The American Brittany

VOLUME LXIII • NUMBER 5 • MAY 2011

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

DAVE KENNEY'S OUTDOORS

IN FACT AND FICTION

"The Last Bobwhite on
Old Man Benbow's Farm"

Page 6 – 9

Preface: [It is with great pride that I tell you that Dr. David Kenney will be inducted in March 2011, into the Illinois Conservation Foundation Outdoor Recreation Hall of Fame. As I retyped this article and pondered the love that David expresses for the land, the dogs, and the ties to man and his responsibility to care for them, I felt a swell of pride that the people of Illinois have chosen to so honor him. He has been an inspiration to many of us who have been privileged to work with him, learn from him, and share his devotion to the outdoors either personally or through his writings. One only has to read his descriptions of nature in his writings to understand that great appreciation of his to maintain and better our world for generations to come. Congratulations and Thank You, David, from all your friends in The American Brittany Club.] Mary Jo Trimble

The last bobwhite on old man Benbow's farm had spent the winter all alone, taking its meals in a scrubby patch of ragweed and lespedeza that the bulldozers of the preceding summer had somehow missed. It roosted in whatever shelter struck its fancy, and sang its bachelor morning song with a faithfulness that would have done credit to the leader of a covey of a dozen.

Now that spring was promising to come an ancient stirring made it restless, and strongly drawn toward the west, where better eyes than its could see across a distant waterway the stubbled slopes and wooded hollows of a kinder land.

The last bobwhite on old man Benbow's farm had been alone since the previous autumn. Then, in three afternoons of mid-season hunting, its fifteen covey mates had fallen before the guns of two men from the burgeoning village that thrust fingers of white-roofed ranch houses out toward this Benbow acres. The pair had met, one sun-drenched late November afternoon, on the post office steps.

"Let's hunt the Benbow place a time or two," the first had said.

"You know there's no one living there, and since they cleared the brush and thickets out, so as to subdivide next year, what birds there are should not be hard to find."

"Suits me," his friend replied.

"I saw a covey there last week, sunning in the yard of Benbow's house. They flew back north to where a little patch of cover lies. The

rest is all bulldozed and bare, and we should find the birds at home with little trouble. Let's go tomorrow."

And he added, "perhaps this time we'll kill them all."

Go they did, and twice again, and when they finished their third hunt one quail remained on Benbow land. It was the last of what had been, in Benbow's time, so fine a stock of birds as could be found.

But after Benbow died, and then the farm was sold, its quail were hunted hard. Their numbers fell; and when fence rows were cleared and trees and brush cut down, one group alone was left, where ten had been before.

The last bobwhite on old man Benbow's farm whistled in vain for all its friends and kin, and then with all the cheerful courage of its kind, settled down alone to make a winter of it. The foxes came and hawks were not inclined to hunt on acres bare as Benbow's were. The days were mild and no snow fell, and it endured and made the sunsets ring with lonely joy. It missed its kind and would have gone and sought them out, had habit not attached it to the spot. And what was more, its haunts were edged with half-a-mile of barren ground, and danger seemed too great in crossing it. When winter waned and spring pressed on, it still was there to greet each flame-streaked dawn.

Its loneliness was much the same as old man Benbow too had known, when years before he lived alone up the land that bore his name. . . .

For five years following the death of his wife in the fiftieth year of their marriage, Gerald Benbow lived alone upon his farm a mile from town. Alone except for dogs and stock and creatures of his fields and woods, with whom he spent an amiable truce.

Those who saw him come and go, in work-worn wool and denim, with back as straight as arrow's shaft, and nimble step, and calm upon his face and in his speech, thought of him as timeless and eternal, as old man Benbow of the Benbow place.

He lived alone until the wet spring day he went face down in barnyard mud and lived alone no more on Benbow land. His friend and neighbor found him there, called his sons in distant city, did the things there were to do, and thought of Benbow's life upon the land.

The land had long been Benbows', and Gerald Benbow had belonged to the land for seventy-seven years when the day came for him to die upon it. First it was his great grandfather's, who held it by government grant dated 1837, then it belonged to his father, Garth, that valorous soldier of the Civil War, and then to Gerald Benbow for his own.

The land was good; the Benbows

worked it well and free of debt, with pride in all its yield. A thousand year of peasant landlessness had bred into their hearts and minds a reverence for land that served them well, and left it well, if times were good or ill. The Benbows all were known as steady men, who looked with level gaze up the world, and walked with self-respect in field and town.

Gerald Benbow's wife was Rachel Stark, met and married in the distant city to which he'd gone in distant time away to school. Finished there, he brought her back and built a house for her upon the highest hill on Benbow land. They lived in joy and color there—the brilliance of the dogwood in the spring, the splendor of the autumn's brightest flame, the whiteness of the splendor of the autumn's brightest flame, the whiteness of the hills when snow had come, the green and gold of crops at harvest time ~~~ the joy that youth and love and life alone could bring.

Until one winter day when Gerald said, "I'm going to join the army, Rachel. The Spanish think that we won't fight, to put them out of Cuba. I think we will, and want to go." "I know you do," was her reply. "I've known it, Gerry, since that day last week we heard about the battleship blown up, at anchor in Havana Bay."

"It won't take long, " the would-be soldier said. "I'll soon be back, and love you more for every day I'm gone." And Rachel answered, with bravery over tears, "I hope you will, and my love too, will grow as much as yours."

So young Gerald Benbow went away to help to free the Cuban isles from Spain. He had been right, it wasn't long, for he was home before a year had passed. He fired no shots in anger, saw no death, except what sickness brought to training camp.

He learned of distant cousins in the south, and visited with them as time allowed. After he returned to Rachel's side, to home and hearth and all he had desired, they sent to him a dog he had seen hunt and point the quail of Georgia's red clay hills.

From that day forward dogs and quail became a part of Benbow's life. When his

Nick was our stud pick from a breeding with our sire AmFC DC AFC RJA's Zac-A-Tac Allmac and John and Carol McMurray's FC AFC Allmac's De-Na Dixie. He was the only liver and white pup in the litter. He is OFA good.

He completed his FC in 2005 and AFC in 2006. In 2008, he became an American Field Champion and in 2009, Bob decided he was getting out of field trialing. Joann took Nick into the show ring and finished his DC in January 2011. Nick was a big running dog displaying intense style when pointing, always in front and delightful to watch. He was devoted to Joann in the show ring.

Watch for his pups in the show, the field, hunt tests and hopefully a therapy dog too. Our young dog, CH RJA T-Storm's Fire N Smoke (Red) was Nick's first champion and also has his puppy and Derby points.

We thank all of our friends for their encouragement and support on Nick's journey to his dual championship. Gina thank you for your expertise and encouragement. A big thank you to all who never let me quit. Nick you deserve this.

and Rachel's sons were born, he waited with impatience for the day when they could join him in the annual round of work and pleasure on the land. He kept good dogs and handled them with care, and never lacked for birds to train them on, nor ample numbers for the gun with breeding stock to spare. Ben bow understood the needs of quail, and in his patient struggle with the land, allowed them feed and cover for all their seasonal activities. The quail responded well to such consideration, and paid their debt with many a good day's sport for Benbow men. As the boys grew up they learned from birds and dogs as well as men the lessons taught by show of will and courage in the field.

By the time the Benbows' sons were men, and took their destined places far away, their parents knew with certainty the sense of task well done. Their sons made men of whom they could be proud as all the long slow years went by. The Benbow place remained unchanged, its lands and buildings only aged a bit; and each crisp fall the stubble fields and kennel filled with eager dogs were there to welcome back the sons and grandsons from their city homes. After Rachel's death, such visits made the marks with which old Gerald's life was measured.

For as long as Gerald lived, the land he loved was treated still with care. It yielded well and made a home for man and quail to shelter them in any sort of season. But when Benbow was gone at last, the farm was sold. The slow inevitable decline began, brought on by greed and carelessness of those who did not know the pride that one could take in fields and forests tended with consideration. It continued so until the day that one bobwhite alone was left on old man Benbow's farm. . . .

The last bobwhite on old man Benbow's farm endured the winter of its solitude; but when the fires of spring had warmed its blood and made it lonelier still, it came to know at last it could not stay alone and friendless in a barren land. And so it sprang to flight at dawn one April day, winged toward the west and freedom, perhaps with luck to find a home and kin near man as kind to birds and land as Benbow long had been.

THREATS TO OUR SPORT

WHAT TO DO WHEN A BAD BILL IS INTRODUCED

Shelia Goffe, AKC Government Relations Department Invited by Carol Williamson, Houston Kennel Club

A neighboring community has just established a law limiting dogs to three per household. Now your community is threatening to do the same. And to make it worse, the state legislature is considering a mandatory spay/neuter bill.

Unfortunately, news like this is more and more common every day, and the prospect of all these threats can seem overwhelming. The good news is that there is something you can do.

Although the policy-making process may seem intimidating, ordinary citizens truly can impact it. Remember, policymakers are called “public servants” for a reason – their job is to listen to constituents and make reasonable policies that benefit the entire community. However, for elected officials to know what’s best for their community, they must first hear from their constituents.

Put yourself in a policymaker’s shoes. Few have any experience with dogs other than a family pet. They hear plenty of negatives about dogs – from news stories, from politically active animal lobbyists and so on, but not a lot from responsible breeders. Many breeders are so busy with their dogs, clubs, work and other activities; it’s hard to get involved in politics, too. But if we don’t get involved, policymakers won’t hear us and we concede the debate.

Following are ways you can be an effective advocate for your dogs and your rights.

BE A CONSTITUENT. Elected officials listen to constituents; therefore it’s vital that you be an active, registered voter. Did you know that how frequently you vote is a matter of public record? Your vote is even more important in local elections that are held in non-presidential years. Fewer people vote then, so fewer people pick the winners.

MEET YOUR LOCAL REPRESENTATIVES. Local legislators are constantly looking for ways to maximize their name recognition. Inviting a legislator to present an award at your dog show, participate in a Responsible Dog Ownership Day event or speak at a club meeting are great ways to introduce them to the sport and educate them about responsible dog owners and breeders. Attending their local fundraisers, coffees, or luncheons are also great opportunities to introduce yourself.

LOOK FOR NOTICES OF PROPOSED LAWS. The AKC Government Relations Department (GR) tracks and monitors legislation that may impact dog owners right at the state and federal levels, and invites you to keep up to date on these issues by using our online legislative tracking service (www.akc.org/canine_legislation). Local ordinances are more difficult because there is no single location where all newly proposed ordinances can be found, and communities approach new laws in different ways. Without someone committed to

following local events, it’s common for local ordinances to be passed quickly, without affected citizens even knowing about them.

One of the best ways to stay on top of local ordinances is to read the legal notices in your local newspaper or your community’s website. Contact your local municipality/county offices and find out how and when they publish legal notices. Be sure you check these notices for references to “canine,” “animal control,” or “animal” ordinances. If these are mentioned, investigate the proposal further—notice don’t generally provide specifics.

THE PROPOSAL. Once you become aware of pending changes to the animal codes, there are several steps to take to ensure that you have all the necessary information.

- Find out the status – Call the city or county clerk’s office.
- Is there a formal draft? Obtain a copy of the changes and the existing law.
- Ask AKC GR Staff or a local expert to review the measure.

Interpreting the “legalese” of many ordinances is challenging and experience may be needed to correctly read and evaluate the impact of various phrases.

- When will the vote occur?
- When is public testimony allowed?
- Determine why changes are being proposed.
- Was there a specific incident? Could it be handled using the current code or state law?
- What is the problem they are looking to solve?

BUILD YOUR COALITION.

- Alert your club members and AKC Government Relations. GR can help you reach out to other clubs, judges and breeders in your community.
- Contact your state federation of dog clubs. Federations have experience in state politics, know the state laws, and may be able to assist you in addressing the problem most effectively. Contact local animal-oriented businesses. In some cases changes will dramatically impact groomers, veterinarians, boarding kennels, and pet stores. Locally-owned stores are more likely to get involved than national chains.

ORGANIZE FOR THE FIGHT.

- Write down specific concerns with the proposal.
- Develop talking points.
- AKC GR has talking points available on many issues such as mandatory spay/neuter, breeding restrictions, breed-specific legislation and limit laws.
- Be specific and clear about what is problematic in the legislation.

- Suggest alternatives if appropriate. For example, limit laws are often proposed due to noise complaints. However, a well-written noise ordinance addresses the problem without negatively impacting responsible owners.

COMMUNICATE EFFECTIVELY.

- Meet with legislators and/or staff to express your concerns.
- View these meetings as an opportunity to educate. Most legislators do not have concrete ideas about animal control issues, are anxious to hear from constituents, and will be responsive to reasonable recommendations and alternative ways to solve a problem.
- Meeting with staff rather than the elected official is often beneficial.
 - Staff often have more time to devote to the meeting.
 - Legislators often base their decisions solely on staff recommendations.
- Expect to have 10-15 minutes so be succinct and specific.
- Take a small group, no more than 4-5 people and make sure at least one is a constituent. It isn't necessary for the constituent to do the talking, anyone can be the spokesperson.
- Decide before the meeting who the spokesperson will be, or if several people speak, who will cover which topics. Time is limited, so do not repeat topics, but assign a specific topic(s) to individual speakers.
- Start a letter/email campaign.
 - Contact legislators to find out whether they prefer letters or emails. If time is of the essence, emails or faxes may be preferred. However, some legislators only respond to hard copy letters.
- All communications should be professional and polite.
- Never use foul language.

- Never call a legislator names or personally attack a legislator.
- Always use proper grammar, correct punctuation, and complete sentences and paragraphs.
- Use the proper form of address: Councilman Smith, Mayor Jones, etc.
- E-mails should be in exactly the same format as letters.
- List your full name and the address at which you are registered to vote – legislators need to be able to identify you as a constituent or local resident.
- Prepare speakers for public meetings.
- How much time are speakers allowed?
- If one or several people are speaking on behalf of a group, the final speaker should ask all in attendance who agree with your group to stand.
- Your group may want to be identifiable by wearing buttons or a specific-colored shirt.
- Audience members should remain quiet during the process. Booing, rude comments, or outbursts will reflect poorly on the group.
- Dress neatly, in at least business casual attire, to demonstrate respect for the process and to showcase your group as responsible, professional members of the community.

AKC Government Relations Can Help. For more information or assistance, call the AKC GR Department at 919-816-3720, email doglaw@akc.org, or visit www.akc.org/canine_legislation.

STAY AWARE OF LEGISLATION IN YOUR STATE THAT THREATENS OUR SPORT

To protect ourselves from the threats of legislation that effects our ownership of dogs and our sport we need to be informed of the proposed legislation that threatens to take away our rights. There are several organizations of anti's out there including PETA and HSUS determined to infringe on our rights of dog ownership and activities. To find out what is going on in your state go to the AKC website and scroll down to Government Relations in the left column. When selecting that it will bring up a page with a map of the US on it and by clicking on that map another map will appear with all the states on it. By clicking on the state you select it will bring up all the legislation that is being proposed. In order to fend off these attacks we first need to stay aware of what is being proposed and then when necessary be prepared to fight it.

BRITTANY FIELD TRIAL HALL OF FAME

2011 Hall of Fame Inductions – Grand Junction, TN

By: Diana Kubitz

Dog Inductee: Home Acres Allspice – Owners, Bob Youngs (with portrait) & wife, Barbara (with scroll) of Mechanicsburg, PA; (at right) artist, Ross Young.

The Bird Dog Foundation is ‘dedicated to preserving the past and protecting the future for sporting dog fanciers the world over’. This is the mission statement of the chartered, non-profit, charitable organization known as the Bird Dog Foundation.

To those ends, its museum, projects and other initiatives are aimed at: Preserving the rich legacy of sporting dogs via historic artifacts, art, and other memorabilia...Recognizing those people and dogs that have made significant contributions to the sport of field trialing...Supporting and promoting responsible dog ownership, training, field trialing, hunting, and the shooting sports...Promoting conservation of our natural resources by educating the general public – especially encouraging and involving youth in programs relating to dog sports and wholesome outdoor recreation.

Gary and I were very excited to attend the Hall of Fame Inductions this year on February 12, 2011, in Grand Junction. Friday night, the Brittany contingent met in the newly opened restaurant at the motel and had dinner together. We talked about the future of the new Brittany wing and how we might raise the rest of the needed money.

Beginning this article with the Mission Statement, I felt would help convey the sense of commitment the people at the Bird Dog Foundation and the Bird Dog Museum have. As you walk through the museum you are imbued with a sense of history and all things pertaining to bird dogs. Seeing the names that you have only heard or read about is only the beginning. From the antique guns and ratty old field trial hats, to the wonderful artwork and paintings adorning the walls, you are left with a sense of the timelessness of our sport, feeling one with all that has gone on before.

The morning began with the inductees from the Spaniel and Retriever groups. As usual everything was professional and well managed. The booklet this year was sponsored and produced by “Sport Dog” and their involvement was much appreciated. After

Dave Fletcher presenting a Patron award to John Tiedeman in honor of his parents Velma & John Tiedeman, Sr.

the morning session we were treated to a wonderful lunch provided by Purina. It was a terrific meal and it provided time for catching up with old friends and meeting new ones.

At 2:00 p.m. the afternoon session began with a moving invocation by Dr. Virginia Jones Finzel, the minister of the First United Methodist Church of Grand Junction, followed by the Pledge of Allegiance. I was comforted by the thought that all these fine ladies and gentlemen valued our country and, despite efforts to take God and country out of our lives, it lives on in Grand Junction where all the old traditions are still honored.

The first order of business was the presentation of plaques by David Fletcher of Morrice, Michigan. I waited to see the look on John Tiedeman’s face when he accepted the plaque for his parents, Bill and Velma Tiedeman. My thanks to all that contributed to their patron plaque.

This was followed by recognition of the attending living members of the Brittany, GSP and Pointer/Setter Field Trial Hall of Fame and then families of deceased members of the Field Trial Hall of Fame.

The people and dogs inducted in all the breeds were deserving and proud of the honors bestowed on them. One that touched me in a personal way was the induction of Tom Honecker. He contributed much to the sport of field trialing, even letting some of his own land at Killdeer Plains be used in for trials. Tom was a former judge for the ABC nationals and was always welcomed everywhere he went. He was involved with the 20th Century Fund and led the way in recommending financial aid that helped many field trial groups in the past. Tom passed away on March 4, 2010, and the bird dog world misses him. Tom and Ron Zook are running bird dogs right now, I'm sure.

Brittany's were first on the agenda for scroll presentations. If I counted right we had 28 Brittany people in attendance for these inductions. Brittany Field Trial Hall of Fame members present were: Bob Rankin, Ray Trimble, Frank Pride, Jim Chase, Dave Lincoln and last, but not least Delmar Smith. Delmar Smith is the only person to be honored by both the Brittany Field Trial Hall of Fame and the Pointer/Setter Field Trial Hall of Fame.

Rick Smith presided over the Brittany presentations and his words expressed the passion he felt as chairman of our group. Our only person inducted for 2011 was Warren Montgomery. Warren was accompanied by his wife Carol, his daughter, his grandson, brother and other friends and family. Warren has been a member of the ABC for over 40 years and started in the Greater Indianapolis Brittany Club.

Warren spearheaded the re-emergence of the International Championship in the late '70's and relocated it to Indiana. He was a founder of the Brittany All-Age Dog of the Year Award, now known as the Purina All-Age Dog of the Year. Warren served as director of the ABC and served as an officer of regional clubs. Currently he is the treasurer of the Prairie State Championship organization. Warren owned, trained, and campaigned NAC/DC/AFC Hi-Spirit Buck who has a place in the ABC Hall of Fame. Warren was in his glory handling Buck to his many championship wins.

Warren has also judged the ABC National Open Championship, National Amateur Championship three times, ABC Gun Dog Classic Twice, ABC National Gun Dog Championship, ABC Chukar Championship, Irish Setter Nationals, and regional trials too numerous to mention. We were proud to welcome Warren into the Brittany Bird Dog Hall of Fame.

Home Acres Allspice (1975-1988) or Sally as she was known was whelped in 1975 by breeder/owners Bobby and Barb Youngs. Her sire was HOF Ban-Dee and her dam FC B's Sandy Valley Sassafras. During her lifetime she was owned by Don Young, Jim Holman and Harry Robb. Bobby and Jim both handled Sally to many field trial wins. Don Young and his son Ross spent many hours bird hunting over Sally.

All who knew her recognized her natural and intense instincts. Sally was one of the top producing bitches of hour winners in our breed. The list of her progeny includes Hall of Famers, numerous National Champions and too many hour winners to count. Nine years after her death, almost 20% of the dogs running at the ABC National Championships could be traced back to her. Her legacy

and production record were a valued contribution to our breed. She was bred 5 times to 3 different sires and has become known as a "Blue Hen" producer as her progeny continued their winning ways thru every generation and still today. In the first generation, Sally produced 11 field winners with 4 field champions, totaling 17 one-hour wins. The most notable were Home Acres Risk, The Magic Moment, Scattman and Jug. Kentucky White Diamond and Judy Judy produced many field winners and Hall of Fame dogs.

Barb and Bobby Youngs, and Ross Young accepted the Scroll for Sally. They already had an oil painting as Barb took a chance on a raffle ticket many years ago at a field trial and won the opportunity to have her dog's painting done. Not bad for a \$5.00 investment!

Photos were taken and we were treated to a reception after the presentations by the American Field Publishing Company. This provided more opportunity for fellowship and swapping field trial tales.

Dick and Carol Pulliam hosted a wonderful celebration at their lovely home in Grand Junction after the other events of the day. Carol's food presentations looked and tasted like a "Martha Stewart" moment. The Pulliam's hospitality was welcoming and much appreciated.

If you haven't taken the opportunity to visit the Bird Dog Museum, please don't miss this. If you are anywhere in Tennessee, take the time to view this wonderful museum. I promise you will be impressed and find it worth your time. Check out their website for current hours of operation. You can also visit the original Wilson Dunn store; see the "Big House," and the grounds where the Pointer/Setter Nationals are run.

This write-up would not be complete without thanking Mary Crawford for all her hard work. Mary is a detail oriented person and she made sure that we all had room reservations and that we all knew what was happening when. She is a valuable asset to the Brittany Hall of Fame committee as corresponding secretary.

If you haven't donated to the building fund for the Continental Breed addition and would like to do so, contact Jim Chase, Dave Lincoln, Rick Smith or any of the committee members. Please check out the new website at: <http://www.brittanyfieldtrialhalloffame.com/>. Thanks go to Marc Rittner for all the hours he contributed in the past and thanks also to Steve Ralph for helping Mary Crawford put the new site together and getting it on line. It's time now to start thinking about your nominations for the people and dogs you feel deserve to be in the Brittany Field Trial Hall of Fame for 2012.

DELAWARE VALLEY CHAMPAGNE MEMORIAL GUN DOG CLASSIC

March 30—April 1, 2011

English Setter Club of America - Medford, New Jersey

We welcomed everyone to our 5th year of the Delaware Valley Champagne Memorial Shooting Dog Classic. This year's entries consisted of 24 all amateur handlers. We were fortunate to have two excellent judges from the American Field judging our dogs. The judges were Mike Tracy from Glenville, Pennsylvania and Ernie Saniga from Nottingham, Pennsylvania.

Our days spanned the climate from sunshine on Wednesday to Mist and Rain on Thursday to Snow on Friday. The banners of the previous winners of our classic adorned the deck of the clubhouse. One banner challenged the participants to see their dog's portrait on the banner for 2011. Our nights were spent by the fire in the club house renewing old friendships and creating new ones. Friday night capped our Classic with the awards and bluegrass celebration. Ralph Kiracofe led us through his rendition of karaoke, while Ronnie and Ivan Clark got the dancing started. Ed and Ellen Kerr showed the youngsters that they can still cut a mean rug. Meanwhile Danielle, aka Tweety had a different version of the hand jive that befuddled some but continued throughout the weekend trial. It was a party for the ages.

THE RUNNING:

1ST PLACE CAME FROM THURSDAY, DAY TWO, BRACE SIX. THE DAY WAS OVERCAST WITH OFF AND ON MIST AND RAIN.

MARJO'S HERE FOR THE PARTY (Gretchen) handled by Joe Luisi

LIMITED EDITION III (Sam) handled by Lou Palazzolo

Both dogs broke away nicely up the tree line. Eight minutes into the brace, Sam gets into trouble with a bird and was up. At 12 minutes point was called for Gretchen at the edge of the bird field. The bird was flushed. Gretchen was released and went to the left side of the bird field moving forward. Twenty three minutes into the brace a second point was called for Gretchen by the pond. All was in order. Gretchen was released and she went down the cedars on the right side of the airport field. She crossed over and headed to the island. As we came across the bridge at 35 minutes, Gretchen was standing on the left side of the bridge. The bird was flushed and Gretchen was taken forward. Two minutes later Gretchen established point going through the wet field. Find four was in order. She was released and handled nicely through Jake's cut. She moved along the foundation into the cowfield to establish her fourth point. With all in order Gretchen was released and time was called.

2ND PLACE CAME FROM WEDNESDAY, DAY ONE, BRACE FOUR. THE DAY WAS OVERCAST AND COOL.

COVEYRISE THIS BUDZ 4U (Bud) handled by Bruce Conover

HIT'S A ROCK ROAD (Rocky) handled by Ralph Kiracofe

The two dogs had a strong breakaway. At 9 minutes Bud was on point at the corner of the power lines opposite of Jake's cut, and Rocky was forward going down the tree line. Bud's bird work was clean. At 11 minutes point was called and it was a divided find. Both dogs handled it well. With all in order, they were released and headed towards the foundation. Sixteen minutes into the brace Rocky was standing by the cedars and Bud honors the point. Again, both dogs are good and released

out to the airport field enroute to the island. At 25 minutes Bud was standing and Rocky leaves the back and is picked up. Bruce rides up to find Bud standing at 38 minutes. Another good piece of bird work was completed. Bud heads down the foundation to finish the course.

3RD PLACE CAME FROM THURSDAY, DAY TWO, BRACE NINE.

BRIGADOON'S RUNAROUND SIOUX (Sioux) handled by Paul Snyder

HIT'S FOR PETE'S SAKE (Petey) handled by Judy Kiracofe

This was the last brace of the day. Both dogs broke away on the tree line. Petey made a beeline down the power lines to the bottom edge of the woods where he was found standing on the inside edge at 9 minutes. The bird was produced and Petey was sent forward. Both dogs went through the orchard. Petey continued through to the bird field. Sioux was on point on the left side of the orchard. Paul relocated Sioux two times and opted to pick her up. In the meantime, Pete was headed out to the airport field and up the cedars to the island. He continues to rim the fields and goes out towards Jake's cut. At 35 minutes point was called. He was released and moved forward. Point was called again on the other side of Jake's cut at the pond. All was in order. With not much time left Petey headed out to the foundation then into the cowfield. Down the far edge point was called at 58 minutes. The shot was fired with another good find. Petey was released and time was called.

4TH PLACE CAME FROM THURSDAY, DAY TWO, BRACE 7.

HIT'S ALONG FOR THE RIDE (Ellie) handled by Judy Kiracofe

POISON IVY (Itchy) handled by Paul Snyder

At 11:15 the dogs broke away. At 10 minutes Itchy was standing at the power lines and Ellie was standing at the crossroads of the power lines. Both handlers produced birds and the dogs were moved on. Point was called again for Itchy, across from the power lines in the field. Paul relocated her twice; shot was fired and everything was in order. Ellie had a find by the pond outside of Jake's cut. The bird was hunkered down, but Judy flushed the bird and shot. Itchy was on pt in the bird field, but Paul could not produce the bird. Both dogs were now heading down the cedars in the airport field. Ellie took the left side of the island and continued in the field. Itchy had her third clean piece of bird work in the middle of the island. Ellie has crossed the bridge and her third point was called. Ellie has another clean piece of bird work. Paul has caught up and Itchy her fourth piece bird work on the other side of the bridge. Ellie and Judy go down the state side of the field and Itchy is running towards the woods. Itchy has a fifth find at the crossroads after a second relocation. Ellie establishes point on the other side of the cut; find number four. As she is coming out of the woods she has another nice piece of bird work at the pond. Itchy heads up the right side of the cowfield while Ellie heads through the woods to the left. Itchy had her sixth find at the very corner of the cowfield and a shot is fired for Ellie as she had her fifth find on the edge of the woods and time was called.

In Closing we would like to thank all the participants that came out to showcase their dogs. Joe Luisi and Danielle Perry for early morning bird planting and Danielle riding every brace to ensure everyone had ample bird work. Our hard working committee members including Joanne Perry,

Ed & Ellen Kerr, Marsha & Joe Luisi and Judy and Ralph Kiracofe made the Classic run smooth and provided an enjoyable event for everyone. Our sponsors, most of which have supported us from the beginning including Pete D'Angeles, Water & Wings, Nutrena and Loyall. Without their support, it would be virtually impossible to provide the extra amenities that set our event apart from the past. If you missed our event this year we hope you will come out and join us for next years running.

Due to the induction of Warren Montgomery into the Field Trial Hall of Fame at Grand Junction, the regional week end trial for the Southern Illinois Brittany Club was cancelled so members and participants alike could attend. We are grateful to the American Brittany Club for allowing this one hour open limited all age stake to be conducted on the Monday & Tuesday following the ceremonies.

After horrible snow storms, freezing rain, etc. the weather for this Classic was almost perfect! It even got a little warm in the afternoons, but no one was complaining. The grounds on the Captain Unit at Pyramid State Recreation Area continue to improve each year. In addition to planted birds, wild covey's were pointed several times during the two days running. We welcomed professionals Chad Holman, Kevin Stonehouse, and Alan Gorrow. Amateur Ray Trimble, who pushed the winners with his Brisco's Mr. Stub, rounded out the entry of 17 strong contenders.

Judges for this event were John Hott of Hoopeston, IL And Stan Williamson of Longview, IL. Both of these gentlemen gave their full attention to the field and we appreciate their time in the saddle.

The winner, Shamrock's Sirius, an eight year old male owned by Wade Haines of Pataskala, OH and handled by Chad Holman, ran in the 7th brace Tuesday morning. Well defined birdwork and a solid forward race was rewarded by the judges. Black Creek Deacon (the 2010 winner) was 2nd. This four year old male is owned by Ron Harling, Jr. of Churchville, NY and

also handled by Chad Holman. third place went to veteran handler Ray Trimble with 7 year old Brisco's Mr Stub. Rounding out the placements was Grand Junction Jake, an 8 year old owned by Richard & Carol Pulliam of Grand Junction, TN and handled by Chad Holman.

We wish to thank our sponsor Purina for providing monetary support as well as product for the winners. We also want to thank the Illinois Brittany Club for providing support from their annual walking trial held each spring. Without their help, these one hour events could not happen. Club members from both Illinois and Southern Illinois Brittany Clubs ran this trial without a hitch. Many thanks to Jim & Janet Chase, Ed & Judy Graves, and Ray & Mary Jo Trimble for all their work.

Runnin' With Rio

By Connie McCaffrey

"What are you going to do? Put a saddle on him and ride him?"

That was typical of the comments we received when someone first saw Rio, our lovable, Brittany with his lanky body and tall legs.

John had just started field trialing, entering Rio in puppy stakes. Much to his surprise, even though John said he didn't know what he was doing, Rio won his first puppy stake, took second place in another competition and two fourth places in Derby. Then he sent Rio to Brittany trainer Ed Tillson who helped Rio win first place in Derby. Needless to say, John was hooked. His buddies at the Brittany club said he might as well load up a wheel barrel with cash and keep it on hand for all the money he'd be spending.

Over the next spring and fall, John traveled all over to tiny towns we'd never heard of like Eureka, Thayer, Le Roy and Mt. Pleasant to either watch the trainer run Rio or else run him himself. John always asked me to go with him, and I went a few times but usually found an excuse.

Field trials weren't my idea of a "vacation." For one trial in March, I waited a long time in 40-mile-an-hour winds for Rio's braces and tried to stay warm in my thermal underwear and hooded parka. Then I sloshed around in the muddy, rutted fields, tripped over chopped off corn stalks and tried to watch Rio run, while mostly staring at the rear ends of the judges' horses in front of me.

I joked to John, "Wow, you really know how to pamper a woman!"

John's fellow field trialers often complimented Rio. They said he was a "big running dog" and a "joy to watch." John just shook his head in disbelief and worked even harder, training Rio on pigeon and quail in preparation for upcoming gun dog competitions. Then in addition to walking trials, John participated in riding trials, even though he hadn't been on a horse in years. He had trouble juggling it all: focusing on Rio, handling his gun and getting on and off the horse without falling down.

Then Rio hit a plateau: He got a third place and then nothing at all for a long time. For many of his trials, he couldn't seem to find a bird. And instead of covering the field with his usual big running style, he kept doubling back to check in with John. John said he felt like giving up, but one friend at the Brittany club told him to stick with it because Rio was "a field champion waiting to happen." So Rio went back to the trainer, and then he was back home for more training. After a successful fall hunting season and lots of running and bird work, Rio got stronger, quicker and smarter than ever. He was lean and muscular with a huge chest and powerful haunches, and his markings had darkened to rich amber.

That spring, John talked me into going to a field trial held by our Brittany club in Minnesota. It was a beautiful, sunny weekend and the grounds were dry. From the moment John staked Rio out next to our SUV, it was clear that something was different. Rio was more excited than ever, like he knew this was a serious competition.

At the break-away, John could hardly hold onto Rio who was bucking forward. He looked like he was on a mission. The two dogs were unleashed, and Rio raced down the tree line with astonishing speed, leaping high in the air with his dark face way above the tall

grass. He clearly had an advantage over his tiny little brace mate who you couldn't even see. Rio kept well in front of John sniffing for birds and racing back and forth across the field in a clock-like 10 to two pattern he'd been taught.

Suddenly, Rio raced forward to an island of trees in the middle of the field and slammed on point. John ran forward shouting "whoa" and waving his hat in the air to alert the judges. When he got to Rio, he shouted "whoa" again and held his index finger in the air. Rio didn't take his eyes off John, and he stayed perfectly still. John kicked at the bushes trying to find the quail for what seemed like forever. I felt like I was holding my breath and I kept saying to myself, "Find the bird, John. Don't move, Rio." Throughout it all, Rio seemed totally tuned into John, and John seemed tuned into him. Suddenly the quail flew up and John shot his gun, with Rio rooted in place. John collared Rio and moved him away from the tree stand. I felt myself breathe normally again and the judge and spectators seemed to let out a collective breath. One of our club members leaned over to me and said, "That was really good." Another member said, "That's the best I've seen all day."

Rio was off running at full speed, and again he stopped abruptly at a grove of trees and stood like a statue. John kicked around and the quail popped up. John shot and away we went.

Afterward in the car on the way home, I said, "I'll bet you Rio will win second place or first place if we're lucky." Sure enough, an hour later John got a call on his cell phone that Rio had taken home a red ribbon. John and I raised our hands in the air and "high fived."

I looked back into Rio's oversized crate and saw him sleeping contentedly. "How about if I keep you company when you go to the Iowa trial next weekend?" I said. John looked at me and laughed. "You're hooked," he said. "Yea; I'm hooked."

Connie McCaffrey and John Chejne live in Minneapolis. John is the secretary of the St. Croix Valley Brittany Club.

HALL OF FAME FOR DISTINGUISHED MEMBERS

In 1993, the board of directors voted to form a Hall of Fame for distinguished members of ABC, past and present. Life membership, although an honor, was not of sufficient status to properly honor those who had given exceptional service to the club from its foundation on. Hall of Fame members are provided full privileges of membership in the parent club, but does not carry with it obligations of duties or dues.

The following is a list of the qualifications for nomination to the Hall of Fame for Distinguished Members.

1. The individual should be involved in the ABC for more than a few years, 15 years is suggested.
2. Their contribution to the club and sport has been outstanding.
3. The individual has contributed to the National Club in many ways: member, club officer, judge, breeder, owner or handler of dogs.
4. The individual may be living or deceased.
5. The Brittany club and the Brittany has benefited because of that person's involvement.

PROCEDURE FOR ELECTION TO THE HALL OF FAME FOR DISTINGUISHED MEMBERS

1. The committee to select nominees to be elected to the Hall of Fame shall be the board of directors with the president as chairman.
2. Anyone wishing to nominate a person to the Hall of Fame must submit that name and that person's qualifications to the president by April 1st of any year. (A nomination form will be printed in the February and March issue of "The American Brittany"). For the first two (2) years, there shall be no limit to the number of people elected. After that time, a limit may be set on the number elected to the Hall of Fame.
3. A mail vote will be conducted by the president to determine election. The first vote will be by mail to the directors. It may be taken by e-mail under confidential restraints by the President. Those people receiving 50% of the vote will then go on the second ballot. The first ballot is to be sent by June 1 of each year. The second ballot will be sent by September 1 of each year. Selection will be by 2/3 vote of the board. All votes both written and at the board meeting will be yes or no votes.
4. Names are dropped the second year if they don't make the 2nd ballot the first year. It takes more than 50% to carry on the ballot (8). It takes 2/3 of the directors (10) to elect. (1995)
5. A plaque will be made to honor the people elected to the Hall of Fame each year. Name plates will be added each year for new inductees. (2002)

Hunting with Burney and Sugar Bear

By Harold Biebel

Hi all. Last week I was up in Iowa with Burney and Sugar Bear. We got to pheasant hunt on New Years Day and the day after. We were in north east Iowa hunting with our good friend Don B. Don has great land and he was able to put us into a few roosters in a year when the pheasant count is way down. Way to go Don! Thanks.

The dogs and pheasants photos are from January 2, 2007. I got my limit of 3 roosters that day. In the photo above that's intense Burney on the left and elegant SugarBear on the right. Sugar is kinda giving me the squint eye, saying, we are not going to stop with the sun still up are we?!

The day started out kinda slow. Don and I went to several fields that should have held pheasants and came up dry. Don, always moving, moved on to some other great looking land on the other side of the county. We walked way back to a food plot and found pheasant tracks in the snow. Our energy level went way up. As we started into the food plot Sugar immediately went on a hard point at some thick grass that was half knocked down and covered over with snow. I worked my way up to her. Just as I got close a big rooster bolted out the back side. One shot, one bird on the ground, dead. Sugar was on it in a flash and retrieved it back to my hand. Wow, just wonderful. Classic bird dog work.

The only other rooster in that food plot tried to sneak out the far end. Don found his tracks and Don and Sugar started to track the bird. Those two tracked that bird for a 1/2 mile to the road ditch and then down the ditch for another 1/2 mile. At that point the rooster was out of cover and up against the drive way to the farm house. And, as you would expect, he launched directly at and over the farm house. Don had to pull his shot and call a safety. No rooster but a lot of great bird dog work.

Then it was off to a new area. Don drove to the start of a long creek ditch through a very large picked corn field. There was a grass buffer about 20 yards wide on both sides of the creek. One field over was prime CRP grass land. The creek line looked birdy for sure. Out came Burney and Sugar and some more number 5's in my coat pocket. Don asked me if I would like him to drop me here and he would drive around to the far end of the creek and block and wait for me there. He didn't have to ask twice. Burney and Sugar got their Tri-Tronics collars on and we were off.

We had only gone about 50 yards on the north side of the creek when Burney spun and locked up facing some thick grass on the creek bank. Burney and I have been pheasant hunting together for some 8 years and I know what that means, "bird here boss!" Burney has a fantastic nose and loves to point. He had the bird pinned. Was it a rooster or a hen?

The 2 Biebel Brittanys in the photo are Burney on the left and Sugar Bear on the right. Burney is not with us any more, gone over the bridge, and we miss him a lot. Sugar is still my cuddle girl at home. What wonderful memories mixed with sadness since their time is so short with us. Merry Christmas to all my friends, both human and 4legged. You make my life so rich. Looking forward to more puppies to enrich our lives this spring!! Harold.

Double time it over to him and find out. Just as I got to Burney the rooster launched. A simple right to left pass shot, well, not so simple in a strong tail wind. My first shot missed, my second shot was closer but still late, but the third #5 hit him. Down he went, on the other side of the creek, bounced once and was off running. And so was Burney. Burney swam the creek; I could tell from his beeper collar that he was on the bird's trail.

Now I had to get across the creek. Back track a 1/4 mile to the bridge and then a 1/4 mile back up to where the bird bounced. By the time I got across the creek I could hear

Burney's collar in point mode. Burney had found the rooster about 60 yards from where it had come down. Burney had it pinned again. But that bird was not done flying. As I came up, mostly out of wind, up he went again. This time I had him. One shot (yes, that did make, actually, 4 shots in total), one bird down and Burney was off to get him. And then back to my hand. What a boy that Burney is.

That's two. I was very happy with two. But Sugar was not done bird hunting.

We were now on the south side of the creek with a south blowing wind. Sugar and I were working slow and close in the thick grass along the creek when Sugar locked up only about 10 yards in front of me. Got's to be a hen. No way. Sugar was frozen, tail up, nose down. That means rooster. I got ready and walked into the grass. Out came the rooster. Yes! One shot, one dead rooster on the ground. Yes! Sugar was on it in a flash and she brought it back to my hand.

And that makes three. My limit. Wow, what a day. Three rock hard points. Three dead birds. And three roosters retrieved to hand. Doesn't get any better than that. Thanks Don, Burney, Sugar Bear, Tri-Tronics and my Benelli Super Black Eagle II.

PENNSYLVANIA GUN DOG CLASSIC/CHAMPIONSHIP

By Lisa Pollock

Front row: Jim Berkowitz with Winner FC Chesterfield Molly, Tom Tracy with RU Augustus Of Tiger, Carla Tracy, (Raus Tracy is front & center holding the ribbons for Daddy) Bruce Conover with 3rd Place FC/AFC Coveyrise Flyboy, 4th Place, Glade Run Nutmeg with Dave Webb
Back row: Andy Zoll (judge) and Wade Haines (judge)

The 2011 running of the American Brittany Club Pennsylvania Gun Dog Classic was held at the Tri-Valley Wildlife Management area in Dresden, Ohio starting on March 16th. Judges Wade Haines of Pataskala, OH and Andy Zoll of Bellville, OH were in the judicial saddle. They gave their full attention to the 21 hopefuls in this ABC Regional Classic. This is the second year the PA Brittany Championship Association has held this event at this location. This was my first trip to these newly acquired grounds, and I must say they certainly are a nice place to watch bird dogs run and show their style. Game found in this stake included the planted chukar, wild pheasants, quail, woodcock, and even turkey!

There are many people to thank for their help in putting this event on. As always, the club wants to thank Purina for their generous support of this trial. They would also like to thank Cabela's for their generous support. The PA Brittany Championship Association is not a very large club, and all the members kick in to help things run smoothly. Secretary Helen Riggle took care of the very important paperwork to get things rolling, and helped Dave Webb with hospitality. Chris Rider, with help from Les Cassleberry and Brian Riggle served as bird planters and marshals. Bill Burger and Stanley Thorp helped out with road guard duties. Mike Siegel worked with several of the sponsors to provide gifts for the judges and winners.

Taking home the blue this year was Chesterfield's Molly, owned by Bo and Renea Ackerman, and handled by Tom Tracy. Second went to Augustus of Tiger, also owned by the Ackermans and handled by Tom Tracy. Third place went to Coveyrise Flyboy, owned by Brian Grady and handled by Bruce Conover. Rounding out the field was Glade Run Nutmeg, owned by Dave Webb and handled by Tom Tracy.

BRACE 1 Broke away at 9 am, temperatures in the mid 40's, overcast and damp. **COVEYRISE THIS BUDZ 4 YOU** (Bruce Conover) and **RUFFWOOD'S OWN AGENDA** (Bob Burchett) Both dogs took off strong, Gen worked a little wider to the right. Bud made a nice cast along the northern edge before being gathered to head along the eastern slope. Gen made bird contact as she headed forward and was pick up. Bud hunted the slope well, but got hung up as we made the swing toward the old barn. At 33, he had an unproductive by the oil tanks. Bruce went on, but was not happy with Bud's performance thus far, and leashed him at 45.

BRACE 2 ROCKLAN'S WHIZZLE STOP (Burchett) and **GLADE RUN NUTMEG** (Tom Tracy) Both dogs broke wide to the right and took some time to be gathered. Both dogs ranged well on the northern edge, and took some time to hunt around the pond. Whiz took a higher view of the eastern slope, and disappeared over the top, while Meg hunted the slope at mid range. As the handlers pressed over the first knob on the slope, members of the gallery watched as Whiz showed up on the western side of the culvert, and was seen establishing point. It took more than 5 minutes to reach Whiz, but a chukar was flushed, all in order. Meanwhile Meg continued to hunt and show herself well. At 47 she hit point along the path heading back toward the clubhouse. After an unproductive relocation attempt, she was sent on. At 40, Whiz joined the front, after some difficult navigation at the old barn. He hit point at 46, but Bob opted not to flush as Whiz relocated. A minute later, Meg did establish

point, and Whiz backed. A chukar was flushed, all in order. Both dogs ran well toward the bowl on the west side of the clubhouse. Meg worked high, rimming the entire bowl as time was called. Whiz hit point in the bottom just before time was called and was not able to produce a bird.

BRACE 3 CHIP'S TAILGATE RENDEZVOUS (Burchett) and **CHESTERFIELD'S MOLLY** (Tracy). The heavy mist that started in the middle of brace 2 continued, and the wind picked up some. Both dogs broke well, Molly hunting high and fast on the north, while Gus kept a slower steady pace on the south side. Across the culvert and heading down the eastern slope, both dogs established point at 13 on separate chukar finds, all in order. As Gus was released, he was credited with a stop to flush on 2 hen pheasants. Both remained in check past the barn. As we headed back toward the clubhouse, Gus had inappropriate contact with a chukar and was leashed. Molly made the turn at the clubhouse and took off toward the south woods edge. She worked the woods line hard and at 44 showed manners on a turkey. At 50 she stopped again and was credited with a quail find. She finished well, rimming the bowl on the high side. After lunch, the clouds started to move out and the wind increased. There were even some breaks of sunshine before the afternoon was over.

BRACE 4 JAYHAWKER RUNNIN DOWN A DREAM (Burchett) and **SCIRROCO DEL PRADO** (Les Cassleberry) Both dogs broke strong, and both suffered the same fate. Ricco was seen under a chukar while making a big move along the northern edge. Tilly's crash came after a great cast on the high side on the eastern slope.

BRACE 5 LCH'S EDWARD LONGSHANKS (Burchett) and **AUGUSTUS OF TIGER** (Tracy) After the breakaway, Gus hunted the north hillsides, while Eddie hunted the flat areas. Across the culvert, both hunted at a moderate range. At 15, Tommy called point for Gus, as Bob rode up 2 pheasants. The 2 continued on past the old barn. As we headed back to the clubhouse, Eddie was last seen heading south under a chukar. Gus made the clubhouse turn and ranged well toward the southern woods edge. At 38 he was credited with a nice woodcock find. At 40, a quail find along the same edge. Gus continued at a very steady pace as we headed back through the bowl, rimming the woods edge on that end as well. He finished heading back out to the south edge of the course.

BRACE 6 GEORGIA'S TEXAS TWO STEP (Tracy) and **BARTON HOLLOW BEAR** (Chris Rider). At breakaway, Georgia broke toward the south and was out of pocket until 11, when scout called point for her at one of the tree islands before the culvert. A chukar was flushed after relocation. As we caught the front, we watched as Bear hit point and Chris flushed a chukar on the eastern slope. At 20 Bear carded another chukar find along the right edge of the eastern slope. At 37, both dogs were picked up as we approached the clubhouse, neither pleasing their handler. Day 2 Early morning temperatures in the upper 30's warmed quickly with the plenty of sunshine. Light winds in the morning, picked up a bit after lunch.

BRACE 7 CSB JL SULLIVAN (Burchett) and **COVEYRISE FLYBOY** (Conover) Sully and Jet were off to a bit of a slower start, breaking into the morning sun. Jet was seen going wide to the right and was found standing at 7. Jet carded 2 more finds before he met

up with his bracemate at the culvert on the east side. Sully hunted the right side of the east slope and was taken out by a chukar at 23. Jet finished the course by himself with 3 more well spaced finds, showing incredible style and manners on all of them.

BRACE 8 DIAMOND HILL DANGEROUS MAN (Pollock) and **WILD MOUNTAIN SHAKE YA TAIL FEATHER** (Brian Riggie). Trace was sent hunting along the north side, while Brian took Soldier on the south side where he was found standing in the first tree clump at 8. Trace came down from the north side and established point at the next tree clump. Soldier came in for a back on what turned out to be an unproductive after relocation. Both dogs hunted hard. Point was called for Soldier at 20 along the ditch halfway out the east slope. After the find, Brian opted to pick him up. Trace continued to hunt hard, but was picked up before time by his handler after a very stylish covey find on quail before the clubhouse.

BRACE 9 GLADE RUN IRISH (Tracy) and **UPLAND ACRES OVERLAND XPRESS** (Burchett) Irish took to the north hills while Zip was seen working wide right. Zip was last seen on the right side before the culvert, but was not seen again. Irish covered the countryside at a moderate range, scoring 1 chukar find with terrific style and intensity at the culvert before the east slope.

BRACE 10 DAKOTA'S GUNRUNNER BUCKSHOT (Tracy) and **RICO'S HI PROOF BOOTLEGGER** (Burchett) Buck broke to the left side, Mason headed up the hill and checked the first tree clump. Mason was leashed for lack of manners on a chukar find at 8. Buck continued to hunt forward. He had a stop to flush near the top of the east slope at 15, followed by an unproductive at 20. At 40 Buck pointed a dead chukar on the south woods edge. He picked up some speed as he approached the western edge of the bowl, only to be seen heading over the hill under a chukar.

BRACE 11 SHARPTAIL'S ALLADIN PRINCESS (Riggie) Jasmine ran as a bye dog. She covered the course in a very snappy fashion. She scored a woodcock find at 16 while heading across the east slope. At 21, it was a covey of quail. She made some larger casts as we headed back toward the clubhouse, and made the turn with effortless handling. After hunting the south woods edge, she headed back to the clubhouse bowl, scoring 2 more covey finds to finish the hour.

AMERICAN BRITTANY CLUB/PRAIRIE STATE BRITTANY CHAMPIONSHIP ASSOCIATION 2011

The Prairie State Brittany Championships were held at the Field Trial Sportsmen's Association, Inc. Grounds at Grovespring, MO, February 22-March 3, 2011. This was the 24th annual running of these events, which originated in northern Illinois, but were relocated to this location when suitable grounds in Illinois became unavailable. The quality of these facilities and grounds are well known to field trial enthusiasts throughout the country.

Breakfast and lunch were available daily at the clubhouse, prepared by cook, Michelle Weaver. Association officers and members, Jerry McGee, Warren Montgomery, Ed and Donna Janulis, Tom Burroughs, Tommy Thomas and Jim and Janet Chase as well as Jerry Lindsey and Ed and Judy Graves handled bird planting, marshalling, dog wagon and other tasks involved in running the trial. Donna Janulis served as field trial secretary for the event. Our thanks to the judges for their time in the saddle and attention to the dogs as well as for their comments on the placing dogs for this report. Contrary to most of this spring's field trial season, we enjoyed good weather during most of the trial. Because of adverse weather conditions this winter, very few of the birds released prior to the field trial season had survived. Birds were planted daily during the running of the trial.

A special thanks to Purina for their continued support of these championships. Without their support these events would be in jeopardy.

We also wish to thank the professional handlers for their support of our trial: Bob Burchett, Chad Holman, Tom Tracy, Al Gorrow, and Jim John.

**Front Row: Chad Holman, Bob Burchett, Tom Tracy, Al Gorrow

ABC PRAIRIE STATE OPEN SHOOTING DOG CLASSIC/CHAMPIONSHIP

Judges were David Taylor from Iowa and Chuck Langstaff from Michigan. Amateur handlers participating in the shooting dog championship included Chuck Schaefer, Mike Poehler, Dave Capstick and Tim Self. Hi Point's Bet'n He'll Rock (Ozzie) was named Champion. Ozzie is owned by Ron and Kathy Gulembo and was handled by Chad Holman. He ran a fast, forward race, stayed on the edges well and covered lots of ground during the hour. He had four finds, all flawless. Upland Acres Overland Express (Zip), handled by Bob Burchett, was named Runner Up. Owner Tom Burroughs was on hand to watch his dog. Zip ran on the last day with rain throughout the hour and thunder and lightning at the end of the brace. He had a nice find at 11 and remained steady as his brace mate, unable to see him, went by. Zip continued with forward casts, running the edges well. The judges noted that his performance was particularly good, considering the weather conditions.

Third Place was Georgia's Texas Two Step, handled by Tom Tracy and owned by Travis and Clayton Tangen, and Fourth Place was Wolf

River's Winning Ticket, handled by Al Gorrow and owned by Ken Blackman and Leland Dye. Both had two finds, with forward races.

BILL SCHREIBER MEMORIAL DERBY CLASSIC

This event honors the memory of Bill Schreiber, longtime LaSalle Brittany Club member and supporter. Bill especially enjoyed starting young dogs as well as helping many of us when we were new to the sport of field trialing. Many of today's competitors owe much to Bill's support in their early days. Judges were Fred Smith, Missouri, and Chuck Langstaff, Michigan. Winner was Glade Run Irish, owned by David Webb and handled by Tom Tracy. Runner Up was Sugg's Royal Princess, owned by Timmy Suggs, and also handled by Tom Tracy. Both Winner and Runner Up ran well, with the winner having bird work and the better race.

ABC PRAIRIE STATE REGION 5 AMATEUR ALL AGE CLASSIC/CHAMPIONSHIP

Judges were Bob Rankin, from Oklahoma, and Buck Barley, from Indiana. Both are well known Brittany enthusiasts and have judged many Brittany Championships. We appreciate the participation and support of amateur handlers Tommy Thomas, Julie Nelson, Jerry Lindsey, Pedro Rodriguez, Ken Seivert, Bret Lindback, Steve Ralph, Ray Trimble, Ed Graves, Jerry McGee, Ed and Donna Janulis and Jim Chase.

Champion was Ru-Jem's Fist Full of Dollars (Dollar), owned by Ruth and Jerry McGee and handled by Jerry. Runner Up was Kinwashkly Dakota Molester (Lester), owned and handled by Ken Seivert. Dollar, running in the last brace on Saturday, had three finds, including a pre-released covey at the pond by the double gates and two singles. He looked good on all his finds. Lester ran the first brace Sunday morning. He had a good, strong race with one find.

Third place was Brisco's Mr. Stub (Stub), handled by owner Ray Trimble and Fourth place was Ru-Jem's A Touch of Bourbon (Chug),

handled by owner Jerry McGee. Both of these dogs placed in the 2010 National Amateur Championship at Booneville AR in November 2010 and Chug won the 2010 National Open Championship, handled by Jerry.

ABC PRAIRIE STATE OPEN ALL AGE CLASSIC/CHAMPIONSHIP

Judges were James Doherty from Alabama and Fred Smith from Missouri, filling in for Ken Ruff. We thank both of them for their time and attentiveness. Winner was Grand Junction Jake, owned by Dick and Carol Pulliam, and handled by Chad Holman. Jake started and finished strong, running the edges to completion, with two flawless finds. Jake has had a remarkable season, finishing third in the National Open Championship at Booneville, AR, in November, 2010, winning Region 6 Brittany Amateur All Age Championship in January, winning the Lee Holman Classic in February, and subsequent to this trial, winning the US Brittany Open Championship in Ardmore OK. Runner Up was Jay Hawk's Georgia Girl, owned by Paul Rosevear and handled by Tom Tracy. Gigi ran a beautiful race, handling well, with two good finds, one non-productive and one stop on feathers.

Third Place was Trademark's ATM(Cash) and Fourth Place was Starlight's Blazing Sirius (Si). Cash, owned by Jim and Janet Chase and

**Front Row: Jerry McGee, Ken Seivert, Ray Trimble, Tim Self

NOTICE

The magazine is seeking a few experienced people from the obedience and agility events to assist in formulating a series of articles designed to educate and promote these events to the membership. The intent is to create interest and encourage participation in these events and to better serve the people already involved. Some of the top dogs in the country that are winning these events are Brittanys, but their accomplishments go unnoticed by the ABC because many of those owners are not members of our organization. Hopefully we can encourage those owner's to become members. The magazine publishes several pages of the results of these events on a regular basis, but a large number of the readers do not have an understanding of what they mean. Another roadblock that keeps these events in the shadows is that most of them are run as all breed events and extremely few are run by Brittany clubs. This makes the reporting of these competitions in our magazine difficult. Individuals interested in working on this project please contact the chairman of the magazine committee, Bob Fleury at birchhillb@aol.com or 850-535-1542.

2011 ABC CHUKAR CLASSIC/CHAMPIONSHIP

The 34th running of the American Brittany Club Chukar Classic commenced January 26, 2011 in the Mojave Desert at Camp H, California City, CA. The 26 entries and 12 handlers came from California, Idaho and Oregon. The judges: Don Fidler from Bonsall, CA and Ken Blackman from Williston, TN commented on how impressed they were with the quality of the dogs' performances in this stake. The terrain varies between sage and mesquite covered sandy flats and ridges of rocky outcroppings. Our weather was spectacular with clear blue skies and none of the annoying winds for which the Mojave Desert is known. Mid day temperatures were even too warm for some of the dogs to give their peak performances.

Purina and Tri Tronics sponsored this trial with fine products given to the winners as well as financial support by Purina. The continued support given to sporting dogs by Purina and Tri Tronics is unparalleled and we are so very thankful to these two generous companies.

The California Brittany Club was the host club for this event with Tom White as the field trial chairman and Margaret Horstmeyer handling the field trial secretary duties. An event of this quality could not have happened without the efficient crew of helpers at Camp Central! Myra Dawn Ellis served as "information technologist" organizing the bracing sheets and reports; Karen Nelsen cooked up some delicious breakfast burritos; Linda Dixon served a belly-filling lunch of meat pies; Mark Nunez's lunch of chicken Phili-Cheese steak sandwiches were enjoyed by all. Mark Nunez and Bill Landress prepared a fabulous dinner of deep fried turkey and baked sweet potatoes. Arlette Hennessey and Christine Landerholm-Miller were always available to lend a hand where ever needed. The task of course set up and keeper of the chukars was done by Ed Dixon. He went out faithfully every morning before sun up to salt the course. Local GSP pro, Carl Porter, donated his time and expertise to plant most of the braces. A fine job was done by these gentlemen because very few dogs went birdless and the winner had 9 pieces of bird contact!

THE WINNERS:

1ST : FC MB'S MAKE MINE A DOUBLE (Mac) handled by Paul Doiron

and owned by Christine Landerholm- Miller and Robert Miller. Mac was on a bird finding mission and was rewarded with three mannerly finds at the base of Limb Find Mountain at 13, 18 and 23. After a traverse across the sandy flats, point was called for Mac in the rimrock at the top of Bald Mountain at 32. It was a "Kodak moment" find with him standing tall and tight as the chukar was flushed. He continued forward to card finds along the rocky ridges at 38, 40 and 50- all handled with good manners. A stop to flush followed at 52. Even though Mac had many finds, the judges commented that they were all age finds and that he was always forward, stylish on point and was very biddable. He finished with a covey find at time!

2ND: DC/AFC MTB CABO RITA DE SCIPIO handled by Tom White and owned by Tom White and Margaret Horstmeyer. Rita's breakaway was fast and furious and she was not seen again until the scout called point at 18 on the southern most ridge of Chukar Alley. After her release she flew along the base of Limb Find Mountain and was seen 600 yards out rounding the east ridges. Rita crossed to the front across the flats, took a dip in the water barrel and headed to the ridges of the Prospect Rocky Range. Her find in the rocks at 40 was flawless and she scored again at 45. After being sent on, she ran east and worked the ridge up to the top of Gun Dog Mountain where she was found on point buried in the rocks. This find was handled with style at time. Her forward race, very fast ground speed and all age finds were rewarded by being named Runner Up.

3RD: DC/AFC MEGASMOKE GRAND FINALE handled by Paul Doiron and owned by Myra Dawn Ellis. Al had a fast breakaway and was found on point in Chukar Alley at 15. After being released, he went on to have another find at 17 with all manners in order. After a nice cast across the flats, Al had stylish finds at 37 at the base of Bald Mountain, at 42 and 51 along the rocky ridges of the Prospects. Al then headed east and worked his way up the ridge of Gun Dog Mountain and showed along the top of the ridge to finish at time. Al's style and intensity on point, his knowing where to find the chukars and his strong, flashy finish garnered him a 3rd place in this competitive stake.

L to R: Christine Landerholm- Miller, Paul Doiron w/ FC MB'S Make Mine a Double, Tom White, judge Don Fidler, Margaret Horstmeyer w/ DC/AFC MTB Cabo Rita de Scipio, Myra Dawn Ellis, Peggy Doiron w/ DC/AFC Megasmoke Grand Finale, Judge Ken Blackman, Joe Gower w/ Spanish Corral's Sundance Kid

4TH: SPANISH CORRAL'S SUNDANCE KID handled and owned by Joe Gower. Sonny took the right ridge along the breakaway, crossed the base of Chukar Alley and was the first of the competitors to discover chukars at the very top of Limb Find Mountain with an impressive find at 18. He crossed the flats, went along the base of Bald Mountain, continued up into the rocks in the Prospect Rocky Range and was rewarded with a find at 45. Sonny then climbed the ridge up to Gun Dog Mountain and scored another find at 58. The find was worked with all manners in order. After his release, Sonny ran to the front and was picked up at time. His forward race with exploration of the high objectives and his chukar finding ability earned him a 4th place.

After the winners were announced, the judges remarked that there were at least 10 dogs who could have been named Champion so they had to split hairs to select the top dogs. Congratulations to all!

MAGAZINE LOOKING FOR HELP

The magazine committee is asking for assistance in getting event reports published in a timely and accurate manner. In order to get this accomplished on a consistent basis the magazine needs to receive the reports and any accompanying photos as soon as possible after the completion of the event. We request that the spelling of the dogs names and the registration numbers in the report are consistent with the information supplied on the entry forms. Photos sent with the reports should have all the persons and dogs in the picture identified in the captions. The omission of any names in the captions makes it difficult for the magazine committee to acquire that information. Acquiring missing names requires phone calls and emails to chase that information. When incomplete reports are received it creates a question of whether to publish the event as received in a timely manner or to run down the missing information and publish it in a later issue. Delaying the publishing of the events is not fair to the competitors who have supported those events with their entries. Please help us with getting events published in a timely manner by supplying us with complete and accurate information. We are also requesting that all members entering events that require an AKC entry form make sure that the information you fill in on the entry form is CLEAR, ACCURATE and CURRENT. This will save the people involved in this process, who are all volunteers working for you, a lot of time and effort. Thank you for your help with this issue.

Picking and Starting the Brittany Cover Dog

By Dave Marshall

"Third in series" (SEQ CHAPTER 1)

The process of picking the right pup for the job can be very a personal thing. I get a lot of these animals to train; and I have developed a few ideas about how the process should take place.

When you acquire puppies you are buying genetics. The research you do to acquire a pup from specific blood lines is the most important part. The breeder's role is where it all starts, by selecting sires and dams to produce great puppies. Carefully consider pedigrees, ask reliable sources for more information, and observe sires and dams whenever possible. Do not underestimate the importance of this step.

After deciding what blood you need, the only other decision needed should be whether you want a male or female. I have been asked many times, "Which is better, males or females?" My answer is that good genes produce good animals in either sex. With females you need to deal with heat cycles, meaning down time in the hunting or field trial season. As for personalities, assuming that females are more passive or biddable is inaccurate. Likewise, assuming that males present dominance issues is also a mistake. As for males, I think they may develop slower, which could be a drawback for some people. Great dogs are available in either gender.

I don't pay much attention to which pup is first out of the litter box or which is the most aggressive or which one can roll over easier, or first. I think that litter dynamics are different from developmental behaviors after the pup is alone, at home with you. I realize that it is hard not to pay particular attention to a pup that is outstanding in a litter. The fact is, that does not mean the individual animal will be outstanding when he or she is out on his own.

Here is how I do it. I decide whether I need a male or female. I place the available puppies of that gender in a small area. I close my eyes reach down and pick one up and walk away. Remember

I have researched the gene pool, and a great dog is never a bad color!

Puppies need time and space. From the time the litter can move well, my wife, Sarah gets the puppies out as often as possible. Walks through the woods, will get a puppy looking in every direction, with brothers and sisters together to develop confidence. Keep it short, five to ten minutes when they are six to eight weeks old and their eyes have adjusted to sunlight. At twelve to sixteen weeks old, fifteen to twenty minutes works. In most cases you will find after two weeks in the woods, you will have to keep your eyes open to keep track of all the pups as they will scatter. In any case you will find that puppies feel more comfortable in cover as opposed to open, exposed places. The idea is to offer good experiences.

Introducing a puppy to birds is a delicate procedure. His or her first encounter with a game bird is an important step. I am not a fancier of the old wing on a string method when it comes to pup's first point. Sight pointing is not something I want to encourage in a pup. It only makes humans feel good, and does little for your cover dog prospect. I want them to smell first, then see and chase.

I introduce my pups to birds as soon as they are comfortable in the woods. The birds I use are quail, a small bird that will not overwhelm a puppy. We are careful not to bring the pup too close to the pen where quail are kept. Having walked birds away from the pen, we then walk the pup out. Let him discover the bird on his own; never call him into a bird or physically put him on the scent. We have already introduced him to the cover- so let him find the scent and bird on his own. Depending on conditions you might have to do this a few times before a puppy catches on. Once he follows the scent and flushes the bird or points it, the chase is on. The key here is to have good birds. At this point you must have birds that fly and are difficult to catch (simulate wild birds). Thus

Thus the puppy can point and chase all he wants. I find the more they chase, the harder they point as long as they can not catch the bird. The concept here is that a dog would rather suck up the scent of a bird while pointing rather than chase it if he or she knows it can't be caught. This will develop your pup's ability to find, point, and hold birds longer.

We do not overdo this procedure; two times a week is fine. Run your pup without birds as often as you can.

If your purpose is to have a puppy hunt to its maximum potential, do not preoccupy his mind with your desires. In other words do not over domesticate him or her. The more that puppy thinks about you, the less he will think about his job, finding game, pointing it, and in his mind, trying to kill it. I want my pups to be as close to the fox or coyote as I can get them, before I start to make them part of me, and what I want. I realize this procedure can be difficult for many of us who do not have the luxury of large, safe places to work our pups. The thought of losing a pup in a workout is scary, but that is why god made tracking collars!

In earlier articles I mentioned methods of cross training to develop adult cover dogs. Our older puppies must be introduced to the things we will need to train. By things I mean gun fire, bells, check cords, horses, A.T.V.'s, all necessary in the development of any puppy.

I use the stake out with a short chain at an early age to get pup adjusted to having something attached to his or her neck. The chain is just an object he will have to deal with, and the lesson teaches him to give to pressure. When I come to get him with a cool drink of water, this big old human is now his best friend.

When you put a bell on a pup for the first time it can be very distracting for him. I make most of my bells, and design a low tone small bell to put on pup in the kennel or from time to time around the house. I get him familiar with sound away from the hunt.

Introduction of puppies to horses is all common sense. Make sure the horse involved is a good dog horse; one that will tolerate about anything a pup would do and at that, go slow! Walk with your horse with pup loose around you. A little of this goes a long way. Do not get on until you are sure your pup is comfortable with the smells and size of this large thing his master is going to be sitting on. It might take a few sessions. The same caution goes with A.T.V.'s and golf carts. I like electric carts for puppies,

no motor noise, and it is easy to talk to your pup from this lower position. It all takes time, so go slow. Hopefully you're going to have that pup a long time.

Introducing your pup to the gun is easy if you follow the rules. Over the years I have been over the do's and don'ts hundreds of time with customers. This is my first time putting them on paper. Here we go.

Never take your young puppy to a gun club where there is gun fire. He will not understand the noise. Many a client has said to me, "But he didn't seem to mind the gun fire at the club, and now he looks gun shy." The noise did bother him.

Never use fire works to introduce a pup to gun noise, even at a distance. I have had young dogs not only gun shy using this method, but also shy of the smell of gun power, due to the fire works.

Never take your pup out where you might encounter gun fire before he or she is properly introduced to the gun. A group of people you are with have dogs and you have your pup. The group or an individual in the group will shoot over his dog not realizing your pup knows nothing about gun shots. You now could have a problem. Remember, it doesn't just happen, you must make it happen. Think First.

The puppy needs to be introduced to noise, starting in the litter box. Generally introduce him to life's sounds. Make sure he is doing something he likes when you bring new noise to him. Eating, playing in the litter or chasing something are all fun things for pup. I like the chase thing the best. When I have a young dog chasing birds as though he wants to eat every one of them, I begin to fire a light blank at a distance. He will pay little attention to the shot because he wants to catch that bird. Eventually I will shoot a flushed bird for him with a light load, and he will put gun and bird together forever.

After fifteen to eighteen months of letting your pup do what he or she wants, we now are ready to do some formal training.

Remember if you do not give your puppy a full, fun puppy hood he will most likely steal one from you about age three or four. Let them develop on their own as puppies so that you can develop them as adults.

Planned Parenthood

By Craig Doherty

Alright, I'll admit it. For approximately 20 years, I've been a fan of a dog I never saw. It was the dogs that he produced and those from his second and third generations that impressed me. It always seemed like when I saw a derby I really liked and asked the handler how the dog was bred, the answer would be Guard Rail. I was a setter guy at the time, but those young Guard Rail-bred dogs always impressed me. They were well built, not too big, had big motors that never quit, and strong attractive heads. Best of all they seemed as a group to be bird dogs first and foremost. After I got an Elhew pointer (Elhew Liebotschaner: Elhew Fibber McGee X Elhew Gypsy Rose) from Bob Wehle, who wrote in 1991 that "Guard Rail has to be one of the great sires of the breed," and thought about breeding her; I looked around for a dog that had those Guard Rail traits and blood.

At the time Andy Cook had just started in field trialing with long-tailed dogs (he had many years of experience with continental breeds and NAVHDA) and he and Al Robbins were working together on a breeding program. They acquired a bitch from Pat Labree that was by Railway Willie out of a Rail Dancer bitch and bred her to Elhew No Trump (Elhew Fibber McGee X Elhew Miss America) which produced the litter that included Wynot Ace. When I was planning to breed my first litter, Ace was a derby and had just won both the National Amateur Grouse Championship and the International Woodcock Championship. Although Guard Rail was not that close in his pedigree, Ace definitely reminded me of all those Guard Rail-bred dogs I had been admiring long after Guard Rail had tragically died in a highway accident.

The results speak for themselves: that litter produced two Grand National Grouse Champions who now have three wild bird championships each. So, needless to say when it came time to look for a bitch to add to our breeding program, I jumped at the chance to buy a 15 month old female who was a frozen semen daughter of Guard Rail. Indian Creek Triple Rail (Trip) has an impressive pedigree with Guard Rail as a sire and as a grandsire on the bottom. In addition to Guard Rail, there are five other Hall of Fame dogs in her four generation pedigree. I got her in November 2009 and took her to Texas that winter. She had what I was looking for and has also become one of the house dogs here in New Hampshire. When she came into heat last May I did the math and expected her to come back into heat in late November or December which would give us pups in January or February. Perfect.

However, as the days began to shorten in September, she came into heat again which left me with a dilemma. I could breed her then, although bitches whose heat cycles are that close together are often infertile on the second cycle, and also I would be faced with puppies late in November for a litter of off-age puppies. It would also have meant giving up a planned five week trip to Texas to stay home and take care of the puppies. I decided to skip the September cycle, which meant that Trip would next be in heat in March or April, but there were no guarantees, especially since she had already shown a propensity towards irregular cycles. When I got back from Texas I started to look into maybe helping nature along.

In the Spring 2009 issue of the magazine we ran an article on cabergoline which is used to induce the heat cycle and there have been reports of successful breedings after using the drug. However, there seems to be a growing body of evidence both scientific and anecdotal that the Ovuplant implants are being used with a high success rate and less uncertainty about timing. Ovuplant is,

according to its manufacturer, "a sustained release implant of deslorelin" which is a gonadotropin-releasing hormone agonist. For those of us without degrees in organic chemistry, medicine, or veterinary science, Ovuplant is basically a hormone that comes as a pellet preloaded in a syringe with a rather large needle. The pellet is inserted into the vestibular mucosa — right under the skin just inside the vulva. If the implant is effective, the bitch will come into heat within five to seven days of insertion and should be standing within five to seven days after the onset of the heat cycle. She then can be bred either naturally or using artificial insemination. It is important to note that once the breeding has taken place, the implant needs to be removed. Failure to do this may cause the female's system to reject and then absorb the puppies.

There are some other caveats that need to be brought up as well. First off, Ovuplant is not sold in the United States and needs to be imported from Canada. Furthermore, it was developed to be used in horses, and its use in dogs, although studied and proven effective, is off-label. Two other factors should be considered before rushing out to make arrangements to bring all your bitches into heat — cost and timing. It needs to be at least four months after the conclusion of the female's last heat cycle before you do the implant. This allows for the development of eggs and increases the chance for success. The other aspect of this is cost.

I decided to go ahead with the Ovuplant implant for Trip and contacted the nearest vet who is a canine reproduction specialist. She explained that the implants had to be imported from Canada which is legal but you need to buy them in lots of 25. She only uses about a half dozen of these a year, so, she gets them through a well known vet in Ohio who imports them in quantity and resells them at what I assume is a substantial mark up. I paid the Ohio clinic \$125 plus overnight shipping for the Ovuplant. In addition, my vet charged me just over \$150 to do the implant which involved a mild sedative and a shot of lidocaine. We were in and out of the examining room within 20 minutes and that included the vet tech trimming Trip's nails while we were waiting for her to wake up. Removal of the implant after breeding will be about the same or a little less.

Cost will vary depending on location. The vet I am using for this is located in northern Vermont and I'm sure her rates are more reasonable than a vet in a less rural setting. I'll be into this for between \$450 and \$500 which isn't too bad when you consider that I'm breeding her to my own male (Wild Apple Jack) and don't have to worry about stud fees or shipping expenses to get her bred.

Before proceeding with this I spoke to a number of people who have successfully used Ovuplant to bring a bitch into heat and only received positive feedback. Ohioan Pete Casgrain's comments were typical of the responses I got. His bitch Star's Misty Willow's cycle had been irregular and they used Ovuplant late last fall and ended up with a litter born in late January. One vet in Pennsylvania who has dogs with a noted professional trainer has used Ovuplant on numerous occasions with great success. Trip received her implant on Thursday, February 17th and was already starting to swell by the following Sunday and was in heat by Tuesday. She stood the first time on Monday, February 28th and again on March 2nd and 4th. If all goes well we should have puppies the first week of May.

TIDEWATER

Dick Cross WMA, VA

February 25-27, 2011

The Tidewater Brittany Club held its Spring Horseback Field Trial at Dick Cross WMA, VA the weekend of Feb. 25-27, 2011. After a heavy downpour of rain/wind storm on Friday, the rest of the weekend's weather was good. It was great having Ed Rudzinski back among us after his illness last year, welcome back Ed. Tidewater would like to express our heartfelt thanks to Yvonne McKeag and Tibby Rose for helping to keep us all fed on Saturday, dinner was very yummy ladies. Raffle was again a lot of fun on Saturday evening. Keep those funny and useful items coming every year. Tidewater would also like to say how much we appreciated everyone who helped bird plant, keeping the trial going smoothly, or helped through the weekend in any other way, THANK YOU! Here are the winning and placements for the weekend. Open All Age winner Piney Run Hank and second place Hotroddin Grace Under Fire were both handled by Ben Lorenson. Ed Kerr's Sigbrit's The Diamonds In Me earned the third and to round out the stake was Mr. B's Butch handled by owner Hans Borgmann to the fourth. Ed Kerr continued his winning ways with his Saving Private Ryan winning the AM All Age stake, and Ed's Sigbrit's The Diamond's In Me earned the second place ribbon. Marsha Luisi's Margo's Shazam was third place, and Maxwell's Southern Hospitality handled by Martha Greenlee came in fourth. Ben Lorenson handled not only Star's Dixie Pearl to first place, but also Sir Sunshine Winsalot in the Open Gun Dog stake. Hit's A Rocky Road was third handled by Judy Kiracofe, and Hope's Carolina Sunshine was fourth handled by Marvin Roth, but owned by Bill Applegate finished the placements in the Open Gun Dog. Winning the Am Gun Dog was Marjo's Here For The Party

handled by Joe Luisi. Bruce Conover handled his Coveyrise This Budz 4U to the second placement, and John Perry's Hit's Showtime was in third. But once again Marvin Roth handled Hope's Carolina Sunshine to another placement and this time fourth placement. With little birdwork in the field, 1st and 2nd placements in the Open Derby were withheld, but Polo's Rider On The Storm earned a third handled by breeder owner Linda Ouellette. Ace's Jackpot Cody, handled by Joe Hudgins, was fourth. Marvin Roth's Hope's Briar Patch won the Open Puppy, Keystone's Back To The Future was second and Piney Run Chalk in third, both handled by Martha Greenlee. Hope's Undercover Hot Top came in fourth handled by Tom Tighe. Bobbie L. Sigmund

SUSQUEHANNA

York Pointer Setter Club

Wellsville, PA

March 5-6, 2011

The Susquehanna Brittany Club held their Spring Field Trial in Rossville Pa. at the well-

known grounds of the York Pointer and Setter Club. People began arriving on Friday afternoon in cool weather with temps in the low 50's and some really welcome sunshine. The temps began falling off after dark but still very nice. We held our first club meeting of the year Friday evening with about a dozen members present. Saturday was a very pleasant day with sunshine, a light breeze and mud on the surface but not so deep that the horses or people had a problem. However, it was ever present almost everywhere we walked, drove or rode. We had wonderful temperatures that made it nice for dogs and still nice for people. The dogs running Saturday were in the Open Puppy, Open All Age and Amateur Gun Dog.

The club grounds underwent some major land improvements in the last 18 months with effects of it seen this weekend. The fence that is in place along the top border (2300 feet of 4 foot high stock fence) of the grounds helped us keep a few dogs from venturing into the pasture land just beyond the clubs' upper most boundary. In addition with cover down we were able to see the dogs' performances even better than in the past. Much as been done and there is more to fence in but every year the Pointer and Setter Club hopes to make some sort of major improvement. The Susquehanna Brittany Club donated \$1000 towards the fencing project.

Saturday morning 7:30 a.m. the Open Puppy Stake kicks off the trial.

The Open Puppy was one of our largest in several years with 11 puppies towing the line. Jim Wilkerson's, Release Me, ran the edges and finished with good speed and well to the front. Jim's sometime training partner, Paul Snyder had fun with his and Ginny's Hi Proof Moonshine. A fun to watch puppy, made some very nice casts and displayed forward pattern. Lisa Pollock and husband Paul made their way to Rossville to bring their Work Hard Play Hard puppy and took the third place ribbon home with them doing a really snappy, forward pattern while new comer Matt O'Donnell saw his puppy, Get a Bird-Life is Good, take the fourth place spot with a nice race as well.

Following the Open Puppy the Open All Age started and a New Field Champion was crowned (pending AKC confirmation). Spring Hill's Hemi Magnum, was run by Sue Lehosky with a forward race and some really nice bird work. Bird work was tough to come by this morning, as the birds seemed to be winning for most of the stake. The early braces with many Field Champions in it saw birds that lured the dogs into evil thoughts. For some reason the birds were just kicking butt on dogs that were well trained but just not able to resist temptation. Scenting was tough early on for many but our second place dog, Diamond Hill Whiskey Girl, owned by Paul and Lisa Pollock had no problem getting the birds pointed and toured the edges of the course. Hit's Showtime ran to the front and found birds as well and won the third place spot. Fourth place went to that winning dog

Withheld. He had no race and no birds as well as no handler or scout.

The Amateur Gun kicked off about 1 p.m. with Ron Harling Jr. and Matt Prater judging for us as Doc Harling was recovering from knee surgery and he'd over estimated a young mans ability to heal from that surgery in time to judge for us. Chris Rider came and ran Stanley Thorp's Coke's Barton Hollow Bear to first place with some very classy bird work and a strong forward race. Les Casselberry came with Scirocco Del Prado and pleased the judges with some nice bird work and a race that followed the course for second place today. Third place went to a German Wirehair, Moxie, who impressed many, including the judges. Very little handling and no scouting and several good finds. Fourth place today went to Jim Wilkerson and Paul Snyder's Poison Ivy II. She ran and handled and had some nice bird work.

With tough weather and lots of rain the derby handlers elected to scratch their dogs and not risk young dogs with wet birds and thus the Derby was canceled.

The Open Gun Dog ran on Sunday morning in the pouring rain. We had over 25 entries to start with but with scratches we ended up running 18 very nice Open Gun Dogs. Jim Heckert came to support our trial and found the winner of the stake in his trailer. A very nice English Setter named Waterproof ran the course, found birds and looked very good doing it. Second place went to the consistently placing Fly Boy of Bruce Conover's. He also had several finds and a strong race in the heavy rain. Third place went to Bourbon's Straight Up for handler/owner Dan Rein. "Jack" had five good pieces of bird work and a nice race that covered a lot of country and handled very well. Stoney Ridge Hallmark was handled to forth place again for handler Jim Heckert. A nice young setter that handled the weather and birds well and ran hard for the half hour.

A trial runs well when lots of work is done in advance. Our Field Trial Secretary, Joan Warshefski works months in advance getting club permission and AKC and ABC approvals, gathers entries for weeks prior to the trial and then during the trial she collects paper work, checks and fills out all of the forms needed to record the trial with AKC and American Field. Dan Rein the Field Trial Chairman and his working committee ask folks to judge, arrange for horses if needed for judges, orders birds and checks to see that the different committee's are all set ahead of the trial to fulfill the respective tasks.

Barb Youngs and Marilyn Fenicle see to the kitchen with Marilyn in charge of Happy Hour and Barb and Marilyn working together to make sure all of the food is coordinated with the donations that club members promise ahead of the trial and or bring with them to the trial. Both ladies spend the weekend giving up the chance to ride and watch dogs to make sure we are all warm when we come into the club house and that nobody goes away hungry. Home made chili, and home made soups come

in from club members and the club buys the buns, burgers and dogs to cook up to go with the wonderful home made foods. There are several club helpers in the kitchen over the weekend, Ann Hoverter a new member as well as Joan Warshefski also helped during the day and over the happy hour. Thanks you ladies for all that you do.

Happy Hour has become what many call the heart and soul of the trial where many folks get together in a warm, dry place and enjoy the conversation and fellowship of old and new friends. The truth and sometimes variations of the truth as it concerns the dogs. We see the winners announced by Dan Rein the Field Trial Chairman and this year a special presentation was made by Dan and the Susquehanna Brittany Club to Bob and Barb Youngs as their Home Acres AllSpice was just inducted into the Field Trial Hall of Fame. Dan had spent time making up a beautiful framed plaque with a picture of Allspice and Barb and Bob and Ross Young all at the Bird bog Museum in Grand Junction a few weeks prior at the induction ceremonies.

The Saturday evening happy hour was highlighted by the steamed shrimp and other appetizers served prior to the meal and then the home made corned beef that Dennis Green a club member makes and brings to the trial. His wife Janet, not to be outdone, makes two homemade cheesecakes for us as well. We had corned beef, turkey, pies, cupcakes, cake and so much it is hard to walk away hungry. Our thanks to all the club members and folks at the trial that bring dishes in to share and make the food for the happy hour dinner. Also to mention of special interest of the writer was the wild berry pie that Joan Warshefski made at my request. Thank you Joanie.

As club President it is an easy task to have the club look good when we have such a small membership and yet almost all work hard in the club to make things a success, whether it is at our trial or club picnics or our Show with Cindy Miller heading that up. I take just a minute here to thank all of you that are members and that do attend and work so the club can exist.

One final note. At our club meeting we decided that from now on, we will raise some sort of money to donate to the Field Trial Hall of Fame. We put out a donation jar for this trial with a total of 62 dogs run after all of the scratches caused by the weather. We raised approximately \$40 from the donation jar. In the future we'll have raffles and maybe the donation jar again. The Hall of Fame is a really important way we can save the history of all we do and the Hall of Fame is building a wing for the Brittanys. We'll have our own place to show off the breed to all that field trial. While there last month we saw that the ABC has leather bound books that contained every magazine that the ABC has had.... since 1942. What a way to see pictures and read about those names in history that you only hear about. We are proud to be a contributor to the Hall of Fame and hope more

clubs adopt some sort of donation program.

Thank you to all that came, that worked, that helped and that supported us. We saw some faces we'd not seen in a number of years and saw folks that helped support the trial with need entries. To those that made donations whether a club member, a judge or trial entrant, we appreciate all that you give has come to the club on our new weekend in March. Bob Youngs, President

ILLINOIS BRITTANY CLUB LEE HOLMAN CLASSIC/CHAMPIONSHIP

The Lee Holman Classic is run as the OLAA Stake at our Illinois Regional Field Trial held at Pyramid State Park near Cutler, Illinois. (This is not a co-sponsored ABC event as stated.)

This was the 25th year of the running of the Lee Holman Classic. Club members assisting with the trial wherever needed were Ed and Judy Graves, Chad Holman, Ray and Mary Jo Trimble, Jim and Janet Chase, Wade Haines, Tim Self, and Dave Capstick.

Our thanks to judges, Alan Benson from Cutler, IL and Jack Murphy (accompanied by wife, LaDenna), from Nowata, OK. Both have extensive judging experience and we appreciate their attentiveness to the dogs and cordiality to the participants as well as their comments for this report.

Conditions in southern Illinois at this time of year are unpredictable, both as to temperature and conditions of the grounds. This year, we had windy conditions during the running of the Holman Classic, but otherwise, footing and temperatures were relatively good.

We appreciate pro, Kevin Stonehouse, coming from Kansas to support our trial, along with local pro's Chad Holman and Al Gorrow.

Grand Junction Jake, owned by Dick and Carol Pulliam, and handled by Chad Holman was named winner. Jake had a total of 4 finds; at 40 minutes, after an extended absence, point was called for the fourth time as the gallery rode up a hill and saw Jake standing; he had a strong finish.

Wolf River's Winning Ticket (Cash) was named runner up with two finds and a strong, at times lateral, race. Cash is owned by Ken Blackman and Leland Dye and was handled by Al Gorrow. Cash ran in the first brace and clearly set a high standard for the rest of the stake.

**Back: Judges: Alan Benson & Jack Murphy and Scout Wade Haines holding the Ross Young painting of Lee.
Front: Chad Holman with Grand Junction Jake**

Odyssey's Ace of Hearts was third with one find and Trademark's Iceman was named fourth with two finds. Both handled well; are owned by Ed and Donna Janulis and were handled by Chad Holman.

**GREATER ST. LOUIS
Whetstone Creek Conservation Area
Williamsburg, MO
February 27, 2011**

Our Trial was held at Whetstone Creek Conservation Area in Williamsburg, MO. We certainly appreciate the cooperation and help from all those at Whetstone. The morning was less than a perfect day for a field trial, cool, rainy, cloudy... And the grounds were plenty wet for a walking trial. But, as always, the field trialers and their dogs persevered.

Even though this was a small trial, there were some excellent performances. Randy Meyer's Shale Valley's Myla Tech put down a great run with 3 excellent finds in the Amateur for the blue and Dave Johnson's BGD's Jesse

James had a stellar performance with 3 great finds and a back to get the blue in the Open.

A trial can't be run without lots of help and cooperation. So thanks to our judges, Gene and Neveta. We appreciate your willingness to spend time in the saddle, during the miserable

FC/AFC SHALE VALLEY'S MYLA TECH

weather, to look at our dogs. Thanks to Ken Grace, who planted birds the entire day. Finally, thanks to all the trialers and dogs who made our trial a pleasure to attend.

**HEART OF ILLINOIS
Moraine View SFWA
Leroy, IL
March 5-6, 2011**

Rain, wind, snow, ice, lots of mud, heavy clouds, sunshine, and a 35-degree change in temperature... must be spring field trial season in central Illinois. The Heart of Illinois Brittany Club held its walking trial at Moraine View SFWA near Leroy on March 5 and 6, 2011. Handlers traveled from nine states to participate. Mario Maiale made the trip from New York so he could run his adult dogs in four stakes over one weekend. Great mix of people and dogs made it a fun weekend in spite of the weather and mud. Good food and hospitality were provided by Sandra Remmers and her worthy assistants.

The dogs performed admirably in spite of high winds on Saturday and the cold on Sunday. All the stakes were highly competitive with lots of bird work. The judges had many clean dogs to choose from. Thanks to the bird planters for their hard work.

HEART OF ILLINOIS Jim Edgar Panther Creek SFWA Chandlerville, IL March 18-20, 2011

The Heart of Illinois Brittany Club spring horseback field trial was held at Jim Edgar Panther Creek SFWA near Chandlerville, IL on March 18-20. This was the largest trial HIBC has had in awhile with more than 130 dogs brought to the line. We would like to thank all of the handlers that came including pros Al Gorrow, Chad Holman, and Kevin Stonehouse and the many helpers that it took to run the trial. Also, thank you judges for your attentiveness to the many dogs that ran. Your efforts are always greatly appreciated. A special thanks to Todd Parmenter's family for providing lunch on the weekend. Rodger Fiorito did his usual fine job as chairman and Dave Johnson was a first time secretary, a tough job with the number of entries we had.

Our new horse barn was put to use and is a welcome addition to the Jim Edgar Panther Creek field trial grounds. March can have unpredictable weather but we lucked out with only a small amount of rain on Friday. Saturday was a beautiful day and Sunday started out with threatening skies but turned into another nice day for running dogs.

Ray Trimble's dogs continue to dominate the all-age course at Jim Edgar Panther Creek. I think he has placed dogs in the all-age stakes each year he has been at our spring trial. Dogs that completed field championships included Odyssey's Ace of Hearts handled by Chad Holman and owned by Ed and Donna Janulis.

He completed his FC by winning the Open All Age stake on Sunday. AFC Beeline Oh Suzannah completed her FC by winning the Open Limited Gun Dog stake on Friday. She was handled by owner Steve McClure. Gene Salmons was home sick the entire weekend but club members stepped up and ran his dogs. His newly acquired puppy, Dogwood's Buckmark, won both the amateur walking puppy and open derby.

The newest member of our club, Robert Appleman is off to a great start. He handled his dog, Nikki's Maggie Can Hunt, to placements in Amateur Puppy, Open Puppy and Amateur Derby.

Congratulations to all the placing dogs and their handlers as well as the new field champions.

2010 Kansas Brittany All Age Championship

Reporter: Larry Hagedorn

& Terry Gowin

October 18-20, 2010

The fourteenth running of the prestigious Kansas Brittany All Age Championship was held October 18th through the 20th of 2010 on the picturesque flint hills ranch of Bill and Mary Lynn Oliver. The grounds are located southwest of

Eureka, Kansas and consists of three one hour courses, with native quail and prairie chicken. The quail release and feeder program seems to be working well due to the excellent grass cover available. The courses are laid out to show a true all age dog that will handle. These may be some of the finest grounds in the country. The field trial community is very grateful to Bill and Mary Lynn, and offers thanks for your sharing and hospitality for this fine event.

The judges this year are well known dog men, George Hill and Pat Sheehan. Their experience, knowledge and attentiveness are greatly appreciated. Thank you for a job well done.

This championship was hosted by the Southern Kansas Brittany Club. The Club wishes to express their thanks to PMI Purina Mills pet food and Woodard's Mercantile of Maize, KS for their sponsorship. The "Exclusive" brand dog food is excellent. Thank you very much.

A big thanks to all the Club members that made this a success. We had a special guest all the way from Norway, Martin Haugstad. Martin jumped in and was big help. He really enjoyed being here in the Midwest of the U.S. to watch our field trials the last few weeks. Good luck to Martin!

**THE RUNNING – 1 HOUR STAKE
October 18, 2010, Monday**

1. **T J'S PRAIRIE BLIZZARD** – Tillson and **JO-LOCKAPEX DARK ROUX GUMBO** – Lincoln. Started the Championship with these two dogs at 8:00 Monday, a bright sunny morning. At 15, Blizzard has a find with all in order. At 20, Blizzard is seen heading to front on a nice cast. Gumbo has been gone for a while and is picked up at 30. Blizzard finishes course.

2. **TUB O TEE** – Lincoln and **SOVEREIGNH'S GIT-R-DONE** – Tillson. At 5, Tee has a stop to flush on a wild covey west of south gate with all in order. At 8, Git-R-Done is found standing and has a nice find. Both dogs continue course with Tee picked up at 56.

3. **T & W'S DIAMOND JIM** – Kalina and **SNIKSOH SWEET HERSHEY KISS** – Hoskins. Kiss has a find at 52. Both dogs picked up.

4. **JOKER'S JACKPOT** – John and **CAROLINA SEA BISCUIT** – Johnson. Breakaway after lunch around 1:30. Both dogs make nice casts and are looking good. At 27, Biscuit is picked up after having birds. Jackpot continues course with a very nice forward race. AT 45, Jackpot is found standing deep in wooded draw with all in order. He continues course with a very nice forward, outstanding race. This nice forward race allowed Jackpot to win this Championship. Jackpot is a very nice 3

year old owned by Steve Ralph.

5. **TWO RIVERS SKYHAWK** – John and **WIMBERLY JIM DANDY** – Johnson. Both dogs breakaway with a nice cast. At 22, Dandy has a find near feeder below pond with all in order. Both dogs continue course and look good heading toward watershed. At 50, Skyhawk is ordered up after failing to back Dandy while stopped. Dandy continues course with a very nice forward race.

6. **BRETON'S GOLD RUN RUFFIAN** – Azevedo and **GUN RUNNER'S IMA HUNK**. At 10, with a storm moving in fast, brace was cancelled due to severe lightning. Will run on Tuesday morning.

October 19, 2010, Tuesday

Tuesday morning dawned with overcast skies and cool temperature. Brace 6 was restarted with breakaway from camp after being called in the early minutes for lightning on Monday afternoon.

6. **BRETON'S GOLD RUN RUFFIAN** – Azevedo and **GUN RUNNER'S IMA HUNK**. Both dogs breakaway nicely, wit Hoss off to the races. Scott calls point for Runner at 8 near Jim's Crossing. Birds are produced with everything in order. Hoss makes the turn around the hill and up the draw on the Gun Dog course, Runner heads up the draw towards the lake. Neither handler can collect their dog on the turn around the lake and after some extended time both call for the trackers.

7. **ALMADEN'S RIVER OF SHADOWS** – Ed Tillson and **KINWASHKLY DAKOTA MOLESTER** – Jim John. Brace 7 breaks away about 9 am at the East Gate. At 18 Ed calls point just before the deep bowl crossing. Birds are elusive and after a relocate, Ed takes River on. At 20 Jim calls point for Lester in cover across the deep bowl

crossing and after an unsuccessful relocate, takes Lester on. Lester makes a big move up the draw coming out of the bowl and down the fence line. Jim can't collect him and calls for the tracker at the Tall Post Gate. River finishes the hour without bird work.

8. **T J'S THUNDER** – Jim John and **LOST CREEK TIMBER RIDGE** – Ed Tilson. This last brace of the morning breaks away at the South Gate with both dogs moving nicely on the edge. Thunder showing a strong race. At 8, Ed calls point on Rowdy just west of the first pond. Birds are produced with everything in order. At 18 Ed again calls point for Rowdy with a nice covey find at the feeder before crossing the road to the watershed. Thunder has an impressive honor in very difficult to see terrain. Both dogs move nicely up the draw above the watershed. Rowdy takes the fence line down through the bowl. At 53 Jim calls point for Thunder on the Puppy Course with birds produced and clean work. Both dogs finish the hour going away in the brush just East of the Amateur course breakaway.

9. **JUSTAS WELL BE THE GUNNER** – Justin Kalina and **P J OZZY** – John Cross. This first brace of the afternoon breaks away from the East Gate with the sun potting out under partly cloudy skies and rising temperatures. At 13 Ozzy has a mishap with birds just through the gate to the bottom part of the bowl. Gunner responds to the mishap with a stop to flush and Justin takes him on. Just in calls point at 23, flushes a bird with Gunner's manners in order. Justin again calls point at 26 and after an unsuccessful relocate, takes Gunner on. Point is called at 43 on the ridge north of the watershed with Gunner looking very nice. Justin flushes the covey and Gunner displays good manners again. Gunner

From left to right: Terry Gowin, Jim John with Joker's Jackpot, Pat Sheehan(Judge), Scott Johnson with Wimberly Jim Dandy, George Hill(Judge), Ginger Gay, John Gay, Francis Clasen with Tsunami, Martin Haugstad from Norway with TJ's Thunder.

finished the hour east of the watershed with no further bird work.

10. **DAKOTA LUKE** – Justin Kalina and Cheyenne Wind Dander – John Cross. Breakaway is from the South Gate. AT 18 John calls point and after a relocate takes Dan on without birds. At 29, Justin calls point and produces birds for Luke. Neither handler is satisfied with their dog's race and both pick up at 45.

11. **SHADY WAY RED TAIL HAWK** – Jim John and **BOUDREAUX'S POKI JJ JOHNSON** – Scott Johnson. This last brace of the afternoon breaks away from camp. Beau is lost about ½ way around the course and Jim calls is a day. JJ has a point and nonproductive above the big pond on the Amateur course and Scott elects to pick him up at 58.

October 20, 2010, Wednesday

12. **TSUNAMI** – Johnson and **JACK'S TEQUILA JAKE** – John. Breakaway at 8:00 on Wednesday morning. Tsunami has a very nice forward race with birds which earned her 3rd place.

13. **PRIMETIME OUTLAW JOHNNY** – Kalina and **MARJO'S RED RUM** – Luisi. Both dogs breakaway with a nice cast from south gate. At 8, Rum has a stop to flush. Johnny is not seen for a few minutes, but shows up making nice casts to the front o next ridge over. After watering at the pond, Johnny continues through west side and is heading towards watershed. After not seeing Johnny for a while, he pops up around 45 to the front and heads into bowl. Rum is picked up. Johnny handles the west side of the bowl to the front and finishes without birds.

**The Dub Emde Challenge
Lake Murray Trial Grounds
Ardmore, Ok**

February 6, 2011

This was the eleventh renewal of the Region 8 "Dub Emde Challenge" Amateur All Age Brittany Championship. I feel it is an honor to participate in a championship named for a true patron of the "gentlemen's sport".

Our numbers were down this year due to ice and snow reaching from North Dakota all the way to Houston, TX. This also resulted in our advertised judges Butch Roberts and Ron Clark being unable to get their trucks and horse trailers out of their driveways. Lucky for us Keith & Robbi Gulledege, GSP Pros, were unable to return home to Kansas from Lake Murray after the GSP Championships. They graciously stepped in and more than competently judged the Championship.

It was a good championship with lots of bird work, seventeen finds. Everyone pitched in to help, such as Jessica Carlson, a respected competitor, manning the dog wagon. She had a recent knee injury that prevented her from mounting a horse. Our friend Harlan Gerardy has kept it a guarded secret that he is an excellent birdman!

Eighteen went to the line and when the snow, ice, mud, and water had settled our champion came out of the fires brace. AFC Ru-Jem's Fist Full of Dollars owned by Ruth & Jerry McGee, handled by Jerry, laid down a good forward race combined with four pieces of bird work. He set a high standard unsurpassed by the other "pretenders to the throne". Jerry was very hoggish by also taking the Runner-Up with NFC/DC/AFC Ru-Jem's A Touch of Bourbon, "Chug". He had a competitive race marred only by one extended absence showing up in time to register a single find at 57. Both dogs were scouted by Kenny Seivert. As I always say, it takes three to

tango: Dog, Handler, and a Good Scout! Pressing the winners was T J's Prairie Blizzard with three finds. He is owned by Vickie Rankin and handled by husband Dr. Bob.

"We appreciate Purina's support which helps us conduct a first class event. Their support is a great asset to our sport."

I hope everyone had a good time and will come back again.
Tom Milam

Texas Open Brittany Championship Ardmore, OK February 14-17, 2011

Following the Lone Star Brittany Club regional trial the Open Limited All Age aka Texas Open Brittany Championship was held. The past two weeks had snowstorms and very cold temperatures for the area. The regional event was started at noon to allow for warming and snow to melt.

The first place in the limited was awarded to Tsunami handled by Scott Johnson of Kansas. Su is owned by Jim and Meam Floyd also of Kansas. Su is a white and liver female coming nine years of age. She had three stylish finds with race to spare.

Second place was KD's Slip and Slide owned by Tom and Debbie Jagielski of Illinois. Splash had one find early in the hour. He was handled by Ed Tillson of New Mexico.

Third place was Kinwashkly Dakota Molester handled by Jim John of Kansas and owned by Ken Seivert of Iowa. Lester had three stylish finds and a strong ground application.

Roustabout's Sniksoh Sadie took fourth place. She was handled by Tom Tracy and is owned by Paul Rosevear of Kentucky. Sadie had one find early in the hour and ran a methodical race.

Our judges for the championship were Blake Biggs of Texas and Charlie Barbaree of Oklahoma.

The Open Derby Stake aka Texas Open Derby Classic had eleven entries. The eager bunch of juveniles had a hard time finding birds. The winner was Ocaje (o-KA-hey) owned and handled by Terry Gowin of Kansas. Grace went from find to find searching and locating game during her brace. The remaining placements were withheld.

We want to thank all the workers that helped make this a smooth running event. We applaud them for their time and efforts.

2011 TEXAS AMATEUR ALL AGE BRITTANY CHAMPIONSHIP LBJ NATIONAL GRASSLANDS, DECATUR, TEXAS

**JUDGES: TIP DAVIS & CHARLIE COLLIER
FEBRUARY 26-27, 2011**

The 2011 Texas Amateur All Age Brittany Championship was once again hosted by the West Texas Brittany Club at the LBJ National Grasslands in Decatur, Texas. The three one hour courses set at the Grasslands were typified by deep wooded draws and open meadows which allow a dog to run and show on all of the courses but they must handle to be competitive. Purina is a long time supporter of this Championship, supplying Pro Plan dog food and sponsorship funds and both are greatly appreciated. Their products are the best on the market and provide the foundation for many great field trial dogs.

Our two judges were Tip Davis of Weatherford TX and Charlie Collier of Corsicana, TX. Both have owned trained and campaigned fine dogs so they know what a good dog looks like. Bud Higginbotham drove the dog wagon ably assisted by Linda Milam. Tom Milam and Mike Pirtle handled the marshalling duties, keeping the handlers and judges on course. Hospitality was provided by the West Texas Brittany Club and enjoyed by all.

The brace sheet included 18 Brits competing for the title of Texas AAA Champion and the popular silver spurs awarded to the winner. Handler Ben Kuykendall did an outstanding job sweeping the first three places with two dogs that he owned plus the named Champion who is owned by his trainer Bunny Green. The cold front that was supposed to come through stalled so the weather was warm from the start but 64 degrees at 8 am breakaway time was certainly

preferable to the 80+ degrees encountered in the afternoon braces. The 9 braces were completed on Saturday partly due to the hot weather. Bird work was plentiful and also took its toll on some of the competitors. At the completion of the braces and after considerable discussion the judge's decision was handed in.

CHAMPION: HIGHPOINT BLAZIN' LAMONT "Blaze" (NFC/FC Beans Blaze x Hello Dolly Delamont) a 3-1/2 year old white and orange male owned by Bunny Green and handled to this win by Ben Kuykendall. Blaze ran in the first brace and impressed the judges by running a fast forward race over the winding course. He had excellent style and manners on both of his finds. This combination of run, handle and style earned him the title of Texas AAA Brittany Champion.

RU CHAMPION: FC AMERICAN IDOL "Kelly" (FC Dakotas Copper Nickel x KTex In Your Dreams) a lovely orange roan female was handled by her owner Ben Kuykendall. Kelly ran in the fourth brace on course one after the temperatures had soared to 80+ degrees. Kelly did not seem uncomfortable in the heat and ran a fast intelligent race. She responded well to the handler and had three nice finds. She stood high and tight on all her birds to garner the RU title.

3RD PLACE: SOUTHERN BREEZE "Wendy" (FC Dakotas Copper Nickel x Southern Star) a perky 2-1/2 year old orange and white female was handled by her owner Ben Kuykendall. Wendy ran in the fifth brace on course two and the hot temperatures did seem to slow down this exciting young dog just a bit. She ran a forward race at less distance than the other winners but ran smart and utilized the many water holes available on course which kept her energized throughout the hour. Wendy had two finds and was extremely stylish and staunch on both.

4TH PLACE: AFC CHEYENNE WIND DANCER "Dan" (FC/AFC Mo-Dan's Believer x FC/AFC Cheyenne Little Meg'A) a strapping liver and white male was handled by his owner John Cross from Edgewood, NM. Dan ran in the first brace, had one nice find, handled kindly and had a strong finish.

The West Texas Brittany thanks all the competitors and the judges for making the 2011 running of the Texas Amateur All Brittany Championship a success.

First, many thanks to all of the club members who helped make this trial such a success, including (but not limited to) the Beauchamps, Collins, Kliens, Meckfessels, Fosters, Peters, Lings, Masolottes, and Hoskins! Many people came in early on Friday and we had a good time telling tales and eating BBQ.

The Club decided to move courses this spring to another location we haven't used in a few years. It took everyone a while to get used to the new courses and water crossings, but many commented that it was nice to mix it up a bit. We had great weather on Saturday, the All Age and Open Gun Dog had lots of birdwork, which always makes riding in the gallery more entertaining! Sunday was overcast and it snowed briefly, but the dogs were still putting on a great show. The judges commented on how the Amateur Gun Dog was a hotly contested stake with lots of great dogs and with multiple clean finds. The open Derby even had a few broke finds as well with many promising youngsters. We finished up our 93 dog entry trial "early" even on Sunday, thanks to a well organized, well scheduled trial with all the help. So thanks again to everyone who really pitched in this time!

Congratulations to all, and we hope to see everyone in the future!

ANY CLUBS RECEIVING PURINA OR TRI-TRONICS SUPPORT

It is critical to our continued funding from our sponsors that they receive the recognition they deserve. Just one ABC event not fulfilling our obligation for proper acknowledgement could cost us future support for many clubs as well as the ABC in general. Sponsors are carefully looking at write-ups, ads, and pictures to determine who is giving them proper recognition and who is not as they are facing cutbacks in their donations to clubs. Without their support, many of our ABC Classics and Championships would cease to exist.

We often catch and add Thank-You's to write-ups which do not have them that are sent for publication in The American Brittany, HOWEVER, we normally do not see the ones sent to The American Field which is where most of the Sponsor Field Reps glean their information and the omissions are taking place.

Please make sure you are doing the following:

1. Forward write-ups, results, and pictures with complete picture ID's of dogs and people to the ABC Secretary & American Field as soon as possible for up to date publication.
2. Make sure that pictures show Purina dog food sacks and/or tri-tronics collars and banners (if you have one) in the picture. That's their publicity.
3. Make sure you send pictures to the American Field as well as the ABC.
3. Make sure the write-ups contain a proper Thank-You to these groups.
4. Handlers should make their dogs available for the pictures at the end of a stake.
5. If Purina sponsors a meal for participants, give Purina credit.
6. If the Classic/Championship is sponsored by ABC, include that in the title of your write-up.
6. Chairmen & Secretaries, it is up to you to make sure these things are done.

IN ADDITION

7. Please acknowledge and thank the owner of the grounds, the State if a state facility, the site superintendent and his staff. Let them know how much we appreciate the opportunity to use the grounds and the effort they put in to develop those grounds for field trials. If possible, invite these people to your dinners or to be part of the pictures for publication.

Good will goes a long way to promote the sport.

Hunt Tests

GREATER MILWAUKEE Ottawa Field Trial Grounds Eagle, WI March 19-20, 2011

The Greater Milwaukee Brittany Club held its 2011 Hunt Test on the 19th and 20th of March at the Ottawa Field Trial Grounds in Eagle, Wisconsin. The hunt test started out with frost on the ground, light winds and a cool 30 degrees. All the snow had melted the week before leaving sufficient cover for the birds and with light winds, made for good conditions for the dogs. Sunday started in the rain and ended in the rain, with temperatures in the low 40's and gusty winds. Even with the dogs running good and covering ground, it was quite hard for the dogs to find the birds. It was a tough day for everyone but, thanks to the great effort of everyone involved with the event, both days ran smoothly.

We ran a single course both days, with Donald Olszewski and Pat Dunleavy judging on Saturday, and Mark Kenny and Terri Everwine judging on Sunday. These Judges deserve a real hand, especially Mark and Terri, who endured over 5 hours straight in the rain, wind and cold temps. We had 16 dogs entered on Saturday, three braces of Master, three braces of Seniors, and three braces of Juniors. Sunday there were 15 dogs, three braces of Master, two braces of Seniors, and three braces of Juniors.

The gunners for the Master and Senior levels were, Randy Weber, Matt Lamb, and Ken Merk.

Many thanks to the numerous people who volunteered their time and camaraderie to make our event run smoothly and totally enjoyable.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!

American Brittany Club Futurities

CONDITIONS AND RULES

Rugged. Reliable. Proven.
The Leader in Electronic Dog Training Equipment for over 40 years.

- American Brittany Futurities shall be open to every purebred Brittany bitch and her progeny whelped during the calendar year of January 1 - December 31 and whose litters have been enrolled with The American Brittany Club.
- Bitch must be owned or leased by an American Brittany club member.
- All dams nominated and all sires bred to must be registered or eligible for registration.
- Nominations of dams must be made within 30 days after the bitches have whelped.** A sum of \$30.00 must be paid at this time. This payment will entitle each puppy of this particular litter to be entered in the ABC Futurities (Field and/or Bench) after the dog has been properly registered in a recognized stud book.

- Late litter nominations will be accepted with the following current fee schedule:** Late fees are: \$30.00 for 31-60 days, \$60.00 for 61-90 days, and \$100.00 for any nomination received more than 90 days after whelping. No nominations will be accepted past 180 days of whelping. Additional late fees may be imposed from time to time by the ABC Board of Directors. The postmark will determine the fee for late nominations.
- Dogs will be eligible to run in the designated futurity to be held in the Spring of the second year following the year of whelping.
- A final nomination fee will be due by September 15th of the year following whelping. Entry fees will be paid by the owner of the puppy for each Sectional Futurity field or bench event the dog enters.

THE AMERICAN BRITTANY CLUB, INC. is a member club of the American Kennel Club and is the recognized breed sponsor by the American Field.

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

BECOMING A MEMBER: Full membership in one of the Regional Clubs carries an automatic membership in the American Brittany Club. Full Membership cost is \$30.00 per year and \$3.00 per year for each Associate Member. Regional Clubs may charge higher dues. You may apply to join the Regional Club located nearest to you, or if there is none in your area, you may become a Member-at-Large of the American Brittany Club. Joining a Regional Club will afford you with the most opportunities for interaction with other Brittany owners.

GIVE A GIFT MEMBERSHIP: We are asking members to give a gift membership to a puppy purchaser, a friend or acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.
