

## **2010 ACTION ITEMS FOR ANNUAL BOD MEETING**

*The following items will be topics that the ABC Board of Directors will be considering at their annual meeting. If you wish to offer input on any of these items, please contact the person making the proposal and/or contact your Regional Directors. There are 15 items listed. Some of the Action Items deal with more than one proposal where large sections of the Policy Book are being revised. \*\*\*\*\* separate the action items numbered 1 to 15. Mary Jo Trimble, ABC Ex. Sec.*

**1. Discuss Qualifications (done annually) : Pres. Hank Hartnek**

\*\*\*\*\*

**2. Discuss holding the AA Championships at Booneville 2011-1013: Pres. Hartnek**

\*\*\*\*\*

**3. Discuss recognition of Grand Canyon Brittany Club: 2<sup>nd</sup> VP Judy Robin**

\*\*\*\*\*

**4. Items submitted by Trea. Janet Chase:**

- Consideration of any requests for revisions in budget amounts for 2011, if any,
- Review the current level of disbursements being made from the breed issues fund to determine if any changes are to be made in 2010. Details will be included in my updated report for the meeting.
- Review financial results of the 2010 Gun Dog National Championships.
- I plan to gather preliminary information for the purpose of the Board determining the appropriateness of not of ABC forming a foundation to receive tax deductible contributions and bequests from estates.

\*\*\*\*\*

**5. Items submitted by Judges Ed. Coordinator: Diana Kubitz**

**Action Items:**

1. We would like board approval of the revised application adding the #7 asking about information about field trials, hunt tests, hunting and feelings about the dual dog.
2. We would like the board to approve a new process concerning the approval of ABC mentors:

Obviously if we accept a mentor, there shouldn't be any reason to send the vote to the President. We believe that we need to have categories that a rejection might fall into:

- Insufficient Information: at which point the committee would advise the applicant about the information they require to make their decision.
- Does not meet the qualification at this time: at which point we would advise the applicant what needed to be accomplished to meet the criteria.
- Does not represent the best interest of the American Brittany Club: there are only a few people that I can think of that might fall into that category.
- Information about the votes would be made available to the President if he or the board had questions on any applicants; otherwise that information would remain with the committee.

\*\*\*\*\*

I would agree to some form of quarterly news letter published electronically in the transition. **Submitted by Jim Chase, Central Director.**

\*\*\*\*\*

9. Approve the Wahington Brittany Club to host the 2013 ABC Summer Specialty, August 24, 2013, in Enumclaw, WA.

\*\*\*\*\*

\*\*\*\*\*

**13.** Changes to the ABC Policy Book, Futurity Section **Submitted by Futurity Chairman Lisa Pollock**

Reason: Changing the second forfeit deadline to a date 2 weeks later would allow the Futurity secretary more time to process the information. The September 15<sup>th</sup> deadline date falls at a time when members of the committee travel to attend the fall game bird classics.

**1. Page 96 TRIAL AND SHOW 2nd paragraph**

On or before September 15<sup>th</sup> of the year following a pup’s birth year those **owners** expecting to start dogs must describe their entries on blanks furnished by the ABC and pay on each a forfeit for each trial and for each show in which it is planned to participate. **(2008)**

#### SUMMER SPECIALTY SHOW

Summer specialty show: By action of the board of directors in 1968, it was voted affirmatively that each ABC region "be allowed to host a summer specialty show in turn". The 3rd vice president shall have the authority for assigning the sponsoring club(s), I would like to add "or may assign or have assigned that responsibility to another named party such as the Summer Specialty Show chairperson" for the summer specialty show to insure that the show shall rotate, in order from region to region. (1980) This is currently being done.

- A. Enforcement of this "rotating policy" by coordinating with the president a permanent five (5) year schedule that the summer specialty show will be held on a region-by-region basis.
- B. Coordinating with regional inter-club councils, where same exist, or communicating with each regional club in a region to determine if the region as a whole, or a club or clubs desire to act as host for the summer specialty show in their region--all such arrangements to be made at least three (3) years in advance, if possible.
- C. Coordinate with the president the appointment of a show chairman for the Summer Specialty I would like to add "and have the premium reviewed by the 3<sup>rd</sup> VP to insure that the classes, ribbons and ABC's class requirements are correctly put in place." This will ensure all the bases are covered.
- D. Coordinate with the show chairman of the Summer Specialty and with the person co-

coordinating the event rotations the appointment of a show secretary or superintendent and members of the show committee.

- E. The **I would like to add** “Show chairperson of the Summer Specialty will notify the 3<sup>rd</sup> VP”, president and executive secretary as to the chairman and members of the show committee. **This will ensure all responsible parties are notified.**
- F. The Summer Specialty Show may be held as an Independent Show or as a Designated Specialty Show in conjunction with an All Breed Show in May, July or August. (2002)
- G. **I would like to add** “The 3<sup>rd</sup> VP will coordinate with the Summer Show Committee” the selection of the all breed show and choice of judge. **This will ensure everyone on the committee knows what is happening.**
- H. **I would like to add** “The 3<sup>rd</sup> VP will” approve, with the president’s approval, the site, date, type of show to be held and the choice of judge. (2002) **This change will make this requirement more specific as to whose function this is.**
- I. **I would like to add** “Hosting Club will” notify the editor of “The American Brittany” of appropriate information for advertisements, etc. **This change will make it more specific as to the responsibilities.**

**The following section comes from “Summer Specialty Show” section of the Policy Book beginning on page XX. This section should be combined with the items above referring to the Summer Specialty Show.**

The summer specialty show committee shall, under the direction of the 3<sup>rd</sup> vice president **I would like to add** “or appointed committee chairperson,” **(This is already being done.)** arrange for host clubs for the summer specialty show so that each region be allowed to host the show in turn. Efforts shall be toward a permanent five (5) year region-to-region rotating schedule. Arrangements should be approximately three (3) years in advance. The Board shall approve host clubs at its annual meeting each year.

The summer specialty show may be held as an Independent Show or as a Designated Specialty Show in conjunction with an all breed show and shall be held in May, June, July or August. (2002) If held as an independent the Veteran class will be 8 years and older. The Field Trial class will be for dogs who have earned a Field Trial Placement in the calendar year prior to the show’s closing date of be a finished Field Champion.

The application for the show shall be sent from the ABC office. The host club shall send the date of the show and the name of the all breed show to the executive secretary as soon as possible so the application may be sent to AKC.

If a sweepstakes is to be held, all the information for that shall be sent to the ABC office for the form to be sent in a timely manner.

The host club is responsible for getting trophy donations themselves, but the ABC shall be responsible for a trophy for Best of Breed with a value of up to \$75 and a Best of Opposite Sex with a value of up to \$50. If the host club’s trophy donations cover the cost of all trophies, ABC will NOT buy the Best of Breed or the Best of Opposite Sex trophies. If the host club collects more for trophies than is spent for trophies, the excess shall be passed on to the next host club for the next summer specialty. (1979)

The ad for the summer specialty shall be sent to Managing Editor by the host club. There shall be no charge for this one ad. Any additional advertising for events held in conjunction, is limited to 1/4 of that page. Deadline for the ad shall be the first of the month preceding the issue it is to appear. **I would like to add** “The completed write up will be sent to the editor with photos of BOB, BOS, WD, WB, BW, Best BBE, Puppy & Junior, if available. (Top winners: BOB, BOS, BW, WD, WB photos will be included at no charge to the event winner.)” **This will ensure the results are sent to the magazine.**

The official ABC emblem is available by e-mail from the ABC Executive Secretary. The official ABC

medallions are also available from the ABC Executive Secretary for replacement costs.

It shall be the responsibility of the summer specialty chairman to notify the next year's host club of the previous year's Best of Breed winner by owner's name and address. This shall enable the next host club to arrange for receipt of rotating trophy for presentation.

Only the Specialty Show held with the National Championships in November shall be called "The National Specialty Show: The winner of the Summer Specialty Show shall be called "the winner of the Summer Specialty Show." The Sequani's Dana Macduff Memorial Challenge Trophy was retired in 1988 by Yoko O'Shell. It was replaced in 1989 by the Jacques Prince Valiant Memorial Challenge Trophy donated by Bob and Curtis Humphrey in honor of their top winning American/Canadian champion. Three Best of Breed wins at the summer specialty (same owner, not necessarily the same dog) will retire the award. It is a cast Brittany on a wooden base. (1989)

The regular classes and the non-regular classes to be held at the summer specialty shall be standardized to be the same as the national specialty, i.e. Stud Dog, Brood Bitch, Veterans, and Field Trial classes. The holding of sweepstakes is optional. (1983)

**I would like to add "If Obedience is offered, the premium list for obedience exhibitors should state: Refund of entry fees for bitches in obedience that come into season after the closing date of this show may be obtained by sending veterinarian's certificate to the show secretary. This certificate must be postmarked before the opening day of the show or given to the show secretary before the start of the show. Move ups are allowed. Contingent on hosting all breed's policies. This paragraph is included for the National Specialty Show premium and should be included to make them consistent.**

Those clubs hosting ABC events are responsible for attaining/securing photos of the winners of the event along with the write-up and sending such documents for publication to the managing editor of "The American Brittany" magazine.

The summer specialty is the official title and IS NOT to be referred to as, or in conjunction with the word "Nationals".

Each chairman shall keep a file of the activities of the year to pass on to the next succeeding chairman. The file shall be handed to the president at the nationals to be passed to the next appointee. If such a file is not received, check with the last chairman. If no file is available, start one. Submit a report of your activities and recommendations to the agenda chairman in advance of the annual board meeting. This must be done far enough in advance so the agenda chairman can have the agenda in the hands of the directors six (6) weeks prior to the annual board meeting. (1992)

At the national specialty show and the summer specialty show the following classes are required: Field Trial Class, Stud Dog Class, Brood Bitch Class and Veterans Class. (11/93)

**I would like to add "At the Summer Specialty Show, the following classes are required: Field Trial Classes (dogs and bitches), Stud Dog Class, Brood Bitch Class, Veterans classes (dogs and bitches). Additional Classes to be considered Best Junior, High Scoring Brittany when Obedience is available and Hunt Test." This makes the classes consistent with what was stated in classes for the National Specialty Show above.**
