Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

2019 ABC National Gun Dog Championship

December 5th - 9th, 2019

Booneville, Arkansas

Reporter: Mike Poehler

L – R: Mark Claypool, Julie Nelson-Claypool, Tommy Thomas w/ Turning Points Shenanigans, Bob Burchett, Rick Hastings w/ A Trace of Bourbon With Diamonds, Judge Brian Gingrich, Judge Bruce Conover, Tom Ettinger w/ Just Call Me Eli, Scott Johnson, Richard Beaver w/ Copely-Shelttany Echo of Angels, Julio Rodriguez

This first year of the combined National Championships in Booneville, Arkansas saw a slight increase in entries with a few new faces and some missing old ones; every dog qualified could have been entered and like the lottery, you can't win if you don't play! The grounds were in wonderful shape due to a decreased growing season due to Spring and early Summer flooding and the wonderful mowing work by the J. Perry Mikles-Blue Mountain staff from the Arkansas Game & Fish Commission. We used all the courses and had bird contact on each one with efficient and accurate hunting by the dogs running and influenced by changing scenting conditions. 350 birds were released the evening prior to the start of the Championship and fed according to the sites planned feeding program which allowed every dog the opportunity to have multiple finds on small groups of birds as well as large coveys throughout the event.

Corporate Sponsors Purina and Garmin provided their products as well as financial support for our event; Kevin Parrish "The Saddle Guy" provided a finely tooled trophy saddle for the winner. Purina food fuels our fine canine athletes and they provided a small bag for each dog running in the Championship, along with 375lbs of food to be split amongst the placing dogs. Garmin provided one of their 550 Plus, track & train units with the T5 Mini collar to the winner. We cannot thank these sponsors enough for their continued support and dedication to the pursuit of healthy nutrition, training, safe recovery of our dogs, as well as the comfort of their trainers and handlers while doing their jobs. These companies make it easier and more efficient than ever to do the necessary work in preparation of a National caliber dog and we are grateful for their support.

Bob Burchett and I want to thank everyone who came to compete, watch, lent a helping hand and pitched in daily to make this National Championship a success. They sacrificed time away from family and the usual duties of preparation for the approaching Christmas/Hanukkah season. Judi Tipton and her staff in the kitchen prepared 3 meals daily that were available to all

to partake in for a very reasonable cost; not to mention their pleasantness to everyone they encountered! Robert returned to pilot the dog wagon saving the passengers from the exciting rides of the prior Championship's pilot du jour program. Linda Thomas coordinated the Hospitality of the Dog Wagon with assistance from the kitchen staff and their homemade cookies which were outstanding! Pros Paul Doiron, Kyle Merrill, Steve Chang, Ed Tillson, Bob Burchett, Scott Johnson and Chad Holman, along with Amateurs John Perry, Bruce Heiter, Lisa Pollock, Tommy Thomas, Rick Hastings, Vince Anderson and Frank Campbell were on hand to showcase their fine strings of dogs from across the country in pursuit of The American Brittany Club's 2019 National Gun Dog Championship; thanks for your support!

Our judges were Bruce Conover from Virginia and Brian Gingrich from New Mexico, both experienced judges and dog men who were a pleasure to have adjudicate this event, with their knowledge, attentiveness and positive approach to judging each and every dog on their entire performance across the full span of the hour.

For anyone unfamiliar with the cover at Booneville; if it's growing, it

either tips, tangles or pokes you and often times it does it all at once. These grounds are a true test of a dog's abilities, conditioning and drive to seek and find birds given the cover, terrain and sheer size of the courses.

Our 2019 National Gun Dog Champion came from brace 1b - Turning Points Shenanigans (Shandi) handled by Bob Burchett for owners Julie Nelson-Claypool and Mark Claypool. Shandi had a forward flowing race with consistently fast ground speed exhibited with a pleasing, efficient gait. She finished every move she initiated, on the edges of the course taking them to their natural conclusion. Shandi had a brief absence which she erased upon return, by making a large sweeping move on the far right line, bring the edge forward and around the entire large field, across the front and slamming on point to nail a covey 150 yards after crossing the road in the continuation of that move. Shandi had finds at 6 min., 15 min. and the detailed find at 40 mins.; her final find was along the riverbank at the end of course 1 near the bridge, with a large covey produced. These finds were characterized by eye-catching style and intensity on point for each of Shandi's 4 coveys. Her hour finished crossing the bridge onto course 2 swinging the right edge all the way around and crossing the front at the culvert of the Buzzards Roost.

Runner-up honors came from 7a - A Trace of Bourbon With Diamonds (Trace) handled by owner Rick Hastings. Trace was forward and exhibited great style on his find with a strong finish separating him from the other contenders, with more details on his run below.

Third place came from 14b - Just Call Me Eli (Eli) handled by Kyle Merrill for owner Tom Ettinger. Eli had 3 well styled finds in the last half of his hour; textbook relocation work with a fast and snappy ground race are detailed below.

Fourth place came from 10b - Copley-Sheltany Echo of Angles (Zoey) handled by Scott Johnson for owner Julio Rodriguez. Zoey was fast and forward with 3 finds as detailed below.

The Running:

We awoke the first day of running with a 5am thunderstorm lasting until 6:15am with periods of frog strangling rain and hail; not a way to start the Championship. Break-away at 8am had a slight, lifting mist to the air, temperatures in the mid 40's and warming to the mid to upper 50's by afternoon; an unexpectedly beautiful day given the pre-dawn weather!

Brace 1: Waypoint Chancey Big White Cooper - Merrill (Big White) and Turning Points Shenanigans - Burchett (Shandi) *Champion*. Big White was fast and forward in his pursuit of game making very nice moves during his hour. He backed Shandi nicely at 55 min. and had two finds of his own at 46 mins. and 50 mins. characterized by beautiful style and intensity. He had a bobble on relocation which kept him out of the placements.

Brace 2: Saradac's Dangerous Diamond Caper - Pollock (Caper) and St. Clair's Prince Rocco Volcano Leo - Johnson (Rocco). Rocco and Caper broke away on course 2 with Rocco driving forward with great purpose and determination and Caper taking a while to get lined out. Rocco had his first find at 7min. deep in the cover while Caper had a stop to flush further ahead. As Rocco was catching the front after his find, he too had a stop to flush on the same group of birds as Caper. Rocco's hour had some very nice moves, but he became hardheaded at the first entrance of the Parish field though continued to put down a nice run once he got on the same page as Scott. He had a very nice back at 40 mins. and his second find at 55 mins., overall an impressive performance for the veteran! Caper was busy throughout the hour with 5 finds, looking very classy on her game; stands were at 25 mins., 30 mins., 35 mins., 40 mins. and a nice covey at 45 mins. Caper regained the front after Rocco's last find and the pair finished their hour near the entrance of the last two fields before the bridge.

Brace 3: Arrow's Autumn Sage - Tillson (KD) and Quail Rock Too Tough - Doiron (Red). Both dogs took some time to get rolling with each working independently from each other; KD keeping to the left side and Red staying mainly to the right. At the 20 min. mark, KD had a find prior to the creek crossing near the Pavilion field with Red having a non-productive over on the right side; both looking very stylish on point. Both handlers elected to call it a day as we approached the Pavilion.

Brace 4: Atos - Burchett (Atos) and Shadow's Peppermint Twist - Tillson (Maddie). Atos and Maddie broke away quickly on Course 1 and got right to work hunting the cover, with Maddie making a really nice move swinging the right edge and then disappearing prior to the culvert crossing. She remained out of pocket until the scene of Atos 3rd find where Ed elected to call it a day. Atos made very nice moves of his own remaining fast and snappy through the hour, with finds at 15 mins., 22 mins., 30 mins. and 47 mins. and finished the hour a field shy of the bridge crossing.

Brace 5: I'm Your Man - Merrill (Man) and Jazz Em Up Arrow - Hastings (Arrow). This pair got right to work with Man having a find at the 2 min. mark. Man's run was powerful and exciting to watch with a great find at the 18 min. mark, deep in the woods on the right up on the hillside - how the scout found him where he was is befuddling! He had a divided find at the 45 min. mark with his last stand being along the far northern edge of the Parish field where temptation of the covey got the better of Man ending what was looking to be a serious challenge for the title! Arrow shared the divided find at 45 mins. and one of his own at the 55 min. mark with nice style. Arrow's hour ended a little over two fields before the bridge to course 3 and suffering two non-productives. Arrow's pattern was very nice at times and at others showed a bit of immaturity in application; he will become a serious threat as he matures!

Brace 6: TNT's Sirius Renegade Buddy Boy – Thomas (Buddy) and Shadow's Tribute To TJ – Tillson (Trigger). Once they got rolling this pair covered the course in a pleasing manner with Trigger having a find at the 15 min. mark, exhibiting nice style. Buddy has a stop to flush at the 16 min. mark just before turning to Mario's Hill and had a non-productive at 18 min. Ed elected to pick-up Trigger at the 30 min. mark as his run was not pleasing him. Buddy had a beautiful find near the Old Gas Well, then suffered a 2nd non-productive for which Tommy picked him up at the 38 min. mark.

Day 1 Posted Dogs: Turning Points Shenanigans

Day 2 - We awoke to a sunny morning with a light frost glistening on the vegetation and temperatures around 38 degrees warming to upper 40's in the afternoon.

Brace 7: A Trace of Bourbon With Diamonds – Hastings (Trace) *R/U Champion* and Magnum High Velocity – Anderson (Gauge). Upon breakaway, Trace drove forward on Course 1 and took to the left edge forward with Gauge working the cover and tree islands on the right. Gauge had some indecision in his application early, improving after his first find at 16 mins. prior to the Lick Creek crossing, with Trace backing. Gauge had a 2nd find after the Lick Creek crossing while Trace had his lone find further forward along the right edge at almost the same time. After a lengthy flush, Rick relocated Trace, who looked beautiful on point throughout both flushing attempts and Rick's cannon shot. Catching the front, Trace was cautioned heavily to back on Gauge's 3rd find, which required a relocation. Gauge relocated nicely; his bid ended due to a breach of manners during the second flushing attempt. Trace's application and range grew as Rick relaxed during the hour with Trace finishing it making a nice move along the riverbank across the front from right to left ending near the bridge at time.

Brace 8: Sanbar's Legendary Evening – Burchett (Hershey) and TJ's Black Diamond – Perry (Coal). This pair of liver dogs broke away on Course 2 taking the river edge on the right with Coal making a nice move to the end with a fast and fluid style of running. Hershey, running in his last Nationals made some very strong moves in the Parish field; operating on the "Handler Optional" mode at times and having a beautiful find at the 45 min. mark. A breach of manners during the flush ended his bid on his own terms. Coal had a non-productive the 14 min. mark with Hershey backing on his own without Bob being present. After catching the front, Coal has a beautiful find on a large covey along the Old 109 road grade at the entrance to the Parish field. He continued his hour with speed, growing in fluidity of application as time progressed, though inconsistency keep him out of the placements.

Brace 9: Woodsong's Honky Tonkin Hank – Johnson (Hank) and High Hopes Jac's Original Spice – Holman (Spice). Hank and Spice

broke away with both dogs swinging the right edge of Course 3 working it forward and across the front to pick up the left edge. Hank dug deep in the woods at times and was fast and snappy, making nice moves and staying on the edge. At the 15 min. mark, Hank went missing not to be returned to judgment; a disappointment to say the least. Spice worked well for Chad, making some very nice moves and growing in range and application during middle third of the hour. She had finds at 51 and 55 mins. with nice style; her range and speed decreased some towards the end of the hour, though her application remained solid.

Brace 10: Marjo's Fille De La Bretagne – Perry (Brie) and Copley-Sheltany Echo of Angels - Johnson (Zoey) *4th Place*. This pair of girls broke away on Course 1 with speed and purpose, taking separate sides of the course. Zoey drove forward and out of sight and Brie on the left scored the first find on a covey close to the gallery putting on a good show at 7-minute mark. Brie had two more solo finds; at 35 mins. on a large covey and 44 mins. by the double gates and finally at 48 mins. where she shared a divided find on the east/west tree line. Brie showed great ground speed with a flowing gait and generally handled well. She had a few rough spots, though her pattern improved during the hour. Somewhat slower towards the end, Brie finished by making a beautiful move after crossing the bridge and swinging the entire right side around to the Buzzards Roost. Zoey was fast on the ground with a fluid gait and beautiful way of going, stretching forward from the start and remained that way most of the hour. Zoey had 3 finds starting with one at 23 mins., a divided find at 48 mins. and her final find after making a beautiful move working deep and across the front along the river's edge to the bridge, then crossed the bridge onto Course 2. She hung the left edge out of sight to be found pointed at time on a nice covey. Zoey ended her hour with style, good application, a nice pattern, and a kindly handle over-all to garner this placement.

Brace 11: Leona Valley's Sonny Red Side Up – Doiron (Red) and Gun Creek Gangster – Holman (Doc). Both dogs broke away on Course 2, taking a little time to warm to the task; Doc made a really nice move on the outside edge at the Old 109 Bridge, swung it around counterclockwise and forward. Chad wasn't pleased with Doc's overall performance and elected to call it a day shortly afterward. Red worked the overgrown road grade of Old 109 and had a beautiful covey find near the first entrance of the Parish Field with really nice style. As we neared the second entrance to the Parish Field, Paul elected to call it a day as Red's overall performance wasn't pleasing him either.

Brace 12: Campbell's Razz-Ma-Taz – Campbell (Razz) and Sovereign's Legendary Cowboy – Burchett (Duke). Razz and Duke breakaway at the second entrance to the Parish Field on Course 2 with Razz carding his first find at 6 mins. off the tree clumps near the NW corner of the field approaching Old 109 with nice style. Duke ran with an energetic gait and flew around the woods edge upon release, quickly picked up Old 109. He continued to run with great speed and application having a non-

productive at 15 mins. and making wide, impressive moves while on the ground. A breach of manners on a find ended Duke's bid at the 27 min. mark which was directly after release from a well-executed stop to flush after crossing the bridge to Course 3. Frank had difficulty getting Razz forward after the Old 109 road grade, not regaining the front until Duke's day ended. Razz had a second covey at 48 mins. across the field from the Pavilion. Razz finished the hour with a pleasing pattern.

Day 2 Posted Dogs: A Trace of Bourbon With Diamonds & Copley-Shelttany Echo of Angels.

Day 3 – Dawn greets us with temperatures in the mid 40's and a early fog lifting prior to break-away.

Brace 13: Touch of Bourbon Little Chug – Johnson (Carson) and Scout Upland Trailblazer – Tillson (Scout). Scout and Carson great the day with vigor; Scout makes strong moves from the beginning of Course 1 and disappeared to the front prior to the culvert crossing not to be seen under judgement again, prompting Ed to call for the retrieval unit. Carson was making some nice moves himself, but it readily became apparent that he was not running with his usually speed and winning application. As a precaution, Scott elected to pick him up and have him checked out.

Brace 14: Starlight's Mercury Out Ryder – Burchett (Ryder) and Just Call Me Eli – Merrill (Eli) *3rd Place*. This pair of liver dogs broke away in high gear with gaits that evoke the illusion of floating over obstacles and cover. Ryder made some beautiful, sweeping moves until his day ended; having initially backed on Eli's find at 31 mins., Ryder decided not to participate further in Eli's bird work. Kyle asked Eli to relocate which he did beautifully, pinning the birds and standing tall through the flush and shot. His second find came at 47 mins. upon the second entrance into the Parish Field, in the pines standing on the right and requiring another well executed relocation on a running single. Eli's last find was at 59 mins. near a large vine tangle, after crossing Old 109, in the second field along the left edge with high style and intensity. Eli ran with over-all speed and good application putting together a very nice hour with minimal detractor; he just slowed a bit near the end.

Brace 15: K Nine's Finale's Way To Go – Doiron (Allie) and Godfather's F.N. Rockstar – Chang (Rocky). Allie and Rocky broke away on Course 3 with some hesitancy, eventually taking to the left edge and worked it forward with Rocky establishing point at the 6 min. mark, with nice style and looking very staunch. A lengthy flushing attempt by Steve took its toll, with Rocky suffering a breach of manners ending his bid. Once by herself, Allie exhibited great speed and was fun to watch when her pattern, application and speed all came together. Many western dogs never see this much cover, as they typically run desert type areas with sparse and low cover; trees, brush and thick grass is rarely encountered. Ally eventually put together a string of beautiful moves; even when her pattern was off, she was flying around working things out. At the 47 min. mark, Ally pointed just past the Beaver Pond, with a small covey being produced. At 57 mins. Ally had a non-productive in a very birdy looking area, but no bird could be produced in spite of a lengthy re-location as time expired.

Brace 16: Hopes Chief of Crosscreek – Burchett (Chief) and Piney Run Three Sheets to the Wind – Merrill (Jib). This pair started slowly on Course 1 with an agenda of their own – Chief elected to apply lots of cover scent just off the break-away and displayed some bullheadedness. Chief did make some really nice, deep, reaching moves and had a really nice find on a running covey at 12 mins. before the Barking Dog House; Jib came in and backed at a distance. Upon relocation, Chief nailed the covey near where Jib was previously backing; handling the flush and shot with style, Bob took him on. Jib was fast and reaching at times, but his pattern wasn't pleasing Kyle who elected to pick-up early. After the first Lick Creek Crossing and near the road crossing Bob elected to call it an early day as well.

Brace 17: K Nine's On The Loose – Doiron (Lucy) and JB's Full Speed Ahead – Johnson (Captain).

Lucy and Captain broke away strong with Captain being fast and snappy but suffered some inconsistency in direction and application. Scott elected to pick him up after backing at 14 min. Lucy had 3 finds with the first being at 5 mins. on a covey, another at 14 min. and again at 27 mins. Lucy looked great on point and made some nice moves, but her overall performance wasn't pleasing Paul who elected to call it a day at 45 mins. near the Buzzard Roost after crossing the bridge to Course 2.

Brace 18: Godfather's Lucky Nickle – Chang (Nickle) and Sovereign's Chasing Legends – Burchett (Hobey). This pair broke away getting to work immediately, with Nickle pointing at 3 mins. and Hobey backing. Nickle made some great moves and looked beautiful on point with his second find at 33 mins. requiring a relocation; a bobble on relocation ended Nickle's bid. Hobey was hunting hard, digging into some thick cover which caused him to get sticky at times and not run with his usual "hammer down" application; Bob elected to pick-up at the 40 min. mark.

Day 3 Posted Dogs: Just Call Me Eli.

Day 4 – Our final day of running dawns overcast with temperatures in the mid 50's with a projected high in the 70's and sunny.

Brace 19: Almaden's Under Lock And Key – Tillson (Oudi) and Marjo's Leftover – Perry (Halie). These dogs got to hunting immediately and disappeared to the front with both dogs making nice moves independently and staying forward. After the first Lick Creek crossing, Halie

is found pointed on a small covey with Oudi coming in and backing nicely at the 14 min. mark. At the 16 min. mark Oudi has a non-productive. Both dogs continue making nice moves up to the large field heading downhill where Oudi disappears for a while; Halie is next seen briefly on the right edge of the next field and was not returned to judgement; with John called for the tracker at the 40 min. mark. Oudi returned to Ed approaching the pond near the Double Gates where he's then found pointed at the 48 min. mark, looking sharp on point. Oudi finished his hour working the various edges forward and then wide to the right at time.

Brace 20: High Velocity Copper Magnum – Anderson (Colt) and Josey's Jazz Em Up Rascal – Hastings (Rascal). This pair both covered the ground with pleasing gait and speed; shortly after break-away, Rick showed some promise as a rodeo hand while both dogs disappeared to the front on their handlers. These young dogs took turns making nice moves as well as showing their immaturity. Colt got things sorted out and made some promising moves as we entered the Parish Field and headed to the back-horseshoe loop. Upon exiting the loop, Rascal pointed in the middle of the mot of pine trees at 36 mins. with Colt backing. Rick produced the birds and fired his cannon. Upon release, both dogs swung along the north edge of the Parish Field and displayed the exuberance of youth together upon a covey, ending their hour early.

Brace 21: Sonny's Hot Summer Breeze – Doiron (Breezy) and Starlight's Callisto Moon – Burchett (Cal). This pair was fun to watch and were interested in each other early, eventually separating and warming to the task. Breezy had a find at 14 mins. at the near side of the field with all in order and meanwhile, Cal had a find at 16 mins. on a large covey on the opposite side of the same field. Instead of taking the bridge to Course 3 across, Cal elected to swim the Petit Jean River and flew up the opposite bank in an impressive fashion. He worked the river's edge of Course 3 and pointed there at 26 mins. with Breezy backing; another large covey was produced with all in order. Moving on a short way, Cal had a stop to flush on another covey with all in order. Breezy had a covey find at 41 mins. before Mario's Hill and a third at 47 mins. after crossing Lick Creek and entering the Pavilion Field. Just prior to exiting the Pavilion Field, Breezy pointed to the front with Cal coming in and backing perfectly on his own. This stand resulted in a non-productive for Breezy and time expired for the pair just after Gas Well Hill. Both dogs did a nice job, yet short of pressing the placing dogs.

Brace 22: Hoochie Coochie Man – Tillson (Carl) and Sniksoh Little Diamond – Johnson (Kate). Together at first, this pair separated with Kate making early moves and once Carl warmed to the task, he made nice moves as he disappeared to the front near the Culver Crossing. Carl made a brief reappearance then disappeared for good with Ed calling for the

tracker at 38 mins. Kate pointed at 22 mins. after crossing Lick Creek which ended in a non-productive and went on to have a find at 28 mins. after the road crossing. After she made a big move on the right edge of the large field nearing the double gate section, Kate pointed at 41 mins. on the field edge prior to the turn toward the double gates. Her last find was on a covey at 53 mins. along the river past the double gates. A very nice performance with her pattern improving as the hour progressed, though sticky and shorter at times.

Brace 23: Grade 8 Bolt – Johnson (Bolt) and Coos Triple Six – Perry (Boomer). Upon break away, Bolt headed for the cover on Course 3 and dug in deep past the Buzzard Roost, far into the corner and refused to turn; unhappy with this attitude, Scott ended Bolts day calling for the tracker. Boomer also ran inside the cover having a stop to flush at the 13 min. mark. Running fast and on the edge, Boomer's find came at the 20 min. mark with style at the last clump prior to entering the Parish Field with all in order. Upon breaking away from the find, Boomer pointed on the edge of a large puddle with a clump of cover on the opposite side, requiring John to wade deep to flush. This sacrifice ended in a non-productive and soggy feet and just prior to entering the back-horseshoe loop, Boomer's second non-productive ended his day at the 30 min. mark.

Brace 24: Fire Starter's All In – Tillson (Booker), bye. Booker broke away and hooked hard right near the exit of the back horseshoe loop running the course backwards, though with a great team effort, Booker made it back to the front heading around northern edge of the Parish Field with great speed and carried the hillside parallel to Ed and around to the Old 109 road grade where he then dug deep right, into the woods across the road bed and perpendicular to the course. Returning from the woods adventure, Booker flew down the roadbed where he pointed a covey at 25 mins. with all in order. Upon release, Booker took off on his own agenda heading back into the woods; Ed elected to call it a day.

AKC Meet the Breeds

The Javits Center hosted the AKC Meet The Breeds on January 25 and 26th 2020 in New York City. The Southern New England Brittany Club proudly hosted a booth again this year. Representing the Brittany's were club members, Joe and Dona Campbell with their dogs, Rikki and Teddy. There were among 200 breeds

In addition, the club provided several hand-outs on Brittanys (history and origin) as well as grooming tips. The spectators also loved the colorful copies of the American Brittany Magazine as well as some special treats for all to share.

This year, Teddy and Dona were invited by the Port Chester Kennel Club to preform as a team in both tricks and obedience demos. The crowd enjoyed watching Teddy showed off one of his favorite obedience moves retrieving a dumbbell over the jump. Such a show off!

The show was scheduled to start at 9 am on both Saturday and Sunday. Even though the day ended at 5 on both days there were still plenty of spectators coming around getting in that last hello to the breeds they wanted to see. Many attendees shared stories and photos of their precious Brittany's and even few had tears as they recalled their Brittany from years gone past. Their beloved dogs may be gone but clearly not forgotten.

represented of both dogs and cats as well as 20,000 people attending.

This year the Southern New England Brittany Club debuted their new banner displaying all the wonderful sports our Brittany's are involved in. Of course, there were pictures of our precious puppies, which everyone enjoyed seeing.

After two days of being hugged and petted by countless people both Teddy and Rikki were exhausted. However they did look forward to getting that special treat the end of each day.

All in all, a great time was had by all and at the end everyone was tired but new friends were made thanks to the love we share for our dogs.

Top 5 Relaxing Environmental Enrichment Activities to Calm Your Brittany

How do you get hyper or stressed dogs to calm down? In the Spring 2020 IAABC Journal, Rebecca Hunt and Dr Helen Vaterlaws-Whiteside evaluated the options in their article “The Effects of Environmental Enrichment on Dog Behavior”.

Environmental enrichment (EE) encompasses a wide array of activities (such as playing music or providing novel toys), to enhance the quality of animals ranging from family pets, to farm and zoo animals. Research has shown that EE can help reduce stereotypic behaviors such as repetitive pacing, improve brain function, reduce signs of stress such as excess panting and barking, and increase relaxation behaviors.

They counted specific behaviors before and after various EE activities, to come up with a ranking. The top 5 enrichment activities to increase relaxation behaviors in dogs are:

- 1) playing with known, canine friends
- 2) chasing bacon flavored bubbles (see <https://smartdogowners.com/dog-safe-bubbles/>)
- 3) playground equipment
- 4) tug play with a handler
- 5) bonding session with a handler and
- 6) food stuffed toys such as Kong or interactive food puzzles.

Figure 1. The most calming EE activities are playing with canine friends (1), bacon bubbles (2), playground equipment (3), tug (4), bonding with handler (5) and food stuffed toys (6). Photos © 2020 Hunter's Heart.

In my previous articles, I highlighted food stuffed toys, which are quick, easy and portable. Clearly, they are not the only tool available, and other activities may have an even greater effect on calmness.

Further, the authors recommend as best practices in environmental enrichment for kennel dogs, service dogs and pet dogs:

- Provide a range of enrichment items, incorporating humans, dogs and objects
- Rotate enrichment activities to maximize the benefits
- Include play and introduce novel items, in novel locations
- In addition to providing stuffed food toys to help dogs settle and relax.

Most Brittany owners won't be surprised that exercise is a good off switch for settling down around the home. Now we have a clearer picture of how to prioritize and rotate the most relaxing activities.

Message from the President

ABC Spring 2020

As the weather in the Midwest remains chilly and full of clouds the Spring Field Trial schedule is starting to take shape.

I would like to take this opportunity to provide you with some highlights from the Fall ABC Board Meeting, ABC National Specialty Show, and the ABC National Gun Dog and All Age championships.

If you were not aware on October 18, 2019, I sustained a serious injury from being thrown from a horse resulting in my neck being broken in four places. Miraculously I did not sustain any paralysis; however, the recovery timetable is very long and still unknown. Further surgery may still be required – time will tell. With the Field Trial season in full swing, I am missing it immensely, but am reminded of the more severe circumstances that could have occurred. As a lesson learned, while participating in any activities, please take extra time and diligence to make sure you are “safe” in your actions.

While I was absent from the Board Meeting, Kent Patterson stepped in and ran an efficient, effective meeting; I sincerely thank him for his efforts. Jan Kilpatrick and Jennifer Burlingame were efficient in organizing the agenda and the board notes. The meeting was held at the show sight in Fort Smith – the facilities were very good. Copies of the Board Meeting minutes are located on the ABC web page, however here are some highlights:

Motion 7: Motion by M Brown second J Hammett: Move for the ABC to recommend to the AKC to remove the required condition of awarding a FC/AFC only to those Brittany’s who have a 3 point or better major under Open & Amateur FC/AFC (OGD, AGD, OAA, AAA, OLGD, ALGD, OLAA, ALAA Stake*) in a licensed or member field trial held by a Brittany Club. (*AKC Field Trial Rules and Standard Procedure for Pointing Breeds-FC page 26 & AFC page 28) Motion Carried – I have contacted AKC and received commitment from AKC to change this in their April Board Meeting.

Motion 12: Motion by D Dow second B Crain: Move to Split the American Brittany and Epagnuel Breton into two separate breeds. Motion Failed -

Motion 17: Motion by S Ralph B Crain – Move to have President Ed Janulis assign a new Chairman for the Dog of the Year Committee. Motion Carried – I am currently looking for a person for this position, if you are interested please contact me.

The ABC National Walking Gun Dog Championships occurred in Ionia Michigan starting in October 22nd. Again, due to my injury I could not attend. However, it was reported to me the Championships were well organized and executed resulting in a very successful competition. I appreciate Bob Burchett, Mike Poehler and their Field Trial Team for this. Congratulations to all who received placements.

We will be making more efforts to attract additional participants for next year by advertising earlier and increased level of promoting the Walking event.

The ABC National Specialty Shows were held on November

20-23, 2019. The shows were well organized and reports are all participants enjoyed themselves and results were accepted and cheered. Dawn Droel and her team made sure all details were covered to make sure the show was a success. Congratulations to all who received placements.

The ABC National All-Age Championships started on November 25th starting with the Amateur Championship progressing to the Open All Age Championship. Thanks to Kent Patterson, Steve Ralph and their Field Trial committee and other volunteers resulting in a very successful event. Again, congratulations to all the winners.

The ABC Derby Invitational has been building in enthusiasm since its inception and this year was another successful competition. One bright spot in my recovery was receiving news that Donna and I were lucky enough to place first in this event with our young dog “Gangster’s Secret Weapon” (Sniper) under the skilled handling of Chad Holman. Congratulations to all the participants and placed dogs.

The last events held at the Blue Mountain Area were The ABC National Gun Dog Championships. Facilitated by Bob Burchett and Mike Poehler, both of these events were well received, participated in and overall very successful. Congratulations to all the placing dogs.

Some other news; we were able to enlist the services of Gerilyn Sennott for our ABC Treasurer for the next couple of years. She has extensive knowledge of the process and will be a great asset for the future. I do want to thank Keith Wolnewitz for his work over the years – Thanks.

I believe we had a very successful year overall with ABC and was very pleased with the success the new Gun Dog Championships showed in Ionia, Michigan and the transition of the Gun Dog Championships to Blue Mountain in Booneville, Ark.

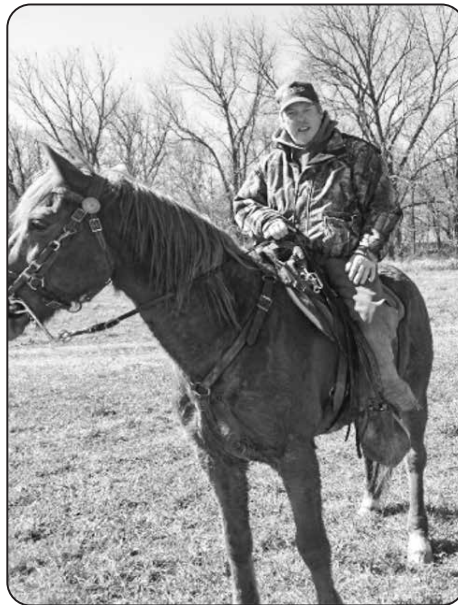

Going forward I would like everyone to remind themselves and all members of the foundations of the ABC reviewing the Mission Statement stated:

The objective and purpose of the Club shall be: to promote cooperation and friendship among the breeders and owners of Brittanys and to encourage high standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of “field dogs” and “bench dogs” and to strive to keep it forever a “dual dog”.

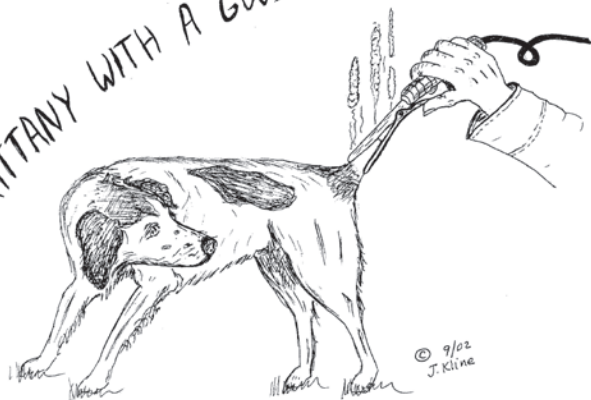

I would also like to encourage members to communicate with your Regional Directors on issues which are important to you; they are your contacts to the ABC group to insure your concerns are heard and, when necessary, acted upon.

Members please keep me in your thoughts as my injuries are still very pending; and thanks for your participation in the American Brittany Club.

Sincerely,
Ed Janulis
President of the American Brittany Club

2019 ABC Membership Meeting

Club House, Blue Mountain – J. Perry Mikles WDA - Booneville, Arkansas

Thanksgiving, November 28, 2019

Call to Order and Welcome: 1st Vice President Kent Patterson

Kent called the meeting to order and welcomed everyone to the annual Membership Meeting of the American Brittany Club. He then explained that President Ed Janulis was unable to be in attendance this year due to an injury.

Brittany Field Trial Hall of Fame

Nominations begin March 1 and close July 1

On behalf of the Brittany Field Trial Hall of Fame (BFTHF), we are asking you to participate in the BFTHF nomination process. The BFTHF is part of the Bird Dog Foundation, Grand Junction, TN.

Purpose

The purpose of the BFTHF is to recognize and honor Brittanys and Brittany owners that have made significant contributions to the Sport of Field Trialing. To date, 78 Brittanys and 53 Brittany enthusiasts have been inducted and pictures of these dogs and people are displayed in the Hall of Fame.

Nominations

You are a member of the nominating committee and your support is needed. We want you to nominate those you believe are **Outstanding** Brittanys and **Distinguished** Brittany people.

Outstanding dogs are recognized by their entire competitive career, field trial performance record (championship wins) and production record. They must be deceased at least one year prior to opening of nominations March 1. These are the same dogs you would like to find in the pedigree of that good pup you just bought!

Distinguished people have rendered exemplary service to the sport of field trialing both locally and nationally for a long period of time. These contributions may be as a judge, a breeder, a field trial official, a reporter, a patron or any combination thereof. The sport is better because of these people who are givers, not takers or self-promoters.

Nominations Process

Visit the Election Procedure page on our website at www.brittanyfieldtrialhalloffame.com to review the Election Criteria and Guidelines. A nominator should prepare a bio with facts that outline a dog or person's worthiness to be a member of the BFTHF. The nomination and a photo should be sent by email to jmbritts@gmail.com or by regular mail to Mary Crawford, Corresponding Secretary, 11902 Mile Dr., Houston, TX 77065. Support letters should be sent to mail@brittanyfieldtrialhalloffame.com or the above address by anyone wishing to add support for a nominee.

Election and Induction

After the nomination period has closed, the BFTHF Election Committee will vote using the bios submitted for each nominee. Normally, no more than two worthy dogs and persons will be elected in any calendar year. Induction ceremonies are held in early February of the following year.

Send emails for assistance to Mary Crawford, Corresponding Secretary

Reuben Bread Pudding

4 cups cubed rye bread (about 6 slices)
2 tablespoons butter, melted
2 cups cubed or shredded cooked corned beef (about 1/2 pound)
1 can (14 ounces) sauerkraut, rinsed and well drained
1 cup shredded Swiss cheese, divided
3 large eggs
1 cup 2% milk
1/3 cup prepared Thousand Island salad dressing
1-1/2 teaspoons prepared mustard
1/4 teaspoon pepper

Preheat oven to 350°. In a large bowl, toss bread cubes with butter. Stir in corned beef, sauerkraut and 1/2 cup cheese; transfer to a greased 11x7-in. baking dish.

In same bowl, whisk eggs, milk, salad dressing, mustard and pepper; pour over top. Bake uncovered, 30 minutes. Sprinkle with remaining cheese. Bake until golden and a knife inserted in the center comes out clean, 5-7 minutes longer. 6 Servings

Potato Soup

6 slices thin bacon, cut into 1-inch pieces
1 whole medium onion, diced
3 whole carrots, diced
3 stalks celery, diced
6 whole small russet potatoes, peeled and diced
8 cups Low Sodium chicken or vegetable broth
3 Tablespoons all-purpose flour
1 cup milk
1/2 cup heavy cream
1/2 teaspoon salt, more to taste
Black pepper to taste
1/2 teaspoon Cajun Spice Mix
1 teaspoon minced fresh parsley
1 cup grated cheese of your choice

Add bacon pieces to a soup pot over medium heat and cook bacon until crisp and fat is rendered. Remove the bacon from the pot and set it aside. Pour off most of the grease, but do not clean the pot.

Return the hot to medium-high heat and add the onions, carrots, and celery. Stir and cook for 2 minutes or so, then add the diced potatoes. Cook for 5 minutes, seasoning with salt, pepper, and Cajun spice.

Pour in the broth and bring it to a

gentle boil. Cook for 10 minutes, or until the potatoes are starting to get tender. Whisk together the flour and the milk, then pour into the soup and allow the soup to cook for another 5 minutes.

Remove half to 2/3 the soup and blend in batches in a blender/food process until completely smooth. Pour it back into the soup pot and stir to combine. Let it heat back up as you taste for seasonings, adding more of what it needs. Stir in cream, then stir in parsley, reserving a little for garnish. Serve in bowls garnished with parsley, grated cheese and crisp bacon pieces.

MIDWEST

SOUTHERN KANSAS

Oliver Ranch

Eureka, KS

October 18-22, 2019

October 18-22 saw Brittans from around the country converge on the Oliver Ranch for the Southern Kansas Brittany Club regional trial and Southern Kansas Brittany All Age Championship. We had a nice size trial but smaller this year than normal as there were only 22 entries in the championship.

Southern Kansas Brittany club was established over 60 years ago. It is always sad when we lose long time members. So many have passed that have helped not only to make Southern Kansas what it is but have also had a hand in making our breed great. Cecil Duncan, a 54 year member of the Southern Kansas Brittany Club passed away earlier this year. He had requested his son Jim Duncan, host a big party for the Brittany club at one of the trials to say thank you to his friends and fellow field trailers who shared the same love for the dogs and sport that he loved. And wow! Did they ever! Saturday night three trucks rolled into the grounds and we were treated to a fantastic happy hour and meal hosted by Cecil's family. Four generations of the Duncan family pitched in to make the party and evening a fantastic celebration and success. Jim, a master on the smoker, smoked brisket, chicken, ribs, and pork. Velma, Cecil's wife, and other members of the family hosted a great happy hour and made potatoes, broccoli salad and desserts. Thank you Duncan Family for sharing and allowing us to celebrate Cecil's life with you! Cecil will be missed.

We are forever grateful to Bill and Mary Lynn Oliver who graciously allow the club to run trials on this beautiful Flint Hills ranch near Eureka, KS. Championship handlers can find plenty of open prairie, creeks, hedge rows, and fence rows to line out and show an all age dog on the three continuous courses used for the championship. The Southern Kansas Brittany club is fortunate to have a lot of help from active members to load and drive dog wagons, plant birds, marshal braces, prepare lunch, haul

water and many other tasks. A big thank you to our workers, Scott Johnson, Herb Rea, Matt Harris, Trasa Shinpoch, Steven Foster, Brooks VanDerBeek, Nick Blasi, Mike Lager, Terry Gowin and Harlene Johnson for jumping in to help where ever needed. We were blessed to have a great panel of judges. Thank you to, Tom Milam, Don Kimble, Rick Hastings, Trasa Shinpoch, Bruce Heiter and Nick Blasi. The club would also like to thank Purina for their continued sponsorship, monetary support of American Brittany Club championships, and for the great product they donate.

Kansas Brittany Open All Age Championship:

The judges for this championship were Howard Burbach and Mike Lager. Mike stepped in literally at the last minute to fill in for the scheduled judge who was unable to make it. They watched the dogs very attentively with several good performances to choose from and we thank them for their time in the saddle, judgement, and tough decisions.

Monday was a very windy day with sustained winds of 39 mph and gusts, at times; approaching 50 mph. Tuesday was a bit cooler with considerably lighter winds. This year's winner was awarded to FC/AFC MK's My Lil Ammo (BB) handled by Scott Johnson for owner Nick Blasi. BB was queen of the ranch this week as she won the OAA, AAA, and Kansas Championship. Runner Up Champion was awarded to FC/AFC Firestarter's Crossed The Line (TY) handled by Ed Tillson for owners Andrea Christensen and Vicki Rankin. Ty is no stranger to the winner's bench at the Oliver Ranch. Pressing the winners were 3rd place NAFC/GFC/FC/AFC Ru-Jem's Last Penny (Penny) handled for owner Jerry Mc Gee by Tom Milam. Penny ran on Monday in the high wind. Awarded 4th place was FC/AFC A Trace of Bourbon With Diamonds (Trace) handled by Scott Johnson for owners Rick and Becky

Hastings. Trace laid down a nice race with good manners on his birds. Congratulations to placing dogs, owners and handlers.
