## Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

## 2010 Election of ABC Officers and Directors

### SUBMISSION OF AGENDA ITEMS

**DEADLINE FOR AGENDA ITEMS: SEPTEMBER 15, 2010**

**Rugged. Reliable. Proven.**  
The Leader in Electronic Dog Training Equipment for over 40 years.

All Agenda Items, officer and committee reports for the ABC Board Meeting to be conducted at the AA National Championships in Booneville, AR, must be submitted by **September 15, 2010**, to be included in the Agenda Book and put up for consideration at the meeting as per policy book stipulations. Early submission allows us to put the topics for consideration on the website and to get books to the Directors in time for meaningful input from the general membership. **Action items submitted late and not in writing should not be considered** as they are often not well thought out causing many problems after the fact. Reports that cannot be completed such as the Treasurer's Financial Statement and Futurity Stats, may be submitted by bringing 20 copies to the meeting, but any Action Items from any officer or director, committee chair, etc. should be submitted by the deadline

#### PLEASE NOTE NEW POLICY FOR SUBMITTING AGENDA ITEMS:

Items must be from an ABC officer or Committee Chair, or from a Board Member or Regional Club which has first voted on the item by that club's members. **Items from individual members should first be discussed with one or more of that person's Regional Directors before being submitted and will be supported by fifteen (15) different actual signatures of ABC members.** Since agenda items need to be presented by someone to the Board, one of the regional directors shall present the Agenda Item to the Board of Directors. (1992) (2008)

Please include a copy of the current policy in the Policy Book along with suggested wording changes.

We have always published Officer and Committee Reports in the ABC Magazine. This can be a very difficult task to accomplish since most of the reports have to be retyped. **Please help us by sending your Agenda Reports in a .doc or .rtf format by email to:**

**ABC Agenda Chairman Dee Hartnek**  
**DHartnek@gmail.com**

It would also expedite matters if you would also CC to the following:

**Mary Jo Trimble: trimnatchbritts@midamer.net (for compiling list for ABC Website before meeting).**

**Dee Hempfield: ambritteditor@roadrunner.com (for publication in the magazine)**

**President Hank Hartnek: HankHartnek@gmail.com (who will be putting together the Agenda Disk for publication.)**

If you cannot send as a .doc or .rtf file, mail to Dee Hartnek at 6909 E. Camino Garcia, Sierra Vista, AZ 85650 or fax to her at 520-803-9696 but please call first.

**YOUR COOPERATION IN WRITING YOUR REPORTS, MEETING DEADLINES, SENDING THEM IN .DOC OR .RTF FORMATS WILL GREATLY HELP THOSE OF US WHO MUST DEAL WITH THEM AFTER THE MEETING IS OVER AND WILL HELP US HAVE A MORE INFORMED MEMBERSHIP BOTH BEFORE AND AFTER THE ABC BOARD MEETING.**

Mary Jo Trimble  
ABC Executive Secretary

## History of the ABC National Obedience Trial

In 1979 ABC's 3rd Vice President, Wayne Fessenden, recommended that an Obedience Trial be held in conjunction with the National Field Trial and Specialty Show. The first ABC National Obedience Trial became a reality in Little Rock, Arkansas, in 1981 and was won by the first Brittany Obedience Trial Champion, *CH OTCH Turner's Crossroad Samantha*. This was a significant event since the ABC for the first time was sponsoring all three types of competition at the Nationals required to win the elusive AKC triple championship.

Many fine Brittany's have won the National Obedience Trial. *Ch. Prince Valiant's Spring A'rial*, UDT won the National Specialty Show in 1987 and the National Obedience Trial in 1988. *CH, OTCH, AFC Lafayette King Trooper*, UDT won the National Obedience Trial in 1983, 1984, 1985 and 1986 and is the leading winner with four wins. *Little Egypt Catapult Cathy*, UD, SH and *CH, OTCH Chilcote's Credit Check UDX, AX, AXJ, JH* have both won the National Obedience Trial three times.

The new venue of Rally was added in 2005.

## Board of Directors Recent Motions

**2010 MOTION TO MAKE THE RINGNECK CLUB'S REGION 19 AMATEUR CHAMPIONSHIP AN AKC CLASSIC**

Motion by: Kent Patterson, East Central Director  
Seconded by: Jim Brigham, Central Director  
Date of Motion: Saturday, June 12, 2010  
Dates for Discussion (7 days): Sun. June 13 – Sat. June 19, 2010  
Dates Votes Accepted (5 days): Sun. June 20 – Thur. June 24, 2010

Motion: I move to allow the Ringneck Brittany Club to run its Region 19 Amateur All Age Championship as an American Brittany Club Classic.

Rationale: The reason for this change is due to grounds issues. The club is not able to access enough grounds for both the hour championship grounds and grounds to run the weekend trial stakes. This hopefully is only a temporary situation, as the Ringneck Brittany Club is working to secure enough grounds in future years to hold both the hour stake and the normal 30 minute stakes during the same weekend. By allowing this stake to run as an ABC Classic, it will be AKC sanctioned and will make this stake a qualifying stake for the ABC National Championship as it has been in past years.

**2010 MOTION FOR ROTATING TROPHY FOR NATIONAL AMATEUR GUN DOG CHAMPIONSHIP**

Motion by: Darlene Dow, East Coast Director  
Seconded by: Lisa Pollock, East Coast Director  
Date of Motion: June 14, 2010  
Dates for Discussion (7 days): Mon. June 14 – Sun. June 20, 2010  
Dates Votes Accepted (5 days): Mon. June 21 – Fri. June 25, 2010

Motion: I move that the ABC Board of Directors approve the previous winners of the Amateur Gun Dog Nationals to donate a rotating trophy for that event. The trophy will not have any option for it to be retired. The trophy will be at no cost to the ABC other than to have it covered by the club insurance

Description: The National Amateur Gun Dog Rotating trophy will have plates for all the previous winners already installed. It will be a bronze dog with solid wood base. A photo of a resin version of the bronze is attached. The actual trophy will be solid bronze, but will look the same as the attached photo except it will be on a large walnut base. 4th Vice President Jim Carter is working with the previous owners to develop and purchase this trophy. There is currently no Rotating Trophy for this Championship.

# INTRODUCING THE NORTHEAST GUN DOG AWARD

The Northeast Gun Dog award was started by Marge Fitzpatrick and Marcelle Bell in the mid '50's. The initial winner in 1956 was a young male named Belloaks Gunner handled by his new owner Richard Fox. This award was much sought after and hotly contested in the Northeast.

An excerpt follows from the Book of the American Brittany, "blue book", Nicky Bissell editor. "The Northeast Gun Dog was promoted by some of the Northeastern clubs for the purpose of encouraging participation in amateur stakes. The winners of amateur stakes in trials held by participating clubs received points that were totaled at the year's end with the top dog receiving a very beautiful trophy."

Marge Fitzpatrick of the Eastern New England club kept the statistics through the mid 2000's. She was always the first person on the phone when a trial secretary walked through the door to get the results from the amateur gun dog stake so she could forward the current statistics on to the next field trial secretary. Unfortunately, upon her passing this time honored tradition went by the wayside for a few years.

Many of the original clubs have united to re-introduce this prestigious award with the same intent; to encourage amateur stakes.

Central Maine	Northern New England
Central New England	Southern New England
Eastern New England	Hudson Valley
Upper New York	Del Val
Del Val North Jersey	
Susquehanna	Anthracite

The format is essentially the same with a point value for each number of starters in any amateur stake.

½ hour stake	hour stake
1st place 4(x) # of starters	1st place 4(x) # of starters
2nd place 3 (x) # of starters	2nd place 3 (x) # of starters
3rd place 2 (x) # of starters	3rd place 2 (x) # of starters
4th place 1 (x) # of starters	4th place 1 (x) # of starters

## In Memory of Doug Birchfield

November 15, 1923 – May 18, 2010

Douglas Eugene Birchfield, age 86, of Aurora, MO, passed from this life in the comfort of his home on Tuesday, May 18, 2010, following a lengthy illness. Doug was born on November 15, 1923 in Alex, OK, the son of Benjamin Franklin Birchfield and Myrtle (Redding) Birchfield. Doug served his country by enlisting in the Navy. He was honorably discharged as a Merchant Marine and was a veteran of World War II. He had worked for the Sun Beam Corporation in Chicago, IL until retiring to Aurora. He was a member of the Church of Jesus Christ of Latter-Day Saints in Aurora, the American Brittany Club, the Aurora Rockin' A Saddle Club and the American Legion Post #126 of Aurora. On May 29, 1943 in Chicago, Doug Birchfield and Lorraine Kate Kistingner were united in marriage. Survivors include his wife Lorraine, of the home; two sons, Daniel J. Birchfield and wife Becky and David Jene Birchfield, all of Aurora; one son-in-law, Robert Compton, of Chicago; one daughter-in-law, Kathie Birchfield, of Bowling Brook, IL; seven grandchildren, Ronda, Jenny, Tammy, Rusty, Tracy, Will and Katie; and five great grandchildren, Tara, Lexie, Nick, Max and Connor. Doug was preceded in death by his parents, one son Douglas Eugene "Sandy" Birchfield, Jr.; and one daughter Darlene Ellen Compton.

Doug was a longtime friend and one of the early members of the LaSalle Brittany Club. For years he was an associate member of the Hoosier Brittany Club and became an associate member of the newly formed Greater Milwaukee Club to help get it started.

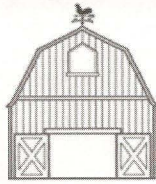

After moving to Missouri, he was the driving force behind the Ozark Brittany Club. Doug served as an ABC Director from the Central Region. He served a long term as the Central Dates Coordinator. He campaigned FC/AFC Harper, AFC Cinnamon Souix and others. Doug was a worker and was very dedicated to the Brittany and the American Brittany Club. He was honored by his peers for his years of dedicated service in 1999 when he was elected to ABC Life Membership.

My fondest memories of Doug included his short trips to the The National Championship in Booneville each year where he & Lori renewed friendships, attended the Membership Meeting and offered his expertise, and showed the younger set how to enjoy life by dancing with his wife of 67 years Lori. He loved to dance. The ABC and its members were blessed by Doug. Lori has asked me to tell you that, unlike Doug, she is not computer literate but wanted to tell all of you who sent cards, letters, and phone calls how much she really appreciated the sentiments.

God bless you Doug and Lori.

Mary Jo Trimble

# 2010 ABC Chukar Classic/Championship

January 27-28, 2010 • California City, CA

Submitted by Margaret Horstmeyer

2010 ABC Chukar Classic/Championship, left to right: Myra-Dawn Ellis, Paul Doiron with MEGASMOKE GRAND FINALE, Judge Ellis Herz, Tom White with MEGASMOKE LIMITED EDITION, Judge Nick Nickol, Peggy Doiron with QUAIL ROCK TOUGH ENOUGH, Margaret Horstmeyer with TJ'S SINGLE SHOT OF SCIPIO.

The American Brittany Club's Chukar Classic was held January 27-28, 2010 in the Mojave Desert hosted by the California Brittany Club. After torrential rains had pelted Southern California for a few days preceding, Mother Nature cleared the clouds and we were blessed with crystal blue skies and a minimum of the devil winds that can whip through the desert. The terrain is rolling hills with rocky outcroppings, greasewoods and lots of sand and sagebrush! In January the temperatures are cool enough that we don't have to worry about encounters with the dreaded Mojave Green rattlesnakes that inhabit the area.

The generosity of our sponsors: Tritonics and Purina is most appreciated. The Champion was the recipient of a Pro 500 collar and all the winners received "champion fueling" Purina Pro Plan Performance food.

Putting on an event takes the help of many. Field trial secretary Margaret Horstmeyer did all the preliminary paper work, judges and trophy acquisition. Karen Nelsen served as the invaluable meal coordinator- keeping us fed with breakfast burritos, cooking and serving lunch with the help of Mike Frane and setting up for our catered Mexican fiesta. Carl Porter, a local GSP pro, was our chief bird planner. He was assisted by Tom White, Paul Doiron, David Kirk, Bill Leffingwell, Wayne Hale and Joe Waitman. Every brace had multiple bird contact.

18 dogs and 6 handlers came to the starting line with hopes of being the 2010 Chukar Champion. Judges Ellis Herz and Nick Nickols were impressed with the performances of all the dogs and making the final decision was difficult. But, in the end, the

winning dogs went places and made moves that others didn't and that was the deciding factor.

FC/AFC Megasmoke Grand Finale (AI) emerged as the 2010 ABC Chukar Champion. He is owned by Myra Dawn Ellis and handled by Paul Doiron. AI was on a mission and hunted hard to the front, finding birds and pointing with style and intensity. His impeccable three finds and spectacular finish along the ridge of Gun Dog Mountain garnered him the win!

Littermate DC/AFC Megasmoke Limited Edition (Ted) was Runner Up. He is owned, bred and handled by Tom White and Margaret Horstmeyer. Ted had a fast forward running first half and after the second water barrel he took off towards the face of Bald Mountain and was out of sight until the scout called point. The flush was all in order and Ted was released forward. On the way down from checking out a rocky outcropping a chukar stopped Ted in his tracks as point was called. Ted was running stronger as the hour progressed and he charged up the face of Gun Dog Mountain and disappeared over the top. As we reached the top, Ted was pointing a chukar on the down side of the hill. After the bird was worked, time was called.

Third and fourth placers are both seasoned veterans. Third place DC Quail Rock Tough Enough (King) handled by Paul Doiron started his bird conquest by having two finds and a non productive on Chukar Alley. The first was a divided find with fourth place DC/AFC TJ'S Single Shot of Scipio (Emme) handled by Tom White. Both dogs were found standing in the rocks and stood tall and tight as the bird was flushed. King went on to the second half of the course, hitting the hills and rock outcroppings and hunting hard. His

persistence paid off and produced five more finds!

DC/AFC TJ'S Single shot of Scipio continued on after the divided find to run the ridges along Chukar Alley and then cross over to the left and check out any chukar possibilities along the ridges of Limb Find Mountain. After being seen forward in the flats, Emme was found on point on a rock pile. The bird was worked with all manners in order. Emme climbed the face of Gun Dog Mountain and was rewarded with a find at the top. The bird flew off the top and, after the shot, Emme was released to finish her conquest far forward.

# The Horn Hunting Chronicles: Brittanys and Snowmobiles

by Steve Stepanian

I started looking for moose antlers about twenty years ago after I found my first one lying on a snowmobile trail in Maine early one morning. I had befriended two trappers from Maine who showed me where and how to find the antlers. Ever since then I've been hooked on finding them. Basically, all I had to do was put the time into looking for them. Speaking of time, I should mention it helps to go out into the woods a couple of hours before sunrise to start searching as the first person over the trails gets to find the horns. In case you're wondering, yes, I do refer to them now as horns although they are really antlers. Most people who look for moose antlers like to refer to it as horn hunting. I guess it just rolls off the tongue better!

Around 1993 one of the trappers started to train a young black lab pup named "Spike" to help him to find the horns. Soon Spike became very good at locating horns buried underneath the snow. He truly was inspiring to watch. That was also around the same time I got my first bird dog, a beautiful 9 month old female Brittany named "Spooky." She was a long legged girl, a Brittany who hunted real well with the best of them. She also loved to hike with her "dad" (me) as well. I tried to get Spooky interested in the horn hunting but she didn't take to it. No worries though, as she more than made up for it with her abilities to find and point woodcock and partridge and I remained happy to get up at "O' dark-thirty" to look for horns on my own. Speaking of dogs and horn hunting, I should also mention that Spike, the black lab, loved to ride on the snowmobile with his master. This was also something I could never get Spooky to do.

Over the years I've continued to search for the coveted matching set of moose antlers without much success. Don't get me wrong, I've found plenty of horns over the years, but just never a matched set from the same bull.

After sixteen and a half wonderful years with Spooky, it was time for her to leave us for that happy hunting ground on the other side. We spent six long months without a Brittany in our lives until we were rewarded with our new pup "Nash dog" from J & A Brittany's of Acton, Maine. Nash was born January 5, 2008 and came home to live with us the first week of March that year.

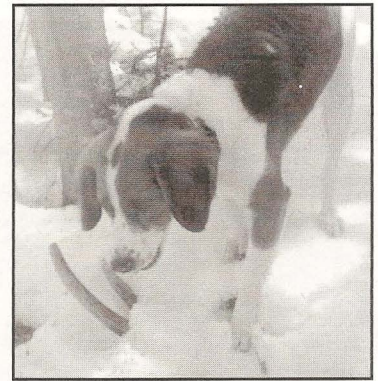

We'd already been snowmobiling in northern New Hampshire in the Colebrook area and I'd discovered some good areas to find horns in. The first time we brought Nash dog for a trip to our snowmobile camp he was just nine weeks old and boy! Didn't he just love the snow! He couldn't get enough of it. When Nash came back home I started to let him chew on some small moose horns that I had found over the years. He really loved chewing on them and I remembered this was the way the black lab, Spike, started his training. I began to bury some of Nash dog's horns about six inches under the snow and trying to get him on the scent. Having that good Brittany nose on him it didn't take very long for him to catch onto the game of finding the horns for dad, the only thing I couldn't get Nash to do was ride on the snowmobile with me, so together we would hike out to areas to look for horns.

I would also like to mention that Nash has two terrific hunting seasons now under his collar and does quite well pointing pheasant, partridge and woodcock the three upland game birds we pursue here in the northeast.

Lets fast forward another six months: not being content with just one Brittany, we picked out another one, a little tri-colored female who we call Starr, also from J & A's Brittanys. She was born June 13, 2008 and has also become a very important member of our family.

Starr didn't hunt that 2008 bird season because of her age but she had a terrific first year horn hunting. That winter following the dogs through the woods, I stepped over a blow down and saw a single tine sticking out of the snow. What we uncovered was the biggest horn I had ever found, un-chewed and in perfect condition! Pretty remarkable as coyote, porcupine, mice and other vermin love to chew on the horns after they fall on the ground. This horn measured three feet long and weighed sixteen pounds. Both Nash and Starr enjoyed mouthing and licking the horn a little before I strapped it onto my back pack. Entering a way point on my G.P.S., we were soon back on the hunt for the left side horn to match the right side we had just found.

After about an hour I came up over a rise and found Starr digging in the snow. I walked around in front of Starr and saw what she was digging for; it was another horn. I was hoping it was going to be a match to the first horn we found. With help from Starr I managed to dig the horn out of the snow and ice and found that it was a much smaller horn from a different Moose. We looked around a while longer that day but had to settle for the two horns.

The following weekend we were back at doing something I truly love to do, being in the woods with my Brittany's and watching them running and hunting and just having fun. If we could find a horn it would be a bonus, after losing another foot of snow that week, things under the snow would start to become visible.

I set out on my snow shoes that morning with Nash and Starr with high hopes of finding that elusive left side horn. Using my G.P.S. I navigated back to the original spot where we found the right side horn and began to search from there. Within an hour we found another horn, still mostly covered with snow and ice, and started to dig. It took a good fifteen minutes to get the horn out of the ice. When it came out I was pretty sure it was the left side horn we were looking for! I wouldn't know for sure though until we returned to camp and compared it to the right side of the other horn so I strapped it on my back and continued hunting. We found one more that morning. Throughout the course of that month (March 2009) we found horns from seven different bulls in this one area alone. Most important, and after more than fifteen years of searching, I finally found my first matching set of moose horns!

So far in 2010 we've only found three horns, but more importantly is the fact that the biggest horn of the year was found by my boy Nash dog and it was another beauty; close to three feet long with eleven tines - way to go Nash!

This year we also discovered that Starr likes to ride on the snowmobiles!

Next winter, if the good Lord is willing and the snow gods bless us with good snowfalls, don't be surprised if you see some crazy guy on a snowmobile with a little tri-colored Brittany on his lap with a big orange and white Brittany bringing up the rear on foot, that is of course unless I can convince Nash to ride with us. We'll have to wait and see!

*(Respectfully submitted by Ann Short. Steve and his wife Stephanie share a deep love of the outdoors, especially in the winter. Avid hunters and serious snowmobile enthusiasts, they enjoy life to the fullest with their two Brittanys.)*

## WESTERN MICHIGAN

Western Michigan Rifle & Pistol Club,

Meet the Breed/Purina display.

Luck was with us and we had an absolutely beautiful day for our specialty. Joan Lester was our judge this year. She had some tough decisions, because there were some extremely good dogs, even with our smaller than usual entry.

Club members brought desserts for our annual chicken dinner prior to the show and the feast was enjoyed by all. We had more help this year for set-up and my husband will be forever grateful. Thank you to all the club members and non-members that worked so hard to make our show a success: Jane & Gil Hopper, Wayne Warners, Mike Wilshire, Dick Lipski, Bill Houghtaling, Terri Debarr, Jim & Janet Chase. Last but not least is the unsung hero, my husband Gary. Without his help and support, we would not be having a specialty.

Best of Breed was CH MELRIDGE STIR N' IT UP owned by Diane and Frederick Bingham and shown by Diane. Best of Winners was MARSPORT WRIGHT'S GUNNER, who pening AKC, is a brand new champion! He is owned by Gary & Gerald Wright and handled by Jill Day. Best of Opposite was SOUTHPAW'S LIT' ALLIE KAT owned by June Cuthbertson & Tom Boersma.

We give a big thanks to those exhibitors who show their support for the dual dog by entering our specialty every year. This year's dual dog award winner is TELFARE'S LADY TARA'S RUM ROYALE! Royale won her class in the ring and was 2nd in the Amateur Walking Puppy and 2nd in Open Puppy in the field! She'll be one to watch in the future.

Our October specialty will be on October 25th, the day before the gun dog championship starts and we are in hopes that the Michigan Club will offer a specialty in the afternoon on the same day. Once again, we are

supporting the dual concept in every way. It's beautiful in October in Michigan!

## TIDEWATER Dick Cross WMA, Virginia March 27-28, 2010

*Submitted by Bobbie L. Sigmund*

The Tidewater Brittany Club held its Spring Hunt Test at Dick Cross WMA, Virginia, on March 27 & 28, 2010. Judges and participants enjoyed cool, but dry weather throughout the weekend. Handlers were impressed with the courses on the grounds. Dogs had a chance to hunt in natural cover, and we were pleased with the shooting accuracy by Mike, Kenny, Burt and Don. Meals during the weekend, and a tasty Saturday night dinner, were taken care of by Yvonne McKeag, who stepped in to help while Ed Rudzinski was in the hospital. Thanks so much, Yvonne, dinner was GREAT! Thanks to everyone who helped Don keep the event running smoothly. Brittans who finished their JH titles this weekend include CH GinJac's Brookewood Sizzlin Hot at Kabina (handled by Chuck Hanson), Sigbrit's Catchers in the Rye (handled by Bobbie Sigmund), Brier Ridge's Covey Stryker and Brier Ridge's Lucky Penny (both handled by Tom Petree).

## GREATER MILWAUKEE

### Ottawa Field Trial Grounds, Eagle, WI

**March 20-21, 2010**

The Greater Milwaukee Brittany Club held its 2010 Hunt Test on the 20th and 21st of March at the Ottawa Field Trial Grounds in Eagle, Wisconsin. The weekend started out a little slow, it had snowed over night, which made the roads icy in spots. Even with poor road conditions, we managed to start only a half hour late. The light snow left sufficient cover for the birds, and with light winds, made for good conditions for the dogs.

Sunday was an ideal day, with mostly sunny skies and temperatures in the 40's and low 50's. Thanks to the great effort of everyone involved with the event, both days ran flawlessly.

We ran a single course both days, with William Bastian and Jim Couris judging on Saturday and Edward Cuddeback and Donald Olszewski judging on Sunday. These judges deserve a real hand. They were in the saddle all day, with a half hour lunch break, then back in the saddle again. We had 32 dogs entered on Saturday, five braces of Master, two braces of Seniors and nine braces of Juniors. Sunday, there were 30 dogs: four braces of Master, three braces of Seniors and nine braces of Juniors.

The gunners for the Master and Senior levels - Greg Asmus, John Sears and Ken Merk - did a great job.

Many thanks to the numerous people who volunteered their time and camaraderie to make our event run smoothly and totally enjoyable.

## AKC Delegate Report

March 8-9, 2010 –

### Field Trial and Hunting Test Committee:

Discussion was held on Canadian Rye as a "mean seed". A plan is needed for research in order to support the goal to collect hard data so that AKC Staff and outside lobbyists can move forward to explore steps to eliminate all "bad seeds" from CRP (Conservation Restoration Program) listed land. A volunteer or hired graduate student in agriculture is needed to see what is within the public domain in plantings of Canadian Rye across the country. The CRP in the Department of Agriculture needs to provide a list of "bad seeds" (Canadian Rye is a recommended seed by CRP). It was suggested that hard data is needed regarding the number of dogs affected over the last 5-7 years. A 501C3 fund needs to be established for this project – AKC Humane Fund would set up a sub-fund – mean seeds fund. The fund would receive donations for the purposes of funding research, administrative costs and related endeavors relating to the goal of elimination of so-called "mean seeds" from approved seed mixes for the US Department of Agriculture CRP lands. The sub-fund would also make appropriate disbursements from such sub-fund for the foregoing purposes.

Doug Ljungren, AKC liaison to the Field Trial and Hunting Test Committee gave a 2009 year end report on performance events. Pointing Breed field trials are down 3% in terms of entries, primarily in hunting tests. Retriever trials are down 1%; Spaniel events are up 2%; Beagle entries are up 2% with a total increase of 1% for the year.

**Ken Marden confirmed that the compliance rules were changed as follows: Any club that holds its specialty show with its field trial no longer has to do double compliances even though they would undoubtedly be out of their home territory.**

### Canine Health Committee:

Over 140 breeds contributed over 10,000 blood samples. Other organizations are looking to get samples from AKC. It is felt that if they obtain samples from AKC, then they must contribute to the cost. CHIC for cancer research is looking to increase their data base.

On the 2010 grant cycles researchers can apply online. 90 proposals have been received and they will pick the best from them. Unfortunately they cannot fund them all. For \$200, clubs can become members of the Canine Health Foundation. The number of genetic diseases that have been investigated is 18. The genetic research grants that this program has paid for is over \$800,000. A donation does not have to be large. The Committee suggested breeders take \$5.00 from each puppy they sell.

It was discussed with the Health Committee that health titles be added to the dog. The Committee suggested that breed clubs do independently. If the titles are given, who has the responsibility if the pup has a problem? The Committee felt would cause the animal rights groups add more things to the list of legal compliances.

### Crop and Dock:

The bill in New York has not moved because a Bill Of Particulars must be files and it has not been to date. The Agricultural Committee has control. California had a law passed about not docking tails of cows. If this can be done with cows, it will only be a matter of time to incorporate the law for all animals. This political movement is not about the welfare of animals.

### Legislative Committee:

Sheila Goff, AKC Government Relations Department, advised that there were 950 State and Federal bills introduced last year. Of those, 700 are bills held over from last year. She went on to describe all the active fights in many of the states. Patti Strand, NAIA, advised that the purebred dogs are under attack from animal rights activists. Before that, it was agriculture – monkeys, spotted owls, flipper. PETA does not speak on actual animal welfare but on how to be an activist and marketing their cause. We can counter some of this by speaking to the AKC Canine Health Foundation and what they do.

Pet Finders is the biggest seller on the internet. The USA has the highest dog ownership in the world. AKC is the leader in promoting responsible dog ownership. We ALL need to promote AKC at every opportunity. Make sure every puppy you sell is registered. Information can be obtained from AKC. Also, visit the website of NAIA for more information and press releases.

### Delegate Meeting:

1. The vote on the proposed splitting of the groups has gone back to committee
2. The proposal to change Chapter 11, Section 6, of the Rules Applying to Dog Shows – Dog Show Entries ... eliminates the use of telegrams to change or cancel entries as telegrams are now obsolete.
3. The vote on the Duties and Responsibilities of Show Veterinarians has gone back to committee.
4. The first reading of Chapter 14, New Paragraph, of Field Trial Rules and Standard Procedures for Pointing Breeds ... establishing minimum standards for National Championship events. (This would not affect The American Brittany Club as we already have standards in place for our National Championship events.)

Respectfully submitted,  
Judith H. Tighe  
AKC Delegate for The American Brittany Club

June 2010 –

### All Breeds Committee:

It was recommended that clubs hand out either a green ribbon or cards that identify the dog has won Grand Champion points. On a card, the club could put their logo plus the date of the show. Clubs also need to train ring stewards. It will be the responsibility of the handler to check the tear sheets at the Superintendents table to see the points awarded. An ad slick is available with the Show Superintendents explaining the program. Show reps will also do exhibitor briefings during the show. Results will be posted online. At the Eukanuba Championship, all the Grand Champions will be listed and the date they finished.

Regarding AKC privileges, the wording is changed from losing the AKC privileges to has lost any AKC privileges. This is helpful to clubs in keeping persons as members.

### Field Trial and Hunting Test Committee:

Ken Marden reported that the AKC Gun Dog Championship held at Camp Robinson, NE, was a great success. The same GSP won both the Retrieving and Non-Retrieving stakes. It was the first time the same dog had won both stakes.

Doug Ljungren reported that entries to date were down 3.3%. This was mostly due to very bad weather in different parts of the country. The breakdown is as follows: Field Trials and Hunting Tests down 6%; Retriever trials down 5%; Beagles down 4% and Spaniels up 3%. Spinoni's have asked to have a water test for Senior and Master Hunter titles. This will go to AKC BOD and probably be instituted in January of 2011.

In Spaniel hunting tests, if you pass a higher level in the hunting test, you cannot go back to a lower category.

There is a new sporting breed coming in as of 1/1/11 – Drentsche Patrijshond (Drent) – retriever.

The committee continues to work on setting up a "mean seed" research program. A botanist, Wm Lavenroth, friend of a committee member, has offered to assist. He will work with the AKC Canine Health Foundation who felt this project was worthy of a grant that is figured to be a 3-6 month project. Fundraising to date for this research is \$6,300 which is in a 501c3 sub-fund of the Humane Fund. It is estimated that \$10,000 to \$15,000 is needed. **I would like to recommend the ABC Board of Directors consider a donation of at least \$2,000-\$1,500 to this fund designating it only be used for the "Mean Seeds Fund."** The program is also looking to a possible donation from Purina. There is a

copywritten article written by Cathy Lewis that we are obtaining permission to print in the different sporting dog breed magazines in order to obtain more case studies.

AKC will be making a presentation to the delegate body, September 2011, explaining field trials and hunting tests. They will be obtaining field video from all the different breeds, cut and splice together for the presentation. The Field Trial and Hunting Test Committee will go over the video before it is presented.

Some small breed specific events, AKC will now acknowledge the parent club's performance events that previously had just been acknowledged by the parent club, i.e. Bloodhound working certificate

#### **Legislative Caucus:**

It is advised that anyone who talks to Animal Rights people, be careful what you say as they will try to get us to say something detrimental, i.e. "yes, we have a problem with hips." Or "We have some breeders that don't take proper care of their puppies." AKC is now in the mode of creating materials teaching breeders/exhibitors how to handle such questions. There is a link on the right side of the AKC website – Canine Health resource which gives suggested responses. **It is suggested that clubs become members of the Canine Health Foundation by donating \$200.** The club will receive a banner from the Foundation to hang up at the club's specialty show where photo's can be taken and advertised showing the good the breed clubs do. Hint – this would be a compliance when the picture with a short write-up is put in a local newspaper.

A delegate reported that in Connecticut, the VMA elected a president of the association that does NOT like breeders and all and does not like purebred dogs. To combat the discrimination on a dog's appearance the vet students are taught, a breeder can advise what the dog was originally bred to do and the reasons for the dog's structure, coat, etc. They can educate the vet that they are preserving a heritage.

**There is a 2 page letter that can be used by all of us to print, sign and mail or hand to their personal veterinarians. I have attached this letter and recommend that it be printed in the ABC magazine with the recommendation that all members give it to their veterinarians. This letter is also on the NAIA website.**

#### **Delegate Meeting:**

AKC has a new Club Relations webpage. A club's By Laws can be sent in when amended. It has listed the AKC Code of Ethics. This website allows for an electronic

update of club officers and membership.

If a **club** suspends a person within the club, it does not affect AKC privileges.

Lisa Peterson, Director of Communications advised that clubs should have a disaster preparedness plan – an award can be handed out to clubs or persons that excel in this area. There is a form available that has questions regarding disaster preparedness.

This webpage also has club publicity tools. Clubs are encouraged to use the AKC logo. There is also a section on public education and school education.

The proposed amendment to Chapter 14, of Field Trial and Standard Procedure for Pointing Breeds – Rules for Pointing Breed Field Trials, which would add verbage establishing minimum standards for National Championship events was passed.

The following was read, printed in the GAZETTE and will be voted on at the September Delegate Meeting:

1. AKC's Charter and Bylaws, which would eliminate Board term limits.
2. Field Trial Rules and Standard Procedure for Dachshunds – Entry Requirements and Eligibility.
3. Field Trial Rules and Standard Procedure for Basset Hounds – Entry Requirements and Eligibility.
4. Beagle Field Trial Rules and Standard Procedure for Large Pack Field Trials – Entry Requirements and Eligibility.
5. Beagle Field Trial Rules and Standard Procedure for Small Pack Option and Two-Couple Pack Hunting Tests Field Trials – Entry Requirements and Eligibility.  
#2-#5 will specify a minimum age of 6 months.
6. Field Trial Rules and Standard Procedure for Dachshunds – Judges and Their Decisions – which would delete wording to allow officers of the club to judge.
7. Field Trial Rules and Standard Procedure for Basset Hounds – which would require clubs to retain entry forms for 1 year.

Respectfully submitted,  
Judith H. Tighe, AKC Delegate  
American Brittany Club

Dear Dr. \_\_\_\_\_

As a concerned pet owner, I am extremely worried that in just a few short years, I will no longer be able to enjoy life with my pets. Under the guise of "animal welfare," animal rights groups are systematically chipping away my right to own pets and enjoy the human-animal bond.

#### **There is a huge difference between Animal Welfare and Animal Rights.**

**Animal Welfare** is a philosophy that advocates that people who keep and utilize animals have a moral responsibility to assure their well-being, and to protect them from abuse and unnecessary suffering. **Animal Rights** is a philosophy that advocates animals should be viewed as legal persons, not property, and that they should not be used in any way.

Groups such as PETA (People for the Ethical Treatment of Animals) and HSUS (Humane Society of the United States, no direct affiliation with local humane societies) conduct major political lobbying at the state and federal levels and spend millions of dollars annually to promote their agenda and to elect candidates that favor their agenda. That agenda, while couched in terms of animal welfare, is, in many cases, designed to restrict and eliminate a pet owner's right to own animals.

#### **Eliminating the right to own pets will severely affect your veterinary practice...**

Animal Rights organizations spend millions of dollars a year lobbying politicians. Breed restrictions, early spay and neuter, crop and dock bans, are all examples of legislation which limits and eliminates pet ownership, community by community, state by state. These groups feel pet ownership, livestock, food animals, hunting, medical research, zoos, circuses, rodeos, horse shows, dog shows, cat shows, bird shows, guide dogs, service dogs, police dogs, and search and rescue dogs are all "exploitation" of animals and attempt to end them. They also chip away at the rights of pet owners and their veterinarians to determine the proper veterinary treatment of their pets' health and welfare.

Laws banning ear cropping, tail docking, debarking, declawing, or enforcing early spay and neuter protocols attempt to dictate how you practice medicine. These are surgical procedures that should be decided on a medical case by case basis in the best interest of the animal patient, between you, the veterinarian, and me, the pet owner - not a politician.

#### **I believe that veterinary medical decisions should be made by veterinarians and pet owners, not by politicians...**

Animal Rights groups encourage politicians to enact both drastic and seemingly insignificant changes to current legislation. They play to our emotional, not factual based decisions.

The "owner" vs. "guardian" issue is a perfect example. While on the surface, replacing the term "owner" with "guardian" in legislation seems to be innocuous, kind-hearted, and a gentler term to use, in reality, it takes away a pet owner's property rights to own, breed, and even provide veterinary care for their pet. Once a pet owner is deemed a "guardian," it opens the door for third parties to step in, on behalf of the pet, and override decisions made on behalf of the pet, including veterinary care.

Imagine having to get permission from not only the pet owner, but a third party "guardian" whenever you recommend a medical procedure. Imagine having your medical

protocol questioned in the local courts when a "guardian" decides to intercede and files an injunction on behalf of the pet to prohibit your recommended course of treatment.

Continuing to allow Animal Rights groups to influence local legislation is harmful to our rights as pet owners and your rights to determine how you practice veterinary medicine.

**This directly affects your ability to both practice veterinary medicine and earn a living. Without a pet population, veterinary medicine would be severely limited, if not totally destroyed.**

As a veterinarian, and a respected member of our community, your involvement is crucial in the fight against anti-pet legislation.

Two great sources of information on how to battle this type of legislation are the NAIA (National Animal Interest Alliance) and the American Kennel Club.

The **NAIA** ([www.naiaonline.org](http://www.naiaonline.org)) is an association of business, agricultural, scientific, and recreational interests dedicated to promoting animal welfare, supporting responsible animal use, and strengthening the bond between humans and animals. Their members are pet owners, dog and cat clubs, obedience clubs, and rescue groups, as well as breeders, trainers, veterinarians, research scientists, farmers, fishermen, hunters, and wildlife biologists. Through the NAIA and the NAIA Trust ([www.naiatrust.org](http://www.naiatrust.org)) whose mission is to promote the welfare of animals, strengthen the human-animal bond and safeguard the rights of responsible animal owners, enthusiasts and professionals through education, legislation and the courts. Their websites are filled with facts, figures, and sample talking points to help you become an expert advocate.

The **American Kennel Club (AKC) Government Relations Department** ([www.akc.org/canine\\_legislation](http://www.akc.org/canine_legislation)) is dedicated to protecting the rights of all dog owners, recognizing that advocacy works best when those who are directly affected by the legislation take the lead in working with policy makers. With 125 years of experience in the study and welfare of dogs, the AKC is a leading expert on responsible dog ownership, care, well-being, and public policy issues that pertain to dog ownership. The primary role of the AKC in the area of canine public policy is educational and informational. There is a wealth of information available to you to support the fight against anti-dog legislation.

Animal Rights legislation affects all of us that love our pets. Not only does it affect the pet owner, but the pet industry as a whole, including veterinary medicine, groomers, trainers, pet stores, and breeders.

We can't let the benefits of the human and animal bond be taken away from us. We must all work together to preserve our life with animals. As pet owners, we rely on you, our veterinarian, to be there for our pets' medical needs, and to counsel us on their health and well-being. We are already engaged in this battle with the Animal Rights groups. We need your help!

Grass roots efforts at the local level are what win the battles against this type legislation. Get involved. Go to your city or county commission meetings. Facts and figures coming from you, the veterinarian, create far greater impact than from pet owners alone. After all, most city commissioners, county commissioners, and legislators own pets, and trust their veterinarian. You are the expert on veterinary care. They will listen to you.

## MEMBERS OF THE AMERICAN BRITTANY CLUB

**Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.**

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

**THIS IS OUR CHANCE TO MAKE A DIFFERENCE!**
