His breeding, your training/conditioning combined with high-quality nutrition have made this possible.

Give him the high-quality nutrition that helps keep him in the field when other dogs are heading for the truck. Feed what many top field trialers feed — Purina® Pro Plan® Performance Formula.

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

AKC LAUNCHES NEW BREEDER OF MERIT PROGRAM

Recognition Program Celebrates & Rewards Dedicated Breeders

New York, NY - The American Kennel Club® (AKC®) announced today the launch of the Breeder of Merit program, a new initiative designed to recognize AKC's core breeders.

"The Breeder of Merit program allows the American Kennel Club to celebrate our dedicated, passionate breeders who truly are the backbone of the sport and the foundation of our organization," said AKC's Chief Operating Officer John Lyons. "Our Breeders of Merit are committed to both improving their breed through health testing and selective breeding programs, and proving their breed through achievements in the show ring. They are special and will be emulated by new breeders entering the sport. Being a successful breeder in the Fancy does not come easy. Years of hard work, vision, and a willingness to do the right thing are required to be successful. Our Breeders of Merit have these qualities and deserve to be recognized."

To achieve the Breeder of Merit designation, breeders should:

- Certify that applicable health screens are performed on the sire and dam as recommended by the Parent Club.
- Hold membership in an AKC club.
- Have a history of at least 5 years involvement with AKC events.
- Earn Conformation, Companion and/or Performance titles on at least 4 dogs they have bred/co-bred.
- Demonstrate their commitment to ensuring 100% of the puppies they produce are AKC registered.

As part of the Breeder of Merit program, breeders will receive:

- Complimentary access to \$20.00 value per month for free online reports in the AKC online store.
- Access to the AKC Direct toll free number.
- Online Record support to ensure that their records are accurate, complete and easily accessible.
- A frameable certificate of distinction.
- Free Online Breeder Classified listings along with a special Breeder of Merit designation.
- Acknowledgement on a special page of the AKC website and in the AKC Gazette.
- Free or discounted fees on all secondary transactions such as duplicate registration applications, revoke limited status applications, etc.
- Breeder of Merit web banner for display on their website.
- Breeder of Merit lapel pin.
- Breeder of Merit designation and gold border on registration applications and certificates for dogs bred by the Breeder of Merit.

There are many easy registration options available to the Breeder of Merit, including Full Litter, Full Litter Offspring, Full Litter PLUS and Full Litter Offspring PLUS. Learn more at <http://www.akc.org/sixeasyways/>.

On another occasion Harry Wirth and I went together to the Volunteer trial, trailering his two horses, Ted and Walker. We arrived in Somerville about midnight Friday and left the horses standing in the trailer until morning.

After a pleasant day at the field trial grounds on Saturday, we decided to leave Ted and Walker there so that they could be comfortable and stretch their legs as they pleased during the night. There was no barn space associated with the Volunteer Club and we had to improvise.

The Longtown horse show arena was a totally fenced space with a wide gate at each end. We looked it over and decided that our equine friends would be secure there. We scattered half-a-bale of hay for them, filled a large rubber water bucket, put grain in another, and left them munching away.

We had nothing to cause us to arrive early at the grounds the next morning. After a leisurely breakfast we made our way through the rural countryside of Longtown toward the show arena.

Arriving there, a glance revealed that the enclosure was empty, with one gate standing open. Our first thought was that the horses had been stolen. No man tracks seemed to be mixed with their in the soft earth at the point of their departure, however, so we scanned the countryside roundabout to spy the fugitives if we could.

Wiggins Wilder, M.D.'s brother John was a long-time member of the Tennessee legislature and lieutenant governor

of the state. His home was nearby; and also something we had not noticed in the semi-darkness of the evening before. It was a grass surfaced landing strip, complete with hanger, no doubt installed to facilitate John's official duties. To our dismay, we spied Ted and Walker grazing peacefully midway down the center of the landing strip. Late February can be a time in Tennessee when the ground is soft, as it was that day, and we could imagine the huge hoof prints they must be leaving behind in the lieutenant governor's landing field. We could almost hear the sirens shriek as state troopers swooped down to carry us off to prison.

We had no choice, however, but to try to drive the truants down toward their trailer. Recognizing a good thing when they saw it, they refused to be driven, circling around us and dashing to the far end of the strip before stopping to graze again. After we repeated that bit of action two or three times, we realized new strategy was in order.

We decided to drive Ted and Walker into the hanger and get a rope on each of them there. We managed to drive them through its broad door. There was a small airplane inside and they evaded us by circling around behind it and dashing outside to grass once more.

After that happened the second time, we were exhausted by our efforts and sheer frustration. As we leaned against the corner of the hanger, panting and gasping, Ted and Walker calmly trotted the length of the runway, off its far end and to their trailer. They were standing there eating hay from the bags hung on its sides when we reached them three minutes later.

Perhaps Lieutenant Governor Wilder never learned why his landings and takeoffs were so bumpy until the spring rains that year smoothed out the horse tracks in his backdoor landing strip.

Hunt Tests

Greater St. Louis Whetstone Creek Conservation Area Williamsburg, MO March 27-28, 2010

The Greater St. Louis Brittany Club held its Spring Hunt Test on March 27-28, 2010, at Whetstone Creek Conservation Area in Williamsburg, Missouri. We had a total of 30 starters, consisting of five different breeds. It was encouraging to meet several new participants. Entrants were from Missouri and Illinois. It was a bit colder than we humans would have liked, and very windy, but everyone had a great time, and we saw some good dog work.

Saturday morning started off with the Junior Hunters right away. We used a single course for the junior level, which we felt reflects more realistic hunting conditions. As the day progressed, the weather began to cooperate, and it warmed up a little. Sunday was even colder and windier than Saturday, but the dogs didn't seem to mind. We had nine dogs qualify on Saturday and eight dogs qualify on Sunday.

Thank you to the Hunt Test Committee, the judges, gunners, club members and all the entrants who helped make this event a success!

St. Croix Valley Kelley Farms Saint Croix, MN April 10-11, 2010

The St. Croix Valley Brittany Club held another successful Double Hunt Test weekend with the Twin Cities Vizsla Club.

Volunteers from both clubs worked together to share the labor and expenses. We coordinated and tested nearly 250 entries between the two clubs. On Saturday, the St. Croix Valley Brittany Club had 15 Brittans entered in the various testing levels. Although nine were entered in the Master Hunter level testing, all four that qualified were at the Junior hunter level. On Sunday, two of the 12 Brittans tested qualified.

Congratulations to Jim Heren, owner of Gwendolyn Girl Heren JH! This was his first time entering an AKC hunt test. Due to the double Hunt Test event, his dog was able to earn its Junior Hunter title in one weekend.

Sincerely,
Mary Tyson

The Iowa Brittany Club held its Spring Hunt Test on April 24-25, 2010 at the Steelclay Shooting Sports, LLC near Eddyville, Iowa. We had 26 starters on Saturday and 26 on Sunday. It was encouraging to see a number of new participants who had not been to one of our Hunt Tests previously, as well as participants returning to our venue. We had Brittans, German Shorthairs, and German Wirehairs participating.

Steelclay Shooting Sports, LLC was a new location for us last fall and again, special thanks to them for their hospitality and allowing us to use their property and clubhouse for our Spring Hunt Test. Thanks also to the judges, gunners, the Iowa Brittany Club Hunt Test Committee members, Club members and all the participants who helped to make this a successful event.

Laid To Rest

*In Loving Memory...Brooke's Mercedes
 January 25, 1995 — March 30, 2010*

*She picked us to be her family
 such a short time ago
 Watched her, a tiny bundle to a little devil, she
 grew you know
 One of life's little sponges into she grew
 Full of life, mischief, and love we knew
 She was our friend, our girl,
 and we loved her so
 Never won best of breed or show
 Never won a derby or agility points
 Never won best hunting dog praise
 Never will make the Hall of Fame
 No one but us will remember her name
 She was our champion*

*To us she's Hall of Fame
 More love she gave for us than we knew
 Such good times; oh away how they flew
 If only we could turn back time
 Sit and watch her again in her prime
 She now runs free over that Rainbow Bridge
 She won our hearts then broke them
 Only because she had to go
 Hopefully knowing we loved her so*

*Sadie.....till we meet again
 On the same side of that Rainbow Bridge
 by Jim Garrison*

Northern California

The Northern California Brittany Club held its Sweepstakes and Specialty in conjunction with the Contra Costa County Kennel Club at the legendary Woodstock Cluster's four days of shows. On the beautiful sunny morning, a smile was brought to Sweepstakes judge Erin Piercy as a light coastal breeze blew leaves across the ring enticing some puppies to give chase. Elliot Weiss judged the Specialty class competitions which provided majors for both sexes. All Sweepstakes entries earned toys and all Brittany's showing received a bag of healthy treats for competing. The club moved the event to Saturday and introduced our first "Breeders and Owners Showcase". Brittany enthusiasts and all breed show attendees enjoyed the opportunity to view pedigrees, photos, breeding histories and a video. Members socialized and celebrated their accomplishments at the brunch buffet held after classes at the Solano County Fairgrounds.

A special thanks to the many club members who assisted with preparations ringside and with hosting the buffet which made the event an overwhelming success.

**Northern New England
July 9, 2010

Submitted by Donna A Howe, VP
and Show Chairperson

Northern New England Brittany Club was delighted to host day number two of specialties leading up to the ABC Summer Specialty. An entry of 72 dogs from around the country found stiff competition here in the northeast. Mrs. Madeleine B. Fish used her practiced eye to find her Best in Puppy Sweepstakes out of a handsome group of twenty youngsters- MILLETTE'S SWEET MEMORIES was a lovely choice and Best of Opposite was CARROLLTON'S HIT ME WITH YOUR BEST SHOT.

Sweepstakes continued as Veterans were showcased to the appreciation of the crowd. Of the mature guys flying around the ring, the well-known "NITRO" lived up to his name and took Best.

A long day of judging followed with Mrs. Charlotte McGowan in full control of the ring. She pointed to PARADISE'S T'WAS THE NIGHT for the 4 point major which finished him. Reserve went to TNT'S BLAZING SHOSHONI SHAKE N' BAKE out of the Bred-by class. A perfect performance by owner/handler Peggy Aguiar and her lovely bitch resulted in the exciting 5 point major and Best of Winners for TRIUMPHANT'S ABSOLUTE EVEL. Consistent judging resulted in the choice of TRIUMPHANT ABSOLUTE LIBERTY OF KINSHIP for Reserve.

The daunting task of finding Best of Breed seemed to go on forever with almost thirty wonderful dogs in the ring, but the judge narrowed it down systematically to the veteran class winner NAGDC/DC/AFC TRIUMPHANT'S TO HOT TO HANDLE JH (Nitro) owned by Jeff & Gina Currier, who then went on to take a Group II, defeating 289 dogs. Best of Opposite went to another winning favorite, CH WILLOWICK TALLTEAN. Select Dog was CH FLASHFIRE' ABSOLUTE MCDREAMY owned by the Boyatzis and Select Bitch was CH MTN VIEW'S STAR CHASER to the delight of owner Barbara Goss who was able to attend the show and visit with old friends.

It was a great day for Britts and friends. It was wonderful to meet and greet people who rarely came to this part of the country and extend the traditional warm New England welcome to all. Hope they come back to visit soon. NNEBC appreciates their support of this show. Thanks are extended to all who helped make this day a success, especially Unda McCartney-Roy and her

sister, Peggy Aguiar and the support and co-operation of CNEBC and Kenilworth KC.

By Jeanne Telfare

On Saturday the weather went from pleasant and sunny in the morning to cold, windy and wet by the afternoon. Sunday featured sunshine and warmer temperatures. It was great for the people, but a little warm for the dogs.

We wish to give a big thanks to our judges and to everyone who helped in any way, big or small to make our trial a success. Special congratulations go to the Gulembos who, pending AKC approval, finished Ozzie's (Hi Point's Bet'n He'll Rock) Dual Championship with his win in Open All Age.

**Kentucky
 PA Brittany Club Grounds
 Polk, PA
 April 23-25, 2010**

By Ron Lisius

Failure to secure favorable dates that worked for the KBC, the ABC and the KY FT Association on the Berea, KY WMA has prompted the KBC to drift away from Berea. This is unfortunate, because the Berea WMA has always been a good place to hold Brittany trials. They had all of the proper facilities. Unfortunately, we did not have many KY Brittany folks. Most of the players had to drive 300/400 miles to get there and when we were stuck with February trial dates it wasn't always fun or safe. The last few years, housing developments have sprung up around the area and local traffic has become a serious safety threat to free-running dogs.

In 3/08 we managed to have a successful trial near Jackson, OH (on private land) by tying in with the Tri-State International Brittany trials, which drew several Brittany pros to the area. Unfortunately that arrangement was not available again, and we didn't hold a 2009 trial.

Killdeer Plains, OH was shut down last fall and a new Ohio FT Area (Tri-Valley WMA, just east of Dresden; about 60 miles east of Columbus) was being readied for use. We joined the Ohio FT Assoc. and got a late February date (Ohio does not do a February FT). At that point, KBC members Brian Hendrickson and Steve Rollyson decided to pursue holding a spring trial at the PA Brittany Club grounds. They worked out a plan that agreed with the ABC and PBC schedule, and we forged ahead. Brian and Steve volunteered to judge a Friday OLGD event and Brian would Chair the trial. However, since AKC does not allow a Trial Chairman to also judge, I volunteered to be Chairman as long as they did the work. Darlene became the FTS.

The PBC (PA Brittany Club) is unique in that they own and operate their own grounds (complete with an old house they have improved and remodeled into a comfortable clubhouse). They own 180 acres of partially wooded grounds. They are a very sociable group. Since the area is small, it only allows one stake to run at a time. This limits the entries to what daylight allows.

In the past, it was difficult to do a full 30 min course on horseback, but 15/20 minute juvenile stakes worked well. That has now been changed. Two years ago the club had the outer perimeter of the woods logged out and cleared to make an outer course about 200/300 feet wide. Now, by combining the outer and inner courses, they have an adequate 30-minute horseback course.

The outer course is still quite barren and needs improved cover but they are working at that. PBC member, Steve Tubach, appears to be the grounds

cover manager and many plantings are in progress. Within the next few years, the change should be significant.

That's how and why we got there, here is what happened:

On 4/14 Brian called to inform me that the quail he had reserved for the KBC (from an OH breeder) had gone astray and nobody knew of any available birds. We might have to cancel. Fortunately, Jimmy Johnson was able to procure enough birds through his GSP connections and we got birds. A very close call. Thank you very much, Jimmy.

Friday was a beautiful day around 50F. Not much activity in the clubhouse, both Hendrickson and Rollyson spent several hours judging an 18-dog 30 minute OLGD event; finished early enough to have run the OP's, but 3 of the 8 OP starters couldn't be there Friday. This gave Brian and Steve time to get on with their clubhouse duties. McCallister gleaned 1st & 2nd OLGD with his well-conditioned Britts fresh from wintering in the Georgia quail country. Of course, Delmar won the fine Alpha pistol for his win. Riggle and Tubach also scored.

The quiet afternoon provided time to pull the 150 foot deep submersible "water pump" to repair a damaged power cable. This was well-coordinated by the PBC's head electrician, Ed Lehosky, with ample assistance from 6 or 8 PBC members. The fix was fine, the club is fortunate to have Ed available. He even draws maps and checks TV antennas.

Saturday started in the 30s and warmed to 60. Riggle, Hendrickson & Cropek took the OP stake. The 14 dog OAA event was won by Jim Johnson's young female "Nealy" (also fresh from Georgia quail activity). Riggle, McCallister and Buckeye Burger also scored.

Brian, his wife Sherry, and Steve worked hard around the clubhouse Saturday and were joined later by Rick Crites (the turkey man) and his wife Nan who picked up the evening meal program. After the awards, we all shared a pot-luck dinner, and then Rollyson hosted a fun-raising raffle (McCallister was again the big winner). We wish to thank Steve for his efforts with the raffle, it was all his doing. We wish to thank Ross Young for his beautiful print and Mr. David Webb for his outstanding training books and another beautiful print. They made our raffle a huge success. We also want to thank Nan & Rick for their fine meal effort, which everyone enjoyed.

It rained lightly through the night, but Sunday started quietly, damp and cool, with a 10 dog OD event. Jim Johnson topped this with his Sonny dog. McClary, Hendrickson and Hempfield joined the winners.

The big 25 dog OGD event wound up our trial around 5:30 p.m. Just in time, the thunderstorm and the judges arrived at the clubhouse at the same time. It was all over but the shouting. Johnson's "Nealy" had won again (they say she's awesome). "Bear" handled by Chris Rider, was second, and Brian Riggle picked up the last 2 awards.

We want to thank all of our judges who did a fine job sorting things out, and last but not least, we thank "old timer" Larry McDonald who did a great job of bird planting with the aid of McClary's "iron-horse" (thanks Dennis). The judges were impressed, they said all of the braces had birds.

Last, but not least, we want to thank the PBC for providing us with a fine place to do our "thing". Hopefully we can do it again.

Thanks to all of the participants, and we hope to see you next time, (wherever that may be)!

Washington BLM Goose Butte Management Unit Ritzville, WA April 17-18, 2010

WBC's spring trial was one of three trials held in eight days, and many of us worker-bees are glad the trials have concluded! All three trials came off like clock-work, thanks to many Brittany enthusiasts from most of the Brittany Clubs in the Northwest and California. We proved once again by working together, we can accomplish most anything up here.

Between trials, one of the entertainment highlights

was a horseback ride down Crab Creek to search for a lost blank pistol. The Oregon contingency organized the Search & Retrieve Ride and left camp around noon on Friday with about a dozen riders. Their first stop was at a sign posted at the creek's edge identifying "Hammett's Crossing"! This was the spot Jim Hammett crossed the creek a year ago and his horse stepped in a deep hole. Both horse and rider went under water, getting them both soaked! The lost blank pistol wasn't found, but everyone had a good laugh about "Hammett's Crossing"!

Congratulations to new AFC Rose A Fire, owned by Mark & Connie Shearman and handled by Mark to her new AFC title.

A big thanks to everyone that helped make this trial a success and our judges who diligently did their jobs. Until fall trial season, good luck to everyone on the rest of the circuit.

Idaho Squaw Creek Recreation Area Marsing, ID April 24-25, 2010

Saturday morning broke with blue skies after a week of rain, but the Idaho spring winds were strong, making it difficult for everybody.

If you have ever been to one of our trials you will know how much the family atmosphere is enjoyed at our trials. This year we welcome back the Stanger family, they have moved back to Idaho. Brent, Trish and the kids helped so much around the trial, bird planting, helping at meals, and even breaking down after the trial was completed. A big thanks goes out

to the Stanger family.

We have, pending AKC approval, a new DC in the Brittany world; even sweeter, it's a club member. Larry Sandusky with Rubyridge's Megadot (Dot) won the Open Gun Dog stake with the major she needed to finish her FC. Congratulations Larry!

Thanks to all our Judges who spent long days in the saddle and even a scare when John Henderson's horse found a badger hole and went down, sending John scrambling. Thank goodness nobody was hurt.

Thank you everybody that helped at our trial. Without your help it wouldn't have been such a successful trial. We hope to see everybody in the fall.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

Full Membership cost is \$30.00 per year and \$3.00 per year for each Associate Member. Regional Clubs may charge higher dues. You may apply to join the Regional Club located nearest to you, or if there is none in your area, you may become a Member-at-Large of the American Brittany Club.
