

# Futurity Nomination Deadline Extended for litters born in 2006

The ABC Board of Directors at the 2006 Meeting, voted to: *"Grant a one time exception to the 90 Day futurity rule. Any litter denied entry in 2006 due to the 90 day rule may apply to enter with a late fee of \$90.00"*

The board intended to encourage owners of litters to nominate and participate in the Futurity.

For owners of litters born in 2006, who may have been turned down for any reason or may have failed to nominate, you now have a second chance to nominate that litter for the futurity.

Litter owners wishing to take advantage of this *one time exception* should send their litter nominations on the 1st Forfeit Nomination form from near the back of the magazine (this form has been updated for the 2007 litters, but will be acceptable to use when nominating 2006 litters) to: Judy Robin, 1st Forfeit Secretary, along with fee of \$90.00. This late nomination period will end July 1, 2007.

This applies only to Litter nominations and does not refer to individual dogs, which can only be nominated as part of a litter by the litter owner.
