The American Brittany

VOLUME LXIII • NUMBER 7 • JULY 2011

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

THE LAST BOBWHITE, DAVE KENNEY'S OUTDOORS IN FACT AND FICTION

“More Than One Way: How Belle Became a Good Retriever” Part I • Page 12-15

{In this article, Dr. David, in story form, tells us how a father taught his son the secrets of hunting quail and making each shot count. In the next couple of months, we will continue with Gar Benbow's lessons and Belle's development as a “retriever”. Mary Jo}

The old man had owned bird dogs for more years than he cared to remember. In his youth he had hunted behind good dogs in the southern Illinois counties where he had grown up. First, it was in the company of his father and uncles and other adult friends, later with his father-in-law and companions of his own age. Quail were plentiful then and dogs had much opportunity to learn their trade.

Later in life he had gotten into field trialing in a modest way, with some success, and enjoyed nothing more than being up on a comfortable walking horse, watching an eager derby or an accomplished shooting dog show its wares.

But always, he was the hunter. In recent years most of his hunting friends had been younger than he as time took its toll of his contemporaries.

Now he was old and tired, nearly out of gun dogs, and his time was his own. So when he awakened to a mild, clear, February Saturday morning, with nothing of any great importance on his weekend schedule, he decided to make the three-hour drive to the field trial grounds where one of the clubs he had long supported was holding its winter trial.

“I'll be there for lunch,” he told his wife at breakfast, “ride the afternoon, and stay over with Don. Then be back by dark tomorrow.”

As usual she agree with him. More than fifty years together had left them amiable in all their relationships. He had been much around the house during the winter, and she felt pleasure at the thought of a weekend to herself.

So the old man got his gear together, stowed it away in his pickup truck, that like him was definitely showing signs of its age, dutifully kissed his wife goodbye, and was soon pulling onto the highway that ran near his home.

As he left his drive he noticed how peaceful and pleasant his home appeared, settled on its sun-lit hillside in a ring of trees and shrubs. A plume of smoke was rising from its chimney from the fire he had kindled when he rose. He had felt the chill of early morning more keenly in recent months, and began each day by lighting a fire on the living room hearth. The garden plot where he had spent much time in the years of his retirement, clad in its somber brown winter dress, was the last view he had of home, save for his wife waving goodbye from the big front window.

Traffic was light on the highway, and as the old man drove south from the place where for forty years he had lived, and the university whose students he had taught for all that time, he found little to prevent his thought from turning back to times of long ago. . .

The old man had been a young man once, of course. His name was Garold Benbow; from boyhood days he was called Gar. He had grown up hunting the quail of his family's farm and the acres nearby.

As a boy, most of the birds he took were incidental to his search for rabbits, and he learned how very hard it was, without a dog, to find a quail dropped dead on the forest floor. Gradually it had come to him that the bobwhite was by nature a perfect camouflage lying on a mat of autumn leaves. There it became almost invisible. Upon bare ground it

stood out sharply. The fallen mourning dove, in contrast, lying on open ground, defied perception; but brought down at the forest's edge upon its floor, was easily found.

Gar concluded that the dove was best disguised for its most common habitat, and the quail as well; and this and a thousand other observations of the natural world became a part of his informal education.

More and more often, he recalled, as he had grown up, his hunts were for quail, with the dogs his father kept. He remembered now a little setter bitch, brown eared and heavily ticked, that provided companionship the mild November afternoon he shot, for the first time, a limit of bobwhites.

The birds they found that day were in the main lying in or near small wood lots, and flew only short distances to weedy cover, where Flirt stood them one by one. They lay tightly before her, and when flushed, flew in most cases straight away.

It seemed like the easiest of shots, but after he had missed two or three, Gar turned in frustration to his father, Gerald, for advice.

“They seem to be flying level and straight away,” Gerald said. “But when Flirt points again, watch from the side how this bird rises. You've been shooting below them.” So Gar went to the side when the bitch soon pointed staunchly near by. He saw the bird spring from the grass before his father's foot, and rise steadily until its flight was ended by the gun.

“On a straight-away shot, stick your gun barrel up under its tail,” Gerald told him, “and keep it moving with the bird until you cover it up, then pull the trigger. Works every time.”

Minutes later Gar had his chance to test that advice. The little setter pointed in a brushy strip along a woods-edge and when the bird buzzed out of the cover it seemed to Gar that it was flying directly away from him on a level with his eyes. But he made himself continue to swing the muzzle of his gun upward until the quail disappeared behind it. With his shot, feathers flew and the bird hit the ground with a thump. Gar was well on his way to learning how to “shoot them where they're going to be,” as Gerald put it.

Straight-away shots were one thing, quartering birds another. Gerald learned from trial-and-error how very important it was to keep the gun moving, once it had been swung on the line of a departing bird. He came to know without thought how far ahead of an angling target the muzzle of his shot gun had to be. His mind came to sum the data of angle, speed, and distance while the gun stock was coming to his shoulder. Sometimes on tightly turning birds it was all he could do to whip the gun barrel around rapidly enough to gain the lead he knew was needed.

From time-to-time a bird was flushed far to the front and came back into the gunner's face, seeming to be on him in a moment, flashing by and safely away to the rear. Gar attempted to turn and take the bird going away, but that didn't seem to work, so he went again to his father for counsel.

“As they come toward you they're rising,” Gerald said, “just like the birds going away. So bring the muzzle of your gun up under them fast, until they disappear behind it, then pull the trigger as you keep the gun barrel swinging on the line of the bird.”

Gar did as he was told at his next opportunity, and like magic the bird hit the ground at his feet. That became one of the shots he most enjoyed, and later he used it on doves, standing in a hedgerow that they were using, taking the incoming birds to right and left exactly as Gerald had taught him to on a splendid autumn day with the animated little setter pointing bird after bird.

That ingrained awareness of lead and angle served him well on countless days that followed, through the decades of his hunts. On many a sharply turning quail that intuition told him —“not yet. . .not yet” — until the swing of the gun over took and passed the bird in its line of flight. With that split second the mind said —“now!” — and the gun would speak. It was pure reflex, and far more satisfying, as reflex tends to be, than any amount of conscious calculation.

ABC 2010 National Specialty Show

Fort Smith, AR • November 26-28, 2010

Submitted by Christina Ward-Weber

The 2010 ABC National Specialty was held in its new location in Fort Smith Arkansas at the State Fairground Park. This was a new site for our show and it provided plenty of parking for vehicles and large indoor rings. The weather was once again great, with the rain waiting until Monday to start. I personally want to thank everyone for the support, contributions and for the morning coffee runs provided by Karen Hansen & Traci Clarke. What people will not do to keep the show chairman awake! I could not have been happier with all the great help and all those who contributed by entries, donations and services. The 2010 Nationals seemed to bring more friends and acquaintances together to enjoy the weekend.

An excellent team of workers helped this event do all that was needed. Robin Tomasi was the Trophy Chair - made sure all Trophies were awarded with Alex Findlay keeping Robin in check; Susan Kerns was the Obedience Chair again and our ring steward position was once again held by Dianna Kroll who once more came to host our judges and keep the rings running. Becky Rao and her sister so generously donated all the table decorations and centerpieces in addition to her great sponsorship of many of our sweepstakes classes. Others took turns helping to sell catalogs and man the T-shirt handouts while Traci Clark managed the silent auction. Our show videographer was busily working the cameras.

Many busy bees under the direction of Tony Morabito arrived to set up the ring and grooming areas and they were almost done by the time I arrived. Now those are what you call volunteers! Tony also handled the 50/50 raffle with Diane Kubitz winning the raffle.

A HUGE THANK YOU to everyone who helped and if someone was missed, it just means you did such a great job I didn't even have to figure out what I forgot to do. A big thank you goes to all who sponsored prizes, bid on items, bought T's and Sweatshirts. Thanks to your generosity 100% of the trophies were covered and our building costs were met. I think we all pulled together and I thank you.

We did however have one major disappointment since it appears we may never get the club photos taken by the show photographer and I am aware many of you have not received what you ordered. For this, I am truly sorry. The photos used with this article are photos I had so I apologize for the lack of perfection. We are working on resolving this issue and making a new choice for 2011.

2010 ABC National's Junior Showmanship

This year we had 9 Junior Handlers entered to compete in Junior Showmanship. The weekend started off Friday evening with the kids having the opportunity to get hands on instruction and practice with experienced handlers/breeders. Doug Tighe, Terri Hilliard and Valerie Dombrowski worked with the Juniors for about an hour giving them tips and advice on how to show their dogs. Pizza was delivered and enjoyed by all who were there. Each Junior received a "goodie bag" filled with great stuff from Purina, Isle of Dogs and contributions from individuals. The competition was fun to watch as each of the Juniors did an excellent job presenting their dogs and incorporating the new skills they learned. In the end, Kim Barwick, with her dog Buddy, won the title of Best Junior. This was Kim Barwick's 2nd Best Junior at the American Brittany Club Nationals.

We are still are currently working on putting up the new 2011 trophy sponsors pages on the ABC website. Please check there for sponsorship and trophy lists. If you want to sponsor the trophy you won in 2011, contact Robin to reserve your sponsorship. For 2011, all sponsorship, ads, and fee payments will be available online at the ABC website under "Upcoming Nationals."

On Friday afternoon we started with Obedience and Rally competitions, followed by Junior Showmanship and Breed judging. Nancy Simmons judges all these events. Below are the major winners. Rally, Obedience, Sweepstakes, Class & Award of Merit winners are listed after the judge's remarks.

General remarks from our judge Nancy Simmons:

"The American Brittany Club 2010 National Specialty was a very successful, well-run show. Congratulations to the Show Chairman, her committees, the Board, and the membership. I was truly honored to be invited to judge. I knew that I would have good dogs to judge, and I was not disappointed."

There were quality entries in every class. I was impressed with the quality in the Veterans, Field Trial, and National Qualifier classes and gave several of them Awards of Merit. They were in good condition with good rib spring. In general, most of the dogs were sound and were built to do their job.

Some of the entry deviated from the desired square proportion by tending to be a little long. It is important to keep the square proportion at the top of your priorities in a breeding program. A few of the entries did not have a correct topline with the slight slope, some having a soft topline and a couple high in the rear, but overall, the entry had good toplines. There were some differences in head types but most of the entry had the desired soft expression of a bird dog. A majority of the entry had the clean movement that is needed for a breed that can hunt all day.

I was very pleased with the exhibits in the Winner's classes. Both the Winner's Dog and Winner's Bitch completed their championships with their wins at the National. There were many others that I'm sure will finish quickly.

The Best of Breed class was outstanding. It was difficult to eliminate many good dogs. In this class I felt that I was trying to find the fine points in the breed. I understand that the Best of Breed winner is now being retired after a very successful career. Her movement was flawless. I am certain that I had many BIS, BISS, and Group winners in this class. Congratulations also on the great entry in Junior Showmanship. The Juniors all did a very professional job.

The Obedience and Rally on Friday had some very nice working dogs; however, some of them that normally have high scores did not qualify for one reason or another. That was disappointing. The High in Trial winner had a very respectable score of 195, which would have been higher had it not been for one no-sit error.

Thank you for giving me the honor of judging the ABC 2010 National Specialty. I had a wonderful time. All of the hospitality arrangements were very nice. I truly enjoyed judging the Brittany's."
Nancy D. Simmons

RALLY & OBEDIENCE

Entries were up, but we could still do better.

Our high in Trial winner was a new competitor to the Nationals, Jayhawker's Lucky Jack UD, with a score of 195 and owned and handled by Greg Hartlmeier. Congratulations!

CONGRATULATIONS TO ALL THE WINNERS!

What's new in 2011?

Two new classes will be added (per board approval): Owner Amateur Handler & 15-18 months in the regular classes. Larger prepaid grooming sections (limited to 44) will be available and there will be an all breed Obedience trial on Friday morning with the National Specialty Obedience & Rally in the afternoon. A fun match will be held on Friday night for puppies from 4 months and up.

We have a new superintendent: Foy Trent Dog shows, PO Box C, Sturgeon MO 65284, (573) 687-2101 - www.foytrentdogshows.com.

What's the same? Trophy donations: contact Robin Tomasi. Silent Auction again chaired by Traci Clarke, New T's & Sweatshirts coming soon.

What help do we need? We need volunteers to help sell catalogs, hand out pre-ordered Sweatshirts & T-shirts, an announcer, and set-up/tear down assistance. Contact me if you would like to help.

Rugged. Reliable. Proven.

The Leader in Electronic Dog Training Equipment for over 40 years.

2010 Eligible Futurity Litters

Submitted by Judy Graves, ABC Futurity Secretary

Listed below is the listing of litters eligible for the ABC Futurities to be run during the Spring of 2012. All litters were whelped during the calendar year 2010. Individual Final Forfeit (due October 1, 2011) nomination forms will be mailed to the breeders of these litters as well those owners who requested to be on the mailing list in July 2011. If you have a pup from one of them, you should receive a form from the breeder. If you do not, contact the breeder and request a form, contact the ABC Futurity Secretary, Judy Graves, 1076 County Road #415, Friedheim, MO 63747, phone 573-788-2208, cell 314-517-7317, e-mail Judyg235@aol.com, or look on the ABC website.

The forfeit form indicating each of the three sectional Futurities – Eastern, Central and Western – whether for All-Age, Gun Dog, or Show – MUST be received by the Futurity Secretary no later than October 1, 2011 to avoid late fee penalties. All final 2012 forfeits will be acknowledged by mail or e-mail. If you do not receive an acknowledgement within a reasonable time (10-14 days) contact the Futurity Secretary immediately at the phone number or e-mail listed.

If you as a breeder have not nominated your 2011 litter, please see the Futurity Application form in the back of this issue to nominate now.

SUBMISSION OF AGENDA ITEMS

DEADLINE FOR AGENDA ITEMS: SEPTEMBER 15, 2011

All Agenda Items, officer and committee reports for the ABC Board Meeting to be conducted at the National Championships in Booneville, AR, must be submitted by **September 15, 2011**, to be included in the Agenda Book and put up for consideration at the meeting as per policy book stipulations. Early submission allows us to put the topics for consideration on the website and to get books to the Directors in time for meaningful input from the general membership. **Action items submitted late and not in writing should not be considered** as they are often not well thought out causing many problems after the fact. Reports that cannot be completed such as the Treasurer's Financial Statement and Futurity Stats, may be submitted by bringing 20 copies to the meeting, but any Action Items from any officer or director, committee chair, etc. should be submitted by the deadline.

PLEASE NOTE POLICY FOR SUBMITTING AGENDA ITEMS:

Items must be from an ABC officer or Committee Chair, or from a Board Member or Regional Club which has first voted on the item by that club's members. **Items from individual members should first be discussed with one or more of that person's Regional Directors before being submitted and will be supported by fifteen (15) different actual signatures of ABC members. Since agenda items need to be presented by someone to the Board, one of the regional directors shall present the Agenda Item to the Board of Directors. (1992) (2008)**

Please include a copy of the current policy in the Policy Book along with suggested wording changes.

We have always published Officer and Committee Reports in the ABC Magazine. This can be a very difficult task to accomplish if the reports have to be retyped.

Please help us by sending your Agenda Reports in a .doc or .rtf format by email to:

ABC Agenda Chairman Dee Hartnek: DHartnek@gmail.com

It would also expedite matters if you would also CC to the following:

trimnatchbritts@midamer.net (MJ Trimble for compiling list for ABC Website before meeting) .

Ambritmag@centurytel.net (for publication in the magazine)

HankHartnek@gmail.com (who will be putting together the Agenda Disk for publication.)

If you cannot send as a .doc or .rtf file, mail to Dee Hartnek at 6909 E. Camino Garcia, Sierra Vista, AZ 85650 or fax to her at 520-803-9696 but please call first.

YOUR COOPERATION IN WRITING YOUR REPORTS, MEETING DEADLINES, SENDING THEM IN .DOC OR .RTF FORMATS WILL GREATLY HELP THOSE OF US WHO MUST DEAL WITH THEM AFTER THE MEETING IS OVER AND WILL HELP US HAVE A MORE INFORMED MEMBERSHIP BOTH BEFORE AND AFTER THE ABC BOARD MEETING.

TRAININ' DOGS

STARTED, BROKE, OR FINISHED DOG?

By the time you read this column, another election year will be long past. However, since our articles are written well in advance (or at least they're supposed to be!) and election day is right around the corner, all the political stuff is fresh in our minds.

The radically different spin opposing politicians put on the same subject is being thrown at the public from every angle via the media, and it's getting harder and harder to figure out what the real facts are. Politics being what they are, we should be used to it by now.

The point we're trying to make is that there are often numerous ways to look at the same terminology, and the definitions may differ quite a bit, depending on who you ask. You know, sort of like the meaning of the word "is."

When talking about bird dogs, one often hears them referred to using the following labels: "she's just a started dog"; "that dog is broke"; or "my older dog is a finished bird dog." How it all sorts out is up to the person you ask. What we're going to do is try to clear up some of the confusion and give you our definitions of the above terms.

The easiest by far to define is a finished dog. A finished dog has its college degree, so to speak, and has finished all the education available, from grade school through grad school. Consider a finished dog to be a mature dog, holding a doctorate in bird dog work. Finished dogs have been through several hunting seasons and have a great deal of wild-bird experience. Please note that a finished dog is not a perfect dog – we don't know of any of those that actually exist outside their owner's imaginations – but a finished dog is darned close to perfect. They are the ultimate brag dog.

What should a finished dog be able to do? A dog at this level knows how to use the wind and cover the terrain with intent to find game for the gun. They know where to look and will efficiently and quickly work the objectives looking for birds. They also know better than to chase any off-game, such as rabbits, skunks, cattle, etc. Finished dogs go with the handler while always working to the front. They don't circle behind, since that would be wasting time on an area already covered. A finished dog uses the wind to its advantage and searches for scent and promising objectives. These skills are learned not just through training but via a great deal of experience.

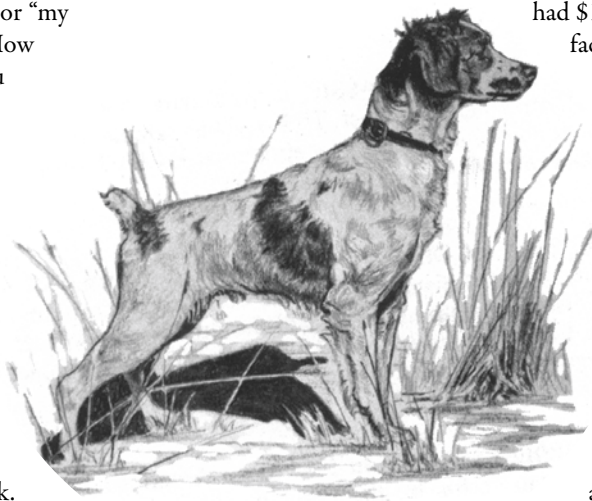

Additionally, finished dogs have been in varying kinds of country and have worked on several different species of gamebirds. They catch on quickly to whatever bird is being hunted and can adapt rapidly to new places and terrain.

From a training standpoint, the finished dog must be absolutely steady on point all the way through wing, shot, and fall as well as have the manners and skill to honor another dog's find and be just as steady through wing, shot, and fall while in a backing situation. In addition,

finished dogs will walk politely at heel off-lead when asked, and respond to e-collar, verbal, and/or whistle direction at a distance in the field.

The frosting on the cake in a finished dog is the training to retrieve to hand with a soft mouth. Retrieving is defined as picking up a bird and delivering it to the handler without mouthing, chomping, or playing with the bird, and it also requires a consistent location for delivery. This can be in a front finish position or at your side, at heel. The dog must hold the bird gently and release it on command, not drop it on the ground at the handler's feet or a couple of yards in front. Retrieving also can include the training to track cripples and locate downed game that the dog did not see fall. All of these skills are of great value in a bird dog, since the object is to recover game that is fit for the table.

Finished dogs are highly prized and are often worth several thousand dollars. If you add up the time and training that's been invested in a finished dog, a \$5,000 bird dog has probably had \$10,000 put into it, and this doesn't even begin to factor in the amount of experience on wild birds the dog has gained.

The next term we'd like to try and define is the broke dog. Do, this doesn't mean it has fallen apart and needs repairs. This term comes, as so many of our dog training terms do, from horse terminology. "Broke" comes from the term "broken in," meaning the animal has been through the basics and accepts a level of control.

A horse that is said to be broke is rideable and will get you from point A to point B with a minimum of fuss. It knows enough of the basics to get by for the average rider, but is by no means a finished or trained horse. The vast majority of horses are broke horses rather than trained horses.

To carry this over to dogs, a broke dog is usually around two years of age. They've been through a season or two as puppies and have figured out they can't catch birds, but they haven't yet been convinced they're hunting for the gun. Think of a broke dog as a teenager. They've had some education and can take that education to the workplace, but they aren't responsible or educated enough to run the company.

Broke dogs know all the classroom drills and have a solid foundation in the basics. They understand simple obedience work such as heeling on a lead, work on a checkcord, and understand the chain gang. The whoa post and whoa work is solid in the yard and at their normal training grounds. Gunfire has been introduced, and the dog has probably had a few birds shot for him at their normal training grounds. They may back another dog and do a bit of retrieving, doing so more reliably on their home turf. All this training gives the dog a good back ground to draw from as it gains more experience.

A broke dog has a hard time taking the lessons learned at home and transferring those to the field, especially in new locations. Taking these lessons and making the dog accountable in any locations is called "proofing" the training and is a major step in transition from a broke dog to a finished one. Broke dogs are not yet steady to wing, shot, and fall, although they may well hold through the flush and then break on shot.

Another factor that is just a matter of time and experience is learning what to hunt and how to hunt it. Broke dogs tend to hunt a little bit of everything, fur or feather, and when they find game, it's often because they stumbled onto it rather than methodically searching for it. Experience will teach them that you're not going to shoot rabbits but will shoot at a pheasant. Dogs learn to hunt for what their pack leader (that's you) wants to kill, and must be trained to ignore off-game.

The bulk of the hunting dogs we see are usually somewhere between broke and finished. It's all a matter of personal preference as well as the time commitment it takes to finish a dog completely.

The term that generates the most confusion is the started dog. To some folks, "started" means the dog watched a bird fly past once, or pointed a wing on a string.

Others expect a started dog to act more like a broke dog. There are as many perception of what constitutes a started dog as there are leaves on a tree. The best we can offer you is our view of what started means.

A started dog is usually a puppy, or just past the puppy stage. This can range from six months to 18 months or more. It's dependent more on experience than age.

The most important component of a started dog is socialization. The dog should be happy and comfortable while going places and meeting new people and other dogs and should have had plenty of time to run and explore and find out what he world holds. Riding in the vehicle and being in a crate should be a pleasant and comfortable experience and one the dog looks forward to.

A good introduction to birds also has a place in a started dog's curriculum. The best thing is for the puppy to have had an opportunity to chase wild birds (and butterflies, grasshoppers, songbirds, etc). Anything that fires up a pup's prey drive is a good thing, and the more

that happens, the better. We can always refine and teach the pup to be more selective later on. Asking for too much restriction too early in training can take some desire away, and it's difficult to put it back one it's been shut down.

Started dogs may have had some introduction to gunfire, as well as having spent time learning some basics such as the chain gang and lead work. Quite simply, "started" means the dog has started its education. Think kindergarten. These dogs are puppies, even the older dogs of 18 months or more. They've got to learn the alphabet before they can read, and that's what the starting process is all about. We're laying the foundation for the future training by giving the dog a variety of positive experiences while not expecting too much in the way of performance. Too much pressure and expectations set too high have ruined many a good prospect.

Often, dogs at this stage will run just to hear the wind in their ears. They have no idea how to hunt, much less what to hunt for. Most kindergarteners aren't doing multiplication or long division, much less algebra or calculus.

No matter what skill level a dog is at, regular tune-ups are required to maintain what you've got. Dogs are programmed to test us and challenge for leadership, and most will continue to do so for their entire lives. Even a finished dog that has completed its formal education will still have to take "classes" to refresh certain skills.

Whatever level your dog is at in its training, the fun is in the process. Whether we're watching a young dog progress through all the steps along the way, the trials and tribulations in training, and have some wonderful memories and stories to tell in the years to come.

DELEGATE REPORT

FROM THE JUNE, 2011 DELEGATE MEETING

Discussions have been held as to having 3 meetings per year with an additional day added to each meeting. Also, if business needed to be done, a teleconference could be held. It was figured that this would be a savings to AKC of about \$50,000.

FIELD TRIAL AND HUNTING TEST COMMITTEE, Lisa Peterson from the AKC office, discussed mentoring in all types of AKC events. A discussion as to field trial mentoring was held with Ken Marden advising that this is not encouraged at field trials because of the animal rights activists. Doug Ljungren reported that the pointing breeds field trial entries were down 2.6%. Part of this was due to trials being cancelled because of weather.

Pointing Breed hunting tests are now letting judges use ATVs and so far it is going very well as long as the grounds allow the use of ATVs. Master Hunter will add more titles. If they pass a Master Hunter Test 5 more times, they will get a Master Hunter 2 title. The survey for this is still going on. They are still working on qualifications for a Master Hunter Excellent.

The FT & HT Committee is holding a 1 hour presentation at the September Delegates Meeting. This is to educate the rest of the delegates as to the function of the different breeds in the field. Featured will be Spaniels, Retrievers, Pointing Breeds and Hounds with a speaker explaining form and function for each breed featured in each section. Doug Ljungren will also explain the statistics and why we are passionate about our sport. Doug was really pleased with the video ABC provided.

Discussed were the *Mean Seeds Project* with updates being given and the Wetlands Initiative, Hennepin tract for possible lease and use by sporting dogs. Also discussed was the possibility of the performance world piggybacking on the next Parent Club Conference.

GENERAL CAUCUS: Discussed the amendment to be voted on at the regular delegate meeting on term limits and a person not being able to re-run for 4 years.

Junior Showmanship awarding a Reserve Best Junior was discussed with very positive comments.

NAIA Conference will be held November 12-13, Harrisburg, PA – Patti Strand

LEGISLATIVE CAUCUS: The PUPS bill is still undergoing defining high volume puppy breeders along with co-ownership.

The Texas House Bill 1451 has passed and sits on Governor Perry's desk for signature. It was recommended that all delegates have their club members contact the Governor's office in opposition. It was suggested for people to state that even though they were out-of-state, since Gov. Perry was considering running for President, they would not support him. This had to be done by June 19th. (I posted the request on the Dualbrittanys List as soon as I returned home from the June meeting. Unfortunately, the Governor signed the bill.)

Michigan bill 4714 is not expected to move out of committee.

Massachusetts Humane Relocation Bill – deals with importation of dogs. We need to know where they come from and where they are going.

Suggested comment on some of these bills – “Animal Control begins at home.”

It is recommended that a club or person *write a thank you note* if their legislator votes the way you want.

DELEGATE MEETING: Ron Menaker, AKC Board Chairman, announced a new title open to all AKC dogs. The AKC Therapy Dog title, or “THD” will launch June 27th as an official AKC suffix title and will reward dogs and their owners that have provided ongoing community service to help improve the well being of others. Currently it is estimated that there are 50,000 certified and active therapy dogs in the US. The title will be open to all AKC dogs that have completed a series of criteria. To qualify, dogs must be certified by a participating therapy dog certification organization and have performed a minimum of 50 documented visits. Application forms are available on the AKC website. The program will accept documentation of visits going back to January 1, 2000.

Aggregate entries are up 5.2%, mostly thanks to the Grand Champion program.

Regarding the AKC Gazette going digital, the strategy was necessary to address substantial financial losses in the division. As of October 2011, the Gazette will be published on the website as a PDF available for downloading, printing and forwarding via e-mail. The reformatted digital Gazette will include the Secretary's Page, the President's Letter, the Chairman's Report, AKC Updates, Times Past, and the Parent Club Breed Columns, which will now contain a link to the Parent Club websites. This new format will make it easier for Parent Clubs to share their breed columns with their membership or anyone else they wish. In July, AKC will launch the inaugural digital version of Family Dog.

Enhancements have been made to the AKC Events Calendar for the AKC website. Additionally, the AKC Events Calendar is mobile friendly, meaning, if you access via a mobile device, such as an iPhone, a smart phone, such as a Droid based unit or a BlackBerry, you can access a calendar that will be formatted to your mobile device.

Lisa Gonzalez, Vice President of Marketing and Communications, was introduced to the delegate body. This is a new division and we were given an update on “*Good things AKC does – i.e. Kennel Inspections; Canine Health Research; Lost Dog Recovery; Search and Rescue.*” Be on the lookout soon for materials supporting the “*Good Things We Do*” advertising campaign we will be able to use for our clubs. The strategy is to build awareness of the not-for-profit status of the AKC and the good things the AKC and its affiliates do to support dogs everywhere.

A vote was held on the proposed amendment making an AKC Board member who has served two consecutive terms ineligible for re-election for the length of one full term of 4 years. The amendment was not adopted.

There were several amendments read at the meeting that will be voted on at the September meeting 1) apply the identical restriction to someone who misappropriates funds from AKC or from an AKC subsidiary or affiliated organization as we now have for someone who misappropriates funds from an AKC sanctioned, licensed or member club. 2) An amendment to make a provision when the Board has determined that a seated Delegate is ineligible to serve. 3) An amendment to the Rules Applying to Dog Shows which would establish a Reserve Best In Show Award. 4) Housekeeping amendments to parts of Rules Applying to Dog Shows. All these proposals can be read in the AKC Gazette.

Respectfully submitted

ABC 2010 WESTERN FUTURITY

California City, CA

Although weather in the desert can be very unpredictable, we were blessed to have been under the influence of a ridge of high pressure and a mild Santa Ana condition. In the desert this makes for clear skies, moderate temperatures around 60 degrees and very light wind. This weather pattern was in place from start to finish of the 2011 ABC Western Futurity. There were several competitors from the north who said the trip was well worth it just to share the warm California sun and allow them to "defrost." There were participants from as far away as Montana, Idaho and British Columbia.

The event was a success because of the extra efforts of many individuals who contributed time and diligence to tasks. A thank you to Futurity Secretary Sherry Harder, bird purchaser/planter and all around utility Ed Dixon, bird planters and course marshals Mark Ambre and Bill Landress, reporters Margaret Horstmeyer and Linda McDonald, Karen Nelson the little general who kept everything moving in the right direction, Nancy Hensley our hospitality chair, Tom White our volunteered photographer, Myra-Dawn Ellis our publisher/editor, Sandi Newell who tackled any task in camp and the futurity committee all who helped make this a great and memorable event for all.

Purina continues to sponsor the futurities with fine products which are given to the winners as well as monetary support for the event. The support given to sporting dogs by Purina is unparalleled and we greatly appreciate their generosity.

GUN DOG FUTURITY

The judges for the Gun Dog were Ellis Herz of Sherman Oaks, CA and Greg Knight of Alta Loma, CA. The judges gave each dog and handler their utmost attention cognizant that this was a foot-handled stake. From the start they were looking for a strong, forward and stylish dog that would demonstrate potential to become a class championship Gun Dog all the while finding birds. They were treated with several strong contenders that applied themselves to the limits of the course.

The Winners

FIRESTORM'S MEGA CHIP OF SMOKE (Chip) (Doiron) showed the judges what they were looking for, a performance that was strong, forward and stylish. Out of the gate, Chip made a powerful move on the ridge to the right out of sight, before appearing high on the ridge to the front. This is the ridge that separates the All-Age from the Gun Dog courses. Chip was rewarded with his first find in the rim rock at 9 minutes. Chip took in the country moving forward yet always aware of Paul's position. Chip made a forward move over the big hill before the water barrel at 11 minutes hunting high in the rocks. Peggy Doiron, scouting Chip, was sent to look over the hill where Chip was found standing at 14 minutes. The bird flushed wild as the judge approached. Chip released himself only to have another find on a pair of chukar at 16 minutes. Chip showed great style pointing his birds with head and tail high. As Paul approached the birds lifted. Sent on, Chip made a big forward move to the left across the valley, ending up briefly in the water barrel. Chip turned it on making a strong move taking the ridge to the back of the course hunting the rocky outcrops. Chip was seen coming off the ridge making a stylish move out into the flats when he slammed on point at 20 minutes on his fourth and final find. Chip demonstrated his head and tail high style, although this time he was compelled to retrieve to hand. Chip was sent on where he put on a show making a strong move out in the flats only to be followed by another big move climbing high on the ridge forward to the right showing plenty of stamina when time was called. Chip showcased a powerful forward style tackling the higher terrain with skyline moves reaching the edges; this combined with his 4 classic finds and strong finish rewarded him the winner.

TRUE GRITS CINNAMON SAGE O'DEE (Sage) (Kradolfer) was new to the desert but took in the country like a veteran. At the breakaway, Sage made a nice move on the ridge between the two courses. Sage was out of sight for a while before showing up to the front. This dog from big sky country really took to the desert making forward moves on the edge of the course. Sage was rewarded with a find in the rocks. Sage made some big moves that displayed he can live up to his name of True Grit. Sage was named the Runner Up because after a demonstration of a fast forward style combined with intelligence and independence.

The Running

K NINE'S BLAZIN DREAMS (Blazer) (Mayhew) and **SHADY'S STRAIGHT SHOT OF WHIZKI** (Ali) (Doiron). From the start this was a foot race with both dogs off and away. Blazer displayed nice range and style.

Blazer was rewarded with three nice skyline finds before reaching the water barrel. Ali had nice range and speed hitting the objectives. Ali found herself attempting to honor her brace mate several times, unfortunately she ended her bid birdless.

CASTLE'S DOUBLE HIT (Kato) (Castillo) and **WIND MTN'S OVER THE RAINBOW** (Sky) (Newell). Kato started his race making some forward moves then shortened up. Kato was rewarded with a find just before time was called. Sky started strong and forward. Sky was always to the front and forward. Sky finished strong, but was not rewarded with any birds.

RJ'S LADY GABRIELLE'S TRIPLE DELIGHT (Tripp) (Christensen) and **WARBONNET'S ORION IN THE BIG SKY** (Rye) (Kaelin). Rye was another dog from Montana had a good showing in the desert. From the get go Rye made big forward moves, some that made him hard to handle out of sight at times. In his quest to find birds, Rye showed nice consistent moves to the front, a little lateral at times. This dog was definitely on a mission to tackle the challenging new ground with speed. Rye was able to demonstrate to the judges once that he can find and point birds with fashionable style. Tripp worked for his handler in close, shortening towards the end. Tripp went on point once but birds could not be produced.

BRETON'S TRUCKEE RIVER CABO GOLD (Tommie) and **KDEL'S THE BIRD WHISPERER** (Jill) (Hale). Tommie was at moderate range on his first find in the rocks to the right. Tommie thorough application was to find birds. Tommie went on to have two more finds under a bird as time was called. Jill moved out from the start on a mission. Jill ran hard and fast taking the front like wildfire. Jill was a little hard to handle at times, but always forward. Jill made a nice big move and was out of sight around the water barrel. Jill was spotted making game well to the front before she decided to try her hand at retrieving. Jill showed both of the judges a nice find on a bird while slamming on a stylish point. Jill finished like she started, out to the front.

CASTLE'S RAISING THE BAR (Ellie) (Castillo) and **FIRESTORM'S MEGA CHIP OF SMOKE** (Chip) (Doiron). See the winners brace above for Chip. At the break away it started off as a foot race with Ellie in trail. Ellie shortened as time went on and finished without bird work.

MILLETTE'S WONDER BOY (Rooney) (Foster) and **TRUE GRITS CINNAMON SAGE O'DEE** (Sage) (Kradolfer). See the winners brace above for Sage. Rooney made some nice casts while taking in all the Mojave Desert has to offer. Rooney was very biddable to get around the course and was rewarded with a stylish find in the rocks.

Gun Dog From left to right: Mark Nunez, Paul Doiron, with winner Firestorm's Mega Chip of Smoke, Peggy Doiron, Judge Greg Knight, Judge Ellis Herz, Runner-Up winner True Grits Cinnamon Sage O'Dee (absent), Melody Kaelin with third place Warbonnet's Orion in the Big Sky JH, Sari Breitenfeldt, Wayne Hale with fourth place KDEL's the Bird Whisperer.

CASTLE'S I CAN DANCE (Emmitt) (Castillo) and **WARBONNET RUBY TUESDAY** (Ruby). Ruby started and finished on a mission to find birds. Ruby went on to have seven finds as she got around the course. Ruby started her race with nice range, but was shortening towards the end. Emmitt handled kindly but was not rewarded with birds.

BRETON'S SURF CITY PRETTY LITTLE GIDGET (Gidget) (Zink) and **GROUSE MT. GRAN PATRON** (Boss) (Urrutia). Both dogs looked good at the breakaway forward to the ridge on the right. Gidget had her first find on the ridge to the left side. Gidget was rewarded with another nice find on a covey of chukar on the rock pile. Gidget had a nice finish going forward. Boss handled well around the course. After the water barrel, Boss took the ridge to the left hunting the rock outcroppings. Boss made some moves but found himself getting lateral in the terrain. Boss was rewarded with one find towards the end of his race and finished close at time.

BRETON'S FRANGELICA A TOAST TO PEPPER & SUN (Fran) (Zink) and **ISLANDVIEW JOYFUL JOSIE** (Josie) (Deblois). Fran was gone on breakaway showing up in front on the right on point. Fran showed good speed and made some nice moves. After a visit to the water tub, Fran made a great cast off to the right along the rise above the wash. Fran was consistent in her application all the way around the course.

REDLINES RUBY SON OF A GUN (Magnum) (Doiron). Magnum made some nice moves and applied himself to the terrain hunting birds. Magnum had two finds unfortunately he did not keep his feet planted long enough for the judges to see his style.

The judges for the All-Age were Ellis Herz of Roger Borine of Bend, OR and Ken Blackman of Williston, TN. The judges were looking for an independent and stylish dog that would hunt the limits to the front demonstrating potential to become a class championship All-Age Dog. They were treated with several high-powered dogs that would test themselves and the limits of the course.

The Winners

SPANISH CORRAL'S SUNDANCE KID (Sonny) (Gower) was off fast taking the front going over chukar hill. Sonny knew what was on the judges' minds as he applied himself like a veteran on the course. Sonny made some powerful moves as he forged his way on the outer limits of the course. Sonny was taking in the vast expanses of the Mojave approaching the turn on the way back to camp. Sonny made some nice moves out of sight at times, but managed to show up in the right places. Sonny made a move high and to the front and was found standing tall at 20 minutes, as the bird was put to flight Sonny demonstrated his manners. Sonny was catching the front at the base of Chukar Hill when he slammed on another point. Again the bird was sent flying with Sunny content to stand tall and proud. Sonny took the front again showing great endurance and ground speed moving out to the front as time was called. Joe collected Sonny up after this nice performance across this difficult terrain. Sonny hit the limits of the course but showed up aware of where his handler was and was rewarded with two stylish finds; his application, ability and style proved him worthy the winner. This young dog would go on to demonstrate his abilities two days later by placing in the Chukar Classic, an hour championship stake, where he was challenged by many seasoned veterans.

MTB SCIPIO'S HOT SHOT OF WHIZKI (Cali) (White) started off fast and wide. Cali covered the ground with great speed as she tore up the country. Cali made a move in the right direction and was carded her first find at 5 minutes. Cali displayed very intense style during her bird work. Cali was sent on and her enthusiasm was high as she made a bold move over Chukar hill reaching the edges of the course. Cali flew along the countryside all the while hitting objectives in search of birds. After making the turn on the course, Cali opened up with a huge move well to the front showing her bold independence and ground covering ability. Her forward race, very fast ground speed and stylish find were rewarded by being named Runner Up.

All-Age From left to right: Joe Gower with winner Spanish Corral's Sundance Kid, Judge Ken Blackman, Tom White with Runner-Up winner MTB Scipio's Hot Shot of Whizki, Margaret Horstmeyer, Judge Roger Borine, third place Tucalota's Samantha (absent), Kyle Tetlow with fourth place Breton's Sam I Am.

THE RUNNING

BRETON'S SAM I AM (Sam) (Tetlow) and **MTB SCIPIO'S HOT SHOT OF WHIZKI** (Cali) (White). See the winners brace for Cali. Sam broke away fast and wide with Cali. Sam made game at 4 minutes, but Cali beat Sam to the bird. Sam displayed manners on a very nice back. Sam made great use of the terrain making some nice moves while covering the course. Sam was to the front showing himself in the right places. After making the turn on the course, Sam applied himself hard and to the front. Sam was collected at time.

MINI'S MIDNITE SMOKE (Chip) (Doiron) and **TUCALOTA'S SAMANTHA** (Sam) (Mayhew). At the breakaway Chip made an enormous cast out of sight. Chip was seen at 20 minutes far out into the flats near the greasewoods. Chip was returned to the course where he had a stylish find high in the rocks at 23 minutes. Sam broke away to the front and was carded a find at 6 minutes on the ridge just before Chukar Hill. Sam could not resist the urge to chase and was under the bird and gone. Sam chased the bird all the way back into the flats near the greasewoods. Sam was collected at time.

SPANISH CORRAL'S SUNDANCE KID (Sonny) (Gower) and **XENA OF TUCALOTA** (Xena) (Mayhew). See the winners brace for Sonny. Xena was off and to the front where she slammed on point at 4 minutes on the ridge before Chukar hill. Xena was sent on where she took to the front and was rewarded with a find at 15 minutes. Xena chased this bird backwards into the greasewoods and was not returned to judgment.

MTB CAN AM FORMULA FUN (Frani) (White) and **K NINE TUCALOTA CHANCE** (Jim) (Mayhew). Frani was off like a rocket from the breakaway, but she took a left and ran way out on flats leading the scout on quite a chase. She was not seen again until she returned to the front of the course and was found on point at 29 minutes. Jim thought Frani was having so much fun that she needed company. Since misery loves company, both scouts were in hot pursuit in the sage and greasewood flats. Jim took to running the flats so far out as to not be returned to judgment.

BRETON'S GOLDEN HEART OF PEPPER SUN (Cookie) (Azevedo). Cookie was run as a bye dog. Cookie made some casts into the hills across the course. Cookie handled around with much less difficulty than seemed to be the norm for most on this course. Cookie was seen getting birdy in the usual spot around Chukar hill, but was not rewarded with a find when time was called.

DECISIONS: DEVELOPING THE BRITTANY COVER DOG

15-24 months By Dave Marshall

Evaluation is ninety percent of a dog trainer's job! The applied evaluative decisions made by a trainer when a Brittany is between

the ages of fifteen and twenty-four months old can be the most important application of training a dog will ever experience.

The trainer's or owner's job is to teach, and he must assess the dog's ability to learn day to day, lesson to lesson. Problems are created when the dog is confused. Genes being equal, the more mature a dog is, the less chance you have of confusing him. If you start too early, in poor conditions, or stubbornly persist in working with a confused young dog, damage is done.

I have a term for these young dogs: "tweeners," dogs between puppyhood and adulthood. The training process at this age will have as many opinions as questions asked. I will discuss my personal methods with the development of the tweener, and try to explain my results.

At fifteen months, the Brittany cover dog, or any dog for that matter, should already have demonstrated the skills necessary for the trainer to make a decision as to whether to begin a formal training program, or hold off. Proper evaluation is the key here. I need to see a pup with a bold disposition, driving forward movement, not necessarily huge range, but forward with purpose. The tweener must show skills finding birds and have had enough of them to demonstrate his ability to point and hold most of them. The most important question is: Can the young prospect hold up mentally during the breaking process?

I start with yard work, and tend to keep it simple at the beginning. Most all of us learned from the master, Delmar Smith, and I still use his D-ring collar and check cord with bowline knot a little down from the snap to teach whoa. I do this for several reasons, first of which is to determine my young student's disposition. He already knows the check cord because we did that earlier. We have worked whoa at our side teaching him to stop when we do, but what does he or she do when tapped with the knot the first time? More often than not this process will tell me what I have to work with, and where to go next. I do not use barrels, tables, whoa posts, or any other gimmick to cloud the picture for me. I need to see what that animal does on the ground, with a cord on him, responding to his first commands. Educated evaluation starts here.

I like to see a dog stop for a moment, maybe advance then move so I can give the command again, this time with more directness and a tap with the knot. With luck he will stop.

Now I can make the second most important evaluation. When he stops how long does it take for your tweener to relax in that position? Can he settle? How long does it take? I believe this process will give the observer an idea of this youngster's mental maturity, and determine whether we should move on, or work more slowly with caution.

To move on, your prospect must begin formal work and maintain his integrity in the process. Watch carefully to determine if his disposition

about work changes. He needs to maintain the character you developed in him as a puppy. If moving him through his lessons

too fast changes that, stop and go back to fun things.

The signs of too much too fast can be subtle. We all know that the finishing process will take a little out of a dog for a short time. He will return to normal if training is done right. However, diminished pointing style, slower working speed, especially around game, and in general if he or she appears to not be having a good time, you are moving too fast.

A dog that does not settle easily just needs more time. There is no substitute for age. As in all things, canine or human, the passing of time always creates more of a perspective on life, work, play, etc. The Brittany is one breed of canine that sometimes needs more time to play to get ready for a life of work or at least a short period of work to get ready for a life of play with its human hunting partner. The challenge is to make the right decision.

My idea of the finished cover dog is a dog steady to wing and shot, and can, if asked, retrieve on command. He must hunt the cover as if he owns it, with power and the ability to stay forward. I believe this is a pretty tall order for a dog under two years old. I have finished a small number of young dogs, but not many!

To finish a cover dog properly, I actually finish him three times. The first and easiest is on pigeons. When I am satisfied with yard work, meaning he is comfortable with word whoa and heels well for at least short distances, I introduce the pigeon. The pigeon is an important bird in the tweener's life. Once we get him to point pigeons with style and intensity, I teach him to be steady to wing on them.

With check cord attached, give the whoa command. Your student stops. Take a pigeon from your vest or whatever you can carry birds in. Show the dog the pigeon. Repeat the command. Let the pigeon fly, making sure your young dog stands still, using check cord and knot. Then fire your blank pistol. When he masters steadiness on a cord, move on to control him running free. I use an e-collar for this next step, but caution is advised. Use low intensity levels. Make sure he or she has mastered the word whoa, and I mean stopping on the word with no sign of intimidation.

Next, let your dog run free with just the E-collar. At first, tell him to whoa then release a pigeon in his direction, watching

for his reaction. If he advances toward the bird, give the whoa command. If movement continues, a small touch with the collar should stop him. Then fire your gun. Now go to him with a little praise and heel him away. Next, when your dog is moving freely, throw a pigeon at him. If he advances toward the bird, say nothing, using a light touch with the collar, then say whoa again when he stops, and fire your pistol. You have stopped him with the collar, reinforced him with the word whoa and shot over him. This should fire him up. This application is opposite of what many people do, but I guarantee that it works with a young dog that is well whoa broke. Go to him with praise and heel him off. Once this process is finished you will have a dog steady to wing and shot, ready to be sent off in an opposite direction after heeling him away on command.

All this work done with pigeons is for good reason. Your young prospect will probably never see pigeons in the cover or in trials. Therefore, getting him started in this way can do the job well, give you an idea of his disposition, plus give you some wiggle room for error. If for some reason things go wrong, you have done no damage on birds he will see the rest of his life. With the right tweener you can go a long way on pigeons.

The second finishing process is on liberated game. I now can flush birds from the ground because my student is steady to wing and shot. I use quail or chukars in this phase of training. The third time finishing is on wild birds. I use woodcock, and grouse. However, there was a time I used wild quail in South Carolina for this work in winter. If you have wild birds, you can develop a young dog much faster without many of the problems presented by liberated game. Remember, too much of a good thing can be a problem. When working wild birds with juveniles, do it in small bits and make sure your yard work is flawless, so as to make your disciplines a little easier for your young dog to handle.

Remember the finishing process is the last training step in a dog's life. Always be mindful of his character when teaching. The development of your tweener should be fun for both you and him, and it need not be rushed.

Tracking Devices at AKC Pointing Breed Field Events

Only AKC approved tracking devices are allowed in AKC Field Trials and Hunting Tests. The use of tracking devices is left to the discretion of the host club.

Pointing Breed Field Trials — Tracking devices are allowed unless the host club specifies on the premium list they are not allowed.

Pointing Breed Hunting Tests — Tracking devices are allowed only if the host club specifies on the premium list they are allowed. (If the premium list does not mention tracking devices, tracking devices are not allowed.)

AKC Approved Tracking Devices

The following makes / models of tracking devices are AKC approved for pointing breed field events provided they are unmodified from the manufacturer —

REGULATIONS GOVERNING THE USE OF TRACKING DEVICES AT AKC POINTING DOG EVENTS

The following Regulations become effective August 1, 2009.

The use of tracking devices is solely for locating the dog once the dog is no longer under judgment. Information obtained through the use of a tracking device must not be used to aid the handler, scout or judges. If the host club allows tracking devices, the following regulations on their use will apply.

1. AKC Approved – Only tracking devices approved by the AKC Performance Events Department will be permitted. The collar and receiver must be used as received from the manufacturer. No modifications may be made other than name tags may be added. The collar surface against the dog's neck shall be flat. Approval will include both the collar and the receiver.
2. Carrying Receivers – The scout may not carry a receiver. The handler may carry a receiver with the permission of the Judges. The receiver must be turned off while the dog is under judgment.
3. Receivers in the Gallery Must Be Turned Off – No one in the gallery shall track the dogs while the dogs are under judgment.
4. No "Outside" Communications – No one shall communicate in any manner with the handler, scout, judges or gallery any information obtained through the use of a tracking device while the dogs are under judgment. This includes the use of cell phones.
5. Receivers May Only Be Used Once the Dog is No Longer Under Judgment – Receivers shall only be activated once judgment has concluded. If a dog is gone at time, the dog is still under judgment until the judges indicate otherwise.
6. Dogs Lost From Previous Braces – If a dog is lost from a previous brace, the handler and scout may use their receivers during the next brace solely for the purpose of locating their dog. Once the dog is located, they must immediately turn off their receivers. They must not communicate any information they obtain through the use of their receivers concerning the dogs currently under judgment.
7. Judges May Not Consider Information Obtained Through Tracking Devices – Judges are not to consider any information obtained through

the use of a tracking device. No one shall use information from a tracking device to attempt to influence a judge or to discredit the judge's decision.

8. The use of a tracking collar is an elective and it is the handler's responsibility to furnish the device. The running of a stake shall not be held up due to the lack of a tracking device.
9. Two-Collar Rule – A dog may wear no more than two collars. All collars shall be worn on the dog's neck. If the handler elects to use a tracking collar, it shall remain on the dog during the entire time the dog is under judgment. If the handler removes the tracking collar, the dog shall be considered out of judgment. Only one of the two collars may be a tracking collar.
10. The use of tracking devices is at the discretion of the host club. For Field Trials, the premium list must state that tracking devices are not allowed, otherwise they will be allowed. For Hunt Tests, the premium list must state they are allowed, otherwise they will not be allowed.
11. Rescinding Use – Use of specific tracking devices may be rescinded at any time by the AKC Performance Events Department if the regulations pertaining to their use become overly difficult to enforce or in the case of repeated misuse.
12. Tracking devices may be worn during call backs, including a call back for retrieve. If a dog did not wear a tracking collar during its brace, it may not wear one in a call back.

Note – Electronic flashing collars are not allowed in AKC Pointing Breed field events.

If an Event Committee determines a violation of these Regulations may have occurred, the accused (which includes anyone involved in the misuse of the tracking device including the act of communicating improperly obtained information) shall be charged with misconduct. An Event Committee hearing must be held. If the Event Committee determines through the hearing process that a violation did occur, the accused shall be immediately suspended from all forms of participation in AKC Pointing Breed field events. The dog shall be disqualified from the stake.

ABC MICHIGAN BRITTANY CLASSIC/CHAMPIONSHIP

Ionia, Michigan • April 4-6, 2011

Open Derby Classic – Kathryn Lipski, Dick Lipski w/ Anchors Renegade in Suspense, Judge Kent Merryman, Jerry McGee w/ Ru-Jem's "Last" Penny, Ruth McGee, Judge Ron Gulembo, Wade Haines w/ Shamrocks Sirius II, Ray Trimble, Julie Nelson w/ Ammo's The Show That Never Ends.

Michigan Brittany Open Derby Classic 2011

The Michigan Brittany Open Derby Classic was held at the Ionia Recreational Area in Ionia, MI on April 6, 2011, after the completion of the Michigan Championship. Judges were Ron Gulembo of Hudsonville, MI and Kent Merryman of Holland, MI. 8 Derby's were entered in this yearly event.

With a light drizzle and minimal bird work demanded a second series to determine a possible winner and runner-up. Both of the top dogs laid down far reaching edge-running casts in the first series, but were not rewarded with bird work. One the second series, both dogs were capable of multiple finds as conditions greatly improved.

- Winner – Anchors Renegade Still N Suspense (Buddy), owned by Richard and Kathryn Lipski, handled by Richard Lipski.
- Runner-Up – Ru-Jem's "Last" Penny (Penny), owned by Ruth and Jerry McGee, handled by Jerry McGee.
- 3rd Place – Shamrock's Sirius II (Two), owned and handled by Wade Haines.
- 4th Place – Ammo's The Show That Never Ends (Emme) owned and handled by Julie Nelson.

Michigan Shooting Dog

by Ron Auten

The Michigan Shooting Dog Championship ran April 4 – 5, 2011. Sixteen Brittanys were entered. We were very fortunate to have two very experienced and attentive judges. Our returning judge was Bill Branham of Carlton, MI and Jon Peck from Battle Creek MI. Bill Branham is an avid Pointer handler, while Jon Peck is an active handler and breeder of Vizlas.

The Shooting Dog Championship was run on course 3 in the Ionia

Recreational Area. It is a great course to challenge a shooting dog. It winds through a series of open field, allowing a dog to stretch out. It also demands that a dog handle through the areas where the woods and bottom ground beckon.

Chuck Langstaff has provided leadership in organizing this event for many years. Chuck's wife Theida handled communication, coffee and snacks. Gil Hopper and Ron Auten provided relief to Chuck in marshalling and bird planting. Jane Hopper took care of dog wagon responsibilities.

When you come to Michigan, you eat well. Lunches were provided by the joint efforts of Judy Marinelli, Judy Robin, Kathy Gulembo & Sherri Merryman. John Hall also deserves special mention for his barbeque skills. Chad Holman teamed up with John Hall, Bill Klenner and others in presenting a fantastic meal of fish and chips for the Thursday evening finish.

The weather was cool with strong gusting winds. The swirling winds contributed to the stake reverting to an Open Shooting Dog stake. No champion or runner up was named. The four placing dogs displayed good style on multiple finds. Congratulations to our placing dogs, and they are as follows:

- 1st place - The Holiday Kid (Kid) Owned and handled by Fran Gorman.
- 2nd place – Penelope of Coos owned by Dr. Roger McPhearson and Ray Gorman, handled by Ray Gorman
- 3rd place - Suemac's Sky King (Sky) owned by Roger and Susie McPherson, handled by roger McPherson.
- 4th place – Hy Steppin Maggie (Maggie) owned by Chris & Gerilyn Sennott, handled by Chris Sennott.

Open Gun Dog Classic Championship Stake: Fran Gorman w/ The Holiday Kid, Judge Bill Branham, Ray Gorman w/ Penelope of Coos, Judge Jon Peck, Roger McPhearson w/ Suemac's Sky King.

2011 Michigan Open All-Age Championship

By Sherri Merryman

April 2011 marked the 34th running of the Michigan Brittany Championship in Ionia, MI. We are extremely fortunate in Michigan to have some of the best grounds and best people in the sport of field trialing supporting this great championship tradition. The Michigan Championship Association is made up of a diverse group of loyal and hardworking people from Michigan and Illinois. I cannot thank everyone enough for making this a class event.

We would like to thank our judges, Jim Yates from Pinckney, MI and Al Van Wieren from Dyer, IN. We were extremely pleased Jim was able to come down to earth in time to judge after his recent win of both the NGSPA OAA Championship and ASD Championship with his and wife Kathleen's shorthair, Jim Kath's Havoc. Al also has known his share of successes over many years in the Brittany community and 1998 ABC Hall of Fame DC Royal Britt Starbuck of Auten still holds a special place for he and Sharon. To say Jim and Al are well respected as competitors and judges is an understatement. As such, both men were very attentive to the running, and their decisions were well received.

As we all know, putting on a field trial or championship is a very expensive endeavor. We would like to thank Purina and Ray Trimble, our Purina liaison, for their continued support of this sport and this particular championship. We would not be successful without them. We would also like to thank our participants, both those who continue to support the Championship with their entries year after year even in the face of competing venues, and those new to the event this year. The caliber of the dogs participating continues to uphold the high quality of the Championship regardless of the size of the entry. There were 17 starters this year.

No trial or championship event is a success without its core members. Thank you to Kent Merryman, the president of the Michigan Championship Association for his leadership, Chuck Langstaff for handling all the "evil" but necessary paperwork, Ron Gulembo, Wade Haines, John Hall, and Tom Robin for bird planting duties, John Marinelli, Tom Kuzac, and Steve Rollyson for dog wagon and road guarding duties, and the lunch ladies: Kathy Gulembo, Sherri Merryman, Judy Robin, Judy Marinelli, Janet Chase, and all the "pot stirrers" who helped in between.

As history dictates, and in his usual fine "top chef" style, John Hall prepared a grilled chicken and venison dinner spread fit for a king after the day's running on Tuesday evening. Starting off with a happy hour spearheaded by Donna Janulis, John's culinary feast was enjoyed by all while the socializing, inevitable tall tales, and good-natured ribbing about everything from handling critiques to horsemanship were bantered amongst the diners. The camaraderie at this Championship is one of its finest traditions.

This year's winner was DC Hi Point's Bet'n He'll Rock, "Ozzie." Ozzie was handled by professional handler Chad Holman, and is owned by Ron and Kathy Gulembo. Breaking away from the Big Oak, Ozzie made fast work of getting to the front. After cresting the old shotgun range hill, he was found standing head high on the line entering the orchard. His second find was only moments later midway through the orchard. He pointed again on the far edge of the orchard but it proved to be a non-productive. Ozzie continued his forward race with good ground speed, slowing a bit by the gravel pit but kicking it back in high gear back

on Course 1. He was found standing by old barn field and all was in order for this limb find. As the gallery entered the field past the ponds, he was seen going on point at the far end of the tree line bordering Hires field. With three minutes left in the brace, it was just enough time for him to score a fifth find in the island and get gathered up by the old barn. Ozzie was fun to watch and the gallery was buzzing after the brace.

The runner-up was DC/AFC Ru-Jem's A Touch of Bourbon, "Chug". Chug is owned and handled by non other than Jerry McGee. No stranger to winner's circle, ABC 2010 National Champion, and 2009 and 2010 Purina All-Age Dog of the Year, Chug set the bar high in the first brace of the running. Chug had his usual solid race breaking away from the clubhouse. His first find was in Hires field at the island, Chug pointed and brace mate Ace's Di missed an opportunity to back and was picked up. He was found pointing for the second time on the west tree line in the orchard field. The second tree line on the derby course provided the opportunity for Chug's third find. Looking to cement a repeat of his win here last year, Chug located his fourth quail in the gun dog orchard on the far west fence line. Chug finished the brace with a great cast, going to the front.

3rd place went to Windy Hill's Lady's Man, "Sly". Sly is owned and handled by Kent Merryman. Sly is a 2 1/2 year old who ran a "fast and furious" race. Thanks to some "divine intervention" Sly had four near perfect finds in the first half hour of his run on Course 1. He almost succeeded in getting off course just before the dike by the Riverside Drive parking lot having disappeared into the thick scrub along the creek. Kent patiently waited, gathered him up, and Sly finished his hour going to the front. Kent had a huge smile on his face and I, his wife and scout, could begin to recover from my case of "I can't believe he held after every find" nerves.

4th place went to FC Grand Junction Jake, "Jake." Jake, also this year's U.S. Open winner, is handled by Chad Holman and owned by Dick and Carol Pulliam of Grand Junction, TN. Breaking away from the Big Oak, Jake had a strong forward run for the first 50 minutes looking to seriously challenge the earlier competitors. At 50 point was called but Chad's flushing effort was not rewarded with a bird. For the remainder of the hour, Jake hunted hard and finally was rewarded with a find at 59 minutes on the tree line just before the old orchard on Course 1. Timing is everything!

Open All Age Classic Championship: Judge Al Van Wieren, Ron Gulembo, Judge Jim Yates, Kathy Gulembo w/ Hi Point's Bettin He'll Rock, Wade Haines, Ray Trimble, Jerry McGee w/ Ru-Jem's a Touch of Bourbon, Ruth McGee, Kent Merryman w/ Windy Hill's Lady's Man, Sherri Merryman, Chad Holman w/ Grand Junction Jake.

**EASTERN NEW ENGLAND
Crane Wildlife Management Area
Falmouth, MA
May 14-15, 2011**

Our spring field trial was held once again at the Crane Wildlife Management Area in Falmouth, MA. The grounds were in fine shape and the weather gods smiled upon us this weekend. A colder than usual spring delayed green up making it easy to keep track of dogs through the cover. Saturday was beautiful and sunny, but the weatherman's forecast included rain for Sunday, starting during Saturday night. Surprisingly, for the morning and part of the afternoon, the cloud cover dispersed and we had sun with comfortable temperatures. Some light and intermittent rain moved in for part of the afternoon, but nothing that would want to make you wish you were somewhere else. The Crane WMA is a multi-use venue, and the efforts of the Division of Fish and Wildlife were much in evidence with ever more clearing of the central area in front of the parking lot in order to provide habitat for the Grasshopper Sparrow. According to the birders that were present during the weekend...it's working. Our horseback handled courses pass through, and take advantage of this now quite large open area and afford ample opportunity for the judges to observe the reach, direction and bottom of the entrants.

ENEBC was also fortunate to have an entry that justified the costs of running a trial. Many, many thanks to all who joined us for the weekend and participated. We couldn't do it without you.

There are several club members that deserve a huge hand for their efforts before, during and after the trial...Bud Bearse (our president) is the glue that pulls everything together and keeps us headed in the right direction. Joe Wessling handles many of the details required for putting a trial together, including ordering birds and getting them to the trial. Bud and Joe are responsible for a lot of the setup the day before and the cleanup the day after. Pete Mazzaglia is the trail chairman, and this involves laying the groundwork running the trial and getting the judges well ahead of the event. In addition to his pre-trial activities, getting judges and laying out the trial, Pete was busy the entire weekend doing a great job managing the logistics of running a dual-course event. Nancy Dempsey, our perennial line marshal, worked in close concert with Pete and kept handlers, dogs and judges in line through the weekend...and judged our Walking Hunting Dog stake along with her better half, Warren. Bruce McDaniel, a relatively new member in the club has yet to say uncle. He showed up again and marshaled and planted birds for the entire weekend. At the midnight

hour, Tania Lewandowski was responsible for procuring Bob Locarni and family to handle the food for the weekend. And what a lucky turn of events that was. The general consensus from everybody was that Bob's breakfast sandwiches and sausage sandwiches were out of this world. Hoping that he will be available and willing to handle the food concession again.

Thanks go out also, to many who brought something delicious to have at happy hour... Lynda Zartarian and Johnny Poland to name a few...there were more.

Finally, I'd like to thank all of our judges for their time, efforts and of course, their judgments. I hope you all enjoyed your weekend on the Cape with ENEBC and that someday in the future we will see you again.

And as testament to all the hard work our club members put in before, during and after the trial...I was able to sit on my rear-end all weekend and just concentrate on collecting entries and money, filling out results, getting judges signatures, and looking after Tania who took a very bad spill off her horse at the end of the day on Saturday. I am happy to report that after a trip to the emergency room, everything appears to be okay.

Hope to see most of you again at our fall trial.

NORTHERN NEW ENGLAND

Franklin Flood Control Area

Hill, NH

May 21-22, 2011

The Northern New England Brittany Club held our annual spring field trial during the weekend of May 21 & 22, 2011. The old village of Hill, NH is an optimal place to run our Brittany's with its groomed fields along the Pemigewasset River. This area is receding back towards overgrown New England former farmland. The grounds with the apple trees in bloom are as picturesque as any are in the northeastern states. NNEBC would like to thank all the Judges and Committee members for their efforts in making this trial a success. A special thank you must go to John and Rita Poland – without these two individuals working as Secretary and overall getter doers we would not have a trial. Chairman Keith Madden also needs a thank you for his help getting all their permits and judges lined up. We had a total of 89 dogs come to the line this year over the two days with several exciting performances and one new champion named. The judges noted on the quality of the dogs in several categories. Our German Shorthaired Pointer friends showed their usual support, and we appreciate all they do to keep the trial a quality event.

The Derby stake featured a super performance by a young dog owned by Leonard and Gail Sinclair of Brunswick, Canada. "Benson" had a Woodcock find along with an exciting race and took home a beautiful plaque titled the Lisa Deforest & Howard Lister Memorial Trophy. Ray Gorman put Dr. Roger McPherson's dog through his paces in the OLGD to obtain the dog's needed major and FC title. NNEBC appreciates the Pro entries from Sarah Conyngham as she came up from Rhode Island to participate. Our Club President Bryan Clark took home the Stanley J. Kosowicz Memorial trophy for best Amateur Walking Hunting dog on Saturday, which is as fun a stake to watch as any, with his dog Jake. Tom

Ettinger took home a beautiful trophy named the Rufus Rastus Johnson Brown Trophy in the Open All-Age stake for winning that race with Riglee. The weather broke just enough for most everyone to remain dry for the most part, with one heavy storm rolling through around 1 pm Saturday causing a delay in the running. We hope everyone had an enjoyable time, and hope to see all and more next year. Arthur Hembrough

**CENTRAL MAINE
 Main Bird Dog Club Grounds
 Fryeburg, ME
 May 23-29, 2011**

Trialers from every state in New England and neighboring New Brunswick traveled to Fryeburg, ME for the spring trial of The Central Maine Brittany Club at the Maine Bird Dog Club Brownfield Bog grounds May 28, 29 2011. Puppy, derby and gundog regulation stakes as well as our nonregulation walking hunting dog stakes were held both days with amateur

stakes on Saturday and the open stakes on Sunday. We want to especially thank Purina for their sponsorship and support for this trial.

The trial grounds had been worked on in the fall so fields were in good shape for the trial. Again, very special thanks go out to Frank Pride, Jr, John Short and Sam Jackson for their work on the grounds. Workdays with bushhog and handheld brush trimmers were used to continue upgrading the courses. Additional cutting is planned for this summer to open the courses. On the day of the trial we had excellent bird planters with Sam Jackson, Dave Dube, Steve Stepanian and Art Hembrough making sure birds were placed throughout the courses. Again this year, birds were plentiful, well feathered and flew strongly. Donna Pride kept the central operations running smoothly, making sure that paperwork was in order, questions were answered and dogs were on the line on time. Food was available for breakfast and lunch throughout the day with John Short, Stephanie Stepanian and Julie Harris taking turns at the grill. Special thanks go to those who sat in judicial saddles, Dr. Leslie Hunt, Allen Welch, Frank Pride, Jr. and Bob Paucek as well as those judges Jane Bjork, Mike Blondin, and Sam Jackson who walked braces to render placements.

After the running on Saturday, the Donna Pride Amateur Puppy award was presented, the Dwight "Pete" Jordan amateur derby award, and the Founder's trophy to the winner of the amateur gundog stake. A wonderful happy hour with a wide variety of appetizers provided the background for hearty conversation. Happy hour was followed by a great spaghetti dinner coordinated by John Short which was enjoyed by handlers and guests. Placements are:

MICHIGAN-SAGINAW VALLEY Ionia, MI

May 21-22, 2011

The Michigan Saginaw Valley Brittany Club held its spring trial in Ionia, MI on May 21-22, 2011. We would like to say thank you to everyone who attended, judged and worked at this trial. We appreciate everyone's participation.

We were pleased to be able to celebrate with Ray Trimble his 85th Birthday at our Happy Hour on Saturday night. That doggone Ray, even at 85, he loves to win more than anybody I know! He brought home two blue ribbons this weekend! Nice birthday present! We wish him many more birthdays and blue ribbons!

Again, thanks to our hard working judges who gave generously of their time and also our club members who did the bird planting, dog wagon, lunches, clean-up. Together, we put on a class trial, without a hitch. Thank you.

Congratulations to our winners, and they are as follows:

**Region 4 Amateur All Age
Brittany Championship
Ionia, MI**

**May 20-21, 2011
By Kathy Gulembo**

The Region 4 Amateur All Age Brittany Championship held on May 19-20, 2011 was run in conjunction with the Michigan Saginaw Valley Brittany Club regional weekend trial. Chaired by Kent Merryman with the assistance of Secretary Sherri Merryman, the Championship drew 21 entrants and 20 starters.

Long-time Brittany competitors and experienced judges, Dave Capstick and Tim Self made the ten-hour drive from Missouri to officiate the running. We were extremely pleased to finally be able to convince them to make the trip. Their decisions, both during the running and at its conclusion, were well received by all the participants.

Michigan's Ionia Recreation Area served as the Championship venue. Although the green grass and foliage seemed to grow by the minute, the grounds continue to be some of the premier grounds in this part of the country. This is due in no small part to the cooperation between the State of Michigan, Ionia Parks and Wildlife staff managed by Shawn Mulligan, and the Ionia Field Trial Grounds Committee comprised of representatives of all the breed clubs who run there. Because of the close working relationship, trialers are able to participate in the management of the grounds; however this requires long hours mowing, chain sawing, brush clearing, and maintaining building.

The Championship is extremely grateful to the support provide by Purina and we were pleased to welcome representative Terry Trzcinski to the event. In addition to Purina's financial support of the Championship and dog food to the winners and participants, Terry graciously provided some other Purina merchandise to the appreciation of the recipients. Unfortunately pictures were delayed until after Terry had to leave due to the winner (dog, not handler) getting lucky at an area vet specializing in frozen semen collection when placements were announced.

Purina Rep Terry Trzcinski, Reg. IV CH Judges Tim Self & Dave Capstick

Jerry McGee with “Chug”, Judge Tim Self, Wade Haines with “Si,” Judge Dave Capstick, Paul Katzel with “Deuce”, Kent Merryman with “Sly”.

Morning bird planters were Wade Haines, Bill Thompson, and Ron Gulembo. They were willingly assisted in those duties throughout the running by several others. Bill also served as chef for a grilled steak dinner for all the participants at the clubhouse on Thursday evening. The assortment of grilled fresh vegetables was as big a hit as the steaks.

With the exception of the last brace in the afternoon which turned warm and muggy, the weather for the running on Thursday was overcast with a light cool rain. The change in conditions did not appear to penalize the dogs as this brace produced the winning performance. Cool overcast weather minus the rain continued on Friday for the remainder of the running. The conditions of the course were very wet and muddy, resulting in many riders wearing raingear to avoid clothes being mud splattered even after the rain stopped.

As never fails at this trial, we had some anxious moments with the disappearance of Robin's Turk in brace 5 almost immediately after breaking away from the Big Oak. Almost 2 ½ hours later, handler Tom Robin and scout Wade Haines were able to track and locate the dog across the swamp. The only problem was they didn't have a clue where they were at that point. Guided by a honking car horn, the three finally emerged by the flowing well in the park. Turk got a ride home in the vehicle but Tom and Wade were given a park map and sent on their way. They eventually joined up with the last brace of the day.

Running in the 6th brace, the championship winner NFC/DC/AFC Ru-Jem's A Touch of Bourbon handled by Jerry McGee broke away from the Clubhouse. With a strong forward race, Chug garnered his first find by the island in Hires' field. Backed by his bracemate, Ray Trimble's Rider, both dogs displayed good manners. Disappearing to the front after his find, Chug was next found standing in the corner of the long line by the old orchard. Before the flush could be attempted, Rider was again

forced to acknowledge Chug's find. Continuing on strong Chug's third point was established just before the Boy Scout Bridge and was backed by Rider with all in order. Emerging from the bottom of Cardiac Hill, Chug was not in sight and was eventually found standing to the front on the second line of the derby section of the course. Poor birdless Rider was again provided yet another backing opportunity. Chug's fifth and final bird was handled without the presence of his bracemate in the thicket just before crossing the creek. Chug concluded his notable race at time in the orchard.

The championship runner-up title was awarded to FC/AFC Shamrocks Sirius. Wade Haines broke Si away in the 3rd brace from the Big Oak. With a nice forward race, Si located his first bird on the derby course heading up the side of the hill in the middle of the field. All the bird planters denied responsibility after the find. The derby section of the championship course proved lucrative for Si with finds number two and three coming on each of its north sough lines. Si continued towards the gravel pit and onto course 1, handling kindly and going forward to all the right places. His fourth find in the swale on the right past the stone wall was handled with the same class style as the others. Si was picked up at time as he was heading towards the day parking lot.

Third place went to Celebration of Two Hearts. Breaking away from the clubhouse in the first brace on Friday morning, Deuce broke away strong. Ranging far and wide, Deuce first showed by the ponds. Whistled on by his handler, Paul Katzel, Deuce took the line towards Hires' field, rimmed the island field and continued to the front. Making a big cast in the direction of the ½ hour course, Paul was able to get his attention and easily turn him towards the Boy Scout Bridge. Found standing on the first line of the derby course, a bird was flushed and all was in order. Deuce made an impressive cast along the fence towards the creek. Paul had to ride to gather him up to

make the turn across the creek. Handling well, Deuce continued on course and time for brace 7 was called in the orchard.

Fourth place finisher Sly, Windy Hill's Lady's Man, running in the 5th brace was unleashed by the Big Oak. Breaking away with his trademark snappy fast race, Sly raced through the orchard and retrieved a dead bird to his handlers, Kent Merryman. Continuing on, Sly made a wide cast along the Riverside Dr. fence to the front. He maintained his fast groundspeed and forward race on Course 1. Scout Sherri Merryman was successful in her attempt to dig Sly out of the woods where the fence was wanting along David Highway. His efforts finally resulted in bird work in Hires' field. In a lucky perfectly controlled situation with the bird flushing on the other side of the close fence, all was in order. Sly was credited with a second find by the island. Time was called immediately upon his release.

Jr. Handler Trenton Katzel with Winner of the OP Stake Wild Mts. Code Name Uno, proud grandpa Paul Katzel, and judges Ed & Shiela Hart. Trenton also was celebrating word that he had been named Jr. Handler of the Year for the Field Trial Clubs of Illinois. Congratulations Trenton on a great weekend.

**ST CROIX VALLEY
Crow Hassan Park Reserve
Rogers, MN
May 6-8, 2011**

The St Croix Valley Brittany Club held its annual spring trial May 6-8 at Crow Hassan Park Reserve, near Rogers, MN. We were having the winter that wouldn't let go, but Mother Nature decided to give us some marvelous weather for our weekend. Friday brought mild temperatures in the upper 60's with lots of sunshine and a slight breeze. The All Age dogs had trouble with their bird work which showed in the placements. The Limited Gun Dogs did much better and the competition was fierce between the 20 dogs that ran. A dinner was provided for all those who participated during the day and we sat around the campfire to soak up a beautiful evening.

Saturday brought the same type of weather conditions but a little warmer in the afternoon, thank goodness for a semi-steady breeze. The small Puppy Stake allowed the Open Gun Dogs to get started a little earlier to beat the heat. The judges had lots to choose from in both Stakes, but the dogs really excelled during the Open Gun Dog Stake. Grilled chicken and all the fixin's were provided for dinner and another campfire was enjoyed.

Sunday morning brought cloudy skies and it was slightly cooler for the Derby dogs. It was a very competitive Stake with nice running dogs and lots of bird contact. The rain couldn't quite hold off for the Walking Amateur Gun Dogs. It rained enough to put your rain gear on, but it wasn't miserable. I saw several handlers jogging to keep up with their dogs and by this

time the course was chock full of birds and 4 to 5 finds was the norm.

There are a lot of folks to thank who contributed a lot of time to make our Trial a success. Thanks to Judges Charlie Aspenson, Jim Brigham, Cindy Findley, Bob Powell, Ken Windom and Bill Zwettler. We appreciate your attentiveness to the dogs and your willingness to share your thoughts with participants. Thanks to Steve Ralph the Trial Chairman for all of your work in advance during the Trial. You wear many hats to keep things running and your tireless efforts are appreciated. Thanks to Club President Bret Lindback who was there from the beginning to the end and pitched in wherever needed. To John Lindback who ran the dog wagon again this year. To club members, John Chejne, Susan Januschka, Brian Lange, and Jackie Swanson for running the dog wagon, planting birds, helping with the food and you all still ran your dogs. A special thanks to Eileen and Carlos Gust for preparing the food throughout the weekend. Feeding the masses is time consuming and the Feeding was good!

We want to thank the Pro's that came to run at our Trial. Bob Burchett and Matt Eder, you guys add a lot to a trial with your level of expertise, competitive dogs and you are good company. Also we want to thank the sponsors that help put this Trial on. NutriSource provides dog food for the winners and pays for some advertising. Gun Dog Supply is a new sponsor this year and provided gift certificates for the Trial. Your support of our sport is greatly appreciated.

To conclude, we had several new handlers at our Trial this year. Thanks for coming out to Rogers, MN with us. We enjoyed your company and hope to see you all join us next year. David Carlson, Field Trial Secretary

WEST COAST

IDAHO

Marsing, ID

April 22-24, 2011

The Idaho Brittany Club held its annual spring trial April 22-24, 2011. Our trial this spring was just before the 2011 AKC Pointing Breed Gun Dog Championship at Marsing Idaho Milepost 9 Hwy. 95. I did a tally of the dogs entered in our trial, we had 8 DCs, 20 FCs, 19 AFCs, 2 MH, 1 NFC, 2 AmFidCh, 1 NGDC, 2 CH, and 2 JHs with 6 different pointing breeds entered in our trial. We had great weather for the most part of the trial; we had a few rain/hail storms on Sunday which was Easter Sunday.

We would like to thank all of the volunteers that helped during the trial, without them it wouldn't be possible to hold a well-run trial. Whether it was bird planting, fixing lunch, bagging birds, hauling water or hay we couldn't do it without your help. Also we would like to thank all of our Judges, some of them had long days in the saddle. An Extra big Thank you goes to Jason Monson who was a bird planter for all three days, not missing a single brace on the course that he was assigned too. He went the extra mile for the club and it was greatly appreciated.

We hope to see everybody again in the fall, till then happy trialing.

Specialty Shows

HUDSON VALLEY Norwich, NY April 29, 2011

Hudson Valley Brittany Club 26th & 27th Solo Specialty Shows, 29 April 2011.

We would like to thank everyone who came to support our club. It was a great turn out and nice to see all of our club members and exhibitors at our shows striving to show the judges, the wonderful qualities of our breed. We were fortunate to have a solid 5pt major in bitches and 4pts in dogs. There was a lunch break between shows and a terrific raffle due to the generosity of our friends and club members.

The morning show started off with Sweepstakes, Judge Mrs. Elaine Lessig, who not only judged the sweepstakes that morning, she also attended and rode several braces at our field trial the next day. She did a terrific job with the young dogs selecting Junior Bitch Hope's You've Got To Be Kiddin' Me for Best in Sweeps and Junior Dog Triumphants's Taylor Made At Mich Mtn for Best Opposite Sex in Sweeps. Then on to the seniors where Mrs. Lessig selected CH RJ's Talk Of The Town JH for Best in Veteran Sweeps and CH Rainbow's Casting Shadows JH for Best Opposite Sex in Veteran Sweeps. On to the regular classes where our judge Mr. James Covey selected Tonan-Magicbrit In The Leather for Winners Dog from the American Bred Dog class and Millette's Don't Stop Believin' as Reserve Winners Dog. Mr. Covey went on to the bitches to select Mt View's Carla's Lady Lola as Winners Bitch from the Open Bitch class and Horizon's Graceous Light as Reserve Winners Bitch from the 6-9 Puppy Bitch class. Then on to the Best of Breed competition where Mr. Covey had several outstanding dogs and bitches to choose from in the specials class as well as the non-regular classes. He selected CH Brownstone's Gild The Lily for Best of breed, Mt View's Carla's Lady Lola for Best of Winners and CH Rainbow's Casting Shadows JH as Best of Opposite Sex. Select Dog went to CH Magic Storm of The Century and Select Bitch went to GCH Millette's Sweet Memories. Awards of Merit were earned by GCH Triumphant's Savior Machine and CH Tonan-Rao Halfmoon's Nite Mist.

The afternoon show started off with Sweepstakes. Judge Ms. Robyn Haskin's job was as tough to choose the winners as in the morning show, selecting Junior Bitch Triumphant's Centerfold for Best in Sweeps and 9-12 Puppy Dog Illusion N GinJac Fire N Ice for Best of Opposite Sex in Sweeps. Then on to the seniors where Ms. Haskin selected CH RJ's Talk Of The Town JH for Best in Veteran Sweeps

and CH Rainbow's Casting Shadows JH for Best Opposite Sex in Veteran Sweeps.

The regular classes were judged by Mrs. Jo Ann Colvin, who selected Laybrinth-Ginjac I'll Get You My Pretty for Winners Dog from the 6-9 Puppy Dog class and Triumphant's Millstone Miami Sun as Reserve Winners Dog. Mrs. Colvin went on to bitches to select Triumphant's Hoptical Illusion Winners Bitch from the Open Bitch class and Triumphant's Centerfold as Reserve Winners Bitch from the 12-18 Junior Bitch class. Then on to the Best of Breed competition where Mrs. Colvin had to once again choose from the several outstanding dogs and bitches, from the specials class as well as the non regular classes. She selected GCH Millette's Sweet Memories for Best of Breed, Triumphant's Hoptical Illusion for Best of Winners and GCH Triumphant's Savior Machine as Best of Opposite Sex. Select Dog went to CH Rainbow's Casting Shadows JH and Select Bitch went to CH Brownstone's Gild The Lily. Awards of Merit were earned by CH/AFC Diamond Hill Dangerous Man and CH RJ's Talk Of The Town.

Once again we want to THANK ALL OF YOU that participated not only with your numerous entries, but generous donations, hard work, and most of all your total support that made these specialties a huge success.

NORTHERN VIRGINIA

Manassas, VA
May 21, 2011

The Northern Virginia Brittany Club held their annual Specialty show in conjunction with the Mattaponi KC in Manassas, VA. Though the sun was hot, we all stayed cool under the pavilion.

The Sweepstakes judge, Tina M. Parker-Craig commented on the quality of the young Brittany's and was dually impressed with the Veterans presented to her. Hybritton's After Midnight owned by Art and Judy Cohen was awarded the Best in Sweepstakes, and Illusion N' GinJac Break The Ice took Best of Opposite for owners Melina Black, Emma Black & Gina Currier. The Best Veteran in Sweepstakes went to GCH Magic Read My Lips owned by Karen Hanson, Nicole Otterson, and Brian Hultgren.

Our regular classes were judged by Mrs. Cornelia M. Howard who gave the Best of Breed to GCH Brookewood's Just Too Hot CD AX AXJ OF owned by Sue Drazek and Cynthia Miller and handled by Sue who also handled her dog to a Group 2. Best of Opposite Sex went to GCH Shamrock Rivals Bolt Out Of The Blue owned by Brig Gen Mike Lee & Julie Lee & Brittany Rosener & Olivia Rosener. WB and BOW went to Hybrittin's After Midnight owned by Art and Judy Cohen and WD to Labyrinth Read All About It owned by Karen Hanson. RWD was awarded to Sigbrit's Rattle My Cage owned by Bobbie Sigmund and RWB went to Diamond Hill Get a Bird Dixie JH owned by Matt O'Donnell. The Select Dog was veteran CH Brookewood's Power Play owned by Cynthia Miller & Howard Huber III and Karen Brown and Select Bitch

was CH Bonniar's Hybrittin HardCore Flamingo owned by Jennifer Irwin.

Thank you everyone who entered and supported our specialty. To all club members who pitched in to make this specialty happen, a big thanks to all of you. Thank you to the trophy donors for all the beautiful trophies. Special thanks to my co-chair, Sue Drazek. Many people said it was one of the nicest specialties they had attended. Hope to see you all next year.

HEART OF ILLINOIS

Bloomington, IL

May 30, 2011

The Heart of Illinois Brittany Club had their specialty show in conjunction with the all breed dog show sponsored by the Illinois Valley Kennel Club of Peoria, IL. This was part of the 4-day Heart of Illinois Cluster Dog Shows. I want to thank the show committee of the Illinois Valley Kennel Club for their hard work and supplying our ring stewards for the specialty. Another big thank you goes out to the Brittany people who braved the high gas prices and brought their dogs to exhibit this year.

Mr. Richard Klatt graciously agreed to judge our sweepstake this year. The small entry had 2 dogs and 3 bitches. Mr. Klatt chose Crescent City Girl owned by Petra Steinmetz for Best in Sweepstakes and Best of Opposite in Sweepstakes went to Starlight's Rockin' Rymer owned by Brett and Barbara Hesterberg.

The regular classes were judged by Mrs. Gloria L. Geringer. From the 4 dogs entered, Mrs. Geringer chose Tradewinds Ticket Taker owned by Terri and Daniel DeBarr as Winners Dog and Reserve went to Starlight's Rockin' Rymer owned by Brett and Barbara Hesterberg.

We had 7 bitch entries. Mrs. Geringer chose Country Road's Gold Dust owned by Karen Stout for Winner's Bitch and Reserve went to Ammo's The Show That Never Ends owned by Julie Nelson.

BGD's Jesse James was our only Field Trial entry this year.

Best of Breed
CH.GCH STARFLIGHT JUMPIN JACKFLASH
 owned by Jacqueline Ceres, Chris Jones Handler

Best of Opposite
COUNTRY ROADS GOLD DUST

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity

to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

American Brittany Club Futurities

CONDITIONS AND RULES

Rugged. Reliable. Proven.
The Leader in Electronic Dog Training Equipment for over 40 years.

- American Brittany Futurities shall be open to every purebred Brittany bitch and her progeny whelped during the calendar year of January 1 - December 31 and whose litters have been enrolled with The American Brittany Club.
- Bitch must be owned or leased by an American Brittany club member.
- All dams nominated and all sires bred to must be registered or eligible for registration.
- Nominations of dams must be made within 30 days after the bitches have whelped.** A sum of \$30.00 must be paid at this time. This payment will entitle each puppy of this particular litter to be entered in the ABC Futurities (Field and/or Bench) after the dog has been properly registered in a recognized stud book.

- Late litter nominations will be accepted with the following current fee schedule:** Late fees are: \$30.00 for 31-60 days, \$60.00 for 61-90 days, and \$100.00 for any nomination received more than 90 days after whelping. No nominations will be accepted past 180 days of whelping. Additional late fees may be imposed from time to time by the ABC Board of Directors. The postmark will determine the fee for late nominations.
- Dogs will be eligible to run in the designated futurity to be held in the Spring of the second year following the year of whelping.
- A final nomination fee will be due by October 1st of the year following whelping. Entry fees will be paid by the owner of the puppy for each Sectional Futurity field or bench event the dog enters.

THE AMERICAN BRITTANY CLUB, INC. is a member club of the American Kennel Club and is the recognized breed sponsor by the American Field.

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

BECOMING A MEMBER: Full membership in one of the Regional Clubs carries an automatic membership in the American Brittany Club. Full Membership cost is \$30.00 per year and \$3.00 per year for each Associate Member. Regional Clubs may charge higher dues. You may apply to join the Regional Club located nearest to you, or if there is none in your area, you may become a Member-at-Large of the American Brittany Club. Joining a Regional Club will afford you with the most opportunities for interaction with other Brittany owners.

GIVE A GIFT MEMBERSHIP: We are asking members to give a gift membership to a puppy purchaser, a friend or acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

Something Wicked, This Way Comes – “Macbeth” Shakespeare

Are You Feeding FRANKENFISH to Your Dogs?

If you read the last three ads written about Solid Gold dry dog food, then you realize that your dog's life depends upon what you feed them. The articles were: 1) Does GMO Mean God Move Over? , 2) Chicken and the Egg and Salmonella Poisoning, and 3) Sundancer – Our New Dog Food with Curcumin.

Solid Gold has been the leader in natural dog and cat food since 1975. We introduced the Hund-N-Flocken natural dog food with lamb and fish. Hund means dog, Flocken means flakes in German. The FDA said that there was no such thing as a natural dog food. We told them that Hund-N-Flocken had been a top seller in Germany for 20 years. They said, “Oh!”

If you import a dog from Germany, frequently the export papers say that if you don't feed the Solid Gold Hund -N-Flocken , and the Solid Gold Sea Meal powder, they will not guarantee the health of the dog.

About six years ago, Solid Gold introduced a bison and Alaskan wild caught salmon in our “Just a Wee Bit”, for the small dog. For the large and giant breed, we introduced Wolf Cub and Wolf King. The owner of Solid Gold had flown to Alaska to interview the fisherman. Two were chosen. They were the only hook and line fishermen. So, if they caught a small fish, it was thrown back.

Soon, as usual, other dog food companies copied us. But they used big nets. Within four years, the wild Alaskan salmon was fished out. Only FARMED salmon was available. Farmed salmon is fed GMO corn. The corn is sterile and cannot reproduce. The salmon are sterile and cannot reproduce. Guess what happens to the people and dogs that are fed this salmon? Solid Gold no longer uses salmon. They are concerned that the GMO salmon may cause cancer. GMO means Genetically Motified Organism

Our Holistique Blendz dog food was introduced in 1985. Holistic does not mean natural or organic. It is fish-based and low 18% protein especially for the older dog to spare the liver and the kidneys. It is also for white dogs that are light-sensitive (photo aging). At a recent dog show, a dog food vendor was next to the Solid Gold booth. The salesman told us that his company also now had holistic dog food. We asked him what holistic meant. He said they put apples in it. Oh well!

In April, 2011 the news said that in New Jersey, it is unlawful for people to plant tomato seeds. You now have to buy GMO tomato plants from the same company that developed GMO soybean and corn. The chemical company said they are doing this to protect the public. Seems that bugs will get on the tomato plants. For 20 years, I just washed off the bugs from my father's tomato plants.

These GMO plants were found to cause two harmful strains of bacteria that damage the intestinal tract and cause leaky gut syndrome. Dogs were developing leaky gut syndrome and infected anal glands.

We use non-GMO tomatoes in our dog food. They are high in lycopene which is good for the heart and circulation. Any fruit or vegetable that is red supports the circulatory system, hormone system and thyroid system. In the recent radiation Japanese disaster, the red sea algae was rushed to Japan to build up the immune and hormone systems. Our Sea Meal contains 19 types of seaweed, including red sea algae. Always use our Sea Meal powder with our dog food. It keeps the dogs from chewing at the root of the tail and licking their feet.

Our new Solid Gold dog food is Sundancer, which contains curcumin. To find out how curcumin works with cancer, see <http://www.umm.edu/altmed/articles/turmeric-000277.htm>

In 1958 the US Congress wanted to fund a study for the use of curcumin and cancer. The big pharmaceutical companies objected and said it would interfere with revenues from their cancer drugs.

The New World Order says that if you control the food production, you can control the people (and dogs). Read dog food labels, don't feed Frankenfish and other GMO products to your dogs and cats. You can depend upon Solid Gold to produce the finest and healthiest pet foods.
