Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

L-R: Lisa Pollock Chair, Judge Dennis Sullivan, Joe Williams, Richard Beaver with Tequilla Chica Bonita, Bob Burchett, Mike Poehler & Hyatt Burchett with Sovereign's Judge N Jury, Chuck & Marcia Lawrence, Dawn Droel, Scott Johnson with My Lil Classic Mercedes, Judge Andrew Campbell, Jackie Hutwagner with Atos, Tom & Debbie Jagielski, Bill Hancock

For the 2022 National Open Gun Dog Championship in Booneville, Arkansas, 55 dogs were entered. There was one weather delay for the first day, but after that all flowed well.

Our prestigious judges Dennis Sullivan and Andrew Campbell have been in pointing breeds for many years, bringing extensive knowledge in trialing and judging a variety of breeds. Many thanks to Dennis and Andrew for their time in the saddle, expertise and contributions to the event's success.

Thank you to our sponsors Purina and Garmin. Purina fuels many of the competitors and provides financial support for the event and complimentary bags of dog food for each entry. The winners received Pro-Plan dog food, an electronic training collar and a trooper saddle that was hand tooled and crafted by Kevin Parish, The Saddle Guy. Trophies and plaques were awarded to the placing dogs.

Thank you to the Field Trial Chairperson, Lisa Pollock, along with Darlene Dow for serving as the Field Trial Secretary and Joanne Perry as the reporter. Members of the Field Trial Committee were Darlene Dow, Ed Koska, Teresa Richmond and John Perry who also served as the Stakes Manager and organized the Marshals. Thank you to Linda Thomas for making sure the donuts and coffee were on the dog wagon. Thank you, Darlene, for taking care of the Calcutta. Thank you to all who volunteered to marshal; to Ed Koska for driving the dog wagon; and the countless others who volunteered their time, effort, knowledge and support.

Friday night was the welcome dinner catered by Judy Tipton and her awesome team; many thanks for keeping everyone well-nourished throughout the event. Following the dinner was a fun and successful Calcutta. Saturday was a rain delay however, last-year's winners' dinner was on for Copley-Sheltany Echo of Angels (Zoie). Julio and Connie

Rodriguez gave a very nice presentation and everyone enjoyed a fantastic meal. After Saturday's running, Purina catered the dinner for the Magnum's Masked Man award. Thank you to Bob Burchett for presenting the award and the perpetual trophy. Congratulations to Vince and Denise Anderson on winning the Magnum's Masked Man award with Gauge along with providing music for the evening. This was Gauge's 5th time winning this award. Sunday evening was the Garmin Award presented to Julio and Connie Rodriguez. They were awarded a beautiful picture of Zoie. Congratulations once again! What a year for Zoie!

To our sponsors, the competitors, the gallery and to everyone who volunteered, we greatly appreciate all that you did to make the event successful and fun. Thank you to all!

The winners: *Due to bitches in heat and one medical cause, bracing was modified.*

The Champion from **brace 11, Tequila Chica Bonita**
a) **Tequila Chica Bonita (Chica) – Richard Beaver**

b) TNT's Nymph in Harlem Pants (Jazz) – Bob Burchett

Chica came out the gate with her game face on with "Jimmy" (aka Richard) at the helm. Chica hit point on a covey in the island of trees at 23 with pizzazz. Both dogs handled the Fish Hook like no others so far, hunting and reaching to the edges then making a nice move, rimming the far side of the pond. Chica scored again at 40 before old 109, again very stylish with stellar manners. Jazz also had a find in the dirt road at old 109 with good manners. Chica was seen standing again at 57 well off her game at the motts leaving the old 109-area. With all manners in order and looking quite good Chica finished strong to the front with Jazz close on her heels.

From **brace 8 came the runner-up Sovereign's Judge and Jury**

a) MK's My Lil Classic (Classic Nova) – Scott Johnson

b) Sovereign's Judge and Jury (J.J.) – Bob Burchett

After the dogs broke away, at 24 Bob called point, however, this resulted in a nonproductive. At forty-four minutes, at the sorghum strip J.J. had a bird find with all in order and another find at 45 minutes at the end of the strip in the evergreen. Classic Nova had a nice run with no bird work. Both dogs finished the hour at the bridge.

Third place from **brace 1 was My Lil Classic Mercedes**

a) Hurricane Banjo (Banjo) – Bob Bakas

b) My Lil Classic Mercedes (Cedes) – Richard Beaver

Both dogs hit the ground running. At 11 minutes, point was called for Cedes; after the covey lifted we were off to the front. Banjo was seen standing to the front at 16 minutes as Cedes came in for the back. Bob

flushed a covey while Banjo remained stylish and staunch. Twenty-three minutes in by Lick Creek both dogs were seen standing; Cedes' bird lifted as Banjo backed. Cedes scored again at 28, while at 36, point was called for Banjo; he was moved as deer were seen leaving. At 52 minutes Cedes had a nonproductive; with a minute and a-half left, a bird lifted in front of Banjo and he went with it as Cedes finished at the bridge.

Awarded fourth place from **brace 6 was ATOS**

a) Ramblin' Gamblin' Willie (Willie) – Al Cropek

b) ATOS (ATOS) – Jackie Hutwagner

Willie scored a nice find at 4 minutes. ATOS was seen forward standing very staunch on the right, before Mario's Hill. The covey lifted with everything in order, and Jackie's enthusiasm could be felt as ATOS and Willie ran forward nicely. At the trap house Willie had a nonproductive, with a second find at 20. ATOS scored another nice find at 38, grabbing with gusto, while in Willie came back and forth looking for direction from Al. At 55 going through the cut, they had a divided stop to flush. Both dogs finished the hour, with ATOS a bit more forward.

- a) **Crosscreek Sanbar Windrider (P Ryder) – Bob Burchett**
- b) **Red Granite's Henry Will Be a Star (Henry) – Bob Bakas**

Henry started out like a missile, landing a covey find at 10 before Mario's Hill; he settled in a little more as the hour went on, at 33 point was called, it turned out to be an unproductive. At 37 P Ryder had point called; it also turned out to be an unproductive, and at 40, Bob Burchett opted to pick up P Ryder. Henry also started to call it quits as the hour came to a close.

- a) **Nalko des Sentier du Ramier II (Nalko) – Jackie Hutwagner**
- b) **Jowill's Sir Walter Raleigh (Raleigh) – Joe Williams**

With the winds that picked up, conditions were not conducive for scenting. At 44, Nalko had a nonproductive while Raleigh went birdless. Both dogs finished the hour.

- a) **Over Under Reign the Field (Reign) – Al Cropek**
- b) **Copley-Shelttany Echo of Angels (Zoie) – Scott Johnson**

Brace 18

- a) **B & T's Sundance Kid Rock (Rocky) – Scott Johnson**
- b) **Pretty Blue Eyes a Sweet touch of Charlie B (Charlie) – Bob Bakas**

Brace 19

- a) **Royal Flush Sire Oliver Twist (Ollie) – Al Cropek**
- b) **Marjo's Pineyrun Blew Genes (Levi) – Matt Basilone**

Point was called for Levi at 17 with Ollie coming in for the back before Lick Creek. Then at 24 Levi and Ollie had a divided find before the Big Oak. Brace 22

- a) **It's 5' O'clock Somewhere (Cooper) – Rebecca Walters**
- b) **Saradac's Dangerous Capter (Caper) – Lisa Pollock**

The two dogs were nicely hunting the cover. At 17, point was called for Caper; after a relocation she moved on. Forty minutes in Caper was seen standing, however, this would be her second unproductive. At 42, Rebecca called point; as she was flushing, Cooper wanted to assist.

Brace 23

- a) **Hit's A Ring of Fire (Ringer) – Matt Basilone**
- b) **Kozy's Rocky Mountain Gambler (Eli) – Al Cropek**

Sadie made a lot of nice moves with good ground application; at 56 minutes she established point and Bob had to literally kick the birds to flight. She finished the hour nicely.

Day 5 – Thursday, December 1, 2022 – This morning it is in the 30's with frost on the ground.

Brace 25

- a) **Ru-Jen's Grand Touch of Bourbon (Touch) – Rebecca Walters**

Brace 26

- a) **Kinwashky King Louie (Louie) – Diane Vater**
- b) **Bye**

This dog and handler worked like a hand and glove. Louie never gave up looking for the elusive game and was always to the front with an awesome ground application. The connection between handler and dog was definitely a special one. Although no birds were produced, he finished

- a) **Romence of Riley (Riley) – Bob Burchett**
- b) **Saradac's Diamond Facet (JoJo) – Scott Johnson**

At eleven minutes Riley and JoJo established point on the same treeline several yards apart. Both proved to be a nonproductive. Scott pulled the tracker for JoJo at 40 as she was MIA and suspected on a deer run. Riley handled kindly, but had no birds.

Brace 28

- a) **Stellar Fifty One (Stella) – Bob Burchett**
- b) **Bye**

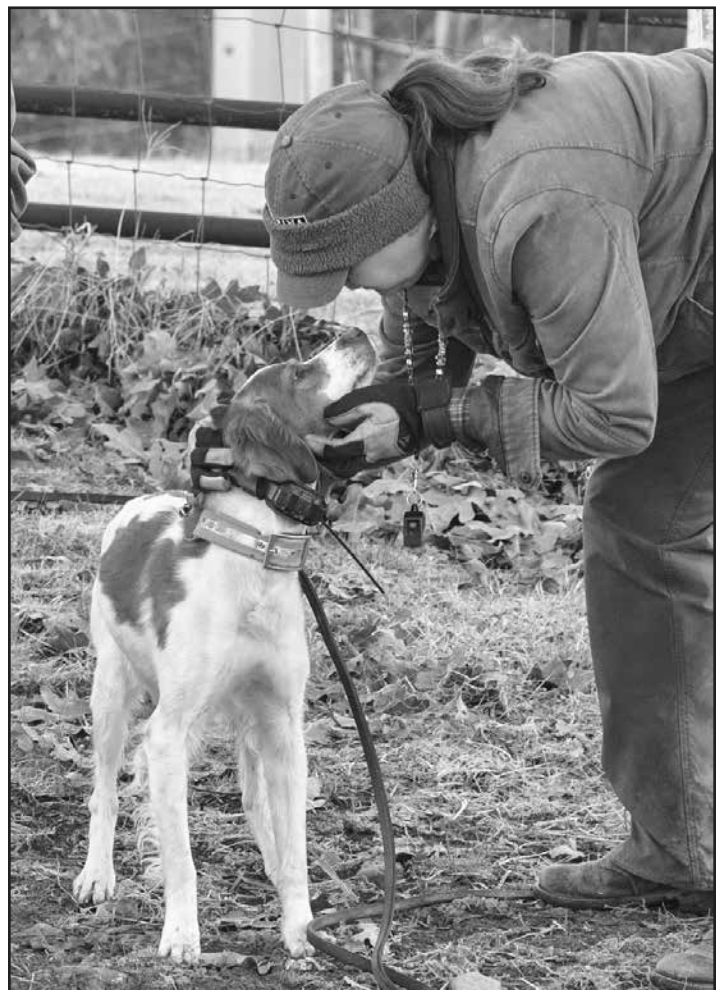

Stella hunted quite well. A couple times she came from the back then continued forward. At 31 there was barking in the treeline. Bob elected to pick her up.

Bits About Brittanys

by Clarence Goering

The following stories and cartoons have been reprinted from a manuscript that was intended to become a published book. This work was titled "BITS ABOUT BRITTANIES" and was written by Clarence Goering from Newton, Kansas. Clarence bought his first Brittany in 1942 it was a male he named Marquette Allamuchy. He was very active with Brittanies from that point until the 1960's. Being an active, well-known breeder during that era his kennel "TRIUMPH BRITTANIES" was nationally sponsored by Ralston Purina feed company. A copy of this manuscript was assembled into book form and is on display at the Brittany Field Trial Hall of Fame museum in Grand Junction, TN.

This cartoon shows an actual happening I had with my dog, Mickey. I was dove hunting at a pond and as I would shoot the doves, Mickey would retrieve them from the water. However, there was one distraction for him. A big bullfrog kept coming to the top of the water, and, as Mickey would swim out to retrieve him, the frog would dive under and Mickey would swim around wondering what happened to the bird.

This went on for quite a while, so I decided to put an end to the frog's antics. The next time he surfaced, I shot him. Mickey swam out, and not finding a bird to retrieve, he proudly retrieved the frog. After that, we both concentrated on doves.

Mickey was a real affectionate dog, but he had a little jealous streak. He didn't want me to pay too much attention to any other dog while he was near me.

One time when we were hunting in South Dakota in a cornfield, I was working Mickey and Rusty. As we

came to the end of the field, Rusty jumped up a big snowshoe rabbit. The rabbit started to run across the road but ran into a hog tight fence, which knocked him down. Before he could get going again, Rusty caught him and brought him to me just as if he were retrieving a pheasant. I petted him for a job well done, but Mickey didn't like it, so he jumped Rusty and we had a first class dog fight. I separated them and really disciplined Mickey for his actions.

Another time when Elmer and I were hunting, we were working Mickey and Max and Elmer's dog, Sandy, and we had another jealousy fight. We had driven into the farmer's yard and were visiting with him. We had let our dogs out of the car so they could have a drink of water. The farmer had a young pup, and as we were sitting and talking, the pup came over to Elmer to be petted. Upon seeing this, Sandy, being jealous, jumped on the pup. In turn, Mickey decided that Max was too close to me, so he jumped on him. I grabbed my dogs and they stopped fighting. But in the process, I got nipped on the hand a couple of places. We put the dogs back in the car and as I looked at my hand, which was bleeding a little, I laughed and said to Elmer, "This is a dickens of a note. Your dog started the whole thing but I ended up being wounded." Elmer just smiled and reminded me that it was my dogs that had nipped me so I had no further complaint.

Mickey sired the dog that won the 1969 National Bench Futurity. This dog and another dog sired by Mickey each won a goodly number of field trial placements.

ABC 2022 Quail Championship

Sportsman's Association Field Trial Grounds

Grovespring, MO

November 14-17, 2022

By Burton Wice

Front Row L-R: Bob Burchett with Bamajama Willy's Sassie Sadie, Mike Poehler with Sniksoh Hank's Hatch, Joe Williams with JJ's Levi The Lionheart. 2nd Row L-R: Judges Bud Moore and Rodney Albin, Burton Wice and Stan Williamson.

The Greater St. Louis Brittany Club hosted the 2022 ABC Quail Championship on the Sportsman's Association Field Trial Grounds in Grovespring, MO. The competition started on Monday November 14th. With 37 entries and 35 starters. Judges Rodney Albin of Moscow Mills, Missouri and C.W. Bud Moore from Toronto, KS assessed dogs over a 3 day period. Their time in the saddle was greatly appreciated.

Conservation does not allow us to use the clubhouse loop which is adjacent to a state wildlife area. This necessitated a horseshoe turn on the north end of the Bull Pasture and a return trip past the Blue House, then turning south into the Chute below the Twin Barns to resume the typical route on Course 3. Due to crashes and early pickups, this shortened course was usually sufficient to complete three braces.

The Winners

The Field Trial Sportsman's grounds are in the upper echelon of field trial venues in the nation. These grounds are groomed solely for field trials with feed strips lining the edges and thoughtful mowing of the fields. This year, the feed strips were in great shape. The three one-hour courses have a natural flow and offer good cover for quail and for watching dogs. Pre-released and wild coveys of quail are plentiful here; supplemental birds planted during the trial are an added bonus and aid in bringing the resident coveys back on course. As a result, multiple large coveys of quail were pointed (or not!) each brace. With the exception of Day 1 in which 7 braces were run, 3 braces were run each morning and another three each afternoon.

Secretary Burton Wice conducted the drawing on Sunday evening November 6 at his home in St. Louis rather than in his horse trailer on the field trial grounds because he had COVID19. Overnight lows during the course of this trial ranged from 25 to 40 degrees with daily highs typically reaching into the 60s.

Purina donated small pouches of Pro Plan Sport dog food for all entrants as well as 10 large bags to be split amongst the winners. Garmin donated a Pro 550 advanced training system for the Champion. The American Brittany Club, The Greater St. Louis Brittany Club, and all of the Quail Championship participants are very appreciative of the support received from these fine companies.

Missouri's rifle deer season started during the Championship which put the hunting season rules into effect at the start of the event. During deer season trials are not permitted to run through Clymer's pastures because of landowner hunting plans and The Missouri Department of

The members of the Greater Saint Louis Brittany Club worked well together and put on a smooth-running event. Burton Wice, field trial secretary, handled all of the paperwork and organization and coordinated with the others as to who would take care of each day's duties. Stan Williamson made sure the Quail had food and water. Stan Williamson, Dave Capstick and Tim Self planted birds each morning.

Joe Williams, Stan Williamson and Mitch Sims made sure judges were accompanied to area restaurants for dinners, purchased food, snacks and supplies for breakfast and lunch in the clubhouse as well as snacks and beverages for the dog wagon. Donna Janulis drove the dog wagon for the entire stake.

The Running

Day 1

Brace 1: Alder Grand Hopes Penny Ante (Penny R; Bob Burchett) and Prairie Wind Pistol Pete (PD; Jack Alexander). Dogs were released in the Breakaway Field. Afterwards, Penny wasn't seen until we arrived at the second creek crossing at 11 minutes. Unfortunately, she was also under birds and her day was done. PD was MIA until seen at the first tree line in Davis Bottom where he had a find at 22 minutes. Thereafter, PD's pattern was erratic and was picked up by the handler in the Island Field.

Brace 2: NAFC, RFC, FC, AFC Piney Run Hilltop Blew, JH (Blew; Kent Patterson) and FC WW's Miss Wendy Peffercorn (Wendee; Burton Wice). This was a quick one! Dogs were released at the top of Don Fox Hill. Blew was seen standing at 8 minutes as we approached Little Vine Loop but took several steps when birds were flushed. Wendee (owned by this Scribe) struck out- she failed to back Blew, stole point, and also took several steps when the birds flew.

Brace 3: Gangster's Secret Weapon (Sniper; Chad Holman) and Sniksoh Sonic Boom (Sonic; Bob Burchett). Dogs were released just before the entrance to Little Vine Loop. Unfortunately, Sniper chased birds at the 50 second mark and his day was done. Sonic had an erratic pattern, went MIA from the end of Sycamore bottom to the Twin Barns, and finished the hour without bird work.

Brace 4: Piney Run Patch (Patch; Kent Patterson) and Sovereign's Indecent Exposure (Flash; Bob Burchett). Due to a very quick brace 2, the Judges decided to run a fourth brace before lunch. Flash didn't make it to the line so Patch ran as a Bye. He was turned loose by the Blue House where we headed back toward the Chute on Course 3 below the twin barns. Patch got down to business with a find at 2 minutes in a milo strip just after the big pond. Patch was quick to self-release before he was collared by his handler. After 2 absences, Patch had a second find by the Cemetery on Course 3.

Brace 5: My Lil Classic Mercedes (Cedes; Richard Beaver) and FC Gun Creek Gangster (Doc; Chad Holman). After lunch, dogs were released in the Breakaway Field. Both dogs got hung up in the large field before the second creek crossing and Holman elected to pick up Doc. Cedes crossed the creek but had non-productives at 17 and 32 minutes and was picked up by the handler.

Brace 6: CH Tequila Chica Bonita (Chica; Richard Beaver) and FC Sniksoh Hank Gypsy Cruise (Cruise). Dogs were released in the Island Field. Cruise was missing a lot and was picked up by his handler. Chica had an erratic ground race but had a huge covey find at 34 minutes on top of the hill in Little Vine Loop. As we started toward the Twin Barns, Chica found a second huge covey but this one was just too tempting and he chased to end his day.

Brace 7: JoWill's Dutchess of Destiny (DD; Joe Williams) and

Black Creek Whizki Skip (Skip; Chad Holman). Dogs were released by the Blue House heading back toward the Twin Barns. Neither was seen until we arrived at the Twin Barns where Joe elected to pick up DD at 15 minutes. Skip had a find at 15 minutes just before the Big Pond and a non-productive shortly thereafter. Skip looked nice as he went through the Chute on Course 3 after which he took the top of the hillside on the way back to Sycamore Bottom and the milo strip to the double gates.

Day 2

Brace 8: FC Dogwood's Fireball Whiski (Whiski; Bob Burchett) and JoWill's Sweet Mandolin Music (Manie; Joe Williams). Manie was forward and looking nice but was not seen after the Island Field. Joe called for the tracker at 50 minutes. Whiski was seen from time to time until he made a right turn into Davis Bottom instead of going up Horse Killer Hill- and that was that.

Brace 9: GFC, FC, AFC JWB Arctic Cat (Kimber; Jack Alexander) and Jagoub's Spell Caster (Tabu; Daniel Campbell). Dogs were released at the start of Course 2. Kimber wasn't seen after we exited Little Vine Loop and Jack called for his tracker. Judge Moore summed up Tabu as a "Hell of a Bird Dog". Overall, Tabu handled well but worked at modest range. She had finds at 12 minutes on top of Little Vine Loop and at 28 minutes in the last tree line in Sycamore Bottom. At 42 minutes by the Big Pond, birds were seen in the air with Tabu standing and she was credited with a stop to flush. After two additional stop to flushes, Tabu went on point at the far end of the Bull Pasture at 59 minutes but chased as the birds flushed.

Brace 10: FC Jac's Ray of Sunshine II (Ray; Chad Holman) and NAFC, DC, GFC, GAFC2, AFC ANJ's Ohio Hellion (Hank; Bob Burchett). Dogs were released at the far end of the Bull Pasture heading back toward the Twin Barns. At 2 minutes, Ray was found with a warm and tasty bird in his mouth and was ordered up. Hank was rarely seen and the Handler called for the tracker at 50 minutes.

Brace 11: Ace's One Eyed Jack (Jackson; Chad Holman) and NFC, GFC3, GAFC, RFC, FC, AFC CVK's Spartan King (Leo; Jack Alexander). The first brace of the afternoon was released in the Breakaway Field. Leo turned left just before the first creek crossing and wasn't seen again. Jackson's ground race was a little erratic. He had a non-productive at 25 minutes on the left edge in Davis Bottom and a find at 30 minutes at the far end of Davis Bottom. Chad elected to pick him up when we got to the Island Field.

Brace 12: Spartan King Kid (Kid; Stan Williamson) and DC Sovereigns Legendary Cowboy JH (Duke; Matt Weldele). Kid is a young dog new to the adult circuit. He ran his lines, although not always from end to end, and made some nice moves from the top of Little Vine Loop through the first field thereafter. Kid went on point at 32 minutes on the left edge at the beginning of Sycamore Bottom. After a failed attempt to flush birds, Stan elected to relocate Kid and then birds, and Kid, were seen exiting the area. Matt came down from Minnesota to run Duke for their first time at Grovespring. Duke was responsive to Matt's commands but had non-productives at 12 and 55 minutes.

Brace 13: FC Black Creek Summit (Chip; Chad Holman) and RFC,

FC Bamajama Willy's Sassie Sadie (Sadie; Bob Burchett). Dogs were released heading into the Bull Pasture. Chip had a nice ground race but was "directionally challenged" from time to time. He had finds at 17 and 22 minutes. Sadie has been a tough competitor this fall and this day was no different. Sadie's run was fast, forward and on the edges. She had her first find at 15 minutes on the right edge as we approached the Twin Barns followed by a huge covey find at 21 minutes on the right edge in the Chute on Course 3. This connecting chute was loaded with birds as Sadie had 2 additional covey finds in rapid succession at 24 and 27 minutes. After crossing the road on Course 3, Sadie had a non-productive at the 35 minutes but took the far right edge toward the clubhouse, crossed the creek onto Course 1 and then finished her hour as strong as it began.

Day 3

Brace 14: Gangster's Jezabelle (Jazz; Chad Holman) and Osage Fork Slick (Slick; Bob Burchett). Dogs were released in the Breakaway Field. Jazz was seen under birds at 12 minutes just after the second creek crossing. Slick had a tough day- his run was erratic and he chased birds at 27 minutes and his day was done.

Brace 15: HeHi Rambling Roscoe (Roscoe; Bob Burchett) and DC, GAFC2, AFC Arrow's Tequila Rustler (Rusty; Richard Beaver). Rusty was scratched due to an injury and Roscoe ran as a Bye. And Bye it was- Roscoe was lost and Bob called for the tracker.

Brace 16: Piney Run Señor (Señor; Kent Patterson) and Mr. Staley (Doc; Daniel Campbell). Daniel and Doc came from Utah to compete for their first time at Grovespring. Unfortunately, Doc was lost from the breakaway. Señor had an erratic ground race but got to work after his first find at 33 minutes on the left edge as we approached the Twin Barns. Following a non-productive at 40 minutes, Señor made some nice moves through the Bull Pasture and had a nice covey find at time in the large field just after passing the Blue House heading back toward the Twin Barns.

Brace 17: TNT's Handsome Harry (Harry; Bob Burchett) and FC WW's Miss Carona (Rona; Burton Wice). The first brace of the afternoon was released in the Breakaway Field. Harry had a nice ground race with finds at 12 minutes before the Second Creek Crossing, 46 minutes near the top of Don Fox Hill, and another at 51 minutes at the end of Apple Tree Hill. Unfortunately, Harry had non-productives at 30 and 56 minutes. At 20 months of age, Rona got off to a rough start but then ran a fast and forward race. She scored her first find at 15 minutes in the milo strip just before the Second Creek Crossing. After the Island Field, Rona took the right edge of the connecting field, went up Horse Killer Hill, and was found standing at the top of Don Fox Hill at 46 minutes. At the same time, Harry was standing nearby and Bob flushed a single with all in order. As Burton flushed a large covey, 2 groups of birds flew ahead of Rona, who remained standing tall and staunch. She then swapped ends to mark the flight of a third set of birds that flew behind her. One judge thought that was too much movement and her day was done.

Brace 18: GFC3, GAFC2, FC, AFC JJ's Levi The Lionheart (Levi; Joe Williams) and NAGDC, GFC4, FC, AFC Snikosh Hank's Hatch (Hatch; Bob Burchett). Both Levi and Hatch are frequently in the winners' circle and this day was no exception. Dogs were released

at the beginning of Course 2. Neither dog had blazing speed but both handled well, had good forward races and hunted hard the entire hour. At 15 minutes, Levi's scout found him buried deep in the woods on the left side at the beginning of Sycamore Bottom. Joe flushed and fired with all in order. Levi had additional finds at 25 minutes after exiting Sycamore Bottom and heading toward the Twin Barns and at 40 minutes, with Hatch backing, in the Bull Pasture. Hatch had finds by the pond coming out of Sycamore Bottom, the gate after exiting Sycamore Bottom and heading toward the Twin Barns, another at 38 minutes in the fence line near the Blue House and a fourth find at time in the tree line near the Twin Barns. Hatch made a few bigger casts than Levi which accounted for him placing him ahead of Levi.

Brace 19: Pursuit's Broadway Glitz (Betsy; Bob Burchett) and BYE. Betsy was turned loose in the Chute on Course 3 heading toward the Clubhouse. Her run was erratic and she conveniently (for us that is) put up birds near the new campground to end the 2022 ABC Quail Championship.

SHOWCASE

I got my first Brittany 30 years ago, after sharing my life with various sporting and herding breeds, and subsequently joined the Southern New England Brittany Club so I could get more involved in Brittany related activities, such as field and show. Over the years, I have dabbled in breed, entered field trials, hunt tests, and obedience trials, and have earned a few ribbons and an occasional title.

Fast forward to 2020: A feisty female puppy we named Phoebe joined the pack. To give this very energetic pup a job and to keep her out of trouble, we dove headfirst into scent work, field, agility, and most recently, rally. Phoebe has earned Q's in AKC scent work plus Q's and titles in AKC agility. She also competes in United States Canine Scent Sports (USCSS) and Canine Performance Events (CPE) events, where she has earned titles in scent work and agility. Someday maybe we will get into the AKC Rally ring!

Fifteen exhibitors and 24 Brittans gathered at the Bella Vista Dog Training Facility in Lewisberry PA for the 2022 ABC Summer Agility trial. Brittany owners from Illinois, Connecticut, West Virginia, Virginia, New York, Maryland, New Jersey, and Pennsylvania were represented. Northern Virginia Brittany Club sponsored two days of agility prior to the ABC Trial. We thank our judge, Jack Cadalso, for designing super courses that the Brittans enjoyed. A fabulous luncheon, make your own taco and ice cream cake, was enjoyed by all. Thanks to Rosemary McGavin, Wendy Archinal, Laurie O'Donnell for taking great

The Southern New England Brittany Club held the Regional Grand Open Limited Gun Dog Championship on September 27-28 at the Flaherty Field Trial Area in East Windsor, CT. We appreciate the mowing and upkeep of the grounds by the State of Connecticut DEEP, as well as the dedication and hard work of president, Dick Frawley. Also, we thank Nestle-Purina for the support of our championship by providing bags of Purina Pro Plan 30/20 to the winning and placing dogs as well as small bags for all entrants.

Fran Gorman put on a fabulous corned beef dinner in honor of last year's champion I'm Your Man (Gus). Lunches were provided to all both days.

Also, thanks go to the committee: Chairman: Henry Wierzbicki, Secretary: Fran Gorman, Leslie Jane Hunt, Bill Gorman, Rita Poland, MJ Haesche, and Mike Tiberii.

This year we were fortunate to have two respected judges; Dick Frawley from East Windsor CT, and Joe Sikorski from Emmaus, PA. We thank

them for their wisdom, judgment, and kind manner.

2022 Grand Open Limited Gun Dog Championship

Hit's A Ring of Fire (Ringer) owned by Ralph and Judy Kiracofe and handled by Matt Basilone was named the 2022 Grand Open Limited Brittany Gun Dog Champion. Ringer had a strong forward run with nice moves and stylish application, covering the ground well. He had one picture perfect find.

2nd place was Maxime Confesseur de la Trinite (Moose) owned by Joshua Ruitter and handled by Matt Basilone. Moose also had a good forward race with two stylish finds, one at the islands and one on Dearborne.

3rd place I'm Your Man (Gus) owned by Frances Gorman was handled by Ben Lorensen. Gus had a steady extremely consistent application for his hour with two nice finds, one at 40 and one at 59.

4th place was York County Cruzier (Cody) owned by Dan Rein and handled by Ben Lorensen. Cody had one stylish find with a nice forward run especially on Dearborne.

The New England Brittany Championship Association appreciates the support of the owners, handlers, and their dogs. Without you, there would be no championship.

ABC DELEGATE REPORT

In December I spent a week in Orlando at the 22nd AKC National Dog Show presented by Royal Canin and the Delegate meeting. I was voted to represent the ABC on the Hunt Test Field Trail Committee and was seated at this meeting. We are currently working on Best Practices for our committee.

At our meeting of the general Delegate committee, we appointed a nominating committee to interview the Delegates as candidates for the BOD. Several of the candidates presented a 3 min address to the Delegate body.

The Chairman of the BOD, Dr. Thomas Davies, presented the continued success of the AKC and attributes that to the wonderful leadership and dedicated staff. The AKC continues to flourish in Companion and Performance events. The AKC has undertaken a major rewrite of the CMS (Competition Management System). It will allow us all better and clearer facile access to our event activities. This is a multiyear project.

This year's National dog show had 9,395 entries, which is the highest entries since the first National show. It is the largest show in North America. All of the Delegates volunteer at the event all week. This year FAST CAT was added.

There has been significant improvement in the total number of events and entries and climbing all year long. Let's hope we continue.

Jan 28-29, 2023 will be Meet the Breeds at the Javitz Center in NYC. 4 volunteers and I will man the Brittany booth for the weekend with our dogs. I was in charge of filling the Meet the Breeds as they now travel across the USA. I would like to thank everyone who stepped up to man the Brittany booth in California, 2 areas, Ohio, Florida and now NYC. The only area I was unable to staff was Texas, despite reaching out to several clubs.

Breed rescue is very important and the AKC

Humane Fund's rescue grant program provides financial assistance to not for profit animal rescue.

In 2019 the Bred-by class was started and just recently added the puppy bred by class. The winner of the Bred By Exhibitor Class as All-Breed clubs receive a free litter registration.

I enjoy representing the ABC as the Delegate and learning more about the AKC. If I can be of any assistance, please do not hesitate contacting me.

Terry Hilliard, ABC Delegate

The Brittany Gazette

When Is It Time?

by Dave Webb

Our family has had a total of 36 Brittansys over the past fifty or so years. Some have been Brittansys belonging to our sons, others we have owned, and some have spent a lot of time with professional handlers – both field and show. We are not breeders, whelping a litter has always focused on a goal to produce pups to improve the Brittany breed. Admittedly there was one exception being the first breeding, which was when our boys were young and I thought “it would be great for the boys” to experience/observe a litter of pups. There have been seven different females with a total of only twelve litters being whelped.

These Brittansys have been an adventure and a joy. Although there has been many an occasion when a situation would develop leaving one to feel frustrated. There was the time when George Dubya, who often traveled with me to our store – during “break-time” – to do obedience training. On one occasion the truck was parked in the shade with the windows open “what I thought was just enough” for George to remain comfortable. No, they were open enough for him to jump-out. Fortunately several hours later, someone who knew we owned Brittansys, retrieved the dog and returned him to the store. Relieved with a bit of luck to say the least!

Many other instances with our Brittansys have occurred over the years. However, the author would now like to share a brief story about one of our special Brittansys. There is an “old saying” that if a dog man/hunter owns one good bird dog, he is fortunate. This writer has been blessed with having more than just one, and of course a Brittany. With the first one being, registered AKC and American Field name – Just Dew It. Dewey without a doubt – in my eyes – was special, my best bud. He was the first Brittany that provided me the introduction into the field trial game and show arena.

As a pup, some thirty years ago, we attended together training classes for Dewey to be able to compete in the show-ring. In the Puppy Class, he achieved his first blue.

However, as my better-half stated – after it was reported there was only one other puppy in the event – “just two pups and your dog got a ribbon”.

With three boys in the family, we bird hunted our Brittansys. As pup Dewey also was given that opportunity. To extend the hunting, he was the first of our Brittansys that was trained for field trials. Even today long-time friend and retired pointing dog trainer, Gene Stewart will tell anyone who will listen, Dewey was of the most difficult dogs to bring to being “steady-to-wing and shot”.

Dewey was a “bird-finding” machine. When he was hunted, always there were many opportunities to take a bird – quail, chukars, or pheasants. Then when it came for the field trial game, Dewey would have – also being a negative situation – lots of birds. There was a time at a trial in western New York in a thirty minute Derby event that he had five finds and the judge said “we needed to see more run and not so many bird”. Again in Ohio in a Gun Dog field trial stake, he had six birds; again the judge said “need more run and not so many birds”. Dewey spent several years developing that “run” with Tom Tracy and completed his Field Championship. He was then retired to become our family pet and companion for bird hunting.

As he grew older quality time was spent, “roading-off-four wheeler” and staying in conditions to bird hunt. Also many a day was the routine of Dewey running out of his kennel and jumping into the truck for the morning ride to the local Post Office. Dewey had one particular characteristic somewhat different from our other Brittansys. He never would “look at you for an extended time period”. Several of our Brittansys would often enter into “a stare-down contest”, but not Dewey.

If life were reasonable/fair, our Brittansys as well as other dog breeds would have the somewhat the same life span as we do. It’s sad to watch our hunting partners struggle afield as they become older. When Dewey was about eleven years old, changes started to occur. The annual appointment with our Vet indicated that he had developed a “heart mummer”. The run from the kennel to the truck was often interrupted with lying down. His stamina continued to decrease even though Dewey was taking medication to help with the heart situation. There comes a time as those of us, who are charged with being the “keeper” of the Brittany, decisions have to be made to avoid our best friends from suffering. Often the word euthanasia is considered an “ugly” word. However, as Merriam-Webster gives the definition – eu means good; and thanasia is death.

It was during a visit to the Vet that Dewey let me know – “When it was time”. We were talking about the fact that increase medication dosage or changing to another type, just was not going to help. During this entire time we were talking, Dewey looked at me; never taking his eyes from mine. He let me know!

The memories are great and as noted by author Ben Hur Lampman stated in his article “Where to Bury a Dog” - “is in the heart of his master”.

ANTHRACITE Freeland Kennel Club Freeland, PA November 12-13, 2022

The Anthracite Brittany Club held its Fall Field Trial on November 12-13, 2022 at the Freeland Kennel Club, Freeland, PA. The weather was much better than predicted with partly clouded skies and temperatures in the 50s both days. The grounds were groomed well with enough cover to hold the birds even though scenting seemed to be difficult. Our entry was light, which seems to be the new trend as evidenced with the past few trials. However, we still managed to have majors in the three adult stakes and hold a puppy and a derby stake. Horses were supplied by RB Powell from Lewiston, PA.

We thank all of our participants who helped to fill our stakes and to those who gave their time to judge. As always, a great many people pitched in and kept the trial running smoothly. Everyone who comes to our trial is important to the success of the

trial and we greatly appreciate all of you. We could not hold this trial without you.

Thanks again and have a great winter. We hope to see you all in the Spring!

They must sign the Litter Nomination form, and any breeder purse checks will be paid to this designated nominated breeder. If their membership has lapsed at the time of the Sectional Futurity, the purse will revert back to the ABC Futurity Administrative Fees.
- Nominations of dams must be made within 60 days after a bitch has whelped, and a Nomination Fee of \$40.00 ("First Forfeit") must be paid at this time.** This payment will entitle each puppy of the nominated litter to be entered in the ABC Futurities (Field and/or Show) after the puppy has been properly registered with AKC or FDSB. Nomination Fees are set by the ABC Board of Directors.
- Late litter nominations will be accepted with the following current fee schedule:** In addition to the Nomination Fee of \$40.00, late fees are \$60.00 (total of \$100) for 61-90 days, and \$100.00 (total of \$140) for 91-180 days. Nominations after 180 days will be accepted at the discretion and decision of the ABC Futurity Committee. The postmark will determine the fee for late nominations. The ABC Board of Directors may impose additional late fees from time to time.
- A Final Forfeit Fee, to be eligible to compete in the Sectional Futurities (Western/Central/Eastern), is due by October 1, 2023, and is submitted by the owner of the eligible puppy. Futurity Entry Fees will also be paid prior to 2024 Sectional Futurity events** by the owner of the eligible puppy for each Sectional Futurity event in which the eligible puppy is entered. Final Forfeit Fees as well as Sectional Futurity Entry Fees are set by the ABC Board of Directors and subject to change.
- Beginning 1/1/2020, all litter nominations will be acknowledged via both email and written notification sent**
- More information on the ABC Futurity and additional copies of this form can be found on the ABC website:
