The American Brittany

VOLUME LXX • NUMBER 6 • JUNE 2018

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

IOWA Union County Ranch Thayer, IA April 6-10, 2018

The annual spring horseback field trial for the Iowa Brittany Club was held at Union County Ranch the first full weekend of April. The ABC Central Futurity preceded this event, so entries were up for both the field trial and the Specialty Show held in conjunction with the trial. Weather conditions were relatively pleasant on Thursday, when the Futurity field event was held, but changed overnight to bitterly cold and windy conditions, with blowing snow, for much of the weekend. We want to thank our judges especially for their many hours in the saddle in such weather to judge the 148 dogs that competed over the 3-day period, plus an additional 26 that ran in the Ed Powell Memorial Classic/Iowa Brittany Shooting Dog Championship, described in a separate report, below.

Although the weather was difficult for humans and their mounts, the dogs didn't seem to mind all that much. The 29-dog Open All Age was won by FC/AFC Firestarter's Crossed The Line, owned by Andi Christensen and handled by Ed Tillson. FC/GAFC/AFC ANJ's

Ohio Hellion, owned and handled by Mike Poehler took the blue in the 13-dog Amateur All Age stake. The large (38-dog) Open Gun Dog stake was won by Starlight's Mercury Out Ryder, owned by Teresa Richmond and handled by Bob Burchett. Wayne Pepin handled NGDC/DC/GFC Hope's Chief Of Crosscreek to the blue over 16 other dogs in Amateur Gun Dog. Both juvenile stakes were quite large with Sniksoh Diamond Jack winning the 22-dog Open Puppy and Stellar Fifty One claiming blue in the 33-dog Open Derby. Jack is owned by Jeff Hoskins; Stella's owners are Barry and Petra Steinmetz. Both dogs were handled by Bob Burchett.

One new feature to the grounds at Union County Ranch is a new building, thanks to owners Linda and Tommy Thomas. This spacious facility served as the on-grounds show site for the Futurity show and Iowa Specialty on Friday night, plus it allowed participants to get out of the weather and huddle around the heaters for warmth.

Despite the weather, the trial went very smoothly, thanks to the many members and participants who helped with the myriad details involved with staging such an event. Chairman Kendall Brown kept things moving. Bruce Heiter, Roger Stowell, Marty McVey, Bob and Val Burchett, and Charlie Pearson planted and fed birds, wrangled dogs for the dog wagons, served as road guards, and marshaled courses. Many thanks to them all.

Ed Powell Memorial Classic/Iowa Brittany Shooting Dog Championship April 9–11, 2018

Reported by Ken Windom from Judges' Notes

Monday morning, April 9, saw the 11th renewal of the Ed Powell Memorial Gun Dog Classic, and the 3rd year of this stake being recognized as the Iowa Brittany Shooting Dog Championship. The venue for this event is the Union County Bird Dog Ranch near Thayer, Iowa, an area of some 1,000 acres of rolling hills and tree-lined draws. Twenty-six dogs competed, under the watchful eyes of judges Dennis Sullivan of Fox Grove, IL and Gailen

Cooper of Oak Grove, MO. Both men have long been involved with bird dogs and are well-respected in the sport.

Spring trials in the Midwest are notorious for variable weather, and this year was no exception. The weekend trial preceding the Championship saw bitter cold temperatures, strong winds, and horizontally-blowing snow. Dawn on Monday of the Championship had temperatures hovering around freezing, with a foggy haze providing enough moisture to make the ground slick and the visibility poor. As a result, the start of the stake was delayed until noon. The first four braces ran Monday afternoon, with the remaining 9 braces running in normal fashion.

This year's winner is FC Sniksoh Little Diamond, a six-year-old female, owned by Tom and Jane Wonderling and handled by Scott Johnson. Katy was in season and drawn to run in the last brace. She really had on her running shoes this day, covering the course thoroughly and completely with a fast, snappy, forward race. She was rewarded with 4 well-spaced finds, all handled with exquisite style and manners. Runner-up went to CH Almaden's Under Lock And Key, six-year-old male owned by Emmy and Noah Wollenberg of DeForest, WI, and handled by Ed Tillson. Oudi, as he is called, ran in the eight brace and put down a strong, forward race with 8 mannerly finds. Third place went to GCH/DC/GFC/AFC TNT's Raise'N A Ruckus, 9-year old female owned and handled by Tommy Thomas. Rae ran in brace 6 and had a pattern that showed a high level of maturity. She scored finds at 7, 13, 25, 32, 40, and 50, pointing her birds from considerable distance. Rounding out the placements was DC TurningPts Landslide, six-year-old male owned by Julie Nelson of Batavia, IL and handled by Bob Burchett. Mack ran in brace 4; he put down a pleasingly forward race at moderate range with finds at 33, 43, and 58 and a good, forward finish.

Brace 1: A Trace of Bourbon with Diamonds (Trace)/Rick Hastings and Georgia Drive By (Drive By)/Bob Burchett.

The first brace broke away from camp going north. Trace covered ground well, although his pattern was not what the judges were looking for. He carded four finds at 18, 32, 45, 52, plus a back at 3. Drive By had finds at 3 and 15 but failed to back at 18 and was picked up.

Brace 2: Lost Creek A Shot Of Bourbon (Streak)/Susan Januschka and Crosscreek Sanbar We Just Couldn't Say No (Dylan)/Bob Burchett. The dogs broke away from the keyhole going west. Streak had 2 finds and was putting down a strong race but failed to stop on a wild flush and was picked up.

Meanwhile, Dylan was a bird finding machine, with finds at 1, 2, 4, 10, 12, 25, 27, 31, 32, 49, 51, and a back.

Brace 3: Sovereign Chasing Legends (Hobey)/Bob Burchett and MK's My Lil Ammo (BB)/Scott Johnson. Brace 3 left from camp going north. Hobey worked at moderate range. He had a find at the finger south of the Johnny house and one non-productive. He finished the hour. BB covered a lot of property but was a hand-full to keep to the front. She had finds at 2, 17, and 22, but was out of pocket at 48 and handler picked up as they approached camp heading south.

Brace 4: TurningPts Landslide (Mack)/Bob Burchett and Firestarter's All In (Booker)/Ed Tillson. The brace broke from the keyhole. Mack's performance was described above. Booker worked a forward pattern, but not at the same level as his bracedmate. He carded finds at 4, 10, 17, and 20, and was credited with a back at 8.

Brace 5: Hehl's Slim Chipley (Slim)/Bob Burchett and Grade 8 Bolt (Bolt)/Scott Johnson. The first brace Tuesday morning broke away from camp going north. Slim worked forward but had a mishap around birds and was picked up at 12. Bolt couldn't seem to get it together today. He had birdwork at 10 but was picked up later in the brace.

Brace 6: TNT's Raise'N A Ruckus (Rae)/Tommy Thomas and Rocklan's Chasing Mtn-Aire Dreams (Chase)/Bob Burchett. The dogs broke away from old barn site on north end of the course. Rae's performance was noted above. Chase had a back at 7 and a find at 11 but took a hop at the shot and was picked up.

Brace 7: Ammo's The Show that Never Ends (Emmy)/Bob Burchett and Hoochie Coochie Man (Karl)/Ed Tillson. This pair broke away from the old horse corral. Emmy scored 3 finds, but also suffered 2 non-productives and was picked up. Karl's ground pattern was erratic on this day. He had finds at 9, 27, and 36 and a non-productive at 55.

Brace 8: Wild Mountain Masterpiece (Monet)/Bob Burchett and Almaden's Under Lock And Key (Oudi)/Ed Tillson. The first brace after lunch Tuesday broke away from camp headed north. Monet failed to back at 12 and was picked up. Oudi's performance has been described above.

Brace 9: Starlight's Mercury Out Ryder (Ryder)/Bob Burchett and TNT's Sirius Renegade Buddy Boy (Buddy)/Tommy Thomas. The dogs were released from the old horse corral. Ryder could not seem to get it all together today. He scored a find at 15 but suffered an indiscretion later and was pick up.

Buddy could not seem to get untracked. He exhibited an indifferent pattern through the early part of course, then pushed a bird at the west end of the property and was picked up.

Brace 10: Touch of Bourbon Little Chug (Carson)/Scott Johnson and Turning Points Shenanigans (Shandy)/Bob Burchett. This brace broke away from keyhole. Carson had a find at 9, but had trouble negotiating crossing going to the north, then disappeared again in the NW portion of the course and handler pulled the locating device. Shandy scored one non-productive, and 5 quality finds, but hopped on the 6th find and was picked up.

Brace 11: Hopes Chief of Crosscreek (Chief)/Bob Burchett and Coco Dot (Coco)/Scott Johnson. This was the first brace of Wednesday morning. The dogs broke away from camp going north. Chief backed at 3 but failed to stop when a bird flushed in front of him at 12 and was picked up. Coco had a find at 3 but broke during flush.

Brace 12: Sandbar's Legendary Evening (Hershey)/Bob Burchett and St. Clair's Prince Rocco Vulcano Leo (Rocco)/Scott Johnson. Break away was from the old barn site heading west through the alfalfa field. Hershey suffered a bird mishap at west end of the alfalfa field and was up at 6. Rocco worked at moderate range and had multiple pieces of bird work at 5, 9, 12, 23, 32, 41, 46 and 52. His pattern and application today were not on the same level as the placing dogs, however.

Brace 13: – Sniksoh Little Diamond (Katy) Scott Johnson and KJ's Darlin' Darcy (Darcy)/Ken Windom– The final brace broke away from the old horse corral. Katy's winning performance was detailed above. Darcy also had her running shoes on. She was found standing along the tree line near keyhole. After a long flushing attempt she circled the end of trees and stood for a stop-to-flush in good fashion. She later had an additional find but released herself and was picked up.

2018 Western Brittany Shooting Dog Championship

The Crooked River National Grasslands field trial ground is one of the most scenic in the Northwest. To the west stand snow-covered volcanic peaks — Mt Jefferson, Three Sisters, to the north majestic Mt Hood. Our weather this spring was cool with only a few light showers, partially overcast and just enough wind for plenty of bird work.

Judges for the event were Dr. Robert Rankin, immediate past president of the American Brittany Club, from Oklahoma, and Tim Schillereff, a noted dog trainer from Portland. Both judges are very experienced and with a trained eye that comes from many years of training and judging bird dogs.

As in the past, we received generous support from Purina which is very much appreciated.

Brace One: Kiger Hills Dixie on Fire (Dixie) handled by Mark Shearman and Quail Rock Too Tough (Duke II) handled by Paul Doiron. Both dogs ran hard, consistent races with a minimum of handling. If anything Dixie required a bit more direction from Mark than Duke did From Paul. At 25, Dixie had her first find with Duke close behind with a stylish honor. All was in order. At 37, Dixie had a find with Duke following up with a very stylish point at 40. At about 44, Dixie went to the top of water trough hill and pointed a bird right on top. Duke followed up with a bird at 54, further down the ridge on the home stretch to camp, again with one of his classic, stylish and very intense points. Both dogs finished strong —

WEST COAST

**OREGON
 Madras, OR

Dixie with a total of 4 finds, and Duke II with two finds and an exceptional honor.

Brace Two: Staley's Orange Outlaw Mr. Cooper (Cooper), Jason Staley, handler and MTB Spicenson Captain Ryan, handler, Tom White. Both dogs tore off to the front were out of sight for several minutes. Cooper was found standing at 9, a bird was produced and all was in order. At 33, Cooper had a second find and again handled the flush and shot with style. Ryan was in close proximity of Cooper's point, but either failed an opportunity to demonstrate his honor, or just did not see his bracemate. At 41, Ryan had a nice find west of the last water barrel and handled it with aplomb. Cooper, meanwhile, disappeared for an extended length of time, and the scout was instructed to go back and find him. Under intense pressure, the scout and handler worked to produce Cooper and did so at about 47. At 51, Ryan had as second bird in the homestretch and handled it well. Cooper had a very nice ending well to the front, Ryan shortened up a bit, but finished well.

Brace Three: Leona Valley's Sonny Red Side Up (Red) handled by Paul Dorion and Larry Sandusky handling Zip's Moondance Kid (Skeeter). This brace ended prematurely when Skeeter and Larry had a difficult time with a running bird for their first find. Skeeter self-relocated then bumped the bird – an unfortunate situation. Paul continued to run Red, but picked him up several minutes later as he was not pleasing Paul.

Brace Four: Cedar Creek Hawkeye (Hank), Joe Waitman, handler and MTB Scipio's Hot Shot of Whizki (Cali), Tom White, handler. Both dogs broke away strongly to the front. At about 9, Cali was found standing on top of the first hill to the north. Hank, uncharacteristically, came in, bumped the bird, and chased it for about 5 steps before realizing this was a broke dog stake. He was picked up, but made Cali look very good with her standing through the entire bump and chase. Cali had a second bird at 12 and looked great on it. This was Cali and Tom's finest part of the brace. From there, Cali led Tom on a meandering voyage around the course – Cali showing her strong desire for independence and Tom his need to stay in contact with Cali. She finished very strongly, but it was more of an all age performance than a shooting dog show.

Brace Five: Hideaway's White Smoke (Smoke), handled by Jason Staley and K Nine's on the Loose (Lucy) handled by Paul Doiron. Smoke's race ended early when he failed to honor Lucy's first find at 16. Lucy went on to have a second find at 18, a non-

productive at 20 and a second non-productive at 47. Her run was very forward and snappy and she finished very strong.

Brace Six: North Umpqua's Cinderella Tri Lady (Cinder), handled by Paul Doiron and Jancee's I'm It (Tag) handled by Jason Staley. Both dogs broke away to the front fast and energetically. At 21 Tag was seen in hot pursuit of something and the handler either saw more than this reporter or just did not like the race and picked up. At 22, Cinder also appeared to be chasing a bird and the handler picked up, thus ending the first day.

Brace Seven: The second day started with a light rain and 48 degrees. First dogs up were Christie's Im a Jakester (Jake) handled by Steve Ball and Hideaway's Mountain Time (Jesse) handled by Jason Staley. Both of the dogs looked very good at the start out about 350 yards and strongly forward. Jessie pointed first at 8, and took one pretty good hop at the flush. At 17, Jessie pointed a second time and found the bird upon relocation; however there was too much movement at flush and the handler picked up. Jake looked very good going forward on the ridge and had a non-productive at 28. He did make several significant back casts, which hurt his performance. At 40, Jake had his first point, and he looked very stylish on it. At 44, the judges rode up a bird right in front of Jake,

Go (Allie) handled by Paul Dorion and Mr O, handled by Jim House. It was still lightly raining. Both dogs broke away forward. Mr. O had a non-productive at 11 on top of the first hill. Allie started pretty independently and running large. At 27, this brace ended early when something happened that was not good and both dogs were seen chasing the same bird.

Brace Nine: Spanish Corral's Chica Nevada (Chica) handled by Frank Bright and Alder's Sophie Brook handled by Dan Campbell. Both dogs started forward and fast. At 11 Sophie broke on a bird at flush and was picked up. At 18 Chica was on point and the bird was walking around, at which point Chica self-relocated and ended her competition.

Brace Ten: Sonny's Hot Summer Breezy (Breezy) handled by Paul Doiron ran as a bye dog. Breezy had a total of 4 finds at 9, 11, 30, and 48, and looked good on all of them. However, she constantly fought the wind, which shortened her range considerably. While she hunted hard and with very good ground speed, she never really got opened up.

The Oregon Brittany Club thanks Purina for their generous support and all the bird planters, handlers, marshalls, and others that made this great championship run like clockwork.

L-R: Dr. Bob Rankin, judge; Paul Doiron with Quail Rock Too Tough; Dan Campbell Sydnee, Jason, & Emree Staley with Orange Outlaw Mr. Cooper; Judge Tim Schillereff; Mark Shearman with Kiger Hills Dixie on Fire; Peg Doiron with K Nine's On the Loose

but he stopped, stood the flush and looked impressive. At 46, Jake pointed a third bird and all was in order after a nice relocation. At 56, Jake had a fourth bird in a juniper tree, and all was in order. At 58, Jake had a fifth bird just past the half-way point on the course. He finished forward.

Brace Eight: K Nine Finale's Way to

KEEGAN

The Brittany With Her Own 100 Mile Ultra-Marathon Buckle *As told by Brooke Burlingame*

Let me tell you about my husband Aaron and his dog, a Brittany named Keegan.

When Aaron and I married, he wanted a hunting dog. I found him a partially trained, English Springer Spaniel named Tona. In the spring of 2007 my husband was deployed to Iraq for 18 months. Right after the half way mark, Tona got horribly sick and sadly, I had to euthanize her.

After being stationed overseas for 3 years we returned to Fort Bragg, NC. Aaron was once again deployed when a new dog, a Brittany, came into the house. Keegan (CH Dogwood Hollow When Irish Eyes "R" Smiling) was supposed to be my show dog. Keegan finished her championship our first weekend out. I got word that Aaron had been injured, would need surgery and was returning to the United States.

Aaron's ankle would have to be rebuilt and he might have to be medically discharged because doctors didn't think he would be able to run and pass PT tests afterward. Aaron had always wanted to run a marathon. The doctors told him: "No, you will never do anything like that in your life. Your ability to jog will be very limited and hopefully we can give you enough function for your PT test."

From the time Keegan came into our lives, Aaron ignored her every day and every way he could. In his words: "... he didn't want to go through that pain again." Unbeknownst to us, Keegan was plotting. After Aaron's last deployment he came back with some challenges: he couldn't be in crowds, he was hypervigilant and stress was hard on him so he paced. He was not adjusting well outside of the war zone. That is when Keegan stepped in as an emotional support dog and started to push him away when he was over stressed. She was determined to be his dog

one way or another. After a few more months of pushing, he finally realized that she was indeed his dog. They have been inseparable ever since.

Aaron told that doctor he was going to run a marathon by the end of the year, so he and Keegan started training. The effort to train is hard. They run at least 50-70 "fun" miles a week to stay in shape. Keegan gets her hips x-rayed every few months to make sure she is okay and not hurting any bones.

Sure enough, they finished a 26.2-mile marathon. Ultra-Marathons and trail running were next on the list. Aaron has always run according to Keegan and her pace. If she can't finish, they leave together. Aaron told me: "It's all about who I'm running with and not about finishing the race." To date, they have finished multiple 100Ks (62.1 miles) and 50Ks. While Aaron has completed 100 milers it wasn't until this year he felt Keegan was ready for her own Ultra Marathon Belt Buckle. Keegan has since finished 100K, 50K, 50 miles and recently received her coveted Buckle for the 100-mile Ultra Marathon.

Lots of running groups in the south have run "with" or past Keegan "Ultra Pup". They run with Aaron to talk to him about her and think she is just amazing. People might not remember Aaron, but they all know Keegan.

Keegan turned 8 in March so sadly, it is time start for her to wind down and that's why this was really her last chance of a 100-mile buckle. It is a slow process to bring her running down. Aaron has to watch that her extra muscle mass does not turn into fat. He figures she will just do normal walks and up to ten miles by the time she is 10. While the process of finding a new running partner lurks in his mind, for now, he feels it's like cheating on her. Talk about the versatility of the Brittany!

Taking Care of Our Foundation

The American Brittany Club

The protector, historian, and the organization that governs our Brittanys.

Keeping the Brittany Forever a “Dual Dog”

Submitted by: Bryce Novotny

Our breed is graced with dogs that excel in the field for the hunter, in field trial and testing competitions of various venues, in obedience, agility, tracking and numerous other competitions. The truly great thing about our breed is that while our dogs prove to be great performance dogs across many venues in the AKC and other registries, these same dogs also excel in the conformation ring. We are lucky to be a part of a breed that is talented in so many venues and with so many choices for the Brittany owner to participate in with their dog! The American Brittany Club has done an amazing job at preserving the versatility and multi-purpose function of our breed and we should all be proud to be a part of this organization. We've all played a part of where the breed is today.

In the American Brittany Club, as with any organization, there is always room for improvement and development. This article isn't to discuss the issues or problems within the ABC, but more a set of ideas that will help strengthen our foundation. This will help the club to develop and grow for the sake of preserving our breed.

Coming from the real estate industry, I can best create an analogy of the ABC to a house. You have a foundation, you have the frame and drywall of the house giving it shape and a roof, and then you have the finishings – that is the paint, counters, light fixtures, furniture, doors, and all of the other tiny touches that really make a well-designed house come together and flow. Laying a strong foundation and frame are the keys to having a home for the ABC that will continue to withstand the tests of time. The foundation, and most important part of the American Brittany Club, is the Membership. Without a strong foundation, the house will fall apart. Without a membership, there is no American Brittany Club. Without members, our club fails to function and without the club functioning, the Brittany is no longer preserved as we know it today.

The frame and weight bearing beams of the American Brittany Club's home are the Regional Clubs. The Regional Clubs have the most direct contact with the membership, much like the frame and weight bearing beams of a house have the most direct contact with the foundation. The weight bearing beams and frame of the house are also only as strong as the foundation they are placed upon. The American Brittany Club is only as strong as the membership and Regional Clubs that hold it up and the Regional Clubs are only as strong as the memberships that hold them up.

When you look at the American Brittany Club this way, you can see why we should always be trying to strengthen our membership and you can also see that the Regional Clubs have

the most direct contact with much of the membership. There are numerous ways that the Regional Clubs can be helping the membership strengthen. This helps build up not only the individual Regional Clubs, but the American Brittany Club as a whole. Let's look into some starting points for growing our membership and strengthening our Regional Clubs.

Marketing

The first step in building membership on the regional level is to create marketing funnels for potential new members. This is going to be where you set your club up with the opportunity to make initial contact with prospective new members. These potential new members can be from a variety of sources and each Regional Club is going to need to evaluate the best avenues to focus on based on their region.

Social Media is a great and free way to market your club and an interactive way to keep your members involved. Many times, existing Brittany owners do not know that there is a Brittany Club in their area and coming across an article or picture on Facebook may perk their interest. Create a Facebook page for your Regional Club and try to make a post on it at least once or twice a week. These can be pictures provided by your members, sharing articles from other sources to the page, Happy Birthday wishes to your members, updates about events, and the list of creative ideas could go on. Your current members will enjoy keeping in touch with one another more easily and potential new members can see the fun in the activities posted.

Other Clubs & Organizations in your area are a great source for potential new members. Gamebird Society Chapters are in most areas and made up of people interested in preserving habitat for game birds. Make a list of the Ducks Unlimited, Quail Forever, Pheasant Forever, and Ruffed Grouse Society Chapters in your Regional Club's area and contact them for a calendar of their events and banquets. Your current membership may be interested in joining the game bird society (if they have not already) and the game bird societies usually have a good number of members with pointing dogs that would be interested in participating in training days, seminars, and possibly even competition if they enjoy it. You could always offer something for their raffle table at their banquet and they could offer something to raffle at your events.

Another good source of clubs to look into are other local pointing breed clubs and obedience/agility clubs, Dock Diving Clubs, NSTRA and NAVHDA Clubs. Whether the people in these other clubs have a Brittany or another breed of pointing dog - if they are already a member of another club, chances are

they would be happy to have more events nearby to participate in with their dogs. Touch base with these other clubs, ask to speak at their next meeting. Present your Regional Club as a chance to have another nearby set of events. If they don't have a Brittany they may not be interested in your upcoming specialty show, but I can promise you that they would be willing to help to have another nearby trial or test to run their dog. You should encourage your members to join their clubs and both clubs can benefit from everyone working together. We'll forgive their momentary lapse of good judgement when they decided on a German Shorthair – just make a note on their membership application to convince them into a Brittany for their next puppy after they join your Regional Brittany Club.

Regional Events are another great way to promote your club. There may be a Hunting and Fishing Expo or the nearby sporting goods store may be holding a Local Vendor Day. Offer to do a Meet the Breed with your club members. It is a great opportunity for potential Brittany owners to meet the breed and learn what we do. Your club may gain some new members and maybe even inspire a few soon-to-be new Brittany owners.

There are a multitude of avenues to bring in new members – I would recommend creating a committee within your Regional Club to handle marketing and a calendar of events. These should be events of interest in the Regional Club's area. This committee can also manage the social media account, and coordinate working with the other event coordinators to help each other's organizations out. You may even have this Membership/Marketing Committee provide an update for meetings and encourage all members to help grow the club. Breeders providing gift memberships to puppy buyers could be another way to encourage new Brittany owners to get involved!

New Member Outreach

Since we've discussed developing a club marketing funnel and capitalizing on potential new members for the club, we also need to discuss the basics of marketing: Initial Contact and Follow-Up. First impressions are important, but so is the follow up. People want to be a part of organizations that they can get involved in and participate. You don't want to just get their first-year membership and forget about them. Keep inviting them to events and get them involved. The members that get involved in their regional clubs are the ones that stay in it the longest. Following up with new members and continuing to invite them out also makes it clear that the club cares about their involvement and wants them to be a part of the fun – and that's not just a marketing ploy! If you care about the breed and you care about the club, you genuinely should want new people to get involved all the time. Remember this when you are introducing yourself to potential new Brittany people and remember this when a stranger asks about your dog next time you are at the park. Ask for their e-mail, tell them about the club, and follow up with them! You could even have the Membership Committee mentioned above, oversee following up with new and potentially new members. A strong membership creates a strong Regional Club.

Just remember – Initial Contact and Follow Up. Encourage the new people to participate in events and training days. Participating members stay involved. Also, always set a good example for yourself and what we do. With all the "Adopt, Don't Shop" propaganda out there, we need to make sure we are setting great examples of our sport.

Calendar of Events

Make sure to keep events on the calendar for your club. Whether that is a training day or fun day, seminar, actual point earning events, or dinners – keep enough things on the calendar that your membership has something to look forward to. If the club becomes inactive, your current membership is going to look for a more active club to spend their time participating in. You also always want something coming up soon to invite new people to. The last thing you want to do is try to tell someone a reason to join your Regional Brittany Club and then not be able to tell them when your next calendar event is. If there is a certain event or seminar that you would like to see – mention it at your next club meeting. Everyone that is a member of a club pays their dues and has a say so – so speak up and propose the ideas that would help you enjoy the club just that little bit more! Discuss the idea and plan it!

While on the topic of events, be sure that your Regional Club is always promoting an ethical and positive atmosphere. You're never going to grow a membership in a toxic environment. New people and people who have been around for years are not going to want to be a part of a club that is constantly fighting. Many of us that have been doing this for years can get competitive and competition can bring out the best and worst in people. Healthy competition is good for the breed, but always be cautious about it getting out of hand. Unsportsmanlike conduct, fights, mistreatment of animals, or uncleanliness are a few examples of things that can significantly hurt a club and our sport. The AKC has a set of rules for proper etiquette and a proper procedure when things go wrong. I would not recommend writing everyone up for every little infraction if it can be resolved more easily, but also do not tolerate bad behavior among your members. Sometimes forcing one or two toxic people to play nice or not play at all will open the doors to all the people they may be alienating through their bad behavior. Everyone needs to remember that we do this because we enjoy it and keep it fun.

In finishing, create marketing funnels for your Regional Club to bring in new people, make great Initial Contact and Great Follow-Up, keep a calendar of events for your club, and promote a fun and positive atmosphere. At your next Regional Club meeting discuss creating a Membership Committee to handle these Membership-Building steps and marketing. The 2nd Vice-President and her Committee can also assist you with further ideas to help strengthen your club, as we are here to assist you and the membership!

HUNT TESTS

GREATER ST. LOUIS **Whetstone Conservation Area** **Williamsburg, MO** **March 17–18, 2018**

The Greater St. Louis Brittany Club held its Spring Hunt Test on March 17 and 18, 2018, at Whetstone Creek Conservation Area in Williamsburg, Missouri. We had 19 starters on Saturday and 21 starters on Sunday, consisting of five different breeds. Entrants were from Missouri, Illinois and Kansas. The fields were pretty muddy due to the recent rain, but we had a great time and saw some good dog work. We passed out three Master Hunter ribbons over the weekend. We had eleven dogs qualify on Saturday, and thirteen dogs qualify on Sunday.

Two Junior Handlers entered our Hunt Test this year. Cole Nelsen was very excited to participate in his first AKC event ever. Cole's dog, Gracie, had a qualifying run on Saturday for the Junior Hunter Advanced test. He was elated to take home his first ribbon! On Sunday, Brock Banze entered with his dog Gabby. Brock and Gabby received a qualifying score in the Junior Hunter test on Sunday. Brock enjoys coming to Hunt Tests with his grandfather, Roger Obrecht. The kids had a great time and made some new friends. Both Cole and Brock did awesome, and we hope to see them back again in the fall!

Thank you to the Hunt Test Committee, judges, gunners, club members and all of the entrants who helped make this event a success! A special "Thank You" to Keith Willis for all of his help in making this event happen.

The American Brittany Magazine is ringing in new changes for 2018

We're adding **"Breeders"** to our Listings - The Brittany magazine reaches approximately 2000 homes across the United States and beyond. This is the perfect opportunity for everyone to know who has available litters and what type of puppies you might have available (field/show/hunting/pet).

Breeders are invited to promote their litters just as we do for Kennel/At Stud/Trainers & Handlers ads - \$60 per year for a standard ad (6 lines); \$10 each additional line.

This will also be listed on the ABC website!

 PURINA
PRO PLAN

2018 ABC Prairie State Brittany Championship

 GARMIN

The Prairie State Brittany Championship was hosted at the Sportsman Club located in secluded Grovespring, Missouri.

The Prairie State Championship is a long-standing venue; it originated in the mind and hearts of dedicated field trailers from the LaSalle Brittany Club initiating as a Northern Illinois Championship. It initially ran at a number of Northern and Northwest Illinois locations before moving to the Hunt Club in Southern Illinois and currently at the Sportsman Club in Missouri.

We would like to thank Purina for their continuing support of this championship. Many people contributed their time and other effort to insure this championship occurred without an issue. They included Jerry McGee, Field Trial Chairman, Donna Janulis Field Trial Secretary and provider of meals (Breakfast, Lunch, Dinner) for the entire venue. Assisting Donna with all the meals was Kathy Gulembo; Jill Schaffer and Valerie Burchett kept the hungry crew with delicious desserts during the entire competition. Joe Williams demonstrated his culinary skill providing the trial participants with a Mexican dinner.

Dave Capstick provided support with marshalling, bird planting, dog wagon driver and general informationalist. Tom Tracy and Tommy Thomas planted birds daily. Bob Burchett provided horse and rider transportation retrieving riders from the far ends of the courses after the final braces before lunch or dinner.

Ron and Kathy Gulembo were welcome additions to the competition and Ron was available for any chore that was needed and graciously assisted as requested.

Prairie State supported the following venues: Open All Age, Amateur All Age, Open Derby, and Open Shooting Dog. The weather this spring had been very unpredictable and on Friday evening, we experienced flooding, with creeks impassable not only by horses and dogs but also vehicles with a complete washout of the road bridge heading to Grovespring's town center. Having lady luck with us the rushing water subsided the following day and the Amateur All Age broke away at 8 am.

Open Derby Represented by the Bill Schreiber Memorial Trophy

The judges for this event were Ed Janulis and Dave Capstick.

The winner of this stake came from the 1st brace; Black Creek Whizki Skip. He was handled by Chad Holman and owned by John Hall. He broke away strong and continued in a far reaching ten and two pattern throughout the 45 minutes and had contact with birds on more than one occasion demonstrating his maturity to hunt the objectives effectively and his scenting ability.

The runner up emerged from the 9th brace. SKF Willie's

Miss Mollie, owned by Mitch Sims and handled by Bob Burchett ran strong and hard, enduring the 45-minute length. She extended her range often stretching to the end of the fields. She showed maturity and independence during the entire brace. Mollie had good contact with birds demonstrating her future potential.

Tom Tracey handled the third-place dog; Upland Trail Blazer Scout. Scout, also coming from the first brace, ran a good race forward race, challenging himself in the big fields on the first course. He had the endurance to keep up a good pace through the forty-five minutes. He handled kindly for Tom in an independent manner.

WW's Miss Wendy Perfection handled by owner Burton Wise was awarded 4th place. She was broken away at the top of horse killer hill and gained momentum as the brace continued showing some nice moves (application, range, and handling) through Sycamore Valley. She finished the brace demonstrating her endurance.

Amateur All Age Championship

Clifford Weaver and Galen Cooper made themselves available to judge this stake; their judgments were well accepted.

Many good dogs were entered in this stake and there were many good amateur handlers including one of the most distinguished and experienced Ray Trimble competed for these ribbons.

The winner, TNT's Raise'n A Leprechaun, owned and handled by Tommy Thomas, came out of brace 3. Dexter started on the third course and finishing with a strong forward run on course one. Dexter had two finds, the first one occurring at the brush line adjacent to the double barns and the second before the bull pasture adjacent to the pond with all in order on both. In between bird contacts, Dexter handled well for Tommy while extending his range and applying himself showing his maturity on how he attacks the terrain to effectively hunt for game. His finish was as strong as his start.

The runner up was awarded to Ru-Jems Last Penny owned by Jerry McGee. Jerry handed the handling duties of Penny to Tommy Thomas. She ran hard and smart through the bull pasture and gained momentum through the remaining third course past the headquarters. She had her one and only find along fence line at the end of the bull pasture, a single quail. She finished the hour strong.

Third place was awarded to Glad Run Irish, also handled by Tommy Thomas. Irish ran the first course with a strong start through the river bottoms and forging past the double gates.

He garnered two finds during his hour, the first being in the hedgerow at the far end of the field past the double gates and the second just before his climb of Horse Killer Hill. He handled both finds with style and discipline and finished the hour at a moderate pace.

Fourth Place was awarded to Perfect By Nature handled by owner Paul Rosevear. He was assigned the third course starting at the double barns and extending to the clubhouse. During the hour he showed independence and intelligence hunting to the front at a moderate pace. He had one find near the pond, handling the flush without any discretion.

Standing, L-R: Howard Burbach (judge), Jarrett Bell (judge) and Bob Burchett

Kneeling, L-R: Jerry McGee with Ru-Jem's Last Penny, Dave Capstick with Castaway Wilson, Tommy Thomas with Starlight's Mercury Out Ryder and Tom Tracy with Maxwell's Prickly Pete

Open All Age Championship

We were honored to have two experienced gentlemen judging this event; Howard Burbach and Jarrett Bell. They were attentive and respectful and their decisions were embraced.

The winner of this completion was awarded to Ru-Jem's Last Penny, owned by Jerry McGee and handled by Tom Tracy. Penny ran in the first brace on Wednesday. She started out strong, no stranger to these courses extending her range through the double gates going forward. She was seen standing on point on the second cross brush line, Tracy flushed with all manners in order. She continued forward through the creek crossing and again located game just prior to horse killer hill. A single quail was flushed with all in order and everyone ventured up the challenging side of horse killer hill. Penny continued her range and forward race through the high area and located one final quail on the fence line in Sycamore Valley. Handling this successfully the hour ended shortly thereafter.

Runner up was directed to Castaway Wilson, owned by Tim Huglen and handled by Tom Tracy. Wilson ran in the first brace. He started off strong extending through the open long fields towards the double gates. He scored two finds, the first occurring on the second cross tree line past the double gates. Here a small covey of quail was flushed, Wilson maintained his manners and posture and all was well. The second find occurred along the right tree line in the field approaching horse killer hill. A single quail emerged at Tom's urging with the dog holding

fast. Wilson finished the hour to the front across the plateau and Sycamore Valley.

Third place went to Starlight's Mercury Out Ryder, owned by Teresa Richmond and handled by Bob Burchett. Ryder ran on the first course Wednesday morning, maneuvering the open fields displaying range, ground speed and intelligent hunting instincts. He was seen pointing along the fence beyond the double gates and handled the flush with no indiscretions. He finished the hour consistent to the front.

The judges awarded fourth place to Maxwell's Prickly Pete handled by Tommy Tracy starting on the second course. He started out in an acceptable manner and scored his first find along the tree line perpendicular to the road following the river bed crossing. He continued through the large valleys before the required turn towards the double barns. He finished the hour in a moderate and consistent pattern.

Standing, L-R: Ed Janulis, Stan Williamson (judge), Joe Williams (judge), Jerry McGee

Kneeling, L-R: Kathy Gulembo with High Hope's Jac's Original Spice, Tommy Thomas with TNT's Raise'n A Ruckus, Frank Campbell with Campbell's Razz-Ma-Tazz and Chad Holman with Shot of Whizki

Open Shooting Dog Championship

The judges for this event were two well known gentlemen, Stan Williamson and Joe Williams. Again, the placements were well received by all.

The winner was awarded to High Hope's Jac's Original Spice, handled by Chad Holman. Ron and Kathy Gulembo attended Prairie State this year and witnessed her fine performance. She started off on the first course and hunted expertly along the edges of the long extending fields in a forward manner. She was located pointing on the cross tree line past the double gates and as Chad scurried through the brush a covey of four plus birds exploded with all in order. Spice continued her journey through the creek crossing into the valley before horse killer hill where she again successfully pinned a small group of quail. Following a successful flush she was released up the hill. She continued demonstrating her mature hunting instincts through the high country and down into the valley where she was spotted pointing in the adjacent hedgerow. Again, manners were excellent, Spice was released and the hour ended shortly following.

Runner up was awarded to TNT's Raise'n A Ruckus owned and handled by Tommy Thomas. Rae ran on the second course maneuvering the bottom land at a good pace and application. She scored three nice spaced finds, showing her ability to locate birds and her discipline of handling them with style. She ran the course well also displaying shooting dog range and maneuvering the country to locate game. Her ground speed continued well only slowing slightly towards the close of the hour.

Third place was given to Campbell's Razz-Ma-Tazz owned and handled by Frank Campbell. He also ran the third course starting at the double gates. Tazz ran consistent and steady for most of the hour, only exhibiting a couple of slower moments. He had two finds, handling each encounter with good style and manners and continued to endure throughout the hour.

Fourth place was directed to Shot of Whizki handled by Chad Holman. He was released on the third course. He ran a good shooting dog course demonstrating range and application in a steady manner. He located one covey of birds along the right side of the course past the double barns. He had two other finds spaced through the third course behind the head quarters. He exhibited style and manners on all three finds. While completing the hour his range and speed diminished slightly as the minutes ended.

2017 ABC New England Brittany Shooting Dog Championship

The New England Brittany Championship Association held the Amateur and Open Shooting Dog Championships on October 3–6 at the Flaherty Field Trial Area in East Windsor, CT. The weather was beautiful with leaves just starting to change into fall colors. We appreciate the fabulous job of mowing and upkeep of the grounds by the State of Connecticut DEEP. Without the support of Nestle–Purina we would not be able to run these championships. They provided large bags of Purina Pro Plan 30/20 to the winning and placing dogs and small bags for each participant. NEBCA provided free lunches and dinners every day. On Tuesday night, diner was sponsored Joyce Roberts and Vic Williams and served by Leslie, in honor of last year's Open Shooting Dog Champion, Big White. Wednesday night we enjoyed a special Italian dinner prepared by Tony Forte. Thursday was leftover night. We especially appreciate Connie from Kansas for her help in the kitchen. Also, thanks go to the committee: Chairman Bob Fleury, Mike Blodin, Bill Gorman, Johnnie Poland, Rita Poland, Mike Tiberii, and Secretary Leslie Jane Hunt. Thank you to additional bird planters Jeff Currier, Henry Wierzbicki, Paul Arcand and Lorrie Blockler.

We were fortunate to have two of the most revered and respected judges, Gailen Cooper from Liberty, Missouri and Dave O'Brien from Marlborough, CT who judged both the Open and Amateur Championships. We thank them for their wisdom, judgment, kind manner, and sense of humor.

The Open Shooting Dog Championship ran 27 dogs on October 3rd and 4th. FC Shailorville's Gunner, owned by Tom Maule and handled by Ben Loresnson was named the 2017 New England Brittany Open Shooting Dog Champion. With three stylish finds, Gunner had the nicest race by far. He was always forward, up front along the edges. Runner–up Champion was FC Waypoint Big White Cooper, owned by Joyce Roberts and Vic Williams and handled by Kyle Merrill. He had one nice find and ran a forward race with strong casts and moves. Third place went to I'm Your Man (Gus), owned by Frances Gorman and handled by Ben Lorensen. Gus had three stylish finds and a good race. Fourth place was GFC/FC/AFC Magnum High Velocity, owner–handled by Vincent Anderson. Gauge had three nice finds, one non–productive and a good race.

The Amateur Shooting Dog Championship ran 19 dogs on October 5th and 6th. T J's Black Diamond (Coal), owned by John and Joanne Perry and handled by John Perry, was named the 2017 New England Brittany Amateur Shooting Dog Champion. Coal had three stylish finds and a fast, forward, exciting run. Runner–up Champion was GFC/FC/AFC Magnum High Velocity (Gauge), owned and handled by Vincent Anderson. Gauge had a good forward race with three finds and one non–productive. Third place was awarded to I'm Your Man (Gus), owned by Frances Gorman and handled by Bill Gorman. Gus had two nice finds and a good run. Fourth Place was FC/AFC Cada's Mazing Racy Gracy (Gracie), owned and handled by Douglas Ackroyd. Gracie had three good finds and stayed to the front.

The New England Brittany Championship Association appreciates the support of the owners, handler, and their dogs. Without you there would be no championship.

In Remembrance of *Dave Marshall*

Field trials, especially the Brittany world, has lost a great one, 69 year old Dave Marshall of Hope Valley, Rhode Island. Dave passed away in Hospital in Wakefield R.I. on Tuesday, May 1, after a three year battle with cancer. He leaves behind wife Sarah Conygham, two children, Nicole and Brendan from a previous marriage, and a host of close friends, notable of which are Bob and Leslie Fleury and your scribe Dave Fletcher. Dave was a gifted athlete, a 9 High School letterman and he went on to play College Football. Dave was a New Englander through and through, Rhode Islander for sure. For over half a century Dave Marshall's life revolved around dogs. He grew up in a family that hunted Rabbits, Grouse and Pheasant primarily, and one of his early ventures was starting Beagles for customers. In the late 1960's Dave was teaching vocational agricultural classes at Middleton, N.H. high school, when he began training bird dogs. Brittany's were one of his favorite breeds. Marcell Bell, an early pioneer in the formation of the American Brittany Club immediately gave dogs to Dave for training. She became a great supporter of Dave's work with dogs, and sent many clients to the Marshall kennel. She helped Dave secure winter training grounds in South Carolina, near Barnwell, where notable trainers Fred Arant, Phil Brousseau and Phil Morehouse had grounds. Later, when Dave stepped back from Brittany training, Ben Lorenson took things over there. Dave also trained with the late Bill Conlin on the Saskatchewan prairie in Canada.

I met Dave in the early 1970's when he was actively competing on the Brittany field trial circuit. He ran dogs in the National Brittany Open Grouse Championship at Gladwin, Michigan, a club which I helped start. He was campaigning two very good Britts in those years Frittany La Brittany and Pioneer Valley Rusty. If my memory serves me correctly Frittany La Brittany won that Championship handsomely and Rusty might have also. After seeing Dave's talents on the Gladwin grounds, as President of the Lake States Grouse Championship, a 30 year old highly respected wild bird Grouse and Woodcock Championship I asked Dave to judge it, and we had a memorable week together during that event. About that time in my life I wanted to get my kennel to produce very good Britts. My kennel slogan was "Biddable Brittany Gun Dogs". I drove to Dave's home to look at pups out of Frittany La Brittany and came home with a female sired by Pioneer Valley Rusty, named Mo. Don't ever name a pup Mo. It rhymes with no and whoa. Mo turned out to be a super Grouse foot hunting

dog, (biddable Brittany gun dog), on one occasion pointing five grouse separately in less than an hour. My wife Carol and I stayed at Dave's home while picking out my pup, and he took us on tours of the State and to the oceanside where we purchased fresh fish and lobster off the boats and had some great meals, New England style. On one occasion when Dave competed his string in Wisconsin he stopped at my cabin in Michigan's Upper Peninsula and he and Sarah and I Grouse hunted gloriously for nearly a week. We hunted over some very good dogs from his string, and Dave gave evidence of being a superb wing shot.

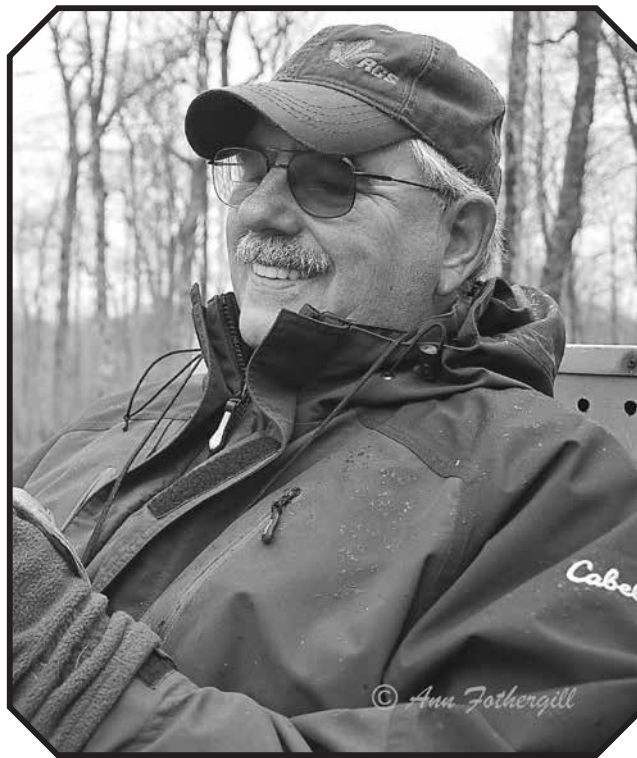

When Dave's first marriage ended he was primarily involved with horseshoeing and not doing much with dogs. He hired Sarah Conygham, as an assistant, and a romance and marriage followed. He was also, for a period of ten years manager of the University of Rhode Island's Peckam Farm. In later years, Sarah handled many of Dave's dogs in field trials as Dave got older and was not physically able to do as much as he once had.

I was the recipient of a male Britt, "Mickey" which came from Dave as a gift. It was a mating he and close friend Bob Fleury had made. He was a neutered male (by the person that had purchased him as a pup), and a wonderful bird dog. On invitation Dave called me one day and said, "let me have Mickey for the month of August and come and get him at the end of the month and we'll train in Maine for a few days". Those training days were memorable, multiple finds on Woodcock in

muddy creek bottoms. It was not uncommon to have a dozen finds before you took your charge up.

In recent years I had the pleasure of making and presenting a life patron plaque to Dave Marshall at the podium at the Bird Dog Foundation in Grand Junction, Tennessee, a project sponsored by his many field trial friends. Two weeks before his passing I was reporting the Ontario Grouse Dog Championship at Marienville, Pa. We were standing along the roadside between braces when John Stolgitis took a phonecall. John handed me the phone saying, "somebody wants to talk to you". It was Dave Marshall, and looking back I am so grateful we had that 10 minute conversation. It was our last, and I will never forget it. Dave was buried Sunday, May 6 from the Avery Funeral Home in Hope Valley, Rhode Island. Any financial contributions in his memory can be sent to the Bird Dog Foundation in Grand Junction, Tn. for the Brittany fund.

~Dave Fletcher

TICK REPELLENT RECIPE

A Folk Remedy That Many Have Found To Work

Repellent for your pets:

For pets, add 1 cup of water to a spray bottle, followed by 2 cups of distilled white vinegar. Ticks hate the smell of vinegar, and will easily be repelled by this ingredient alone. Then, add two spoonfuls of vegetable or almond oil, which both contain sulfur (another natural tick repellent). To make a repellent that will also deter fleas, mix in a few spoonfuls of lemon juice, citrus oil, or peppermint oil, any of which will repel ticks and fleas while also creating a nicely scented repellent. Spray onto the pet's dry coat, staying away from sensitive areas including eyes, nose, mouth, and genitals. When outdoors for an extended period, spray this solution on two to three times per day.

For you and your family:

In a spray bottle, mix 2 cups of distilled white vinegar and 1 cup of water. To make a scented solution so you do not smell like bitter vinegar all day, add 20 drops of your favorite essential oil. Eucalyptus oil is a calm, soothing scent that also works as a tick repellent, while peppermint and citrus oils give off a strong, crisp scent that also repel ticks. After mixing the solution, spray onto clothing, skin, and hair before going outdoors. Reapply every four hours to keep ticks at bay, and examine your skin and hair when back inside to make sure no ticks are on the body.

Versatile Brittanys in Action

Playing Catch the Cookie

Playing catch is a fun game that improves coordination and builds your bond with your dog. The more you practice, the better you'll get. So to really give it a chance, avoid expectations or rules, and focus on having fun together.

Start with a hungry dog, using highly visible pieces of food. Light, large tortillas are one of my favorites since they drop slowly and are easily visible. Popcorn and lettuce are other options that fly slowly. Introduce catching in a safe, distraction free environment. If your puppy disengages and wanders away from you, use a leash on the dog (or a leash on the toy).

Puppy catching a stuffed duck. Photo by Hunter's Heart.

If you are working with a younger puppy, you may have to teach the dog to slowly follow food in your hand first, then roll it on the ground and then progress to catching from the air like the video. Make it as easy as possible by holding your hand right above the dog's head and dropping the food directly into his mouth. Keep your dog guessing by mixing it up. If it turns into a game of chase, go with the flow. For more ideas, check out our videos at: <https://nosework.huntersheart.com/2018/04/05/playing-catch-with-your-dog/>.

For some dogs when they miss catching a piece of food, it can be motivational when you race them to the dropped food on the floor and steal it. That way they have a greater incentive to catch the next piece. But if it's not motivational, don't do it. If you do grab the food some of the time, be sure to let the dog win other times. If you have multiple dogs, give them the chance to all play catch at once (provided that none are resource guarders). Puppies can watch the older dogs and learn how to succeed. Competition generally makes dogs try harder to win the prize.

For dogs that are toy motivated, try playing catch with a soft plush toy, a rolled-up sock or a frisbee. Start by rolling the item on the ground close to the puppy and/or playing chase and tug. When your dog's ready for a challenge, try throwing it in the air. (Be sure to limit your choices of objects to catch to lightweight items that won't hurt or scare the dog if they accidentally hit the dog on the head.)

You can only work effectively on one thing at a time. You can't work on drive to catch AND a controlled out/give to get the treats back at the same session. We teach food manners in separate sessions so the pup learns to ignore food distractions rather than trying to steal them.

When it's time to play, relax your rules and lower any expectations. Don't be too goal oriented and try to make the dog learn to catch faster. My 6-month-old puppies are lousy catchers, but playing is still fun. Over time we'll build focus, drive, and catching ability. After I've exhausted the bait, my pups follow me around looking for the next fun game to happen. That engagement is priceless. Give catch a try and see if it might be a fun game for your Brittany.

Butternut Bacon Breakfast Bake
Submitted by Pat Carney
Member of SNEBC & ENEBC

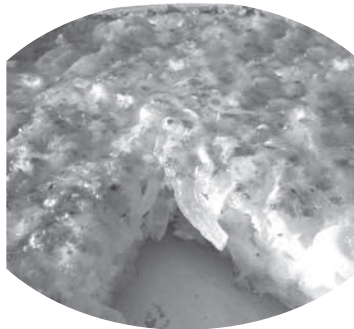

- 8 bacon slices
- 1 small butternut squash, peeled, seeded & cut into 1/2-inch cubes
- 1/2 medium yellow onion, chopped
- 1 tsp sea salt, divided
- 1/2 tsp freshly ground black pepper, divided
- 3 cloves garlic, minced or freshly grated
- 1/4 tsp ground nutmeg
- 3 cups baby spinach
- 12 large eggs

Preheat oven to 375°F. Lightly grease a 9x13-inch glass baking dish.

Cook the bacon in a large skillet over medium heat until the slices are beginning to crisp. Transfer the bacon to a plate. Drain all but 2 tablespoons of the fat from the skillet. Return the skillet to medium heat and add the squash and onion. Cook, stirring occasionally, for 5 minutes. Stir in 1/2 teaspoon of the salt and 1/4

teaspoon of the pepper. Cover, reducing the heat to medium-low, and cook, stirring occasionally, for about 10 minutes or until the squash can be easily pierced with a fork. Add the garlic and nutmeg. Sauté for 1 minute. Stir in the spinach and cook until wilted. Transfer the mixture to the prepared baking dish and spread out in an even layer. Chop or crumble the bacon and scatter it over the top.

In a large bowl whisk the eggs with the remaining 1/2 teaspoon of the salt and 1/4 teaspoon of the pepper. Pour over the vegetable-and-bacon mixture. Transfer the dish to the oven and bake for 30-35 minutes, or until the eggs are set in the center. Let rest for 5 minutes before slicing and serving. 6-8 Servings

Onion Pie
Submitted by Mary Jo Trimble
Member of Illinois Brittany Club

- 1 cup crumbled crackers (Ritz--I used garden vegetable Ritz,

- may want more than 1 C.)
- 3-4 T. melted butter
- 2-3 T. butter for sauté
- 2 cups sweet onions (Vidalia, Walla Walla, or OSO sweet)
- 1 cup shredded cheese (I use a mix of sharp cheddar and Mexican or Italian cheese)
- 2 large eggs
- 1/2 Cup milk or half & half
- 1 - 4oz can diced tomatoes and green chilies (drained)
- Pinch of salt, 1/4 t. black pepper or to taste

Preheat oven to 375°-- lightly butter 9" pie dish

Combine crackers with melted butter, Reserve 1 T. for later; Distribute remainder over bottom and side of pie dish for crust and set aside.

Melt butter in skillet and sauté onions over moderate heat until soft.

Spread 1/2 Cup of cheese over crust. Pour onions over cheese.

Combine eggs with milk, 1/2 Cup cheese, tomatoes and chilies, salt and pepper.

Pour over onions. Move onions with a fork to nudge liquid down. Sprinkle 1 T crackers over top. Bake 35 to 45 minutes or until a knife inserted in several places comes out clean. Allow pie to settle 5 minutes before cutting into pieces.

A Little Competition

A Novella and Twenty-Two Short Stories

By Tom Word

Matches

“Wake up, Mose.” Mr. Sam yelled it, the same as every morning. I was awake already. I rolled off the hay and climbed down the ladder out of the loft and poured oats in the feed boxes, whistled up my team, Maud and Byrd, and the saddle horses Mr. Sam and Booty would ride.

“Which ‘uns don’t I load, Mr. Sam?” I asked.

“Load all but Buck and Minnie,” Mr. Sam yelled back from the steps of the cabin where he sat lacing his boots. Buck was sore. Minnie was coming in season.

I loaded the derbies on the wagon, curried and harnessed Maud and Byrd, hitched ‘em to the wagon. Booty saddled his horse and Mr. Sam’s, and at dawn we was off to work bird dogs. Up on the wagon seat I could tell already it was going to be another hot day.

We headed west, into the breeze that was rising. Mr. Sam said put down Zeke and Ellie. They was our two best derbies, took off like they was scalded. Mr. Sam and Booty had high hopes for them two. They was down thirty minutes, had a chicken find apiece, then Mr. Sam says, “Pick ‘em up.”

We worked four more braces, and I was near asleep, kept waiting for Mr. Sam to say, “Head in.” It had got plumb hot, and the breeze was a wind now, felt like the heat off a stove. The sky was white with the heat, not a cloud in it. Then I saw something I hadn’t seen before. Something gray where the sky touched the ground in the west.

“What’s that, Mr. Sam?” I yelled as I pointed.

Mr. Sam looked, and his face fell. For a second I saw fear in it.

“Fire! Booty, pick ‘em up!” he yelled, pointing west at the smoke.

Booty’s eyes got big, and he galloped down them derbies, put one on the pommel, one on the check cord, and then we had ‘em on the wagon.

I figured we was going to make a run to flank the fire, find someplace where the grass was too sparse to burn, but I didn’t recollect no such place. Instead, Mr. Sam led us to where the grass was tall and thick as hair. Then he got off his horse, took a Prince Albert can out of his saddlebag, walked east a ways and knelt down. His hands moved and the grass burst into flame—he’d lit a match!

Is he crazy, I thought as the fire he’d set raged. We stood there and watched it grow like a hell to the east. Then Mr. Sam said, very quietly, “Move the wagon onto the burnt ground.” Mr. Sam had saved us from the wildfire by starting his own. Now I knew why Mr. Sam always carried matches in his saddlebag even though he chewed his tobacco.

The smoke choked us now, hot as the devils’ breath. Mr. Sam said to blinder the horses with feed sacks stowed under the wagon seat. The dogs howled in their crates.

Mr. Sam watched the fire he’d set burn toward our camp. Booty and me had plowed a ring around it the first week, and we’d salted the ground close to the cabin and the barn to kill the little grass there. Would what we’d done be enough?

Mr. Sam walked toward the camp, leading his blindfolded horses. Me and Booty followed, leading Maud and Byrd and Booty’s horse. The smoke from Mr. Sam’s fire moved closer and closer to the camp.

Buck and Minnie were chained to their crates in the shelter break. Buck was a three-time champion; Minnie was his momma and the momma of all the good derbies we had on the wagon. The four afternoon horses were in all their stalls in the barn.

Suddenly, out of the wall of smoke a fireball shot up. A spark had jumped the plowed ground, touched the spruce and wolf willow of the shelter break, dry as kindling that drought summer. Mr.

Sam groaned, the awful sound I ever want to hear. Then another spout of flame shot up—the cabin... and then the barn. We were too far off to hear the animals, but we heard them all the same.

Mr. Sam dropped his horse’s reins and walked off. He held his face in hands and his shoulders shook.

Two more funnels of smoke rose in the east, from fires set by die-hard wheat farmers trying to save themselves from the fires coming at them from the west.

The fire was all east of us now. We took the feed sacks off the horses’ eyes and rode south to the rail line. Mr. Sam flagged an eastbound.

We turned the horses loose to find their way to the farmers who wintered them for Mr. Sam, used them to pull their stone boats and snow sleighs.

They’d find the wagon with the harness in it. We loaded the dogs and saddles in the baggage car, rode the train to the junction and waited there for the southbound.

Mr. Sam didn’t say hardly a word all the way home to Alabama. Me and Booty didn’t talk much either, just played gin rummy and checkers and looked out the window at all that big country—you wouldn’t believe the size of some of them cornfields. When the train stopped for water and coal, we took the dogs out on check cords—Mr. Sam just looked out the window at ‘em.

Mr. Sam never went back to Canada again. That was my first year, at fifteen, and I’ve been back every summer since, with Mr. John Brinner. We always make sure our firebreak is wide...but how wide is enough? That’s my worry all summer. And I always carry matches.

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity

to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
