The American Brittany

VOLUME LXXV • NUMBER 6 • JUNE 2023

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Book of the American Brittany

1990-2010 EDITION

compiled and edited by
Jessica Carlson

NOW AVAILABLE

The Book of the American Brittany, 1990-2010 Edition

is an invaluable source of reference and enjoyment for all Brittany breeders and enthusiasts. Expanding upon the previous works by Dr. Fred Z. White, Nicky Bissell, and Rheta Cartmell, this 320-page edition focuses on dogs and Brittany events between the years 1990-2010.

Chapters include: History of the American Brittany; Field Trialing 1935-1989; Modern Field Trial Winners; ABC Classics & Championships; The Show Brittany; The Dual Brittany; ABC Futurities; Performance Events (Hunt Tests, Obedience, Agility, NSTR); Top Producers; ABC Honor Rolls (Hall of Fame, Life Members). These are followed by an index of ABC event winners from 1942-1989, and an index of all dogs mentioned in the book. The text of this book is brought to life with over 625 color and black/white photos, many of historical value, and as many as could be obtained of the modern-day dogs mentioned in the book.

2022 ABC National Amateur Championship

Blue Mountain-J. Perry Mikles WDA, Booneville, AR

December 7-9, 2022
As seen by Jan Kilpatrick

L to R: Stan Williamson, Kent Patterson with Piney Run Hilltop Blew, Judge Howard Burbach, Jan Kilpatrick, Claude Kilpatrick with Rusty Ridge Where U Been, Judge Dave Capstick, Crystal Alexander with JWB Arctic Cat, Jack Alexander, Dr. Robert Rankin, Richard Beaver, Mike Poehler with Tequila Chica Bonita

Though entries were smaller than 2021 there was no lack of talent in this dynamic gathering of 24 of the topmost titled all age Brittany competitors from across the country. There was high humidity and a few mild rain showers on the first day; heavy early morning rain which caused a delay in the action on Thursday morning. This delay added half a day on Friday morning to complete the running of the 2022 NAFC. The grounds were prime creating excellent viewing of all the action thanks to the Arkansas Game and Fish Commission, Manager Brad Wells and crew.

This was Kent Patterson's final year as 1st Vice-President and as always he managed the multiple tasks of the Field Trial Chairman impeccably. Long time National Field Trial Secretary Steve Ralph was unable to make the journey to Booneville but covered all his duties in an organized and efficient manner. Members of the Field Trial Committee consisting of Bret Lindback, Steve Ralph, Claude Kilpatrick, Bob Rankin, Richard Beaver, and Burton Wice assisted Kent with the scheduling and coordination of all the national activities. Scott Johnson graciously stepped in as Stakes Manager when Ed Tillson fell victim to the Booneville Crud. Bob Rankin served as the Judges Marshall and Bret Lindback again served as the Course Marshall. Bret with his group of volunteers kept the gallery moving in an orderly fashion. Praise to Ed Kostka and Darlene Dow for coordinating the multiple tasks associated with the management of the dog wagon. Let's give a big HOORAH for Judi Tipton and her personable crew who always work diligently to provide us with excellent food and beverages throughout the running of all the American Brittany Club National Events.

Purina has been a consistent sponsor of American Brittany Club events for many years. Purina again donated small bags of Pro Plan to each dog entered and full bags were distributed to the Winner and placers. Performance Purina jackets were presented to the Judges and Reporter and were well received. Garmin provided their quality locating device to the winning dogs. Most of the event competitors use a Garmin locating device trusting they will be able to locate should a dog go astray. Last but certainly not least, thanks to Kevin Parrish, The Saddle Guy for providing gorgeous, functional saddles for the winners of all our National Events.

Events held at the National Amateur Championship began with the National Amateur Championship Calcutta on Tuesday December 6. Wednesday night, December 7 Kent Patterson hosted a party celebrating the 2021 National Amateur Champion, NFC/FC/AFC Piney Run Hilltop Blew. Kent and assistants adorned the Clubhouse tables with nostalgic items he had gathered from his Nebraska Sandhills training grounds. Obelisk table monuments and petite windmills were adorned with miniature cottonwood trees, sand bluestem and prairie lovegrass plus pieces of rusted barbed wire from replaced fencing. Just a few of the tangible items that symbolize an important part in the development of Blew's natural abilities which prepared him to become a back to back 2 time ABC National Amateur Champion. For the celebration Judi Tipton and crew prepared prime rib 'extraordinaire' with all the perfect side dishes and dessert.

This year's judges were Dave Capstick and George Hill both who

reside in the St. Louis Missouri area. These gentlemen expressed their desire to see true all age dogs exhibiting intelligent wide open ground applications with endless amounts of determination and bottom as well as appropriate manners and style on their birds.

The Recognized:

Champion: Bottom Dog Brace 10 2XNAFC/RFC/FC/AFC Piney Run Hilltop "Blew", Handler/Owner: Kent Patterson. Blew, 5 year-old white and orange male out of Piney Run Chalk & Piney Run Chicklet.

Facebook phenom, Piney Run Hilltop Blew was the winner of the 2021 NAFC and repeated this prestigious accomplishment at the 2022 National Amateur All Age Championship. Blew sprinted effortlessly from breakaway giving us glimpses of his swift application to all objectives on both sides of Course 1. Blew worked all likely bird areas and was observed entering the long stretch around the Cotton Fields as the judges and gallery rode down the horse path looking for him to reappear. After a short disappearance a loud distant cry of POINT reached us at 32 when Blew was discovered standing tall in heavy cover with bracemate Dottie backing. Birds were put to flight with all in order and Blew enthusiastically resumed his trek. Displaying far flung casts to the front Blew flowed down to the river run staying mostly out of sight. Trusting Blew would make the right turn onto the road leading to the horse bridge, towards the end Kent rode the tree line paralleling Ryan's Lane and in perfect synchronization handler and dog joined up right where the roads intersect just as time was called. It was an incredible extraordinary finish to an outstanding Championship run.

RU Champion: Bottom Dog Brace 2 GFC/FC Rusty Ridge Where U "Been", Handler: Claude Kilpatrick, Owners: Claude & Jan Kilpatrick. Been, 7-year-old white & orange male out of NAFC/GFC/GAFC/FC/AFC Spanish Corral's Sundance Kid and FC Blew By Yet ?. (As witnessed by Scout Jan Kilpatrick)

Been exploded onto Course 2 demonstrating a lot of horsepower in his flying effortless gait. My trusty horse Liberty snorted when I kicked him into second gear to let him know we were the scouting team for Been this day and we must both stay on task. Inhaling deep breaths, we both attempted to maintain an approximate location for our fast, cover-crashing charge. Fortunately, both handlers were loud and thoughtfully using their got 'em whistles which made it simpler to stay somewhat connected. When I finally sighted Been moving rapidly through a far frontal tree line heading towards the old 109 bridge, for 20 seconds or so I relaxed and enjoyed the show. After rimming the meadows tree line at warp speed Been crossed the road to quickly hunt the long center mott never slowing down as he headed through the first gate into Parish Field. Things got interesting when Been chose to go left onto the dog wagon road instead of taking the right bend of the course. After a few choice words Been rejoined Claude and headed back on course kicking up mud. At 55 Been spun like a top in mid stride, landing locked-up glaring intensely into the overgrown roadside tree line. Claude quickly dismounted and as he entered the dense cover a small covey took flight. Shot was fired with Been standing tight and mannerly through the encounter. With 3 minutes left in his hour Been took off down the course like he was just getting started

but remained in sight when time was called this year. It was an exhilarating all age performance that's "Been" a long time coming.

3rd: Top Dog Brace : GFC/FC/AFC Jwb Arctic Cat "Kimber", Handler: Jack Alexander, Owners: Jack & Crystal Alexander. Kimber, 6-year-old white and orange female out of Maxwell's Outer Limits & Chancey's Frozen Asset.

Kimber is no stranger to the recognized write up section of many National and Regional All Age events and she is always a force to be reckoned with every time she hits these Blue Mountain grounds. 2022 was no different as she broke away onto Course 3 on Wednesday afternoon guns-a-blazing. Her first half-hour was filled with impressive casts to all the objectives Course 3 had to offer. Though most of moves were to the front occasionally she would circle back then take off again. At 40 she backed her bracemate with intensity and perfect manners. From that point on Kimber was all business. She hit the front and made her way through the challenges of the windy overgrown course hitting all objectives. Her fast frontal ground game paid off big time when she was found standing at 55 in the middle of that particularly woody viney area in the vicinity of the gas well. Birds are known to exist in this area, but they aren't easy to find but Kimber found a big covey of them and locked up tight. Jack had to navigate around the obstacles to reach her but finally a big covey rose with Kimber standing tall looking like a million bucks through the flush and fire. She finished her hour to the front as strong as she started. A truly exciting performance by an exceptional all age bird dog.

4th: Top Dog Brace 11: NGDC/DC Tequila "Chica" Bonita, Handler: Richard Beaver; Owner: Richard & Amanda Beaver. Chica, 4-year-old white and orange female out of NAFC/GFC/FC/AFC Spanish Corral's Sundance Kid and Sniksoh Tequila Caliente

Though not as powerful or self-confident as the other winning performances Chica was a fantastic coming of age bird dog to watch. Her enthusiasm was contagious, and intelligence apparent as she made her way to all the objectives Course 2 had to offer. She pointed with intensity, style, and manners on her two finds at 24 and 54 and finished to the front with energy to spare. Her performance was exciting, entertaining and certainly deserving of her 4th place finish.

The Running:

First Day, Wednesday Morning, Dec 7, 2022, Temp range 56 to 58, 98% humidity, light NE winds with intermittent rain.

Brace 1 NFC/NAGD/FC/AFC B & T's Sonndance Kid Rock, "Rocky", Trasa Fowler and Mr. Staley, "Doc", Dan Campbell

Rocky and Doc were in a foot race down the horse path when they broke away over Course 1 on this cool humid first day of the 2023 NAFC. At 14 both handlers called point for their dogs who could be seen standing in a small grove of trees right off the road in close proximity to each other but in slightly different areas under the trees. As handlers moved to flush the birds Doc decided to help Dan and was picked up for his indiscretion. Rocky stayed mannerly through the drama, flush and fire. When released Rocky crossed over to the left side of the road and scored another find under the big cedar where quail love to gather. A bird flew out at 20 with all in order and Rocky continued his journey at a moderate pace.

Rocky never ventured too far from the horse path but posted a nonproductive at 27, two more finds at 42 and 57 with all being in the edges along the horse path. Rocky exhibited good style and manners on all his birds, but his race and range lacked what the judges were looking for this day.

Brace 2 GFC/FC/AFC TJ's Black Diamond, "Coal", John Perry and GFC/FC Rusty Ridge Where U "Been", Claude Kilpatrick

Coal and Been broke away at 9 from Course 2 with speed and intensity. There was light intermittent rain on and off throughout the hour, but nothing slowed down these two fast and forward contenders. Been's race is described in the recognized section above. After a short disappearance as we approached the old 109 bridge Coal was brought back heading to the front when he locked up tight at 30 into a patch of grass in the small meadow on the left side of 109. After a short search by John a bird was put to flight with all in order and Coal continued his lively quest for more birds. Coal pointed again at 45 but no birds could be found. Coal finished his hour as strong as he started but his application became erratic and sticky towards the end.

Brace 3 GFC/GAFC/FC/AFC MK's My Lil Ammo, "BB", Nick Blasi and FC/AFC WW's Miss Wendy Peffercorn "Wendee" "Mac", Burton Wice

Trouble started early after the Course 3 breakaway for Wendee and BB. Wendee pointed at 4 in a small mott on the left side of the road with BB backing. Wendee was relocated and BB moved slightly forward and was ordered up. No birds could be found so Wendee moved on. At 12 Wendee pointed again in a different location. Again, no birds could be found so Wendee headed for the dog wagon.

Wednesday Afternoon Temp Range 59 to 62, 93% humidity with NE winds 8-10 mph

Brace 4 NAFC/GFC/DC/GAFC2/AFC Anj's Ohio Hellion, "Hank", Mike Poehler and NFC/GFC3/RFC/GAFC/FC/AFC CVK's Spartan King, "Leo", Jack Alexander

First afternoon breakaway came at 12:45 with Hank disappearing and never returned to judgment. At 10 Leo scored a nice covey find in that small grove of trees right off the horse path. Leo stood tall and tight through the flush and fire and was sent forward. Leo's next point at 18 proved non-productive and at 48 he had another non-productive which ended his run.

Brace 5 Jowill's Sweet Mandolin Music "Manie", Joe Williams and NFC/GFC/FC/AFC Wild Wild "Willie", Steve Cosgriff

Manie and Willie started slowly from their 2:00 breakaway and Joe invoked handler's option to pick up Manie at 10. Willie began hunting hard making some nice forward casts and at 20 pointed into the wide oblong feed strip right off 109 that is known to hold large coveys. Steve kicked all around the area and decided to relocate Willie. After his 2nd relocation Willie found a single bird which Steve put to flight with Willie remaining mannerly through the flush and fire. When Willie was released he started making some long solid casts and pointed again at 35 into a tall grassy area off the right side of the road. Birds were flushed with all in

order and Willie sent on his way. At 50 Willie pointed into the tree line on the right side of the road heading towards the horse bridge. 2 relocations later no birds had been produced as time was called.

Brace 6 GFC/FC/AFC Jwb Artic Cat "Kimber" Jack Alexander and FC Wiyanna, "Annie", Matt Harris

After a short refreshing break Kimber and Annie were released onto Course 3 at 3:11. Kimber's performance is described in the recognized section above. It was a special tribute to Terry Gowin from his friends Matt Harris and Steve Foster to bring Annie to the 2023 NAFC. Terry was a stalwart to the Southern Kansas Brittany Club and his death in November 2022 was devastating to all who knew, and field trialed with him. Terry had qualified Annie to run at this year's Nationals and Team Terry (Matt & Steve) brought her to complete the job Terry had worked so hard to achieve. Annie is a bird dog to her core. She was meticulous in her search for birds and when she found them she looked like a million dollars on point. Annie was found standing at 15 in a small mott and exhibited perfect manners as the birds were flushed and the shot fired. Released she ran the edges, worked the cover, and pointed again at 35 with her bracemate Kimber honoring. Again, Annie stood tall through the flush and fire and sent on her way. Her last find came minutes later at 40 in that same long tree line. Annie was intense in her point and multiple birds could be seen milling around in front of her. Matt approached and flushed the covey, but one bird flew low directly over Annie's head and the dead-broke string "broke" as Annie turned and chased that bird yipping in glee. Matt just shook his head and softly said, "I guarantee Terry is laughing right now". Annie was gathered up by "Team Terry" and lovingly placed in her seat in the dog wagon.

Day 2, Thursday Morning, Dec 8, Rain Delayed. Thursday Afternoon 63 degrees 98% humidity light NE winds

Brace 7 FC WW's Miss Carona "Rona", Burton Wice and NAFC/FC/AFC Blew Me Away, "Bud", Norm Ahl

12:45 breakaway featured this year's winner of the ABC Derby Invitational, Rona and the 2020 NAFC winner Bud. Rona had her running shoes on and looked like a million bucks on her first find at 9. Bud was covering a lot of Course 1 rapidly and shortly after crossing Lick Creek he was found pointing in the long tree line above the road. Bud was surrounded by birds but handled the pressure flawlessly with an abundance of style and manners. Both dogs continued in frontal mode with Rona continuing her fast forward race scoring her second find right after the double gates, again handled with style and manners. Bud geared down, still hunting hard but close in and at a leisurely pace. As we approached the horse bridge, point was called on Rona just before time was called. Burton was instructed to work the point and to everyone's disappointment, at the flush Rona chased the absconding birds. For a youngster Rona did a bang-up job in her first National Championship debut and maybe in her mind it was the perfect ending.

Brace 8 Piney Run "Patch", Kent Patterson and My Lil Classic Mercedes "Cedes", Richard Beaver

It was 1:55 when Patch and Cedes broke away on Course 2. Patch moved smooth and swift through the meadows and down

the lines. Cedes was more moderate in her pace but worked the course like a real pro. At 10 we saw Cedes pointing in a small grassy area by the side of the road. Richard stomped through the grass, but no birds were found. Cedes was cast off towards the old 109 bridge we observed Kent holding Patch on a lead waiting for the dog wagon. Kent gave the short scoop of what transpired. Basically, that giant covey of birds that hang out on old 109 in that ugly brier patch year after year claimed yet another canine victim—that victim being Patch. Meanwhile Cedes rolled through the area and headed cross the road to the extreme left of the big meadow. Minutes later a loud cry of POINT rings out and we hustle on over and view Cedes standing tall in the vine infected trees. Richard fights through the jungle and puts a big covey to flight, fires the gun with Mercedes standing like a statue through the process. Cedes continues solo and scores another solid find at 51 with all in order. Near the end of her hour Cedes race and range diminished.

Brace 9 NAGDC/GFC4/FC/AFC Sniksoh Hank's "Hatch", Adam Freeman and Jagoub's Spell Caster "Tabu", Tom Jagielski

After a much needed break the final brace of the day left at 3:10 over Course 3. Though this pair started with good intentions about halfway through Hatch became obsessed with Tabu and Judge ordered him up. Tabu was moved forward and locked up at 40 pointing into a mott of trees. It was easy for the roadside viewers to see the birds, but they were down in a roadside hole, and it was challenging for Tom to get through the trees to work them. He finally flushed a couple, then fired a shot with Tabu standing with patience, style and manners. When released Tabu just couldn't decide which way she wanted to go so at 55 judge asked Tom to pick her up.

Friday Morning, December 9, Temp Range 52-57, 80% Humidity and light Northerly Wind

Brace 10 GFC/FC Sigbrit's Not In Kansas Anymore, "Dottie", Richard Beaver and NAFC/RFC/FC/AFC Piney Run Hilltop "Blew", Kent Patterson

When Dottie and Blew broke away at 7:55 there was no doubt in the gallery's mind that the fog and mist was not going to slow these two all age contenders down. Blew's Championship race is described in the Recognized section above. Dottie was eager and enthusiastic the whole time. At 32 she backed Blew until the two were discovered and the birds worked. Dottie searched smartly and stayed on task for the entire hour but did not connect with any birds of her own.

Brace 11 NGDC/DC Tequila "Chica" Bonita, Richard Beaver and Prairie Wind Pistol Pete "PD", Jack Alexander

Chica's race is described in the Recognized section above. PD's speed and determination were only observed for a few minutes after breakaway as he went missing and never returned to judgment.

Brace 12 GFC3/GAFC2/FC/AFC JJ's "Levi" the Lionheart, Joe Williams and DC/GAFC2/AFC Arrow's Tequila Rustler, "Rusty", Richard Beaver

These two dogs have many championship wins and placements between them and all in the gallery were eager to watch them as

they broke away at 10:28 over Course 3. What we saw were two mature bird dogs making some great moves but without their usual fire and gusto. Levi had two meticulous finds. One came at 13 with Rusty backing and the other at 54. Rusty finished his hour with no birds and both Levi and Rusty were ready to call it a day and head for home.

The running of the 2022 American Brittany Club National Amateur All Age Championship was completed, and all looked forward to the Announcement in the Clubhouse!

ENJOY YOUR DOG

More Action Per Acre

From the excitement of local field trial competition to the satisfaction of competing in and winning national upland game hunting events, NSTRA members really enjoy their dogs. So can you. No matter what pointing breed you own, if your dog can locate and point birds, you can be successful in NSTRA's fairly conducted field trials which reward both quality and quantity in the upland gamebird field trial competition.

With NSTRA you can:

- Earn championship points and obtain championship status
- Compete in regional field trials, NSTRA National Championship Trials, Dog of the Year and the Top Performance award competitions

The Brittany Gazette

The Expert

by Dave Webb

The latest copy of Merriam-Webster dictionary defines the term expert as one “showing special skill or knowledge”.

Expanding further it could be said that an individual who has studied and through many years of experience become someone who has acquired a reputation of being an expert in a specific field.

More years ago, more than I like to think about as a teenager, still in high school, almost every Saturday my brother and I would be working for Dad on his land survey crew. Often there also was another of his fellow workers that would be a part of the four-man surveying crew. It was tough getting up early in the morning to travel to a work site and cut brush almost all day to measure property-lines.

But then it is remembered that Dad could be called an expert. He had developed a reputation as someone who could be “counted-on” to do a good job in a timely manner to complete a boundary-line survey for a landowner or developer client. His work was considered impeccable. He never vocalized or bragged about how good was his work. He just did the job!

So what does this all have to do with dogs, training, and show and field trial competition events? Over the 50 plus years that I have been involved with the Brittany, it has been determined

“there are real experts and there are what could be called pretenders”. Who are in their own mind real experts? No one else’s opinion matters.

These are pretender individuals who will gladly expound on “how to train” and what a “Brittany should look like” and how the dog should run – perform a field. They usually have competed and/or placed in either or both show and field trial events. They have had success in these events. Their dogs are titled and their breeding tends to stay within a “small circle” of other like-minded owners. One might say they are “kennel-blind” and one could question if their breeding is done to improve the breed.

All that said one could say they believe themselves to be experts, who tend to be vocal with their opinions about the breed:

- too much white, not enough color; white on ears,
- only good looking Brittany is an orange/white,
- ugly roan coat, especially with liver color,
- just cannot have a big running all-age dog,
- physical characteristics of the dog are not correct – head, neck, legs, or tail “just wrong”.

So what does this tell us – these experts are only interested in “appearance”. Putting it bluntly, they are only primarily interested in how a dog looks rather than being focused on performance in competition events. One could say “it is a pretty dog, but cannot find any birds”. This statement also has been made for other sporting breeds.

The Brittany originated from the northwest province of France. It was a farm, hunting, and guard dog for the locals. The family relied on the dog to help provide “food for the table”. The breed was brought to this country in the 1930’s based on its reputation for being an upland bird hunting dog. It was the performance – finding and pointing game for its master. Dad had a reputation of impeccable work ethic. Integrity was beyond reproach. Maybe I have become one who is a skeptic. To me the competition (agility, show and field events) must be conducted with integrity. It is performance and not appearance.

GARMIN

Back row: Jerry Langford (Judge), Scott Johnson, Mike Griffin (Judge) and Wesley Felt
Front row: CHIEFS CROSS PAINS COPPER BREEZE- Craig Rucker, SNIKSOH DIAMOND JACK- Richard Beaver, MR. STALEY- Daniel Campbell, ALAMADEN'S UNDER LOCK AND KEY- Ed Tillson

The 2023 running of the Texas Brittany Open All Age Championship was held February 6-7, 2023 at the Lake Murray State Park Field Trial Grounds, near Ardmore, Oklahoma. The TEXAS OPEN BRITTANY CHAMPIONSHIP was hosted by the Lone Star Brittany Club and followed the Regional club event held February 3- February 5, 2023. The trial was moved back a day due to a winter storm which prevented travel on Wednesday and a Friday start for the Regional trial.

The success of this Championship event is due to the members of the Lone Star Brittany Club and all the attending participants at the grounds. However, there are some fine folks we need to mention for their contribution to the success of this event. Club members Wesley and Mary Felt and Ed Tillson were able to be at the grounds however the weather kept both club members Bret Lindback and Mary Karbiner from the event. These club members devote their time to make this event a premier Open Championship in the Brittany world.

The Lake Murray Field Trial grounds have established coveys of bobwhite quail and everyday planted quail were added to the population. The Oklahoma Field Trial Association provided a John Deer Gator to plant the birds. Richard Beaver made time every day to keep the quail healthy. Wesley Felt was bird planter and Marshall for the event. Doug Foster was there every day to drive the dog wagon. We thank these dedicated folks for sharing their time in putting on this successful Championship event.

We give a special thank you to Purina Nestle our sponsor for the Texas Brittany Open All Age Championship. Purina Nestle gives both money toward the running of this event and Pro Plan products for the winners.

Purina Pro Plan is fed to several dogs running in this event as testimony to the quality of ingredients that brands the Pro Plan dog products as excellent.

The judges for this year's event were Jerry Langford, Texas and Mike Griffin, Oklahoma. These two judges were up to the task of two days of riding to select the dogs with the all-age range, intensity on birds pointed, and the handling necessary to be named the Champion and Runner-up Champion. Thank you judges for giving of your time in the saddle.

We had eighteen dogs started in this Championship. The Champion named for the 2023 Texas Brittany Open All Age Championship was CHIEFS CROSS PLAINS COPPER BREEZE. His parents are CHIEFS DOUBLE GAUGE NICK and NUBBINS BREEZE OF VICTORY. He is owned by Craig Rucker and was handled by Craig Rucker. The Runner-up Champion was SNIKSOH DIAMOND JACK. His parents are GFC FC TOUCH OF BOURBON LITTLE CHUG and FC SNIKSOH LITTLE DIAMOND. He is owned by Tom & Jane Wonderling and was handled by Scott Johnson.

The third place was awarded to MR. STALEY. His parents are NFC BEAN'S BLAZE and JANEY'S RUSH'N POST THE LIMIT. He is owned by Daniel Campbell and was handled by Daniel Campbell. The fourth place was awarded to GFC DC ALMADEN'S UNDER LOCK AND KEY. His parents are DC MASKED JACK OF DIAMONDS and DC ALAMADEN'S LONE SHADOW DANCER. He is owned by Emmy and Noah Wollenburg and was handled by Ed Tillson.

The Championship running:

The weather for the two days was cold with mixture of rain. Birds were plentiful with several dogs having multiple finds.

Brace 1: SIGBRIT'S NOT IN KANSAS ANYMORE- Scott Johnson and WINGRA'S INDY-GO!- Ed Tillson. SIGBRIT'S NOT IN KANSAS ANYMORE had two backs early and midway had a point, but handler could not locate bird. A few minutes later Doti went on point and her manners were not good and went to the dog wagon. WINGRA'S INDY-GO! Had a bird at 5 and went on to have two Non-Productive and went to the dog wagon.

Brace 2: SS RIG'S COLORADO GUN RUNNER- Tom Milam and B&T'S SUNDANCE KID ROCK- Scott Johnson. SS RIG'S COLORADO GUN RUNNER had a find at 2 and a back at 4 and two more finds at 13 and 27. Had a good move where he stayed next to lake while the handler was making his way to the front. Rigs showed to the front and at 46 had a non-productive with another find at 50. He finished the hour. B&T'S SUNDANCE KID ROCK began early with points, one at 4 and the second at 8, but handler was not producing the birds and elected to take him to the dog wagon.

Brace 3: ALAMADEN'S UNDER LOCK AND KEY- Ed Tillson and SILVERADO- Rob Rohner. ALAMADEN'S UNDER LOCK AND KEY had great forward race early and birds at 13, 20, and 47. The first find was impressive when all had to ride through the forest to the other field. Ouidi was getting hot and water was available. Handler tried to convince him to water-up; he wanted to keep going and finished the hour. This performance was enjoyed by the judges as ALAMADEN'S UNDER LOCK AND KEY awarded fourth place in the Texas Brittany Open All Age Championship. SILVERADO had some good lines early but it was getting warmer and was slowing his pace and handler elected to pick-up before the hour

Brace 4: SHE'S OUTA CONTROL- Scott Johnson and ARROW'S TEQUILA RUSTLER- Richard Beaver. SHE'S OUTA CONTROL had some forward lines and a bird find at 54 and finished the hour. ARROW'S TEQUILA RUSTLER had a bird at 16 and completed the hour.

Brace 5: PINEY RUN WHITE LIGHTING- Scott Johnson and MR. STALEY- Dan Campbell. PINEY RUN WHITE LIGHTING had a back at 35 and non-productive at 43 and finished the hour without a bird. MR. STALEY was forward and hunting. He had birds at 35 and 45 with great manners. His finish was at medium range. This performance was enjoyed by the judges as MR. STALEY was awarded Third place in the Texas Brittany Open All Age Championship

Brace 6: T.J'S BLACK DIAMOND- John Perry and MK'S MY LIL AMMO- Scott Johnson. T.J'S BLACK DIAMOND had a good effort and went to the right spots but finished the hour without a bird. MK'S MY LIL AMMO had a point and relocation; however, she bumped the bird and went to the dog wagon.

Brace 7: SNIKSOH DIAMOND JACK- Scott Johnson and CHIEFS CROSS PLAINS COPPER BREEZE- Craig Rucker. SNIKSOH DIAMOND JACK started slow but gained strength throughout the hour. He had three birds at 2, 39, and 49. All his bird finds were with great style. He had a strong finish to the hour. This performance was enjoyed by the judges as SNIKSOH DIAMOND JACK was awarded Runner-up Champion in the Texas Brittany Open All Age Championship. CHIEFS CROSS PLAINS COPPER BREEZE began early to seek the front. He slammed on point at 8 and handler flushed the bird and fired, as manners were great. His bird work continued forward at 19. The intensity on point continued through the flush and shot. The forward pace was strong and his bird work was complete at 52. Manners were impeccable like the last two finds. He was released and continued forward with some worries he might be lost at time. After a few minutes of searching forward, handler was carrying him by horseback from the front, to show the judges. This

performance was enjoyed by the judges as CHIEFS CROSS PLAINS COPPER BREEZE was awarded Grand Field Champion in the Texas Brittany Open All Age Championship. He will be awarded the new AKC Title: Regional Field Champion.

Brace 8: TEQUILA CHICA BONITA- Richard Beaver and GREEN ACRES JAZZEE- Rob Rohner. KNINE FINALE'S WAY TO GO was scratched so the last three braces were rebraced to resolve the same handler being braced. TEQUILA CHICA BONITA was running somewhat erratic and the handler elected to pick up early. GREEN ACRES JAZZEE had some early moves forward. He was slowing some and handler elected to pick up before the hour.

Brace 9: MK'S MY LIL CLASSIC- Scott Johnson and MY LIL CLASSIC MERCEDES- Richard Beaver. MK'S MY LIL CLASSIC had two backs and a bird early and found the front and was deemed lost before the hour. Handler called for the tracker. MK'S MY LIL CLASSIC had two finds early with his brace mate backing. Not sure the pressure of brace mate caused the sloppy manners, but gun was fired with big steps to mark. She was released and was always forward and this young dog settled down when she was by herself had three more finds with great manners. She finished the hour going away.

This concluded the running of the 2023 Texas Brittany Open All Age Championship.

SMITH SEMINARS

There are people that
whisper to dogs.

There are people that
listen to dogs.

Listen first.

Celebrating
63 years of
Smith Seminars!

Generations of our family have been dedicated to creating a training system that works for all breeds of bird dogs and which professionals and amateurs alike can implement in their training. Our seminars can help you bring your relationship with your dog to a new level and provide a proven training method that can be relied on throughout your dog's life. Come join us at a seminar to take the next step with your dog!

Contact us for more information on our seminars and step-by-step training.

APPLICATION FOR MEMBERSHIP IN THE AMERICAN BRITTANY CLUB

The American Brittany Club, Inc. is a member club of the American Kennel Club and is the recognized breed sponsor by the American Field.

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

BECOMING A MEMBER: Full membership in one of the Regional Clubs carries an automatic membership in the American Brittany Club and will entitle you to the monthly magazine. The American Brittany Associate Membership is available if person is a Full member of a Regional Club or immediate family member of a Full member. Full Membership cost is \$50.00 per year and \$5.00 per year for each Associate Member. Regional Clubs may charge higher dues. You may apply to join the Regional Club located nearest to you, or if there is none in your area, you may become a Member-at-Large of the American Brittany Club. Joining a Regional Club will afford you with the most opportunities for interaction with other Brittany owners.

GIVE A GIFT MEMBERSHIP: We are asking members to give a gift membership to a puppy purchaser, a friend or acquaintance who has a Brittany. All of us encounter people who may just need a little encouragement to become members.
