### VOLUME LXII • NUMBER 11 • NOVEMBER 2010

### **Objective and Purpose:**

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

## **NEW WATCHDOG WEBSITE MONITORS HSUS**

On February 16, the Center for Consumer Freedom (CCF) announced the launch of HumaneWatch.org, a watchdog project dedicated to analyzing the activities of the Humane Society of The United States (HSUS). HumaneWatch will include a blog written by CCF's Director of Research, a growing document library, and a database capable of tracking the dozens of non-profit (and for-profit) organizations that make up HSUS' sprawling financial empire.

HSUS has become the animal rights industry's most powerful player, but it has avoided serious public scrutiny for years. HSUS raises nearly \$100 million annually from Americans who largely believe their donations filter down to local pet shelters and improve the lives of dogs and cats. But in 2008, less than one-half of one percent (0.5%) of HSUS' budget consisted of grants to actual hands-on "humane societies" that deal with the thankless task of sheltering unwanted pets. "Someone has to ask the hard questions about HSUS, and HumaneWatch will be a relentless source of useful information," said CCF Director of Research, David Martosko. "Nearly 1 million Americans donate money to HSUS every year. And most are completely unaware that they're bankrolling PETA-style propaganda, far-reaching anti-meat campaigns, a huge staff of lawyer, and bloated pension plans for HSUS executives."

(HSUS neither operates nor is legally affiliated with ANY pet shelters anywhere.)

Martosko continued: "Even the best charities can run off the rails, so it's no surprise the professional dog-watchers need their own watchdog. Donors to the HSUS deserve to know exactly how their money is being spent. HumaneWatch will create an open dialogue for farmers, scientists, fashion designers, entertainers, and countless Americans who love both their pets and their chicken sandwiches."

### THE LAST BOBWHITE, DAVE KENNEY'S OUTDOORS IN FACT AND FICTION

#### PAGES 70 – 71 (continued from last month)

That afternoon after we recovered our horses from John Wilder's runway, I was running Rusty in the amateur all age stake. For a day-and-a-half the club had been using a single course without dropping any birds on it, and it was taken for granted that no one would have bird work and the placements would be decided on liberated birds in a bird field. (Remember from last month that 75 birds had been killed by an errant dog.)

Rusty was running a good race and had been down about 25 of his allotted 30 minutes. His bracemate, a worthy little bitch named D-K's Freckle Dee, handled by Frances Diebold and owned by his son Dennis, had just taken an edge to the right while Rusty was on an edge to the front.

We saw him check, turn and come back two or three steps, then enter the thicket. When I reached that point and looked in, he stood solidly about 15 feet from the edge of the bean field he had been rimming. I called point. Ray Trimble, who was judging, and who had been looking at that birdless course for a day and two-thirds, said to me, "If you have birds there, I'll buy you a case of beer!"

It was a big covey Rusty was pointing, about 25 birds. Evidently they were coming from deep in the thicket for a mid-afternoon meal of soybeans. After they flew, with the dog watching them go, I led him out and turned him over to my scout, Harry, for release. After I climbed back on my horse, Ray said, "Don't lose him, now." He never has bought me that case of beer, but I have known many other kindnesses at his hands.

Rusty was declared the winner that day, but having no other dogs that had been seen on game, the judges called for work on liberated birds to determine the other placements. When that announcement was made the afternoon was well along. Harry and I sat in his truck waiting to hear the list of call-backs.

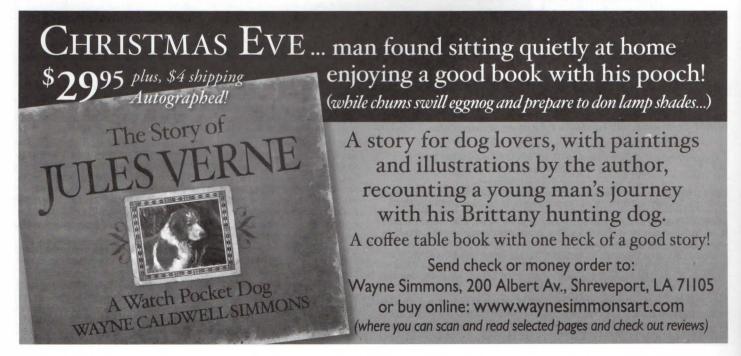

Three of the dogs that had run in the stake were called back, and one by one they slit their throats with errors on birds. Three more owners were told to be ready. Harry had not been called back with Hume's Mike at that stage and was somewhat miffed by it. The second three also failed to please the judges.

Harry declared to me that if he were called back at that point he would decline to appear. I talked him of that, and three more dogs were summoned—none of them Mike! Harry was full of wrath. Again I calmed him, and the third trio in turn failed to come up to the standard. I could tell that the judges were getting desperate, as dark was not far distant.

At last Mike's name was called. Harry led him out and released him. In only a minute or two he pointed momentarily, reached down in the grass, and came up with a bird, taking it carefully to Harry. The judges turned away in disappointment. One more dog had failed the test.

Harry turned the bird in his hand, took a second look and shouted, "It's a robin, judge, and robins don't count!" The judges turned back to him with rekindled hope. "That's right, " one said, "Robins don't count." Mike went on to handle a quail properly and was awarded second place.

Ever since, Harry and I have often made the best of a bad situation by one or the other of us declaring to the other that "Robins don't count!"

## ABC Summer Specialty Show July 10, 2010 • West Springfield, MA

This year's ABC Summer Specialty was held within the Yankee Classic Cluster July 7 through July 11 at the Eastern States Exposition (The Big E) in West Springfield, MA. There were three specialties and one supported entry for Brittanys in this cluster of five shows. The ABC Summer Specialty on July 10th, Southern New England Brittany Club Specialty on July 8th, and Northern New England Brittany Club Specialty on July 9th. Central New England Brittany Club offered a supported entry on Sunday July 11th.

It has been 13 years since the ABC Summer Specialty has been in New England and we were graced with the entries of many spectacular Brittanys. We actually got the highest breed entry on each day of the cluster with the Saturday ABC Specialty drawing a total entry of 123 Brittanys! The next highest entry that day was 65 Boxers. This says so much for our breed and the support we received with entries from across the country.

The ABC Summer Specialty Best of Breed winner, CH Willowick Talltean "Tally", went on to a Sporting Group One placement and then BEST IN SHOW....quite an achievement for any Brittany. Tally is owned and bred by Catherine Fitzgerald and handled by Kellie Miller.

That evening Central New England Brittany Club held a wonderful banquet at the Storrowton Tavern, on the historical area of the Big E grounds, which brought us back into Colonial times. It was a picture perfect setting for our event. We were lucky enough to be able to have Maidza van Deusen attend the show and the dinner. Maidza was 3rd Vice president of Central New England Brittany Club for many years and was show secretary for the very first Independent Specialty held in the East 50 years ago. CNEBC held that show on August 21, 1960. We also had a guest, Mike Powers, who brought with him some mementos of DC Brit of Bellows Falls the very first Dual Champion owned by CNEBC members Lucien and Eleanor Ufford. He was given these items by the Ufford family knowing how much their grandmother enjoyed Mike's visits and reminiscing with him about Brit and his accomplishments. These included the whistle Lucien used to train Brit as well as a couple of trophies and an album of original photos and newspaper articles. Maidza and Mike gave us an incredible flashback into Brittany history.

CNEBC congratulates all the winners in the cluster. Special thanks go out to all who attended as well as all club members who worked so hard to make this a memorable experience.

## 2009 Newly Elected Life Member: Leslie Andreas

I was born and raised in Minnesota. I am pretty sure my first full sentence spoken was, I want a dog. When my parents finally gave in, it was with one string attached. My dad got to chose the breed. Luckily for me, he was a pheasant hunter and nothing but a Brittany would do. That first dog arrived in 1967, and it would be a life changing event.

We already had connections to the world of competition. My dad hunted with a man named Ned Murphy, who field trialed a dog named Lance, who was the first Brittany I ever met. Late in Lance's life he was sold to Kansas to a man named Herb Rea. Herb will be holding a party at the Nationals this year, to honour his current field champion National Champion Prime Time Outlaw Johnnie. See how small our Brittany world is.

Soon, I had joined the Minnesota Brittany Club and began to compete in obedience trials first, then field trials and shows. I was too young to drive, my parents weren't interested in spending every weekend at doggy events, so I would hitch hike. My entry fees were paid by babysitting money. For some reason hitchhiking is the main thing anyone remembers about me. There was a lot of learning going on at all the events I went to, and at one particular Minnesota Brittany club trial in the spring of 1973, I was to see a dog by the name of Ban Dee that for me defined what a Brittany should be. A lot happened in 1973, I moved to Saskatchewan that summer with several Brittanys in tow, met Rick, and started my last year of high school in the fall. 1974 was even more eventful. I was now married, graduated from high school, had a daughter and bought a little liver and white puppy from Gene Spires in Kansas, upon the recommendation of an old friend Norm Boettcher. 1973 and 1974 were also the two years Ban Dee won the National Championship. I was now an official adult, with a driver's license, a job and a car! No more hitch hiking! (With the exceptions of emergencies of course.) I became involved with Brittanys in Canada mainly, where all breed field trials are the rule. I bred that little liver and white puppy to Ban Dee in 1976, and that first litter bred in Canada still figures in my breeding program today. As a breeder, I have been devoted to breeding a dual dog-and am proud to say I have bred 13 field champions, plus 65 show champions of which 9 became dual champions--some of these in Canada, some in the United States, but I am proud of all of them. I was awarded the Pedigree award for the most show champions bred in the inaugral year it was offered. Some of those field champion dogs

have hour wins in field trials, others have competed succesfully against the longtail dogs on the Canadian prairies, and some of those show champions won groups and specialties, but most of all, I have enjoyed the dogs who have lived out their lives with me, hunted hard for me each fall, and taught me so much! For many years I would only have a litter per year, but once my children grew up and left home, I have had more time and energy and have had an average of 2 or 3 litters a year. I enjoy keeping and starting puppies on wild birds in Saskatchewan, as well as continuing to field trial and show dogs. As a field trialer, I have had to travel a lot of miles to get to anything, but I have managed to do it. For many years Rick and I hosted a Canadian Kennel Club trial in Maple Creek, Saskatchewan which we did just about everything from paperwork and secretarial work, to obtaining and planting the birds. It was a labour of love, but ended when we had to move out of the area with Rick taking on a new career. (We moved back in 1994.) I have been involved in competing in field trials put

on by the American Kennel Club, Canadian Kennel Club and American Field. I have finished 7 field champions, some that I broke myself, and others that I had professional training on, but that I handled. I began judging in 1978, have judged many championships including ABC National Amateur All Age (2x), Region 14 Amateur Shooting Dog Championship, a couple of AKC Shorthair championships, Region 19 Amateur All Age Ch., Dakota Championship, Western Futurity, Prairie Provinces Open Pheasant Championship, and regional trials all over the United States and Canada. I was awarded Canada's Field Trial Judge of the Year, in 1995. (Must have gotten something right that year.) In 1997, I attended a field trial at Bonesteel, South Dakota and had so much fun that I joined the Ringneck Club. The next year I was given the job of field trial reporter for the ABC pheasant championship. I will forgive you some day, Kenny! Since then I have reported many major championships, including the Nationals (both Open and Amateur). Of all the jobs I have done, it is the most difficult, and I would rather clean the latrines at your trial, if you were thinking of offering me a job!

In 2002, I filmed a half hour show for OLN, for the Brittany chapter of the show A Dog's Life, with host Jameson Parker. They edited out the best parts, but it was still fun.

I was the breedlines columnist for Brittanys for Canada's main dog magazine, Dogs In Canada, for over 30 years, until the editorship went to an anti hunter and I pissed him off. Always did have a way with words. I also was a founding member of the Brittany Spaniel Club of Canada, and am still the director for Saskatchewan, since the only way out of a job in this club is resign or die. (1 did the club's newsletter for awhile- until I resigned since the other choice didn't appeal to me.) I served on the Canadian Kennel Club's Pointing Dog Council for about 10 years also as the director from Saskatchewan. I am proud to be a member of the newest club under the American Brittany Club's jurisdiction, the Montana Brittany Club, which has some great energy backing it. As some of you know, I have the wish that I might attend a field trial in every state of the nation before I die. I have been told that there are some states that do not have field trials, so I guess I will just have to live forever. I am halfway done now, I have been to trials in 25 different states. I have made friends all over North America, that have become like a big family. I even got my sister involved in trials, as far away from me as she lives. I will work on the grandchildren next.

### **ABC Hall of Fame Inductees** Ron Curtis (2009)

**Rosco Staton (2008)** 

Few individuals go through life known only by one name; Babe, Liberace, or Tiger are well known examples. In the Brittany world, "Rocso" is such a personality. Go to a field trial anywhere in the U.S. next weekend and chances are pretty good there'll be somebody there who knows "Rosco". Most of the time they will have an entertaining story to tell about the man.

Rosco was a tremendous amateur competitor. He and his beloved "Smokey" laid wast to all-age competition in both open and amateur stakes. When he decided to turn professional he retired Smoke so as not to be in competion with his clients. That was just the way he was. For over two decades he was a formidable foe and always a factor in most major championships. His career as a trainer reached its pinnacle when he brought son Kraig into the operation. Together they won all over the mid-west and capped their careers by winning two National Open All-Age Championships in three years with Aux Arc Marc and Bernie of the Brairpatch.

Rosco handled two Brittanys to the Hall of Famer Reed's Bonine Max and his own LeCar's White Smoke. He also bred Hall of Famer Scott's Gingerbread Lady

After his retirement Rosco didn't just walk away from the sport. He is one of the most sought after judges in the nation. He has judged Brittany Championships from coast to coast, traveling all over the country to give back to the sport he has always loved. Several times during the past 30 years he has personally underwritten financial commitments in order to assist Championships, associaitons or clubs who found themselves in difficulty.

Rosco represents the very fabric of the field trialing. His warm personality never meets a stranger be they veteran or newcomer. He is truly an outstanding ambassador for our breed and deserves to join Smokey, Max and Ginger in the Hall of Fame.

The 2009 inductee into the ABC HOF was Ron Curtis of Waterloo. NE. Ron passed away in June of 2010. He leaves his wife of over 50 years, Arlene, as well as a son and grandchildren.

Ron was a founding member of Mo-Valley Brittany Club, the Mid America Brittany Championship and served as Treasurer of the Mo Valley Club for over 30 years. Ron was also a long time member of the ABC Classic's Committee served as Field Trial Secretary for the ABC Chicken Classic for many years. Through his hard work and dedication to the All Age Brittany, the ABC Chicken Classic/Championship has become one of the two premier Brittany Championships we have today. His dog, DC/AFC Hi-Spirit Bazooka's Pistol is a member of both the ABC Hall of Fame and the Field Trial Hall of Fame, where Ron is also honored with a Field Trial Patron Plaque.

Many of you who knew Ron, knew that he had battled diabetes the past 30 years, and had been in severely declining health the past 3 years. Due to his failing health, members of the Mo-Valley and Nebraska Brittany Club presented his HOF plaque during the spring of this year.

#### FC/AFC Shady's Chik-N-Little (2008)

7/28/94 - 1/19/07 (NFC/AFC Hi Proof Rum Runner x DC French's Bedroom Attire) Breeder: Fred Kewell III Owners: Marilynne & Clem Little

Chikie was one of the top all age contenders in the Northwest and other areas all over the country. She was bred to run and grew up to be a powerful running bitch. With 47 total placements to her credit, 18 were firsts (1 for OP & 1 for OD & 16 for OAA & AAA). She won puppy & derby points when she was just 7 months old and at 13 months old, got 2nd place in her first Open All Age stake. She has 1 hour win, 5 hour placements, and placed fourth in the 1995 ABC Western Futurity. She had the reputation of always running a forward race, between "10:00 and 2:00", she would be lost to the front and found on point when the handler finally reached her. Her performances running the rims of the high Idaho mountains and the Nevada Red Rock mountains were awesome to witness! She competed in the ABC National Open All Age Championship from the time she was 18 months old until she was 8 years old. She retired at 8 years old due to losing part of her lung to a weed seed.

During her career, Chikie took time out to produce 6 litters by 4 different sires, passing on her wonderful disposition, smiling eyes and forward run to her puppies. Due to the success her progeny had, she became known as a "Blue Hen" producer. Her most notable progeny carrying on her legacy are, NFC/R-U NAFC/DC/AFC/5 x American Fld CH Shady's Tia Maria 52 Firsts, 100 placements, 14 hour Firsts, 20 hour placements and the youngest Dual Champion in Brittany history) and FC/2 x American Fld CH/2 x RU CH Tequila Joker's Jose Cuervo (79 placements, 3 hour firsts, 5 hour R-U wins, & 13 hour placements). To date Shady's Chik-N-Little has produced: 1 National Field Champions, 4 Runner-Up American Field Champions, 12 one-hour winners with a total of 63 one-hour placements, 12 Field Champions, 3 Amateur Field Champions, 1 Dual Champion, 2 Show Champions, 28 field winners with 525 total placements.

She is the grand-dam of 3 Field Champions, 2 Amateur Field Champions, 2 Show Champions, 23 field winners with 189 total placements.

#### 2xNFC/FC/AFC Diamond Hill Dan (2008)

### BUCKEYE August 1, 2010 Marion, OH

The Buckeye Brittany club held its annual specialty show with the Marion Kennel Club on August 1, 2010. This was a change of date and affiliation with all-breed club but the change seemed to go over well with a very good entry of Brittanys. After showing was done many of our exhibitors and spectators joined club members for a luncheon and social time. Thank you to all who supported our show and hope to see you next year!

#### PENNSYLVANIA August 7, 2010 Canfield, OH

We were fortunate to have beautiful weather with low humidity, a rarity for this early August show in eastern Ohio! Thank you to Judy Cohen for judging our sweepstakes this year. She had a quality entry of 13 young Brittanys this year. Best in Sweepstakes went the winner of the 12-18 month Dog class, Wild Mtn's Absolutely Justified. This beautiful young male is bred by Helen and Brian Riggle and Linda McCartney-Roy and owned by Helen Riggle and Barbara Sanders. Powder River's Angel Wings went Best of Opposite out of a tough 6-9 months puppy bitch class. Our regular class judge, Mr Charles Olvis had his hands full with a quality entry of 35 nice Brittanys to judge on this sunny day. Best of Breed was GCH Magic Read My Lips, owned by Karen Hanson, Brian Hultgren and Nichole Otterson and beautifully handled by Gina Currier. Gina and "George" went on to Group 4 that afternoon! Congratulations!

Donmars Got Attitude took the nod for Best of winners.

Best of opposite went to GCH Sandbar's There's Only One Call, owned by Robert, Carolyn and Polly West and shown by Clint Livingston.

Thanks to all our club members who pitched in to help with the nice hospitality lunch and get together after the show.

Pennsylvania Brittany club is hosting the 2011 Eastern Futurity this spring and our specialty show will be held in conjunction with the futurity show on Monday, May 9th. The show site is a beautiful new Fire Hall in Harrisville, Pa, a short drive from our club grounds where the field events will be held on Tuesday, May 10th. This looks to be a fun filled event starting with Pennsylvania Brittany Club Spring field trial on May 7th and 8th. Hope to see everyone there!

## East Coast

### HUDSON VALLEY Lost Pond **Oxford**, NY April 30 - May 2, 2010

The Hudson Valley Brittany Club spring trial was held in conjunction with the 2010 Eastern Futurity. We had some very competitive stakes, got some dogs gualified for nationals, and the girls ruled!! Six of the eight stakes we ran were won by the girls.

We'd like to thank all of the people who made this a successful 4-day event, starting with the Futurity show and HVBC specialty folks, Tony & Nancy Morabito. They also always come and help at the field trial. Thanks to Linda and Drew Holcomb for keeping the stove going; John Kozlowski and Zachary Kostka for bird-planting and road-guarding; Ed Kostka for fulfilling his chairman roll by keeping the trial moving and running the dog truck. But, most of all, we'd like to thank all of our judges and participants. We had many new folks come. Some came and stayed because of the futurity and others to check out the grounds. The weather was extremely windy at first, but after two days, it died down, and then we had unexpected 85 degree weather on Saturday and Sunday. Fortunately, there is plenty of water on the courses for the dogs, and Saturday night happy hour had plenty of fluids for their two-legged companions, including mint juleps in celebration of the Kentucky Derby. We sure hope everyone had a good time.

#### **Northern New England** Hill Village, NH May 15-16, 2010

NNEBC held its annual spring field trial on May 15th and 16th at historic old Hill Village, NH. These grounds have been used by NNEBC the past 10+ years through permits issued by the Army Corp of Engineers and the NH Dept. of Recreation and Development. This 1,500 acre flood control site has its habitat managed by the NH Dept. of Fish and Game. NNEBC annually supplements the mowing program to keep the courses and fields in fine shape for all outdoor enthusiasts that use this beautiful site up against the Pemmigewasett River in Central, NH. Early succession habitat is managed for all wildlife species in this bottomland. We had beautiful weather for the trial this year with temps in the 70's and some gusty wind at times. The south course used by the trial for several Amateur stakes provided some nice cover dog action with several Woodcock and Grouse flushes both days. The north course runs up against the river with some large open fields with tree-lined windbreaks and shrub islands being encountered. This course lets the dogs really stretch out and provided great visibility for the judges. NNEBC would like to thank all the judges for their thoughtful eye throughout the two days. We are grateful for their service to the sport.

Judges this year where Mike Ernest, Tom Mercier, Rich Murphy, Allen Welch, Lynda Zartarian, Dennis Harkcom, Ann Marie Tschirsh, David Tschirsh, George Doyle, Jeff Smith, Michelle Sala, Maria Battaglia, Tania Lewandowski and Craig Morroco. We had an ample amount of entries with our OGD running 16 braces on Saturday.

Folks from all over the Northeast and the Canadian Maritimes came to join in the action. We had several Setter and GSP enthusiasts join in and we appreciated their entries.

Special thanks go out to the folks that go above and beyond for the club, keeping this trial organized and moving forward each year. All of us want to thank trial secretary Mike Blondin and his wife Debbie for keeping all the paperwork straight. Trial Chairman Keith Madden works with the departments noted above and with ADC to obtain the necessary permits and judges for this trial. Line marshals every year for as long as I can remember David and Joan Hayes keep the braces moving. Bird planters Steve Belletti and Dan Godbout pitched in Sunday on the south course and we thank them for their effort. Thanks also to John and Rita Poland for handling the grill duties and the joke menu.

Our happy hour Saturday as always was a hoot, with some folks announcing their retirement from the working class. We are very happy for them and wish them fun in the future. NNEBC hopes everyone enjoyed, and as always, see you next year. Submitted by Arthur Hembrough

### Southern New England Walking Trial Arcadia Field Trial Area Exeter. RI May 29-30, 2010

The Southern New England Brittany Club ran its annual walking trial at the Arcadia Field Trial Area in Exeter, Rhode Island on Memorial Day weekend. This being the last trial of the spring season on the Brittany circuit, we had a large entry that filled the two days of running. The weather both days was clear and sunny. This venue, located in the middle of ten thousand acres of State Management area, is ideally suited for field trials especially for walking stakes. The entire trial area is located on a plateau and is almost completely flat which makes for easy walking conditions. The state of Rhode Island has recently built a large pavilion in the parking area and they have installed a state of the art restroom that is solar powered. A well for water supply has recently been drilled thanks to the generosity of Elias Richardson, a local field trialer.

Saturday evening the club provided a dinner for all of the participants at the pavilion. I want to thank all the club members who pitched in and helped make this a smooth-running event. We hope everyone enjoyed the trial and hope to see you again next year. **Bob Fleury**

#### Illinois **Two Paws Dog Training Club** May 1-2, 2010

Illinois Brittany Club held its annual walking trial on May 1-2, 2010 at the Two Paws Dog Training Club. This year, we were blessed with good weather for the running of the trial. The entries were down a bit, but the enthusiasm was very high. Congratulations to all of the winners in the trial. We would like to thank Purina for their continued support. We would also thank all of the judges who donate their time and expenses to make this trial a success. The proceeds from this trial support many of the mid-west Brittany championships that are not able to stand on their own.

I would like to thank Jim and Janet Chase for organizing everything.

#### St. Croix Valley **Crow Hassen Park Reserve** Rogers, MN May 7-9, 2010

The St. Croix Valley Brittany Club held its annual spring trial May 7th-9th at Crow Hassen Park Reserve near Rogers, Minnesota, This year the trial started out with temperatures in the mid 40's with steady showers all day Friday. The seasoned All Age and Limited Gun Dog proved their experience running strong and finding birds.

Saturday we woke to strong winds with parting clouds throughout the day. The puppies expressed new found freedoms by running in more than one brace. The scouts finally reeled them in so the Open Gun Dogs could take to the course. Steady breezes and dry conditions gave the judges plenty to choose from. Saturday wound down with a cookout on the grounds for all in attendance. Temperatures dropped to the low 30's while handlers bench-raced around the campfire.

Sunday had clear skies and mild winds. Derby dogs showed we have a bright future in the adult stakes. By mid day the sun had warmed and prairie grasses had dried out. The walking gun dog handlers kept a brisk pace to keep up. A steady breeze had the gun dogs running wide and strong. Most dogs had multiple bird finds.

We would like to thank our field trial chairman Steve Ralph for assembling the judges and keeping the ship afloat. Thanks to our judges: Scott Jordean, Dan Voss, Ken Windom and Bruce Heiter for time spent saddled in the rain. Judges Kendall Brown, Bret Lindback, Dan Erickson, Bob Burchett and Mark Ritter for judging our trial. Dog wagon crew John Lindback, Steve Ralph and Dave Carlson for getting all of the dogs up to the line. Denise Koslowski, Susan Januschka and Steve Ralph for bird planting. Eileen and Carlos Gust for hot lunches and Saturday's cookout. Eileen makes the best sticky buns. Thanks to pro handlers Bob Burchett, Greg Dixon and Matt Eder for bringing their clients' dogs here to run. Big thanks to the many local handlers that came out to trial this year. We had one of the largest turnouts for amateur dog handlers in recent years. Great weather and large turnout made this one of the more enjoyable trials we have had.

See everyone next year!! Brian Lange, FTS

#### St. Croix Valley Walking Trial Four Brooks Wildlife **Management Area** Milaca, MN June 5-6, 2010

In spite of the off and on rain throughout the weekend, it was good weather for running dogs. Thomas Swanson, a junior handler ran his dog for the first time and placed him in the puppy stake. A special thanks goes out to the cooks: Eileen and Carlos Gust and Dave Carlson, the bird planters; Steve Ralph, Bret Lindback and Denise Koslowski, getting handlers and dogs to the breakaway line and clean up; Brian Lange and Dave Carlson, and to the judges: Sue and Bruce Mueller, Charlie Aspenson, and Carl Olson. Due to club members pitching in wherever they were needed, everything ran as smooth as possible.

#### by Tracy Haines

We were lucky this year that the rain came AFTER we finished our annual club sponsored steak dinner Saturday night. The chef, Jack Haines, put together a splendid dinner of steak, potatoes, beans & watermelon that was enjoyed by all 35+ attendees. This dinner is always held to thanks all those who participate, work at &/or judge our trials. It is not enough thanks, but we hope to let them all know that we appreciate them all.

We were also able to enjoy a happy hour hosted by Colorado's own Mike Patrick, owner/breeder of the 2010 winner of BOTH the Retrieving & Non-Retrieving AKC Pointing Breed Gun Dog Nationals. Thanks Mike — and congratulations again on two wonderful wins with 2xNGDC/FC Slicks Cuttin Wild. I'm just sorry that Joker was a bit under the weather and unable to compete in this weekend's trial.

The all breed Open & Amateur Gun Dog entries included many AKC, NFC and NAFC winners, which made for very competitive stakes. The Open Gun Dog winner, FC Light-Em-Up Luke, a Brittany owned by Dave Klein, handled by Ben Garcia, is now a new AKC FC, finishing with 3 AKC major wins. The Amateur Gun Dog winner, FC Windtuck Winter Jazz, a Brittany owned and handled by Corey Ling, has a good start towards her AFC. Our Open & Amateur All-Age stakes were both major stakes and hotly contested. FC/AFC Just Wait Bess, o/h Tracy (& Jack) Haines, was the winner of the AAA, FC/AFC Kurzhaars Morelands Rock, o/h John Moreland won the OAA.

We are very proud of the fact that we receive many comments about how pleasant, laid back and fun our trials are. It's all because of the great people we have who enter, judge and support our trials. Thanks again to you all. Have a wonderful summer and we'll see you again next fall!

## MEMBERS OF THE AMERICAN BRITTANY CLUB

### Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

### THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

# American Brittany Club Futurities

- American Brittany Futurities shall be open to every purebred Brittany bitch and her progeny whelped during the calendar year of January 1 - December 31 and whose litters have been enrolled with The American Brittany Club.
- Bitch must be owned or leased by an American Brittany club member.
- All dams nominated and all sires bred to must be registered or eligible for registration.
- Nominations of dams must be made within 30 days after the bitches have whelped. A sum of \$30.00 must be paid at this time. This payment will entitle each puppy of this particular litter to be entered in the ABC Futurities (Field and/or Bench) after the dog has been properly registered in a recognized stud book.
- Late litter nominations will be accepted with the following current fee schedule: Late fees are: \$30.00 for 31-60 days, \$60.00 for 61-90 days, and \$100.00 for any nomination received more than 90 days after whelping. No nominations will be accepted past 180 days of whelping. Additional late fees may be imposed from time to time by the ABC Board of Directors. The postmark will determine the fee for late nominations.

### G3<sup>®</sup>EXP<sup>®</sup> FIELD & PRO SERIES

Hank Hartnek –2009 President of The American Brittany Club

The New Tri-Tronics G3 EXP Field and Pro Series Product Lines are the latest evolution in e-collar technology. Featured is a new modernized transmitter design for increased performance and user compatibility.

Tri-Tronics has maintained all of the other proven features of the Field and Pro Series including excellent range, multi-dog compatibility, a variety of stim levels and modes, proprietary Quick Charge™ system for Transmitter & Receiver, no special jacks or plugs needed for charging, long lasting batteries, battery life indicators, easy access to all operating buttons, the 30 day money back guarantee, and a 2-year comprehensive warranty.

Of course, these new products retain the legendary Tri-Tronics ruggedness and reliability.

Rugged. Reliable. Proven."
