The American Brittany

VOLUME LXXIII • NUMBER 10 • OCTOBER 2021

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

1990-2010 EDITION

compiled and edited by
Jessica Carlson

NOW AVAILABLE

The Book of the American Brittany, 1990-2010 Edition

is an invaluable source of reference and enjoyment for all Brittany breeders and enthusiasts. Expanding upon the previous works by Dr. Fred Z. White, Nicky Bissell, and Rheta Cartmell, this 320-page edition focuses on dogs and Brittany events between the years 1990-2010.

Chapters include: History of the American Brittany; Field Trialing 1935-1989; Modern Field Trial Winners; ABC Classics & Championships; The Show Brittany; The Dual Brittany; ABC Futurities; Performance Events (Hunt Tests, Obedience, Agility, NSTR); Top Producers; ABC Honor Rolls (Hall of Fame, Life Members). These are followed by an index of ABC event winners from 1942-1989, and an index of all dogs mentioned in the book. The text of this book is brought to life with over 625 color and black/white photos, many of historical value, and as many as could be obtained of the modern-day dogs mentioned in the book.

ABC Summer Specialty 2021

The ABC SS was held on June 26, 2021 in Cambridge MN, as part of the Cambridge MN Kennel Club all breed show.

The Minnesota Brittany Club and its members sponsored the SS, having six shows in 4 days, including 2 MBC Specialty Shows. Glowing comments were made by all the judges on what a lovely entry we had representing our breed.

Thank you to judges, owners, handlers, breeders, and spectators for supporting the event.

Thank you to Purina/Nestle for sponsoring the event and thank you to all our generous trophy sponsors throughout the weekend!

Thank you to MBC members including Karen Listgarten for being Co-Chairman of the event and handling all judges' hospitality, Leanne and John VanAllen for handling the lunches, Matt Weldele for an excellent silent/live auction, Deb and Steve Mitzel for helping with commemorative SS glasses, Cindy Grahek for helping with hospitality, Diane Hedstrom for being Show Chairman for the MBC Specialty Shows, and all of the other members who came to support the show.

Special thank you to Jan Croft and Andrea Jordan Lane for being our ring stewards, and Chuck and Marcia Lawrence for helping with the flowers for the ring décor.

It was a great time Up North with beautiful dogs and great people!

Respectfully submitted by Dawn Droel, ABC SS Show Chairman

The Brittany Gazette

Colors

by Dave Webb

There should always be considerable planning when a breeding is contemplated. Foremost the breeding should only take place when there is a specific objective to improve the Brittany breed. Without a doubt opinions will vary. Some may believe that both male and female must have shown performance in both the field and show arena; others believe that there are natural qualities of trainability exhibited during yardwork; along with a strong pointing ability with exposure to birds. In summary, both potential parents should exhibit performance over appearance. In addition, the Brittany standard should be a focus; however, tolerance should be considered.

The first Brittanys brought to this country from the Province of Brittany in France, came to hunt. Since the 1930's, when the breed was brought to Central and North America, the Brittany has also developed into an excellent field trial and show dog. Also consider that the Brittany is a great looking dog; of course one could say that after I have had almost 50 some years with the breed, there probably is a bit of prejudice from this end. Without a doubt the preferred color is orange; however, the dog should only have a certain amount of white. Too much white, maybe eighty to ninety percent, is frowned-upon. From a practical viewpoint, white is easier to see when hunting or competing in field trials.

From a personal viewpoint over the years, we have had in our family 30 Brittanys. Colors have been orange/white, white/orange, liver/white, white/liver, liver roan, and tri-

color – no orange roan. Just a few were selected for their appearance – more white as stated above – easier to see when competing in trials or hunting. These Brittanys, with more white, came from litters of our breeding, in which it was believed pups would result in having intelligence and training ability to be great bird dogs. The history and performance were present in both the sire and dam coming from our own breeding stock.

Maxwell Riddle in his book, “The New Complete Brittany” discusses in one of the chapters - Some Thoughts on Color. A short paragraph follows:

“The early Brittanys in the American Kennel Club records were listed as being of various colors. Among them one finds orange-and-white, white-and-orange, liver-and-white, white-and-liver, red-and-white, white-and-red, lemon-and-white, and mahogany-and-white. There were dogs spotted with these colors, ticked with them and there were roans. All of these dogs had one ability in common. They could hunt. The original prejudice against any but orange-and –white or white-and-orange --- seems to have come from Alan Stuyvesant. And because he was the greatest of all importers, orange-and-white came to dominate the American sporting scene. These dogs simply were numerically superior.”

There are two more short quotes from Maxwell Riddle's book and the chapter on Some Thoughts on Color, which are also important to this subject of color:

“The rule must always be to breed for type and performance, and both come in both colors. Those, therefore, who hold a prejudice against one color – or lack of color – may be limiting their breeding success, and may be harming the breed as well.”*

“Its purpose – in this discussion – is only to try to place the question of color in its proper perspective. There are far more important matters for breeders of Brittanys to consider. These are stamina, nose, pointing instinct, intelligence and shyness, to name but a few.”*

* Author's note

Believe probably, at this point, enough has been said about color or lack of. Leave it to the reader for their thoughts and consideration. NUF CED!

Field Trials

EAST COAST

ANTHRACITE

Freeland, PA

May 15-16, 2021

The Anthracite Brittany Club held its Spring Field Trial at Freeland Kennel Club Grounds in Freeland, PA on May 15-16, 2021. The weather was beautiful, cool in the morning and about 65 degrees in the afternoon both days. The sun was in and out both days making for a pleasant weekend. We had 70 entries in four stakes with Majors in the Amateur Walking Gun Dog, Open Limited Gun Dog and Open Gun Dog. We even had enough puppies to run a puppy stake.

In a semi-return to normal, we had a happy hour with a dinner provided by Lisa Pollock. We all sat outside and watched the Preakness while eating.

As always, club members and non-club members alike came together in a spirit of comradery and sportsmanship to compete, support, mentor and enjoy our sport. Thanks to all who attended. See you in the Fall!

2021 MID AMERICA BRITTANY CHAMPIONSHIP

Reporter: Wesley Felt

The 2021 running of the MID AMERICA BRITTANY CHAMPIONSHIP was held April 22-24, 2021, at the Branched Oak Field Trial Area near Raymond, Nebraska. The Mid American Brittany Championship was hosted by the Missouri Valley Brittany Club and followed the regional club event held April 19-21.

There are some fine folks we need to mention for their contribution to the success of this Championship event. First and foremost, Bill and Julie Cockrum along with Bruce Heiter who are club members of the Missouri Valley Brittany Club. Wesley Felt was there to report and Marshall the running. Bruce and Bill planted birds and did the dog wagon. Steve Ralf helped out with dog wagon duties. Missouri Valley Brittany Club long time member John Savicky is remembered for all he did for the club and especially for this Championship, rest in peace John, you are missed.

The Branched Oak Field Trial Area has a large lodge but with the Covid Virus still present the caterer did not staff the diner. Bill and Julie provided lunch for the participants and we sat outside.

The sponsor for the Mid America Brittany Championship is Nestle Purina. Nestle Purina gives both money toward the running of this event and Pro Plan products for the winners. Purina is fed to several dogs running in this event as testimony to the quality of feed used in the Pro Plan dog products. We thank our sponsor for their continued support.

The judges for this year's event were Howard Burbach from Missouri and Justin Hess from Iowa. These two judges were up to the task of three days of riding to select the true all age competitors. The judges had a number of good dogs to choose from with training to run an hour with all-age range, and intensity on birds pointed to be named as the Champion and Runner-up Champion.

Branched Oak Field Trial Area provides ample space to show a true all age bird dog. We had 39 dogs go to the line in this year Championship. The Championship is a one-hour continuous course with seven braces the first two days.

The 2021 Champion for the Mid America Brittany Championship was JUST CALL ME LUCKY NED PEPPER owned and handled by Frank Campbell. His Sire is KINWASHKLY

DIRTY NED PEPPER and Dam is CANEY RIVER TNT'S SPECIAL BUDGET. The Runner-up Champion was GEORGIA WHITE LIGHTENING owned by Travis and Clayton Tangen and handled by Tom Tracy, Jr. His Sire is UNCLE KRACKER and Dam is GEORGIA TEXAS TWO STEP.

American Brittany Club, Inc
Board of Directors Teleconference
July 14, 2021

The American Brittany Club Board of Directors teleconference was called to order by President Ed Janulis at 7:08 P.M. on July 14, 2021.

A Quorum of Directors were present: Dow, Hunt, Perry, Alexander, Anderson, Gulembo, Wice, Droel, Karbiner, Lindback, Hammet, Brown, Tomasi and Executive Secretary Trimble. Finance Committee Chair Judy Graves who presented the budgets to the BOD and 1st Vice President Patterson and 4th Vice President Pollock were also in attendance for the budget discussions during the first part of the meeting.

Graves first presented the budget for the All Age National Championships. Some topics discussed included the Dog of the year award, purchase of a projector for the drawing of the National All Age Championships, the Invitational Derby., and cost of birds for each event. Graves also outlined how the budget process is audited by the Finance Committee after all fees are received.

Motion by Gulembo , Seconded by Hunt to accept the All Age National Championship Budget. 9 YES votes, 4 NO votes, (Dow, Perry, Anderson, Tomasi} 2 absent (Crain & Tillson.) **MOTION PASSED**

Graves next presented the Walking Gun Dog Championship. 4th VP and Chair Pollock said the Open would run first and the Amateur last. The Horseback Gun Dog figures were reviewed as well at this time. Clean up costs and bird costs were discussed for the National Championship Gun Dog Event Budgets. 9 Yes votes , 4 No votes (Dow, Perry, Anderson, Tomasi), 2 Absent (Crain & Tillson) **MOTION PASSED**

Next the Agility Budget was discussed. Graves indicated there were a few changes in this budget but they were minor and did not affect the overall total. Agility had a small profit in 2020.

Motion by Karbiner, seconded by Hunt to approve the Agility Budget. 9 Yes votes, 4 No votes (Dow, Perry, Anderson, Tomasi) 2 Absent (Crain & Tillson). **MOTION PASSED**

The National Specialty Show Budget was the last one to be discussed. Droel objected to some of the figures in this budget as not what he had seen in the past. Graves explained that figures do change as things change in revenue or expenditures. She will send the BOD Actuals after the meeting. Also discussed was Dog of the Year, why not announced at the 20/20 Banquet, no one in charge and no time available to do so, ROM money, who had donated and how much to Dog of the Year, Costs of Show and Agility of building rental, Camping fees go back to site not ABC.

Motion by Alexander, Seconded by Brown to approve the National Specialty Show Budget. 9 Yes votes, 4 No votes (Dow, Perry, Anderson, Tomasi) 2 Absent (Crain & Tillson) **MOTION PASSED**

The next item on the Agenda was a vote for the ABC elected Secretary which did not take place in last November's meeting of the Board. Candidates were Jennifer Brooke Burlingame and Jan Kilpatrick. Alexander and Lindback called for the vote to take place . Secret ballot votes were texted or phoned to President Janulis by the Directors. **Kilpatrick was elected** to finish the year and a half left on the term.

Other topics brought to be discussed in November included neutral revenue budgets, ABC Foundation, need for Ethernet hookup for BOD meeting to be held in Booneville this year, Qualifications for Derby Invitational regarding 30 minute qualifying stakes, proposal for pads on camp grounds across from headquarters at Booneville,

Motion by Alexander and Seconded by Tomasi to adjourn the meeting .. No objections were heard. Meeting adjourned at 9:42 P.M.

Draft submitted by Mary Jo Trimble, ABC Executive Secretary 7 /23/21

2021 ABC Central Futurity – Gun Dog

Hosted by The Iowa Brittany Club

Bird Dog Ranch – Thayer, IA

J: Ken Windom & Teresa Richmond

Our winner was K-Del's Eagle Magnum Hot Shot, owned and handled by Kent DeLong. Shooter ran in the 6th brace, running hard and fast, with a far flung application that produced one broke find with very nice style on point. His find required a nicely executed relocation for Kent to produce the bird. Shooter also backed his brace mate nicely, upon command of his handler to round out his winning performance.

Runner-up honors went to Sovereign's Legendary Tale, owned by Dawn & Joe Droel and handled by Bob Burchett. Epic laid down a performance worthy of his name with a beautiful find on a covey. His pattern was mature and pleasing to watch, with a fluid gait and consistent speed.

Pushing the winners in 3rd place was Over Under's Reign The Field, owned and handled by Samantha Gauthier. Reign made some very nice moves and carded 2 beautiful finds with style and intensity. She was always busy with a flashy gait and fun to watch putting in a solid performance.

4th place honors went to Dr Jac's Rebelflame Hazel Grace O' Dee, owned and handled by Jacki Swanson. Hazel carded 3 finds with nice style, remaining mostly forward and making several nice moves. She was slow to start, growing as time went on with a nice finish to end her brace.

The running:

Brace 1: Old Glory N Sigbrit's Top Colonel – Bobbi Sigmund and My Lil Kansas Sunflower – Dawn Droel. Colonel had 2 finds shared with his brace mate during his run for Bobbi; he ran well and look very nice on point. Flower carded 4 finds for Dawn, 2 solo and 2 divided looking stylish on point. She made some several nice moves and handled kindly for Dawn.

Brace 2: Sovereign's Main Ingredient DS – Steve Mitzel and Dr Jac's Rebelflame Hazel Grace O' Dee – Jackie Swanson (4th Place). Butter carded 1 find with nice style for her handler. She was hesitant at the start and grew in range and application as the brace unfolded, really coming out of her shell after her find. Hazel's 4th place run is recorded above.

Brace 3: Sigbrit's Double Trouble – Bobbi Sigmund and Sovereign's Legendary Tale – Bob Burchett (2nd Place). Mini enjoyed her time on the ground and produced 1 find for Bobbi with nice style and intensity. She improved as the brace progressed with a nice finish. Epic's 2nd place run is recorded above.

Brace 4: Over Under's Amos Moses – Eileen Gust and Kinwashkly Honkey Tonk Woman – Jodi Miller. Amos' carded a nice find with style and made some nice moves during his brace, remaining busy from start to finish. Diva did a nice job on the ground for her handler, though went bird less for her efforts; she was fun to watch.

Brace 5: Caliah's American What R U Waiting – Rick Ross and Over Under Reign The Field – Samantha Gauthier (3rd Place). Cal was slow to start, waking up midway through the brace to share a divided find with nice style. Cal finished nicely showing great potential. Reign's 3rd place performance is recorded above.

Brace 6: Millette's Rey of Sunshine at Autumn Glow – Maurya Ord and K-Del's Eagle Magnum Hot Shot – Kent DeLong (Winner). Rey was busy and worked nicely for her handler but was bird less for their efforts. Her pattern grew and improved over the brace and she established point at the end of the last draw with nice style; her handler could not produce a bird for their efforts. Shooter's winning performance is recorded above.

Brace 7: Sigbrit's This Is It – Bobbi Sigmund, (Bye). Tri ran as a bye dog and took a while to line out her pattern. She made some very nice moves with a snappy gait and carded 2 nice finds with style for her handler. Tri was awarded an Honorable Mention from the judges for her performance.

Central All Age Winners

All Age Central Futurity running

Judges: Ken Windom and Teresa Richmond

From the judges: The trial was blessed with good weather and an outstanding entry of young dogs. The majority of the all age showed good all age promise with strong forward patterns and plenty of point. All 4 placing dogs showed extreme style on point and made both of us "sit up in the saddle". It was obvious we had a quality stake when we were able to award 4 placements and 2 Awards of merit. We would like to thank all the breeders, owners and handlers for putting their dogs down for us to watch.

From the judges' notes:

Brace 1: Dogwood Hollow Point Of No Return/Burchett and Make It My Classic Mustang/Hoyt. Point of No Return started slow but began to range out later in the brace. He handled well and carded a find at 9. Shelby ran a forward, snappy race and scored on a bird at 23. She definitely showed all age potential.

Brace 2: Dan-De Still Going/Chang and Willy's Mo Helli-On Wheels/Sims. Both dogs made several big all age casts with Mo being the more consistent of the two. Still Going had a find and 20 and Mo at 28 and 29. Both these dogs are definite all age prospects and should be a lot of fun to watch as they mature.

Brace 3: TNT's Handsome Harry/ Burchett and Red Feather's N Sigbrits Sassy Shawna/Sigmund. Harry showed some big moves at times, but was a little flat at others. He had 3 finds, at 18, 19, and 28. Shawna put down a solid gun dog race and was rewarded with birds at 19 and 27.

Brace 4: Urban American Legend/Chang and JB's Cajun Hot Pepper. Legend had a strong, forward race and exhibited very intense style on a find at 21. Hot Pepper had one find, but lacked a strong forward pattern.

Brace 5: TNT's Somonauk Sioux/Burchett and Code Of Noble/Chang. Both dogs took off on an excursion and were out of sight for too long.

President Report 2021, Ed Janulis

- It was a busy year from last November 2020. All National Championships, both at Booneville and Ionia Michigan went well. We were still facing, and continue to face today, the Pandemic – Covid 19. As we have begun our summer and going forward into the fall, we need to stay very much aware of potential infestation and take precautions as advised by local governments and AKC.

- Listed below are the current openings currently in ABC:

Insurance Liaison

Junior Handlers – TBA

National Rotating Obedience Trophy –

TBA

Donations – TBA

National Fund Raising – TBA

All Age: TBA

Gun Dog: TBA

Specialty: TBA

We appointed a new Magazine Committee Chairperson this past year - Dana Na'ayem.

We have gained a “Dog of the Year” Chairperson - Jennifer Brooke Burlingame

Ed Janulis became the Purina Pro-Plan Liaison

Jan Kilpatrick became the Elected Secretary and Agenda Chair

Discussion with possible motions

- Rankin Property – Should we pursue improvements, electricity, more pads, extension of water

- Need an insurance liaison – propose incorporating this function into either Elected Secretary position or the Executive Secretary position.

- Propose that each director commit to contributing one article per year to the magazine – this could be any topic within the guidelines of the magazine.

- Propose the “Finance Committee” prepare and send a written spreadsheet summarizing the Magazine’s expenses and follow up on a quarterly report and budget. The magazine is the most cost amount in the ABC. It should be reviewed more extensively than any of the reports required by the Vice Presidents. Note this will be a report not a presentation for any

approval.

- *’Revenue Neutral’ – Need to review this philosophy – the ABC has many expenses that aren’t revenue neutral including insurance, magazine, and others. We may choose to run events with a projection of loss.

- *Review Derby qualifications for the Derby Classic in Booneville – half hour vs. 20 minutes stake times.

- *Review requirements of an outside financial audit as stated in the policy manual.

- **Action Item: Now that Zoom meetings have been placed it is still encouraged that every board member physically attends the November meeting. I also will ask for a motion that Board members who do not attend have the technical equipment available including a camera so everyone can be visually acknowledged along with audio. If they do not have this, they will not be allowed to join in the discussion.**

- I have three items for an “Executive Session” which I will distribute the contents when appropriate.

ABC 1st VP Report July 21, 2021

Kent D. Patterson

The 2020 All age Nationals were successful both operationally and financially with no delays due to weather or grounds condition. Covid did create a last-minute change in the National Championship judicial panel. Many thanks to the Amateur and Open committees for executing all aspects of the event smoothly. Joe Gower and Scott Johnson filled in as Calcutta auctioneers with both events bringing excellent revenue to the ledger. The Arkansas Game and Fish had the courses in excellent shape and bird contact was excellent over the two-week period.

The event was conducted with the Arkansas state guidelines for Covid. Precautions extended to the dog wagon and gallery, as well as, all clubhouse functions. I am not aware of any Covid cases attributed to attending the All-Age Nationals and I greatly appreciated everyone’s compliance with the guidelines.

The 2021 All Age Nationals are all set to go as

of this writing with the biggest change being the public drawing in the clubhouse for both events on the Saturday before Thanksgiving. Funds have been allocated to the Blue Mountain Field Trial Association for the purchase of the bird release in early September with improvements/repairs scheduled for the bird pen, road, and parking pads on the ABC owned property across the road. Birds have been ordered for the release prior to the start of the Nationals and the submitted 2021 budgets have been approved by the ABC Board of Directors.

We look forward to the 2021 All Age Nationals!

ABC 2021 MEMBERSHIP AGENDA REPORT

I was reluctant to do the numbers this year as in the past two years they have gone downhill with a 12% drop. However, THE GOOD NEWS IS ... this current year (August 2020 – August 2021) membership has increased by 13%!

As in the years past, the three main reasons cited in my “expired Membership questionnaire” sent out each month to members who are expired, remain: 1) Current cross-breeding and no one making an effort to stop it; 2) magazine and its continued lateness and lack of variety of venues that the Brittany participates in; and 3) age is taking its toll on the older generation and there are very fewer young members coming into the sport. Members enjoy getting an email notice of upcoming expiration of dues; new members enjoy the email welcome and returning members enjoy the “Welcome Back” letter I send out. Emails are working as evidenced by the 13% increase! There is always a flurry of renewals after my emails go out.

The first two we as a club can control – the third one, growing old, is out of our hands. Except for bringing in younger members we will lose a valuable base due to aging. Several clubs are doing a variety of activities to cater to the younger crowd and it is working as evidenced in their increase in membership after an event.

Unfortunately, ABC does not want to step in and deal with the first issue for various reasons. The magazine is doing the best it can with staffing issues and delays in getting the field/show results in a timely manner some months. Still, it continues to fall short in its timeliness, lack of diversity in all venues Brittanys participate in. Past and current members wish to see more variety in articles and acknowledgment by reporting of winnings in the other events like, Obedience, Agility, Rally, Tracking, etc. Results from the Nationals reporting doesn't suffice the majority of those who commented. I have been in this position since 2017 and only two responses have changed – the monthly numbers and the order of numbers 1 and 2 cited above. I continue efforts to get directors and clubs secretaries engaged. With the exception of 6 or 7 directors/clubs who seriously care about their regional club numbers, work continues with the remaining directors and club secretaries. To them – a HUGE thank you. The increasing numbers in your regional clubs indicate your efforts are succeeding. Thank you to all who make an effort to keep in contact/communication with their clubs and its members. This truly does make a difference! Goal for next year – a 20% increase or more would be great! We can do it! Respectfully submitted, Jeri K Conklin
2nd V.P. ABC

2021 AGENDA REPORT Final ABC EXECUTIVE SECRETARY MARY JO TRIMBLE

After 3 years, I was asked to come back as Executive Secretary to insure a smooth and quick transition to the office of Executive Secretary. It has been nice to work with the regional clubs again and help new people with their new event jobs. We will be looking for someone who would like to dedicate a lot of time and energy to this position. It does take some training to learn all the facets involved. One needs to not have another full-time job or constantly be on the road away from home to keep up with the busy schedule this job entails. Computers do help when away from the home base. The right person will have a history in the ABC who knows and understands how things have come about and developed to the current status of today's organization. The person needs better than average computer skills for the computer work which includes a good knowledge of MS Word, MS Excel, and scanning documents. Following is a brief description of the duties which are performed by the Executive Secretary. Some are part of policy and some are extra

things I have done as well but you can find all the duties in the ABC Policy Book, pages 48-50.

- a. Answer the mail that comes into the ABC Website with questions about the Breed or refer the inquiries to the appropriate people.
- b. Receive all insurance policies in the role as the ABC Official Address and Registered Agent in Illinois.
- c. Receive all Field Trial and sometimes Show applications and approvals to send to AKC.
- d. Oversee approvals for the 12 Agility events held at the nationals and by regional clubs.

Not part of the job description is my job as Legislative Liaison to the AKC and the Sportsmen's Alliance in Ohio. However, when I finally get to retire that is one job that is vital in this day and age to protect the sport and someone in the ABC needs to take that on as well. ACTION ITEM The BOD needs to actively seek a person who can devote a lot of time to the job of Executive Secretary. This person should have computer skills, enjoy working with people, and have the ability to use time to the best advantage. It was my life for many years and I appreciate all of you who helped me along the way. The Good outweighs the hard work and rough times. On a personal level I am not sure how long I will stick with this job until a replacement is found. The last few months have not been easy for me and I don't deal with the stress like I did when I was younger. I cannot give a more important action item than to ask that when addressing people in this organization that we all speak in respectful tones and consider almost everyone

is a volunteer who is doing the best they can at whatever job they undertake. Hateful remarks need to become a thing of the past both in discussions and on Facebook by all of us.

2021 Elected Secretary Report Jan Kilpatrick

Received the call on July 20, 2021 that I had been selected to serve as the American Brittany Club Elected Secretary. Haven't had time to give this position since I also agreed to take on the Agenda Chair position which has been keeping me very busy from that July 20, 2021 date to the present. The duties described in the ABC Policy Book for Elected Secretary are broad and scattered but I do look forward to serving as an ABC ambassador to new Brittany owners by encouraging their involvement with the ABC and giving them information on their areas of interest. Long time ABC members who earn awards with their Britts will feel the ABC support for their efforts when they receive the congratulatory tributes, I am in charge of sending out. There appears to be many avenues to explore within this position so hopefully my 2022 report will be a little more interesting and informative. Jan Kilpatrick

2021 Agenda Chairman Report Jan Kilpatrick

Nothing like jumping right in at the last minute but hey I'm always up for a little adventure. So far, the job has been interesting and challenging. Am pleased with the response to my call for Agenda Book reports, action items, proposed motions, etc. Having said that this year's Agenda Book is going to be a little larger than I anticipated so everyone is going to have to put on their business hats, throw away their clocks and hang on tight at this year's annual ABC BOD meeting. Look forwarding to seeing you all there. Jan Kilpatrick

2021 ABC Treasurer's Report

The financials are up to date with the cooperation of all chair members. I have received their reports in a timely manner in order to complete month end, quarter end and year end reports. Therefore, The Board of Directors have been receiving the quarterly reports including comparative Balance Sheets and Income Statements with event detail included at year end.

At this time, I have no action items.

Report 2021 ABC Membership Data Chair

All computer programs are working well. New members have been coming in but not as many as we had hoped to enroll. Only issue members have mentioned is the late arrival of the ABC Magazine. As it stands now, members are inquiring why they have not received their magazine so I check their membership status and address and if the member is in good standing, I then forward that information to the Magazine Chair. I was told it is her decision whether or not to send an additional magazine due to the cost of individual mailing of the magazine.

Respectfully,

National Field Trophies-

We have a terrific group of vendors supplying components and services to the ABC. Some have been with us for years, while others are relatively new. All are doing high quality work allowing us to create truly beautiful custom trophies worthy of the ABC national field events. Due to material and labor shortages this year we experienced a slight increase in costs and longer production times. This year are scheduled to be completed by the end of September. Upon receipt of the finished trophies and ribbons, they will be sent onto the appropriate national event locations.

Special Presentations-

The Misty Skye Trophy is for the highest placing bitch in the Gun Dog Nationals. The 2020 Misty Skye Trophy is awarded to Sniksoh Little Diamond, handled by Scott Johnson, owned by Tom Wonderling.

The Christy Feather Duster Trophy is for the highest placing bitch in the All-Age Nationals. The 2020 Christy Feather Duster Trophy is awarded to Ru-Jem's "Last" Penny, handled by Tom Tracy, owned by Jerry McGee. Both trophies are in process and will be ready for presentation in Booneville at the 2021 Nationals. Thank you for the opportunity to serve the ABC.

Respectfully submitted, Linda Thomas

Delegate Report for 2021 ABC Policy Manual

During 2020-2021 all of the Delegate meetings were held via Zoom. I was able to attend all the Zoom meetings with the exception of 1 when my Mother-in-law passed away. Our first AKC In-Person Delegate meeting is to be held in Newark on September 13-14, 2021. I for one will be glad to see everyone in person. I tend to get bored with a 3 hour Zoom meetings.

The AKC report shows the following areas of increase in participation and registration: Fast cat is up 126% Litter registration is up 30% Scent Work- up 101% Dog Registration is up 60%

Hunt tests- up 99% Companion events are up 60% for the first quarter of 2021

Field Trails up 88% Virtual rally had 20,000 entrants

Online registration was the largest income for AKC in 2020. Entries were down 1.4 million due to the pandemic. AKC income is also coming from the royalties from AKC events being broadcasted by ESPN.

AKC has a Canine College and has a lot of courses available for interested people and judges to take. Nine courses on Breeder Ed for just a sample. AKC also has a webinar for judges.

In Public Ed, AKC has introduced Puppy Pals. They are short videos for children and adults on dog care, etc. They also have lessons for Exceptional Learners that teachers can use in the classroom.

AKC Reunite now has 9 trailers across the US for disaster relief. AKC Reunite has raised \$2,326,602.00 to pay for these trailers and supplies. If you should have a major disaster in your area and need assistance for dogs, etc., call AKC and they can send out the trailer in your area.

AKC has recommended to clubs to create a new position for a Junior's Coordinator to help get more young people involved in the sport, whether it is performance or companion event. During the pandemic AKC has assisted 3000 All-Breed shows move their sites so they could continue to have their events.

AKC has recommended that to keep members active during the down time would be to include

fun events and virtual events like Rally and Trick Dog.

In 2021 AKC has handed out 10 Junior Versatility Scholarships in the amount from \$500-\$2500.00. None of the recipients were Brittany owners.

Performance Event Junior Scholarship recipients included O'Mally McGee from South Carolina who owns and shows a Brittany as well as a Pointer. Congratulations to O'Mally. Well-deserved and a great representative for the breed.

There were no Brittany owners who were scholarship recipients in the Companion events. AKC has a very active Government Relations Department. They help to protect the rights of all dog owners and promotes responsible dog ownership and ensures that laws are reasonable, enforceable and no discrimination. IF you hear of a bill being discussed in your area, whether local, state or federal, drop the Government Relations Department of AKC an email to make sure that they are aware of the possibility of a new law being discussed.

AKC is taking the Meet the Breed Tour on the road this year. For many years the Meet the Breed was before the Westminster and at the Orlando Invitational. This year they have decided to take it to many cities which includes San Diego, Dallas, Tampa, Chicago, Raleigh and Columbus, Ohio. I want to personally thank all the people who stepped up and organized the Meet the Breed in their area. There was also scheduled for Minneapolis and Philadelphia but they were cancelled for this year but is to be scheduled for 2022. While it was like pulling teeth for some of the areas, I was unable to fulfill Raleigh and Columbus, so I will be doing them myself with help from another Brittany person in PA. It is important for us to get out to the public and promote our club and our breed to the community.

Please consider it for 2022.

I thank you for allowing me to represent the ABC as their Delegate to the AKC. If there is anything I can do to help any of you at any time, please do not hesitate to contact me.

Respectfully submitted, Terry Hilliard

2021 ABC Magazine Report

We have had another interesting year. Things are slowly starting to return to "normal" but COVID-19 is still very much around and affecting a lot of areas in many people's day-to-day lives. There have been some issues with the timing of the magazine and we are working on those issues and Webster County Printing, especially, is working hard on trying to get the magazine out in a timelier manner. They are working on

making some changes to do what they can to get it out earlier but there are some things they have no control over such as supplies and the mail. They, like a lot of other businesses, have been hit by shipping issues and supplies are sometimes late in coming. There have also been issues with staffing as far as staff being quarantined and at times not all of their staff being able to be in the office at the same time. Another issue that can't be controlled is the mail and when they get things delivered. We know that the magazine is important to our members and we just ask everyone to please be patient while we and they do our best to get it out as quickly as possible each month.

As always, we are looking for articles of interest to our readers to include in the magazine. If anyone has an article, they would like to see in the magazine we welcome you to submit it for review for publication in accordance with magazine policy.

Dana Naayem, Chair

2021 AKC Gazette Report

During this past year there have been three articles written and submitted to the AKC Gazette for publication in the Brittany breed column, which appears quarterly each year. These pieces written for the Brittany breed column have been based on some 45 some years with Brittans and the people who love the breed.

2021 articles written and published in the AKC Gazette for the Brittany Breed Column are listed as follows:

- January, 2021 -- Colors
- April -- It's About Dogs and People
- July -- To Train and Teach
- October -- It's Only a Barrel (to be written for and published in January 2022 issue)

Each piece is submitted three months in advance to Arliss Paddock, Senior Editor, AKC Gazette. This editor often has favorable comments about the articles.

Now let's focus on a question this writer posed in the 2020 AKC Gazette report as to "how many ABC members actually read the Gazette Brittany columns?" Sometime after the November 2020 Annual Meeting, Karen Nelson of the Arizona ABC Club sent an e-mail to Jan Kilpatrick, noting my "question" and referencing Bob Fleury's "call for articles", which appears in each issue of the magazine.

In-turn Jan coordinated an effort with Karen and Bob to ask if these articles that appear in the AKC Gazette could be edited and then prepared in the Brittany magazine. My answer was yes; thus far, three articles have been printed. The plan is to have an article in each issue of the

magazine.

These articles have been written with intent to provide the reader with information about our breed. Appreciate the opportunity to represent ABC and to write the Brittany Breed Column, which appear in the AKC Gazette.

2021 Judge's Education Report By Amy Booth, JEC

The 2020 National Specialty Judge's Education seminar was the first that I led as the incoming JE Coordinator, but not my first as a member of the JE Committee. We had a total of four judges that attended. Three were at or past the five-year mark since their last seminar and one was new to our breed. I thank Jessica Carlson, Bryce Novotny, and Alex Findlay on their assistance in making this seminar extremely successful.

Because of her help on more than one Breed Seminar, I have invited Alex Findlay to join this committee. She, too, has been involved with Brittans all her life. Alex has a professional background as an instructor with amazing documentation and video skills to help us keep our training materials updated and current.

There have been no 2021 Seminars, most-likely do to Covid 19 and its overall effects on any types of gatherings.

I have been working with Diana Kubitz, Jessica Carlson, and Steve Ralph to update the JE links on the ABC website. The completion is scheduled before the end of 2021.

In conclusion, I am honored to be the new American Brittany Club Judge's Education Coordinator. I am thankful to Diana for mentoring me on the JEC role and responsibilities. I am also thankful the other amazing people on this committee. I will always support the 'DUAL DOG' concept that our club has maintained though out its history.

Lastly, I'd like to thank the officers and directors of the ABC for believing in me and giving me this opportunity serve. I want to thank Diana for choosing me as her successor. I know I have huge shoes to fill.

ABC Dog of the Year Awards Brooke Burlingame

I am honored to be taking over the ABC Dog of the Year Awards. It has been decided that the awards will start in 2021, with how abnormal 2020 was on dog sports. I will hopefully have news of the awards in March of 2022. Then each group will decide when and how they want

to present their respective awards.

2021 Agenda Report AKC Legislative Liaison and Sportsmen's Alliance Liaison

About the only thing good about Covid is that most state legislatures did not meet on a regular basis during the pandemic. This meant the many dog bills hanging on from previous sessions were not pushed to the front as the legislators fought with the Governors over who made the rules for the state regarding schools, masks, vaccinations etc. Both the National Animal Interest Alliance, The Sportsmen's Alliance, and, of course, the AKC Legislative folks stayed on top of any bills that did present themselves. Most lobbying had to be done by email or telephone as legislators remained at home for most of the pandemic.

Our members need to stay in touch with what is happening in their state. Some of the bills presented were knee jerk reactions to weird happenings in a legislators' district. You need to look at long range effects of bills that say things like "NO roading devices shall be attached to a motorized vehicle." In Illinois, a bill like this was proposed. The sponsor finally added except on a golf cart or 4-wheeled buggy." However, this did not spell out any particular places this was in effect so it basically made it illegal to road dogs on a truck on your own property. I got more help in fighting this from the Illinois Federation for Outdoor Resources than I did from any field trial or dog organization or individuals. As one retired CPO said, "Give them an inch and they will take a Mile." Apathy runs rampant and people who are passionate about bad legislation are not always looked at in a favorable light.

The latest issue with dogs is the disgust of the abandonment of service dogs, bomb sniffing dogs, companion dogs, and contractors' dogs left behind in Afghanistan. These dogs save hundreds of lives of American Service men and workers. I know some were shipped out early but near the end, the news reported that those dogs left and many companion animals were turned loose to fend for themselves. This breaks the hearts of those of us who love and appreciate our canine friends. Last report I saw showed 200 dogs being privately airlifted out of the war zone to safety.

Anyone interested in Legislative work, contact me, Mary Jo Trimble at trimblemaryjoray@gmail.com. It has been something few get involved with and it is the one thing that can make or break our sport in a short period of time.

2021 AGENDA REPORT AMERICAN FIELD LIAISON RAY TRIMBLE

As of this writing, I have not spoken with Bernie Matthys during the last year. We normally discuss any issues at the Brittany Hall of Fame Ceremonies in Grand Junction, TN. Mr. Matthys canceled the pointer/setter Hall of Fame ceremonies this year which due to Covid were held in June. Brittanys and other breeds did hold their induction ceremonies. Mr. Matthys was not in attendance.

The last attempt to go online with the full American Field magazine did not seem to work. Print subscribers did get notices they could transfer to the online version. I have heard from others who had paid for subscriptions prior to the cancellation of the print copy who have had similar problems connecting to the full site as we have. It would be interesting to know how many of our members are also paid members of the American Field online and see the ads the Championships pay dearly for as well as the Regional Trial ads. The print addition is missed by many of the lifetime subscribers who are not that computer savvy like me.

Respectfully submitted, Ray Trimble

Addendum to my report: On September 1st after the above was written, the United Kennel Club purchased The American Field. Executive Secretary Trimble and I are currently in contact with Stephen "Steeple" Bell who is representing some American Field Groups to ask pertinent questions of the UKC. About all we know at this writing is they are not changing the way the American Field did business. They do plan to have a print magazine of some sort. Registrations still go to the American Field. They have a job opening for a Field Trial/Hunt Test Manager.

Purina said they will not be changing their current contracts with clubs. Beyond that, we need to wait and see and try to stay positive. Hopefully by the ABC BOD meeting in November, I will have some more information. To stay in touch, join the Field Trial Bird Dog Facebook List. Ray T.

Purina Pro Plan, Ed Janulis Liaison

I have recently taken over the duties of the "Purina Pro-Plan Liaison". My duties include coordinating the donated food and financial support for specified hour ABC Championships and competitions. It is my understanding the 2 lb. bags of Pro Plan are not currently being sent with any of the donated Pro Plan food orders due to Purina's production priorities.

Let me remind everyone that the ABC is contractually obligated to Purina as follows:

F. Participants shall, to the best of their ability,

ensure proper recognition for Purina material and the distribution of that material at all Event Programs"

Translated, it is the hosting club's responsibility to prominently display Purina during the event and in all published ads, pictures and reports, before, during or after any Purina sponsored competition.

ABC HALL OF FAME FOR DISTINGUISHED MEMBERS, Ed Janulis, Liaison

Two names have been submitted to the ABC Hall of Fame. Voting on these nominees will occur and be completed prior to the Board Meeting in November. The results will be announced by the President at the November 2021 meeting.

Please note that anyone wishing to nominate a person to the ABC Hall of Fame must submit that name and that person's qualifications to the President by April 1st of any year. There is a form located on the ABC website and a magazine ad is printed during the months of February and March of any year.

Bird Dog HOF, Ed Janulis, Liaison

As displayed on the ABC website, Ed and Judy Graves have been elected to the Bird Dog Hall of Fame with inductions occurring on February 12, 2022 in Grand Junction, Tennessee. On Feb 12 we will celebrate with our new HOF members and friend Ed & Judy Graves. As soon as I get a contract from the Hampton Inn, I will send you information for the hotel. If you have any questions, please contact Mary Crawford, jmbritts@gmail.com.

Field Trial Dates Committee report

This year is going much smoother than last year where many of the field trials were cancelled or rescheduled Due to COVID-19. No field trial date conflict issues were reported by the Regional Date Coordinators which need to be addressed.

Thanks to the work the Regional Date Coordinators Bruce Conover(E), Wade Haines (EC), Burton Wice(c), Jim Crawford (MW), Larry Sandusky(W) do in coordinating their regional field trial dates and resolving conflicts in the best interest for their regional clubs and ABC. All Spring & Fall dates presented by Regional Date Coordinators were reviewed and approved for this year and the coming year schedule.

National All-Age Championship Field Trial Secretary Report

All of the required ABC National All-

Age Championship Field Trial Secretary responsibilities have been completed to-date for the upcoming ABC National All-Age Championships. The Ad, Schedule, Judge Bios, Premium, and information has been sent to the ABC website, American Brittany magazine, and American Field for publication. The premiums are available on the ABC website and the qualified dog owners/handlers will be notified. We are looking forward to another exciting set of National Championship events.

Website

As many are aware, this year the country has seen more and more cyber-attacks. While we do not provide membership data on our ABC website, we did have ABC Regional Club Secretaries contact information on a page. We have taken measures to remove personal information from this ABC Regional Club Secretary page so that now only a club website, name and email address is available in hopes of minimizing our members personal information exposure. We can't stop email SCAMMERS from trolling the internet to find email addresses to send out SPAM & Phishing emails, however we do hope that our members are educating themselves on how to best detect these SCAMMERS from gathering additional information.

2021 ABC CLASSICS & GARMIN LIAISON REPORT

Classics continue to be well supported by field trialers. All 2021 events have been held or are scheduled for the fall.

Prestige of events is ongoing with great support of a small core of secretaries, chairmen and others continuing to put on these classics.

Covid continues to be a problem. The Grouse/Woodcock event had to be cancelled in the spring but with a change of venue, will be held this fall.

Garmin appears to be over their acute supply chain problems of last year and has, in the new contract, agreed to supply collars for the new National Walking Gun Dog Championships.

2021 Committee Reports Bob Rankin Derby Invitational (2018)

The ABC Derby Invitational continues to run smoothly, in large part thanks to Terry Gowin who has been keeping track of the derby points as the trials progress through the year. Attempts to make our Derby Invitational an American Field Derby Championship have been unsuccessful, mainly because it's a Fall rather than a Spring event.

Happy to announce an eternal trophy has been secured for the event. Thanks go out to Bernie Crain for donating the trophy that was repurposed for the Derby Invitational due to the efforts of Mary Karbiner.

Mary saw through the reconstruction by having a new base built that would hold name plates for the winners for 10 years. She also donated the cost of these changes which include a traveling case for safe transport. Huge thanks to Mary for all her contributions. Kent Patterson will supply a history for the Derby Invitational which will be published in the Policy Book.

May the ABC Derby Invitational continue to thrive and be celebrated at the Nationals events every year. Respectfully submitted –

Long Range Planning Committee

Nothing new in this committee for the past year. The main work occurred a couple of years back when multiple sites in the US were evaluated for the Gun Dog Nationals. Those committee members have retained that information and we are available if needed should something happen with our present Nationals site.

2021 Report of the Finance Committee

Established in 2013, there are specific duties of the Finance Committee outlined in the Policy Book. The first is to establish an annual budget process. This has been done with the General & Operating cost centers presented to the BOD at their annual meeting. The Event Budgets (all 9 of them) are completed after the end of the current year so event managers have a better idea of what the future looks like for the following year. The second area of responsibility is to conduct an internal audit of ABC receipts & expenditures. For this year's review, different committee members were assigned different events. It always helps to get a fresh eye on our events. This year Joe Gower is reviewing both of the All Age in Booneville; Kent Patterson, the Horseback Gundogs in Booneville; Mary Karbiner, the Futurity; Lucille Sawicki, National Specialty & Agility; Bernie Crain, Banking; Judy Graves, Membership, magazine advertising & walking gun dogs in Ionia. The final report will be submitted to the BOD for their annual meeting. Several of our committee members meet the definition of a public accountant as originally found under the Treasurer Duties (page 15 in the By Laws) and the Committee as a whole was so ordered to perform this audit and approved by the Board of Directors as required in the in the Policy Book.

One of the other duties of the Finance Committee is to ensure all applicable IRS reporting requirements are met in a timely manner (#5). This has been quite a challenge this year as the IRS is extremely behind in its processing for 2019. In fact, we did receive a penalty fine (\$230.32) and notice of our late filing. Fortunately, Gerilyn had tracking numbers for both 990 returns showing they were sent within the required reporting time period. When I contacted IRS, the agent looked up

the tracking information, confirmed they were delivered and said all fines would be removed from our account. As a for instance of how far they are behind, we sent our unrelated business tax check (990T) in early July, 2020, and it did not clear our bank until October. Beside the IRS being behind in its processing, this year all not for profits are required to file 990's (not the postcard filings for our group) electronically using an "Electronic Return Originator". Gerilyn contacted her personal CPA, only to learn they would charge anywhere between \$800-\$1,300. I checked with ERO's in my area and found one willing to file for \$200-400. For disclosure purposes, the firm we used here is owned by my ex-husband (50 years ago). I learned from that firm that they must pay a \$2,500 software fee annually and the data must be entered into a file only they possess to be submitted to IRS. That means that the form we send them must be re-entered. Our return is 26 pages long! We will include this fee in next year's budget. After all this, we did get the return filed and accepted on time (August 16). As far as our subs on our group exemption, we are still waiting for a few certification forms, but all of them received have been filed and accepted. As soon as I figure out how to forward IRS's acceptance confirmation, I will send them out. I may have to make a paper copy and send since some of the IRS forms no longer allow you to copy.

We will have two action items for the meeting:
Action Item: Need a recommendation for our East Coast member. Lucille Sawicki has indicated she is not available to run for another 5-year term. Discussion under Finance Committee Composition

Action Item: 2022 operating budget. It will be sent to the managers shortly for their input. From there it will go to the Finance Committee for comments & recommendation. Then it will be up to the BOD to approve.

will host the Central Futurity on March 31 and April 1, 2022. No applications from host clubs for the Western Futurity have been received at this time.

Thank you to the dedication of our futurity committee members. Thank you to Judy Graves for the futurity accounting as well as her financial suggestions. Thank you to the breeders, owners and exhibitors for their tireless help in making our futurities to be successful each year. A huge thank you to Nestle Purina for their continued support in our Futurity events with money and food donations. Special thank you to Boyt Harness/Mud River for allowing us to purchase the judges gifts and to Alice Janssen /AAB Awards for making the host club certificates. Recommendations for future years will include encouragement for the American Brittany Club Magazine to include the futurity application in each monthly magazine. Hopefully the cover page for each section Dual Award winner will still be available. Acknowledging the breeders is our highest priority.

Suggestions from futurity committee members would be to reword the policy book show guidelines and to design a futurity field and show winners report form for the use of the section managers and secretaries. A separate list of agenda items has been sent for review.

Respectfully submitted,
Leslee Masolotte, Chairperson, August 26, 2021.

HEALTH & GENETICS Committee Report 2020-21

A health survey created by OFA was sent out to approximately 1190 ABC members' emails in May 2020. The information was advertised in the ABC magazine, on the website and on Facebook. As of August 2021, only 412 responses have been received. The response is a bit disappointing but the results indicate that we have a relatively healthy breed!

The AKC CHF DONOR ADVISED FUND for ABC funded \$2505 for research grants. These funds were earned from our participation in the Purina Parent Club Partnership program so keep on reporting your Purina purchases!!

We funded the following grants descriptions of which can be found on the CHF website: Grant 2811: Pyometra

Grant 2819: Canine Bartonellosis Grant 2792-A: Temporal Lobe Epilepsy

Respectfully submitted, Margaret Horstmeyer, DVM

2021 Non-Field Performance Committee Submitted by Cindy Miller

AKC Statistics published for 2020 indicates that

in spite of Covid 19 Brittany owners continued to participate in non- field events. These events include agility, obedience, rally, dock-diving, trick dog, barn hunt, scent work, coursing and herding ability.

Obedience had 19 titles awarded; rally had 59 titles awarded, including the first Brittany Rally Champion; 11 titles in dock diving; 2 titles in stunt dog; 177 titles in Trick dog; barn hunt had 2 titles awarded; Scent work had 62 new titles; coursing ability had 4 new titles and fast cat had 13 titles awarded and there was 1 Brittany passed the herding dog instinct test.

Seven Brittany's passed the Temperament Test; 2 Brittany's earned their Therapy Dog title; and 67 Brittany's obtained their Canine Good Citizen title.

Agility had a total of 237 titles awarded. Unfortunately, due to Covid and the Canadian border being closed, entries in Rally, Obedience and Agility were all down for the 2020 Nationals. With the help of Judy Graves, a spreadsheet for the agility cost center was created. The Northern Virginia Brittany club utilized six of the ABC agility licenses to raise money for the 2021 Agility Nationals. The Susquehanna Brittany Club utilized 4 of the ABC rally licenses as a fundraiser for the Nationals Obedience/Rally Trials. As of the time of this report, \$288 was forwarded to the ABC for rally and obedience. There are two more rally trials scheduled for the first week in November. In agility, a check was sent to the ABC in June for \$1051. There are two more agility trials scheduled for the end of October.

The owners of these companion/non-field performance Brittany's want to thank the American Brittany Club for their support in promoting all events.

2021 ABC Agenda Book Submissions Insurance Report

The following is a list of policies that are currently in force for the ABC. During the past eight months, it became evident that the ABC had some duplicate policies. For example, when Bob Rankin donated the land in Arkansas to the ABC, there was a liability policy on the land with Arkansas Valley Insurance. This policy was renewed each year. This policy was not renewed in

May of this year.

West Bend: 1/19/21--1/19/22 Policy # A716562 01; Prem. \$473; Not For Profit Directors, Officers, & Trustees Liability

Hanover: 5/1/20--5/1/20 Policy # BDS D299505-01; Prem. \$600; Comb Crime/ Public EE Blanket Policy

Hanover: 3/18/21--3/18/22 Policy #

RHS6995062 16; Prem. \$725 Comm General Liability

[These two Hanover policies are written thru Sportsmen's Insurance Agcy.]

Selective Insurance Co.: 1/1/21--1/1/22 Policy # 161-098-388; Prem. \$229 Inland Marine Trophies coverage

To my knowledge, these are the only policies in effect at the present time.

In addition to the duplicate policy mentioned in the first paragraph, there was a liability policy thru Great American that Mary Jo caught and cancelled.

I would recommend that in the future no new policies and/or renewals of existing policies be done without consultation with the insurance coordinator.

I have not done a good job and these errors are my responsibility. By cc of this email to the President, I am resigning my position.

Action Item Submitted by West Coast Directors Jim Hammet, Mary Brown, Robin Tomas

Action Item & Proposed Motion to Clarify/
Change the Qualifications for the American
Brittany Club Derby Invitational

Issue: The exclusion of 20-minute derby stakes
in 2021 from point calculations for the ABC
Derby Invitational.

Background. The Derby Invitational, an ABC-
stake recognized by American Field, is run
annually in Booneville in conjunction with the
all-age national championships. Twelve dogs
are invited and compete based on the following
qualifications:

1. Automatic invitations for winner and
runner up of the recognized one-hour Brittany
Derby Championship (Victoire Nationale).

2. Additional invitees are chosen by
a point system in recognized Brittany Derby
horseback stakes:

Point Calculations		
1 hour stake	45-minute stake	30-minute stake
1st - 10 points x dogs run	1st - 8 points x dogs run	1st - 6 points x dogs run
2nd - 8 points x dogs run	2nd - 6 points x dogs run	2nd - 4 points x dogs run
3rd - 6 points x dogs run	3rd - 4 points x dogs run	3rd - 2 points x dogs run

Problem. Most regional club derby stakes
are 20-minute stakes. Most clubs do not dual-
sanction regional trials with AFTCA, and
therefore have no requirement or incentive to
run 30-minute derbies.

Analysis and Discussion. Until 2021, any
horseback derby was included with 30-minute
derbies, and points were allocated accordingly.
Apparently, someone complained, and this
year, Terry Gowin emailed event secretaries to
notify them that only 30-minute or longer stakes
would be qualifying stakes for the 2021 Derby
Invitational.

This eliminates nearly every derby dog run in
the Western Region, where we have some of
the biggest running all-age derbies in the U.S.
It probably eliminates a lot of excellent all-age
derbies in other regions as well.

Dr. Bob Rankin, chair of the derby
invitational committee, said that he is aware that
some clubs in the Mid-West and Central Regions
are reporting 30 minutes on the field trial report
form, while continuing to run an established
20-minute derby course. He also indicated that
some clubs are running a course that may be
over 20 minutes, but are not running a timed
course (i.e., the stake ends when the handler
finishes a fixed course). Depending on handler
speed and bird work, those fixed courses are
often completed in less than 30 minutes.

The only club known to run a 30-minute
timed-derby is Greater St. Louis, which runs
a continuous course derby at Grove Springs

(there may be others, but Terry Gowin is not
aware of these).

It is logical that 60- or 45-minute derbies receive
a higher point calculation, but to exclude 20-
minute derbies that are reported truthfully,
while including 20-minute derbies that may be
reported fraudulently, is not what ABC should
stand for. Neither should we eliminate most
derby dogs right off the bat.

Apparently, the rationale for 30 minutes (while
not including 20-minute stakes) is that it is an
American Field and AFTCA requirement. (An
American Field/AFTCA-recognized derby must
be thirty minutes, based on the time that an
average brace takes to negotiate the course).

This is true but is not a valid rationale.

American Field has no oversight role for
qualifications for a 1-hr ABC invitational derby
stake (ABC can determine the invitational criteria
as it sees fit). And, since the Derby Invitational
is a 1- hour stake, it meets American Field's
"Minimum Requirements for Recognition."

Bernie Mathis confirmed all this in a phone call
this spring.

As a parallel example: A dog can qualify to run at
the ABC National Championships in Booneville
(American Field recognized stakes) without
ever winning an American Field recognized all-
age or shooting dog qualifying stake. The AKC
stakes that qualify most dogs for Booneville
do not meet AF's "minimum requirements for
recognition." Yet, ABC uses them as qualifying
criteria for its national championships. It is not a
problem with American Field and ABC has been
doing this for years.

Most derby entrants at regional Brittany trials
are not chasing points for the Derby Invitational,
and ABC should not expect regional clubs to
modify long-established courses and practices
so that an individual with a single dog might
qualify for the Invitational. (In other words, the
Invitational qualifications should fit in with the
existing regional trial paradigm rather than
trying to force a new one on regional clubs).

It was suggested in the July board meeting
that including 20-minute derbies would lower
the standards for the invitational. The reality
is something different. All 20-minute derbies
have counted until this year, and dogs winning
past invitationals have gone on to be very
competitive in all age national championships.

Given that a significant number of good
derby dogs will never run a 30-minute stake
at a Brittany trial, rather than "lowering the
standards," excluding 20-minute derbies is
artificially restricting the field of dogs that can
be considered.

The solution is to "cast a wider net" -- clarify the
qualification standards and regroup 20- and 30-
minute derbies together into the formula as was

done for 2016-2020.

Motion: "For 2022 and all future years, the point calculation for the Derby Invitational shall include any horseback derby run for 20-30 minutes as follows: 1st-6 points x dogs run, 2nd 4 points x dogs run, 3rd 2 points x dogs run."

HUNT TESTS

WESTERN MICHIGAN

Ionia, MI

June 5-6, 2021

The members of the Western Michigan Brittany Club would like to thank all those who participated in our Spring 2021 Hunt Tests over the weekend of June 5th and 6th. Even though the weather was extremely intense, they persevered and were able to run their dogs safely. Our intent with our hunt tests is threefold; to service the more experienced handlers, help educate the new handlers, and expose those who may be interested in getting their dogs into the Performance Sports to our sport and venue. In these aspects this was a very successful weekend as all three groups were well represented. We had dogs and handlers coming from as near as Lansing, and as far as Arizona! Our entries were huge, and we have never had near the number of participants who camped with us overnight!

While following the most recent Covid restrictions, it was our pleasure to host a king crab leg dinner on Saturday night for all interested parties. We mingled, made contacts, and had our judges answer any and all questions posed to them concerning the rules of hunt tests. We reviewed the safety aspects of having gunners using live fire to down birds in the stakes that require retrieving, as well as various handling techniques in different situations. Also, to ease the anxiety of those new handlers who may have felt intimidated by "trying something new", we briefly discussed hunt test etiquette for handlers and the gallery.

From the field, out of 73 dogs running we had a total of 35 qualifiers: 4 Master-4 Senior-27 Junior. We also awarded 7 New Title rosettes to the dogs that completed their level. There were a few alterations in our running orders due to scratches, and participants did an excellent job of dealing with the changes by monitoring the updated running orders and having their dogs ready at the breakaway point when the previous brace ended. Our hope is that all of the efforts we made to provide a quality experience over the weekend will entice our participants to join us again in 2022 and

share those experiences with others who may be interested in exploring our game. Our members understand that hunt tests are often the gateway to participating in field trials, as well as other hunting related competitions.

We need to thank the members, and particularly the non-members of our club who assisted in preparing the grounds for our tests, planting birds, gunning, setting up and filling watering stations, as well as performing all the unseen tasks that helped make the weekend a success. Finally, the Western Michigan Brittany Club would like to offer a special thanks to our wrangler... Will Langley. Will brought 3 quality mounts for our use, and they didn't let us down in the heat and humidity. To those of you who may be new to the sport, having horses available for judges is becoming more difficult as fewer judges now own their own horses, and many wranglers have decided the increased costs of doing business is not worth the effort. For many years, Will and his wife Kathy have serviced the needs of the Hunt Tests and Field Trials, and have earned our thanks and respect. In the case of our recent tests, unknown to the Club until it was time to pay the bills, Bottom Creek Horses...aka Will and Kathy... donated their time and horses to the WMBC. When actions speak louder than words, it is clear how dedicated they are to our sport!

Once again, thanks to all for making this a great weekend. We look forward to seeing you again. For those of you with Brittanys, please consider joining a local club...there is strength in numbers!

2021 Hall of Fame Inductions

Grand Junction, TN – The Bird Dog Capital of the World

By: Diana Kubitz

The induction ceremonies were held on June 12 this year at the Bird Dog Museum. Thank you to our sponsors Nestle Purina, Garmin, Ainley Kennels and Avery Outdoors.

Every year on Friday evening before Saturday inductions, we gather at the Hampton Inn in Collierville, TN, for fellowship and a fund-raising auction! Scott Johnson is our fabulous auctioneer! Mary Crawford is the hostess with the mostest and Rick Smith, our fearless leader, helps ensure that every item donated goes at the best price possible. This year we made \$1850.00 for our endowment fund! A huge thanks to everyone who contributed to this wonderful evening!

Saturday morning, following the morning inductions, a luncheon sponsored by Purina was held. Me & My Tea Room Catering has catered the induction ceremonies for several years. We lost the owner, our friend, sponsor, and supporter Catherine Bowling Dean last January and, just 2 days later, we also lost Jean Holmes, Catherine's head cook. But Catherine's family and friends worked tirelessly to keep the company going and they provided us with a wonderful light lunch, excellent desserts, and great food for the afternoon reception. Our condolences to the Dean and Holmes families and our thanks to those who worked so hard to provide for us.

The afternoon session began at 1:00 p.m. We were welcomed by Tonya Brotherton, the Executive Director of the Bird Dog Museum. Four plaque presentations were read by Directors Dave Fletcher and Mary Crawford, with friends and relatives standing at the podium. The plaques were for recently deceased Bill Norvell, Linda Faye Milam, Cecil Duncan and Bill and Fran Gorman. Funding plaques for worthy people is a great way to honor them and contribute to our endowment fund.

Al, better known as **4xCH, 3x RU CH, DC/AFC Bourbon XIII**, was proudly owned by Joe Jung and handled by trainer Al Gorrow. Al was a front running, all age bird dog that could win no matter who had the whistle and gun! He lived his life in the house all of his sixteen years as Joe's faithful companion and was so much more than anyone imagined! Joe conditioned Al and brought him to trials where he asked whoever was available to run him. Joe's heart condition prevented him from running Al himself and Al had a dozen handlers over his career. On the brandy wagon at the nationals, someone mentioned my Kid and Joe said: "I have a dual champion grandson of Kid's that's running in the next brace!" When Joe got him out of the box for his brace there was not a doubt in my mind about his pedigree! He ran in the last brace and was named Runner-Up!

Al finished his trial career with 14 hour All Age wins, 1 Gun Dog hour win and 45 placements. He won the Prairie Chicken Championship in 2004 (57 starters) and in 2005 (58 starters). Only one other dog has been able to repeat as Champion in the 41-year history of this event. Al won the Purina All Age Brittany Dog of the Year in 2005 and was LaSalle Brittany Club Field Dog of the Year in 2004 and 2005.

Al's production record includes many Champions, best-known HOF 17xCH/19xRU/NFC/DC/AFC Ru-Jems A Touch of Bourbon (58-hour placements, amateur owned/handled, Top 1-hr winning dog in our breed history, 3x Purina All Age Brittany of the Year) and NGDC/FC/AFC Celebration's Two of Hearts (Over 40 amateur/owner handled field trial placements)

Charles "Bernie" Crain For nearly 50 years Bernie has been devoted to the Brittany, supported the American Brittany Club and field trialing. He has maintained continuous memberships in many regional clubs and his dedication to our breed, field trialing and the dual concept is still strong a half century later.

Bernie grew up hunting behind Setters but changed to Brittany's when a co-worker offered him a Brittany. He joined the ABC in 1972 and over the next four decades his dogs made their presence known on all the major circuits except the east coast. Over the past years he entrusted his Brittany's to six pros and always handled his dogs in amateur stakes until he was sidelined 8 years ago due to heart problems. Despite his disability, Bernie has continued to field trial his latest dog.

Bernie has been president of the Missouri Brittany club since 2011 and Neosho Valley club serving as field trial chairman/secretary as well as judging trials. He served the ABC as Treasurer and is on the Board of Directors. He and Mike Boydston initiated the Mo-Kan Brittany Championship in the mid 80's and he has judged and scouted many dogs as well as judging other breeds' championships. He owned and campaigned 2 dogs, both National Champions, and both in our hall of fame NFC/FC/AFC Jim de Bob's Sparks A Dan D and NFC/FC/AFC Shambo's Dark Shadow.

Bernie has attained a record unmatched for accomplishments and has gone out of his way to encourage newcomers to the breed and field trialing. Over the years he has also accumulated a storehouse of historical data on the Brittany and has begun donating it to our museum.

Ken Jacobson has been a doer and a giver his entire life. He has excelled in his pursuits and supported our breed since 1965 as an owner, breeder, trainer, show handler, field trial handler, club official, field trial judge, reporter and author for over 50 years - always promoting the Dual Brittany. His love, passion and commitment to our breed has spanned three quarters of his life.

Ken bought his first Brittany in 1964 as a hunting dog. Ken and wife Erin joined the Washington Brittany Club and decided to get into trialing to keep his dogs in shape for hunting. In 1966 he bought a pair of pups from Dr. Ralph Bolton in Kentucky, Pacolet Cheyenne Sam and Pacolet Sam Dingo, and began running them in puppy/derby stakes. Ken gave Sam the opportunity to excel – Ken doing the show handling and Rick Smith the field handling. In 1971 Sam became the only dog of any breed to ever win a breed's National Field and Bench titles. He was elected to the ABC and BFTHF and is the only dog other than Pointers/Setters to win a 3-hour championship in field trial history.

Ken served as ABC 1st VP and organized the first ABC Chukar Classic. He judged over 100 field trials, served as officers in Washington and Whid Isle Brittany Clubs, lobbied to remove "Spaniel" from our AKC breed name and is a member of the ABC Hall of Fame. Ken's dedication didn't stop there! Using his phenomenal artistic skills he created, commissioned and donated the following to our Hall of Fame at the Bird dog Museum:

- Life-size Brittany Bronze Sculpture of Sam installed in the gardens of the Bird Dog Museum and co-authored with Rick Smith creating the "SAM" book, a pictorial history of Sam
- Flushing quail Bronze Sculpture, "Records Live", mounted on walnut, of Pacolet Cheyenne Sam, Jacolet's Wandering Star & Tiger's Jocko, on an antique myrtle wood table

Now, 50+ years later, Ken is still dreaming up projects and funding ideas for the BFTHF ! Ken believes that the greatest achievement of the ABC is "Keeping the Brittany a Brittany".

Diana Kubitz Diana has given a lifetime of service to the Brittany breed. She has worked almost non-stop for almost 50 years for the Brittany, the Western Michigan Brittany Club, the Nat'l All Age Championships, the Nat'l Gun Dog Championships and the ABC. A local & nat'l club officer, championship supporter, field trial handler and scout, advocate for grounds improvement, breeder, show handler – Diana has done it all.

In 1972 Diana & Gary acquired their first Brittany, joined WMBC, helped at club trials and began trialing in 1974. She served as VP, secretary for 35+ years, field trial secretary/chair for 12 years and served as the only show chair the club has had. As the club's rep to the Ionia Field Trial Grounds Committee. Diana held banquets, applied to the 20th Century Fund & was editor of the Gun Dog Championship Books; each project raised money for the clubhouse, grounds and fence fund.

Since 1979, Diana has served the ABC, attending the nationals every year, yearbook editor for 13 years, hospitality chair for 21 years, 2nd VP for 2 terms, co-authored the ABC Code of Conduct, membership chair twice and served as chair of the JEC from 2008 thru 2020. As a breeder, mentor and show handler, Diana has handled numerous Brittans to their Dual Championships and written many articles for publications regarding the breed, its standard and other topics

Diana purchased a pup from Lyle Johnson in 1983 and named him Renegade's Kansas Kid. Lyle campaigned Kid and finished his FC in April of 1986 and Diana finished his show title 5 weeks later in Nebraska. Bob Burchett took over as Kid's trainer in 1988. Diana developed her handling skills by scouting her own dog and all the dogs on Bob's string. The highlight of her career was handling Kid to the National Amateur Championship in 1992 and his induction into the ABC Hall of Fame. Kid has produced many show and field winners over several generations.

Since 2012, Diana has been on the Board of Directors for our hall of fame. She and Gary have contributed to and supported our Hall and museum with their time, energy and contributions. In 2019 Diana contacted a well-known artist in Michigan, Herbert L. Park, and commissioned him to do a painting of four past national champions from an old b/w photo. This painting hangs in our museum. Diana had large prints made and note cards that are sold with funds going to our endowment fund.
