What will be your strongest asset as a member of the BOD and why? I believe that my being a dual oriented person will bring a well rounded perspective to the BOD. I participate in shows and I also attend horseback, walking and wild bird trials. I have spearheaded an effort to bring a wild bird trial to NY. I also attend events outside of the New England so will reach a large base of E'n people I would represent. I attended AA Nationals for both weeks and the show for the past 5 years so I know a lot of the directors from other regions.
