VOLUME LXIII • NUMBER 2 • FEBRUARY 2011

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Crab Orchard Duke

“Do It Yourself” Dog to National Champion
pgs. 76 - 78

Ray Trimble jumped for joy when the results of the American Brittany Club's national open championship stake for 1963 were announced. It is no wonder that he did, for his prophetically named Crab Orchard Duke, now truly one of the Crab Orchard field trial grounds' royalty, had just been named the winner. Duke thus became a national champion and qualified for his field championship title at the same moment.

With this dual accomplishment Duke fulfilled all the hopes and dreams spun out for him over a six-year period by his owner-handler. As he did he presented the Brittany world with another convincing argument for the value of hunting experience in the making of a dog worthy of the title of national champion.

With his victory Duke also justified this observer's prediction of a year ago, in analyzing the triumph of Miller's Desert Dust in the same stake, when in looking ahead to the 1963 renewal, he wrote "when the last dog down has faced the hazards of Crab Orchard's dense thickets, extensive fields, and a bountiful supply of quail, chances are the winner will be a dog that learned to hunt its birds the hard way—before the gun, in big rugged country, in search of native covies." When the stake was over it was just such a dog, Crab Orchard Duke, that was the convincing winner, with his predecessor as national champion, Miller's Desert Dust, placed second in a field of 69 of the nation's best Brittanies.

Thus the true field dog banner was kept flying, for Duke, like Dusty, learned to hunt his birds wild and before the gun. His competence at finding and handling covies of quail was demonstrated well in the championship stake, where he showed perfect manners on birds on four occasions, with three bevs and a pair to his credit.

Two of Duke's three covies were found well out on a limb, the results of casts that a less experienced or less determined dog might not have undertaken. Duke showed talents that training had developed in him as well as had hunting under natural conditions.

Crab Orchard Duke was acquired by Ray Trimble from Lee Holman at five months of age in 1958. Lee took him to Canada the following summer, when he was just past a year old, but aside from that brief experience, Duke was fully trained and developed by Ray. Thus his well-deserved national championship title represents a goal and an inspiration for all amateurs who dare to dream of personally developing and handling their own dogs to major field trial victories.

During that summer on the prairie, Lee Holman recognized Duke's potential and advised his owners not to have him broken as a gun dog at that time, as they had intended, but instead just to let him run to his heart's content. The Trimbles were wise to take that advice. They let him run and hunt, and learn the ways of birds in the wild, how best to approach them, and the simple fact that no matter how hard it tried, a dog just could not catch one. When that idea had percolated in, Duke was ready for the gun.

Ray started killing quail and pheasant over Duke when the dog was a year and a half old. Hundreds of birds have fallen before the pair as they have hunted the thickets and cornfields of Illinois and Missouri during each succeeding hunting season. Ray firmly believed that in order to excel a field trial dog should be hunted.

Duke ran in few trials as puppy and derby and placed in none at all. When Ray was ready to break him to all age form, late in 1959, he had been hunted for two full seasons, he knew and loved the birds, and he was ready for a "college education."

Ray made Duke steady to wing and shot in a surprisingly short time—no more than two months—and had him ready for the Illinois Club trial in February of 1960. There he placed the dog third in the open stake, and an exciting field trial career had begun.

Never campaigned extensively, since work and family duties limited Ray's participation in trials, Duke totaled five placements in 1960 and added an equal number the following year. His first blue ribbon in a licensed trial came during 1961, in the Midwest Club's amateur stake.

Duke and Ray endured, during most of 1962, one of those unexplainable cold streaks that from time to time seem to plague the ablest field trial warriors. In trial after trial he went birdless, and it was not until the national amateur stake, late in the year, that he scored again, placing third in a field of 54.

Duke was not at that time eligible for the open championship stake, although the qualifying placement had barely eluded him. He had come close to the mark on several occasions, with three thirds and two fourths in open all age competition then to his credit.

Duke's national amateur placement in 1962 signaled the approach of his finest year. As many other great dogs do he either ran high in the money or completely out of it in 1963, and recorded two firsts and three seconds in large open stakes—with his second blue ribbon of the year coming in the national open championship. With that victory Duke walked away with all the marbles—national championship, field championship, and recognition at last as a great competitor.

When the spring trial season ended in 1964, Duke had been placed 18 times out of 45 entries over a period of four-and-a-half years—a lifetime average of .400 that even his fellow townsman Stan Musial might envy!

Closing Date for Nominations: March 1st

To be eligible, the dog must be dead. Date of death must be within the past 15 years. Nominees should be animals that knowledgeable breeders would look for in pedigrees when establishing or improving breeding programs. They should epitomize the dual ideal and during their lifetimes have achieved National recognition from Brittany fanciers for their show and trial (field and obedience) ability through successful competition on a multi-regional or National level, and/or that produced a high average of progeny from different dams or sires who were generally acknowledged as being of extra merit.

November 27, 2010

The Meeting Place, Booneville, Arkansas

Mary Jo Trimble, Executive Secretary

The meeting was called to order by President Hank Hartnek at 8:00 A.M. Directors in attendance: Ray Gorman, Lisa Pollock, Darlene Dow, Tom Robin, "Bo" Ackerman, Kent Patterson, Jim Brigham, Jim Chase, Ed Janulis, Bob Rankin, Mary Karbinger, Stan Truksa, John Henderson, Bob Wire. Absent was Bill Landress who did not attend any of the meeting.

The first order of business was to approve the minutes of the 2009 meeting.

Motion # 1: Motion by Rankin, Seconded by Henderson. I move to approve the minutes of the 2009 meeting as published in the Agenda Book. 14 yes votes. Landress Absent.

The first topic of discussion was judges education as the chair of that committee was present and needed to leave to attend the National Specialty Show.

Motion # 2: West Coast Director Bob Wire asked to table his action item/motion on Judges' Education and to send it to the committee for further discussion and to be brought back at a later date. 14 yes votes. Landress absent. Diana Kubitz, chair of the Judges' Education Committee discussed her action items as presented on page 52 of the Agenda Book. 14 yes votes, Landress absent. **Motion Passed.**

Motion # 3: Motion by Brigham, Seconded by Henderson: **I move to adopt Action Item # one page 52 of the Agenda Book which reads, we would like board approval of the revised application adding the #7 asking about information about field trials, hunt tests, hunting and feelings about the dual dog.** 14 yes votes. Landress Absent. **Motion Passed.**

Motion # 4: Motion by Rankin, Seconded by Brigham, **I move to accept Parts 1 & 2 of # 2, page 52, of the Agenda Book regarding mentors which reads, To add two categories that a rejection (of a mentor) might fall into. # 1. Insufficient Information: at which point the committee would advise the applicant about the information they require to make their decision. # 2: Does not meet the qualification at this time: at which point we would advise the applicant what needed to be accomplished to meet the criteria.** 14 yes votes, Landress absent. **Motion Passed.**

1st Vice President Tom White gave a report of the National Championship so far this year. Grounds are in great shape and much credit should be given to the Blue Mt. DNR staff for their hard work. New Culverts have been added. Course 2 is back to life. Open judge Jim Yates has had to cancel due to a medical reason. He will be replaced with Ken Chennoweth. With the lower entries, we will probably be in the red on expenses this year. We would like to find a way to increase the Open entries in order to bolster entries in the future. Statistician Mary Karbinger has worked with Nat. Field Trial Secretary Steve Ralph and they will present some of their findings this morning. We also looked at other ways to cut expenses. We could eliminate one of the three judges but I do not want to do that as it has worked well for us in the past. Nat. Field Trial Secretary Steve Ralph addressed the Board. Having both National Gun Dog and All Age Championships so close together has probably also been a contributing factor to declining entries in that people cannot take two vacations so close together. I am not suggesting any change, just pointing out that has another reason for declining entries. Steve then discussed numbers of entries in previous years compared to this year. The main emphasis was not to loosen open entries but to open the qualifications up to allowing dogs in very large 30 minute stakes to qualify. The numbers he proposed would have added 10 more qualified dogs. Eight of those handlers were new handlers to the sport. We need 60 entries to financially conduct the trial. With entries in the 40's we'll lose money. 75 dogs qualified for the Open Championship this year so we had about a 60 per cent entry rate.

Motion # 5: Motion by Ackerman, Seconded by Pollock. **I move to adopt Steve Ralph's proposal adding new parts to the Open Qualifications. They would read as follows: The National (Open All Age) Championship (Effective at close of entries for the 2010 National (Open All Age) Championship)**

Open to any Brittany six (six) months of age or over which in any preceding year, placed first in the National Open All Age Championship for Brittanys or which in the preceding year placed second, third or fourth in the National Open All Age Championship for Brittanys, or which during the period from the previous years close of entries to the current year closing of entries has two placements in an Open or Open Limited All Age Stake in a 13 to 19 dog stake in an AKC licensed trial held by a Brittany Club, one of which must be a 1st place, or which during the period from the previous years close of entries to the current year closing of entries has two placements, one of which is a 2nd in an Open All Age or Open Limited All Age Stake in a 20 to 24 dog stake in an AKC Licensed trial held by a Brittany Club and has an additional Open or Open Limited All Age placement in which 13 or more dogs started in an AKC Licensed trial held by a Brittany Club, or has placed in an Open All Age or Open Limited All Age Stake of 30 minutes in an AKC Licensed trial held by a Brittany Club in which the following (or more) dogs started: 1st place with 20 starters, 2nd place with 25 starters, 3rd place with 30 starters, or 4th place with 35 starters, or has placed in an Open All Age or Open Limited All Age Stake of one hour or more in an

AKC Licensed trial held by a Brittany Club in which the following dogs started: 1st place with 13 starters, 2nd place with 15 starters, 3rd place with 17 starters, or 4th place with 20 starters.

No dog may run in both the National All Age Championships and the National Gun Dog Championships in the same calendar year.

Any dog trained on the grounds chosen for the National Amateur All Age Championship within 30 days of the start of the National Amateur All Age Championship will be ineligible to compete.

9 yes votes, 3 no votes (Gorman, Janulis, Karbinger), Landress absent. **Motion Passed.**

Steve was asked to work on how this wording would affect the Amateur Qualifications and to come back to the meeting with revisions for the Amateur so they would coincide with the Open.

Motion # 6: Motion by Rankin, Seconded by Brigham. **I move to continue running the National Championship at Booneville the next three year.** 13 yes votes, 1 no vote (Janulis), Landress absent. **Motion Passed.**

Motion # 7: Motion by Brigham, Seconded by Henderson. **I move to seat new Board members Stan Truksa & Tom Robin retroactive to the beginning of the meeting.** 14 yes votes, Landress absent.

2nd Vice President, Judy Robin: A discussion took place regarding the approval of the Grand Canyon Field Trial Club as a recognized ABC Club. Hank read a letter from the Club Secretary which updated some of the information on the club's activities and financial status. Their application book for AKC was passed around.

Motion # 8: Motion by Rankin, Seconded by Wire. **I move to approve the Grand Canyon Field Trial Club as an ABC Club.** 14 yes votes, Landress absent. **Motion Passed.**

After a short break, the Board discussed more ways to reduce expenses of national events or bring in additional revenue. Mike Poehler was complimented for his raffle item at the Gun Dog Nationals. The ABC Raffle tickets should be out in August, way before the Gun Dog Nationals. The show is having its own raffle this year. Less items were donated to the raffle at the club house this year. Should all these raffles go to a joint fund as does the ABC raffle items or should each group do their own? The policy of coordinating all fund raisers through the raffle/auction chair was explained. The Board also discussed fees for judges' horses. Some national clubs pay and some don't. Our judges this year charged different amounts for their horses with quite a difference in dollar amounts. Do we need to set an amount and inform judges up front what we will pay? Mary Jo suggested that if the Gun Dog Nationals are going to order their own hats, then we should not be ordering Purina Hats for them as we are having hats left over and losing money. The President said he would ask the Chairmen and Committees to look into additional ways to save money. No motions resulted from this discussion.

The 3rd Vice President has submitted numerous changes to the duties of the 3rd Vice President in the Policy Book. Pres. Hartnek indicated he had gone over these changes with Chris and he was in agreement with them. Two additional classes have been added as acceptable by AKC. Chris will bring this before the Board prior to the Summer Specialty and any other class changes she may have.

Motion # 9: Motion by Patterson. Seconded by Gorman. **I move to accept the changes to the Policy Book suggested by the 3rd Vice President on pages 19-25 of the Agenda Book.** 14 yes votes. Landress absent. **Motion Passed.** Changes are underlined as follows:

DUTIES OF THE 3RD VICE PRESIDENT

1.(Per By-Laws adopted December 2, 1975, Art. VI, Sec. 6d): Shall assume the duties of the President in the event the President, 1st Vice President, or 2nd Vice President are absent or unable to perform the duties of such office. 1. Send the properly completed application for approval of judges, special events, disaster plans and other forms required for the National Specialty Show to the executive secretary for the signature of the executive secretary who will then forward the properly completed and signed applications to the proper department(s) of AKC. AKC must receive these forms no later than six months prior to the National Specialty Show.
 2. The 3rd Vice President is authorized to establish entry fees for the national specialty show subject to the approval of the board of directors one (1) year in advance of when a year is available from the time of the committee formation and the event. During transitions of the office one year is not available, only 4 months from transfer to application need to be filed with AKC. I would like to add to this section rather than as item #9 page 38 in the Policy Book.
 3. Neither the show nor judge can be advertised until AKC has approved such show and judge. Would like to revise to "May not be advertised but can be announced after a signed commitment letter is in hand with the show chairperson." This will allow ABC to begin coordinating site, hotel, photographer, videographer and other needed contracts.
 4. Coordinate with Executive Secretary, editor and field trial secretary for applicable advertisements, etc in the club magazine.
- H. A committee of three (3) people from each region is to be formed to get recommendations for judges for breed, obedience and sweepstakes classes.
1. The committee names should be printed in "The American Brittany" with a vote being taken or a vote within the committee. The top 5 of 6 names would be used to select judges.
 2. Any judge selected for the national specialty conformation competition would agree not to judge any Brittany classes within six (6) months prior to the national specialty show. No Brittany solely owned or co-owned by the judge may be exhibited at the national specialty show in any class or classes. (2006)
 - a. A short announcement will be placed in the magazine and on the club website with the names of the judges' selection committee along with their e-mail and mailing addresses. The announcement will advise all ABC members that they can submit proposed judges' names to members of the committee. All names submitted must have a brief statement of the person's qualifications for judging at the national specialty show. (Delete as redundant since this is done by the committee when nominations are brought down to 10)
 - b. A separate committee of people who compete in obedience and/or rally shall nominate judges for the national specialty show in these areas. Names of judges for obedience and rally must be able to judge both. The procedure for selection shall be the same as indicated in item d below.
 - c. A separate committee of people who compete in agility shall nominate judges for the national specialty show in agility. The procedure for selection shall be the same as indicated in item d below.
 - d. After the deadline for submission as set by the show chairman, committee members will send to the show chairman a list of ten (10) proposed judges along with qualification statements. The show chairman shall compile a list of the top ten judges (meaning named most often by the committee members) and send the resulting list along with qualification statements for those ten to the committee members for "ranking" from one to ten, with one being the most preferred. After these ranking lists are returned to the show chairman, the show chairman will compile a final list according to the rankings submitted by the committee members. The judge most preferred will be contacted for the proper judging assignment. If that judge is not available for the year proposed, the show chairman shall ask if the next year is available.
 - e. After the judges are approved by the AKC, the national show chairman will announce their judging assignment in the magazine and one the website along with a short biography and picture of each judge (if provided by the magazine deadline).
 3. Any judge selected for the national specialty sweepstakes competition would agree not to judge any Brittany classes within four (4) months prior to the National Specialty Show. No Brittany solely owned or co-owned by the sweepstakes judge may be exhibited at the national specialty show in any class or classes. (2006) (Like to add "A dog owned or co-owned may be shown in classes where winners do not compete for Best of Breed, but not in any sweepstakes class." These would be Stud Dog and Brood Bitch classes.
 4. No Breed or Sweepstakes judge will be allowed to judge more than once within a ten (10) year period, at the national specialty show in the same capacity. (i.e. a judge hired to do sweepstakes shall not be hired for a 10 year period to judge sweepstakes, but could be hired for conformation, obedience, rally and/or agility and vice versa.) (2006) I would like to exclude this requirement for Obedience & Rally & Agility, as these are performance events.
 5. The show chairman may select judges three (3) years in advance of the national specialty show in order to be able to have well-qualified judges available and under contract.
- I. The 3rd Vice President shall then send a contract of acceptance of the judging assignment to the selected judges for their signatures prior to sending the applications to the executive secretary and shall retain the signed copies in the show files.
- J. Coordinate with the show secretary or superintendent to arrange for printing of premium lists and catalogs, distribution of premium lists, receipt of entries. Show superintendents have been printing the premium the last few years.

- O. Select a photographer for the national specialty show, and arrange for the proper photographs to be taken. Follow up with photographer to be sure pictures are sent to the magazine. Select a reporter for the show and check to be sure a write-up is sent to the editor. Arrange with the official photographer to furnish a picture of BOB to the AKC for publication in the "AKC GAZETTE" in "Spot Lighting the Shows". (This is free if AKC receives it in a timely manner and should be utilized by the ABC in advertising the winner of the national specialty show.
- P. Coordinate with the show chairman that arrangements have been made for his committee, or other people, to set up the show ring, then dismantle it at the conclusion of the show.
- Q. Coordinate with the ABC treasurer, as required, for payment of judge's expense, site rental, etc; if independent financial records are being kept by the show committee, insure that detailed financial statement is forwarded to the ABC treasurer within thirty (30) days following such show.
- R. The 3rd Vice President (Show Chairman) shall appoint the following coordinators for the National Specialty Show: Obedience/Rally, Auction/Raffle, Chief Ring Steward, Specialty Trophies, Booths, Hospitality, Equipment and Set-up, Ribbons, Juniors, Agility (when offered by ABC at the National Specialty). [These coordinators in no way replace the National Committee Chairman appointed by the ABC President.
3. Coordinate with the managing editor, "The American Brittany" that appropriate write-ups and photographs appear for the national specialty show, summer specialty show and all regional club specialty shows; coordinate with regional clubs that hold specialty shows to insure appropriate publicity through write-ups and photographs. (Delete)
4. Aid, assist, and encourage regional clubs to establish and hold specialty shows under rules and procedures of the AKC.
- It is recommended the following numbering sequence be corrected. I have however left them the same for easier reference.
6. Give appropriate guidance and counsel to all committee chairmen and committees that in part, or wholly, deal in affairs pertinent to the office of the 3rd Vice president.
- A. Breed Standards Committee
 - B. Trophy Committee
7. With respect to both the national specialty and the summer specialty shows' information to be provided by the chairperson of that event and copied to the 3rd VP (change), prepare and promptly deliver to the ABC Executive Secretary and the ABC executive secretary a show catalogue appropriately marked to reflect the results of each such show.
8. If possible the national specialty show be given its own day between the national open championship and the national amateur.
- It has been recommended item #9 be included in section G 2 above.
10. The show committee shall have the authority to name the classes covered by trophies and the number of trophies in each class for the national specialty show. The trophy committee shall be responsible for the actual selection of the trophies. (1973)
11. Any acknowledgments, awards, commemoration, commendations, declarations, salutations, or other documents, gifts, prizes, donations or trophies, when issued or presented in the name of The American Brittany Club and requiring authenticating signature, only bear the signature of the President, Executive Secretary or Secretary of the ABC, or with the knowledge, direction and concurrence of the President, Executive Secretary or Secretary, the signature of that other Officer under whose jurisdiction such matter is issued and distributed. (1977) I think some of this could be empowered back to the 3rd VP. This is requiring redundant work. (No specific action was taken to modify this suggestion. It would entail several changes throughout the policy book. Mary Jo Trimble, Sec.)
12. The 3rd Vice President may employ the services of a professional show secretary or superintendent upon approval by the president and notification to the board. (1984)

Notification is not required when a current contract is in place.

13. Submit a report of your activities and recommendations to the agenda chairman in advance of the annual board meeting. This must be done far enough in advance so the agenda chairman can have the agenda in the hands of the directors 6 weeks prior to the annual meeting. (1992)

14. Officers shall be reimbursed for telephone and postage expense when bills are presented, subject to presidential approval, to be paid by the treasurer.

15. The 3rd Vice President shall submit an annual budget to the board of directors for consideration and approval at the annual meeting for the next annual event. This is not possible during transitional years when a new 3rd Vice President is elected because the new 3rd Vice president does not take over until January 1st of that year. I would like to add "or by e-mail vote during those years when a new 3rd Vice president is taking over."

16. At the National Specialty Show and the Summer Specialty Show the following classes are required: Field Trial Class (dogs and bitches), Stud Dog Class, Brood Bitch Class and Veterans Class (dogs and bitches). (11/93) I would like to add "Additional Classes to be considered are Best Junior, High Scoring Brittany (when Obedience is available) and Hunt Test Classes at the Summer Specialty.

17. At the National Specialty Show and the Summer Specialty Show, the following classes are required: Field Trial Classes (dogs and bitches), Stud Dog Class, Brood Bitch Class, Veterans classes (dogs and bitches). This sentence should be deleted as it is redundant to item #16 above.

At the National Specialty Show ONLY the following additional classes are required: Dual Champion Classes and National Qualifier classes. Qualifications for Field Trial classes shall be one field trial placement during the immediate past year, I would like to add "from the date of closing of the Specialty year prior to the current National Specialty Show" or be a Field Champion, an Amateur Field Champion or Dual Champion of record with AKC. Qualifications for Dual Champion Classes shall be Dual Champion of record with AKC, I would like to add "the Show, Field or Amateur Championship date must be included on the premium." Qualifications for National Qualifiers classes shall be limited to dogs and bitches who have qualified to run in the American Brittany Club National Open Gun Dog Championship field trial, American Brittany Club National Amateur Gun Dog Championship field trial, American Brittany Club National Amateur All-Age Championship Field Trial, and the American Brittany Club Open All-Age Championship field trial for the current and preceding years only. Dogs and bitches who qualify after The show's closing date will be eligible to show the next year only and those that qualify prior to the closing date shall be eligible for that current year and the following year. Dogs and bitches only have to be qualified to run in the National Field Trial events, not actually compete. Dogs and bitches placing first in the Field Trial classes, Dual Champion classes and National Qualifiers classes shall be eligible to compete in the Best of Breed competition.

18. Regional club shows shall conform to the National Specialty requirements with regard to offering field trial classes. They are not required to offer stud dog and brood bitch classes. Regional clubs are not permitted to offer Dual Champion or National Qualifier classes.

19. The 3rd Vice President may select judges three (3) years in advance of the national specialty show in order to acquire our top show judges.

20. The premium list for obedience exhibitors should state: Refund of entry fees for bitches in obedience that come into season after the closing date of this show may be obtained by sending veterinarian's certificate to the show secretary. This certificate must be postmarked before the opening day of the show or given to the show secretary before the start of the show. I would like to add "Move ups are allowed."

21. The trophy committee shall accept donations for the show and obedience classes by individuals, breeders, and/or kennels. Donations for rotating trophy/trophies for Best of Breed and Best of Opposite Sex shall be accepted. (1995)

22. The show site selection must be approved by the ABC board of directors. (1996) The 3rd Vice President should present to the Board of Directors as part of their Agenda Report each year the proposed show site for the next two (2) years. (2008)

23. The board approved a trophy offered by Becky Rao for competition at its annual National Specialty Show only, the Becky Rao Trophy to be awarded at the national specialty show each year to the Best of Breed winner. For permanent possession, it must be won three (3) times by the same owner, not necessarily with the same dog, nor at consecutive shows. The name of the winning dog will be engraved on the trophy. The trophy is to be maintained by the current recipient until the next year's specialty. (2006) The previous trophy donated by Dennis P. Jordan DVM Memorial Trophy was retired in 2006 as Andrea Jordon Lane met the requirements.

24. All ABC sponsored events i.e. Futurities, Summer Specialty Show, National Specialty Show, Open All Age Championship, Amateur All Age Championship, Gun Dog National Championships, and Classic or any other events as may arise, coordinate activities related to fund raising with the National Auction Committee and submit all anticipated and contacted solicitation and donor lists to the chairman of that committee. (2000) Please clarify what this means. Is there a current list available? If not, why do I need to supply all contacted solicitation and donor lists? (This too is standard policy though out the policy book for all groups soliciting funds to avoid duplication of requests. No specific action was taken to change this for this section or any other section. Mary Jo Trimble, Sec.)

25. Vendors will not be allowed to conduct auctions and/or raffles at ABC events. (2000) Exception (Brittany Rescue Organizations) 2002

26. Assign a member of the event committee to promote ABC fund raisers including the

national auctions and raffle ticket sales to offset expenses incurred by the event. (2008)

27. The National Show Chairman/3rd Vice President shall be eligible to handle and compete at the National Specialty Show in agility, obedience and rally competitions with dogs either solely owned or co-owned by him/her. The National Show Chairman/3rd Vice President will not handle or enter into conformation competition any dogs solely owned by him/her, but dogs co-owned by him/her but not handled by him/her shall be eligible for conformation competition at the National Specialty Show. (2006) I would like to change to "any dog co-owned by National Show Chairperson that resides with said person shall not be eligible to be entered in conformation. If the 3rd VP/Show Chairperson is competing in Obedience, Rally or Agility when possible finds a Co-Chairperson who can chair Obedience, Rally & Agility."

28. I would like to add "The show Chairperson should clarify with the Breed Judge as to the handling of the awards of merit before judging, i.e. will the awards of merit be handed out in order or just awarded." This makes handling of awards of merit easier.

SUMMER SPECIALTY SHOW

Summer specialty show: By action of the board of directors in 1968, it was voted affirmatively that each ABC region "be allowed to host a summer specialty show in turn". The 3rd vice president shall have the authority for assigning the sponsoring club(s), I would like to add "or may assign or have assigned that responsibility to another named party such as the Summer Specialty Show chairperson" for the summer specialty show to insure that the show shall rotate, in order from region to region. (1980) This is currently being done.

A. Enforcement of this "rotating policy" by coordinating with the president a permanent five (5) year schedule that the summer specialty show will be held on a region-by-region basis.

B. Coordinating with regional inter-club councils, where same exist, or communicating with each regional club in a region to determine if the region as a whole, or a club or clubs desire to act as host for the summer specialty show in their region—all such arrangements to be made at least three (3) years in advance, if possible.

C. Coordinate with the president the appointment of a show chairman for the Summer Specialty I would like to add "and have the premium reviewed by the 3rd VP to insure that the classes, ribbons and ABC's class requirements are correctly put in place." This will ensure all the bases are covered.

D. Coordinate with the show chairman of the Summer Specialty and with the person co-coordinating the event rotations the appointment of a show secretary or superintendent and members of the show committee.

E. The I would like to add "Show chairperson of the Summer Specialty will notify the 3rd VP", president and executive secretary as to the chairman and members of the show committee. This will ensure all responsible parties are notified.

F. The Summer Specialty Show may be held as an Independent Show or as a Designated Specialty Show in conjunction with an All Breed Show in May, July or August. (2002)

G. I would like to add "The 3rd VP will coordinate with the Summer Show Committee" the selection of the all breed show and choice of judge. This will ensure everyone on the committee knows what is happening.

H. I would like to add "The 3rd VP will" approve, with the president's approval, the site, date, type of show to be held and the choice of judge. (2002) This change will make this requirement more specific as to whose function this is.

I. I would like to add "Hosting Club will" notify the editor of "The American Brittany" of appropriate information for advertisements, etc. This change will make it more specific as to the responsibilities.

The following section comes from "Summer Specialty Show" section of the Policy Book beginning on page XX. This section should be combined with the items above referring to the Summer Specialty Show.

The summer specialty show committee shall, under the direction of the 3rd vice president I would like to add "or appointed committee chairperson," (This is already being done.) arrange for host clubs for the summer specialty show so that each region be allowed to host the show in turn. Efforts shall be toward a permanent five (5) year region-to-region rotating schedule. Arrangements should be approximately three (3) years in advance. The Board shall approve host clubs at its annual meeting each year.

The summer specialty show may be held as an Independent Show or as a Designated Specialty Show in conjunction with an all breed show and shall be held in May, June, July or August. (2002) If held as an independent the Veteran class will be 8 years and older. The Field Trial class will be for dogs who have earned a Field Trial Placement in the calendar year prior to the show's closing date of a finished Field Champion.

The application for the show shall be sent from the ABC office. The host club shall send the date of the show and the name of the all breed show to the executive secretary as soon as possible so the application may be sent to AKC.

If a sweepstakes is to be held, all the information for that shall be sent to the ABC office for the form to be sent in a timely manner.

The host club is responsible for getting trophy donations themselves, but the ABC shall be responsible for a trophy for Best of Breed with a value of up to \$75 and a Best of Opposite Sex with a value of up to \$50. If the host club's trophy donations cover the cost of all trophies, ABC will NOT buy the Best of Breed or the Best of Opposite Sex trophies. If the

host club collects more for trophies than is spent for trophies, the excess shall be passed on to the next host club for the next summer specialty. (1979)

The ad for the summer specialty shall be sent to Managing Editor by the host club. There shall be no charge for this one ad. Any additional advertising for events held in conjunction, is limited to 1/4 of that page. Deadline for the ad shall be the first of the month preceding the issue it is to appear. I would like to add "The completed write up will be sent to the editor with photos of BOB, BOS, WD, WB, BW, Best BBE, Puppy & Junior, if available. (Top winners: BOB, BOS, BW, WD, WB photos will be included at no charge to the event winner.)" This will ensure the results are sent to the magazine.

The official ABC emblem is available by e-mail from the ABC Executive Secretary. The official ABC medallions are also available from the ABC Executive Secretary for replacement costs.

It shall be the responsibility of the summer specialty chairman to notify the next year's host club of the previous year's Best of Breed winner by owner's name and address. This shall enable the next host club to arrange for receipt of rotating trophy for presentation.

Only the Specialty Show held with the National Championships in November shall be called "The National Specialty Show: The winner of the Summer Specialty Show shall be called "the winner of the Summer Specialty Show." The Sequani's Dana Macduff Memorial Challenge Trophy was retired in 1988 by Yoko O'Shell. It was replaced in 1989 by the Jacques Prince Valiant Memorial Challenge Trophy donated by Bob and Curtis Humphrey in honor of their top winning American/Canadian champion. Three Best of Breed wins at the summer specialty (same owner, not necessarily the same dog) will retire the award. It is a cast Brittany on a wooden base. (1989)

The regular classes and the non-regular classes to be held at the summer specialty shall be standardized to be the same as the national specialty, i.e. Stud Dog, Brood Bitch, Veterans, and Field Trial classes. The holding of sweepstakes is optional. (1983)

I would like to add "If Obedience is offered, the premium list for obedience exhibitors should state: Refund of entry fees for bitches in obedience that come into season after the closing date of this show may be obtained by sending veterinarian's certificate to the show secretary. This certificate must be postmarked before the opening day of the show or given to the show secretary before the start of the show. Move ups are allowed. Contingent on hosting all breed's policies. This paragraph is included for the National Specialty Show premium and should be included to make them consistent.

Those clubs hosting ABC events are responsible for attaining/securing photos of the winners of the event along with the write-up and sending such documents for publication to the managing editor of "The American Brittany" magazine.

The summer specialty is the official title and IS NOT to be referred to as, or in conjunction with the word "Nationals".

Each chairman shall keep a file of the activities of the year to pass on to the next succeeding chairman. The file shall be handed to the president at the nationals to be passed to the next appointee. If such a file is not received, check with the last chairman. If no file is available, start one. Submit a report of your activities and recommendations to the agenda chairman in advance of the annual board meeting. This must be done far enough in advance so the agenda chairman can have the agenda in the hands of the directors six (6) weeks prior to the annual board meeting. (1992)

At the national specialty show and the summer specialty show the following classes are required: Field Trial Class, Stud Dog Class, Brood Bitch Class and Veterans Class. (11/93)

I would like to add "At the Summer Specialty Show, the following classes are required: Field Trial Classes (dogs and bitches), Stud Dog Class, Brood Bitch Class, Veterans classes (dogs and bitches). Additional Classes to be considered Best Junior, High Scoring Brittany when Obedience is available and Hunt Test." This makes the classes consistent with what was stated in classes for the National Specialty Show above.

Executive Secretary: Mary Jo had no action items but several topics were discussed.

The Board discussed the need to revise the Policy Book concerning the Gun Dog and All Age Nationals and revise content to make the same as well as updating the differences between the two Hospitality positions.

The Pheasant Classic trophy has been located. A lady in Arkansas had bought it in an estate auction. She sold it back to the ABC for what she had paid for it. Mark Billingslea lived nearby and picked it up for us and brought it to Booneville. Lisa Pollock volunteered to take it home with her and do some restoration on it.

Mary Jo outlined the various discussions that had taken place with AKC and handicapped handlers. Nothing has been resolved at this date between one handicapped handler and the AKC. Another handicapped handler has accepted the guidelines laid down by AKC. No one has yet seen the decision handed down from the Michigan DNR and ADA office.

Sharon Wice of the Greater St. Louis Club has agreed to serve as a consultant attorney for the ABC to fill the position vacated by Gene Isaacs of Arizona.

The magazine section of Mary Jo's report will be discussed later in the meeting.

Janet Chase, Treasurer: Janet discussed the 2010 finances. She reviewed with the Board the ongoing contributions that we currently are making from the designated funds received from starter fees from shows and trials. All contributions will remain the same. Janet discussed printing costs and asked how we can save money on that. Questions were raised as to the status of the Marv Nelson Fund and what it is currently doing, financial status, etc. Bob Wire offered to contact Gordon Theilen to see who was in charge of the program at this time.

Motion # 10: Motion by Ackerman. Seconded by Brigham. **I move to hold funds for the Marv Nelson Fund until we receive information on the progress of the research and the name of a contact person.** 14 yes votes. Landress absent. **Motion Passed.**

Janet discussed loss of revenue at the national championships and made suggestions as to how to more funds could be added to pay for the championship.

Motion # 11: Motion by Karbinger. Seconded by Rankin. **I move to suspend collection of the \$25 from all national championship entry fees that currently go to the future grounds fund starting in 2010. (These funds can then be used to offset trial expenses.)**

14 yes votes. Landress absent. **Motion Passed.**

Declining membership was discussed in regards to the ABC budget. In the past, 20-30% of new members to the club had come from the Brochures sent to people who had registered dogs with the AKC. The Brochure was not produced and sent to the mailing service during 2010. The Book of the 80's is also advertised on that Brochure so those sales dropped this year. The new Magazine Chair will see that this error is corrected as well as instituting some new ideas to increase membership by other means.

Janet also discussed setting up a 501-C3 foundation. The IRS user fee is \$400 to start the process. We need a small committee to draft articles of incorporation. The Red Setters have done this.

Motion # 12: Motion by Brigham. Seconded by Gorman. **I move that the President appoint a committee to establish a 501-C3 Foundation.** 14 yes votes. Landress absent.

Janet asked if criteria for the Grounds Fund had been established this year. The President said that the committee would do so this coming year.

AKC Delegate: AKC Delegate Judy Tighe presented two action items to the Board.

The Board accepted one of the two. ABC Legislative Liaison Mary Jo Trimble told the Board how the AKC has stepped up to the plate with their AKC PAC program. She relayed how they had given \$2,700 in PAC awards to dog friendly legislators in Illinois which is something dog people have needed for a long time.

Motion # 13: Motion by Henderson, Seconded by Wire. **I move to add \$500 to the AKC PAC on a yearly basis.** 14 yes votes. Landress absent. **Motion passed.**

Purina Program Report/AF Coordinator/Classics: Ray Trimble works with these 3 programs. How these programs relate and function was discussed by the BOD. Applications for hosting the Classics are being accepted at this time and host clubs are needed for all 2011 Classics except the Chukar Classic which will be hosted by the California Brittany Club. It was pointed out that the Gun Dog Classic does not require a specific bird and could be hosted by almost any club in any region if they apply and are accepted. Entries in the Gun Dog Classics being held at Thayer have been larger than when hosted elsewhere but other clubs may apply.

At this point, the Board broke for lunch.

Following lunch, Steve Ralph returned with his presentation on how the qualification changes in the open all age championship could be coordinated with the amateur all age qualifications. **Motion # 14:** Motion by Chase. Seconded by Truksa. **I move to approve the Amateur All Age Championship Qualification changes as proposed by Steve Ralph.** 13 yes votes. 1 no vote (Janulis). Landress absent. **Motion Passed.** Those changes are as follows:

The National Amateur (All Age) Championship

(Effective at close of entries for the 2010 National Amateur All Age Championship)

Open to any Brittany six (6) months of age or over which in any preceding year placed first in the National Amateur All Age Championship for Brittanys or which in the preceding year placed second, third or fourth in the National Amateur All Age Championship for Brittanys, or which during the period from the previous years close of entries to the current year's closing of entries has placed in an All Age or Limited All Age Stake of 30 minutes in an AKC Licensed trial held by a Brittany Club, when handled by an Amateur, in which the following (or more) dogs started: 1st place with 13 starters, 2nd place with 20 starters, 3rd place with 30 starters, or 4th place with 35 starters, or has placed in any hour All Age or Limited All Age Stake in an AKC Licensed trial held by a Brittany Club and handled by an Amateur in which the following dogs started: 1st place with 13 starters, or 2nd place with 15 starters, or 3rd place with 17 starters, or 4th place with 20 starters, or has qualified for the current year National Open All Age Championship for Brittanys when handled by an Amateur, or A dog winning first place in the National Open All Age Championship when handled by an Amateur will also be qualified for life in the National Amateur All Age Championship.

No dog may run in both the National All Age Championships and the National Gun Dog Championships in the same calendar year.

Any dog trained on the grounds chosen for the National Amateur All Age Championship within 30 days of the start of the National Amateur All Age Championship will be ineligible to compete.

Only persons who, in the judgment of the Field Trial Committee, are qualified as amateurs as defined in Chapter 17, Section 2, of the AKC Field Trial Rules and Standard Procedures for Pointing Breeds, may serve as scouts in the National Amateur All Age Championship Stake.

Bird Dog Foundation, Jim Chase: Jim reported that the new wing at the Bird Dog Foundation now had over \$263,000 in the building fund. Brittany folks have contributed a large amount of that. Construction has been delayed until they get a decision on a required sprinkler system which if used would ruin all the paintings and photos. May have to get

a special exemption. Jim asked that the ABC set up the Brittany Field Trial Hall of Fame Elections on the ABC website. Officers and Directors expressed an opinion that we are two totally separate organizations with two separate Hall of Fames and should not co-mingle the two. Suggestions of people who could set up a BFTHOF website were passed on to Jim. Homemaker's All Spice and Warren Montgomery will be inducted in ceremonies in Grand Junction in February.

Book of the 90's: Committee Chair Jessica Carlson reported that the book is coming along. Her goal is to have the book as finished if possible by the end of 2011 for publication in 2012.

Ethics Committee: The Board discussed the proposal by the Ethics Committee.

Motion # 15: Motion by Pollock. Seconded by Karbiner. **I move to add the proposal listed to be #11 be added as #13 to the Code of Ethics. It reads, "Take back or handle the proper placement of any dog they have produced."** 12 yes votes. 2 no votes (Brigham, Rankin). Landress absent. **Motion Passed.**

National Dates Coordinator, Kent Patterson: Kent reported that the only issue had been the conflict of dates between the International Amateur Championship and the LaSalle Brittany Club Regional Trial. Both the Central Dates Coordinator and the National Dates Coordinator have denied the conflict. The decision will now go to President Hartnek. John Henderson mentioned that the AKC National Gun Dog Championship had created some changes in the West Coast Dates. Mary Jo asked John to contact the West Coast Dates Coordinator for approval of those changes.

Futurity Report, Lisa Pollock, Chair: Lisa discussed the problem with finding someone to produce Futurity Patches at a charge that would be cost effective for ABC to sell. At this time we have been unable to find a supplier who will sell us a smaller number at a cost less than \$5 a piece.

Motion # 16: Motion by Pollock, Seconded by Rankin. **I move to no longer order futurity patches.** 14 yes votes. Landress absent. **Motion Passed.**

Motion # 17: Motion by Brigham. Seconded by Rankin. **I move to accept the futurity changes as outlined in the Agenda Book on pages 74-75.** 14 yes votes. Landress absent. **Motion Passed.** Changes to the futurity section of the policy book would be as indicated by the underlines in the following material:

1. Page 96 TRIAL AND SHOW 2nd paragraph

On or before September 15th of the year following a pup's birth year those **owners** expecting to start dogs must describe their entries on blanks furnished by the ABC and pay on each a forfeit for each trial and for each show in which it is planned to participate. (2008)

Change to Read:

On or before October 1st of the year following a pup's birth year those owners expecting to start dogs must describe their entries on blanks furnished by the ABC and pay on each a forfeit for each trial and for each show in which it is planned to participate. This payment shall be referred to as the final forfeit.

2. TRIAL AND SHOW 4th paragraph

For those not meeting the September 15th deadline, a late fee of \$50.00 for each field and \$50.00 for each show entry (plus the regular forfeit fees) may be paid before December 31. (2000) Any subsequent deadline changes must be approved by the ABC Board of Directors. (2008)

3. PURSE (page 97)

The litter forfeits, less all expenses incurred up to the closing of entries on Sept 15th, will be divided equally between the sections holding futurities. The forfeits due on September 15 shall be allocated to the designated section and event for which paid and added to the base amount above. This, after the deduction of 10% for the ABC will constitute the purse for that section. All expenses for the preparation and running of the events will be covered by the starting fees. (2000-2001)

The base purse will be divided in the following manner: 1/3 all age, 1/3 gun dog, 1/3 show. 2/3 of the entire purse (Base and September forfeits) will go to the owners of record of the winners at the time the event is held, with 1/3 to the breeders of the winners. to be paid to the recipients by the national futurity secretary Prize funds will be paid to the recipients by the National ABC Treasurer after verification by the ABC Futurity Secretary. Hall of Fame: The Board discussed nominations for the Hall of Fame. Mary Jo asked that the

chairs of the Hall of Fame Committees be in charge of writing the winners and notifying them of their elections. In addition, the Chairmen need to be in charge of getting Hall of Fame write-ups of the people and the dogs immediately after the elections to the magazine for publication in a timely manner. These need to be in write-up form as opposed to just listing the items on the nomination form. We need to give more recognition to these people, and since the two committees have that information, they need to follow-up after the elections with appropriate publicity.

ABC Legal Advisor: Hank announced the retirement of Gene Isaacs and the appointment of Sharon Wice as ABC's new legal advisor. The Board thanks Gene for his many years of service to the ABC.

Magazine Committee Report: President Hartnek discussed the issues we have dealt with during the last year regarding the magazine. The lateness of the issues caused numerous problems. The Board has released the Managing Editor from her duties. Bob Fleury has been appointed as Chairman of the Magazine Committee to develop a new program and process for producing the ABC magazine. The policy book section regarding the magazine will be looked at and revised. Bob will be soliciting people to write articles of interest that will appeal to not only people who are involved in competition but those in other venues, particularly hunting and training articles as well as health topics. He is developing contacts with other hunting publications to swap ads to try and increase membership. Mary Jo reported that Ken Windom is now proofreading for the magazine trial results. Both Ken and Mary Jo met with the magazine staff in Marshfield during

October to discuss new ideas and develop a smooth transition. As was done in the past, the Board proposed the following motion to give the Magazine Committee time to make changes to policy.

Motion # 18. Motion by Truksa. Seconded by Karbiner. **I move to suspend the policy book as pertains to the magazine.** 14 yes votes. Landress absent.

Jim Chase withdrew his motion in the Agenda Book to do away with the written magazine and replace with an online edition. The Board discussed the option of putting the magazine in a plastic sleeve vs replacing issues that had been destroyed in mailing.

Marshfield had also advised us that the ABC has a storage building full of old magazines that need to be dealt with. Suggestions as to what to do with the old magazines was discussed and would be welcomed. We will need to see what dates are there and how we can perhaps put together in sets to sell online or give to some to clubs who do sports shows.

Membership: The Board received copies of the membership report from Linda Langford. She has been working on an online membership list for use by clubs. It is partially completed and can be accessed currently, but there are still some features such as expired members, ways for clubs to set their own passwords, etc. that still need to be included. Clubs can contact Mary Jo Trimble, Secretary, for further information.

Ionia Fence Fund: Progress on the fence at Ionia, MI, where the Gun Dog Nationals are held was discussed. Directors did ask how much money other parent clubs are donating to this project. Gorman said he would get those figures for next year. Janet only releases funds to the contractor. Motion # 19: Motion by Gorman. Seconded by Janulis. I move we give \$3000 to the Ionia Fence Fund on a matching basis from the future grounds fund. 9 yes votes. 3 no votes (Ackerman, Truksa, Henderson). 2 abstained (Brigham, Wire). Landress absent.

Summer Specialty: As suggested by Summer Specialty Show Chair Barbara Scott Dayton: **Motion # 20:** Motion by Wire. Seconded by Robin. **I move to approve the Washington Brittany Club to host the 2013 ABC Summer Specialty.**

14 yes votes. Landress absent. **Motion Passed.**

Mary Jo was asked to give a report on our association with Purina. She said we had recently furnished Purina a report of our membership as well as trial entries for the last five years. Purina generously supports the ABC. They do read the reports, look at the ads and check for recognition, Thank You's and use of their Logos in our ads. The Purina Parent Club program awards both the ABC and the Canine Health Foundation several thousand dollars each year for all weight circles submitted by our members who indicate their are ABC members. This in no way reduces the benefits they receive. We do encourage all our members to feed Purina as without them the ABC and many of our events would suffer. They are truly the champions of the pointing dog sport.

Motion # 21: Motion by Robin. Seconded by Truksa. **I move to go into Executive Session. (3:15 P.M.)** 14 yes. Landress absent.

Board came out of Executive Session. (3:30 P.M.)

Motion # 22: Motion by Brigham. Seconded by Henderson. **I move to accept the nominating committee's nomination for officers and move to close nominations.**

Officers elected were: 1st Vice President Tom White, 3rd Vice President Chris Ward-Weber, Secretary Mary Jo Trimble. 14 yes votes. Landress absent. **Motion Passed.**

Motion # 23: Motion by Rankin. Seconded by Karbiner. **I move to accept Bob Fleury as a member of the ABC Hall of Fame.** 14 yes votes. Landress absent. **Motion Passed.**

Motion # 24: Motion by Pollock. Seconded by Dow. **I move to accept and verify all e-mail votes taken during the previous year.** 14 yes votes. Landress absent. **Motion Passed.**

Meeting was adjourned at 3:50 P.M.

Respectfully submitted,

Mary Jo Trimble, Executive Secretary

2010 ABC BRITTANY PRAIRIE STATE CHAMPIONSHIP ASSOCIATION

The Prairie State Brittany Championships were held at the Field Trial Sportsmen's Association, Inc. Grounds at Grovespring, MO, February 23-March 3, 2010. This was the 23rd annual running of these events, which originated in northern Illinois, but were relocated to this location when grounds in Illinois became unavailable. The quality of these facilities and grounds are well known to field trial enthusiasts throughout the country.

Breakfast and lunch were available daily at the clubhouse, prepared by cook, Michelle Weaver. Association officers and members, Jerry McGee, Warren Montgomery, Ed and Donna Janulis, Tom Burroughs, Tommy Thomas and Jim and Janet Chase as well as pro's Al Gorrow and Bob Burchett handled bird planting, marshalling, dog wagon and other tasks involved in running the trial. Donna Janulis served as field trial secretary for the event. Our thanks to the judges for their time in the saddle and attention to the dogs as well as for their comments on the placing dogs for this report. Contrary to most of this spring's field trial season, we enjoyed good weather during most of the trial.

A special thanks to Purina for their continued support of these championships. Without their support these events would be in jeopardy.

Open Shooting Dog Championship

Third place was The Ace of Spade (Spade). Spade ran a good shooting dog race, demonstrating pleasing manners on his game. Fourth place was Windy Hill Ben (Ben). Ben ran a forward race that grew stronger during the hour.

Region 5 Amateur All Age Championship

Judges were Tim Self and David Capstick, both from Missouri. Both are well known Brittany enthusiasts and have judged many Brittany

Championships. We appreciate the participation and support of amateur handlers Tommy Thomas, Lisa Pollock, Terry Maxwell, Jerry Lindsey, Ken Seivert, Bret Lindback, Steve Ralph, Burton Wice, Ray Trimble, Ed Graves, Dick Pulliam, Jerry McGee, Ed Janulis, Donna Janulis and Jim Chase.

Champion was Brisco's Mr. Stub. Stub broke away in blowing snow. Handlers and gallery almost rode past him on his first find due to the adverse weather conditions. He ran a forward race with impeccable bird work with a total of five finds. On one find, scout was a long distance off and could barely be heard calling point. Even though it took handler and judges a long time to cross the creek to the find, he remained staunch and tight. He finished strong and to the front to garner the Championship Title. Runner-Up was Ru-Jem's A Touch of Bourbon (Chug). Chug's brace broke away at Little Vine Hill on course two. He made a long forward cast through Sycamore Valley and continued up the draw toward the white barns and the bull pasture. He had a nonproductive by the fence and was moved on. He only

Third place was TM's Tennessee Twister (Sway) (the 2009 National Amateur Champion), handled by Lisa Pollock and fourth place was Joker's Jackpot, an up and coming young dog, not yet three years old, handled by owner, Steve Ralph.

Open All Age Championship

Judges were Jerry Lindsey from Mississippi and Ken Chenoweth from Missouri. We thank both of them for their time and attentiveness. Winner was Shamrock's Sirius, owned by Wade Haines, and handled by Chad Holman. Si ran in the first brace and his performance clearly set the standard for the remainder of the stake. He ran a strong, forward all age race, with two finds. Owner, Wade Haines, was

overhead instructing Si to "show them how it's done" as he returned him to Chad just prior to the trip to Grovespring. And, indeed, he did!! Runner Up was Brisco's Mr. Stub, handled by owner, Ray Trimble. Stub has had a tremendous spring season, winning the Prairie State Amateur Championship a couple of days previously and the Illinois Brittany Open Championship, in January. Stub had three clean finds and a non-productive on the side of Horsekiller Hill. He ran a good, consistent all age race. Third place was no stranger to the winner's circle-- the 2009 Purina Award winner, Ru-Jem's A Touch of Bourbon (Chug)--handled by owner Jerry McGee. Chug had two finds and a non productive in the Bull Pasture. He also ran a good all age race, although somewhat less consistent than the winner and runner up. Fourth place was Windy Hill Ben. Ben started out with a good first half hour, with the last half hour being more lateral and not as forward as the other winners.

Ed Powell Memorial

Open Limited Gun Dog

April 6-7, 2010

Union County Bird Dog Ranch, Thayer, Iowa

Reporter: Ken Windom

The Third Annual Ed Powell Memorial Open Limited Gun Dog was FC ROCKLAN'S WHIZZLE STOP, a 6 year-old Brittany male, owned by John and Margilee Sauer of Lyons, Colorado, and handled by Bob Burchett. Whiz put down a consistently forward race and exhibited superb bird work during his hour. He was pressed hard by the second place winner, AFC GIT-R-DUN, a 5 year-old Brittany male, owned and handled by Bruce Heiter. Third place went to FC WINDY HILL BEN, a 9 year-old Brittany male, owned by Heath Denny and Dr. Brian Henderson, and handled by Bob Burchett. Fourth place was awarded to FC UPLAND ACRES OVERLAND XPRESS, a 6 year-old Brittany male owned by Tom and Gretchen Burroughs and handled by Bob Burchett.

The Ed Powell Memorial is run on the grounds of the Union County Bird Dog Ranch near Thayer, Iowa. This is a fitting venue for an event honoring Ed Powell. Ed was one of the original members who joined together to lease these grounds for the purpose of providing a quality field trial setting. He invested money, time, and a lot of sweat to better these grounds. He is truly missed by all who knew him.

Judges for this event were two Missourians, Ken Chenoweth and Brian Long, both of whom are well known in the field trial community. The stake was held on Monday and Tuesday, following the regular weekend trial of the Iowa Brittany Club. There was one weather-related delay Monday afternoon, but the rest of the two-day period was very conducive to good dog work.

THE RUNNING.

Brace 1: DIAMOND HILL DANGEROUS MAN (Trace) – Lisa Pollock and UPLAND ACRES OVERLAND XPRESS (Zip) – Bob Burchett. The first brace broke away at 8:10 north of the Pines under mostly clear skies and a temperature in the low 40s. Both dogs were away through the brome field, headed toward the Hedge Apple Orchard. Bob called point for Zip at 5 on the south edge of the Orchard, with Trace backing. A bird was produced with all in order and both dogs were released, continuing north. Lisa called point for Trace at 13 near the Second Finger Feeder on the north side, but Trace suffered a lapse of manners ending his bid. Zip continued around the course, past the old barn site and through the alfalfa field, then south and back to the orchard where he scored another find at 29. Zip ran a forward race, although not quite as consistent as the top three dogs. He crossed the road at 40 and continued on to the South Course, then scored his third find at 50 near the feeder in the Church Corner. His final find was at 57 near the rock crossing on the southwest corner of the South Course. Zip finished his hour to the front.

Brace 2: SNIKSOH SUPER SNOOPER (Snoopy) – Jeff Hoskins and RICO G'S BLAZIN CYCLONE (Blaze) – Bob Burchett. The second brace broke away at 9:28 from the southwest corner of the South Course, north of Jimmy's House. Both dogs were away to the front, with Blaze scoring the first find at 6 north of the Hedge Row. Bob produced a bird, with all in order, and proceeded on. At 10, Snoopy pointed in thick brambles north of the Hedge Row. Jeff was unable to produce a bird and the relocation was unsuccessful. Snoopy crossed the road onto the North Course and caught the front. Blaze scored his second find at the Orchard Feeder at 20. He exhibited a very nice run, with good forward moves through the Orchard and up the hill past the Double Crossing. He moved to the

end of a feed strip and stopped in an area of very sparse vegetation at 27. Bob did not believe a bird was in such thin cover and ordered the dog on, but a quail popped immediately as Blaze responded to his handler, thus ending what had been a very good performance. Snoopy continued a good race around the North Course, past the old barn and through the Alfalfa Field, back to the west crossing and through the Orchard. She pointed at 48 at the Orchard Feeder, but took too many steps for her handler when the bird was produced, ending an otherwise nice performance.

Brace 3: FOSTER'S BUDDY II (Buddy) – Gordon Foster and RICO'S HI-PROOF BOOTLEGGER (Mason) – Bob Burchett. This brace was released on the South Course, at the normal All Age breakaway point, at 10:37. Both dogs were away along the left edge, then through the Willow Crossing and up to the Hedge Row, where Mason scored a find at 4 with all in order. The course proceeded in a counter-clockwise fashion around the south half of the course, with both dogs showing well to the front. Mason scored again at 16 in the Church Corner, with all in order. Buddy scored a find at 20 as we came back through the Hedge Row. After he was released, he continued north by west to the edge of the trees by the Old Pond south of camp. He disappeared into heavy cover, but was seen under a pheasant by the judges at 30, ending his bid. In the meantime, Mason encountered birds in the Hedge Row at 25, but his youthful exuberance overcame his manners, also ending his run.

Brace 4: TIMBERLINE STRAIT TO THE POINT (Sawyer) – Andrea Christensen and ROCKLAN'S WHIZZLE STOP (Whiz) – Bob Burchett. The last brace of the morning broke away north of the Pines. Both dogs headed north toward the Orchard. Bob called point at 4 for Whiz, who was standing near the Orchard Feeder. A bird was produced with all in order. Sawyer scored a find deep in the thick cover south of the First Finger Feeder. Andi flushed the bird and took the dog on. Meanwhile, Whiz pointed at 12 at the Second Finger Feeder. Bob's first attempt was unsuccessful, and he relocated the dog. Whiz locked up tight on the relocation attempt, but still no bird was produced. Several more relocations were made, with Whiz giving strong indications that he definitely had a bird located. Eventually, Bob found the quail in a ravine several tens of yards from where Whiz originally pointed. During this protracted flushing attempt, Sawyer had rimmed the fields near the old barn and had a find at 22 on the west end of the Alfalfa Field. Whiz headed to the front after his last find then pointed west of the old barn site. Bob elected not to try to flush in the nearly impenetrable cover and took the dog on. Whiz again pointed at the west end of the Alfalfa Field at 28. A bird was produced with all in order. Sawyer scored another find at 36 on the east side of the Orchard. A bird was produced and Sawyer was released, only to point again less than a minute later in heavy cover near the corner of Kermit's Pasture. A bird was produced with all in order. Meanwhile, Whiz had regained the front and both dogs crossed the road onto the South Course. Whiz nailed another find in the Hedge Row at 52. Sawyer had a find in the brome field west of the New Pond at 56, with all in order. Whiz also pointed at 56 near the Church Corner Feeder, but no bird was produced. The brace ended on the south end of the South Course, just as a large bolt of lightning struck to the south.

Brace 5: SPEEDING TICKET'S RADAR GUN (Radar) – Jim John and RICOCHET HEMI BARACUDA (Buck) – Bob Burchett. The fifth brace did not break away until 3:20. The Storm that made its appearance near the end of brace 4 brought lightning, heavy rain, and hail and caused a delay until the weather became more settled. Both dogs headed north

from the Pines. Radar put down a reasonable race during her hour, but was not rewarded with birds. Buck also had a consistent race. He scored his first find at 19 near the feeder on the west end of the Alfalfa Field and another at 22 at the end of the feed strip in the brome field south of the Alfalfa Field. All was in order with both finds. He pointed at the Orchard Feeder at 30, showing good manners throughout the flush and flight. His next find came across the road on the South Course at 47. At 55, judges and gallery rode over a rise to see both dogs standing. Bob and Jim dismounted and Bob fired. Judges later told this reporter that they credited Buck with a stop-to-flush and Radar with a back. The hour ended at the keyhole in the Hedge Row.

Brace 6: COVEY RISE'S RAMBO JR (JR) – Chuck Schaefer and WINDY HILL BEN (Ben) – Bob Burchett. The final brace of Monday broke away north of the Pines. Ben certainly had on his running shoes this day. He was making big casts and covering a lot of territory. He pointed at 14 at the Second Finger Feeder on the North Course. A bird was produced and Ben exhibited good manners throughout. JR pointed at 21 west of the Alfalfa Field, but Chuck was unable to produce a bird. Ben scored another find at 22 near the west end of the North Course. At 30, Ben pointed near the Orchard Feeder. Several relocation attempts were necessary before he was able to pin the elusive bird so that Bob could flush it. During all this, it was becoming apparent that JR was confused as to which handler he should obey, having been run by both Chuck and Bob at different times during his career. After crossing the road onto the South Course, Chuck was able to pull JR away while Ben was on an excursion through the woods. JR picked up his pace considerably, and made a good cast through the Hedge Row and down to the Church Corner where he went on point. No bird was produced at first, so Chuck asked JR to relocate. He made a very long relocation move before staunchly pointing again. Chuck flushed the bird, but JR took several steps in the direction of the flying bird, ending his efforts today. Meanwhile, Ben was on a tour of the countryside through the thick woods. He was out of pocket for a short interval before being spotted by the gallery to the front at time.

Brace 7: BARNEY'S HI-PROOF RONRICO (Rico) – Chuck Schaefer and SNIKSOH SALLY (Sally) – Bob Burchett. The first brace of day 2 broke away at 8:18 north of the Pines. Sally pointed at 4 at the Orchard Feeder, but suffered a breach of manners and was up early. Rico continued on across the Double Crossing and up the hillside, but was seen under birds at the First Finger Feeder, ending his race as well.

Brace 8: T. J. SCOOPY SIERRA'S ZOEY (Zoey) – Bob Burchett and GIT-R-DUN (Wiz) – Bruce Heiter. This brace left from the old barn site at

8:30 and headed west. Wiz made a strong move along the feed strip west of the barn and into the Alfalfa Field, where he had his first find at the feeder on the west end at 4. Birds were produced with all in order. He scored again at 8 along the feed strip south of the Alfalfa Field. Meanwhile, Bob continued on with Zoey. Wiz caught the front at 14, scoring another find near the Orchard Feeder. Dogs and handlers crossed onto the South Course at 22. Wiz pointed again at 27 along the Hedge Row. Zoey's race was not pleasing Bob, so he elected to pick up at this time. Wiz continued on in a clockwise manner around the South Course and had his fourth find at 43 at the Finger Feeder heading back north. At 49, he pointed again at the Hedge Row with all in order, and finished his hour strong to the front.

Brace 9: ALAR'S TANGO BAR (Tango) – Ed Tillson and COUNTRY ROAD'S BOILERMAKER (Pete) – Bob Burchett. The dogs were released north of the Pines and headed north across the brome field. Tango pointed near the Orchard Feeder at 4 and Ed produced a bird with all in order. Meanwhile, Pete was on point 60 yards to the west along the edge of the Orchard and the Red Cedar Forest. His find was also mannerly, and both dogs were released to continue through the Orchard. Tango pointed again at 11 at the First Finger Feeder, but took a few too many steps at the flush, ending her bid. Pete continued around the North Course and had a find at 24 west of the Alfalfa Field with all in order. He scored on a bird at the south end of the Orchard at 32 and another at 35. Pete's race was not his best today, however, and Bob elected to pick up at 39 as we approached the road crossing.

Brace 10: CSB JL SULLIVAN (Sully) – Bob Burchett. Sully ran as a bye dog and broke away from the road on the South Course. As we arrived at the Hedge Row, it was apparent that Sully was not moving the leaders, so Bob elected to pick up.

Greater Indianapolis Farmland Conservation Club Farmland, IN October 16-17, 2010

The Greater Indianapolis Brittany Club enjoyed another successful hunt test with a total of 75 dogs entered for the two days. The Brittany's performed well, with at least one qualifier in every stake both days.

We were treated to some good old fashion Hoosier weather, as we started the weekend off in the low 30's with a heavy frost and ended in the mid 70's. A great meal was served on Saturday evening, highlighted by chicken and noodles and roast turkey. Thank you ladies!

Thanks go out to all our hard working club members, who gunned, planted birds, worked the kitchen and made everyone feel welcomed. A special thanks to our judges and to Eddie Manifold and Mark Holzinger for providing the horses.

This year's Derby Classic consisted of thirteen future potential all age dogs. These fine young dogs have been campaigned in various areas of the Midwest and it was good to see them all together here for this event.

The judges for this event were John Hall from Michigan and Donna Janulis from Illinois, both of these experienced trialers gave full attention to all the dog's performances despite adverse weather in the form of rain during the running.

The winner of this classic emerged from the sixth brace; Lane's End Dyna's Marquise, handled by Tom Robbin. Marqy, as she's called, had a solid forward run and handled her birds as a maturing derby dog should. Right behind Marqy, and a litter mate, Windy Hill

Lady's Man, handled by Kent Merryman scored in the second place with a similar run to the winner and almost broke bird work. Third place was awarded to Whizki's Sting, owned by Judy and Ed Graves, and handled by Chad Holman. With a few more challenges of keeping Sting on track, but still exhibiting an all age performance, this dog kept the judges and spectator's attention from start to finish.

The fourth placement was given to Brittmont Lee, owned and handled by Warren Montgomery. Again with a few wrong turns near the end, this dog exhibited good ground speed and independence needed to be successful going forward.

Again, all dogs that competed in this event were interesting to watch during their braces.

2010 ABC MICHIGAN SHOOTING DOG CHAMPIONSHIP

April 5-6, 2010

Reporter: Gil Hopper

Established in 1973, this Championship, ran first as a Classic, is one of the few (if not only) non-cover dog foot handled Championships for Brittany's. It has always been conducted at the Ionia Recreation Area, near Ionia, Michigan. Hopefully, this glorious event will continue for many years.

Monday was a wonderful spring day, perhaps a little warm. Tuesday was a monsoon. Brace 6 experienced a few sprinkles at times, then in brace 7 it started to pour. The stake was delayed and restarted when the rain subsided. There were rivers flowing down the hills. But scenting was good as the breeze was slight.

Our judges for the event were Bill Branham and Ron Auten both from Michigan. Between the two judges they have at least 60 years of trialing experience in both horseback and grouse trials. They gave their undivided attention to the dogs and remained positive throughout. We were very fortunate to have such able judges. At the conclusion of the stake the judges commented on the quality of the stake, they said "we had 4 great dogs and 4 outstanding dogs". It was a very good stake: 11 clean dogs, 3 bird less, and 3 pick-ups. That's 89% clean, for those that had birds. A real quality stake, all amateur handled.

I would like to thank the Judy's (Marinelli and Robin) Donna Janulis, Sherry Meryman and Kathy Gulembo and Theda Langstaff for the lunches. Tom Kuszak for providing his time and truck for dog transport. Wil Langley for providing excellent horses, tack and transport for the trial. I would like to thank Kevin and Kathy Bryne for loaning me their horses for the week, so that I could report and run my dogs. It is certainly nice to have a quality ride. And a special Thank You to Chuck Langstaff for all he does for the Championship, not only this year but for many past years. This Championship has been his baby.

We would also like to thank Purina for their continued support of this Championship.

The Running:

Brace 1:

BULLOCH'S FIRST IN LINE ALVIN (Alvin) *H: J Bulloch* and DERAILED (Teddy) *H: C Crokek*

The day began overcast then cleared to a high of 70, with 10 spectator horses in the gallery for the 8:43 am break away. Both dogs were away fast to the front and over the creek. Both dogs taking the west line in the first field. In the second field, at a mid-field clump, Alvin went on point and Teddy failed to back, but did go on point. The bird was flushed, Alvin moved on and Teddy was up. At 8:55 Alvin's second find was on the left edge of the next field. He proceeded to three more finds, while running fast and forward consistently taking the lines.

Brace 2:

HI STEPPIN MAGGIE (Maggie) *H: C Sennott* and WRIGLEY'S REVVED UP CUB (Turbo) *H: B Steinmetz*

10 am break away from Eddy Road. This was an unusual brace in that Chris developed the go first rule. He allowed Barry to break away first. Both dogs were to the front as the handlers rounded the first corner. At five minutes we had a divided find with all in order. Both dogs ran together for the next several minutes, to the bottom of the first big hill, then the handlers and dogs separated. Both dogs were consistently to the front, hunting cover. Turbo had two more very stylish finds, but with 5 minutes left he had a stop to flush at a distance, then released himself, went about 30 yards and pointed the bird. He was up. Meanwhile, Maggie

had three more finds, coupled with a nice run.

Brace 3:

COO'S RYLEE (Rylee) *H: R McPherson* and EIBHEAR OF AUTEN (Bear) *H: R Telfare*

Break away at 11:20 am under sunny skies following a donut and coffee break. The brace began with the dogs running wide to the front, and Ron going "plop" in the mud. Both dogs were consistently taking lines, and carrying very good speed. At 12 minutes, point was called for Rylee. Bear came over the hill and jammed into a stylish back from 75 yards. All was in order. Rylee had a second intense find in the long field after the pines at 11:56. There was another find for Rylee at 12:03, this time buried in the woods at the top of the next hill. With about 7 minutes to go the heat started to affect Bear, but Rylee was still strong to the front, and finished in the wooded area by Eddy Road.

Brace 4:

SGT'S SMOKEY MOUNTAIN MOONSHINE (Jack) *H: S Tubach* and PENELOPE OF COO'S (Penny) *H: R McPherson*

At the break away, with both dogs fast to the front; Jack exhibited a smooth easy, yet ground gobbling stride. A gait that was pleasant to watch. The course was rapidly heating and both dogs are going into the abundant water whenever possible. Scenting has become difficult. The dogs would take water, make big moves, then start to shorten and find more water, and the cycle repeated. Unfortunately, both very nice dogs went bird less.

We headed for the parking lot and very nice lunches provided by Chez Theda.

Brace 5:

PETE *H: J Hall* and HAP'S FAST TRACK ZAK *H: H. Harrison*

A 2:10 break away, for what should be an excellent brace. At 2:16 point was called for Zak, with Pete coming in for a back. Both dogs were released and went to the front. At 2:55 point was again called for Zak. This time, walking in the woods to the left of the dog, Hap got the bird to fly, but got his gun's lanyard wrapped in the brush and it took a while for him to fire and then get the dog. Fortunately, Zak exhibited outstanding manners, and waited for Hap to get him. At 3:00 we had a divided find at the tree clump before going up the hill. Both handlers elected to take a NP, not wanting to chance a relocation in the really thick cover. Both dogs finished strong to the front, definitely stronger than the handlers.

Brace 6:

SUEMAC'S SKY KING (Sky) and SPRING HILL PANCHO DEL PRADO (Pancho)

Breaking away at 3:21 from Eddy Rd. While Pancho was consistently forward and busy early on, Sky had a rather lengthy absence. After about 10 minutes, his scout, Chuck Langstaff, managed to return him to the front. At 3:47 Sky had a find in the long field before the lake, with Pancho backing nicely. Then at 3:55 the situation reversed, Pancho finding and Sky backing in the field after the lake. On both occasions, both dogs were very stylish. Through the next several fields both dogs were forward with Pancho running a slightly better pattern. At the creek crossing, both handlers got their dogs in the water, trying to cool them off. Both dogs finished to the front, across the levy road. These dogs ran nicely together, generally taking opposite sides of fields, or one would be in cover and the other on an edge.

WOSD I-r Ron Auten judge, Roger McPherson with Coo's Riley, Bill Branham judge, Gil Hopper with third place Jazz's Sweetest Little Secret

pouring rain, buried in the tree line after the lake. As Gil approached, the bird flushed from the open ground a foot in front of the dog and flew to a foot behind the dogs tail. Too much temptation, brace was over.

After seeing lighting, hearing thunder, getting totally soaked, and receiving word from the DNR to vacate the course, we broke for lunch. We resumed two hours later at Eddy Road to finish the stake, with dry clothing.

Brace 9:

JAZZ'S SWEETEST LITTLE SECRET (Karo) H: G Hopper

Now, the rain had reduced to a drizzle, but as a result of the storm, we had rivers running down the paths on the hills, and standing water everywhere. Well it didn't seem to bother Karo. She was fast and consistently to the front. She took lines and found birds with finds at: the large wood island on the upper course; the left edge before the lake; on the north/south line before the creek crossing; and at the end of the line after crossing the

levy road. The third find was interesting in that the handler trying to flush the bird ran the bird at the dog. It flushed a foot in front of the dogs face and flew a foot behind the dog (sound familiar) well this time the dog stood through it.

Day Two Running

Brace 7:

KINWASHKLY ROSCIUS ROSE (Cedar) H: A Norman and HAP'S SPICE RUM LUKE (Luke) H: H Harrison

It was an 8 am break away under cool cloudy skies, ominously looking like rain. At the end of this brace it wa starting to drizzle. Both handlers were almost as strong as their dogs. Both dogs were fast and consistently forward, with Luke having three stylish finds and Cedar having two. Both handlers were very happy with their dogs performances. I must apologize for the sketchiness of this write-up, as I was preparing to run in the next two braces. But I knew that when Hap said he was happy with the job his dog did that Luke had done a very nice job.

Brace 8:

SUEMAC'S LIBERTY BELLE (Libby) H: R McPherson and WRIGLEY'S FIRST DANCE (Jazz) H: G Hopper

Breaking away from Eddy Road at 9:15, both dogs took off to the front showing excellent speed. Both dogs took lines, hunting edges. At 7 minutes, Jazz had a find on the left at a large wooded island. At 11 minutes, she found a hen turkey in the woods, where the course chokes down before the hill, a non-event. To the left, at the bottom of the hill, Jazz went on point, with Libby backing. The birds flushed, and Libby moved, Roger then picked her up. Jazz continued on with a find in the field before the lake. She looked very stylish, on a bird off the edge. We continued on with Jazz disappearing to the front. She was found standing, in the

2010 ABC MICHIGAN BRITTANY OPEN ALL - AGE CHAMPIONSHIP

APRIL 5-6, 2010 REPORTER ED JANULIS

This was the 33rd running of the Michigan Brittany Championship. This past year, as in the previous year, entries were slightly down with only two pros attending this year: Chad Holman and Jim Winnen. We appreciate their continued support of this great tradition. While everyone knows the economy has had an effect on participation one additional area is with more localized championships springing up competing against entries. We need to have ABC date coordinators review this situation and evaluate if this is a direction we want to move in. The Michigan Championships has a long and established history and many a contestant looks forward to competing in this event year after year. By having additional Championships scheduled at the same time there is less and less participation to this traditional championship.

Kent Merryman, the association current president, organized an able group of workers for the all-age, including Wade Haines, Ron Gulembo, John Hall and others tending to the bird planting duties and John & Judy Marinelli, Judy Robbins doing dog wagon and road guard duties on the All-Age Course. Lunches were enthusiastically served by Kathy Byrne, Judy Marinelli, Judy Robin, Donna Janulis, Sherry Merryman and Kathy Gulembo. I apologize if I missed anyone as it takes many people, some times just people stepping to the front from the crowd, to fulfill a need.

Thanks to Purina for sponsorship of this great event and Ray Trimble for his liaison duties insuring that this sponsorship continues well into the future.

Thanks should also be given to the Ionia grounds committee for the fantastic job of maintaining the grounds and continuing to work with the State of Michigan to insure the continued use of this area for field trialing.

I also would like to thank the judges, John Hott and Buck Barley, for their attentiveness in the saddle was appreciated.

The Winners:

Chug, (DC, AFC, Ru-Jems A Touch of Bourbon) owned by Jerry and Ruth McGee and handled by Jerry was the winner of this great event. Chug ran a forward race with two finds nearing the end of the hour.

Second Place went to SY (FC, AFC, Shamrock's Sirius) owned by the ever present Wade Haines, and handled by Chad Holman. Sy was right on the heels of Chug with a forward race and two nice finds.

Third Place was awarded to OZZIE, (DC Hi Point's Bet'N He'll Rock) owned by Ron and Kathy Gulembo, handled by Chad Holman. This fine dog put on a nice show with his youthful enthusiasm and quick ground speed.

Fourth Place was awarded to Stub, (FC, AFC Brisco's MR. Stub) owned by Ray and Mary Jo Trimble, and handled by Ray. Stub has become a consistent bird finder and he exhibited these talents again in this competition.

The Running

Day 1

Brace 1, Mercy, (AFC Lane's End Have Mercy) with Tom Robin and Ace, (Odyssey's Ace of Hearts) with Chad Holman. Both Dogs broke away with enthusiasm from the clubhouse and we were off to a good championship. At 12 minutes, in hires field Ace was found standing with Mercy approaching down the tree line. Unfortunately Mercy did not have manners on the honor and her day ended abruptly. Chad flushed successfully with all in order and Ace was sent ahead. Ace disappeared as we headed for cardiac hill but appeared impressively to the front. At 22 minutes Ace had a second find heading towards the Boy Scout Bridge with all in order. This was turning out to be an impressive performance. As Ace continued onto the derby course he encountered a quail in flight and failed to brake; this ended his day. You could see the frustration on Chad's face as he rode to gather him up.

The second brace consisting of Chrome (FC Kadachrome) with Jim Winnen handling and Ozzie, (DC Hi Point's Bet'N He'll Rock) handled by Chad Holman. The dogs ran well through the gun dog course and shortly after the creek crossing Ozzie had his first find on the right along a heavy tree line and

Chrome came in for a nice back. All was in order and both dogs were sent on following the find. At 20 on the far tree line in the derby course Ozzie was again found standing to the front: after a brief ride to Ozzie, Chad flushed a quail with Ozzie pointing stanchly. Both dogs ran well through cardiac hill and the Boy Scout Bridge area emerging in the all-age area. Chrome was seen to the right and soon after scout called point along the old orchard area. Jim Flushed a quail for Chrome with all in order. Ozzie meanwhile continued his front running style heading towards the two ponds. At 41 Ozzie had his third find near the tree line end. Chad flushed with all in order. At 47 Ozzie went on point near the island with Chrome backing; this was a sight that needed a camera to record. All was in order and both dogs were sent on. Both dogs finished the hour with energy to spare to the front.

Third brace again exited from the clubhouse area after a brief stop for morning coffee and sweets with Jim Case leading the way. Diamond, (FC Choc Talk's Diamond) handled by Jim Winnen and Patch, (Ace's Patchwork) handled by Chad Holman. Both dogs broke away well with Patch showing more independence and range through Hires field, the old orchard and the transition to the championship course. At 34 in the Derby course Diamond had a find along the first tree line. Jim flushed successfully and the dog was sent on. Meanwhile Patch continued to run an impressive all age race stretching to the edges of the course far to the front. At 46 past the gun dog parking lot Diamond established point in a small grove of trees off to the right. Again all was in order on the flush and Diamond was sent on. At 49 in the gun dog orchard Jim again called point on Diamond. When he flushed, to everyone's amazement, a wild hen pheasant arose from the cover. Both dogs continued to run well with Patch in the lead but not rewarded with any birds.

Fourth brace and last of the morning departed from the big oak tree. It consisted of Jake, (Grand Junction Jake) handled by Chad Holman and Chug (DC AFC RU-Jem's A Touch of Bourbon) (first place) handled by Jerry McGee. Both dogs started well running through the gun dog course and orchard with Jake establishing a greater distance. At 15, past the creek crossing, Jerry called point on Chug along the right tree line. Unfortunately no game could be produced and Chug was sent on. Both dogs continued to run forward with Jake the consistent forerunner. Through the Boy Scout bridge Jake slowed slightly while Chug was absent but later showing nicely forward in the all age field. At 41, along the two ponds, Chug again went on point, no bird was produced and Chug was sent on. At 43, in Hire tree line end, Chad called point on Jake, he flushed with all in order. Soon after, Chug also worked the same tree line and established point. Jerry successfully flushed a bird and Chug was sent on. At 53 Chug established point in the orchard area beyond the old barn. Jerry flushed with all in order and Chug was sent on. Both dogs completed the hour running to the front.

First brace after lunch breaking away from the clubhouse was Zoomer, (Ch Kinwashkly Roscius Zoomer) with Allen Norman and Timmy, (Trademark's Iceman) with Chad Holman. Soon after break away Timmy was not pleasing Chad and his day ended. Zoomer continued on to Hire's field where he proceeded to self-flush a quail thus ending his run for the championship.

The final brace of the day returned to the clubhouse for break away, Stub, (FC Brisco's Mr. Stub) (fourth place) handled by Ray Trimble and Cash, (Trademark's ATM) handled by Chad Holman. Both dogs broke away strong with both experiencing brief absences re-appearing in Hire's field. Stub running the center tree line established point at the far end. Ray flushed, fired and stub was sent on in search of more game. Both dogs proceeded on course through the orchard and onto the championship course through the Boy Scout bridge. Cash disappeared for a period as we ran through cardiac hill. Cash never returned to judgment and Chad proceeded to track him. Stub meanwhile had a second find in the first tree line in the derby course. Again all was in order and Stub was sent forward. At 49 past the gun dog parking lot along the stone fence Stub again located game; Ray flushed and fired and Stub was sent on. He finished the hour strong.

Day 2

The previous evening the skies opened up with significant rainfall and as we assembled at this break away the threat of more rain continued to be significant.

Breaking away from the clubhouse was Ryder, (FC AFC Trucker's Wild Ride) with Ray Trimble and Sy, (Shamrock's Sirius) (second place) with Chad Holman. Again both dogs had a good break away with brief absences both re-appearing in the area of Hire's field. At 12 minutes Ray raised his hat as he had seen Ryder standing along the far tree line. Ray easily produced a bird and Ryder was sent forward. At 15 minutes both Ryder and Sy rimming the second part of Hire's field established point along the small island. Both handlers flushed and fired with both dogs standing staunchly. With everything in order we pressed on. Both dogs were running strong towards the Boy Scout Bridge when point was called on Ryder. During the flush, with the bird close at hand, the pressure for Ryder was to great and he ended his day prematurely with an assisted flush. Sy continued at a good pace and range through cardiac hill. Running through the derby course and through the gun dog course Sy experienced sporadic absences but managed to show when he had to. As this brace came to an end Sy still exhibited good stamina and finished with a strong forward cast.

With rain still holding off, the second brace of the day cast off from the Old Oak tree with Chad Holman handling Deacon, (Black Creek Deacon) and Tom Robin handling Turk, (DC Lane's End Frozen Asset). At 14 minutes Deacon was seen standing along a thicket in the gun dog course after a nice opening display of range and ground speed. During the flush Deacon experienced a forward mark. He was sent forward in search of his next encounter. At almost the same time to the right of Deacon, Turk was seen standing along a different thicket of brush. Tom made a valiant effort at flushing and a bird eventually exited the bush. Both dogs proceeded through the remainder of the gun dog course and into the derby course with Deacon ranging the farther. Traveling through cardiac hill, Boy Scout Bridge and exiting into the open areas of the all age course both dogs exhibited strong all age qualities with Deacon ranging the farther. At 43 minutes Deacon was found standing in the far corner of the center line of Hire's field. The bird flushed easily, with Deacon standing like a statue and he was sent on. At 47 Chad again raised his hat with Deacon pointing in the island area. Again with Deacon showing perfect manners, the bird was flushed and he was sent on. Along the old orchard tree line Deacon was again found standing; Chad flushed with Deacon again exhibiting excellent style and manners. Turk was absent for a while but showed in the hay field beyond the orchard and both dogs finished strong.

The ninth brace of this championship again broke away from the clubhouse after a brief recess to allow the torrential rain fall to pass. Chavy, (Sandy Pines Chase The Wind) handled by Chad Holman and Buzz, (Windy Hill Fly By) handled by Kent Merryman were poised at the starting line. After a big break away by both dogs Buzz was sighted standing along the right tree line as we exited the valley. Kent flushed with all in order. At 13 minutes Buzz was the first to reach the infamous tree line in Hire's field and was standing on a bird however Chavy as he approached was slow to react to the backing situation and was check corded as a result. At 17 Buzz decided to take matters into his own hands or paws with birds and ended his day.

The next brace also broke away from the clubhouse Joe, (Broadway Joe) handled by Bill Haynes. This is an emerging young dog of Bill's that shows to have a promising future. However this was not the day we would see his potential to the end; Joe had an early indiscretion on birds and we all headed for the clubhouse to sort out our favorite picks for placements.

One final story to this competition involves one of our bird planters, John Hall. On one particular day, the birds John had placed in his new Ford Escape in what he thought were secure bird bags escaped causing, well you can imagine, the mess it caused. John in his cool and collective manner, simply drove his vehicle to a strategic point on the course and opened all his doors and windows letting the birds plant them selves naturally – that's dedication and commitment.

2010 Nebraska Championship

Raymond, Nebraska

By Mary Karbiner

The Nebraska Championship commenced on Monday, April 19, 2010 at Branched Oak Field Trial Area near Raymond, Nebraska. The plums and red bud were in bloom. The clubs that are members of the Nebraska Field Trial Association have worked to make these grounds compatible to wild life habitat and field trial competitions. The grounds are well groomed, keeping the thickets under control. Many wild pheasants were sighted or heard cackling on the outer edges of the courses. We had pleasant spring weather with sunshine for two days and only a light rain one morning. Springtime in Nebraska can be a challenge with strong storms either rain or snow-this was a nice break.

Thirty six dogs went to the line. The judges were David Taylor of Underwood, Iowa. He handles his own pointers. He was partnered with Dave Borg of Missouri Valley, Iowa who campaigns dogs in the Midwest circuit. Both men were attentive to their task.

The winner was TJ'S THUNDER owned by Dr Bob Rankin of Oklahoma and handled by Jim John of Kansas. Thunder is a seasoned veteran to our competitions. His race is strong and with purpose, his bird work is rock solid showing excellent manners. Second place was T&W'S DIAMOND JIM handled by Justin Kalina of Nebraska and owned by Ed Peace of Oklahoma. Jim was a handful as he covered a lot of country. His find at time was another stylish piece of bird work. The third place was awarded to WINDY HILL BEN. He is owned by Denny Hendrickson of Bridwell, Ohio and was handled by Bob Burchett of Iowa. Ben ran a snappy race with quality bird work. Fourth place was TLM COMANCHE CHIEF owned by Tom Milam of Texas and handled by Justin Kalina of Nebraska. Chief had ample bird work during the hour.

WINDY HILL BEN, Burchett and PRIMETIME OUTLAW JOHNNY, Kalina. We left under sunny skies and chilly temps this morning. We went across the meadow and through the keyhole. At the top of the hill Cash was seen under birds at 5'. Ben pointed in the old fence line where quail were flushed with all in order. He pointed at 22' at the edge of a wooded mott. Several relocations and extensive flushing until the judge sighted a dead bird. Ben covered a lot of the likely places for birds with a snappy application. He was rewarded at 57' and again at 58' along the terrace on the east course. His manners were stylish with all in order.

BRETON'S CASTLE ROCKET, John and TSUNAMI, Johnson. We left the fish camp on the east course. Both dogs were fast on the ground covering some country. Sue had two unproductives at 34' and 41' and was up shortly. Rocket pointed in a brushy thicket, handler relocated him. A quail left the area nearby and the handler elected to leash the dog.

COUNTYLINE'S ACES HIGH, Gorrow and TLM COMANCHE CHIEF, Kalina. From the boat ramp and across the pond dam both dogs hunted, Ace being the wider of the pair. We crossed the wooden bridge and Chief went left and Ace went right where point was called for him. He stood until the flush and then went with the bird. Chief ran along the terrace and pointed under a large cedar tree. He was relocated and worked a large area then moving along the terrace where he pointed again. A single was flushed. At 34' point was called, he released himself and worked through the thicket and pointed again. The handler called a pile of feathers. Chief worked at moderate range quartering from one objective to the next. At 51' a single was produced and he scored again at 59' turning to mark the flight of the quail.

ALAR'S TANGO BAR, Tillson and STARLIGHT'S BLAZING SIRIUS, Burchett. After lunch we headed across the meadow and through the keyhole. Atop the next hill Tango was seen under a pheasant and Sy was behind a pair of quail.

ROCKLAN'S KID ROWDY, Burchett and CAROLINA SEA BISCUIT,

Johnson. From the boat ramp and south Rip was seen behind a quail. Biscuit had a run in with a pheasant and was leashed.

TRUCKER'S WILD RIDE, Gorrow and DAKOTA LUKE, Kalina. This pair was all over the country but not necessarily forward. Luke was up at 30' having a hard time maintaining the front. Rider pointed at 39' near the turn on the east course. Handler flushed then relocated. Rider proceeded to trail through the grass as though he was working a pheasant. He worked over the hill and toward the gravel road where he pointed again. Handler flushed but nothing was seen. He then elected to leash the dog.

SPANKY'S LITTLE PILL BANDIT, Hancock and WAYSIDE'S BLUERIDGE RUNNER, Downing. Threat of showers with sprinkles at breakaway. Both dogs were strong on the ground. Bandit was out of pocket at the gravel road, caught the front at the pond dam. Blue is forward using the country. At 50' Bandit pointed on a terrace. Extensive flushing and relocation could not produce any game. Blue had a nice stop to flush on a pheasant near puppy hill to end the hour.

HAVAPAL'S RENEGADE BILLY BOY, Burchett and JO-LOCKAPEX DARK ROUX GUMBO, Lincoln. We left the gate on puppy hill. At the pond dam turn both dogs took the bottom east, were gathered and sent west toward the concrete bridge. At 12' Billy had an encounter with birds in the tree line and was leashed. Roux had crossed the bridge and was sighted on the far tree line across the meadow. Atop the hill point is called at 22' as he stands near the brush. A single is put to flight as he moves to mark. At 27' point is called by the scout as Roux stands high and thigh in waist high brush. Birds are flushed with all in order. He has covered a lot of country being forward and strong on the ground. Along the pine tree line point is called as he stands near a brush pile. Game is flushed and Roux takes a few to many steps and was leashed.

JUSTAS WELL BE THE GUNNER, Kalina and MR MAGIC II, Gorrow. We left from the gravel road and across the hill. Gunner ran along the brush line where he pointed. Handler went through the brush as a quail left and so did the dog. Magic was out of pocket as we crossed the pond dam. Atop the hill behind the barn, the handler elected to call for the tracker.

DOWNTOWN LUCAS BROWN, John and WIMBERLEY JIM DANDY, Johnson. Overcast skies with a few sprinkles early this morning, temperatures in low 60's. Both dogs traveled across the meadow and through the keyhole. Atop the hill at the old fence line both were seen under birds at 5'.

RICOCHET'S CHANTILLY, Burchett and WOLF RIVER'S WINNING TICKET, Gorrow. From the boat ramp on the west course this pair was hitting a lick. Each searching likely areas for game on the outside edges. We crossed the wooden bridge traveling along a terrace when Tilly had a stop to flush on a pheasant at 42' near a pond dam. At the same time Cash pointed near a plum thicket down on the flat. Handler flushed then relocated but nothing could be produced. Making a wide turn back west, Tilly had a quail find at 47' in a brushy draw with all in order. At 49' across the top of the hill she honored the flight of a pheasant that the gallery put in the air. Both dogs have been hard driving and forward during the hour. Just at time Tilly had a stop to flush on a pheasant before the gravel road.

WINDTUCK ROCKET'S RED GLARE, Kalina and JOKER'S JACKPOT, John. From the gravel road on the east course we crossed the concrete bridge and the big meadow. Both dogs were slow in getting lined out. Atop the hill Jack went forward and Rocket took the brush line toward the wooded mott. Jack made some wide moves but had a hard time maintaining the front. At 32' he was out of pocket, caught the front at the pond dam and was leashed at 40'. Rocket was not returned to judgment.

HI PROOF WHIZKI, Gorrow and RU-JEM'S A TOUCH OF BOURBON, McGee. Wednesday morning sprinkles were lingering until after lunch. At 8' Chug had a stop to flush in the first tree line. At 18' point was called for Whiz in a plum thicket with all in order. At 26' Chug had a nice find on quail in another

thicket. Whiz is out of pocket. At the turn on the east end of the course Chug had an unproductive. Whiz has not been returned to judgment. Time is called by the judges and they ride over a terrace as point is called for Chug in the deep ditch. A quail find with all in order.

BRITTMONT THE HAWK, Gorrow and BOUDREAUX'S POKI JJ JOHNSON, Johnson. We left from puppy hill going west. Point then a yell called the judge and some of the gallery to the sound. Hogan was up with an injury. JJ continued forward with a strong race. At 25' he went into the long thicket just up from the boat ramp where point was called. Quail were flushed with all in order. JJ continued to cover the country. We crossed the top of the big hill up from the boat ramp. JJ went left toward the large motte at the top. Shortly, point was called by the scout. A long brush busting flush ensued without any game put to flight. The hour ended near camp.

TJ'S THUNDER, John and TJ'S PRAIRIE BLIZZARD, Tillson. Both dogs were strong from the breakaway as we headed toward the wooden bridge and across. At 12' Blizzard was tempted by a bird and retrieved to hand for the handler. Thunder has traveled forward with determined application. At 20' he pointed in the deep ditch at the edge of a thicket. Birds were flushed as he stood high and tight. He shot forward on the outside edges of the course to a find at 39' in a brush pile/tree line before the concrete bridge with all in order. We traveled forward across the meadow through the key hole to the top of the hill where point was called for Thunder at the edge of the thicket at 50'. A covey was flushed with good manners. We traveled through the rock crossing and up the hill. The dog went to the pond and then traveled forward along the west fence line. Point was called by the scout as Thunder stood near a deadfall. Game was flushed with rock solid manners to end the hour.

BRISCO'S MR STUB, Gorrow and ROCKLAN'S WHIZZLE STOP, Burchett. We left from camp after lunch, riding across the meadow to the keyhole and beyond. At 9' point is called for Stub where he stands in the long plum thicket up from the boat ramp. Birds are flushed with all in order. Whiz is covering some country with a ground gathering gait as we head east from the wooden bridge. Stub is hitting the cover on the lake edge area. At 57' as both dogs head up the deep draw on our turn at the far east end of the course Whiz spun and pointed and Stub nearby turned to the same brushy area. His handler started to flush and he relaxed his posture. Whiz was taken forward. Stub was gathered and sent on. The hour ended at puppy hill.

KINWASHKLY DAKOTA MOLESTER, John and T&W'S DIAMOND JIM, Kalina. From puppy hill and west both dogs were strong on the ground, hitting the cover. Lester went to the left and lake bottom as Jim came forward to the gravel road. We crossed the concrete bridge with Lester out of pocket and Jim headed toward the keyhole. Jim was being a handful with the handler riding to retrieve him on occasion. Lester is not returned to judgment. As we headed toward the crossing over the wooden bridge Jim took the course to the extreme right. Handler rode to collect him. As we wait for the return point is called. Jim stands rock solid at the lower end of the old fence line. Game is flushed for him with only a turn of the head to end the hour.

JAKE ACRES IN DISQUISH, Gorrow and RICO G'S BLAZEN CYCLONE, Burchett. We crossed the wooden bridge to the breakaway. Both dogs shot forward with strong intent to get the job done. We traveled around the east end turning back west. Across the pond dam a pheasant was in the air with Rico in pursuit. Jake continued forward. At 42' he had a find in the plum thicket up from the boat ramp with all in order. He is strong on the ground hitting the cover. At 50' point is called as we cross through the tree line. Game is flushed from the brush pile within with all in order. Jake finished the hour way across the meadow at the end of a tree line.

REGION IV AMATEUR ALL AGE CHAMPIONSHIP

IONIA FIELD TRIAL GROUNDS, IONIA, MI

As is the case every year, the Championship was a success due to the dedication and hard work of all those involved. The husband and wife team of Kent and Sherri Merryman did a commendable job of Chairman, Secretary, and stakes manager. Thank you to Tom Kuczak for running the dog wagon, Mary Jo Trimble and Judy Robin as road guards, Sherri Merryman and Kathy Gulembo for great lunches, and bird planters Wade Haines, Ron Gulembo, Bill Thomson. Bill was also responsible for preparing a wonderful Championship steak dinner with all the trimmings.

We were privileged to have two outstanding seasoned judges for the stake, Mr. Bob Burchett of Argyle, IA and Mr. Duane Yoder of Saint Clair, MI. The decisions reached by this pair of highly respected judges were well received and their positive, friendly manner was enjoyed by all the competitors and participants.

Thank you to Purina for its continued support of this Championship and the American Brittany Club. Purina provides a number of excellent products and we as field trialers are pleased to support them as they support us. For this event we were fortunate to have Purina rep Jim Smith in attendance to share interesting and useful information.

The Running

Brace 1: FC/AFC TRUCKER'S WILD RIDE (Rider) H: Trimble / RU JEM'S FIST FULL OF DOLLARS (Dollar) H: McGee

Jerry had horse difficulties off the breakaway but soon had him straightened out. Rider made a nice opening cast showing at the corner of the woods and resulting in a find at 9 on the pond tree line. Rider scored again at 14 on Hires' line and again in the Island at 17. Dollar stopped in the open field just feet from where Rider was being released from the find. Gerry went in to flush and was rewarded with a good flying bird. Dollar disappeared at the Orchard and Jerry asked for the tracker after the Boy Scout Bridge. Rider's third find was on the left heading down to the Boy Scout Bridge at 30. He was later found standing again on the Derby course but chased as Ray approached.

Brace 2: FC/AFC SHAMROCK'S SIRIUS (Si) H: Haines / FC/AFC WINDY HILL FLY BY (Buzz) H: Merryman

Both dogs ran nice races with Si wider early and Buzz gaining ground as the hour progressed. Si scored a find at 41 on the pond line, all was

in order. Buzz pointed at the end of Hires' line at 49. Si was whoaed to a back and both dogs were steady at the flush. Si went on to point in the Island, but temptation got the best of him. Buzz garnered a stop to flush on this bird. He finished the hour hunting to the front.

Brace 3: FC BRISCO'S MR. STUB (Stub) H: Trimble / DC LANE'S END FROZEN ASSET (Turk) H: Robin

Breaking away at the Clubhouse, Turk hunted at mixed range, working both forward and lateral, casting into the woods on several opportunities, and finished the hour with no birdwork. Stub hunted the hour intelligently and was always driving forward. Just when it appeared his diligence would not be rewarded with birdwork, Stub averted the looming disappointment by stylishly pointing in the final seconds remaining just before the last hedgerow on the back edge of the gundog orchard. With an easy flush and perfect manners in hand, Ray quickly gathered up Stub after the release and his performance was concluded.

Brace 4: DC HI POINT'S BET'N HE'LL ROCK (Ozzie) H: Gulembo /DC/AFC RU JEM'S A TOUCH OF BOURBON (Chug) H: McGee

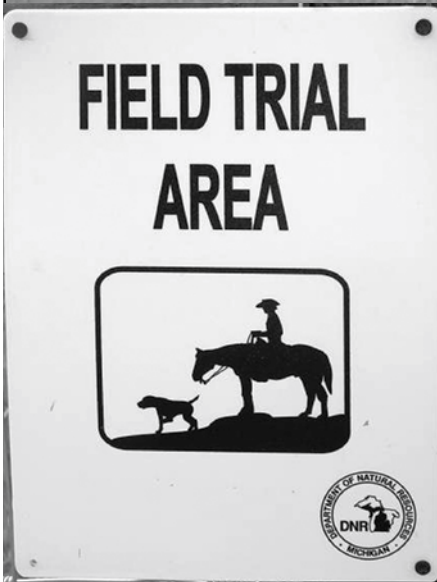

Both dogs broke away strong from the Big Oak and, after rimming the south edge, were to the front before the Orchard. Ozzie was found buried in the thick cover on the Derby course at 22, and a covey was produced. Chug was well forward. Chug took the right edge to the Boy Scout Bridge and was next spotted on the left edge where we rejoin Course One. Chug scored a find that required relocation on the Pond line at 45. All was in order. Ozzie scored a find on Hires' line at 52. At 56, both dogs were found on point on the Island. Credited as a divided find, Jerry elected to let Ron flush and Chug lost his manners as the bird flew his direction. Ozzie stood the pressure of the poor flying bird but was unfortunately lost at time, three minutes later.

Brace 5: KD'S SLIP-N-SLIDE (Splash) H: Jagielski / OPEN RANGE (Range) H: Borst

Splash had an inconsistent start and had a dead bird in tow at the end of Hires' line. Range suffered a long absence after the breakaway. He reappeared near the Old Barn at 17. Next sighted at the corner of the Orchard, Range was stopped. As the handlers approached, it was noted that Splash was there as well and had a bird in his mouth. He was leashed by Tom. Range went on alone and carded non productive at 25 and a find at 29. He scored another find on the next line at 31 requiring a well

Region IV AAA Championship: L to R - Mary Jo Trimble, Duane Yoder, Judge, Ray Trimble with Brisco's Mr. Stub, Jim Smith, Purina Rep., Rob Richter with RC's Ruff Ranger, Carol Richter, Bob Burchett, Judge, Kent Merryman with Windy Hill Fly By, Sherri Merryman, Tom Robin with Lane's End Have Mercy.

executed relocation. Range experienced a second nonproductive at 39 but finished the hour.

Brace 6: FC/AFC TRADEMARK'S ICE MAN (Timmy) H: Janulis/AFC LANE'S END HAVE MERCY (Mercy) H: Robin

Breaking away from the Big Oak, Timmy displayed several nice casts past the gundog parking lot. He had a notable cast through the woods from Cardiac Hill to the Boy

Scout Bridge. Unfortunately, Timmy disappeared into the woods at 50 and was not returned to judgment. Mercy carded finds at 10, 20, 23, and 50, very stylish and all in order. She added a non-productive at 53. She exhibited good application and range mixed with an energetic ground race.

Brace 7: FC R&J'S BUZZ CUT (Buzz) H: Jagielski/FC BROADWAY JOE VI (Joe) H: Haynes

Breaking away from the Clubhouse, Buzz was slow to get started but was building in groundspeed and range. Unfortunately, this enthusiasm was his undoing when he scented and caught a bird at 15 in the Island. Joe started strong and first appeared at the ponds. He then hooked the line backward and, when next seen, was on point at the corner of the Orchard. Bill saw a squirrel in his flushing attempt and tried to take Joe forward deciding the squirrel was the source of Joe's attention. Determined, Joe went back, ultimately showing Bill the error in his judgment by chasing with gusto.

Brace 8: ODYSSEY'S ACE OF HEART'S (Ace) H: Janulis/ FC/AFC RC'S RUFF RANGER (Ruff) H: Richter

Ace made a big cast off the breakaway and was found standing a dead bird at 4. He made a nice move down Hires' line and around the Island field. Ace pointed past the Old Barn then chased enthusiastically at 17. Ruff broke away to the right and showed briefly at the dip before racing down the center line towards the day parking lot. Just as Rob was looking to send his scout, Ruff was located on point along the pond line. After the find, Ruff made several workmen like moves to the Boy Scout Bridge. He stretched out past Cardiac Hill and at 43 he was found on point on the Derby course, all in order. Ruff's race built in range as the

hour progressed and he concluded his time with a strong finish.

Brace 9: Hi Point's Sure Shot (Bullet) H: Gulembo/Windy Hill Whirlwind (Tazz) H: Merryman

Both dogs were leashed early and the gallery returned to the club house to await the placements.

Field Trials

East Central

Michigan Saginaw Valley Ionia, MI

May 20-23, 2010

By Sherri Merryman

The Michigan Saginaw Valley Brittany Club finished up the 2010 spring field trial season on a high note. The Ionia State Recreational Area is such a great venue to run dogs. We are very fortunate to be a member of the Ionia Field Trial Association. Thank you to all of our judges, workers and participants for making this a successful trial. We appreciate everyone hanging in there when the temperature reached the upper 80's. With 138 dogs to run, we only had one scratch.

Michigan Saginaw is a small club, but we have great members. Thank you to everyone who grabbed a bird bag, ran the dog wagon, took on the lunches (Thanks Kathy Byrne), I really hate that job, got participants to the line, and just showed up and helped. It makes such a difference.

We were really happy to see some of our old and dear friends, but were very happy to see some new faces too. Hope they enjoyed spending some time with us.

Congratulations to our winners, and they are as follows:

WASHINGTON

BLM Goose Butte Mgmt Unit

Ritzville, WA

September 17- 19, 2010

We ran 131 dogs over three days under cloudy skies on Friday and Saturday and occasional pouring down rain on Sunday. The cool weather (in the 50's & 60's) was just right for hard running dogs of which we had many. The competition was keen in most every stake.

One of the highlights of the event was the OLGD and OGD wins of "Mikey's Spice Girl," owned by Jerry & Carolyn Cape of California, and handled by Paul Doiron, which finished her field championship title. Another highlight was the dinner WBC hosted for our judges and spouses on Friday night at Casuela's Mexican Restaurant in Ritzville. Most of the attending field trialers joined us. The food was great and the conversations were definitely entertaining, at least at our table. One lady in particular, at out table kept us all laughing after having a couple of Margaritas! The conversation was not only funny, but also very enlightening, at least for me. I learned what a "blue footed booby" was, this was about the time her husband put his hat over his face... It was a delightful evening. Another highlight was the coffee and banana bread served on Course 1 between Braces 2 and 3 of the Open All Age- just like the Nationals! To top it off, we had two visitors from the Montana Brittany Club join us at our trial; Sandy Becker came to watch her dog run and Tana Kradolfer came to Apprentice Judge both the OAA (13 Braces) and the OGD (11 Braces). We only got to see her at the lunch break and the pot luck Saturday night. She was in the saddle at 6:45 a.m. each day - good job, Tana!

Our sincere thanks to our judges and our helpers and a special thank you to Char Benedict who bagged birds all three days and Bob and Pam Battin, who planted birds and fixed meals respectively and, of course, all the many other who helped make this trial a success.

NORTHERN CALIFORNIA

Corning, CA

October 2-3, 2010

An unusual late-season heat wave challenged competitors on the first day of the Northern California Brittany Club's Oct. 2-3 fall trial, but afternoon temperatures topping 100 degrees didn't put a damper on the energy shown in the field by Open Gun Dog and Open Walking Puppy contestants. Cloud cover on Sunday morning helped cool things off a bit in the Amateur Walking Gun Dog, Open Walking Derby and Open All-Age events. In all, 87 entries were fielded at the weekend trial held at Clear Creek Sports Club in Corning. Many thanks to

the judges and marshals who spent long hours in the saddle, the bird planters, who seeded the course with an abundance of chukar, and the trial committee members who kept the event running smoothly while ferrying an endless supply of five-gallon jugs of water to the line. Thanks, too, to the gunners who pushed through dense cover to shoot the first bird pointed on course by each of 25 competitors in the AWGD event. A huge round of applause goes out to club president Debbie Coyle Lawwill, husband Steve, daughter Kasarah and other members of the hospitality committee who spread the table in the barn with a bounty of homemade dishes ranging from breakfast burritos to some of the best barbecued chicken and ribs to be found this side of Kansas City. About two dozen club members and several guests, many of who weren't even running dogs, worked from before sunup until long past sundown to make the event a memorable success. Out host, club manager Brad Henman, provided a warm welcome to the beautifully maintained grounds that were being prepared to host the Retriever Master National Stakes the next week. The Corning grounds, part of a 2,000-acre reserve owned by the Paskenta Band of Nomlaki Indians, are highly appreciated by the field-trial community due to the many amenities, including a club house, casino, RV park and hotels, that are available to visitors.

**Whid Isle Brittany Club
&
Inland Empire Brittany Club
Spring Field Trials
April 10-14, 2010**

The Whid Isle Brittany Club and Inland Empire Brittany Club held back-to-back field trials this spring at the Goose Butte BLM Area near Ritzville, Washington from Saturday, April 10th through Wednesday, April 14th, with Monday, April 12th being a rest day for dogs, horses and handlers. We had a nice slate of approximately 75 starters for each event with participants from Washington, Idaho, Oregon, and California. As expected, we experienced typical spring weather for eastern Washington with periodic rain showers, gusty winds and occasional sunshine. Since we didn't have to contend with the hot, dry conditions we normally have in the fall, scenting conditions were good and multiple pieces of bird work were not uncommon in all of the stakes.

A couple of highlights to note: Joe Waitman's dog, FC/AFC Cedar Creek Zeb MH, won both the OGD and AGD stakes at IEBC and took second in the OGD at WIBC. Zeb continues to be one of the top gun dogs in the Northwest and is tough to beat on these grounds. Wayne Hale's dog, AFC Here We Go Again JH, won the AGD at WIBC and his other dog, FC/AFC In It For The Fun MH, placed in the OGD at WIBC and the AGD at IEBC. It was nice to see Wayne up in our area again and he showed us all that his dogs are competing at a high level. Finally, Tom White's dog, DC/AFC Emme's Cabo de Scipio, won the OAA at IEBC and two of Tom's young dogs picked up placements in the OP and OD stakes at both events. Tom and Margaret's dogs consistently do well and we anticipate the same out of their youngsters.

We want to thank all of our judges for their attentiveness and time in the saddle. They did a great job and their placements were well received. Additionally, we want to thank pros Paul & Peggy Doiron and Wayne Down for

bringing their strings up to Washington and supporting our field trials with their numerous entries. Without the support of professional trainers, the entry at our trials would be significantly smaller and it would be difficult for our clubs to remain financially solvent. We would also like to thank everyone who pitched in to help with bird planting, water transport, food preparation, etc. Your assistance is really appreciated in helping make these trials run smoothly as neither of the sponsoring clubs have a sufficient number of people (or the necessary horsepower) to get everything done. Finally, I would like to thank the Whid Isle BC and Washington BC members who worked so hard to makes these events successful.

Field Trial Chairman

2010 Delaware Valley Champagne Memorial Shooting Dog Classic

Delaware Valley Champagne Memorial Classic Winners. In foreground, from left: Rovans Rock Ridge Rt Ascend with Phil Bogdanovitch, Hopes Carolina Sunshine with Bill Applegate. Behind: Hit's Along for the Ride, winner, with Ralph and Judy Kiracofe. Judge Ernie Saniga, Blue Rock's Diamond Girl, Runner-up, with John and Joanne Perry, Judge Gus Allimonos and Marvin Roth.

The spring monsoon gave way to perfect weather for our 2010 Delaware Valley Champagne Memorial Classic at the English Setter Club in Medford, New Jersey. It is impressive as you drive up to the clubhouse and see banners of each of the previous winners gracing the roadway. This year we had 22 dogs brought to the line for judges Ernie Saniga and Gus Allimonos to review. We would like to thank all the participants, judges and Nutrena for providing us a class event. This classic was hosted by the North Jersey Brittany Club.

The Winners:

Day 1:

Brace 3 – BIG DEAL LUCELLE (Lucy) – Frank Boccanfusco, owner/handler
BLUE ROCK'S DIAMOND GIRL (Diamond) – John Perry, owner/handler

On the first day of the running, Wednesday, we ran 6 braces. We had nice weather and brace 3 broke away. Both dogs were strong runners and held their edges nicely. Diamond and Lucy went down the powerlines out to Jake's Cut. Diamond went right and established point at 30 minutes. Birds were flushed and everything was in order. Lucy hunted the cover to the other side and point was called. Frank chose to pick up Lucy. Diamond was forward, continuing through the cowfield, up through the woods and out to the island where point was called at 40. Again, birds were flushed and Diamond's manners were intact. She continued her forward run and she was found standing off the edge of the barking dog woods at 55. Diamond's point was stylish. The covey was 20 feet in front and moving. John went in flushed and all was in order. Diamond was released and time was called.

Day 2:

Brace 8 – HIT'S FOR PETE'S SAKE (Pete) – Judy Kiracofe, owner/handler
HOPE'S CAROLINA SUNSHINE (Sonny) – Marvin Roth/handler, Bill Applegate/owner

Thursday was another nice day and we ran the remaining 5 braces. Brace 8 broke away mid-morning. They broke away strong. Sonny disappeared into the cedars then came up the tree line, and Pete went up the tree line out towards the island. Both dogs turned left. At 15 minutes point was called. Sonny was on point at the bridge. Marvin flushed the birds and Sonny stood strong. Both dogs were making nice casts up through the cowfield and out to the island at 30 minutes where Pete was standing and Sonny came in for the back. A covey of birds were flushed and both dogs with good manners were moved on. Both dogs moved well through the fields. Sonny established point at 40 minutes at the right side of Jake's cut and Pete took the left side and continued forward. Sonny's manners were intact once more and he was released and sent to the front. At 52 minutes Sonny was found standing at the corner of the barking dog woods. With nice style, birds were flushed and he was sent down the cedars out by the airport and time was called. Pete was out of site when time was called.

Brace 9 – ROVANS ROCK RIDGE WIN JAMMER (Jammer) – Phil Bogdanovitch, owner/handler

HIT'S ALONG FOR THE RIDE (Ellie) – Judy Kiracofe, owner/handler

Both dogs broke away to the left. At 10 minutes point was called as Jammer was standing at Jake's Cut. Phil flushed the birds

and with everything in order Jammer was moved on. At 20 minutes point was called and Ellie was standing by Jake's Cut well off the bird and nice style. With all in order, Ellie was moved on. Both dogs were moving nice and filling the fields well. Ellie was handling kindly. Jammer was standing 30 minutes at the bridge. All was in order and she was moved on. At 50 minutes point was called and Ellie was standing in at the island. A covey was flushed and Ellie stood with style. Ellie was released and made nice casts through the fields and at 55 established another stylish point over by the bridge. Judy flushed the birds, all manners were in order and she was released forward. Both dogs covered a lot of ground and finished well.

Brace 11 – ROVANS ROCK RIDGE RT ASCEND (Cender) – Phil Bogdanovitch, owner/handler
MARJO'S IRISH LEGEND (Kay) – Judy Kiracofe, owner/handler

Kay and Cender broke away. At 5 minutes Kay established point at the bridge then decided to go with the bird. Cender was forward rimming the field; point was called at 9 minutes at Jake's Cut. The birds were flushed with everything in order and Cender was sent on. She handled nicely around the fields. At 30 minutes point was called at the island. Phil flushed the birds and Cender's manners were in order. At 35 minutes as we crossed the bridge Cender was found standing. Once more she was good on her bird work and she was sent forward. Cender made nice moves in the fields and held her edges and finished well.

The quality was not only provided in the field but we had events every night after the day's competition was done. Phil Bogdanovitch put on a very nice winner's dinner for Jammer's win last year. We all enjoyed the pot roast dinner and hor'dourvs. With plenty of food provided through the week, a Chinese auction, and a blue grass band to wrap it all up, everyone had a good time and the Classic was a success. A special thanks goes to our sponsors Loyall, Nutrena, Water and Wings, and Pete D'Angelis for helping to put on this successful event. If you missed this year's event we hope you will join us next year.

Our summer specialty show was again held with the Houston Combined Specialty Association shows as part of the prestigious Reliant Park World Series of Dog Shows, a 5-day cluster of shows in the sprawling Reliant Center in Houston, Texas. The weather outside was hot and humid but inside the temperature was cool; everyone was anticipating their dog's showing. Our entry was up this year with 4-point majors and a large showing of champions. We sincerely thank our judges, our many Brittany friends and supporters from Texas and out of state entrants from Louisiana, Colorado, California, Nebraska, Oklahoma and Nevada. We hope you will return next year for this 5-day series of shows.

Mr. Louis Pardo competently judges his 4 sweepstakes entries, a small but quality group of young Britts. Mr. Pardo awarded Best in sweepstakes to RAZIN-A-RUCKUS TOO MUCH TORQUE owned by Pam and Briscoe Orms and Best of Opposite Sex to POWDER RIVER'S ANGEL WINGS owned by Cheryl Krajcar.

Mrs. Adelene Pardo, renowned handler and judge, did an excellent job of judging her 11 dogs, 11 bitches, 2 field trial entries and 10 champions in the breed ring. After carefully considering all entrants, she awarded Winners Dog and Best of Winners to DECARTIER'S WATCH MY TAIL LIGHTS owned by Terry and Wayne Carter; Winners Bitch to CHISHOLM TRAIL'S KOUNTRY KATE owned by Diane Hale; Best of Opposite to TRIUMPHANT PEACHCREEK ELECTRA owned by John Lisano-Breckenridge; and best of Breed to GOURLEY'S DFL 99 CARAT DIAMOND owned by George Stern and Christine Gourley.

Junior Showmanship with 3 entries was also judged by Mrs. Pardo and she selected Ty Bokelman as her Best Junior Handler.

Thank you to all who attended our show especially Sandy Faulkner, our Ring Steward, with Barbara Steele assisting, and club members Fred & Betty Brooks and Patricia and Larry Mankin.

AND, we cannot forget our generous trophy donors Tom & Sandy Schrank, Steve Hintzel, Fred & Betty Brooks, Braescroft Animal Clinic, Kris Kieta, Larry & Patricia Mankin, Robert Power and Jim & Mary Crawford. Thank you for supporting our show. Hope to see you next year!

50th Anniversary Show

This year's show brought us an entry of exceptional quality. Good friends and some new Brittany folk gathered together to celebrate our breed. We were blessed with low humidity, moderate temperatures and great judging.

We wish to thank all who attended as well as those who worked so hard to make this specialty a success.

MINNESOTA

August 27, 2010

The Minnesota Brittany Club held its annual Specialty show August 27th in conjunction with the St. Croix Valley Combined Specialties. This was a change in venue and date. The hope is that more people will be able to attend these shows and entries will grow. We are extremely grateful to Purina for their sponsorship of our show - Thank You!

Both judges commented on the excellent quality of the dogs they judged. Our sweepstakes judge was Sarah Patterson. A local exhibitor who came up through junior classes and has shown her dogs extensively. For Best in Sweepstakes she chose ANNA B ROSE AS YOU WISH shown by her owner Aly Mentzel. Best of Opposite went to the liver girl, OVERUNDER LITTLE MISS LIBERTY BELLE handled by her owner Anna Marie McClain. Both of these handlers are young ladies who are working with their first show Brittany's &

they did an excellent job.

Sarah's choice for Best Veteran in Sweepstakes went to the Hedstrom's CH BANTAM UNLEASHED in Toby's first time out as a veteran. Best of Opposite was awarded to the Brandon's lovely, consistent winner CH RAINBOW'S FANCY LADY'S FORTUNE.

Our judge for the regular classes was Mr. Jeffrey Pepper who gave each entrant his undivided attention. His choice for Winners Dog went to the Droel's SOVEREIGN'S CUT TO THE CHASE, with Reserve going to Aly & ANNA B ROSE AS YOU WISH. Winners Bitch was the Hedstrom's BANTAM'S FIRECRACKER who is a younger sister to the veteran Toby. Reserve went to JOZAN'S CASTING A SPELL handled by Doug Carlson for a very happy owner Cookie Peterson. Best of Breed went to the Hedstrom's young liver CH BANTAM'S BRAVO DUFFY. Opposite went to the Gust's CH OVER UNDER'S KILLIN TIME handled by young Caycee McClain. Best of Winners went to Ditto & Select Bitch was awarded to the Brandon's CH FANCY'S MIDNIGHT SPECTACULAR. Rounding out the awards was Best Puppy going to the McCann's LOST CREEK A SHOT OF BOURBON.

I would like to thank everyone who helped with this show. Dawn Droel chose trophies that were well liked by owners & their dogs. Charise Milsop & Greg Massoglia handled ring steward duties. Jenny McClain worked the trophy table. Thanks to our trophy donors: the Brandon's, Droel's, Millie Frame, McCann's, & Pluth's; also to Eileen Gust for providing hand made collars & gift bags from Pet Food Etc for each winner. A big thank you to Dave Pluth for helping me unload everything from my van.

Special thanks to Mary Tyson for coordinating the club picnic held after judging. The food was great and everyone had a good time. It was especially nice to see Elmer & Anita Carlson along with Dave Carlson cheering on our Brittanys.

We had new handlers out showing their dogs for the first time. We're looking forward to seeing John Chejne with his young dog again; and the McClain girls - Anna Marie, Bethany, & Caycee are sure to continue their winning ways.

I apologize if I left anyone out - thank you one and all - looking forward to seeing everyone next year!

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
