Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanyys and to encourage higher standards in breeding, training and showing of Brittanyys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

ABC Michigan Brittany Classic/Championship

April 5-8, 2021

The running of the 2021 American Brittany Club / Michigan Brittany Classics was hosted by the Michigan Brittany Championship Association on April 5-8 at the Ionia Recreation Area, Ionia, MI. The Ionia Grounds Association prepares the grounds and facilities to allow the dogs to display their keen properties and perform optimally.

There were four venues run during this period; Open Derby (45 minute heats), Grand Open Limited All Age, Grand Open Limited Gun Dog, and Grand Amateur Walking Limited Gun Dog. To run this kind of trial it takes effort and dedication from many people, from the Chairman Kathy Gulembo and Secretary Donna Janulis to the workers planting birds (Kent Lipki, Ron Gulembo, Al VanWieren, Ed Janulis, Ron Auten) to driving the dog wagon, (Ed Janulis, Ron Gulembo, John Hall, Tom Kuzak) to the officers of this association and many others.

We continue to thank Purina for their continuing support of this championship. Purina's continued support, year after year, allows the Michigan Brittany Classic the resources to plan this event for years to come extending the tradition that already exist with this contest. Their food products are first class. It should be noted that Purina extensively supports the American Brittany Club with support to many different venues within the ABC organization.

The many judges who volunteer to judge the events are also well appreciated. We had an excellent slate, deep in experience and knowledge. A special note is given to Ed Graves who was needed to substitute, on short notice for the Grand Amateur Walking Limited Gun Dog.

While still experiencing effects of the Covid 19 pandemic it was appreciated to all the participants their efforts to keep social distancing and other preventive practices to keep this threat to a minimum.

We were also appreciative of some of the out of state participants who participated; these included long standing Brittany trainer professional Chad Holman and new professional Al Cropek. These individuals bringing their string of talented dogs helped make this completion competitive and exciting.

Other out of state individuals included Al and Sharon VanWieren, Judge Tom Jagelski, Jeff Stanton, Ed and Judy Graves, John and Joan Perry, Rebecca Walters and others I may have missed. Over the years due to logistics changes some competitors have skipped the prestigious Michigan Championship for newer, closer venues. This has caused the attendance to suffer.

Open Derby

This year's Classic was judged by Jim Cipponeri and Ron Gulembo who gave full attention to each dog even though "Ole Mother Nature" put the field of 10 through every imaginable type of weather condition. The quality of the competitors made for hard decisions by the judges.

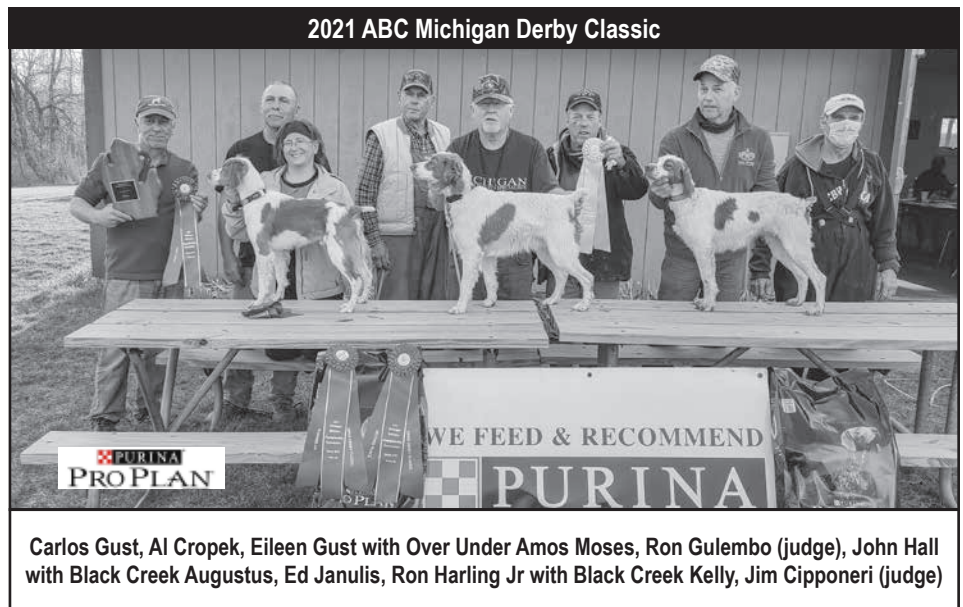

First place went to Over Under Amos Moses, owned by Carlos and

Eileen Gust and handled by Al Cropek. Amos broke away and headed for the edges to get to the front. He ran a strong race and his application was what you would hope from an outstanding derby dog. He had four finds with excellent style allowing his handler to get in front, flush and shoot with fall broke derby manners.

Over Under Reign the Field, owned by Samantha Nowak and also handled by Al Cropek, earned the red ribbon. Reign showed with a big race hitting the edges of cover exhibiting speed and independence. She had nice style on both her finds, allowing the handler to call point from a distance and remaining steady through the flush and fire.

Third place went to Black Creek Augustus owned and handled by John Hall. Gus had a lot of run and his handler had to work to keep a handle on his far-reaching casts. Just seconds before time, off in the distance, the scout called point. Riding to the call, the judge was able to observe the point to finish the 45 minutes.

Black Creek Kelly, handled and owned by Ron Harling Jr., garnered the fourth-place spot. During the brace, the weather gods threw it all on the course, a typical Michigan mixture from sunshine to rain/thunder and hail. But through it all you could not ask for more from a young dog which showed style and nice course application. Kelly was rewarded for her work with one find.

Grand Open Limited All Age (in honor of Wade Haines)

This event began after the running of the Derby stake. It was judged by two seasoned veteran judges, Jim Cipponeri and Jeff Stanton. They gave each dog a fair look at their performance.

The winner of this event came out of the third brace, Gun Creek Gangster, owned by Ed and Donna Janulis and handled by Chad Holman. Doc, as he is called responded well to Chad's direction starting out from the clubhouse side and establishing a far reaching run as he travelled through the course. Doc found birds in Hires field, the orchard area, the old derby course and just prior to the creek crossing approaching the gun dog parking lot. All four of these finds were without flaws and with excellent style and intensity that drew positive comments from the gallery. On this particular brace Chad Holman demonstrated his ability as a professional "handler" guiding Doc to get him to reach the far limits of the course as the hour wound down through setting his speed and direction well. He showed the difference of "handling" vs. "running" a dog.

Second placement was awarded to TJ's Black Diamond owned by John and Joan Perry and handled by John Perry. Coal broke away under John's guidance from the Oak Tree and established a forward pattern throughout the hour. He had two bird finds, one in the old derby course and one as we wound up the hour in the all age half hour course exhibiting good manners on both events.

Third place was given to Black Creek Whizki Skip call name Skip. He is owned by John Hall and was handled by Chad Holman. Breaking away from the oak tree Skip established a good run, keeping a consistent pattern reaching out during some of the areas, including the old derby course and shortening while traversing the Boy Scout Bridge and fields beyond before establishing a more stretched out pattern through the all age course. Skip had a single find, as he entered the all age course along the west tree line. All manners were in order; and finishing the hour going away.

Fourth place ribbon was awarded to Walkers Prairie Bandit, owned by Samantha James and Dan Dodson, handled by Al Cropek. Ringo started his run from the oak tree and broke nicely towards the far tree line hunting them with experience. Ringo continued at a medium pace

hunting likely areas for birds while responding to AI's commands. Entering into the derby area Ringo established point along the far tree line. AI successfully located and flushed the bird with Ringo sustaining manners during the event. He continued through cardiac hill, the Boy Scout Bridge and entered into the all area at a good range. He finished in a pleasing manner to the front.

Grand Open Limited Gun Dog

The open limited gun dog began on a sunny and cool day, optimal for the event. The judges for this championship were Al Van Wieren and Tom Jagielski; both knowledgeable with a lot of years of experience judging these types of competitions.

The winner, Black Creek Summit, owned by Ron Harling Sr. and handled by Chad Holman, came out of the first brace. From the start of the brace throughout the hour you could sense the partnership between dog and handler. Chip handled pleasingly, exhibiting a medium range, turning when needed with little direction. He had two finds, one in the orchard tree line on the all-age course and one in the old derby course on the second tree line heading towards the creek. He completed the hour as he started, handling pleasingly with stamina to spare far to the front.

Second place was awarded to High Velocity Copper Magnum, owned and handled by Vince Anderson. Colt ran in the fifth brace starting from the headquarters. Colt handled pleasingly to his handler Vince hunting the tree lines in a mature manner. He was awarded three distinct finds. The first was in Hires field, followed by a find in the derby course followed by the orchard area in the gun dog course. During all the finds Colt exhibited good manners. He completed the hour to the front at a moderate pace.

Third place, Walkers Prairie Bandit, is owned by Samantha James and Dan Dodson. He was handled by Al Cropek. Ringo worked the tree lines of the all-age course with intelligence and keen hunting ability and transitioned well into the gun dog course objectives. He captured four bird contacts two on the all-age course, one in the derby course and one just before pick-up in the gun dog course. Ringo handled all bird contacts well showing style and discipline. He also completed the hour forward.

Fourth place was awarded to Fairleah's Gambit; owned by Richard and Sharon Johnson

Vince Anderson with Magnum High Velocity, Carlos Gust (judge), Ken DeLong with KDel's Eagle Magnum Hotshot, Ed Graves (judge), Ray McVeigh with Ayerie's Paladin of Auten

and handled by Al Cropek. Chess came from the same brace as the second-place dog. The two dogs complemented each other on their run and application. Again, the scenting conditions seem to improve as the day developed. Chess established point on three occasions during the hour. He held solidly to flush and fire on all the contacts. He also finished the hour moderately to the front.

animated fast forward race. He was very mature in his application, which resulted in multiple finds with excellent style and intensity.

In second, was K-Dels Eagle Magnum Hotshot, owned and handled by Ken DeLong. Shooter ran a fast forward race, scoring a single find near the end of the hour.

Third, Waypoint Deacon of the Hunt, owned and handled by Thom Christnagel and fourth place, Ayers Paladin of Auten, owners Raymond and Kimberlee McVeigh, handled by Paul Renius, were brace mates in the 1st brace. They put down strong hunting efforts which were rewarded with multiple finds and backs. Their manners were impeccable honoring each other on sight with no cautioning required. Ray was called away for a family emergency, Paul was called upon to handle Pike for the first time. Pike also came up with two woodcock finds.

Grand Amateur Walking Limited Gun Dog

Thank you to judges, Carlos Gust and Ed Graves, giving their experience and attention to this year's participants.

The weatherman called for strong storms, with thunder, lightning and hail. The start of the amateur walking gun dog was held off until 11:00 a.m. to allow the storms to pass. Near the end of the 2nd brace another short squall hit with all of the above elements. After a short break for sandwiches and dry clothes, the championship resumed with good conditions the rest of the day.

The course for the amateur walking gun dog is inside the park. It is a series of open fields bordered by woods and swamps. It requires a dog to reach in open areas and handle through tight areas.

The winner of this event went to Magnums High Velocity, owned and handled by Vince Anderson. Gauge showed his experience in an

Field Trials

EAST COAST

SOUTHERN NEW ENGLAND

Flaherty Field
East Windsor, CT
April 10-11, 2021

We had a very successful weekend with two separate trail events. In order to attract more walking handlers, two walking adult stakes were offered. For the horseback handlers, there was an open gun dog and an amateur gun dog stake. Four juvenile stakes completed our roster. Our judges' panel was comprised of many well-respected and experienced trailers. The committee worked continually both days. Fortunately, many people stepped up during the trial. We had two helpers who are not even club members volunteer. Due to Covid restrictions there was no happy hour. This was sorely missed. Many thanks to the participants, judges, bird planters, marshals, and every volunteer. Everyone contributed to a very smooth-running two-day event. Hope to see everyone in the fall.

**ANTHRACITE
Greenwood WMA
Barnegat, NJ
April 24-25, 2021**

The Anthracite Brittany Club held a walking trial on April 24-25, 2021 at the Greenwood WMA in Barnegat, NJ. The grounds were in great shape for the trial with just enough cover to hold the birds, but not so much that you couldn't see your dog. The weather cooperated for us. The breeze that plagued the futurity on Thursday and Friday went away and left behind a nice mild and sunny day for Saturday. Sunday started out misty and drizzly for the derby. But the rain stopped and brought a cool and overcast afternoon which was perfect for the amateur stake. Everyone deserves thanks in helping us have a successful and fun field trial.

**CENTRAL NEW ENGLAND

May 1-2, 2021**

CNEBC held our trial after a year absence at the beautiful field trial section at the Arcadia Wildlife Management Area in southern Rhode Island. The state has also done some management work making the trial area even better than years' past. The club started the plans and permitting processes in mid-January; due to the virus situation, things were a bit cumbersome but we pulled it together. The Field Trial Committee of Paul Shirley, chair; Arthur Hembrough, Secretary; M.J. Haesche; John DiPerrio; Roger Gilma; Cathy Shirley; Robert White; o Craig Stockwell and Jane Bjork were on hand both days to marshal and bird plant. Our judges gave their full attention when in the saddle. Several others pitched in doing chores. CNEBC thanks all of them for their efforts. We had a decent turn out, considering the times. Of note in the Open Gun Dog Stake, Jane Bjork's Coltan made it through to earn his first blue ribbon. In the Amateur Gun Dog, the tireless team of Paul Shirley and his Brittany Toga earned their AFC title, with a second-place finish. Toga gained the point needed to put him over the top. In Junior stake CNEBC's John DiPerrio and Craig Stockwell had their young guns get a few ribbons. In our Fun stake AWHD, Chris Norcross got the red to close out Saturday afternoon. Thanks to all

who entered dogs!

Field Trial Secretary

**MICHIGAN
Ionia, MI
April 9-11, 2021**

The Michigan Brittany Club hosted their annual spring field trial on the heels of the Michigan Brittany Championship Association's trial and the Western Michigan Brittany Club's trial. The MBC trial started on Friday, April 9th with an Open Limited All Age stake. Judges Blake Rizzo and Bill Branham watched with keen attentiveness to the 16 dogs that came to the line. Taking the blue was Walker's Prairie Bandit handled by Al Cropek and owned by Samantha James and Dan Dodson. Owner/handler Josef Smith's Pointer Sunny in the Bank took second with a strong showing. Rounding out the placements were Patrick & Joan Koczenasz's Kozy's Rocky Mountain Gambler handled by Al Cropek with owner/handler Vince Anderson's Magnum's High Velocity Top Gun taking fourth.

Saturday morning arrived bringing near perfect weather for the weekend and our trial. On this day the stakes that were held were the Open Puppy stake judged by Blake Rizzo and Charlie Fenech. Judges LeRoy Long and Carlos Gust joined the Open All Age stake while the Amateur Walking Derby stake was judged by Harold Darga and Paul Renius. Rounding out Saturday's stakes was the Amateur Gun Dog stake judged by Richard Pristov and Harold Darga. The rain held off until the day's activities were completed and then a heavy downpour saturated the grounds during the night.

The rain moved out Sunday morning and the day started off with a couple of challenges, but the field trial committee made the adjustments and the stakes started on time. Judging the Amateur Walking Puppy stake were Kim McVeigh and Paul Renius. Blake Rizzo and Charlie Fenech judged the Amateur All Age stake. Putting a full day in the saddle judging the 24 Open Gun Dogs that came to the starting line were judges LeRoy Long and

Richard Pristov.

The Michigan Brittany Club would like to thank our judges for their decisions and time over the weekend. The club would also like to thank everyone who pitched in and helped make our trial a successful one. Special thanks go out to Carlos Gust, Dick and Kathryn Lipski, Ed and Donna Janulis and Ray McVeigh. Field Trial Committee members Ron Auten and John Hall should also be recognized for all of their hard work behind the scenes to make our trial operate smoothly. Judy Marinelli deserves a huge thank you for taking care of the rosettes and placement prizes. The club would also like to thank Will Langley for providing horses for our trial. The field trial committee missed John Marinelli's presence and help at the trial and wishes him a speedy recovery.

The MBC thanks professionals Al Cropek and Chad Holman for entries as well as everyone else who entered a dog or two in our trial. We hope you had a great weekend. The MBC hopes to see all of you at our fall trial in September.

2021 TEXAS AMATEUR ALL AGE BRITTANY CHAMPIONSHIP by Jan Kilpatrick

The Texas Amateur All Age Brittany Championship is hosted by the Sooner Brittany Club every Spring just prior to the running of two prestigious American Field events those being the US Open Brittany Championship and the Victorie Nationale Derby Championship. 2021 saw 24 Amateur handlers traveling from as far away as Delaware, Tennessee, Missouri, Michigan, Kansas, Colorado, and Texas to vie for the coveted Silver Spurs awarded to the Champion of this event. Most entrants agree the Sooner Brittany Club Spring Field Trial is a great tune up for the US Open Brittany Championship and the Victorie Nationale Derby Championships.

Winners took home sacks of Purina Pro Plan thanks to Purina's continued generosity and sponsorship of this event. All trial participants also received small complementary bags of this premium dog food.

Judges Charlie Collier and Virgil Moore were studious in their observations, paying close attention as the dogs traversed these grounds which consist of rolling open hilly grasslands interspersed with dense tree lines and rocky outcroppings. They were on the lookout for dogs with a fast race, extended range, intelligent application, intense style and manners on their birds.

The Recognized:

Declared Champion was top dog in brace 9 FC/AFC MK's My Lil Ammo, "BB", handled/owned by Nick Blasi, Wichita, KS. BB earned the Championship title by running a fast forward race with multiple bird finds and big moves to the front. On her first find she was observed standing very stylishly on a distance edge at 25. Her manners were solid thru the flush and fire. Through Bird Valley BB had finds at 48 and 51 which she once again handled with intensity and manners. BB had a robust finish still making big forward moves to the end of her hour.

Runner up Champion was top dog in Brace 4 TJ's Black Diamond, "Coal", handled and owned by Joanne and John Perry of Delaware. Coal started with a non-productive at 5 in a tall grassy area right off the road but reset himself and began putting down a strong consistent race, more lateral in his application than the Champion but productive as he had birds at 36 and an impressive limb find at 44 all of which were handled with style and good manners.

In 3rd position was top dog in Brace 11 FC/AFC Sigbritt's Not In Kansas Anymore, "Dotie" owned and handled by Nick Blasi of Wichita, KS. Dotie is a 3-year-old daughter of this year's

Champion BB. Dotie earned her 3rd place by running an intelligent forward race with 3 well-spaced stylish and mannerly finds. Though more moderate in speed and range than BB, Dotie finished her hour strong and forward.

In 4th place was bottom dog in Brace 1 Sundance Kid's Rule Breaker "Bud", owned and handled by Frank Campbell, Moore, OK. Bud ran mostly forward at a moderate range and speed but was a bird finder; scoring finds at 23, 45 and 59 which were handled with good manners but his style lacked intensity. Bud's finish was forward but showing signs of weariness by the end of the hour.

The Running:

First Day: Windy brisk morning. Very humid and windy.

Brace 1: "Willie" Make It, Harlan Gerardy and Sundance Kid's Rule Breaker "Bud", Frank Campbell. Willie was gone from the go so handler requested the tracker at 18. Bud's run is described above.

Brace 2: Marjo's Fillie De La Bretagne "Brie", John Perry and JJ's "Levi" the Lionheart, Joe Williams. Brie's perky run was short lived at 12 when she self-released on her first point trying to assist the handler find those running birds. Levi had a non-productive at 25 and clean finds at 55 and 56 but had an inconsistent application and he slowed down considerable by the end of the hour.

Brace 3: Arrow's Tequila Rustler "Rusty", Richard Beaver and Jowill's "Daniel" in the Lion's Den, Joe Williams. Rusty was putting it down on the ground and scored clean finds at 7 and 40 and one non-productive at 25. Unfortunately, on his last find at 56 Rusty sat down as the handler approached to flush the birds and was ordered up. Daniel went to the wagon after pointing at 20 then moving in as the handler tried to flush the birds.

Brace 4: TJ's Black Diamond, "Coal", John Perry and Tequila Scorcher "Lincoln", Richard Beaver. Coal's run is described above. Lincoln had a clean find at 10 but was up for knocking a bird on a relocate at 14.

Brace 5: Jowill's Sir Walter "Raleigh", Joe Williams and Chief's Cross Plains "Copper" Breeze, Craig Rucker. Copper and Raleigh were putting down a fun to watch race, hitting all the objectives but at 51 both dogs were ordered up for bird infractions involving a failure to honor by Raleigh and an unauthorized relocation by Copper to pin down the running birds that Raleigh disturbed. Tough break for both.

Brace 6: Kashmir "Kash, Bret Lindback, Bye. Kash proved to be a little unruly in his run and bird work and was up at 32 for putting up a bird.

Second Day: Cold and humid morning but turned mostly sunny with a high of 67 and light variable winds.

Brace 7: Just Call Me Lucky "Ned" Pepper, Frank Campbell and B&T's Sonndance Kid Rock "Rocky", Trasa Fowler. Both dogs charged to the front to a divided find at 10 in the left upper tree mott after Manx Crossing. A bird was flushed, shots fired with all in order and

place performance is described above. Kimber was lost from the start and tracker was requested at 15.

Brace 12: WW's Gin and Tonic, "Ginee", Burton Wice and SKF Miss Cheap Bourbon Whiskey "KD", Steven Foster. Ginee had two clean finds but was behind too much so handler elected to pick her up at 35. KD failed to honor on Ginee's 2nd find so was picked up.

dogs sent on. Rocky pointed again at 20 but took multiple steps on the flush and was up. Ned continued down the course cruising at a moderate range and at 40 started making game but he just couldn't decide when he should stop so did a series of point and stop, point and stop before the handler moved in to flush and fire. Judges did not buy into this unseemly scenario and ordered Ned up.

Brace 8: Maxwell's Prickly Pete, Jack Alexander and Piney Run "Jake", Kent Patterson. Pete was unruly from the get go and went permanently missing at 25. Jake cruised with ease down the wood lines and was rewarded with birds at 26 and 40 with all in order through the flush and fire. Jake finished his hour hunting at a moderate range.

Brace 9: FC/ AFC MK's My Lil Ammo, "BB", Nick Blasi and Piney Run "Blew", Kent Patterson. BB's championship run is described above. Blew had a fiery start that became an extended absence. When he finally caught the front he pointed, then was relocated and as the handler flushed Blew sat down and was excused at 32.

Brace 10: Roustabout All In, "Al", Tom Milam and Cvk's Spartan King "Leo", Jack Alexander. The tracker was requested early on for Al who decided to make an unaccompanied tour of the country. Leo had two stylish points at 21 and 37 but became too hot and was picked up at 56.

Region 17 AAA Championship

Judges: Vic Carrington and Robert Thompson
March 20th-21st
Nick Blasi

The annual running of the Region 17 AAA Championship was held on the most beautiful grounds in the country. We would like to thank Bill and Mary Lynn Oliver for the use of their Oliver Ranch near Eureka Kansas. We would also like to thank Purina for sponsoring the stake. They are a constant supporter of field trials. We would like to thank our judges, Vic Carrington and Robert Thompson for their attentive detail to the judging assignment. They showed everyone respect and paid close attention to the dogs. This year the stake was drawn the old fashion way, out of a hat! The following is account of the running.

Brace 1: Quannah-Tom Milam, Touch of Bourbon with Diamonds-Rick Hastings. This pair of dogs broke away with spring in their step. They made short work of the open Prairie. Just into the windmill canyon Chief was circling a brush pile and was looking awfully ornery so Tom elected to pick him up. Trace was pointing staunchly about this time with what proved to be a very well-located covey. After relocation, the birds were in the direction he was originally indicating with his high head and tail. Trace continued the hour and recorded 5 more well-spaced finds. It was a pleasure to watch this dog after coming back from injury. The judges awarded Trace 3rd place.

Brace 2: Sniksoh Hanks Hatch- Adam Freeman, Arrow's Tequila Rustler- Richard Beaver. This pair of dogs broke away in the bowl. Rusty scored first with a find on the edge of the bowl. Hatch and Rusty covered the country. Both with a pleasing forward race with great application. Rusty carded two more finds and finished a strong hour. Hatch dug up a bird to record a clean hour. Both dogs finished as strong as they started. This brace was fun to watch, and they pressed the winners.

Brace 3: Tequila Scorcher- Richard Beaver (Bernie Crain), MK's Magnificent Bandito- Nick Blasi (Bill Oliver). These two veterans broke away with gusto! Lincoln went on point at 3 mins with all in order. Chico failed to back and was up. Lincoln continued at moderate pace and was picked up early.

Brace 4: Highpoint Spike's Southern Gal- Trey Baer, Marjo's Fille De La Bretagne-

John Perry. We would like to thank John and Joanne Perry for making the long trek to Kansas to take part in this event and for judging the Puppy and Derby stakes in the regional trial. They always have very nice competitive bird dogs. Brie completed the hour fast and forward but without bird contact. Ellie had her running shoes on. Her application allowed her to record 4 well-spaced finds all handled with style and grace. She did a fantastic job and would have been in the placements in most stakes.

Brace 5: SS Rig's Colorado Gun Runner-Tom Milam, Spanish Dancer- Rob Myers. Riggs and Sassy broke away from the red gate into stiff wind. They made short work of the prairie. Riggs was up after two non-productives. Sassy was eating up the course making big far-reaching casts with the right application. She carded a nice with exceptional style. High and tight. She continued to roll with the country and was missing at time. She was not returned to judgment or her race might have changed the placements.

Brace 6: Tj's Black Diamond- John Perry, KJ's Darlin' Darcy- Ken Windom. Coal and Darcy started fast and finished fast. Unfortunately, neither dog was awarded a bird.

Brace 7: Anj's Ohio Hellion- Mike Poehler, She's Outta Control- Harlan Gerardy. Hank and Jesse were turned loose as the last brace on Saturday. Wind was high and scenting conditions were tough. Both dogs searched high and low with strong ground races. Time was called and not more than 20 seconds later both dogs went on point. One high and one low. Jesse and Hank handled their birds with style. Unfortunately, they were not rewarded with these finds during contention.

Brace 8: Jazz Em Up Arrow- Rick Hastings, El Grande- Rob Myers. This year's champion started the day off right. Arrow made short work of the prairie. He then went to work finding birds with great application. His first find was between the flatrock crossing and the watershed. Arrow was turned loose and headed straight up the creek where he was found standing north of

the watershed. His next two finds were in the hay meadow. One high along the rim and one low. Having the course to himself, Arrow was a pleasure to watch. Fast and forward. His last find was in the bottom of the bowl. We rode through the high post gate to see him standing at the bottom. He finished the hour out of sight but returned to judgment within the grace period. Truman started the hour fast and forward. He had his running shoes on. He was spotted on the other side of windmill canyon where he was running to the top. Robbie hollered and about that time Truman looked for him and headed forward. Unfortunately, he chased a bird about 20 minutes in ending an exciting run.

Brace 9: B&T's Sonndance Kid Rock-Trasa Shipoch, TNT's Raisen a Leprechaun-Tommy Thomas. Rocky scored an early find. He was buried up and barely noticed by the gallery. His bid ended at the flatrock crossing. Dexter was a handful. Fast with lots of range. He chased a bird and was done.

Brace 10: Skf Jr's Straight Shooter- Matt Harris, KJ's Irish Whisky- Ken Windom. Mickey headed south. Way south. Ken did not return for a couple hours. Thankfully healthy and with his dog. Colt started strong but chased the first bird he pointed.

Brace 11: Mk's My Lil Ammo- Nick Blasi, Willie Make it- Harlan Gerardy. BB and Willie started the afternoon braces with speed and range into a strong south wind. With temperatures around 70 this pair of dogs searched far and wide for birds. Both dogs were in and out of pocket but checking back with their handlers. Both required scouting but showing to the front. BB scored first with 10 mins left. All was in order and she finished as strong as she started heading to camp. With 5 minutes left Willie was found standing on the rim in the bowl. After extensive flushing, a bird was flushed with all in order ending an exciting brace. BB was named Runner Up Champion and Wille was awarded 4th.

Brace 12: Wiyanna- Terry Gowin, Sigbritts Not in Kansas- Nick Blasi. Annie and Dottie broke away into that famous Kansas wind. Both

girls did well across the prairie with Annie the stronger of the pair. Dottie had a np with Annie backing. Annie had a np with Dottie failing to back. Annie continued strong and fast. She had a nice find with all in order. She did a fantastic job that would have made the ribbons in any other stake.

Brace 13: Skf Miss Cheap Bourbon Whiskey- Steven Foster. KD ran a nice forward race. She was fast and handled kindly. Her ground pleasing gate made her easy to watch. She searched all the right places finally digging up a bird on the rim of the bowl. She was high and tight with everything in order. She finished the hour as strong as she started.

**2021 NEBRASKA BRITTANY OPEN ALL AGE CHAMPIONSHIP
Reporter Wesley Felt**

The 2021 running of the NEBRASKA BRITTANY OPEN ALL AGE CHAMPIONSHIP was held April 19-22, 2021 at the Branched Oak Field Trial Area near Raymond, Nebraska. The Nebraska Championship is hosted by the Nebraska Brittany Club and followed the regional club event held April 16-18, 2021.

There are some fine folks we need to mention for their contribution to the success of this Championship event. Claudia and Stan Truksa spend many hours planning this event for the Nebraska Brittany Club. Claudia is the event secretary along with dog wagon driver. Marlin Jones, Wesley and Mary Felt, and Tom

Maneely helped where needed. Tom planted birds every morning and Marlin helped with the dog wagon. Stan rode every brace as the Marshall and Wesley as the Reporter. We thank these dedicated folks for their hard work in order to maintain a premier field event in the Brittany world.

The sponsors for the Nebraska Brittany Open All Age Championship are Nestle Purina and Sporting Dog. Nestle Purina gives both money toward the running of this event and Pro Plan products for the winners. Purina is fed to several dogs running in this event as testimony to the quality of feed used in the Pro Plan dog products. Jim Moorehouse from Sport Dog provided a Pro Hunter 2525 training collar to the Champion and a Sport Hunter 1825 training collar to the Runner-up Champion. We thank these sponsors and their continued support of this event among many other major field trial events.

In my 2019 Championship write-up, we discussed when was the first Nebraska Brittany Championship, and determined it was April 2, 1985. I continued to work with American Field Magazine to better understand how the Nebraska Brittany Open All Age Championship got to where we are today. I had planned on explaining the historical information in 2020; however we cancelled the Championship because of the Covid Virus. 2020 would have been the 35th anniversary of the Championship if it had been held.

It has been 36 years since the first Championship event. Some highlights of the early Classic and Championships results were interesting and highlights follows. I greatly appreciate American Field for their time in researching the Field Magazine for the historical information. The first four years, 1981- 1984, the Nebraska Brittany Club had to prove to American Field the club could put on an hour stake and be able to maintain a level of participation to be worthy the "Championship" designation. Today, this American Field requirement still holds true.

The first four years the stake was known as the NEBRASKA BRITTANY OPEN ALL AGE CLASSIC. The first year, 1981, the Classic winner was THE REAL THING handled by Loyd Budd and owned by the Holtoffs. The Runner-up was BRITTHAVEN SIMPATICO handled by Roscoe Staton and owned by Ray Walton. Bill Roussan and Rick Smith judged the inaugural event with 16 starters.

The 1982 Classic format changed to a 30 minute qualifying and one hour finals. 22 entered with 12 selected to run the hour finals. The Winner was MOORE'S COUNTRY SUNSHINE handled by Al Gorrow and owned by Dan Moore. Runner-up was EL BANDITO handler Loyd Budd and owned by Richard Hakes. Bill Roussan and Scott Rennick were the judges. The 1983 Classic

maintained the qualifying round and hour finals. Rick Smith and John Schlicht judged 18 qualifiers and brought back 8 to run the finals. The Winner was EL BANDITO handler Loyd Budd and owned by Richard Hakes and runner-up FIRST PLACE JAKE handler by J.K. Fields and owned by Ron Curtis.

In 1984 the final Classic maintained the thirty-minute qualifier and hour finals. Ken Bird and John Schlicht judged 23 qualifiers with 6 returning to the final round. The winner was WAY KAN DUKE II, handler Al Gorrow and owned by Dr. Robert Rankin and runner-up was JONES BONINE ZACHARIA handled by Al Gorrow and owned by D.W. Dawson. In 1985, Nebraska Brittany Club secured approval to run its first Championship. 1985 NEBRASKA BRITTANY OPEN ALL AGE CHAMPIONSHIP was held on April 2nd. The first Championship judges were Francis Clasen and Dr. David Kincaid. The format was 30 minute qualifier and one hour finals. The Championship had 24 qualifiers and 10 dogs were called back for the finals. The Championship winner was CHARLIE'S ANGEL handler Scott Rennick and owned by Bill and Marge Charlesworth. Runner-up Champion was SMOKEY MOUNTAIN CHARLIE. Handled by Loyd Budd and owned by Robert Sullivan, Jr.

Hope everyone enjoyed the history of how the Nebraska Brittany Open All Age Championship began. I am not sure when the format changed to hour braces only, as it is current followed.

The judges for thirty-fifth running of the Championship was Matt Harris from Kansas and Cindy Findley from Iowa. These two judges were up to the task of four days of riding to select the true all age competitors for this Championship. The judges had several dogs to choose from with the all-age range and the handling necessary to be named as the Champion and Runner-up Champion.

The Champion named for the 2021 Nebraska Brittany Open All Age Champion was ARROW'S TEQUILA RUSTLER owned by Sandy Becker and handled by Richard Beaver. His sire is BEAVER'S STRAIGHT ARROW and dam is RUNNER'S TEQUILA ROSE. The Runner-up Champion was HIGHPOINT SPIKE'S SOUTHERN GAL owned and handled by Trey Baer. Her sire is HIGHPOINT SOUTHERN SPIKE and dam is FLATROCKS I'M WATCHING YOU DAD.

The Third Place was awarded to SNIKSOH HANK'S HATCH owned by Adam Freeman and handled by Bob Burchett. His sire is SNIKSOH SPANK'S HANK and dam is SNIKSOH BOOMER'S BABE. Fourth Place was awarded to ALMADEN'S UNDER LOCK AND KEY owned by Emmy & Noah Wollenburg and handled

by Ed Tillson. His sire is MASKED JACK OF DIAMONDS and dam is ALAMADEN'S LONE SHADOW DANCER.

The Championship began on Monday with temperatures in the low 30's and a strong North wind. The second brace in the afternoon was delayed for less than an hour because of the driving snow. 2021 Western Brittany Shooting Dog Championship

The 2021 Western Brittany Shooting Dog Championship followed the Oregon Brittany Club's Spring trial and was held April 5-6. The unpredictable spring weather turned out very nice for this two-day event. Temperatures ranged from freezing at dawn to the mid-50s by early afternoon. Scenting conditions varied but were generally good.

The historic Madras trial grounds are a beautiful setting. With clear skies each day, Mt. Jefferson, Mt Hood, and several other Northwest volcanoes dominated the horizon.

Judges for the event were Anne Tyson of Ephrata, Washington, and Carolyn Griffith of Tigard, Oregon. Both judges are experienced judges with both AF and AKC experience.

Purina also supported this championship as they have in the past. That support is always appreciated and highly valued!

Brace 1: MTB Calpatch Idaho Gem-A (Gemma) handled by Paul Doiron was braced with Jalos My Hair's a Mess (Phyllis Diller). Both dogs broke away strongly forward -- Gemma somewhat shorter than Phyllis. At 7, the scout found Phyllis standing after the judges and gallery rode by her. All was in order with the flush. At 22, Gemma was standing with Phyllis behind with a nice stylish honor. Phyllis moved forward a bit when the bird flushed. At 31, both were found standing the same bird ruled a divided find. At 45, Phyllis had a nonproductive and at 47, Gemma chased a bird and was picked up. Phyllis slowed a bit toward the end but stayed forward.

Brace 2: Sonny's Hot Summer Breeze (Breezy) handled by Paul Doiron was braced with Cedar Creek Hawkeye (Hank) handled by Joe Waitman. This brace was a privilege and memorable to watch! These two experienced dogs moved forward quickly and efficiently into a moderate headwind. Breezy had finds at 12, 18, 21, 37, 55. Hank had a beautiful honor from 25 yards back at 18 and finds at 20, 50, 57. Once out of the headwind, both dogs really turned it on and had a great showing running through the bowl and both finished forward in a strong controlled race.

Brace 3: K Nine Finale's Way to Go (Allie) handled by Paul Doiron was braced with Son Yoti's Master of Illusion (Magic) handled by Gerry Gresham. Magic ran the biggest race of the stake, always forward but mostly out of sight. At 10, both dogs were found standing the same bird and the judges ruled this was a divided find.

At 13, Allie had a find before the first water barrel and all was in order. Allie had a further point at 24, looking extremely stylish and rigid. Magic had a nice find point under the powerlines at 36, with all in order. At 45, Magic was on point on the small ridge below the water barrel. All was in order. Both dogs and handlers pushed forward, finishing strong.

Brace 4: Dynamitemakeit (Dyna) handled by Paul Doiron was braced with Christie's Im a Jakester (Jake) handled by Steve Ball. Both dogs pushed forward in the wind. At 22, Dyna had a nice limb find east of the water tank. At flush, she took a step forward but held. At 43, Dyna had a find with all in order. Jake finished birdless but had a beautiful forward and controlled race.

Brace 5: Alder's Sophie Brook (Sophie) handled by Dan Campbell ran as a bye after his bracemate went in season. Sophie had a stylish find at 5 and looked very good on point. At 23, Sophie was found standing on top of a ridge with very sparse cover. Her handler got way out in front in an attempt to find the bird, but this affected Sophie and she moved forward to help,

with Zip's Moonshine Kid handled by Larry Sandusky. Both of these dogs did nice work searching for objectives. At 7, both dogs were standing -- Duke honoring Skeeter. All was in order with the flush. At 26, Duke was standing stylishly in a sage patch in the bowl, but it turned out to be a nonproductive. At 43, Duke just disappeared for a few minutes, but Paul went back and found Duke on point tucked into bushy juniper. All was in order with the flush. Both dogs had nice consistent runs.

Brace 8: Spanish Ranch's Full Blown Gale (Gale) handled by Paul Doiron was braced with Spanish Corral's Chica Nevada (Chica) handled by Frank Bright. Gale and Chica ran a nice forward, very consistent controlled race. Both dogs showed beautifully forward through the bowl. At 38, Gale had her first find at the road crossing before the water trough and continued to run a fast forward race. At 44, Gale went on point on the ridge top west of the water trough. Uncharacteristically, Chica finished birdless. Gale finished strongly forward with two finds.

thus ending her run.

Brace 6: Leona Valley's Sonny Red Side Up (Red) handled by Paul Doiron was braced with Jalos Stiletto (Letti) handled by Leslie Like. Both dogs broke to the front into a headwind. At 4, Red was standing and Letti failed to back and was picked up. With a great and challenging relocation, Red found the bird 70 yards upwind. At 11, Red pointed into a juniper and Paul was able to get the bird to flush. At 18, Red had a nice find on the bitterbrush hillside, with all in order. At 23, 26, 29, 36 Red had further finds with all in order. This was an impressive run!

Tuesday, Brace 7: Quail Rock Too Tough (Duke II) handled by Paul Doiron was braced

Western Brittany All Age Championship

The Western Brittany All Age Championship moved from sunny Arizona to a colder Oregon in 2021. The Oregon Brittany Club welcomed the championship and established a new one-hour course at our Madras field trial grounds. The course worked well and enabled good visibility

for these big-running dogs. Run in conjunction with our regular spring horseback trial and our shooting dog championship, it made for a great week of watching some of the best field Brittanys in the west.

Morning temperatures on the grounds were well below freezing, with many trailers experiencing frozen pipes. Daytime high temperatures were in the low 50s. Scenting conditions were exceptional, with most dogs finding birds.

Judges for this year's championship were Rick Axtell, Eugene, Oregon, and Mark Sherman, Gresham, Oregon. Both are very familiar with western all age dogs, having judged many all age stakes in recent years.

Generous and valued support came from Purina. This support can mean the difference between losing money on a trial and breaking even. We are very grateful for their generous assistance.

March 31, Brace 1: We kicked off Wednesday morning at 8:00 AM. Spanish Corral's Sonny Patch (Patch) handled by Joe Gower was braced with Son Yoti's Master of Illusion (Magic) handled by Gerry Gresham. Both dogs broke strongly forward, Magic in view occasionally, out 400 yards or more. Patch was not seen from the breakaway, with Joe pulling his tracker at the first turn. Magic had finds at 30 and 55 with all in order but slowed somewhat in the latter part of the brace

Brace 2: Blew Me Away (Bud) handled by Paul Doiron was braced with national champion, Wild, Wild Willie (Willie) handled by Steve Cosgriff. Willie lived up to his name and was wild. He showed a time or two, at 28 and the end, but ran his own race, largely ignoring his handler. He finished apparently birdless, but we will never confidently know that. Bud had finds at

14 and 28, establishing points with great style, but slowing somewhat towards the end of his race.

Brace 3: MVP Game On (Joe) handled by Paul Doiron was braced with Tequila's Tyler on Fire (Tyler) handled by Vic Retherford. Joe found a surprise breakaway bird at 2, then at 16 and 32 with a good run and handle. Tyler also ran well to the front with his first point at 39. This point turned out to be a non-productive but was problematic for his bracedmate -- Joe was picked up for failing to honor. Tyler went on to have a point at 57, but lost his style at the flush.

Brace 4: Spanish Corral's Big Iron (Colt) handled by Joe Gower was braced with High Lonesome Sage (Sage) handled by Jim Hammett. Both dogs broke to the front, Colt seen occasionally. Sage was not seen until about 10, hanging out to the front. Sage stayed to the front with finds at 20, 35, 53, and 59. Sage shortened up in a stiff headwind in the bowl, but had a strong forward all age run on the rest of the course. Colt had two finds at 40 and 46 with a shorter run, but still always forward.

April 1, Brace 5 broke away at 8 AM on Thursday. The weather was a bit warmer than the previous day, but still a great day for the dogs. SR's Blew By Typhoon (Ty) handled by Paul Doiron was braced with Blazing Spanish Bella (Bella) handled by Gerald Barron. Ty had a forward, consistent run usually in view with a nice find at 30 and a surprising flush of a wild quail at 22. At 45, Ty was found standing with Bella joining with a close honor as we approached. This turned out to be a nonproductive. At 55, both dogs were found standing about 40 yards apart at the top of the hill facing opposite directions. A bird was produced in front of Bella, and the judges determined it was a divided find. Both dogs finished stong.

Brace 6: MTB Louree's Let's Have

Tom White, judge Mark Shearman, and Paul Doiron with MTB Louree's Let's Have a FEE-Esta; Joe Gower with SR's Blew By Typhoon; judge Rick Axtell; Jim Hammett with High Lonesome Sage; Gerald Barron with Blazing Spanish Bella

a FEE-ESTA (Esta) handled by Paul Doiron was braced with HVK's Kid Chance (Chance) handled by Joe Gower. Esta had her running shoes on and produced the biggest controlled run of the stake. She was seen just enough, often at great distance, but made it around the course with two finds at 41 and 55, finishing very strongly heading south in the bowl. Chance had a fast but inconsistent run, with some lateral loops, finishing birdless.

Brace 7: JT Copper Buckaroo (Buck) handled by Paul Doiron was braced with High Lonesome Bowden Hills (Bo) handled by Jim Hammett. Both dogs stayed forward. Bo had three finds at 8, 30 and 45, looking very good on his birds. However, he made a not-so-subtle loop back to where his last bird flushed, and his handler picked him up. Buck had a great run, always forward and fast, but finished birdless.

IDAHO
Mile Post 9, Hwy 95
Marsing, ID
April 24-25, 2021

The Idaho Brittany Club held its spring trial on April 24-25, 2021 at Mile Post 9, Hwy 95 Marsing, ID. We want to thank all of our participants, judges and club members for coming and supporting us during this continuous difficult time. We are hoping by fall we will be able to raise the tent and be able to have some type of social gathering, as it was commented several times how much that has been missed. Our weather this trial to be best described was sunny, cold, windy, rainy, snow, sleet and muddy and that was just the first day. A successful trial takes volunteers and we would like to thank them all from course bird planters, marshals, grounds crew, dog wagon, caring for birds and paperwork experts. It takes a village to hold that successful trial. The club would like to give a big Thank You to all of the judges who endured long days in the saddle, some of the worst weather conditions a person could endure watching some of the best brittany's in the west.

Finally a big Congratulations to all winners and placing dogs in all stakes.

All About Puppies

by Dave Webb

More years ago than I want to think about – maybe a few years over 40 – we breed the first litter of Brittany pups. The breeding, it must be admitted, was for all the wrong reasons:

- Our boys wanted a pup,
- Also thinking it would be neat to have another Brittany.

There was no thought toward improving the breed! GDJ's Tiffany whelped seven pups, one was kept – Du Roc of Valencia (aka Rocky).

Definitely not the reason a litter of pups should be whelped. Tiffany was a nice looking orange/white Brittany with good temperament. She was a family pet and my time available to hunt was limited. Her scenting and hunting abilities or conformation in the show ring just were not evaluated.

As time has passed, our family relocated; the boys became of age to hunt, and I became more focused on the Brittany breed including field trials and bench show conformation events. An accident occurred with Rocky and with his passing a new Brittany, Spike became the family hunting dog. Our youngest son took his first pheasant over Spike's point.

It was the early 1970s when those first Brittanys came into our family. As indicated above it was not until the 1990s that my focus started on the competitive events. Spike was taken to a "fun trial" in which he proceed to point, jump-in, catch the quail, and retrieve the bird back to me. Dewey and Herb competed in show events in which I initially handled them. Later because of my time limitations, Cindy Miller

competed with Dewey and finished Herb to his championship.

So what does all of this have to do with puppies? It is the very fact that my own interest peaked toward improving the Brittany breed with regard to their ability to hunt. Even though field trials and show competition events were my major consideration; it was all about having an effect on pups that would be going to their new home/owners who were hunters or those who just wanted a Brittany as a family member.

About fifteen years ago a focus was on a certain breeding between two Brittanys, who both had a quiet calm disposition. In addition both had good pointing ability and could hunt. The male was also a "big" running field trial dog. A total of twenty-three pups have been whelped from this breeding of these two Brittanys.

Two years ago the first of two litters were whelped from the previous progeny. With these litters one very important procedure was used with these pups to get them to become familiar with human contact. The day after pups dew-claws and tails have been docked, each of the pups was picked-up and held for a brief period of time. This was done twice a day – morning and evening.

With the most recent litter of pups an anti-bacteria ointment has been applied. It was interesting to watch each pup's reaction. For the first two to three days, the pup would "squirm". After that time, each was calm, even after day twelve when their eyes and ears opened. This was the first move toward socialization!

It is so important during the first seven to eight weeks of a pup's life for exposure to just about "everything-under-the sun". The "laundry" list includes, but not limited to, loud noises when pups are eating, going for rides, make use of kennel crate, taking walks in different locations – as the whole group, also separating into several small ones, let pups interact with kids, and spend time with the pups.

A litter of Brittany pups is a great adventure!

THE AMERICAN BRITTANY CLUB

74th Annual Field & 59th Annual Show Futurity

Trial and Show to be run Spring of 2022
PURSE: 2/3 to Owner of Winner, 1/3 to Breeder of Winner

ABC Futurity Rules can be found on the ABC Website and in the ABC Policy Book
CONDITIONS AND RULES FOR FUTURITY ELIGIBILITY

- The 2022 American Brittany Futurity shall be open to every Brittany bitch and her progeny whelped during the calendar year of **January 1 - December 31, 2020**, who is owned or leased by a member of The American Brittany Club, and whose litters have been Futurity nominated with The American Brittany Club. Sires do not necessarily have to be owned/leased by an American Brittany Club member. All dams nominated and all sires bred to must be registered with AKC, CKC, or FDSB.
- The **nominating breeder** needs to be a current full member in Good Standing of the ABC when the litter is nominated and the closing dates of the of the Sectional Futurities in which puppies from their nominated litter compete. They must sign the Litter Nomination form, and any breeder purse checks will be paid to this designated nominated breeder. If their membership has lapsed at the time of the Sectional Futurity, the purse will revert back to the ABC Futurity Administrative Fees.
- Nominations of dams must be made within 60 days after a bitch has whelped, and a Nomination Fee of \$40.00 ("First Forfeit") must be paid at this time.** This payment will entitle each puppy of the nominated litter to be entered in the ABC Futurities (Field and/or Show) after the puppy has been properly registered with AKC or FDSB. Nomination Fees are set by the ABC Board of Directors.
- Late litter nominations will be accepted with the following current fee schedule:** In addition to the Nomination Fee of \$40.00, late fees are \$60.00 for 61-90 days, and \$100.00 for 91-180 days. Nominations after 180 days will be accepted at the discretion and decision of the ABC Futurity Committee. The postmark will determine the fee for late nominations. The ABC Board of Directors may impose additional late fees from time to time.
- A Final Forfeit Fee, to be eligible to compete in the Sectional Futurities (Western/Central/Eastern), is due by October 1, 2021, and is submitted by the owner of the eligible puppy. Futurity Entry Fees will also be paid prior to 2022 Sectional Futurity events** by the owner of the eligible puppy for each Sectional Futurity event in which the eligible puppy is entered. Final Forfeit Fees as well as Sectional Futurity Entry Fees are set by the ABC Board of Directors and subject to change.
- More information on the ABC Futurity and additional copies of this form can be found on the ABC website:
