The American Brittany

VOLUME LXXII • NUMBER 9 • SEPTEMBER 2020

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Specialty Shows

Fun In The Sun Brittany Specialties

August 1 and 2, Mineral, VA

Covid 19 has brought tremendous challenges to the sport of dog shows. All breed shows require years of lead time to occur. When the Pandemic hit, dog shows were cancelled across the country. Even as parts of the country opened up, the uncertainty of what local laws would allow as far as gatherings forced almost all clubs to have to cancel their shows.

Independent specialties on the other hand, have the ability to be much more flexible. With that in mind, the Tidewater, Anthracite and Susquehanna Clubs worked together to put on a weekend of 4 SAFE shows that included exhibitors from across the country. In order to do this, Cliff Pleasants donated use of his beautiful 100 acre family farm. All of the exhibitors were incredibly compliant with rules requiring mask usage, and the ring lay out was designed for social distancing. At the end of the specialties, the show chairs were asked multiple times to make this an annual event.

We were able to utilize many local vendors which also gave them work. The tent was rented for 1/3 the normal rate as the company had almost shut down during when large events were cancelled. The food trucks were both grateful for the work, as were the rosette companies and hotels. Dog shows have a tremendous impact on economy. This show put people back to work.

As there was such a large entry, the clubs had judges' education ringside lead by AKC judge Carol Brown and ABC approved mentors Terry Hilliard, Deb Rudert and Judy Tighe. Carol has long been a friend to the Brittany and donated money, rosettes and her knowledge to help the club and other judges. She was especially complimentary of dogs from other areas of the country that she had not seen before, and how dogs from some areas had really improved. At the end of the shows she asked the show committee would mentor other clubs on how to put on specialties during this trying time and several other breeds asked to utilize the property, our waivers and vendors. We all do better when we all do better, the answer of course was yes.

The committee has many thanks as a whole in no particular order. First to AKC for working with the clubs on an expedited time frame and for allowing Susquehanna and Anthracite to hold specialties outside of their region. To Doug Tighe, who wasn't a member of any of the three clubs for stepping up to design the raffle with Terry Hilliard, the proceeds of which allowed us to rent a huge tent, port a potties and to do such nice hospitality. To Cindy Miller for ring stewarding both days- she did an outstanding job. To Vera Mae, Nancy Hemsley and Joann Anders for donating to raffles, or the auctions. Sue Lehosky I know will appreciate the handmade quilt that Joann made with love. And finally, we have to thank the exhibitors, many of whom traveled for days to come to this event. It was hot. It was humid. (It was Virginia in August...) Exhibitors pitched in when needed. They were compliant with the rules of the show. They picked up trash. We thank you all. And if we recover from this one, we may do something like this again.

**Anthracite
August 1, 2020**

Anthracite Brittany Club was thrilled to share the weekend of specialty shows with Susquehanna and Tidewater Brittany Clubs in Mineral Virginia for a hot, but great weekend of shows for our breed. Yes, it was hot and humid, but we managed to showcase our dogs well. Anthracite had an entry of 17 dogs entered in sweepstakes and 59 entries in the breed. I don't know about you, but I've been around for 35+ years and it has been years since we have had this high of an entry at a specialty. It is about as many as we have had a summer specialties.

I want to thank Cliff Pleasant for offering his farm for our event. It was perfect.

I also want to thank Cindy Miller for standing in the heat for 4 shows as our steward. Without her the shows would not move smoothly and the books were correct!!

For our sweepstakes judge we had Gerri Achincloss as our judge. Gerri comes from the Wire Haired Griffon breed and is studying several breeds to go for her license.

Gerri chose Moonbabe Dark Side of the Moon from the 12-15 mo dog class, owned by Dimi Morse as her Best in Sweeps. Best of Opposite in Sweeps was Kala's On the Brink, owned by Martin and Theresa Veilleux from the 12-15 mo bitch class. Both dogs were lovely puppies.

Her Best in Veteran Sweeps was GCH Illusion N' Labyrinth Kiss This, SH, TKI, CGC a 9 yr old bitch owned by Abbie and Charles Hanson and Karen Hanson and Amy Penuel.

Our Breed judge was Karen Wilson from Virginia. Karen called me on Monday after the event to tell me what a wonderful collection of brittany's that she had to judge. She felt the quality of our breed was outstanding.

She chose Sunset's Diamond in the Sky owned by Lou Ann McGahy as her winners dog and also BOW from the open dog class.

Reserve Winners Dog was Monbabe Dark Side of the Moon as noted above in Sweepstakes.

Winners Bitch was from the 12-18 mo class, Quail Trail's Watch Yourself, owned by Chelsea Rowe and Pam Scholey and Manuel Quintero.

Reserve Winners Bitch was Red Feather's and Sigbrits Sassy Shawna from the 9-12 mo class and owned by Bobbie Sigmund.

Veteran Bitch Class winner was GCH Saradac's Lock and Loaded, JH, CGC owned by Janice Hightower, Linda McCartney and Anne Conklin.

There were no Veteran dogs shown.

Field Trial dogs was CH Labyrinth Second Chances owned by Karen Hanson

Hunt Test Bitch was GCH Illusion Labyrinth Kiss This, SH, TKI, CHC owned by Abbie and Charles Hanson and Karen Hanson and Amy Penuel.

Moving on to our Best of Breed ring where 24 were entered. Mrs. Wilson's choice for BOB was GCHB Horizon-Breezwater's I'm the Only One, owned by Janice Hightower and Lisa Taliby. This was Janice's first BISS and she has been showing for many years. Congratulations Janice. I'm sure Lisa heard you scream in New England when you won.

Best of Opposite was CH Big Oaks Broxden Blame It Alvin my Roots, owned by Alexander Findlay and Amy Booth and Phil Booth.

Select Dog was GCHB Hope's Cruising the Fast Lane, JH, NA, NAJ owned by Martin and Theresa Veilleux.

Select Bitch was awarded to GCH Far Out Field's Daily Lovin The

Sunshine, JHA owned by Margaret Roker.

Best Owner handled was GCH Get A Bird Hope's Should've Been a Cowboy, JH, TKN owned by Matt and Laurie O'Donnell.

Best Puppy was awarded to Red Feather's and Sigbrits Sassy Shawna, our Reserve Winners Bitch owned by Bobbie Sigmund.

Anthraccite Brittany Club would like to thank all of the exhibitors who came out to support a great collection of specialties and a wonderful exhibit of Brittany's.

SUSQUEHANNA
August 1, 2020

The Susquehanna Brittany Club partnered with Anthracite and Tidewater Brittany Club to host 4 specialties in 2 days. The 100 acre farm of Cliff Pleasants was a wonderful location to have a show. There are miles of trails and South Anna River to relax after the day. The

exhibitors showed their appreciation with helping tear down everything Sunday afternoon. We had a wonderful breakfast and lunch both days being provided by John's Dog and Braise N' Smoke provided supper Saturday night. Falling Branch Brittanys provided free ice and water for all exhibitors.

Both of our judges come from the Sporting Group. Danny Seymour has Pointers and Claire Wisch Abraham has German Wirehair Pointers. Mr. Seymour had 47 exhibits to judge with 5 point majors in both dogs and bitches. Ms. Wisch-Abraham had 1 4-6 month puppy.

There were 17 class dogs competing with the Winners Dog, Sunset's Diamond in the Sky (B: Linda & William Pruitt & Sherry Foster; O: Lou Ann McGahey) coming from the Open Class. Reserve Winners Dog was from the 12-18 month Class, Kala's To Infinity and Beyond (B: Cassandra Hamaker, Vivian and Victory Murphy; O: Doug Tighe).

There were 10 class bitches competing with the Winner's Bitch, Labyrinth Pretty Woman (B/O: Karen Hanson) coming from the Open Class. Reserve Winners Bitch, Kala's On the Brink (B: Cassandra Hamaker, Vivian and Victory Murphy; O: Martin & Theresa Veilleux) is a littermate to the Reserve Winners Dog.

A total of 20 champions competed for Best of Breed. After several cuts, Mr. Seymour selected GCHS Dogwood Hollow Flash Storm JH (B: J. Burlingame, A Burlingame Jr, C. Mika & G. Clements; O: Jennifer Burlingame, Aaron Burlingame, Jr & Cheryl Mika) for this Best of Breed winner.

Susquehanna Brittany Club would like to thank all of the exhibitors for supporting this weekend of specialties. We tried to make it special – so that you could have FUN in the SUN!!

TIDEWATER

August 2, 2020

The Tidewater Club has many thank yous to those people who made this event such a rousing success, to AKC judge Rachal Sagar who cut her show superintending fee in order to get the specialties going, and then went far and above what her contract required, the sport owes you. To the Geibels who donated Chewy gift cards for BOB at both shows, Terry Hilliard who donated CASH for our sweepstakes winners, our talented show photographer, Kara Hite, who not only took such great photos, but also donated handmade show leads for BOW at both shows, GCHG Trios Everlasting Dreams CD BN RN TKA donated CASH to Select dog and bitch at BOTH shows, Distinctive Bedding by Creature Comfort donated crate pads, Leo & Sherry Foster and Linda Pruitt donated Amazon Gift card for Winners Dog, and Carol Brown and Rachal Sagar donated various other prizes. Mike and Julie Lee donated the beautiful rosettes. Tim Foley donated cash for whatever was needed and the ladies of Falling Branch donated the water, sodas and ice that the exhibitors enjoyed. All of us thank you!

AM SHOW

Our Sweepstakes judge literally grew up in dog royalty. Sue Forseyth Green is Jane and Bob Forseyth's daughter. She has put together a spread sheet of all the judges in the US who are willing to judge during Covid 19. This list has been a life saver for club's looking to hire judges during these trying times. Her ring manner and thorough exams of the youngsters was appreciated by all. For Best in Puppy Sweeps she chose Old Glory N Sigbrit's Top Colonel for Best and Red Feather's & Sigbrit's Sassy Shawna for Opposite. The veterans then entered to a hearty round of applause and she selected GCH Illusion N Labyrinth Kiss This SH TKI CGC for Best and Ch Shady Brook's Special "Addition" Sammie CGC TKN BCAT for Opposite.

Ms. Reece took control of the ring next. She is a highly esteemed terrier and sporting judge from Tidewater, Virginia. So appropriate for our club! She gave each exhibitor and their charge multiple opportunities to show their stuff in the heat and humidity.

Her winners dog was a very deserving young male from the open dog class, Tonan Magicbrit Hope Stand By Me, JH RN TKN. Reserve winners was the bred by dog, Dogwood Hollow On the Edge of Glory.

Winners bitch was awarded to the 12-18 month bitch who had been knocking hard all weekend, Kalas's On the Brink. Reserve Winners was the open bitch, Lockridge Lehigh Phoebe, shown by Rachel Kulp.

The non-regular classes then entered the ring, and as always, there was cheering for our veterans and field dogs. CH Shady Brooks Special Edition Sammie CGC TKN BCAT was awarded the veteran dog class and

GCH Saradac's Locked N' Loaded JH CGC took veteran bitch. Nine year old GCH Illusion N Labyrinth Kiss This SH TKI CGC obviously enjoyed getting back in the ring after 5 years and floated around the ring with her co-owner Amy Penuel.

With 24 specials, plus the non-regular winners and winners dog and bitch, ring management was key. Ms. Reece did a stellar job of bringing a few dogs in the ring at the time, giving each dog their due, and then excusing the dogs not required for further judging. When the dust settled... She awarded "Blitz", GCHS Dogwood Hollow Flash Storm JH the big rosette. Blitz handled the heat and humidity exceptionally well and moved like he owned the ring. Winners bitch was given the nod for Best of Winners, and 9 year old Rosie showed everyone that age is just a number and floated to Best of Opposite Sex.

PM SHOW

JoAnne Buehler of Afghan fame then took charge of the ring after lunch and some very refreshing ice cream and root beer floats! The cooling beverages were appreciated as the sun came out and decided to roast the exhibitors and dogs. Keeping dogs cool became very important and the cooling cloths supplied by our show Secretary, Rachal McKee Sager, were much appreciated.

Winners Dog was awarded to Labyrinth Don't Rain On My Parade. Charlie was handled by Rachel Kulp. The nod for Reserve Winners Dog went to Kellie Millers' very handsome liver charge, Fyrebyrd Sharp Dressed Man.

Winners Bitch was awarded to Quail Trail's Watch Yourself, handled by owner Chelsea Rowe. This win finished her championship to the delight of her breeder, owner, handler. Reserve winners bitch was awarded to the open bitch, Labyrinth Pretty Woman- Julia handled by Amy Penuel.

The very large group of dogs for Best of Breed, the heat, and need for distancing became an issue during Best of Breed. The exhibitors and judge did their best manage the situation, bringing groups of 8 dogs in the ring at a time. After sorting through the exhibits, Ms. Buehler ran off the eventual Best of Breed dog and select dog to make her final decision and in the end pointed to the winners dog, Charlie as her pick. Charlie was handled to the win by Rachel's assistant, Erin Bernecker, and it was hers and Charlies first Best in Specialty. The win also finished Charlie's championship. Best of Opposite was awarded to the lovely CH Hope's Hiddencreek Vision, fresh off a litter of puppies and handled to perfection by owner Doug Tighe.

Ms. Buehler's comments about the dogs are below:

Over all the entry was outstanding especially when compared to many all breed entries. Balance, top-lines, feet, expressions all universally very good. Coats were uniformly in very good condition, with only a few slightly less but still good. Temperaments were entirely very good. There was some variety in movement, both side and soundness, but nothing significant. I had distinctive Choices! This is always a pleasure! Thank you to everyone for sharing their Brittany's with me! I totally enjoyed the hot afternoon in Mineral, VA! I hope to see you all again soon at a Dog Show!

Brittany Field Trial Hall of Fame

You are invited!

**Ceremony set for New Inductees
February 6, 2021**

Congratulations to **Ken Jacobson, Bernie Crain and Bourbon XIII.** They are the 2021 Brittany Field Trial Hall of Fame's newest elected members having earned their way into the Hall of Fame by making a positive and long lasting difference for the betterment of the Brittany breed.

On February 6, 2021 in Grand Junction, TN at the Bird Dog Museum, these three will be inducted as new members and honored at the ceremony. Our Brittany wing with HOF member portraits also includes a museum area for Brittany history.

Our museum is growing every year. Please consider donating items you have or could acquire from friends to help preserve our history – old memorabilia and trophies and other items of Brittany development.

If you haven't visited the Bird Dog Museum in the past few years, plan on coming next February. You will be overwhelmed when you see the life-size Brittany Bronze in the gardens, the product of a longtime dream of Ken Jacobson.

Every visitor to the Bird Dog Museum has been impressed with what the Bird Dog World has built. Show your support for the new Brittany Field Trial Hall of Fame members and attend the ceremony if you can. You will not be disappointed!

ABC National Amateur Championship Judges

Mike Jackson

I was a bird hunter in high school and started hunting with German Shorthairs. I found out about field trials in the early 70's when birds declined in our area, and later started training my own dogs in late 70's. I have been competing with them ever since.

I have won several dog of the year awards in Indiana and Illinois. I have judged the German Shorthair Nationals, National Open Shooting Dog Ch, Pennsylvania Shooting Dog Ch (2x), Pheasant Ch (4x), Egyptian Shooting Dog Ch (2x), Indiana Shooting Dog Ch (3x), All American Prairie Ch, Continental Derby & All-Age Ch (2x), Benton Co. All-Age, Lee County All-Age (2x), Michigan Shooting Dog Championship, and numerous club trials in IN, KY, OH, IL.

I am looking forward to judge the ABC National Championship this year!

William Smith

I have been involved with Field Trials since 1981 when I attended my first trial on the Ames Plantation in Grand Junction, Tennessee. Since that time I have been actively involved in the four trials held annually on the Plantation and I am currently a Director of the Hobart Ames Field Trial Club. I was also asked by the National Championship Field Trial Club to report the National Championship which I reported in 2016, 2017, 2018, and 2019. I was invited by the late Ted Gardner to judge the Border International Championship in Stoughton, Saskatchewan and that invitation introduced me to the grandeur of the prairies. Later I was invited to become a member of the board of directors for the Broomhill Field Trial Club in Manitoba, a position I held for twenty years. I was blessed to be able to return to the Canadian prairies for all those years to assist with the running of the Manitoba Championship. I have had the honor of being invited to arbitrate 68 amateur and open championships including: Irish Setter Nationals,

Brittany Nationals (2012, 2013, 2015, and 2017), Red Setter Nationals, German Shorthair Invitational, Border International, Saskatchewan Chicken Ch, Dominion Chicken Ch, Manitoba Ch, Texas Ch, Missouri Ch, Alabama Ch, Kentucky Ch Amateur Quail Ch on the Dixie Plantation in Florida, Western Open Ch, All America Ch, Mid America Ch, Southland Ch, Masters Ch, U S Chicken Ch, Georgia Derby Ch, Midwest Shooting Dog Ch, International Pheasant Ch, Kentucky Shooting Dog Ch, and others plus numerous weekend amateur and open field trials.

I sincerely appreciate being asked to return to Booneville and am looking forward to another great experience.

ABC National Championship Judges

Chris Rider

My wife Kim and I still reside in southwestern Pennsylvania. We have 3 daughters and 6 granddaughters. Field trailing has been a large part of my life and that of my family. We have spent many weekends together enjoying the sport. I've served as Chairman of the Pennsylvania Brittany Club, and also served on the committee to choose judges for our National Championship.

Judging is something that should be taken very seriously, but more importantly, must be enjoyed. I have been honored to judge the following trials, from California to New York on all types of terrain. Included in these are National Championships: Brittany (6) times, Vizsla, Gordon Setter, German Shorthair Pointer, German Wirehair Pointer, English Setter, Irish Setter, Free for All, and AKC National All Breed. Other Championships include: Inez Smith, Keystone,

Hobart Ames, Canadian, International, Pheasant, and Kentucky. I am looking forward to judging the Nationals.

Chris Weatherly

Growing up along the TN/MS border in western Tennessee, I cannot remember a time when pointing dogs, quail hunting, and field trials were not a part of my life. I grew up hunting behind my grandfather's setters and continue till this day behind my own pointers. Through my job at the Ames Plantation I have been fortunate to intertwine this passion with my career. I have ridden almost every brace of every trial held at Ames for the last 17 years serving as a marshal. I am a member of the Benton County (MS) Amateur FTC, Wolf River Amateur FTC, and director of Ames Amateur FTC and Hobart Ames Open All-Age FTC. I have judged Open and Amateur field trials from the northern prairies to the thickets and edge country of the south. MEMBERSHIP BUILDING CLUB by CLUB, REGION by REGION

On August 8th the Del Val and North Jersey Brittany Clubs hosted their 4th Annual New Handler Training Day. This event encourages not only Brittany's but all bird dog owners to get involved in AKC field events.

We were pleased to see so many new faces, especially 6 junior handlers that attended with their young pups.

This event is much more than just introducing a dog to a bird. This event is about building relationships and informing bird dog enthusiasts about alternative outdoor activities they can participate in.

Big thank you to our amazing club members that donated their time and knowledge. A special thanks to the English Setter Club for donating their beautiful grounds and also personal donations from Jeri Conklin and Paul & Lisa Pollock.”

Thank you everyone for a great effort! We need more events like this to get our membership growing with new blood from the younger generation.

American Brittany Club 2020 National Specialty Show Judges...

Mrs. Carol Mett – Obedience and Rally judge

I began the world of dog training, showing and judging when I gave my daughter a Labrador puppy for her 10th birthday. I soon realized we needed help with training in order to have a calm household. She was an easy learner and quickly got me interested in training and showing. 10 Labradors, 3 Golden Retrievers, 2 Dalmatians and 1 Pumik. Forty years later, I have enjoyed showing in Obedience, Rally, Conformation, Agility and Field, owning my own Training Boarding Center and judging. Jon and I traveled the USA and Internationally judging for 20 years. We made many beautiful friends. Jon passed away December 27, 2015. I am presently showing in Obedience, Rally and Conformation as well as judging. I am having a lot of wonderful adventures, making many friends and beautiful memories. Thank you for making all of this possible. Best of luck Trialing. Have FUN!!

Mrs. Karen Livingston – Sweepstakes Judge

I have loved dogs and had them by my side my entire life. I started in dog shows at the age of eight with my nine-year-old and very undersized Shetland sheepdog named Holly. We did 4-H shows together, competing in obedience and conformation at both county and state levels. Many challenges came from training a dog older than I was, including retraining in hand signals when her hearing failed. My mom eventually got another Sheltie to continue with, and from there I found AKC shows. I was totally hooked.

The shelties had been my mom's breed, and I loved them, but more than anything I wanted a sporting dog. After much research on breeds and wandering around at shows talking with different breeders, I was set on a Brittany. Colorado in the early and mid 90's had some amazing Brittany around to represent the breed, and I remember loving the way they flew around the ring. I begged my parents to let me get a dog of my own, they eventually gave in and in 1996 I acquired my first Brittany from Elud Archulatta. He was named Harvey (CH. Jordean Aces High), and I started a long and successful career in Jr showmanship with him, and an even longer love affair with the breed.

As an adult I am so fortunate to be able to call my job my dream job! I have had the opportunity to handle many wonderful dogs of all different breeds; however, the Brittany is still my love. I have bred and finished many dogs over the years, including Best in Show Winners, National Specialty Winners, Number One Dogs in the breed, as well as finished many champions. My proudest moment as a breeder and handler was at the 2013 ABC National Specialty when Beckett (GCHP. Rainbow Splash's Ruggedly Handsome) shown by my husband Clint, was awarded Best of Breed and his sister Pumpkin (GCH. Rainbow's Bippity Boppity Boo) was awarded Best of Opposite Sex shown by me. It was a dream come true, and sometimes I still have to pinch myself to be sure it was real. Beckett went on to make many dreams come true and ended his career with 63 Best in Shows, becoming the top winning Best In Show Brittany. He finished 2013 and 2014 as the number one Sporting dog in the US. I was so thankful to be a part of his team.

This year of so many uncertainties, I feel very honored to be here with these wonderful dogs that we love and asked to judge them. There are so many things that I love about the Brittany, but one of the best things about our breed is all the wonderful people that love them as I do. I have had so many people who have helped me, mentored me, and who took a chance on a kid. I will be forever grateful for the wonderful friendships I have made along the way, and I look forward to more friendships in the future. And I hope no one forgets how much your time can mean to 'just a kid', I'm here today because of those who took that time.

Mr Douglas Johnson – Conformation

The gift of a Clumber Spaniel for his birthday from his parents started Douglas Johnson down the path of lifetime dedication to the sport of purebred dogs.

Breeding under the world-famous Clussexx prefix, he has produced more than 200 Champion Clumber Spaniels, Sussex Spaniels, Welsh Springer Spaniels, English Toy Spaniels. Clussexx dogs have won more than 150 Best in Show awards and 15 national specialties wins across four breeds.

Mr. Johnson holds the distinct honor of producing two Westminster Best in Show winners, and he is the only breeder of Westminster Best In Show winners in two different breeds.

The winners are Clumber Spaniel Ch. Clussexx Country Sunrise "Brady" in 1996 and Sussex Spaniel Ch. Clussexx Three D Grinchy Glee "Stump." Stump in 2006. Stump, a veteran at 10 years, is the oldest dog to ever win Best in Show at Westminster.

Mr. Johnson was awarded American Kennel Club's Sporting Breeder of the Year award in 2005, Judge of the Year Nominee for 2017, and a Winkie Award Winner for Breeder of the Year in 2019. He is a member of the Santa Barbara Kennel Club, Hoosier Kennel Club, The Bloomington Indiana Kennel Club, and a lifetime member of the Clumber Spaniel Club of America.

A founder in the Canine Conservation movement, Mr. Johnson, strives to be a voice for all breeders who work tirelessly to produce and promote their breed of choice. Advocating for dogs is a passion, but also a responsibility to insure the successful longevity of unique breeds. Together we must continue to foster the best breeding practices to keep breeds from extinction.

Field Champions Wear Blue

By L.R. Bates

When we finished our first Field Champion, some came up to me at a trial and asked, "Which one is Scooter B and what's your stud fee?" I pointed to the chain gang, counted down the line and said, "That's Scooter B and if you can get her to breed your bitch, I'll pay you."

Sweetwater Scooter B was special from day one. She was the eight pup in a litter of ten. Numbers 7 and 9 were both stillborn. Number 7 had stopped the delivery process the night before, trying to come out all four feet at once. The vet finally got him turned and removed his lifeless body. A shot of Oxytocin and the remaining pups were shot out in rapid succession. Scooter B hit the floor on the run. My wife said, "Look at her scoot." I said, "That's the one I'm keeping." She was the first pup up in the litter and the last one to sleep. She was always on the move. Scooter B shook with intensity on point and continued to shake as I approached to release her. As anxious as she was to get going, it is amazing that she handled birds as well as she did. She was the kind of dog that would run herself to death if you didn't keep an eye on her especially in hot weather.

Scooter B's record speaks for itself. She has 76 placements with 22 firsts. Twenty-one of those firsts were as an adult. She had nine "Dog of the Year" awards. She was the star athlete of our kennel and we decided to emphasize her status. She would wear a blue collar.

I used to hunt my first Brittany without a collar. I don't like to admit that because it makes me feel stupid. I read an article about a dog that got its collar hung up on a branch and I was afraid that would happen to my dog. Later, I learned about safety collars with the ring in the center and they have been on all of our dogs ever since. We used leather at first but switched to nylon, the hunter orange ones. Around our house, if you earn a Championship title the Champagne flows and the orange collar is replaced with a blue one.

TJ Sweetwater, the pick of our second litter was our second dog to wear the blue. The day he finished his Amateur title, I went to the wake of well-known Brittany sportsman Harry Robb. Harry owned the sire of our Bandanna Lace, the mother of TJ and Scooter B. Harry's wife asked if I'd been to a trial that day and I told her that TJ had finished his Amateur championship

with seven finds. He was about to break on his last bird but I told her that Harry must have been there watching over him. She added that Harry probably had him by the back legs. TJ went on to have a great career, placing 112 times with 18 firsts.

Sweetwater Glory Daze inherited Scooter B's intensity but she didn't get her tenacity. I guess you would call her a head case. You never knew which Molly would show up. She'd been rolled several times by bracemates and she reacted by staying behind. You can't win from behind. If she felt confident with a bracemate, look out! She could put down a run as good as anything Scooter B ever did. Molly was not my original pick from our third litter until that night just before dark when I planted a quail, head under wing, out on the front lawn. Molly crossed the wind twenty feet away, froze into a statue and stood there mesmerized by the smell. I told my wife that I couldn't sell that. Molly became our third blue-collar winner.

A week before we laid Scooter B to rest, our three-year-old, Sweetwater Billy Tucker finished an Open title to carry on the tradition. For a short time we had four blue collars running around the house.

What's special about a blue collar? Do you get better food and more of it? Do you get more love and more attention? No. All our dogs get treated the same, like members of the family. It's just that in our kennel, Field Champions wear blue.

Author's note: Tucker became a DC/AFC. He was retired in 2013 with 141 placements including 4 placements in the National Gun Dog Championships. FC/AFC Sweetwater Murph's A Gambler wears the most recent blue collar in our house. That's him in many of the Pro Plan ads in last year's ABC magazines. And, yes, all of our dogs have been fed Purina Pro plan.

How Smart Are Dogs?

Many Brittany owners have dogs they dearly love and anything that we can learn about dogs is of value.

Following is a true story by Stephen Birch of Norfolk, Virginia. I think as a dog owner you will appreciate this.

Fred Strawson, Long-time ABC Member

Flannel

Flannel was a neat dog. He got his name because his ears felt just like flannel. He was my first coonhound, and we spent a lot of time together. Whenever he thought that we would be going out for a walk, or to play, or just down to the garage where I worked, he would do this little dance where he would spin around, bouncing on his front feet, and then making this Woo-Woo sound. If I had been away from home for a while he would do the same dance as I walked in the door. It wasn't just being excited, because he would only do that for me. I used to think of it as his way of saying he liked me and expected me to do something nice for him.

Anyway, it was around 1941 when I last saw him, just before they sent me for training and then shipped me to North Africa and later to Italy. When the war

ended, they started to send people back home, but I was assigned to a prisoner of war camp. That delayed my release from the service. It was 1948 when I finally got to come back home.

Mom and Dad knew I was traveling, but not when I would arrive. When I got to the United States and was offered a ride home, I thought that I would surprise them. When I walked up to the door and opened it, there was Flannel. He was obviously a lot older then, with gray on his muzzle. He saw me, and it was like no time had passed. He did his little dance and sounded off with that Woo Woo song of his.

Mom was in the kitchen and did not know I had walked in. When Flannel sang that little song, she called out, "What's gotten into you, Flannel? Steve's not here yet, but you act like you know he's coming." She later told me that Flannel had not done his dance or Woo Woo in the whole time that I was gone. But he clearly remembered me, because he started doing it immediately after I came home, and he continued to do it every day until he died. That little Woo Woo told me that I was home again and that someone remembered me, had missed me and still loved me.

WELCOME TO MICHIGAN and
THE IONIA STATE RECREATION AREA

The 2020 National Open and Amateur Walking Gun Dog Championships are being held at the Ionia State Recreation Area in Ionia, Michigan. The town of Ionia is located in the mid-west portion of the state, between Lansing and Grand Rapids. Ionia offers to its guests motel accommodations, fine restaurants, fast food eateries, grocery and department stores, feed mills, veterinary clinics and even glider rides if you might want to see the grounds from the air. The field trial grounds are located just a few miles from town.

Ionia Recreation Area is a Michigan State park that offers to its visitors a man-made lake with swimming area and also some good fishing, horseback trails, camping sites and some of the finest field trial grounds found anywhere. The work done on these fine grounds is undertaken by the Ionia Grounds Committee, the members of the Field Trial Clubs in Michigan, and the State of Michigan.

Ionia State Recreation Area covers over 4,500 acres and has multiple well groomed one-hour courses.

Each course offers a dog the chance to show off what it can do best, from covering the spacious fields to running the edges. The terrain is rolling and picturesque and all courses are suitable for walking and have water on them. The rolling terrain enables the handler to see their dog. All courses are a true test for a well-mannered gun dog.

ATTENTION AMATEUR HANDLERS

At Regional trials, when a dog places in an OPEN stake and is handled by an AMATEUR, the field trial secretary MUST record the amateur handler's name in the AKC field trial report, otherwise, those placements will not serve as qualifications for the Amateur Gun Dog Championships.

ABC National Walking Gun Dog Championship Judges

Meredith Mays

After graduating from high school, I immediately chose the professional of horse training. It wasn't until 16 years later, that I was introduced to horseback field trials which was 2007. That was when I was contacted to train a trial horse. After I attended my first trial, I was hooked! From a barn full of American Saddlebred show horses, I now train, breed, and sell gaited horses. I have 2 English pointers, one of which I bred and boast his best of breed win at the AKC Gun Dog Nationals this spring in Arizona. My first field trial dogs were a GSP and an English setter pup. I currently live in Butler, PA, have 4 kids, one granddaughter, 6 dogs total and about 40 head of gaited horses. I enjoy all breeds of dogs, especially those which enjoy doing what they were bred to do. I enjoy introducing newbies and kids to the sport of field trialing. To date I have judged well over 120 events and 5 national championships. I look forward to adding this event to my resume.

Robert Youngs

I received my first Brittany in 1959 for my 9th birthday. She was 2 years old when I got her. Her previous owner had two hunting Britts and according to the fellow's wife, there were one too many females in the house. So, a lifelong love of the breed began as she taught me how to find pheasants in Flemington, New Jersey as well as slept on my bed and followed me everywhere. Barb and I attended our first Field Trial in 1970, the Southern New England Brittany Club trial at the Flaherty Field Trial Area. We made lots of friends that first day and returned the following day and began planting birds and watching the dogs while riding horses. Dogs had been my passion and the horses were my wife's love. Through the years we have been lucky to have puppy and derby winners as well as dogs worthy of competing on a National Level. We have special memories of the U.S. Open win and RU at the Nationals a couple times in both the Open and Amateur and the special win with an old friend's dog to take the Champion Title at the National Open All Age Championship at Booneville. Upon retiring after 32 years working for a Farm Coop in the northeast, in 1999, I opened the kennel up to trial for 7 years for the public. During this time, we made lots of new friends and had the privilege of working lots of different dogs. The grandsons loved coming in the summers to help work the dogs with me and learned a lot about riding and caring for the dogs and horses. My pride in their growth with this opportunity is immeasurable. June 2006, following auto accident, I had to close the kennel and have not run a lot of dogs. I do spend time attending trials on the pointer circuit and winters in NC and at the Summerhill Kennel south, in Alabama, with the Tracy family. The National Amateur Free For All Shooting Dog Championship and the National are both events we look forward to watching and/or helping by scouting dogs. I am looking forward to judging the ABC National Walking Gun Dog Championship at Ionia in 2020.

ABC National Amateur Walking Gun Dog Championship Judges

Richard Pristov

I have hunted with dogs all my life and acquired my first Brittany in 1977. Her natural ability and class was immediately evident and I began field trialing her. She was completely amateur trained and campaigned to her Field and Amateur Field Championships. With my wife Elaine's assistance in the show ring we also had a Dual and Amateur Field Champion. I've judged all breeds of pointing dogs at regional trials, classics, and futurities. I've had the privilege of judging numerous assignments including: the Irish Setter National Championship, Amateur Championship and Futurity; the Gordon Setter National Championship and Amateur Championship; the Vizsla National Championship; and the International Brittany Shooting Dog Championship and Derby Classic. Other outdoor activities I enjoy include hunting, trap shooting, jet skiing, and fishing. I'm honored to be invited to judge the ABC National Amateur Walking Gun Dog Championship.

Paul Renius

I am a Michigan native who has been competing in field trials for over 30 years. After graduating in Mechanical Engineering and Metallurgy from Michigan State, I purchased my first Brittany and joined the ABC. I have owned and trained a host of champions and field champions. I judged my first event in 1989 and have now judges over 400 trials including several championships and national events. Now I run a brace of English Setters. Retiring from GM in 2018, I hold a dozen patents and publications.

1/2 cup quick oats

Preheat oven to 350 degrees. Place a large sheet pan on the very bottom rack and fill halfway with water. Line a 9 inch springform pan with parchment paper.

Mix together the graham cracker crumbs, sugar, and melted butter. Press the mixture evenly in the bottom of the springform pan. Beat the cream cheese and sugar

until very creamy. Add the vanilla, cinnamon, and flour and mix in thoroughly. Add the eggs and mix until everything is mixed in. Do not over mix the batter.

Pour the cheesecake onto the prepared crust.

Stir together the diced apples, brown sugar, and cinnamon and set aside.

Add all the topping ingredients into a bowl and stir until completely combined. Use your hands to press the mixture into large crumbs.

Spoon the apples onto the cheesecake batter gently. Sprinkle the topping evenly over the apples.

Place the pan on the oven rack directly over the pan of water. Bake for 50-55 minutes. Remove from the oven and place on a wire rack.

Cool 5 minutes, then run a knife around the outside edge of the cheesecake to loosen it from the pan.

Cool 1 hour, then place in the refrigerator for at least 6 hours or overnight to chill completely. Serve sliced with caramel, Cool Whip, and apple pie spice, if desired.

Hot Apple Pie Dip

1 tub (8 oz.) cream cheese
2 Tbsp. brown sugar
1/2 tsp. pumpkin pie spice or cinnamon
1 apple, chopped, divided
1/4 cup shredded cheddar cheese
1 Tbsp. finely chopped pecans

Heat oven to 375°F.

Mix reduced-fat cream cheese, sugar and spice in medium bowl until blended. Stir in half the apples. Spread onto bottom of shallow baking dish; top with remaining apples, cheddar and nuts.

Bake 10 to 12 min. or until heated through.

Use wheat crackers, graham crackers, or vanilla wafers for dipping.

Versatile Brittanys in Action

By Carla Simon

TOP 5 SOCIALIZATION PITFALLS

Socialization is the process of exposing young puppies to new things in the environment, so they learn how to navigate the human world. Most well-intentioned puppy owners have heard that their puppy needs socialization. Many attempt to regularly socialize their puppies, frequently with daily walks in busy dog parks. But the devil is in the details. Socialization isn't just a walk in the park.

The "Pitfalls in Socialization" webinar by Dr. Christopher Pachel, DVM, on www.dog-ibox.com, got me rethinking the advice I'll give to prospective owners of my current litter of puppies. Over the last 20 years breeding working Brittanys, completing behavior assessments for the Calgary Humane Society, evaluating teams at Canine Good Neighbor Tests, and teaching puppy, scent detection and obedience classes, I've noticed some recurring socialization problems. And I've observed the fallout after socialization experiences didn't have the desired effect on the puppy, despite the best intentions.

Irrespective of the program, the top 5 socialization errors I see most often are:

- 1) Insufficient exposures to novel stimuli
- 2) Late exposure after the socialization window has closed
- 3) Trauma and negative exposures
- 4) Not giving the puppy a choice to opt out, and
- 5) Rehearsing repeated overarousal

Each pitfall is explained below, in hopes you can avoid them, when raising your next Brittany puppy.

Figure 1. Young Brittany puppies investigating leaves in a kiddie pool. Photo © 2020 Hunter's Heart.

WHY EARLY SOCIALIZATION IS CRUCIAL

All animals adapt and respond to their environments. Animals (including dogs and humans), have a sensitive period in their youth, where their brains are developing most rapidly. During this sensitive period, the brain is like a sponge, soaking up experiences. They are most open to learning about the world around them, creating emotions, forming associations, and learning how to successfully navigate the world.

On average, puppies' sensitive period of brain development closes at about 12-16 weeks of age. During this window of opportunity, the puppy learns what is normal. For example, the puppy can learn from positive exposures to have positive emotions about men in moustaches. Men in moustaches are likely to be categorized as normal, and do not cause undue stress. But if the puppy doesn't meet any men with facial hair during the socialization window, they may be less prepared and less comfortable when they are surprised by a stranger with facial hair for the first time as an adult, possibly leading to anxiety and fear.

INSUFFICIENT EXPOSURES TO NOVEL STIMULI

A stimulus is something in the environment that arouses an animal to activity or response. For example, while taking a walk in the park, a cyclist rides by your puppy (the stimulus) and your puppy may respond by barking (the response), or a car goes by and your dog may chase or avoid it. The more positive experiences your puppy has with cyclists and cars during the socialization period, the better your puppy will learn to dealing with new stimuli they haven't yet encountered, like a shopping cart or wheelchair.

On my puppy screening form, I ask families how they will socialize their new puppy. Some of the families have impressed me with well-considered plans. On the other hand, many think that if they have another dog, they're covered for socialization to dogs. Similarly, if there are children in the home, they think their dog "knows kids". So, they'll automatically be socialized to children by interactions inside their home. In "Association Between Early Socialization and Adult Behaviors of Dogs" (MJ Bain et al), researchers found a significant increase in stranger directed fear when dogs had contact with less than 4 people who lived outside the house

hold. Similarly, there was significantly more dog-dog aggression when dogs were exposed to less than 4 non-household dogs.

Therefore, when socializing a puppy, ensure that your puppy has a positive exposure to a minimum of 4 new dogs and 4 new people. Even better, aim for 10 new people per week.

According to the AVSAB position Statement on Puppy Socialization, puppies should be exposed to "as many new people, animals, stimuli and environments as can be achieved safely and without causing over-stimulation manifested as excessive fear, withdrawal or avoidance behavior". Up until 3 months of age, sociability outweighs fear. Therefore, it's the best window of time to adapt to new people,

animals and experiences.

LATE EXPOSURE

While the first three months are the most important socialization period in a dog's life, old dogs can learn new tricks. Having said that, it can be more difficult to learn as an adult than early learning while the brain is growing and developing. If socialization was inadequate, there's an increased risk of behavior problems like fear, avoidance, and aggression later in life. If your dog shows signs of fear or aggression, get help from your vet or a qualified animal behaviorist as soon as you can, for the best chances of success in turning it around.

TRAUMA

When in doubt about what your dog is capable of, take a "start low, go slow" approach. For example, if your dog never heard gunfire before adulthood, try playing recorded sounds of gunfire at barely perceptible volume for 2-5 minutes to start, and only gradually increase the volume. Aim for a dog that is happy, relaxed, and confident. Watch for signs of fear and anxiety (like avoidance, lip licking, yawning, scratching, shaking off, wide eyes, stiff mouth, tail between the legs, etc.). If your dog is uncomfortable, respect that communication and back off. Pushing too far too fast (like firing a gun right next to a green dog) can cause significant setbacks.

NOT GIVING THE PUPPY A CHOICE

Swimming is a useful case, demonstrating how giving the dog a choice helps them to feel comfortable with their level of interaction. Many puppy owners introduce swimming by picking up their dog and hold them or drop them into water. In the top picture (stock footage), the dog's wide eyes and stiff body suggest they're anxious, afraid of the water, and the restraint of the owner prevents them from leaving.

Rather than forcing the dog to swim, try to set up the environment so your dog enjoys the water. The picture below shows how I got one puppy interested in water by turning down the intensity on a sprinkler. It was a hot day, and he wandered over to have a drink. When he left, I let him. He was off leash and was comfortable opting in. The next step was filling a kiddie pool with an inch of water, standing in it, and encouraging the puppy to jump in. If you're at a lake or river, pick an easy shoreline and start by showing the dog how to get out of the water. (Then if they go into the water, they are less likely to panic while looking for an exit). If the environment is safe, put a life preserver on the dog (to help with buoyancy) and take the leash off. If it's a hot day and the dog is thirsty, hopefully the dog will wade into the water to have a drink and cool off. If not, try standing in the water and dropping cheese or wieners at the water line. Your dog will be able to smell the food, and may dig to get it, or they may be bold and put their head in to retrieve the food. Limit the session to 2-5 minutes and leave when your dog still wants more.

REHEARSING REPEATED OVERAROUSAL

The final socialization pitfall is repeatedly practicing overexcited, inappropriate behavior. Your goal in socialization is teaching your pup how to appropriately navigate the human world. While puppies may be cute when they jump up and nip you, jumping up and nipping as an adult is problematic. Many owners let their dog explode out of the vehicle every time they go to the dog park. While uncontrollably excited, many dogs drag their human over to meet every dog. Repeatedly rehearsing that pattern of behavior becomes a habit. Before you know it, the adult dog is dragging you over to meet any dog it sees. A well-run puppy class should involve appropriate dog greetings, with good manners, by adding structure. For example, if you get your dog to sit to ask permission to go meet another dog, it becomes a desirable habit that builds your teamwork and makes walks more fun for everyone. Brittanys tend to be enthusiastic, and they especially benefit from balancing calming down with active play and work.

If you're lucky enough to be enjoying the process of socializing a new puppy, try something new today, whether calming down, or letting the puppy choose when to leave. Let me know how you make out.

Give the Gift of Membership

Give someone the opportunity to learn about and participate in the American Brittany Club!

We would love for each member to donate or sponsor a membership in the American Brittany Club. This "gifted" membership might be to a puppy purchaser, a friend, or an acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members. Our hope is to further interest and support of the Brittany Breed.
