The American Brittany

VOLUME LXX • NUMBER 7 • JULY 2018

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

2018 ABC WESTERN FUTURITY CALIFORNIA CITY, CALIFORNIA

January 30 - 31, 2018

By: Jeri K Conklin (Show write-up)
Jan Kilpatrick (All-Age)
& Arlette Hennessey (Gun Dog)

The California Brittany Club once again hosted the 2018 Western Futurity which consisted of an All-Age stake, a Gun Dog Stake and the Western Futurity Show. Our temperatures were in the 30s in the morning, warming up to 70s during the afternoon. Participants came from all of the Western States with the exception of Utah. We had a total of 25 dogs entered in the show, 18 Gun Dogs and 5 All-Age dogs. We had a large turnout for our catered Mexican dinner Tuesday night by both show and field participants. The Futurity Committee would like to thank all of the breeders, owners and handlers who came to our high desert to showcase this great group of Brittany's. Thank you to our sponsors, Purina Dog Food, Garmin and Mud River for our participant and judges' gifts; and to those who donated to support our event – Rick & Hillary Herrera, Leslee Masolotte, Camelot Brittany's, Debbie Inferrera and Jim & Mary Cullor.

2018 Western Futurity Show

Show day dawned bright and cool as we descended on the California City Strata Center to lay down mats and set up rings. Amazingly we were able to get it all done in time to finish grooming, get dressed and eat lunch. Our ring steward was truly "a surprise" till the last minute when Jan Breitenfeldt (Montana) graciously offered her expertise and pulled it off perfectly. The awards this year were stenciled canvas bags from Deborah Frane. Congratulations to the Best in Futurity Show winner – Mitch's Mt Imagine Riley She Is One Hot Mess, Best of Opposite in Futurity Hoaloha Gus and the Dual Award Winner Kinwashkly Timberline Kestral and all of the other winners in both show and field.

Thoughts from Ann on our show/field dogs: Upon on arrival at the field trial grounds the day before, it was UNLIKE any other field event I had ever been to before, it was all in the desert, it was all flat, and there were no trees! Our arrival coincided just about the time dogs, horses, and handlers broke away for the final stake of an All-Age horseback trial.

For months I had been preparing for this judging assignment in a variety of ways. I had envisioned what it would be like. I'd studied hard, taken notes and had mentally judged and critiqued every Brittany I had been in contact with. I put my hands on as many dogs as I could during the interim. It is one thing to KNOW your standard and quite another to develop an eye for a dog while describing why 'that one dog' stands out. I also felt one of my advantages was that I was unfamiliar with the West Coast dogs, handlers, owners, and breeders.

For me, judging the 2018 American Brittany Club Western Futurity Dog Show was an awe-inspiring 'moment in time.' I truly saw something I liked in every single dog presented to me as the exhibitors showed their Brittany's to me. I did put the handlers through the paces but I knew what I was looking for and feeling for. Even so, I wanted everyone to relax and have a good time with their dog. Sometimes the slightest and most subtle thing made a difference in my choices. It was no easy thing. My final decisions were based upon movement, overall condition of a dog in regards to 'could it do its job' as a hunter for several hours on end, (detectable by thorough hands on examination) and then of course that special Brittany sparkle we all know and love. When everything was said and done, after placements and awards were given there was one

thing that really stood out to me. Perhaps of all the shows I have ever been a part of in one way or another, 'yours' was exemplary in the way good sportsmanship was demonstrated among most all of the exhibitors. There really is never a good reason for one exhibitor to say something mean spirited about a dog that wins but it is especially uncalled for at a Futurity. On that day (and the following day) I saw competitors supporting each other even if the other dog won. I saw the majority of people all getting along and helping each other out. Be proud of this and carry that level of good sportsmanship with you every time you step into the ring or field. Even taking the show photos was fun, especially when a few of the Brittany's were very much aware of several ducks in the small pond which was our backdrop.

Observing many of the same dogs in the field that were in the ring the day before was just a fantastic experience. In the desert you really get a better idea of the intensity and drive of the dog being judged, you see everything! Huge congratulations to the breeders and owners whose Brittany's placed in the show and/or the field!

In closing, I just want to reiterate what an incredible experience this has been. I thank the American Brittany Club and the California Brittany Club for this honor. I'm so appreciative of the fact I was recommended for the assignment. It's good to be back home but I will never ever forget the beauty of the earth.... Warmth of the sun.... Simple things... Mother/Daughter time... God's creation... Judging those beautiful dogs... 4-wheeling through the desert... New friendships... Feeling supported, blessed, and special... West Coast hospitality... and so much more.

Weather was perfect for the breakaway of our All-Age and Gun Dog stakes. A little cool at 38 degrees as the sun crested the mountain peak. Unfortunately, we lost Steve Ball (Idaho) our Gun Dog judge to the flu the day before the Futurity and fortunately for us Jim Hammett (Oregon) was on hand to step in and take his place. Thank you so much to all our field judges and reporters for the hours in the saddle.

**2018 Western Gun Dog Futurity
January 31, 2018 held at Camp H, California City, CA
As seen by Arlette Hennessey**

Named winner was Bottom Dog in Brace 5, Kinwashkly Timberline Kestral, "Kess" handled by Paul Doiron and owned by Teddi Montes & Kris Thompson. Kess is out of DC Kinwashkly Dirty Ned Pepper x Kinwashkly Single White Female.

The second place was Bottom dog in Brace 2, Load Ruger "Ruger" handled by Dakota Zamudio and owned by Dakota & Brandon Zamudio. Ruger is out of FC Kiger Hills Louee x Lock And Load Daisy.

Third place went to Top Dog Brace 7, MB's Make Mine A Double Tequila "Maki" handled by Paul Doiron and owned by Christine Landerholm-Miller. Maki is out of DC MB's Make Mine A Double x CH North Umpqua's Lucy's Golden Edition JH.

Fourth place was awarded to Bottom Dog Brace 9, Warbonnet & Campbell's Skye's The Limit, "Skye" handled by Ben Campbell and owned by Ben & Jacqui Campbell. Skye is out of DC Kinwashkly Dirty Ned Pepper x CH Warbonnet Summer Wynd Dancer.

The Running:

Brace 1: Caliah's Brisco Sailor (Brisco) Scott Meckstroth and CH River Run Shake A Tail Feather (Piper) Joel Dannewitz. Brisco made a nice cast on the hillside with a find at 13 minutes, retrieved bracemate's bird. Piper was found on a nice point at 17 minutes.

Brace 2: K-Nine's Wilhelmina (Willa) Steve Crabb and Lock And Load Ruger (Ruger) Dakota Zamudio. Willa started out slow but soon made some nice moves on her own. At 7 minutes she was found on point of a dead bird. No amount of resuscitation was going to bring that bird back to life. More nice casts were made up the hills. Ruger moved out well in front of handler, working well. At 20 minutes he was found under a bird and at 22 minutes made a BIG cast.

Brace 3: Camelot's & Wolram's Rollin' Poker Chip JH (Chip) Scott Azevedo and Caliah's Sierra Oceans Of Grace (Gracie) Mary Brown. Chip made nice casts to the hills. At 12:40 minutes he had a "psychic" point, no bird was found by handler. At 15:26 he had another find with a bird and worked it nicely. Chip casted back to find the missed bird and did. Moving forward he went on point again at 29:20 and held until the handler could get to him and work his bird. Much to his credit, he is young and the wind was coming from behind and the birds once flushed would fly and take him further back. Gracie found a flock of twenty birds and gave chase early on. At 29 Gracie had a nice find.

Brace 4: Simon's Standing Stone (Gus) Scott Azevedo and Kinwashkly RustyRidge Justified, (ReyLynn) Jan Kilpatrick. At 6:30 minutes Gus made a nice move to the ridge, with 3 finds after the water barrel. ReyLyn cast nicely to the hills through the valley with a find at 6:30 minutes and a bird was produced. At 7:40 minutes ReyLyn had another find and handler needed help flushing the bird as it flew from one ridge to another. ReyLyn continued with bird contact at 21:06 and 27:40 when she finally slowed down enough for handler.

Brace 5: Wolram's & Camelot's Comstock Cate JH (Cate) Janice Schmoltdt and Kinwashkly Timberline Kestral (Kess) Paul Doiron. Cate was very obedient to her handler going bird less. Kess had a nice cast and was very busy right off the line, climbing the ridges and covering the ground in a snappy and flashy handling. Kess had a find a 11 and 18 minutes. Half way through the brace Kess was still running strong at the end of her brace.

Brace 6: K Nine's Mischievous Loki Junior (LJ) Steve Crabb and Warbonnet Wynd Turning Firestarter (Turah) Todd Breitenfeldt. Both dogs handled nicely for their handlers.

Brace 7: MB's Make Mine A Double Tequila (Maki) Paul Doiron and River Run Nobody Does It Better (Jesse) Mark Chrisp. Maki made a nice big cast and found the water, cooling in the afternoon heat. At 12:00 Maki went on point, both dogs helped push the bird up. Maki made a nice long retrieve to hand – a very soft mouth with bird still alive. Nice ground speed. Jesse was on a bird at 22 minutes with a nice point.

Brace 8: K Nine's Fleury Of Mischief (Mis-Miss) Steve Crabb and Warbonnet Wynd Drinker (Belle) Todd Breitenfeldt. Mis-Miss handled kindly. Belle made large casts on the ridges and down to the valley floor.

Brace 9: Kinwashkly Stuck In Lodi (Hawley) Dan Gifford and Warbonnet & Campbell's Skye's The Limit (Skye) Ben Campbell. Both dogs made some nice casts. Hawley spent most of her time busy working the bottom valley floor. Skye made a nice cast to the hill and ran the ridge. At 6:45 minutes she had a nice point on a bird. At 7:50 a stop to flush. At 13:30 a "psychic" bird; at 17:50 she did a "California stop" on a find; at 21:00 she had a speed find and at 23:00 she made a lunch stop.

CA. Though the stake only had 5 entries the competition was first rate and all these youngsters were up to the task of showing their stuff over the challenging all age course which consists of sandy rock, sage and greasewood covered hills with rocky outcroppings. This is challenging terrain for dogs, horses and riders and one marvels at how these young dogs follow their natural instincts in their quest to find birds in this desolate desert landscape.

Named winner was Bottom Dog in Brace 2, High Lonesome Bowden Hills "Bo" handled and owned by Jim Hammett. Bo is out of FC/AFC FireStarter's Crossed the Line x Sniksoh Tequila Caliente.

Second place was Top Dog in Brace 2, JT Copper Buckaroo "Buck" handled by Paul Doiron and owned by Jeff Minch. Bud is out of FC Kiger Hills Louee x Lock and Load Daisy.

Third place went to Bottom Dog in Brace 1, Spanish Corral's Wild Bill "Billy" handled by Paul Doiron and owned by Claude and Jan Kilpatrick of Hico, Texas. Billy is out of NAFC/GFC/FC/AFC Spanish Corral's Sundance Kid x FC Blew By Yet?.

Fourth place was awarded to Top Dog in Brace 1, Breton's Bear From Twister Mountain "Bear" handled by Scott Azevedo and owned by Dr. James S. and Mary Naomi Cullor. Bear is out of DC Sam I Am x Tequila Twister.

The Running:

Brace 1: Breton's Bear From Twister Mountain (Bear) Scott Azevedo and Spanish Corral's Wild Bill (Billy) Paul Doiron. Bear cruised the course at a moderate rate, hunting hard through the terrain but went without bird contact. At time he was making a big forward move for an extremely nice finish on the flats. His efforts earned him 4th place. Billy ran a far reaching, front running race hitting objectives both high and low at an incredibly fast pace. Due to his intelligent all age application Billy scored 3 chukar finds at 12, 16 and 21 which he handled with derby manners. At 25 Billy was observed running high on the ridge above

chukar alley but instead of dropping into the bowl he made a final cast to the far ridge just beyond the course which resulted in a long absence. Billy earned a 3rd place finish for his efforts.

Brace 2: JT Copper Buckaroo (Buck) Paul Doiron and High Lonesome Bowden Hills (Bo) Jim Hammett. Buck was wearing his go fast running boots to protect his injured feet but they didn't slow him down much as he exhibited an amazing all age application handling beautifully to all points near and far. Buck had a nonproductive near the water barrel in chukar alley at 20 and after a drink and dunk finished his race moving briskly through the flats then up the final ridge and down into camp. For his performance Buck received a much deserved 2nd place. Bo had his all age running shoes this day as he hunted high and low in search of the elusive chukar. An extreme all age race was observed from Bo's first big cast into the bowl, then up and over the rocky outcrossing until his final monster move at 22 across the barren flats towards the greasewood covered ridge at the extreme edge of the course. Everyone was holding their breath until Judge Vaz pointed Bo coming in at 26. At this time Bo was rounded up, watered then taken up breakaway ridge and released to finish out his 1st place performance back into camp.

Brace 3 Hoaloha (Gus) Shannon Renfree, "Bye". Gus was a handful from the get go, running big both forward and backwards all

Field Trials

EAST COAST

ANTHRACITE Barnegat, NJ April 28–29, 2018

The Anthracite Brittany Club held a Walking Trial in conjunction with the Del Val Brittany Club's Spring Horseback Trial. We held the trial at the Greenwood Forest WMA in Barnegat, New Jersey, which were new grounds for both clubs. The grounds offer plenty of room to hold two events simultaneously and are very well suited for field trials. Because there is no clubhouse, we borrowed a large tent from Darlene Dow and Ed Kostka which provided a gathering place for our social hours. Lisa and Paul Pollock provided the food service, and club members from both clubs contributed menu items for our potluck dinners. Paul manned the grill for breakfast and lunch.

The weather was perfect for running dogs. Saturday was sunny and warm. We had a rain overnight which came in with a cold front, so Sunday was cool and partially sunny.

We'd like to thank our judges, bird planters, and exhibitors for helping us have a successful event. Using new grounds always adds a bit of extra work to a trial. Running two trials at a time added scheduling difficulties as many people were involved in both trials, whether they were bird planting, running dogs, or judging.

The two clubs worked hard to create a large event that had something for everyone. People were pleased with the new grounds which we hope to use again in the future. Thanks you all for your help and support.

EASTERN AND SOUTHERN NEW ENGLAND

Arcadia Management Area Exeter, RI

May 11–13, 2018

Once again Eastern New England and Southern New England Brittany Clubs joined forces to offer up a 3–day weekend of trialing. This format has been successful for the past three years, enabling ENEBC to hold a field trial in spite of dwindling membership and this year was no different.

The weather played into our hands with a weather pattern that served up some pretty nice weather for running dogs from start to finish.

Sunny, dry and slightly warmish weather on Friday was replaced with overcast skies and temps in the 50s for Saturday and Sunday. Although we dealt with light showers throughout the day on Saturday, the heaviest precipitation occurred during lunch and Happy Hour when all were gathered under the protection of the pavilion.

Several members of our stalwart field trial committee, including Henry Wierzbicki, Bill Gorman and Mike Tiberii showed up Thursday afternoon to set the grounds up for the upcoming events. Throughout the weekend, additional help for marshaling and bird planting was provided by Bob Fleury, Sarah Conyngham, Scott Blair and Paul Arcand aided and abetted by Brady and Loudon.

One of the high points of each day occurred around noon when competition halted and Leslie Fleury showed up with a lunch that was provided by ENEBC and SNEBC to all. Friday and Saturday Happy Hours were enjoyed by everyone in attendance. There were many who contributed to the success of Happy Hour, including Mo Pollard who brought his Cream of Fiddlehead soup down from Maine, Michelle Sala who showed up with a Key Lime Pie that was a thing of beauty and most notably Sheila Cordner, who practically single-handedly delivered a Happy Hour for the ages at the end of Saturday's running including one of personal favorites—pulled pork.

The east coast has been reeling lately with sad news and this weekend some old familiar faces that couldn't make it to the trial were sorely missed and on our minds for much of the weekend. Our love and support goes out to all still struggling to get through it, get whole and get back to business.

On the flip side, there were some new faces in the crowd and we hope they felt welcome and enjoyed the weekend with us. Jake and Anne Buchanan are just starting to get their feet wet and had a very successful triple ribbon weekend with their puppy DuBois Ridge Major Maverick. Mike Kudla, also new to trialing, placed his puppy Shot Gunn Hunter Jake in the Amateur Puppy. We wish them all continued success.

Our very ecstatic gun dog blue ribbon winners are no strangers to the winner's circle and they include Henry Wierzbicki with Reidyhill's Smokin Hot Pursuit, Art Hembrough with Jaci's I Want Proof and Fran Gorman with I'm Your Man. Theirs was a happy ride home for sure.

All clubs love to see our youngsters getting involved in the field trial sport and we were treated to just that this weekend with Charlie Dreyfus who came up from NJ to run Marjo's Sam Son in the Open Gun and Loudon Swierczynski who ran his own LTS Just Zip It in the Open Gun. It was a pleasure to see these youngsters just beginning to try their hands at running adult stakes.

Many thanks to our judges who signed on for judging all day long. Thank you for your time, commitment, attention and decisions. Your efforts are truly appreciated. And a big thanks to all who entered and made the trip, from both near and far, to support ENEBC and SNEBC. We hope you felt welcome and had a great time over the weekend. Hope to see you all again next year.

Region III Amateur All Age Reported by Aline Curran

The caliber of dogs competing in this event was matched only by the caliber of support and dedication by those behind the scenes. A special thank you goes to corporate sponsor, Purina, for their generosity and unwavering devotion to

the dogs and events we all love; to The Georgia Brittany Club, particularly Jim Carter, DVM, Betty Morgan and Jimmy Morgan for all of their hard work; and to the judges, cooks, and bird planters who made it all happen.

Dogs and handlers came from all over the country to compete at the historic Di-Lane Plantation in Waynesboro Georgia. The AAA was run on a course that consisted of piney woods, open fields, food plots and plum thickets over gently rolling grounds. The first of seven one-hour braces broke away at 8:30 on Saturday, January 27 under cloudy skies. The temperature was in the low 60's, the winds light a variable, and the conditions dusty and dry.

THE RUNNING

BRACE 1: Waypoint Chancy Big White Cooper "Big White" –Williams; Lois Lane "Lois Lane" –Clark. Big White had a consistent run with a strong finish that set the bar for the rest of the day. He was rewarded with a find at 46. Lois Lane made some nice moves but ended the brace without bird contact.

BRACE 2: Mojo's Leftover "Haley" –Perry; Dixie "Dixie" –Carter. Haley ran a bold and forward race with a classy covey find at minute 50. Dixie had bird contact at 11, 18 and 51, but allowed her manners to slip a bit, thus keeping her out of the money.

BRACE 3: One Off Kalik Kip "Kip" –Patterson; Tj's Black Diamond "Coal" –Perry. Both dogs made some lovely casts and Coal was found standing at 40. Unfortunately, no birds were produced and he was sent on. Both were a joy to watch, but the hour ended without bird contact for either dog.

BRACE 4: Piney Run It's A Smooth Ride "Lexi" –Greenlee; StoneCreek Jack'D UP GTO "Zoom" –Perry. With the temperature

approaching 70 degrees, Lexi started strong and finished even stronger, despite the dust and heat. She had a single stylish find at minute 37 that clinched a placement. By contrast, Zoom wasn't feeling very zoomie and his handler elected to pick him up at 42.

BRACE 5: Marjo's Fille De La Bretagne "Brie" –Perry; Kinwashkly Midnight Rambler "Jack" –Patterson. Both dogs started well, but lacked consistency. Brie had a find at 40, but lost her composure on the flush and was up. Jack was found standing at 11, 35, and 56. The first two were staunch and convincing, but non-productive. With 4 minutes left in the brace he pointed a third time but elected not to stand still as the birds took flight.

BRACE 6: Zack's Bullet in the Boro Betsy "Betsy" –Williams; Piney Run Jake "Jake" –Patterson. At minute 24, Jake was found standing along a far tree line with Betsy backing. Both dogs were stylish and mannerly, but no bird was found and they went on. Betsy made some beautiful moves but suffered an avian infraction at 30 and was up. Jake continued on, always forward with wide sweeping casts that brought him to where he needed to be, including a difficult find at 38 in the middle of a plum thicket. After a lengthy search and successful relocation, the birds took flight. The end of the hour found him running forward with grace, speed and ease.

BRACE 7: Piney Run Rex "Rex" –Patterson; "Bye". Rex ran without a brace mate and made up for it by running for two. He was found standing in the biggest, nastiest briar patch on course at 9, but despite a valiant effort on the handler's part, no birds were produced. He disappeared over the horizon, running forward a few minutes later and was not seen again. The tracker came out at 28, ending his run.

MID AMERICA BRITTANY CHAMPIONSHIP Reporter: Wesley Felt

The 2018 running of the MID AMERICA BRITTANY CHAMPIONSHIP was held April 23–25, 2018 at the Branched Oak Field Trial Area near Raymond, Nebraska. The Mid American Brittany Championship was hosted by the Missouri Valley Brittany Club and followed the regional club event held April 20–22.

There are some fine folks we need to mention for their contribution to the success of this Championship event. First and foremost, Bill and Julie Cockrum, who are club members of the Missouri Valley Brittany Club. The Cockrum's

along with club members Bruce Heiter, John Savicky, John Schlicht, and Jack Higgins devote their time to make this event one of the premier Brittany Championships in the Brittany world. We thank these dedicated folks for their hard work.

The sponsor for the Mid America Brittany Championship is Nestle Purina. Nestle Purina gives both money toward the running of this event and Pro Plan products for the winners. Purina is fed to several dogs running in this event as testimony to the quality of feed used in the Pro Plan dog products. We thank our sponsor for their continued support.

The Branched Oak Field Trial Area has a large lodge enjoyed by trial folks to gather for socializing and meals. The meals are prepared by the Wagner family. Karen, George and the kids are there for breakfast and lunch delights. If you have never attended this Championship it would be well worth the drive just for the food.

Some memories are made at each trial event. This week besides the winning dogs, we must also remember our friendship memories. Folks who were here this week will remember Tommy Thomas giving Hyatt Burchett the aerodynamic techniques needed to keep a kite soaring in the air. It went well for some time until the kite found its resting spot, up 20 feet in a tree. No matter how they tried to retrieve the monkey kite, it will stay at the trial grounds for all of us to view in the future.

I have many memories of families and friends getting together to share our joys at these field trial events. I know as folks drive in the trial grounds and see the kite resting in the tree will remember this young boy and his kite. I hope Hyatt tells this story for many years. I know it will be one of my favorites.

The judges for this year's event were Bruce Bryant from Iowa and Chris Bryant from Colorado. These two judges were up to the task of three days of riding through some cold weather to select the true all age competitors for this Championship.

Branched Oak Field Trial Area provides ample space to show a true all age bird dog. The judges had a number of good dogs to choose from with the all-age range, intensity on birds pointed, and the handling necessary to be named as the Champion and Runner-up Champion.

We had forty two dogs run in this Championship. The winner for the 2018 Mid American Brittany Championship was FC/AFC TEQUILA SCORCHER owned by Charles B. Crain and handled by Ed Tillson. The Runner-up Champion was awarded to HEHI'S SLIM CHIPLEY owned by Matt Healey and handled by Bob Burchett.

The third place was awarded to AFC PINEY RUN JAKE owned and handled by Kent D.

Patterson. The fourth place was awarded to FC WHISKEY'S LITTLE TIP owned by Gaylord Jowett and Wes Jowett and handled by Bob Burchett.

The bracing format for this Championship had seven braces per day. Four braces were run in the morning and three in the afternoon. The weather for the three days was good for dogs. The calendar says spring but the temperature on Monday began cool, around 39 degrees and by the late afternoon was in the low 70's. Tuesday began in the 40's and by noon it was in the mid-sixties and then the front and spitting rain came and temps returned to mid 50's. Wednesday morning was in the low 40's to begin and then rose to high 60's.

The Championship:

Brace 1: KINWASHKLY FAT BASTARD– Tracy and ALAR'S DIRTY DANCER– Tillson.

Both of these dogs were ready to find birds. FATZ began at the top of the bird line and Dani at the East end of this line. At the end of the hour FATZ had pointed seven locations all with good manners. And DANI had three finds and a non-productive. Both dogs finished the hour.

Brace 2: ALMADEN'S UNDER LOCK AND KEY– Tillson and MAXWELL'S PRICKLY PETE– Tracy. OUDI had a bird early. Midway through the hour, handler chose to pick up early. Pete had an early find with good manners and ended the brace lost.

Brace 3: ANJS OHIO HELLION– Burchett and JUST CALL ME LUCKY NED PEPPER– Campbell. Hank dropped to last brace. Ned was pulled from the Championship as Campbell had to go home.

Brace 4: CAPTAIN FINN–Burchett and MK'S MY LIL AMMO– Johnson. Finn went on point, then flush all without the handler's assistance and was sent to the dog wagon. BB was lost late in the hour.

Brace 5: CARPE DIEM– Johnson and TABLE MOUNTAIN LULU– Davis. Carp had a breach of manners and was sent to the dog wagon. LULU had four bird contacts with good manners and finished the hour.

Brace 6: CVK SPARTAN KING– Tracy and KJ'S DARLIN' DARCY– Windom. Leo and Darcy separated before the white rock creek. Darcy had two finds and finished the hour. Leo caught the front at the wooden bridge. He had two finds before the wooden bridge and one later and finished the hour.

Brace 7: GUNBARREL GODFATHER AUGUSTUS– Chang and CRESCENT CITY GIRL– Tillson. GUS had two finds and the third find became relocation and a bump. NOLA was up early with a breach of manners on a bird.

Brace 8: JR'S COOL HAND LUKE– Johnson and PINEY RUN JAKE– Patterson.

LUKE had two backs and midway through the hour handler elected to pick—up early. JAKE had two finds. The first find JAKE stepped at flush. The second find was perfect manners through the shot and he finished the hour going forward and taking the lines. The performance was enjoyed by the judges as he was awarded third place.

Brace 9: GLADE RUN IRISH— Tracy and KJ'S IRISH WHIZKY— Windom. IRISH had a non—productive early but continued forward with three good finds and finished the hour. Mickey had a bird early and then began to stretch out and was gone midway when the handler turned on the tracker.

Brace 10: GODFATHER'S LUCKY NICKEL— Chang and WHISKEY'S LITTLE TIP— Burchett. NICKEL had a non—productive early and near the end of the hour took out a bird to end his day. TIP had a nice forward application which rewarded him with four finds. Scout called point for the third find and it was a considerable ride for judge and handler to find him pointing the bird with perfect manners. He had one non—productive. He finished the hour and his performance was enjoyed by the judges and was awarded fourth place.

Brace 11: HEHI'S SLIM CHIPLEY— Burchett and ROLL ON MIS BELLA— Tracy. SLIM broke away and carried the edges to the front and he was hunting all hour. He had two finds with good manners. He finished the hour strong. This performance was enjoyed by the judges as he was named the Runner—Up Champion of the Mid American Brittany Championship. BELLA ROSE began her mission strong but finished early with a breach of manners.

Brace 12: RU—JEM'S 'LAST' PENNY— Tracy and TURNING POINTS SHENANIGANS— Burchett. PENNY had a bird early and then two non—productives and finished with one last bird near the end of the hour. SHANDI had a bird early with good manners and near the midpoint of the brace bumped a bird and went to the dog wagon.

Brace 13: ARROW'S TEQUILA RUSTLER— Milam and HOPE'S CHIEF OF CROSSCREEK— Burchett. Point was called for both dogs, but RUSTY took it out. CHIEF was sent on and midway through the hour handler elected to pick him up early.

Brace 14: ROMENCE'S TEXAS TWO STEP— Burchett and SPARKY PRAIRIE WIND GYPSY— Johnson. TESS was lost early. GYPSY was forward for the hour. She had two finds and was seen forward at the end of the hour.

Brace 15: SNIKSOH LITTLE DIAMOND— Johnson and FIRESTARTER'S CROSSED THE LINE— Tillson. KATIE had one good fine before her breach of manners on the second bird. TY had a find early and a non—productive. He had a dead bird retrieve which lessened his chances and went to the dog wagon.

Wesley Felt, Ed Tillson, Jessica Carlson w/ FC/AFC TEQUILA SCORCHER; Valerie w/ HEHI'S SLIM CHIPLEY, Bob Burchett, Hyatt Burchett, Tom Milam, Ken Patterson w/ AFC PINEY RUN JAKE; Bruce Bryant, (Judge) Tommy Thomas w/ FC WHISKEY'S LITTLE TIP, Chris Bryant (Judge)

Brace 16: JAGOUB'S BUZZ'N BAYOU— Tracy and SS RIG'S COLORADO GUN RUNNER— Milam. SKEETER had a bird early and before mid hour was lost. RIG was hunting forward and had three finds and non—productive and got hung up at the corner before the wood bridge and handler called for the tracker.

Brace 17: TLM TALL TALE— Tracy and REMCHESTER'S PREMIUM WHITE LIG HOOCH— Johnson. SAM had several early finds. The second half of the hour was shorter and handler elected to pick up. HOOCH had some early finds and was considered lost before the end of the hour.

Brace 18: KINWASHKLY TEMPO— Tilson and MK'S MAGNIFICENT BANDITO— Johnson. TEMPO had a non—productive midway and handler elected to pick—up before the hour. CHICO had an early non—production and finished the hour with two nice finds.

Brace 19: SHADY WAY'S JOKER'S HILL COUNTRY— Tracy and TOUCH OF BOURBON LITTLE CHUG—Johnson. STAN was lost before the midpoint of the hour. CARSON was rolling down toward the dam and had a nice find. He was released and moved forward until he lost contact with the handler and the tracker was used.

Brace 20: TEQUILA SCORCHER— Tilson and A TRACE OF BOURBON WITH DIAMONDS— Hastings. LINCOLN had two nice fines with great maturity shown on the flush and fire. He gained energy throughout the hour and finished strong. His performance was enjoyed by the judges and he was awarded the highest honor as Champion of the Mid American Brittany Championship. TRACE had two early fines and then at midway, point was called and we rode back across the dam to see a picturesque point. He lost some range after catching the front and finished the hour.

Brace 21: KASHMIR— Tracy and

STARLIGHT'S MERCURY OUT RYDER— Burchett. KASMIR was lost early. RYDER was picked up from a breach of manners.

Brace 22: CASTAWAY WILSON— Tracy and ANJ'S OHIO HELLION— Burchett. WILSON was lost early. HANK had a bird late and finished the hour.

This concluded the running of the 2018 MID AMERICA BRITTANY CHAMPIONSHIP.

WASHINGTON Ritzville, WA April 20—22, 2018

This was another great field trial finishing the three collaborative Brittany club events in Ritzville, Washington. The events started with the Whid Isle trial then the Inland Empire trial and finally the Washington Club trial. We had a lot wonderful dogs competing in our stakes and plenty of bird work. Friday we started running dogs and continued to run dogs thru Sunday. Overall the weather was good, however we still had some of the strong Ritzville winds.

Very few of our members have horses so, hosting a horseback field trial would not be possible without all our friends from the northwest Brittany Clubs participation. John Henderson graciously allowed us to utilize his horse trailer and truck to shuttle—dubbed “Equine Uber” horses and dogs around the unusually high Crab Creek. Nancy Nobel and her posse made amazing food again (we think some participants may come just to see what creative meal's she has come up with).

This was truly competition of the highest kind among bird dogs, most stakes were open to all pointing breeds. We enjoyed the enthusiasm among handlers—owners and congratulate all the folks who took home placements!

2018 Prairie State Brittany Championship

Prairie State Brittany Championship was hosted at the Sportsman Club located in secluded Grovespring, Missouri.

The Prairie State Championship is a long-standing venue; it originated in the mind and hearts of dedicated field trailers from the LaSalle Brittany Club initiating as a Northern Illinois Championship. It initially ran at a number of Northern and Northwest Illinois locations before moving to the Hunt Club in Southern Illinois and currently at the Sportsman Club in Missouri.

We would like to thank Purina for their continuing support of this championship. Many people contributed their time and other effort to insure this championship occurred without an issue. They included Jerry McGee, Field Trial Chairman, Donna Janulis Field Trial Secretary and provider of meals (Breakfast, Lunch, Dinner) for the entire venue. Assisting Donna with all the meals was Kathy Gulembo; Jill Schaffer and Valerie Burchett kept the hungry crew with delicious desserts during the entire competition. Joe Williams demonstrated his culinary skill providing the trial participants with a Mexican dinner.

Dave Capstick provided support with marshalling, bird planting, dog wagon driver and general informationalist. Tom Tracy and Tommy Thomas planted birds daily. Bob Burchett provided horse and rider transportation retrieving riders from the far ends of the courses after the final braces before lunch or dinner.

Ron and Kathy Gulembo were welcome additions to the competition and Ron was available for any chore that was needed and graciously assisted as requested. Prairie State supported the following venues: Open All Age, Amateur All Age, Open Derby, and Open Shooting Dog. The weather this spring had been very unpredictable and on Friday evening, we experienced flooding, with creeks impassable not only by horses and dogs but also vehicles with a complete washout of the road bridge heading to Grovespring's town center. Having lady luck with us the rushing water subsided the following day and the Amateur All Age broke away at 8 am.

Open Derby

Open Derby (Represented by the Bill Schreiber Memorial Trophy). The judges for this event were Ed Janulis and Dave Capstick.

The winner of this stake came from the 1st brace; Black Creek Whizki Skip. He was handled by Chad Holman and owned by John Hall. He broke away strong and continued in a far reaching ten and two pattern throughout the 45 minutes and had contact with birds on more than one occasion demonstrating his maturity to hunt the objectives effectively and his scenting ability. The runner up emerged from the 9th brace. SKF Willie's Miss

Mollie, owned by Mitch Sims and handled by Bob Burchett ran strong and hard, enduring the 45-minute length. She extended her range often stretching to the end of the fields. She showed maturity and independence during the entire brace. Mollie had good contact with birds demonstrating her future potential.

Tom Tracey handled the third-place dog; Upland Trail Blazer Scout. Scout, also coming from the first brace, ran a good race forward race, challenging himself in the big fields on the first course. He had the endurance to keep up a good pace through the forty-five minutes. He handled kindly for Tom in an independent manner.

WW's Miss Wendy Pfeffercorn handled by owner Burton Wise was awarded 4th place. She was broken away at the top of horse killer hill and gained momentum as the brace continued showing some nice moves (application, range, and handling) through Sycamore Valley. She finished the brace demonstrating her endurance.

Front Row, L-R: Tommy Thomas with TNT's Raise'n A Leprechaun, Stan Williamson with Ru-Jem's Last Penny and Chris McGee with Glade Run Irish
Back Row, L-R: Clifford Weaver (judge), Galen Cooper (judge), Jerry McGee and Dave Capstick

Amateur All Age Championship

Clifford Weaver and Galen Cooper made themselves available to judge this stake; their judgments were well accepted.

Many good dogs were entered in this stake and there were many good amateur handlers including one of the most distinguished and experienced Ray Trimble competed for these ribbons.

The winner, TNT's Raise'n A Leprechaun, owned and handled by Tommy Thomas, came out of brace 3. Dexter started on the third course and finishing with a strong forward run on

course one. Dexter had two finds, the first one occurring at the brush line adjacent to the double barns and the second before the bull pasture adjacent to the pond with all in order on both. In between bird contacts, Dexter handled well for Tommy while extending his range and applying himself showing his maturity on how he attacks the terrain to effectively hunt for game. His finish was as strong as his start.

The runner up was awarded to Ru—Jems Last Penny owned by Jerry McGee. Jerry handed the handling duties of Penny to Tommy Thomas. She ran hard and smart through the bull pasture and gained momentum through the remaining third course past the headquarters. She had her one and only find along fence line at the end of the bull pasture, a single quail. She finished the hour strong.

Third place was awarded to Glad Run Irish, also handled by Tommy Thomas. Irish ran the first course with a strong start through the river bottoms and forging past the double gates. He garnered two finds during his hour, the first being in the hedgerow at the far end of the field past the double gates and the second just before his climb of Horse Killer Hill. He handled both finds with style and discipline and finished the hour at a moderate pace.

Fourth Place was awarded to Perfect By Nature handled by owner Paul Rosevear. He was assigned the third course starting at the double barns and extending to the clubhouse. During the hour he showed independence and intelligence hunting to the front at a moderate pace. He had one find near the pond, handling the flush without any discretion.

manners in order. She continued forward through the creek crossing and again located game just prior to horse killer hill. A single quail was flushed with all in order and everyone ventured up the challenging side of horse killer hill. Penny continued her range and forward race through the high area and located one final quail on the fence line in Sycamore Valley. Handling this successfully the hour ended shortly thereafter.

Runner up was directed to Castaway Wilson, owned by Tim Huglen and handled by Tom Tracy. Wilson ran in the first brace. He started off strong extending through the open long fields towards the double gates. He scored two finds, the first occurring on the second cross tree line past the double gates. Here a small covey of quail was flushed, Wilson maintained his manners and posture and all was well. The second find occurred along the right tree line in the field approaching horse killer hill. A single quail emerged at Tom's urging with the dog holding fast. Wilson finished the hour to the front across the plateau and Sycamore Valley.

Third place went to Starlight's Mercury Out Ryder, owned by Teresa Richmond and handled by Bob Burchett. Ryder ran on the first course Wednesday morning, maneuvering the open fields displaying range, ground speed and intelligent hunting instincts. He was seen pointing along the fence beyond the double gates and handled the flush with no indiscretions. He finished the hour consistent to the front.

The judges awarded fourth place to Maxwell's Prickly Pete handled by Tommy Tracy starting on the second course. He started out in an acceptable manner and scored his first find along the tree line perpendicular to the road following the river bed crossing. He continued through the large valleys before the required turn towards the double barns. He finished the hour in a moderate and consistent pattern.

Open All Age Championship

We were honored to have two experienced gentlemen judging this event; Howard Burbach and Jarrett Bell. They were attentive and respectful and their decisions were embraced.

The winner of this completion was awarded to Ru—Jem's Last Penny, owned by Jerry McGee and handled by Tom Tracy. Penny ran in the first brace on Wednesday. She started out strong, no stranger to these courses extending her range through the double gates going forward. She was seen standing on point on the second cross brush line, Tracy flushed with all

Standing, L-R: Ed Janulis, Stan Williamson (judge), Joe Williams (judge), Jerry McGee

Open Shooting Dog Championship

The judges for this event were two well known gentlemen Stan Williamson and Joe Williams. Again, the placements were well received by all.

The winner was High Hope's Jac's Original Spice handled by Chad Holman. Ron and Kathy Gulembo attended Prairie State this year and witnessed her fine performance. She started off on the first course and hunted expertly along the edges of the long extending fields in a forward manner. She was located pointing on the cross-tree line past the double gates and as Chad scurried through the brush a covey of four plus birds exploded with all in order. Spice continued her journey through the creek crossing into the valley before horse killer hill where she again successfully pinned a small group of quail. Following a successful flush, she was released up the hill. She continued demonstrating her mature hunting instincts through the high country and down into the valley where she was spotted pointing in the adjacent hedgerow. Again, manners were excellent, Spice was released and the hour ended shortly following.

Runner up was awarded to TNT's Raise'n A Ruckus owned and handled by Tommy Thomas. Rae ran on the second course maneuvering the bottom land at a good pace and application. She scored three nice spaced finds, showing her ability to locate birds and her discipline of handling them with style. She ran the course well also displaying shooting dog range and maneuvering the country to locate game. Her ground speed continued well only slowing slightly towards the close of the hour.

Third place was given to Campbell's Razz-Ma-Tazz owned and handled by Frank Campbell. He also ran the third course starting at the double gates. Tazz ran consistent and steady for most of the hour only exhibiting a couple of slower moments. He had two finds, handling each encounter with good style and manners and continued to endure throughout the hour.

Fourth place was directed to Shot of Whizki handled by Chad Holman. He was released on the third course. He ran a good shooting dog course demonstrating range and application in a steady manner. He located one covey of birds along the right side of the course past the double barns. He had two other finds spaced through the third course behind the head quarters. He exhibited style and manners on all three finds. While completing the hour his range and speed diminished slightly as the minutes ended.

Southern Open Brittany Shooting Dog Championship

PRO PLAN

"The Southern Showdown"

Kent Cantrell, DVM

January 30, 2018 started the inaugural running of the Southern Open Brittany Shooting Dog Championship after four successful years as a shooting dog classic. Five years ago there was a plea made to the American Field for a Brittany shooting dog championship to be held in the southeast, as there was not one currently in this part of the country. The group involved in starting this event knew it had to produce by finding superior grounds that would show off the best of this breed's ability as a bird dog while running the country as a shooting dog. In this day I see the availability of quality field trial grounds, with multiple courses on native wild quail, diminishing before our eyes. With this in mind the Southern Open Brittany board of directors and participants express the upmost gratitude and appreciation to Larron and Laura Copeland for allowing us to hold this event on their well groomed Showtime Plantation. Larron continues to fine tune the courses and manage the bird population successfully. This year we had more bird work than the previous years, with one dog setting a stake record of six finds in an hour. The second most difficult task in putting on a quality championship is locating competent, experienced judges that are willing to sit in the saddle for days with full attention on every dog. Mike Moses is a successful field trial participant with many accolades such as winning the Amateur Free For All Championship twice, and noted as producing champions from his breeding program too. Larron Copeland sat in the judicial saddle alongside of Mike and really needs no introduction. Larron is a successful competitor in the American Field amateur all age world winning several championships, winner and runner-up in the 2017 Region 16 AA Championship along with amateur all age dog of the year a few years back with Saddle Up Sally. These are just the few accomplishments that I can recall about Mike and Larron in my finite career, as they can judge at any level and their decisions were well respected and accepted. We would also like to thank Greg Blair and Purina for providing Pro Plan dog food to the winners. I think we should all feed Pro Plan for the two simple reasons that Purina sets the standard in nutrition and provides overwhelming support to the field trial community. Hopefully we can get Greg Blair to this event one year so we can show our appreciation in person. No trial that has a continuous course can be run successfully without a dog wagon driver. This year it was Buster Harrington and we thank you!

The Winners:

The early mornings were plagued by fog requiring a delay in all three days in turning loose the first brace of dogs, but overall the weather was almost perfect for a field trial. The dog named Champion of this event was Shailorville's Gunner

from brace two on the second course. The second course is the tightest of the three courses and takes a dog that wants to run and stay with the handler. Gunner was unleashed at breakaway and barreled out of sight to the front for an extended period of time and was found on point at 15. It was a bold limb find, stood with nice style and manners, that burned a few minutes off the clock and Gunner then returned back to the front way ahead of Ben Lorensen, his handler. He hunted at moderate range, waiting for his handler and when Lorensen caught up, Gunner then rocketed out of sight to the front again making another big forward cast. Gunner's scout, Kyle Merrill, called point at 38 on another nice limb find after leaving a big field going into the piney woods. The third find was at 42 and all was in order with a nice high head and tail set. At 46 Gunner was found standing again with proper manners on the flush. The fifth find was at 52 and flawless. With a couple of minutes to go Gunner and his bracemate rimmed a large cotton field and were found standing at time in a tree line on the far side of the field. Point was called by Lorensen, birds were flushed and Gunner was congratulated by his handler on a spectacular performance. It was an exemplary display of bird finding ability that along with his run, made it easy for the judges to award Gunner as Champion.

The runner up in this event was Jake's Royal Legacy "Gabe" (Lorensen) who was in the 10th brace on course one. Gabe was noted as running a very nice shooting dog race, staying to the front and rimming the long field edges that this course has to offer. He had one find at 41, which was a single bird that he handled with nice style and impeccable manners. Gabe's race was strong and reaching, keeping the attention of both judges and the gallery, therefore being rewarded as runner-up champion.

The Running:

In the first brace I'm Your Man (Lorensen) ran a big shooting dog race, had two finds at 20 and 32, but made one large looping cast and ended up out of pocket for some time. Maro's Fille De La Bretagne (Perry) was running a moderate shooting dog race, had a find at 28, and was picked up after taking a few steps after the flush.

The second brace consisted of Shailorville's Gunner (Lorensen), the winner with his running already described, and Diamond Hill Work Hard Play Harder (Pollock). Ginn ran a moderate shooting dog race with three finds at 30, 35 and the last at time as a divided find with Gunner.

Piney Run It's A Smooth Ride (Lorensen) was picked up at 35 and Emma Tayshon was picked up at 55 in brace 3.

In brace 4 Piney Run Jake (Patterson) showed himself well

by running a stretching shooting dog race on course one with two nice finds at 18 and 24. He stood his first two finds with eye appealing style and good manners. Jake had the full attention of the judges and the gallery with his flashy ground race and style, until on a find at 36 when he took a few steps after the flush and was picked up. Finn MacCuhal (Lorenson) made some nice casts during the hour with two quality finds at 25 and 42. The judges made mention of Finn's performance as pressing and competitive to the winners.

Shailorville's Tucker (Lorenson) and StoneCreek Jack'D Up GTO (Perry) from brace 5 were both picked up and did not finish the hour.

Thomas' Dixie in brace 6 started out nice with a find at 7, standing with a high head and tail set. She then had a prolonged absence and the tracker was called at 35. Lorenson asked for the tracker at 45 for Piney Run Lilly.

Rainbow's Chik'N McNugget was picked up by Merrill in brace 7 at 45. Prime Time Full Throttle (Cantrell) ran a moderate shooting dog race with finds at 22 and 32, standing his birds with a high head and tail set along with good manners.

Nothin But Trouble (Carter) in brace 8 put on a nice display of bird work on course two with a pair of finds at 22 and 55. Trouble hunted hard and showed her typical eye appealing style while standing birds. Waypoint Chancey Big White Cooper (Merrill) ran a strong race and was found standing by Merrill's scout at 46. After a valiant flushing attempt Big White was asked to relocate and the birds got up less than 10 yards from where he originally stood. He was then picked up by Merrill.

Brace 9 included Chattahoochee AJ (Carter) and Kinwashkly Jd's Super Hero Merrill. Both dogs were picked up mid-way into the hour.

Brace 10 was Jake's Royal Legacy "Gabe" (Lorenson) and TJ's Black Diamond "Coal" (Perry). Gabe was the runner-up champion and his run already reported. Coal had a find at 18 with the birds lifting when the judges and gallery rode to the find. Unfortunately, Coal had two unproductives, one at 45 and the second at 58.

In Brace 11 Kinwashkly Midnight Rambler (Lorenson) was picked up at 45. Second Amendment (Perry) had a mishap at 45 following a covey that lifted and was picked up.

Marjo's Leftover (Perry) was out of pocket for a prolonged period

and the tracker was called for at 45. One Off Kalik Kip (Merrill) finished the brace without bird work in brace 12.

In brace 13 Sunrise In Tennessee "Misty" (Merrill) put on a fine display of bird finding ability with four bird contacts. The first was at 4 on a covey that remained elusive until the last brace of the trial. Misty showed eye appealing style on point in all four finds, then at 28 in a divided find with her bracedmate, decided to go with the birds after the flush. Palmetto Pointe's Autumn's Blazing Star (Lorenson) had one back and the divided find, also was too tempted and pursued the covey. Both dogs were put in harnesses and the running was complete.

The directors of the Southern Open Brittany Shooting Dog Championship would like to thank all of the participants for supporting this event and look forward to another successful event in 2019.

Presentations:

Searching for Genetic Risk Factors for Canine Epilepsy in Whole Genome Sequences. Presented by GS Johnson at the National Parent Club Canine Health Conference in St Louis on 8/12/17.

Report to Grant Sponsor from Investigator:

This study has two parts. Part 1 is to first use the DNA from epileptic purebred dogs to produce whole genome sequences and to identify potential breed-specific genetic risk factors that increase the likelihood that a dog will develop epilepsy. We proposed to generate and analyze whole genome sequences from at least 18 epileptic dogs. So far whole genome sequences from 23 epileptic purebred dogs have been generated and analyzed. Samples from five additional epileptic dogs have very recently been sequenced at a sequencing center in St. Louis, Missouri and we expect to complete the initial analysis of the sequence data from these five dogs in the next two or three weeks. The second step to part 1 is to select high-priority breed-specific genetic factors and use DNA tests to see if they occur more often in epileptic dogs than in non-epileptic dogs of the same breed. We proposed to evaluate at least seven high-priority breed-specific genetic factors. So far we have completed the evaluation of six of them, but none have proven to be genetic risk factors for epilepsy. Preliminary results for a seventh genetic risk factor, this one in English Setters, look promising; however, we will need to complete testing and statistical analysis to validate our findings. Work is just started on an eighth potential breed-specific genetic factor. In addition, we expect to evaluate additional risk factor candidates identified in the last five whole genome sequences.

The second part of the study is to analyze our entire collection of whole genome sequences from both epileptic and non-epileptic dogs to identify and genetic factors that increase the risk for developing epilepsy in multiple breeds. As soon as the final five whole genome sequences from part one become available, we will add them our database of whole genome sequences and begin work on part 2. Initially we proposed to evaluate 15-to-25 candidate risk factors. We expect new alternative technology to enable the evaluation of twice that many epilepsy risk factor candidates.

Original Project Description:

Epilepsy is one of the most common neurologic diseases of dogs and a top concern of dog breeders. Despite strong evidence that genetics is important in determining the risk of idiopathic epilepsy, numerous gene mapping studies have failed to identify a locus that accounts for that risk in either dogs or humans. Seizures occur when excessive activity goes beyond the normal threshold for brain function, many factors contribute to that level of activity, and therefore, mutations in numerous genes may collectively contribute to increased activity until that threshold is exceeded, resulting in epilepsy. Any one of these mutations may be present in non-epileptic dogs, but because it only partially alters activity, it would not produce seizures. Therefore, traditional gene mapping studies might overlook that mutation. Using a novel whole genome sequencing approach the investigators hope to identify DNA variations in epileptic dogs that could affect the function of genes such as ion channels and neurotransmitter receptors that have been shown to alter the seizure threshold in humans or rodents. The frequency of such variations in populations of epileptic and non-epileptic dogs will be directly compared rather than the indirect markers used in traditional mapping studies. The increased power provided by looking for specific gene candidate variations rather than linked markers will aid the identification of epilepsy risk factors, perhaps leading to development of DNA tests to enable breeders to select against such risk factors.

Event Operations

Event Operations would like to take this opportunity to update your club on changes in the sport, including items recently passed by the Board of Directors. Any questions should be sent to eventnews@akc.org.

Two Shows in One Day Program Changes

Effective January 1, 2019, two all-breed or group club events held on the same day and site will be required to limit their judges to 100 entries per event. Judges can judge a maximum of 175 entries/day according to the Rules Applying to Dog Shows Chapter 7, Section 13. This will help clubs run successful efficient events.

Canine Partner Catalog Listing

The AKC supports the ability of Canine Partner (CP) listed dogs to enter and compete in AKC Companion events. The AKC does not record a sire, dam, or breeder(s) on a CP listing. No official AKC documents, such as the event catalog, should list a sire/dam or breeder for CP listed dogs. CP dogs are identified with a MA prefix in their AKC listing numbers.

AKC Event Search & Results Updated

Based on customer feedback, the AKC Event Search & Results has been updated. (Go to <https://webapps.akc.org/event-search/#/search> to access webpage.)

Highlights of the updates include:

- The availability of a map-based state search filter on desktop, laptop, and tablet devices.
- The availability of a text-based state search filter on all platforms, including mobile devices. This is done by typing the state name, not abbreviation, into the text field in the location filter and selecting the state from the options presented.
- The ability to search based on a city and mileage radius is still available by clicking on the Search near City tab.

To make room for the map, a redesign of the page layout for the search filters. Most notable was the movement of the competition type filters into an accordion-type folder, a view that a user would have only experienced in the mobile device view in the previous version of the search.

The ability to use a map to search for events based on states was the number one request of our customers in our post-implementation feedback. We will continue to update the search to improve the experience for our customers.

How Does a Dog Show Work? Video

AKC is excited to release a new video we have created. We hope this video about how a dog show works will be a valuable tool for clubs to use when educating spectators and new exhibitors at their events. You can find this video on the AKC YouTube Channel.

NOTICE

In the May 19th issue of the American Field the below listed requirement is being implemented effective on July1, 2018.

Effective July 1, 2018 the Field Dog Stud Book is implementing an additional requirement for sires and dams. A sire that produces five litters shall be required to have a DNA profile on record with the Field Dog Stud Book, and a dam responsible for four litters shall also be required to have a DNA profile.

Adding Scent to Neuromuscular Stimulation of Puppies (Part 1 of 2)

Puppies are born blind and deaf, so they rely heavily on the sense of smell (1). Studies suggest that early brain training may accelerate development, taking advantage of this sensitive period. Starting at 3 days of age, we introduce scents of our litters of puppies daily, in addition to following the Biosensor (Early Neurological Stimulation) program (2) by Dr. Battaglia, Carmen. It kickstarts the olfactory and neurological systems and may result in earlier proficiency and improved performance over what would normally occur without intervention.

HOW TO INTRODUCE SCENT WITH EARLY NEUROLOGICAL STIMULATION

Once a day, handle each puppy separately from its mother and its litter. Perform these exercises, for 3-5 seconds each, while supporting the puppy so it can't fall:

1. Place puppy on its stomach on a cold cloth (that was kept in the fridge for 5 minutes)
2. Stimulate the toes of one paw with a cotton swab
3. Position his body so his head is straight up
4. Position his body so his head is straight down
5. Place him on his back, supporting him in your arms. (This is the last step in the original biosensor program. Step #6 is an important add on)
6. Hold the puppy in your dominant hand and place a new odor 1 inch away from the puppy's nose, for 3-5 seconds. If the puppy avoids the scent (by moving away), the exercise is over. If the puppy approaches the scent (moving towards it), I allow it to check out the scent for up to 30 seconds, then the exercise is over.
7. It only takes 2 minutes with each puppy and then you can return the pup to his dam.

WHY BOTHER?

The original biosensor program exposed puppies to thermal, tactile, positional stimulation. We believe that adding scent is an important addition for early development of scent dogs. Based on a small preliminary survey of experts, Avidog documented the age of titling or certification of scent dogs across many disciplines, including hunting, tracking, search and rescue, handler discrimination and nosework (3). Their results suggest that early scent introduction may result in earlier scenting accomplishments.

The evidence supporting Early Neurological Stimulation is sufficiently strong that canines in the US military being considered for scent detection are exposed to early neurological stimulation, to increase their likelihood of successful scent detection performance later in life.

This video (<https://vimeo.com/huntersheart/puppiesscentintroductionhuntersheart>) documents the introduction of a few odors with 8-day old puppies. You'll see a closeup showing the puppy's nostrils sniffing the scent. From days 3-16, we introduce: bird wings, bed bugs, pseudonarcotics, and scent detection odors. We aim for olfactory stimulation that cover many interesting, novel scents. But you can use whatever scents you have available, such as spices in your pantry e.g. caraway, vanilla extract.

The responses of puppies range from avoiding the scent, to approaching the scent, with some neutral responses such as going back to sleep. Entertaining highlights included some licking, barking, growling, and tail wagging. Jager (a 9-month-old bed bug detection candidate) allowed an interesting comparison in how he treated the scent. Regardless of the reaction of the puppy to the scents, early stimulation may yield significant results later in life, for minimal investment and risk.

In the next article, we'll explore the bioscience behind neuroplasticity and how you can use it to your advantage while raising the next generation of scent dogs.

A Little Competition

A Novella and Twenty-Two Short Stories

By Tom Word

Flash Grimm

“The mine shut down,” John Grimm said as he dropped his lunch pail on the kitchen table.

“Oh, my,” said Mary. She stood before the wood cookstove making gravy for the two grouse roasting in the oven. Their son Billy stared at his homework and said nothing. Talk of the closing had filled the halls of his school for more than a year.

It was October 1933. The

Depression had reached Tucker County, West

Virginia. John Grimm had been on short time for months.

The demand for steel, and thus for the coking coal to make it, had shriveled to nothing.

There were no other jobs in the mountains.

The lumber and paper industries were also devastated by the Depression and the rapacious cutting of trees that had started with the arrival of the railroads at the turn of the century. Wildfires had raged for years in the laps left in the mountains.

The Grimms ate their supper in silence. Mary inventoried in her mind the canned vegetables, fruits, and meats neatly arranged on the shelves of her basement, the potatoes, cabbages, and turnips resting in her root cellar, the hams and side meat that would hang in the smokehouse as soon as cold weather permitted the butchering of the two shoats fattening in the hog lot back of the barn. She took small comfort that these should get her family through the long winter ahead, with enough surplus to help any neighbor less fortunate. She gave silent thanks that John had diverted the strong spring creek that ran close by her garden plot for irrigation. It had been the driest summer anyone could remember.

With John’s job in the mine gone, there would be no cash for anything beyond flour, cornmeal, salt, sugar, perhaps coffee. Nothing for shoes, ice cream, the Saturday movies. She prayed they would not need to pay for a doctor or medicines.

John’s thoughts were of the debt he owed on their thirty-five acres of creek bottom and steep hillside pasture. They had moved to the farm from a company house in town in the spring of ’28, when the future seemed bright. They would surely lose the farm to foreclosure, and with it John’s dream of leaving the mine for full-time farming. He sensed with bitter irony that he would now be deprived of both means of livelihood. He’d had to sell their small

herd of beef cows and flock of ewes when the summer’s drought had made a failure of the hay and eight acres of corn he’d counted on to winter them. The barn now

held only their milk cow and draft team. He hoped to trade firewood for enough hay and corn to winter them.

He thought of firing up a still like the one that has sustained his grandfather in hard time, then dismissed the idea. Mary, a Baptist preacher’s daughter, would have none of that.

Billy had watched his father mark off the monthly mortgage payments in the ledger he kept in the top bureau drawer. The balance stood at \$1,010. It seemed to Billy all the money in the world. It seemed the same now to John, who had taken great pride in watching the balance fall, little by little, as he’d mailed off the monthly payments earned in the cramped, cold darkness of the mine.

When supper was finished, Billy went out on the porch where his dog Flash lay waiting for him. He took a seat in his father’s rocker. Flash walked beneath his right hand, resting his head on the rocker’s arm, hoping for a scratch behind the ear. Billy provided the scratch. Flash sensed his master’s sadness and leaned against his knee.

Billy was fifteen, Flash five. He’d come to Billy as a weanling setter pup, a gift from Mr. Philip Foster, the steel company’s vice-president in charge of mining. John guided the executive on grouse hunts for a week each fall.

Boy and dog had been inseparable, learning of grouse and grouse hunting together under the watchful eye of John at first, but soon alone. John believed that a boy should grow up independent and self-reliant. Now, Billy was an

accomplished hunter, and Flash an accomplished grouse dog. Grouse were about the only thing plentiful in Tucker County in 1933.

Flash's name was the same as John Grimm's nickname, which Billy had never used in reference to his father. It derived from John's job as ignition man for his shift's blasting crew in the mine. Mr. Foster had already named the pup and registered him in the Field Dog Stud Book as Flash Grimm when he delivered to Billy the squirming white ball of fur with gold ears.

Last fall, John Grimm has been injured by a rock fall in the mine, and Billy had guided Foster for his week of grouse hunting. Foster timed his fall shooting vacation around the full moon nearest the end of October. He chose this time to catch the woodcock migration through the mountains. Foster had admired Flash's work and Billy's guiding. At the end of the week, he had tried to buy Flash. Billy had told him Flash was not for sale at any price.

Next week, Mr. Foster would be back in Tucker County for his annual hunt. When John Grimm came out on the porch to smoke, Billy rose from the rocker so his father could take his habitual seat.

"Pop, can I take off from school next week and guide Mr. Foster?"

John dreaded the prospect of a week with Foster, the embodiment of his troubles. "Your mother won't like that," he said, permission implied in his tone. Billy was a good student and could overcome a missed week of classes. To John's surprise, Mary raised no objection. She sensed how painful it would be for John to spend a week with Foster.

Foster arrived at the farm at dawn on Monday. Mary had a big breakfast waiting—fried ham cured by John (Foster's favorite dish), fried eggs just laid by her hens, fried apples just picked by Billy from their orchard, biscuits with butter Mary had churned, and wild honey John and Billy had robbed from a bee tree on the mountain. Foster ate heartily, praised Mary's cooking, and inquired of John's whereabouts.

"He's helping a neighbor mend fence," Mary lied. John had walked into the mountain with his deer rifle to avoid meeting Foster, not with any prospect of getting a deer, for the herd had been nearly wiped out by hungry mountaineers.

The week's hunting went well. Flash pointed and retrieved grouse and woodcock for Foster in covert after covert known intimately by dog and guide. Billy and Foster shared lunches prepared for them by Mary, always choosing a ridge-top vista for their respite. During these breaks, Foster peppered Billy with questions about himself. Billy was reserved like his father and most men of the mountains, but he was equally polite, and so he answered the questions truthfully, though tersely. On their last day, Foster asked, "What do you want to do for a living when you finish school, Billy?"

"Be a professional dog trainer and a field-trial handler," Billy answered with conviction. Foster had ordered Billy a subscription to the American Field when he gave the boy Flash; he had renewed it every year since. Billy had never met a professional dog trainer or seen a field trial, but he followed the sport in the pages of the Field, especially the

exploits of setters related to Flash.

Then watch in his throat, Billy said, "Mr. Foster, are you still interested in buying Flash?" In minutes, Billy had in his pocket Mr. Foster's check for \$500.

At three, Foster had his limits. He insisted that Billy take his Parker for the walk back to the car. Billy shot two grouse and a woodcock over Flash's points without a miss. He turned away while Flash retrieved so Foster would not see the tears on his cheeks. Foster knew they were there, but he pretended he did not for the sake of Billy's dignity.

The ride back to the farm in Foster's car was the saddest hour of Billy's young life. Flash sat between them, tired but unwilling to lie down to rest and miss the sights of the road. Billy looked out the right window to hide his moist eyes from Foster. He envisioned going to bed every night without Flash sleeping at its foot, and his spirits sank deeper.

John was absent when they reached the farm, as he had been each morning and evening of the week. Mary met them on the porch, and Billy hugged her and slipped her the check. He hoped it would be enough to stave off the farm's foreclosure.

Foster thanked Mary again for his breakfasts and lunches and gave her an envelope containing generous payment for the meals. He gave Billy another with the usual \$3 per day for guiding. He complemented Billy's guiding and good manners to Mary, which caused her to swell with pride (especially the remarks about Billy's manners). Then Foster turned to walk to his car.

"Give my best to John, please. I hope he will soon find work. When the mine reopens, and I hope and believe it will, he will have his old job if he wants it." It was the week's first mention of what had happened at the mine.

Billy followed Foster to the car, and when they reached it, he called to Flash, now sleeping soundly on the porch. The setter lifted his head in puzzlement, then rose and trotted to Billy's side. Billy knelt and hugged him, grasping his collar to guide him onto the seat.

"No, Billy. Flash stays with you. I'll send you \$5 a month for his board. You will keep half the stud fees—I expect there will be quite a few now that his sire is dead. I'll be talking him up in Pittsburg and advertising him in the Field. See if you can get him steady to shot, and we'll enter him in a trial or two in the spring. You are a professional dog man now."

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity

to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
