VOLUME LXIII • NUMBER 11 • NOVEMBER 2011

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittany and to encourage higher standards in breeding, training and showing of Brittany in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

2011 ABC PRAIRIE CHICKEN CLASSIC/CHAMPIONSHIP

Bassett, Nebraska September 19-25, 2011

By Mary Karbiner

WINNERS- Jacks Tequila Jake with Jim John, R-up Ru-Jem's A Touch of Bourbon with Jerry McGee, 3rd place Georgia's Texas Two Step with Tom Tracy, Carla Tracy and Rauston. Standing: Judge Mary Karbiner, Roy Pelton Purina Rep., Ruth McGee owner, Judge Stan Truksa

The American Brittany Club's prestigious Prairie Chicken Championship commenced Monday, September 19, 2011 over the grounds of the Ted Morton ranch near Bassett, Nebraska. This venue has served since 2005. This Championship has long stood as the most prestigious all age, native bird event to run on the prairies where dogs can show how they adapt to the vastness of the country. The advertised judges were John Rabidou of Texas. John, who for medical reasons could not serve, was replaced by Stan Truksa of Nebraska. Stan has competed, organized and judged this event in years past. His partner was Mary Karbiner of Texas. She has trained during the summers in the Sandhills since 1988 and has also reported and judged this event numerous times.

There were fifty seven dogs drawn and taken to the line. From the entry Jacks Tequila Jake emerged the winner. Jake's owners are Pedro and Susan Rodriguez of Kansas. He was handled by Jim John also of Kansas. Jake is a 3 year old male, orange roan and stoutly built, hitting the ground with vigor. His sire is NAFC Tequila Jack II X Trucker's Willow Run. His application set him apart from the runner-up. Ru-Jem's A Touch of Bourbon owned by Ruth McGee of Illinois and handled by Jerry was the runner-up. Chug's sire is Bourbon XIII X MoKan Bimbo. Chug has amassed many titles in his career. He is currently the reigning ABC National Open Champion.

The yellow ribbon went to Georgia's Texas Two Step handled by Tom Tracy of Virginia. Gigi is a three year old female who moves nicely across the prairie. She is owned by Travis and Clayton Tangen of Georgia. She is out of Dakota Alley Cat X JB's Georgian Amber Blaze. Fourth place was Tsunami who is owned by Jim and Meam Floyd of Kansas and handled by Scott Johnson also of Kansas. Su made ground searching casts during the hour. Her sire is NAFC Lea's Running Jay Hawk X Poki-Dot

The unique area in the Midwest known as the "Sandhills of Nebraska" is home to the Greater Prairie Chicken. Gently rolling tall grass meadows, some irrigated crops with knobs or hills. This country is

primarily used for cattle raising and hay production. The first American Brittany Club Prairie Chicken Classic was held at Buena Vista Grasslands area near Plover, Wisconsin in 1964. In 1975 it began rotating between there and Nebraska. The last event held in Wisconsin was in 2000. Bassett, Nebraska is a small town with lots of welcome for dog people. The Coral Bar was the site for the steak dinner for all land owners, handlers and participants on Tuesday evening. We thank the landowners - Ted Morton, Curtis Luther, Butch Fischer, Jack Bair for their generosity. The Rock County Chamber of Commerce provided coffee and rolls for the breaks. Also thanking the Ainsworth Implement Co. for the use of a ATV to pull the dog wagon. Through the years workers have been at a premium, Jerry McGee, Ed Tillson, Stan and Claudia Truksa, Jim and Janet Chase and AJ for marshaling, dog wagon driving and gate opening. These tasks are not easily done when there are thousands of acres of land to be traveled across. We were again in the presence of longtime field trialers and "fixtures" at this event. Ray Trimble of Illinois and Wade Haines of Ohio once again made the trip west to one of their favorite trials. The organization of this event was by the Nebraska Brittany Club who's backbone is Stan and Claudia Truksa. They have put together this event for many years. We thank them for their organizational experience and hard work.

Nestle-Purina has long been a supporter of the performance dog. Their research of pet foods is ongoing. They provide dog food for the winners along with monetary support to aid in running a quality event. Tri Tronics has also been a sponsor of bird dog events. They manufacture tracking devices and behavior control units for training purposes. We greatly appreciate their dedication and participation in the sport of field trialing.

THE RUNNING:

PAL'S REDNECK OPIE, Tracy and **BLACK CREEK DEACON**, Holman.

Monday dawned with sunny skies, light breeze and dew on the grass. Many pastures had tall grass from the abundance of rain in this part of the country. Opie had a hard time maintaining the front. He was up before the end of the hour. De got hung up on ground scent at times. At 40', in the far east meadow, he pointed staunchly. Nothing was produced and his hour ended birdless.

MAXWELL'S GUNSMOKE, Patterson and **TLM COPILOT**, Gerardy. Pete was slow to start with Hank hitting the ground full force. By midhour both dogs were reaching to new country...but for naught as both were birdless in the hour.

UNCLE KRACKER, Tracy and **SHADOW ATTACK**, Tillson. Each dog made some nice moves. Tack methodically hunted the terrain. Kracker had an unproductive into the grace period. Both dogs were birdless.

WAYSIDE'S BLUERIDGE RUNNER, Downing and **WHIZKI'S STING**, Holman. This pair started with a flourish each covering some ground. Blue had an unproductive at 31'. Holly continued to glide across the country. She pointed a single at 41'. A bird lifted and she went with it.

CEDAR VALLEY BANDIT, Tracy and **BRETON'S MYEVER SOL CORBIN**, John. We left the road gate heading south, this was a change in course because of cattle in the west pasture that we previously had used. We came over a knoll where handlers had called point. Corbin stood forward and Cedar was off his left flank. They stood staunchly thru flush and shot of a nice covey of birds. They were sent on thru some high water. Cedar pointed a single at 36' with good manners. He had settled into a hunting mode. Corbin pointed a single and as it lifted he went with it. Cedar had an unproductive at 39'. He was up before the end of the hour.

CAROLINA SEA BISCUIT, Gerardy and **HI PROOF WHIZKI**, Gorrow. Biscuit with a different handler took a few minutes to get lined out. Whiz made a long cast early and at the turn he hit a patch of sand burrs hampering him briefly. Biscuit made some nice moves and Whiz began to eat up the country. Biscuit was lateral finishing the hour. Whiz finished going away. Both dogs were birdless.

GUN RUNNER'S GOTTA LOTTA MO, Hancock ran as a bye. The wind had moved in during the night and was very gusty at breakaway. Mo was slow to start but gained momentum midway in the hour. At 58' a pair of birds flushed and he didn't get stopped fast enough.

SHAMROCK'S SIRIUS, Holman and **JAGOUB'S BUZZIN BAYOU**, Tracy. Sy started strong and continued to challenge the country. At 39' in Bo's Meadow (so named for the horse wreck that Bo A. had) a small covey flushed but Sy didn't get stopped quick enough. Buzz made some nice moves gaining momentum. At 10' he had a unproductive and no other bird contact in the hour.

MR MAGIC II, John and **TLM FREQUENT FLYER**, Gerardy. Jack started slow making some nice moves. Magic started strong and wide. He ran the outer edges of visual sight, covering a lot of country. Jack pointed, moved up and as the handler flushed he scurried in to help put the birds to flight. For all the country that Magic covered he was not rewarded with any birdwork.

BROADWAY JOE VI, Tracy and **WIMBERLEY JIMDANDY**, Johnson. Already gusty winds had increased by late morning. This pair used the country. At 6' Joe's handler called birds as he stopped. None were seen by the judges. Dandy made some good moves. Neither dog had defined bird work in the hour.

WOLF RIVER'S WINNING TICKET, Gorrow and **J AND J BRANDY GIRL**,

JUDGES: Mary Karbiner and Stan Truksa

McGee. Cash ran a forward race with some reaching casts. Brandy had a hard time getting started with the very strong winds. Birds were in the air as handler called point for Cash at 41' along a fence line. He was credited with a stop to flush. Brandy's race was erratic in application and she had no bird contact in the hour.

ACE'S DI, Holman and **CEDAR VALLEY ASYA**, Tracy. Di set to work quickly making reaching casts. Asya was not as wide and at 17' she crowded a bird and was leashed. Di was putting on a show but was not rewarded with any birds for her efforts.

KINWASHKLY DAKOTA MOLESTER, John and **THE CRASH SCENE**, Tracy. Winds had eased up. The low was in the 40's this morning. Lester made wide ranging casts during his hour but no birds were found. Crash had a stop to flush at 11' in the cow pasture. His application was a bit erratic, finishing at moderate range the last half of the hour.

RU-JEM'S A FISTFUL OF DOLLARS, McGee and **KD'S SLIP AND SLIDE**, Tillson. Both dogs were slow to start. We entered Bo's Meadow and at 36' Dollar pointed. The birds lifted and he released himself. Just down the meadow Splash zeroed in on scent, during the flushing attempt his posture suffered and he was leashed.

GRAND JUNCTION JAKE, Holman and **BLUERIDGE HUNTER GONNA FLY**, Downing. From Bo's Meadow we headed north. Hunter had a single chicken flush at 2' and he wanted a closer look at it. Jake ran a consistently forward and wide prairie race, using the country well - alas he was not rewarded with any birds.

GEORGIA'S TEXAS TWO STEP, Tracy and **HAL-JS SMARTEYES-JOKERS E-Z ACE**, John. Midday clouds had moved in with the temperature in the upper 50's and wind is still gusting 10-20 mph though a bit calmer than yesterday. Thru the first gate both dogs handled a stop to flush nicely at 5'. Georgia pointed at 29' in tall grass. Handler flushed birds with all in order. At 36' point was called for Ace as he stood high and tight. Nothing could be produced. Georgia made some wide casts across the country finishing the hour well to the front. Ace had an unproductive near the end of the hour and was leashed.

ODESSEY'S ACE OF HEARTS, Holman and **TJ'S THUNDER**, John. Ace did not get untracked and was leashed early in the hour. Thunder

ran at moderate range. He had bird contact at 27' and several unproductives to end his hour.

KINWASHKLY FAT BASTARD, Tracy and **GUN RUNNER'S I M A HUNK**, Hancock. This pair gained momentum into the hour. Fatty had a find at 29'. Handler shot quite a distance from the dog who then released himself. Hunk ran the country during the second half of the hour. His casts were reaching. He was out of pocket at 45' returning to finish the hour way to the front.

BRISCO'S MR STUB, Gorrow and **TRADEMARK'S ATM**, Holman. Weather can change in Nebraska. This morning the temperature was 36 degrees, frost in some low spots and ice in the dog pans. Stub was slow to start, he made some good moves later in the hour. Cash was using the country. He was out of pocket at a turn in the east meadow. Tracker was called for at 50'. Stub finished the hour at moderate range.

SHADY WAY RED TAIL HAWK, John and **TSUNAMI**, Johnson. Both dogs started strong on the ground making reaching casts. At 21' birds lifted and we see Su standing at the edge of a mowed patch. Handler approaches and the rest of the large covey flushed. She was fired over and sent on. Red was out of pocket at 40' and not returned to judgment. Su continued her wide casts thru the end of the hour.

AUGUST RUSH, Tracy and **SPARKY'S LITTLE PILL BANDIT**, Hancock. We headed east in the big hay meadow. Auggie was slow to start but gained range into the hour. He had an unproductive finishing the hour with wide casts. Bandit had an unproductive at 2'. He made some wide moves but was inconsistent in application. Neither dog had defined bird work.

UGH STUMBLIN' FROM THE SHADOW, Tillson and **BLACK CREEK BLAZE**, Holman. Bubba was inconsistent in his application finishing the hour at moderate range without any bird contact. Blaze was slow to start, building into reaching casts. He had an unproductive at 59' to end the hour.

MCCHESNEY'S TEQUILA RIVER, John and **RU-JEM'S A TOUCH OF BOURBON**, McGee. We left the west gate heading south. Tequila headed across the field as Chug went west. At 23' Chug stopped at the flush of a single with Tequila stopping split seconds later, everything was in order. Tequila had two unproductives and another stop to flush which he released himself on. Chug has made some casts across the hills to the front. In a swale at 59' point is called for him. We ride to him as he stands staunchly through flush and shot. He was sent to the front as time was called.

JOKER'S JACKPOT, John and **KINWASHKLY DIRTY NED PEPPER**, Johnson. Jack went to the hills and Ned headed south. Both dogs being spots on the horizon. Ned was out of pocket and caught the front shortly, having an unproductive at 25'. Jack has continued to

have the judges attention. His reaching casts and fluid race was eye catching. Both dogs were birdless in the hour.

MAXWELL'S BLEW BY YOU, John and **EARLY TIMES**, Tracy. Temperatures were in the mid 30's with more frost on the grass than yesterday. There was very little breeze to start the day. Both dogs made prairie casts early in the hour, occasionally returning to the handlers. Chuck slow the last few minutes of the hour. Earl was credited with a stop to flush in the next pasture at 48'. Handler riding the fence called birds in the air. When Earl was sighted he stood staunchly after the flight and shot. He ended the hour forward.

ROUSTABOUTS SNIKSOH SADIE, Tracy and **TRADEMARK'S ICEMAN**, Holman. Sadie has a pleasing way of going with lots of ground speed. She made some nice casts but was birdless in her hour. Timmie ran a prairie race. He had "text book" stop to flushes at 12' and 38' with an unproductive at 32' in Bo's Meadow. He finished the hour forward.

SANDY PINES CHASE THE WIND, Holman and **JACKS TEQUILA JAKE**, John. Chavy had his running shoes on making wider and wider casts until he was out of pocket early in the brace, catching the front at 50'. Jake attacked the course, making some moves across the country. At 10', in a swale, he pointed high and tight. Handler flushed a single to the dog's left. Jake acknowledged the flush with only a turn of his head. At 37' he had an unproductive. Jake's application thru the tall grass pastures was done with determination. He had to be ridden for at the end of the hour.

JAYHAWK'S GEORGIA GIRL, Tracy ran as a bye. We went east from camp. Gigi increased her range. She had two unproductives at 6' and 27' and was leashed ending her time on the ground.

2011 Federal PUPS (Puppy Uniform Protection and Safety Act) S. 707 & H.R. 835

by Margo Milde

On October 6, 2011, AKC issued a second letter regarding the 2011 federal PUPS (Puppy Uniform Protection and Safety Act) bills, S. 707 and H.R. 835. This letter was signed by Sheila Goffe, AKC's Director of Government Relations, and sent to all members of Congress.

The AKC's concerns currently include:

- overly vague exercise requirements which as written may also preclude training activities being counted as exercise
- definition of "breeding female" dog as intact female dog aged 4 months or older
- inclusion of "offers for sale" language in definition of "high volume retail breeder", since it would allow more than one advertisement for each single dog to be included in count;
- definition of "high volume breeder" as person having ownership interests in or custody of one or more "breeding female dogs", despite the regulation's threshold referring to the number of dogs bred and sold, not owned;
- and, definition of "high volume breeder" as person having ownership interests in or custody of one or more "breeding female dogs", since this is overly broad and does not take into consideration co-ownership agreements.

Final two paragraphs of the AKC's letter:

"AKC does not oppose the general concept of regulating high volume breeder/retailers. However, we believe that regulators such as APHIS must first be given appropriate resources to ensure the full and effective enforcement of the Animal Welfare Act (AWA). A May 2010 report by the USDA Office of the Inspector General which outlined numerous problems with APHIS enforcement of the AWA highlights these issues and need

for additional resources.

"The AKC will continue to work with other stakeholders to address these concerns. Until existing concerns about USDA regulation of dog breeders can be addressed, we do not believe it is prudent to add expansive new classes of breeders to an already overburdened regulatory workload without first providing APHIS badly needed resources for the enforcement of existing law and regulations. We respectfully request that you withhold support of PUPS (S. 707/H.R. 835) until additional funding for AWA enforcement is provided to APHIS and until the above concerns regarding the PUPS legislation are adequately addressed."

RED LIGHT – GREEN LIGHT

TRAIN YOUR DOG THE CAPPS WAY

CONSISTENCY
ATENTION
PATIENCE
PRAISE
SUPERVISION

Frequently I have been asked how to keep a dog from going through a door, jumping out of a car, charging out of an open gate and getting himself into deep trouble in general by misbehaving.

I have seen dogs leap from open car doors into busy parking lots, putting themselves in danger before the owner can say a word or stop them. Yet thinking about this, I came to the conclusion that STAY was still too serious a word to use in this situation.

Stay is an Obedience Ring term meaning do not move from this spot until I come back and release you...which also means if you do not release the dog, he needs to stay until you return... an hour in the store, hours at home while you are working. That puts the dog in the position of, "Do I obey and stay here forever, or be a bad dog and break the stay?" This is an unfair situation in which to put your dog.

I feel the same way about WAIT. Wait is an Obedience Ring term meaning, "Wait there until I give you another command to move," whether it is come, down or any other signal. Again if you leave the dog and don't release him, the dog still has to make a decision, "Can I, will I, should I...?"

Since neither "Stay" nor "Wait" are acceptable commands in this situation, I decided to use the children's game Red Light, Green Light to teach the dog the difference. Red Light means stop: the dog is allowed to move backwards but not allowed to continue forward motion. Green Light, of course, means come ahead.

To teach Red Light, Green Light you may need a collar and lead if your dog is relatively untrained and unknowledgeable. If he has been taught stay or wait, or knows hand signals, then try working off lead in a secure place.

Start walking forward with the dog, and then give your dog the "Red Light." You can flash a stop sign with your hand or step in front to stop forward motion. Tell your dog "yes" or "good" as soon as it stops. If the dog does not know the stay/wait commands, you may need a little collar pressure to stop forward motion. Toss a treat behind him and give the "get it" command. Start over; forward, "Red Light," "Yes," "Get it." Usually after a few repetitions the dog is anticipating the stop and backward motion to get the treat. Some will just stop; others may give you a real surprise by putting on the brakes and sticking their front feet out like a gymnast landing a vault.

Now you can go to the culprit spots: the door, a gate or a car door. Put the dog on the inside and coax the dog. Do not use

commands such as "come," the dog's name or any word that causes disobedience. Simply coax, make kissing sounds, pat your leg or do anything else to get the dog coming toward you without a formal request. Once the dog is moving, give the "Red Light" command; toss the treat behind him saying, "Get it."

Depending on the dog's mental attitude, you can do this five to six times, especially if the dog feels it is play and having a good time. If your dog stresses about new exercises, do this only once or twice to give him the idea and then allow the doggie brain to relax. It is a good idea to break off and give the dog what in horse training is called "stand time" to let it cogitate on the exercise.

Practice frequently throughout the day. Use different doors, gates and car doors. Give the dog the "Red Light" command while walking outside. Use a firm tone of voice so the dog understands you are serious.

When using the "Green Light," command, lighten your tone of voice, present the treat and lure the dog forward. I have found some dogs need their name spoken before the "Green Light" command to get them moving even with the food lure.

I worked on this with each of my dogs individually...and then played the "Red Light, Green Light" game. I called "come" to get all the dogs coming to me, then called "Red Light" and stepped forward to treat the dog that stops immediately. When I again call "Green Light," the dogs come and get treat. Step back, call "Red Light," and the stopped dogs are treated. "Green Light," ya'all come and get treats.

My dogs really get into this game, AND it is useful for safety and obedience.

Happy Training,
Helen Marie

Hosted by The Southeastern Brittany Club

TARHEEL OPEN LIMITED GUN DOG CLASSIC WINNERS

The Southeastern Brittany Club wishes to thank everyone who joined us to run dogs at the ABC Tarheel OLGD Classic at Dick Cross WMA in South Hill, VA this year. Once again, our event was supported by Purina and we thank them for their generosity. All the winners took home some Purina Pro Plan Performance as fuel to run another day. The entries were scarce, which could be due to the unfortunate date change, or the price of diesel. Ben Lorensen and Kyle Merrill helped to round out the field very nicely – thank you! So, we enjoyed ourselves in the nice weather. Folks from up north were pleased to see the bare ground at last.

Ralph and Judy Kiracofe blessed us with their wonderful marinated venison on Sunday night. It was grilled to perfection and accompanied by various dishes to make a splendid meal. Bill Applegate and Marvin Roth surprised us with excellent shrimp cocktail. What a great way to launch our event. Thank you so much! Ivan Clark donned his chef's hat in between planting birds to whip up a delicious pulled pork main course on Monday evening for our Club Pot Luck Dinner. Thank you to all who made a contribution with food and fellowship.

We had two returning judges to watch our dogs this year. Billy Fogg of Hoffman, NC and Steve Browder of Pinewood, SC were pleased to have their placing dogs out of several nice performances. We appreciate their attentive and helpful judging style as well as their years of expertise in choosing the top dogs. Our excellent reporter, Yvonne McKeag, was not able to join us this year. We sure did miss you, Yvonne, and the write up certainly shows it! Feel better soon.

Hybrittin's BJ Betty became our Classic winner for the second year in a row! She was top dog in the fifth brace, handled by Kyle Merrill. Betty is owned by Art and Judy Cohen. Betty attacked the course with a strong forward race. The judges were impressed with her speed and drive making her very snappy on the ground. She had three clean pieces of bird work to best the field, yet again. Congratulations!

Our Runner-Up was top dog in the seventh brace, Savannah's Hot Shot, also known as "Bammer" handled by Ben Lorensen, owned by Bob and Sheri Hudson. The judges enjoyed Bammer's way of covering the

course intelligently with lots of drive and two very stylish finds. Well done, young lady!

Our third place dog was Diamond Hill Dancer, better known as "Luke" who made another nice showing at this event having won it in 2009. Luke was handled by Mike Hester and owned by Sebastian Ventura. He came from the tenth brace as a Bye dog. Luke gave the judges one pretty piece of bird work coupled with his forward style to take his place among the winners. Excellent job, Luke!

Rovans Tailwind Tommy, owned by our Co-Chairmen Ronnie and Ivan Clark, handled by Ivan was our fourth place dog coming from the seventh brace. Our judges commented upon Tommy's good clean bird work and his very strong finish to put him in the money! Great job! That must have been a really exciting brace.

We want to thank everyone who helped us out with entries, with food, and good sportsmanship. We especially want to thank Ellen Kerr for policing the barn, Joe and Marsh Luisi for planting birds and helping to salt the course in the early morning. We surely appreciate all who grabbed a bird bag for us and helped in the kitchen. We look forward to seeing more of you next year.

ABC Gun Dog Classic/Championship

September 27-28, 2011

Union County Bird Dog Ranch, Thayer, IA

Reported by Ken Windom

The 2011 Edition of the American Brittany Club's Gun Dog Classic/Championship was won by Glade Run Nutmeg, coming 6-year-old liver, white & orange Brittany female, owned by David Webb of Pennsylvania and handled by Tom Tracy, Jr. Meg had 2 quality finds and a back. Second place went to her bracemate, DC Rico's Hi-Proof Bootlegger, a 4-year-old orange and white Brittany male, owned by Chuck and Jill Schaefer of Indiana and handled by Bob Burchett. Mason carded 3 finds during his hour. They ran in the next-to-the-last brace of the trial and delivered performances that really caught the attention of judges Jim Brigham and Bob Powell, long-time Brittany field trailers from Wisconsin. The judges were specifically looking for dogs that ran a forward race and exhibited a desire to hunt with the handler, not requiring a lot of handling, and that ran an intelligent pattern without undue guidance. Third place was claimed by FC Augustus of Tiger, white and orange 3-year-old Brittany male owned by Bo and Renae Ackerman of Georgia and also handled by Tom Tracy, Jr. Gus ran in the first brace with a wide-ranging ground race, combined with 7 finds and one stop-to-flush. Fourth place went to CH/AFC Diamond Hill Dangerous Man, 5-year-old orange roan Brittany male, owned by Paul and Lisa Pollock and handled by Lisa Pollock. Trace had a solid, forward race with 2 finds, a stop-to-flush and one non-productive during his hour.

We wish to extend our very grateful thanks to corporate sponsors Purina and Tri-Tronics for their contributions of dog food, merchandise, and monetary support. Championship-caliber events such as this would not be possible without their continuing backing.

Many people contributed to the smooth and successful running of this event. Mickey Condron handled the dog wagon duties. Chuck and Jill Schaefer made sure refreshments were available throughout the day. Jon St. Clair handled the lunch run. Bill Hancock kept the water tanks on the course filled. Ken Windom served as bird planter and reporter.

The first brace of the morning broke away north of camp at 8:08. Skies were overcast with cool temperatures.

BRACE 1: AUGUSTUS OF TIGER (Tom Tracy) and **LCH's Edward Longshanks** (Bob Burchett)

Gus pointed at 4 along fence on west side of course. A small covey was produced with all in order. His second find occurred about 2 minutes later at the feeder on the south end of the Orchard. At 14, Gus was credited with a stop-to-flush along feed strip east of the old barn site, then scored a find about 30 seconds later as he moved further along the feed strip. Gus pointed at 18 at the old barn site. Handler flushed a small covey, fired, and took the dog on. Gus came through the new crossing and made a big move to the left side of the field and up a draw, where he stopped on point at 24. Meanwhile, Eddie had gone ahead and was moving west along the fence line to the end of the field where the course bent back around in an easterly direction. Tommy flushed birds for Gus as Eddie made the turn, then caught the front as Eddie continued eastward. Both dogs stopped at 32 at the south end of the Orchard with Gus pointing and Eddie backing. One bird was produced with all in order. The dogs crossed the road onto the South Course at 38. Gus made big moves on the South Course, rimming the fields along the feed strips before coming back to the Hedgerow where he scored another find at 43. Eddie's race was shorter and somewhat inconsistent and he was not rewarded with a bird today.

Both dogs finished the hour north of the Hedgerow.

BRACE 2: COVEY RISE'S RAMBO JR (Chuck Schaefer) and **DAKOTA'S GUN RUNNER'S BUCKSHOT** (Tom Tracy)

Brace 2 broke away from behind camp at about 9:20. At 10, Buck had a find in the field east of the finger crossing. Two birds were produced with all in order. JR stopped at 19 near the feeder along the fencerow past the new crossing. Buck came in and was whoaed to a back. JR was asked to relocate and moved a few yards west before re-establishing point. Birds lifted behind handler as he approached the dog, but were not seen by the handler. He fired when he was told by the gallery that birds had been flushed. JR was credited with a stop-to-flush at 21. First dog crossed the road onto the South Course at 39. Scout called point for Buck at 43 in the field due south of the normal All Age breakaway. One bird was flushed with all in order. JR pointed at 50 in the field west of rock crossing with all in order. Meanwhile, Tommy had called point for Buck but waved it off and was trying to get Buck back to the front as JR was taken on. Buck came around and had a nice finish, rimming the two fields east of the rock crossing. JR finished his hour in the church corner, where he was found on point at time. However, Chuck could not produce a bird. JR's run was somewhat erratic over the course of the hour. Buck ran bigger, but required a substantial amount of handling at times.

BRACE 3: SHADY'S DESERT KNIGHT (Scott Johnson) and **MASKED JACK OF DIAMONDS** (Ed Tillson)

The dogs broke away about 10:35 on the southeast end of the South Course. Jack pointed at 4 at feeder south of the Hedgerow. One bird was produced with all in order. The dogs crossed the road heading north at 14. Scout called point for Knight at 23 in the southeast corner of the Orchard. One bird was produced with Knight exhibiting good manners throughout. Jack pointed at 31 east of the old barn. Ed flushed a small covey, fired, and took the dog on. At 38, both dogs were coming down the fencerow past the new crossing. Both dogs stopped near the feeder, then Jack took off after a bird. Knight remained steady until Scott flushed, then also gave chase to end his bid.

BRACE 4: OZ II (Kevin Stonehouse) and **CSB JL SULLIVAN** (Bob Burchett)

The last brace of the first morning was released from the old Gun Dog breakaway spot at 11:24, heading southeast. Oz was seen standing at 4 near the edge of the finger by the crossing, but the dog moved on as handler arrived, so no flushing attempt was made. The dogs crossed onto the South Course at 17. Sully pointed along the west end of the Hedgerow at 22. A bird was produced with all in order. Meanwhile, Oz suffered an indiscretion at the feeder south of the Hedgerow. Sully's race wasn't pleasing his handler and he was picked up at 36 by the rock crossing on the far south end of the course.

Cloud cover of the morning dissipated by afternoon and temperatures were considerably warmer.

BRACE 5: CHESTERFIELD'S MOLLY (Tom Tracy) and **WOLF RIVER'S WINNING TICKET** (Al Gorrow)

The dogs were turned loose north of camp. Cash pointed at 5 with Molly backing at the feeder near the south end of the Orchard. Birds were

produced with all in order. At 23, Molly spun to a point as a bird left the feed strip along the fencerow west of the new crossing. Handler fired and took the dog on. Another bird popped at end of feed strip at 25 with Molly stopping at the flush. Cash had been out of pocket for several minutes as we approached the new crossing but reappeared on the other side and pointed at 26 east of the feeder. He was asked to relocate and re-established point at the end of the feed strip. A single quail was produced from near the area where Molly had her stop-to-flush. Both dogs made big casts as they traversed the southern end of the North Course, but required considerable handling to maintain the front. After crossing onto the South Course, Cash pointed at 51 on the west end of the Hedgerow. Birds were produced with all in order. Meanwhile, Molly disappeared and was not returned to judgment in the allotted time. Time was called at the south end of the course. Cash was found standing in the brambles at the bottom of the ditch just north of the rock crossing. Handler reported that at bird had left and fired to end the hour.

BRACE 6: DOT TRES (Scott Johnson) and **SUGG'S ROYAL PRINCESS** (Tom Tracy)

Breakaway occurred about 3:00 east of the rock crossing on the south end of the South Course, heading east. At 1, both dogs spun to a stop along the edge of the feed strip on the south end of the field. Tressy then moved on while Princess remained on point. Tommy dismounted and found a pile of quail feathers so elected to continue on. Princess pointed with Tressy backing at 12 by the hedge tree north of the Hedgerow. Tommy asked Princess to relocate; Scott collared Tressy out and went ahead. During the relocation attempt, two birds popped from the end of the draw just up from the spot of the initial point. Neither dog was putting down a race expected for a Championship stake, so both handlers elected to pick up at 20 as we crossed the road.

BRACE 7: SNIKSOH SALLY (Bog Burchett) and **GIT-R-DUN** (Bruce Heiter)

The dogs were released north of camp. At 5, Sally was seen stopped on the south side of the fence near the Orchard feeder but moved on just as point was called for Whiz a few yards farther on. Sally immediately stopped for the back. Bruce produced a bird, with all in order and both dogs were sent on. Point was called for Sally at 22 along the west edge of heavy cover west of the new crossing. No bird was produced and the relocation effort was unsuccessful. Whiz was out of pocket since before we came through the new crossing but reappeared as we approached the west end of the feed strip, having apparently taken the old crossing and traversed the bean field. Sally had an infraction at 26 at the far west end of feed strip west of new crossing and was up. Whiz made a big move along the fence line before the west crossing and into the Orchard. He pointed at 36 at south end of Orchard. Initial flushing attempt did not produce a bird, so he was asked to relocate. The second flushing attempt was successful with all in order. Whiz required considerable effort from the handler to get him lined out and headed in the right direction after being released. He crossed the road at 50 and time was called as he reached the Hedgerow. This ended the first day of running.

Temperatures of the second morning were similar to those of the first, with only a few high-altitude clouds.

BRACE 8: BARNEY'S HI PROOF RONRICO (Chuck Schaefer) and **J&J BRANDY GIRL** (Jerry McGee)

The dogs broke away north of camp. Brandy had a find at 4 near Orchard feeder with all in order. She again pointed at 13 at end of a north-south

feed strip south of the old barn. Flushing attempt was unsuccessful. Relocation effort resulted in a bird put to flight and a hearty chase by this young dog. Rico continued around the course alone at moderate range. He was seen by the gallery on the south end of the Orchard, then disappeared. He was found buried on point in feed strip south of Orchard at 30. Bird was produced with all in order. Rico crossed the road at 42 and finished his hour past the rock crossing on the south end of the South Course.

BRACE 9: DIAMOND HILL DANGEROUS MAN (Lisa Pollock) and **GEORGIA'S TEXAS TWO STEP** (Tom Tracy)

Break away was from Jimmy's House headed north. Trace had a find at 7 near Hedgerow feeder with all in order. He pointed again at 9 in the tall grass north of the Hedgerow, but the initial flushing attempt and subsequent relocation effort were unsuccessful. The dogs crossed the road to the North Course at 19. Georgia had a stop-to-flush at 19 just past the road crossing. Georgia pointed at 22 south of the Orchard and was asked to relocate when no bird was produced. She pointed again, but still no bird was found. A second protracted relocation was also unsuccessful so she was taken on. Meanwhile, Trace had a find at 25 in the field past the finger crossing. Georgia was seen on point at 33 on the ridge at a feed strip east of the old barn site. Initial flushing attempt was unsuccessful but the relocation effort resulted in one bird being produced with all in order. Trace had a stop-to-flush at the water tank by barn site on a bird put up by his handler while trying to get the dog in the water. Georgia was credited with a stop-to-flush at 42 along fencerow west of new crossing. The dogs crossed the road onto the South Course at 55. Trace finished his hour at the keyhole. Meanwhile, scout found Georgia on point at time south of the regular All Age breakaway point. Both dogs exhibited a good race and manners on birds, with Trace requiring a bit less handling than Georgia.

BRACE 10: DIAMOND HILL SHE'S GONE (Lisa Pollock) and **LE GRAND TANK DU FAYETTE** (Al Gorrow)

This brace broke away at the keyhole headed southwest. Tank had a stop-to-flush at 10 by the gate on the south end. Meanwhile, Cleo had disappeared in heavy cover and Lisa eventually pulled the Garmin and found her standing on point near the terrace feeder south of the Hedgerow. Tank had a stop-to-flush at 20 in the field south of the Hedgerow. Another bird flushed as handler was moving up to collar the dog after the stop-to-flush; handler fired again, then the dog was taken on. Tank pointed at 21 in the Hedgerow with all in order. He crossed the road onto the North Course at 28. Al called point for Tank at 38 on the south end of Orchard, but waved it off as we approached the dog. Tank reestablished point about 30 seconds later a few yards farther east. He was asked to relocate when no bird was initially flushed. He pointed again and a bird was produced. Tank pointed at 48 east of the finger crossing but no bird was produced. Tank finished his hour at moderate range just past the new crossing.

BRACE 11: TOLKA-BELLE O KID RUSTY'S PRO (Bob Burchett) and **DIAMOND HILL DEUCES GONE WILD** (Lisa Pollock)

The first brace of Wednesday afternoon was released north of camp at 1:30. Rusty stopped at the Orchard entrance at 4. Cooter was seen standing at the south edge of field by the feeder. He moved in toward Lisa before stopping again and Bob took Rusty on. Lisa attempted to flush, then asked Cooter to relocate. He looked rather tentative on the relocation attempt and no bird was produced. Meanwhile, Rusty had a find at 11 east and south of the finger crossing. At 15, Cooter spun to a point as he ran the fencerow west of the new crossing. Rusty came in for a back. A bird was produced, but Cooter took too many steps at the flush and was

up. Rusty continued on but slowed in the heat; Bob put him in the water tank which seemed to revive him. He made a nice move along the edge of the field south of the Orchard before crossing the road at 40. Rusty pointed at 49 at east end of big pond dam but no bird was produced. Scout found Rusty on point at 54 along the south feed strip by road. One bird was produced with all in order. Time was called at the rock crossing; the dog was found on point in feed strip just past the crossing. One bird was produced with all in order.

BRACE 12. RICO'S HI PROOF BOOTLEGGER (Bob Burchett) and **GLADE RUN NUTMEG** (Tom Tracy)

The dogs broke away at Jimmy's House headed north. Both dogs made nice opening casts. Mason took the line of the first finger and pointed at 3 by the feeder southwest of the Hedgerow. Bob asked Mason to relocate after the initial flushing attempt. Mason moved a few yards and reestablished point. Handler was able to flush a single quail. A shot was fired and the dog taken on. Point was again called for Mason at 7 along the Hedgerow near the Keyhole. A small covey of birds was produced with all in order. The dogs crossed over to the North Course at 14. Meg pointed in heavy cover at 21 on the east side of the Orchard in heavy cedars. Tommy flushed a bird, fired, and went on to catch the front. Meg scored another find at 26 at the feeder near the finger crossing. She was on point with Mason in heavy cover nearby. Tommy produced a bird and fired. Mason reappeared from the weeds after bird had left and Meg had been collared. Mason pointed at 43 along the west edge of Orchard in goldenrod and sunflowers. Bird flushed as handler approached. Shot fired and dog taken on. The dogs crossed back over the road onto the South Course at 51. At 58, Mason pointed at the finger feeder southwest of the Hedgerow. Meg came in for the back. Birds were produced with both dogs exhibiting excellent manners throughout. The hour ended as they approached the rock crossing.

BRACE 13: GLADE RUN IRISH (Tom Tracy) and **UPLAND ACRES OVERLAND XPRESS** (Bob Burchett)

The dogs broke away on east side of rock crossing near Jimmy's House heading east. Irish pointed at 1 along edge of first ditch past crossing. No bird produced initially after relocation. Dog moved about 75 yards down the line as handler remounted, then pointed again. A bird was flushed this time with all in order. Irish pointed again another couple hundred yards farther east along feed strip. Relocation attempt was successful with all in order. A quail was ridden up by handler another couple hundred yards farther east. Irish stopped at the flush, a shot was fired and the dog taken on. At 10, Irish was seen under a pheasant, ending her bid early. Meanwhile, Zip had a find at 4 on 2 quail near gate on the south side and a covey find at 15 in a clump of dogwoods north of the Hedgerow. He pointed again at 18 in the field just north of his last find but nothing was produced. Zip's race was not pleasing his handler, and was picked up as we approached the north end of the South Course, thus ending the 2011 ABC Gun Dog Classic/Championship.

**“SQUIRREL: Keeping the Frontier Spirit Alive”
Pages 28 – 29**

Let us think first about the squirrel. Illinois, of course, was substantially forested at one time; the wooded waterways sending fingers of hardwood trees out into the prairie. These forests sheltered a great many grey and fox squirrels.

It was said that a squirrel could literally range from the Atlantic Ocean to the Mississippi River and never set foot on the ground, traveling in the treetops all the way.

Those trees provided shelter, a place to nest and rear young, and also enormous quantities of forage. Acorns, hickory nuts, walnuts, beechnuts, and tulip poplar blossoms helped to sustain the squirrel.

The nut was a convenient little package that the squirrel could move about. The bushytails paid thanks to the forests and served as their greatest allies by burying nuts. They planted countless forest trees that would spring up to take the place of older trees that were maturing and dying.

The squirrel was a consummate forester as it planted the acorns and hickory nuts. Selfishly, of course, it intended to come back and get them on a winter day, but it planted far more than it could ever retrieve. It was, at the same time, the greatest consumer of forest products in the form of acorns and nuts.

Just as the nut was a tidy package for the squirrel to gather, move, and plant, so was the squirrel itself a convenient food package for the frontiersman and the early settler. It came in a neat one pound container. It was of a size that allowed all of the product of the hunt to be consumed in a single meal so there were no problems with leftovers. And when the next day came, the hunter could simply step out into the nearest woodlot with his long rifle and secure a new day's supply of tasty squirrel.

Squirrel hunting has persisted from those long-ago frontier times to remain a popular hunting sport. Some hunters simply pick out a convenient hickory or beech tree and find a seat against its trunk to wait for the squirrels to come to them. But there is something highly elementary about stalking a squirrel. The hunter moves quietly through the forest, pausing frequently to listen for the telltale sounds of particles of the shell or hull of the nut to come pattering down to the forest floor, or to hear the swish of the boughs as the squirrel leaps from tree to tree,

and then to stalk the quarry carefully.

I suspect that stalking squirrels has helped to instill the art of the hunt into more people in Illinois than the pursuit of any other game animal. Those skills came into play when deer and turkey became huntable species.

Squirrel hunting is often carried out at a time of year when the forest is a thing of beauty, whether it is the heavy green foliage of mid- and late-summer, or the brilliant colors of autumn that are at hand; both pleasant times of the year.

I remember one year when I hunted a good deal in a wooded ravine in Jackson County that was filled with oak, hickory, tulip, poplar, and beech trees. It lay behind a sizable apple orchard.

We had permission to cross the orchard to get into the woods. I do not recall ever picking an apple from the trees, but there always were plenty of windfalls lying about on the ground; can recall taking an apple or two into the woods with me and sitting down on the first convenient log and eating that enormous red or golden delicious apple and listening for the first jump of the squirrel.

When we took to the woods after squirrels, one of the commodities that was much needed was powdered sulphur. We dusted ourselves about the ankles, wrists and belts to keep the chiggers away, and it worked well. It was an excellent chigger repellent, and without it one might return from the squirrel hunt with souvenirs in the form of chigger bites that would be with one for days. Powdered sulphur did the trick, but it also turned all the coins in one's pocket black, so that when one offered a storekeeper a black nickel for Coca Cola he might look at it twice before taking it.

Squirrel hunting is not only an exciting sport, it also produces an excellent meal. Young grey squirrel properly fried is a tasty dish; very tender and succulent, greatly superior to chicken, and probably rivaling the bullfrog in its delicacy. The fox squirrel can be another matter, however, when it comes to preparing it for the table. After they have achieved a year or two of age, they become very tough, and often only a good steaming with dumplings can make them edible.

Next month we'll look at the Rabbit: The Poor Man's Fox Hunt.

ABC Pheasant Classic/Championship

October 3-6, 2011

Union County Bird Dog Ranch, Thayer, Iowa

Reported by Lisa Pollock

The 51st running of The American Brittany Club Pheasant Classic began on October 3 at the Union County Bird Dog Ranch in Thayer, IA. This year's Champion was Joker's Jackpot, a 4-year-old male owned by Steve Ralph and handled by Jim John. The Runner-up was Rocklan's Whizzle Stop, owned and handled by Bob Burchett. The third place dog was Diamond Hill She's Gone, a six-year-old bitch owned by Paul and Lisa Pollock, handled by Lisa. Rounding out the field was HAL-JS Smarteyes-Jokers EZ Ace, owned by Hal Revoir and handled by Jim John.

The Iowa Brittany club hosted the event, which was preceded by the Iowa and Hawkeye Brittany clubs' regional field trials and the ABC Gun Dog Classic on these grounds. The warm and dry conditions present for the weeks leading up to the Classic continued throughout. Daytime temperatures in the upper 70s and low 80s made it difficult for all the afternoon braces. Quail were plentiful on the grounds after the 3 previous trials; many large coveys were found. To be named winner of this classic, the dog must have a pheasant find. Plenty of native and released pheasants were seen in almost all the braces.

No trial would be successful without its sponsors. We would like to thank Purina and Tri-Tronics for their gracious sponsorship. Workers from the Iowa and Hawkeye Brittany clubs, as well as participants all chipped in to make things run smoothly. Special thanks to Linda Thomas, with the help of Darlene Dow for volunteering the dog wagon duties!

Judges for this year's trial were Bill Roussan of Falls City, NE and Larry Loftin of Grinnell, IA. These two men gave their full attention to all the competitors. One of the judges was seen following a handler into thick "stuff" at the bottom of a deep ditch to see a pheasant. They also kept everyone amused with their quick wit and humor!

A special treat for this trial was the arrival of the ABC Pheasant Trophy, which had been missing since 1993! Partially updated, but needing some more work, it was available for pictures. Plans are to house it in the Brittany Wing of the Bird Dog Field Trial Museum following restoration.

THE RUNNING:

BRACE 1: ROUSTABOUT'S SNIKSOH SADIE (Tom Tracy) and **JOKER'S JACKPOT** (Jim John) Broke away from camp at 8 am, in bright sunny skies. Both dogs covered the ground well moving toward the orchard. Point was called for Sadie in the orchard at 5, on a quail. As Sadie broke away, we saw Jack on the hillside across the double creek crossing. Jack checked in with his handler as we came to the cut through, then was off to the front again. We saw Jack again at 19 passing the barn as point was called for Sadie in the strips before the barn. After relocation, no bird was produced. Jack wasted no time, casting to the west along the north fence line and bean field. He was gathered up by the gun dog breakaway and sent on to the south. At 23, Jack was pointed on the west side of the draw, and a pheasant was produced after relocation. As Jack was sent on, Sadie caught up. Both dogs worked through the orchard. As we headed toward camp, Jack continued his forward drive, and Sadie got into trouble with a bird on the west edge. Jack continued to eat up course, finishing to the front after a brief absence.

BRACE 2: SNIKSOH SWEET HERSHEY KISS (Jeff Hoskins) and **CAST-A-BRITT MICRO SAMMIE** (Bob Burchett) Broke from the south side by Jimmy's house. These 2 were off to the races early. A fast and furious pace

was set by these 2 dogs, until we crossed the road. Sammie was unable to be gathered, and turned right at the road crossing, not to be returned to judgment. Hershey showed herself well as we headed to the orchard, but was out of pocket as we approached the orchard. She was returned to judgment at 28, just past the double creek crossing. She handled with less effort after this point. She scored a stop to flush on a pheasant by the deer stand on the north side of the breakaway field as we headed back to camp. After crossing the road, she shortened a bit, and finished with another stop to flush at the pond at time.

BRACE 3: PAL'S REDNECK OPIE (Tracy) and **ROCKLAN'S WHIZZLE STOP** (Burchett) Broke away from the all age breakaway. Opie worked the left side, and Whiz the right. They met at the keyhole and shot forward. Whiz was pulled from the left side and sent forward. Opie disappeared, and the tracker was called for at 19. At 13, Whiz was found standing in the church corner. After relocation, nothing was produced. Whiz covered the ground well back to the keyhole and disappeared after he went over the hill toward the pond west of the breakaway. After a long absence, Whiz was gathered and crossed the road. He continued to hunt forward and locked on point just before the orchard. Bob rode up and flushed a nice cockbird. After the orchard and double creek crossing, Whiz raced up the left side of the hill toward the barn. With 5 minutes to go, Whiz was once again out of pocket. At time, Whiz was found standing in the cedars, the last place he had been seen. A small covey of quail was produced, all in order.

BRACE 4: BOUDREAUX'S POKI JJ JOHNSON (Darlene Dow) and **HAL-JS SMARTEYES-JOKER EZ ACE** (John) Broke from camp after lunch. Both dogs made their way forward to the orchard, where JJ was leashed for inappropriate bird contact. Ace made his way through the orchard, double creek crossing, and headed up the hill toward the barn. Point was called at 13 before the feed strips. A cockbird was produced, all in order. As we headed toward the barn and new crossing, Ace dug into the high cover. Jim watered him at the gun dog breakaway and sent him on to work the west side. He hunted hard the whole way back toward camp, sometimes digging in a little too hard. Jim again stopped for water as we got to camp. We crossed the road at 45, and Ace took the left side of the all age breakaway. He had a brief absence before the keyhole, but was returned to judgment at the pond as time was called.

BRACE 5: UNCLE KRACKER (Tracy) and **SHADY WAY RED TAIL HAWK** (John) Broke from the double gate on the south side. Both dogs showed good ground speed and race as they rimmed all the feed strips on the south side. The race continued as we headed for the keyhole. At 9, Kracker had a stop to flush on the west end of the keyhole. Both dogs crossed the road at 18, and were gathered and sent on from camp. Beau headed to the west side as we approached the orchard. Kracker had a quail find at 23 in the orchard. Kracker showed well as we worked toward the barn. After hunting the barn area, he was cast along the north edge of the course. He took the old crossing and showed to the front by the gun dog breakaway. Beau was still missing at 37 and Jim pulled the tracker. Kracker cast himself along the west edge and showed well at the grassy crossing. He established point on that edge at 45, but after relocation, nothing was found. At 51, Kracker has another quail find in the orchard.

Kracker raced back toward camp, was gathered and taken to the road crossing. He finished going away from the all age breakaway.

BRACE 6: GEORGIA'S TEXAS TWO STEP (Tracy) and **WOLF RIVER'S WINNING TICKET** (Al Gorrow) These 2 broke from the all age breakaway and were on a bird-finding mission. At 6, Cash had a stop to flush with a single quail on the left edge before the keyhole. Meanwhile, Georgia was at the keyhole with her own stop to flush. At 7 Cash had a quail find on the west end of the keyhole, while Georgia had a quail find just below the terrace. Georgia had another stop to flush on a small covey of quail at 9. Both dogs rimmed the feed strips on the south edge as we approached the church corner. At 17, Georgia had another quail find, with Cash backing. At 24, the dogs shared a find as they worked back toward the keyhole. Tommy gathered Georgia after the find and shot her past the keyhole, heading back toward the road crossing. Cash scored another quail find at 27 in the keyhole, and a stop to flush on a pheasant at 30 by the pond. Both dogs across the road, and Georgia dug in on the right side. At 35 she was seen under a pheasant. Cash continued on to the orchard and had another quail find at 40. He seemed to shorten after that. At 49, he scored a pheasant find in the strips before the barn. After the barn at 53, he had another quail find. He finished at a moderate range in the bean field on the north side of the barbwire.

TUESDAY MORNING

BRACE 7: JJ'S TASMANIAN DEVIL (Tillson) and **RU-JEMS'S A TOUCH OF BOURBON** (McGee) Broke from camp, Taz reached to the far west side and came around to Ed by the orchard, his swift ground speed and roan coloring making it difficult to follow him. Chug worked steadily to the front, and to the orchard. On the northeast corner, Taz got hung up as he hunted all the feed strips. After the new cut as we turned south, Chug had a pheasant find at 22. Chug scored a quail find at 30 as we came to the top of the orchard. Both dogs broke from the orchard. Taz took to the east side and was seen on the far edge. As we prepared to cross the road, Chug had a pheasant find at 38 in the strips just before the road, while Taz cast himself out to the east corner. At 43, Chug headed out to the keyhole, we viewed a cockbird in the air. As we came over the hill, Chug was seen standing. Both dogs met up again at the keyhole. At 52, Chug had another quail find in the draw leading down to the church corner, as Taz rimmed the church corner field. Taz flew up the feed strip into the next draw with the same ground speed he started with. He finished to the front after the rock crossing. At 54, Chug had another quail find as he caught up.

BRACE 8: STARLIGHT'S BLAZING SIRIUS (Tom Thomas) and **TJ's Prairie Blizzard** (Tillson) Broke from Jimmy's house. Sy took the left edge, Blizzard the right. Both dogs seen clearing the first terrace. Sy had a stop to flush at the west end of the keyhole at 9, and Blizzard was gathered from the south side of the keyhole as we headed back toward camp. Both dogs made big casts for the handlers and were gathered to cross the road at 13. More big moves seen by both dogs as we headed north out of camp. Both gathered in the orchard and sent on. After the double creek crossing, Sy was seen heading north on the left side feed strip. Blizzard was pointed out heading into the northeast corner. Blizzard was never returned to

judgment, and tracker was called for by the gun dog breakaway. Sy continued to show well. He took the north edge after the barn and worked the feed strip after the new cut. After the creek crossing, he worked the right edge in the orchard and had a quail find. He worked the west edge as we headed back for camp, and took some time to be gathered as we crossed the road. He broke strong from the all age breakaway and was seen heading to the west side of the keyhole as time was called.

BRACE 9: DIAMOND HILL SHE'S GONE (Lisa Pollock) and **BBB'S GREAT NORTHERN LIGHTS** (Burchett) Broke from the keyhole, heading counterclockwise. Both dogs hunted to the front. After the rock crossing, Cleo took some time to come out of the bottom, but then showed going forward along the feed strips. As she caught the front, she hit point at 9 in a ragweed strip, a pheasant produced. As both dogs ran for the church corner draw, Cleo had a stop to flush and Lashes was leashed. After water

at the keyhole, Cleo worked the right edge and was gathered to cross the road. Before the road crossing, she went to the right edge and had another pheasant find at 23. After the road crossing, she showed well heading north from camp. She was gathered at the orchard and sent through the double creek crossing. Cast off on the right edge, she showed going toward the barn on the west side feed strips. She checked the strips before the barn, was watered and rimmed the north side before the new crossing. At 46, she was found standing in the beans after the new crossing. A pheasant was produced. Watered again at the gun dog breakaway, she was sent ahead, meeting her handler by the grassy crossing at 56 with a stop to flush on quail. As she was cut loose to head to the creek crossing, she ran to the edge and pointed again. After a flushing attempt in the deep ditch, handler elected to move on. Cleo finished the hour going away in the orchard.

BRACE 10: MAXWELL'S BLEW BY YOU II (John) and **AUGUSTUS OF TIGER** (Tracy) Broke away from the all age breakaway after lunch. Chuck broke wide to the right, seen as he went around the west side of the keyhole. Gus worked steadily to the keyhole and was sent forward. Point was called for Gus on the terrace, but turned out to be non productive. Gus was sent to the church corner and while he made that cast, Chuck showed to the west side of the pond and was sent on. Both dogs now on course, we headed back to the road crossing. Across the road, Gus had a stop to flush on quail in the orchard. We were to the barn at 46, with Gus pressing hard forward and Chuck gone missing again. At 56, Gus was gathered at the gun dog breakaway and sent to the south. After the creek crossing, Gus was sent to the orchard as the brace finished.

BRACE 11: EIRE'S FIREBALL MEGGIE (Burchett) and **CEDAR VALLEY ASYA** (Tracy) At 4, Asya had a stop to flush on the left side of the keyhole. Moving counterclockwise past the keyhole, both dogs covered the edges of the field heading for the rock crossing. At 10, point was called for Meggie on the right side past the rock crossing. She released herself after the shot and was leashed. Asya made some large casts as we headed back to the keyhole, and was across the road at 25. We were in the orchard at 35, where Asya dug in by the double creek crossing. She was watered at the barn and sent on. Asya finished the hour at a good pace with no birdwork.

BRACE 12: EARLY TIMES (Tracy) and **KINWASHKLY DAKOTA MOLESTER** (John) Broke from the all age breakaway. Earl disappeared to the west before the keyhole, and came around before the rock crossing. Lester made a beeline for the south side and began hunting all the ditches. At 22, Lester went on point, and Earl backed as Tommy rejoined the front. Lester was relocated, and Earl was sent on. No bird was produced for Lester after numerous relocation attempts. Earl had a pheasant find at 23 along the south road by the double gate. After the find, Earl was sent on to the church corner. Lester had a quail find on the feed strips as he caught up. As Earl came around from the church corner he was taken out by a cockbird that flushed wild. Lester was sent on to the keyhole, but got hung up in the cedars on the east side. Jimmy opted to pick him up after his absence.

WEDNESDAY MORNING

BRACE 13: BRITTMONT THE HAWK (Gorror) and **J&J BRANDY GIRL** (McGee) Broke from camp Wednesday morning. At the breakaway, Hawk took off to the right and was never returned to judgment. Girl made her way to the orchard. She scored her first pheasant find as we made our way around the gun dog breakaway at 29. After the creek crossing and heading back toward camp, Girl hunted the cover hard. She was rewarded with another pheasant find at 42 before the road crossing. Across the road, she had a stop to flush at 57 along the south edge. Girl went on point again just before the rock crossing. After several relocation attempts, she was sent on as time was called.

BRACE 14: JACKS TEQUILA JAKE (John) and **KINWASHKLY FAT BASTARD** (Tracy) Broke from Jimmy's house. Jake headed forward on the right hand ditch, while Fatz rimmed the left side and showed going away on the center draw. Both dogs were gathered by the keyhole and sent for the road crossing. Fatz was seen on the west edge and Jake had a stop to flush on a pheasant at 8 on the right side. Jake had a second stop to flush at 12 before the road crossing. Both dogs across the road and cast well toward the orchard. Fatz appeared to be missing through the orchard, but was seen on the hill across the double creek crossing. As we headed toward the barn, both dogs cast to the northeast corner feed strips. At 28, Fatz had a stop to flush on quail by the barn. After the new cut, Fatz

established point, and was non productive after relocation. Jake had some trouble being gathered by the gun dog breakaway. Both dogs across the creek, Fatz had a quail find in the orchard. At 58, Jake had a non productive along the cedar edge across the road. Fatz was sent on to finish the hour near the all age breakaway.

BRACE 15: KD'S SLIP AND SLIDE (Tillson) and **JAY HAWK'S GEORGIA GIRL** (Tracy) Broke from the all age breakaway. Splash had a mishap with a pheasant shortly after breakaway and was leashed. Point was called for Gigi on the left side after the rock crossing, non-productive after a relocation attempt. At 16, while rimming the church corner, scout found Gigi standing, a covey of quail produced. As we headed for the road crossing, Gigi went missing, but was seen as she came out of the backside of the pond. Gigi was gathered and sent across the road.

Across the road, she hunted the field from camp to the orchard. Across the double creek crossing, she took the right edge and was seen coming up the right side after the cut through. She established point, and after an extensive relocation, following her down into the deep ditch, a pheasant was seen. Gigi finished the hour at a moderate pace with no other bird contact.

BRACE 16: TM'S TENNESSEE TWISTER (Pollock) and **TJ'S THUNDER** (John) Broke from the all age breakaway. Both dogs showed well through the keyhole. Both dogs chose to head right, when the course was going left. Point was called for Sway by the feeder below the terrace. Thunder came in for a back, and was moved on as Sway was relocated. Sway was sent on after no bird was produced. Both dogs were together again by the pond. Thunder was sent to the church corner, and Sway decided to hunt the cover below the pond. She had a stop to flush and handler opted to leash her. Meanwhile, Thunder moved on from the church corner and worked the feed strips along the south edge. At 18, Thunder had a stop to flush along the feed strips. Thunder finished the hour by the gun dog breakaway with no other bird work. The heat and strong winds seemed to shorten his race.

BRACE 17: AUGUST RUSH (Tracy) and **BRETON'S MYEVER SOL CORBIN** (John) Broke from the gun dog breakaway. Both dogs had somewhat of an erratic pattern, but started to put things together before the road crossing. Once across the road, a divided find turned into a disaster for both dogs.

BRACE 18: CEDAR VALLEY BANDIT (Tracy) and **LE GRAND TANK DU FAYETTE** (Gorror) We broke this brace halfway to the keyhole. After the keyhole, Bandit was found standing on the draw west of the keyhole. After a few relocation attempts, Tommy opted to pick the dog up. Tank covered the course at a short range. He had a bad stop to flush as we headed back toward the all age breakaway on the right side, and the afternoon ended early.

THURSDAY MORNING

BRACE 19: ROCKLAN'S MISTY ALLIE-T-BEAR (Burchett) and **BRISCO'S MISTER STUB** (Gorror) Allie ran a smoking race from the breakaway, through the orchard. Stub was seen in the area of a pheasant that flushed before the orchard, but was not seen under it. In the orchard, Stub had an aggressive mark on a quail find and was leashed. Allie continued to

eat up ground. As we approached the barn, she was spotted running in the northeast corner, across the fence. Bob gathered her and took her forward. She had a stop to flush before the barn. After the new crossing, she made the turn at the gun dog breakaway effortlessly, as she headed south on the west edge. As she came around the corner, she had a bad stop to flush on a covey of quail and was leashed.

BRACE 20: MR. MAGIC II (John) and **THE CRASH SCENE** (Tracy) Broke from the gun dog breakaway. Both dogs got off to an erratic start. As we headed for the road crossing, Magic had some difficulty understanding his handler and ran off toward camp. Crash crossed the road and at 16 went on point on the left edge after the all age breakaway. After relocation attempts, Tommy reported seeing a bird, chased and fired. No bird was seen under judicial review. Crash continued on course, making big casts in some areas, and handled at a shorter range in others. He had no further bird work.

BRACE 21: RU-JEM'S FISTFUL OF DOLLARS (McGee) and **JAGOUB'S BUZZ'N BAYOU** (Tracy) Broke away from the old barn. Dollar took some time to be gathered from the north edge and as we caught up from the new cut, a shot was fired from the front for Skeeter on a pheasant. Dollar took some time to be gathered at the gun dog breakaway, but both dogs were together again through the orchard. At 14, point was called for Dollar as we turned right out of the orchard. A pheasant was produced. At 17, Skeeter had a pheasant find on the left side of the center ditch leading back toward camp. As we approached the road crossing, both dogs were on the left. Skeeter stayed on his edge and cast out to the far east corner. Dollar was gathered and sent across the road. Skeeter finished his cast a few minutes later, making his own road crossing. At 28, Skeeter had a stop to flush on a pheasant as he caught the front from the all age breakaway. At 31, Dollar had a non productive on the keyhole, and at 34, he had a quail find on the draw below the keyhole. Skeeter continued to find more pheasants; he had a stop to flush at 32 along the left side before the road crossing. Point was called for Skeeter again at 36, just before the road crossing, Dollar came in for a back. Flushing attempts were non productive and both were sent on. Dollar swung wide left after the rock crossing and at 42, Skeeter had another pheasant find below the pond. As Skeeter headed to the church corner, Dollar was seen standing on the

dam at 45. At 48, Jerry gave up on relocation attempts, while Skeeter hit point along the right edge before the keyhole. Quail flushed for Skeeter. As Skeeter was released, more quail flushed and Skeeter was seen under them. Dollar finished the hour at the keyhole.

BRACE 22: UGH STUMBLIN' FROM THE SHADOW (Tillson) and **DIAMOND HILL DEUCES GONE WILD** (Pollock) These two broke from camp and showed well to the orchard. After the double creek crossing, the pace slowed as both dogs hunted in the thicker cover. Both dogs were leashed by their handlers as we came back toward camp.

BRACE 23: BROADWAY JOE VI (Tracy) Joe ran by himself and broke from the all age breakaway. He got off to a quick start and was seen going away from the west side of the keyhole. Joe was reined in by the west side of the pond and put back on course. At 16, he was sent to work the south side feed strips, where he had a find on a covey of quail. After he was released, Joe was not pleasing his handler and was leashed.

Rear End Awareness Training

By Carla Simon

What do most dog sports have in common? Improving the dog's rear end awareness will improve its performance.

Most dogs don't realize they have a rear end, or how to use it. Brittanys tend to lead with their nose, and without thinking, their rear follows along. But flinging its nose over a jump isn't as efficient as powering up with the rear, followed by a balanced landing on the front.

Why Bother?

Dogs can learn how to use their rear end effectively, to gait and jump better, with less risk of injuries in the long-run. In obedience, heeling well means the dog's rear must move parallel with its handler instead of swinging its rear out to the side. Rally includes heeling backwards as an exercise. Conformation free stacking benefits from the dog's understanding of placing its rear feet squarely. And in agility, performing the dogwalk (a plank several feet up from the ground) is supported by rear end awareness.

Cavaletti

For years, horses have been trained using cavaletti. Cavaletti are essentially low jumps. You can make some yourself at home by crushing 2 soda cans and putting a broom handle in between them. Tree trunks also serve. Set up a few cavaletti, and move with your dog so he places his front and rear feet separately and deliberately. Puppies should stick to elbow height or lower. As the pup ages, gradually increase the difficulty by putting the cavaletti at higher heights and varying angles.

Stand in a Box

You can also teach your puppy to stand in progressively smaller boxes. Start in a distraction free environment such as your kitchen, with only a large box. Initially, say yes and reward when the puppy puts one foot in the box. Next, up your criteria and only reward when 2 feet are in the box. Gradually increase to 4 feet in the box. When this is easy, you can gradually make the box smaller, and add distractions. When progressing, put the smaller box inside the old one, to help convey the idea clearly.

Backing Up

I like to start teaching puppies to back up in my hallway. Start standing toe to toe. Step towards your dog, or just wait. Notice when the pup moves one of its rear feet backwards. Say yes and reward. Place the reward between the dog's front feet, towards its chest. This tends to get the dog to back up further, with its weight shifted to the rear quarters. This is a difficult skill and may take a long time to develop confidence. Increase difficulty by waiting for 2 steps backwards before rewarding. Over time, name the behaviour e.g. "back". If you've been walking into your dog to get him to back up, gradually fade your body movement and use the verbal command alone.

If your dog is having trouble, put a coffee table in the hallway to make a smaller chute for the dog to back up in, rather than spinning away from you. Go slower and reward 1 step backwards, until the dog is confident to move on.

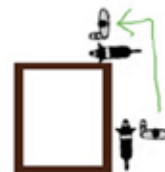

For dogs that find this easy, picture running backwards. Open the door at the end of the hall. Set up toe to toe and ask your dog to backup through the door, and throw a jackpot reward between its front legs. Over time, progress by starting further away from the door, so the dog will run back a few steps then through the door. Eventually your dog will back up swiftly and confidently on command.

Ladder

Move with the dog so it slowly walks through a ladder placed on the ground. He'll need to move his front legs and rear legs separately. If you're having trouble, put the ladder against a wall (still resting on the ground), so the dog is more likely to stay within its rungs. Increase the number of steps required in the ladder before you say yes and reward. In our classes, we start with a PVC ladder on the floor, and gradually raise it up a few inches.

Heeling Around an X-pen

For dogs that are already heeling, set up an xpen in the shape of a rectangle. Heel with your dog in the "inside" lane, closest to the xpen. When you go around the corner, don't step on your dog. You need to step past the corner so his lane is clear. Say yes and reward when the dog moves its rear into heel position, parallel to your new path. Gradually remove the xpen and look for the dog to move its rear into heel position to produce square corners.

Perchwork

This exercise is a good way to start teaching puppies, since it's so concrete. Use an upended plant pot or stool of appropriate size for your puppy. You'll teach the dog to keep its front feet on top of the perch, while its rear moves around in a circle, in either direction. Begin by saying yes and rewarding for 1 foot placed on the perch. Gradually increase until your dog is promptly moving 360 degrees on command.

Get In

Teach the dog to move his rear into heel position while you pivot away. Put your dog on a short leash, and ask him to stand or sit in heel position. The leash is in your left hand. The reward is in your closed right hand, held against your left hip. Move your body a quarter turn away. Your left hand will encourage the dog to swing his butt in towards you, while your right hand keeps his head in proper heel position. Gradually decrease your physical cues and ask for the movement on verbal "Get In". Gradually increase the angle, until your dog can follow as you pivot 360 degrees.

Back Up Stairs

For dogs that are backing up well in other exercises, try backing up a flight of stairs.

Start with the dog's rear feet at the top of the stairs, and its front paws 1 step down. Cue your dog to back up. Say yes and reward when the dog moves its front paws up to the top stair. As always, start again if the dog turns away from you so it is following its nose back up the stairs.

To progress, your starting position moves down a step. The dog's rear is on the first step and its front is on the 2nd step. Cue your dog to back up. Reward when he backs up with his rear onto the top.

Advanced rear end awareness can be honed over years, resulting in a dog which confidently moves its rear eagerly, promptly upon command. Given that foundation in rear end awareness, you've a head start teaching your dog to gait and jump efficiently in many dog sports.

FLD CH & AMFLD CH POKI DOT, 7XCH & 2XRU CH, has passed away at the remarkable age of 17. She was a great field trial dog and the lifetime companion of Jim & Meam Floyd. We first ran her at the age of 5 months, and when I came back to the kennel, Marge wanted to know how she looked. I replied: she will be a big winner.

She had an awesome memory and remembered courses and birdy places from previous trials.

One of her most talked about placements was at the Taylor Ranch in Nebraska. We were on one of the highest hills there. Poki was flying around the bottom and hit point hard. I rode down to her and flushed a Prairie Chicken right smack in front of her. The gallery had a great view, and after the Jack Higgins write-up, it was known as Poki Dot Hill.

Poki Dot

There were so many great times with her and it was always an adrenline rush when she came to the breakaway. Poki ended her field trial career more than 30 OAA firsts. Her ground speed always got the judges attention. When we hunted her, mostly on horseback, the hunters just loved her bird finding ability.

When I retired, my son Scott took over her training and had back to back wins with her at the Pheasant and Chicken Classic a week apart. Plus many additional all age wins. She will be missed, yet always remembered.

Praise the Lord for giving all of us a super time with such a fun bird dog.

ABC New England Brittany Shooting Dog Classic/Championship

Flaherty Field Trial Area, East Windsor, CT

September 19-22, 2011

Lynda Zartaria

The New England Brittany Shooting Dog Championship was held at the Dr. John E. Flaherty Field Trial Area in East Windsor, CT on Sept 19 – 22, 2011. These grounds have been used by field trailers since the 1930's and have a rich history. The grounds are beautifully maintained by the state of Connecticut and due to some wet conditions there was plenty of water on the course. The state did a great job on the repair to the culvert leading to the tobacco barn field and just in time. The weather conditions started out ideal but heated up during the week.

Many thanks go out to Purina Pro Plan who has been a strong dedicated sponsor of our sport for many years. The sponsorship that they provide, particularly to this Championship is very much recognized and appreciated by the Championship Association and all the participants.

We were privileged to have some outstanding judges for both championships and derby classic. Mike Ernest, Sterling, CT was our returning judge and Marvin Roth came a long way from Trenton, NC. We hope to see more of Marvin at Flaherty in the future. Both were in the saddle on Monday & Tuesday for the amateur. Our open judges were Elias Richardson of Uxbridge, MA and Allen Welch from Hancock, NH who rode all day Wednesday & Thursday.

The amateur stake got off to a sunny, cool start on Monday with 18 starters. The conditions and birds proved a challenge to many dogs and handlers but there were some impressive performances. This year's champion is Hit's a Rocky Road owned by Ralph & Judy Kiracofe

ABC Amateur left to right:

Judy Kiracofe with Ellie, Marvin Roth, judge, Sebastian Ventura with Luke, Joe & Marsha Luisi with Gretchen, Ralph Kiracofe with Rocky and Mike Ernest, judge.

Derby Classic left to right:

Mike Blondin, Judge, Lisa Pollock with Gin, Sarah Conynham with Dot and Dennis Harkcom, Judge

Elias Richardson, judge, Ben Lorensen with Hank, Tom Ettinger with Bammer, Kyle Merrill with Pearl, Patti Hunt with Mike and Allen Welch, judge.

of Farmingdale, NJ and handled by Ralph. Ralph & Judy have been great supporters of the New England Brittany Championship for many years. Runner up went to Marjo's Here for the Party owned by Joe & Marsha Luisi and handled by Joe. We were happy to entice the Luisi's to our event. The other placing dogs were Diamond Hill Dancer owned & handled by Sebastian Ventura and Hit's Along for the Ride owned by Ralph & Judy Kiracofe and handled by Judy.

On Tuesday afternoon we ran the derby classic. Thanks to our judges Dennis Harkcom & Mike Blondin. First place went to Diamond Hill Work Hard Play Harder or Gin, owned by Paul & Lisa Pollock, handled by Lisa. Lisa was another new face at our championship. Runner up was Centerville's Dot owned & handled by Sarah Conynham. Both dogs had excellent bird work and runs that brought them to the top.

The open championship was run on Wednesday and Thursday with considerably higher temps. This year's winner is Piney Run Hank, owned by Rob Donohue and handled by Ben Lorensen. Runner up Savannah's Hot Shot, owned by Bob & Sheri Hudson was also handled by Ben Lorensen. Third place went to Star's Dixie Pearl owned by Mike Bennetch and handled by Kyle Merrill and fourth place One Off Mojito Mike, owned by Patti Hunt and also handled by Kyle Merrill. We had 22 starters for the open and again thanks to all the participants.

Thanks go out to many people. The judges put some long hours in the saddle and we hope we showed them some great dogs. We appreciate all their efforts. We'd like to thank all the entrants, owners & handlers. Again thanks to Purina and the Connecticut DEP and Flaherty FTA. Special thanks to Johnnie & Rita Poland who cooked our lunches and spent many hours in the saddle planting birds along with Mike Blondin and Michele Sala. Thanks to Joe Sikorski & Claire Ricci for putting on a fabulous winner's dinner. Leslie Hunt's help was invaluable this year, both picking up the

birds and helping with last minute running around and Leslie & Michele brought some great desserts. Big thanks to Bob Fleury not only for running the championship but also for the time he put into the improvements at Flaherty. I'd also like to thank my husband, Dennis Harkcom for all his help and support and for putting up with me during the events.

Nora Margaret Ganje

April 12, 1913 – August 23, 2011

By Eve Foltz

Nora Ganje a life time member since 1989. Nora loved life, and always said "She lived in the best of times". She had seen the beginning of the war and the end. She had great sense of humor about her and she was direct and to the point lady. She was a spunky lady and full of energy, she loved her family/friends, her church, and her Brittany's.

Her kindness, and personality, sincerity and knowledge of the Brittany has earned her enormous respect among the Pacific Northwest Brittany clubs. And she will be missed.

Nora and Joe owned and operated ABET radiator shop in Seattle, Washington. They had a client come in for an estimate on a new radiator. Joe' gave him the estimate and he drove off, said it was too much. But

the following Monday he was back and need the radiator, the front end was all smashed in from an accident. He and his neighbor drove up with three Brittany's in the car with them. He gave Joe the pick and Joe picked the little female. So the LOVE AFFAIR began with their first Brittany, Tike.

In February, 1963 they became member of the Washington Brittany Club.

Nora was one of the founders of the Washington Brittany Club. She received the Woman Handler of the Year Award in 1967. She promoted The Brittany in all aspects. She was a great promoter with the National Brittany Pheasant Classic in Ellensburg 1968. She worked hard in helping with all the sanction matches in order for the Washington Club to put on their first Specialty Match in 1969, Washington. She founded and was editor of the Washington Tattle Tails new letter.

She continued her love affair for the Brittany after Joe's death in 1974.

With her help and hard work in promoting the Brittany Spaniel, Washington Brittany Club membership went from 35 members to well over 100 active members.

She was past Present, and past Secretary for both the Washington Brittany Club and the North West Field Trial Counsel. She continued to show and compete in field trial until 2002.

**GRAND CANYON
Pawden, AZ**

October 8-9, 2011

By: Karen Nelsen

The Grand Canyon Club held its first hunt test the weekend of October 8-9, 2011 in Paulden, Arizona, which is about thirty miles north of Prescott. This was a "double-double" affair held in tandem with the Northern Arizona GSP Club, which "mentored" the event.

While entries were smaller than expected, participants came from near and far. We had handlers from Anchorage, Alaska, Las Vegas, Southern California, Texas, Southern Arizona, and the metropolitan Phoenix area. On Saturday, we fielded an entry of 19 dogs—two braces of Junior, three braces of Senior, and five braces of Master. Sunday drew an entry of 18 dogs—three braces of Junior, two braces of Senior, and again, five braces of Master.

We couldn't have asked for better weather. Daytime temps were in the low 70s and at night it cooled off to the low 40s. (The previous two nights, the lows dipped into the mid-30s! We thought winter had arrived!) Birds were plentiful, the gunner's were right on target, and the camaraderie was wonderful.

Lunch on Saturday was prepared by the NAGSP "head chef," Ken Clemons, who was taking a break from his conformation judging assignments. Ken had everyone drooling over his BBQ'd hamburgers, brats, grilled onions and green peppers. Dessert was a homemade cake with an icing having the slight flavor of Bailey's Irish Cream, courtesy of Sue Clemons. The GCBC returned the favor by hosting the lunch on Sunday. Jeanne Cassara cooked up some pulled pork sliders with coleslaw. To start both days, the clubs had freshly brewed coffee, danishes or donuts, fruit and juice.

We had the luxury of a huge tent, under which the secretaries were able to complete paperwork, meals were served, and people could gather for good conversation. The challenge was putting the tent up when the wind decided to blow as it does here in Northern Arizona. Members from both clubs got the job done efficiently and quickly.

On Saturday night, we had a “Pizza Party” at my home as I live only a mile from the grounds. It was an opportunity for “dog people” to get acquainted, talk dogs, and relax away from the grounds.

For all dogs who finished a title, the Club presented the owners/handlers with special “finishing” ribbons that acknowledge the new title. We were able to award four of these classy, elegant ribbons—one Master and three Juniors. (Please see the accompanying photo.)

Thanks to Chairman Jim Cassara for scheduling relief for the gunners when one or the other needed to run their dogs. Thanks to our gunners Dave Harris, Don Rice, Wayne Moore, and Walter Kolano. Thanks to Jeanne Cassara and Linda Rice for helping with the recording of scores, delivering and picking up scoresheets from the judges, and awarding the ribbons to those who qualified. Thanks to our judges—Karla Weber from California, Russ Settell, who made the drive from Kingman; and club member, Martin Maresh. Special thanks go to Melissa Thomas from El Paso, who stepped in at the last minute to replace a judge who was taken ill. Thanks to Steve and Brenda Lambach who loaned a horse to Martin, and to NAGSP member Bob Walker who let Melissa use his horse.

We appreciated AKC representative Bonnie Hildago being there, as she helped immensely with her input on how to best handle the replacement of the judge who called at 6AM Sunday morning to report that he will ill and unable to judge.

And just how did our Brits do? Here are the results:

HUDSON VALLEY
Lost Pond
Oxford, NY
September 3-4, 2011

Hudson Valley Brittany Club held its fall trial on our traditional Labor Day weekend dates. We ran 9 stakes in 2 days with all of the adult stakes being qualifying stakes. We changed the format of our gun dog stakes to include an amateur and open walking and also one of each of horseback. Folks seemed to like the format and we will do that again in the spring. We were very pleased that we only lost 2 entries due to Hurricane Irene. Several folks were still without power so I guess they figured they might as well come and enjoy the trial. We certainly appreciate their dedication to our trial and the sport.

Weather on this weekend is always unpredictable and we weren't disappointed. It was VERY HOT on Saturday. The fall fog delayed the start on Sunday. Fortunately the last braces of both gun dog stakes finished up on Sunday before the monsoon of a rain landed on us. There was a great panel of judges who gave careful concentration to the dogs. Some of our shorthair friends ran their dogs and also obligingly judged some stakes. Competition was strong and to win was a nice feat. 3 dogs finished their championships at the trial—new AFC Hit's Showtime "Brandy", owned by Joanne & John Perry won the Amateur Limited Gun Dog Stake. New FC—Mr. P's D Evil Dog of Coos, "Devil" owned by John and Rita Poland won Amateur Gun Dog and new FC—sharing the wealth was GSP Heidi Von Grief "Heidi" owned by Dr. William Orlando won the Open Limited Gun Dog. Congratulations to all the winning and placing dogs!

John Kozlowski was instrumental in bird planting and road guarding the "big side" for two straight days. Linda and Drew Holcomb cooked all day and prepared most of the happy hour food. When necessary, Linda filled in with bird planting and line marshaling. Ed Kostka our chair could be found doing just about everything from starting the generator at 6 am so coffee could be ready, bird planting, dog wagon. You name it! Stan Rozowski has been supplying and delivering the birds for our trial and they are always great fliers. Les Casselberry also helped out with bird planting on the walking course,

which surprisingly after Irene was drier than normal.

Happy hour was enjoyed by all on the deck and cold adult beverages were welcome after such a hot day. Please consider joining us in the spring to see what you missed! Happy Trialing

WESTERN MICHIGAN Ionia Recreation Area Ionia, MI September 3-4, 2011

The weekend greeted us with brutally hot temperatures in the upper 90s. The heat took its toll on the dogs and the participants. On Saturday evening it started to cool down and we had temperatures in the mid-60s for Sunday's running. Everyone enjoyed the milder weather and some even sported sweatshirts and coats.

On Saturday evening our caterer Kurt Pitsch provided us a lovely meal of barbeque chicken and other goodies. Gary and Diana Kubitz provided a cake and Champaign to celebrate Dick and Kathryn Lipski's new show champion: CH Anchor's Renegade Still 'N Suspense. Buddie finished his title by winning winner's dog at the summer specialty in July and is now learning to be a "broke" dog so he can finish his dual title. He has puppy and derby points in both open and amateur stakes and won the Michigan Brittany Derby Classic in April of this year.

On behalf of our brand new Field Trial Chairman, Steve Vernon and me, we'd like to thank all the participants for supporting our trial. A huge pat on the back for Steve for taking on this job and owning it! A BIG thank you goes to club members who worked as a team to insure a successful trial. Last, but certainly not least, we'd like to thank our wrangler Will Langley. Will has great horses and great tack, which helps insure the safety of our judges and participants who rent horses. You'll see Will at the gun dog nationals in October in Ionia and in November in Booneville.

September 17-18, 2011

The Michigan Saginaw Valley Brittany Club held its fall trial on September 17 & 18, 2011. We had a gorgeous weekend.

We appreciate everyone who participated in our trial. Though our numbers were few, we still had a very enjoyable trial.

Thank you to our judges who generously donated their time and attention. Thank you to Will and Kathy Langley for their help in judging, supplying horses, and all the work they do on the grounds.

MSVBC is a small club but we have great members. We appreciate all the help with bird planting, dog wagon drivers, the awesome lunches, the pancake breakfast & clean up.

Congratulations to our winners, and they are as follows:

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity

to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
