VOLUME LXXI • NUMBER 12 • DECEMBER 2019

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Book of the American Brittany

1990-2010 EDITION

compiled and edited by
Jessica Carlson

NOW AVAILABLE

The Book of the American Brittany, 1990-2010 Edition

is an invaluable source of reference and enjoyment for all Brittany breeders and enthusiasts. Expanding upon the previous works by Dr. Fred Z. White, Nicky Bissell, and Rheta Cartmell, this 320-page edition focuses on dogs and Brittany events between the years 1990-2010.

Chapters include: History of the American Brittany; Field Trialing 1935-1989; Modern Field Trial Winners; ABC Classics & Championships; The Show Brittany; The Dual Brittany; ABC Futurities; Performance Events (Hunt Tests, Obedience, Agility, NSTR); Top Producers; ABC Honor Rolls (Hall of Fame, Life Members). These are followed by an index of ABC event winners from 1942-1989, and an index of all dogs mentioned in the book. The text of this book is brought to life with over 625 color and black/white photos, many of historical value, and as many as could be obtained of the modern-day dogs mentioned in the book.

PURINA
PRO PLAN
TEXAS COASTAL
Houston, TX
July 17, 2019

GARMIN
Best in Sweepstakes
FIRESTARTER HANDFUL OF STARS

Our show was again held in conjunction with the Houston World Series of Dog Show in the vast NRG Center building, thankfully in the air conditioning! The building hosted not only five days of conformation shows but obedience, rally, flyball competition, meet the breed and other crowd-pleasing events. A person could spend two or three days just enjoying these events and not have time to shop in over 100 vendor booths.

As usual, some of our local Texas Coastal and Alamo members came with Brittany's to the Meet the Breed ring on Friday and we thank them for making some fine dogs available for the public to see-young dogs, older dogs, orange/white and liver/white-a good representation of the breed.

We specially want to thank Purina for their attendance of this amazing weekend and, like all sporting events they sponsor, we couldn't have premier events like this without their financial support.

We had a good entry this year with 24 Brittany's and we thank all exhibitors for coming to our specialty show.

Our Sweepstakes judge, Ms. Phyllis McNall from New Mexico had a small but quality entry of two young britts and did a fine job of judging. She selected Firestarter Handful of Stars, owned by club members Amanda McGavin and Shawn Macleod, as her Best in Sweepstakes.

Mr. John Lucas from Round Rock, TX judged the regular classes and breed. Our entry made a 3-point major in dogs and from the classes A Trace of Bourbon with Diamonds, owned by Rick and Becky Hastings, received Winner's Dog. Winner's Bitch and Best of Winners was awarded to Dual Lanes American Glory owned by club members Anne and Marla Parchman.

Of the 10 champions, GCHB Frontier's A Fist Full of Dollars, owned by Daniel Lee Trezise and Rose Leale, garnered Best of Breed. CH Dream Hi's Divinely Beautiful, owned by K. R. Bearden and N. K. Meryl, received Best of Opposite Sex. Select Bitch went to GCH Trio Banner Mountain's Snow Queen JH, owned by Glenda and Larry Mazzuca, with Select Dog going to GCHG Sovereign's Legendary Disciple JH owned by Colleen Walsh.

And we must not forget our Junior Showmanship competition judged by Mr. Lucas. Of the two competitors, Kennedy Bearden took home the trophy for Best Junior handler from the Open Intermediate Class and Christina Coe was Reserve from the Senior Class.

We thank our ring steward and good friend, Deb Edwards, who was assisted by club member Willo Barfield.

We hope everyone who attended our show will come again next year!

Region 19 Championship

Driving in the country, you'll often experience the custom of oncoming drivers waving to each other. Growing up in the suburbs or the populous of a major city, when one first experiences this, it may often seem odd. "Why are all these people waving at me" one might ponder? When driving across the state of Nebraska to get here, it makes perfect sense – there aren't that many people in the sandhills, and cows don't wave! Friendship and community are extremely important, especially when they both are often spread so far apart.

Hospitality is what the Harms Ranch is all about – access to the land alone is beyond generous; couple that with the man hours spent driving the dog wagon by John Harms, the daily filling of water barrels and you get a tiny glimpse of the Harms Family's true generosity. It truly is a privilege to be able to compete with big running dogs on such beautiful and expansive grounds that allow a dog the opportunity to fill up its horizons in pursuit of wild and liberated game. Thank you to the entire Harms family for their warm welcome and graciousness in allowing us to run here on this beautiful ranch.

Steve Chang of Highlands Ranch, CO and Stan Noble of Sante Fe, TN served as judges for this championship which drew 43 dogs from across the country. Both men are respected judges, having competed in and judged many championships over the years. They allowed the handlers to show their dogs to the best of their ability over the meadows and sandhills.

We'd like to thank Tehrani Motors for supplying two Polaris Crew Rangers for the dog wagon, Purina for their financial support and providing Pro Plan Sport food for all the placing dogs. Thank you to SportDog for presenting a training collar to the winner and Cosequine for their support with products that support joint health that is so critical to the longevity of athletic dogs.

The championship could not have been conducted without the significant help of many volunteers. Special thanks to all the volunteers that helped make this championship a success; Tom Tracy Jr. set up the three hour courses, planted birds every night, and served as course marshal. Bret Lindback also served as course marshal. John Harms

drove the dog wagon for all of the braces. Jim & Hunter Harms kept the horse water barrels filled daily and set up the barn each day for dinners. Lori Ralph, Alicia Harms & Barb Harms prepared lunches & dinners every day to keep everyone well fed. Steve Ralph, Matt & Tom Healey provided a Walleye fish fry that everyone enjoyed. Steve Ralph, representing the hosting St. Croix Valley Brittany Club, handled all the field trial secretary work to keep the event running smoothly.

The running:

Day one started with beautiful weather and a steady breeze steadily warming to the edge of hot with winds transitioning to gale force causing hats, sand and birds to fly wild. We ended the day with no creditable bird work under judgment. Several dogs laid down quality runs but were unrewarded for their efforts.

Brace 1: Majo's Fille De La Bretagne – Perry (Brie) and Maxwell's Legal Tender – Rogers (Faith). Both dogs broke away heading west on the expansive hay meadow growing in range and application. At the 15 min. mark near the old hay stacker, Brie encountered a pheasant and her day came to an end. Faith struggled with the sandhills and their evil burs and at the 43 min. mark, Kevin elected to pick her up towards the end of the hay meadow past the old homestead.

Brace 2: El Grande – Myers (Truman) and Tequila Scorcher – Beaver (Lincoln). Both dogs got to work right away with Truman working up into the sandhills and Lincoln working along their base. Truman encountered a bird early stopping on the flush, but the temptation got the better of the situation and his day ended. Lincoln continued working at moderate range until the 22 min. mark when Richard elected to pick up near an old round baling machine.

Brace 3: A Trace of Bourbon With Diamonds – Hastings and Brendi Brooks Cowboy Up – Trimble. This busy pair of dogs broke away by the abandoned bailer with Trace taking to the sandhills and Tuff running the meadow edge. After heading into the sandhills, Tuff is found standing in a low pocket with Ray firing for a stop to flush on a Sharp-tail.

Trace moved on with really nice range and speed into the Sandhills and point was called for Trace by the scout; this turned into a non-productive. The scout stated that Sharp-tails left before anyone got there. Each dog had a non-productive as they continued their hour with Tuff backing nicely at the opportunity and the dogs finished their hour working well in the sandhills for their handlers.

Brace 4: ANJ's Ohio Hellion – Poehler and Piney Run Jake – Patterson. Both dogs were away to the west in the expansive hay meadow stretching to the edge of sight. Hank did an imitation of Velcro inside the thickest sand bur patch on the property appearing to be on point. Jake laid down a smooth and consistent performance for Kent working kindly the entire hour. After extensive bur removal and a non-productive near where a pheasant had lifted prior, Hank regained the front to finish the hour hunting forward with Jake; both dogs birdless for their efforts.

Brace 5: Brigadoon's High Proof Moonshine – Perry and Blazin' E-Z Mac – Ralph. Hooch and Mac worked the sandhills with enthusiasm and speed in howling winds and went down to the lake to cool off. Both dogs hunted hard in the hills, but birds were very jumpy lifting at the edge of sight from whistles or calling. Hooch succumbed to sandspurs with John electing to pick him up. Mac also encountered them, yet continued to hunt nicely after self-removal to no avail, ending his hour birdless.

Brace 6: Kashmir – Rankin and Roll On Ms. Bella – Williamson. Kash and Bella broke away into the Sandhills and as we exited the hills above the far eastern hay meadow, several sharptails were seen lifting way ahead of the dogs and handlers; very jumpy due to the winds. Winds continued to blow hard as we headed back into the hill sections close to the southern edge of camp with both dogs hunting hard and birds lifting wild well out of range of their efforts. Both dogs ended their hour bird-less in spite of commendable efforts.

Day 2 - Stared with temperatures in the 50's, a raise in humidity, a drop in the wind and prayers for cooperative birds!

Brace 7: Alleycat's Drought – Williamson and Coos Triple Six – Perry. Drought and Boomer were away and into the pasture and hay meadow working the northern edges with Drought extending his range steadily and growing in application. Boomer pointed in a willow patch which ended in a nonproductive; despite extensive hunting he ended his hour bird less. Drought had a non-productive in the sandhills where birds were hanging-out with regularity and ended his hour on point at the edge of the abandoned homestead hay meadow; without a bird, his run would go unrewarded.

Brace 8: Glade Run Irish – Capstick and Lambach's Blew By You – Rogers. Upon break-away, Blue drove into the sandhills where he worked as Irish worked the meadow's edge at the base of the hills. 10 mins. into the hour, Joey called point for Blue as Irish attempted to turn a blind eye to the event which ended his run. After a lengthy flush followed by a crisp relocation, Joey produced a pheasant for Blue with all in order. Blue worked the fence line of the meadow into the sandhills and upslope from there pointed again. Joey and Blue worked the area ending in a non-productive. Blue powered into the sandhills afterward and as we crested the highest section, Blue was spotted standing statuesque below the rise of a saddle between two peaks looking into a lush green section. After a long ride, lengthy flush and a nice relocation, Blue was moved on with a stop-to-flush being suspected. Blue extended his range through the sandhills and ended his hour entering the next hay meadow. Blue was named R/U Champion for his efforts.

Brace 9: Molly Mae Alexander – Alexander and Spanish Dancer – Robbie Myers. Molly and Sassy start their run a bit erratic, one of them heading north as the course headed south. They both improved as the hour went on through-out the sandhills; upon exit into the un-mown section of the hay meadow, Robbie called for the tracker as Sassy was last seen near the

middle of the hills. Molly continued on and had a stop-to-flush near the Duck Camp with time expiring not long afterward.

Brace 10: JJ's Levi The Lion Heart – Williams and Hehi's Slim Chipley – Healey. This pair worked separate sides of the field upon breakaway with their paths crossing on the bale row where Levi is found standing with Slim backing. After Joe relocates Levi, Slim is moved on to the front. Relocation ends in a nonproductive for Levi. With both dogs together again towards the old bale stacker where the dogs work the southern tree island with Slim ending his day on a fleeing Sharp-tail and Levi working into the Sandhills where he points in one of the first depressions with Joe producing a small brood of young pheasants with all in order. Upon release at the next hill, Levi points again for a single pheasant handled with all in order. After a brief slowdown due to sandburs, Levi continues to run with application and speed stretching his handlers comfort zone as he dives into the hills southeast of the old homestead hay meadow as time is called; Levi is named Champion for his efforts.

Brace 11: WW's Miss Wendy Peffercorn – Wice and Jazz Em Up Arrow – Hastings. Right after breakaway, Arrow has a stop to flush on a large group of young pheasants in a small depression of the hay meadow. Somewhat slow to start, both dogs grow in the Sandhills, both making it to the lake, where Wendy decides that she'd rather hang at the beach and Burton elects to pick her up. Rick and Arrow return to the front and continue through the sandhills and beyond until the 40 min. mark where Rick elects to call it a day.

Brace 12: JoWill's Daniel in the Lion's Den – Williams and Marjo's Leftover – Perry. Daniel and Halie take opposite sides of the course with Halie diving into the sandhills and Daniel working the hay meadow. Daniel makes some nice moves and as a young dog shows promise though not enough to please his handler today and is up at the 20 min. mark. Halie hunted at moderate range, finishing the hour without bird work.

Day 3 – Cooler temperatures with elevated humidity and hopes of increased bird work!

Brace 13: Castaway Wilson – Huglen and Firestarter's Crossed The Line – Rankin. Ty and Wilson breakaway with gusto and Wilson couldn't contain himself approaching the 6 min. mark when a pheasant lifted from the fence line ending his bid. Ty grew in range and application as the hour went on through the meadow where cows had appeared and the sandhills leading to the old homestead. Ty's birdless bid was not for a lack of hunting in the appropriate places; covering the course nicely resulted in one birdless stand carded in the tall section of the hay meadow prior to the abandoned hay bailer.

Brace 14: Arrow's Tequila Rustler – Beaver and Ru-Jem's Last Penny – Ralph. Rusty and Penny break-away into the sandhills on the edges of the hay meadow making nice moves and hunting throughout. Penny points in the hills around the abandoned bailer ending in a non-productive and is taken on to catch the front. Both dog work well through the sandhills working both sides of the course with Penny pointing in the tall grass of the southern pasture. Steve relocates Penny several times covering a large area to no avail, re-establishing point along the northern edge of the meadow. Unable to produce a bird for Penny, Steve elects to call it a day. Rusty and Richard continued to work forward with no birds pointed nor encountered for their efforts.

Brace 15: Alar's Dirty Dancer – Patterson. Danny broke away hunting the thick sections of the hay meadow and stretched into the hills hunting well. Upon reaching the south eastern meadow near the duck camp, she swung the edges of the marshy section working the shelterbelts of that homestead and has a stop to flush on a pheasant there. Kent works her into the sandhills closest to camp where she points close to the steep bank and ends her bid going with the pheasant; she'd done a nice job up

until then.

Brace 16: Roustabout's Eustace – Capstick and Diamond Hill Traveling Doc – Pollock. T and Doc breakaway taking a bit to get rolling then work the tall grass edges of the pasture and into the short hill section prior to the bale stacker. At the 32 min. mark, Lisa elects to pick-up Doc due to sandbur issues and T continues to run after removing several himself. Before the old homestead field, T drives into the heavy section and rims the field and heads off into the sandhills under the power line and swings to the front, rejoining Dave in the hay meadow. T continues making nice moves and bucking cover to no avail ending his hour without a much-needed bird.

Brace 17: Prickly Pete – Capstick Maxwell's Heavy Hitter – Rogers. Pete and Gabe take turns working the thick grass of the hay meadow and the surrounding hills independent of each other with Pete hanging in the hills for a while. With the wind dropping and the sun shining bright, the temperatures warmed into the upper 70's requiring the dogs to seek out the ponds of the sandhill sections. With Pete being lost and Kevin electing to call it a day, this brace ended early; both dogs were exciting to watch while it lasted.

Brace 18: TLM Tall Tale – Milam and CVK'S Spartan King – Alexander. Sam and Leo work nicely into the large section of the sandhills and work towards the south eastern hay meadow. Leo is fast and far flung in his pursuit of game and takes the southern fence line of that meadow to the point of breaking the string and Jack calling for the tracker. Sam worked the duck camp homestead area nicely without finding a bird and Tom elected to call it a day at that point.

Day 4- Light wind and temperatures in the low 50's give promise to a new day!

Brace 19: Rincon Valley's Sally – Rogers and Sparky's Prairie Wind Gypsy – Ralph. Sally and Gypsy breakaway with handlers flying to the front on horses seemingly frisky with the lower temperatures overnight.

Sally points near the bale stacker and ends her bid with a bobble on the bird. Gypsy runs well for the hour and has a non-productive near the windmill; she ends her bid birdless.

Brace 20: Shady Way's Joker's Hill Country E – Lindback and Ss Rig's Colorado Gun Runner – Milam. Stan and Rig's break away heading towards the abandon hay bailer with Rig's pointing early and Stan missing the opportunity to back. Rig's suffers an indiscretion and ends his day as well.

Brace 21: JoWill's Sir Walter Raleigh – Williams and TJ's Black Diamond – Perry. Raleigh and Coal stretch for the western edge of the hay meadow field near the abandon bailer with Raleigh pointing on the northern edge of the lake after the sandhill section. A pheasant left on its own and Joe fired with all in order. Coal had a pheasant find at the edge of the hay meadow with a snafu ending his bid at the near moment that Raleigh was busy helping a different pheasant to fly faster to put an end to his bid.

Brace 22: Tabu – Capstick and JWB Artic Cat – Alexander (IS). Tabu and Kimber each took off with reckless abandon and a willful disposition; Tabu pointing early and Dave electing to pick-up being unsatisfied with the situation. Being in season, Jack elected to pick Kimber up as well for a lack of her usual quality run.

A Halloween Spook for Christmas: Part 4

On the lighter side, something funny happened along the way. I remember when the Club first started holding trials on the Military Reservation, at Fort Riley, Kansas. Colonel Ginn was our liaison between the Club and the Military. The Colonel was very cooperative and, in addition to many other favors, he offered the Officer's Club for our Saturday night dinner. The Field Trial Committee accepted and a large number of reservations were made. T-bone steak was to be the main course and, as usual, a few people showed up that did not have reservations. Everything went along fine and Colonel Ginn, being the host, was to be served last; the only problem was, when it came time to serve the Colonel, all the steaks were gone.

Another time, "Tat" Campbell, a Club member, as well as a civilian employee of the Military, and I went out to look over possible field trial grounds. In doing so, I walked through a weed patch, bumping into what I thought was some kind of a vine. It didn't give the fist time so I lunged into it again. All Hades broke loose; loud explosions, several rockets went up, and a siren started sounding. It was about this time that my hair started turning gray. It was a make-believe booby trap put out for training soldiers and not deactivated.

Some time later, Jim Cook, well-known in bird dog and field trail circles, judged a number of Brittany trails in this area. After one of my sterling handling performances, he ripped a leaf out of his judge's book and let it drift away in the breeze. Spook got even with him later, however, as he was helping Ralph Hesseltine load his dogs into his truck. He stepped on Spook's chain and reached for her collar when she nailed him. He was the only person she ever bit, and he was probably the only field trial judge who ever had this happen.

What is Fast CAT?

By Lori Diem

Fast CAT is a relatively new sport introduced by the AKC that showcases the running skills of dogs. Fast CAT stands for Fast Coursing Ability Test. This is a timed event. Any breed or mixed-breed dogs can compete. Dogs chase a lure down a straight, 100-yard course. The track doesn't have to be fenced-in but most are. The dog's time to run the course is converted into MPH and then points are assigned to the dog based on its size handicap.

Dogs shorter than 12 inches multiply their speed by 2. Dogs between 12 inches and 18 inches multiply their speed by 1.5. All the dogs 18 inches or taller get the same amount of points as their speed.

So, a dog under 12 inches would get 50 points if it ran the track at 25 MPH. A medium sized dog would get 37.5 points and a large dog would get 25 points. The titles you can earn are: BCAT (150 points) DCAT (500 points) FCAT (1000 points)

A dog's 100-yard dash time must be converted into MPH using the formula below, rounded to the nearest hundredth of a mile. For example, if the dog's time is 8.14 seconds. $204.545 / 8.14 = 25.13$ MPH.

The first Brittany to get a FCAT title ever is Mooch, Credit's Mini The Mooch FCAT (owned by Jean Bobis in Florida).

The first Brittany to get an FCAT 2, and the only Brittany with number one lifetime points ever, is Buddah's Braveheart Wildthing RA FDC CAA FCAT2 SCN SIN SBN RATN CGCA CGCU TKA (owned by Lori Diem, in Florida).

The first Bitch to get an FCAT title is Star, Diems Magical Star RI FCAT CGC TKN (owned by Lori Diem, in Florida).

Sunset's Pipin Hot Golden girl OA, OAJ, NF, BCAT, SCN, SIN, SBN is the number one bitch around the world as the fastest for 2019 (owned by Chris Youngblood, in Florida).

Cranberry and Walnut Pinwheels

On a lightly floured surface roll out the pie crusts into two squares. Generously brush the pie crusts with the melted butter. Spread the cranberry filling on top of the pie crusts. Roll each pie crust into a log. Pinch the edges to seal.

Combine the egg and water in a small bowl and beat until well blended. Brush each log with the egg mixture. Carefully cut each log into

10 slices.

Place the slices, cut side up, on the prepared baking sheet, 1 inch apart.

Bake for 12 to 15 minutes, or until golden brown.

Place pinwheels on a cooling rack. Spread a teaspoon, or more, of the honey on each pinwheel.

ABC Pheasant Classic

Harms Cattle Company, Valentine, NE

September 24-28, 2019

L to R: Barb Harms, Judge John Small, Bret Lindback, Tom Milam, Raus Tracy, Tom Tracy w/ Molly Mae Alexander, Carla Tracy, Judge Justin Hess, Jerry McGee w/ Ru-Jem's "Last Penny", Bob Travis, Lori Ralph, Dave Capstick, Steve Ralph, Jack Alexander w/ CVK's Spartan King, John Perry, Hunter Harms, Joanne Harms, Kehli Harms, Jim Harms, John Harms

Generosity is what makes events like this possible, and the Harms Family throws open it's gates in welcoming us here to run on their Nebraska Ranch. With over 25 miles of course available to dogs and handlers, there is plenty of opportunity to show a dog's ability to run an All-Age race in the pursuit of Pheasant and Sharptail. John Harms drives the dog wagon daily to keep dogs at the ready wherever the next brace may put down. Jim Harms oversees the daily workings of the camp along with assisting any flat-lander's rigs who might become stuck in the sand.

We couldn't do this without our other sponsors, Purina and Garmin. Garmin provided a training collar which makes training these dogs much more efficient and reliable. Purina provides the dietary requirements for these canine athletes to condition and perform at the highest levels without worrying about a caloric let-down. We greatly appreciate these sponsors continued dedication and support of the sport of field trialing!

We'd like to thank Tehrani Motors for supplying two Polaris Crew Rangers to transport the dog wagon and spectators, as getting around the 25 miles of course on the ranch wouldn't have been possible without these Rangers.

Thanks to our judges, Justin Hess and John Small who gave of their time to select a Champion and R/U from a large field of dogs requiring 5 days in the saddle. Their attention to the dogs and handlers is greatly appreciated and without such dedication, events like this would not be possible.

The championship could not have been conducted without the significant help of many volunteers. Special thanks to all the volunteers that helped make this championship a success; Tom Tracy for setting up the 3 hour courses over 25 miles of meadows and sandhills. Bret Lindback served as course marshal and nightly bird planter. John Harms drove the dog wagon for all of the braces. Jim & Hunter Harms kept the horse water barrels filled daily and setup the barn each day for dinners. Lori Ralph, Alicia Harms & Barb Harms prepared lunches & dinners every day to keep everyone well fed and put on a steak dinner one evening. Steve Ralph, representing the hosting St. Croix Valley Brittany Club, handled all the field trial secretary work to keep the event running smoothly.

Champion is CVK's Spartan King, owned by Jack Alexander & Dr. Bob

Ranking and handled by Tom Tracy. Leo ran on the 4th day in the 23rd brace. Runner-Up is Ru-Jem's "Last" Penny, owned by Ruth & Jerry McGee and handled by Tom Tracy. Penny ran on the 4th day in the 21st brace. 3rd Place is Molly Mae Alexander, owned by Ralph Alexander and handled by Tom Tracy. Molly ran on the 4th day in the 19th brace. 4th Place is Hehi's Slim Chipley, owned by Matthew Healey and handled by Bob Burchett. Slim ran on the 2nd day in the 8th brace.

The running:

Weather the first morning was beautiful; 55 degrees with a light wind from the west with low humidity with nary a cloud in the sky.

Brace 1: Gunnar – Chang and Sniksoh Hank's Hatch – Burchett. Both dogs were away and hunting the tall grass to the south of the course and at the 1:36 mark each dog encountered a pheasant independently of each other with the same result; evidently scenting conditions were not optimal as neither dog gave any indication they'd caught scent before their individual birds took flight in opposite directions.

Brace 2: Castaway Wilson – Tracy and SKF Miss Cheap Bourbon Whiskey – Johnson. The dogs worked independently with Wilson being the wider and deeper searching in his application. KD had difficulty getting lined out for Scott, making some nice moves in the open sections and established point on the southeast corner of the old homestead field which resulted in a non-productive. Both dogs worked the large sandhill section north of the lake nicely; time expired without either dog having bird contact.

Brace 3: Tabu - Tracy and Cinch – Chang. This pair is released near the flatter sandhill section north of the lake after the steep decline. Both dogs start hunting right away with Tabu being wide and forward for Tommy with Cinch taking some time to get lined out. At the 15 min. mark we enter the northwest corner of the hay meadow with Cinch establishing point in the southwest corner which ends in a non-productive. Meanwhile, Tabu has moved forward with Tommy and established point on the northern edge of the southern pasture where a lone pheasant is produced with Tabu going with the flush. Steve and

Cinch continue on into the sandhills where they have a second non-productive ending their bid.

Brace 4: Rocky – Chang and R & H Dark Night – Burchett. Both dogs break away fast and forward and quickly work through the first section of the hay field near camp, though somewhat inconsistent in their pattern. Mack has a find in the early section of the sandhills on pheasants. Rocky worked the hills with a couple of birds lifting well ahead of where he was running. Both dogs shortened due to sandburs, improving upon their removal. Rocky pointed in the northwest corner of the homestead hay meadow resulting in a non-productive after relocation and Steve elected to pick up his dog as did Bob prior to completing the hour.

Brace 5: Wild Wild Willie – Tillson and MK's My Lil Ammo – Johnson. Both dogs break away quickly with Willie establishing point shortly afterward at the base of the sandhills bordering the hay meadow; after several relocations, Ed moves Willie on. BB has flown forward and is flying around the edges and moves up into the sandhills. Both dogs work the hill sections well, with BB being seen at extreme range working along the edge of the lake and eastward. Upon exiting the hills, BB is seen far to the north and Scott has difficulty returning her to the front. Ed elects to pick-up Willie as sandburs have hindered his run. When BB returns from the north, she dives far south into the cattle pasture and remains running there until point is called for her right at time. As handler and judges ride to BB, a pheasant lifts and she decides to give chase ending an exciting hour.

Brace 6: Brendi Brooks Cowboy Up – Tracy and Willie Make It – Johnson. Both dogs encounter sandburs right after breakaway and shorten up until they're able to remove them and continue. Up in the sandhills, Tuff has a stop to flush with sharptails and shortly afterwards has a find on a pheasant with all in order. In the southeastern hay meadow, Willie runs hard east until he's turned north around half way and brought across the meadow with the assistance of the scout. Near the white house, Tuff is not pleasing Tommy and he picks him up. After becoming sticking in the hills beyond the white house, Willie becomes sticky and Scott elects to pick him up at the 40 min. mark.

Day 2 dawns to 60 degrees, damp and partially cloudy skies coupled with a delayed start slightly past the scheduled break-away; some of the crew spent some extra time the night before discussing the finer points of distillery products and a "time zone" malfunction of the cell phone used to wake them up.

Brace 7: Tequila Scorcher – Tillson and Shady Way's Joker's Hill Country Express – Tracy. Lincoln and Stan broke away with Stan disappearing quickly. Lincoln pointed early in the field prior to the hay stacker with the birds leaving prior to the judge's arrival; Ed fired. After we passed the hay stacker, Tommy called for the tracker ending Stan's bid. Lincoln has a non-productive early in the first sandhill section and a second find just prior to leaving the sandhills as we head to the old homestead hay meadow where he opened up and made nice moves. Lincoln had another find and slowed some during the hour.

Brace 8: Touch of Bourbon Little Chug – Johnson and Hehi's Slim Chipley – Burchett. Carson and Slim break away with Carson taking the edges of the unmown hay meadow and Slim stretching into the hills. Both dogs work the sandhill forward making nice moves and as they work into the southern hay meadow south of camp, Slim points on the other side of the fence well north of the opening. After lengthy flushing and relocations working nearly 150 yards into the wind, the judge and gallery spot a rooster lifting way-out from where Slim is pointed and Bob is told to fire his gun. Scott and Carson work forward meanwhile along the drainage of the unmown pasture and Carson points near the feed troughs with all in order. Shortly after his find, Carson's bid comes to an end as his performance was not pleasing his handler. Meanwhile Bob and Slim move through the cut and into the large unmown section, Slim point in the northwest section. Again, Bob and Slim work several relocations with Slim finally pinning the birds against the hummock under the power line. Bob produces a bevy of pheasants for Slim with all in order. Upon release and running less than one hundred yards towards the front, Slim points again with Bob quickly producing another pheasant for Slim. Time is called with Slim

forward and approaching the corner windmill of the pasture area south of camp. For his efforts, Slim is awarded 4th place.

Brace 9: Crescent City Girl – Tillson and ANJ's Ohio Hellion – Burchett. Nola and Hank broke away with Nola sticking to the hay meadow edge and Hank taking to the sandhills. Hank stretched along the southern edge up into large run of sandhills working the fence line across the front into the southeast corner of the ranch. Nola worked nicely through the large sandhill section, dropping into the thicker cover of the unmown field near the SE hay meadow. Hank hung up in the swamp, then finally rejoined the front with Nola. They worked the sandhills near the duck camp homestead with Hank pointing on the fence near the newly planted shelterbelt. Nola and Ed worked past the find which turned into a non-productive; Nola establishing point 100 yards further into the shelterbelt section, with Ed producing a rooster with all in order. Time expired with both dogs working forward.

Brace 10: Sniksoh Little Diamond – Johnson and Turning Points Shenanigans – Burchett. Kate and Shandi break away independent of each other and their application improve with Shandi pointing in a willow bat prior to the hay stacker; this is a non-productive. Past the hay stacker in the sandhills, Shandi has a find with all in order; Kate also has a find with all in order in the same general area. Shortly thereafter, Shandi's bid is ended with a second non-productive. Kate shortened up in the hay meadow section near the old homestead, stretching in range making a nice move as time expired.

Brace 11: Hoochie Coochie Man – Tillson and Wichita Wild Woman – Johnson. Carl and Wild breakaway and grow in range and application as we enter the southwestern sandhill section. Carl points up high for Ed who works the area and re-locates Carl, ending in a non-productive. Carl continues working nicely for Ed in the hills, while Scott and Wild work the flat section near the lake and back into the hills. Dropping into the hay meadow section south of camp, Wild has a find along the drainage ditch area with all in order. On the other side of this section, Carl and Ed have a pheasant find. Wild and Scott have a second find with all in order in the unmown middle section of the hay meadow. Carl's second non-productive ends his bid and what was a nice performance. Scott elects to pick-up Wild who was showing the effects of sore feet, ending what was otherwise a nice run.

Brace 12: Alar's Dirty Dancer – Tillson and Prickly Pete – Tracy. Dannie and Pete break away displaying purpose and application from the start. Reaching the upper section of the largest sandhill part of the course, Pete hadn't been seen for a while. Dannie works nicely for Ed into the southeastern hay meadow near the old duck camp homestead. Pete reappears coming out of the hills and across the front into the hay meadow and works the shelterbelt prior to the duck camp and poof, he's gone. Tommy elects to pick Pete up being absent for a bit too long; Dannie followed suit, requiring Ed to call for the tracker ending the days running.

Day 3 dawns with pleasant weather and lower winds giving us hope for more plentiful bird work.

Brace 13: Rev'n Gunrunner's Tilly – Tillson and Sparky's Prairie Wind Gypsy – Johnson. Shortly after breakaway, Gypsy is seen standing near the row of hay bales and a bird in the air with Scott firing and moving on. Tilly is spotted standing in thick cover on the other side of the field with Ed firing for his dog as well; both being carded with a stop-to-flush. Gypsy has sandbur issues near the hay stacker, rejoining the front where Tilly's been working the lower drainage edge for Ed with Gypsy taking the fence line on the right around to the front. Both work nicely through the abandoned homestead meadow. Dissatisfied with their dog's performance, both handlers call it a day before the abandoned bailer.

Brace 14: Almaden's Under Lock And Key – Tillson and Blazin' E-Z Mac – Burchett. Odie and Mac work the lower edges of the hills near the abandoned bailer with Mac stretching up into the upper hills with speed hanging up near the lake area briefly before rejoining Bob. Odie worked the sandhill section nicely for Ed. Mac worked well for Bob, stretching along the drainage ditch after dropping into the hay meadow south of camp. Odie wasn't pleasing his handler, so Ed elected to pick him up at the 40 min. Mac stretched up into

the hills east of the hay meadow forward, though bird less for his effort with Bob electing to pick-up at the 45 min. mark.

Brace 15: MK's Magnificent Bandito – Johnson and Blue – Tracy. Chico and Blue take a while to get lined out with Blue pointing early looking into the marsh section. Tommy collared Blue and moved on towards the large sandhill section of the course. Both dogs worked nicely through the sandhills, range varied at times, stretching going into the southeast hay meadow heading towards the duck camp homestead. After his second non-productive, Blue's bid ends with Tommy putting him on the rope. Chico's bid ends early as well with a losing encounter with a porcupine.

Brace 16: Treasure States Toby Mac Daddy – Tillson and Roustabout's All In – Tracy. Al and Toby break away with Toby disappearing forward and Al hesitant to get rolling. After 20 mins. Tommy ends Al's bid and Toby points along the drainage ditch in the hay meadow past the short sand hill section. Toby suffered a breach of manners and Ed escorted him to the dog wagon ending his bid.

Brace 17: A Trace of Bourbon With Diamonds – Johnson and Osage Fork Slick – Burchett. Trace and Slick break away hard and fast making big moves throughout their brace with the edge in range and application going to Slick, though taking nothing away from Trace's fine performance. This was one of the strongest braces to this point in the Championship and a pleasure to watch; truly a shame that these dogs ended the hour bird less for their fine efforts.

Brace 18: Firestarter Crossed the Line – Tillson and WW's Miss Wendy Peffercorn – Tracy. Ty and Wendy break away moving nicely and at the 20 min. mark, Ty has a breach of manners with Wendy backing. Wendy moved on alone with Tommy, establishing point near the duck camp homestead ending in a non-productive. Moving forward and working hard, Wendy suffered another non-productive ending her bid at the 45 min. mark ending our 3rd day near camp.

Day 4 Brace 19: TJ's Black Diamond – Perry and Molly Mae Alexander – Tracy. Coal and Molly were away on a nice morning maintaining the front over the first quarter of the hour to the hay stacker where Molly started a big move to the south. Coal pinned a pheasant in the hills at 17 with excellent style and manners. Coming out of the hills, Molly's southern venture had her up front with Coal along the creek lines as we turned toward the big marsh. It took some time and effort to pull Coal through the marsh area as Molly made nice moves along the northern edges of the sandhills. At 47, John elected to pick Coal up. Molly was styled up at 57 with a bird flushed south and all manners in order to finish a smooth hour.

Brace 20: Roustabout's Eustace – Capstick and George – Tracy. T and George were released near the baler as the party turned northeast into the hills. Both dogs moved well over the 25-minute trip in high country that provides incredible vistas that skirts Pelican Lake. Dropping down into the south end of the Harsh Meadow, George was stopped with great style in cover that reached his back. An extended flush and relocation did not end well as he took steps on lifting birds. T was credited with a stop to flush on the north end of the Harsh Meadow with Dave electing to pick up at 40.

Brace 21: Brigadoon's Hi Proof Moonshine – Perry and Ru-Jem's "Last" Penny – Tracy. Hooch and Penny sailed away from the western edge of the hills that lead back toward Ballard's Marsh. Penny went south over the hill and was standing along a line of heavy cover at 3 with all manners in order as Hooch rambled over rolling hills to the west. We crossed through the gate into the big hills at 15 where Penny spun on a knoll. Tommy flushed a stubborn pheasant from under a yucca plant that cackled his displeasure while sailing west. Hooch rolled into the hills in a big way as the gallery was strung out over the high paths that lead east. As we reached the ridge along Ballard's Marsh, Hooch had not been seen for some time with John asking for the tracker. Penny dropped off the ridge and made a big move south with Tommy rounding her up and crossing through heavy cover as the course turns toward the duck camp. She was credited was a stop to flush at 47 and a non-productive at 51. She finished strong and to the front south of camp.

Brace 22: Arrow's Tequila Rustler – Beaver and Glade Run Irish – Tracy. Away after a great lunch, Rusty and Irish probed the long lines of cover that lead west toward the hay stacker where the cover gets heavier and the sand spurs thicker. This area had taken the fight out many dogs over the week as it is dramatically different than the first quarter of the hour. Irish skirted the area as he headed south but Rusty dove in and battled like a warrior into birdy cover. Richard elected to pick up shortly thereafter. Age has taken Irish' hearing and his venture south kept extending in range where Tommy had to make a 20-minute trip east to get reconnected where he elected to pick up.

Brace 23: Marjo's Leftover – Perry and CVK's Spartan King – Tracy. Halie and Leo were away from the first creek crossing sprinting east toward the short hills that lead to the big marsh. Both maintained the front well along the margins of reeds that separate the meadow from wet marsh. Leo disappeared near a haystack as the gallery and Halie were making a long swing around a marsh finger before turning back southeast. We hadn't seen Leo for some time when a call of point came from the front by the other handler. Leo had made a championship cast that resulted in a championship find as Tommy moved a well pinned pheasant directly in front. Halie did not back Leo as they came by and got the rope. Leo skirted the hills with speed as we moved toward the baler and into the big hills. He was far to the east near the lake edge as the gallery traversed the hills with a stylish find at 45 in short cover west of the lake. Upon release, he shot toward the Harsh meadow and as the gallery topped the last hill, he was pointed out far to the front...a championship finish!

Brace 24: Piney Run Jake – Patterson and JWB Arctic Cat – Tracy (IS). Kimmie was in heat and dropped to the last brace. Jake was recovering from an injury suffered earlier in the week but sprinted away to the north end of the Harsh Meadow where he was easing into cover as pheasants were seen lifting. He didn't get stopped in time to continue.

Day 5 Brace 25: Coos Triple Six – Perry and Roll On Ms Bella – Tracy. Boomer ran well and handled the hills effortlessly. He shortened up a bit towards the end with no bird work when time was called. No write-up for Bella is available.

Brace 26: JJ's Levi The Lion Heart – Williams and Kashmir – Tracy. No write-up for Levi or Kashmir is available.

Brace 27: Marjo's Fille De La Bretagne – Perry and Ss Rig's Colorado Gun Runner – Milam. Rig's was found on point twice during the early part of the brace and Brie honored both times. Rig's and Brie ran well crisscrossing the sandhills. As they exited the sandhills, both headed east into the hay fields. Brie made the turn towards the duck house when she finished having no bird work. Rig's took the long way around and the handler elected to call it a day.

Brace 28: JWB Arctic Cat – Tracy (IS) BYE. Kimber was not pleasing the handler.

EASTERN & CENTRAL NEW ENGLAND

Another Glorious weekend at Arcadia Management Area in Exeter, RI provided the backdrop for the back-to-back walking field trials, offered up by the Eastern and Central New England Brittany Clubs. This was first time these two clubs have worked together in a back-to-back situation. To the delight of many of the participants, each weekend day offered the opportunity for wins in Open Puppy, Open Derby, Open Gun Dog and Amateur Gun Dog and well as New England Hunting Dog and Northeast Gun Dog points. A large and well-balanced entry throughout the stakes offered produced a profitable weekend for both clubs. Rain was not an issue either day and temperatures were on the hotter side late morning to late afternoon.

Many thanks to our sponsor, Fromm Pet Foods, for supporting both trials with their quality premium food products. Fromm food and treats were provided to all dogs that placed.

The Arcadia grounds are more than suited to walking trials, mostly flat and level with open fields and surrounding wooded areas. This time the field trials committees decided to run two courses rather than one and extra effort was needed to make sure the grounds were ready to go when the trials kicked off at 7am Saturday morning. Thanks to our "grounds crew" members, most notably Bob Fleury and Mike Tiberii, for the hours spent prior to the trial clearing and setting up courses and making sure water was available along the courses to cool the

dogs off. Lacking the mowing needed to make the fields navigable for the gun dogs, the established course was routed through the cooler woods, which on this warm weekend worked out far better than negotiating through the much hotter fields.

Thanks also to Will Walker from Rhode Island Fish & Wildlife for working with the field trial clubs that use Arcadia in order to make improvements that are beneficial to not only the clubs, but also others that visit the area. Perfect examples of this are the pavilion and the newly installed well that we were able to use for the first time this weekend to provide ready access to water for horses, dogs and birds.

And the birds were doing their part for the weekend, flying well for the dogs. Bobwhite quail were liberated as well as a few strategically released chukars. The "bird truck boys"- Brady, Loudon and Nathan were johnny-on-the-spot planting birds with Bob on the gun dog course while Mike spearheaded the bird planting for the juveniles and hunting dogs on the lower course. There were more than enough birds for everybody - to the chagrin of a few.

Entries came from as far away as Saskatchewan, North Carolina and Florida along with the "locals" from RI, MA, NH, ME, NY, PA, NJ, CT, VT. There were a lot of new faces getting their feet wet in the sport along with some experienced faces that were new to these grounds. All very encouraging to clubs that are struggling to keep their heads above water and bring new people and youngsters into our sport. Both clubs did their best to make all feel welcome.

Each day, activity ceased around noon so everyone could get together for a lunch which was provided by both clubs. Thank you, Leslie Fleury, for setting this up and single-handedly taking care of all the details required to make it happen.

Our happy hour organizers, Patty Johnston and Cathy Shirley, were more than up to the task. With LED lanterns hung from the pavilion rafters, there was no rush to get through the evening

festivities before we ran out of daylight. Dinner, featuring venison meatballs in homemade tomato gravy and stick to your ribs mac and cheese, was delicious and there was plenty for everyone. Placements were announced, ribbons, trophies and Fromm dog food were handed out. A special note of recognition goes out to Paul and Cathy Shirley for handcrafting the plaques that were awarded to the first-place winners.

The Eastern trial on Saturday marked the making of a new dual champion (pending AKC confirmation). DuBois Ridge Super Sonic, owned by Hank DuBois and Toby Tobiassen, won the Open Gun Dog. Jet's performance was an eye opener for sure. And he backed that performance up with more of the same by winning the Central Open Gun Dog. Well-deserved congratulations to Jet and all involved. Our other double winner for the weekend was Patty Johnston's Wingra's Indy-Go, capably handled by Patty; Indy took first in both Open Puppy's.

It was very refreshing to see several youngsters (Brady, Loudon, Nathan) working the trial and helping with the bird planting. Additionally, Loudon and Zippy proved themselves a very creditable team, earning an Award of Merit in the eastern Open Gun Dog on Saturday and fourth place in the Central Open Gun Dog on Sunday. Nathan, handling at his first field trial, ran Shirley's Meg in the Hunting Dog on Sunday and earned a third-place ribbon. We look forward to seeing more at future trials from all of these young handlers.

And last, but not least, many thanks as always to our judges for your many hours in the saddle (or on foot), and in one case for a very long drive to get here, looking at the dogs for your esteemed judicial decisions. We appreciate your time, attention and efforts.

To all involved in the running of these trials - workers, entrants, judges, sponsors, RI F&W - thank you and hope you had a great time. You definitely made a difference. Hope to see you all again!

**Flaherty Field
East Windsor, CT
October 4-6, 2019**

Our fall trial was held October 4-6, 2019 at Flaherty Field in East Windsor, CT. The grounds were in fine shape, and the weather optimum for running dogs. The New England Brittany Championship had just concluded. There were competitors for both events who had traveled from as far as Florida, North Carolina, Maine and Pennsylvania. We appreciate every competitor's support.

The trial had the sponsorship of Water Dog supplements. Their gift certificated were also awarded for each first placement. The birds were supplied by Paul Cardinal of Forest Ridge Farm. They flew fast and high when flushed. Wrangler horses were provided by Robin Shadle of Bear Pen Hollow Horses.

As usual, the kitchen staff fed us very well and served an outstanding dinner at the club house on Saturday night. The popularity of the dinner was evident by the overflow crowd.

The judges worked attentively and rewarded the best dogs' efforts. The club appreciates the judges' commitment to the sport. Without help from numerous club members who marshal, plant birds, help in the kitchen and to clean up, it would be impossible to hold a successful event. Thank you everyone who contributed to the effort.

THE AMERICAN BRITTANY CLUB

73rd Annual Field & 58th Annual Show Futurity

Trial and Show to be run Spring of **2021**

PURSE: 2/3 to Owner of Winner, 1/3 to Breeder of Winner

ABC Futurity Rules can be found on the ABC Website and in the ABC Policy Book

CONDITIONS AND RULES FOR FUTURITY ELIGIBILITY

- The **2021** American Brittany Futurity shall be open to every Brittany bitch and her progeny whelped during the calendar year of **January 1 - December 31, 2019**, who is owned or leased by a member of The American Brittany Club, and whose litters have been Futurity nominated with The American Brittany Club. Sires do not necessarily have to be owned/leased by an American Brittany Club member. All dams nominated and all sires bred to must be registered with AKC, CKC, or FDSB.
- The **nominating breeder** needs to be a current full member in Good Standing of the ABC when the litter is nominated and the closing dates of the of the Sectional Futurities in which puppies from their nominated litter compete. They must sign the Litter Nomination form, and any breeder purse checks will be paid to this designated nominated breeder. If their membership has lapsed at the time of the Sectional Futurity, the purse will revert back to the ABC Futurity Administrative Fees.
- Nominations of dams must be made within 60 days after a bitch has whelped, and a Nomination Fee of \$40.00 ("First Forfeit") must be paid at this time.** This payment will entitle each puppy of the nominated litter to be entered in the ABC Futurities (Field and/or Show) after the puppy has been properly registered with AKC or FDSB. Nomination Fees are set by the ABC Board of Directors.
- Late litter nominations will be accepted with the following current fee schedule:** In addition to the Nomination Fee of \$40.00, late fees are \$60.00 for 61-90 days, and \$100.00 for 91-180 days. Nominations after 180 days will be accepted at the discretion and decision of the ABC Futurity Committee. The postmark will determine the fee for late nominations. The ABC Board of Directors may impose additional late fees from time to time.
- A Final Forfeit Fee, to be eligible to compete in the Sectional Futurities (Western/Central/Eastern), is due by October 1, 2020, and is submitted by the owner of the eligible puppy.** Futurity Entry Fees will also be paid prior to **2021 Sectional Futurity events** by the owner of the eligible puppy for each Sectional Futurity event in which the eligible puppy is entered. Final Forfeit Fees as well as Sectional Futurity Entry Fees are set by the ABC Board of Directors and subject to change.
- More information on the ABC Futurity and additional copies of this form can be found on the ABC website:

MEMBERS OF THE AMERICAN BRITTANY CLUB

Give the gift of a new membership... to give the opportunity

to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
