The American Brittany

VOLUME LXXI • NUMBER 7 • JULY 2019

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

2019 Region 2 Champagne Memorial Shooting Dog Championship

The 2019 Region 2 Champagne Memorial Shooting Dog Championship was held following the North Jersey Brittany Club Spring field trial on Monday, April 8th. The Championship was held for the first time at the 825-acre Greenwood Wildlife Management area in Forked River, NJ. These grounds are in the pine barrens of New Jersey and have been groomed and maintained for field trials. Although quail are not native to this area our club members, Joe Luisi and Rick Taglang, did an amazing job of setting up large covey locations with callers and daily feed. There were no birdless dogs during this week-long event. Thank you to Water and Wings for sponsoring an Italian catered happy hour from Varriales Pizza on Saturday Evening.

A Winners Dinner donated by Tom and Robin Maule was held Monday evening to celebrate the 2018 Region 2 Champion FC Shailorville's Tucker. After a delicious Chicken Parmesan catered dinner, the championship committee presented the beautiful painting of Tucker by Herb Park. A custom Herb Park painting will be awarded to this year's winner as well.

North Jersey would like to express our sincere gratitude to Nutrena/Loyall for their generous monetary and food donations that helped make this event possible. All placing dogs were awarded with dogfood as well as multiple bags that were donated for the silent auction. Doug Ackroyd donated to the silent auction a beautiful windcatcher that when the wind hit the propeller the brittany's would run.

To all our amazing North Jersey Members that stepped up and assisted by making this event run flawlessly you are greatly appreciated. Without our great team we would never have been able to get it done.

Thank you to our Championship judges Dave McKay and Joe Petroski.

The 2019 Region 2 Champagne Memorial Shooting Dog Championship began at 8am Monday morning with Temperatures in the low 70's and 10mph winds. FC Marjo's Fille De La Bretagne (Brie) owned by Bob Goldman and handled by John Perry was braced with her dam FC AFC Marjo's Cruzan Rovani (Cruzan) Owned/handled by Joe Luisi. Both dogs were hard driving dogs that set the pace for the stake. Brie's run was a more consistent wide range shooting dog for the entire hour with a short absence at 30 mins. Brie had 4 stylish covey finds as well as a back and a divided find. Cruzan covered ground

swiftly working along the edges with 5 finds and one divided find. Their performances earned them 3rd and 4th in the Championship.

As the temperatures continued to increase reaching 82 degrees by the afternoon many of the dogs were feeling the effects. Dogs all achieved multiple covey finds but would slow by the end of the hour.

Our Champion came from the first brace Tuesday morning with temperatures in the 60's. FC Brigadoon's Hi Proof Moonshine (Hooch) owned by Paul Snyder and handled by John Perry. Hooch broke away running strong to the front. Hooch was found standing staunch on a covey along the dirt road. Hooch's pattern gradually became wider and required scouting assistance. Hooch had 4 more covey finds, a Non Pro and a stop to flush. By the end of the hour Hooch was continuing to drive hard and time was called with him showing to front.

The runner Up Champion FC AFC Kip's Bay Dark N' Stormy Miss Maddie (Maddie) owned/handled by John Kipp was in the 8th Brace. Maddie is a quick dog that has a very forward pattern. This animated bitch keeps a moderate range and keeps your attention as she works hard hunting the edges. Maddie had 5 stylish covey finds and earned Runner up in the Championship. Ann Marie Martucci

CNEBC held its spring walking trial April 13-14, 2019 in Exeter, RI at the Arcadia Management Area. We had a decent turn out, enough to make it an event with three-point Gun Dog stakes. The club would like to thank all that entered. We also need a big thank you to Cathy and Paul Shirley who chaired this event. They organized many tasks and took care of making sure the event ran smoothly. Saturday's heavy rain greeted us for our first few hours. The judges and handlers pushed through. Winning the Amateur Gun Dog Stake was Scott Blairs Daisy. This Brittany has been on the cusp of achieving her AFC. Handled by Jane Bjork, she got her blue with a solid performance. We had folks from far and wide travel for the walking trial. The judges' decisions both days were well received and we thank them for their time. Hopefully we can do a walking trial next spring.

SOUTHERN NEW ENGLAND Flaherty Field East Windsor, CT April 20–21, 2019

This year the spring horseback trial came on the Easter–Passover weekend, April 20–21, 2019. There were fewer entries; however, the trial was a success. Extremely heavy rains on Saturday necessitated altering the course in order to avoid a flooding brook that had evolved into a river. The discomforts and challenges caused by the heavy rains were eased by hot soups and sandwiches at lunch, and later a happy hour, and a pulled pork and lasagna dinner. Sunday's weather was much kinder and included a visit from the Easter bunny! Our club has a dedicated and supportive membership. These members...bird planters, marshals, and kitchen staff made the smooth running of the event possible. The judges rode the braces during the severe downpours, the handlers and dogs were promptly at the breakaways. The placements were applauded, and the trial concluded. Thank you one and all for your contributions.

**ANTHRACITE
Greenwood WMA
Forked River, NJ
April 27–28, 2019**

Once again this year, the Anthracite Brittany Club held a spring walking field trial in conjunction with Del Val Brittany Club's Spring Horseback Trial at Greenwood Forest WMA in Forked River, NJ on April 27–28, 2019. Greenwood has enough space to run two separate trials and many handlers agreed that this is a great place to run their dogs. The trial was open to all pointing breeds and we had a great variety of entries with many participants entering both the Anthracite walking stakes and Del Val's horseback events.

We had great field trial weather. Saturday was sunny and a bit breezy. Sunday was overcast with the temperature both days in the middle 60s.

Many thanks go to Paul and Lisa pollock, who once again kept us fed, providing breakfast, lunch and dinner. Darlene Dow and Ed Kostka graciously rented us their tent that they utilize at the Upper New York Field Trials. Happy hour was a festive occasion.

We have seven entries in our walking puppy and walking derby stakes and a major in the Amateur Walking Gun Dog Stake with 15 entries. Unfortunately, a lack of entries forced us to cancel the Open Walking Gun Dog.

Running a field trial is a labor–intensive endeavor and we would like to thank everyone who helped. It was greatly appreciated.

Region 4 Amateur All Age Championship

The Ohio Brittany Club hosted the Region 4 AAA Championship at the Tri–Valley Field trial grounds in Dresden, Ohio on Saturday March 16th, 2019. The weather in Ohio this time of year can still be brutal and cold, however mother nature was fairly kind to us on the weekend of the trial, allowing us clear skies and temperatures to impede the trial and the birds were active and plentiful. Invited to judge the championship were Ohio natives, Cliff Mesnard and Justin Allen. Both men are very active in the field trial world and enjoy this sport to the fullest. They brought a lot of knowledge and laughs to the weekend and we appreciated their presence and attention provided. The Ohio Brittany Club cannot thank our judges, Tommy Tracy, and all of our amateur participants

for the support received throughout the weekend to make this trial a success. We would also like thank Purina for the support year after year, aiding us all to continue to enjoy this sport.

Brace 1: Tre– Haines/Haley–Perry. Haley and Tre broke away strong and forward following the course up the hill out of sight. Haley could be seen standing as the gallery came up over the hill at 5 minutes on point. Tre failed to back and was picked up after the bird was produced. Haley was able to finish the full hour however, had a difficult time maintaining a forward application.

Brace 2: Rusty–Williams/Leo–Alexander. Right off the break away, these two powerful dogs took the front capturing the judges and gallery's attention. The dogs were seen across the valley, about 300 yards away, standing for a divided find at 11 minutes. Leo proved his confidence and assertiveness on the course for the next 25 minutes requiring hard work by both the scout and the handler to keep him within reach. Leo stayed forward with his remaining time on course, however was unable to match his range towards the end of the hour.

Brace 3: Tucker–Puener/Nate–Rosevear. Both dogs went birdless despite their desperation and hard work.

Brace 4: Kimber–Alexander/Tabu–Jagielski. Both dogs climbed the break away forward and excitedly off to the east. At 5 minutes, Kimber had a non–productive. The dog continued on determined to satisfy her owner and produced 2 small coveys at 11 minutes and 35 minutes. Kimber demonstrated a very independent and smooth forward application throughout the challenges of this course for the full hour. At the end of the hour, the judges called time and the dog was found standing stylishly, solidifying her a spot in the line– up for placements. Tabu was picked up at 32 minutes for failure to please her handler– and the tracker was requested.

Brace 5: Penny– Williamson/Hootch–Perry. As to be expected with Penny, she remained forward and stylish; demonstrating a comfortable application throughout the hour with back to back finds at 42 minutes and 46 minutes. Hootch was out of sight from the beginning and Mr. Perry requested the tracker 10 minutes into the brace.

Brace 6: Pumpkin–Rosevear/Scout–Pollock. At 19 minutes both dogs were found under a bird with a failure to stop to flush.

Brace 7: Cashmere–Alexander/Levi–Williams. Both dogs powered forward right off the break away making nice forward moves through the first valley and across the creek. They shared

a divided find at 12 minutes. Levi continued on to deliver 3 more proud finds at 24 minutes, 34 minutes and 42 minutes. He demonstrated a mature and forward race through all the hills and turns that this course has to offer. After the first find, Cashmere eagerly seized up as much ground as he could and was lost to the front at 32 minutes.

Brace 8: Two–Haines/Colt–Anderson.

Two had Mr. Haines busy right off the bat with a productive find 6 minutes into the brace on the side of the hill and another non–productive find at 8 minutes. The dog continued forward through the course, having two more finds at 20 minutes and 38 minutes. Unfortunately, the dog was unable to maintain a stylish composure during the last find and the handler elected to pick up. Colt had a nice race delivering a total of three finds; at 16 minutes, 20 minutes and 43 minutes with a non–productive at 52 minutes.

Brace 9: Wilson–Alexander/Doc–Polock.

Wilson maintained great range and independence throughout the race however, during his find at 43 minutes he was unable to contain his excitement and moved while the handler was flushing. Doc was an excited dog to watch throughout the first half of his race, catching the attention of judges. He produced 3 finds throughout the hour at 28 minutes, 42 minutes, and 51 minutes with a non–productive at 9 minutes. Unfortunately, all the temptation from the previous finds was too much for Doc to handle and he eagerly chased after the birds his handler produced with minutes left to his hour.

Brace 10: Drought–Williamson/Lance–Rosevear. Drought had a stylish find right off the break away at three minutes, however was found under bird with the second find at 13 minutes. Lance finished the hour, challenging his scout and handler for the majority of his run. He produced a bird at 39 minutes after relocation.

Brace 11: Brea–Perry/Cody–McDonald.

Brea was proving to be a tough component throughout her first half of the hour. She had a great nose and produced multiple solid finds throughout at 4 minutes, 29 minutes, 38 minutes, 42 minutes and 51 minutes with a non–productive at 21 minutes. She lost her stamina about halfway through the hour shortening her range but remained forward. Cody was picked up for a failure to back at 29 minutes.

ED POWELL MEMORIAL/IOWA BRITTANY SHOOTING DOG CHAMPIONSHIP

Ed Powell was a college professor with a love for the Brittany breed. Over the years, he held every office in the Iowa Brittany Club. No job was too large or small to attend. When the club decided to pursue a shooting dog championship, it was a "no-brainer" in honoring his service to the club and breed. The Union County Bird Dog Ranch in Thayer, IA was groomed to perfection as owner Linda Thomas has continually upgraded the grounds and facilities. These grounds are now attracting National level events to central Iowa. Professional trainers Scott Johnson, Bob Burchett, Ed Tillson along with amateurs Barry Steinmetz, Richard Beaver and Tommy Thomas handled the field of 23 entrants. The American Brittany Club has a long partnership with Purina and appreciates the support that Gail Inman and Greg Blair provide for this event, as well as, many others across the country.

Yours truly and Ed Liermann looked over the field. Ed has had great success with his string of red setters with multiple national title banners to his credit. He was a pleasure to ride alongside with

a keen eye for championship level performances.
The Winners

1st – Hehi Miss Poison Ivy – Bob Burchett, handler; Thomas Healey, owner. Ivy was released near the section road north of camp and immediately got to work along the lines leading south. With a fluid and powerful gait, she takes in the country with eye appealing ease. She handled early finds at 2 and 3 picking up steam as the gallery neared camp. She was standing on a short line of cover at 12 with excellent style with birds pushed north. She made a big swing to the east and met Bob at the road crossing, jumping in the water tank. On the south side of the road, she maintained the front along the eastern edge of the property, made the creek crossing and sailed over the hill west where she was found standing at 24 that resulted in a non-productive. Point was called at 30 along a tree line with birds well located. Upon release, she sailed south to the creek crossing and found posed regally on a single at 36. From the find, she took an eastern tree line leading to cover over the hill with point called at 45, all manners in order. She made the move of the stake below the south lake rimming 3 different field edges then turned north. She was backing her brace mate as time expired.

2nd – Hope's Chief of Crosscreek – Bob Burchett, handler; Wayne Pepin, Robert and Polly West, owners. Wayne Pepin was in saddle to watch Chief, who annexed his 2nd National Gun Dog title last October in Ionia, MI. Away from the road crossing on the south course, he went to work along the eastern property margins meeting Bob at the first creek crossing. He was out of pocket briefly but was recovered near the top of the hill where he cast down the hill west and scored a stylish find at 10. He was forward and working lines to the western fence line with point being called at 17 with all manners in order. Stopped at 28 along a tree line on top of the hill, an extended flush and relocation did not produce game. He regained the front down the hill toward the southern section road and froze along a deep gully. Bob flushed for some time to no avail and tapped him on the head...Chief eased down into the bottom of the ravine and pinned running birds...a pretty piece of work. Upon release, he was a bit bullish with a cast back north as scout and handler worked hard to get him turned. Eventually, he came around and continued west with a final find at 50. He finished on the north side of the road going away.

3rd – Copley–Shelttany Echo of Angels – Scott Johnson, handler; Julio Rodriguez, owner.

Zoie opened her hour with a nice move on the northern half of the property and moved in a workman like manner over the first half of the hour. She was standing near a ring of cover at 25 with birds well located and all manners in order. She continued to hunt birdy cover and was rewarded at 35 requiring a relocation to get birds located, a pretty piece of work. She settled into a forward hunting application with finds at 38, 45, 57, and 60.

4th – Starlight's Mercury Out Ryder – Bob Burchett, handler; Teresa Richmond, owner. Ryder is a nicely gaited liver dog that can eat up some country when he gets rolling and he started the hour in such fashion. He was a released north of camp and was cruising the hills to the creek crossing. He suffered a non-productive at 12 near the section road silo then took the cedar lined draw to the west. Crossing over to the south end of the property, he was in and out of pocket with a mannerly find at 45.

Pushing the winners was Sovereign's Chasing Legends owned by Joe and Dawn Droel, handled by Bob Burchett.

April 27, 2019**

The weather gods were watching down on us as the snow/rain that had been predicted missed us. Cold and windy but the dogs loved it. After such a hard and long winter, it was great that we were able to get enough entries to run the trial and offer all posted stakes – there were many clubs that had to cancel due to lack of entries – thanks to all who entered their dogs and to Jason Gooding (and special helper Grant) for the use of their facilities at Good Going Hunt Club.

Special thanks to our group of dedicated workers for getting everything done and putting on a great trial: Mike and Marcia Magnuson, Diane Hedstrom, Matt Weldele, Shelly Wenberg, Mary Tyson and Doug Ziegler.

Our judges John Zeman, Andy Weyer, and Todd Piechowski awarded the following placements. Congratulations to all!

Nebraska Brittany Championship

The 2019 running of the NEBRASKA BRITTANY CHAMPIONSHIP was held April 15–18,

2017 at the Branched Oak Field Trial Area near Raymond, Nebraska. The Nebraska Championship is hosted by the Nebraska Brittany Club and followed the regional club event held April 12–14.

There are some fine folks we need to mention for their contribution to the success of this Championship event. Claudia and Stan Truksa spend many hours planning this event for the Nebraska Brittany Club. Claudia is the event secretary along with dog wagon driver. Margo Bailey, Mary Felt and Mary Karbinger helped with the dog wagon among other duties. Stan and Wesley Felt planted birds every morning. Stan rode every brace as the Marshall and Wesley as the Reporter. We thank these dedicated folks for their hard work in order to maintain a premier field event in the Brittany world.

The sponsors for the Nebraska Brittany Championship are Nestle Purina and Sporting Dog. Nestle Purina gives both money toward the running of this event and Pro Plan products for the winners. Purina is fed to several dogs running in this event as testimony to the quality of feed used in the Pro Plan dog products. Jim Moorehouse from Sport Dog provided a Pro Hunter 2525 training collar to the Champion and a Sport Hunter 1825 training collar to the Runner–up Champion. We thank these sponsors and their continued support of this event among many other major field trial events.

The judges for this year's event were Howard Burbach and Gailen Cooper both from Missouri. These two judges were up to the task of four days of riding to select the true all age competitors for this Championship. The judges had several dogs to choose from with the all–age range, intensity on birds pointed, and the handling necessary to be named as the Champion and Runner–up Champion.

The question came up of when the first Nebraska Championship was run. The older club members could not determine when it was started. However, we worked with American Field and reviewed old American Brittany Magazines and believe it was held on April 2, 1985. In the Fields' June report it mentions appreciation for several folks for the past five years so it could have begun in 1980 or these same folks helped the Elkhorn Valley Championship as this championship predated the first Nebraska Championship on the same grounds. If someone has additional information, please let us know.

The running format is six–hour braces per day for four days to run forty–eight dogs. The Champion named for the 2019 Nebraska Brittany

Championship was ANJ'S OHIO HELLION owned by Mike and Stacy Poehler and handled by Bob Burchett. His Sire is DC/AFC GRAND JUNCTION JAKE and Dam is FC/AFC HIGH HOPES LITTLE ANN. The Runner–up Champion was GFC /AFC FIRE STARTER'S CROSSED THE LINE owned by Andrea Christensen and Vickie Rankin and handled by Ed Tillson. His Sire is FC MAKING R–POINT and Dam is FC WINDTUCK'S ENOUGH SAID.

The third place was awarded to RU–JEM'S 'LAST' PENNY owned by Jerry and Ruth McGee and handled by Tom Tracy. Her Sire is TRADEMARK ATM and Dam is RED BUD ZIPPER. Fourth place was awarded to HEHI'S SLIM CHIPLEY owned by Matt Healy and handled by Bob Burchett. His Sire is BIEBEL'S HUCKLEBERRY HUCK and Dam is REBEL JAC'S KENTUCKY FLYER.

We began the Championship on Monday with temperatures in the low 40's and by early afternoon reached high 70's. Tuesday through Thursday had similar temperatures for the day. The grounds were in good shape and the birds where plentiful. There was only one dog to finish the hour with no bird work. Most dogs had multiple finds and one dog even had seven finds.

The Championship:

Brace 1: FARM GIRL PEARL– Burchett and ROUSTABOUT'S BLEW BY– Rohner. FARM GIRL PEARL started a strong forward race and pointed at seven minutes followed by three more finds before the hour. She shortened some the second half. RUSTABOUT'S BLEW BY had some trouble with his bird at seven and went to the dog wagon.

Brace 2: TURNING POINT'S SHENANIGANS– Burchett and SHADY WAY'S JOKER'S HILL COUNTRY EXPRESS– Rohner. TURNING POINT'S SHENANIGANS was forward at twenty–six as he went on point. As we rode up, the bird took flight along with the dog. SHADY WAY'S JOKER'S HILL COUNTRY EXPRESS was forward early and midway through the hour the handler requested the tracker.

Brace 3: GUN CREEK GANGSTER– Holman and WHISKEY'S LITTLE TIP– Burchett. GUN CREEK GANGSTER went forward and over the hill and was found at eight pointing in the ditch with intensity. He had another back at twenty–six and a divided find at forty–nine and finished the hour. WHISKEY'S LITTLE TIP was forward early and had a find at twenty–six and a divided find at forty–nine and finished the hour.

Brace 4: TOUCH OF BOURBON LITTLE CHUG– Johnson and BLACK CREEK SUMMIT–

Holman. The temperature was nearing eighty and had a toll on these dogs as TOUCH OF BOURBON LITTLE CHUG and BLACK CREEK SUMMIT were picked up early before the hour.

Brace 5: UPLAND TRAIL BLAZER– Rohner and SNIKSOH HANK'S HATCH– Burchett. UPLAND TRAIL BLAZER finished the hour bird less and SNIKSOH HANK'S HATCH had a find at seventeen and thirty–eight and finished the hour.

Brace 6: ALMADEN'S UNDER LOCK & KEY– Tillson and JAC'S RAY OF SUNSHINE II– Holman. ALMADEN'S UNDER LOCK & KEY was forward with spectacular bird work at fifty–five and fifty–eight and finished the hour going away. JAC'S RAY OF SUNSHINE II had an equally nice run but only could finish the hour with a stop to flush.

Brace 7: OSAGE FORK SLICK– Burchett and ACE'S ONE EYED JACK– Holman. OSAGE FORK SLICK was forward and was found at thirty–five pointing. The dog broke on the flush and was sent to the dog wagon. ACE'S ONE EYED JACK was picked up for bad manners on his bird at seven.

Brace 8: CRESCENT CITY GIRL– Tillson and MK' MAGNIFICENT BANDITO Johnson. CRESCENT CITY GIRL had a bird find early at three minutes and slammed into a back at twelve. When both dogs were released, she decided to return to the last find and was sent to the wagon. MK' MAGNIFICENT BANDITO had his running shoes on from the break away. He had a find at twelve and eighteen and was gone at midway through the hour when handler requested the tracker.

Brace 9: JAGOUB'S SPELL CASTER– Tracy and HIGH HOPE'S JAC'S ORIGINAL SPICE– Holman. JAGOUB'S SPELL CASTER had a nice forward race with a divided find at 53. He took too many steps and was sent to the dog wagon. HIGH HOPE'S JAC'S ORIGINAL SPICE had a bird at eighteen and stayed tight at the divided find at 53. However, at fifty–seven he had a breach of manners and was sent to the dog wagon.

Brace 10: BLAZIN E–Z MAC– Burchett and HOOCHIE COOCHIE MAN– Tillson. BLAZIN E–Z MAC was forward but not challenging and was picked up early at fifty–four. HOOCHIE COOCHIE MAN forward pattern was not pleasing the handler and was picked up before the hour.

Brace 11: MAXWELL'S PRICKLEY PETE– Tracy and SPARKY'S PRAIRIE WIND GYPSY– Johnson. MAXWELL'S PRICKLEY PETE had a nice find early around six minutes and was release and not seen again. Handler asks for the tracker before mid hour. SPARKY'S PRAIRIE WIND GYPSY had an early return to the dog wagon as she failed

to back the find at six minutes.

Brace 12: ANJ'S OHIO HELLION– Burchett and REV'N GUNRUNNER'S TILLY– Tracy. ANJ'S OHIO HELLION was forward after we broke from area 9 dam. We were across the concrete bridge and going toward the keyhole when scout called point on the other side of the creek. Handler flushed a bird with all good manners. Handler returned over the wood bridge and caught the front. He maintained a strong forward race. The time had elapsed for the hour and handler looked for some time to locate the dog. He was found pointing a bird to end the brace. His performance was enjoyed by the judges and he was awarded the highest honor as Champion of the Nebraska Brittany Championship. REV'N GUNRUNNER'S TILLY was forward early and lost for some time and when he was found the handler elected to pick him up before the hour.

Brace 13: PINEY RUN JAKE– Patterson and SS RIG'S COLORADO GUN RUNNER– Tillson. PINEY RUN JAKE was up at seven when he failed to back. SS RIG'S COLORADO GUN RUNNER was up at seven for breach of manners on the bird pointed.

Brace 14: HEHI'S SLIM CHIPLEY– Burchett and CVK SPARKIN KING–Tracy. HEHI'S SLIM CHIPLEY released and traveled less than hundred yards when he pointed. He had three more finds at thirteen, twenty-one and forty-four. The intensity on each bird pointed was very picturesque. From the last bird pointed, he was released and finished going away searching. His performance was enjoyed by the judges and he was awarded fourth place. CVK SPARKIN KING failed to back his bracemate on the first bird and was returned to the dog wagon.

Brace 15: WICHITA WILD WOMAN– Johnson and TEQUILA SCORCHER– Tillson. WICHITA WILD WOMAN had a nice find at thirty-eight, a back at forty-seven and was forward at fifty-five when he had his last find before finishing the hour. TEQUILA SCORCHER had a nonproductive at seven and four finds at eighteen, twenty-one, thirty-nine and forty-seven. He had a strong finish to end the hour.

Brace 16: HOPE'S CHIEF OF CROSSCREEK– Burchett and KASMIR– Tracy. HOPE'S CHIEF OF CROSSCREEK had a nonproductive early and shortened going into the strong winds and handler elected to pick up early. KASMIR also had problems with the strong winds and was picked up early.

Brace 17: CASTAWAY WILSON– Tracy and BLACK CREEK UHAUL– Holman. CASTAWAY

WILSON was forward at six minutes when he had a breach of manners on a bird. BLACK CREEK UHAUL was not pleasing the handler as he was picked up before the hour.

Brace 18: STELLA 51– Burchett and FIRESTARTER'S CROSSED THE LINE– Tillson. STELLA 51 failed to back at 45 and was sent to the dog wagon. FIRESTARTER'S CROSSED THE LINE was forward from the break away and only got stronger. He had two finds, the first at forty-five and the second at fifty-eight. He was released at fifty-eight and immediate went to the front to finish the hour. His performance was enjoyed by the judges and he was awarded the Runner-up Champion of the Nebraska Brittany Championship.

Mid America Brittany Championship

The 2019 running of the MID AMERICA BRITTANY CHAMPIONSHIP was held April 22–25, 2019 at the Branched Oak Field Trial Area near Raymond, Nebraska. The Mid American Brittany

Championship was hosted by the Missouri Valley Brittany Club and followed the regional club event held April 19–21.

There are some fine folks we need to mention for their contribution to the success of this Championship event. First and foremost, Bill and Julie Cockrum, who are club members of the Missouri Valley Brittany Club. The Cockrum's along with club members Bruce Heiter, Rob Rohner and Kristin Tracy. Bill, Bruce and Rob planted birds while Kristen and Valerie Burchett picked up food. John Savicky provided his truck for the dog wagon and four wheeler and trailer.

On Saturday while preparing to come to the trial John Savicky fell and broke his hip. We wish John a speedy recovery.

This year is the first year since the first running of the Mid America Brittany Championship we did not have Jack Higgins to help. Jack passed away last December. Jack was one of the founding members of the Mid America Brittany Championship and reported many of them. Your help and leadership were missed.

The Branched Oak Field Trial Area has a large lodge enjoyed by trial folks to gather for socializing and meals. Missouri Valley Brittany Club provided food for the lunches. Several folks pitched in with cooking and cleaning duties including Roger Stowell, Mary Felt and Rob Rohner. We also would like thank Ken Windom and Roger for providing the grills as well as cooking the hamburgers and hot dogs.

The sponsor for the Mid America Brittany Championship is Nestle Purina. Nestle Purina gives both money toward the running of this event and Pro Plan products for the winners. Purina is fed to several dogs running in this event as testimony to the quality of feed used in the Pro Plan dog products. We thank our sponsor for their continued support.

The judges for this year's event were Rodney Albin from Missouri and Don Kimble from Kansas. These two judges were up to the task of three days of riding through some cold weather to select the true all age competitors for this Championship. The judges had a number of good dogs to choose from with the all–age range, intensity on birds pointed, and the handling necessary to be named as the Champion and Runner–up Champion.

Branched Oak Field Trial Area provides ample space to show a true all age bird dog. We had forty–three dogs run in this Championship. The 2019 Mid American Brittany Championship awarded as Champion was FC WHISKEY'S LITTLE TIP (M) owned by Gaylord Jowett and Weston

Jowett and handled by Bob Burchett. Tip's Sire is DC HI PROOF WHIZKI and Dam is SANDBANK ROSE. The Runner-up Champion was awarded to ROUSTABOUT'S ALL IN (M) owned by Paul Rosevear and handled by Tom Tracy Jr. All In's Sire is MAXWELL'S OUTER LIMITS and Dam is CEDAR VALLEY LILY. The third place was awarded to BLAZIN E-Z MAC owned Steven Ralph and handled by Bob Burchett. The fourth place was awarded to MK'S MY LIL AMMO owned by Nick Blasi and handled by Scott Johnson.

The Championship is a one-hour heat run as a continuous course. The first day had eight braces completed while the second and third day had seven braces. The weather for the three days was good for the dogs. The calendar says spring but the temperature for all three days began cool, low 40's with a north wind and might have reached high of 60. This is the first Championship in many years we did not have to deal with spring rains.

The Championship:

Brace 1: SS RIG'S COLORADO GUN RUNNER– Tillson and UPLAND TRAILBLAZER SCOUT– Tracy. SS RIG'S COLORADO GUN RUNNER was seen under a bird at seven and went to the dog wagon. Brace 2: BLACK CREEK SUMMIT– Holman and CRESCENT CITY GIRL– Tillson. BLACK CREEK SUMMIT had a far reaching forward race for some time until he lost contact with the handler and tracker was pulled. CRESCENT CITY GIRL was lost early and tracker was turned on.

MK'S MY LIL AMMO maintained her point through her bracedmates' breach of manners and was sent on. Brace 9: ROUSTABOUT'S ALL IN– Tracy and BLAZIN E-Z MAC– Burchett. ROUSTABOUT'S ALL IN had a bird find at nine while slamming into a back at twenty-three. He had some running time before the next bird at fifty-nine as he made us sit up in the saddle and watch with excitement his next all age move. His finish to the last find was at time and we had to ride quite a ways to watch his strong pointing ability and flawless flight and fire. He had a peccadillo with handler while returning to release distracted some from a wonderful performance. This performance was enjoyed by the judges as he was named the Runner-Up Champion of the Mid America Brittany Championship. BLAZIN E-Z MAC was found standing with the brace mate backing at twenty-three with all good manners. He was sent forward with purpose and showed some all age and had his second find at forty eight. He was released and finished the hour to the front. This performance was enjoyed by the judges as he awarded third place.

Brace 10: ALAR'S DIRTY DANCER– Tillson and DRIVING MISS DAISY II– Tracy. ALAR'S DIRTY DANCER was picked up by handler before the hour. DRIVING MISS DAISY II had a breach of manners on a bird early in the brace.

Brace 11: BLACK UHAUL– Holman and HOOCHIE COOCHIE MAN– Tillson. BLACK UHAUL was picked up by handler before the hour. HOOCHIE COOCHIE MAN had a short outing with a breach of manners on his find at four.

He was released and continued to fifty minutes with a nonproductive and at fifty-two a nice find. He was released and finished the hour. Brace 14: ANJ'S OHIO HELLION– Burchett and ROUSTABOUT'S BLEW BY– Tracy. ANJ'S OHIO HELLION had a nonproductive at 9 and was released and not seen again as the handler requested the tracker. ROUSTABOUT'S BLEW BY was picked up by the handler before the hour.

Brace 15: JAC'S RAY OF SUNSHINE II– Holman and MK'S MAGNIFICENT BANDITO– Johnson. JAC'S RAY OF SUNSHINE II was doing a good job until point was called at 32 and he had a breach of manners. MK'S MAGNIFICENT BANDITO was picked up by the handler before the hour.

Brace 16: CARPE DIEM– Lincoln and HIGH HOPE'S JAC'S ORIGINAL SPICE– Holman. CARPE DIEM was away early with a mission and point was called at eight. Handler elected to relocate, he took a few steps and locked on with intensity and all was ok. He was released and at eleven minutes point was again called but he did not show the same manners and was sent to the dog wagon. HIGH HOPE'S JAC'S ORIGINAL SPICE was at midpoint of the hour when handler called point and flush and shot was good. He was taken on and had another find at forty-nine. He was released and finished the hour.

Brace 17: WHISKEY'S LITTLE TIP– Burchett and SHADY WAY'S JOKER'S HILL COUNTRY EXPRESS– Tracy. WHISKEY'S LITTLE TIP had four finds within a ten minute span. He had his first find at twenty with a long absence while standing the bird. The second find was at twenty-five and third find was at twenty-seven and the last find was at thirty. He was released and took us on an all age adventure to the end of the hour. He had the extreme distance with lines finished before moving onto the next objective, a superb effort. This performance was enjoyed by the judges as he was named the Champion of the Mid America Brittany Championship. SHADY

WAY'S JOKER'S HILL COUNTRY EXPRESS was seen under a bird and was sent to the dog wagon.

Brace 18: SNIKSOH HANK'S HATCH—Burchett and KASMIR— Tracy. SNIKSOH HANK'S HATCH had a find at eleven, twenty—six and at thirty was seen under a bird. KASMIR had a find, why flushing the handler's horse left and so did Kashmir.

Western Brittany Shooting Dog Championship

The Western Brittany Shooting Dog Championship/Grand Open Limited Gun Dog was held in Madras Oregon, April 1–2, 2019. A great field of some of the finest shooting dogs in the Western Region competed under cloudy, cool, and often rainy conditions. Judges for the event were Leslie Andreas, making the trip from Saskatchewan, and Dr. Ray Calkins of Shearwood, Oregon. We wish to thank the Crooked River National Grasslands for providing a great venue under permit and Purina for their continued and very valued support.

The trial broke away at 8AM on a cool, damp morning. The weather stayed cool for the duration, which pleased the dogs and chilled the handlers, judges, and gallery. The running:

Brace 1. Whisky Shadow of Fenway (Fenway)/Matt Smith, and Sonny's Hot Summer Breeze (Breezy)/Paul Doiron. Both dogs got off to a good start with a big and fast breakaway. At 14 Fenway was found standing, and Breezy came in for an excellent honor.

Fenway left before his handler could get to him, apparently in chase, and his handler picked him up. Breezy went on for a good point at 20 with all in order, but was seen in pursuit of a flying bird at 35, thus ending the first brace.

Brace 2 Christie's Im a Jakester (Jake)/ Steve Ball, and Leona Valley's Sonny Red Side Up (Red)/ Paul Doiron. Jake and Red were both fast and ran big. Jake was picked up for chasing a bird at 18, At 20, Red had a non-productive, and stylish points at 35, 40, 45, 50, 53, 58 and a stop to flush at 52. Red finished well, but never was able to really open up between finds.

Brace 3. Shiloh's Last Dash of Flash (Dash)/Wayne Hale, and Quail Rock Too Tough (Duke II)/Paul Doiron. Both dogs ran fast and stayed to the front. At 35, Dash had a point at the far edge of the course. Dash looked very intense and stylish. At 45, Dash and Duke had a divided find. At flush, Dash took a couple of steps forward. Duke II remained stauisque. Duke went on to have one more find and finished to the front.

Brace 4. MTB Spicenson Captain Ryan (Ryan)/ Tom White, and Kiger Hills Dixie on Fire (Dixie)/Mark Shearman. Both dogs moved well to the front at breakaway. Dixie had a find at 12, 14, 16, 22, 45. The fourth find was on the edge way out in the top of the bowl. It took four relocations, but miraculously Mark produced a bird and all was in order. Dixie finished with a non-productive at 55. Ryan had his first point at 46, and failed to please his handler with his bird work. He was picked up.

Brace 5. Spanish Corral's Chica Nevada (Chica)/Frank Bright, and MTB Zipson Veni Vidi Vici (Vinny)/Tom White. Vinny had his first point at 14 in the rockpile and Chica had a simultaneous nice find a little further down course. Birds were produced in both cases and all was in order. Vinny made some big casts running a terrific shooting dog race. Chica stayed consistently forward with big casts and a fast, stylish run. Vinny was picked up for forgetting his manners on his third find. Chica continued a great run and ended with three finds, all of top-notch style and intensity.

Brace 6. Cedar Creek Hawkeye (Hank)/ Joe Waitman, and Shiloh's Sailing the West Wind (Zephyryus) Ted Foster. Hank had a very forward run with six finds, all of which were of the highest quality. His quality bird work, strong forward race, and easy handle, combined for an outstanding and winning run. He finished well forward on the course with energy to spare. Zepher/Foster had four finds, ran well, but was

loose and soft on his birds.

Brace 7. Spanish Corral's Cooper's Hawk (Hawk)/Joe Gower and Zip's Moondance Kid (Skeeter)/ Larry Sandusky. Both dogs ran forward with plenty of speed. Hawk had his first find at 20, with all in orders. At 41, Skeeter had a point with Hawk backing very stylishly. At 49, Hawk took a strong leap at a bird at flush. Hawk finished the race, but tired toward the end.

Brace 8 K Nines Finales Way to Go (Allie)/ Paul Doiron ran as a bye dog. At 8 Allie had a find in the rockpile and all was in order. Allie made some huge casts, really opening up after the gate. At 17, she had a non-productive. At 21, Allie had a nice find, pointing very stylishly and all was in order with the flush. She demonstrated great ground speed. At 32, Allie was seen in hot pursuit of a bird was picked up.

INTRODUCTION TO THE BRITTANY: INTRODUCING GUNFIRE

By Martha H. Greenlee and David A. Webb, © 2003

Introduce gunfire to a Brittany puppy when he is at least 5 months old. Take your time with this lesson and pay close attention to his initial response. When done correctly, a pup should ignore the noise. If your pup stops, changes his gait, or turns his head during the introduction, he's telling you he's not ready. Back off and give him some time to mature before continuing. Most gun-shy dogs are man-made. While some pups may be more noise sensitive than others, a noise sensitive pup can learn to enjoy gunfire if he is properly introduced.

The professionals we work with introduce gunfire in a couple of different ways. Gene Stewart likes to introduce it away from birds. This is the safest method and we recommend it to anyone who is a beginning trainer. Bill Gibbons introduces gunfire around birds---when the pup makes a dive at a bird he is chasing. More experienced trainers may prefer this method. Both use a .22 caliber blank pistol but a cap gun also works.

Gene Stewart likes to introduce gunfire while the pup is running in the field. When the pup is about 5 months old, Gene starts taking him for runs afield. Once he is confident running on different grounds, Gene fires a blank gun when the pup is about 50 yards ahead. He watches to see if the pup stops or changes his gait. If he does, Gene turns and goes a different direction, ignoring him. The pup quickly forgets about the noise and runs to catch-up. If the pup does this, he's telling Gene he's not ready. Gene gives him a little time off, maybe a week, before trying again. Once the pup is ignoring the gunfire, Gene will fire closer.

Now, Gene is ready to introduce gunfire around birds. He does this while the pup is looking for the bird. Gene puts out a couple of quail along a treeline as if he were introducing the pup to birds. As the pup hunts the treeline, Gene waits for him to flush a bird and chase it. When the pup chases the bird and it lands again, he gets excited. He's racing around trying to find the bird, but he doesn't know exactly where it is. At this time Gene shoots. The pup knows the bird is there, but he doesn't see or smell it.

Bill Gibbons likes to introduce gunfire around birds, at the instant the pup makes a dive to catch the bird he's chasing. The pup is usually so excited he ignores the noise. Before Bill begins he wants the pup to chase and catch a bird. Until the pup does this, he's not ready to be shot over. Some puppies may point the bird, flush it, and even chase aggressively. However, other pups may be afraid of the bird, and, instead of catching it, they re-point it. A pup that re-points may not be ready to be fired over.

To begin, Bill puts out a couple of pigeons with cardboard tethers in an open field as if he were introducing a pup to pigeons. He might pull some flight feathers from one wing of the bird if it is a strong flyer. He puts the checkcord on the pup and lets him hunt a little before bringing him into a bird. The pup will either point or pounce. It doesn't matter which he does as long as he doesn't catch it. Once the bird is in the air, Bill drops the checkcord and lets the pup chase it. Bill watches to make

sure that the pup runs aggressively and catches the bird. Only if he catches the bird is he ready to be shot over.

Now, Bill works him on a second bird. Once the bird is in the air, Bill lets go of the checkcord and the pup chases again. He doesn't fire yet but waits for the instant the pup makes a dive for the pigeon. Now, Bill fires the blank pistol. At this time Bill is at least 50 yards away. He carefully watches the pup for any signs of concern. Does the pup notice the report of the gun? Most pups are so fired-up they ignore the noise, but once in a while a pup will hesitate. If the pup hesitates at the sound of the shot, Bill works him on a third bird. This time he does not fire. He wants the pup to enjoy catching another bird before he puts him up. Bill gives him a couple of days to think about it before re-introducing gunfire. Once the pup ignores the gunfire, Bill can shoot earlier---while the pup is chasing the bird. At this time, Bill also begins to fire multiple times and gets closer to the puppy.

Once the pup is ignoring the blank gun or cap gun, he's ready to be introduced to the shotgun---but only after he has been fired over for a couple of weeks and he's oblivious to the noise. A light load works best before moving to a heavier gauge. Remember to introduce the bigger gun in stages, the same way you introduced the blank gun.

Once gunfire has been introduced, continue to be careful when you shoot around your pup. Since you can make a dog gun-shy at any time, here are a few common sense rules that apply throughout your pup's hunting career.

- Never take a pup to a skeet or trap range to see if he is gun-shy. You will have a gun-shy pup from this type of noise exposure.
- Never fire a shotgun when you are behind a young or inexperienced dog. Fire when you're in front of him so the noise doesn't startle him.
- Use one gunner, especially the first season. Four or five people shooting over a young dog is the fastest way to send him, panic stricken, fleeing back to the truck.
- Shoot only at the birds that your dog points. If he's pointing, he's anticipating the shot. If you shoot at wild flushing birds, the noise may frighten him.

As your pup's training progresses, the noise of gunfire will become a reward. The sound tells him that birds are in the air. If you are careful, if you introduce the gun intelligently and use common sense, your pup will thrill to the sound of the shot for the rest of his life.

Gun Dog Futurity

Weather for this afternoon stake was typically mild with temperatures reaching into the upper 50s with a light breeze. Skies

were mostly overcast with periods of Florida sunshine. The conditions were nearly perfect for scenting and running. Perry Plantation is a commercial hay farm with long, tree-lined edges that can draw a big running dog to reach the outer limits endurance. Planted pines and natural woods provide excellent cover for quail. Quail were abundant throughout the stake and could be found just about anywhere along edges during the running.

Judges for the stake were Dr. Charles Cantrell, DVM, and Kary Jorgensen. Dr. Cantrell, a native Floridian, currently owns and runs Pointers and Brittany's and has met with good success both in AKC and AF events. Ms. Jorgensen, a California transplant to Florida, has owned GSP in the past, and currently competes with Pointers. She and her husband have a Dual GSP to their credit and currently run Pointers in AKC and AF events.

Brace 1: Boudreaux's Dakota Plum Button "Gabby" – Darlene A. Dow and Sigbrit's Ready To Riot "Riot" – Bobbie Sigmund. The brace broke away with Gabby leading the way and Riot following her lead. Gabby provided a nice show to the gallery as she kept a steady pace throughout the stake showing a snappy run with 5 finds hitting numerous objectives. She listened well and stayed to the front. Riot kept a less steady pace in front with a short run. She handled kindly along the way. She did not have birdwork as she was not inclined to investigate the nearby edges. Gabby finished the stake with plenty of gas in the tank continuing to hunt for game until the end. Riot completed her work as it began.

Brace 2: Triumphants Testarossa "Tess" – Linda McCartney and CH Horizon-Breezewater's I'm The Only One "Reo" – Bobbie Sigmund. As the brace departed it was clear early on that these two dogs were going to put on a nice show of walking gun dogs. Tess began and finished with a moderate run that would shorten periodically. Reo showed the gallery a somewhat closer gun dog run. Both dogs showed an ability to handle as they investigated the nearby woods for game. Between the two there were two divided finds with Tess coming up with three finds independent finds to her credit. Each dog showed good intensity on point and proved they enjoyed their time in the field. The brace ended with both dogs showing a shorter race than at the beginning, but were entertaining to watch.

Brace 3: DuBois Ridge Major Maverick "Major" – Jake Buchanan and Horizon's Causin' A Commotion "Havoc" – Scott Janowski. This brace began in the back corner after passing through the back woods. Both dogs exploded from the breakaway showing an early capability of having a bigger gun dog race. Major drove ahead and from the start was content to show the gallery a desire to find game. Havoc moved hard to the right and chose a bit more conservative run. He explored the palm tree point and found birdwork to his liking. Major continued to show a bigger gun dog race as he continued forward leaving Havoc to work at his pace. Both competitors worked their ranges separately for the remainder of the brace. Major showed excellent range, a very strong desire to locate and point game. He finished with strength. After the dust settled Major had five finds showing nice style. Havoc finished his performance with three finds. He had a particularly memorable find along the fence line along the last chute before the double gates. Showing outstanding style with head and tail high and a front foot lifted he showed his handler how he could do it! Both dogs had enough stamina to finish strongly.

Brace 4: CH Triumphant Maker's Mark "Mark" – Linda McCartney and CH Sigbrit's The Last Rebel "Rebel" – Bobbie Sigmund. The brace had two rather conservative races, but still more than adequate for a walking gun dog. Mark was steady covering ground and stayed to the front. Rebel began much the same as Mark,

but gained some momentum and drive as the brace moved ahead. Mark and Rebel had a divided find and both showed good style as the handlers fired their guns. Mark tended to be content to hang back and allow Rebel to lead the way through much of the brace. At about the twenty minute mark Rebel decided to expand his run and began to show more interest in hunting the edges. At time Rebel had credit for two finds showing respectable style on both. Mark finished his time afield with no independent finds.

Brace 5: Sigbrit's Lucky JH "Lucky" – Tim Piotrkowski, Bye. It is always a concern when a young dog runs as a bye dog when they have no other competitor to challenge them. Lucky had the added disadvantage of beginning the brace at the far end of the big field behind the manor which led into the back woods. Lucky, on the other hand, seemed to take his position in stride. After clearing the back woods Lucky decided it was time to go to work. He continued to take no notice that he was alone as he laid down a very consistent walking gun dog pace throughout his last twenty minutes on the ground. He was snappy, handled kindly and showed good stamina to the end. When time was called Lucky had been credited with three finds with nice style.

Summary: All of the dogs were consistently forward, regardless of their individual pace. Overall, handling and birdwork were very acceptable. Some dogs, more than others, showed more willingness to explore the edges and enter areas that could potentially hold birds.

All Age Futurity

Weather was cool and dry, a great day for the dogs to run. The Perry Plantation grounds are a wonderful place to run dogs. Nice edges, wide open areas, pine stands throughout, and most areas made it easy to see the dogs up front and standing on point. Judges for the All Age stake were Judith Hamilton from Palm City, FL and Kary Jorgensen from Summerfield, FL. Both judges mentioned what a really great time they had judging some very nice dogs in the field, some with great field careers ahead for them.

BRACE 1: Diamond Hill Aint My Fault (Scout) handled by Lisa Pollock. Pursuit's Broadway Glitz (Betsy) handled by Jay Hallaron. Both dogs took to the front quickly and made the first turn on the course easily. Scout's first point was at the 3–minute mark, she was intense on her point, handler flushed and birds flew up and away. Along the course at the corner tree Scout had another nice find at 7 minutes. Betsy ran strongly to the front and found a large covey at the 9–minute mark with having great style on point. Both dogs got together and were seen running up ahead. At 11 minutes, at the Palm Tree Point, both dogs were seen pushing birds up. Going along the course Scout had a non–productive at 16 minutes. Betsy kicked into high gear running strong and slammed on point on the right side at 21 minutes with the handler getting birds up and Betsy staying steady. Both dogs got together again and at the South East Corner of the Manor House Field they put birds in the air. Betsy raced quickly to the front and was seen running strong still going away along the far edge.

BRACE 2: Saradac's Black Creek Preacher (Preacher) handled by Lisa Pollock. Whiskey River Willie (Willie) handled by Bobbie Sigmund owned by Hans Borgmann. Both dogs started off quickly on the course with Preacher having his first point at 10 minutes and handled the flush nicely. Willie was seen running on the course and at 11 minutes pushed up a bird and quickly ran after it. Preacher stayed on course and was running ahead, slammed on point, but the handler could not produce a bird. Preacher was then released, ran strong ahead to the front quickly showing some nice moves on the course. At the 26–minute mark Preacher

again slammed on point, looking very intense on his point, and the handler put birds into the air. Willie had his first true point at 26 minutes, looking good while standing at the Keyhole area then the race on was when the bird got into the air. Preacher was far ahead on the course and finished running strongly to the front going away.

BRACE 3: Honor Code (AKC: I'm A Class Act) Gauge handled by Charles K Cantrell. Mr B's Double Down (Brownie) handled by Bobbie Sigmund owned by Hans Borgmann. The brace started out with both dogs running to the front. Gauge got ahead of Brownie and had his first point before the Keyhole standing tall at 12 minutes. Handlers got both dogs through the Keyhole with Gauge running to the front going away. Brownie went to the right, found birds in the woods, and the chase was on with birds getting up as Brownie raced in deeper. After a several attempts to get Brownie back on course, he was brought back to the

Then after being released Gauge quickly slammed on point at 24 minutes and handled the flush nicely. Gauge's range was better as the brace went on with him finishing strong still going away to the front.

BRACE 4: Diamond Hill Jackie of Diamonds (Jackie) handled by Lisa Pollock. Jackie, in season, went to the front quickly, ran along the course with a nice point at 8 minutes across from the pines. Jackie handled the flush nicely then went on forward. Jackie started with a few nice casts but slowed up as the brace went on.

Versatile Brittanys in Action

By Carla Simon

BRITTANY BED BUGGERS

Bed bugs are a growing problem and sniffer dogs are increasingly in demand to help eradicate them. It may appear to be a strange, “icky” job, but it’s one our bed bug detection Brittanys are happy to do, every day.

Bed bugs are small, blood-sucking parasites that feed on humans. During the day, they hide in mattresses seams, box springs, and headboards, and nearby, waiting for nighttime to venture forth and feed while we sleep.

Bed bugs have been found in all 50 states, across Canada and around the world. As people travel around the globe, they unknowingly spread the bugs from vacation destinations through all modes of transportation, ending up in hotels, homes and college dorms. They’ve been found in 5-star hotels to cruise ships, school buses, trains, and airplanes during flights! They can travel inside luggage and secondhand furniture. And while bed bugs have not been shown to transmit diseases to humans, they can cause loss of sleep, allergic reactions, anxiety and financial hardship.

Once bed bugs are in your home, they can multiply quickly, before you even realize. To effectively eliminate bed bugs is an expensive, time consuming effort involving collecting and laundering all clothing and bedding, keeping it in plastic bags, reducing clutter, and enclosing mattresses in protective covers. It may cost up to \$1000 per room, so clients want to know with certainty if they have bed bugs or not.

Adult bed bugs are visible to the human eye, and exterminators can find them by closely inspecting accommodations and taking apart suspect mattresses and frames. But sniffer dogs have the advantage of inspecting far larger areas, far more quickly, by using their exemplary noses.

Enter the Brittanys. The olfactory mastery used to locate birds is easily adapted to finding any target scent, and bed bugs are no exception. A trained detection dog can detect the presence of 1 live bed bug, or even 1 egg, from across the room, by using scent instead of vision. Brittanys are light enough to lift on top of triple decker bunk beds, and small enough to fit behind furniture inside crowded rooms, where a larger dog couldn’t easily access. Even more importantly, Brittanys are known in the scent detection community as tireless workers, with drive to search all day long. Once they understand that they will be rewarded for finding bugs, they give it their all: searching every possible corner without missing any bugs. Sniffing is inherently rewarding, and praise, and treats and toys are an added bonus for a job well done.

Playful training of sniffer dog candidates can start as early as 5 weeks. At first, the puppy learns to search for food placed next to a closed vial of bedbugs. Everytime the pup eats the treats, he smells the bugs, rapidly forming a positive association. After many repetitions, we remove the food, leaving only the bugs. The rewards never go away, but over time the pup searches longer, for fewer rewards. Much like pointing a bird in a tree, detection dogs learn to point to communicate the precise location of target scent.

Professional sniffer dogs must learn to ignore dead bugs and detect only live bugs and eggs. That distinction is important since dead bugs don’t require extermination, while live bugs require expensive treatment. So, if you want to be a bed bug canine handler, you need to keep live bed bugs, and face the associated risks. Never

before has seeing a ladybug provoked such anxiety as when you wonder for a second if the training bed bugs escaped to run amok.

As for handling, I love to watch the dogs work. Scent science is fascinating. It can be challenging, but also rewarding. In my experience, most people are just glad to get an answer. If they've been bitten or fighting an infestation over several months, the proof we provide helps them to make good choices about their home and belongings. And it's reassuring to give the "all clear", after finding no live bugs in the area.

In conclusion, the skills that make our Brittany's great gun dogs also lead them to love hunting down bed bugs, and excel at finding them, wherever they may be. Since bed bugs are generally found indoors, and birds outdoors, there is little conflict in pointing both. Whatever the scent, we're lucky enough to go hunting together every day.

New England Brittany Grouse-Woodcock Championship

March 23-24, 2019

Arcadia Management Area, Exeter, RI

Reported by: Pat Carney

NEBCA was just getting its feet wet in the wild bird arena when in 1981 it ran their first Grouse/Woodcock Championship at the Arcadia Management Area in Exeter, RI. And then after several years of running at Arcadia, it was just shy of 30 years ago that we said goodbye to the venue in search of more productive grounds for this championship event. Brownfield Bog in Fryeburg, ME, filled the bill for a couple of years before the event was moved to the Kilkenny Management Area in Berlin, NH. And for the next 27 years or so, Kilkenny was the site of an annual pilgrimage each fall for the many Brittany competitors willing to try their hand at the wild bird game. Kilkenny proved to be a rugged venue for all that attended the event. Many thanks are owed to Ray Gorman for spearheading/organizing the championship over the Kilkenny years. And now we've come full circle! This spring the New England Brittany Championship Association has returned to the Arcadia Management Area in Exeter, RI for its signature wild bird championship event with Bob Fleury leading the way.

With the cancellation of last fall's event at the Kilkenny Management Area in Berlin, NH, the return to Arcadia was a welcome change of venue for competitors and handlers alike. Although not all dogs had contact with birds, with never a birdless brace, the opportunity was there – win or lose. And in spite of some recent snow/rain making for somewhat muddy going in spots, walking was significantly easier than the rugged terrain of Kilkenny. We had competitors from RI, NJ, NY, NH, CT, MA, ME, PA and MI. The AKC rep, Gary Sadler came from TN. All seemed to appreciate the new digs and enjoy the two days spent handling the dogs over the pretty much flat cover. This early in the spring, cover is down, making it easier to keep a handle on the dogs.

There are three one-hour courses at Arcadia which are run in the morning, followed by a lunch break and then back to the same three courses in the afternoon. Lunch break was a welcome mid-day respite giving everyone the opportunity to kick back, relax, converse and enjoy the chili, salad, sandwiches and desserts that were so fortuitously delivered by Leslie Fleury. As always, everything was delicious and we can't thank Leslie enough for singlehandedly taking care of this.

A few more thanks are in order for Bill and Fran Gorman who handled delivering premiums and trial information, drawing for the bracing, emailing/printing bracesheets, etc. Also Art Hembrough, who's a quick study when it comes to understanding courses/terrain, and marshaling handlers/dogs to the proper courses, deserves thanks as well. The cooperation of Will Walker, the RI official in charge of Arcadia was instrumental in the success of this year's event. And last, but not least, a huge thank you to Purina, our perennial supporter for this event — we couldn't do it without you.

The forecast for Friday night was overnight snow, with temps rising above freezing on Saturday. The earlier braces had to deal with as much as 3 inches of snow that rapidly disappeared by lunchtime. A total of 8 braces (16 dogs) were run under the ever-watchful eyes of judges John Stolgitis and Brian Breveleri, and we are thankful and grateful to both for their attentiveness and decisions.

At the conclusion of Saturday's running, Bob and Leslie Fleury were our hosts for dinner at their home in No. Stonington. A lot of work and planning went into the dinner as Leslie pulled out all the stops to make the evening delicious as well as unforgettable for all in attendance. It was a great way to spend the evening after a long day of trialing. Thank you Bob and Leslie for your hospitality.

The final two braces were run Sunday morning and placements were announced back at headquarters.

Named Champion was KDel's Eagle's Chance to Soar, handled by

Ken DeLong. Chancey ran in the 8th brace on course 2. She had a very strong forward, well applied ground race, never underfoot. Chancey would drift beyond the bell, returning to maintain just enough contact and cast off forward into the cover again. She showed impressively in the distance as she raced over the course and had three finds at 20, 25 and 28 with a strong finish.

Named Runner-up Champion was Burning Glen Encore, handled by Mike Mercanti. Scout also ran on course 2. He applied himself well to the cover and finished his hour with 3 finds and 1 unproductive. Handler elected to take Scout off point and send him on a couple of times as well.

Claiming a 3rd place win as an AKC Grand Open Limited Gun Dog was Centerville's Sonny, handled by Sarah Conyngham. Sonny ran in the very first brace and had the requisite ground race and birdwork, but had to deal with circumstances most of the field was fortunate to avoid—3" of snow on the course and a clogged bell that made it difficult for the handler to keep track of him. Handler was not present to handle him on his two finds. The cold and the wet snow took its toll at the end of the hour.

Another dog that deserves mention is Shirley's Britt from Saratoga, handled by Paul Shirley. Judges liked Toga's performance, but for his single find, Toga was found standing after a lengthy 15-minute search, well to the rear of the course and judges couldn't overlook the delayed chase factor. Had Toga been found standing to the front, that would have changed things.

Thanks to all who participated — judges, organizers, all who helped in any way and especially all those who entered. Hope everyone enjoyed themselves and we'll get to see you all next spring.

Pennsylvania Brittany Championship & Derby Classic

Mingo Sportsman Club Grounds, Bloomingdale, Ohio

March 24 - 26, 2019

PRO PLAN

The State of Ohio March weather often is unpredictable, possibly with sunshine, rain, snow and varying temperatures. This year was o.k. temperatures in 50's with sunshine to start on Sunday and then a little uncomfortable for the judges on Monday with cold rain that morning to complete the Open Shooting Dog event. Decision was made by the judges to wait and start the Derby on Tuesday with the weather forecast of sunshine being more favorable.

With all the necessary "paper work" being new to the position of Secretary for the Field Trial, there were several individuals who "gave freely their advice and help" – Mary Jo Trimble, Steve Ralph, Lisa Pollock, and Chris Rider regarding the ABC, AKC & American Field registration and recruiting judges, etc. for the event at Mingo Sportsman Club grounds in Bloomington, Ohio – thank you! With regard to the actual event, it was a success. There were 21 dogs entered in the Open Shooting Dog stake and 13 dogs in the Derby. Few less than participated during the 2018 events.

With the help of the following individuals the event was completed in a timely manner: Gene Stewart – bird planter & dog wagon driver par-excellent; Jack and Crystal Alexander – marshals, bird planters, provider of water, and hay; Tom Tracy – laying out the continuous course; and Bill McLewis – cooked – breakfast, lunches, and supper dinner Monday evening.

The Pennsylvania Brittany Championship Association (PABCA) and the American Brittany Club also wishes to recognize and thank Nestle/Purina for their continued support of this ABC Classic Championship both with funding and dog food. We recognize their continued cooperation and sponsorship of this American Brittany Club event. While the monetary support helps the clubs, quality of the dog food helps us keep them in a competitive condition.

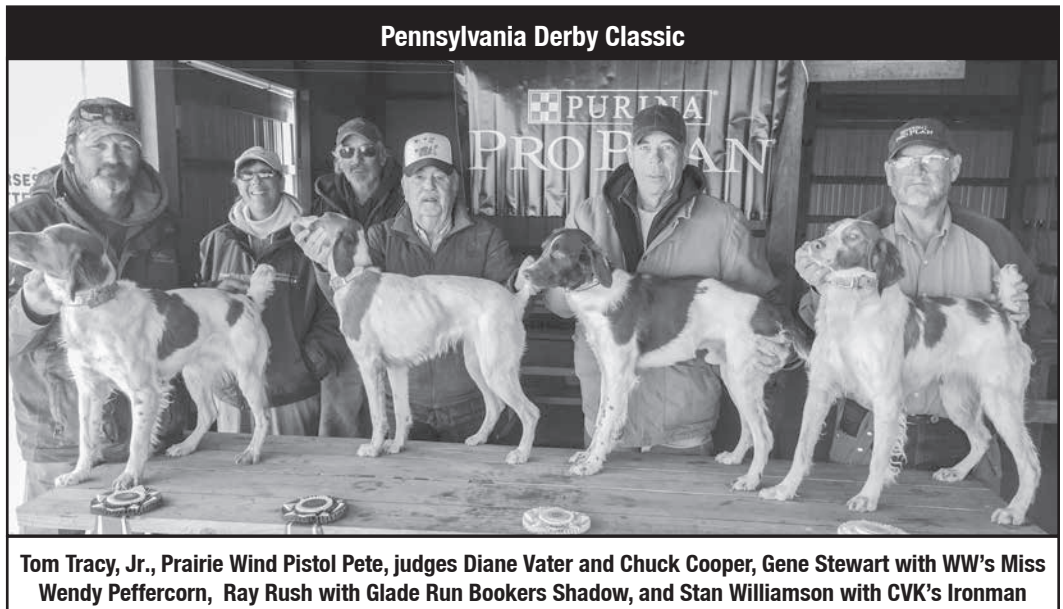

Rodney Clagg from Bellville, OH and Stan Williamson from Lewiston, MO were in the saddle to judge the field of 21 entries from professional trainers, Tom Tracy Jr. and Diane Vater as well as, amateur handlers Vince Anderson, John Bell, and John Perry. Start day, Sunday was in the 50's with sunshine; next day much cooler weather and rain. The event proceeded "smoothly" with three continuous courses, which allowed for a quick change to occur between braces.

Derby Classic Event

Following the Open Shooting Dog event a Derby Classic was conducted starting on Tuesday morning and concluding later that afternoon. Judges for this event were Diane Vater and Chuck Cooper of Burgettstown, PA. The judges had delayed the starting of the Derby from Monday afternoon because of wet cool weather and the forecast for Tuesday of clear sunshine and more climate temperatures. There were

a total of 13 entries. Tom Tracy had entered nine dogs competing with amateurs – Joe Williams having three dogs and Ray Rush a single derby.

Winner of the Derby Classic came from brace No. 1, Prairie Wind Pistol Pete (aka PD), handled by Tom Tracy for owner Steve Ralph. PD is a white/orange male, who will be two years old June 16th of this year. Runner-up was WW's Miss Wendy Peffercorn handled by Tom Tracy for owner Burton Wise. Wendy is a white/orange female; who ran by herself in the 6th brace will be two years of age on July 12th of this year. In addition with a competitive run and placing third was Glade Run Bookers Shadow owned and handled by Ray Rush. Booker is a liver /white male, who will be two on July 7, 2019. The Brittany taking 4th place was CVK's Ironman; a white/orange male being eleven months of age, handled by Tom Tracy, Jr. for owner Raustin Tracy, who just happens to be Tom's

Tom Tracy, Jr., Prairie Wind Pistol Pete, judges Diane Vater and Chuck Cooper, Gene Stewart with WW's Miss Wendy Peffercorn, Ray Rush with Glade Run Bookers Shadow, and Stan Williamson with CVK's Ironman

son.

to someone to learn about and participate in the American Brittany Club.

This membership campaign is really quite simple, we are asking every member to donate/sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, or a friend/acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.

This can work, but it is totally dependent upon your support. Please use the ABC application form in the back of the magazine to enroll a new member today. You may donate/sponsor multiple new memberships. The names of new members & ABC sponsors will be published in the magazine on a quarterly basis.

THIS IS OUR CHANCE TO MAKE A DIFFERENCE!
