The American Brittany

VOLUME LXVIII • NUMBER 9 • SEPTEMBER 2016

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Farewell Tribute

By James Bryson

2015 was a special year for Meg. She completed her PACH and six other agility titles and qualified for the AKC Invitational as the top PACH Brittany in the country. She was the top Brittany in two of the Power 10 height categories for the fastest Brittany in 2014 and 2015. She did all of this, while she competed just one day in each weekend trial. Meg qualified for AKC Nationals for the last five years and also qualified for the USDAA Nationals three years in a row.

Meg (MACH-PACH Faison's One Moment in Thyme CD, RA, JH, MXS, MJS, MJP3, MXP3, MXJP4, MXJPB, PAX< XF, XFP, T2BP) is also known to her close friends and family as Nutmeg. Meg's 2015 Year in agility was even more notable when you consider how far she has come since her first agility trials when many people described her as the wildest dog they had ever seen. As an adolescent she was kicked out of daycare --- twice --- for being too rambunctious (my description, not the daycare owner's).

This is my tribute to Meg. Meg is my-once-in-a-lifetime dog (though I have had three wonder girls). What seemed a detriment when she started, became a priceless asset as we grew as a team. She has a lot of drive and a great deal of speed. She used both to become a wonderful agility dog, but the one thing that stood out was her heart. Every time we went to the start line I knew Meg would give her maximum effort on the course. Each class or seminar we attended I knew I would get everything she had. Meg loves to run and God knows how I love to run with her. The connection we have is what makes it so special; it is surreal when we run together because we are running as one.

It has been a wonderful 11 years of training and showing in agility. Meg has made it possible to accomplish everything I could ever want in agility. What I had not expected was the depth of love that developed for Meg and the respect I have for her. Our agility careers ended on December 12, 2015 on the floor of the Orlando, Florida Convention Center at AKC Invitational. I guess it is best said by paraphrasing General MacArthur's farewell speech to the Congress -- Old soldiers (and old agility people) don't die, they just fade away. Thank you to all of the wonderful Brittany people we have met on our journey. Our journey together will continue in Nosework. Thanks to Carla for giving us a direction.

Jim and Meg, American Brittany PACH Dog of the Year 2015

Specialty Shows

TIDEWATER Hampton, VA May 28, 2016

After one of the wettest Mays on record, the sun finally came out for the Tidewater Specialty. Held in conjunction with the Langley Kennel Club, our specialty gets free grooming space for all the Brittany exhibitors as well as other amenities such as free parking, and the opportunity to have reduced cost health testing done at the show.

Laura Gregory Scott judged our sweepstakes. For those who have been around for a long time, Laura and her parents Walter "Hoagie" and Diane Scott were long time members of the Tidewater Club and had much success with their show and field Brittanys. Laura found Tail'z End Turbo Power From Dual Lane's as her Best in Sweepstakes, and RJA Spring Hill's At-Last as her best of opposite sex in sweeps.

Carl Liepmann not only handled judging our specialty, but also was giving guidance to an up and coming apprentice judge during the specialty. Mr. Liepmann awarded the 5 pt majors to Tail'z End Turbo Power From Dual Lane as Winners Dog/ Best of Winners and Hybrittin's Fifth Element as Winners Bitch. Reserve Winners Dog was Wild Mtn N Labyrinth Golden Prarie Dancer, and Reserve Winners Bitch was Keili's Goldstar Kir Royale, BN, RA, JH, OA, OAJ. SGCH. Labyrinth N Illusion Slippery When Wet, JH was Best of Breed and Best of Breed Owner Handled from the Hunting Dog class, and CH Sigbrit's See No Evil was awarded Best of Opposite Sex. Slick later went on to garner a Sporting Group 4 to the delight of his fans.

The Tidewater Brittany Club hopes that you can come join us next year for 4 days of great shows.

CENTRAL MAINE

Cumberland Fairgrounds

Cumberland, ME

June 25, 2016

The 2016 Central Maine Brittany Club Designated Specialty Show was held at the fairgrounds in Cumberland, Maine. As part of Maine's Chicadee Classic 4-day cluster, our Brittany entries remained consistent with majors every single day. The weather was picture perfect on Saturday with the temperatures in the low 80s and some humidity. An occasional ocean breeze helped keep things comfortable.

Our host club is the Penobscott Valley Kennel Club and once again this all breed club provided us with a spacious hospitality area, parking near the ring, reserved grooming and free electricity under the show tent across from our ring. CMBC offered coffee, fruit and breakfast pastries in the morning and later members served a full sandwich buffet luncheon following

Best of Breed. Donations of fruit, desserts and salads completed the buffet. Complimentary ice cold bottled water was available upon request to exhibitors and members.

Each year CMBC holds a raffle to help defray show expenses. Cabelas, Gun Dog Supply, Maine Pet Life, Human Nature of Maine, Blue Seal Feeds, Doggie Safe N Dry, Pyramid Studios, and Maine Nature Artist, other Maine companies, CMBC members and friends all provided support for a successful 2016 raffle.

Anyone who has ever been responsible for putting an event together knows it takes a lot of help to make it happen. 2016 is my 8th year as Vice President of Shows and coordinating the annual CMBC Designated Specialty and Suported Entry shows. Almost as soon as the current show ends I begin working on the following year. In the fall, as show contracts are signed and applications filed I reach out regarding monetary donations which will offset the cost of awards, trophies, rosettes thus assuring CMBC will meet the deadline for submitting a full trophy list as required by AKC in plenty of time. Show dates are announced to members many months in advance. As the new year begins I contact companies and businesses who previously have supported us to see if they would be willing to help out companies and businesses who previously have supported us to see if they would be willing to help out again. When spring arrives it is time to start soliciting help for specific help and tasks at the show itself and includes food donations, prior to the start of the show setting up tent, tables ad chairs, oversight of the hospitality at the show and the raffle table ad more. Work and planning are both ongoing behind the scenes for months before the show. As the actual show begins the results are clearly seen as members and friends come together as a team to give feet to all these plans start to finish, right down to when the club trailer is re-loaded, packed up and ready to leave the grounds at the end of the event. Every single person who helped out in some way for this year's show is deserving of public recognition. My concern is that in doing so I would unintentionally overlook someone so collectively I will say THANK YOU to each and every person who contributed to the success of this year's show. Your assistance and support is highly valued and appreciated and I do not take it for granted. I will give a well deserved shout out to President John Short for overseeing every detail regarding the complete physical set-up and take-down of all the tents, tables, and chairs and those who come alongside to help him as needed. Thank you to my entire show committee.

We had the pleasure of having Ms. Reva Dickson as our Sweepstakes judge. She was presented with a total entry of nine Brittany's. Her choice for Best in Sweeps was Triumphant Straight Up @ Blackdiamond and Best Opposite Sex in Sweeps was Birch Spring LH Thunder Chief JH. For Best Veteran in Sweeps Reva selected GCH Millette's Sweet Memories BN JH AX AXJ NF NAP NNP CGC.

Our judge for regular classes was Mr. Houston Clark who was presented with a beautiful and impressive entry of 28 Brittany's. Winners Dog went to Top Shelf's The Chosen One JH

NA NAJ NF. "Harry" also went on to win Best of Winners, Best Opposite Sex (to his mother) and finished his AKC Championship title.

For Mr. Clark's Winners Bitch he chose "Summer", Flashfire's Summer Breeze. A story worth noting is that two weeks before the CMBC Specialty, Summer accidentally escaped through the gate at her owner's house She was hit by a vehicle and immediately bolted away. Fortunately, and after a search and rescue team of the Brittany community, neighbors and friends she was found 26 hours later, after having spent the night in the woods. When she was found she was sore, hungry and tired but fortunately Summer fully recovered and went on to finish her championship at the Specialty, just two weeks later.

The Best Bred-By-Exhibitor competition was won by J&A's Heart Of Jeumas JH with his co-owner/co-breeder/handler Julie Harris taking hm on to win a BBBE Group 2.

Mr. Houston Clark awarded the honor of Best of Breed at the CMBC Specialty to GCH Millette's Sweet Memories BN JH AX AXJ NF NAP NJP CGC and in fact it was solely hers for all four days of the Maine Chickadee Classic. As far as breed pride goes it's always exciting to see the Best of Breed Brittany go on to earn a Group Placement at a Designated Specialty Show. Even more so when it wins Group 1. Such was the case in Maine this year and not only that, many of us gathered ringside and watched "Team Aggie" win an impressive Reserve Best In Show!

We love the positive feedback that we have received about the CMBC Specialty Shows. We'll continue to do all we can to improve upon our own venue to bring you back to Maine! Our host clubs (Penobscot Valley Kennel Club and Lewiston-Auburn Kennel Club have plans for a lobster bake to take place in 2017. CMBC is also looking forward to a huge celebration in 2018 for our 40th anniversary. It's not too early to make plans to join us. As always thanks for everything. Take care.

Respectfully Submitted,
Ann H. Short.

WESTERN MICHIGAN
Monroe, MI
July 10, 2016

This year we tried something new for the first time. We didn't hold our March show, but moved it to July with the Ann Arbor Kennel Club in Monroe, MI. Michigan Brittany Club held their specialty on Saturday, so it gave exhibitors 2 specialties in two days, but also the opportunity to show in the Michigan Sporting Dog show on Friday.

Our weather was warm, but not as bad as predicted and we were extremely grateful. Mr. Paul Campenella was our judge for the specialty and he pronounced CH RIVERMIST BROXDEN UPLAND GAMER JH Owned by Peggy and Larry Snider of Newark, Ohio Best of Breed and shown by Lisa Arnett! Best of Opposite Sex went to GCH BIG OAKS DELTA SUNKIST BY CREDIT; Ziva is owned by Louise M Brown & Phil & Amy Booth & Elizabeth Edgerton and shown by Amy Booth. Best of Winners was RIVERMIST BROXDEN SOVEREIGN MVP. SR and is owned by Dawn & Joel Droel and Jessica Carlson of Minnesota. Select Bitch

went to OVER UNDER'S BANTAMS BAYWATCH, a new champion pending AKC confirmation, is owned by Eileen Gust from Michigan and shown by Coleen Walsh of Illinois. Our Owner/Handler Best of Breed was CH ANCHOR'S UP NEWT owned by Kathryn and Dick Lipski of Michigan.

I'd like to thank Thom Christnagel and Carlos Gust for helping me with every aspect of our show. Thanks also to Chelley and Burt McCandless and Paul Renius who helped as well. Chelly made a lemon cheesecake that was wonderful! Since my better half Gary was home babysitting our new litter of pups, I counted on these folks to help get me through the weekend, you are all the best!

We want to thank all the exhibitors that supported our specialty and hope you'll all be back next year. In 2017 the MBC and WMBC will be hosting the ABC Summer Specialty in this weekend! So mark your calendars for that weekend for next year. We already have a committee formed and chairs for the different things happening that weekend. Watch for news on the ABC website and Facebook. Laurie Walters is our trophy chairman and she will have a trophy list in the near future. We are planning an exciting 3 days of shows with 5 opportunities for majors! Michigan is lovely in July and there are all kinds of things to do around the area – most especially Cabelas!

2015 ABC Pheasant Classic/Championship

September 19-25, 2015

Left to right:

Winning handler Al Gorrow, Ed Tillson with Josey, Tom Tracy & son Raus with Lance, Bob Burchett with Little Chug, Dave Capstick with Kracker, and Judges David Downing & Charles Aspenson.

appeared in the 8th brace and made the most of his hour with a good forward race and excellent bird work.

Pushing the winners were Touch Of Bourbon Little Chug, handled by Bob Burchett for owner Tom Wonderling and Uncle Kracker, handled by Tom Tracy, Jr., for owners Bo & Renae Ackerman.

Evening activities during the week included a steak dinner hosted by the Harms family and prepared by the local Purina distributor and a pizza party hosted by Tom Tracy.

The American Brittany Club held the 2015 Pheasant Classic/Championship September 19-25, 2015. Harms Cattle Company, near Valentine, NE were our gracious hosts for the second year. Once again, attention to detail in grooming these grounds was apparent. There was an abundance of native birds throughout the three one hour courses. Our judges were Charles Aspenson of Chisago City, Minnesota and David Downing of Gatesville, Texas. Their decision was well received and we thank them for their long days in the saddle watching our dogs.

Those in attendance included professional trainers Bob & Valerie Burchett, Al Gorrow, Jim John, Ed Tillson and Tom Tracy, Jr., as well as amateurs Jim Berkowitz, Dave Capstick, Jessica Carlson, Terry Gowin, Ed & Judy Graves, Mary Karbinger, Barry Koepke, Jerry McGee, Tom & Linda Milam, Steve & Lori Ralph, Tim Self, Tommy Thomas & Ray Trimble.

Forty-eight of the finest all age brittanys in the country made the trip to the line this year. Kokomo Josey Joe, handled by Al Gorrow was named Champion. Josey is a 5-year-old white and orange male out of Blaze'n Little Chick by DC HI Proof Whizki, bred by Ken Blackman and owned by Pam Baird. This win completed his Field Championship. Josey appeared in the 13th brace and filled the country with his extreme all age range, carding one really nice pheasant find with perfect manner.

Roustabout's White Knight, handed by Tom Tracy, Jr., was named Runner Up. Lance is a 5-year-old white and orange male out of Jayhawk's Georgia Girl by Ortho Acres Booker T, bred and owned by Paul Rosevear. Lance

We thank our sponsors, Purina and Garmin/Tri-tronics. We are always grateful for their support of field trials. Also thank you Tehrani Motors for providing a dog wagon and the neighboring Churchill family for allowing us to cross parts of their ranch. And, once again, we thank the Harms family, Jim, Barb, John and Alicia for their hospitality.

Announcing the 2016

ABC National Amateur Championship Judges

Johnny Ornsby

Rita Ornsby

My passion for bird dogs dates back to my early childhood days when I was allowed to carry my bb-pellet gun along side my dad and uncles in search of the wary bobwhite quail watching in amazement of those pointing dogs perform.

Little did I know at the time that I would spend the better part of my life walking and riding a horse behind pointing dogs. However I haven't regretted any of the time spent in the field developing, running and judging class performing bird dogs.

I have past judgment on pointing dogs at trials in NBHA, Open All Age, Shooting Dog and Amateur horseback events in Arkansas, Missouri, Kentucky, Kansas and Oklahoma.

I am honored to be asked to judge the National Amateur Brittany Championship at Blue Mtn. WDA near Booneville, AR. and look forward to watching each dog's performance.

I started working dogs in the 70's, trained for ten years professionally before getting my amateur status back.

Trials I have judged include:

- Ozark Open Shooting Dog Ch, Camp Robinson
- Open Brittany Championships, Camp Robinson
- NBHA Championships, Camp Robinson
- Region 17 Amateur Shooting Dog Championship, Kansas
- Missouri Open All Age Qualifier, Grove Springs
- National Weimaraner Championship AF, Camp Robinson
- Texas Open Shooting Dog Championship, Ardmore
- Fleetwood Shooting Dog Classic, Booneville
- Arkansas Open Shooting Dog Classic, Camp Robinson

I am honored to judge the ABC National Amateur Championship along with my husband Johnny.

ABC National Championship Judges

Chris Rider

My wife Kim and I still reside in southwestern Pennsylvania. We have 3 daughters and 5 granddaughters. Field trailing has been a large part of my life and that of my family. We have spent many weekends together enjoying the sport.

Judging is something that should be taken very seriously, but more importantly, must be enjoyed. I have been honored to judge the following trials, from California to New York on all types of terrain.

These include:

- The Brittany Gun Dog National Championship in Michigan, 3 times
- The Brittany All Age National Championship in Arkansas, 3 times
- The National Free for All Championship in Alabama
- The National Futurity Run Off, 2 times
- The Michigan All Age Championship
- Vizsla Championship in California
- The Southern Open All Age Championship
- The AKC Nationals in Reno Nevada
- The Irish Setter Nationals in Arkansas
- The Irish Setter Quail Classic in Ohio
- American Field Futurities
- Many American Field Pointer & Setter Championships
- Countless weekend trials, retrieving and non-retrieving, horseback and walking.

I've served as Chairman of the Pennsylvania Brittany Club, and also served on the committee to choose judges for our National Championship.

I enjoy going to the different areas of the country and meeting new people. I am sure this will be another rewarding experience.

I look forward to the opportunity to Judge this ABC Nationals.

Chris Weatherly

Growing up along the TN/MS border in western Tennessee, I cannot remember a time when pointing dogs, quail hunting, and field trials were not a part of my life.

I grew up hunting behind my grandfather's setters and continue till this day behind my own pointers.

Through my job at the Ames Plantation I have been fortunate to intertwine this passion with my career. I'm a member of the Hobart Ames Open All-Age FTC, the Benton County (MS) Amateur FTC, the Wolf River Amateur FTC, director of the Ames Amateur FTC. I have judged Open and Amateur field trials from the northern prairies to the thickets and edge country of the south.

I am honored to be asked to judge the ABC National Championship and look forward to watching your worthy competitors and giving my honest and humble opinion.

2016 National Amateur Gun Dog Championship Judges

Howard Burbach

Howard Burbach has been associated with bird dogs for nearly all his life. He has hunted behind Spaniels and Pointers as a child, to his current level of Field Trial/Conformation Shows with German Shorthaired Pointers. Since 1989, he has finished several of his Shorthairs as Field & Show Champions and the Dual Champion/Amateur Field Champion status. He has been involved with his local club serving as Trial Secretary, Chairman, and Club President.

He has participated in and marshaled many Local, National and Species Trials. He has actively judged American Field and AKC Field Trial/Hunt Tests for several years. He has judged many national breed and species championships.

Howard draws on a dog's natural ability and prides himself on reading those abilities. He believes a Judge should be committed to watching a dog from start to finish thus evaluating the total dog. He feels it is important to keep notes and have a good dialogue with a judging partner, thus allowing every dog to compete at the same level.

He considers it an honor to judge this prestigious event and wishes the best of luck to all participants.

Mike Mullineaux

Basically I have been around bird dogs all my life. Growing up, my parents had pointers and setters, and when I turned four we got a Weimaraner. I hunted over that dog until I was 15 years old. I got out of the Air-Force in October 1977 and started field trialing my setters in American Field events. In 1978, I started work with the Philadelphia K9 Unit as a dog trainer for Schutzhund and tracking, bomb and drug detection.

On weekends, if I was not at a Schutzhund or tracking event, I went to a field trial. I watched how other handlers and trainers handled their dogs. In 1978, I bought my first AKC German Shorthair. I finished him at 2 years old in 1980. I then started to do more events and even some hunt tests

and shoot-to-retrieve. In 1988, I broke my ankle and got a medical discharge from the K9 Unit and decided to go train bird dogs full-time.

Since then I have finished 34 Master Hunters and 77 AKC Field Champions. I have won over 50 regional championships in 4 different breeds and have won the Weimaraner Nationals. I have judged over 100 AKC trials, many American Field Championships, like the Potomac Classic, The Keystone Classic, Region 1, 2, 3, 4, 5, 6, 7, 8 and 17 in many areas of the country. I have judged many AKC Championships, like

the Mid-America Weimaraner Classic in 1996; and many shorthair, red setter, vizsla, wirehair and Brittany championships, like the Champagne Classic etc.

Best of Luck to all dogs and handlers at this event!

2016 National Open Gun Dog Championship Judges

Kent Patterson

I grew up in the red clay hills of north central Mississippi with a passion for squirrel dogs. At the age of 13, I went quail hunting with a neighbor and his briar scarred pointers. With only a single barrel 20 gauge, I didn't do much damage to the 10 coveys we found that day but remember, with great detail, the splendor of those dogs finding and handling wild birds. After college, I took a job in the mountains of western North Carolina

where grouse were the only upland game of note. A friend mentioned most folks in the area hunted over Brittany's, thus began my love affair with the breed. After moving back to middle Tennessee in 1980, there has always been a Brittany in the kennel. In the mid-nineties, some friends and I founded the Music City Brittany Club and the companion American Field stake, The Dixieland Brittany Championship. I was honored to be a founding member of the Deep South Brittany Free-for-All Championship, one of the most significant endurance championships that forever changed my perspective of what it takes to be a "special" dogs. I've served on the ABC Board of Directors from the East Central

Region, held the National Field Trial Dates Coordinator position, served on the ABC Finance Committee, and currently chair the ABC Hall of Fame Committee for Dogs. Since its inception, I've been the Nutro/ Tritronics/Garmin Shooting Dog Award Coordinator.

I've had the privilege of owning or handling some special field trial competitors over the years. Most notable are 2006 National Amateur All Age Champion, Just Call Me Roy; 2007 National

Amateur All Age Champion Maxwell's White Spirit; 2008 Runner-up National Amateur All Age Champion, Maxwell's Gunsmoke and 2012 Runner National Amateur Champion Piney Run Art. Other championship winners include Rattler Hill's Tennessee Rambler, The Prodigy, CoChief, Lobo's Kodiak Cody, One Off Mojito Mike, Piney Run Hank, and Piney Run Jake.

I look forward to Ionia and the ABC National Gun Dog Championship....Best of luck to all competitors!

Diane Vater

My life with dogs began in the mid 80's with obedience Cocker Spaniels. I got my first pointing breed (a Weimaraner) in 1990, and began field trialing. I turned pro in 1996. I started in Weims, but now train all pointing breeds. Since turning pro, with the help of my husband, Chuck, I have finished over 50 Field Champions. We have won 19 National Open Championships (13 Weim, 4 Vizsla and 2 Pointer). And we are very proud that our customers have won 9 National Amateur Championships with dogs that we trained (8 Weim and 1 Vizsla).

Chuck and I travel from coast to coast, training and trialing, with a large string and 6 horses. We have a Summer Camp in the UP of Michigan, and a Winter Camp in New Mexico. I am

truly living my dream.

In addition to judging numerous local trials, I have judged the following regional and national championships: VCA National Amateur Championship; GWPCA National Open Championship and National Amateur Championship; NGSPA National Amateur Shooting Dog Championship; ABC National Amateur Gun Dog Championship; Inez Smith Amateur Invitational; NGSPA

Region 4 ASD Championship; NGSPA Region 12 All Age and ASD Championships; Great Lakes ASD Championship; ABC All Age Chukar Championship.

I am honored to be asked to judge again. I saw some really good dogs when I judged the amateur a couple of years ago! I look forward to seeing more good dogs this time.

WELCOME TO MICHIGAN and
 THE IONIA STATE RECREATION AREA

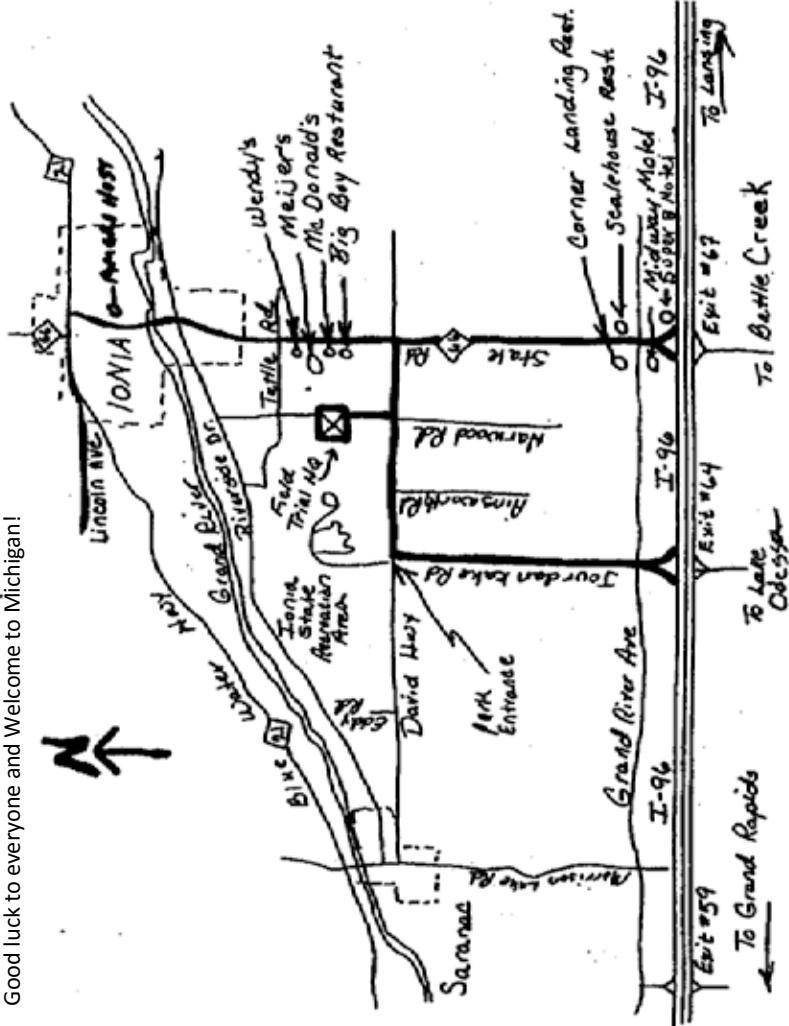

The 2015 National Open and Amateur Gun Dog Championships are being held at the Ionia State Recreation Area in Ionia, Michigan. The town of Ionia is located in the mid-west portion of the state, between Lansing and Grand Rapids. Ionia offers to its guest motel accommodations, fine restaurants, fast food eateries, grocery and department stores, feed mills, veterinary clinics and even glider rides if you might want to see the grounds from the air. The field trial grounds are located just a few miles from town.

Ionia Recreation Area is a Michigan State park that offers to its visitors a man-made lake with swimming area and also some good fishing, horseback trails, camping sites and some of the finest field trial grounds found anywhere. The work done on these fine grounds is undertaken by the Ionia Grounds Committee, the members of the Field Trial Clubs in Michigan, and the State of Michigan.

Ionia State Recreation Area covers over 4,500 acres and has multiple well groomed one-hour courses.

Each course offers a dog the chance to show off what it can do best, from covering the spacious fields to running the edges. The terrain is rolling and picturesque and all courses are fairly easy walking and have water on them. The rolling terrain enables the handler to have excellent sight vantage. All courses are a true test for a well-mannered gun dog.

Good luck to everyone and Welcome to Michigan!

ATTENTION FIELD TRIALERS

The Ionia Field Trial Grounds Committee requests that you pay special attention to the following items to help us maintain our quality facility and reduce the time and labor involved in clean up at the conclusion of the trial.

1. Those not purchasing a State Park Sticker **UPON ARRIVAL** will be ticketed. Seems we've had trouble with this in the past and they're coming down hard on those not buying park stickers right away!
2. Portable corrals and temporary fences are no longer allowed at Ionia.
3. **THERE IS NO PARKING, STANDING OR STOPPING ON HARWOOD ROAD WHILE WAITING FOR THE PARKING LOT TO BE CLEARED BY THE PREVIOUS TRIAL.** Please go to the Riverside parking lot and you will be notified when the headquarters lot is available. The State has warned us that they or the county sheriff will be issuing tickets for any vehicles that are parked, stopped or blocking Harwood Road.
4. Fill in all holes caused by digging dogs!! *If you don't and the FT committee has to do it for you – you will be charged a fee for their services.*
5. Pick up all loose paper and other trash that may blow into the parking area and surrounding fenced areas.
6. Clean any stall you may use and deposit the waste in the manure spreader. *If you don't and the FT committee has to do it for you – you will be charged a fee for their services.*
7. Clean up all horse manure and hay associated with your animals (this INCLUDES around your stakeouts!) and deposit it in the manure spreader. *If you don't and the FT committee has to do it for you – you will be charged a fee for their services.*

**WHEELBARROWS, ETC. ARE KEPT IN THE BARN STOREROOM.
PLEASE RETURN THEM UPON COMPLETION OF YOUR CLEAN UP**

IN ADDITION PLEASE PAY CLOSE ATTENTION TO THE FOLLOWING:

1. Please do not chain dogs or tie horses to the fence post along the East Side of the parking lot (along the side that runs along the road) – HORSES ARE NOT ALLOWED BETWEEN THE FENCE POST AND THE FENCE ALONG THE ROAD. THIS WILL BE ENFORCED.
2. Park horse trailers and campers butted against the parking lot perimeter post. Do not park parallel to them as it reduces the space available for parking.
3. Camping Fees, now known as "Overnight animal attendant" fees at a rate of \$8.00/per night without electric and \$13.00/per night with electric are available to "animal attendants" at the headquarters grounds (from the American Brittany club only) please pay ABC directly. (make check payable to ABC). **Please note...the camping fees are now payable directly to ABC upon arrival.**
4. There will be another breed's event following the conclusion of ours. If you would like to remain at the grounds, please move your camp to the horseman's campground inside the park.

Finally, please remember that the Ionia Recreation Area is a multiple use area and bicycle and horseback riders have access to marked trails and roadways. Please be polite in conversation with them so as not to cause conflicts. Hunting is also allowed on all courses and we must keep in mind that we only have access to the land just as others do.

Thank you for your cooperation!!!

RECIPE REQUEST

FALL – my favorite season of the year. So many recipes for soups, stews, and casseroles to try. My crock-pot gets quite the workout. Ahhhh.....the aroma of a pot roast with potatoes and carrots that have been cooking all day wafts through the house and fills my senses. As soon as I walk through the door after a long day, the smell leaves me feeling warm and comforted with memories of my mom's pot roast.

Childhood memories of being in the kitchen with mom – such great memories.

The Checkcord Part 2

In our last column (which you can now read in the Online Community section at www.pointingdogjournal.com), we established what a checkcord is and learned how to make it work. Now let's take a look at what we can do with it. It has the same basic functions as the Command Lead, meaning it tells the dog to come to us or go with us. The cue on the neck, coming from either the Command Lead or the checkcord, should always be a light tug and release motion, rather than a steady pull or hard jerk. The "tug-release" motion should come from your fingers and wrist.

As we begin teaching the dog to quarter in front of us, the checkcord gives us the advantage of gradually giving the dog more space while maintaining control. When introducing the dog to the checkcord, follow your normal training routine. For us this means going to the stakeout chain, then to the Command Lead, both leading and quartering. If all is going well with the lead, then it's time to introduce the checkcord. If a dog is not giving us willing compliance on the Command Lead, we will not move ahead to the checkcord. Moving forward in training too quickly causes confusion, and you will bring all the problems from the previous step into the new step.

There are three basic drills on the checkcord: stand or sit still; come to you; and go with you. We begin with standing or sitting still, depending on the breed (retrievers sit). If the correct foundation has been laid on the chain and Command Lead, the dog should understand how to stand or sit still until asked to move. From the still position, step forward briskly and cue the dog with the checkcord via light tugs on the collar. This cue means "go with you," and should be accompanied by a quick pace from the handler.

Once you're moving, step sideways away from the dog, angling away at a sharp angle. He will probably respond by turning to go with you. When this happens (let's say you were going to the right), change direction by turning left and gently flipping the cord across the dog's back. This in turn will cue the collar, and the dog should make a left turn and continue to go with you. Each time he turns and crosses the center of your location, you change direction. Done consistently, this will teach your dog to watch you closely for changes of direction.

Be very careful to keep the rope up so your dog doesn't step over it. If he puts a leg over the checkcord, this changes the point of contact from the neck to the body, specifically the chest. This changes the meaning of your cues and will only confuse your dog. Keeping the rope in the proper position is accomplished by maintaining the correct amount of slack. Too much slack makes it easy for the dog to step over the rope.

Remember to be sure all turns your dog makes are away from you, never turning back toward you. This will prevent him from circling back, something we don't want a well-trained bird dog to do. Circling means the dog is covering territory already hunted, and it wastes valuable time and energy.

A good dog will work in a quartering pattern in front of you, always changing direction by turning out away from you in a loop to the front. Dogs tend to have one direction they turn to more easily than the other, much like we are right or left-handed. If your dog turns the wrong way, gently turn him back the correct way and go on. Pay close attention and you will notice which turn is harder for your dog. Once you have that information, you can anticipate it and can make a correction before your dog completes the mistake.

A good handler always anticipates what may happen and works to prevent errors rather than fix them. Once the dog learns to anticipate your turns, he will pay closer attention, and will start turning before you have a chance to cue them with checkcord. This is a good thing, since the end goal is a dog that will watch us closely; and no matter what direction we take, they will turn and go with us, neatly quartering out to the front.

At this point, you can begin teaching your dog to come to you using the checkcord. During all these drills using the checkcord, you will occasionally stop and move backward to cue the dog to come to you. Consistency is always important, so be sure you know how you will want him to deliver a retrieve. Do you want him to stop in front of you or move to the heel position by your side? It doesn't matter what you choose, as long as you're consistent with what you ask.

Teaching the dog to come to you is done by stopping and backing up slightly, which will encourage him to move toward you. As your dog

moves closer, you will need to shorten the checkcord so it will be easier to give the dog clear direction as to where it is to stop. Again, your rope-handling skills will come into play here. You may need to use a light tap-release on the lead to encourage your dog to move in your direction, and when the dog is in the position you desire, then stop the stimulation.

Doing this part of the drill teaches the here or come command. Don't add a verbal command to this until he is consistently doing it – if you're having to pull the dog in to you, all the while saying, "Come," the dog learns that the word means he should pull back and argue. If you wait until your dog is complying before you give the action a name, learning will be quicker and easier.

Always have the dog come in and stop in the same fashion so the habit will develop. Once the dog has come in and is in the "bird delivery" stop, have him stand/sit calmly for a few seconds before resuming the quartering drills. The entire drill should only be done for about 10 minutes at a time. You can do several 10-minute increments a day; just don't do them all at once! This checkcord drill needs to be repeated until it's second nature to both you and your dog, with the dog consistently showing willing compliance. It takes as long as it takes.

When the checkcord drills become learned behavior, and your dog is going with you by reading your body language instead of the tug of the rope, it's time to move to the really exciting part of our training: bird work! This is where our end goal in training becomes visible, and the light at the end of the tunnel shines a bit more brightly. Part 3 will go into detail on this, but we'd like to add some checkcording tips that will come in handy as you move into working on birds.

The first few times you checkcord your dog on birds, expect the dog to pull and be excited. As we mentioned before, anticipate this so you can correct it before it escalates into a tug-of-war. The checkcord should always be used in a consistent manner with a tap, tap, tap motions from the fingers and wrist. This may be difficult when the dog is excited about birds, so be prepared to use your arm as a sort of shock absorber. Keep it close to your body so that when the dog pulls, you have some room for give with your arm. If your arm is already fully extended, you have lost the opportunity to give a correction.

Keep tugging and releasing with the checkcord, making sure you give a good solid tug at the exact moment your dog hits the end of his rope when changing direction and quartering. This well-timed correction, applied consistently, will give him a consequence for his action. Timing is everything here, so anticipate your dog's moves and be ready to apply stimulation at the right time.

When working with the checkcord on birds, it's critical to remember to be light-handed. A heavy hand and lots of pulling or yanking will distract the dog's attention from the birds and intimidate the dog. The last thing we want is a dog always looking over his shoulder, expecting something negative whenever he points a bird. Heavy handedness does more to take the style out of dog than anything else.

Work through the checkcord and quartering drills. Be thorough and consistent, allowing your dog to learn by watching your body language as you change directions. This will prepare both you and your dog for success in the next step. Repetition and patience combined with a light hand will bring your dog to a level of willing compliance and help him be the very best hunting companion it can be.

HUNT TESTS

CENTRAL MAINE Kennebunk, ME April 23-24, 2016

The Central Maine Brittany Club ran their 2016 AKC Hunt Test on April 23 and April 24 in Kennebunk, Maine at the Wildlife Management Area. We had seasonal New England spring weather both days. The Flyball MAINEiacs team worked alongside of CMBC selling food items throughout the day. This was a great help to members who usually have to don a variety of hats while multitasking over the weekend so it was greatly appreciated to have them cook and serve food. Thank you MAINEiacs!

The judges on Saturday were Steve Belletti, Tom Zuk (Juniors) Philip Thayer Jr., and Don Bristol (Senior/Master). Sunday judges were Jim Mcwalters, Dawn Hill (Juniors) Paul Hill, and Artelle Thorne (Senior/Master). Ron Cooper and Jim Rollins were gunners on Saturday with Sunday's gunners being Ron Cooper and John Bell. Those testing at the Senior and Master level were transported by CMBC President John Shorts truck to the nearby course courtesy of drivers John Bell on Saturday and Adam Urbani on Sunday. Among those who helped plant birds were Willie Plummer, Paige Davis, Gary Anderson and Bo Longley. As Hunt Test secretary I appreciated administrative help over the weekend especially from Julie Harris, Sherri Thayer and Christine Longley. It was great also to have Teri Plummer oversee our promotional items of hats and shirts. Can't forget David Herrington for being there and helping out however needed especially with set up and take down as well as many others. I do apologize if I have overlooked anyone's contribution for everyone's help is appreciated. Miss Alana Day helped the judges save a lot of time on Sunday while learning the fine art of being a line marshal. A huge shout out to everyone for their help and support and especially to John Short for his devotion to every aspect of making the CMBC hunt test run as smoothly as possible from beginning to end, setting up to take down, to organizing and coordinating and more.

On Saturday there was a total of 25 pointing dogs tested at their respective levels and 29 on Sunday. A majority of these starters earned qualifying scores much to the delight of their handlers. Especially enjoyable was seeing young junior handler Miss Alana Day at her first hunt test successfully running her puppy "Toph" on Saturday earning her first leg towards Junior Hunter Advanced. 10-year-old Alana also pitched in over the weekend to help out wherever she could and as anyone knows there is always plenty to do at club events!

Congratulations to all the owners and their dogs who received qualifying scores. We are also happy to recognize the following new titles: 5 newly title junior hunters; Birch Spring LH White Feather JH, owned by Phil and Sherri Thayer; J&A's Superior Jack's Rugar JH, owned by James and Lori Turner; J&A's Heart of Seumas JH, owned by Julie Harris and John Short; and J&A's Jack Be Nimble JH, owned by Daniel and Joanne Woodman; and one newly title senior hunter, J&A's Keeper of the Stars of Acton SH, owned by John and Ann Short.

Respectfully submitted,
Ann H. Short,
CMBC Hunt Test Secretary & 3rd Vice President

GREATER MILWAUKEE Ottawa Field Trial Grounds Dousman, WI May 14-15, 2016

The Greater Milwaukee Brittany Club held our 2016 spring hunt test on the 14th and 15th of May at the Ottawa

Field Trial Grounds in Dousman, Wisconsin. Saturday and Sunday were both good days with temps in the 50s. Conditions were good; Saturday was overcast and cool with a high in the mid-40s and Sunday was partly cloudy with a high in the mid-50s.

We had a good number of dogs with qualifying scores on both days. Thanks to the effort of everyone involved with the event, both days ran flawlessly.

We ran a single course both days, with Tim May and Gary Robinson judging on Saturday and Ed Cuddeback and Joel Peterson judging on Sunday. We had 21 dogs entered on Saturday; four braces of Master, two braces of Senior and five braces of Junior. Sunday there were 22 dogs; three braces of Master, two braces of Senior and six braces of Junior.

The gunners for the Master and Senior levels were Greg Asmus and Randy Weber. They did a great job.

Many thanks to the numerous people who volunteered their time to make our event run smoothly and totally enjoyable.

A Little Competition

A Novella and Twenty-Two Short Stories

By Tom Word

Dimpled Chad

Wagon 1 reached its starting point, and scout Clay Parks went to the dog box for the first brace. Billy turned to his four guns and said, "Gentlemen, take a look at that milky left eye on ole Tom the mule there. That's what can happen if you're careless. It's a dangerous game we're playin'. Play it safe, please, by the rules Mr. Mack explained at the Big House."

With that, Billy nodded to his scout, who released the eager pointers. Billy tooted his whistle, the all-ahead signal.

The morning passed quickly, as Billy's dog found the plentiful quail and the guns took turns shooting over the points two-by-two. At 10:15 the fifteenth bird was bagged by Ben Klensch, who promptly called Wagon 2 on his cell phone to claim victory on the first bet. Both morning courses ended near the Big House, and at noon, the hunters went in for crab bisque, Cajun-style catfish with grapefruit and avocado salad, cornbread with crackling bits, and power naps.

At 2:00, the wagons and staff were back waiting beneath the giant live oaks at the Big House front door. The afternoon hunt went smoothly, but at its end Ben Klensch learned that his four-gun team had scored two less quail than Wagon 2 and bagged the limit five minutes later. Ben was furious, though he covered his anger with insincere laughter.

That night the chef outdid himself with flame-seared duck, following a first course of crab cakes, and finished off with another pecan-based dessert. As Henry kept the wine glasses full, the conversation passed from takeover prospects to corporate jets (the ultimate status symbol among the guns), exotic hunting, fishing and golfing destinations, five-star restaurants, swank European and Asian hotels and the ski slopes of North America and Europe—all described as first-person experiences. Following cigars and port before the fire, the tycoons

stumbled off to their bedrooms.

After making sure the fire screen was secure, Henry Teel retired to his room and on his cell phone called his son, a portfolio manager for a competitor of Silverman-Baggs.

At breakfast next morning, the Lazy Susan groaned under its burden of ham and bacon, pork and venison sausage, fresh fruit and biscuits and poached eggs on English muffins (Bernaise sauce on the side in a silver gravy boat). Ben Klensch announced the day's shooting pairings and then the bet-high joint bag to a pair of guns, ten-grand per gun. Ben designated a media company CEO as his partner, a man with a superb shooting eye. (He was also a man whose company Ben Klensch wanted as a client for Silverman-Baggs. In the past, it had used Merrill Lynch as lead banker.)

The morning's hunt again went like clockwork. When the wagons met for a picnic lunch at noon, Ben Klensch and his partner were tied with a team from Wagon 2, made up of Klensch's principal lieutenant and a British publishing CEO who shot regularly on England's grouse moors and Spain's red-leg partridge grounds.

After the guns had eaten their charcoal-braised, bacon-wrapped quail and trimmings, Ben Klensch summoned Mack for a parlay away from the table. Then Mack came to Billy and said, "Mr. Klensch wants you to put down Chad the last hour."

"No way." Billy said.

"There's \$300 in it for you if you do, and a firing if you don't," Mack said sharply.

Billy started to say, "I quit," then remembered the approach of Christmas and Mae, and the fact that if he walked he'd never be hired again in the quail-plantation belt. Mac held out his pickup's keys, and Billy drove in disgust to his house for Dimpled Chad.

At 4:00, Ben Klensch telephoned Wagon 2 for a count.

He and his partner were two birds ahead of their rivals. Ben asked his lieutenant if he and his partner cared to double the bet. "Triple it," came the clipped response from the Brit. Ben Klensch said to Billy, "Put down Chad."

Now most bird hunters think trial dogs are worthless for hunting, but that's not so. A great trial dog knows the difference between a bird hunt and a trial heat and will adjust its range and technique accordingly. Ben Klensch had paid Billy \$100 last year for a private hour shooting over Chad. He'd tried to buy the dog, which had been given to Mae by its owner when Billy left the trial circuit. Billy had told Ben Klensch the dog was not for sale at any price.

The two other guns riding Wagon 1 declared they preferred to be spectators for the last hour. Billy put down no brace mate with Chad. In two minutes the big white pointer with the silky brown ears was pointing. Through the ensuing fifty minutes, he went from covey to covey, and Ben and his partner scored doubles on each. At 4:50 Ben Klensch called the skinner on Wagon 2. To his surprise, the bird score of the rival team was the same as his.

The day had been clear and bright, but now clouds rolled in, darkening the sky. Once more Billy lifted his cap to signal a point, and Ben and his partner dismounted and walked forward to shoot. Before reaching Billy, who stood waiting behind the pointing Chad, Ben's partner walked up a single, which flew in a low arc. Ben Klensch raised his Purdey and fired. The bird fell, and Chad yelped. Ben had shot Chad at forty yards. The pattern put a half-dozen No. 8 shot in the dog's left hindquarter. Chad did not break his point, but blood flowed from his wounds.

Billy turned on his heels and walked to Ben Klensch. With his massive left hand, he took the Purdey, with his right he swung roundhouse punch. The crack of bone in Ben Klensch's jaw rang like the fall of a cracker's axe on a fatwood stump.

Billy left Ben Klensch out cold on the pine tags, his breeched Purdey across his chest. He swept Chad up in his arms, swung into the saddle and cantered for home, Chad on the pommel as he'd ridden after many a trial victory.

Mae heard the hoofbeats and met Billy at the back door.

"Pack your things. We're leaving as soon as I get back from the vet's."

"Is he hurt bad?" Mae asked. She'd guessed what had

happened.

"I don't think so, but he's bleeding bad from one spot-an artery, I think."

Billy drove the pickup 90 mph the five miles to the clinic. Fortunately, the vet was in, and he fixed up Chad's wounds in short order, then x-rayed.

"No permanent damage, but he was lucky-an inch to the right and shot would have entered his tail and ruined it," the vet said.

"And a foot to the right, and I'd have been the one shot," Billy said. His left ear still rang from Ben Klensch's muzzle blast.

"Where are we going?" Mae asked as they rolled down the live oak-lined lane out of Mossy Swamp Plantation, Chad on the seat between them, the trailer holding Billy's horses clanging behind.

"Back to the circuit... and this time you'll be traveling with me," Billy said with the first grin she'd seen on his face in months.

"That's OK by me," she said, "but I hope you're ready to raise a baby in motel rooms. I found out today I'm pregnant."

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity

to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
