Motion: I move we feature the correct photo of the 2020 ABC National Specialty Show Best of Breed winner be placed on the cover of an upcoming ABC magazine. If there is a shortage of covers available for the year, it is recommended to use the cover reserved for the new hall of fame dogs. The hall of fame dogs will be placed on the inside front or rear cover. If there is no National Dual Award Winner, then the magazine will use the cover normally reserved for them.
