiliate AKC organizations include the AKC Canine Health Foundation, AKC Companion Animal Recovery and the AKC Museum of the Dog. For more information, visit www.akc.org <<http://www.akc.org/>>.

AMERICAN BRITTANY CLUB CODE OF ETHICS

Adopted November 30, 1996

The following principles are to be used as an educational guide and a tool for Brittany breeders for the purpose to develop more genetic and disease free dogs, while being ethical in all matters with the public and with our peers.

Objective and Purpose

To promote cooperation and friendship among the breeders and owners of Brittans and to encourage higher standards in breeding, training and showing of Brittans in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Ethical breeders should:

1. Comply with all ABC and AKC rules and regulations.
2. Maintain a high standard of health, care, and cleanliness for dogs under one's care.
3. Truthfully and realistically represent the Brittany being bred and/or sold in terms of quality, health, and genetic history. Refrain from breeding a bitch or using a stud until they are two (2) years old.
4. Consult with your breeder and with knowledgeable, experienced members of the ABC, regional clubs, or local kennel clubs to broaden your understanding and knowledge of the history of the breed BEFORE breeding your Brittany.
5. Breed only stock which are physically and temperamentally sound and in good health. No dog or bitch should be bred that is known to have serious inheritable defects or genetic diseases, such as:
 - canine hip/elbow dysplasia, primary epilepsy, a seizure disorder,
 - eye disorders - retinal atrophy, undescended testicles,
 - heart defects, extreme shyness, viciousness, other inheritable diseases or defects
6. Not attempt breeding without the ability to distinguish between correct and incorrect physical attributes. This ability requires a careful study of the breed standard, principles of genetics, and a study of both the sire and the dam's pedigrees. Breeders should study and learn the good points within our dogs, looking to both field ability and conformation.
7. Have their breeding stock OFA (Orthopedic Foundation for Animals), GDC (Genetic Disease Control) or PennHip certification numbers for hips on, at least, both the sire and the dam; preferably for three (3) generations on both sides of the pedigree. In addition, other tests (brucellosis, eyes, elbows, and other unspecified tests) should be declared in agreement between owners of the sire and the dam prior to breeding.
8. Refuse to sell to commercial wholesalers, retail brokers, or research laboratories.
9. Have tails docked and dew claws removed soon after birth. Prior to the sale of the puppies, initial shots for known infectious diseases should be given and worming administered. A buyer should be supplied with a four- (4) generation pedigree, registration certificate, information on all veterinary care, and instructions for the care, feeding, and training of the Brittany.
10. Remember your responsibility, as a breeder does not end with the sale of the puppy. A breeder should have contact with the buyer of a pup throughout the life of the dog. This information will enhance breeding knowledge and improve the foundation for a good long-term breeding program. This will also help your regional club to grow with new members and possible participants and workers.
11. Use spay/neuter agreements and/or consider limited registration if it is known or believed to manifest hereditary defects detrimental to the breed. THE LONG TERM INTEREST OF THE BRITTANY SHOULD BE THE GOAL OF EVERY BREEDER.
12. Consider DNA finger printing for all dogs in your breeding programs.

2009 ABC Prairie Chicken Classic/Championship

September 12-17, 2009 • Ted Morton Ranch, Bassett, NE

Reported by Mary Karbiner

Standing, left to right: Jerry McGee, Wade Haines, judges John Kline and Jack Murphy, Purina representative Roy Pelton, reporter Mary Karbiner. Kneeling: Chad Holman with Champion FC TRADEMARK'S ICEMAN, Justin Kalina with Runner-up FC GRAND JUNCTION JAKE, Jim Johns with 3rd place winner FC/AFC KINWASHKLY DAKOTA MOLESTER, Lisa Pollock with 4th place winner FC LINVEL'S ACE OF DIAMONDS.

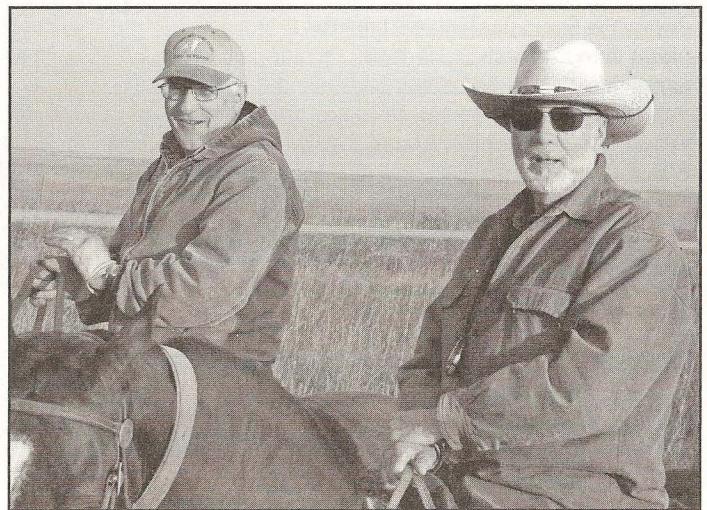

Trademark's Iceman named Winner; Grand Junction Jake is Runner-Up

The 2009 American Brittany Club Prairie Chicken Championship commenced in the sandhills of Nebraska September 12th. The event was attended by professionals and amateurs from New Mexico to New Jersey and points in between. This prestigious event is the only Brittany all-age event held on native birds. The sandhills are home to the Greater Prairie Chicken with its rolling tall grass meadows and some irrigated crops with knobs or hills that are viewed by the gallery as they ride across thousands of acres. The first ABC Prairie Chicken Classic was held at Buena Vista Grasslands near Plover, Wisconsin in 1964. In 1975 the event began rotating between Wisconsin and Nebraska. Dr. Cloid Green of the Mo Valley Brittany Club was the person instrumental in getting the rotation started. The last event held in Wisconsin was in 2000 with Nebraska being home since 2001.

From the sixty-six entries TRADEMARK'S ICEMAN emerged the winner. Timmy is owned by Ed and Donna Janulis of Illinois and handled by Chad Holman also of Illinois. Timmy is a six year old male, the result of Rimarda's Trademark frozen semen and Lane's End Bowtie Annie. Timmy had a forward race with two finds and two stop to flushes.

Runner-Up was GRAND JUNCTION JAKE also handled by Chad Holman and was last year's winner. Jake is owned by Dick and Carol Pulliam of Tennessee. He is also a 6 year old male out of Gambler's Ace In The Hole x Auten's Meg-Netic Field. He had a forward prairie race with one well defined piece of bird work.

These two dogs were whelped in January of 2003 but are related by

Judges Jack Murphy and John Kline.

grandsires and frozen semen. Timmy is out of Rimarda's Trademark and Jake is out of Gambler's Ace In The Hole - out of Rimarda's Gambler who was sired by Rimarda's Trademark. The days of technology are amazing.

KINWASHKLY DAKOTA MOLESTER was awarded the yellow. Lester was handled by Jim John of Kansas and is owned by Ken Seivert of Iowa. LINVEL'S ACE OF DIAMONDS placed fourth under the whistle of Tom Tracy.

Ace is owned by Paul and Lisa Pollock of New Jersey. Both of these dogs had creditable races and stylish bird work.

Our returning judge was John Kline of Orlean, Virginia who along with wife Sharon gladly made the trip west. John trained professionally after retiring from teaching.

His partner was Jack Murphy of Oklahoma was called upon as a replacement judge. Jack has campaigned brittany's in the Midwest for a number of years. He was accompanied by his wife LaDeena who always has a smile. Both judges paid keen attention to the dog's performances.

Our long time sponsor Nestle-Purina has supplied product and support for this event from the inception of the sponsorship program. Purina is one of the world's largest producers of quality animal feed; their research and development of products is ongoing.

Tri Tronics is a front runner of equipment for bird dog development. Their products are used for many training aspects of animals. They donated a collar to the winner. These two companies have been long supporters of the bird dog sport and we are grateful for their donations.

Mo Valley and Nebraska Brittany Clubs have combined over the last few years to co-host this event. Longtime organizer Ron Curtis was not able to attend and was missed by all. Stan and Claudia Truksa were the leaders. Stan was marshal along with Jerry McGee. Claudia did the "behind the scenes" organization and grunt work during the trial. Jim and Janet Chase drove the dog wagon. Gate openers are at a premium when we cross vast areas. When a first timer is present they are initiated by being allowed to open gates. This year's greenhorn was Steve Ralph of Minnesota. He did a creditable job with a lot of razzing. We must thank the land owner, Ted Morton for allowing us to run across his land and that of his neighbors. The people of the Bassett community welcomed us and were helpful to the questions and needs of trialers.

This morning was the low of 49 degrees, dew on the grass and the sun was going to shine. The need to change the courses because of cattle with new calves in nearby pastures was a challenge. Jerry McGee set the courses that made it work.

GRAND JUNCTION JAKE, Holman and CEDAR VALLEY BANDIT, Tracy. This pair took off across the pasture with Bandit settling in. Jake made some reaching casts. Point was called for Bandit at 47'. Extensive flushing could not produce game. As the handler walked to the dog, birds flushed well behind the dog and the judge. He was fired over and taken on. At 49' point was called for Jake. He was in the next hay meadow where we watched birds lift. Handler crossed the fence to get to the dog. Jake was fired over and sent on.

DAKOTA LUKE, Wild and PRIMETIME OUTLAW JOHNNY, Kalina. This pair started strong with Cash maintaining a prairie range. At 26' he pointed at the edge of the woods but nothing could be produced. Luke pointed at the edge of a slough, as we approached Cash was standing there also. Cash released himself and was collared. Luke was released and sent on. He did not have any bird contact in this hour.

CEDAR VALLEY ASYA, Tracy and SHADYWAY RED TAIL HAWK, John. This pair made a strong start then settling to a moderate range. They were leashed midway in the hour.

ACE'S PATCHWORK, Holman and SHADOW ATTACK, Tillson. We left gate #3 of the "old" morning course. Both dogs went far and wide early in the brace. At 16' Tack pointed in a swale, relocated but nothing could be produced. Nearing the windmill at 23' Tack pointed. A single lifted as the handler rode to the dog, when he fired more birds lifted from the area. Patch had run a wide race perhaps not consistent. He pointed at 23' in a swale, was relocated but nothing could be produced. Tack pointed in a swale at 53'. He was relocated several times but nothing could be produced. The handler sent him on toward the road crossing. At 57' Patch had a stop to flush on a single and as the handler approached a nice sized covey lifted from the area. The hour ended at a road gate.

There Are No Coincidences

Solid Gold recently had a vendor booth at a large multi-day dog show. The first day, an angry woman came to our booth. She had been attending a national conference for her breed.

The speaker had made the audience aware of possible federal legislation. Only two pets would be allowed per family. The lady had five dogs.

"Which of my three dogs am I expected to kill?" She asked.

Seems as though the federal government said that dogs are dirty and the amount of food "wasted" on dogs could be sent to under developed countries of the world.

My Great Danes aren't dirty. They are bathed at least once a month with our Super Sen Gelle Shampoo for sensitive skin (6-1 concentrate.) Then, they are conditioned with our Solid Gold jojoba rinse (6-1 concentrate.) Jojoba is the only oil that penetrates three layers of skin and rebuilds cell tissue. Don't rinse off. Can be used daily for dry itchy skin.

Some ladies pay \$100 an hour for such SPA treatment.

Remember in 2007, when 197 American dog food companies were exposed and recalled for fraud for having their dog food made in China, 6000-7000 pets died of kidney failure. Supposedly, this problem has been corrected. However, even now, there are only about five dog foods made in the U.S. Solid Gold has always been sourced and made in the U.S.

One company sourced its ingredients from China and shipped here. Then, the ingredients were manufactured here. They advertised that their food was made in the U.S. This is deception, people don't care where the machinery is, they want to know where the food is grown. Finally, in 2009, this company said it would source the ingredients from the U.S.

Recently, in Miami, Florida, a class action suit was filed against several major pet food manufacturing companies. The suit alleges that these companies frequently advertised that their food was healthy and safe. In fact, these companies were using euthanized dogs and cats, waste products, restaurant grease fat, hair, hooves, road kill, toxic chemicals and additives. (Reference Pet Products Industry Magazine, July 2007.) Solid Gold was not involved.

Some dog food companies use peanut hulls as a cheap filler. Many hulls contain a fungus that causes ear infections. If this happens, spend 69¢ at the market for apple cider vinegar. Put it on a cotton ball, squeeze out the excess and clean out the ear. A fungus is an alkali, apple cider vinegar is an acid. If there is a cut, dilute the vinegar so it won't sting. Then, put in two squirts of Solid Gold Ear Care with Comfrey. Comfrey works in a strange way. It causes the cells to multiply, with such rapidity that the cells actually implode upon themselves and kill themselves. It also works on fungus infection between the toes. But use vinegar first.

You can order from us directly if your local store doesn't carry them.

So if you want a healthy dog food, feed Solid Gold. It is the Best Dog Food in the World for your "fur person"

Now, about coincidences: It was over 100 years ago, that farmer Fleming in Scotland was walking along with Goldie, his Golden Retriever.

Suddenly, Goldie stopped and listened. A child's voice could be heard screaming. Farmer Fleming ran toward the river. A boy about 10 years old was being swept downstream. The boy grabbed an overhanging tree. Fleming told Goldie to "go get him", but the boy wouldn't let go of the branch. Fleming uncoiled his rope that he had been carrying and put in the Goldie's mouth and commanded Goldie again. This time, the boy wrapped the rope around his waist and let go. Fleming pulled from the front and Goldie pushed from the rear. They landed on shore. Then, the boy went home.

The next day, a coach and four horses pulled up to Fleming's house. The gentlemen wanted to give Fleming a reward. But Fleming declined. Then, the rich man proposed that he would pay the tuition of Fleming's son for the same private school as his son went to, so he could get a good education. Fleming gladly accepted.

Eventually, the farmer's son went to St. Mary's Medical School and became Dr. Fleming who developed penicillin.

Many years later, the rich man's son became very ill with a deadly infection. It was the penicillin that saved his life.

*You know the river boy who eventually became famous. His name is Winston Churchill.
There are no coincidences.*

Solid Gold is the only dog food company that is a member of the Organic Trade Association, the American Nutraceutical Association, the Medicinal Food Association, Nutraceutical Foods Association and the Life Extension Association.

WESTERN MICHIGAN

October 19, 2009

by Diana Kubitz

After the 2008 National Gun Dog Championship the Hoppers and I sat down and talked about the possibility of a specialty show. I sent off some emails to exhibitors who usually came to our specialty shows to find out when the best time to have it would be. The majority said the Monday before the gun dog championships start.

On Monday, October 19, 2009, WMBC had their 2nd specialty show of 2009. We drew an entry of 46 dogs with 57 entries. We never had time to do sweepstakes at our spring show, so we decided to have sweeps. Cathy Rigalout judged our first sweepstakes event and did an excellent job. Best In Puppy Sweeps: CLASSIC'S CAN DO LADY ISABELLE and Best of Opposite: SANDSTONE'S POINT BLANK RANGE. Best In Veteran Sweeps: CH ENCORE'S HIGH OCTANE, JH Best of Opposite: CH WALBERT'S ZACK-N-BLEU BUGZ.

Our regular classes were judged by Christy Douglas-Featherston. In addition to judging, Christy breeds and shows GSP's so she is well acquainted with the dual dog concept. Best of Breed: CH MAGIC READ MY LIPS, Best

of Winners: SOUTHPAW'S LIT' BUTTERSCOTCH SUNDAY, and Best of Opposite Sex: CH WINCREST COPLEY CAN DO ONE GRAND LOVE. Christy commented on the quality of the dogs entered in our specialty and said some of the decisions were really tough. That's a great compliment to our breed and our breeders.

Thanks to everyone who supported this event and to our club members who got up extra early to arrive in Ionia in time to set up the ring, the raffle tables and the lunch tables. A special thanks to Wayne Warners, who no matter what the event, is right there on the front line pitching in to help.

Next year we are working on having two specialties on Monday. The Brown's from the Michigan club came up to me after the specialty and said they thought that might be a good plan for 2010, two majors in one day!

CENTRAL MAINE Brownfield, ME September 12-13, 2009

The weather was overcast and cool for the 2009 Central Maine Brittany Club trial making a great weekend to run dogs. The trial was held at the Maine Bird Dog Club grounds in Fryeburg, ME the weekend of September 12 and 13. Following the clearcutting the state of Maine had done, club members worked several days to put in culverts and improve courses with mowing several areas opening up the juvenile course. While there is lots of work to do in the future, club members have made a great start. Mature, hardy, well feathered quail were liberated on both the juvenile and adult courses for the

derby and gun dog stakes; most braces had bird work as they went over the courses with birds being excellent flyers. A total of 81 entries ran in competition over the two days. We are grateful to Field Trial Magazine for their sponsorship of winners. Thanks go out to a wide number of people who pitched in to be line marshals, plant birds, run errands, keeping the braces moving and helping with food preparation. Donna Pride kept the central operations running smoothly, making sure that all paperwork was in order and answering a wide variety of questions. A special thanks goes to John and Ann Short for coordinating all of the food for the trial. They provided options for breakfast and lunch each day as well as put together a wonderful dinner on Saturday night for everyone. A highlight of the evening was the presentation of the Dwight "Pete" Jordan Amateur Derby Award and a celebration of Pete's 94th birthday. Everyone pitched in to make sure every job was covered. Everyone present had an enjoyable time and looks forward to the next trial. We had a great mix of new to the sport and older more experienced field trailers; everyone helped each other out and it was a true community effort.

**HEART OF ILLINOIS
Jim Edgar Panther Creek SFWA
March 21-22, 2009**

The Heart of Illinois Brittany Club held its second trial of the spring on March 21 and 22 at Jim Edgar Panther Creek SFWA. The grounds seemed pretty dry and dusty on Saturday but much moister on Sunday with the rain drizzle that fell. It turned into a colder rain as the day went on. The dogs didn't seem to mind as they continued to run and find birds.

We'd like to thank our participants for coming, our judges for their good eyes and keen judgment, the staff at JEPC who always help us out, our members who devoted time and energy to keeping the trial flowing smoothly and of course those other helpers who come and provide their services as well. Without everyone we could not have had a successful trial.

Pending AKC approval, Ray Trimble finished Truckers Wild Ride with both his FC and his AFC titles all in one

weekend! Ray proved once again that his dogs are always in the hunt for that elusive "blue". Not to be outdone by his friend on the line, Brisco's Mr. Stub did his best to come in second to Rider. Congratulations to Ray, and we bet the truck just kind of floated home on Sunday and he never noticed the fuel or threatening clouds all the way home.

Always a tough competitor, Kevin Remmers handled "Dub" to 3 placements during the trial. He was successful in the ALGD and OGD with a 1st and received a 2nd in the AGD.

Larry and Sue Bates had a good weekend also. Tucker won the AGD and placed 2nd in the OGD. Taking the blue in the OD with Murphy was an added bonus.

Todd Parmenter and his dogs did well also. Rip It Good took 4th in the OAA. Rory placed 3rd in the OGD and his Dogwood's Rojo Ranger placed 4th in the AGD.

Congratulations to all the placing dogs and winners, also to their owners and handlers. You all deserve a round of applause for work well done. Thanks to the committee for providing us with a tent to get in out of the weather and have a nice place to eat or converse. Thanks to everyone who helped in any way. We hope to see everyone in the fall.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
